## American Legion Auxiliary Sell Poppies Saturday

### Men's Dead of Two Wars to Be Remembered, as Women Sell Memorial Poppies to Assist Living Veterans

Kepple Unit No. 411, American Legion Auxiliary, will observe the organization's annual "Poppy Day" in Artesia Saturday. Members will sell the poppies in honor of the men who died in the World Wars I and II for the benefit of living veterans.

Frances Dungan, unit poppy chairman, said the American Legion Auxiliary here has received poppies, made by disabled living veterans, who benefited in their manufacture which they were paid. They are able to keep them and occupied by making them.

Darst, unit treasurer, said the "Poppy Day" sales of a year ago, which were sold for \$709.40, as compared with a record of 1943, brought in \$470.

It is pointed out that there are living veterans who are in need of assistance rendered by the American Legion Auxiliary and that there are more, as the war develops.

Lively, one of the members who will sell poppies Saturday and who in past years has been successful in who buys a poppy.

auxiliary worker should become of the money and everyone should ever-increasing need for poppies as this second year goes grimly on, taking lives and limbs.

is carried out entirely by the women, so that every penny received goes directly to the disabled veterans and their families.

men and their families are of the greatest concern of the Legion Auxiliary. It is for their benefit that the volunteers are so busy selling poppies, with the hope that the money collected will help to make life somewhat easier.

Government spends billions of dollars to try to bring back the disabled veterans to their families, but the Legion Auxiliary is able to give personal attention and help to the many cases which bring relief. This is done in rehabilitation and in the families together until the man is able to return home in his own home.

you wear a poppy, you are helping to give relief to the men who are suffering from the war's living victims.

Against Garcia  
Dismissed

against Alberto Garcia, son with the burial May 20, when the baby was dismissed Thursday morning by G. J. district attorney, after it was determined there were not grounds for prosecution.

the morning a coroner's jury, Judge J. D. Josey sitting, found the death of the baby was at the time of birth and was not due to anything thereafter from causes.

of the child was found last week on a farm near Artesia, where it had been born with a permit and without a permit and without the death.

Rotary  
Clash  
Barnett

Artesia Rotary Club voted to accept the Lions League to a softball game the Seventh War Loan at the tar out of "em," Barnett put it in his.

to get the ball rolling at the club's committee with the Lions committee, set a date, practice the "beat the tar out of."

Barnett in the negotiation, the committee, of Dave Saikin and Hugh J. D. Smith and A. L.

the battle before the battle of the stubborn members committees try to get on important things, such as which up to the president merely as "in the."

will be at Morris the admission price will purchase of a War Bond and a War Savings children.

WHO DIED FOR AMERICA

## Public Is Very Cooperative in Deadline Plea

### Response Is Good To Request Made By The Advocate

The Advocate is extremely well pleased with the fine reception according to the deadline announcement by advertisers, readers, and the public in general, it was announced Wednesday.

The public on the whole appeared fully appreciative of the conditions prevailing; the shortage of help and the assistance that can be given by getting both advertising and news copy into the office as early as possible.

On the whole, there was a fine response for this week and every indication that the same fine cooperation will continue.

Once again the fact was stressed that copy, both advertising and news, which can be turned in the week before actual publication, makes it possible for work to continue throughout the full week from the time one paper is published until the next issue.

With copy on hand, it was explained, it is possible to start work on Friday on the next issue of The Advocate following the publication of that week's issue on Thursday.

This, it was explained, distributes the work over a longer period of time; makes it possible for work to be done ahead of time; and permits employees to work toward the goal of eliminating the night work, which is necessary at the present time.

The mere fact that copy is in the office permits work to move ahead more smoothly and more rapidly, and makes copy available when work starts on The Advocate, it was stated.

Once again it was explained that the setting of the deadlines was not done to handicap or interfere with the work of the publisher. (Turn to society pages, please)

## Skelly Oil Makes Only Two County Well Completions

Skelly Oil Company made the only two completions in the Eddy County oil fields the last week, while operators staked six new locations.

The completions: Skelly, Lea 4-A, NE NW 23-17-31; total depth 3854 feet; plugged back to 3585 feet; pumped 43 barrels of oil per day, after shot.

Skelly, Lea 5-A, SE NE 23-17-31; total depth 3855 feet; flowed 194 barrels of oil per day, natural.

New locations: Repollo Oil Co., Keel 7-A, NW SW 7-17-31; Dale Resler, Jones-State 5, SW SE 14-18-27; Paton Bros., Magruder 6, NW SE 35-17-27; Burnham Oil Co., Brooks 1-A, SW NE 19-17-28; Texas Trading Co., Johnson 7-B, SE SW 33-16-31; Red Lake Oil Co., Williams 3-A, SE NW 21-17-28.

Drilling Report  
R. L. Harrison et al., Crockett-Spencer 1, NE NE 19-18-26. Drilling at 1236.

Red Lake Oil Co., State 12, NW NW 28-17-28. Total depth 1985; running tubing.

Emperor Oil Co., Puckett 14-A, SW SW 13-17-31. Drilling at 3950.

Suppes & Suppes, Johnson 7-B, SW SE 28-16-31. Drilling at 3375.

E. E. Scannell, State 2, SE SE 20-17-28. Drilling at 1660.

Southern Union Gas Co., Reid 1, SE NW 20-17-28. Drilling at 2137. (Turn to last page, please)

## We Must Not Let Them Down In War Loan

(An Editorial)  
The war is not over—not by a long shot.

Then why in the name of freedom and liberty and the lives of our boys who are fighting the Japs do the people of North Eddy County feel that they can let down, cash in the War Bonds they already have purchased and gayly go about their business, avoiding the responsibility of buying more and more bonds?

North Eddy County is falling behind in meeting its quota in the Seventh War Loan.

But North Eddy County never yet has failed to come through with any just cause, whether it be the purchase of War Bonds or something else.

Then it is time for the citizens of this community to take stock of themselves, dig and dig deep, and buy War Bonds until they are short of cash.

It might be well for us all to adopt the slogan of the Bataan Relief Organization: "We will not let them down!"

## Truman Names Anderson as Ag Secretary

### Congressman From New Mexico to Succeed Wickard

CLINTON P. ANDERSON

President Truman on Wednesday, in making a major overhauling of the Cabinet, named Congressman Clinton P. Anderson of New Mexico, chairman of the House Food Committee, to the post of secretary of agriculture, succeeding Claude Wickard.

At the same time he appointed Tom Clark of Texas to succeed Attorney General Biddle June 30, and Federal Judge Lewis B. Schwelb, former senator from Washington state, to succeed Secretary of Labor Frances Perkins, also on June 30.

Of Anderson, a former president of Rotary International and well known in Artesia, the INS said this morning under a Santa Fe dateline:

President Truman's appointment of Congressman Clinton Anderson of New Mexico was lauded Wednesday night by farm and business leaders of the West and Southwest, who had been clamoring for a Western man to have a Cabinet post.

Anderson's elevation to a Cabinet post, a surprise in most Western political circles, will mean the calling of a special election in New Mexico to name Anderson's successor in the Lower House.

Gov. John J. Dempsey is expected to fix a date for the election after the Senate confirms Anderson's appointment.

## Bobbie Walker, Former Artesian, Dies on Okinawa

Cpl. Bobbie E. Walker, a former Artesian boy, son of Mr. and Mrs. M. K. Walker of Seminole, Tex., died on Okinawa April 10 from wounds received in action. He had been overseas since August, 1943.

He was a graduate of Artesia High School and attended State Teachers College at Silver City. Prior to his induction in December, 1941, Corporal Walker was employed by the Texas & New Mexico Pipe Line Company.

Corporal Walker received the Purple Heart for wounds received during the invasion of the Marshall Islands and was awarded the Bronze Star for service on Leyte Island.

Corporal Walker is survived by his parents, five sisters, Mrs. Lucile Bryant and Mrs. Alta Allison of Tularosa, Mrs. Bernice Webb and Miss Nila Walker of the Alamogordo Army Air Base, and Mrs. Maudie E. Tatum, and a brother, Adron Walker of Tularosa.

Clyde Dunn, pharmacist's mate third class, son of Mr. and Mrs. Calvin Dunn, has arrived in the Pacific theater from Shoemaker, Calif., he has notified his parents.

Rufus L. Jenkins has returned to USNTC, San Diego, Calif., after a five-day leave, which he spent with his parents, Mr. and Mrs. Cliff Carter, at Loco Hills. He is to be sent to Gulfport, Miss., for eight weeks of basic engineering training.

## Memorial Day Plans Announced By the Legion

Plans have been announced by J. B. Muncy, commander of the American Legion, for the observation in the Artesia community of Memorial Day, Wednesday of next week, on which day local businesses are to be closed.

The exercises will be brief, at 10 o'clock Memorial Day morning, at Woodbine Cemetery, with the American Legion in charge and the State Guard and others participating. Members are asked to wear their American Legion caps and other veterans, their overseas caps, while members of the State Guard are to be in uniform.

All are asked by Commander Muncy to assemble at the cemetery gate, from where they will march in formation to the grave of Clarence Kepple, for whom the post here was named, for the ceremony.

The general public is invited, not only veterans and families of veterans, but everybody.

A poll of business houses in Artesia several weeks ago by Arba Green, secretary-manager of the Chamber of Commerce, disclosed the general desire to close stores on Memorial Day.

Mayor Emery Carper asked that everyone fly the flag on Memorial Day. Those which are on lanyards should be raised to the top of the staff and then lowered again to half staff in the morning. At noon they should be raised to full staff, to remain there until lowered at sundown.

## Are to Discuss PW Labor at Important Meet

A meeting of farmers and farm labor has been called by County Agent Dallas Rierson for 8 o'clock Friday (tomorrow) night in the city hall in Artesia to discuss the need of war prisoner labor on the farms.

Every farmer and every farm laborer interested is urged to be present for this meeting. The War Department, it was explained, has not approved any new contracts for war prisoner labor and it was declared no new contracts will be made until following this hearing and the results are approved by the War Department.

Farmers are greatly in need of farm labor at this time, local farm leaders stated. Cotton is ready to be chopped and the alfalfa hay season is here now, but farmers have been unable to secure any help or assistance of war prisoner labor for this purpose.

These leaders pointed out that Russia has requested some 3,000,000 war prisoners to help them and do not expect to replace a single man in their country. The French government plans to use a million to a million and a half.

America, these farm leaders continued, has been called on to feed Germany and France and the other countries and to produce the needed food, yet the War Department up to the present time has refused to permit the war prisoners to be used in helping to produce this food to feed their own people.

The leaders emphasized that unless the help is given and the work is done, then the crops and necessary food stuff can not be produced.

North Eddy County farmers, it was declared, must have help to produce their crops and about the only available help is the war prisoners here and they are badly needed at this time. It is expected this fact will be emphasized at the meeting to be held here on Friday night.

## HAZEL FIELD TO GET PT-19 TRAINER FRIDAY

A Fairchild PT-19, former Army training plane, has been secured by Hazel Flying Service and will arrive at Hazel Field Friday.

The ship will be used at the field by student pilots for "horsepower time," it was announced by Sug Hazel.

George E. Currier, who has been resting and regaining his health at Albuquerque the last three months, returned home Tuesday evening, looking quite well again.

## Graduates Told Proper Use Of Power Will Reshape World

### Dean Jay Knode of University Makes Commencement Address Here Friday, As 52 Diplomas Are Awarded Seniors

Seniors of Artesia High School were told Friday evening by Dr. Jay C. Knode, dean of the College of Arts and Science of the University of New Mexico, that through their education they may play a part in the proper use of power as the future world is shaped.

After the war, the United States should and must be a great leader in the use of power, he said, adding, "God grant that this power will be wisely and justly used."

Sharing the exercises with a class of 52 seniors in the school auditorium were many relatives and friends, who had come to see them receive their diplomas and to hear Dean Knode.

With W. E. Kerr, superintendent of schools presiding, the exercises opened with the seniors entering by the center aisle, while the high school orchestra played "Marche Militaire," under the direction of J. Budd Farrar.

The invocation was given by the Rev. C. A. Clark, a mixed chorus sang "Today There Is Ringing," after which Dean Knode gave his address.

"Traumeri" was given by Edgar Mitchell, with Marjorie Kee playing the accompaniment.

The presentation of diplomas was by Fred Cole, a former member of the Board of Education, who declined to run last spring to succeed himself, after having served longer than any of the then current members.

After the girls' quartet offered "Bird Songs at Eventide," C. D. Marshall, high school principal, made the presentation of awards. The benediction was pronounced by the Rev. Kenneth Hess.

In his address on "Education in a New World," Dean Knode asked the conundrum, "What is it that most people want, few people have, and is very dangerous once they possess it?"

Power, he said, is the answer. But, he continued, power is dangerous in the hands of those who misuse it, such as Hitler and Mussolini, and is good when in the hands of those who have better thoughts of mankind, such as Washington, Jefferson, and Lincoln.

Dean Knode said everyone has a desire for greatness, which sometimes is called "prestige." And prestige may be shown in three ways: Ability, ability to apply uses, and zeal, or power to drive. Prestige could be ridiculous or dangerous, when misused, he said.

Because of the prestige of this country, even now as the world conference at San Francisco is in progress, the United States surely has an opportunity to use that prestige to good advantage, Dean Knode said.

He pointed out that 160 years ago, when the Constitution of the United States was written, some people thought it would amount to nothing. But today people in this nation and abroad say the same of the conference. All should hope and pray, Dr. Knode said, that its outcome will be what man has always wanted.

To further the idea, the speaker said, the United States has the ability to accomplish things at the conference to show responsibility, but not with the idea of bombastic proclaiming, for: "We are rich in all forms of power; we have great wealth in natural resources, having a large percentage of that in the world, and we are too great and the world is too small, now that every city airport in the United States is within 48 hours of every other airport in the world."

He concluded, "God grant that this power will be wisely and justly used."

## Vets' Advisory Office Here Is Quite Busy Place

"It looks as if the secretary may have to have a secretary," cracked Bill Dunn, secretary of the Veterans' Advisory Committee, a few days ago when queried about the work of that office.

Then he said seriously, "If the work increases as much in the next 60 days as it has in the past 60, it will be just about a full-time job." Office hours now are 2 to 5 o'clock afternoons.

"Take Monday, for instance," he continued. "We sent a veteran to Fort Bayard for hospitalization; made application for two others for Albuquerque; obtained a flag for a mother who lost a son; completed applications for dependency of a mother; advised two others on allotments on sons; received from Father Francis Geary a baptismal certificate, obtained to complete papers for another allotment; filled out papers for a young widow, whose husband made the supreme sacrifice in the Pacific; notarized a number of papers and prepared and notarized an affidavit to assist a veteran in a pension claim. Still the work was unfinished at 5:30."

The Veterans' Advisory Committee, with Niven Baird as chairman, has been operating since last Dec. 1 and maintains an office in city hall. Its purpose is to advise and assist returning veterans in any and all problems confronting them upon return to civil life. Particular emphasis is placed on insurance matters, pension claims, hospitalization, vocational training, education, and the like.

Those making the trip are Mayor Emery Carper, Ralph Petty, president of the Chamber of Commerce; Arba Green, secretary-manager of the Chamber of Commerce; and Carl Folkner, and Morrison Livingston.

## Will Hear McNutt Speak Tonight In Pass City

Five members of the Artesia Chamber of Commerce left here Thursday morning for El Paso, where they will be guests of the El Paso Chamber of Commerce and hear the special message to be delivered there on Thursday night by Paul McNutt, manpower commissioner.

The Artesia delegation members also will be special guests for a reception to be accorded Manpower Commissioner McNutt at 6 o'clock Thursday evening prior to the speaking engagement.

The address is an invitation affair and it is understood that approximately 2300 will be present for the special message to be delivered.

### Chart Portrays Panorama of Move Through VE-Day

Major job of oiling and major part of the European Atlantic Sea simultaneously main Eastern area of the as an ever-effective petroleum on the move Pearl Harbor to the eve of

roleum Industry War released from military which hitherto prevailed, a comprehensive chart combined accomplishments try, the military, and the government in keeping the East Coast area well supplied petroleum and its products and industrial and civilian uses.

ly and with camera-eye of the chart traces the of petroleum transport largely by tankers through waters infested with enemy es early in the war, to volumes of oil moved to Coast by pipeline, rail, e systems, and by supple- tanker movements when conditions permitted. ed by PIWC's Committee y and Transportation, of Alton Jones and B. I. have been the wartime the chart covers the un- flow of oil into Eastern States during the crucial January, 1941, to the end of 1945.

series of graphic sequen- chart constructs among achievements in oil move- under war stress the pour- the East of record deli- approximately 2,000,000 daily in March of this including the swelling of deliveries to a steady of 750,000 barrels a day. eantly the chart discloses Navy, by releasing suffi- tankers for East Coast move- when the severe winter wea- to attain previous peak deli- averted an Eastern civilian industrial crisis during those months.

chart reveals that if tanker ts had not been at unpre- overland transportation sys- excepting pipelines, were y crippled, areas of the im- East Coast war production would have been without kerosene, and other essen- petroleum products.

am R. Boyd, Jr., chairman IC, the petroleum industry's al war agency created by the um Administrator for War, the chart confirms clearly um's paramount part in the g of the war. He said: e potential decisiveness of um was well recognized by emy powers and one of the concerted blows against this was the submarine campaign ed to eliminate the peace- ocean tanker petroleum sup- serving the Atlantic Sea- states. Our shipping sustain- me telling blows.

aders in the industry were with plans for an overland eum transportation system could defy the submarine, essential supplies flowing to tal industrial East and make y of military requirements miles closer to Europe and

at a point where the Navy could most effectively convey these supplies to battlefield depots. That these plans were so successfully executed is a great tribute to the government-industry-military combination and is one of the best examples of coordinated effort which the war has produced.

"This PIWC chart graphically portrays the revolutionary changes which have transpired in the realization of our aims to deliver oil to the East. The civilian population, accepting rationing so that our armed forces might be amply supplied, will appreciate the tremendous volumes which have been delivered to the military."

Chairman Graves, who succeeded W. Alton Jones as head of PIWC's Committee on Supply and Transportation, said:

"Ample petroleum supplies were available in the Southwest, but transportation had to be provided. Under the combined leadership of the Petroleum Administration for War and the Transportation and Pipeline Committees appointed by that authority and manned from the ranks of the petroleum industry, the Eastern bottleneck was soon broken and in an unbelievably short period, oil was flowing into the East in greater volume than had ever been required in prewar years.

"Naturally, this was the work of many and to all of them credit is due. However, I believe that a full measure of credit is due W. Alton Jones, who was the first Chairman of the Transportation Committee and under whose leadership the construction of the pipelines was started.

"From the beginning of the planning stage and throughout the building and operating progress he was Chairman of the Pipeline Management Committee of PIWC, Chairman of the Joint Pipeline Managing Subcommittee of the Petroleum Administration for War and President of War Emergency Pipelines, Inc., builders and operators of the 'Big Inch' pipeline systems."

Chanticleer, the folk-lore rooster, who was convinced his crowing made the sun come up, has a namesake in a rod-riding rooster reported by crewmen of a Southern Pacific train. They named him Chanticleer II, because he crowed every time the train emerged from a tunnel in a trip from Los Angeles.

### Many of State's 4-H Girls Enter Dress Revue

Hundreds of New Mexico's rural girls will participate in the 1945 National 4-H Dress Revue to learn how to dress appropriately, becoming, and economically.

Many of the potential "stylists" will receive special recognition for their exceptional ability in planning, selecting, constructing, and caring for suitable costumes for work and social occasions. Recognition will be in the form of silver medals to all blue award winners determined from girls modeling their outfits in county revues. One of these county winners will be selected as state champion, who will receive National 4-H Club Congress honors. In addition, each state winner participating in the National 4-H Dress Revue presentation will receive a \$25 War Bond.

Full information about the dress revue may be obtained from county extension agents.

Last year's state winner in New Mexico was Cathryn Dunlap of Tatum.

In Eugene, Ore., two teen-aged girls enviously eyed passing student couples in the University of Oregon town. "I'll be glad when we're freshmen in college," sighed one, "then maybe we can start going out with those high school seniors."

SHIP'S COOK WAYNE STARKEY SAID IN FEDERAL COURT IN SAN FRANCISCO HE KNEW THERE WAS A RULE AGAINST SMOKING ON HIS SHIP BUT FORGOT AND "INADVERTENTLY LIT UP A CIGARETTE." JUDGE A. F. SURE SENTENCED HIM TO 30 DAYS IN THE COUNTY JAIL. THE SHIP WAS LOADING EXPLOSIVES WHEN STARKEY SMOKED.

### Ag Information for Servicemen and Vets Available in Kits

In order to provide agricultural information to servicemen and veterans of this war who are interested in agriculture, the Department of Agriculture will place kits containing samples of available information in separation centers, hospitals, libraries, and vocational guidance and retraining centers of the Army, Navy, Air Forces, and the Veterans Administration.

These kits will be available for review in approximately 1,000 places in the United States and overseas. Accompanying each kit will be order blanks on which the veteran or serviceman can order by a simple check mark any item or group of items he may want.

Among the material offered are several general publications designed to help the agriculturally inclined serviceman or veteran decide whether or not he really does want to become a farmer. In addition, the kit contains 12 bulletins on subjects such as poultry raising, dairy farming, irrigation, farm-house plans, and conservation farming.

Ship's Cook Wayne Starkey said in Federal Court in San Francisco he knew there was a rule against smoking on his ship but forgot and "inadvertently lit up a cigarette." Judge A. F. Sure sentenced him to 30 days in the county jail. The ship was loading explosives when Starkey smoked.

### Next of Kin Are Told to Watch For Swindlers

Next of kin of Army casualties should guard against the possibility of being victimized by certain individuals, groups, and organizations, who are conducting promotional schemes in which published Army casualty lists provide the basis of fraudulent exploitation, the War Department cautions.

Information indicating that such fraudulent schemes, designed to mulct the families of American war heroes, are now being conducted has recently come to the attention of the War Department.

These schemes take on varying forms, the most common of which is to write the next of kin, as appearing in the newspaper casualty lists, seeking further information on the soldier listed as a casualty. The next of kin is advised that the deceased soldier is to be given a particular and special niche in a so-called "hall of fame," "heroes' memorial book," or photographic layout.

Deposits in advance or other cash remittance requirements are set forth and as soon as the remittance is received from the next of kin the transaction is closed and another American fighting man's family has been victimized by this newest and most despicable form of swindler.

The United States Post Office

Department has been taking vigorous action in all such cases as fast as they are uncovered. Postal fraud orders, denying the use of the mails to these casualty list swindlers, are issued, and criminal prosecution follows in those cases where the facts warrant such action.

In Arco, Idaho, Butte County's single men must all be off to war, war work, or confirmed bachelors. County Auditor I. W. Boyer said he's issued only one marriage license in four months.

Play a hymn such as "There's Power in The Blood," and you'll have a whistling accompaniment if 1-year-old Ivan Samuel Parr is around. His parents, Mr. and Mrs. Esta D. Parr of Denver, say Ivan has been whistling since he was 6 months old.

## McMurry Canters Will Be Heard at Methodist Church

The McMurry College Canters, a woman's glee club of Abilene, Tex., will be presented at the First Methodist Church at 3 o'clock Sunday afternoon, May 27. This group was organized last fall to represent McMurry College in out-of-town engagements, the

object being one of good will for the college, and inspiration for the glee club, as well as entertainment of the people where they appear. There will be no admission charge for the concert. Traveling with the chorus is a string trio, composed of Betty Thompson, vio-

lin; Mrs. Harold Thomas, cello, and Olivia Hunt, piano. Mrs. Robert B. Wylie, head of the fine arts department of the college, is the director. This concert is being sponsored by the Youth Fellowship of the First Methodist Church, and members invite all lovers of good music to attend.

## News Shorts

Shoes were neat and shiny in Scottsbluff (Neb.) High School. From Superintendent J. E. Shedd on down, the faculty shined the shoes of all students who bought a War Bond. Sales were brisk, totaling \$5,692 the first day.

Fred Stratton waited until he was on his way out of the house to catch his morning bus to work in Milwaukee, when he told his wife he couldn't hold out any longer. He related that he had found several letters in some of his old clothes, which he had gathered for the clothing drive. Then, on the run, he hurriedly added that the letters were some Mrs. Stratton had given him to mail — several years ago.

In Madras, Ore., O. M. Gibson left his jacket in the garage and when he went back a thief had emptied the pocket. What was in the pocket? His false teeth.

## Plan Countywide Extension Clubs' Picnic in Fall

Plans for a tailoring school to be held Sept. 1 and for a countywide club picnic in September were made at the regular meeting of the Atoka Extension Club held at the home of Mrs. J. W. Bradshaw on Friday.

The date for the tailoring school has been definitely set for Sept. 1 and the location will be determined as soon as possible.

A special committee is to meet in Artesia to make plans for the annual picnic for all of the clubs of Eddy County. Leaders are anxious to have a representative from each of the clubs for this meeting here on May 26. The committee will set the date in September for the countywide picnic and discuss other details.

The club at its meeting also received and accepted an invitation from the Cottonwood Woman's Club to join with them in observing their anniversary on June 7. This will be a covered-dish lawn picnic and all of the Atoka club members and the members of their families have been extended an invitation to attend the anniversary party. The party is to be held at the home of Mrs. Jesse I. Funk.

Miss Doris Mardis, county home demonstration agent, was present for the meeting and presented a demonstration in dry cleaning and pressing. She used a number of items of tailors' equipment in her demonstration. She also tested a number of gauges on pressure cookers and then tested all of the pressure gauges, which were not tested on Friday at the Artesia Alfalfa Growers Association office on Wednesday.

A number of lovely and useful gifts were presented by the club members to the club's hostess, Mrs. Bradshaw.

Those present, besides Miss Mardis and Mrs. Bradshaw, included Mesdames Victor Haldeman, G. L. Lowery, Sid Wheeler, W. M. Van Horn, Vance Haldeman, Elsie Kissinger, J. W. Rowland, Herman Queen, Ralph Rogers, J. O. Garner, Earl Darst, Neville Muncy, Howard Gisler, John Lanning, W. T. Haldeman, Alvin Paine, S. O. Higgins, and L. A. Scott.

Refreshments were served at the close of the meeting.

It took until May, but Christmas finally caught up with Sgt. John Hoedl. Sergeant Hoedl commanded a tank in the battle of Bastogne last Christmas and received no gifts from home. Four days later he lost an arm, when a German shell struck his tank. When he arrived home in Kansas City from an Army hospital his parents, Mr. and Mrs. Joe Hoedl, awaited him with a gift-laden Christmas tree.

Maxine and Eilseen Palmer 20-year-old twin daughters of Mr. and Mrs. G. W. Palmer of Tiffin, Ohio, have had the same taste in clothes, schools, entertainment, and other interests all their lives. Maxine underwent an emergency

dectomy. She had hardly returned from the operating room when Eilseen was stricken from the same ailment. She also required treatment.

## LASTING PROTECTION FOR YOUR HOME

You'll use good judgment when you use Lowe Brothers Paints. They keep painting costs low for they're made to last longer than ordinary paints and to hold their beauty through hard wear.

## Lowe Brothers HIGH STANDARD HOUSE PAINT

## Lt. Dawn Hornbaker Becomes Bride Of Sgt. Albert of Pennsylvania

Lt. Dawn Hornbaker, daughter of Mr. and Mrs. W. R. Hornbaker of Artesia, and Sgt. J. Ross Albert of Lebonon, Pa., were married in a quiet, little chapel at Meridian, Miss., at 6 o'clock Friday evening, May 11. Friends of each at nearby Key Field were in attendance.

The bride was beautiful in her beige and gold uniform. She carried an armful of lovely pink roses, a gift of her parents at Artesia. As the hour arrived a friend of the bridegroom was at the organ playing softly "Clair de Lune." Then a WAC sang beautifully "The Lord's Prayer."

As the "Bridal Chorus" from Lohengrin" was being rendered, a nurse entered as brides maid, then the supervisor of the Red Cross at the base, Mr. Lyman, entered the chapel with the bride on his arm. They met the bridegroom at the altar, where the vows were taken.

After the ceremony, Mr. Lyman took the bridal party out to a dinner, which had been prepared for the occasion, following which the entire wedding party escorted the happy couple to a little cottage waiting for them as a surprise to the bride. The table was set for two. There were sweetpeas and candles, a well-filled refrigerator, and an apron for the bride.

Lt. Dawn H. Albert was reared in the Artesia community. She finished high school here and the following fall entered La Verne College at La Verne, Calif. After two years of college work there, she entered Kansas State at Manhattan, where she majored in dietetics. Following her graduation from Kansas State, she was assigned to the Indianapolis (Ind.) Medical Center for her intern year. After completing her schooling, she served as dietitian at various hospitals and in September, 1943, she volunteered in the service of her country as an Army dietitian.

Sergeant J. Ross Albert was a student in the Lebanon Valley Conservatory of Music, where he was preparing himself to be a concert singer, when his country called him to the colors.

Both young people plan to return to his college to get their degrees in music at the close of the war.

## Past Presidents Discuss 'Poppy Day' Sale, to Be May 26

A discussion of plans for the annual "Poppy Day" sale featured the regular monthly luncheon of the Past President's Parley of the American Legion Auxiliary held at the Carper Grill at 1 o'clock Monday.

Mrs. Dell Walters presided over the brief business session. "Poppy Day," of course, is to be celebrated here on Saturday, May 26, when the sale of poppies will be held.

Members present for the luncheon were Mrs. C. R. Vandagriff, Mrs. P. V. Morris, Mrs. Frances Painter, Mrs. Earl Darst, and Mrs. Walters.

## ENTERTAIN SUNDAY AT BARBECUED DINNER

John A. Mathis and his daughter, Mrs. O. W. Wicks, entertained Sunday evening at a barbecued chicken dinner.

Guests were Mrs. Keith Quail and baby, Barbara, and her mother, Mrs. Woodcock, and Mr. and Mrs. A. L. Bert and son, Lyle.

Jimmie Hoover, ship's cook first class, attached to the U. S. S. Herald of the Morning, which has been in the Pacific, came home Friday on leave for two weeks, after which he will report back to his ship on the West Coast.

## Social Calendar

**THURSDAY (TONIGHT)**  
Court of Honor for Boys Scouts of Eighth District at 8 o'clock in library of high school.

**FRIDAY**  
Box Supper, Methodist Church, all members invited, Hustlers Club sponsors, at 7:30 p. m.

**SATURDAY**  
Annual Memorial Poppy Day on Main Street Artesia, by Legion Auxiliary.

**MONDAY**  
Past Matrons Club will meet at the home of Mrs. Jesse Funk on Cottonwood for covered dish luncheon.

## Betty Barnett, S-Sgt. Powell Are Wedded

Miss Betty Barnett, daughter of Mr. and Mrs. Boone Barnett, and S-Sgt. James Powell, son of Mr. and Mrs. C. S. Powell, were married in Carlsbad at 4:45 o'clock Monday afternoon, uniting two prominent Artesia families.

The ceremony was performed by the Rev. Mr. Goodwin of the Carlsbad Baptist Church. Attendants were the bride's mother and sister, Mrs. Kenneth Williams.

The bride was dressed for her wedding in a dress of gold.

Mrs. Powell was reared in Artesia and attended the schools here. She graduated from Artesia High School last Friday.

Sergeant Powell also is a graduate of Artesia High School, class of 1942. Shortly after his graduation he was inducted into the Army and trained as a crew member of B-26 bombers.

He saw service in the Mediterranean theater and served in North Africa and then up through Italy. Sergeant Powell recently returned to the United States from Italy.

Sergeant and Mrs. Powell plan to leave in about 10 days for Panama City, Fla., where the sergeant is to report for duty.

A shower was given at the R. N. Russell home Wednesday morning by Mrs. Russell and daughter, Miss Juanita Russell, and Mrs. Bob Hassard, the former Jackie Hubbard. Mrs. William Linell poured.

Mrs. Powell received many lovely and useful gifts from the hostesses and the guests, who were Mrs. Linell, Mrs. Kenneth Williams, Mrs. Jimmie Cunningham, Mrs. R. C. Hassard, Miss Joy Fern Ferguson, Mrs. Marvin Sanders, Mrs. Boone Barnett, Mrs. Fred Cole, Mrs. H. G. Buchanan, Mrs. O. W. Wicks, Miss Betty Del Washburn, Miss Elmira Terry, Miss Rosemary Martin, Miss Mary Lou Cunningham, Miss Doris Exum, Miss Joann Livingston, Mrs. Ed Gillespie, Mrs. Clifford Gilbert, and Miss Hattie Ruth Cole. Gifts also were sent by Mrs. C. H. Johns and Mrs. La Dona White, who were unable to attend.

## Mrs. Beaty Weds Las Cruces Man There Wednesday Morning

Mrs. E. O. Beaty of Artesia and Grover Hensley of Las Cruces were married at Las Cruces Wednesday morning.

They will make their home at Las Cruces, where Mr. Hensley is manager of the Mid-West Auto Supply Store.

Mrs. Mattie Doss Austin of Farmington, N. M., arrived Tuesday for a visit with her parents, Mr. and Mrs. Jeff Hightower and her sister, Mrs. Stanley Blocker.

## Dennis Wayne Lebow, Former Artesia Boy, Celebrates Birthday

Dennis Wayne Lebow, son of Seaman First Class and Mrs. Jesse L. Lebow, recently celebrated his fourth birthday with a party given at his home in Astoria, Ore. Dennis is originally from Artesia and he went to Astoria, Ore., with his mother and little brother on Aug. 6, 1944, in order to be with his father. Seaman Lebow is serving in the United States Navy. Dennis is a grandson of Mr. and Mrs. T. J. Mullins of Rogers, N. M.

Guests of honor, as well as the states they represented, were as follows: Garry Mackie, Texas; Donald Pierce, Oklahoma; Bobbie Wilson, Washington; Jackie Broullet and Marlo Broullet, Minnesota; Anna Gene Wilson, Washington; Charles Lowery, Florida; Jackie Novak, Missouri; Johnny and Carl Luna, California; Juddie Theisdale and Phillis Palkery, Minnesota; Sandra Jaholla, Oregon; Shonnie Barker and Shirley and Sharon Search, California; Joan Broullet and Mary Broullet, Minnesota.

Refreshments were served at the close of the play period.

## State President Of Rebekahs Is Feted in Artesia

Mrs. Bessie Miller of Albuquerque, president of the New Mexico Rebekah Assembly, was feted Monday evening, when she made her official visit to Sunrise Rebekah Lodge No. 9 in Artesia.

In an after-dinner address, Mrs. Miller discussed the principles and aims of the Rebekah work, which makes for their a place in this city, state, and nation. She also reported there has been a substantial gain in membership during the last year and during a year of World War II.

The work of the organization was put on in a beautiful manner under the leadership of Mrs. F. E. Pennell, staff captain, when Mrs. Ira Wiggins was initiated Monday evening.

Visitors from the Samaritan Rebekah Lodge No. 14 of Roswell, who were in attendance, were Mrs. C. L. Harrison, Mrs. Allen Hubbard, Mrs. N. S. Cavendor, Mrs. Julia Brewer and Mrs. Irene McCracken.

At the close of the lodge session, Mrs. Miller was presented a lovely gift of cosmetics, and light refreshments were served.

Those joining Mrs. Miller at the banquet, held in her honor at the Grill previous to the opening of the lodge, were Mrs. Don Shira, Mrs. Owen Hensley, Mrs. C. Bert Smith, Mrs. E. M. Wingfield, Mrs. W. H. Cobble, Mrs. M. W. Evans, Mrs. Beulah Jones, Mrs. Nellie Cogdell, Mrs. G. B. Dungan, Mrs. Frank Thomas, Mrs. Leon Barker, Mrs. B. B. Thorpe, Mrs. George W. Johnson, Mrs. C. C. Conner, Mrs. Ted Carder, Mrs. Ernest McGonagill, Mrs. W. S. Hogsett, Mrs. John Lanning, Mrs. F. E. Pennell, Miss Linna McCaw, Miss Ella Bauslin, and Miss Ina Cole.

Mrs. Don Shira, noble grand, presided at the banquet table, which was beautifully appointed with lovely roses and mixed garden flowers. Artistic hand-designed placecards marked the place of each guest.

## Girl Scout Day Camp Program Coming Nicely

The Girl Scout day camp program, to last two weeks, got off to a good start Monday, when the Brownies enjoyed their first day, and Tuesday, the first day for the Intermediate Girl Scouts. The sessions are being held at the Methodist Church, with Mrs. Robert G. Fuller serving as camp director for the younger group and Mrs. Fred Jacobs for the older group.

The Brownies have met Monday and Wednesday, and will meet Friday and again Monday, completing their special periods while the Intermediate Girl Scouts are meeting Tuesdays and Thursdays of this and next week.

The camp program will be concluded Friday of next week, with a combined program, which parents and others interested are invited to attend and to take picnic lunches. There will be a display of arts and crafts made in the camp.

Camp leaders reported registration of 45 Brownies and 40 Intermediate Girl Scouts.

A visitor at the camp has been Miss Capitola Hill, field director, who said, "The day camp program is being conducted with an exceptional program and staff. The entire Artesia Girl Scout Association is to be congratulated in giving the girls of this community this fine program."

The names of the entire staffs and girls attending the day camp could not be used in this issue, but will be given in a summary of the activities.

## F. W. C. CLUB HAS DINNER, FORMAL DANCE

The F. W. C. Club ended its initiation week with a formal dinner last Thursday evening at the Carper Terrace. Following the dinner, they attended their spring formal dance at the Woman's club.

The new members are Cathryn Steward, Kassie Jackson, June Roberts, and Lucille Arnall. There were some 14 girls present for the dinner.

## J. D. SIMER, DORIS DAVIS MARRY THURSDAY

J. D. Simer and Doris Davis were married last Thursday afternoon by Judge J. D. Josey in his office.

## PIANO LESSONS

Mrs. G. U. McCrary, university graduate in music, has resumed her teaching, and has time for a few more piano pupils. She uses the highly endorsed Helen Keith method for beginners. Her advanced pupils have won highest awards in three state contests. Telephone 383-R5 for appointment. 21-1tp

## The Red Cross

The new quota of yarn has arrived and anyone interested in knitting for the Red Cross is asked to call Mrs. Herbert Aid, phone 418. The quota consists of sleeveless sweaters and mufflers.

Pfc. Salomon Y. Urban, who has been home on a 45-day furlough after serving for more than 30 months overseas, will report to Fort Bliss on June 5, when his furlough ends. Private Urban was in the Pacific war theater and has related some interesting experiences while in action. The sisters of Private Urban plan to give him a farewell party here on Sunday, May 27. All his friends will be invited to share in his celebration.

Mr. and Mrs. O. B. Montgomery and family of Lake Arthur have moved to Weatherford, Tex., to make their home for the next few months. Present plans are indefinite, but sooner or later they may return to New Mexico.

## Locals

W. S. Cooley, a seabee carpenter's mate second class, who recently returned to the United States after 27 months in the Southwest Pacific, arrived here Monday night, accompanied by Mrs. Cooley, who met him in Phoenix, Ariz., two weeks ago. They also were accompanied by their little daughter, "Miss Bea," whom "Daddy Bill" never had seen before, and Mrs. Cooley's aunt, Mrs. C. R. Blocker, who met Mr. and Mrs. Cooley in El Paso. Mr. and Mrs. Cooley and "Miss Bea" left Wednesday for Kenna to visit Mrs. Cooley's parents, Mr. and Mrs. Joe Cooper. They will return here the latter part of the week.

Mr. and Mrs. Alan Thompson left Sunday on a four-week trip, on which they planned to go to Canada. During their absence the municipal swimming pool, which Thompson, a high school coach, is managing this summer, is being run by H. O. Miller.

Lt. Ray Lewis arrived at home Wednesday morning to visit his wife and his mother, Mrs. Ethel McGuire, on a 30-day hospital leave from Palm Springs, Calif., where he was sent after docking at Charleston, S. C., May 7. His back was broken in a take-off crash in France last Jan. 22 and he had been in a cast until recently. Lieutenant Lewis was permitted to remove his brace just before coming home.

Mrs. Jerry Marshall will leave Friday morning for Fort Bliss at El Paso, where she is to meet her husband, Lt. Jerry C. Marshall. Lieutenant Marshall is arriving home from overseas and he telephoned his wife from Fort Worth that he would arrive at Fort Bliss Friday. Mrs. Marshall plans to drive to Fort Bliss on Friday morning.

Lee Strickler of Marshall, Tex., and his son, Bob Strickler, carpenter's mate third class in the Navy, former residents of Artesia, arrived here Tuesday of last week to visit friends. Bob, who had come from San Diego, Calif., left Saturday night to return there and his father left Wednesday to return to Marshall. The elder Strickler said he plans to move back to Artesia in about a month and that his son also looks forward to making Artesia his home again after the war.

C. H. Taylor has arrived back in the states aboard the U. S. S. Brookings at San Francisco, according to a telegram, which his parents, Mr. and Mrs. C. K. Taylor, received Wednesday. He explained in his message that he had just arrived, would not be granted a leave at this time, but that he was feeling fine.

Mrs. Charles Preston Dunn of Portales returned home last Thursday, after visiting a week at the home here of her husband's parents, Mr. and Mrs. Calvin Dunn. Her husband, First Lieutenant Dunn, is a Marine Corps pilot and is stationed at present in the Philippine Islands.

Ted Shore of Drumright arrived Saturday for a visit with his sister, Mrs. E. Priestley, and other relatives in Artesia.

Miss Hattie Ruth Cole, daughter of Mr. and Mrs. Fred Cole, Monday morning for Waco, Tex., where she will visit Mrs. Mann at Baylor University during graduation week. They will visit in Dallas before returning home.

**of Rural Schools Graduated**

Thomas Eddy, County Superintendent of schools, reported 43 eighth-grade graduates from the schools, seven of them from the North Eddy County schools and Cottonwood. Listed also the pupils of achievement awards for the upper 10 per cent of the various schools.

School was not included for the school year beginning until the first of September, because of the activities of the pupils. Tests will be given in the schools when they finish school.

Eddy County graduates: Glenn House, Barbara Lee, J. A. Adalupé, Natero, and B. Price; Cottonwood, Robertson.

North Eddy County graduates: eighth grade, Richard Howland, Ralph Ross, Dorothy Ruth Pettigrew; third grade, E. Neeley, Spanish War veteran and former of the old American Legion here, is "doing fine in the Veterans' Hospital, where he has a leg to mend, after it was struck by a car. Miss wrote friends he is trying to get a little and he is at home again some- time."

Smith of El Paso were guests of Mr. and Mrs. Martin and of Mrs. Hiley.

Trude Morgan, daughter of Mrs. Ernest Morand, underwent an operation at Memorial Hospital Tuesday.

Mrs. Hollis Watson and her family left Saturday for Colorado, to attend the exercises of their daughter Helen Watson and her family at Westcott & Greis, Inc., a supply house.

**REA Manager Has Barbecue for Officials And Coop Ball Team**

Otto Wood, manager of the Central Valley Electric Coop, Inc., was host Tuesday evening at a barbecue after the softball games to members of the board of directors and the REA softball team at the office lawn under floodlights.

Prior to the games, in one of which the REA team was nosed out in the last inning by the Roswell PW Camp team 8 to 7, when the soldiers made four runs after having two outs, the directors had a regular meeting. They then went to the games in a body and then to the office lawn for the barbecue.

The officials entertained by Wood: E. A. White, Hagerman, president; V. L. Gates, Artesia, vice president; Roger Durand, Artesia, secretary; R. L. Cole, Hope, treasurer; H. V. Parker and S. O. Higgins, Artesia, and J. R. Stanley, Dexter, directors, and Neil B. Watson, attorney.

**Will Present Benefit Play At Loco Hills**

"Jimmie Be Careful," a three-act play, is to be presented at the Sherman Memorial Church at Loco Hills at 8 o'clock Friday night, May 25, it has been announced here.

The play is to be a benefit performance with the proceeds to go toward the fund for the erection of a recreation hall at Loco Hills. This center also will be used for the Boy Scout activities there.

A cordial invitation to friends of the community to travel to Loco Hills on Friday night and enjoy the play has been extended.

The play is under the direction of Mrs. Keith Miller and she is being assisted by Mrs. Roland Dendy.

The complete cast of characters for the play follows: Tillie, the Blakes' maid, played by Mrs. J. C. Lambley; Pietro, Jerry Hamilton; Emilu Blake, Mrs. R. Blanton; Jim, Mr. Peters; "Ma" Blake, Mrs. E. Thompson; Aunt Ellen, Mrs. Emory Champion; Verna, Mrs. Roy Neill; Willie Blake, Ernest Thompson; Chris Blake, R. Blanton; and Herb Clark, Hebert Cummings.

Admission charges for the benefit play will be 10 cents for small children, 25 cents for older children, and 50 cents for adults.

Mr. and Mrs. J. W. Johnson and daughter, Peggy, of the Grayburg camp, plan to leave Friday for Tulsa to make their home. Johnson, who has been employed at the field office of Grayburg Oil Company the last two years, will be employed in Tulsa by Westcott & Greis, Inc., a supply house.

**Artesia Boys Liberated; Are Expected Home**

Parents of two Artesia boys who were prisoners of war of the Germans and an Artesia girl, whose husband was also a prisoner of the Germans have heard from them this week, learning that all have been liberated and hope to be at home soon.

The Artesia boys are T/Sgt. Wilbur I. Trembley, Jr., son of Mr. and Mrs. W. I. Trembley, and S/Sgt. George L. Thalman, son of Mr. and Mrs. George Thalman.

The third is Lt. Oliver Wayne Wicks, husband of the former Mary Jo Mathis.

Sergeant Trembley wrote his parents on a form "ex-prisoner of war field postcard," on which he had checked the statement: "I am in British-U. S. Hands. I am well and safe. Will write soon as possible. Expect to be home soon. Do not write." The card was dated May 4 and was postmarked May 7.

He was captured March 6, 1944, when his B-17 Flying Fortress was shot down over Berlin. Sergeant Trembley was imprisoned in Pomerania.

It is possible that Sergeant Trembley and Sergeant Thalman were liberated together, for the latter, who managed to send a V-mail letter to his parents, told of being marched by the Germans from prison camp in Pomerania. He related that the men were marched 500 miles to keep them from the Russians, and that they nearly ran into American forces. Then they marched 150 miles the other direction, back to the Russians. Again they started in the opposite direction, headed for the Americans and were left.

Sergeant Thalman was in a hospital at Annaburg, Germany, when liberated. He was the tail gunner on a B-17, when shot down over Belgium May 11, 1944.

The communication from Lieutenant Wicks was not seen, but it was understood that he said he was all right and hoped to be home soon.

Pvt. Regal G. Jenkins, son of Mr. and Mrs. Cliff Carter of Loco Hills, is now in Old Brooke General Hospital at Fort Sam Houston, Tex., recovering from a case of frozen feet, according to word, which his parents have received. Private Jenkins was a paratrooper with 507th Infantry. In a recent long distance telephone conversation with his mother, he reported he is fine, outside of his frozen feet.

G. R. Shely pulled a rib on his right side loose Tuesday, while lifting a 50-pound cake of ice into his ice box. The injury is not serious, but it hampers his movement somewhat.

**Packages, Mail to PW's in Germany Cannot Be Sent**

The office of the provost marshal general has stopped issuing labels for next of kin for packages for men who have been reported prisoners of war in Germany, because of a breakdown in the German mail system.

The order became effective April 28, according to information received at Red Cross headquarters here.

Likewise the Post Office Department notified national headquarters of the Red Cross May 10 that beginning immediately all mail for prisoners of war in Germany would be returned to the senders. A postal bulletin addressed to all postmasters notified them not to accept such mail.

A number of letters mailed from Artesia to men previously reported to be prisoners of war in Germany have been returned to the senders under the orders.

**Artesia Firemen Plan Dance Saturday at New Dehydrating Mill**

The Artesia fire eaters are planning a benefit dance to be given Saturday evening at the new alfalfa dehydrating mill of the Artesia Alfalfa Growers Association, now nearing completion on the north highway near the Artesia Prisoner of War Camp.

The firemen had planned on having the dance Saturday evening of next week, but it was discovered that the Hagerman firemen are to have a similar benefit dance that evening and the local men did not want to interfere with the other group's dance, but rather to cooperate for their mutual benefit.

The Pecos Valley Royalists of Artesia are to play for both firemen's dances.

Bob Stuart, son of Mr. and Mrs. Austin Stuart, who suffered an injury to his kneecap while playing, is reported doing fine. He has had to spend a few days on crutches, but hopes to be as good as ever soon.

When your outgo exceeds your income your upkeep is your downfall.

**Vets' Advisory—**

(continued from page 1)

It renders similar services to dependents of those in the armed forces and to those who have been so unfortunate as to lose loved ones in the conflict. Clarence Kepple Post No. 41.

American Legion, recognizing the need for such services, underwrote the office expense. It soon developed that it must be a community undertaking, since which time businessmen, some civic clubs, and service clubs have been making annual, semi-annual, or monthly contributions towards its upkeep, the city dads having donated an office. As a result of this foresightedness, generosity and cooperation, no charge is made for any service.

**Seventh War Loan**

(continued from page 1)

had not progressed more rapidly was not because the citizens were unable to do so, but rather because they had refused to do their best.

Discussing the sale of bonds, the committee declared, "It hardly seems possible that anyone could have the idea that the war, since the surrender of Germany, will be easy and that we can coast along and that a letdown in the war effort on the home front is justified. After the experiences in the past in the various battles with the Japs and the present experience in Okinawa, Americans know there is still a real war ahead of us. We also should remember that our forces have come in contact with only a very small percentage of the Japanese army and it is evident that the road ahead is going to be long and bloody. Casualties will be heavy, probably heavier before final victory is won than they have been up to this point."

The committee pointed out there are many in North Eddy County who have never purchased a War Bond. Many more it was stated, who have purchased bonds, do not own a single bond at this time. And many others, it was declared have purchased a \$100 War Bond when they could well have afforded to have bought a \$1000 bond. These cases, it was stated, except in extreme instances, are not records of which the citizens of North Eddy County can be proud.

The committee sounded a final plea on the buying of War Bonds, in which they said, "Let us all put our shoulder to the wheel and put over the mighty Seventh War Loan drive in a big way so that when we welcome the boys back

home we can all say, 'I have done my best. I have made the sacrifice on the home front, which have been asked of me and I have supported the war effort at home in every way possible.'"

War Bonds, of course, can be purchased at the First National Bank, where a special booth is maintained as an accommodation to the public, or they can be bought at the postoffice.

**Public Is—**

(continued from page 1)

convinced the public but rather with the idea of making it possible for the paper better to serve the people.

The setting and observing of deadlines on copy, advertising, and news also eliminates the delaying and postponing of preparing ad copy, having it prepared, and turning in stories until the last minute when it can all be done ahead of time.

The cooperation given has been deeply appreciated and the hope was voiced that it would be continued.

The deadlines set for advertising are as follows: Display advertising, a half page or larger, to be in not later than Tuesday noon before the Thursday the ad is to be published. Display advertising of less than a half a page to insure

publication in Thursday's issue, should be in The Advocate office not later than 9 o'clock Wednesday morning. Legal advertising should be in not later than 5 o'clock Tuesday afternoon, and all classified advertising not later than 9 o'clock Thursday morning, publication day.

Deadlines applying to news call for social functions and personal items and other news items, which occurred prior to Monday, being in the office on Monday. Social items occurring on Monday and Tuesday by Wednesday noon, and happenings later than this or on Wednesday by 9 o'clock Thursday morning.

Publicity items, which can be turned in the week before publication, should be turned in at that time. It will make it possible for them to be prepared for being set in time even prior to publication.

**American Prisoners say:**  
**"WE WANT TO GET BACK AT THE JAPS!"**

**MATCH THEIR SPIRIT in the MIGHTY 7th WAR LOAN DRIVE**

**YES**, despite their long months and years of privation and suffering, those gallant men, just released from filthy Jap Prison Camps, still have their good old fighting spirit. They're itching to get back into the fight and give the Nips a taste of their own medicine.

Let's show them that we're not quitting either! Let's match their spirit with our dollars! Let's make this MIGHTY 7th War Loan the mightiest of them all!

But to come even close to matching their sacrifices, everyone here at home must buy War Bonds until it hurts. Buy double or treble the extra War Bonds you've bought in any previous drive. Remember, this is really two drives in one. In the same period last year, you were asked to subscribe to two War Loans.

So let's go, Americans. Our hard-fighting Soldiers, Sailors and Marines are giving their ALL. The least we can do is to lend our dollars.

## CAP Group to Have Inspection In Artesia Soon

The Second Group of the New Mexico Civil Air Patrol, composed of the Roswell, Artesia, and Carlsbad squadrons, are to be inspected here at Morris Field in the near future, it was announced recently by Capt. Hugh T. Willoughby of Hagerman, group commanding officer.

The inspection party is expected to include regular Army Air Force officers, as well as high ranking officers of the New Mexico CAP wing. In preparation for the event, the local squadron is concentrating its efforts on drill practice. Rated as one of the most active CAP units in the state, the Artesia squadron is anxious to preserve its reputation by adequate representation at the inspection.

State CAP units have been stimulated by the Army Air Force's assignment of three of its officers to assist in the administration and training programs of New Mexico squadrons. The importance of CAP activities to the national military effort has thus been emphasized.

Old and prospective members of the Artesia Squadron are advised to take note of the new meeting time of 8 o'clock Wednesday evenings.

## V-GARDENING ESSENTIAL, PRESIDENT SAYS

President Harry Truman calls victory gardening a "vital war service."

In a statement issued through the national advisory garden committee, President Truman says, "The need for food is greater now than ever before. Our farmers have done a marvelous job of growing food but they must have help. Millions of families who grew victory gardens last year did an excellent service in helping to solve our nation's food problems. We must use this great source of extra manpower to the fullest extent in 1945."

Ever stop to wonder where the taxpayer gets all the money the politicians take away from him?

## WFA BOOSTS SIZE OF CREAM CHECKS

Urging farmers to "feed their cows better and milk them longer," the War Food Administration is announcing higher dairy production payment rates for butterfat to encourage dairymen to continue high production.

The butterfat payment for April were 17 cents a pound and are 10 cents for May and June. The third quarter rate will be 13 cents with a jump to 17 cents for the period from October through March, 1946. All dairy production payments will be made on a quarterly basis, the county AAA office reports.

The milk production payment for April was 70 cents a hundredweight, with a drop to 35 cents in May and June. The third quarter rate will be 45 cents, and the rate from October through March of 1946 70 cents.

## FARMERS SCORE GAINS

Farmers will have a little more machinery as a result of modifications in military requirements and the need for high food production. However, farm machinery will continue to be scarce throughout the year.

An increase in funds for construction of the Tucumcari irrigation project from \$1,460,000 to \$2,500,000 is among additional budget authorizations submitted a senate appropriations subcommittee. The subcommittee is considering 1946 financing of the Interior Department, and the Tucumcari project was presented as one designed to irrigate 22,000 acres under the war food program for next year.

## PUBLIC NOTICE

DOCKET NO. 2029

NOTICE IS HEREBY GIVEN THAT Thomas and Parrish Oil Company of Artesia, New Mexico has applied to the State Corporation Commission of New Mexico for a Contract Motor Carrier Permit to operate a Freight Service as follows:

Transporting petroleum products in bulk, in tank trucks over irregular routes in interstate commerce from points in Eddy County, New Mexico, to points and places in New Mexico.

Said Corporation Commission has set the 11th day of June, 1945

for the public hearing to be held at the offices of the State Corporation Commission, Santa Fe, New Mexico, at 9:30 a. m. for the consideration of said application. The purpose of this notice is to allow all persons interested, an opportunity to show cause why such authority should not be granted.

## NOTICE

STATE ENGINEER'S OFFICE  
Number of Application RA-1535  
Santa Fe, N. M., May 2, 1945

Notice is hereby given that on the 16th day of April, 1945, in accordance with Chapter 131 of the Session Laws of 1931, G. R. Brainard of Artesia, County of Eddy, State of New Mexico, made application to the State Engineer of New Mexico for a permit to change place of use of 240 acre feet per annum of shallow groundwater acquired under License No. RA-1535, from 80 acres of land described as N $\frac{1}{2}$ NW $\frac{1}{4}$  of Section 31, Township 17 South, Range 26 East, N. M. P. M., to 80 acres of land described as S $\frac{1}{2}$ NE $\frac{1}{4}$  of said Section 31.

Any person, firm, association, corporation, the State of New Mexico or the United States of America, deeming that the granting of the above application will be truly detrimental to their rights in the waters of said underground source, may protest in writing the State Engineer's granting of approval of said application. The protest shall set forth all protestant's reasons why the application should not be approved and shall be accompanied by supporting affidavits and by proof that a copy of the protest has been served upon the applicant. Said protest and proof of service must be filed with the State Engineer within ten (10) days after the date of the last publication of this notice. Unless protested, the application will be given final consideration for approval by the State Engineer on the 12th day of June, 1945.

Thomas M. McClure,  
State Engineer.

19-31-21

NOTICE  
STATE ENGINEER'S OFFICE  
Number of Application RA-316 & RA-317.

Santa Fe, N. M., May 1, 1945.

Notice is hereby given that on the 9th day of April, 1945, in accordance with Chapter 131 of the Session Laws of 1931, Mrs. George B. Dungan of Artesia, County of Eddy, State of New Mexico, made application to the State Engineer of New Mexico for a permit to change location of Artesian Well, from Well RA-316, located in the SW $\frac{1}{4}$ NE $\frac{1}{4}$ NW $\frac{1}{4}$  of Section 23, Township 17 South, Range 26 East, N. M. P. M., and from Well RA-317, located in the NE $\frac{1}{4}$ SW $\frac{1}{4}$ NW $\frac{1}{4}$  of said Section 23, to a location in the NE $\frac{1}{4}$ SW $\frac{1}{4}$ NW $\frac{1}{4}$  of said Section 23 where applicant proposes to drill an artesian well 12 $\frac{1}{2}$  inches in diameter and approximately 900 feet in depth for the purpose of continuing the irrigation of 153 acres of land in NW $\frac{1}{4}$  of said Section 23, and having established rights under Declaration Nos. RA-316 and RA-317.

Any person, firm, association, corporation, the State of New Mexico or the United States of America, deeming that the granting of the above application will be truly detrimental to their rights in the waters of said underground source, may protest in writing the State Engineer's granting of approval of said application. The protest shall set forth all protestant's reasons why the application should not be approved and shall be accompanied by supporting af-

fidavits and by proof that a copy of the protest has been served upon the applicant. Said protest and proof of service must be filed with the State Engineer within ten (10) days after the date of the last publication of this notice. Unless protested, the application will be given final consideration for approval by the State Engineer on the

11th day of June 1945.  
Thomas M. McClure,  
State Engineer.

## This is the House that Jack will Build. Out of WAR BONDS!

And in that house he will install a gas heating and air-conditioning unit because he knows that Natural Gas is best. He not only saves money, but time and energy. Through long winter months and hot summer days, that home can be the ideal spot on earth. Yes, that castle in the air can be a real life home in the post-war world. Lay the foundation now for your post-war home—and what firmer foundation could be found than money saved in War Bonds! Your bonds will provide the down payment for comforts and conveniences you've been dreaming of.

Southern Union Co.

ALL OUT FOR THE MIGHTY 7th WAR LOAN

# STRAIGHT TALK

## ABOUT THE 7<sup>th</sup> WAR LOAN

**THE 7<sup>th</sup> WAR LOAN** starts May 14. Americans as individuals are taking on their biggest quota to date—7 billion dollars, 4 billions in E Bonds alone.

You may be wondering, "Why this biggest of all individual quotas now? Haven't we already reached the peak?"

A fair question—requiring a straight answer.

### The Money Is Needed for War

The Battle of Japan has just begun. It must be backed up, paid for, fought for by a free people, intent on sweeping the Pacific clear of fascist hate—forever.

With the war in the West our first and major concern, we have not yet been able to go all-out in the East. *But neither has the Jap.*

The war to crush Japan will be bigger, tougher, and longer than most Americans expect. The Allied Military Command has estimated that it will take years, not months.

The destruction of Japan's armies has not yet reached the annual rate of normal replacements—between 200,000 and 250,000 men a year. And the Jap, as our men in the Pacific know, fights to the death.

As far as Japan is concerned, the outer Empire—and the men who defend it—are expendables. The Jap will fight the Battle of Japan from *inside the inner Empire*, of which Iwo Jima was an outpost. And Iwo Jima, according to Admiral Nimitz, was a pattern of the resistance our forces may expect to meet in future offensives.

### New Tasks, New Needs

The single greatest obstacle to our crushing of Japan is distance. While in the Battle of Europe supply ships from our bases in England had only an overnight run to make, ships in the Pacific have long-reach round trips taking up to 5 months to make.

To crush Japan will take time, heroic and back-breaking effort, overpowering equipment.

Millions of fighting men—freshly outfitted and equipped—will have to be moved from Europe halfway around the globe and supplied day-in, day-out by hundreds of new ships now building.

More of everything will be needed. More B-29's. More tanks, half-tracks, jeeps, and trucks. More rockets, mortars, airborne radar.

A whole new air force is in creation—huge new bombers dwarfing the Superfortress—fast new jet-propelled combat planes, the P-80 or "Shooting Star," coming off the lines by thousands.

These are just some of the 101 ways in which your dollars are needed more than ever to bring America's might to its full strength—so that we may crush our foe the faster, make an end of killing, and bring our men back home.

### And Lest We Forget

The sick, wounded and disabled will require medical attention and care. Many millions of dollars will be required for mustering-out pay and benefits

voted by Congress to help our veterans get started again in civilian life. That's the least we can do in return for what they've done for us.

### Winning the Peace

There are other weighty reasons for supporting the 7th War Loan—reasons that take us from the present to the future.

By investing in the 7th War Loan, the patriotic American is safeguarding his own future, his country's future.

By putting every dollar over rock-bottom expenses into the purchase of War Bonds, he is delivering a body blow to wartime inflation—thus putting a lid on the cost of living and maintaining intact the purchasing power of the dollar. At the same time, too, he is insuring the country and himself against the catastrophe of a possible postwar deflation—with its depression, unemployment, misery, and heartache.

So save for your country—save for yourself. In helping your country, you are also helping yourself! Come peace, we'll all need money for education, replacements, retirement, new homes, a new start—and we'll need a lot of it. And there isn't a better or safer highroad to your goal than United States Savings Bonds.

### Making 2=3

This year there will be *only two* War Loan Drives, not three. But in those two drives the Government will have to raise almost as much money from individuals as in the three drives last year. That means *bigger extra bonds* in the 7th. Because only by buying *more* can we make 2 take the place of 3.

The 26 million Americans who buy bonds on payroll savings are already off to a flying start! These patriotic men and women began *their* buying in April. And they will keep on buying *extra* bonds through May and June!

It's now up to the rest of us. It's *our* turn to swing in line. To raise the vast sum needed *every* American will have to dig deeper into current income—dig deeper into cash reserves. Only by buying *bigger extra bonds* can we stretch 2 into 3!

Let all Americans do their part—for their own sake, for their country's.

If you have an income, whether from work, land, or capital, you have a quota in the 7th War Loan. Find out what that quota is—and make it!

FIND YOUR QUOTA . . . AND MAKE IT!		
IF YOUR AVERAGE INCOME PER MONTH IS:	YOUR PERSONAL WAR BOND QUOTA IS: (CASH VALUE)	MATURITY VALUE OF 7TH WAR LOAN BONDS BOUGHT
\$250	\$187.50	\$250
225-250	150.00	200
210-225	131.25	175

THE ARTESIA ADVOCATE, ARTESIA, NEW MEXICO

Lower Cottonwood

(Ora Buck)

Douglas O'Bannon of Cottonwood, who broke his arm several weeks ago, is in a Roswell hospital, where he had it reset.

Mr. and Mrs. D. C. Hobbs of Lovington visited his daughter, Mrs. John Buck, and family and his granddaughter, Mrs. Brack Dobbins, on Mother's Day.

Hail on the Cottonwood early last week did considerable damage and some farmers are replanting cotton, while others are planting grain.

The Cottonwood Woman's Club will have a picnic at 7 o'clock Thursday evening, June 7, celebrating the 25th anniversary of the club, at the farm home of Mr. and Mrs. Jesse I. Funk on Upper Cottonwood. A large crowd is expected.

M. H. Woody, principal of Cottonwood School, took his seventh and eighth grade pupils to Artesia, where they visited several of the business places, among them the sawmill, the Artesia Alfalfa Growers Association, The Advocate office, a refinery, a bakery, and other places of interest.

Mrs. W. F. Martin and daughter, Mrs. J. C. Walker, and her baby returned home the first of the week from Arizona, where they had been visiting Mrs. Martin's brother, Willie Randall, who has been inducted into the Army.

Mrs. Ed Chandler of Cottonwood left Wednesday of last week for a visit of a few days with her daughter, Mrs. Walter Droigk, and Mr. Droigk of Seagraves, Tex.

Among boys from Cottonwood, who have been notified to report to Fort Bliss for medical examinations were Bud Martin, James Stevenson, and Jud Taylor.

Mr. and Mrs. Jesse I. Funk and daughter, Mrs. James Thigpen, of Cottonwood went to El Paso recently to visit their son and brother, Lt. Joe Bill Funk, and his wife. The little grandson of Mr. and Mrs. Funk, who had been visiting them several weeks, remained in El Paso with his parents.

Mr. and Mrs. Dean Campbell of Lubbock are expected this week for a visit with his parents, Mr. and Mrs. Newt Campbell, and family of near Lake Arthur. Mr. Campbell is attending college at Lubbock.

Mrs. J. M. Thigpen of Artesia, mother of James Thigpen of Cottonwood, was a guest of her son and family a few days last week.

Mrs. E. P. Malone of Cottonwood returned home Wednesday of last week from Portales, where she attended the annual P. E. O. convention.

Miss Mae Bannister, a teacher in Cottonwood School, left Friday for Carlsbad to visit a few days with relatives before going to her home in Oklahoma to spend the summer vacation.

M. H. Woody left Saturday for Albuquerque to enter the Veterans' Hospital.

John Norris was quite ill at his home at Hagerman a few days last week. His children here went to see him Wednesday of last week.

Mr. and Mrs. I. P. Johnson of Cottonwood had as their guests last week end their daughter-in-law, Mrs. Charles Johnson, and baby of Tucumcari.

Mr. and Mrs. G. W. Holt of Cottonwood have received word from their son, S/Sgt. R. J. Holt, that he has been promoted to technical sergeant. He is in France.

O. A. Pearson has gone to Rochester, Minn., to go through Mayo Clinic. His son, Ralph Pearson, accompanied him and also will have a recheck.

Mr. and Mrs. O. B. Montgomery and son, Jimmie, who have made their home on Cottonwood several years, plan to leave this week for Texas to live and to take medical treatments and a long rest before returning to work. Mrs. Montgomery has been very active in the Ladies' Aid Society, church work, and the Cottonwood Woman's Club. She was presented a nice gift from the society and church.

Mrs. Robert McCaw, who was with her husband in Canadian, Tex., several months, visited her parents, Mr. and Mrs. I. P. Johnson, and family a few days last week on her way to Fresno, Calif., where her husband has been transferred.

Miss Mary Kathryn Krantz was the only girl from Cottonwood who graduated from Artesia High School Friday evening.

Cottonwood School pupils who made the highest grades in the annual achievement test, were awarded awards by M. H. Woody, principal, at graduation exercises Friday evening. Those who received awards were Joan Walcott, Dorothy Stanley, Don Milton, and Jimmie Sanchez. Jimmie Sanchez, son of Mrs. Montgomery, was awarded the highest honor, the Distinguished Achievement Award. The children who received awards, because of their attendance, behavior, and tardy the awards presented certifi-

Extension of 'Sole Surviving Son' Policy Is Made by Army and Navy

The War and Navy Departments have long recognized the sacrifice entailed when a family suffers the loss of successive members as war casualties. To lessen the risk of additional sacrifice by such families, a policy has been adopted to assign remaining members who are in the armed forces to non-hazardous duty. It is estimated that approximately 10,000 individuals in both services will be affected. This is an extension of the previous "sole surviving son" policy.

Specifically the policy will apply when it is established that two or more members of an immediate family group while serving in the armed forces in this war have been killed, died as a result of wounds, accident, or disease, or been reported as missing in action, or as prisoners of war.

The remaining members of such a family who are in the armed forces will be assigned to non-hazardous duty upon request of the serviceman concerned or a member of his immediate family. This may mean duty in the rear area of an active theater, duty in an inactive theater, or duty in the United States. A remaining member who is the sole surviving child or sole surviving son will in every case be retained in or returned to the United States for permanent assignment.

Cases under this policy must be brought to the attention of the Army or Navy by a member of the

family. Cases are being handled by Bryan Shoemaker. They were Monty Woody, Oneta Johnson, Oleta Johnson, Charles Edward Buck, and Bonnie Lou Robertson. Only one eighth-grade diploma was awarded, that to Bonnie Lou Robertson, who received all honors and made a brief talk. The graduation speaker was the Rev. Chester Rogers, pastor of the Cottonwood and Lake Arthur Methodist Churches. The principal gave a fine talk and presented the diploma. Also on the program were songs by girls of the school, with Mrs. Woody at the piano and her daughter, Miss Ella Mae Woody, playing the violin. The stage was quite pretty with garden flowers and beautiful artificial flowers made by a Spanish-American girl. A large crowd was present for the exercises.

immediate family or the serviceman concerned.

Cases which have been previously submitted and denied under the "sole surviving son" policy should be resubmitted if consideration is desired under the new and broader policy.

Requests under this policy should be submitted to: Adjutant General, Washington, D. C., for those persons in the Army, and to the Bureau of Naval Personnel, Commandant of the U. S. Marine Corps, and Commandant of the U. S. Coast Guard, Washington, D. C., as appropriate, for those persons in the Navy, Marine Corps, and Coast Guard. The person making the application should furnish the name and relationship to the writer of all persons in the immediate family. For those members in the armed forces the grade, serial number, organization, and station assignment should be included. For those members lost in the present war, the grade, serial number, last organization, and station, or available information as to death, capture, or missing status is necessary. Full and complete information will be of great assistance to the departments in taking necessary action and no action be taken unless a request is started by a member of the family concerned or the serviceman himself.

Mr. and Mrs. H. R. Paton left Sunday for New Matamoros, Ohio, to visit Mr. Paton's father, Frank Paton. They planned to be gone about three weeks.

News Shorts

While Alex Bertagnolli of Opal, Wyo., was making an adjustment on it, his car caught fire. A gunny sack used to beat the flames ignited. Alex threw the sack away — and it landed on a five-gallon can of gasoline. The can exploded and Bertagnolli's clothing ignited from the flaming gasoline. A passer-by then extinguished the flames with a fire extinguisher.

When his furlough was up Pfc. Walter B. Sterling, Jr., wired the ASF regional hospital at Camp Lee, Va.: "Spent furlough convincing her — request extension to marry her." His commanding officer replied: "What some guys won't do for an extension. Granted."

Mr. and Mrs. H. R. Paton left Sunday for New Matamoros, Ohio, to visit Mr. Paton's father, Frank Paton. They planned to be gone about three weeks.

IN THE PROBATE COURT OF EDDY COUNTY, STATE OF NEW MEXICO

IN THE MATTER OF THE ESTATE OF OWEN CAMPBELL, DECEASED

No. 1211

NOTICE OF APPOINTMENT OF EXECUTRIX

NOTICE IS HEREBY GIVEN: That the undersigned was appointed Executrix of the Last Will and Testament of Owen Campbell, Deceased, on the 23rd day of May,

1945, by the Honorable Xury White, Probate Judge of Eddy County, New Mexico. All persons having claims against said Estate are hereby notified to present the same as required by law within 6 months from the 31st day of May, 1945, the date of the first publication of this notice, or the same will be barred.

1945, by the Honorable Xury White, Probate Judge of Eddy County, New Mexico. All persons having claims against said Estate are hereby notified to present the same as required by law within 6 months from the 31st day of May, 1945, the date of the first publication of this notice, or the same will be barred.

Vernie Iona Haldeman, Executrix. 21-41-24

NOTICE OF PENDENCY OF SUIT

THE STATE OF NEW MEXICO

TO: Peoples Bank & Trust Company, defendant, impleaded with the following named defendants against who substituted service is hereby sought to be obtained to-wit: Peoples Bank & Trust Company, a defunct corporation, George H. Hunker, individually, and as a director of Peoples Bank & Trust Company at time of dissolution. All unknown claimants of interest in the premises adverse to the plaintiff; GREETING: You, and each of you, are hereby notified that an action has been commenced and is now pending in the District Court of Eddy County, New Mexico, wherein Rita Terpening is plaintiff and you, and each of you, are defendants, said cause being No. 8941 on the civil docket of said court.

That the general object of the action is to quiet title in the plaintiff against all claims of the defendants in and to the following described real estate in Eddy County, State of New Mexico, to-wit: The NE 1/4 NW 1/4, and the NW 1/4 NE 1/4 of Section 7,

Township 17 South, Range 26 East, N. M. P. M., Eddy County, New Mexico. And to bar and forever estop you, and each of you, said defendants, from having or claiming any lien upon or right or title to, the above described premises adverse to the plaintiff. If you, or any of you, said defendants, fail to enter your appearance in said cause on or before the 10th day of July, 1945, judgment by default will be rendered in said cause against each

of you so failing to appear, and to be bound to the court for the purposes of the above. Plaintiff's attorney, Watson, and his office address is in Mexico. WITNESS my hand and seal of said Court on this 23rd day of May, A. D. 1945. (SEAL) Marguerite E. District Court

CHRISTIAN SCIENCE SERVICES  
613 W. Main  
Sunday school, 10 a. m.  
Sunday services, 11 a. m.  
Wednesday services, 7:30 p. m.  
"Soul and Body" is the subject  
of the lesson-sermon which will  
be read in all Churches of Christ,  
Scientist, on Sunday, May 27.  
The Golden Text is: "Bless the  
Lord, O my soul. O Lord my God,  
thou art very great; thou art clothed  
with honor and majesty." (Ps.  
104:1)  
Among the citations which com-  
prise the lesson-sermon is the fol-  
lowing from the Bible: "We are  
confident, I say, and willing rather  
to be absent from the body, and to  
be present with the Lord." (II  
Cor. 5:8)  
The lesson-sermon also includes  
the following passage from the  
Christian Science textbook: "When  
you say, 'Man's body is material,'  
I say with Paul: Be 'willing rather  
to be absent from the body, and to  
be present with the Lord.'  
Give up your material belief of  
mind in matter, and have but one  
Mind, even God; for this Mind  
forms its own likeness."  
Visitors always welcome.

Morning worship, 11 a. m.

HANGER NEWS  
Gene Sherwood took his three-  
point cross-country Wednesday of  
last week. Gene is working toward  
his private license diligently.  
Student to solo this week was  
Cliff Thomas.  
Tom Smyre of Ponca City, Okla.,  
was a guest at Hazel Field this  
week. Mr. Smyre is the manager  
of Ponca City Airport and is well  
known among private flyers.  
A. P. Mahone and Mr. and Mrs.  
Sug Hazel went to Red Bluff fish-  
ing Tuesday. They had excellent  
luck. (Another fish story.)  
The little bug that goes around  
biting people, making them de-  
sire to learn to fly has bitten  
Jim Ferguson. Mr. Ferguson be-  
gan his instruction this week.  
Lindy Samelson calls on her  
friends by way of flying. Friday  
she flew out to the Cottonwood,  
landing at Worley's landing strip,  
and visited the Steve Lannings.  
Ruth Lamb of Marie's Beauty  
Shop took her first lesson recent-  
ly.  
Seniors to take the 15 minutes of  
dual offered them so far are Billy  
Feather, Forrest Miller, Jerry  
Sherman.  
Coy Knoll of Hagerman rode  
herd on his cattle Friday in Sugs  
Cub Cruiser. Ten cows were miss-  
ing, put were soon discovered.

WFA URGES FARMERS  
TO INCREASE PIG CROP  
The War Food Administration  
is appealing to farmers to increase  
the fall pig crop to the greatest  
extent possible and practicable  
from the standpoint of feed sup-  
plies, and brood sows and gilts av-  
ailable.  
The goal for New Mexico farm-  
ers is 10,000 farrowings in the fall  
of 1945. The national need repre-  
sents a large increase over the 1944  
production.

ACCENT ON YOUTH IS  
IN NEW PUBLICATION  
The first issue of The Sunshine  
Future Farmer, a monthly paper  
devoted to FFA activities in New  
Mexico, is off the press.  
Written by and for Future Farm-  
ers of America, the new publica-  
tion is edited by L. C. Dalton, new-  
ly appointed executive secretary  
of the New Mexico Future Farmer  
Association.

The old-fashioned wedding ring  
was a cumbersome affair, made  
to last a life-time. The modern  
ring is very thin and narrow,  
designed to last as long as modern  
marriages.  
Social Security forms and sys-  
tems—The Advocate.

what makes a  
GOOD CITIZEN  
There are many qualities which go to make a "Good Citizen"  
but the most important ones are these—  
A "Good Citizen" should:  
• accept all of his civic responsibilities in an  
enthusiastic manner;  
• be of good character—truthful and sincere with  
his fellow townsmen;  
• shoulder his share of the tax load willingly;  
• take an active part in civic affairs in the interest  
of better citizenship and leadership.  
The Southwestern Public Service Company has always tried  
to be a "Good Citizen Wherever We Serve"—It is our  
pledge to you that we shall continue to  
strive to be just that.  
20 YEARS OF GOOD CITIZENSHIP AND PUBLIC SERVICE
