Huge Tornado Destroys Homes

around
Muleshoe

John W. Smith, manager of the Muleshoe Chamber of Commerce and Agriculture, said the 4th of July is drawing near, and one of the main events is the parade.

The parade is scheduled for 4:30 p.m.

He asks that you sign up your entry in the parade as soon as possible at the CofC office at 215 South First, or call 272-4248.

The parade theme this year is "From George to George" (Washington to Bush).

"Lowering Cholesterol Levels Through Proper Diet" is to be taught by registered dietician, Sherry Nusser, R. D., the nutritionist for Texas Department of Health, Region 2, of Lubbock. She will teach by showing slides, lecturing and through individual counseling for anyone interested, at no charge.

This service is being sponsored by TREWA (Texas Rural Electric Women's Association) in conjunction with the Cholesterol and Health Blood Test Screening being done June 8-9.

This diet counseling class will be at Bailey County Electric, the upstairs meeting room, on June 14. One class will be 3-4 p.m. and again 6-7 p.m.

Please call the Texas Department of Health at 372-5561 for further information.

Six students from Muleshoe are among 477 students named to the combined President's and Dean's Honor Lists for the spring 1989 semester at South Plains College, Levelland.

Named to the SPC President's Honor List are Omar Sanchez and Lou Black.

Those named to the Dean's Honor List are Sandra Chancey, Suzette Huerta, Teresita Mendoza-Boru and James Ziegenfuss.

Kathryn Williams of Lazbuddie is among 142 students named to the President's Honor List for the spring 1989 semester at South Plains College, Levelland.

Jennifer Kirk of Bula is among 335 students named to the Dean's Honor List for the spring 1989 semester at South Plains College, Levelland.

Six students from Muleshoe are among the 319 Eastern New Mexico University students named to the 1989 Spring Semester Dean's Honor Roll.

Included were Carol D. Evins, junior elementary education major, summa cum laude; Jennifer J. Givens, senior elementary major, summa cum laude; Melissa Sanchez, senior elementary education major, summa cum laude; Patricia L. Summers, senior mathematics major, "honors"; Wendy Gay Jarman, senior biology major, "honors"; and Debra S. Johnson, senior elementary education major, "honors."

Donae Parker of Maple received a Bachelor of Science Cum Laude from West Texas State University, Canyon, on May 20.

Donae is a graduate of Three Way High School, and the daughter of Don and Jean Parker of Maple. She is the granddaughter of Vern and Robin Taylor of Muleshoe.

Donae was active in Alpha Zeta Honor Fraternity, and Mortar Board. She served the university on the curriculum committee, and was named to the Dean's list five times, and the President's list two times. She was named an Outstanding

WHAT WAS LEFT OF THE BACK OF THE CAGE HOME--Tangled wreckage, mangled vehicles and twisted wire was virtually all that was left of the back of the J. D. Cage home late Saturday afternoon when a large tornado whirled through it. The Cage's were at their ranch with guests, and were not injured in the tornado. (Journal Photo)

Cage, St. Clair Homes To Be Re-Constructed Tornado On Ground 20 Minutes; Hits Four Homes, Barns, Sprinklers

Late Saturday afternoon, it was all routine business in and around Muleshoe. At least, it started out that way.

Then, at approximately 6:30 p.m., Jeff Smith and Andy Moore were outside at their residence, two miles east of Muleshoe, just off highway 70.

Andy said he started out to feed the pigs and his step-father, Jeff, was working on something in the garage, when Andy said he noticed a 'strange-looking' whirlwind forming in the front yard, just to the west of the house.

He called to Jeff and they watched the 'whirlwind' grow larger and larger, as it moved to the northwest, toward the Randy Johnson home.

Then, when it was just over the Johnson home, the whirlwind started up, and a funnel came down to meet the young tornado.

It traveled to the northwest, hitting the J. D. Cage home and Smith and Moore, who were following in a pickup, said "The Cage home looked like it exploded. We saw the roof go up into the air, a large tree was 100-150 feet in the air, and stuff was flying everywhere."

From the devastated Cage home, which also severely damaged or destroyed three vehicles, the tornado continued its trek to the northwest, striking the Bill Jim St. Clair home, uprooting trees, removing the roof and

doing other damage. In the meantime, Curby Brantley Jr. and Wayne Wauson, both EMT's with the Bailey County EMS, were west of Muleshoe in two different locations radioing in the fact that it appeared to be coming into Muleshoe.

Muleshoe Fireman J. O. Parker was on the east side of the tornado and Fireman Jack Rennels was on the west side of the tornado.

"I started backing up as it was coming toward T. R. White's house where I was parked," said Rennels.

Then the tornado changed directions and started moving to the northeast, where it struck the Rex Black residence, taking out a large antenna, damaging gas tanks, windows, and the attic of the home.

DPS Patrolman Lacie Kirk Cont. Page 6, Col. 3

Bamert Tells Rotary Club How Seed Operation Started

'Grass' was the topic for the Tuesday meeting of the Muleshoe Rotary Club. You know -- the old fashioned kind -- like sand bluestem, lovegrass, buffalo grass, broom grass, indiangrass, and many other kinds.

Nick Bamert was in charge of the program, and told of his parents, Carl and Cookie Bamert starting their grass farm with 25 acres of seed, in 1951.

In the 1970s, he said, the grass seed market got soft, and the Bamerts had many lean years before they became established. Slowly, according to Nick, the family started experimenting with various grasses and became more involved in marketing.

With the 1986 CRP program, they started shipping grass seed all over the nation, and currently produce 35 different kinds of grass and millet.

According to the grass seed grower and shipper, their grass

goes mostly to ranchers, with some being sold to be planted along highways, low maintenance areas, and other locations.

"We are constantly checking out new grasses," he said. "We experiment with other than native grasses. For instance, some of the grass we grow right now, originally came from Africa."

Bamert said there are no hybrid grasses like corn, and all grass produced at their grass operation north of town is developed through experimentation, and is adapted for growth in certain areas of the country.

He then presented slides that showed various aspects of the operation, including controlled burning of the grass stems in March, planting, harvesting, cleaning and preparing for shipment.

Rotary President George Nieman told Rotarians that Jackie Denham (the cook) would be out of town on June 27th, so officer installation will be at noon on Tuesday, June 20.

He also offered further Rotary assistance to the J. D. Cage family, who lost their home last

Girl Scouts Ask For Help For Clean-Up

Muleshoe Girl Scouts, being very proud of their 'Hut' are on a clean-up, fix-up campaign -- and -- they need your help!

As adequate storage is a big problem -- if you have shelves or cabinets you would like to donate to the Girl Scouts, they would be appreciated.

Other items needed include -- curtains, window shades, paint, kitchen items in good condition, water hoses, three-pound coffee cans, cleaning supplies, and yard cleaning supplies.

If you have any of these items you would be willing to donate, and would like to see them put to good use, or, if you have other items the Girl Scouts could use, please give them a call.

For more information, or for pick-up of items, call Rea Morris, 272-4329 or Terry Radford, 272-4323.

CofC Planning Thursday Breakfast For Membership

Robert Montgomery, president of the Muleshoe Chamber of Commerce and Agriculture, has announced that it's time for the quarterly membership breakfast.

It will be held Thursday, June 8, at 6:45 a.m. in the Bailey County Coliseum meeting room. There will be no charge for the breakfast, which will be prepared by the CofC directors and volunteers.

President Montgomery urges that all members to be present. There will be a special program relating to the Hospital District election June 20. This will give you an opportunity to ask any questions you may have about the proposed hospital district.

WPMC Keeping Saturday Morn Office Hours

John Chisholm, administrator at West Plains Medical Center reminded that offices at the hospital are open 8 a.m.-12 noon each Saturday for the convenience of people who cannot go into the hospital on weekdays to take care of insurance, make payments, or conduct other hospital business.

Hospital District Public Meetings Monday, Tuesday

Two public meetings are scheduled by the coordinating committee for the Muleshoe Area Hospital District election.

The first of the meetings will be Monday, June 12, at 7:30 p.m. in the Lazbuddie School Cafeteria.

The second meeting will be held Tuesday, June 13, at 7:30 p.m. in the High School Auditorium in Muleshoe.

You are encouraged and urged to attend either or both of these important meetings.

Bring your questions, and perhaps you will find all the answers you need!

TORNADO TAKES SWIPE AT BILL JIM ST. CLAIR HOME--Just west of the J. D. Cage home near Muleshoe on Highway 70, is the home of Bill Jim and Marlene St. Clair. A tornado moved from the southeast to the northwest, until after it struck the St. Clair home, then veered to the northeast. (Journal Photo)

DeShazo Awards Assembly Held

HOW MARY DESHAZO SCHOOL GOT ITS NAME--During the awards ceremony last week at DeShazo Elementary, the family of the late Mary DeShazo, whom the school was named for, presented Dr. Lawrence Ward a picture of the late Mrs. DeShazo to hang in the school. In making the presentation, John DeShazo described his mother as being a very dedicated teacher. (L-R) Farena Harris, sister of the late Mrs. DeShazo; Dr. Ward, superintendent of the Muleshoe Schools; John DeShazo, son of the late Mrs. DeShazo; and Nell Ween, daughter of Mrs. DeShazo. (Journal Photo)

THIRD AND FIFTH GRADE STUDENTS--(Top Picture) Third grade students at Mary DeShazo Elementary who mastered all areas of the TEAMS test were honored during awards ceremony held recently. (Lower Picture) Fifth grade students who mastered the TEAMS test. (Journal Photos)

BICYCLE WINNERS--Kendra Johnson, right, was the lucky winner of the first bicycle given during the DeShazo School assembly last week. After drawing several more girls names, they each received a dollar, Mrs. Nell Wee drew Kyle Embry's name and he received a bicycle. (Journal Photo)

UIL PARTICIPANTS--Third, fourth and fifth grade students were presented certificates for placing or representing DeShazo in UIL events during the Annual Awards Ceremony recently. Events they entered included Storytelling, Ready Writing, Picture Memory, Number Sense, Girls Oral Reading and Boys Oral Reading. (Journal Photo)

PERFECT ATTENDANCE AT DESHAZO--DeShazo Elementary students receiving Perfect Attendance Awards included: (Third Grade) LeAnn Altman, Stephen Brantley, Jacen Claunch, Arturo Sanchez, Rhonda Warner and Jerrod Pickering. (Fourth Grade) Priscilla Aguirre, Freddy Coleman, Darren Elliott, Stephanie Guerrero, Brandi Harrison, Heather Hooten, Patricia Jaime, Melissa Mata, Ray Rincon and Linda Barron. (Fifth Grade) Adam Nelson and Frank Perez. (Journal Photo)

PRESIDENTIAL ACADEMIC FITNESS AWARDS--Mary DeShazo Elementary School students receiving Presidential Academic Fitness Awards included: Carissa Buie, Riley Byers, Samantha Caswell, Robbie Clapp, Yolanda DeHoyas, Barak Harlan, Suzy Hodges, Holly Hutton, Chad Johnson, Brittany Kirby, Camille McCune, Brandi Morgan, Charles Neeley, Lauri Puckett, Johnny Rodriguez, Mandy Seales, Dacia Stewart, Kimberlee Vaughn and Samuel Villarreal. (Journal Photo)

ENGAGEMENT ANNOUNCED--Mr. and Mrs. Glen Testerman of Sudan announce the engagement and approaching marriage of their daughter, Jannette Dianne, to J'Don Kube, son of Berna Dean Kube and the late Clarence Kube of Farwell. Wedding vows will be exchanged on Friday, July 7 at 8:30 p.m. at the home of the bride. The bride-elect is a 1986 graduate of Sudan High School and a 1987 graduate of Jessie Lee's Hair Design Institute. She is employed at Louie's Shear Shack in Muleshoe. The groom is a 1985 graduate of Farwell High School and is employed at Fry and Cox in Muleshoe. (Guest Photo)

Local Women Named Outstanding Young Women

The Board of Advisors for the Outstanding Young Women of America awards program announced today that Janna Lou Wuertlein and Tawna Gay Ward, both of Muleshoe, have been selected for inclusion in the 1988, edition of Outstanding Young Women of America.

Now in its 24 year, the OYWA program is designed to honor and encourage exceptional young women between the ages of 21 and 36 who have distinguished themselves in many fields of endeavor, such as service to the community, professional leadership, academic achievement, business advancement, cultural accomplishments, and civic and political participation. Achievements in these areas are the result of dedication, responsibility, and a drive for excellent-qualities which deserve to be recognized and remembered.

The women listed along with other Outstanding Young Women throughout North America, were selected after 15,000 nominations were received from political leaders, university and college officials, clergymen, business leaders, as well as from various civic groups and community organizations. Each young woman will be represented by her biographical

entry in this prestigious annual awards publication.

Our Board of Advisors and Editors salute all those honored as Outstanding Young Women of America. We take great pride in bringing their accomplishments to the attention of the American public.

Driver, Ingle

Engagement

Announced

Mr. and Mrs. Lester Driver of Levelland announce the engagement and approaching marriage of their daughter, Tammy to Jamie Ingle, son of Mr. and Mrs. Jim Ingle.

Wedding vows will be exchanged on Friday, July 21 at 7 p.m. in the Cactus Drive Church of Christ in Levelland.

The bride-elect is a 1987, graduate of Levelland High School and a 1989, graduate of South Plains College. She attended Lubbock Christian University in the fall.

The prospective groom is a 1985, graduate of Sudan High School and a 1987, graduate of South Plains College. He is employed by Vertical Turbine Specialists in Littlefield.

Birthday Party Honors Mrs Clara Coffman

Clara Coffman was honored with a celebration by her children Harvey Coffman, Garden City; Maude Speck, Muleshoe; and Jeannie Rundell of San Angelo, Saturday, June 3rd, at the

fellowship hall of the Trinity Baptist Church commemorating her 80th birthday, June 1st.

The serving table featured a blue floral arrangement complimented by blue and green

mints, cake decorated with blue, yellow and orange roses and orange punch. The centerpiece included a Bible cake with inscription from Exodus 20:12 "Thy thy days may be long."

Cake and punch were served by granddaughters, Twilla Leverette and Keitha Van Ness. The guest table was attended by great-granddaughters, Wainann Leverett and Kristie Van Ness.

Another table displayed photos from the past 80 years including children, family and friends. Also displayed were cards received from guests attending as well as those received through the mail from persons unable to attend.

Attending the event included special out-of-town guests, brothers, Clark and Rudolph Harvey and wives, sister, Lois Wither-

poon and husband, all of Lubbock; sister-in-law, Ellen Bayless, Enochs; and Eldred Coffman of Lamesa; brother-in-law, Chester Coffman and wife of Big Spring; son, Harvey and wife, two of their daughters, Mr. and Mrs. Wayne Leverett and children, Jason, Rich, Woinonn, Odessa and Mr. and Mrs. Tracy Van Ness, Kristie and Kale, Garden City; daughter, Maudie and husband, Muleshoe, and their daughter, Sandra Puckett of Plainview; daughter, Jeannine and her daughter, Rai Lynn Rundell and friend Leo Toops of Lubbock; nephew, Terry Lee Harvey, Lubbock; and cousin Gene Harvey and wife, Clovis, N.M.

Local guests included many friends and an aunt, Alda Odum.

OKLAHOMA VISITORS--Some of the tourists from Oklahoma pose with the Grandout team of mules Saturday morning, following the shootout on Main Street. (Journal Photo)

Oklahoma Tourist Visit Muleshoe Over Weekend

Even the rain Friday night couldn't put a damper on the tour bus atmosphere when the tour bus from Oklahoma arrived in Muleshoe. Due to the rainstorm only one group was taken by a mule and wagon from the Heritage House Inn to the Old Depot, the others had to go by bus. They were entertained by Roy Whitt.

Friday afternoon the bus met by John Smith, manager of the Muleshoe Chamber of Commerce; Robert Montgomery, Chamber of Commerce president; and Mayor Darrell Turner as well as some of the Jennyslippers. The group toured TOLK and were served coffee before coming on into Muleshoe.

The Jennyslippers prepared and served a meal of stew, cornbread, cowchip cookies and

pie. Mayor and Mrs. Darrell Smith, Mr. and Mrs. Robert Montgomery were also on hand to welcome the visitors.

Saturday morning, after being served breakfast by the Jennyslippers, the group went down town to shop and were greeted by still another surprise, an old time shoot-out "The Capture of Willie The Kid", staged on Joe Rhodes' parking lot.

Cast for the shoot out were: Willie The Kid-Jim Pearson; Willie's Sidkick-Jake Legg, Joe Bob Newman; Sheriff-Wyatt Twerp, Dusty Rhodes; Deputy-Pat Garrett, Coby Baldwin; Banker- Mr. Harry Underarms, Robert Hunt; Willie's Wife-Louella, Darla Rhodes; "Doc Haul A. Way", Roger Clarkson; Townsfolk, Muleshoe people dressed in the regular old western costume.

Grandma and Grandpa Pearson and their mule team were also on hand and took some of the visitors for rides after several had had their pictures taken with the mules.

"We have really had a good time here in Muleshoe" one of the tourist from Oklahoma, was heard to say. "This is one of the friendliest towns I have ever been in and the Jennyslippers have really gone all out."

"If I had a chance I would come back again next month, this has been so much fun."

SPECIAL AWARDS--Mason Conklin, left, received the highest Guild grade and highest theory in grades 4-8, during Mrs. Elaine Damron's piano and organ recital held recently. Jeremy Bruns, right, had the most practice hours and highest theory in grades 1-3. (Journal Photo)

SCENES FROM YESTERYEAR--Not really! Several Muleshoe residents dressed for the past in the Old West Shoot Out Saturday morning on Main Street. The shoot was staged for the entertainment of the Oklahoma tourists. (Journal Photo)

Piano-Organ Spring Recital Held Recently

The piano and organ students of Elaine Damron were presented in their spring recital Sunday afternoon, May 28 in the sanctuary of the First United Methodist Church at 2:30 p.m. Awards for the year were presented at the end of the recital.

Mrs. Damron's special awards went to the following: Mason Conklin, son of Mr. and Mrs. Norris Conklin, made the highest Guild grade with a high "Superior Plus". Jeremy Bruns, son of Mr. and Mrs. Jerry Bruns, had the most practice hours with 338 hours, 20 minutes.

Mrs. Damron stated that Jeremy, a student of organ and piano and presently serving as organist for the First United Methodist Church has improved so very much this year, and that his many hours of practice have certainly paid off.

The highest theory awards went to the following: Grades 1-3--Tyson Purdy, son of Dr. and Mrs. Bruce Purdy, with a grade of 100; Grades 4-8--Mason Conklin with a grade of 99; and Grades 9-12--Jeremy Bruns with a grade of 96 and a half.

Theory medals were presented to those making between 90 and 100 administered by the Texas Music Teachers' Association. Receiving gold medals (grade of 98-100) were Robin Cowart, Tyson Purdy, Payton Rennels and Mason Conklin. Silver medals (grade of 95-97) were presented to James Cox, Reagan McElroy, Mark McGuire and Jeremy Bruns. Bronze medals (grade of 90-94) went to Amanda Hahn, Holly Hutton and April Hugg.

Those students who played in the West Texas University Festival were presented certificates and medals. Those receiving medals for a I (superior) were Corley Hutton, Dayna Hamilton (two I's), Jeremy Bruns (one I in piano and two I's in organ), and Kelly Conklin.

DPS Asking Safer Driving During Summer

Once again, school is out. Major V. J. Cawthon, regional commander of the Texas Department of Public Safety, wants to remind all motorists that they must change their driving habits this summer.

We must be more observant for children playing in or near the street, especially at night, because some children will be allowed to stay up longer and will be playing outside in the dark.

Major Cawthon said, "Now that school is out for the summer many families will be taking their vacations and I urge all motorists to use extra caution in and around recreational areas and roadside parks. Parents can also do their part by keeping a watchful eye on the younger children who may not know the safety rules."

The Major said, "If all motorists and parents use a little extra caution this summer, observe the speed limits, buckle up and not drink and drive, we can make this a safe and enjoyable summer."

Jojobo, Conley Repeat Marriage Vows

Tia Jojobo and William (Clyde) Conley of Spearman were united in marriage on Saturday, May 27 in an outdoor setting at LOTWS Park in Sudan. The Rev. Cliff Hargrove, pastor of the First Baptist Church in Sudan read the marriage vows, assisted by Joe Salem.

Tia is the daughter of Ron and Lois Swain of Broomfield, Colo., and the groom is the son of Gene and Judy Conley of Sudan.

Presented in marriage by Danny Colley, in the absence of her parents, wore a formal length yellow gown of taffeta with a lace overlay styled with a train. She also wore a floral headpiece and

carried a multi-colored bouquet.

The bridesmatron was Tammy Wallace, sister of the groom. She wore a full length blue formal, and flowers with streamers in her hair.

Ringbearer was Ricky Sharp and flower girl was Tiffany Jojobo.

The wedding reception was held at the LOTWS building when the three tiered wedding cake flanked by two heart shaped cakes and punch were served by Tammy Wallace and Sissy Sharp.

The couple will reside in Spearman where he is employed with Service Drilling Co. and she is employed at J.J. Restaurant.

GUILD AUDITIONS--Those students of Elaine Damron having five or more years on National Honor Roll in Guild Auditions included (R-L Back Row) Gurobert Rennels, Corley Hutton and Jeremy Bruns; (Front) Dayna Hamilton, Mason Conklin, Heather Hutton and Kelly Conklin. Not pictured: April Hugg and Stacy McElroy. (Guest Photo)

SENIOR ENGLISH TEACHER RECEIVES AWARD--Jeff Hicks, left of the Blackburn-Moore Chapter of the Future Teachers of America presented the annual FTA award for teachers to Johanna Wrinkle, right, an English IV teacher at Muleshoe High School. The award was given at an FTA breakfast. (Guest Photo)

Teacher Given FTA Award

Each year, the Blackburn-Moore Chapter of the Future Teachers of America present a plaque to the teacher whom they feel has exemplified the qualities of an excellent teacher.

Wednesday morning, May 24, at the annual chapter breakfast for the Muleshoe High School faculty, Jeff Hicks presented the plaque for 1988-89 to Johanna Wrinkle, English IV teacher.

Mrs. Wrinkle has taught for 13 years at Muleshoe High School. Ten of the years have been as a senior English teacher. Mrs. Wrinkle states that she loves the challenge of teaching seniors and

these years have been some of the most rewarding years of her life. She feels that a sound educational foundation is necessary for the students if they are to survive in college and in the work world.

Mrs. Wrinkle and her husband, Roy, have three children, Cynthia, Sharon and Gary, all of whom are graduates of Muleshoe High School.

Mrs. and Mrs. Wrinkle love to travel and spend time with the most important people in their lives, their children and three little grandsons, Jonathan Roy, Mark Allen and Austin Joe.

Homes Destroyed

Cont. from Page 1

stayed apace with the tornado, to track it for locations to check for additional damage and/or injuries.

After crossing the Y-L pavement near the J. C. Gatewood home, the tornado continued its path on the ground, taking out barns, fences, electric lines, trees, sprinkler systems, and hit a vacant house, just west of the Roy Atchison home in the Y-L community.

Patrolman Kirk stayed with the tornado until it finally lifted back into the clouds some 20-25 minutes after it first set down on the ground.

In the meantime, EMS personnel took ambulances, emergency crews and others to look for victims.

City and county law enforcement officers were immediately at the devastated Cage and St. Clair houses.

Because of the vehicles at the Cage house, search parties started checking fields for tornado victims, as no one knew whether anyone was home at the Cage residence or not.

After determining that no one was home at any of the three occupied residences, officers, who had blocked traffic on either side of the tornado-stricken area, again opened Highway 70 -- to a steady stream of sightseers who flocked to the area.

By checking with relatives, it was determined that Bill Jim and Marlene St. Clair were out of town and the J. D. Cage's were entertaining out-of-town guests at their ranch south of Muleshoe.

Saturday night, after the Cage's had removed some personal items from their destroyed home, they went to stay with friends overnight, and the Fire Department, EMS personnel and others provided security Saturday night, working in shifts.

Late Saturday night, another severe thunderstorm started moving into Bailey County from New Mexico, and 'lots of watchers' were out, especially after two funnels were reported dangling from the clouds approximately 8-10 miles south of Muleshoe.

The clouds passed to the southeast of Muleshoe without reaching town.

Ironically enough, around 6:30 p.m., when the devastating tornado dropped out of the clouds east of Muleshoe, there was a 'tornado watch' but no warning; there was no thunder, no lightning, no rain and no hail -- just the tornado.

Again on Sunday night, threatening clouds again started moving into the area, this time from the northwest. Although weather bulletins were constant, no severe weather was reported in the immediate Muleshoe area. West on FM1760, Mrs. Willis

James said they received a little wind damage, but no hail, and very light rain.

Bailey County Judge Jim Watson, who lives just west of Muleshoe on FM1760, said he received light hail, although the small hail briefly covered the ground, no damage, and .2 rain.

Birdwell Cattle Feeders said they received between .3-.4 in rain, with no hail.

From the Muleshoe National Wildlife Refuge, the report was .82 in rain over the weekend, with no hail.

From the Maple area, Mrs. Jack (Chris) Hodnett said they had a little hail west of the Three Way School, but had heard that cotton was 'hailed out' south of Maple going into Cochran County.

Bailey County Sheriff Jerry Hicks, who drove all through the Sunday night storm, said he found hail between FM746W and FM746E, and that the hail appeared to have fallen across to the southeast in strips. He also found fairly deep water across the county road approximately two and a half miles west of the old West Camp Store.

In the meantime, both the St. Clairs and the J. D. Cages found temporary quarters, and were moving salvageable furniture and household goods into them on Monday.

The State Highway Department was hauling off debris from the tornadoes.

Rotary...

Cont. from Page 1

Agriculture, he reminded of the membership breakfast for Thursday, June 8 at 6:45 a.m. at the Bailey County Civic Center meeting room. A hospital district program will be presented at the breakfast.

It was decided to have no Rotary meeting on Tuesday, July 4th.

Ray Day was winner of the Polio Plus drawing.

Visitors at the Rotary meet on Tuesday included Jay Cage, Julie Cage, Judy Watson, James Cox, Megan Tipps and Carolyn Ward.

CofC Reminds Of July 4th

John W. Smith, manager of the Muleshoe Chamber of Commerce and Agriculture said, "The 4th of July is drawing near. The Chamber of Commerce is providing the Bailey County Coliseum for the holiday celebration.

"We have space for almost an unlimited number of activities. Anyone who wants a space, whether it be a Civic Club, church, individual or business, we would like to encourage you to rent a space."

Smith says the space can be used for anything you wish. You may sell anything you want, or have games or gimmicks.

He says the rent is \$10 per 10x12 foot space, and the CofC hopes to get enough rent to pay

for the cleaning of the building. "Please come by the CofC office at 215 South First, or call 272-4248 to reserve your space now," he concluded.

Wastewater Will

Be Discussed

A general meeting has been planned to discuss the Waste Water Collection and Treatment Plant for the Lazbuddie community, as well as to talk about sources of state funding.

The meeting will be on Thursday, June 15 at 8 p.m. in the Lazbuddie ISD Library.

It is open to the public and all persons who reside in the Lazbuddie community are urged to attend.

Young Woman in Texas Universities.

Gary Knowlton of Muleshoe was recently listed on Texas State Technical Institute's (TSTI) president's honor roll with a 4.0 grade point average in welding and fabrication for the spring quarter.

Candace Long, a student at the University of North Texas, Denton, made the Dean's list for the spring semester with a 4.0 grade point average.

She is the daughter of Carlin and Freda Long; and the niece of James and Linda Elder, all of Muleshoe.

Degrees were conferred on 59 master's candidates and 389 baccalaureate candidates at West Texas State University's 1989 spring commencement exercises on May 20.

Mattie R. Hicks, Muleshoe, received a MSN in Family Nursing; and Nelda K. Wilhite, Muleshoe, received a BS in Elementary Education.

From Lazbuddie, Claire Brown and Deborah S. Smith each received a BS in Elementary Education.

Midwestern State University in Wichita Falls, had 429 students completing degree requirements during May 1989.

From Muleshoe, Kristi Diane Spies Miller received a BSMT.

Congressman Supports Senior Citizen Benefit

Seeking repeal of a 50-year-old
bill which has "outlived its
usefulness," U.S. Representa-
tive Larry Combest (R-Texas) is
cosponsoring legislation to allow
senior citizens to earn unlimited
income without losing a portion
of their Social Security benefits.

Combest today introduced
legislation to repeal the Social
Security Earnings Test, a law
enacted during the Great Depres-
sion which discriminates against
older Americans who want to
continue to work after they reach
age 65.

"Just because a talented and
energetic individual reaches a
certain age shouldn't mean he or
she can no longer earn a living,"
Combest said after a news
conference in front of the U.S.
Capitol to introduce the repeal
legislation.

"Under current law, if a senior
citizen earns money between the
ages of 65 to 69, he or she loses
one dollar of Social Security
benefits for every two dollars
earned. This results in the loss of
many talented people who could
share their unique skills and
knowledge in the job market,"
Combest continued. "Repeal of
these restrictions could remove
the unfair law which prevents
these people from earning a
living, which in many cases is the
only way they can remain
financially secure."

Combest was joined at the
noontime news conference by
three West Texans participating

SCAC Hosts Annual End Of Year Cookout

The Student Community Action Club held its end of the year cookout-meeting recently at the home of Lisa Noble.

New and old members began gathering at the Noble residence to enjoy hamburgers and games prior to the meeting.

Approximately 50 new and old members and sponsors, Mrs. Jean Allison and John Gulley, were in attendance.

All the members said they would like to thank Mr. and Mrs. Sandy Noble for allowing the club to meet throughout the past year in their home.

Parliamentarian Tim Shipman called the members to attention for President Christy Mata. Lisa read the minutes of the previous meeting and Amy Montgomery told the members that the club had \$361.45 in the treasury.

New members were welcomed and asked to stand, state their name, and something about themselves.

New members are: Stacy Knowlton, Marsha Wilson, Heidi Bohler, Ad Godinez, Jenny Bennett, Tessa Akens, Stacy Coker, Troy Watson, Robin Berry, Michelle Holmans, Steven Garcia, Stacy McElroy, Brian Bush, Krystal Albertson, Jeremy Bruns, Kent Oliver, Jimmy Johnson, Daryl McCamish, Sergio Garcia, Shonda Strahan, Jackie Luna, Cary Skaggs, Colleen

Robinson, Gloria Orozco, Jason Box and Tricia Underwood.

Contributions to the Heritage Foundation were discussed. A definite decision will be made at a later date. Mrs. Allison said she had been contacted by Harvey Bass to see if SCAC could help encourage voting on the hospital district decision. The members voted to help encourage voting.

Mrs. Allison also reminded the club that they would be acting as

Start '89 Bagworm Control

Bagworms are one of the major pests of junipers and other trees and shrubs in Texas. Spring hatch began in early May on the South Plains this year. Hatching is usually completed in about three weeks. Insecticide control is most effective in late May and early June when the bagworms are small, says County Extension Agent Spencer Tanksley.

In the spring, bagworm larvae emerge from hatching eggs inside last year's bags and begin feeding on leaves. They soon begin to construct their own protective bag of silk, twigs and leaves making them camouflaged and hard to see. As the larvae and their bags continue to grow, control becomes more difficult.

Bagworms feed throughout the summer months, building their bags until the bags are about 1 1/2 inches long, Tanksley adds. In the fall, the bagworms become adults, mate and the females lay eggs inside their bags. They then overwinter in these bags in trees and shrubs. Each overwintering female bag on a tree contains from 500 to 1500 eggs.

"Since the bagworm only completes one generation a year and spreads very slowly from plant to plant, picking the bags off infested plants in the winter will help a lot toward controlling this pest," says Tanksley. "But if bagworms were present on the plant last year and control measures were not applied, chances are very good that an insecticide will be needed this spring."

Insecticides which can be used to control bagworms include sevin, dursban, diazinon, malathion, dylox and orthene. The biological insecticide Bacillus thuringiensis can also be used.

porters for the tour group which will be in Muleshoe the first part of June. Christy appointed a committee to finalize the details. The committee members are Ad Godinez, Bret Pylant, Tessa Akens and Troy Watson.

Election of officers was then held. The new SCAC officers are Amber Green, president; Kimberly Harris, vice president; Tricia Underwood, secretary; Amy Montgomery, treasurer; Kendra Wilson, reporter; Bret Pylant, parliamentarian; Tessa Akens, historian; and Heather Hutton, chaplain.

Installation of officers will be in August, with the location to be determined at a later date.

Panel rejects Utah scientists' claim of fusion in a jar.

AFL-CIO threatens May boycott of AT&T.

To obtain effective control, thorough coverage of the foliage is important. The addition of a small amount of liquid soap or surfactant to the spray solution will improve control because it helps adhere the insecticide to the treated trees and shrubs. Always read and follow label instructions when applying insecticides.

Panel rejects Utah scientists' claim of fusion in a jar.

QUESTION: What are they?
*** ANSWER:** Double crop acres which follow failed (prior to May 15th) small grain acreage.

QUESTION: Can they be planted to grain sorghum?
*** ANSWER:** Yes, but milo crop isn't eligible for the loan or any other program benefit. These acres do not count against permitted feed grain acreage.

QUESTION: Will ghost acres planted to grain sorghum violate cross compliance regulations?
*** ANSWER:** No, sorghum can be fed or sold on the open market.

QUESTION: Am I eligible for a disaster wheat payment if I plant these acres to grain sorghum?
*** ANSWER:** Yes, if approved.

QUESTION: Is ghost acreage milo eligible for multi-peril F.C.I.C. insurance?
*** ANSWER:** Yes, see your agent for details.

GOLDEN ACRES . . . recommends the following varieties for ghost acres in the Texas-Oklahoma Panhandle.

- T-E 35** Red, medium early with maximum drought resistance for dryland. Short, uniform, excellent standability. Good yield potential for maturity.
- T-E EMPIRE** Medium maturing Biotype E resistant, hetero yellow recommended for dryland or limited irrigation. Slightly shorter than T-E Y-101-R with comparable head exertion.
- T-E Y-60** Yellow-white cross, extremely droughty. Medium maturing with good seedling vigor and emergence. High yields under favorable conditions. Not recommended for full irrigation and intensive farming practices due to above average height under these conditions.
- T-E Y-75** Biotype E resistant medium red. Stay green strong stalk. Big yield potential under limited or full irrigation.
- T-E Y-101-G** Biotype C resistant, medium late. A popular choice because it combines a short, strong stalk with record yields under favorable conditions. Recommended for irrigation.

QUESTIONS & ANSWERS CONCERNING THE PROPOSED MULESHOE AREA HOSPITAL DISTRICT

Q — Why do we need a hospital?
A — A more appropriate question is: Do we need medical care in our community? A hospital is the institution around which all medical care revolves. Medical CARE is SELECTIVE, you may go anywhere you choose, however MEDICAL EMERGENCY is the NEAREST and BEST facility you can reach.

Q — Why do we need a hospital district?
A — Primarily for stability. The district by allowing for a constant and predictable external funding source for the medical center, will allow it to plan and organize properly. Currently the cash flow situation is so acute that the facility cannot staff and equip itself so that it can handle medicare patients. Medicare patients should be in excess of 60% of the hospital's patients.

Q — What advantage does a hospital district give?
A — It is difficult to attract and retain quality health care professionals without some stability. A medical center which is funded in part by a district is much more stable than one that is not.

Q — Will a hospital district raise taxes? How much?
A — Yes! The temporary board of directors will adopt a budget and the tax rate will be set as a result of preparing that budget. So as not to mislead, the MAXIMUM TAX the MAHD can levy is 25¢ per \$100 of assessed valuation. THIS MEANS THAT YOU WILL ONLY BE TAXED \$25.00 PER YEAR FOR EACH \$10,000. OF ASSESSED VALUE. This is only 1/4 of 1% of the assessed value of your property. At this time no one knows what the actual tax rate will be, BUT THIS WILL BE THE MAXIMUM.

The following table illustrates the effect of a maximum rate of 25¢ per \$100. assessed valuation will have on your yearly taxes:

ASSESSED VALUATION	MAXIMUM ANNUAL TAX
\$10,000	\$ 25.
\$20,000	\$ 50.
\$30,000	\$ 75.
\$40,000	\$100.
\$50,000	\$125.
and so on.	

Q — Who is eligible to vote in this hospital district election?
A — Registered voters residing in the boundaries of the proposed district. Those who are eligible to vote are voters residing in the Lazbuddie School District south of a line located one mile north of Highway 145 east of highway 214 and one and one-half mile north of 145 west of highway 214 and those voters residing in Bailey County north of a line established by the southern boundary of the Muleshoe Independent School District.

Q — How were the members of the temporary board selected? For how long? Is it a roving board?
A — A group of persons widely representative of the different geographic areas of the district were asked if they would serve the community. The directors will serve until May, 1991 if the district is created. At that time a permanent board will be elected and new directors will be elected each year.

Q — Can the district board raise the tax to a higher rate? Can they raise the assessed valuation?
A — No! The MAXIMUM RATE at which the district may tax without going back to the people for a vote is 25¢ per \$100. of assessed value. No! The assessed valuation is set by law by the Appraisal Boards in each appraisal district.

Q — Why did the District go outside of Bailey County for its boundaries?
A — The district boundaries were designed to take in the Muleshoe TRADE AREA. Mail routes out of Muleshoe were used in designing the district as well as the boundaries of other political subdivisions. Historically representatives of the Lazbuddie area have been represented on the Hospital Board of Directors. These representatives indicated that the Lazbuddie area was interested in being a part of the district. A representative of the Lazbuddie community, Derrell Jennings, is on the Temporary Board of Directors of the Muleshoe Area Hospital District.

Q — How is a District determined?
A — The district was AUTHORIZED by the STATE LEGISLATURE. It is CREATED by a VOTE of the qualified voters.

Q — Will a hospital district voted in boost our Community?
A — A more appropriate question might be would you move to a community which does not have doctors? Would you move to a community which does not have an emergency room? How long will you stay in a community which does not have the above?

Q — What are three of the most important things Industry looks for when determining to locate in a community?
A — Hospital facilities, public school system and community park system.

Q — How can the hospital operate under these new conditions when it failed when the new hospital was built and also with Westworld?
A — The medical center has never had a continuing and established amount of third party financial support. (a hospital district tax base). As a result the operation has always been strapped for cash. For this reason it has never been able to take full advantage of its facilities and its potential market.

Q — How would the hospital help the older people if it qualifies for Medicare, etc.
A — A minimum of 60% of the West Plains Medical Center's possible patients are the recipients of medicare benefits. Currently Medicare will not pay for patients at WPMC hospital so persons eligible for Medicare have to go elsewhere.

Q — If the hospital district fails, what effect will this have on the Nursing Home?
A — West Plains Medical Center, Inc. owns the nursing home, clinic and hospital. If the corporation ceases to exist the Nursing Home will be closed.

Q — Is it true that if we do not vote in a hospital district here, that Lubbock, or another hospital district could include us in their district and tax us on it?
A — Probably! The legislature will authorize the creation of six hospital districts in our Senatorial District alone during the current session. It is highly unlikely that anyone will be outside of a hospital district in the future.

The MAIN ISSUE to be decided in the June 20th election is to have MEDICAL CARE AVAILABLE IN OUR AREA or not. Assuming a positive outcome, public meetings will be held with the Muleshoe Area Hospital District Board to determine the level of care and a tax rate will be set accordingly, not to exceed the maximum allowable.

**Letter To
Editor**

June 5, 1989

Dear Editor:

I can't imagine Muleshoe without a hospital. We have small children and like all children they have accidents that require a doctor's attention. The thought of not having a place to go that is convenient is awful.

Anyone with children knows how they can become suddenly ill or how fast a fever can develop. I love my children and I want help for them immediately, not two hours or more later.

A matter of seconds is all it can take to make a difference in life or death. I know, in 1986 after my little boy was born, I was minutes from death.

But, thanks to our doctors and nurses, I was stabilized and taken to Lubbock. The people at the Lubbock hospital were amazed I was even alive considering my condition.

I will always be thankful for the people at West Plains Hospital for giving me a second chance in life.

We have the choice of using a hospital with doctors and nurses we know. Plus we know they really care and we aren't just a room number. If we need to run home while a loved one is hospitalized, it won't take hours.

Personally, my children, husband, family and friends are more important than money or anything. I'll gladly pay extra taxes or whatever it takes to keep our hospital in Muleshoe open. I pray those that vote no never have an emergency that's life or death and no place to go.

Rena Newton

Dear Editor:

I would like to express my appreciation to the Jennyslippers. This group of ladies do an admirable job of promoting Muleshoe in many different ways. They recently spent many hours preparing a meal and other activities for the tour group that visited Muleshoe. We should as citizens of this area extend our appreciation to them for a job

well done.

Another person who deserves recognition is Darla Rhodes. Darla spent many frustrating hours preparing and organizing a "shoot-out" to entertain the tour group, and any other onlookers who happened by. I am sure those on the tour bus will be talking about that for a long time. Hopefully there will be more tour buses in the future.

These things are all so very important to our area. We have the opportunity to bring in many tourists and visitors to our town, but we need to make Muleshoe an interesting place to visit. We have a unique name "Muleshoe," we are located on two major highways with travelers at all seasons of the year, and we have some of the friendliest people in the world. These visitors bring many new dollars to our community, and should be appreciated as a boost to our economy.

Our hospital district is another major factor in the economy of our area. We must have adequate medical care available if we are to have a growing economy. Who would be interested in moving here or relocating a business here if we did not have medical care for their families?

We have many active and enthusiastic people who are spending a great deal of their time and money to see that Muleshoe remains an economically viable community, and they receive my appreciation and thanks for their work. Again, Darla and the Jennyslippers --
Thank You.

Pat Prater

Ms. Cleta Williams
Muleshoe & Bailey County
Journals
P. O. Box 449
Muleshoe, TX 79347

Dear Ms. Williams:

Sail Into Summer with Coca-Cola. We appreciate your attention to community concerns, such as the semifinalists in the Coca-Cola Scholars program, and we want to take this occasion to say "thank you."

Southwest Coca-Cola Bottling Company, Inc., your local Coca-Cola bottler, helps you "*Sail Into Summer*" with this special mug. Perfect for your morning coffee

or glass of Coke, our mug is specially designed to keep hot drinks hot and cold drinks cold. When the temperatures heat up, Coke provides the relief you need - keeping you cool under the pressure of deadline.

Southwest Coca-Cola Bottling Company, Inc. was established in 1987 to consolidate the operations of Amarillo Coca-Cola Bottling Company, Inc., Lubbock Coca-Cola Bottling Company and Affiliates, and Texas Coca-Cola Bottling Company of Abilene. The company services approximately 133,000 square miles in Texas, Oklahoma, New Mexico, and Colorado.

So, beat the heat. *Sail Into Summer* with Coca-Cola. And again, thank you.
Sincerely,
Chuck Stephenson
General Manager

Lillian Williamson Graveside Services Held At Morton

Graveside services for Lillian Williamson, 80, of Fayetteville, Ark. were conducted at 2 p.m. Monday in Morton Memorial Cemetery with the Rev. Barry Bradley, pastor of the First Baptist Church at Muleshoe, officiating.

Burial was under the direction of Ellis Funeral Home. Mrs. Williamson died at 5:30 p.m. Friday in Fayetteville Nursing Home.

Born Aug. 11, 1908, in Tarrant County, TX, she moved to Fayetteville two years ago from Morton. She had also previously lived at Quanah. She was a homemaker, a member of the First Baptist Church at Quanah and the Morton Eastern Star. She married W.W. "Bill" Williamson on June 2, 1941, in Memphis,

TX. He died July 4, 1966.

Survivors include a step-daughter, Billie Winder of Morton; two sisters, Billie Smith

of Fayetteville, Ark. and Ima Brumley of Pampa; a brother, Euell Aumire of Dumas; and several nieces and nephews.

Thank You

The family of Lewis Williams would like to express their sincere appreciation for all the flowers, food, prayers, visits and calls following the loss of our loved one.

Your acts of care and kindness helps make our loss easier to bear.

Tornados To Teacher Awards

Happenings Around Muleshoe Last Weekend

TORNADO ON THE GROUND NEAR MULESHOE--Just about the time a Saturday evening tornado hit the J. D. Cage home east of Muleshoe on Highway 70, Evelene Harris of *The Journal* took this photo from her home at the east edge of Muleshoe. The tornado was one-half to three-fourths of a mile from her home at the time, moving toward Muleshoe. It then hit the Bill Jim St. Clair Home and veered to the northeast. (Journal Photo)

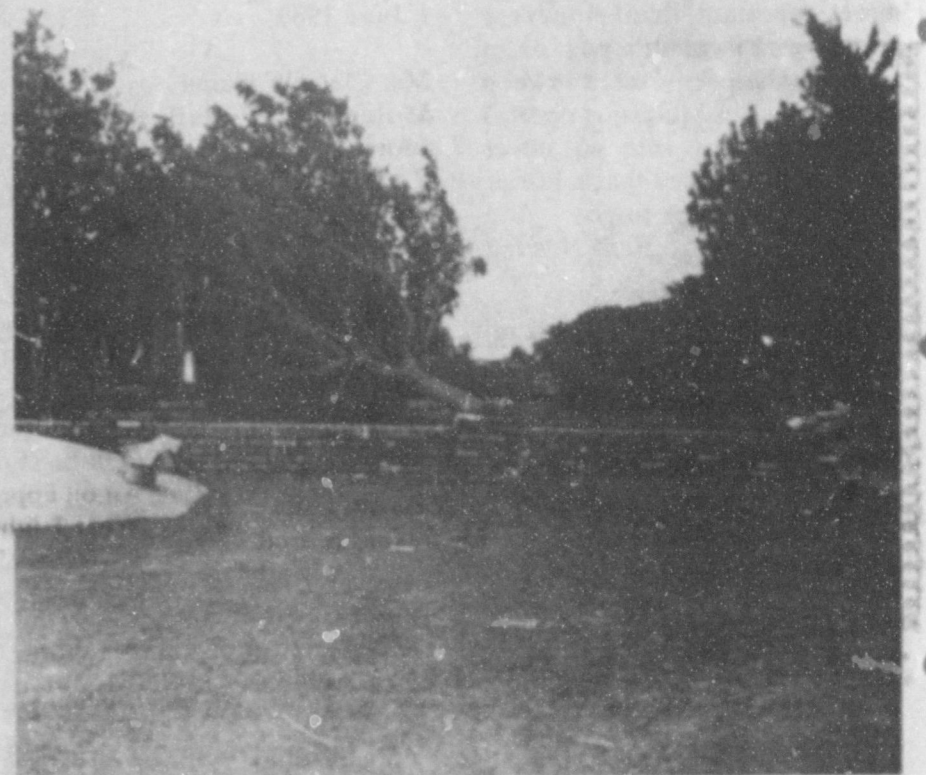

J. D. CAGE HOME FROM THE FRONT--Around 6:30 p.m. last Saturday, the J. D. Cage home just east of Muleshoe on Highway 70 literally 'exploded' on being hit head-on by a devastating tornado. This shows just a portion of the damage from the front of the home. (Journal Photo)

BULGING WALLS AND DEBRIS--The west side of the J. D. Cage home lost a lot of brick and lumber in Saturday's tornado. What was left of the brick wall of the house was bulging outward. (Journal Photo)

FIVE YEAR SERVICE PINS--Muleshoe teachers were presented service pins last Thursday morning at the Muleshoe High School cafeteria. Receiving five year pins are from left, back row, Shelly Turnbow, John Gulley and Margaret Gleason. Front row, from left, Jody Lyles, Barbara Turnr and Diane Harrison. Not pictured is Anita Bovd. (Journal Photo)

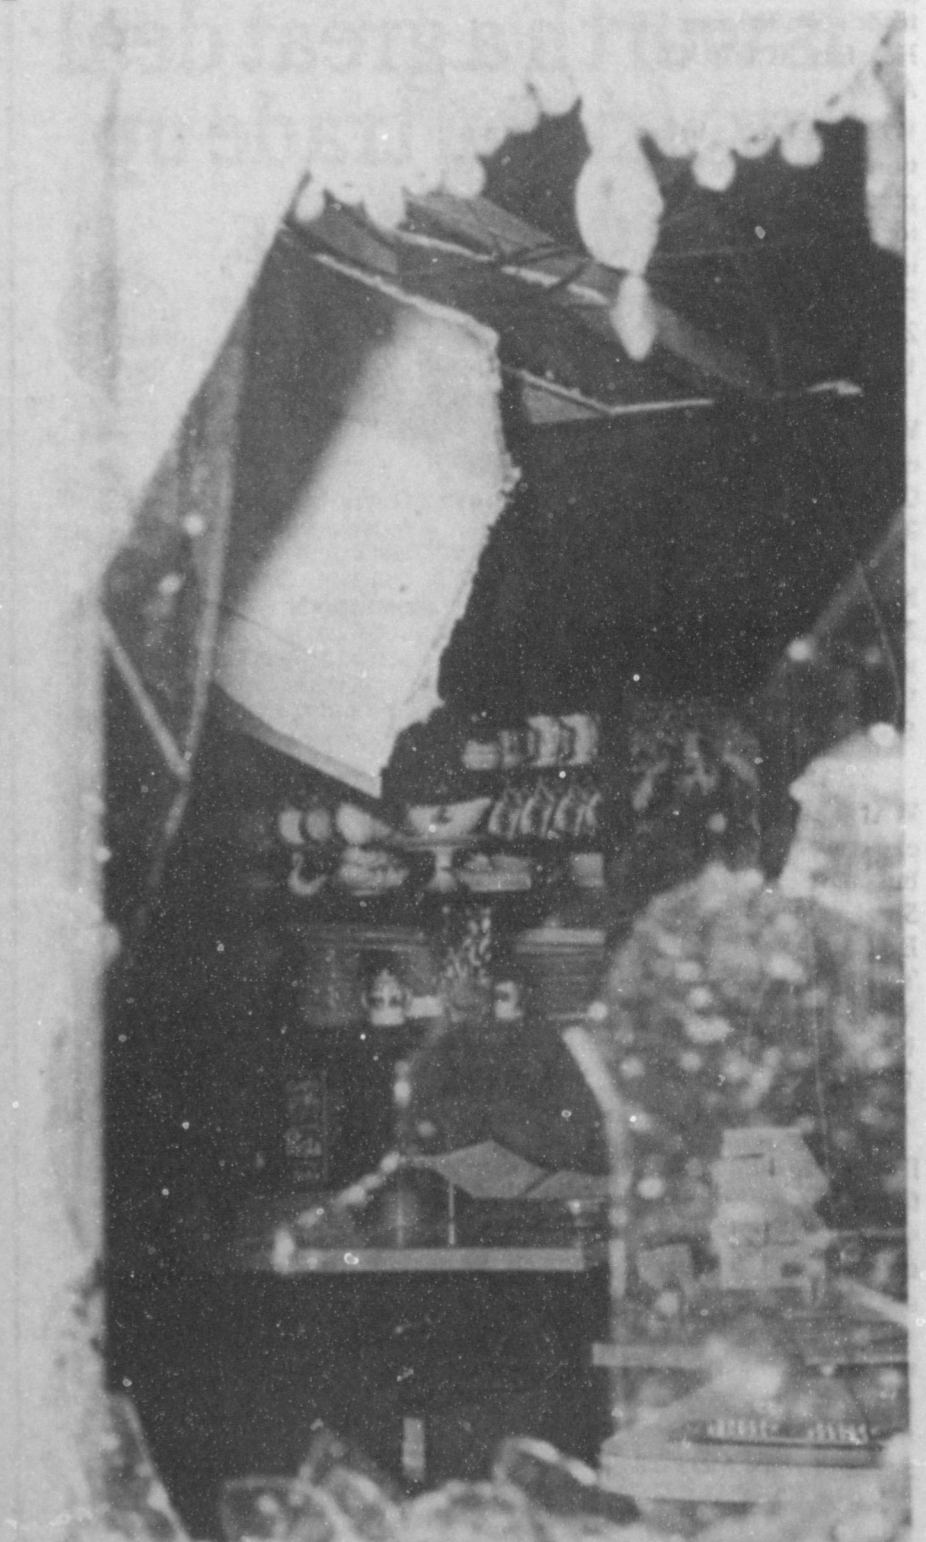

UPROOTED TREE WAS AIRBORNE--Witnesses said this large tree rose some 100-150 feet straight into the air behind the J. D. Cage home after being uprooted by a tornado last Saturday afternoon. The tree was pulled up by its roots, rose into the funnel, then dropped back to earth. (Journal Photo)

CERTIFICATES OF APPRECIATION--Several school employees received Certificates of Appreciation last Thursday morning during a meeting in the Muleshoe High School cafeteria. Receiving five year certificates included from left, back row, Sharon Gardner, Maggie Ruiz and Ladonna Holmans; fifteen year certificates were presented from left, front row, Pauletta Crawford, Matilda Reyna, Frances Perez; and Mary Janice Brantley received a 20 year award. (Journal Photo)

RECEIVED TEN YEAR PINS--Receiving 10-year service pins at the awards for teachers last Thursday morning at the Muleshoe High School cafeteria are from left, Debbie Hutto, HGail Bruns, Jan Martin; and front row, from left, Betty Chamberlain and Marilyn Miller. Not pictured was Lanell Skaggs. (Journal Photo)

TORNADO LEAVES DISHES IN CABINET--After a devastating tornado slammed through the home of J. D. and Julie Cage last Saturday afternoon, it was found that cups were still hanging on the hooks and dishes still stacked in a cabinet. The home was destroyed, but a floral arrangement was still centering the dining table, and statuettes appeared not to have been disturbed in the living room of the home. (Journal Photo)

June Days

June brings us long days, summer, holidays and school closings. Poets and philosophers for centuries past have considered June the finest month of the year.

Because of that, and because some believed May was not a good month for marriage, June became the month of weddings.

It was also formerly the month of military campaigns, when the weather became good enough to move armies.

The Allies waited on the weather, until June 6, to invade Nazi Europe in 1944.

B.J. Crowley's

HOROSCOPE

WEEK OF June 5, 1989

GEMINI -- May 21 to June 20

Enlist the help of a close associate in a project you are beginning. Do a good deed this week without letting the person you helped know of your efforts.

CANCER -- June 21 to July 22

You will be called upon to show the compassionate side of your nature. Do all you can to help someone close to you who needs your care and concern.

LEO -- July 23 to Aug. 22

Simple social situations bring great pleasure this week. Play the role of peacemaker. When someone says something to downgrade someone else, reply with a complimentary remark about that person.

VIRGO -- Aug 23 to Sept 22

In-flow of cash increases. Purchase needed items for home and wardrobe now. Regular saving is a must for the feeling of security you desire.

LIBRA -- Sept. 23 to Oct. 22

Follow a sensible health program in order to build your health and energy. Limit your working hours to coincide with your physical endurance. Don't over-do.

SCORPIO -- Oct. 23 to Nov. 22

ONE MINUTE SPORTS QUIZ

by Christian Thorlund

1. What is the track distance in the Belmont Stakes?
2. How does that compare with the Derby and Preakness?
3. When was the last triple crown winner in horse racing?
4. Who is Jeff Ballard?
5. What Major League pitcher was first to win eight games this season?

The Answers:
1. 1 1/2 miles.
2. Kentucky Derby: 1 1/4, Preakness 1 1/3 miles.
3. 1978 — Affirmed.
4. Sensational Baltimore O's pitcher.
5. Dave Stewart of Oakland's A's.

Smart Boy

Teacher: "How many sexes are there?"
Little Boy: "Three."
Teacher: "What are they?"
Little Boy: "The male sex, the female sex, and the insects."

Bunker Hill was fought on the 17th, 1775.

Civil war campaigns usually began in May or June. The Custer massacre occurred on the 25th, in 1876. U.S. troops first landed in France in World War I on the 26th, 1917, etc.

Kentucky, Tennessee and West Virginia observe statehood anniversaries in June (the 1st in Tennessee and Kentucky and the 20th in West Virginia).

It's Pioneer Day in Idaho on the 15th. Susan Anthony was fined for voting, in Rochester, N.Y., on the 18th in 1873 and a hundred years later her name appeared on a U.S. coin.

The news confirms a belief you have held a long time, while most others doubted the credibility of your idea.

SAGITARIUS -- Nov. 23 to Dec. 21

For a change of pace, plan a shopping spree in a nearby city. Consider a change in the color of your decor or the basic color of your wardrobe.

CAPRICORN -- Dec. 22 to Jan. 19

You now move through a period in which you are at your most charming. Your accomplishments can be greater than usual.

AQUARIUS -- Jan. 20 to Feb. 18 — The time has come to make plans for your house cleaning. Make a list of chores which need to be done. Don't put off needed repairs.

PISCES -- Feb. 19 to March 20

Answer all correspondence which needs your attention. Make telephone calls to those whose assistance you need with current projects.

ARIES -- March 21 to April 20

Join a committee to pursue your favorite cause. Your special interest could be social, political, or your hobby. Share ideas with others with common goals.

TAURUS -- April 21 to May 20

Don't neglect a family member who is less fortunate than you. Write a letter or telephone letting them know you care.
