

# Artesia Bulldogs in Top Physical Shape for Carlsbad

When two of New Mexico's top football teams are scheduled to meet each other, there's bound to be a reason for excitement. Add to that more than a year of unbroken rivalry, the excitement generated in the coming, and a tight race, and the set for tonight's Artesia-Carlsbad contest is on stage.

Will pit two evenly matched teams, coached by combinations, capable and respected in the paper, by comparative to all the gimmicks of comparison. Artesia and Carlsbad go to the fray equals.

Artesia is in top physical condition after drawing a bye last week. It may, despite intensive training, be less sharp in its game in a few minutes.

Artesia have sidelined three players, including two usual starters, Larry Gelwick, starting guard, Sammy Golden, right end, are remaining injuries received in previous games which have side-

**Statistics Show Opponents Are Nearly Equal**

On the basis of six games played, including one conference apiece, in the 1953 season, here's how the Carlsbad-Cavemen and Artesia Bulldogs stack up statistically:

	Artesia	Carlsbad
Points scored	198	196
Total score	45	45
First downs	67	73
Yards	38	42
Rushing	1,747	1,381
Passing	653	310
Punting	15	22
Passing	23	34
Interceptions	16	25
Fumbles recover.	7	12
Passing	145	491
Passing	396	342

**Comparative Scores Show Cavemen's Power**

Comparative scores against opponents rung up by Carlsbad Artesia this year only one thing concluding. Both teams are power-

Artesia's opponents have had three other schools in the state, St. Mary's of Albuquerque, Clovis, and Albuquerque.

Artesia were against Clovis by Ardesia Carlsbad was identical in the only conference outing before tonight.

St. Mary's Artesia rolled up 20, while Carlsbad polished off Cougars, 48-0.

Artesia was able to down Albuquerque 22-7, while Carlsbad led off the upstate Bulldogs by 7.

Artesia has also defeated Las Cruces 19-6, Cathedral of El Paso and Highlands 31-18.

Artesia has conquered New Mexico Military 40-0, Portales 40-0, and El Paso 19-12.

lined them for three weeks. Larry Beadle, the only senior in Artesia's backfield, will be in at fullback. He is also the only backfield starter who tops 150 pounds—he weighs in at 205. To date this season he's second only to quarterback Johnny Riddle in ground gaining.

Riddle has piled up 414 yards on 36 carries, while Beadle has tallied 398 yards in 60 carries. Beadle is top scorer with 83 points, Riddle second with 48.

Riddle is a 150-pound junior who has shown steady development through the season, both in quarterbacking the Artesians and in picking up yardage. He has developed a deceptive which has paid off time and time again.

Freddie Sanders at right half is a hard man to stop, once he shakes his 135 pounds loose. It's Sanders who falls in behind a wedge of teammates on kick-off returns to Bulldog advantage. A junior, he's amassed 340 yards in 45 carries this season.

Ronald Nelson, Ronald Price, and Don Lewis may all see action at left half. All are juniors. Nelson is listed at 140 pounds, Price and Lewis at 145. Artesia coaches have used all three heavily in this season.

Nelson has carried 15 times for 49 yards, Price nine times for 45, and Lewis 15 times for 150. Lewis is a corner adept at ball-hiding and long dashes.

Holding down the Artesia line will be seniors Lou Campanella, and Roy Johnson, and Jay Mitchell, a junior. At left guard the 165-pound Campanella is a mainstay of the Artesia wall, a player coaches count on heavily in tying the team together.

Johnson and Mitchell in recent games have seemingly teamed up to stop opposition runners. Both are adept in analyzing developing plays. Both are in on more than their share of key blocks. Johnson is at right tackle, Mitchell at left. Johnson at 200 is the heaviest man in the Bulldog line, Mitchell second at 185 pounds.

Ray Gressett, a 170-pound junior, called in to fill the center slot at the start of the season, is a capable player in his post. Barry Hager is a competent anchor man at left end.

Loren Gelwick, injured in the Kermit game, is tentatively slated for right guard. A 170-pound senior, he may see limited action. Sammy Golden, injured in the Clovis game, will probably alternate with Jerry Simmons at right end. Both are seniors, both 150 pounds.

Coaches this week have described the Artesia team as being in good mental condition for tonight's game. With the evenness of other factors of paper, tonight's game may well hinge on that point.

**TEAM PHOTO OF 1953 Bulldogs** shows, left to right: Front row—Donald Price, Jay Mitchell, Jerry Simmons, Harry Price, Clyde Bratcher, Wayne Westerman, George Price, Leo Barker. Second row—Bob Cerney, Sam Golden, Louis Campanella, Donald Sperry, Larry Beadle, Roy Whittington, Roy Johnson, Loren Gelwick, Fred Sanders. Third row—Bobby Perkins, manager; Loyd Wilbanks, Bobby Haynes, Tommy Bryan, Bill Mayes, Marshall Martin, Charles Saverance, Barry Hager, Thurman Northam, Pat Reeves, manager. Back row—Raymond Gressett, Johnny Riddle, Billy Frank Jones, Donnie Price, Don Lewis, Max Ratliff, Ronald Nelson, Jimmy Belvin, Bob Seeley. (Photo by Gable)

## Confidence Plays No Part In Bulldog Coaches' Plans

Whatever Artesia coaches are feeling toward today's encounter with the Carlsbad Cavemen, confidence isn't playing any part.

Coach Reese Smith and his assistants — Jack Barron, Walt Bynum, and Verlon Davis—for the past two weeks have worked intensively with a Bulldog squad which despite three injuries is nevertheless in generally sound physical shape.

The Artesia coaching staff, which has scouted the Cavemen on several occasions in the 1953 season, are working their boys for the game of the year.

There's little doubt the coaches, who have a habit of thinking every

## Bulldogs Are In Short End In Long Series

Anybody interested in history can find plenty of material interesting enough in the Artesia-Carlsbad series.

For at least the past 17 years it has been a rather one-sided affair.

In 1949 Artesia won over Carlsbad 7-6 for the Bulldogs' first victory against the Cavemen in 13 long, lean years.

Since 1949, while they may have at times come close, Artesia hasn't defeated Carlsbad in the annual Eddy county classic.

In 1952 Carlsbad defeated Artesia 6-0, in 1951 14 to 7, in 1950 12-0, and in 1949, Artesia won 7-6.

## Personal Mention

Mrs. O. R. Gable, Sr., returned home Wednesday from Houston, where she spent a week visiting her daughter, Mrs. H. F. Hopkins

## Gilstrap to Organize Legion Wooden Church Drive in State

New Mexico American Legion posts will be urged to take part in the current Wooden Church Crusade, Rev. Orvan E. Gilstrap of Artesia, Department of New Mexico American Legion chaplain, has announced.

Rev. Gilstrap said he will contact all posts in the state advising them of the Legion's official interest in the program, designed to construct and re-build 49 churches along the Iron Curtain in Germany.

The national campaign is spearheaded by Fulton Lewis Jr., Mutual network radio commentator. Rev. Gilstrap received this week from Tom B. Clark of Buffalo, Okla., a message advising of the "tremendous interest" of the American Legion in the program at the national level.

The New Mexico department chaplain said he wishes to complete the state Legion's part in the campaign before Christmas.

# Powerful Cavemen Dig Deep into Grid Trick Bag

**By JERRY BROWN**  
**Current Argus Sports Editor**  
**CARLSBAD (Special)** — The midnight oil has been burning daily in the lair of the Carlsbad Cavemen this week as Coach Ralph Bowyer and assistants Reid McCloskey and Wilson Knapp try to map defenses which can cope with the powerful Artesia running attack.

At the same time, Bowyer and his staff have been dipping deep into their bag of tricks, dusting off plays used several seasons ago and devising new ones to throw against the Bulldogs when the two gridiron juggernauts collide Friday night.

The Cavemen, unbeaten in six starts (like the Bulldogs), undoubtedly will continue to rely upon the combination of sharp passing and powerful end sweeps which has netted them a total of 1,872 yards this season.

Bob Forrest, the southpaw quarterback, is the key man in the Carlsbad offense. The 155-pound senior is doing more running than he did last year, and the change seems to have been beneficial. He has netted 511 yards in 61 trips on the overland route for an 8.38-yard average.

In addition, Forrest has completed 16 of 28 passes for 272 yards and a .571 average.

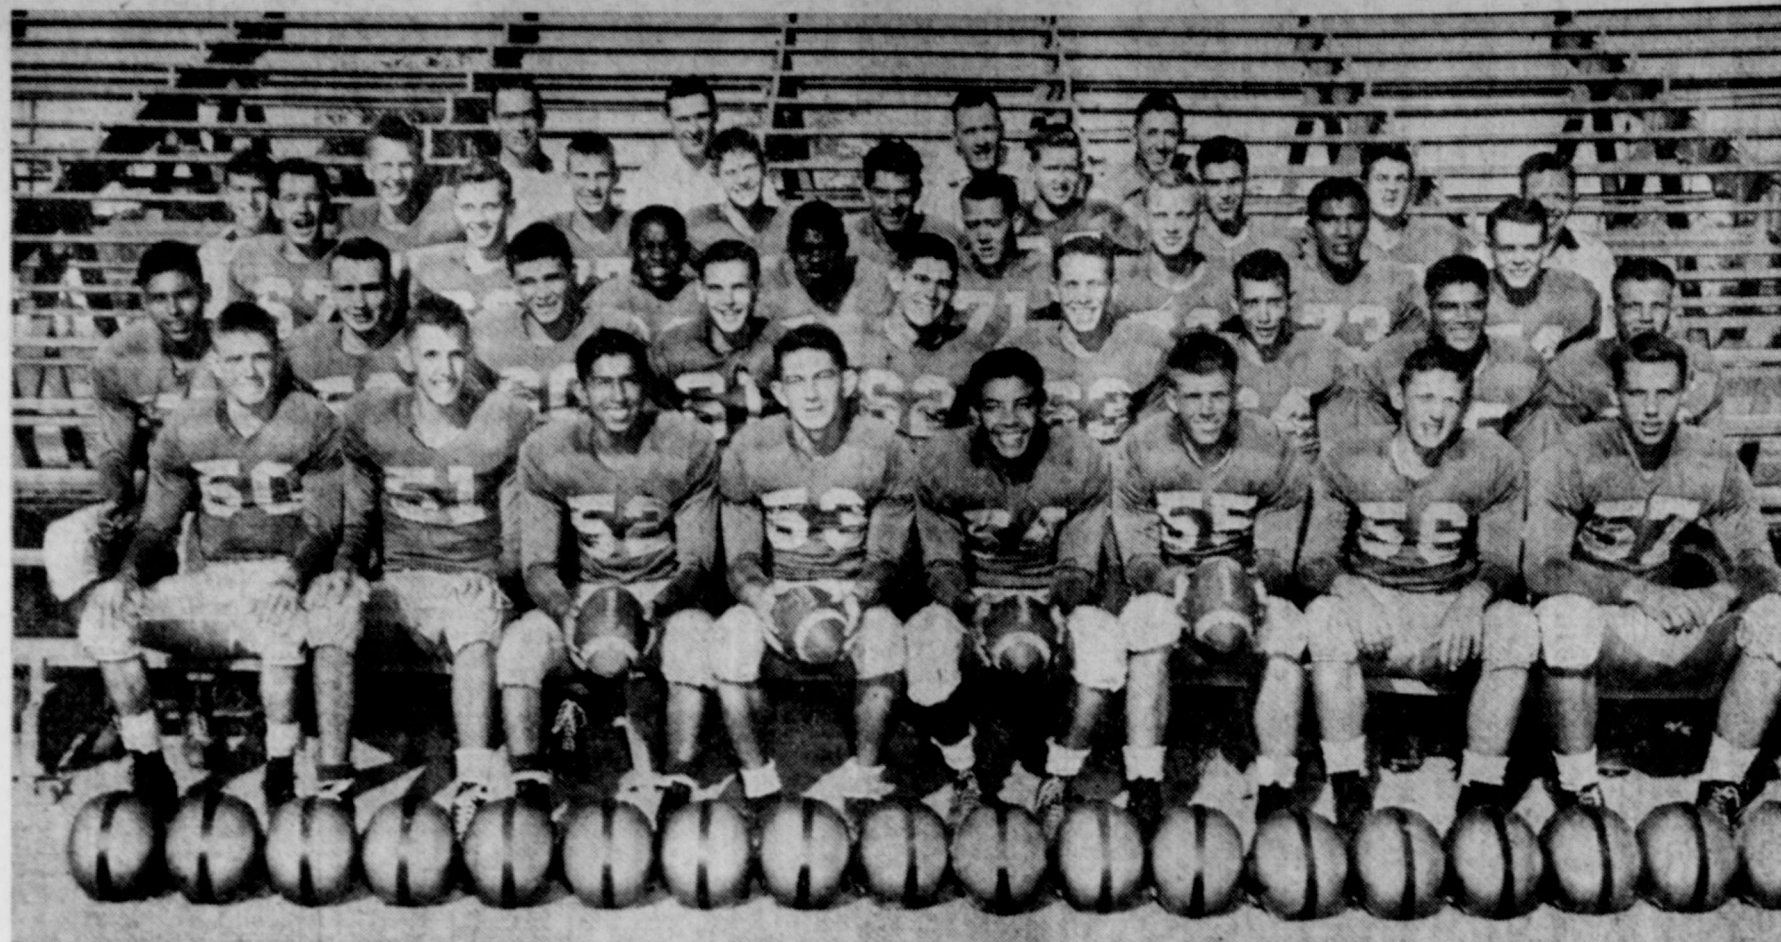

Backing up Forrest at the quarterback post are two competent juniors, Foy Lowery and Alfredo Armijo. The former's running average is 8.69 yards per carry, and the latter's is 7.07.

When other hands are called upon to carry the mail, the Cavemen can count upon fullback David Sherer, who has been slowed down somewhat by a pulled muscle; halfbacks Lalo Navarette, John Harrell and Ricky Galindo; and wingbacks Johnny Mobley and Wayne Gosnell.

One of the leading ground gainers on the Cavemen squad is not a back. He is end Dick Forrest, twin brother to the starting quarterback. So far this season, the rangy flanker has hauled down 14 tosses good for 33 yards and three touchdowns. He's a terror on downfield blocking and anchors the left side of the Cavemen line on defense.

Over on the other end will be either Frank Bohannon or Sam Quiroz, the latter recovering from a rib injury suffered several weeks ago. At tackles will be Ed John Wooten, who calls the defensive signals, and Bill Sloan, both juniors. The guard positions go to Jim Journey and Mackie Neeley, although Dan Sawyers will replace one on defense.

The starting center's job is a question mark since Harold Riley reinjured his leg Monday. If he isn't ready to go, then either Ray Goff or Larry Davis will take over.

**CARLSBAD CAVEMEN** team photo, left to right, shows: Front row—John Mobley, Biff Basham, Ricky Galindo, Wayne Gosnell, Lalo Navarette, Bob Forrest, John Harrell, David Sherer. Second row—Alfredo Armijo, Frank Bohannon, Harold Riley, Foy Lowery, Claud Hereford, J. D. Thomas, Dan Sawyers, Nano Ybaben, Dick Forrest. Third row—Ray Goff, Jack Devlin, Joe

Kelly, John Wooten, Larry Davis, Ned Kartchner, Ben Sanchez, H. J. Barclay. Fourth row—Manager Pat Neeley, Bill Lewis, Owen Carleton, Pat Thornton, Sam Quiroz, Bill Sloan, Jim Journey, Mackie Neeley, Manager Kenneth Chowning. Back row—Manager Edgar Smith, Coach Reid McCloskey, Coach Ralph Bowyer, Coach Wilson Knapp.

## Bowyer Sees Similarity Between '53 Bulldogs, '51 Carlsbad Championship Team in Offense

COACH RALPH BOWYER

### Baldwin Attends Clothing Market

Charles N. Baldwin of Artesia, attended the American Fashion Association's Resort and Advance Spring Market in Dallas this week. Nearly 5000 buyers from the great Southwest filled the Dallas hotels to capacity for the quarterly apparel market, Oct. 25-30. Approximately 1200 lines of women's and children's apparel was displayed by the more than 400 manufacturers' representatives who comprise the American Fashion association.

Bidders desiring plans and specifications may secure same from the Superintendent of Schools, Artesia, New Mexico, upon the payment of the sum of Five Dollars (\$5.00), which sum shall be remitted if and when said plans and specifications are returned in good condition within ten (10) days after date of opening of bids.

Proposal must be transmitted in accordance with the detailed plans and specifications on the forms prescribed for that purpose, and the Board of Education, Artesia, New Mexico reserves the right to reject any and all bids and to waive all technicalities.

Ordered by the Board of Education of School District No. 16, Artesia, New Mexico, this 12th day of October, 1953.  
 ARTIE McANALLY, President  
 ATTEST:  
 Mrs. C. P. Bunch, Clerk. 89-3te-91

### NOTICE TO CONTRACTORS

Notice is hereby given that sealed bids for the furnishing of all labor and materials for the construction of a Warehouse for the School Administration Building, Artesia, New Mexico, and the construction of a Storage Room addition to Carver Grade School Building, Artesia, New Mexico, will be received by Mr. Tom J. Mayfield, Superintendent of Schools at his office, the School Administration Building, until 1:30 P. M. the 16th day of November, 1953.

The proposal will embody statements to the effect that the bid is accompanied by a certified check or a bid bond in a sum not less than 5% of the maximum bid, payable to the Board of Education, Artesia, New Mexico, with the understanding that if the proposal is accepted, the bidder will, within ten (10) days thereafter enter into a contract and give a Surety Company Performance Bond in the full amount of the bid for such work. In case of failure of the successful bidder to enter into a contract and give an acceptable bond, the said check or bid bond shall be forfeited to the Board of Education, Artesia, New Mexico, as liquidated damages, otherwise it will be returned to the bidder within thirty (30) days from the date of the opening of bids.

### Two Artesians At ENMU Named To Committee

Two Artesia sophomores at Eastern New Mexico university have been appointed to a student committee on religious activities. They are Hunt Zumwalt and Gary Blair.  
 The appointments were made by Dr. Floyd D. Golden, president and Kendall Schlenker, president of associated students.

There are three kinds of twins—identical, fraternal and Siamese.

### 1953 edition of Artesia Bulldogs appears, from all indications, to be something like his 1951 Cavemen.

"In Johnny Riddle the Bulldogs have a top-notch split-T quarterback who combines excellent ball-handling with good speed. Halfback Fred Sanders is another speed merchant whose talent we respect," Bowyer said. "In fact he's one of the fastest halfbacks ever to play on a New Mexico high school football field."  
 Bowyer added that fullback Larry Beadle has been mentioned prominently in every one of the scouting reports he has had on the Bulldogs. "Beadle was good last year, and if these scouting reports are any indication, he's much improved this year," the Carlsbad coach said.  
 He went on to add that line-men Roy Johnson, Jay Mitchell and Louis Campanella are good enough to make almost anyone's first string.

### New Emmanuel Baptist Class Is Organized

Willing Workers, a new Sunday school class of Emmanuel Baptist church, met Thursday, Oct. 29, at the home of Mrs. C. E. Brinson to organize.  
 The class name, colors, song and scripture were selected.  
 Refreshments were served to Mrs. Garrison Harrison, Mrs. J. V. Smithson, Mrs. Troy Rhodes, Mrs. Arnold J. Smith, Mrs. W. D. Cunningham, Jr., Mrs. Derwin Wall, Mrs. Cecil Doyle, and Mrs. Brinson.

IN THE DISTRICT COURT IN AND FOR EDDY COUNTY, STATE OF NEW MEXICO.
In the Matter of the Petition of JOHN WILFRED HEALTON and ADA HEALTON, his wife, to adopt LANNY EDGAR, SMITH and TANNA EIRLENE SMITH,
Case No. 14110
SUMMONS AND NOTICE OF HEARING
THE STATE OF NEW MEXICO TO CHARLES G. SMITH, GREETING:
You are hereby notified that John Wilfred Heaton and Ada Heaton, his wife, have filed in the District Court of Eddy County, New Mexico, a petition to adopt as their own children, Lanny Edgar Smith and Tanna Eirlene Smith, and to dispense with your consent as parent of said children.
You are further notified that unless you enter your appearance in said proceedings on or before the 18th day of December, 1953, you shall be deemed to have consented to the granting of the adoption prayed for in the petition on file in this proceeding, and petitioners will apply to the Court for the relief demanded in the petition.
ARCHER & DILLARD are the attorneys for petitioners and their office address is 202 Booker Building, Artesia, New Mexico.
WITNESS my hand and seal of said Court this 4th day of November, 1953.
(M. SEAL) Marguerite E. Waller, Clerk of the District Court. 89-4t-F-95

### Estimated 60 Per Cent of Cotton Picked

Ginning reports for Eddy county show about 60 per cent completion of cotton picking, County Agent Richard Marek said Wednesday.

To date, 39,284 bales of cotton have been picked in the county, compared to 43,088 for the same period last year.

Artesia area gins have turned out 27,829 bales, including Farmers Co-Op 2,096, AAGA 707, Mill 4,753, Atoka 4,983, Cottonwood 7,292, and Espuela 4,996.

Carlshad area gins have produced 11,455 bales.

### Senior National Honor Society Discusses Float

Senior National Honor Society of Artesia Senior high school held its regular monthly meeting this week at the home of the sponsor, Rufus Waltrip.

Special guests were Senior High Principal and Mrs. Travis Stovall, Miss Marion Wood, Mr. and Mrs. Leonard Witcher, Mr. and Mrs. Floyd Davis and Miss Alyce Erickson.

Twenty-eight members attended. Chief business topic was preparation of a float for Thursday afternoon's Artesia Homecoming parade.

The Waltrips' home was decorated in a fall motif. Refreshments were served during the gathering.

### Bids Open for Mail Messenger, Emergency Truck

Bids are now open for contractors on Artesia's emergency postal truck service and mail messenger service. Postmaster Jess Truett has announced.

Mail messenger duties require transfer of mail between the post office and the Santa Fe station.

Full details of requirements are available from Truett at the post office.

The bids are asked following the cancellation of his contracts with the post office by Wayne Truett.

### Troops 17, 20 Of Girl Scouts Report Projects

Troop 17 Girl Scouts worked on first aid badges this week under the instruction of Mrs. J. C. Goodwin. They discussed artificial respiration, learned to wrap bandages and treat burns.

Troop 20 had a cook-out and overnight camp-out Saturday in

### Lake Arthur Halloween Features Costumes

A gay Halloween party was enjoyed by the junior and senior classes, faculty and their families in the home ec room at Lake Arthur school Friday evening.

The room was decorated in traditional orange and black motif, with a weird skeleton rattling his bones at the entrance.

The judges had a difficult time deciding upon the winners for the best costumes as there were so many colorful ones there.

Miss Betty Robinson won first place for the girls. Betty wore a costume depicting Clara Bow of Flapper Age.

Raymond Ripley won first prize for the boys. He was dressed like a tramp.

Marie Swinney won second place for the girls. Her costume was a hobo with baggy pants, sad mask, and cigar.

Ector Cortez, who was dressed like a girl, won the most laughs

the Stanley Carper back yard. Girls planned and prepared their menus for supper and breakfast. For supper, they had chili, salad and hot chocolate and breakfast, oatmeal and hot chocolate.

They had learned at a previous meeting to roll their own bedroll and each girl prepared her bedroll and brought it to the party. The girls came in costume due to Halloween.

and captured second prize for the boys. The home ec girls served cocoa and doughnuts. Mmes. Bernice Swinney, instructor, and Mrs. Herbert M. Whatley prepared the doughnuts.

The evening's diversion was folk dancing and party games.

### A&M—

(Continued from Page One)

ter tire made of rayon cord over the old cotton cord," Stroup declared.

"The individual farmer can't afford research like the rayon industry, but if we get together, we may be able to do something," the cotton grower told fellow farmers.

Farm Bureau members Tuesday night voted a number of other resolutions and elected 19 delegates to the state Farm Bureau convention scheduled for Albuquerque in December.

Among the resolutions were endorsement of a continued program of price supports, substantially the same as the present program, a call to the county secretary-treasurer for a full financial report, and a firm stand for a pay differential between domestic cotton pickers and imported pickers.

### VFW MEET POSTPONED

Allen Mills, commander of Veterans of Foreign War, has announced the regular meeting scheduled for Monday evening will be postponed due to the deer hunting season. The regular November meeting will be held Monday, Nov. 23.

## Pinon Youth Returns to Home After Guarding POWs in Korea

By MRS. RAY PATE  
Cpl. Clifford Stevenson, son of Mr. and Mrs. Paul Stevenson, returned home Friday after 18 months duty in Korea as an MP assigned to guarding prisoners of war. In Korea he received the Syngman Rhee citation of honor for services rendered in the line of duty. Cpl. Stevenson helped recapture some of the 26,000 prisoners who escaped one night when Syngman Rhee's men planned to let them all go. He helped deliver thousands of prisoners of war in the "Big Switch" at Freedom Village, which is about six miles from the front lines there. He was on duty when General Stevenson landed at Seattle, where he was delayed a few days while awaiting transfer to Fort Ord, Calif., where he received his discharge. Clifford is a native of Pinon, and spent part of his life at their

## Minor Post Office Box Rent Procedure Changes Announced

Minor changes in postoffice box rental procedure and foreign mail rates were announced this week by Artesia Postmaster Jess Truett. Changes outlined by the postmaster are as follows: Box rent due notices will be placed in unpaid boxes at least 10 days prior to the close of the current quarter. Box rent must be paid prior to the beginning of the new quarter after notices are given box rent is due. Box rent may be paid for one quarter, or if the patron desires to pay for more than one quarter or for a full year in advance, he is privileged to do so providing, the payment does not extend past June 30, which is the close of fiscal year. If a patron desires to pay one full year in advance, he may do so when payment is made in the month of June which is the closing month of the current fiscal year and the payment is effective with the first day of July until the 30th day of June of the following year. No refunds will be made after payment of rental is made. If a patron pays for more than one quarter at any one time, and decides later not to use the box or moves to another address, no refund for box rent will be made, and which includes all government agencies renting postoffice boxes. If a boxholder fails to renew the rental on his box prior to the beginning of the coming quarter, the box must be closed and offered for rent to other patrons. Except Canada and Mexico, first

class mail addressed for delivery in other foreign countries will be 8 cents for each ounce instead of 5 cents as previously charged. This does not apply to possessions of the United States.

## Southeastern Grazers Meet in Roswell Tuesday

Annual meeting of the Southeastern New Mexico Grazing association will be held at 10 a. m. on Tuesday, Nov. 10, in the Chamber of Commerce room located in the Nickson hotel, Roswell. During the afternoon, an election will be held for the purpose of electing three members to the district advisory board of the bureau of land management. These members will succeed those members whose terms expire. An election of officers for the association will also be held. The president will give a report of the highlights of the past year and the general outlook for the coming year.

## State Fertilizer Use Up to New High During '53

Fertilizer use in New Mexico reached a new high in 1952, when 22,718 tons of commercial fertilizer were sold in the state, according to Gordon Hoff, extension agronomist at New Mexico A&M college. This was 2,756 tons more than was sold in 1951 and more than six times as much as was sold ten years ago, in 1942. A survey of the use of fertilizers in the United States and its territories shows that last year, American farmers, gardeners and lawkeepers used the all time record amount of 22.5 million tons, the agronomist said. This was almost a million and a half tons more than the year before. The use of all fertilizers continues to expand in all regions and the percentage of plant food in mixed fertilizers show a continued increase, Hoff stated. The percentage of plant food in fertilizers used in New Mexico has increased from 31.3 per cent in 1944 to 37.8 per cent in 1952. This increase in plant food content of fertilizers is of benefit to the farmer because the cost per

## Dental Treatment Given One Time Only to Vets

Only one-time dental treatment will be given to veterans with service-connected dental conditions or disabilities that are not severe enough to rate disability compensation, veterans administration has announced. VA said the limitation for these non-compensable cases was made under the basic 1933 law that authorizes the administrator of veterans affairs to provide such medical, surgical or dental service as is "reasonably necessary" for diseases or injuries incurred or aggravated in line of duty in the active military or naval services. The limitation, VA said, does not apply to veterans receiving disability compensation for service-connected dental conditions or disabilities. VA added that it does not apply to those veterans who require treatment for dental conditions, whether or not service-connected, which, medically, are found to be aggravating another service-connected disability. Veterans whose treatment for non-compensable dental conditions or disabilities already has been completed will not be eligible for further treatment of those conditions or disabilities. The one-time treatment for non-compensable cases will prevail unless the treatment is found to be unacceptable "within the limitations of good professional standards," or the veteran is found eligible under one or more of the other dental benefits classifications. VA said an exception is made for former prisoners of war. They will receive as many dental treatments as are required to take care of disabilities found to have been caused by their imprisonment. Rubber is made from the latex of milk, of the rubber tree.

## You're in the driver's seat

It's your money, of course—but we'd like to see you make the most of it. That's why we publish the price of the big Buick Special here—to make Point #1: you can buy this great performer for just a few dollars more than the so-called "low-price three."

But Point #2—the smart point—is this: When you put up those few extra dollars for the Buick pictured here, you're in the driver's seat of a lot more automobile. You boss extra power—more satisfying power—wallowing Buick Fireball 8 power—highest ever found in a Buick SPECIAL. You get extra room—a lot more comfortable room—real, man-sized, 6-passenger room—as much room as you get in cars costing hundreds of dollars more. You enjoy extra satisfaction—more solid satisfaction—in the ride of this big, broad,

road-steady traveler that's cushioned by coil springs on all four wheels, and engineered with all the other costly features of the Million Dollar Ride. And, speaking of extras—here you get, at no extra cost, a long list of standard equipment that most other cars at or near the price of this Buick charge you for, as "extras" on the bill of sale. So, as we said—it's your money—and it's your move. If you're aiming for the driver's seat of a hard-to-beat buy—for a lot less than you think—come in and see us soon. MILTON BERLE stars for BUICK—in the BUICK-BERLE SHOW on TV Tuesday evenings. Also, every Saturday, tune in The TV Football Game of the Week—a "GM" Key Event

### Certified Seed Planting Climbs In New Mexico

Planting of certified seed is rapidly gaining in popularity among New Mexico farmers, and judging from the wards that cross from certified seed won at the New Mexico State Fair and the Eastern New Mexico State Fair, the trend is paying dividends.

At the New Mexico State Fair, farmers who planted certified seed made 12 crop entries. Seven of these took first place premiums, 4 second and 1 third. Outstanding exhibitors were J. O. Payne, Picacho, who made 2 entries and took 2 first place premiums; William L. Haas, Deming, who made 4 entries which won 1 first place ribbon, 2 seconds, and 1 third; and Carl Riggs, Jr., a 4-H boy from Arrey, who exhibited 20 open cotton bolls and was awarded a first place premium.

At the Eastern New Mexico State Fair there were 34 crop entries from certified planting seed. Twenty of these were awarded first place premiums, 6 second, and 5 third. Outstanding exhibitor at the Eastern New Mexico State Fair were L. L. Knight of San Jon. Knight's 12 entries walked away with 12 first place premiums. The San Jon farmer has demonstrated his skill as an exhibitor in other shows. He has taken the sweepstakes award at the International Show in Chicago in three consecutive years.

Seed certified by the New Mexico Crop Improvement Association is the farmer's guarantee that he is getting pure seed that is adapted to his particular locality. The farmer who plants certified seed has the assurance of good quality seed that will give better stands, a more uniform crop at harvest, higher yields and is free from noxious weeds.

Edward L. Davis, with the New Mexico Crop Improvement Association, State College, recommends that farmers who buy certified seed examine the analyses on the back of the certified tag to see what they are getting. Do not buy seeds that others claim are certified or registered if the certified or registered tag is not on the bag, Davis adds.

The Erie canal once was known as "Clinton's ditch."

### COSTELLO OUT AT HIGH SPEED

**KINGPIN GAMBLER** Frank Costello, hardly an hour out of Milan, Mich., federal correctional institution, is shown in his rented auto with his wife following an 80-mph chase toward Detroit by reporters and photographers. Costello served 14 1/2 months of an 18-month contempt of Congress sentence. (International Soundphoto)

### People Should Check Social Security Data

A man buying an insurance policy from a private insurance company will ordinarily have the terms of the policy explained to him thoroughly before buying; he is then careful to put the policy in a safe place; and when he pays the premiums he is careful to see that his policy number is sent with the money. These are no more than ordinary precautions, which he considers sensible business procedure. Yet this same person may neglect these simple precautions about his social security account, which is also insurance, and which in many cases would amount to \$25,000 to \$40,000 worth of insurance for his family.

To protect this valuable insurance protection you are paying for

when you have the social security tax deducted from your paycheck, you should follow a few simple rules:

- (1) Whenever you go to work on a new job, be sure to show your employer your social security card so he can copy your name and number directly from the card.
- (2) At least every three years, ask the Roswell office of the Social Security Administration to get you a statement of your account so you can see if all your employers are making proper reports.
- (3) When you reach 65, inquire about possible old-age benefits at the nearest Social Security Administration office.
- (4) Tell your family to contact the Social Security Administration office promptly in case of your death.

### Women's Group to Sponsor Xmas Gifts

LAS VEGAS, N. M.—The New Mexico State Hospital Women's Auxiliary, at a recent meeting, voted to sponsor the Annual Christmas Gift collection for the State Hospital patients. It was decided that the residents of each community in the state would be contacted to pledge gifts.

The committee in charge asks that gifts be sent before December 15, to the Christmas Gift Committee, Box 1181, Las Vegas, New Mexico.

### \$3,000,000 In Federal Funds For Hospitals

SANTA FE, Nov. 5—Three million dollars in federal funds already has been received for the establishment of additional hospital facilities in New Mexico.

It is anticipated that over four million dollars may be supplied by the national government for the same purpose during the next several years, according to the Taxpayers Association of New Mexico.

Allocated under the Hill Burton program, the funds thus far received from Washington have helped make available 860 additional hospital beds in this state. In all, just over four million dollars in federal funds have been allocated to New Mexico for hospitals, with local sources contributing nearly seven million dollars for the same several projects.

One hospital project in Santa Fe received more than three-quarters of a million in federal assistance, while two Albuquerque hospitals received a total of almost as much, said Albert K. Nohl, Acting Director of the taxpayer organization.

Other counties which have received funds under the Hill-Burton program include Lincoln, Dona Ana, Otero, Lea, Roosevelt, Curry, San Juan, Guadalupe, Colfax, De Baca and Socorro.

MI. McKinley in Alaska is the highest point in North America.

### Daily Collection Of Sales Tax Reaches \$56,000

Merchants and dealers collect New Mexico's 2 per cent state school (sales) tax in the average amount of more than \$56,000 daily. This approximates eight cents a day per capita, or nearly \$30 yearly per capita, says the Taxpayers Association of New Mexico.

In addition, over \$42,000 is collected daily for the state gasoline tax of six cents per gallon. This amounts to \$22 annually per capita. Thus the state gasoline and sales levies together total more than \$50 a year per capita, according to a statement released today by the Association.

### Cause of Neuritis Discussed By Local Doctor

Neuritis is an abnormality wherein the nerve trunks and the nerve fibers are especially involved by inflammatory changes. This may be a general or a localized condition.

Chiropractors have found that the original cause of neuritis is a subluxation (misalignment) producing a pressure on nerves which interferes with normal transmission of vital nerve supply from the brain, where it originates to the various parts of the body now affected by the abnormality. Every part of the body is supplied by nerve filaments which convey to it life energy in the form of heat impulses, nutritive impulses, secretion impulses, etc. In the event that any of these nerve fibers are interfered with, they may express a lack or an excess of any of these several varieties.

Chiropractors are trained to locate and remove the nerve interference, thereby giving the nerves the opportunity to carry the full quota of nerve energy to all parts of the body.

It is not true to say "everything possible has been done" unless Chiropractic is included.

For further information regarding Chiropractic, consult Dr. Kathryn Behnke, Palmer Graduate Chiropractor, 408 W. Richardson, Phone 861. —Adv.

U. S. Marines were in China far back as 1854, when they sent there to protect the lives of foreigners, including Americans.

### VISUAL TRAINING

What is its purpose? "Seeing" is NOT "vision." The eye may receive light stimulus from objects, sometimes without lenses and sometimes lenses are needed to bring light stimulus to a proper focus on the retina. Other functions, that direct the two eyes to the object must work in harmony with "seeing." When there is an imbalance between the two conflict, confusion and discomfort results. Such conditions retard the ability to think and to achieve. With "visual training" we establish a normal relationship in all functions. This is "vision." This we do.

## BEAUTIFUL CHRYSLER FOR '54

INTRODUCES

# POWERFLITE

... the most automatic of all no-clutch transmissions today  
... the better, safer way to drive without strain, without tension, without shifting!

PowerFlite frees your hand, foot, and mind completely from all gear-shifting work... frees you from all strain and tension. Here is new ability to pass a car more safely, and in less time and distance. Here is a new gift in safety and unfettered ease when you're caught in the downtown traffic snarl. Here is the newest in Chrysler engineering... that masters steepest grades without asking a thing of you... that gives you new surety of escape from mud, sand, and snow... that's so simply and sturdily built that it's by far the easiest of all to service. One trial will show you Chrysler PowerFlite is the finest and most automatic transmission ever built!

Come see and try All the great New Chrysler features!

Now, for the first time in any car, you enjoy Complete Driver Control... yours in the Imperial and New Yorker FirePower V-8's with 235 or 195 H.P.—or in the Windsor Deluxe with the world-famous Spitfire engine! Yours with new Full-Time Power Steering... new Power Brakes... new Electric Window Lifts... new Chrysler All-amp Air Conditioning... and stunning new beauty that says you drive the leader!

## "The Power of Leadership is yours in a Chrysler"

### Another Wonderful Kitchen Craft Flour Offer!

- 7-inch size. Handy for sewing basket and most cutting purposes.
- Clean cutting assured by keen blades kept in perfect adjustment by steel tension spring.
- Long-lasting. Can be resharpened over and over. Guaranteed on a money-back basis.
- Magnetic-tip blades, nickel plated. Red enameled, easy-grip handles.

HIGH-QUALITY ALL-PURPOSE

# SHEARS

This size and type sells in many stores for as high as \$2.50

FOR ONLY **50¢**

AND BLUE TRIANGLE FROM TOP OF ANY SIZE BAG OF KITCHEN CRAFT FLOUR

There's a double reason for trying Kitchen Craft Flour today! You get these quality shears at a real bargain. You get better baking. That's guaranteed! Kitchen Craft Flour is pre-stuffed for lighter baking. It works wonders with any recipe. Try a bag now—and get these fine shears at a big saving. Here's an idea for Christmas gifts, too!

Get order blanks today at your **SAFEGWAY STORE**

### Pays Special Dividend to Vets of First War

A \$84 million special dividend of World War I insurance is being paid by the veterans administration beginning Oct. 15, 1953. The dividend is being paid to 380,000 veterans who hold permanent plan policies in what is officially called the United States government life insurance.

The dividend payments will average \$188, though the amounts of individual payments vary widely.

The special dividend on World War I insurance is in addition to the regular 1953 dividend of \$23 which is now being paid to holders of USGLI permanent plan policies on the anniversary of their entry into service.

Basically, the group receiving the special dividend is limited to veterans holding permanent plan policies, which were in force Dec. 31, 1952, and were issued at least five years prior to that date.

Those not sharing in the dividend include:

- Holders of 5-year term USGLI policies.
- Holders of USGLI policies under extended insurance.
- Holders of permanent plan USGLI policies issued during the 5 years prior to January 1, 1953.
- The amount of the special dividend payments to eligible policyholders depends on the plan of insurance, the age of the insured at the time the policy was issued, the length of time the policy has been in force, and the amount of the reserve.

The special dividend is being paid because a trend of mortality and disability experience in the USGLI has made possible the release of some of the reserves which were being maintained to provide these benefits. The same has been observed in commercial insurance.

Each special dividend check is accompanied by a notice which reads as follows:

The enclosed check is your share of a special dividend now being paid under United States government life insurance. . . the dividend is entirely independent of, and in addition to, any annual dividend you may have received in the past, or may receive in the future. It may not be returned to the veterans administration on deposit.

The regular 1953 dividend is being paid shortly after the anniversary date of each policy. The special dividend, on the other hand, is being paid separately in a single mailing which was scheduled to get underway on or about Oct. 15, 1953.

It is believed that all dogs are descendants of the common wolf.

### Hope News

By MRS. E. L. COX

Mr. and Mrs. Ben Miller visited Mr. and Mrs. Irvin Miller Sunday. Mrs. Ella Buckner and son, Hollis, visited a daughter and sister, Mrs. Margaret Meadows and children in Artesia Sunday.

Mrs. Ada Belle Trimble was taken suddenly ill Sunday morning and was taken to the doctor. She visited in Carlsbad with a niece, Mrs. Jessie Buckner and family. Mr. and Mrs. Bonnie Altman took Mrs. Trimble to Carlsbad. Mrs. Altman took Mrs. Trimble back to the doctor Monday.

Mr. and Mrs. Charles Harris and children of Roswell and Mrs. Vivian Hepler of Pinon were guests in the Haskell Harris home over the week-end.

Mrs. George O. Teel and baby, Elnabeth, arrived home Sunday afternoon. Mr. Teel and children went to Artesia Sunday morning and brought the mother and new baby home.

Mr. and Mrs. Brownlee, former residents of Hope, and Mr. and Mrs. Shaddock of Carlsbad visited friends in Hope Sunday. They visited at the telephone office, the New Teel home, Andy Teel home, and back by the Bryant Williams home where they purchased a turkey from the Williams.

The evangelistic campaign started at the Methodist church Sunday night. Rev. O. E. Hall from Logan, N. M., arrived Monday to be the speaker for these services. Everyone is invited to attend at 7:30 each night.

Patsy Bush accompanied the Lincoln Cox family to Artesia Saturday where they all attended the 4-H and FFA stock show and sale.

Charlie Barley took a load of household furnishings to Colorado for Mr. and Mrs. Cecil Coats one day last week. Mr. and Mrs. Coats expect to make their future home in Colorado. They have not yet bought a place but expect to in the near future.

Rev. and Mrs. Richard Rounds and son and Rev. O. E. Hall were dinner guests in the home of Mr. and Mrs. John Bush Tuesday.

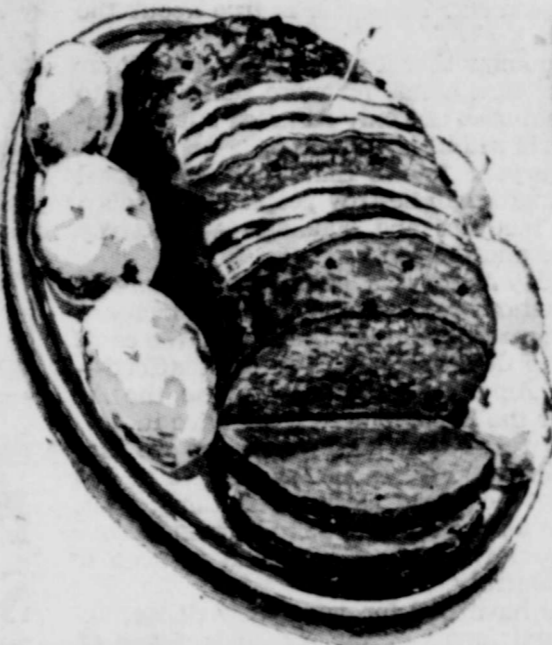

Mr. and Mrs. Ralph Lea were Artesia visitors Sunday afternoon. Mr. and Mrs. New Teel and Mr. and Mrs. Andy Teel helped with stock on the Jernigan ranch near Dunken Tuesday; also visited their great grand- and grandchildren, little Vaughn Arvel and Andares Teel.

L.U.T.C. COURSE — Seated, left to right: George Hansen, W. H. Miller, John Moore, Jr., Gordon P. Crenshaw, Henry Fielden, Thomas A. Carter, Jr., Field Robinson,

ertheless stresses quality underwriting and the improvement of techniques.

"The American public," Robinson told the class, "has become informed concerning the services life insurance can render and will

moer and more demand greater service from the field representatives of the life insurance companies. This constitutes a great opportunity for the man who is in this business as a career and who really wants to render a ser-

vice to his fellow-man, but it is likewise the death-knell eventually of the agent who is satisfied merely to peddle policies."

Starting in 1947 with only 133 students in six classes, L.U.T.C. has now grown to where some 10,000 in over 400 classes met this week to begin the 25-week training courses. Classes are meeting in all 48 states and the District of Columbia.

**Give enough!**

**Pecos Valley Underwriters Begin Course of Insurance Instruction**

Twenty of the leading life underwriters from Chaves, Lea and Pecos counties enrolled as students in the first session of the First Year Course of Life Underwriter Training which is being sponsored by the Pecos Valley Association of Underwriters, met this week at the Chamber of Commerce assembly room.

Two weekly class sessions of one hour duration, Field Robinson, will act as moderator for the class which is one of 400 similar classes being held throughout the United States to improve the quality of underwriting among the 600,000 legal reserve insurance companies whose members are enrolled in the classes.

In the first class session, Gene Buckner, Roswell, State Farm Ins. Co.; Thomas A. Carter, Jr., Roswell, Business Men's Life Ins. Co.; William W. Chambers, Roswell, American National Life; Gordon P. Crenshaw, Roswell, United Benefit Life; Gene Curtis, Roswell, Prudential Life; Henry Fielden, Roswell, Prudential Life; James R. Franklin, Jr., Roswell, Jefferson Standard; Casper O. Fulton, Artesia, Paul Rever Life; George G. Hansen, Roswell, State Farm Life; O. A. Kinnison, Jr., Roswell, Prudential

Life; Gerald N. McBride, Roswell, Business Men's Assurance; W. H. Miller, Roswell, New York Life; Kenneth W. Moore, Jr., Roswell, United Benefit Life; John R. Simons, Artesia, New York Life; Richard E. Smith, Carlsbad, Connecticut Mutual Life; William H. Snider, Carlsbad, State Farm Life; Bill G. Townsend, Carlsbad, Business Men's Assurance.

L.U.T.C. classes are run on the self-governing principle, the class members electing their own officers, drawing up their own rules for class conduct, and decorum and taking turns in conducting class discussions. In their first meeting the Pecos Valley class elected Tom Carter, of Roswell, as its sheriff and James Franklin as its temporary secretary. Permanent class officers will be elected at a later session, and consist of president, vice president, secretary-treasurer and sheriff.

An interesting feature of the second session of the class is to be the organization of the Ball O' Fire Mutual Life Insurance Co., a mythical organization with two general agencies whose staff consists of the agents enrolled in the class. A friendly contest between these two agencies will be one of the special features of the course.

During the 25 weekly class sessions the underwriters will study the how and why of successful field underwriting under the six headings of "The Job, The Product, The Customer, The Sales Process, Programming and The Market," with major emphasis on increasing sales. The course, nev-

**WARNING to HOUSEWIVES**

Reports coming to the National Better Business Bureau indicate that many women are being terribly upset by men selling cooking utensils house-to-house, who are telling them that the aluminum cooking utensils in their homes are bad for their health and should be thrown away.

These salesmen even make misleading boiling tests to show an apparently clouded condition of water boiled in aluminum.

The National Better Business Bureau states that these rumors being spread and these tricky tests are entirely false and misleading. Prominent health authorities, including the United States Public Health Service, state that there is absolutely no truth whatsoever in them. The Federal Trade Commission has branded such statements as false and its findings have been sustained by the courts.

So, ladies, be warned. Don't throw away your aluminum cooking utensils on the advice of some salesman who tries to interest you in some competitive cooking utensils. Aluminum cooking utensils are entirely safe and if you have the slightest doubt—ask your family physician or your local health department.

Any housewife who encounters this type of misrepresentation is urged to obtain the name of the salesman and the company he represents, and forward it to the address below.

We have a booklet "The Safety of Aluminum Cooking Utensils", which will be sent free on request.

NOTICE OF PROPOSED IMPROVEMENTS OF CERTAIN STREETS WITHIN THE CITY OF ARTESIA, NEW MEXICO, AND OF THE TIME AND PLACE OF A HEARING TO BE HELD THEREON, AND OF THE ESTIMATED COST AND EXPENSE OF THE IMPROVEMENTS, AND THE ESTIMATED AMOUNT OF ASSESSMENT AGAINST EACH PARCEL OF PROPERTY.

TO THE PROPERTY OWNERS, AND TO WHOM IT MAY CONCERN: You are hereby notified as follows: That, on the 23rd day of September, 1953, the City Council of the City of Artesia, New Mexico, duly and regularly passed Ordinance No. 166, creating an improvement district and ordering the improvement of certain streets in accordance with petitions in writing, to the City Council of the City of Artesia, New Mexico, by the owners of more than sixty-six and two-thirds percent (66 2/3%) of the front feet of the property abutting upon such streets, the place of commencement and ending of the proposed improvements, the route of the proposed improvements by streets, and the boundaries of the assessment district being as follows:

WEST MISSOURI AVENUE, from Twelfth Street to Thirteenth Street. WEST ADAMS AVENUE, from Fifth Street to Sixth Street. MOSLEY AVENUE, from First Street to Roselawn Avenue. NORTH FOURTH STREET, from Chisum Avenue to Adams Avenue. That the improvements to be made are to be made as follows: Pavement to be six (6) inch compacted caliche base with one and one-half (1 1/2) inch asphaltic wearing surface and an asphaltic prime coat. Curb and gutters are to be concrete.

That the estimated cost and expense of the improvements, including cost of advertising, engineering fees and legal fees is the sum of \$19,704.83.

That a description of the property to be affected and proposed to be assessed for the cost of such improvements, with the estimated amount to be assessed against each property owner, is as follows:

Table with 3 columns: Owner and Property Description, Frontage, Maximum Assessment. Includes entries for Ora Buck Howard and J. W. Howard, W. H. Stuewig and Kate M., Emery Champion and Lois A., Artesia Branch United Pentecostal Church, J. R. Cline and Zenia, and WEST ADAMS AVENUE PAVING.

Riley and Louise, L. J. Chester and Verla, Mrs. Mittie B. Coker.

That a hearing will be held by the City Council of the City of Artesia, New Mexico, at the City Hall in said City, on the 9th day of December, 1953, at the hour of 7:30 P. M., where the owners of such property shall have a right to contest the proposed assessment and the regularity of said proceedings and the benefit of said improvements to such property, and any other matters with reference thereto; and, at said hearing, any owner who shall be found to have improved his property in such manner that the improvement may be profitably made a part of the general improvement, shall be allowed, by the City Council, the full value for such improvements as a set-off on the assessment against the property. Any property owner or person affected by the proceedings may file a petition in writing, if he so desires, on or before the day set for said hearings, or may appear in person at said hearing.

This Notice is given by authority of the City Council of the City of Artesia, New Mexico, this 23rd day of September, A.D., 1953. CITY OF ARTESIA, NEW MEXICO, By J. L. BRISCOE, Mayor.

STATE ENGINEER'S OFFICE

Number of Application RA-2132-B, Santa Fe, N. M., October 20, 1953. Notice is hereby given that on the 14th day of October, 1953, in accordance with Chapter 131 of the Session Laws of 1931, Sanders Terry of Artesia, County of Eddy, State of New Mexico, made application to the State Engineer of New Mexico for a permit to change location of shallow well by abandoning the use of Well No. RA-2132-B located at a point in the NW 1/4 SE 1/4 NW 1/4 of Section 24, Township 18 South, Range 26 East, N.M.P.M., and drilling a new well 13 inches in diameter and approximately 150 feet in depth, located at a point in the NW 1/4 NE 1/4 NW 1/4 of said Section 24, for the

purpose of continuing rights for the irrigation of 140.5 acres of land described as follows: Subdivision NE 1/4 NW 1/4, Section 24, Township 18 S., Range 26 E., Acres 33.0. Subdivision SE 1/4 NW 1/4, Section 24, Township 18 S., Range 26 E., Acres 35.0. Subdivision NW 1/4 NE 1/4, Section 24, Township 18 S., Range 26 E., Acres 37.9. Subdivision SW 1/4 NE 1/4, Section 24, Township 18 S., Range 26 E., Acres 34.3.

No additional rights over those set forth in Permit No. RA-2132-B are contemplated under this application. Appropriation of water from all sources combined not to exceed a total of 3 acre feet per acre per annum.

Old well to be plugged. Any person, firm, association, corporation, the State of New Mexico or the United States of America, deeming that the granting of the above application will be truly detrimental to their rights in the waters of said underground source, may protest in writing the State Engineer's granting approval of said application. The protest shall set forth all protestant's reasons why the application should not be approved and shall be accompanied by supporting affidavits and by proof that a copy of the protest has been served upon the applicant. Said protest and proof of service must be filed with the State Engineer within ten (10) days after the date of the last publication of this notice. Unless prohibited, the application will be taken up for consideration by the State Engineer on that date, being on or about the 25th day of November, 1953. JOHN H. BLISS, State Engineer. 87-31-F-91

IN THE PROBATE COURT OF EDDY COUNTY, STATE OF NEW MEXICO. IN THE MATTER OF THE LAST WILL AND TESTAMENT OF A. D. SCHNEIDER Deceased. No. 1912. NOTICE: Notice is hereby given that Myrtle Lee McLaughlin has been appointed and has qualified as ancillary executrix of the estate of A. D. Schneider, deceased, by the Probate Court of Eddy County, New Mexico.

All persons having claims against said estate are notified to file the same as required by law on or before six months from the day of the first publication of this notice which is October 30, 1953, or the same will be barred. S/Myrtle Lee McLaughlin, Ancillary Executrix. 87-41-F-93. In Borneo and East Africa, ear lobes of the natives are so stretched that they hang down to the shoulders, with holes so large that it would be possible to pass a closed fist through them. Real pigskin doesn't come from the barnyard variety of hog, but from a wild pig.
