

Jap Sub To Spur War Bond And Stamp Sales Monday

Largest Truck Load Ever to Enter Artesia

Many Problems Are Involved to Bring To the Community

IS FORTY TONS Travels on Special Semi-Trailer More Than 3,900 Miles

When the two-man Japanese submarine captured at Pearl Harbor arrives in Artesia Monday morning on its war savings tour for the U. S. Treasury, it will already have traveled more than 3,900 miles, visiting 125 cities and towns so far, on the first overland submarine cruise in history. Yet it has been late only once, when the airbrake hose broke near Merced, Calif.

Considering both length and weight, it is probably the largest load ever hauled through this city by motor truck. Including the tractor that hauls the semi-trailer on which the eighty-one-foot submarine travels, it is ninety-four feet long over all and weighs 80,000 pounds.

The Navy and Treasury Departments and hauling experts, who had to figure out how to get it around the forty-eight states safely, had five major problems to solve, bridge load capacity, low underpasses, sharp curves, mountain grades and traffic safety.

A diesel-powered, double-drive tractor solved the power problem. So far it has surmounted such grades as those on the road past Mt. St. Helena between Calistoga and Geyserville, Calif., the hairpin turns and grades on the Redwood Highway between San Francisco and Eureka and the Cuyama Pass road between Maricopa and Santa Maria, Calif., without ever using its lowest gear, according to its two expert driver-mechanics, Claude Causley and Robert Trutner of Oakland.

I.O.O.F., Rebekahs Joint Installation Last Thursday

Installation ceremonies for newly-elected officers of Artesia I. O. O. F. Lodge No. 11 and Sunshine Rebekah Lodge No. 9 were held at the I. O. O. F. Hall last Thursday evening, conducted by Clayton Miller of Carlsbad, district deputy grand master, and Miss Ina Cole of Artesia, district deputy president, with L. D. Morrow of Carlsbad and Mrs. C. T. Hopkins of Artesia as grand marshalls.

Other installing officers from Carlsbad were L. C. Garrett, George R. Benz, T. W. Ball and Sid H. Brown.

Officers of the I. O. O. F. installed for the coming year; Noble grand, Claude Garrett; vice grand, Tom Drennan; secretary, Homer G. Borland; treasurer, W. S. Hogsett; chaplain, the Rev. C. A. Clark; warden, James Lewis; conductor, Frank Thomas; right supporter of noble grand, Abe Conner; left supporter of noble grand, John Robinson; right supporter of vice grand, Wade Cunningham; left supporter of vice grand, Archie Lewis; inside guardian, Leslie C. Smith; outside guardian, Ernest McGonagill; past noble grand, H. Borland.

The new officers were named at the annual election in December. A story about the installation of new officers of the Rebekahs appears on the women's page in this issue.

J. S. Ward Named Prexy of Chamber Commerce Here

J. S. Ward was elected president of the Artesia Chamber of Commerce last Thursday evening, when the board of directors organized for the coming year.

He succeeds Mayor Emery Carper, who, as vice president, stepped into the president's chair a few months ago, when Dr. John J. Clarke, Jr., elected president a year ago, entered the Army Dental Corps as a lieutenant.

Ben Pior was elected vice president and Arba Green and S. O. Pottorff were respectively re-elected secretary and treasurer.

The meeting last Thursday was called to organize after the annual election of board members last week by members of the Chamber of Commerce.

At that time Mayor Carper, Arba Green and G. V. Price were re-elected to the board and Baldwin was elected.

Ward is working on his appointments of standing committees and announce them in the near future.

ARTESIA, NEW MEXICO, THURSDAY, JANUARY 14, 1943.

NUMBER 2.

Will Stop Here On Tour Over United States

Piece of Historic Hull Auctioned Off To Highest Bidder

SHOWN ON MAIN

On Exhibition From 10:30 in Morning to 1:30 in Afternoon

When the first prize of war of World War II, the two-man Japanese submarine captured Dec. 7, 1941, at the time of the attack on Pearl Harbor, comes to Artesia next Monday, it probably will be the greatest attraction ever brought to this community and hundreds of people are expected to come for many miles to see the suicide instrument of destruction, which failed in its original mission.

But though it failed its mission to destroy one or more United States men-of-war at Pearl Harbor, its mission to Artesia probably will be more than filled, for it is hoped to spur the purchases of thousands of dollars worth of War Savings Bonds and Stamps. And, L. B. Feather, chairman of the North Eddy County war savings staff, pointed out, this community usually goes over the top when it comes to purchasing War Bonds and Stamps.

The sub attraction has averaged about \$10,000 for every hour it has been on exhibition, so the goal here has been set for at least \$30,000, as it will be open to the public for three hours. By way of pepping up the purchasing spirit in the public, the band from the Roswell Army Flying School will be here. And, although most of them will buy only War Savings Stamps, the students of the public schools will be dismissed so they can see the historic sub and their admission purchase will add many dollars to the total.

Part of the sub will remain in the community, for a small piece of the hull, a plate about 3x8 inches and a quarter inch thick, will be auctioned off to the highest bidder in War Savings Bonds, face value.

(Continued on last page, column 2)

Service Club Is Closed, But Funds Being Held in Hopes

Belief in Minds of Some Citizens That There Is Possibility Flying School Might Be Reopened—Popular While Operated

The Artesia Service Club at the Carper Terrace has been temporarily closed because of the cancellation by the Army of the contract with Art and Vernon Wintheiser, operators of the Artesia Army Flying School, but because of the belief in the minds of some citizens that the school might be reopened, no disposition is being made immediately of the funds collected for its operation.

Mrs. H. R. Paton, chairman, in a letter to persons who contributed asked that the committee be permitted to retain the funds until such time as it is definitely determined there no longer is a necessity for the club.

If and when it is decided there will be no further operation of the

Chamber Banquet Date Set Jan. 27; Atwood to Speak

The annual Chamber of Commerce banquet will be Thursday evening, Jan. 27, at the Carper Terrace, it was announced this morning by Mayor Emery Carper and Arba Green, secretary of the Chamber of Commerce, who compose the committee on arrangements.

The principal speaker will be Col. J. D. Atwood of Roswell, formerly of Artesia, one of the finest public speakers in the Southwest.

Arrangements are being made to serve a steak dinner and the time, both committee members stressed, will be promptly at 7 o'clock.

First Bride and Groom Contest Is Still Open

There have been weddings, at least three of them, of interest in this community since the first of the year, but none comply with the requirements of the first bride and bridegroom contest sponsored by Artesia merchants, so as yet no winners can be announced.

The contest was extended from the original deadline of noon last week to noon Monday of this week, and now it must be extended again until next Monday noon.

The rules of the contest said that at least one of the principals must live in the Artesia trade territory and that the ceremony must be performed in the same territory in order for a bride and bridegroom to be declared the winners. None of those reported complies with the rules, for two were performed in Carlsbad and one in Portales.

The first one was that of Orval Northam of Artesia and Miss Dorothy Hampton of Portales on Sunday, Jan. 3, in the bride's home city.

Miss Edna Younger and Cpl. Homer A. McCoy, both of Artesia, were married in Carlsbad Tuesday, Jan. 5.

And the Cavern City was the scene of the wedding of Mrs. Elizabeth Seymour of Artesia and Sgt. Charles F. McDevitt, Jr., of the Roswell Army Flying School on Saturday, Jan. 9.

A. P. Mahone Becomes District Chairman of Boy Scouts of America

The election of officers and the completion of the organization of the Artesia district of the Boy Scouts of America was announced this week by Frank Smith, outgoing district chairman. He is being succeeded by A. P. Mahone and Smith becomes vice chairman.

Others named: District commissioner, Don Jensen; finance chairman, H. G. Watson; organization chairman, Robert O. Anderson; activities chairman, Charles Gaskins; leadership training chairman, O. A. Bigelow; camping chairman, Bill Middlebrook; advancement chairman, John Lanning; health and safety chairman, Hugh Kiddy.

District 8, known as the Artesia district, is comprised of Artesia, Lake Arthur, Lakewood, Hope, Weed and Mayhill.

Brother of George King, 'Killed in World War I,' Is Among the Living

Just a Few Dates To Remember the Next Few Weeks

Here are a few important dates to remember:

Friday, Jan. 15, last day for checking truck tires.

Thursday, Jan. 21, last day for using coupon No. 3 in gasoline ration book. No. 4 becomes good Jan. 22.

Jan. 31, last day for using sugar coupon No. 10.

Feb. 28, last day for having tires of cars bearing gas stickers "B" and "C" to be checked.

March 15, income tax returns must be filed.

March 31, last day for having tires checked on cars bearing "A" stickers.

Basketball Is Scheduled for Intercity Play

Transportation Is Solved for Nine Games and Tournney

Intercity basketball, which had been abandoned because of the transportation problem, has been reconsidered because of public demand and a nine-game schedule has been made up for the Bulldogs of Artesia High School, it was announced this morning by C. D. Marshall, principal and athletic director.

Eight of the games have been scheduled with valley towns, four each at home and away, with the ninth game tentatively set with Albuquerque here.

Marshall said it was possible to make the limited schedule after the team was given the assurance of local people that automobiles would be available for them at any time. At least three cars will be obtained for each game out of town, Marshall said.

The first game will be Friday evening of next week with Hope there and the Bulldogs, who have been playing intramural basketball on various school teams, are being groomed for that and subsequent clashes by Coach Ross Wedemeyer.

The remainder of the schedule: Jan. 27, Hope here; Jan. 29, Hagerman there; Feb. 3, Lake Arthur here; Feb. 8, Dexter there; Feb. 10, Hagerman here; Feb. 17, Lake Arthur there; Feb. 19, Dexter here.

The Bulldogs also will enter the district tournament, which will start at Roswell at noon Thursday, Feb. 25, and will continue through Friday and Saturday of that week, Marshall said.

Drawing for pairings in the tournament will be held Saturday, Feb. 20.

Rotary Has Lesson In Principles Making Airplane Stay Aloft

Members of the Artesia Rotary Club learned a few things about airplanes and flying at the weekly luncheon Tuesday noon, when C. D. Marshall, principal of Artesia High School, and Jack Perry, one of his science students, demonstrated with a model airplane.

Young Perry also showed a few experiments, designed to demonstrate some of the principles involved in making an airplane fly and keeping it in the air.

GRAND LECTURER COMING TO MASONIC LODGE HERE

The grand lecturer of the Masonic Lodge will be in Artesia for three days, starting next Wednesday, holding sessions both afternoons and evenings.

Officers of the Artesia lodge pointed out that this will afford an opportunity for members to learn Masonry as the Grand Lodge approves.

Shot on Farm East of Dayton By Fanning

Two Companions Are Captured Last Night in Bushes

A young man, believed to have been an escaped German prisoner from some internment camp, was killed about 10 o'clock last night by Mark Fanning a mile east of Dayton and two companions were captured, after the three were discovered tampering with the Fanning car, apparently hoping to steal it.

The companions gave the dead man's name as Walter Jager, 20, and their own names as Ernst Waldau, 21, and Johann Kremer, 20. They spoke broken English and were believed to be Germans.

Jager was shot and instantly killed by a softnose bullet from a .30-.30, when the men attempted to run, after Fanning had apprehended them.

Thinking the men were trying to steal his car, Fanning, in his night clothes, surprised them and held them at bay with his rifle, while Mrs. Fanning drove to the home of a neighbor, "Red" Smith, about a half mile distant.

At the time two car motors were heard to start at the Smith place, indicating Mrs. Fanning and Smith were on the way to the Fanning farm, the three men started to run and Fanning fired, killing Jager.

The other two men escaped into a clump of brush, but they were located and recaptured, when a spotlight on the Smith car was turned on them.

Local officers, called to the scene, turned Waldau and Kremer over to Army personnel from Roswell.

Although no official statement has been made regarding the three men, officers here believe they all escaped from some internment camp.

C. M. Northam, Section Foreman Here, Is Dead

Charlie Marvin Northam, section foreman of the Santa Fe Railway here and an employee of the railway the last twenty-six years, died in the Santa Fe Hospital at Clovis at 5:30 o'clock Tuesday morning after an illness of two months. He was in the hospital the last month. Death was from pneumonia. Mr. Northam was 59 years old.

Funeral services were at 2:30 o'clock Wednesday afternoon from the Methodist Church at Kenna, where the family formerly lived. Burial was at Kenna by the grave of Mrs. Northam, who died in May, 1931.

Pallbearers were Asa Irby of Artesia and Price Crume, Ollie Britton, Frank Good, Joe Cooper and John Kimmons of Kenna.

Mr. Northam is survived by five children, Mrs. F. B. Henson of Oregon City, Ore., and Mrs. J. W. McKinstry and Thurman, Aubrey and Orval Northam of Artesia. Three grandsons survive Mr. Northam, as well as two sisters and two brothers, who are Mrs. Bessie Light and Dewey and Hamilton Northam of Oil Center, Okla., and Mrs. Ida Hightower of Oklahoma City.

Charlie Marvin Northam was born July 5, 1883, at Hamilton, Ala. On July 15, 1908, he and Mrs. Northam were married at Old McGee, Okla., and to them were born six children, of whom a daughter, Gladys, died at the age of 8 months.

During the many years he was employed by the Santa Fe, Mr. Northam was transferred to different sections. He was foreman out of Artesia the last twelve years.

He was a member of the Methodist Church.

Fred Crabtree, former manager of the Carper Grill, left Tuesday for his former home in Oklahoma City, Okla.

Directors First National Bank All Re-elected

All directors of the First National Bank were unanimously re-elected Tuesday at the annual stockholders' meeting and they met after that meeting adjourned to organize for the coming year.

Re-elected were H. G. Watson, S. O. Pottorff, L. B. Feather, John F. Runyan and Fred Cole.

Feather was elected last October, shortly after the death of T. H. Flint, former president of the bank and chairman of the board at the time of his death. The other directors were all re-elected a year ago, as was Flint at that time.

The stockholders adopted a resolution of respect for T. H. Flint.

It was reported that the bank as usual paid dividends to the stockholders last June and December.

Albert Blake presided at the stockholders' meeting, as he has done each January for a number of years.

One Completion And Location Are Made in County

One each completion and new location were reported from the Eddy County fields during the last week.

The completion was the George Turner, Wills 2, in NE SW 13-20-28, which pumped thirty-six barrels of oil a day from a total depth of 287 feet.

Located was the Danciger, Turner 11-B, in SE NW 20-17-31.

Drilling Report
Shown here are wells on which progress was reported, those in active during the week being withheld until activities are resumed: Sanders Bros., Leonard 9-E, SE NW 33-16-30.

Total depth 3,305 feet; shut down for orders.
McDannald Oil Co., Grier 3, SW SW 31-16-31.

Total depth 3,158 feet; show oil and gas 3,094-97 feet.
Barney Cockburn, Etz 2-X, SW SW 26-16-30.

Drilling at 2,985 feet.
Western Production Co., Burch 5-C, SE SE 19-17-30.

Drilling at 3,283 feet; oil at 3,252-73 feet.
R. E. Woolley, Arnold 3-A, SE NW 26-17-30.

Drilling at 1,350 feet.

OUT OF THE FRYING PAN

Search of archives, old and dusty, kept in vaults for years and years, show that New Year resolutions are the cause of many tears.

Loco Hills, New Mexico, January 5, 1943.

Dear Editor:

So sorry to hear that during this year No poetic efforts you'll print. What will I do, in this year so new To give my poor brain a sprint?

—Mrs. T. E. O'Donnell.

EITHER THE WRONG TIME OR BROKE

Ever since we came to this part of the country we have had a keen desire to fly high and wide, so we could get an eagle's eye view of the various mountain ranges...

We have hoped that we could have a good view of the entire Pecos Valley from Roswell to Carlsbad, so we would have a better knowledge of the general terrain.

Some weeks ago we had an opportunity to fly to Roswell and back and then just the other day a similar chance came our way, but that time with Carlsbad the destination.

But both invitations came at times when we could least afford to spend the minutes involved.

That's always been our trouble, never able to do the things we wanted to do when the occasion arose. That's how we have lost many thousands of dollars—not having the necessary wherewithal with which to do when opportunity knocked, and when we had the dough (or time) durned if opportunity would knock.

NONCHALANT DEPARTMENT

The first newspaper we saw telling of the president's request for 100 billion dollars to spend to speed the day of victory for the United Nations used only a two-column headline to tell about it.

How times have changed; about two years ago a matter of nine billion, as we recall it, caused boxcar type to be dusted off and put to good use for scareheads on every daily in the nation and set the editorial writers to work on millions of words of comment.

Could be that this squib will be the extent of the editorial comment about the 100 billion dollars, and still we have said nothing.

NOT HOARDED, HOWEVER, WE ASSURE YOU

We were somewhat amused several weeks ago, about the time gasoline rationing went into effect, when two women walked into The Advocate office a few minutes after some forms had been washed with the precious fluid.

"M-m-m-m," said one of the women to the other in a stage whisper, and with a knowing look, "gasoline."

COLONEL DECLINES TO MAKE PROPHECY

Ed Popley, editor of The El Paso Herald-Post, observing Cavern Superintendent Thomas Boles' pat prognosticating, would like the colonel's views on when the war will end.

In an editorial in The Herald-Post, Popley said: "Col. Tom Boles, superintendent of Carlsbad Caverns, has done it again."

"Last year, when gasoline rationing wasn't even a gleam in Leon Henderson's eye, Col. Boles predicted that 125,000 people would visit his magnificent holes in the ground during 1942. The official figure was 124,809.

"That's close enough, Colonel, and in view of your long record as a successful prophet, we'd like to have your idea on the date when the war will be won."

But the colonel preferred not to be quoted regarding the war. He said he'd stick to the Cavern.—The Little Argus, in The Carlsbad Current-Argus.

Selective Service Delinquents Are To Be Published

As part of a nationwide plan of Selective Service to eliminate delinquencies among registrants, State Headquarters at Santa Fe has set up a program for use in New Mexico to locate all registrants now reported by local boards as delinquent. Brig. Gen. R. C. Charlton, state director of Selective Service, said that the total number of delinquents in New Mexico is not large, and that most of the delinquents are "undoubtedly due to ignorance of the law and regulations."

Most counties of the state report a very small number of delinquents. Some have failed to advise local boards of their changes in address, some have failed to return questionnaires as required, some have failed to answer notices to report for physical examination, and some others have, after passing the local board physical examination, failed to report later for induction when called.

In an effort to contact all delinquents through families, friends or acquaintances, state headquarters will provide newspapers with lists of delinquents for publication. These lists will also be posted in postoffices and other public buildings, and radio stations will be provided with lists to read on the air.

The cooperation of delinquents, their families and friends was urged by Gen. Charlton. "Some are not knowingly delinquents," he said. "But if they have moved and have failed to notify the boards of a new address they may be so listed."

He said the ones who are knowingly delinquent will be picked up sooner or later, and he urged them to report to their local boards to avoid prosecution. Beginning Feb. 1 it will be necessary for all registrants subject to service and training to carry their notices of classification with them at all times.

The penalty for violation of the Selective Service law is five years in the penitentiary, or \$10,000 fine, or both.

The fellow who used to walk a barbed wire bare-foot with a wildcat under each arm is now married to a little red-haired woman who makes him do the dishes three times a day.

A news report says that students of music never commit suicide—but some of their neighbors do.

Sands of Time

FIFTEEN YEARS AGO (From The Advocate Files for Jan. 12, 1928.)

Artesia celebrated the formal opening of the new Central School gymnasium Friday evening by taking three basketball games in a row. Dr. O. E. Puckett, health officer, was here Monday organizing a clinic for children of the district, who were left paralyzed by infantile paralysis.

It is believed 1927 was one of the driest years on record for this section. The precipitation for the twelve months was 5.34 inches, 2.35 inches of which fell in June. High temperature for the year was 103 degrees in July and low was 4 degrees in December.

Bill Bartlett, son of Mr. and Mrs. Ray Bartlett, who has been ill for the last month, was taken to the hospital in Carlsbad Saturday for the removal of his tonsils.

R. L. Paris returned Sunday from a visit and business trip to Missouri. Mrs. Paris and little son, Billy, remained at Maryville, Mo., where Billy will have his tonsils removed.

Members of the Presbyterian Ladies' Aid are financing an addition to the Presbyterian Church building, which will be used as a kitchen when completed. Mrs. J. J. Clarke was elected president of the Woodbine Cemetery Association at the annual election Friday afternoon.

Be Quick To Treat Bronchitis

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics.

No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. (Adv.)

Many a romance which began on a "bicycle built for two" has ended in a gasoline jitney with a front seat big enough for both, as well as mama-in-law and the two kids. Temper is one thing that can't be worked to death.

Questions and Answers Explain Some of Point Rationing Stickers

Point rationing, which will go into effect in the near future, is somewhat confusing in some aspects, but a series of questions and answers released by the Office of Price Administration explains the principal points. Here is the first group:

Q. When will actual rationing begin?
A. As early in February as possible.
Q. Why is it necessary to suspend retail selling at all?
A. There are several reasons. The first place, of course, all stores throughout the country must be given an opportunity to prepare for the start of rationing. They must have time to build up supplies, to train clerks, to receive and post the official OPA list of point values and familiarize themselves with those values—and it will give the retailer time to take an inventory of his processed food. Secondly, the public must be registered for Book 2, be notified of the actual point value, and be given time to study them and budget their points for the first rationing period.

Q. How will the housewife know when point values are changed?
A. The newspapers and radio will carry the announcements, and every food store will have an OPA poster showing the current product. A new poster will be issued when point values change.

Q. Will the point values be the same in all stores, or will they vary between high-price and low-price stores?
A. The point values are the same in every store in the country, regardless of the price charged. The housewife, in buying a No. 2 can of tomatoes, will have to surrender the stamps and the same number of points regardless of whether the price is 12 cents or 15 cents, or whether the can is of grade A, B or C, or any other grade designation such as "fancy," "choice," or "standard."

Q. How long will the first rationing period last?
A. That will depend very largely on the date when rationing begins. If it were possible to start on Feb. 1, the first rationing period very probably would take in the entire month of February. If, as now seems probable, rationing will begin on a latter day, the first period may be an "odd" one covering either the balance of February or possibly the balance of February and the full month of March. Thereafter, however, rationing periods likely will correspond to the calendar months.

Q. What is going to be done about the people who have an excess supply of these commodities on hand?
A. Everyone applying for war ration book two will be required to fill out and sign a "consumer declaration" form stating exactly the stocks of processed foods on hand. Book 2 will have stamps removed for excess stocks and thus, in effect, will compel the applicant to use up these stocks before buying any more. Heavy federal penalties can be applied to those making a false declaration.

Q. Does this "declaration" mean that I will have to declare the fruits and vegetables I canned at home last fall?
A. No. Nothing you have packed at home need be declared and no stamps will be deducted for these home supplies. It is expected, of course, that you will use your home canned goods instead of buying commercial products and thus help your government spread food supplies as widely as possible.

Q. There seems to be some question about dried and dehydrated vegetables and things like dehydrated dog food. Are these covered by rationing?
A. No. Only dried and dehydrated fruits—apples, peaches, and the like. Dry vegetables like navy beans, split peas and lentils are not included.

Q. What about chicken soup, canned beef broth, turtle soup, and other soups made of meat or poultry stock containing few, if any, vegetables?
A. All canned soups are rationed, no matter what their content, but not dehydrated soups.

Q. But why ration all canned soups? Why not only those made of or largely from vegetables?
A. Because all canned soups are interchangeable. If we can't get the kind, we are very likely to take another. If we only rationed vegetable soups, a great demand would develop for meat and chicken soups, with the result that these would disappear from the shelves in a very short time.

Q. Why is not canned salmon and canned meat included in the present rationing program?
A. Because ordinarily canned meats and fish are not used interchangeably with canned vegetables. The present program was intended primarily to cover processed fruits and vegetables.

Q. Will the housewife have to take an inventory of her canned goods by products—so many cans of peas, so many of beans, so many cherries, and so on?
A. No, she need report only the number of cans that her household has on hand when rationing begins.

Q. Can the housewife use the points of all the members of

Cottonwood Items
(Ora Buck)

The January meeting of the Cottonwood Woman's Club was Wednesday afternoon of last week at the home of Mrs. James Thigpen. Mrs. Jesse I. Funk, president, presided. Miss Phyllis White, Eddy County home demonstration agent, gave demonstrations on suitable work clothes for women, canning budget for a family and thrifty meals. Refreshments were served by the hostess to Mrs. Larry Knoedler, Mrs. Bill Ross, Mrs. Willis Berry, Mrs. Tom Terry, Mrs. J.J. Terry, Mrs. Jesse I. Funk, Mrs. Frank Newman, Mrs. Charles Buck, Mrs. Orval Gray, Miss White and the hostess. The February meeting will be with Mrs. Willis Berry.

Mr. and Mrs. Sterlin Isaacs, who worked the last few months at the Norris and Taylor store, have moved to Artesia.

Mrs. Roy Laymon of Hagerman has moved to the Norris and Taylor store and will assist Miss Dorothy Norris, while Mr. Laymon is in the Army. He is stationed in Texas.

Mr. and Mrs. Ben Alexander and two children of Dayton were visiting on Cottonwood Sunday.

Mrs. John Norris of Hagerman was visiting relatives on Cottonwood Sunday.

Jerry Knoedler, small son of Mr. and Mrs. Larry Knoedler, fell on a stove and badly burned his face a few days ago.

Lamarr Johnson arrived from California Wednesday of last week for a visit with his parents, Mr. and Mrs. I. P. Johnson, and family.

Marie Buck has received a cable from Arthur Paton, who has been in England, that he was sent to Africa.

Mrs. B. E. Briscoe and daughters, Mrs. Bill Ross and Mrs. Willis Berry, motored to Roswell Tuesday of last week to visit their grandson and nephew, Bradley Summers, who graduated from the Army Flying School there. Mr. Summers had visited Mrs. Briscoe several times while stationed at Roswell.

The Cottonwood Community Club will meet Tuesday, January 19, for its regular meeting at the home of Mrs. Douglas O'Bannon.

Mrs. Ralph Pearson will entertain the Cottonwood Ladies' Aid at her home here on Jan. 21. It will be an all-day affair.

Quite a few new boys and girls have enrolled in Cottonwood school since the Christmas holidays.

Mrs. Tom Terry and daughter, Mrs. Orval Gray, and Misses Margaret and Alma Lane attended shows in Artesia Monday night, Jan. 4, and Monday night, Jan. 11.

Mrs. A. G. Lane and daughters entertained with a turkey dinner Sunday at their teacherage home on Cottonwood. Those present were members of the family, Mr. and Mrs. John Lane and family of Lake Arthur and Mr. and Mrs. O. V. Moore of Artesia.

The new Methodist minister, the Rev. Marvin Glazier, delivered his first sermon at the Cottonwood Church Sunday morning. There was a good-sized crowd present. The Rev. Mr. Grozier will preach here every second and fourth Sunday morning.

The Junior Red Cross boys and girls are doing quite a lot of work for their family when she goes shopping? How about the maid who is furnished meals?

A. Yes, she may take along each ration book issued to members of her household, just as she does now in buying sugar or coffee with war ration book one.

T. B. Hamond, son of J. O. Hammond of Artesia, who was recently transferred from Camp Wallace, Tex., to Angel Island, Calif., has been sent to an unknown destination, according to a letter received by his sister, Mrs. Frank Collins.

William Jessie McCasland, son of Mr. and Mrs. John M. McCasland, Artesia, now is studying at the radio school, at the Submarine Chaser Training Center, Miami, Fla. He is now a radio man, third class. He enlisted for duty with the fleet in Carlsbad last March 4, and reported at Miami last September. When he has completed his studies, he probably will be assigned to a sub chasing unit charged with clearing the vital shipping areas of enemy submarines.

According to a report from Col. Sam L. Ellis, commandant of the Army Air Forces Bombardier School at Big Spring, Tex., Homer V. Hastings, son of Mr. and Mrs. Joseph W. Hastings, has been promoted to the grade of corporal. He is one of the boys who keeps 'em flying night and day out at Big Spring, one of the world's largest training schools for bombardiers.

Promotion of Pfc. Salmon M. Montoya of Artesia, to the grade of corporal, has been announced by headquarters of the Oklahoma City Air Depot at Tinker Field. He is assigned to a repair squadron at this newest establishment of the Air Service Command for the maintenance and repair of aircraft and the training of air depot groups. Cpl. Montoya is the son of Mrs. Petra M. Montoya of Artesia.

Ensign Leland M. Quantius of Roswell, former Artesia attorney, is one of six residents of New Mexico included among approximately 500 Naval Reserve student officers who completed a sixty-day indoctrination course Jan. 12 at the U. S. Naval Training School on the University of Arizona campus, Tucson. During their courses here at the "Ship on the Desert," the student officers studied seamanship, ordnance, correspondence, navigation, naval regulations and customs and other allied subjects.

now, such as crocheting afghans, making menu covers, table and tray favors for Easter, decorated napkins for special days and mint and candy cups for February. The children enjoy this work.

Australia Fights COUGHS
 Due to Colds or Bronchial Irritations—With Buckley's "Canadiol!"
 It's extra fast for Dad—yet gentle and mild for Mother and the Kiddie!
 This means that those nasty irritating coughs—due to colds or bronchial irritations—that so often disturb a man's sleep—get amazing fast relief.
 Almost instantly you get the surprise of your life—coughing ceases—right away it loosens up thick choking phlegm—opens up clogged bronchial tubes—makes breathing easier.
 There's real economy in Buckley's—all medication—no syrup. Half to one teaspoonful will convince the most skeptical. Get Buckley's "Canadiol!" the Cough Mixture that outsells all others in Australia, New Zealand, Canada and many other countries on every coast, all druggists.

Eyewitness Story of Jap Two-Man Suicide Sub, Which Will Be Here on Bond Drive Monday

(This is an eyewitness story of the capture of the Japanese two-man suicide submarine, now on tour of the United States in the interest of the sale of War Savings Bonds and Stamps, which will be on exhibition in Artesia from 10:30 o'clock Monday morning to 1:30 o'clock that afternoon. The eyewitness account was by Capt. Eugene E. Wilson of the Army Air Force.)
 I was on duty at Hickam Field, Pearl Harbor, when the Japanese attacked on the morning of Dec. 7. I was then inspector general of the Hawaiian Air Force.

Early the next morning I had a call from an air installation on the ocean side of a headland near Pearl Harbor that a Japanese submarine was just outside the reef a few hundred feet offshore.

By the time I got there, an Army plane had dropped a light bomb on the seaward side of the sub and had washed it up onto the reef—a neat trick if you can do it. The idea was to capture the sub instead of merely blowing it to the flowery kingdom come, which would have been easy.

The officer who had been in the submarine had managed to swim ashore, where Army men were awaiting for him. He was in his underwear. He made the usual Japanese request to be allowed to shoot himself, in that he had failed in his mission, but our men did not seem to care for the idea. The prisoner spoke fairly good English but he said he had learned it in Japan. There was no trace of the enlisted man who had been in the two-man submarine.

Soldiers of the Air Force and ground troops were paddling out to the sub on the rubber rings that our planes carry as lifeboats, and were attaching lines to the foundering sub. In about two hours they were able to haul the sub over the reef and into shallow water on the beach.

A Navy detachment, for which the Army had put in a call, arrived with a winch on a truck, secured the sub and inched it on to the beach. Two men got through the 15 1/2-inch hatch in the conning tower and inspected the inside of the sub. I tried to get in, but proved to be not quite Japanese size.

Len H. Roos, Pathe News cameraman, whom I knew, took pictures of the salvaging operation. I left before the Navy carted the submarine away. When next I saw it, they had it mounted on concrete cradles at the Submarine Base at Pearl Harbor.

You can imagine my surprise when I read in the papers that it was now on the first overland submarine cruise in history, and was coming to Fresno, Calif., near where I am now stationed at Hammar Field, and later to Santa Monica, which is my home town.

It seems to me an excellent idea for the Treasury Department to have borrowed this first trophy of our war with Japan from the Navy and to be touring it around the United States to stimulate the sale of War Savings Stamps and Bonds. To me it is a symbol of the ruthlessness of the foe we face and shall conquer in the Pacific. Those two men in that Japanese sneak boat started on a one-way voyage, prepared to die a fanatic's death for their emperor, with two tor-

will get a vivid idea of what we have to fight in the Pacific and a new determination to work, fight and save to make the world safe from that sort of fanaticism.

The main difference between people in large towns and people in small towns is that the former live in large towns, and the latter live in small towns.

Compliments are like perfume—to be inhaled but not swallowed.

PAINLESS GAS EXTRACTION

YOUR NEIGHBORS CERTAINLY GET AROUND. THEY WENT OUT LAST TIME I WAS HERE TO SEE YOU.

OH THAT'S JUST A COINCIDENCE—THEY ARE JUST GOING SHOPPING. WE ALL DO IT AROUND HERE.

BUT...THE GAS... AND TIRES... DO YOU ALL HAVE 'B' BOOKS IN THIS NEIGHBORHOOD?

OF COURSE NOT DARLING... WE GO TOGETHER IN ONE CAR AND 'A' TERNATE CARS. LET ME EXPLAIN...

WHEN THE AND GAS RATIONING WAS BEING PLANNED, WE GIRLS DECIDED THAT WE NEEDED A PLAN TOO. SO WE FORMED A "SHOPPING CLUB". WE ALL LIKE SAFEWAY'S METHOD OF MERCHANDISING SO WE PICKED A DAY EARLY IN THE WEEK AND...

TAKE TURNS DRIVING OUR CARS. IT WORKS IN OTHER WAYS, TOO. IF YOU GET FOUR OF YOUR GIRL FRIENDS TO DO IT, YOU SAVE FOUR-FIFTHS OF YOUR GAS!

JUST WAIT 'TIL THOSE "GAS MOURNERS" IN MY NEIGHBORHOOD HEAR THIS!

BANKS AND THE WAR

To Our Fighting Men (and Women)

WHILE you're serving Uncle Sam, we'd like to keep right on serving you. You can bank by mail, you know. Deposits can be mailed to us and you in turn can make your payments with a checking account at this bank. You can keep up your thrift deposits too, by mail. Another helpful service is safe deposit protection—the sensible way to safeguard personal property while you are away. Before you leave, drop in and talk over your money matters with us.

Second Week of New Year Is Highlighted by Local Weddings

Seymour-McDevitt

Mrs. Elizabeth Seymour, daughter of Mrs. Vera King of Artesia, became the bride of Sgt. Charles F. McDevitt, Jr., son of Mr. and Mrs. Charles F. McDevitt, Sr., of North Bergen, N. J., at 5 o'clock Saturday afternoon at the Presbyterian Church in Carlsbad. The Rev. W. S. Dando officiated.

Mrs. Seymour was attired in a dusty pink wool, street-length dress with brown accessories, with which she wore a dusty pink picture hat. Her shoulder corsage was of gardenias. For something old she carried a handkerchief of her mother's, for something borrowed she wore pearls belonging to Mrs. J. C. Floore, Jr., and for something blue, a ring with a blue stone.

Attendants were Mrs. Jerry Marshall of Artesia and Sgt. Erwin Kejevski of the Roswell Army Flying School. Others present were Mrs. Zeph Resley of Artesia and Charles Kee of Carlsbad.

Mrs. McDevitt, who is a graduate of Roswell High School and Oklahoma School of Business, Tulsa, Okla., is an efficient secretary at the Maljamar Cooperative Regressing Agreement office.

Sgt. McDevitt, who was employed by the Cudahy Packing Company in New York City before enlisting in the Army two years ago, is in the mechanic division of the Army Air Corps with the 547th Squadron, now stationed at the Roswell Army Flying School.

Mrs. McDevitt plans to remain in Artesia for the duration.

Northam-Hampton

Orval Northam, son of C. M. Northam of Artesia, and Miss Dorothy Hampton, daughter of Mr. and Mrs. W. W. Hampton of Portales, were married at 4 o'clock Sunday, Jan. 3, at the home of the brides parents. The Rev. R. C. Cantrell, pastor of the Methodist Church, read the single ring ceremony.

The bride wore a navy blue manish cut suit and a shoulder corsage of white carnations. Attendants were Miss Billie Sikes, Sigma Beta Chi sorority sister of the bride, and Wayne Copelen, Tau Kappa Tau fraternity brother of the bridegroom.

Mr. Northam attended the Artesia schools and graduated with the class of '39. For the last three and a half years he has been attending the Eastern New Mexico College, Portales, where he has been majoring in journalism and social science. He will report for Army duty at Fort Bliss Friday, Jan. 15.

Mrs. Northam, who is a graduate of the Portales High School, is a sophomore student at Eastern New Mexico College, where she will continue her college studies.

Younger-McCoy

Miss Edna Younger, daughter of Mr. and Mrs. L. R. Younger, was married to Cpl. Homer A. McCoy, son of Mr. and Mrs. J. L. McCoy, both of Artesia, Tuesday of last week in Carlsbad by Judge J. A. Hardin.

Mrs. Frank Collins of Artesia, a friend of the bride, witnessed the ceremony.

Mrs. McCoy, who has been employed at the Artesia Laundry and Cleaner for the last three years, expects to remain in Artesia.

Mr. McCoy, who was a tool dresser for Barney Cockburn before enlisting in the Army in March, is now stationed at Camp Campbell, Ky.

Ward-Schiegel

Mr. and Mrs. R. O. Ward of 104 West Tilden Street, Roswell, have

ATTENTION AWVS

Mrs. H. R. Paton, chairman of the AWVS, has asked that all members of the Senior and Junior AWVS meet in front of the Ferguson Motor Company not later than 9:45 o'clock Monday morning, Jan. 18. Members are to march in the parade preceding the bond rally when the Japanese submarine will be here.

announced the engagement and approaching marriage of their daughter, Evelyn, to Lt. Eugene Schiegel of Hays, Kan.

Miss Ward taught the fourth grade in Central School, Artesia, for the last two years, an dis a teacher in the Highland School at Roswell this year.

The marriage will take place Saturday, Jan. 16.

SPANISH RESIDENCES

The Combs subdivision in North Artesia, exclusively for Spanish-Americans. See Mrs. Dick Vandagriff for particulars. 1-4tc-4

Miss McCaw Is Installed Worthy Matron of Stars

Miss Linna McCaw was installed worthy matron of the Artesia chapter of the Order of the Eastern Star at the regular meeting at the Masonic Hall Tuesday evening.

Mrs. W. S. Hogsett, outgoing worthy matron, was the installing officer, with Mrs. Walter Solt serving as chaplain, Mrs. Mildred Murphy, marshal, and Mrs. John Runyan, organist.

Other officers installed to serve with Miss McCaw were: Worthy patron, Nathan Kelly; associate matron, Mrs. Pat Gormley; secretary, Mrs. Arba Green; treasurer, Miss Grace Shearman; conductress, Mrs. F. E. Pennell; associate conductress, Mrs. Dale Thomas; marshal, Mrs. Jeff Hightower; chaplain, Mrs. J. M. Story; organist, Mrs. D. M. Schneberg; Ada, Miss Ina Cole; Ruth, Mrs. Clarence Roach; Esther, Mrs. J. D. Thorpe; Electa, Mrs. Alex McGonagill; warder, Mrs. Ralph G. Roberson, Jr., and sentinel, Mrs. W. S. Hogsett.

The associate patron, Arba Green, and Martha, Mrs. Owen Hensley, who were out of town, will be installed at a later meeting.

Guests from out-of-town chapters were Mrs. Jewell Smith, Chandler, Tex.; Mrs. W. A. Dunnam, Carlsbad; Mrs. Harriet Ratliff, Raton; Miss Gertrude Finley, New Broomfield, Mo.; Miss Edna Drury, Toronto, Kan.; Mrs. C. A. Clark, Hobbs, and Mr. and Mrs. Lee Glasscock, Hope.

Mrs. Hogsett, outgoing worthy matron, served refreshments at the close of the meeting.

CHILDREN'S STORY HOUR PRESBYTERIAN CHURCH

"The Fairies Find the Greenest Field," by Margaret F. Fry, will be the story to be told at the "Children's Story Hour" at 3:30 o'clock Monday afternoon at the Presbyterian Church.

Story tellers will be Mrs. Flecher Collins, Mrs. V. O. Hopp and Mrs. Ross Wedemeyer.

Mrs. Hogsett Is Noble Grand of Rebekah Lodge

Mrs. W. S. Hogsett was installed noble grand of the Artesia Sunrise Rebekah Lodge, Number 9 when members of the I. O. O. F. and Rebekahs had a joint installation at the lodge hall last Thursday evening.

Installing officers were: District deputy grandmaster, Clayton Miller, Carlsbad; district deputy president, Miss Ina Cole, Artesia; grand marshals, Mrs. C. T. Hopkins, Artesia, and L. D. Morrow, Carlsbad. Other installing officers from Carlsbad were L. C. Garrett, George R. Benz, T. W. Ball and Sid H. Brown.

Others installed were: Vice grand, Mrs. F. E. Pennell; right supporter to noble grand, Mrs. M. C. Davis; left supporter to noble grand, Mrs. Buford Gray; right supporter to vice grand, Mrs. John Williams; left supporter to vice grand, Mrs. Don Shira; secretary, Mrs. E. M. Wingfield; treasurer, Mrs. C. Bert Smith; chaplain, Miss Anna Mae Coggin; warden, Mrs. J. T. Henry; conductor, Mrs. L. C. Smith; outside guardian, Mrs. B. B. Thorpe; inside guardian, Mrs. M. C. Francisco; musician, Mrs. Clyde Dungan, and flag bearers, Mrs. C. T. Hopkins and L. D. Morrow.

Refreshments were served after the meeting to about fifty guests and members.

Mrs. T. W. Ball and Mrs. T. W. Ball, Jr., of Carlsbad were guests of the lodge.

Women's Clubs Have A War Service Pin

The General Federation of Women's Clubs has just created a War Service Pin for its members who have worked for six months or more in the war effort.

This pin is gold, with the shield of the United States in colors, the word "War Service" below the shield and the initials of the organization above the shield.

Club members must have the endorsement of the club, district or state federation before they are permitted to wear the pin.

Attends Board Meet Of The New Mexico Federation Saturday

Mrs. C. R. Blocker, state treasurer of the New Mexico Federation of Women's Clubs, attended a mid-year board meeting of the organization, held in Clovis, Saturday.

With so many vital measures in defense programs in which women are taking part and with women being urged to study and familiarize themselves with peace plan programs, it was decided to hold the annual state meeting in 1943 either at Clovis or Albuquerque, unless transportation problems become more acute.

Clovis Club petitioned to be transferred back to the third district, from first, on account of difficult transportation problems, the petition was granted.

Two nurses scholarships, at \$250 each, were pledged by the state federation and every club will be asked to contribute to this amount. Last year there were 10,000 nurses graduated, this year our government is calling for more than 50,000. Thousands of scholarships will be given young women over our nation who will go into training.

At the noon hour members of the Clovis Women's Club were hostesses at a beautifully appointed luncheon at their new club home.

Board members in attendance were Mrs. Fred Dennis, president, Albuquerque; Mrs. H. B. Patten, vice-president-at-large, Gallup; Mrs. P. M. Bailey, president, third district, Portales; Mrs. Judd Detrick, president first district, Las Vegas; Mrs. Fern Smith, president junior clubs, Carlsbad; Mrs. J. W. Lewis, parliamentarian, Carlsbad; Mrs. E. L. Siemantel, Clovis and Mrs. Blocker.

Miss Lynde First Artesia Girl To Enlist in WAAC's

Miss Mary Irene Lynde, a sister of Mrs. Oscar Samelson, was inducted in the Woman's Army Auxiliary Corps Monday of last week in Seattle, Wash.

Miss Lynde, who arrived home Monday for a visit with her sister and Mr. Samelson, is waiting orders to report for duty. She was an operator at the Mountain States Telephone Company office for two years, before leaving five months ago for Washington, where she has been employed by the Boeing Aircraft Company.

Miss Lynde is the first Artesia girl to enlist in the WAAC's.

Ronald Carder Is Complimented On Fourth Anniversary

Ronald Carder, son of Mr. and Mrs. Ted Carder, was honored on his fourth birthday anniversary at a party at the home of his parents from 2:30 to 4:30 o'clock Wednesday afternoon.

Ronald received many handsome gifts. After several amusing games, a large birthday cake, carrying the yellow and white color scheme, was served with ice cream.

Those present on this occasion were Marshall Martin, Mary Jane Kennedy, Lynne Palmer, John Reed Dowell, Janette Dowell, Dick Dixon, Joan Nunn and Virginia and Margaret Carder.

Also present were Mrs. Reed Dowell and Mrs. N. R. Lockridge.

children's work, Mrs. Harry Jor-
; secretary of supplies, Mrs.
B. Bullock; secretary of christ-
social relations and local ac-
ties, Mrs. Reed Brainard, and
ctary of literature and publi-
cations, Mrs. M. C. Davis.
Mrs. Webb and Mrs. I. C. Dixon
are in charge of the pledge ser-
ce, after which Mrs. Howard
sler, out going president, Mrs.
arry Jordan and Mrs. A. P. Ma-
ne, chairmen of the circles drew
ames for the circles for the com-
g year.
Mrs. Thalman, vice president and
sman of the program commit-
e, announced a meeting of the
mittee at the home of Mrs.
ebb, Tuesday.

Church Activities

Baptist Society
The Baptist Woman's Mission-
Society met last Thursday at
church for an all-day meeting
covered dish luncheon at 12:30
o'clock.
After the business meeting, at
Mrs. Dale Walters, presi-
nt, presided, Mrs. R. E. Dixon
leader of the program, "A
ness to the Light."
Those who assisted Mrs. Dixon
Mrs. S. M. Morgan, Mrs. J.
Starkey, Mrs. Jack Moreland
Mrs. N. H. Cabot.
After the meeting members pre-
ented Mrs. Cecil Mitchell with
ny dainty gifts.
Twenty-two members were pres-
ent.

Christian Council

The Christian Woman's Council
of the First Christian Church met
Thursday at the church for an
-day meeting and covered dish
cheon at the noon hour.
The afternoon was spent work-
on a quilt, after which a short
ness meeting was held with the
sident, Mrs. Earl Darst, presi-
nt.
Fifteen members were present.

Presbyterian Women

Mrs. J. Basil Ramsey was hos-
tess to twenty-two members of the
byterian Woman's Association
the January meeting last
uesday afternoon. Mrs. Wal-
Gates was co-hostess.
Mrs. W. E. Kerr presided at the
business meeting. Mrs. Rex
easley reviewed the book, "On
Foundation." She was assist-
ed by Mrs. R. L. Paris, Mrs. V. O.
Mrs. Otis Bigelow, Mrs.
ther Collins, Mrs. V. L. Gates
Mrs. B. E. Kennedy.
After the meeting the hostesses
d refreshments.
Group No. 1 of the Association
met at the home of Mrs. V.
Popp at 2:30 o'clock Thursday,
Jan. 21. Group No. 2 will meet
at Mrs. Fletcher Collins at the
same time next Thursday.

Red Cross
Activities

The nutrition class, which will
meet from 4 to 6 o'clock on Mon-
day and Wednesday at the high
school, will start about Feb. 1.
Miss Anna Howarth will be the in-
structor. Those wishing to enroll
may call the Red Cross office,
328-W.
Advanced first aid pins have ar-
rived. Those who are eligible for
the pins, which are 30 cents each,
must present their advanced first
aid certificates, when they call at
the Red Cross office for their pins.
Certificates for the home nurs-
ing class taught by Sister Wal-
burga are now ready at the office.
Some who were in the class taught
by Sister Scholastica, have not
called for their certificates. Those
who have not done so are asked to
do this immediately.
In many cases of minor illness
or in disease prevention the aver-
age citizen can carry on at home,
if she is prepared. Modern prac-
tice increasingly emphasizes diet,
baths, rest, exercise and other hy-
gienic measures for the correction
of illness, and these measures can
be taught in Red Cross home nurs-
ing classes. Join a home nursing
class at the local Red Cross office,
phone 328-W. Classes will start
as soon as enrollment is completed.
Leslie This, home service repre-
sentative, is expected in Artesia
Monday and Tuesday, Jan. 18 and
19, to discuss different problems
with George King, local home ser-
vice chairman.

The Auxiliary Meets
Monday Afternoon

Members of the American Leg-
ion Auxiliary met Monday after-
noon at the hut for the January
meeting.
During the business Mrs. John
Runyan was elected to represent
the Auxiliary on the civilian re-
cruiting group committee for the
Women's Army Auxiliary Corps.
It was announced that books for
the nutrition class were here. The
class, which will be taught by Miss
Anna Howarth, will start sometime
after Feb. 1 and will meet from 4
to 6 o'clock Mondays and Wednesdays
at the domestic science room at
Artesia High School. Enrollment
has been limited to thirty persons.
Anyone wishing to register for the
class is asked to call Red Cross of-
fice, 328-W.
Mrs. S. E. Chipman gave an in-
teresting talk on "Nurses' Aids."
Mrs. Alex McGonagill, who is leg-
islative chairman, told about bills
which are before Congress, con-
cerning the Auxiliary.
Plans were made for a joint
meeting and covered dish supper
with the Legion at 7 o'clock Tues-
day evening at the hut.
The hostesses, Mrs. McGonagill,
Mrs. S. O. Pottorff and Mrs. Jesse
L. Truett served refreshments to
twenty-two members.

MRS. DURAND ENTERTAINS
WITH BIRTHDAY DINNER

Mrs. Rodger Durand entertained
with a birthday dinner Sunday
complimenting her sister, Mrs.
Ralph Pearson of the Cottonwood
Community, whose birthday anni-
versary was that day.
A turkey dinner was served at
the noon hour with covers laid for
Mrs. Pearson, Mr. Pearson and
their two children, Raymond and
Abbie Frances; Mrs. Durand's
brother and family, Mr. and Mrs.
Lloyd Harshey and four children
of Hagerman; Mrs. Harshey's
mother, Mrs. Tom McKinstry, also
of Hagerman, and Mr. Durand and
their daughter, Miss Abbie Dur-
and.

MRS. SMITH ENTERTAINS
AT LUNCHEON TUESDAY

Mrs. Frank Smith entertained at
a 12:30 o'clock luncheon Tuesday.
Luncheon was served buffet
style. Those present were Mrs.
Fred Jacobs, Mrs. Zane Smith,
Mrs. B. E. Kennedy, Mrs. Oren
Roberts, Mrs. Pat Gormley, Mrs.
George Thalman and Mrs. Glenn
Caskey.
Jane Roberson, small daughter
of Mr. and Mrs. Ralph G. Rob-
erson, Jr., who has been ill several
days this week, is reported to be
getting along nicely.

College Briefs

Miss Edna Carder, daughter of
Mr. and Mrs. Harry Carder, and
Miss Louise Lee of Artesia and
Misses Ruth and Dorothy Nihart,
daughters of Mr. and Mrs. C. E.
Nihart of Lake Arthur, students
of Eastern New Mexico College,
Portales, were among thirty-five
girls who made a "B" average for
the first semester.

Mrs. Evans Hostess
First Afternoon Club

Mrs. M. W. Evans was hostess to
the First Afternoon Bridge Club
Tuesday afternoon.
Substituting guests were Mrs.
Henry Paton, Mrs. A. G. Glasser,
Mrs. Ralph Shugart and Mrs. Bid-
well. Members present were Mrs.
J. M. Story, Mrs. G. U. McCrary,
Mrs. James Nellis, Mrs. L. A. De-
Louche, Mrs. Jeff Hightower, Mrs.
Beecher Rowan and Mrs. J. J.
Clarke, Sr.
After the rounds of bridge the
hostess served a dessert course.
Mrs. DeLouche held high score
of the afternoon.

THE CEMETERY BOARD
MEETS FRIDAY AFTERNOON

The cemetery board met at the
home of Mrs. J. J. Clarke Friday
afternoon and found it necessary
to raise the prices of upkeep from
\$3 to \$5 a year on lots, \$3 on half
a lot, and \$1 for two graves.
The board again announces that
it sells monuments, all commis-
sions from which are used for up-
keep of the cemetery.

KONGENIAL KARD KLUB
AT THE McDORMAN HOME

Mrs. Earl McDorman entertain-
ed members of the Kongenial Kard
Club Wednesday afternoon.
Substituting guests were Mrs.
M. D. Sharp, Mrs. J. J. Clarke and
Mrs. George Beadle. Others pres-
ent were Mrs. L. A. DeLouche,
Mrs. Dave Bunting, Mrs. Andy
Comary and Mrs. G. Kelly Stout.
At the close of the games, Mrs.
Bunting received high score award,
Mrs. Stout, second and Mrs. Mc-
Dorman, low.
The hostess served a dessert
course.

Creighton Gilchrist came from
the East Coast on furlough to visit
Mrs. Gilchrist. She, thinking he
would fly to El Paso, went there to
meet him. He came from a Texas
point by bus to Carlsbad and from
there went to El Paso, where he
learned his wife was there.

Hospital News

Mrs. S. B. Barnett was admitted
last Thursday as a medical patient
and is getting along nicely.
Mr. and Mrs. Danell Renteria of
Seven Rivers are the parents of a
baby girl, born at 4:50 o'clock Sun-
day morning, weighing 5 pounds.
Both mother and baby are doing
nicely and have returned to their
home.
Mr. and Mrs. Castleberry are the
parents of a son born at 11:35 o'-
clock Sunday night. His name is
Charles Milton, and he weighed 7
pounds 11 ounces. Both mother
and baby are doing nicely.
Mr. and Mrs. H. C. Golden of
Loco Hills are the parents of a
daughter born at 2:40 o'clock Tues-
day morning, weighing 7 pounds
9 ounces. They have named her
Mary Alice. She and her mother
are doing nicely.
Mrs. Ivan Rogers, who under-
went surgery Tuesday, is getting
along nicely.
Mrs. Lewis Story, who was in a
car accident and sustained minor
injuries, has returned to her home.
Mr. and Mrs. H. W. Garrett are
the parents of a son, Woodford,
born at 10:50 o'clock Tuesday
night, weighing 5 pounds 9 1/2
ounces. The mother and baby,
who are doing nicely, will be able
to return to their home in a few
days.
C. F. Patterson of Elk is a med-
ical patient and is getting along
nicely.
Mr. and Mrs. M. E. Esquibel of
Artesia are the parents of a daugh-
ter. Weighing 6 pounds 12 ounces,
she was born at 10:35 o'clock Wed-
nesday evening. They will return
to their home today.
Lloyd and Betty Lou Brazil of
Morningside underwent surgery
this morning. They will return to
their home today.
Polo Garcia underwent surgery
Wednesday.
Donations acknowledged this
morning: McClay Furniture Store,
dining table and chairs; Purdy
Furniture Company, \$5; Mrs. H. R.
Paton, \$25.

OUR BOYS
WITH THE COLORS

Raymond C. Parker, Jr., is a
member of the largest class of
war birds in the Army Air Forces
Gulf Coast Training Center to re-
ceive their silver wings. The class
is graduating today from eight
advanced schools and each is re-
ceiving his commission. Lt. Park-
er is in the group graduating from
Moore Field, Tex., a single-engine
advanced school. Lt. Parker was
formerly employed in the grocery
department of Peoples Mercantile
Company.
Aviation Cadets Charles M.
Knoedler and Alexander S. Em-
mons of Artesia graduated this
week from the San Antonio Avia-
tion Cadet Center pre-flight school
and were sent to primary training
fields. They were among twenty-
nine aviation cadets from New
Mexico.
Lt. Henry S. Stout, former pas-
tor of the First Presbyterian
Church here, has been transferred
from Brigade Headquarters at Fort
Ord, Calif., to the 592nd regiment
of the brigade as regimental chap-
lain. A newspaper clipping re-
ceived with the notice of the change
reveals an interesting story of the
work of Lt. Stout's outfit, which
will be published in part next week.
Pfc. Albert D. Kennedy, son of
B. E. Kennedy of Artesia, has been
awarded a certificate of proficiency
upon his graduation from the air
mechanics school at the Army Air
Field in Carlsbad. There he received
both the classroom study and
practical training in aircraft main-
tenance necessary to "Keep 'Em
Flying!"
Pvt. Curtis C. Lidford of Artesia
has been selected from per-
sonnel of the Army Air Forces Ad-
vanced Flying School at Carlsbad,
because of his initiative and me-
chanical aptitude, to attend tech-
nical school at Lincoln Field, Neb.
This training will multiply his
value and efficiency as a member
of the world's most highly trained
fighting force.

A lie is a poor substitute for the
truth, but up to now it is appar-
ently the only substitute that has
been discovered.

Mrs. W. S. Cooley, who was in
El Paso visiting her brother, Ma-
jor Harry W. Cooper, and family
and the Cooley family, flew from
there Saturday to New Orleans,
La., to meet Mr. Cooley. He is on
a furlough of a few days from the
Navy. He has been in Virginia.

cate.

New Taxi Business
Opening Is Delayed
Because of Ruling

Starting of operation of a new
taxi business in Artesia by James
Thigpen and Bob Bourland, an-
nounced elsewhere in this issue in
an ad, has been held up because of
an ODT ruling, the operators said
this morning.
It is hoped that the matter may
be clarified within the next few
days and that operation will be
able to start.
The page on which the ad ap-
pears was printed late Wednesday,
before notice of the ruling was re-
ceived by Thigpen and Bourland.

Brother of Mrs. Myers
Dies Last Thursday on
Coast After Accident

Terry Page of Los Angeles,
Calif., brother of Mrs. J. Hise Mey-
ers of Artesia, died last Thursday
night an hour after suffering in-
juries in an accident involving a
streetcar.
Details of the accident were not
learned here, but it is not thought
the car was in an accident, but
rather that Mr. Page was in some
way struck by it. The accident
was shortly after he had left his
home to catch a streetcar.
Funeral services were Wednes-
day and burial was at San Gabriel,
Calif. Mr. and Mrs. Myers, who at
first planned to attend the funeral,
changed their plans, when it was
found they probably could not ob-
tain travel accommodations in time.
Mr. Page, who visited Mr. and
Mrs. Myers about a year ago,
shortly after his wife died, is sur-
vived by four sons and a daughter.

JOE NUNN UNDERGOES
MAJOR SURGERY WEDNESDAY

Joe Nunn underwent a major
operation in Southwestern General
Hospital in El Paso Wednesday.
Mr. Nunn was reported to be get-
ting along nicely this morning.
Mr. and Mrs. Nunn and Mrs.
Creighton Gilchrist had gone to El
Paso over the week end.

Evangelistic Meeting
Will Start at Assembly
Of God Church Sunday

Wayne Pitts, Western evange-
list, will open a series of evangeli-
cal meetings at the Assembly of
God Church, Fourth and Chisolm
Streets, Sunday evening, it was an-
nounced by the Rev. Orel Boteler,
pastor.
The evangelist, a young man
himself, has a special message for
the young people, the pastor said,
but he stressed that people of all
ages are cordially invited to attend
the services.
The meeting will continue for
two weeks, with services starting
at 7:30 o'clock each evening.

ARTESIA 20-30'ANS ARE
GUESTS OF CARLSBAD CLUB

Five members of the Artesia 20-
30 Club were guests of the Carls-
bad 20-30 Club Tuesday evening,
when officers for the coming six
months were installed.
Going from here were Douglas
O'Bannon, president; Ernest Mor-
gan, Bill Middlebrook, Don Jensen
and Charles Baldwin.

MISS GRACE WETIG GIVES
\$500 TO BOYS TOWN

Miss Grace Wetig last week sent
a \$500 contribution to Boys Town,
Neb., haven for boys.
The famous town was founded
some years ago by Father Flani-
gan, Catholic priest, and it has
grown until it now houses many
boys, who receive encouragement
and a chance for self expression,
as they fit themselves for life.

TANDY'S CAFE OPENS
ON MAIN LAST WEEK

Clark Tandy, who formerly ran
a slaughter house north of the
city, last week opened a restaurant
at 313 West Main, the former lo-
cation of Richards Electric Shop.
He has been here about two years.
The place is to be known as Tandy's
Cafe.
The more bonds the less bondage.

Mrs. Samuel G. Humphreys, deceased, on the 19th day of December, A. D., 1942, by the Honorable, J. T. Harden, Probate Judge of Eddy County, New Mexico. All persons having claims against said Estate are hereby notified to file the same with the County Clerk of Eddy County, New Mexico, within six months from the date of the first publication of this notice as provided by law or same will be barred. Dated this 21st day of December, 1942. **FRED B. HUMPHREYS**, The First National Trust Savings Bank of San Diego Administrators.

Curtailment of Highway Workers Shown in Report

A curtailment of more than 50 per cent in the number of employees of the State Highway Department during 1942 was shown in a report the last day of the year to Gov. John E. Miles by Burton Dwyre, state highway engineer.

The report showed that total highway personnel had dropped from 1,291 in January to 603 in December. Total salaries and wages in the same period fell from \$162,835 in January to \$85,000 in December.

The executive said that each month had reflected a continuing drop in the totals of employes and wages and salaries.

Totals spent for highway maintenance, the report showed, decreased from \$2,119,433 in 1941 to \$1,327,389 in 1942. Since July, total costs of maintenance, which includes materials, continually declined, it was added.

Miles said other departments informally had reported continuing decreases in total personnel and salaries, but that complete figures would not be available until all reports are filed in the secretary of state's office by Jan. 15.

NOTICE STATE ENGINEER'S OFFICE

Number of Application RA-1453-A. Santa Fe, N. M., January 5, 1943.

Notice is hereby given that on the 30 day of December, 1942, in accordance with Chapter 131 of the Session Laws of 1931, Martin Yates, Jr., of Artesia, County of Eddy, State of New Mexico, made application to the State Engineer of New Mexico for a permit to change the Location of Well from a location in the Southwest corner, Lot 5, Section 1, Township 16 South, Range 24 East, to a location in the Northwest quarter of the northeast quarter of the southwest quarter of Section 7, Township 17 South, Range 26 East, for the purpose of irrigating 90 acres of land in said Section 7. Also making application for a permit to change the place of use of 80 acres in the west half of the southeast quarter and 10 acres in the west-half, west-half of the northeast quarter of the southeast quarter of Section 33, Township 15 South, Range 24 East to 90 acres described as follows: 30 acres part of northeast quarter of the southwest quarter; 30 acres part of southwest quarter of the northeast quarter; 30 acres part of northwest quarter of the southeast quarter, all in Section 7, Township 17 South, Range 26 East, N. M. P. M.

Any person, firm, association, corporation, the State of New Mexico or the United States of America, deeming that the granting of the above application will be truly detrimental to their rights in the waters of said underground source, may protest in writing the State Engineer's granting of approval of said application. The protest shall set forth all protestant's reasons why the application should not be approved and shall be accompanied by supporting affidavits and by proof that a copy of the protest has been served upon the applicant. Said protest and proof of service must be filed with the State Engineer within ten (10) days after the date of the last publication of this notice. Unless protested, the application will be given final consideration for approval by the State Engineer on the 1st day of March, 1943.

Thomas M. McClure, State Engineer.

NOTICE STATE ENGINEER'S OFFICE

Number of Application RA-1928. Santa Fe, N. M., Dec. 29, 1942.

Notice is hereby given that on the 28th day of December, 1942, in

accordance with Chapter 131 of the Session Laws of 1931, Mary E. Yates, of Artesia, County of Eddy, State of New Mexico, made application to the State Engineer of New Mexico for a permit to Change

Ack-Ack guns should be included in Cook Books!

THEY'D remind you that Gas, the same fuel you cook with, is indispensable to making guns, tanks, planes, ships!

They'd remind you to use this vital fuel wisely in your home.

For without the *speed* of Gas, months would be lost heat-treating mountains of metal.

Without the *economy* of Gas some weapons would cost 3 times as much... millions of dollars added to the taxpayer's burden.

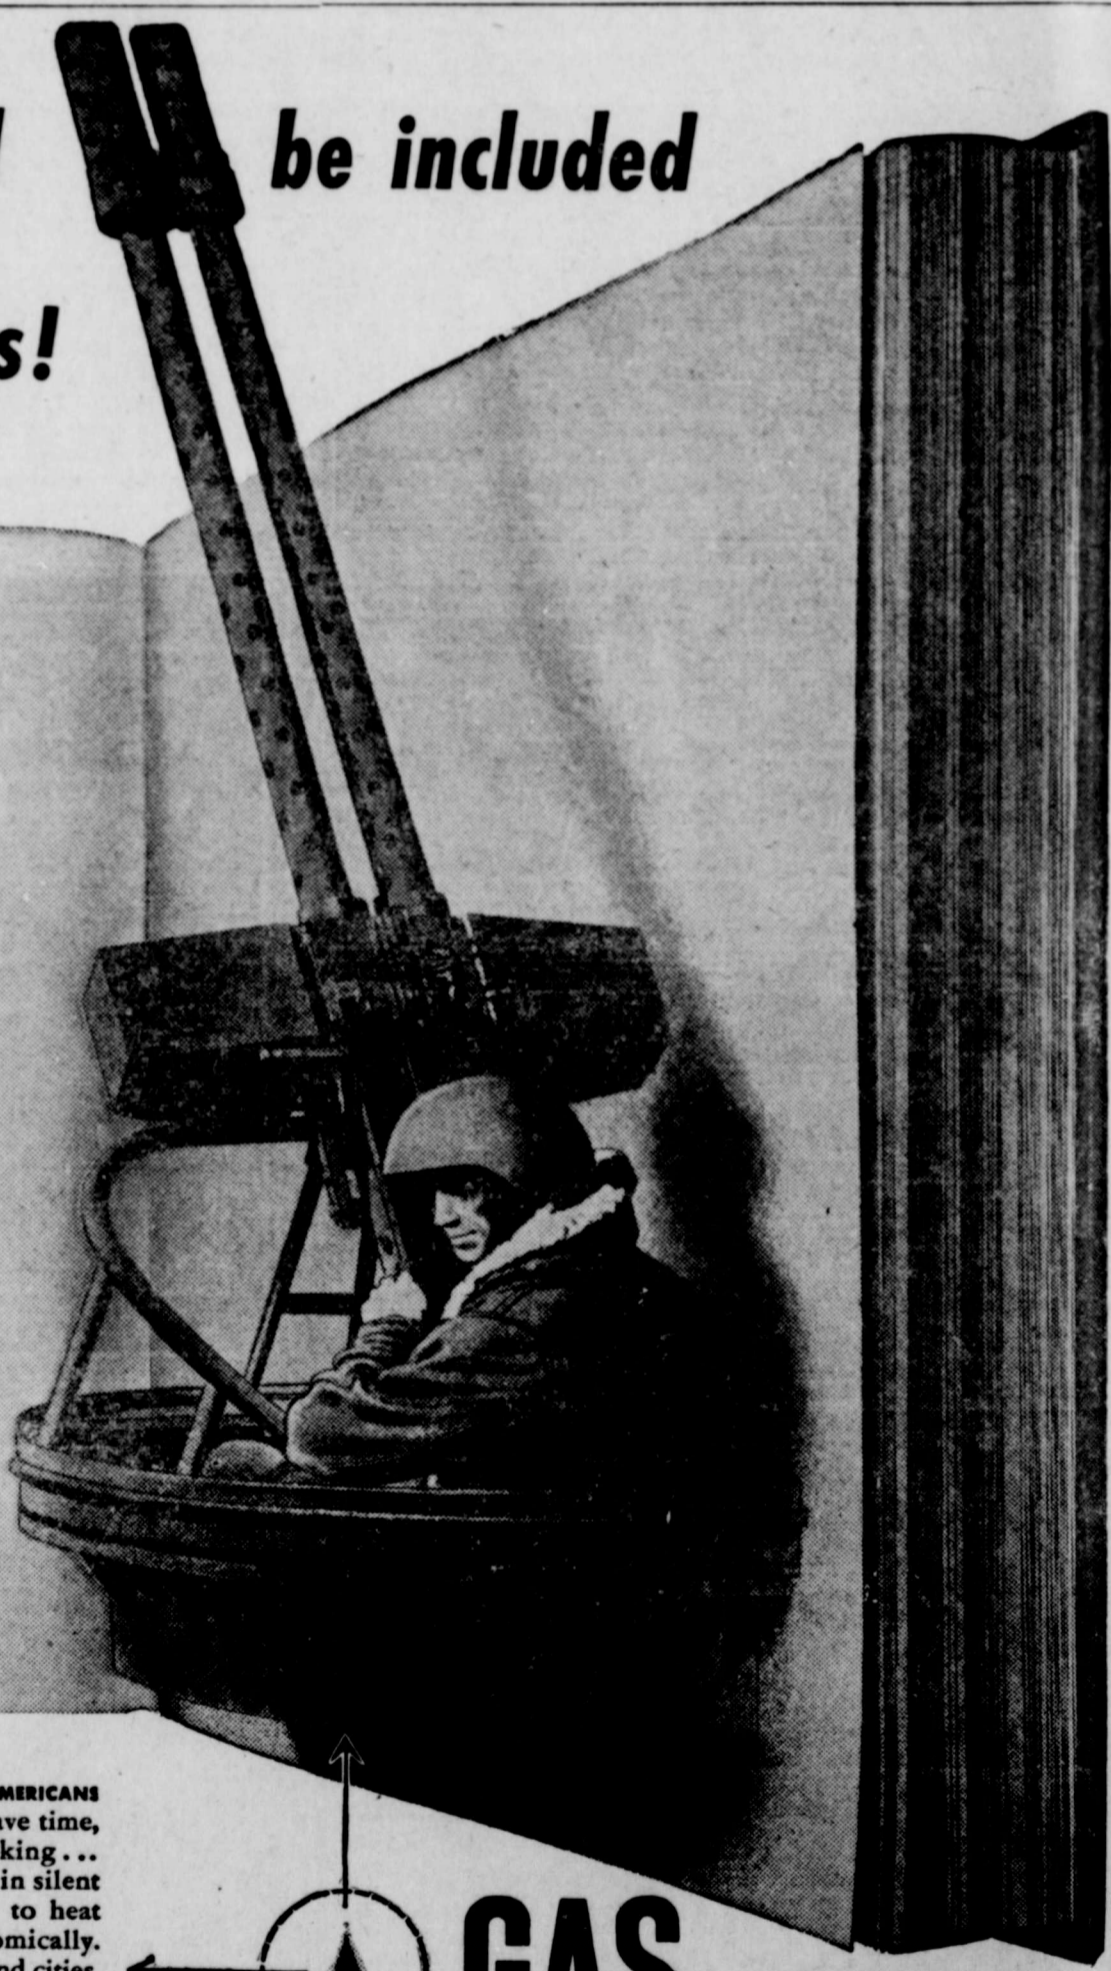

Without the *precision heat* of Gas, airplane propellers, armor plate, bomb fuses and shells could not be made as fine or as fast as they are today!

Ordinarily there is ample Gas for all needs. This winter, however, with a vastly increased War production requiring tremendous additional quantities of Gas, you may be asked to curtail your household use of Gas. But remember doing your part will help make available Gas for vital War industries... Gas essential to Victory!

Buy War Bonds today—save for the Certified Performance Gas range of tomorrow.

EVERY DAY 85,000,000 AMERICANS DEPEND ON GAS... to save time, money and food in cooking... to preserve food safely in silent Gas refrigerators... to heat water and homes economically. In thousands of towns and cities, the Gas Company is community headquarters for cooking and nutrition information. If you want the latest advice on these important subjects, consult your Gas Company.

GAS is vital to war production... use it wisely!

Statewide Drive for "Share-the-Ride" Clubs Undertaken in State by OCD

A statewide drive through the state Council of National Defense to organize "Share-the-Ride" clubs throughout New Mexico will be undertaken this month, it was announced by Edward H. Oakley, state OCD director.

He said the car sharing plan will be launched in various communities of the state by block or neighborhood leaders of the county council, "Victory Councils," AWVS groups and others.

Details of working out the car sharing plans of each community will be left to the councils, Oakley said, so that the program will fit in with the community's own needs and problems. A framework program will be supplied by the councils as a guide on which to work.

Car owners are now beginning to feel the full effects of mileage rationing, but with car sharing restricted transportation can be overcome, Oakley said. "Too many cars today will make transportation for all available in the state."

OCD workers, while they will have no part in enforcement of rationing or ODT regulations, will assist in the rationing program as volunteer clerks. But their main effort will be directed toward helping the individual car owner get the most good out of his mileage ration and to conserve his car tires as long as possible.

"This can best be done by furthering the 'Share-the-Ride' program and helping to organize and operate car sharing clubs in our communities that are based on the particular needs of that particular community."

He said the basis of the council's program will be a house-to-house survey by block or neighborhood groups to help in forming the clubs, particularly for those drivers to and from work. Other members of the Car Sharing plan will be worked out according to local needs, he said.

Persons in an Army recruiting induction center in New York were startled when a captain, having sworn in a pretty WAAC recruit, planted a big kiss on her cheek. The officer was Capt. Joseph La Manna; the recruit Mrs. Edward Dissell, 24, dancer and swimmer who was understudy to Eleanor Holm at the world's Fair Aquatics. Oh yes—the new WAAC is Capt. La Manna's daughter, Eleanor.

On New Year's Day sixty years ago Augustus Hall, Sr., fell from a bridge on which he was working at San Francisco. He died of a skull fracture and other injuries. Augustus Hall, Jr., 68, his son, fell from a ladder at his home in New York on New Year's Day and died of similar injuries.

Licenses to Wed Step Up to 509 In Eddy for Year

The first calendar year of the war saw a considerable step-up in marriages in Eddy County, according to R. A. Wilcox, who on Jan. 1 stepped up from deputy county clerk to county clerk, succeeding Mrs. Wilcox.

During 1942, he said, the clerk's office issued 509 marriage licenses, as compared with 478 in 1941.

June, traditional month of marriages, was surpassed in Eddy County last year by November, when sixty licenses were issued. June, with forty-seven, was fourth, behind August, fifty-four, and October, fifty-three.

It was the second straight year in which June finished far behind, November claiming 67 licenses in 1941 to top the midyear month by 20.

Margaret Menaud and John W. Fernandez, both of Odessa, Tex., were issued the first marriage license here in 1942.

March was the least popular month with lovers last year, only twenty-three licenses being issued during the month. January was the second low month with twenty-seven.

Marriage license totals for the other months: February, 34; April, 38; May, 32, and December, 47.

Little Rock, Ark., policemen arrested a youth on a traffic charge and to be nice about it, offered a ride into town for his 15-year-old girl friend. Escorting the young man into headquarters, they heard the sound of breaking glass coming from the direction of their squad car. By the time they could hurry back to it, she had broken all the windows except the rear one, and was aiming an attack at it.

Her broken ankle is keeping strip-tease dancer Margie Hart of New York at her mother's home much longer than either had intended. And the family speedily ran out of coffee, Margie told newsmen. By nightfall a little girl who bashfully refused to give her name appeared on the doorstep. She proffered a half-pound package for the sick lady.

Prince, Jack Bernstein's German shepherd, should be tough enough for the Army. A tavern watchdog for years in Denver, Prince was enlisted in the Army, but he didn't want to leave home. It took two men to get him to the train.

If, as a writer suggests, women's sentiments are expressed by their clothes, they appear to have been becoming less and less sentimental during recent years.

Food Predictions For the New Year Given by USDA

Food for the home front in 1943 will depend on farm supplies, such as labor, machinery and fertilizer, on processing and transportation, and on the weather. Here are food predictions for the New Year as offered by A. E. Triviz of the New Mexico Extension Service, from information given by economists of the USDA.

Cereals: Ample supply. Even if the 1943 grain crop is short, people in the United States can have their daily bread and porridge, too, because of the large carry-over of grain foods.

Fats and Oils: Supply not quite so large as in 1942 but larger than in pre-war years.

Sugar: Supplies may be smaller than last year because of transportation difficulties. American families will be able to eat more grain foods, potatoes, and beans to supply food energy formerly supplied by sugar. This may improve diets. While sugar offers only calories, but whole grains, potatoes and beans offer minerals and vitamins as well.

Potatoes and dried beans: More sweet potatoes and dried beans in prospect, but fewer white potatoes unless the 1943 crop is larger than average.

Fruits and vegetables: Fresh fruits and vegetables will depend on crops, labor and shipping. Some fruit crops are likely to be short. Fewer canned fruits and vegetables will be on grocery shelves. Family gardens and home food preservation will be important. Wise gardeners will plant crops that offer most in food value.

Poultry, eggs, meat and fish: More eggs and poultry will be produced in 1943 but civilians may get less because demand for overseas shipment will be tremendous. Meat rationing is expected in order to give everyone a fair share. Fish supplies will be smaller.

Milk: Though the total milk supply may average about the same, civilians will probably have less because of the demand for milk and milk products by our armed forces and allies.

Then there's the NSDUNSPH. Glenn E. Smith of St. Joseph, Mo., is national president of the feeless new organization—the National Society to Discourage the Use of the Name Smith for Purposes of Hypothetical Illustration. The slogan, addressed mostly to public speakers and others: "When you think of Smith, say John Doe." The members are all named Smith.

Said the angler to his friend — "The fish I caught was too small to fool with, so I got a couple of other men to help me throw it back into the river."

Pix Rhapsody

By Mary Jane

The 12-year-old Roddy McDowell, featured in "The Pied Piper," the 20th Century-Fox screen version of the Nevil Shute best-seller opening Sunday at the Ocotillo Theater, was a veteran of almost twenty pictures when he arrived in the United States two years ago. Yet, when he landed in New York, with his mother and his sister and a total cash asset of \$42, (British wartime law restricts the amount of money that may be taken out of the country) he was unknown. Not even the most ardent of cinema students had heard of him, despite the fact that he enjoyed a considerable popularity in England.

There is no telling what would have happened with the McDowells if 20th Century-Fox had not been, at that time, hunting for a boy to play Huw in "How Green Was My Valley." But they were, and when they got around to testing Roddy, in New York, the \$42 had dwindled to a few thinly jingling coins. The test-film was flown to Hollywood, studio executives saw it, and the same day telephoned Mrs. McDowell to take the first train to the coast. Their judgment was justified. Roddy's performance took the critics by storm and he had become a star overnight.

Since then Roddy has appeared in five major pictures, grown two inches, written a book, which will be published soon, and fallen madly in love with Betty Grable.

In "The Pied Piper" he is co-featured with Monty Woolley and Anne Baxter. His role is that of an English boy who, with his sister and four other children of assorted nationalities, is led to safety across Nazi-ruled France by a reluctant and crusty Britisher, Monty Woolley.

B. C. JOHNSTON MOVES TO THE DUNGAN FARM

B. C. Johnston has leased part of the Green Valley Farm, which belongs to Mrs. George Dungan, and expects to farm there this coming year. Mr. Johnston moved his wife and son, La Von, to the Dungan farm Monday. The Johnstons have been living at 708 Missouri Avenue.

In many cases the person who is worrying for fear he may lose his mind, wouldn't miss it if he did.

Safety tips for war workers are now being published by the U. S. government.

What Is Income Tax?

FORM OF RETURN

Persons subject to the federal income tax must report their income to the government on forms, or blanks, prescribed by regulations. These forms are obtainable from any collector of Internal Revenue, and generally from any bank. Special forms are designated for corporations, for partnerships, for trusts and fiduciaries, and for non-resident aliens. Farmers who keep no books of account on the accrual method must attach a special schedule to their return (Form 1040F). For individuals, two forms are used, depending upon the amount and source of income to be reported.

Form 1040. This form is intended for general use of individuals who are citizens of the United States, or residents in this country, whether citizens or not. It contains spaces to show the amount of income from various sources, deductions allowable, exemptions and credits, and computation of tax liability. As most of the items require some explanation in order to be allowable, the form also con-

tains appropriate schedules to show in more detail how the income or the deductions are determined.

Form 1040A. This is a simplified report, which may, at the option of the taxpayer who makes his return on the cash basis, be filed instead of form 1040 by citizens and residents whose gross income was \$3,000 or less during 1942, provided all this income consists wholly of one or more of the following: salary, wages, dividends, interest, or annuities. In using this form it is necessary only to enter the amount of gross income as shown, deduct the credit allowable for dependents, and insert the appropriate amount of tax in accordance with one's personal exemption status, as shown on the table on the reverse of the form. This form has no entries for deductions allowable, since the taxes indicated in the table on the back of the form are computed after taking into account what have been considered average deductions for persons of this income class.

A taxpayer should, therefore, consider carefully which form

would be appropriate for his purposes. Whichever form is employed, all the information called for in the spaces should be inserted so far as applicable to the taxpayer, in order to avoid the expense to the Government, and the possible inconvenience to the taxpayer, of subsequent check and inquiry.

With each return form is a set of accompanying instructions, and these instructions should be carefully read by the taxpayer before making his return.

Returns for the calendar year 1942 must be filed not later than March 15, 1943. They may be filed by mailing to the collector of Internal Revenue of the appropriate district in which is located the legal residence or principal place of business of the taxpayer. If the return is filed by mailing, it should be posted in ample time to reach the collector's office on or before March 15, 1943. Returns received later than the due date are subject to a penalty variable according to the lateness in filing.

Former Pastor's Father Coming To Church Here

The Rev. J. T. Wheeler of Canon City, Colo., has been named to the pastorate of the First Christian Church of Artesia and will be here Sunday for his first services. He is the father of the Rev. J. Vernon Wheeler, former pastor of the Christian Church here, who left in May, 1941, and now is pastor at Monte Vista, Colo.

The elder Mr. Wheeler has been state pastor-evangelist for Colorado the last two years. Elimination of the post for the duration made it possible for him to accept the pastorate in Artesia.

He comes highly recommended not only as a minister but for his interest and work in civic matters. Sam Stuart, a layman preacher, has been filling the pulpit since last October, when the Rev. Dr. Oren Oranhood, who succeeded the Rev. J. Vernon Wheeler, left to accept a pastorate at Dalhart, Tex.

The Rev. and Mrs. J. T. Wheeler are expected to arrive in Artesia the latter part of this week, in ample time for the services Sunday.

Will Stop Here—

(continued from page 1)

Before the sub was mounted on its special trailer for a tour of the nation in the bond drive, portions of the hull were cut away and replaced with windows, in order that the interior could be seen. The steel cut away has been hacked up into the small souvenir pieces, which are being auctioned off.

Ray Bartlett, a member of the staff for North Eddy County, who has been making arrangements for the sub's visit here, said that Series E, F and G bonds may be purchased in the souvenir auction and that all bonds bought within a single family group may be pooled, if the members wish.

Although it was pointed out that the sub is not coming here to provide a souvenir for anyone, the historical value of the small piece of hull should stimulate bond purchases.

The sub is scheduled to arrive at the north city limits of Artesia at 10 o'clock, Monday morning, coming from Roswell. It will be escorted by the state police, who will clear the way for the strange vehicle, ninety-foot feet over all, bearing the eighty-one-foot prize of war.

At the city limits it will be met by the State Guard and the AWVS, who will escort it into town for exhibition, which will be from 10:30 o'clock until 1:30 o'clock in the afternoon, when it will leave for Carlsbad.

Local police will bring up the rear of the sub into town from the city limits, protecting not only the strange craft, but the public as well, for the enormous trailer and its prize make a great sweep when negotiating a turn.

Since the sub left Mare Island Navy Yard, where it was brought on the deck of a ship, the propeller has sheared the side out of a motor coach has taken a bite out of another automobile. Hence the rear-end precaution taken whenever it must make a turn.

The sub will be on exhibition on Main Street between Third and Roselawn, where the purchase of at least a \$1 War Savings Stamp will admit an adult and the purchase of a 25-cent stamp will admit a child. Of course, more stamps may be purchased, or a bond, of any denomination, will do.

SANTA FE CARLOADINGS

Santa Fe System carloadings for the week ending Jan. 9, were 21,164, compared with 20,268 for the same week in 1942. Cars received from connections totaled 10,641, compared with 7,739 for the same week in 1942. Total cars moved were 31,773, compared with 28,007 for the same week in 1942. Santa Fe handled a total of 27,736 cars in the preceding week of this year.

Tire Inspection—

(continued from page 1)

ers once every three months. Formerly the schedule called for examinations of cars with "B" and "C" ratings once in two months, the same as for holders of "A" books.

In announcing the changes, Paul M. O'Leary, deputy OPA administrator in charge of rationing, said the conservation now will depend more heavily upon voluntary cooperation by motorists.

O'Leary urged motorists not to wait for the deadlines but to have their tires inspected as soon as possible.

Largest Truck—

(continued from page 1)

"If we could get over those roads, we can make anything we are likely to face in the United States," the drivers agree.

The bridge-load problem was solved in advance by engineers of the State Highways Division of Sacramento, who laid out the route to avoid weak or doubtful bridges. This will be done in each state.

Mounted on its four-foot-high semi-trailer, the submarine stands 15 feet 6 inches from pavement to top of the conning tower, and cannot clear lower overpasses. This was solved at Mare Island Navy Yard by mounting the cigar-shaped hull on two huge rings so it can be rotated by a power winch in two minutes. With the conning tower turned to one side, the six-foot hull of the sub stands only 10 feet 6 inches above the road, and thus can clear any underpass on a main highway.

The problem of getting around curves or hairpin turns on narrow mountain roads was solved by the use of a "stringer" reach in the trailer, which allows the connecting pole to jackknife in the middle when the vehicle turns a corner. The rear wheels follow the path of the front wheels.

The problem of taking the monster safely through traffic on highways and city streets has to be met every minute it is moving. In California it was accompanied by two cars of the State Highway Patrol, each manned by a picked officer, one driving ahead and the other guarding the rear. Through cities, local police are added to the escort.

Those who view the submarine here will note that one of the propeller blades is bent and nicked. The motor stage that got too close to it in San Francisco as the sub turned a corner lost all its windows in one side. That was only three hours after the submarine had left Mare Island on its tour. Only one patrol car was guarding it, up front. Another patrol car was immediately assigned to the convoy, to be the rear guard.

This accident happened while the submarine was on its way to Chinatown for a ceremony, in which Chinese priests "drove the evil spirits" of the Japanese out of it by exploding a thousand fire-crackers around it.

Four days later, despite the two patrol cars and several local motorcycle police, the sub took a bite out of an unwary motor car while turning a corner in Oakland. The motorist found that its propeller made a very efficient can opener.

Fearing that evil spirits still remained in the sub, the War Savings Committee at Santa Monica repeated the ceremony, with Anna May Wong, motion picture star, lighting the firecrackers and commanding the "Evil Ones" to go jump in the Pacific. Leo Carrillo added a few old Spanish incantations. He having had no previous experience as devil-drivers, observers are anxious awaiting results. At San Pedro, Rudy Valle and his Coast Guard band lent melodious noise to the project of driving out the demons, and in every town, high school, Army or Navy bands have soothed the savage breast of the monster with music both sweet and hot, but whether this will be effective remains to be seen. Jap devils take a lot of driving out and that also takes money and War Savings Bonds, which is why the submarine is on tour.

In two months in California, the submarine was viewed by at least a million persons, who have so far invested more than four million dollars in War Savings Stamps and Bonds during its exhibitions, according to the War Savings Staff. The captive monster is now working for a free and decent world.

Production Credit Association Meet to Be Next Wednesday

Farmers and stockmen from four Southeast New Mexico counties will meet in the basement of the Roswell Presbyterian Church Wednesday, for the ninth annual stockholders' meeting of the Roswell Production Credit Association.

To conform with the national policy, the program this year is arranged to permit members to do their trading and attend the annual meeting with one trip to town, T. H. Boswell, secretary-treasurer, said.

War problems facing the farmer and stockman, and how the Production Credit Association can help solve them will be given primary attention, Boswell said.

The election of two members to the board of directors, the annual report of the secretary-treasurer, and other regular business and social features will be conducted at the meeting.

Production Credit Associations are cooperative farm lending agencies which have grown in importance with the tremendous farm production goals of the war, Boswell pointed out. They are currently helping farmers and stockmen, who can use money soundly to expand the production of their units and convert to more vitally needed foods.

The Roswell Production Credit Association serves farmers and stockmen in Eddy, Chaves, Lea and Lincoln Counties.

THREE BOYS ARE BORN AT ARTESIA CLINIC

Mr. and Mrs. Fred Zinn are the parents of a boy born at 8:18 o'clock last Thursday evening at the Artesia Clinic. He weighed 7 pounds 12 ounces at birth.

Also born at the clinic were a boy, weighing 8 pounds four ounces to Mr. and Mrs. E. L. Yockey at 3 o'clock Friday morning, and a boy to Mr. and Mrs. W. A. Griffin at 3 o'clock this morning. He weighed 10 pounds 2 ounces. As yet none of the boys have been named.

Shirley Faye McCroan of Loco Hills underwent a tonsillectomy at the Artesia Clinic Friday.

Will Interview Women About FBI Clerical Work

D. A. Bryce, special agent in charge, Federal Bureau of Investigation, El Paso, announced that the FBI has need for clerical personnel, and is now affording an opportunity for women between the ages of 16 and 40 years to do their part in the war effort by entering the service of the FBI at Washington, D. C.

The work of the FBI is extremely vital to the war effort, as it is the investigative and coordinating agency for matters pertaining to national defense, such as espionage, sabotage and subversive activities, Bryce said.

The FBI has urgent need for women employees for assignment in Washington. It is not necessary that they possess either stenographic or typing ability. However, they must be high school graduates. Upon employment at Washington, the FBI will assist all new employees in securing comfortable living quarters, where living cost is approximately on a par with the larger cities of this area. The salary of this position

commences at \$1,440 a year raises given for efficiency. Positions are likewise subject to the provisions of the "Overseas Pay for Government Employment Act," providing increased remuneration for overtime work.

Women between the ages of 16 and 40 who are high school graduates and interested in the position of clerk may contact Special Agent S. H. Roberson, who will be at the city hall in Artesia, between 9 and 5 o'clock next Wednesday.

In order that the applicant might be given expeditious attention, the applicant should bring a small 3x4 inch photograph.

For further information concerning details of the position, communicate with D. A. Bryce, Special Agent in Charge, FBI, U. S. Courthouse, El Paso, Texas.

FIVE BROTHERS VISIT THEIR AGED FATHER

B. E. Spencer left Saturday for Kansas City, where he and his four brothers are visiting their father, R. W. Spencer, who was 92 years old last September. One of the sons, Jim Spencer of China Mont, has not seen his father since 1893 and has not seen his brother here since 1907.

QUIZ FOR KIDS!

... and parents, too! Questions and Answers that are extra important today when so much depends on America's eyesight

How many of these children will have good eyesight at twenty? Only three if these children are average! Two college students in five have defective eyesight, and it may be worse as schools speed up wartime education. Proper care during growing years can help ward off eye troubles later.

Which one is headed for trouble? Molly! She's risking eyestrain if she persists in reading on the floor. She may be only getting a tenth as much light as John is getting in the chair. If she sat in another chair, under the light, she could read more comfortably and with less danger of eyestrain!

Alan can't see the writing on the black-board. Should he quit school, get a front row seat or have his eyes examined? Alan should have his eyes examined right away. If he needs glasses, he doesn't know what he's missing. They'll help him in games and sports, as well as in school.

This girl is getting extra light free. True or false? True! Dust and dirt on bulbs, shades, and reflectors can cut light in half without your realizing what's the matter! By being a good little housekeeper and wiping them clean, Libby is getting extra light for the same electricity!

Former Pastor's Father Coming To Church Here

The Rev. J. T. Wheeler of Canon City, Colo., has been named to the pastorate of the First Christian Church of Artesia and will be here Sunday for his first services.

He is the father of the Rev. J. Vernon Wheeler, former pastor of the Christian Church here, who left in May, 1941, and now is pastored at Monte Vista, Colo.

The elder Mr. Wheeler has been state pastor-evangelist for Colorado the last two years. Elimination of the post for the duration made it possible for him to accept the pastorate in Artesia.

He comes highly recommended not only as a minister but for his interest and work in civic matters. Sam Stuart, a layman preacher, has been filling the pulpit since last October, when the Rev. Dr. Oren Orahod, who succeeded the Rev. J. Vernon Wheeler, left to accept a pastorate at Dalhart, Tex.

The Rev. and Mrs. J. T. Wheeler are expected to arrive in Artesia the latter part of this week, in ample time for the services Sunday.

Will Stop Here—

(continued from page 1)

Before the sub was mounted on its special trailer for a tour of the nation in the bond drive, portions of the hull were cut away and replaced with windows, in order that the interior could be seen. The steel cut away has been hipped up into the small souvenir pieces, which are being auctioned off.

Ray Bartlett, a member of the staff for North Eddy County, who has been making arrangements for the sub's visit here, said that Series E, F, and G bonds may be pooled, if the members wish.

Although it was pointed out that the sub is not coming here to provide a souvenir for anyone, the historical value of the small piece of hull should stimulate bond purchases.

The sub is scheduled to arrive at the north city limits of Artesia at 10 o'clock, Monday morning, coming from Roswell. It will be escorted by the state police, who will clear the way for the strange vehicle, ninety-foot feet over all, bearing the eighty-one-foot prize of war.

At the city limits it will be met by the State Guard and the AWVS, who will escort it into town for exhibition, which will be from 10:30 o'clock until 1:30 o'clock in the afternoon, when it will leave for Carlsbad.

Local police will bring up the rear of the sub into town from the city limits, protecting not only the strange craft, but the public as well, for the enormous trailer and its prize make a great sweep when negotiating a turn.

Since the sub left Mare Island Navy Yard, where it was brought on the deck of a ship, the propeller has sheared the side out of a motor coach has taken a bite out of another automobile. Hence the rear-end precaution taken whenever it must make a turn.

The sub will be on exhibition on Main Street between Third and Roselawn, where the purchase of at least a \$1 War Savings Stamp will admit an adult and the purchase of a 25-cent stamp will admit a child. Of course, more stamps may be purchased, or a bond, of any denomination, will do.

SANTA FE CARLOADINGS

Santa Fe System carloadings for the week ending Jan. 9, were 21,164, compared with 20,268 for the same week in 1942. Cars received from connections totaled 10,641, compared with 7,739 for the same week in 1942. Total cars moved were 31,778, compared with 28,007 for the same week in 1942. Santa Fe handled a total of 27,736 cars in the preceding week of this year.

Get in the scrap!

For Trade

FOR TRADE—Makomb electric broiler plant. 200 chick capacity, A-1 condition. Will trade for milk cow, prefer Jersey. See Jim Smith at Gas Company. 2-2tp-3

Lost

LOST—Between Maljamar field and Artesia, pair coveralls, with "New Mexico Eastern Gas Co." on back, keys on ring in pocket. \$2 reward if returned to Southern Union Gas Co., Artesia. Alex White. 2-1tp

Tire Inspection—

(continued from page 1)

ers once every three months. Formerly the schedule called for examinations of cars with "B" and "C" ratings once in two months, the same as for holders of "A" books.

In announcing the changes, Paul M. O'Leary, deputy OPA administrator in charge of rationing, said the conservation now will depend more heavily upon voluntary cooperation by motorists.

O'Leary urged motorists not to wait for the deadlines but to have their tires inspected as soon as possible.

Largest Truck—

(continued from page 1)

"If we could get over those roads, we can make anything we are likely to face in the United States," the drivers agree.

The bridge-load problem was solved in advance by engineers of the State Highways Division of Sacramento, who laid out the route to avoid weak or doubtful bridges. This will be done in each state.

Mounted on its four-foot-high semi-trailer, the submarine stands 15 feet 6 inches from pavement to top of the conning tower, and cannot clear lower underpasses. This was solved at Mare Island Navy Yard by mounting the cigar-shaped hull on two huge rings so it can be rotated by a power winch in two minutes. With the conning tower turned to one side, the six-foot hull of the sub stands only 10 feet 6 inches above the road, and thus can clear any underpass on a main highway.

The problem of getting around curves or hairpin turns on narrow mountain roads was solved by the use of a "stringer" reach in the trailer, which allows the connecting pole to jackknife in the middle when the vehicle turns a corner. The rear wheels follow the path of the front wheels.

The problem of taking the monster safely through traffic on highways and city streets has to be met every minute it is moving. In California it was accompanied by two cars of the State Highway Patrol, each manned by a picked officer, one driving ahead and the other, guarding the rear. Through cities, local police are added to the escort.

Those who view the submarine here will note that one of the propeller blades is bent and nicked. The motor stage that got too close to the sub in San Francisco as the sub turned a corner lost all its windows in one side. That was only three hours after the submarine had left Mare Island on its tour. Only one patrol car was guarding it, up front. Another patrol car was immediately assigned to the convoy, to be the rear guard.

This accident happened while the submarine was on its way to Chinatown for a ceremony, in which Chinese priests "drove the evil spirits" of the Japanese out of it by exploding a thousand fire-crackers around it.

Four days later, despite the two patrol cars and several local motorcycle police, the sub took a bite out of an unwary motor car while turning a corner in Oakland. The motorist found that its propeller made a very efficient can opener.

Fearing that evil spirits still remained in the sub, the War Savings Committee at Santa Monica repeated the ceremony, with Anna May Wong, motion picture star, lighting the firecrackers and commanding the "Evil Ones" to go jump in the Pacific. Leo Carrillo added a few old Spanish incantations. He having had no previous experience as devil-drivers, observers are anxious awaiting results. At San Pedro, Rudy Valle and his Coast Guard band lent melodious noise to the project of driving out the demons, and in every town, high school, Army or Navy bands have soothed the savage breast of the monster with music both sweet and hot, but whether this will be effective remains to be seen. Jap devils take a lot of driving out and that also takes money and War Savings Bonds, which is why the submarine is on tour.

In two months in California, the submarine was viewed by at least a million persons, who have so far invested more than four million dollars in War Savings Stamps and Bonds during its exhibitions, according to the War Savings Staff. The captive monster is now working for a free and decent world.

Production Credit Association Meet to Be Next Wednesday

Farmers and stockmen from four Southeast New Mexico counties will meet in the basement of the Roswell Presbyterian Church Wednesday, for the ninth annual stockholders' meeting of the Roswell Production Credit Association.

To conform with the national policy, the program this year is arranged to permit members to do their trading and attend the annual meeting with one trip to town, T. H. Boswell, secretary-treasurer, said.

War problems facing the farmer and stockman, and how the Production Credit Association can help solve them will be given primary attention, Boswell said.

The election of two members to the board of directors, the annual report of the secretary-treasurer, and other regular business and social features will be conducted at the meeting.

Production Credit Associations are cooperative farm lending agencies which have grown in importance with the tremendous farm production goals of the war, Boswell pointed out. They are currently helping farmers and stockmen, who can use money soundly to expand the production of their units and convert to more vitally needed foods.

The Roswell Production Credit Association serves farmers and stockmen in Eddy, Chaves, Lea and Lincoln Counties.

THREE BOYS ARE BORN AT ARTESIA CLINIC

Mr. and Mrs. Fred Zinn are the parents of a boy born at 8:18 o'clock last Thursday evening at the Artesia Clinic. He weighed 7 pounds 12 ounces at birth.

Also born at the clinic were a boy, weighing 8 pounds four ounces to Mr. and Mrs. E. L. Yockey at 3 o'clock Friday morning, and a boy to Mr. and Mrs. W. A. Griffin at 3 o'clock this morning. He weighed 10 pounds 2 ounces. As yet none of the boys have been named.

Shirley Faye McCroan of Loco Hills underwent a tonsillectomy at the Artesia Clinic Friday.
