City Police Nab Burglar In Building

Around 4 a.m. on Monday, the Muleshoe Police Department received an alarm from WT Services at 319 East American Blvd.

City Officers Jay Livingston and Gary Maddox responded to the alarm, finding an east window, near the front of the building broken.

Gary Parker, who operates the business was called and arrived 10-15 minutes later. The trio then entered the building.

Inside, they found a 24-year old man from Portales, N.M.

He was taken into custody, and at presstime was in the Bailey County jail, charged with burglary of a building.

Gary Parker came by *The Journal* Monday morning to express his compliments to the Muleshoe Police Department and the officers for their quick response, and apprehension of the intruder in his business.

Mules Will Travel To Friona Friday To Take On Chieftains

This Friday night, the Muleshoe Mules will be playing their next to the last game of this season. Because of injuries, and events beyond the control of coaches, players, parents and school officials, this has not been a good year for the Muleshoe Mules.

But, despite all that, the Mules have continued to go on the field each Friday night, and have played the best they can under all the adverse circumstances.

They have expressed their appreciation to all the dedicated fans who have stayed with them through the year, and ask that

they continue to stay with them for the final two games. This Friday they will travel to Friona to take on the Chieftains, and wind up on Friday, November 4

Longhorns Down Eagles For Homecoming Win

It was once again Lazbuddie's Longhorns all the way Friday night when they hosted the Three Way Eagles for their 1988 Homecoming game. When the game ended in the third quarter, under the 45-point

rule, the Longhorns had won the game, 59-12.

Wes Jarman had an outstanding evening, catching four touchdown passes.

Setting the tone for the game was Brian Glover, who got on the scoreboard first with a 15-yard interception, returned for a TD. He then kicked the extra points.

This was followed by Wes Jarman's first TD for the evening, on a 30 yard reception from quarterback Michael Williams. The PAT failed.

Next interception was by Eddie Zamora, who then returned his interception 23 yards to the end zone. Again the PAT failed.

Ending the first quarter scoring was Kevin McGehee, who trapped the Three Way Eagles in the end zone and got a safety.

At the end of the first, it was a 22-0 ball game.

The Eagles got on the scoreboard in the second, with a two yard slam through by Eagle Roy Suarez. The PAT failed.

Kevin McGehee came back into the picture for the 'Horns when he scored on a 66-yard pass-run play to paydirt. The EP failed.

Kevin McGehee lobbed a pass to Wes Jarman, that was good for 35-yards and a touchdown, and Scott Miller passed to Donnie Holt for the extra point.

At halftime, the score stood at 35-6 for the Longhorns.

Coming back in the third, Michael Williams passed to Wes Jarman, who then scored on a 50 yard pass-run play. The PAT failed.

Three Way's second TD came on a 30 yard run by Mario Guillen, but the PAT again failed.

Next, it was a 34-yard pass

Senior Citizens

The Muleshoe Senior Citizens met Monday, Oct. 24 at the Old Depot for their regular covered dish luncheon and meeting. Twenty-six were present including one visitor, Roy Whitt. One new member, Velma Guinn, was also present. The invocation was given by Lester Howard.

Following the meal, J.C. Shanks, president, welcomed each one. It was decided to meet on Nov. 14, instead of the regular meeting day. The group will also meet on the third Monday in December, and everyone is to take canned food for the needy.

The birthday song was sung for Retta Shipp, Melica Sandoval, Lester Howard, and Ada Thompson.

Opal Robinson is to send a get well card to Clarence Wilhite and a sympathy card to the Elmer Cornelison family.

Mae Wilterding had charge of the program and introduced Roy Whitt, who took the group on a tour of Washington, D. C. from his collection of slides. It was reported that it was real interesting. He told when each building was built and by whom. Durad Head gave the dismissal prayer.

MACHINE CUTS FEED AND MAKES ENSILAGE

Beryl E. Reed, Maple com-

munity, with assistance of the Farm Security Administration, is the first farmer in Bailey County to possess a harvesting machine that cuts the feed in the field, then chops it into ensilage and conveys the "Cattle Draut" into truck or trailer to be stored in the silo.

The machine was put into operation last week and found very satisfactory. About 20 silos are to be filled by this mechanism which is being run day and night.

Trailers carrying the ensilage are equipped with let-down sides which when dropped let the silage fall over the edge of the silo into the trench pit saving considerable labor.

It is stated that several other farmers are already considering purchasing similar harvesting machines next year.

NEW ROAD OPENED ACROSS SANDHILLS

A county road that will prove of great benefit and convenience

to the people of the western part of Bailey County has opened across the sandhills, Tom L. Smith, county commissioner for Precinct 2 reports.

He said the road, now almost free of sand, leads south to the farm to market road to West? Camp and beyond, at a point just about south of Lariat.

It makes connection with an East-West road that will permit the travelers to go to Highway 114 south of Muleshoe. The road will be of advantage to people living in the southwest and west part of the county who wish to travel either to Muleshoe or to Clovis. Mr. Smith said the road may not be good for heavy vehicles. It has a clay top and sand should give little trouble.

SIX BUFFALO PROCESSED BY WINKLER MEAT

Winkler Meat Company has performed a "first" for the local processing operation, Thursday morning, six buffalo arrived at the plant to be processed for Robert Porter, who farms north of Clovis near Frio Draw.

Larry Winkler said to his knowledge, this was the first time for buffalo to be processed in Muleshoe, the plant was bustling, as the buffalo were being worked through the killing and processing operation.

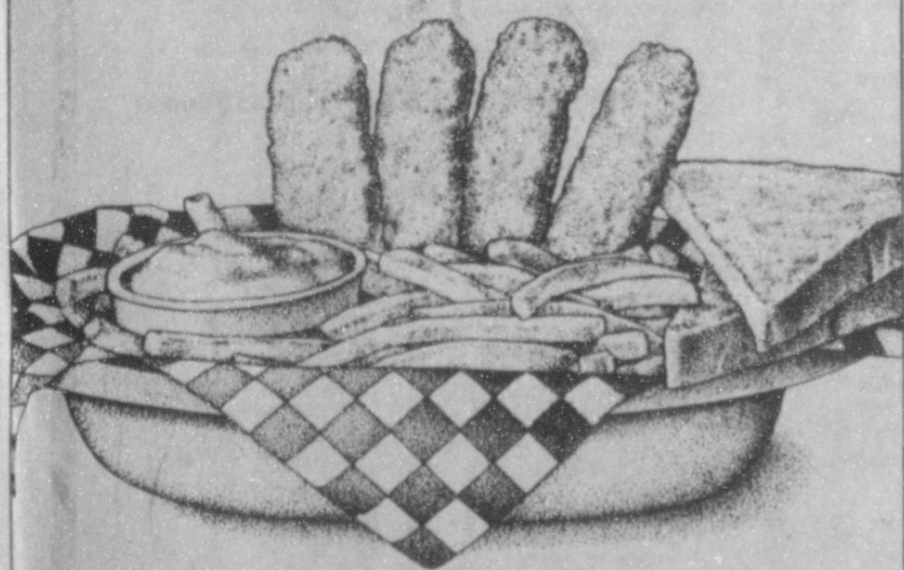

Potter said he started with buffalo several years ago as more of a hobby, but with the purchase of a bull and two cows, the herd started to grow, and he now sells a part of his herd each year.

What's Right Art Contest Mural Set

When the "What's Right With Muleshoe" scholarship contest was sponsored by the Muleshoe Chamber of Commerce and Agriculture in the spring, an art competition division was added. This year, the theme that the students were to either write an essay or develop an art entry was "The First Seventy Years in Bailey County."

Chad Garlington, senior at Muleshoe High School, was the winner in the new art division. A student of Hellen Adrian, he will be helping with another project.

Mrs. Adrian coordinated the contest and the application of the mural to a Muleshoe business building will be a class project under her direction. A building, owned by Muleshoe State Bank, located just south of the bank and occupied by Harvey Bass Appliance, has been chosen as site of the mural. The scholarship committee said they are very excited about the location and appreciative of Bob Finney's approval for the mural to be placed there. It will be readily seen from

three directions of traffic coming into the Muleshoe 'Crossroads,' and has facilities to move out of traffic to stop for viewing. Billie Downing, chairman of the Scholarship Committee said, "Congratulations are in order for Chad for his contribution as well as the nice scholarship award made possible by members of the Chamber of Commerce and Agriculture."

Other members of the Scholarship Committee include Norma Bruce, who has served on the committee for two years; George Nieman, Dianne Nieman, Pat Prater, Jeri Wiedebush, Ronald Ashford. The committee said they wish to thank the Muleshoe State Bank, Bob Finney, Kay Mardis and Harvey Bass for their community spirit."

Also recognized were two first grade teachers who had 100 percent participation in the contest this year. They teachers are Mrs. Faver and Mrs. Grigsby.

JUNIOR VARSITY

Coach Kyle Carver's junior varsity team fell to Tulia, 6-19 last Thursday night in Tulia. Tulia was the only team to score in the first quarter, although the Mules scored in the second and it was a 6-7 ball game at halftime. Tulia scored six points in the third and six points in the fourth, while their defense kept the JV Mules out of the end zone.

ASCS Releases Program Guidelines

1988 DISASTER ASSISTANCE PROGRAM
The newsletter dated October 13, 1988 is corrected to read as follows: wheat producers that lose in excess of 65 percent of expected production needs to act now because the final date to request FCIC insurance is October 31, 1988 (not 1989). ASCS requires proof of insurance for 1989, only on the farm that loses in excess of 65 percent of expected production for that crop. Once you get insurance on a program crop, FCIC requires that you insure the total acres of that crop on all farms in which you have an interest within the county.

1989 WHEAT AND FEED GRAIN PROVISIONS
USDA has announced the 1989 Wheat and Feed Grain Program provisions. They are as follows:
1. A required 10 percent acreage reduction for wheat, corn, grain sorghum, and barley. A required five percent acreage reduction for oats.

2. Producers will be required to maintain in acreage conservation reserve an area equal to 11.11 percent of the program payment acreage for wheat, corn, grain sorghum, barley, and an area equal to 5.26 percent of the program payment acreage for oats.
3. A paid land diversion program will not be implemented on wheat and feed grains.
4. The 0/92 program will be available for wheat and feed

FRESHMEN MULES

Although they scored in the first, the Freshmen Mules failed to put any other points on the scoreboard and fell to the Tulia Freshmen 6-20 last Thursday night in Tulia, according to Coaches Littlefield and Anderson. David Quintana scored for the mules on a six-yard quarterback dive in the first, and the PAT attempt failed. The Freshmen Mules will be taking on the Friona Freshmen Chieftains in Benny Douglass Stadium in Muleshoe tonight, Thursday.

grains for 1989.
5. Additional yield provisions will apply if the 1989 farm program payment yield established for the crop is less than 90 percent of the 1985 farm program payment yield for the crop. Payments computed, based on additional yield, shall be issued at the time final subject to limit and not limit payments are issued.

6. Limited cross compliance will be in effect for 1989 crops of wheat, feed grains, barley, and upland cotton, but not for oats.

7. Offsetting compliance will not apply for 1989.
8. The crop acreage bases for barley/oats, and corn/grain sor-

ghum will be combined in 1989.
9. Haying and grazing of ACR, CU for payment, and CU for history credit purposes, will be the same as for 1988. Signup for the 1989 target price crops has not been set. With the many activities being conducted in the County Office, at this time, the signup will not start before early December, 1988.

CRP PAYMENTS

The ASCS is in the process of making the annual CRP payments and expect to be finished within two to three weeks. The annual CRP payments are being made in cash rather than certificates.
