## Miss Bettye Mason, Everett Hodges Exchange Vows Easter Afternoon

In a lovely double-ring ceremony Easter Sunday afternoon, Miss Bettye Mason, daughter of Mrs. Edna Mason, became the bride of Everett Hodges, son of Mr. and Mrs. L. E. Hodges, with Rev. V. Elmer McGuffin, assistant pastor of the First Baptist Church, officiating. Bennie J. Mason, brother of the bride, gave her in marriage. The wedding took place at the home of Mr. and Mrs. Bennie J. Mason. The bride and bridegroom stood under an arch of snapdragons and gladioli flanked on each side by white Easter lilies and candelabra.

The bride chose for her wedding a tan street-length dress with navy blue accessories. She carried a white Bible on top of which was an orchid with white streamers and tiny forget-me-nots. Her going-away suit was of navy blue.

Mrs. Gwen Reddekkopp sang, "I Love You Truly," after which Miss Dolly Newton lighted the candles.

## Expression Pupils Present Play At Auxiliary Meet

Eleven expression pupils of Mrs. F. A. Houston and Mrs. John A. Mathis, Jr. presented a play "Dolls of the Many Lands in the Doll Shop," at a meeting of the American Legion Auxiliary, Clarence Kepple Unit No. 41, Monday evening at the Veterans Memorial Building.

The girls were Kathleen Clowe, Barbara Butts, Michelle Ruppert, Joann Nunn, Penny Key, Sandra Collins, Sharon Aston, Sharon Mermis, Ronelle Haynes, Carol Ann Ziegler and Jackie Moreland. The girls wore costumes of the countries they represented.

Mrs. J. L. Briscoe, president, presided at the business meeting and Mrs. H. R. Paton presided as secretary in the absence of Mrs. Ralph Rogers.

Memorial services were held for Mrs. O. R. Haymaker of Roswell, second vice president of the department of New Mexico, who died March 8. Mrs. Paton read the services. The Auxiliary unit's charter will be draped in black for 30 days.

Mrs. D. M. Walter, chairman of Girls State, reported the names of the girls eligible to attend.

Mrs. Earl Darst reported on the Past President's Parley meeting.

Mrs. Adelyn Reemis, formerly of Clinton, Iowa, was a guest.

Refreshments of cold drinks, cookies and candy were served to the guests and members by hostesses, Mrs. Frances Painter, Mrs. A. D. Compary and Mrs. Mahis.

## National Worker For W.C.T.U. Speaks On Temperance Today

National progress in temperance work will be discussed at a meeting of the Women's Christian Temperance Union here today by national and state workers.

Mrs. E. M. Howie of Evanston, Ill., national field worker for the W.C.T.U., is to appear on the program at the Artesia Woman's Club at 2 o'clock this afternoon.

Also on the program will be Mrs. Maud Ward, state president of the W.C.T.U.

Everyone interested in temperance work is invited to attend and hear Mrs. Howie, who is a noted speaker of national renown.

"Always," was played during the ceremony.

Mrs. John R. Peters of Carlsbad, sister of the bridegroom, was bridesmaid. She wore a blue dress with navy and pink accessories. Her corsage was of white carnations.

John R. Peters of Carlsbad, brother-in-law of the bridegroom, was his only attendant.

A reception was held for the immediate families and close friends. The linen covered table was centered with white flowers. On one side was a large tiered wedding cake and on the other a cutglass punch bowl. After the bride and bridegroom cut the first piece of cake, it was served by Miss Norma Essex. Miss Deanie Roberson of Portales, cousin of the bride served the punch.

Miss Dean New of Odessa, Texas, had charge of the bridal book.

After a short honeymoon at Roswell, the couple will make their home at Carlsbad.

## Beta Sigma Phi Installation Plans Made On Tuesday

Plans were completed for the installation of Mrs. Donald Fanning as president of Beta Sigma Phi and the other officers at a meeting Tuesday evening at the home of Mrs. William C. Thompson, Jr., with Mrs. Harry B. Gilmore and Mrs. Charles Bullock as co-hostesses.

Mrs. R. B. Rodke, president, presided over the business meeting, while Miss Nancy Haynes, vice president, conducted a pledge test. The pledges completed their training and will become fully pledged members in the ritual jeweled ceremony to be held Thursday, April 20, in the home of Mrs. Andy Anderson. Also at that time will be installation of the new officers.

The other officers are: Vice president, Mrs. Clyde Dungan; recording secretary, Mrs. O. R. Gable, Jr.; corresponding secretary, Mrs. Lloyd Dorand, and treasurer, Mrs. Harry B. Gilmore.

The program was on "Happiness Through Awareness of Blessings." Talks were given by Mrs. Meredith Jones and Mrs. Gable, and a discussion of the chapter manual followed.

The next regular meeting is to be held at 8 o'clock Tuesday evening, April 25, at the home of Mrs. M. A. Waters.

Refreshments of frozen pineapple cake and coffee were served by the hostesses to Mes. Lawrence Coll, Lloyd Dorand, Donald Fanning, Gable, Maynard Hall, Meredith Jones, C. M. Murphy, Rodke, M. A. Waters, Beach Barton, Louis Craig, Aaron Cunningham, Jack Faulstich, and Bert Muncy, Jr., and Miss Haynes.

## Miss Howell Is Married Saturday To James Dawson

Mr. and Mrs. E. T. Howell have announced the marriage of their daughter, Miss Helen Howell, to James Dawson of the Walker Air Force Base, Roswell, son of Mr. and Mrs. O. E. Dawson of Van Lear, Ky. Saturday night of last week at Roswell. The ceremony was performed by a justice of the peace.

The bride graduated from Artesia High School in 1947 and attended New Mexico A. & M. College, Las Cruces the first semester of the 1949-50 school year.

The bridegroom graduated from Van Lear High School in 1946.

Mrs. C. R. Blocker will leave Sunday for Cleveland, Ohio, to attend the quadrennial assembly of the Women's Division of the Methodist Church and also a quadrennial Wesleyan Service Guild week end as a guild delegate from the New Mexico conference.

Mrs. E. J. Isaacs of Las Cruces, a delegate of the Woman's Society of Christian Service, New Mexico conference, will join Mrs. Blocker for the trip to Cleveland.

Mrs. Blocker plans to be gone about two weeks. After the meeting she will visit relatives.

## Mrs. Siegenthaler Is Installed Head Of Central P.T.A.

Mrs. William M. Siegenthaler was installed as president of the Central School Parent-Teacher Association in an impressive ceremony conducted by Mrs. David Saikin, retiring president, at a meeting Wednesday afternoon in the music room at the school.

Other officers installed were: First vice president, Mrs. Robert Garner; second vice president, Mrs. C. V. Miller; secretary, Mrs. Joel Carson; treasurer, Mrs. Vernon Mills, and parliamentarian, Miss Hazel Hockensmith.

Mrs. Clyde Whitson was in charge of the program. She introduced Mrs. J. R. Caudle, who sang two vocal selections. Mrs. Harry Nelson accompanied her at the piano.

Mrs. I. L. Spratt was guest speaker for the meeting. She gave a review of her recent trip to the music education conference in St. Louis. Mrs. Spratt said the section on folk music was of particular interest to her as the material presented there was quite applicable to classroom work.

A bouquet of yellow jonquils decorated the speakers' table.

Mrs. David Saikin, president, presided over the business meeting. It was voted that the P.T.A. buy a set of Compton's Picture Encyclopedia and present it to the Central School as a gift.

Mrs. Harold Morgan, finance chairman, invited the parents to a silver tea from 9:30 to 11:30 o'clock Thursday morning, April 20, at the home of Mrs. Sam Sanders, 607 West Richardson.

Mrs. C. S. Powell, chairman of health education, announced a clinic for pre-school children will be held Thursday, April 27, at Central School. Local doctors and dentists will come to the school and give their time and services to all children who plan to attend school next year.

## Miss Howell Is Married Saturday To James Dawson

Mr. and Mrs. E. T. Howell have announced the marriage of their daughter, Miss Helen Howell, to James Dawson of the Walker Air Force Base, Roswell, son of Mr. and Mrs. O. E. Dawson of Van Lear, Ky. Saturday night of last week at Roswell. The ceremony was performed by a justice of the peace.

The bride graduated from Artesia High School in 1947 and attended New Mexico A. & M. College, Las Cruces the first semester of the 1949-50 school year.

The bridegroom graduated from Van Lear High School in 1946.

Mrs. C. R. Blocker will leave Sunday for Cleveland, Ohio, to attend the quadrennial assembly of the Women's Division of the Methodist Church and also a quadrennial Wesleyan Service Guild week end as a guild delegate from the New Mexico conference.

Mrs. E. J. Isaacs of Las Cruces, a delegate of the Woman's Society of Christian Service, New Mexico conference, will join Mrs. Blocker for the trip to Cleveland.

Mrs. Blocker plans to be gone about two weeks. After the meeting she will visit relatives.

Mrs. E. J. Isaacs of Las Cruces, a delegate of the Woman's Society of Christian Service, New Mexico conference, will join Mrs. Blocker for the trip to Cleveland.

Mrs. Blocker plans to be gone about two weeks. After the meeting she will visit relatives.

## Gore Recital By Promising Young Violinist To Be Free

Miss Jo Margaret Gore, a promising young violinist and pupil of Ted R. Best, will be presented in recital at 8 o'clock Friday evening, April 21. The recital will be held in the Artesia High School auditorium, admission free.

Miss Gore has attracted considerable attention with her violin playing in the last few years. She is not only an exceptional violin student, but is an excellent pianist. She is also an honor student in her scholastic studies.

She served as concertmistress of the Carlsbad Civic Orchestra the last two years and was one of the soloists at last year's American Federation of Music Clubs convention, as a result of which she was offered a music scholarship to the University of New Mexico.

She will also appear in recital in Carlsbad at the high school auditorium on Tuesday, May 2 and at a later date in Roswell. She will also participate in a state-wide audition of talented musicians in Albuquerque May 20. Myrtle Morris will accompany her at the piano in each of these events. The public is invited to attend.

## Charter Members P.E.O. Are Honored Monday Afternoon

Four charter members of Chapter "J" P.E.O. were honored at a meeting Monday afternoon at the home of Mrs. William Linell, with her mother, Mrs. J. S. Jesse, as co-hostess.

Mrs. Fred Cole was in charge of the program. She had a birthday party for the local chapter, which was 23 years old. The charter members honored were Mrs. S. W. Gilbert, Mrs. J. B. Atkinson, Mrs. Ralph A. Shugart and Mrs. R. L. Paris. Mrs. Cole presented each of the four charter members a corsage and also presented the chapter a birthday cake.

The hostesses served refreshment of salad, birthday cake and coffee to 23 members.

The next meeting will be Friday, April 21, at the home of Mrs. W. Leslie Martin.

## Epsilon Sigma Alpha Holds Semi-Formal Party On Tuesday

A get-acquainted semi-formal party was held Tuesday evening in the Sombra Room in the Veterans Memorial Building for members and guests of Epsilon Sigma Alpha.

The table was decorated with blue and yellow candles and the centerpiece was of yellow jonquils, the sorority colors, and personalized napkins of the sorority were used. Refreshments of open-face sandwiches, salad, potato puffs and fruited punch were served.

Mrs. Harry Nelson played several piano selections.

This was the second in a series of rush parties for Mmes. Bessie Willoughby, Ernest Morgan, Johnnie Wickersham, and Katherine Hart.

Mrs. George Lynch was hostess and she was assisted by Mmes. Albert Linell, Jack Rogers, Helen Green, Allen Mills, and Cliff Perkins, and Miss Janice McGuire.

## Shower Is Given For Caudle Adopted Son

Members of the choir of the First Presbyterian Church on Wednesday night after choir practice surprised Mrs. J. T. Caudle with a shower in honor of her small adopted son, Mike.

Refreshments were served to the group. Mike received many lovely and useful gifts.

## 'Conservation' Is Program Subject At D.A.R. Meeting

Mrs. Jack Knorr gave an interesting program on "Conservation" at a meeting of Mary Griggs Chapter of the Daughters of American Revolution held Monday evening at the home of Mrs. Hugh Kiddy.

Mrs. Harold Kersey, regent, opened the meeting in ritualistic form, after which Mrs. Knorr led all in singing "The Star Spangled Banner."

Mrs. Knorr pointed out that there are many different types of conservation. Some of them are soil conservation, human conservation, and historical markers. One of the local conservation projects in New Mexico is the preserving of the desert spoon plant or sotol, which is rapidly becoming extinct.

One of the projects for the national D.A.R. and of interest to the local chapter is the planting of redwood trees in the National Tribute Grove in California. Mrs. Knorr quoted Mrs. Roscoe C. O'Byrne, president general, on conservation.

Mrs. J. F. Mattox, state regent, will be guest of honor at the May meeting. She will give a first-round report of the D.A.R. continental congress held in Washington this month.

Delicious refreshments were served by the hostess to Mmes. Tom Donnelly, Paul Francis, Kersey, Knorr, Cecil Waldrep, K. J. Williams, and Bernice Vallejo, and Miss Theresa Vallejo.

## Ten Are Initiated By Artesia Does Wednesday Night

Ten women were initiated into Artesia Drove of Does in an impressive ceremony Wednesday evening at the Elks building.

They were Mmes. Ross Sears, Sam Sanders, Luther E. Sharpe, Jack R. Huffmyer, and Jim Ferguson, and Dr. Kathryn Behnke of Artesia, and Mrs. C. A. Taylor, Mrs. Robert West, and Mrs. Bill Cook of Hagerman, and Mrs. Floyd Sherrill of the Cottonwood community.

Those who assisted in the initiation were: President, Mrs. J. W. Jones; conductress, Mrs. Jack Armstrong; assistant conductress, Mrs. Fritz Crawford; first counselor, Mrs. E. N. Brock; senior counselor, Mrs. M. D. Sharp; junior counselor, Mrs. E. J. Shepherd; chaplain, Mrs. Lillian Bipler; organist, Mrs. John Lanning; flag bearers, Mrs. Herbert Aid, Mrs. Louis F. Hamilton, Mrs. Victor Haldeeman, and Mrs. Lloyd Walker; inner guard, Mrs. R. T. Wilson; outer guard, Mrs. Robert Bourland; attendants, Mrs.

Tom Bryan, Mrs. W. S. Hogsett, Mrs. Tom Boyd, Mrs. Leland Price, and Mrs. Charles E. Currier.

All of the officers were dressed in white formals and wore corsages of Dutch iris.

The lodge room was decorated with yellow and purple iris, the Does' colors.

Mrs. J. W. Jones, president, presided over the business meeting. Plans were completed for a silver coffee Friday morning, April 21, at the home of Mrs. Robert Parks, 1110 West Main Street.

During the social hour refreshments of sandwiches and coffee were served.

So expert are our scientists today that they are able to tell the type of blood through the veins of mummies 250,000 years old, recently found in an Arizona cave. From the tissues of these well-preserved mummies the scientists have evidence that nine out of 10 had type O blood and one had type AB.

**Performance Leaders**

Most Powerful Chevrolet Trucks Ever Built

**Payload Leaders**

Cost Less To Operate Per Ton Per Mile!

**Popularity Leaders**

In Each and Every One of the 48 States!

**Price Leaders**

Now at New Lower Prices!

On the hills or on the straightaway, the efficient new Chevrolet P-L Trucks are far ahead in performance. They give you high pulling power over a wide range of usable road speeds—and high acceleration to cut down total trip time.

Far Ahead with lower operating costs per ton mile. The rugged construction and all-around economy of Chevrolet P-L trucks cut running and repair costs—let you deliver the goods with real reductions in cost per ton per mile.

Final and official 1949 registrations show that in every State in the Union more people bought Chevrolet trucks than any other make. In total, they were preferred over the next two makes combined—convincing proof of greater value.

From recently reduced prices to high resale value, you're money ahead. Chevrolet's rock-bottom initial cost—amazingly low cost of operation and upkeep—and high trade-in value—all add up to the lowest price for you.

**FAR AHEAD with all these PLUS FEATURES**

- TWO GREAT VALVE-IN-HEAD ENGINES: the New 105-h.p. Load-Master and the Improved 92-h.p. Thrift-Master—to give you greater power per gallon, lower cost per load
- THE NEW POWER-JET CARBURETOR: smoother, quicker acceleration response
- DIAPHRAGM SPRING CLUTCH for easy-action engagement
- SYNCHRO-MESH TRANSMISSIONS for fast, smooth shifting
- HYPOID REAR AXLES—5 times more durable than spiral bevel type
- DOUBLE-ARTICULATED BRAKES—for complete driver control
- WIDE-BASE WHEELS for increased tire mileage
- ADVANCE-DESIGN STYLING with the "Cab that Breathes"
- BALL-TYPE STEERING for easier handling

### Luncheon Honors Mrs. Pearson And Little Mike Caudle

At a 1 o'clock luncheon Wednesday at the home of Mrs. Neil Watson, Mrs. Oscar Pearson was honored on her birthday and a shower was given for Mike, the small adopted son of Mr. and Mrs. J. T. Caudle, by members of the Sewing Club.

Mrs. Pearson received many lovely gifts and many gifts were presented to Mike.

The table was covered with a white cutwork cloth and the centerpiece was a bowl of tulips. Mrs. Pearson cut the birthday cake.

Those present were Meses Joe Nunn, Raymond Bartlett, Clyde Guy, Oscar Pearson, and J. T. Caudle.

## LOCALS

Mr. and Mrs. George H. Dixon of Albuquerque spent the Easter holidays with his parents, Mr. and Mrs. George D. Dixon.

Mrs. Ernest Shafer, Jr., and children, Nancy, 2½, and John, 4, have returned to their home in Carlsbad, after an Easter week end here with Mrs. Shafer's parents, Mr. and Mrs. E. B. Bullock. Mrs. Shafer and children arrived in Artesia on Sunday and returned home Tuesday morning.

Joe Howell, son of Mr. and Mrs. E. T. Howell, was operated on Monday morning in an Artesia hospital. He is doing nicely.

Mrs. Mattie Doss Austin of Lovington returned to her home this week after a 10-day visit with her mother, Mrs. Jeff Hightower.

Guests in the home of Mr. and Mrs. L. J. Lorang for the Easter holidays were their son, Buddy Lorang, a student at McMurray College, Abilene, Texas, and their daughter, Dorothy Lorang, a student at Mid-Western University, Wichita Falls, Texas, and her friend, Verdy Blessing, of Wichita Falls.

Mr. and Mrs. Donald Whitesell of Comanche, Okla. arrived Monday to visit Mr. Whitesell's sister, Mrs. Joe Howell, and Mr. Howell. Mr. and Mrs. Whitesell are on their honeymoon.

Ralph Hayes, manager of the Artesia Abstract Company, and Joe Hamann, sales manager of Artesia Auto Company, returned Tuesday night from a business trip to Socorro and Santa Fe.

Mr. and Mrs. Roy Dunlap and daughters, Margaret and Mary, of Junction City, Kan., arrived Thursday of last week to visit in the home of Mr. and Mrs. John Heaton. They left Thursday morning. Mrs. Dunlap and Mrs. Heaton served together as nurses during World War II.

Mr. and Mrs. Harold Roark of Artesia spent last week in Eunice.

Mr. and Mrs. L. E. (Pa and Ma) Folkner returned home last week from Port Aransas, Texas, where they had been fishing and generally having a good time about two months, with considerable luck at fishing. They plan to leave about the first of next month for Junction, Texas, to hunt squirrels. And their next place probably will be Arkansas, along about the first of June. "Ma" and "Pa" Folkner did not give their itinerary further ahead than that.

### Two Youngsters Are Honored With Birthday Party

Mrs. H. L. Miller and Mrs. Olin Thurman of Loco Hills entertained with a double birthday party Thursday afternoon of last week at Maljamar Park honoring Alice Miller and Donald Roy Thurman on their fourth birthdays.

The children enjoyed the swings and playing in the park. Pictures were taken of the honorees and the cakes and various groups of the guests. Alice and Donald Roy received many lovely gifts which they showed the guests. Party favors were balloons and candies in the Easter motif. Refreshments of two birthday cakes and punch were served.

Those present were Mrs. R. M. Booker and daughter Karen; Mrs. Kirk Phillips and daughter Troyce; Mrs. Opal Partlow and children, Jane and Patty; Mrs. George Wier and children, LaJeanne and John; Mrs. Earl Smith and the hostesses and honorees, all of Loco Hills and Mrs. Oscar Doughty and children, Polly and Junior and Mrs. Stella Shannon of Maljamar.

Those unable to attend but sending gifts were Meses Elmer Banks, J. W. Alexander, Kenneth Dockery of Loco Hills and Mrs. R. T. DeWitt of Artesia.

### Social Calendar

**Friday, April 14**  
Artesia Garden Club, meeting at the home of Mrs. Jess I. Funk, Cottonwood, 2:30 p.m.

Dec. 1950

Hagerman News

(By Mrs. Edna Burck)

The Easter season was observed by the various churches and the school at Hagerman. The school observed Good Friday in the auditorium with appropriate hymns and a talk by Rev. Benson, prayer by Rev. Bell, and the benediction by Rev. Hagermeier.

The Easter sunrise prayer meeting was held on Sunday morning at the entrance to the cemetery. The girls' chorus sang Easter hymns with Miss Shirley Newsom at the organ. Rev. Ramsay gave an inspiring talk. Rev. Bell, Rev. Benson and Rev. Hagermeier assisted with the service.

The Presbyterian Church observed Easter with appropriate music by the choir, with Miss Hazel Evans and Miss Barbara Stewart pianists. Rev. Ramsay preached an inspiring sermon and one baby was christened.

The Methodist Church Easter services were well attended. Beautiful Easter lilies and other lovely blossoms graced the altar and piano. The choir led the congregation in singing Easter hymns and Miss Lovita Williamson and Miss Janice Knoll sang a lovely duet with Mrs. Joe B. Bell as accompanist. Rev. Bell delivered the Easter sermon in an inspiring manner and also baptized a number of children and a young woman, six of whom were admitted into church membership.

Rev. Benson gave the inspiring Easter sermon at the Baptist Church. The choir led in congregational singing with Miss Frances Evans at the piano, and a special number was sung by a group of the young ladies. Revival services were begun on Sunday at the Baptist Church with Don Martin leading the singing. Everyone was cordially invited.

Mrs. Harshey and Mrs. McKinstry motored to Artesia to see Mrs. James McKinstry who is recovering from a fall from a horse. She is still at the hospital.

Word was received Tuesday that William R. Burck, a pioneer Hagerman resident had died. Funeral services at Espanola were pending the arrival of relatives. Mr. Burck came here when a young boy and lived here many years, later doing contract work in Texas and North New Mexico before locating at Espanola where he farmed. He was the oldest son of the late Mr. and Mrs. John Burck and a brother of the late L. R. Burck. He is survived by four sons and four daughters.

Mrs. C. E. Walton became quite ill Sunday morning and was taken to the home of her son, Everett Walton, of Carlsbad, Monday.

The Woman's Club met on Friday afternoon for their regular meeting. Mrs. Curry, the president, presided at the business meeting at which an offer for the club property was rejected. Mrs. Bob Hart gave an interesting talk on "An Approach to Bible Study." A number of Dexter Woman's Club members were guests of the Hagerman club. The hostesses, Mrs. Ramon Welborne and Miss Esther James, served sandwiches, cake, mints, and coffee from a hand-crocheted, lace-covered table, which was centered by a beautiful arrangement of iris. Mrs. C. W. Curry poured. Those present from Dexter were Mrs. Henrietta Durand, Mrs. E. O. Moore, Sr., Mrs. Oscar Green, Mrs. F. L. Melhop, Mrs. Thomas Mrs. Jack Hubbard, and Mrs. Reed.

Twenty-six persons attended the Good Friday prayer service which was held Friday afternoon at the home of Mr. and Mrs. Charles Michelet.

Mr. and Mrs. Sam McKinstry motored to Hobbs during the week end and spent Easter at the home of Mr. and Mrs. Kenneth Osborne and daughter.

Mr. and Mrs. Lester Hinrichsen have returned from a week end visit at the home of Mr. and Mrs. Al White and family of Melrose. Mr. and Mrs. Ted Curry and son

of Roswell and Miss Helen Curry spent Easter with Hagerman relatives.

Mr. and Mrs. Ivis Boykin and daughter of Artesia were Sunday guests at the home of Mr. and Mrs. John Shockley.

Mr. and Mrs. Francis Boyce have announced the birth of a son Saturday, April 8, in a Roswell hospital. The son has been named Gary Kay.

Neil King has been named the candidate to represent Hagerman High School at Boys State, with Bruce White as alternate. Connie Gibson is the representative to Girls State and Rosella Sparling is alternate.

The Future Farmers of America father-son banquet will be held April 23 and the junior-senior banquet will be held on May 5. The Hagerman stock judging team left for Las Cruces Wednesday to participate in the three-day contest.

Mrs. A. N. Franklin returned home Monday after a week end visit at the home of S-Sgt. and Mrs. A. C. Yielding.

Barbara Stewart was hostess to the Intermediate and Junior classes of the Presbyterian Sunday School at a merry Easter egg hunt and party Saturday afternoon at the Stewart farm. The juniors were in charge of the afternoon's activities. Ice cream, cake and candy were served at the close of the afternoon.

S-Sgt. and Mrs. A. C. Yielding have announced the birth of a daughter on Easter Sunday. The little daughter has been named Jeanette Elaine. She is a granddaughter of Mr. and Mrs. A. N. Franklin of Hagerman.

Mrs. L. D. Foster suffered a heart attack Tuesday morning and is still seriously ill.

The W.S.C.S. met on Wednesday afternoon of last week at the church with Mrs. J. W. Wiggins hostess. The president, Mrs. A. A. Bailey, was in the chair and plans were made for future activities. The "patches" were removed from the apron and the jar in the "traveling basket" opened and the amount received was placed in the adult membership fund. The life membership will be given to Mrs. Jim Williamson, a charter member.

A committee to nominate officers for the coming year was elected. The yearbook lesson was led by Mrs. Bell, who was assisted by Mrs. Walton, Miss James, Mrs. Burck, and Mrs. Hinrichsen. At the close of the afternoon dainty refreshments of cookies, candy and coffee were served to Rev. and Mrs. Bell, Miss James, Mmes. A. A. Bailey, John A. Bell, L. R. Burck, G. W. Chrisman, J. F. Campbell, Lester Hinrichsen, C. W. Curry, Harry Cowan, J. L. Mann, Carl Ridgley, Earl Stine, W. P. West, Mattie Willoughby, C. E. Walton, and J. W. Wiggins.

The L. C. Club enjoyed a luncheon on Thursday afternoon at the home of Mrs. Templeton with Mrs. J. N. Hopkins and Mrs. Earl Stine co-hostesses. Springtime flowers were used in decorating and a lovely luncheon was served to 10 members and two guests, Mrs. E. G. Lathrop and Mrs. W. H. Templeton. Mr. and Mrs. M. D. Menoud were hosts at dinner Easter Sunday, having as their guests Mr. and Mrs. Alfred Yingling of Portales, Mr. and Mrs. Marian Woody and sons of Dexter, Miss Betty Woody of Portales, Wilfred Boswell of Roswell, and Mr. and Mrs. A. D. Menoud and daughter, Gloria.

Mrs. Joe Seskey was hostess Monday at a special meeting of the Extension Club. Those present spent the day in making slip covers assisted by Mrs. Nelson. A delicious menu was served at the noon hour.

Census Of School Children Also Being Taken In Artesia

A census to determine the number of children 6 to 18 years of age and the number of children who will attain the age of 6 by

Jan. 1, 1951, has been started in the Artesia schools.

It is expected the census will be completed this week. This census is separate from the decennial federal census now in progress and is the basis of determining the number of new pupils next session and the distribution of state school funds in Artesia.

Mimeographed forms were handed out to pupils yesterday to be filled in by parents and returned by the pupils to their schools.

Census Expected To Reveal Higher Schooling In U.S.

Among inquiries being made of Americans in the 17th decennial census is one which will concern the highest school year completed. This enumeration also is to ascertain the number of children and youths attending school.

Ten years ago, the 16th decennial census revealed that the average American 25 years old and more—that is, old enough to have finished his formal schooling—had completed 8.4 years of school, or slightly more than the elementary grades.

Some portent of what the 1950 census statistics may reveal about the educational attainment of the average adult American is found in the results of a sample survey the Bureau of the Census made in 1947. By 1947 the median year of school completed had risen to nine years, or the completion of one year of high school. The 1947 median for males was 8.9 and for females 9.3 years of school completed.

In 1940, the median number of school years completed for males 20 to 24 years of age still attending school was 14 and for females 13.7. In 1947, the median for the

comparable group of males had declined to 12.8 years, while that for females had risen to 14 years. The decline in the median for males was due to the interruption of their schooling by service in the armed forces, or employment in war industry during the years of World War II.

The statistics from the 1950 census on educational attainment will reveal whether or not the GI Bill was successful in helping enough veterans to remain in school a sufficient length of time to raise the educational level for these enrolled males up to the 1940 level.

### Local School Team Competing In State Future Farmer Tilt

Agriculture pupils of Artesia High School were competing at Las Cruces today in the annual New Mexico Future Farmers of America judging tournament.

The contest, which opened yesterday, ends tomorrow, is being held at New Mexico A. & M. College.

Artesia is represented by 17 boys. In all, 52 schools and 500 contestants are entered. Artesia's team left here at 9 o'clock Wednesday morning, led by Truman Short, agriculture teacher.

The local team has already won sweepstakes in district competition, held March 25 and April 1, at Lovington and here, taking first in crops and dairy judging, and three seconds in shop, poultry, and livestock.

Winners of the state event in livestock judging will be eligible for the Future Farmer livestock judging contest in conjunction with the American Royal Livestock Show in Kansas City this fall.

Poultry and dairy contest winners will go to the national event in Waterloo, Iowa.

There are 42 boys in Mr. Short's classes here. Fifteen are juniors, 10 freshmen, five are seniors, the balance sophomores.

Local contestants in the state Future Farmer meet are:

Hunt Zumwalt, Wade Green, Tommy Price, livestock judging; Raymond Pearson, Bobby Thorpe, Don Kincaid, dairy judging; Albert Bach, Wade Green, J. H. Jones, crops.

Hunt Zumwalt, Don Kincaid, Dickie Shoemaker, shop; Raymond Pearson, Cecil Gray, Dickie Shoemaker, poultry.

Others are Franklin McAnally, Bob Powell, Richard Howell, Bobby Morgan, Jimmy Neagle, Buddy Parker, and Charles McCauley.

### Bulldog Thinclads To Race Tomorrow At Fort Sumner

Winner of one meet and runner-up in a second, Artesia High School's track team will be competing for the third time this season when the local athletes vie in

the Fox relays tomorrow at Fort Sumner. Last week the Artesia team was runner-up in the White Sands relays. Earlier the local team won the Roswell contest.

Coach Reese Smith has had his squad for the Fox relays reduced slightly because of the state Future Farmer contest in Las Cruces and the band and chorus competition in Roswell.

In all 26 Artesia trackmen are due to enter the Fox Relays, so called from the nickname of the Fort Sumner team. Five of the Artesia squad could not make the trip because of the other events.

The Bulldogs hope to bring back another trophy from the Fox relays as they did from White Sands. Although the Artesia team did not win the latter, it did finish as runner-up.

Trophy awarded the Artesia team is an ivory plastic and gold plated affair, bearing a star, two

plates, one inscribed "Runner-up White Sands Relays 1950," the other blank, figures of two runners on the base, and a runner atop the pedestal, above the star.

### COTTONWOOD CLUB CARD PARTY POSTPONED

The Cottonwood Community Extension Club card party that was planned for tonight has been postponed indefinitely.

Mrs. Melvin Mayberry, president of the club, announced that any one who has purchased tickets may have his money refunded.

### TUBELESS TIRE "TAKES IT"

This picture demonstrates how the new puncture-sealing tubeless tire, now on sale in this area for the first time, can "take it"—and not breathe a sigh. In this destructive spike-board test one spike, underneath, has completely pierced the tire and another, right, is about half way through. But air does not leak out of the tire. A gummy inner layer of special rubber which "surrounds" the piercing objects, then closes the hole when they are withdrawn, gives the new tire its self-sealing ability.

## D. P. (Double Play) Artists at Work

TWO OF THE NATION'S LEADING EXPONENTS of the double play are Jackie Robinson, second baseman, and Pee Wee Reese, shortstop, of the Brooklyn Dodgers. The above series of photos gives an idea of the highly polished technique that has made the Robinson-Reese combination feared and highly respected in the National League. (1) Robinson is set to gather in a grass-cutting ball as runner Billy Cox races for the sack. (2) There is no waste motion as Robinson flips the ball underhand to Reese, who is on the bag. (3) Reese, foot on sack, switches the ball from glove to right hand as Cox crouches for the slide. He's forced. But (4) he goes into the bag feet first as Reese bounds high to avoid the spikes as he rifles the ball to first to complete the double play.

**50,000 Miles - No Wear!**

- Five Years' Driving in 70 Days!** Racing over hot Mexican-border highways . . . 14 hours a day for 10 weeks . . . six brand-new cars put amazing new Conoco Super Motor Oil to one of the toughest tests ever devised. After 50,000 miles of continuous driving, engines showed no wear of any consequence . . . in fact, an average of less than one one-thousandth of an inch on cylinders and crankshafts! Original factory finishing marks were still visible on piston rings!
- New-Car Gasoline Mileage!** Amazing result: gasoline mileage for the last 5,000 miles of the run was as good as for the first 5,000 miles . . . actually there was an average difference for the fleet of only 4/100 of a mile per gallon! This astounding test—equal to 5 years of normal mileage—showed that Conoco Super Motor Oil, with regular care and proper crankcase drain intervals, can keep your new car new!
- New-Car Power! Quicker Starts!** Yes—Conoco Super Motor Oil's extra protection keeps that factory flash . . . that showroom smoothness . . . year after year! Only Conoco Super Motor Oil OIL-PLATES metal surfaces to make your engine last longer, perform better, use less gasoline and oil! Conoco Super Motor Oil virtually stops wear before it starts . . . keeps your engine new and clean! Conoco Super Motor Oil is the great new modern wear-fighter!

Clearwater, Fla. (AFPS)—Russ Meyer, brilliant right-handed pitcher for the Philadelphia Phillies, has been sent to Johns Hopkins Hospital in Baltimore with a fractured elbow on his pitching arm. Meyer cracked the elbow pitching in an exhibition game with the New York Yankees.

Indianapolis, Ind. (AFPS) — American Legion Junior Baseball has been assured of player representation on the United States baseball team at both the 1951 Pan-American Games and the 1952 Olympics. The 18-man U.S. team will be selected from nominees of colleges and major sandlot organizations. A United States team is to compete in the Pan-American Games at Buenos Aires, Feb. 25-Mar. 8, 1951.

South Bend, Ind. (AFPS) — Notre Dame's football forces, unbeaten in 38 straight games, opened spring practice on St. Patrick's Day. It's an old Fighting Irish custom and more than 100 sturdy lads were on hand to observe it.

Brooklyn (AFPS) — The Dodgers plan to have everything at Ebbets Field this year—even water. They're digging a 125-foot well just outside the right-field foul line to supply the water needed for watering the grass and maintaining a clean park.

### Most Powerful Aircraft Engine

The world's most powerful aircraft-type engine is shown here for the first time, assembled with its giant counter-rotating propeller, gearing mechanism and controls needed for actual flight installation. Engine is the Air Force's new XT-37 Turbodyne, developed by The Turbodyne Corporation of Hawthorne, California, first organization in the U.S. to be formed for gas turbine research.

The 10,000 horsepower plus Turbodyne is similar in operation to turbo-jet engines but delivers its power on a shaft, which can be used to turn a propeller, thus permitting far longer range than is possible with turbo-jets.

The Turbodyne is the only engine of its type which is designed for either tractor or pusher installation, enabling it to be used without modification on several types of large airplanes.

### IF

(From The Desert Airman)

IF everyone who drives a car could lie a month in bed.  
With broken bones and stitched-up wounds, or fractures of the head, And there endure the agonies that many people do;  
They'd never need preach safety any more to me or you.

IF everyone could see a shattered relative or friend,  
And hear the doctor say "no hope" before that fatal end,  
And see him there unconscious, unaware of time or place,  
The laws and rules of traffic I am sure we'd soon embrace.

IF everyone could meet the wife and children left behind,  
And step into the darkened home where once the sunlight shined,  
And look upon the vacant chair where Daddy used to sit,  
Sure, each reckless driver would be forced to think a bit.

IF everyone would realize that pedestrians on the street  
Have just as much the right-of-way as those upon the seat,  
And train their eyes for children who run recklessly at play,  
This steady toll of human lives

### He Got NSLI Check; But Must Give It Back

Atlanta, Ga. (AFPS)—Is two days' Army service worth a dividend of \$115?  
The Veterans Administration says no, ordering James H. Brown, Tucker, Ga., to return a check for that amount.  
Brown, whose only contact with the Army was 48 hours spent in a wartime processing camp, during which he was rejected, received the \$115 check as payment for a National Service Life Insurance policy he never held.  
would drop from day to day.  
IF everyone who drives a car would heed the danger signs  
Put up by engineers who marked the lines  
To keep the traffic in the lane and give it proper space,  
The accidents we read about could not have taken place.  
AND LAST  
IF he who takes the wheel would say a little prayer,  
And keep in mind those in the car dependent on his care,  
And make a vow and pledge himself to never take a chance,  
The great crusade for safety then would suddenly advance.

### Humoresk

#### QUESTIONS

1. Name the West Newton, Mass., skier who won the national combined downhill-slamol title in 1949?
2. He was named to many All-American teams in 1928-29-30 and is now head coach of his alma mater in the Big Ten. Who is he?
3. Who was the NHL goalie, nicknamed "Mr. Zero," who allowed an average of 1.58 goals per game during the 1938-39 season?
4. What Ohio State swim star took the 400-meter freestyle title in the 1948 Olympics?
5. What ex-Giant player had a .320 batting average in 1915—the lowest ever to win the National League batting title?

#### ANSWERS

1. George Macomber.
2. Wes Fesler, coach of Ohio State.
3. Frank Brimsek.
4. Bill Smith.
5. Larry Doyle.

phobia?"  
"I've been leading a dog's life ever since I came here."

Airman: "How long can a man live on his nerve alone?"  
WAF: "I dunno. How old are you now?"  
"What do the three balls in front of a pawnshop mean?"  
"Two to one you don't get it back."

A dress  
May impress;  
But a sweater  
Is better.

Eng. Prof.: "What's the difference between an active verb and a passive verb?"  
Co-ed: "An active verb shows action and a passive verb shows passion."  
Lady (at party): "Where is that pretty maid who was passing out cocktails a while ago?"  
Hostess: "Oh, are you looking for a drink?"  
Lady: "No, I'm looking for my husband."  
No need to plead with all your might,  
Or tease her with your taunts;  
For when you start to say good-night,  
You'll kiss her—if she wants.

An aged country farmer was being shown around the Naval Observatory and was greatly impressed by what he saw.  
"This clock," said a guide rather

pompously, "is the one from which the whole world takes its time."  
"Wonderful," said the old timer, surveying it with open mouth. Then, drawing a silver turnip watch at the end of about two feet of chain, from a pocket like a sack, he said, "And it's not but five minutes fast, either."

"I was out over the speedway today and in 30 seconds I did a mile in four laps."  
"That's nothing. I know a young lady who did 30 miles in one lap, and she would have done more if I hadn't got a cramp in my knees."

"Bertram doesn't even enjoy horseback riding any more—if only they'd just pay a few thousand on the national debt!"

### Odd Fact

In Vienna, Austria, police ruled that actresses and female artists signing official papers might lie about their age, up to ten years, without risking punishment for falsification of facts.

By Armed Forces Press Service
The United States Golf Association announces several rule changes effective immediately.

Also, the rule covering the limits to which a golfer may go in moving material which may hide the ball has been amended as follows:

A player may move fixed or growing objects (including sand) to the extent necessary to enable him to find or identify the ball, provided that, before addressing the ball, he restores the objects (including sand) to their original position.

There are many other clarifying changes in the 1950 rules, chief of which are:

1. A ball is now out of bounds when the entire ball lies outside the course.

2. In stroke play, under the 14-club rule, a player is not permitted, during a round, to borrow a club from any other player in the competition.

Bill Corum, new master of the Kentucky Derby, who succeeded the late Colonel Matt Winn, predicts a "wide open race" and names seven horses as best choices: Your Host, Oil Capitol, Hill Prince, Middle Ground, Guillotine, Theory and Mr. Trouble.

President Ford Frick of the National League says for the record that Brooklyn is the team to string along with as champion this year.

The Dodders have proven themselves and they have a large number of veterans returning. The team has balance, quality and quantity. It has good leadership and excellent talent, he says.

Hangar Flying
Tom Sivley and Herman Fuchs flew to Midland, Texas, Thursday of last week and returned the same day.

Raymond Pearson took his dual cross-country flight Thursday of last week. He was accompanied by "Sug" Hazel.

Morgan Nelson of Roswell visited the Artesia airport Thursday afternoon of last week.

Ramon Davidson, a pilot at the airport, was home from Sol Ross College at Alpine, Texas, for the Easter holidays.

Those who soloed this: Ericoupe last week were Raymond Pearson, Calvin Brashears, Fritz Moeller, Felix Farmer, Raymond Cavin, Bill Leaf, and George Wier.

Felix Farmer went to Hobbs Saturday to take a medical for his commercial flight training course.

Mr. and Mrs. J. R. Lund and daughter, Helen, flew to El Paso Friday afternoon of last week to spend the Easter holidays with Mrs. Lund's parents, Mr. and Mrs. Robert E. McKee.

A good attendance was held at ground school Wednesday night of last week. Several new members appeared.

B. F. Parker of the Artesia Jewelry Company started his flight training last week. He is now in Artesia.

Herman Fuchs and family spent the week end in Lubbock, Texas, where Mrs. Fuchs' parents are receiving medical attention.

Chuck Spangler flew in from Snyder, Texas, Monday morning. Ground school was held Wednesday night with Bob Collins instructing.

Troop 2 had a party at the First Methodist Church Monday afternoon. The girls drew straws for duties of preparation and cleaning up. They served tuna sandwiches, potato chips and cold drinks.

Troop 3 took a nature walk to Mae West Curve looking for signs of spring on the way. They took their sketch boards and drew pictures of what they saw. They played relay games.

Troop 5 and 13 met at Central School to prepare for their fly-up next month.

Troop 17 hiked several blocks and as a special treat stopped for ice cream.

Troop 10 made plans for a picnic to be held in two weeks. They discussed menus for outdoor meals and what clothing to wear. They played "Red Light" and at the close of the meeting Claire Collins served refreshments.

Troop 12 chose the wild rose as their scout crest and ordered their second class badges and troop numbers for their uniforms. Gloria Lowery brought refreshments. The Scouts did two square dances and acted out a song.

Troop 11 began work on a play, "Twelve Dancing Princesses," for which the girls are writing original words with a part for each member.

Troop 20 walked from Central School to Mae West Curve, where the little Brownies played several relay games.

Your State Government
By Thomas J. Mabry GOVERNOR

The less men think the more they talk. One of the hard things about business is minding your own.

New Mexico is to have one of the beautiful state capitols of the nation—and we are getting it without the levying of a single dollar of tax or issuing one bond.

We are paying for it as we build and spending only what we have on hand from savings. The building and remodeling program is proceeding rapidly. The new office building which went under construction last fall is a little ahead of schedule.

By the joint remodeling and new addition plan, we are going to have a new state capitol at a cost of less than three million dollars and with a replacement value of around seven million dollars.

When the building program is completed, it will be possible then to consolidate the state offices in one central location. At the present time, offices of various departments are scattered all over the city. The departments that have to rent space outside the Capitol pay thousands annually. This will now be saved.

The new building will be a beautiful structure, in territorial style architecture. It will blend with the Supreme Court and the welfare buildings which were constructed some years ago.

We will begin this summer the

second phase of the capitol building and remodeling program. This next step calls for an addition to the old capitol. When that phase is completed, it will leave only the remodeling of the original capitol and the two annexes to complete the plan. The remodeling will also be in territorial architecture.

The work that is now being carried on, and that which will be done later, will all be financed out of savings without levying any additional taxes or issuing bonds. I believe every taxpayer will appreciate that we obtained all these buildings through savings. We were also fortunate in getting a contract for the first unit for \$100,000 under the architect's estimate.

Many states may not build their state capitol or make improvements without levying taxes or issuing bonds. We will have one of the most beautiful capitols in the nation and it will be completed with a present outlay of some three million, or less, without resorting to either method, without going into debt one dollar, or without paying one penny in interest charges. To quote from a recent article in The Santa Fe New Mexican:

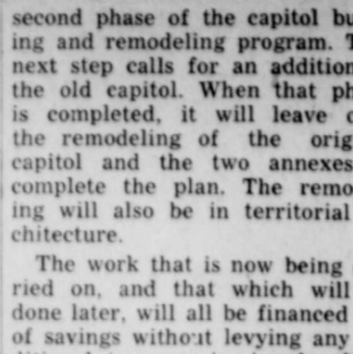

"As in the first phase of the improvement program, the work now coming up for contract will be paid for with savings accumulated by state offices.

"If that pendulum will just keep on swinging the same way a little longer New Mexico will have a worthy capitol that all the state will be proud of and nobody will pay an extra dime in taxes for its construction."

Just to show how much it means to erect a new capitol office building: from savings rather than from the proceeds of bonds, the debt of \$250,000 incurred to erect the present capitol annex in 1922 was paid off only this year. In fact, the state has paid more in interest than the principal sum amounted to.

Incidentally, New Mexico has one of the lowest tax rates in the nation—20 mills on the dollar, for general purposes. I would advise keeping this low rate (which is now fixed by the Constitution) however hard up we may get for money at times.

If this tax limitation is ever removed, I fear there will be a desire on the part of institutions and departments to want more money than we can afford. Economy works best when the revenue available for expenditure is limited—and hard to get.

Like It?

IT'S "ELASTISS," an elastic nylon material turned into a swimsuit by Paris designer Andre Ledoux. Model sort of makes one year for summertime. (International)

million, or less, without resorting to either method, without going into debt one dollar, or without paying one penny in interest charges. To quote from a recent article in The Santa Fe New Mexican:

"As in the first phase of the improvement program, the work now coming up for contract will be paid for with savings accumulated by state offices.

"If that pendulum will just keep on swinging the same way a little longer New Mexico will have a worthy capitol that all the state will be proud of and nobody will pay an extra dime in taxes for its construction."

If this tax limitation is ever removed, I fear there will be a desire on the part of institutions and departments to want more money than we can afford. Economy works best when the revenue available for expenditure is limited—and hard to get.

CELESTINE
Try adding a blade of mace to spinach, putting a little celery seed in your potato salad, adding—at the last moment—a little curry powder to an omelet.

Artful Seasoning
Leaving the spice shelf, let's consider the claim of the onion, when it comes to artful seasoning. For there's scarcely a savory dish that isn't the better for a bit of onion sauteed to a nice light golden yellow, never brown.

Garlic is good, too, when properly used. One clove is enough for a whole lamb roast, and some folks like steak rubbed with a garlic clove before broiling. Chefs in some of the country's finest hotel and club restaurants rub all steaks, chops and broilers with a bit of onion or garlic, and dip them in olive oil just before broiling.

TODAYS Menu
Add Spice To Your Cooking
By ALICE DENHOFF
AS WITH clothes, it's the extra touch, the dash of imagination, that lifts food from the commonplace. Its sources are many and varied and often hard to define, but care and experiment are sure to bring results. No matter how basic the foods, how simple the meal, it isn't too difficult to give it both eye and palate appeal. So let us from time to time review the possibilities of obtaining and adding those important little improvements.

CAR TUNES
THE OLD ACCORDION MAN
KEEP A SAFE DISTANCE BEHIND THIS CAR

Look how you save with Dynaflow

FIRST thing you notice, of course, is the bother and effort Dynaflow Drive\* saves.
You may well discover another pleasant surprise, too.
We are getting a steadily mounting number of well-satisfied letters about gasoline mileage with Dynaflow cars.
The SPECIAL has shown some records little short of phenomenal. The SUPER is delivering mileage that compares most favorably with gear-shift cars. And the ROADMASTER more than holds its own with cars of its size and bulk.
In short, there's a lot more to please your budget in the 1950 Dynaflow than its new lower price. Refinements over the past two years result in savings that are sizeable over the life of the car.
Knowing that, don't you want us to demonstrate the big side of Dynaflow—the utter smoothness of America's first oil-does-it-all drive?

Boeing Jet Transports

Artist's sketch shows three of Boeing Airplane Company's jet transport design studies. Note that each of planes inherits swept-back wings and tail surfaces similar to Boeing B-47 Stratojet medium bomber, which this company is building for the U.S. Air Force.

Long range, transocean version shown at bottom would use six turbo-jet engines mounted in gondola fashion similar to Stratojet. It would also inherit double-deck feature of the conventionally-powered Boeing Stratojet.

Other versions use four turbo jets, and top plane in photo illustrates use which could be made with wing-mounted fuel cells. Performance estimates have not been revealed for any of these proposals.

Although the company is enthusiastic over preliminary studies in this field it has pointed out that heavy development costs and uncertainty of licensing regulations have prevented construction of a prototype.

Loco Hills Items

(Mrs. Earl Smith) Guests in the Kirk Phillips home for the Easter holidays were Mrs. Phillips' brother, Raymond Hollis, and Mrs. Hollis and their children of Albuquerque; Mrs. Phillips' sister and family of Sweetwater, Texas, and Mrs. Phillips' parents of Hope.

Jack Ward and Miss Dorothy Carver of Artesia spent Easter Sunday in El Paso and Juarez.

Mr. and Mrs. Jack Plemons and Glen Henry spent Easter Sunday in Hamlin, Texas, visiting both his and her parents.

Mr. and Mrs. Vernon DeWitt of the Coronado Camp were expected home about Sunday from Corcoran, Calif., where they were called to attend the funeral of Mrs. DeWitt's

Booster!

LA DEAN HADAWAY is an attractive attraction herself, although as "Stamp Sweetheart" of the Phoenix, Ariz., Chamber of Commerce the idea is for her to help publicize special commemorative stamps issued by the booster body. The stamps show various Phoenix tourist attractions

WOODSIDE Plumbing & Heating & Contractors - SALES - SERVICE 101 SOUTH FIRST - PHONE 750-W

Mr. Standard and their son, of Buckeye.

Mr. and Mrs. Walter White of Maljamar were visiting friends here Thursday of last week.

Mr. and Mrs. Morris Doughty and daughter and Mrs. Doughty's parents, Mr. and Mrs. O. M. Love, and their son left for Oklahoma Wednesday of last week. The Doughty family expect to be gone about a week.

Jim Cook, who is recovering from major surgery, came home last Saturday from Texas. He will soon be able to go to work.

Mr. and Mrs. P. E. Cook of Monument spent Easter week end with old friends, Mr. and Mrs. Evan Fisher.

Mr. and Mrs. N. G. Barton took their daughter, Mrs. John Burns, and her sons to their home in Big Spring, Texas, after spending several days here visiting.

Mr. and Mrs. Bill Case and son are visiting in Oklahoma.

Mr. and Mrs. Charles Mills' son and his family from Kermit, Texas, spent the Easter week end here. Mr. and Mrs. Wilburn Davis entertained relatives from Texas last week end.

Guests Easter Sunday in the home of Mr. and Mrs. Raymon Jones and son, Darryl, were Mr. and Mrs. M. E. Wathen and Mr. and Mrs. Dewey Barton and children, Sue, Larry, and Don Ray, of Artesia. The children participated in the General American Company Easter egg hunt, and Larry Barton found the prize egg.

Mr. and Mrs. David Scott and children of Irian, Texas, former residents here, are visiting several days with Mr. and Mrs. W. R. McClendon.

Mr. and Mrs. C. R. Richardson of Hobbs spent Sunday night with Mr. and Mrs. J. M. Richardson. They also visited the L. D. Richardson family.

Guests in the home of Mr. and Mrs. Jeff Richardson Wednesday of last week were Richardson's sister, Mrs. J. C. Ives, and Mr. Ives of Kermit, Texas.

Guests in the C. R. Doughty home last week were Mrs. Doughty's father, Riddle Orums; her sister, Mrs. James Brown, and her family, and another sister and her family of Borger, Texas. Mrs. Doughty's sisters, Geraldine and Lena Orums, who had been here some time, went to Borger with their father.

Mr. and Mrs. Glen Brown and daughter, Glenna, were week end guests of her parents at Robert Lee, Texas, recently.

Mr. and Mrs. H. L. Miller and daughter, Alice, spent the Easter week end in Sundown, Texas, visiting Miller's parents, Mr. and Mrs. E. L. Miller, and family.

Mr. and Mrs. Carl Miller and children have moved to Lovington. Recent guests in the home of Mr. and Mrs. Edgar Chase were Mr. and Mrs. Oscar Doughty and children of Maljamar and their daughter, Mrs. R. B. Standard, and

intendent of Pecos, Texas, and guests from Artesia and nearby towns enjoyed the sermon and dinner.

The Loco Hills Parent-Teacher Association sponsored an Easter egg hunt for school children and little guests last Thursday afternoon at the school. A thousand eggs were hunted by the children.

The General American Oil Company of Texas, sponsored an Easter egg hunt for employees' children and children of the community on the camp tennis court and grounds at 2:30 o'clock Easter Sunday afternoon.

Mr. and Mrs. D. C. Stanhope and daughters of Denver City, Texas, were week end guests of Mrs. Stanhope's brother, A. O. Duckworth, and his family. The group visited a niece, Mrs. Coleman Jones, and Mr. Jones and their family at Hagerman.

Guests for the Easter week end in the home of Mr. and Mrs. Charles Tyar were their daughter and her husband of Levelland, Texas, and their sons of Friona and Canyon, Texas.

Mrs. Fanny Beford of Carlsbad was a guest Easter Sunday of her sister, Mrs. Charles Wier, and Mr. Wier, and her brother, Wesley Meador, and Mrs. Meador.

Mr. and Mrs. W. A. Hammond and family spent Easter Sunday picnicking at Sitting Bull Falls.

Mr. and Mrs. Rufus Swinford and son and Mr. and Mrs. D. R. Reed of Carper Camp spent the Easter week end in Pampa, Texas, visiting their respective parents.

Miss Duluth Richardson spent the Easter week end in Artesia visiting her cousin, Truett Loyd, and family.

Guests in the home of M. E. Stewart over the Easter holidays were their two daughters and their families from Odessa and Longview, Texas.

C. R. Doughty is recovering from a back injury and will be able to go to work soon. Mr. and Mrs. Melvin Williams and children of El Paso spent Easter week end here visiting his pa-

Capture Year 'Round Indoor Comfort ...

... by equipping your home with quality Johns-Manville Insulation. Applied in about a day, it sets up a barrier that shuts-out summer heat... seals in warmth on cool days. The result? Balanced indoor temperatures 365 days a year. Come in or call 178 for an estimate NOW! \$5.00 A MONTH INSULATES AN AVERAGE 5-ROOM HOUSE.

New Legible Signs Replace Old Ones At Artesia Post Office

Neat legible signs now replace the old dim labels over the drops in Artesia post office.

They are of tin, have blue background, black lettering, measure about two inches wide by 11 inches long.

On the observers left are "air mail" and "large letters;" on the right, "outgoing and local."

Another new feature at the post office, made known by Jess Truett, postmaster, is the announcement of postoffice boxes now available. They are rented on a quarterly basis. Recently 300 boxes were added, making 1080 in all.

Southwest Winds Give Artesia Taste Panhandle Weather

Artesia and vicinity got a touch of Texas panhandle weather last 2 week end.

Dust swirled in and over Artesia 2 propelled by southwesterly winds that ranged in velocity from 48 to 55 miles an hour at Carlsbad to 50 to 60 miles an hour in Roswell.

Visibility at Lamesa was cut to

one-fourth mile on Easter Sunday, the same day the big duster hit here. Yesterday the storm lingered over Lubbock and Big Spring.

A. H. Hazel Air Service yesterday said wind here was 20 miles an hour at 7 o'clock that morning, but had dropped to 10 miles at noon.

Prevailing direction remained from the southwest.

High Winds Sunday Recall Black Duster Of 15 Years Ago

Swirling dust and high velocity winds here Sunday recalled to Bill Bullock, the historic black duster of 1935, 15 years ago.

At that time he was a student in Texas Technological College, Lubbock. As a souvenir of the famous weather phenomenon he has a small-size photograph of a huge black cloud of dirt, hovering over an Avenue Q filling station in Lubbock.

It was a discouraging prospect at the filling station for the dust storm occurred at the time the station was being painted.

Bullock said the photograph had been published in Life Magazine.

LIMITED TIME! LIMITED QUANTITY!! HURRY!!!

Here's the BUY of your LIFE! 5 LIFEGUARD SAFETY TUBES by GOOD YEAR for the price of 4 (and your old tubes)

SAFETY FOR YOU SAFETY FOR YOUR FAMILY SAFETY FOR YOUR CAR at a big SAVING! MAKE BLOWOUTS! HARMLESS!

Here's how LifeGuards can save your life ...

Diagram showing a tire cross-section with 'LIFEGUARD SAFETY TUBE' and 'AIR CHAMBER' labels. Text: Ordinary tubes have only one air chamber... in event of a blowout both the tire and tube instantly go flat, frequently throwing the car out of control into oncoming traffic or a ditch. The result, too often, a fatal accident!

The LifeGuard has TWO air chambers... only the outer chamber gives way when a blowout occurs, and reserve air in the strong cord fabric inner chamber supports your car long enough for a safe, gradual stop. Your car is undamaged - You are safe!

Trade for LifeGuards today - you can't get better protection to save your life!

BUY ON OUR EASY PAY PLAN - PAY AS YOU DRIVE GUY TIRE & SUPPLY CO. 101 SOUTH FIRST PHONE 920
