**NEW SHERIFF SWORN IN**--Monday morning, Deputy Sheriff Jerry Hicks, left, was sworn in as Bailey County Sheriff by Bailey County Judge Gordon H. Green. Sheriff Hicks would have taken office on January 1, 1989, but assumed his duties as sheriff five months early, following the resignation of incumbent Sheriff Bob Henderson. The Hendersons moved to Vega, where Henderson is an Oldham County Deputy Sheriff. Looking on, center left are Mark Hicks and Jeff Hicks, son of the new sheriff. *[Journal Photo]*

## Charles 'Moraw's Life Saved By New Heart Drug, TPA

One and a half million people will suffer a heart attack this year. Heart attacks cause one-fourth of all deaths in the U.S.A. The cause of a heart attack is a

result of occlusion (blood clot) in one of the small arteries that supply the heart muscle.

These coronary arteries are often times narrowed by cholesterol deposits in the wall of the artery. The heart attack occurs when a blood clot forms at the site of the narrowing, causing loss of blood flow to the heart muscle.

In the past, doctors could only treat the problems related to the heart attack, but had no way to stop the damage to the heart muscle.

In the past year, a new form of drug therapy has been developed that dissolves the clot blocking blood flow to the heart muscle, thereby preventing damage to the heart muscle, and restoring its normal function.

This medicine is given into a person's vein by the physician or other medical personnel. It works rapidly and in nearly 80 percent of the cases, restores patency to

the involved coronary artery.

The name of this drug is Tissue Plasminogen Activator (T.P.A.). The most important thing in using this medication is to do it early when the heart attack first begins. If a heart attack is more than six hours old, the effectiveness of the medication diminishes greatly. It is therefore extremely important that if you are having chest pain, unusual arm pain or indigestion problem, you should seek early attention by a physician to rule out possible heart attack.

Early recognition and treatment with T.P.A. will lead to saving many lives and will present the long term problems associated with damaged heart muscle, cite local doctors.

The medical staff of West Plains Medical Center is proud to announce that they are the first in this area to offer this technological breakthrough. It

## New Principal Named For DeShazo Elementary

In a special meeting on Monday night, August 1, the Board of Trustees of the Muleshoe ISD employed Dr. Don Holes of Clovis, N.M. as the new principal of Mary DeShazo Elementary School.

Dr. Holes is well-qualified, noted the board and has the experience and expertise to continue the school improvement program at Mary DeShazo.

DR. DON HOLES

He holds a Doctor of Education degree from the University of Northern Colorado, a Master of Arts degree, and a Bachelor of Arts degree from Colorado State College.

His professional experiences are varied, further noted the board. He has been associate professor of education for ENMU at Portales, N.M. and Fort Lewis College, Colorado; a teacher and administrator in Bloomfield Public Schools and in 1987-88 he was a principal in Fabens, Tex.

Dr. Holes has received many special awards and recognitions in the field of education and has a very positive attitude toward professional improvement.

Don Holes believes schools should be student centered and is very excited about moving to Muleshoe and being a part of the effective schools movement.

His wife, Mary Holes, is an instructor at the Clovis Campus of Eastern New Mexico University.

Dr. and Mrs. Don Holes were honored with a reception given by the Board members and their spouses on Monday evening at 6 p.m. in the home of Mr. and Mrs. J. D. Cage.

## 'Miracle' Heart Drug Available At Hospital

### WPMC One Of 'Very Few' Hospitals To Have TPA

Boys, Girls

All-Sports

Physicals Set

Physicals for all boys who will be involved in school sports are scheduled at 3 p.m. Sunday, August 7 at the Muleshoe High School gym.

Girls' physicals will be at 3 p.m. on Sunday, August 14, also at the MHS gym.

Varsity football players will begin working out twice a day on Monday, August 8, with workout times being 8 a.m. and 5 p.m. each day, Monday through Friday.

Shoes and helmets were issued to grades 9-12 football players at MHS on Wednesday (yesterday).

Athletic Director Dale Keeling said the Muleshoe Mules will scrimmage the Canyon Eagles in Muleshoe on Friday, August 26, with the JV and ninth grade games getting underway at 5 p.m., followed by varsity around 6:30 p.m.

Coach Keeling said they are still seeking a location for a scrimmage with Sanford-Fritch on Friday, August 18. The location will be released as soon as confirmed, he added.

It was a very informative meeting for the Muleshoe Rotary Club and a number of guests Tuesday, when Todd Ellis introduced Bill Holland, Chief Flight Nurse for the St. Mary of the Plains Flight for Life emergency helicopter, as guest speaker.

Holland, who is an R.N. and Dr. Bruce Purdy spoke, along with Dr. Mark McClanahan, and their information was another 'boost' in the arm for Muleshoe.

Bill Holland told the group he had become familiar with Muleshoe and recalled that when he first came here, the hospital was closed and the EMS was transferring all patients. "Dr. Purdy was working doubletime," reminded the Flight Nurse.

He told how Randy Watkins, local paramedic-SS had gone to work part-time for Flight for Life and that he had worked 'a few days in Muleshoe with the Bailey County EMS'.

Then, the Flight Nurse got into the real topic for the day -- a new medicine that was approved on January 1 for use in cardiac patients.

The new drug -- called TPA -- could almost be termed a 'miracle drug.'

He explained that prior to the approval of TPA for use on

cardiac patients, the Flight For Life helicopter used an older cardiac drug which was not as effective.

Holland told the Rotarians what happens in a heart attack and said a patient has only a 50-50 chance to survive the initial attack. The new drug, TPA, opens up vessels and goes right to the spot where the myocardial infarction (heart attack or clot) occurs. It immediately dissolves the blood clot, and in many instances, the heart survives without damage.

Some 12 days ago, West Plains Medical Center in Muleshoe became one of only five other hospitals in this part of the state other than Lubbock to have a supply of the drug.

During the last 10 days, TPA was used on three patients initially brought into the local hospital before being transported to Lubbock by helicopter.

Holland reminded the Rotarians of the progress made in Muleshoe, from less than a year ago, from no hospital to an open, operating hospital, state of the art medication and the Flight For Life air ambulance service.

He went on to explain that

Cont. Page 6, Col. 3

## Mule Day Activities Set For Next Weekend

It will be a rather abbreviated version, but there definitely will be a Mule Days Festival in Muleshoe next weekend.

After the board of directors of the Muleshoe Chamber of Commerce and Agriculture turned down a request from Jeff Smith to help coordinate the activities this year, there was not time to put together a full schedule of events.

But, everything will start at Smith's big blue barn with the turtle races and arts and crafts festival.

Under leadership of Kathryn Taylor, parade chairman, a parade will wend its way through the streets of Muleshoe at 10 a.m.

There's not much time, but Mrs. Taylor is asking for all parade entries possible to be ready to parade. The parade will form at 9 a.m. at the Boy Scout Grounds and travel down Main Street in Muleshoe, and go back south on South First Street to the Boy Scout Grounds.

Get your entries in to Mrs. Taylor by calling 272-5262 after 5 p.m. The parade can and will take place.

Fajitas and all the trimmings will be served at the Smith barn from 11 a.m.-3 p.m., followed by a Play Day at the arena, beginning at 1 p.m.

In the evening, a barbecue and dance will be held at the barn, beginning at 7:30 p.m.

And, this is important, all proceeds go to West Plains Medical Center.

Help the hospital obtain more operating funds while you have fun doing it.

On Sunday, a Mule Show will be held 9 a.m.-2 p.m. at the arena two miles east of Muleshoe on Highway 70.

## Bus Driver School Set Next Week

In accordance with Texas law, school bus drivers will undergo training in Muleshoe next week.

David Gray, instructor, said classes get underway at 1 p.m. in room 16 at Muleshoe High School.

He said any person employed to drive a school bus in the state of Texas, is required to complete a Bus Driver Training Course. Once completed, the driver must periodically take a refresher course.

On Monday, the school will conclude at 5 p.m. On Tuesday, school hours are 1-6 p.m.

Wednesday, the school begins at 1 p.m. and will conclude at 6 p.m. Thursday's hours are 1-5 p.m. and on Friday, the last day of school, it will be conducted 1-3 p.m.

Gray said he will be utilizing both classroom and actual driving of the buses during the five day school.

He said his instructions will not only include the basic driving course, but will also include a refresher course for the 20-hour school.

To register, call 272-3080 or 272-4412.

### John Isaac

### Gets Honors

### For Academics

Last Friday at Dallas, Muleshoe High School graduate and Rice University junior John Isaac was one of 23 Southwest Conference Football players honored.

Isaac, the son of Mr. and Mrs. Charles Isaac of Muleshoe, is a pre-med student at Rice and received a plaque for academic honors.

The award was presented at the 30th annual GTE Southwest Conference Kickoff luncheon in Dallas.

Isaac has two letters at Rice, is on the President's Honor Roll, a member of the Pre-Medicine Society, Volunteers for Youth, and Fellowship of Christian Athletes.

He started four games at defensive tackle in 1987, made 25 total tackles, with three being for 34 yards in losses, and deflected one pass.

According to James L. 'Rocky' Johnson, chairman and chief executive officer of the GTE Corp., "While the performances these student-athletes turn in on-the-field is demanding, the performances they turn in off-the-field is even more demanding."

"We congratulate this year's GTE/SWC Academic Honor Team for the outstanding achievements they've made in the classroom. Their athletic and academic excellence are shining examples of the true student-athlete."

## Country/USA Photo Contest Set For Youth

FFAers and 4-Hers from across the nation are invited to grab their cameras on October 1 and capture the essence of rural America on film. "Country/USA." A special photo contest for 4-H and FFA members is being sponsored by the New Northrup King, Golden Valley, MN, in association with Silver Image Productions, Inc., Champaign, IL.

The New Northrup King will award more than \$8,000 in prizes and the top 24 photographs will be featured in *One Day in the Country/USA*, a unique coffee-

table, photo-essay book about the U.S. countryside--its rural areas, small communities and people--as revealed through the eye of the camera on a single day, October 1, 1988. Silver Image Productions, Inc. is the organizer and publisher of *One Day in the Country/USA*. The book is scheduled for release in fall, 1989 and will feature photographs by professional photographers from around the country.

"We believe FFA and 4-H members can make significant photographic contributions to a publication dedicated to depicting rural America," says Marvin Black, director of communications, The New Northrup King. "Many 4-Hers and FFAers intimately know the feeling and moods of the U.S. countryside. We believe their photographs will rival those of the professional

photographers."

Given today's modern technology, entrants are expected to concentrate on composition and the compelling shot. "We want photographs that stand on their own; that are intrinsically interesting," says Black. "Judges will look for images that differentiate one geography and cultural area from another."

Seventy-four entrants will be recognized for their photographic achievements. Two grand prize, 22 finalist and 50 honorable mention awards will be given. The grand prize FFA and 4-H entries will receive their choice of a \$1,000 scholarship or a \$1,000 U.S. Savings Bond. Finalists and honorable mention winners will each be awarded \$100 and \$50, respectively. The grand prize and finalist photographs will receive a copy of *One Day in the Country/USA*.

To qualify, all 4-H and FFA entrants must submit color slides that were photographed on October 1, 1988. For rules and entry forms, contact the New Northrup King at 1-800-445-0596 (in MN, 1-800-652-7333).

### Howard Carlyle Funeral Services Held Monday

Funeral services for Howard Carlyle, 59, of Farwell were held at 11 a.m. Monday, August 1 in the Farwell First Baptist Church with the Rev. Rick Sullivan, pastor, officiating.

Interment was in the Texico Cemetery at Texico, N.M. under the direction of Ellis Funeral Home of Muleshoe. Carlyle died at 8:15 a.m. Saturday in West Plains Medical Center.

Born July 18, 1929, in Clovis, N.M., Carlyle had been a resident of Farwell for 15 years, moving there from Lubbock. He married Billie Towry on July 22, 1949, in San Angelo, TX. He was a high school counselor, a member of the Farwell First Baptist Church, Lubbock Masonic Lodge, Lubbock Shrine, and Farwell-Texico Lions Club.

Survivors include his wife, Billie; three sons, Hardy Carlyle of Lasbuddie, Glenn Carlyle of El Paso, and Lynn Carlyle of Roswell, N.M.; and two grandchildren.

The family requests memorials be made to the First Baptist Church or the Howard Carlyle Scholarship Fund at the Security State Bank.

## Droughts Plagued Each Decade

Records of the National Weather Service show that at least one serious drought has plagued parts of Texas in every decade thus far in the 20th century.

State climatologist John F. Griffiths, who came to Texas A&M University in the 1960's as professor of meteorology, said the most costly and devastating drought to strike Texas in modern history was the extremely massive drought that damaged every region of the state in the decade of the 1950s.

That extreme drought, Griffiths said, was the worst from the standpoint of its intensity, vast coverage and persistence as well.

Dr. William A. Dugas of Temple, whose research with the Texas Agricultural Experiment Station is in meteorology with emphasis on water use by crops and rangeland, also has helped track Texas droughts over a period of time.

Weather records maintained by the U.S. Department of Agriculture and the Experiment Station at the Temple-Blackland Research Center where Dugas is headquartered go back about 75 years.

"These include rainfall records for the Research Center as well as information provided by the National Weather Service," Dugas said.

"For national perspectives on drought, the Palmer Long-Term Drought Index is the most comprehensive and best information that is available," Dugas said.

Drought in Texas have created unparalleled hardships for the Texas economy many times in the past, and are certain to recur, Dugas said. He has conducted research on water use by crops

and rangeland for the past nine years, and several other scientists at the Temple Center also are working in the area of agricultural meteorology in this field.

Griffiths said the so-called drought of the 1950s first began in the late spring of 1949 in the Lower Rio Grande Valley, according to National Weather Service records. It was evident in western portions of the state several months later, and had become a severe drought over most of Texas by 1951. Although some rain brought brief respites to small portions of the state, the drought progressed from severe to extreme over the remainder of Texas by 1956.

In the spring of 1957, the rains finally came to erase some of the damages of drought across the Texas landscape. National Weather Service records show that good general, steady soaking rains began in February and continued through April that spring. But dead mesquite trees and other native trees stood for years as grim reminders of the state's most devastating drought.

National Weather Service records, Griffiths said, show that droughts of shorter duration and slightly less severity plagued Texas on several occasions in the 1970s, and a massive searing heat wave in 1980 set in motion a severe drought that scorched most of Texas in the early 1980s. Again, hardy mesquite trees died in many areas of the state.

This drought of the early 1980s brought much hardship to central and southern portions of Texas in 1984. Some cities ran out of water and officials of other areas rationed their precious water supplies to stretch them as far as possible.

### Sudan News By: Evelyn Ritchie

Mr. and Mrs. Glen Kleman have returned from vacationing in Conn. where they went to visit her parents.

Mr. and Mrs. Jack Engram have returned from vacationing in Canyon where they visited their daughter, Dr. Karen Rich who was recently hired as a principal of the Rex Reeves Elementary School there.

Visiting this week with them is their granddaughter, Melanie Baccus daughter to Eloise Baccus of Spring.

Brenda Testerman was home during the weekend with her parents, Mr. and Mrs. Glenn Testerman and family and was also here to attend the Parmer family reunion.

Mr. and Mrs. Lynn Drum and family of Caddo Mills were here during the weekend to visit her mother, Mrs. Mary Lena Maxwell and other family members and were here for the Parmer family reunion.

## AAUW Accepting Scholarship Applications Now

## Applications Now

It's the time of the year for girls who are juniors or seniors in an accredited college to apply for the annual AAUW Scholarship.

They must be graduates of Muleshoe High School and be enrolled in any accredited college. Also, they must be fulltime students, with a minimum of 12 hours. Scholarship funds will be paid directly to the college.

Monday, August 1, was the first day to make application for the 1988 scholarship funds, and the final date is August 12, with the postmark not later than Friday, August 12.

To apply, the student must send a transcript from the college; letter of application and one letter of recommendation.

Mail completed applications to: Pam Hancock, Route 2, Box 1320, Muleshoe, TX 79347.

23 for a get-together.

Those attending were all six children and their families, including Zexia Parmer of Dillingham; Sardis and Billy and Phil and Rhonda Parmer of Littlefield, Donald Gage of Hobbs, N.M.; Duane Gage and Ernest Gage and Carry of Eunice, N.M.; Frank and Betty O'Dell of Stratford, Sheryl and Lynn Drum and Tasha of Caddo Mills; Brenda Testerman of Canyon as well as Craig and J'lee Turner, Brandi and Kayla; Leon and Billie Gunn of Dimmitt.

Also Billy and Laurie Drum and Ryan of Bryan; Andri and Debra Smith of Lubbock; Debra and Amber Parmer of Texico, N.M.; Carolyn and Kevin Clark, Albidene and Henry Proctor, all of Amarillo; Janene Blake of Brownfield; and Flora Parmer and Roxanne Gunn, Christy and Truman Parmer, Mary Lena Parmer Maxwell, Yvette and Skinny Gage, Wanda and Glen Testerman, and Jannette and Glenna; Freddie and Pam Maxwell, Aaron and Evan, Lula Burnett, Loretta Reid, Suzanne, and Jill, all of Sudan.

## NOTES COMMENTS

Girls in bathing suits look especially good now.

The best way to avoid bills is to pay cash.

If you lose interest in life, you're dying.

It's usually a mistake to pay in advance for a job.

Those who arrive on time have a lot of waiting to do.

Business pays for brains but doesn't always get them.

In a formal military service Saturday, July 2, Kimberly Dawn Rylant became the bride of Lt. Wade Knudson in the Southern Baptist Church of Oak Harbor, Washington. The Rev. Grafton Robinson, pastor, read the double ring vows.

Parents of the couple are Cdr. and Mrs. Arboth of Oak Harbor, Mrs. Carolyn McAadoo of Albuquerque, N.M. and Paul Knudson of Atlanta, GA.

Marriage vows were exchanged before an altar centered with the kneeling bench and the unity candle nestled in pink gladiolas, pink carnations and baby's breath, interspersed with royal blue stephanotis. The rails were adorned with wide candy pink streamers and large bows. Spiral candelabras holding votive candles and tied with large royal blue and candy pink bows and greenery completed the setting. The aisles of the sanctuary were lined with tall candelabras holding votive candles surrounded with greenery and large royal blue and candy pink bows. Parents pews were marked with a triple candelabra.

Prior to the ceremony, the mothers of the couple were escorted to their seats by the groom.

As the bride entered, escorted by her father and given in marriage by her parents, Elgin Hawkins, trumpeter, played "Trumpet Voluntary March" accompanied by pianist, Christina Bunn. This was also played as the recessional. Cherisse Waldron, soloist sang "The Wind Beneath My Wings" and "Somewhere Out There" as the candles were lit. She also sang "In This Very Room" for the prayer song and "Nobody Loves Me Like You Do" while the couple lit the unity candle.

The bride chose a gown of French silk organza over satin, featuring a Bateau neckline and a fitted bodice of Alencon lace encrusted with hand beaded pearls and borealis sequins and large ruffles forming a puff-sleeve effect. The full skirt from the "dropped waistline" into a cathedral train that had an inset of ruffles in the center back and sparkled with large Alencon lace

appliques that were hand beaded with pearls and borealis sequins. Her blusher veil of silk illusion was attached to a Juliet cap of lace also beaded with pearls. She carried a cascade of pink roses, miniature lilies and royal blue freesia.

Kelli Stungis of San Francisco, Calif. served as maid of honor and bridesmaids were Tammi Rylant, sister of the bride, and Chris Pippenger of Norfolk, Va., sister of the groom, and Mary Ann Engle and Stacy Hassler, both of Oak Harbor.

They wore tea length gowns of royal blue moire that featured wide ruffled sleeves and large bows accenting the backs. They carried garden style bouquets of candy pink carnations, miniature lilies, royal blue stephanotis and baby's breath.

Lt. Mark Edson of San Diego, Calif. served as best man and groomsmen were Lt. Steve Ritchie of Colorado, Calif., uncle of the bride, Lt. Matt Bouzek and Lt. Mic Lemaire both of Oak Harbor and Gordon Vaughn of Denver. They were attired in

Navy full-dress uniform.

The couple left the church through a sword arch by Cdr. Arb Rylant, Lt. Joe Vrtis, Lt. Steve Ritchie, Lt. Mark Edson, Lt. Matt Bouzek, Lt. Bill Barfield, Lt. Mic Lemaire and Lt. Jim Frank.

Lisa Watson of Oak Harbor registered the guests.

Mark Rylant, brother of the bride, was candlelighter.

Emily Watson was flower girl and wore a tea length gown of candy pink taffeta and wore a coronet of baby's breath in her hair. Denton Dixon was ring bearer and was attired in white with black cummerbund and bow tie.

Following the ceremony, a reception was held at the Officers Club at the Whidbey Island Naval Air Station. The couple used the groom's sword to cut the multi-cross cake that was decorated with fresh pink carnations and lillies interspersed with the royal blue stephanotis.

Following a wedding trip to Cancun, Mexico, the couple will make their home in Oak Harbor where he is stationed with the

U.S. Navy at Whidbey Island NAS with VAQ 137 as a pilot of the EA6B plane.

A rehearsal dinner of salmon and prime rib was hosted by the groom's parents at the Kasteel Frannsen in Oak Harbor.

The bride is the granddaughter of Mr. and Mrs. G.C. Ritchie of Sudan.

The first and only test of one's religion is the kind of life he leads.

Everyone has good traits, if you will take the time to discover them.

## Tails And Trails History Book Nears Completion

By the time the citizens of Muleshoe join in the 75th Anniversary Celebration, the heirloom history book, "Tales and Trails of Bailey County", will all be in the hands of the publisher! For more than a year, the people of Bailey County have shared the stories of their lives and these family stories are already at the publisher.

"Now we need your business ad or memorial page" said a spokesperson for the committee.

"Place an ad for your business or honor loved ones, living or deceased, with a special tribute page in this beautiful hard-bound, gold-embossed 9x12 book. Buy your special page, half page, or quarter page. Preserve this history for future generations.

"All those years up to our 75th Anniversary Celebration will be

depicted in heart-warming and interesting stories on the pages of this history book. An anniversary is a wonderful occasion for renewal. Looking back helps us remember where we started... who our mentors were...and how we arrived at this point. Then we go forward. The committee can help you design your special page, if requested. Just call 272-3611, 272-4707 or 272-3370.

"An index of all the names in each family story was prepared and there are thousands of names in it! Think of it! A collection of personal experiences of friends and neighbors. Not just a single author's account!"

On September 1, all goes to the publisher. This is the final deadline! Join the Celebration! Order your keepsake book now! \$55.00 now.

## Baby Shower Honors

### Debra Smith, Michael

The home of Jan Springfield was the setting of a baby shower Saturday, July 30 honoring Debra Smith and Michael Allen.

Mrs. Springfield and Barbara Reeder greeted the guests as they arrived between the hours of 3 and 4 p.m.

White cake and shurbert punch were served from a table covered with a white lace cloth with a blue underlay. An arrangement of blue flowers in a blue basket with a crystal candle accented the table.

Special guests included Sherry Pugh, grandmother; Mrs. Allen Smith of Earth, grandmother; Lydia Brock, sister-in-law, of Lubbock; Shavonne and Rachea Brock, cousins, of Lubbock; and Cammy Smith, sister-in-law, of Lubbock.

The hostesses gifts were a playpen, swing, diapers, washcloths, and baby book. Hostesses for the occasion included Jan Springfield, Barbara Reeder, Pam Reid, Ronda Ketchens, Becky Ott, Linda Lowe, Sherry Wislon, Connie Templiton, Linda

Nowell, Susan Copeland, Christie Tunnell, and Melody Stephenson.

#### Andi Kim Black

Landon Robert Black, six years of age wishes to announce the arrival of his new sister, Andi Kim. She was born Wednesday, July 20, at 11:26 p.m. in Methodist Hospital in Lubbock.

The young lady weighed eight pounds and five ounces and was 20 and half inches long. Andi Kim's parents are Kim and Sheila Black of Muleshoe.

Grandparents are Robert and Nelda Hunt and Ralph and Naomi Black, all of Muleshoe.

Great grandparents are Mrs. Ruth Hunt of Muleshoe and Selma Smith of Granite Shoals.

#### Sudan FFA

#### Attend Convention

#### At San Antonio

Sudan FFA members attended the 60th annual State FFA Convention July 13-15 in San Antonio. Chris Harper received his Lone Star Farmer Degree.

Mandy Carr, District president served as the Area I Courtesy Corps and Monty Edwards was the voting delegate for Sudan. Clay Carr also attended.

Kenn Carr, local advisor, served with J.C. Saunders from Follett as Area I Courtesy Corps sponsors.

Over 7,000 members and guests attended the three day convention. Educational scholarships totaling more than \$525,000 were presented to graduating FFA seniors. Chip DeLoach received an additional \$500 scholarship from the Area I Young Farmers Association.

Toby Miller, State FFA president from Whitharal, presided and newly elected president, Donnell Brown of Throckmorton, closed the convention.

Kelli Evans, National President of Lincoln, Neb. was guest speaker for the Awards Program. Beth Windham, Area I Sweetheart, was elected first runner-up in the Sweetheart contest and Russell Laird, Area I nominee for State President, was elected State Secretary.

#### Locke Family

#### Reunion Held

Mr. and Mrs. Ansil Locke hosted a family reunion July 15, 16, and 17 at their home in Sudan.

Those attending were his mother, Mr. and Mrs. Roger Cutshaw of Lander, Wyoming; his sisters, Mr. and Mrs. Dennis Taylor and Billy of Aztec, N.M.; Doug Taylor of Lubbock; Mrs. Lee Wilson and daughters, Lisa and Stacey Clark of Lubbock; a friend, Sheila Sullivan of Tomball; his brother, Eric Locke of Aztec; his grandmother, Mrs. Eloise McLane of Lubbock.

Also joining them were her mother, Mrs. Opal Roberts of Wilson and friends, Mr. and Mrs. Damon Provence and Danette, Terry Brown, and Stephanie all of Sudan; and Mark Ferguson and Sherry of Lubbock; James Locke, who is stationed in Ft. Richardson, Alaska with the U.S. Army, was unable to attend.

#### Who Now?

Spiritualist: "Ah, I hear the spirit of your wife knocking."

Widower: "Who is she knocking now?"

#### Certain!

A worried lady in Albany entered a notion store and bought two packages of invisible hairpins.

"Are you absolutely certain these are invisible?" she asked.

"Lady, I'll tell you how invisible they are," the clerk assured her.

"I've sold \$4 worth this morning and we've been out of them for three weeks."

#### MULESHOE NEEDS A PARK

Did you ever notice how much advertising a town gets that maintains a city park? How many times have you heard other towns mentioned with "that is the place where they have such a nice park; must be a live bunch there." It does not necessarily have to cover eight or 10 acres of ground to be an attractive park, neither should the cost be so high that a town like Muleshoe could not afford one.

The question of a small park has been mentioned by a number of citizens recently, and all are strongly in favor of it. It is believed that suitable grounds could be obtained reasonable cost and trees and evergreens donated by the citizens. These trees may be purchased in numbers of 100 or more at bargain prices to beautify public grounds.

At present there is no desirable place near Muleshoe where its citizens may go for an evening's picnic or all day outing. With new water rates, which recently went into effect, we could easily have one of the nicest little parks in West Texas.

#### MULESHOE CELEBRATE QUARTER CENTURY OF PROGRESS OF CITY AND BAILEY COUNTY AUGUST 17

Plans are being perfected this week for the big "Twenty-five years of Progress" celebration of Muleshoe and Bailey County to be held here all day Wednesday, August 17 and various committees appointed by the Chamber of Commerce. Officials are working out all details of the coming event.

A wide variety of entertainment is in store for the hundreds of guests who will be fortunate to attend the celebration, one interesting feature of the event being the fact that everything will be FREE to everyone in Bailey County and Muleshoe trade territory.

#### 40 Years Ago

1948

Grocery specials advertised this week in the Journal included: No. 2 can peas 10 cents; No. 2 1/2 can pears 29 cents; No. 2 can tomatoes 12 1/2 cents; No. 2 can hominy 10 cents; vienna sausage 15 cents; No. 2 can lima beans 14 cents; No. 2 can kraut 10 cents; No. 1 can pork and beans 12 cents; 46 ounce can tomato juice 23 cents; No. 1 flat can pineapple 17 cents; 2 pound jar peach or apricot preserves 43 cents; No. 2 1/2 can peaches 15 cents; lemons 12 cents pound; fresh tomatoes 15 cents pound; No. 1 white potatoes 4 cents pound; roasting ears 4 cents each; hamburger meat 45 cents pound; pork sausage 43 cents pound; rib or brisket beef roast 45 cents pound; luncheon meat

43 cents pound; and sliced bacon 73 cents pound.

#### 30 Years Ago

1958

#### POSTAL RATE INCREASES EFFECTIVE AUGUST 1

For the second time in a quarter century, the cost of mailing a letter has increased. Effective August 1, 1958, regular letters and first class mail postage increased from three cents to four cents for the first ounce or fraction thereof.

The postal rate was boosted on July 1, 1933, making the letter rate rise from two cents to three cents.

Postal cards now cost three cents instead of two and this rate applies to letters mailed for local delivery.

Although new denominations of postage stamps are being issued to meet the increased rate, new stamps are not necessary, just as long as the current amount of postage is affixed to your letter, card or package.

So don't throw away all your two cent postal cards, and three cent stamps. Just buy some ones and stick 'em on. They'll do.

1978

#### RESIDENTIAL BUILDING FIGURES SHOW INCREASE

Following a slow pace for the last few years, residential construction is suddenly on the upswing throughout Muleshoe. At the present time, several new homes have recently been completed in the city and seven are under construction.

Apparently taking a long look at Muleshoe's future, the new homes are being built predominantly in the Richland Hills and Country Club Additions. New homes are also being constructed on West Ave. J and West Ave. K.

All the new homes recently completed or in various stages of construction range from \$25,000 to \$48,000 according to permits received by builders.

You can judge your friends by what they do rather than by what they say.

One reason so many of us fail to get rich is that we run from hard work like it might be a plague.

Statistics reveal many things, but first, they must be intelligently gathered and then fairly studied.

#### Mia Jennings Six Man All-Star Queen

Mia Jennings was crowned queen of the Texas Six Man All-Star Games Queen contest held in Stephenville on July 15 and 16. Miss Jennings represented Lazbuddie High School where she will be a junior student during the 1988-89 school year.

At the contest, she introduced herself and her school to the judges at a picnic held for the queen candidates, the All Star Football and Basketball players, and their parents. She was judged at an interview and also introduced at the All Star Football and Basketball games. Mia was awarded a trophy, flowers, and a \$500 scholarship to Tarleton State University.

There were 38 queen candidates representing Six Man School Districts across the State of Texas, and the queen contest

was sponsored by the Stephenville Chamber of Commerce.

Outstanding athletes are chosen to play in the East-West All Star Games. The West team won the basketball game by a score of 98-91, and the West Football All Stars won by a margin of 8-6.

Work is a word misunderstood by many of the younger generation.

Politics is the art of blowing up issues to collect the most votes possible.

It's nothing short of remarkable, how the candidates recommend themselves.

Despite your fears, the world can get along as usual without you, and will.

Meals on Wheels is seeking drivers for Thursday noon and Friday noon.

If you have one to one and a half hours you can volunteer on these days, please contact Robin Taylor at 272-3196.

Your pay will be the satisfaction of knowing a senior citizen or disabled person, or persons, receives a hot meal at noon.

The next MAC drawing will be on Saturday, August 6, at 2 p.m. at the corner of Main Street and Avenue C.

This month, the drawings will be for \$25, \$50, \$75 and \$100 in MAC Bucks, which are spendable at around 40 Muleshoe businesses.

Be ready for the drawing next Saturday.

With the 1988-89 football season approaching, members of the Muleshoe Athletic Boosters Club are seeking signature ads for the football programs this year.

If you would like to be included, at a one time cost of \$10, call Doris Palmer at 272-3734.

Or, you may mail your \$10 to Muleshoe Athletic Booster Club at 1610 West Avenue B, Muleshoe.

Marine Sgt. Jesse B. Carrion, son of Solomon S. and Feliz B. Carrion of Muleshoe, has been promoted to his present rank while serving with 1st Marine Aircraft Wing, Marine Corps Air Station Futenma, on Okinawa.

A 1982 graduate of Muleshoe High School, he joined the Marine Corps in August 1984.

The 11th Annual High Plains Ceramic Association Show will be held August 13-14 at the La Paloma Inn at I-40 & Nelson, in Amarillo.

Doors will open at 9 a.m. For more information, call 806/622-2054.

C. W. Williams, head football coach at Lazbuddie, said two a day workouts begin for the Lazbuddie Longhorns on Monday, August 8.

Workout times are 7 a.m. and 7 p.m.

Jane Prince Jones and Rod McClendon will host the 37th West Texas Opry, scheduled to be staged Saturday, August 27, at 8 p.m. in Lubbock Municipal Auditorium.

Produced by Cecil Calówell, the show is said to be one of the best ever.

Tickets have gone on sale at Lusky's Western Wear, 3421 34th St., Lubbock, and will be on sale at the auditorium prior to the show. All seats are reserved and the cost is \$5 each.

Several well known South Plains and Lubbock area groups are scheduled to perform during the evening, along with a handful of newcomers.

For further information, call Cecil or Maxine Caldwell, 806/747-1540.

A fund has been started at First Bank to benefit 23-month old Mason Williams, who has been in a coma in Lubbock General Hospital for the past five weeks.

He is the son of Kevin Williams, grandson of former Muleshoe resident LaWayne Williams and great-grandson of R. O. Gregory.

According to Debbie Tillema, a fund has been set up at Muleshoe State Bank to benefit six year old Laramie Wood, son of Lonnie Wood and Shera Wood.

He was accidentally shot in the eye with a pellet gun last Friday and was taken to St. Mary's Hospital in Lubbock for preliminary treatment.

He was expected to be transferred to Dallas for additional treatment and surgery.

Sam Gonzales said the Fourth Annual Rocky Flores Memorial Softball Tournament will be held in Muleshoe August 4-7 at the Muleshoe Softball Field, south of KMUL Radio.

He said entry fee is \$75 per team, plus one Blue Dot Softball. As soon as entries were opened up Monday night, nine teams signed up immediately, according to Gonzales. For entries or further information, contact Sam Gonzales at 272-3853.

A & M-FARM SUPPLY PRESENTS CAR TO WINNER--A proud I. L. Kitchens, far left, looks on at his grandchildren, as they received a Nascar T-Bird from Bill Thigpen, right, manager of the Muleshoe A & M Farm Store. The car was donated by Texaco Oil Refineries for a July oil sale promotion. Receiving the car are from left, Joshua Kitchens, Toby Kitchens and Shauna Kitchens. Only one car was given away, with three stores participating. [Journal Photo]

## Miracle Drug

Cont. from Page 1

formerly, in a heart attack, the muscle died but with TPA -- in six hours, in 85 percent of the cardiac cases, the heart becomes self-healing. Although TPA will dissolve the clot itself, Holland warned that TPA will not take care of cholesterol clogging veins and arteries. But, in most cases, angio-plasty (balloon surgery) takes care of the cholesterol.

He did caution, "Do not become complacent. If you have chest pains, or other indications of a heart attack, go to your doctor and get checked.

"Sudden death is usually not actually sudden death, but someone who believes they have heartburn or indigestion, and try to wear the pain or discomfort off without being checked. Don't take that chance."

TPA is 'one-time therapy,' added the Flight Nurse, but can be taken again, and will work again, if necessary, 'down the road,' with another attack.

He did say that not everyone can have the drug, and said the doctor will determine who can, and who cannot tolerate TPA. It does have a side-effect as it causes bleeding, and is designed to cause bleeding.

Dr. Purdy briefly told of the three patients treated with TPA at West Plains Medical Center.

The first instance was within hours after the drug was delivered to the hospital by Randy Watkins.

A 63-year old woman was brought in to the hospital with chest pains. According to an EKG, it looked like a heart attack, so Dr. Purdy said he called in Dr. McClanahan and they started to work on the woman around 8:30 p.m. By 9 p.m. she had received TPA and within 10 minutes, her EKG had started normalizing. She was subsequently transferred to Lubbock.

The second patient was also a woman -- this one with a history of a heart attack in the past. This time, Dr. McClanahan called Dr. Purdy in and TPA was used while

they were waiting for the helicopter to arrive to take her to Lubbock.

Last Friday, TPA was used for the third time when Charles Moraw received the TPA prior to being flown out on Flight for Life helicopter on Friday night. Dr. McClanahan was working alone at that time. On Monday, the patient had successful angio-plasty surgery in Lubbock.

According to Dr. Purdy, some of the traits of heart problems are diet, smoking, high blood pressure, inheritance.

One advantage of stopping additional damage to the heart is with further consultations with a cardiologist, and it is found necessary to go into the heart, the cardiologist will have a good, undamaged heart muscle to work with.

TPA has a very short life, he reminded, lasting about an hour and a half. It is a product manufactured in our own bodies, but in such minute quantities that it is very expensive to produce and use.

He said one shot costs the doctor \$2,600, but said it is approved by insurance and Medicare.

Dr. Mark McClanahan urged people to come in at the onset of chest pains, reminding again that time is of the essence in treating heart attack victims.

"Time will determine the success of TPA," he said. Dr. McClanahan first became acquainted with the drug while he was in his internship in Amarillo, and was instrumental in obtaining a supply for Muleshoe.

Dr. McClanahan said the complications are actually very small. "There are some," he said, "but are very minor."

Although he did not speak, Dr. Dwight Dow, Chief of Emergency Services for St. Mary's of the Plains Hospital accompanied Holland to the Rotary Club meeting.

Holland also fielded a number of questions at the end of the talk on the new drug, TPA.

Rotary President George Nieman told the group that Rotarians Harvey Bass and Olan Burrows had cemented sign posts in to hold the new Rotary signs and the signs will be erected later this week.

Dave Marr won the Polio Plus drawing and received a prize from Fry & Cox, Inc.

A number of special guests were on hand at the meeting. These included a group of Rotary exchange students from Austria, who presented to Rotary banners to the Muleshoe Club. They were brought to Muleshoe by a Lubbock Rotarian, Sanford B. Hunt.

The students were Max Neumueller, Christine Trattner, Martin Paparella, George Raschhofgr, Thomas Mutterver-huhn, and Claudia Weissmann. Each introduced himself or herself and told a little about themselves.

Other guests included Richelle Watkins, Starla Ellis, Rhonda Carpenter, Jeff Atkinson, Greg Atkinson, Johnny Atkinson, Luther Thompson, John Isaac, Eric McElroy and Julie Cage.

The life of the politician consists of passing the buck and placing the blame.

## Moraw...

Cont. from Page 1

has been successfully used here three times in the last ten days. This is only one of the many ways West Plains Medical Center is committed to serving the people of our community.

One example of the use of T.P.A. occurred last Friday night when 39 year old Charles Moraw, manager of the Muleshoe Co-op Gins, was taken to WPMC after experiencing chest pain and other chest discomfort at his home.

Dr. Mark McClanahan was on duty, and determined that Moraw was in the beginning stages of a major heart attack.

Moraw was conscious, and he and his wife, Sheila, were consulted about the possible use of T.P.A. They elected to try the new drug.

Immediately, Moraw's chest pain was relieved, and his EKG started returning to normal.

In a telephone conversation with Mrs. Moraw Wednesday morning at St. Mary's Hospital in Lubbock, she commented, "First of all, we're most grateful that the hospital was open.

"Also, I cannot say enough about the skill and professionalism of the entire staff at the hospital.

"That new drug (T.P.A.) is the most wonderful thing in the world," she added. "It meant his (Charles') life. I also cannot say enough about the dedication, expertise and speed the staff at WPMC showed while they worked on Charles.

She also said the staff at St. Mary's Hospital in Lubbock told them there is an outstanding staff at the hospital in Muleshoe.

"All the big stuff was done before you'll get here (to St. Mary's) they were told. We only had the nice stuff to do."

By the time Moraw arrived, by Flight for Life helicopter, at the hospital in Lubbock, he was in no pain, and his EKG was showing normal. The staff at St. Mary's said WPMC is recognized as one of the more modern hospitals in this entire region, and do medical procedures not found in many hospitals in Lubbock.

Mrs. Moraw said Charles had angio-plasty on Monday, and is currently in a private room, No. 252, at St. Mary's.

He is on a monitor, but is responding very well.

In a very brief conversation with Moraw, he told *The Journal* he expects to return to Muleshoe within the next five or six days.

The Moraws both expressed their appreciation that the hospital was open, the professionalism of the medical staff at the hospital, and most of all, to the new drug T.P.A., which has been cited as a life-saver for Moraw.

GETTING THE SIGN READY--Olan Burrows, left and Harvey Bass, both longtime rotarians, have 'planted' cement posts in concrete, and will be installing the Rotary meeting time and place signs, sometime late this week. They displayed the sign at the Tuesday Rotary meeting. [Journal Photo]
