

Lake Arthur Teachers Wed In Ceremony in El Paso

The sanctuary of St. Paul's church, El Paso, was the setting for the 4 o'clock wedding of Miss Josephine Klier and Conrad H. Jones, Christmas Day. Officiating at the double ring ceremony was Dr. William Buck.

The bride is the daughter of Mr. and Mrs. Wilhelm Klier of Orogrande, N. M. and the bridegroom is the son of Mrs. Clarissa Jones of Sheridan, Ark.

Preceding the exchange of vows Mrs. Wanda J. Eidbo, organist, played a prelude of wedding music and accompanied Mrs. Helen A. Dohanos, who sang "Because" and "I'll Walk Beside You."

Mrs. Jones attendants were Mrs. Val Rury, Albuquerque, coronator; Miss Maxine Pounds, Corona, N. M. and Miss Eula Jean Johnson, Las Cruces, bridesmaids. Harold Long served as best man and W. Joe Bryan and Maynard Traylor were groomsmen. All were from El Paso.

The bride was given in marriage by her father. Her gown was fashioned of white satin, having a gold bodice, a sweetheart neckline with a Queen Ann collar. The long fitted sleeves came to petal points at the wrists and the full skirt extended to a cathedral train. A Juliet cap of satin and lace trimmed with pearls caught her tiered veil. Her bouquet was

of white carnations in colonial style.

Mrs. Jones attendants wore pastel colored gowns of taffeta styled after the bride's. They wore velvet and net headresses in matching shades of rose, green and orchid. They carried colonial bouquets of contrasting colored carnations.

Mrs. Jones is a graduate of Corona high school and New Mexico A&M college, where she was president of Allegro Music club, a member of College Playmakers, and the Women's Sextet. She has been teaching in the Lake Arthur public schools for three years.

Mr. Jones is a graduate of Sheridan high school, Sheridan, Ark. and Henderson State Teachers college, Arkadelphia, Ark. He is English-commerce instructor in the Lake Arthur schools.

At the regular Tuesday meeting of the Rotary club at the Masonic Temple, Emery Carper related a day-by-day account of the trip he and his party made to Hawaii last summer.

Mr. Carper observed that the blonde owner considers it her most precious heritage.

Several other topics were discussed which were very interesting.

Next Knife-Fork Speaker Is Authority on Far East Crisis

"The present truce in Korea by no means solves America's far eastern problem," says Maj. Malcolm Rosholt who served in that area during World War II and was a working newspaper man in that section for almost a decade prior to the war.

MAJOR MALCOLM ROSHOLT

Here to address the Knife and Fork meeting at Veterans' Memorial building at 7 p. m. Tuesday, Jan. 19, the astute major who hails originally from Rosholt, Wis., named after his grandfather who was a banker and held wide lumber interests, believes America's job in the Far East is just as ticklish as before.

No one can even guess how long the present situation in Korea will continue. The truce was only that. It was not a permanent peace and it did not settle the questions and bring answers; aggrieved parties are far from being satisfied.

Also, the wars in Indo-China and Malaya where the French and British are engaged continue just as they have for seven years. There is no sign of a let-up in these campaigns which could quite possibly affect the United States, the major believes.

Major Rosholt has revisited the Far East three times since 1950, traveling to Japan, Korea, Formosa, Hong Kong, Indo-China, Thailand, Indonesia. He speaks Chinese and Japanese and says he "can get by" in several other languages.

Cummins Funeral Held Thursday In Carlsbad

Last rites were held Thursday, Jan. 14, for Frank E. Cummins, 77, at 10 a. m. in St. Edwards church in Carlsbad. Burial was in Carlsbad cemetery. Father Hugh Rochkes officiated.

Mr. Cummins died Monday, Jan. 11 of pneumonia at St. Frances hospital in Carlsbad, at about 10 p. m.

Cummins is a former Artesian and the family have a wide acquaintance up and down the valley. They have been in New Mexico for many years. They used to live in Grove, Okla. They lived here for about three years and moved to Carlsbad about 18 years ago.

Mr. Cummins was a prominent rancher and oil driller. He helped drill for oil on the Blue Bird well south of Carlsbad in 1920.

Mr. Cummins was born Jan. 7, 1877 in Illinois.

He is survived by his wife and one daughter Mrs. George Moralez both of Carlsbad.

Out of town people attending the funeral were Mrs. Cummins nephew and wife, Mr. and Mrs. Alex Nelson, who flew from Las Vegas, Nev. and Mr. and Mrs. A. J. Smith of Artesia.

Sue Warren of Hermosa school and granted temporary leave of absence to Mrs. Allye Terrell of Roselawn school until the fall of 1954. No substitute, Mills told the board, has been found for Mrs. Starr. Mrs. Marie Sams will finish the year in Miss Warren's place and Mrs. Dorothy Blessing will replace Mrs. Terrell.

Approved hiring of Mrs. Francis McCarty to teach during morning at Loco Hills and in the afternoon in Carver school. The action came after Mills disclosed one teacher at Loco Hills is teaching 40 pupils in a single room in first and second grades, and another at Carver is teaching 40 in a single room in the first three grades.

Postponed until legal technicalities are straightened out the proposed \$450,000 bond issue for additions at Hermosa elementary school and Junior high school.

Dunnam Seeks Whereabouts of Elmer Woods

Veterans Service Officer Bill Dunnam wants to locate Elmer Woods, a veteran of World War I, who is said to have been stationed at Camp Cody for some time.

Information in Dunnam's possession indicates that Wood was employed on the Muleshoe ranch, above Hope, when he entered the Army and for some time following his discharge.

Anyone knowing the whereabouts of Elmer Woods, if living, is requested to write Dunnam, Box 36, Artesia, or call his office, phone 559-J, or residence, phone 408. Dunnam would also be interested in knowing if Woods is dead and the time and place of his death.

Fans Hurry—

(Continued from Page One) must still bear their normal financial load later in the baseball season through box seat, advertising, and 50 club contributions.

Harry James of Roswell, Longhorn league president, told more than 80 fans attending a baseball meeting Tuesday night he is sure the league will be successful in 1954. Artesia is very much wanted in the league by other clubs, James said.

He said Roswell, Hobbs, Carlsbad, San Angelo, Midland, and El Paso are almost sure to field teams in 1954.

Schedule arrangements would also be made, James said, to provide that when Artesia and Hobbs are playing at home, Carlsbad and Roswell would be on the road.

The 1954 season can be successful, James declared, if clubs in the league will concentrate on selling baseball to the fans. In the East, he pointed out, where television is several years old, amusements are showing steady increases in their gross, despite the heightened competition.

Yma Sumac Has Fabulous Range Of Five Octaves

Yma Sumac, the 23-year-old Quechuan Indian girl from the Andes of Peru, has four voices. She can sing contralto, mezzo-soprano, soprano and coloratura. Her liquid transition from the growling low-register notes of her song Tumpa (The Earthquake) to the flute-like trills of Taita Inty, a hymn to the sun, has been known to freeze astonished listeners in their tracks.

After his first rehearsal with Miss Sumac, a bass fiddle player shook his head. "Well, I've played for her and I still don't believe it. She's either got a whistle in her throat or three nightingales up her sleeve."

Yma's album, Voice of the Xthay, appeared unheralded with a dramatic picture of her on the front and a highly romanticized biography on the cover. Selling almost entirely by excited word of mouth, it was listed No. 1 on Variety's best-seller list at the end of 1950. Bobby-soxers and long hairs seemed to be equally interested.

Miss Sumac will make her appearance in Artesia on January 28.
