VOLUME FIFTY-ONE

ARTESIA, NEW MEXICO, FRIDAY APRIL 30, 1954

NUMBER 35

## TOP, Democratic Primary Contests Race Vote Tuesday

The race between Holm Bursum of Socorro and Alvin Stockton of Curry county for the GOP gubernatorial nomination.

John F. Simms, Democratic gubernatorial candidate, is unopposed.

Democrats Tuesday will also choose among:

- For lieutenant governor, Joe M. Montoya and Sixto Leyva.
- For secretary of state, Mrs. C. A. (Rowena) Joplin, Mrs. Natalie Smith Buck and Mrs. Ray (Irene) Irias.
- For state auditor, Louis Ralph "Louie" Lopez, J. D. Hannah.
- For state treasurer, Joseph E. Grant, Mrs. Merle D. Eager.
- For superintendent of public instruction Earl Nunn, Mrs. Georgia L. Lusk.

**AUTHORITY** of city government leadership was passed Wednesday night to Mayor-elect W. H. Yeager, left, by retiring mayor J. L. Briscoe, who has headed city affairs for past two years. (Advocate Photo)

## Five Prowler Reports Given By Residents

Five more prowler reports, scattered across Artesia, have been received by city police since last reports in The Artesia Advocate.

Reports come from:

- Mrs. Byler, 410 W. Texas, who reported a prowler at 11:45 p. m. Monday.
- Mrs. Raymond Cavin, 601 S. First, who at 12:34 a. m. Tuesday reported a prowler to police. She said a tall man was looking in her window. She believed he fled when he saw her going to the telephone.
- Mrs. R. W. Harper, 804 Catalina, who called police at 10:35 Wednesday evening to report a prowler looking in her window. Mrs. Harper said the peeper whistled.
- Mrs. H. O. White, 509 Quay, who at 10:48 Wednesday evening reported a prowler had been at her residence. Earlier in the evening at 10:37, her husband phoned police reporting a prowler had been visiting their home every night after 9 p. m.
- Mrs. J. R. Patton, who reported to police Thursday morning a prowler was at their house at 2:30 a. m. Thursday. He fled when her husband awoke and got up.

## Warm Weather to End Attack by Pea Aphids

Pea aphids striking alfalfa in Eddy county have damaged at least 25 per cent of the crop, R. C. Dobson, extension entomologist for New Mexico A&M college, found this week.

Dobson, accompanied by Richard Marek, Eddy county agent, found pea aphids scattered throughout the county.

He recommended these measures to farmers:

- If spraying by airplane, use parathion.
- If spraying by ground rigs, use malathion, an insecticide which is not toxic to warm-blooded animals as is the more powerful parathion. It is more expensive, however.
- Since most damage is done on old fields of alfalfa, farmers should not spray new fields before old fields are cut. If farmers spray new fields, then cut old, the new fields will be reinfested.
- Residual effectiveness of the two sprays is a great deal less than DDT or hydrocarbon insecticides, Dobson noted.

- Residual effectiveness of the two sprays is a great deal less than DDT or hydrocarbon insecticides, Dobson noted.

## Program Planning Institute to Open

The church and social organization will receive a lift in their planning as Artesia's Program Planning Institute opens Monday.

The institute is a model program institute is one of work being done by the Public Library under a grant from the American Library Association. One of 20 in the county chosen to receive a grant for the institute, which will open Monday, Wednesday, Friday nights, will be help in planning for local organizations. The aids range from help to film, from discussion techniques to subject material.

W. H. "Bill" Yeager will open the institute at 7 p. m. Monday, May 3, with a word of welcome.

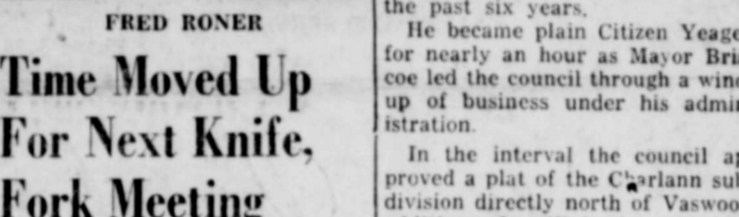

Mrs. S. P. Yates will outline the institute's aims and purposes. Mrs. Yates is chairman of the library board of trustees.

**SPEAKER for Monday night** is Robert L. Kline, audio-visual director of Artesia Public Schools. His theme is "Use of Audio-Visual Materials in Programming." Two discussions, each followed by questions and answer sessions, are slated for Monday night.

Opening the institute Wednesday night at 7 p. m. will be Mrs. Elsa Smith Thompson, librarian for Albuquerque Public Library.

## Administration Of City Given To New Team

**FRED RONER**

## Time Moved Up For Next Knife, Fork Meeting

Artesia Knife and Fork club members will meet early next Thursday to hear Fred Roner, the only pickpocket who has the approval of local police and the federal bureau of investigation.

Knife and Fork dinner hour has been changed from 7 p. m. to 6:15 p. m. to be through in time for next Thursday's ball game, when Carlsbad and Artesia meet here for the first time this season.

Dr. D. M. Schneberg, president of the club, said reservations must be in by 10 a. m. next Tuesday. No cancellations will be accepted after the deadline, he said. The event will be in Presbyterian parish hall.

There will be no need for any publicity hungry cop to try to nab Roner when he is in Artesia, for he is a most unusual pickpocket in that he does not "play for keeps."

Therefore it will not be necessary for anyone to count the silver or hide his watch in his old sock, for Roner, even if he should locate the hidden time piece and purloin it for the purposes of showing how

## Versatile Pea Aphids Have Answers to All Problems

The pea aphid infesting alfalfa in the Artesia area and throughout New Mexico is a unique creature.

County Agent Richard Marek this week disclosed some of the known facts about the highly adaptable aphid.

In the fall and winter female aphids lay eggs which, when fertilized by the male, hatch into young aphids.

Males, however, are born only during the fall and winter months, when they are needed to fertilize the eggs.

During warmer weather, females produce living young—without fertilization by the male. And what's more, the female produces only females.

A female will produce 12 to 15 living, self-fertilizing young females a day. In four or five days the young females began producing living young.

When pea aphids eat up whatever they're chewing on at the moment, the normally wingless insects then start hatching a winged type, which flies to new food areas. Once settled, they switch back to bearing wingless types again.

But their incompatibility with high temperatures and insecticides will bring about their downfall, eventually. Temperatures from 95 to 100 degrees and up kill the insects.

## Two Juveniles Caught Inside Artesia Store

Two juveniles were caught in the act of breaking into an Artesia business by city police Monday night.

Lt. Bob Williams arrested two youngsters, 8 and 10 years old, as they pilfered for the second time Monday evening Linell Trading Post on N. First.

They were caught inside the store by Lt. Williams at 10:23 Monday night.

They were turned over to Juvenile Officer J. D. Josey, Sr.

Earlier in the evening, the two had broken into the post and taken 40 cents in pennies.

They used the pennies to buy candy (10 cents) and go to a movie (15 cents apiece).

Their money exhausted, they returned to the trading post for a refill. They got 14 more pennies, a flashlight, hunting knife and a candle.

Lt. Williams investigated the building on discovering a broken window which the two youngsters had smashed to gain entry.

The two are brothers, Chief of Police Frank Powell said. They reportedly come from a broken home.

## Gambles Store Is Sold By Bourland To Colorado Man

Gambles' store in Artesia has been sold by Homer G. Bourland of Artesia, to T. C. Welch of Lamar, Colo., effective May 1.

Bourland, who has owned the Gambles store here for 10 years, announced no plans for the immediate future other than vacationing.

Welch has managed a company-owned Gambles store in Lamar for the past 15 years. He has been with Gambles 20 years.

Welch said he became interested in Artesia on trips to New Mexico A&M college where his son, Gerald, 19, is a freshman, enrolling last summer.

The city seemed to us to have a stable and widely diversified economy," Welch said.

He and his wife, Billie, are new in Artesia. Another son, Ronald, 16, a junior in high school, will join them at the end of the school year in the near future.

Welch is a past president of the Lamar Lions club. He is a member of the Presbyterian church in Lamar, having served recently as president of its men's association.

## Local Phone Set-Up to be Ultramodern

At a completion date of Oct. 30, men Wednesday began work on the heart of Artesia's three-quarters of a million dial telephone system.

Officials of Mountain Telephone and Telegraph Co. ceremoniously turning the spadesful of dirt while the workmen con-

**THE NEW BUILDING IS** Located on a 140-foot by 150-foot tract formerly owned by John F. Runyan.

Wayne H. Dougherty, Artesia manager for MST&T, said workmen will begin moving in dial equipment about two weeks after the building is completed Oct. 30.

On hand for ceremonies Wednesday morning were E. C. Phillips of Santa Fe, New Mexico, manager for MST&T; C. F. Halverson, Ros-

## City to Seek Settlement for Damage By Acid

Recommendations that city officials "get together" with officials of Farmers Co-op Gin, Inc., to discuss settlement for damage to the city's water system program.

Mayor Briscoe then began the informal ceremonies of passing the city government leadership to Mayor-elect Yeager.

**HE FORMALLY DISMISSED** all standing council committees and all city employees.

"There's not a loose straw in the bale," he said.

"A great deal of our work in the past two years," he said, "has been like planting a tree. We don't get to sit in the shade."

The retiring mayor left two suggestions for the council:

- 1—Going ahead with replacing of small water mains in the city water system. The advantage of larger lines is very great, he said.
- 2—Extension of city boundaries to the west, "even as far as the drive-in theater, as soon as possible. Those people want in the city," he said, "and it will bring added revenue."

**HE COMMENDED THE COUNCIL** for its business-like conduct of city affairs, pointing out the Artesia council has a wide reputation among local governments for its business-like approach to city business.

Mayor Briscoe then passed to

## Juveniles Smash Ball Park Stand, Take Petty Items

Vandals believed to be juveniles broken into NuMexer park Monday night and did heavy damage, S. A. Lanning, president of Artesia Baseball club, said this week.

Vandals broke into the concession stand, stole 15 or more cartons of cigarettes, candy, matches, and other merchandise.

Pop bottles were thrown about the park and windows in dressing rooms were smashed, Lanning said.

The press box was broken into and records broken.

Lanning said the break-in is the fourth of the current season. The last previous break-in, apparently also by vandals, was marked by smashing of the park's record player.

Lanning said the ball park would be floodlighted at night in the

(Continued on Page 8)

## Community-Wide Mother's Day Dinner Slated

A community Mother's Day dinner featuring baked chicken and dressing plus all the trimmings will be served at Masonic Temple May 9.

The dinner will be served by members of Bethel Baptist church under direction of Rev. J. H. Horton, pastor.

Serving hours will be 11 a. m. to 1:30 p. m. Prices are \$1.50 a plate for adults, \$1 for children.

The event was successfully inaugurated last year, attracting families from throughout the community.

## National Music Celebration Opens Here Sunday Night

Artesia begins its National Music Week celebration Sunday with the first of six daily events.

Opening the week at 4 p. m. Sunday in First Methodist church will be a recital.

Monday's program at 8 p. m. at the Methodist church features division I winners in the recent Hobbs music festival and the high school chorus.

Tuesday night at 8 p. m. on the Junior high school patio, Junior high bands and chorus will present music under the stars.

(Continued on Back Page)

## Scout Camporee Expected to Draw 100 Area Boys

About 100 North Eddy county boys are expected to take part in a Gateway district camporee this weekend.

It will be first full-scale camping at the campsite on the Cottonwood site leased to the district by Tommy Jeeter.

A court of honor directed by Rev. Orvan E. Gilstrap, will highlight the camporee. It is scheduled for 8 p. m. Friday night at the camporee.

Parents are urged to attend the event.

The camporee, near Cottonwood dam, begins with making camp this afternoon and is highlighted by the court of honor tonight.

Tomorrow the program resumes with reveille at 6 a. m., followed by breakfast and camp clean-up from 6:10 to 9.

Contests, cooking of noon meal, and an award assembly will fill out the afternoon.

The camporee is to be dismissed at 3 p. m. Saturday.

Parents and the general public are invited to attend any part of the program they wish.

The camporee is under the general chairmanship of John Simons, Jr.

## Paint Attack on Unpaved Area of Highway 83 Is Sought

At the meeting in Cloudercroft Clyde Hammett, Alamogordo Chamber of Commerce president, was elected chairman of an association to attack the problem. State Sen. Murray Morgan of Alamogordo was chosen secretary of the association.

Another poor feature of the road, right-angle curves between Hope and Artesia, is due to be eliminated in the near future. State crews are now stockpiling gravel to begin final paving of the curve-elimination program.

State highway department cannot work on the road within the national forest, the Alamogordo group was told.

The association formed last week voted to send resolutions to senators and congressmen calling for paving of the road.

**THE ALAMOGORDO NEWS** quoted a Mayhill resident as saying in the past trucks have sent five to 15 trucks a day into the area to gather produce during harvest.

Last year, however, not one truck entered the area, said Fred Merchon of Mayhill.

The road was too rough for the trucks, he said.

It was also pointed out that while large sums of state and federal money have been spent on highway 83, the incomplete stretch "practically nullifies the effectiveness of the expenditures."

L. A. Hendrix, chairman of the Otero county board of commission-

## PITT IS HOSPITALIZED

Ralph Pitt, well-known figure around Artesia, is in serious condition in Southwestern General Hospital, El Paso, which he entered Monday, April 26. He is due to undergo surgery Monday, May 3. Mrs. Pitt is staying in El Paso with the C. A. Meisingers, formerly of Artesia.

## CHAMBERS OF COMMERCE

At a meeting in Cloudercroft Clyde Hammett, Alamogordo Chamber of Commerce president, was elected chairman of an association to attack the problem. State Sen. Murray Morgan of Alamogordo was chosen secretary of the association.

Another poor feature of the road, right-angle curves between Hope and Artesia, is due to be eliminated in the near future. State crews are now stockpiling gravel to begin final paving of the curve-elimination program.

State highway department cannot work on the road within the national forest, the Alamogordo group was told.

The association formed last week voted to send resolutions to senators and congressmen calling for paving of the road.

# Civic Leaders Endorse Full-Scale, Year-Around Recreation Program

Endorsement of a recreation program calling for hiring a full-time, year-around professional director was given city council by community representatives in a special meeting Monday night.

Representatives attending the meeting also called for the city to employ a full-time summer recreation director this summer, if salaries can be budgeted.

The meeting was called by George Ferriman, city council chairman of the parks and recreation committee, to sound out community thinking on recreation programs.

Ferriman explained the council is now drawing up its 1954-55 budget and has tentatively budgeted a \$2000 item for salaries for a summer recreation program.

**ATTENDING the meeting were** Tom J. Mayfield, superintendent of Artesia public schools; Travis Stovall, senior high school principal; Hugh Donald Burch, Little League president; Paul W. Scott, Chamber of Commerce manager; W. D. Fowler, city supervisor; John Daugherty, swimming pool manager; J. B. Mulcock and H. B. Gilmore, veterans' organizations; David Rodwell, Artesia Advocate editor; Henry Alaniz, LULAC men's council; city councilmen John J. Clarke Jr., J. L. Walker, and Ferriman, and Mayor-elect W. H. Yeager.

Ferriman told the group his committee is not planning at present to recommend city adoption of a cigarette tax to finance a full-scale recreation program.

The meeting developed certain unanimous agreements. Among them are:

- Trained, professional leadership is essential to the success of a recreation program.
- Present recreation programs in the city leave out many children who most need leisure occupation.
- A summer recreation program is desirable, but a full-time, year-around program is seen as a necessity.
- RECREATION programs for adults are as necessary as for youngsters. However, the need of youngsters should be met first.
- A recreation program can be launched using existing facilities in Artesia, not requiring, for the present at least, expensive construction.
- The need for recreation for both adults and children is as

(Continued on page 8)

### Mrs. Blocker Is Chosen as Antique Show Speaker

Mrs. C. R. Blocker has been invited to be guest speaker at an antique exhibit in Carlsbad.

The antique department of Carlsbad Woman's club is holding open house with an antique show and tea at 3 p. m. Sunday at Carlsbad Woman's club.

There will be many heirlooms handed down for generations and others to come from practically all parts of the world.

It promises to be one of the finest exhibits of antiques to have been shown in this area.

This will be open to the public. Anyone interested in antiques is urged to attend.

### Miss Dell Hughes Is Honored With Bridal Shower

Miss Dell Hughes, who will become the bride of Frank L. Roberts today, was honored with a bridal shower Tuesday evening in the home of Mrs. Bert Jones with Miss Barbara Jones and Mrs. Alton Bratcher as hostesses.

The room was decorated with spring flowers. Gifts were placed on a table covered with a lace cloth and a bouquet of flowers. Refreshments of cake and punch were served.

Those present were Meses Gene Parnell, Fred Henderson, S. T. Faulk, Bert Jones, Alton Bratcher, Howard Lewis, J. E. Gage, C. C. Correll, Byron Rogers, Howard Haynes, J. T. Talley, Clayton Menefee, W. S. Hunter, J. A. Hughes, Dee Nutt and Pearl Naylor.

Also Meses Phyllis Earhart, Wanda Adams, Verna Lewis, Louise Beatty, Charlene Scarborough, Billie Sue Stuewig, Ramona Stevens, Barbara Jones, Margaret Jones, Ailene Ellinger, Sharon Haynes and Betty Thorp. Those sending gifts were Meses Robert Waller, T. A. Southard, Melvin Pearson, Denzil Nelson, Gerald Hamilton, S. C. Scarborough and Joe Howell, also Miss Betty Lou Lee, Miss Helen Howell and Miss Shirley Baxter.

### Methodist Church Women to Open 'Jeremiah' Study

"Jeremiah," by Harold C. Case, is the book to be studied next week by the Woman's Society of Christian Service.

The sessions will be held from 9:30 to 11 a. m. May 3-6, in Fellowship Hall of the First Methodist church.

Rev. R. L. Willingham will present this study of the Biblical prophet, Jeremiah.

All women of the church are invited to attend and share in this fellowship of worship and study. A nursery will be provided for small children.

DR. CATHERINE CLARKE

### Dr. Clarke Is Leader of Meet For Catholics

Catholic Daughters of America, court Santa Maria No. 317 of Albuquerque, of which Dr. Catherine Clarke, is grand regent, was hostess to the state convention held in that city Friday through Sunday.

Dr. Clarke is the daughter of Dr. and Mrs. J. J. Clarke Sr., of Artesia.

Mrs. Dennis Short and Mrs. J. J. Clarke Sr. of Artesia was the honored mother. The banquet was held that evening in the ball room of the Hilton Hotel.

About 200 ladies from over the state attended this convention.

### Thirteen Artesia Rebekahs Attend Anniversary Meet

Thirteen members of Sunrise Rebekah Lodge No. 9, Artesia, attended an anniversary meeting held in Hobbs last Saturday.

Those attending were Mrs. P. M. Vashinder, Mrs. Ethel Brandell, Mrs. Effie Wingfield, Mrs. Carrie Parker, Mrs. W. S. Hogsett, Mrs. Tom Franklin, Mrs. Tommie McKinstry, Mrs. J. W. Kennedy, Mrs. L. H. Carder, Mrs. Loyd Walker, Mrs. Mildred Chipman, Mrs. Emily Daniel and Miss Ina Cole.

The meeting was attended by some 300 people from Eastern New Mexico. A barbecue was enjoyed before the meeting.

At the meeting, Monday evening, all members having birthdays a covered-dish dinner. All members attending this meeting are urged to bring a small gift for grab-bag night.

Mrs. Walter Marler, who has been ill, is recuperating at her home now.

### Mr. Mrs. E. D. Cox to Mark Golden Wedding Anniversary

Mr. and Mrs. E. D. Cox of Lake Arthur, who are celebrating their golden wedding anniversary Tuesday, May 4, will hold open house at the home of their son and daughter-in-law, Mr. and Mrs. Thad Cox, 802 W. Missouri Ave., from 4 to 8 on Tuesday afternoon.

All their friends are invited. Mr. and Mrs. Cox were married May 4, 1904 in Leesburg, Ohio, where they resided until moving to Roswell in 1941. In the spring of 1945 they moved to Lake Arthur where they still reside.

Mr. and Mrs. Cox have twin sons, Thad of Artesia, and Thane of Dayton, Ohio, who will be unable to attend the celebration.

They have five grandchildren, Bill, Dick, John Wesley, and Kathy, children of Mr. and Mrs. Thad Cox, and Josephine Cox, daughter of Mr. and Mrs. Thane Cox, who is now attending Tampa university at Tampa, Fla.

Mrs. Maude Long and two daughters, Charlotte Gamble and Alice G. Rowe of Columbus, Ohio, will be here Monday for the anniversary celebration. Mrs. Long is a sister of Mrs. E. D. Cox.

### ESA Alpha Nu Slates Founders' Dance Saturday

Executive board of Alpha Nu chapter of Epsilon Sigma Alpha completed plans for the annual Founders' Day formal dance to be held from 9 to 12 p. m., tomorrow evening in the Elks ball room.

Music will be furnished by the high school swing band of Carlsbad.

There will be a 30-minute floor show at 10 p. m. by the Dumbo Combo composed of Wilbur Ahlvers, Don Knorr and Jack Knorr, all of Artesia.

A newly formed chapter of Carlsbad has been invited.

All members and guests of the three chapters are cordially invited to attend.

### Social Calendar

Friday, April 30—Beta Sigma Phi "Founders Day" banquet at Veterans Memorial building, 8 p. m.

Xi Iota chapter will hold jewel ceremony at the home of Mrs. O. R. Gable, Jr., preceding the banquet, 7 p. m.

Monday, May 3—American Legion Auxiliary, Veterans Memorial building, covered-dish supper, 6:30 p. m., meeting, 7:30 p. m.

Sunrise Rebekah lodge No. 9, IOOF hall, birthday supper, 6:30 p. m., meeting, 7:30 p. m.

Hermosa school Parent-Teacher Assn., meeting at the school, 7:30 p. m.

Tuesday, May 4—Business and Professional Woman's club, meeting in the home of Mrs. Olive Rogers, 410 W. Centre 8 p. m.

### Artesia Women Golfers Second In Valley Meet

Members of Women's Golf club of Artesia Country club competed in the Pecos Valley Ladies Day at Riverside Country club, Carlsbad, Wednesday.

Roswell won the travelling team trophy and Artesia placed second. Dr. Kathryn Behnke of Artesia won the low gross score for the day, and Mrs. Martin Boswell of Roswell, shot the low net score.

Members attending from Artesia were Meses Louie Burch, H. D. Dunn, Jim Miller, Johnnie Williams, Jerry Marshall, Nora B. Clayton and Dr. Kathryn Behnke. Artesia will be the next meeting place of the Pecos Valley meet. The date will be announced following the luncheon and business meeting of the Artesia club, which will be held Wednesday, May 5.

CARD OF THANKS We wish to express our sincere thanks for the many acts of kindness, floral offerings, and food received from our friends and neighbors during the illness and death of mother, Mrs. Ella Jurney. —Jurney Families. 35-11p

MISS BETTY LEE

### Miss Betty Lee, Bobby Perkins To Wed in June

Mr. and Mrs. D. E. Lee announce the engagement and approaching marriage of their daughter, Betty Lou, to Bobby Perkins, son of Mr. and Mrs. G. B. Perkins, north of Artesia.

The couple plan a June wedding.

Both will graduate from Artesia high school in May.

Miss Lee has been a resident of Artesia since 1937. She is a member of the Commercial club at the high school.

### Personal Mention

Dr. J. J. Clarke, Sr., returned home Monday from Louisiana. At Baton Rouge he attended the Louisiana State Dental Assn. meeting, and in New Orleans he visited his sister, Mrs. Kate LaGarde.

Mrs. Owen Hensley left Tuesday morning for Fort Leonard Wood, Mo., to visit her son-in-law and daughter, Lt. and Mrs. A. A. Webster Jr., and their son.

Mr. and Mrs. Larry C. French left this week for Washington, D. C., on a two-week trip.

French is entering Walter Reed Hospital for treatment of service-connected disability. Mrs. French will visit her sister, Mrs. Marvin Johnson and family in Fairfax, Va.

### N. A. Boxes Are Surprised With Anniversary Event

Mr. and Mrs. N. A. Box were surprised with a party in honor of their 25th wedding anniversary Tuesday evening at their home south of Artesia.

Mrs. J. R. Houghtaling, a daughter was hostess, assisted by Mrs. Elton Hardin and Mrs. Ray Brooke.

The cake was inscribed "25th Anniversary" with a cluster of red roses in the center. Punch and coffee were served.

Pictures were taken during the evening. The honorees received many gifts.

Those present were the honorees and Mr. and Mrs. Randolph Box and Jimmy Radell, Mr. and Mrs. Homer Allread and Charles, Mrs. Bill Lewis and daughter Kathy of Wichita Falls, Texas; Mr. and Mrs. Ray Brooke and Gary Mr. and Mrs. Elton Hardin and Patsy and James, Mr. and Mrs. J. R. Houghtaling and Jerry, Susie and Judy.

Those sending gifts were Mr. and Mrs. L. L. Porter, Mr. and Mrs. Harold Houghtaling and children, and Mr. and Mrs. F. M. Houghtaling and Lucille, Edith and Bill.

### Artesia Woman's Club Studies Southwest Book

"Foxfire," written by Mrs. Anza Seaton of Santa Fe, was the book reviewed by Mrs. B. A. DeMars at a meeting of Artesia Woman's club study group Wednesday morning in the home of Mrs. George Teel.

The book deals with the Southwest.

Coffee and sweet rolls were served by the hostess.

Those present were Mrs. R. E. Glaze, Mrs. H. T. Gissler, Mrs. B. A. DeMars, Mrs. Tonnie Cole, Mrs. M. C. Livingston, Mrs. John Rowland, Mrs. Bryan Runyan, Mrs. F. L. Bays, Mrs. Felix Cauhape Sr., Mrs. T. L. Archer, Mrs. George White, Mrs. Carl Lewis and Mrs. George Teel.

### Drapery Making Exhibit Shown Cottonwood Club

Miss Margie Howell, county home agent, gave a demonstration on drapery making at a meeting of Cottonwood Community Extension club April 20 at the home of Mrs. Curtis Sharp.

Members voted to send a package of clothing to Korea and are asked to bring them to the next meeting May 18. Members will also make cancer dressings at the next meeting.

Refreshments were served by the hostess to Meses H. V. Parker Jr., Arvil Bratcher, Floyd Howard, James Solon Spence, Glenn O'Bannon, Everett O'Bannon, Elton Green, Miss Howell and Miss Mary Frances O'Bannon.

Billy Goodlett, who has been in Germany over two years, arrived home Monday to visit his mother, Mrs. Vesta Goodlett. He will receive his discharge very shortly.

Mrs. S. A. Davis, Mrs. Wallace Johnson and Mrs. M. G. Goodwin attended the Parent Teacher Assn. state convention held in Tucuman April 23 through 25. The group returned Monday.

### Four Initiated In Past Matrons Club of OES

Four ladies were initiated into the Past Matrons club, Order of Eastern Star, at an all-day long Monday in the home of Jesse Funk, Cottonwood.

At noon, a covered-dish luncheon was enjoyed, after which group toured the yard view flowers which were in bloom.

Those initiated were Mrs. Pearson, Mrs. Ida Prude, Mrs. Darst and Miss Linna K. M.

Mrs. Funk reported on a trip through Texas, Louisiana and Florida.

Present were Meses R. L. Earl Darst, J. M. Story, Dunn, Harold Kersey, John land, Maude Conroy, Ted George S. Teel, Ida Prude, Williams, Miss Ina Cole and Linna McCaw, members and Harve Walton, sister of Williams, a guest.

An estimated 85 per cent passenger travel mileage in the United States is by motor.

ARTESIA MAID OF Cotton entry for Southeastern New Mexico title, Miss Rowena Reeves, center, poses with her sponsors, city council of Beta Sigma Phi sorority. Left to right, front row, are Mrs. Wallace Beck, Mrs. M. A.

Waters, Jr., city council president; Miss Reeves, Mrs. Donald Fanning, vice-president; back row, Mrs. Ed Wilson, Mrs. Harold Saueressig, secretary; Mrs. O. R. Gable, Jr. (Advocate Photo)

**Star Mothers Honor Gold Mothers**

Star Mothers will be honored at the regular meeting of the Kepple Unit 41, Legion Auxiliary, Tuesday evening at Veterans Meeting building.

A special dinner will be served with Legion members at 7:30 p. m. The business meeting will be presided over by Mrs. K. R. Jones, president.

Members are urged to bring gifts to be sent to orphan children to the business meeting. Those who will be honored are Mrs. G. P. Albert Richards, and Mrs. Simons, Jr.

**Baptist Dorcas Class Sponsors Wiener Roast**

Dorcas Sunday school class of First Baptist church held its monthly social and business meeting Tuesday at the home of Mrs. P. M. Vasbinder with Mrs. Dave Brandell as co-hostess.

The guests assembled in the back yard around a table set for an old fashioned wiener roast. After enjoying a nice meal, the guests returned to the living room for the business meeting.

Those present were Mrs. Dora Ashton, Mrs. C. L. East, Mrs. E. T. Longacre, Mrs. J. S. Mills, Mrs. Charles Ransbarger, Mrs. A. E. Sudderth, Mrs. J. B. Spencer, Mrs. Voney Bryant, Mrs. Alice Scott, Mrs. J. E. Taylor, Mrs. Dave Brandell and Mrs. Vasbinder.

**Beta Sigma Phi Xi Iota Chapter Plans Program**

Xi Iota chapter of Beta Sigma Phi met Tuesday evening in the home of Mrs. H. B. Gilmore.

The business meeting was presided over by Mrs. O. R. Gable Jr. The program for the coming year was decided on. The book from which the programs are to be made up is entitled "The Home We Make," a program on interior decorating especially designed for Beta Sigma Phi.

Miss Rowena Reeves is to be sponsored by Beta Sigma Phi as an entrant in the Maid of Cotton contest to be held at the Cotton Carnival in Roswell. The program was on the topic "Our Town." Mrs. Donald Fanning spoke on "Our Town's His-

tory." Mrs. Charles Bullock on improvements and Mrs. Cecil Waldrep on what makes the town.

Refreshments of chocolate pie and coffee were served by Mrs. Gilmore.

Those present were Mmes. Charles Bullock, Donald Fanning, O. R. Gable Jr., Maynard Hall, William C. Thompson Jr., Cecil Waldrep, M. A. Waters Jr., Clyde Guy and Miss Nancy Haynes.

**Presbyterian Sunday School Leaders Honored**

Members of the First Presbyterian church Christian education committee, department superintendents, Sunday school teachers, and officers of the church school were guests of the session Monday evening at an annual banquet. Robert McCaw, general super-

intendent, acted as master of ceremonies. Members of the Christian education committee are Charles Gaskins, president, representing the board of deacons; James Cerny, vice chairman, representing the session; Mrs. James Cerny, secretary; Mrs. Loyd Denton and Mrs. Harold Kersey.

Carnation corsages were presented women teachers and officers and gifts of appreciation to the men.

Those receiving corsages and gifts were Mmes. Harold Kersey, Fred Stowe, Robert Cline, Robert Durham, Kenneth Aldridge, John Gates, E. E. Kinney, Meryle Story, Charles Johnson.

Also Mmes. William Linell, James Hilton, S. W. Gilbert, Sank Tunnell, Louis Reiter, Russell Rogers, James Cerny, Bev Graham and T. C. Stromberg.

Also Misses Alyce Erickson, Sondra Collins, Corrine Allen, Nell Denton and Barbara Rogers and Jody Vandiver.

Also Messrs. Don Knoss, Ross Simmons, Bev Graham, Sam Stewart, Abe Trop, Bob Gates, Bob

**Personal Mention**

Petty Officer 3/C and Mrs. Charles N. Baker of Sanger, Calif. arrived Monday to visit his parents, Mr. and Mrs. Lou Baker. Mr. Baker has just returned from duty in the Pacific aboard the Oriskany. Tomorrow Mrs. Lou Baker and her guests will go to Albuquerque to attend the State Hairdresser's Assn. meeting Saturday through Monday, Saturday, May 8, the Bakers will go to Tucumcari to attend the Elks convention.

McCaw and Sank Tunnell.

Mrs. S. W. Gilbert presented a picture she painted to the kindergarten department. A brass offering plate was presented the junior department by Mrs. Edna Carper, Mrs. Geneva Ross and Mrs. Augusta Spratt in memory of Linda Gates.

Ladies serving the dinner were Mrs. Leo Hicks, Mrs. Waldo Jackson, Mrs. Vernon Bryan, Mrs. Raymond Lamb, Mrs. Leslie Warren, Mrs. Charles Gaskins and Miss Alyce Erickson.

**A Message to Republicans**

When you vote in the May 4 primary you will find two candidates for governor on the ballot.

We believe that Alvin Stockton is the man you will want to represent the Republican Party in the November Election.

Here is why . . .

**Why You Should Vote for Stockton**

- ★ He will maintain the high level of government Ed Mechem has established.
- ★ His leadership in the legislature has prepared him for the post of governor.
- ★ He doesn't rely on or need the support of the professional politicians.
- ★ His appeal is to all the people - he is not a candidate of special interests.
- ★ In Democratic Colfax County in 1952 his majority was five times that of Ike's
- ★ His program is clear and forceful. He can win the election in November.

*Honesty - Humility - Leadership*

N. J. Prince has returned from a 13-day trip to Chicago. This was a pleasure and business trip. He visited relatives and friends and saw a major league baseball game. His wife accompanied him.

Mr. and Mrs. Glen Clem have re-

turned from Wichita Falls, Texas, where they visited relatives over the Easter holidays.

Almost one-third of all radio sets produced in the United States are used in automobiles.

# NuMexers Home Tonight After Two Losses, One Win on Road

Artesia's NuMexers return home tonight after a four-game road series which up to last night cost the Artesians two losses to one victory.

Tonight and Saturday Artesia faces Midland in a brief home stand.

The NuMexers then take to the road again for games Sunday and Monday at San Angelo and Tuesday and Wednesday at Odessa.

Artesia has faced Midland only once before this season, in the two game stand which concluded at Midland Tuesday night.

The two teams split that series, Artesia rallying to win in overtime Monday night 13-11, Midland rebounding to win 6-4 Tuesday night.

Wednesday Wichita Falls edged the NuMexers 3-2.

When the NuMexers get back off the road next Wednesday night they will face along-awaited meeting with Carlsbad's Potashers, scheduled Thursday and Friday nights in NuMexer Park.

Monday night the NuMexers at Midland came from behind an 11-6 deficit going into the ninth to climb out of a hole.

Artesia tied into a five-run spree that knotted the score 11-11 as the ninth ended.

After two scoreless innings, the NuMexers shored over two runs in the 12th to win 13-11.

Mgr. Hoot Gibson, and big Jim Tugerson relieved Gil Johnson from the fifth. Tugerson struck

out 4, walked none and in four innings allowed four hits, no runs. Gibson, who started the game, struck out four, walked one, and allowed only two hits for no runs. Johnson had allowed 4 hits and nine runs in four innings, struck out two, walked three. Longest hit ball was John Goodell's triple.

## TUESDAY THE INDIANS

turned the tables behind the pitching of Glen Selbo, Midland outfielder turned pitcher.

Selbo scattered 10 Artesia hits. Midland scored five times in the first inning—four of the runs unearned.

It was Selbo's first start on the mound. Wire reports said he looked "sharp".

Midland scored again in the second. Artesia scored twice in the third, then the game marked time until two more Artesia runs in the eighth.

Selbo yielded two hits in the ninth.

Scott Robnett held the tribe to five hits in his seven innings. Big Jim Tugerson allowed one hit, no runs in his stint.

Wednesday the NuMexers in dropping to Wichita Falls nevertheless had the dandy pitching services of rookie Wayne Goodell over the route.

Goodell allowed nine hits, but effectively scattered them.

The Spudders won the game in the bottom of the 11th with a triple.

## Artesia Eagles to Open Season Here on Sunday

Artesia Eagles open their baseball season Sunday with a game in Artesia at Eagle Park against Carlsbad's Catholic Youth Organization (CYO) nine.

Mgr. Vic Hernandez announced game time is 2:30 p. m. Lalo Liton will pitch for the Eagles.

Other assignments place Cuco Cervantez behind the plate, Daniel Cortez at first, Salvador Granado at second, Hernandez at third, Juan Cortez at shortstop, Arnell in left-field, Cruz Lugo in centerfield, and Roy Garcia in rightfield.

## Tennis, Golf District Teams Are Named

Artesia will enter district tennis doubles and singles events and golf at New Mexico Military Institute this weekend.

Coach Howard O. Miller announced Thursday two doubles teams and two singles entries will compete under the Artesia banner in tennis for district honors.

Doubles entries for Artesia are Bill Branson and Carl Lane, and Gordon Goddard and Jerry Haynes. Singles entries are Jeffy Cranford and Larry Brewton.

Tennis games are scheduled Friday and Saturday.

The golfing foursome representing the Bulldogs will be Phil Kranz, Billy Frank Jones, Ronald Holmes, and George Price.

At NMMI last weekend in a four-way meet Artesia took the singles title, Carlsbad the doubles. Others competing were NMMI and Roswell.

Others to compete in district play this weekend will be Hobbs, Portales, Clovis, and Lovington, plus the four teams meeting last week.

To take the singles title for Artesia Jerry Cranford licked Ned Shattuck of Carlsbad 6-1 and 6-0 last weekend.

The doubles team of Carl Lane and Bill Branson of Artesia lost to Don Sadler and Bill Skillers of Carlsbad, after winning the first match, 6-8. Carlsbad came back to win 6-3 and 6-2.

Turn all pot and pan handles to the back of the stove so your child won't reach for them and be burned or scalded.

## Jackpot Rodeo Event Slated For Sunday

A Ranch Hands Jackpot Rodeo featuring calf roping, double mugging, and a number of other events is scheduled for 7 p. m. Sunday in Artesia Roping club arena.

Events include:

—Calf roping, with two \$5 jackpots.

—Double mugging with one jackpot of \$5 per man.

—Old man's breakaway roping for men 40 and over; jackpot \$5.

—Open breakaway jackpot roping, \$5.

—Bareback bronc riding.

—Open barrel races, jackpot \$5.

—Barrel races for riders 15 and under, jackpot \$2.50.

Admission for the event will be 50 cents for adults, children under 15 free.

The event is sponsored by Artesia Roping club.

## Registered Skeeet Shoot Scheduled Here on Sunday

A registered skeet shoot with entries from throughout New Mexico will be held Sunday in Artesia.

It is scheduled to begin at 8:30 a. m. and continue throughout the day.

Club spokesmen for Artesia Skeeet & Trap club, sponsor of the event, said outstanding New Mexico marksmen will be taking part in the event.

The skeet shoot will be held on the club range near the airport.

## State Liquor Tax Revenue Up Over 1953

Possibly marking a change in trend, state liquor tax revenue rose by almost \$9,000 the first two months of this year, over the total collections in January and February of 1953.

The two-month collections this year amounted to \$234,000, compared to \$225,060 in the same period a year ago, as reported by the Taxpayers Association of New Mexico.

Liquor tax revenue in 1953 showed an average decline of around \$5,000 a month under figures from the previous year.

The state levies against the sale of alcoholic beverages and tobacco comprise the principal source of state welfare funds in New Mexico. And while tobacco tax collections have risen somewhat, the liquor tax revenue had shown a consistent loss over a period of many months until the first of the year, according to records of the state bureau of revenue.

## Charm Me, Ava

TORRERO, a boxer pup, plays hard to get as actress Ava Gardner turns her charm on him in Rome. For her it was love at first sight, but the new pet was coy. (International)

FREE BASEBALL ticket book is presented Mills Gowan, left, by C of C Mgr. Paul W. Scott as McGowan awards for selling more baseball opening day tickets any other Artesian. (Advocate Photo)

## Won't Be Long

JUST a reminder to folks up north that it won't be too long till sights similar to this will be available on their beaches. This is Ann Hart, advertising, among other things, St. Petersburg, Fla. (International)

RECENTLY discharged from U. S. Navy is Robert T. Howie, son of Mrs. M. H. Moore, 511 S. Seventh.

Ant paste, lye and bleaches send many children to the hospital. Store these under lock and key so your child will be safe at home.

Your scissors, nail files, and other sharp and pointed instruments can be dangerous. Be sure they are not left where they can be reached by young children.

## New Oilfield Firm Launched

A new oilfield business partnership recently formed is Chase Well Service. Owners are George and Mack Chase. Both are former residents of Loco Hills, now living in Artesia.

George has been in the business for the last two years. Mack has recently joined with him. The men have purchased a double drum Wilson pulling unit that will handle up to 6000 feet or more. They had a smaller pulling unit, a double drum Wilson, also that is for shallow wells about 2500 feet.

Mack graduated with the class of 1950 from Artesia high school.

He joined service in November 1951 and served until October 1953. He had 15 months overseas duty as an airplane mechanic.

Mack Chase is married and resides at 205 1/2 W. Chase.

George Chase resides at 1119 S. Second.

## Bulldog Harriers Enter District

After placing fourth among 11 strong teams in the Clovis relays last weekend, Artesia's track men this week enter district track finals at Roswell.

The event is scheduled to begin with preliminaries at 9 a. m. Saturday on the New Mexico Military Institute campus. Finals will begin at 2 p. m. Saturday.

Coach Reese Smith will enter men in all events.

Other schools competing in district competition tomorrow will be Carlsbad, Roswell, Hobbs, NMMI, Clovis, Portales and Lovington.

A week from Saturday will be state track finals at Albuquerque. Last Saturday, Artesia placed fourth with 22 points after first-place Albuquerque Highland with 68 1/2, Carlsbad with 54 and Albu-

querque High 47 1/2.

Other schools scoring were NMMI 13, Clovis 12, Tucumcari 7, Anthony 7, Lovington 6, Fort Sumner 5 and Hobbs 3.

The Artesia thinclads captured two firsts when Sam Golden jumped 21 feet in the broad jump and Fred Sanders went 11 feet in pole vaulting.

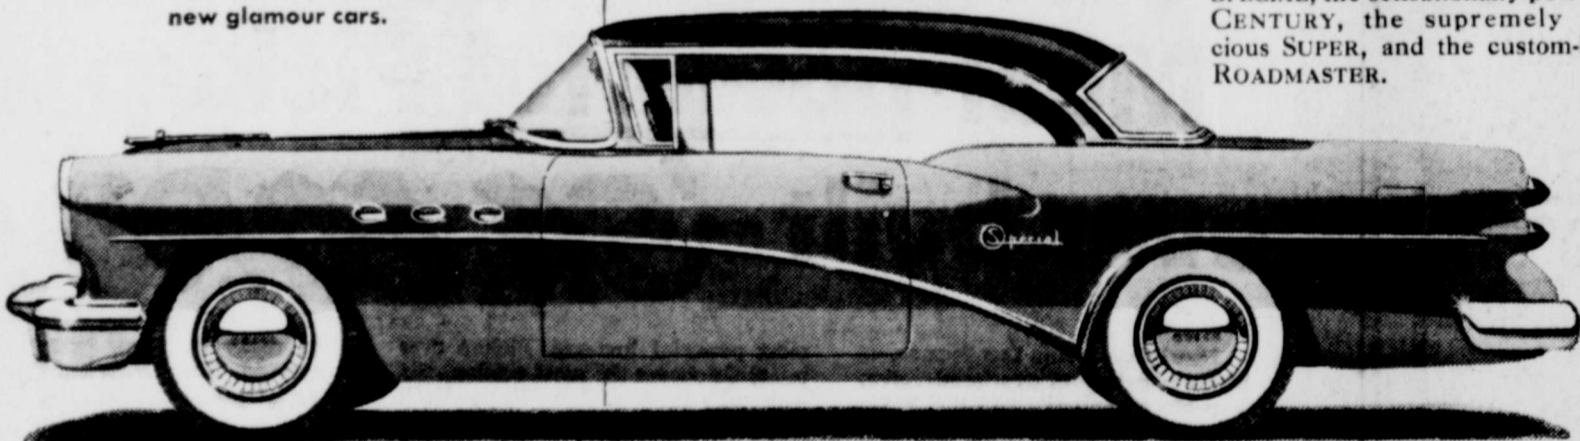

Both Artesia boys' performances set new records for the Clovis relays.

Highlanders captured 11 of the 17 first places.

## IRA L. GARNER DEMOCRATIC CANDIDATE FOR COUNTY COMMISSIONER District Two

I PLEDGE MY FULL COOPERATION FOR A BIGGER AND BETTER EDDY COUNTY YOUR VOTE AND SUPPORT WILL BE APPRECIATED

—Paid Political Advertisement

### Martin Answers Political Ads in Carlsbad Papers

Hartsell Martin, one of five Democratic party candidates for sheriff, issued a statement Thursday in Artesia pointing out that charges against him have been dismissed. Full page advertisements in two Carlsbad newspapers by a rival candidate last weekend, Martin said, "quoted only portions" of the record in proceedings. Martin said, "This case was heard and decided by the district court ofddy county, he proper place to determine the case."

### Farming Among Most Hazardous Of Occupations

Farmers meet with three times as many fatal accidents as persons employed in manufacturing plants, according to the farm division of the National Safety Council.

Only mining employees and construction workers rank above farmers in the number of fatal accidents per 100,000 workers. Workers accidentally killed in the major industries during one recent year numbered: trade, 1500; service, 2200; manufacturing, 2000; public utilities, 300; transportation, 13; construction, 2300; mining, oil, and gas wells, 1000; and agriculture, 4300. The total number of accidental farm fatalities was 15,500 and the total of accidental injuries was 1.3 million.

Delegates to Boys' State: Leo Barker, Bill Cox, Donald Kiddy, Johnny Riddle, Jim Shipp, and Larry Wehnt; alternates: Wayne Blankenship, Raymond Gressett, Jay Mitchell, Nelson Moore, Larry Brewton, and Harold Dunn. Delegates to Girls' State; Dawana Berry, Annette Connor, Bobby Jean Freeman, Verna Pounds, and Jimmy Doris Walker; alternates: Jo Nunn, Kay Clayton, Carolyn Clark, Regina Ticer, Yvonne Dev and Peggy Hodges. Th candidates for delegates to Girls' and Boys' State were chosen from the members of the junior class by the class sponsors and executive committee. The candi-

### Twelve Senior High School Students Chosen for 'States'

After returning from Girls' and Boys' State in the summer, the individual delegates will report to their sponsoring organization, as well as to the American Legion Post and American Legion Auxiliary to tell of the things they have learned in citizenship and the state government. The various civic clubs and other organizations in Artesia, sponsor one individual to attend Girls' or Boys' State. This club provides transportation to and from the site of the meetings, and pays the fee of \$30 which provides for the stay of the individual at Girls' or Boys' State. This year Boys' State will be held on the campus of the New Mexico School of Mines and Technology in Socorro, and Girls' State will be held on the campus of the University of New Mexico in Albuquerque.

Ticket sales will start shortly

Cause of Backache Discussed By Local Doctor

Backaches are often a constant irritation but unless the condition becomes acute, the patient will go on for years without looking for the cause of the backache. Frequently the cause for the backache will be found at a point remote from the actual pain. This is due to the fact that nerve pressure in the upper part of the spine, especially the cervical (neck) region will interfere with the transmission of vital nerve energy from the brain (the powerhouse of the nervous system) to the lower part of the back.

With the Neurocalometer the Chiropractor can locate the point of nerve pressure in the spine; the X-Ray will show the degree and direction of the subluxation (misalignment). The Chiropractor adjusts the vertebrae which produces the pressure, thereby restoring the free flow of nerve impulses to the muscles, ligaments, and other tissues of the back. When this is done, the irritation to the damaged tissues is removed, inflammation subsides, and repair to tissues is in progress.

It is not right to say "everything possible has been done" unless Chiropractic is included. For further information about Chiropractic, you are invited to consult Dr. Kathryn Behnke, Palmer Graduate Chiropractor, 408 W. Richardson, phone 861. —Adv.

it was announced at the regular meeting of Kiwanis club, held at the Country club, Thursday.

Don Heathington and George Keys were appointed to head the ticket committee.

Six top ropers of the nation have been signed for the contest, which will be held at the Artesia Roping club arena Sunday, May 30. Plans were discussed to have extra seating capacity.

Altrusans Mark First Birthday With Party Affair

Artesia Country club was the setting for a dinner party given by Artesia Altrusa club Monday evening, observing its first birthday.

Members of Carlsbad Altrusa club were invited guests.

Artesia Altrusa President Mrs. T. C. Williams presided at the social meeting which opened with the Altrusa blessing led by Carlsbad Altrusa President Mrs. Jack Perry.

Mrs. Chester Mayes, chairman of party arrangements, was in charge of bingo games which followed the dinner. Gaily wrapped packages were awarded to all attending the dinner.

Carlsbad Altrusans present were Mrs. Claude McCausland, Wm. E. Fowler, L. V. Portwood, A. J.

Brandon, Jack Perry, Walker Bryan, Ann Leivo and Miss Josephine Parker.

Artesia guests were Mrs. T. E. Johnson, C. L. Stogner, Thelma Gelwick, A. C. Bryant and Dr. Kathryn Behnke.

Artesia members were Mrs. Floyd Childress, L. J. Lorang, Nelle Booker, Orval Kiddy, Les Plummer, T. C. Williams, H. R. Paton, B. A. DeMars, C. R. Blocker, Chester Mayes, F. F. White and Misses Lois Nethery and Juanita Denton.

ammunition behind locked doors where they are safe from a child's curiosity. It may save a life.

The first mint probably was established in Lydia, a district of Asia Minor toward the end of the eighth century B. C.

### Primary Races—

(Continued from Page One)  
—For justice of Supreme Court, four-year term, H. A. Kiker, Clyde C. McCulloch, Judge R. F. Deacon Arledge.

Republicans must decide the contest among three men for two Congressional representatives' seats, Warren R. Cobean (of Roswell), Thomas H. Childers, and Joseph Rendon.

Competing for the GOP nomination for secretary of state are Mrs. Herman G. Baca and Mrs. Ruth Laws.

Other than the sheriff and county commission races, Eddy county's official family is unopposed in this year's primary election.

### Recreation Plan—

(Continued from Page One)  
great in the winter as in the out-of-school summer months.

—Recreation includes, but involves a great deal more, than physical education. Consequently leaders trained in physical education are not qualified to direct a full-scale recreation program.

—Cost of recreation programs may be greatly reduced through use of volunteer leadership now in the community.

### Unpaved Hiway—

(Continued from Page One)

ers, told the association \$300,000 in state funds has been appropriated for use on the stretch of highway between Mayhill and Artesia. While the money "will soon be put to use," he said, it would not complete the unpaved stretch of highway.

### Program—

(Continued from Page One)

Mrs. Thompson will speak on "American Heritage Program and Group Discussion." It will be followed by a question and answer session.

At 8:10 p. m. Wednesday, a model group discussion, following up Mrs. Thompson's talk, will be held by members of the second year Great Books discussion group.

On Friday's program opening at 7 p. m., is Miss Wilma Loy Shelton, librarian emerita, University of New Mexico. She will discuss "Books as Programs." After a question and answer session and intermission, Travis Stovall, principal of Artesia Senior high school, will speak on "Speakers—Courtesies and Contacts." It will also be followed up by a question and answer session.

May 10 at 7 p. m. a summary session will be held. There is no charge whatsoever for the institute. Anyone interested in program planning is invited to attend.

DISPLAYS in conjunction with the institute will be shown in the city council room May 3, 5 and 7 from 12:30 to 9:30 p. m. and May 6, 8 and 10 from 12:30 to 5:30 p. m.

The display will be closed May 4 because of primary election. Every person attending the institute will be given a packet of helpful materials. Included will be such things as book review aids, audio-visual equipment availability, group discussion ideas, and lists of local people available as speakers.

General purpose of the institute is to improve quality of program materials now used and to channel material of adult education caliber to club members and individuals.

### Dial System—

(Continued from Page One)

well, district manager; William Ramer, Roswell, district plant supervisor; Wayne Smith, Roswell, district traffic superintendent.

Also present were Mayor W. H. Yeager, C. C. Pres. Cecil Waldrep, C. C. Mgr. Paul W. Scott, press and radio representatives.

Artesia's dial system will include new operator direct dialing equipment whereby many cities and the telephones in those cities can be dialed direct without going through a series of operators and switchboards as is necessary today," Dougherty said. In addition, telephones in Artesia can be dialed direct from many distant cities without going through the local operators here, thus speeding up long distance service.

ALL TELEPHONE NUMBERS in Artesia will change when the final conversion to dial is made, Dougherty said. The new numbering system is part of a national dialing plan whereby telephone users will eventually be able to dial their own long distance calls direct.

The new Artesia numbers will have two letters and five numbers and will be listed in a telephone directory which will be issued just prior to the dial change.

When the new building is completed a veritable army of skilled dial installation men will take over the task of installing the dial switches, relays, power plant, and thousands of miles of cable required to put the new system into operation.

As the new system is being installed, dependable service on the present manual system will be maintained.

An interesting sidelight on the installation of the new dial, according to Dougherty, is that Artesia will have two telephone systems on the eventful day dial goes

into service.

The present complete manual system serving Artesia telephone users will be cut dead as the new complete dial system with its familiar click and hum of switches moves into operation.

### Time Moved—

(Continued from Page One)

easily such a thing could be done, always gives the articles he has filed, back to their owners upon the conclusion of his remarkable demonstration.

Roner is a suave viennese who makes his living by showing how easy it is for him to pick people's pockets. Under the guise of displaying his card sharp rises, he cleans the guests and makes them like it with his clever routine.

His is the skill of the professional, but other than for the purpose of demonstration, pickpocketing is quite out of his line. He was a shirt manufacturer in Vienna and his hobby was magic.

Being a better amateur magician than a professional shirt maker, Fred Roner left everything he had in Vienna the day the Nazi police took over, and later on, he and his wife left Poland on the last free train.

### Administration—

(Continued from Page One)

Mayor-elect Yeager a paper symbolizing the passing of his authority to new shoulders.

Mayor Briscoe and Councilman E. E. Gillespie, who is retiring from the council, then stepped from the table.

Mayor Yeager spoke briefly of the council's public trust, noting that in assuming official duties "you councilmen become public property."

Yeager officially reappointed all city personnel. He did not reveal council appointments to committees but indicated there would be little change.

He did not appoint a successor to his council post.

He expressed a "keen interest" in continuing the city's construction and addition to its water storage and transmission.

The council adjourned at 9:15, only 1 3/4 hours after the meeting opened.

### Juveniles—

(Continued from Page One)

near future to combat repeated breakins.

He also said "other protection against future breakins will be installed. Someone is apt to get hurt if they attempt to get in in the future."

postal plant caused by 60,000 gallons of sulphuric or muriatic acid being turned into city sewers.

The acid ate into concrete structures of the new disposal plant causing extensive damage.

Damages costs have been estimated from \$5,000 to \$10,000 and up.

The acid is used by the gin's delinting plant north of the city in processing cottonseed.

### National Music—

Wednesday at 8 p. m. on the Junior high patio, the Senior high school band will present its concert.

Recitals are planned at 8 p. m. Thursday and Friday nights at the First Methodist church.

General chairman of the event is Mrs. Augusta Spratt, in cooperation with school and private music instructors.

Mgr. Ralph Lennon told the council the hospital loses about \$220 per patient per day.

"The picture may change and we may have more patients than we anticipate," he told the council. "But recently we have had a low patient population. Our costs remain the same whether we are full or have only nine or 10."

Mayor W. H. Yeager told Lennon city council thinking as it prepares the budget for fiscal 1954-55 has been close to that of the hospital board.

Lennon reported other hospital developments, including:

—Award of a contract to Artesia Electric Co. for installation of 16 individual room refrigerated air conditioning units at a cost of about \$4,000 installed. Individual refrigerating units cost less to install and less to maintain than a large system, Lennon said.

—Recommendation the hospital's books be audited in June following close of its fiscal year, May 30.

—Plans by the hospital auxiliary to hold open house at the hospital May 9, which begins American Hospital Week, May 9-15.

# HAGERMAN NEWS

Mrs. Byron Oglesby, Editor

## John James Hagerman, Charles B. Eddy Team To Develop Rich Pecos Valley Territory

man became actively identified with the development of the Pecos Valley enterprises, he was confronted with the principal part in financing the construction of the following projects: the Hondo reservoir, southeast of Roswell; the Northern Canal, starting near Roswell and running south, some distance beyond Hagerman; the Eddy (Avalon) dam and reservoir; the Southwestern Canal, starting at the Eddy dam and running a long distance south on the west side of the Pecos river; the Southeastern Canal, starting at the Eddy dam and running down the east side of the Pecos; the Hagerman Canal on the east side of the river about 12 miles below Eddy; the Pecos Land and Water Co. Canal, designed to take water from the Pecos river near the New Mexico-Texas line and irrigate a large acreage in New Mexico and Texas; the construction of a railroad from Pecos, Texas, to Roswell, N. M.

## Templeton Piano Students Present Annual Recital

Piano students of Mrs. Bob Templeton were presented in recital Wednesday evening at the high school auditorium. All participants in the program wore colorful square dresses, and the young man on the program, Johnny Barnett, was right in style in his chief shirt.

Acting as ushers for the event were little Susan and Sidney Templeton, children of Mr. and Mrs. Bob Templeton, also dressed in square dress and chief shirt. The program was presented as follows: "America the Beautiful" and "I've Been Working on the Railroad," by Johnny Barnett; "Swing Up, Swing Down" and "Pansy Faces," by Patsy Gregory; "Nodding Ferns" and "Skating" by Barbara Utterback; "A Little Waltz," "Gypsy Noon" and "Mocasin Dance" by Kay Barnett; "The Arab Horseman" and "Carnival Dancers" by Jodelle Freeman; "Banjo Song" and "Petite Mazurka" by Peggy Cumpston.

Playing duets were Teresa Oglesby and Ginger Graham who presented "Rondo in Turkey"; Betty Watford and Doris Ferguson who played "Skaters Waltz"; and Verna Jean Greer and Jeannie Bob Hart who played "The Blacksmith Blues."

Other piano solos were "Spanish Dance" by Doris Ferguson; "Piccola Tarantella," by Betty Watford; "Tales from Vienna Woods" by Jeannie Bob Hart; "The Butterfly" by Verna Jean Greer; "Funeral March of a Marionette" by Teresa Oglesby; and "Sonatina" by Ginger Graham.

The recital was well presented and greatly enjoyed.

## Rainbow Slumber Party Ignores Sleep 'til 4:30

Members of the Order of Rainbow for Girls of Hagerman held a slumber party Friday evening at Masonic Hall with 20 girls present. Chaperones were their mother

advisor, Mrs. Sadie Bowen, and Mrs. Louise Brown. They enjoyed sandwiches, Cokes, potato chips, and other delicacies, and no one "slumbered" until 4:30 a. m.

Following the slumber party on Saturday morning, the group held a "kidnap coffee" at Masonic Hall with very good results. Proceeds will go toward paying expenses of girls who will attend the Grand Rainbow Assembly to be held at Raton in June.

## Charles Thompson Dies Monday

Charlie Thompson of Albuquerque, former long-time resident of Hagerman and vicinity, died Monday from a heart attack. Mr. Thompson had been bed-ridden since having a heart attack nine months ago.

Funeral services were held Wednesday afternoon in Albuquerque. Those from Hagerman attending services were Mr. and Mrs. W. E. Utterback, Mr. and Mrs. C. L. Lathrop, Mr. and Mrs. George Lathrop, Mr. and Mrs. Stanley Utterback, Mr. and Mrs. Bob Utterback, Mr. and Mrs. Charles Michelet, Mr. and Mrs. Clay Lemon and Mr. and Mrs. Ed Stone. Mr. and Mrs. Philip Monical and Mr. and Mrs. Frank Wortman of Dexter also attended.

Members of Order of Eastern Star of Hagerman met at Masonic Hall Wednesday evening. A routine business meeting was conducted, with worthy matron, Jewel Garner, presiding, followed by a memorial service.

Assisting the worthy matron in the impressive memorial ceremony were Mrs. W. P. Jumper, Mrs. Clyde Kelly, Mrs. Robert West, Mrs. Al Ackerman, Mrs. Jack Langenegger and Mrs. Jim Langenegger. The worthy matron presented birthday gifts to all members having birthdays in April. Refreshments of angel food cake topped with whipped cream, and

## Chinese Theme Features Joint Junior-Senior Banquet, Prom

Junior-Senior banquet and prom was held Saturday evening, April 24, at the high school gymnasium in Hagerman. Sophomore boys and girls served the Chinese menu. Boys were dressed in white barber jackets and coolie hats, while girls wore kimonos and coolie hats, very appropriate to the occasion. Gloria Menoud played background music at the piano during the banquet.

The gymnasium was decorated to resemble an oriental garden, and the guests entered the garden through a flower-bedecked trellis, and were seated at quartet tables centered with parasols.

The menu chosen by the juniors and seniors was as follows: cherry blossoms (fruit cocktail); chop suey with rice; lotus blossom salad (jello - pineapple - carrot salad); fruit of the good earth (chow mein); chop sticks (French fried potatoes); poppy seed rolls; emperors delight (ice cream); and Cantonese tea. The menu was prepared by the Presbyterian ladies of the Ella Hedges circle.

The program was as follows: Chopstick Melodies by U Know Who (a duet by Gloria Menoud and Mary Fay Evans; Soo Hoppee by Cherry Blossom (the welcome by Truman Menefee); Thanke Honorable One by Wing Lee (response by Darrell Minker); I Talked Muchee by Fooyu Tu Yu (Geneva Ackerman); Confucious Say by Soo Nosey (Shirley Newsum); Dotow to Our Honored Seniors by Matzo Koto (Susy Boyce).

At the close of the afternoon refreshments of chicken salad on lettuce cups, olives, pickles, and wafers, candy, coffee or tea, were served to three guests, Mrs. Carl F. Bruhn of Dexter, Mrs. Jack Menoud and Mrs. Henry Johnson, both of Hagerman, and the following members:

Mrs. Dub Andrus, Mrs. B. W. Curry, Mrs. O. J. Ford, Mrs. Lester E. Hinrichsen, Mrs. E. E. Lane, Mrs. Howard Menefee, Mrs. D. L. Newsom, Mrs. Edith Stine, Mrs. Jack Swartz, Mrs. Hal Ware, Mrs. Edith West, Mrs. J. W. Wiggins, Mrs. Spurgeon Wiggins, Mrs. Mattie Willoughby, Mrs. Howard L. Nelson and the hostess, Mrs. Ruth Strixner.

## Memorial Ritual Held By OES

Members of Order of Eastern Star of Hagerman met at Masonic Hall Wednesday evening. A routine business meeting was conducted, with worthy matron, Jewel Garner, presiding, followed by a memorial service.

Assisting the worthy matron in the impressive memorial ceremony were Mrs. W. P. Jumper, Mrs. Clyde Kelly, Mrs. Robert West, Mrs. Al Ackerman, Mrs. Jack Langenegger and Mrs. Jim Langenegger. The worthy matron presented birthday gifts to all members having birthdays in April. Refreshments of angel food cake topped with whipped cream, and

## Baptist Deter Circle Studies Manual, Lesson

Deter circle of the First Baptist church of Hagerman met Wednesday at the home of Mrs. W. P. Jumper.

The group studied the first two chapters of WMU manual with Mrs. O. J. Ford and Mrs. D. L. Newsom leading the lesson. A short business meeting was conducted but no new business was transacted.

At the close of the afternoon refreshments of cake, fruit cocktail topped with whipped cream, coffee or iced tea were served to the following members:

Mrs. O. J. Ford, Mrs. D. L. Newsom, Mrs. W. R. Goodwin, Mrs. W. H. Keeth, Mrs. William Solomon, Mrs. T. J. Shipman, Mrs. Paul Jenkins, Mrs. R. O. Sparks, Mrs. Alex White, Mrs. Scott New, and the hostess, Mrs. Jumper.

## Francis Simpson Dies Thursday

Francis Lawson Simpson of San Diego, Calif., an old-timer of Hagerman and Greenfield, died Thursday, April 22.

Mr. Simpson's body arrived in Hagerman Monday morning where it was in state at the First Methodist church here until the funeral services Monday afternoon, with the Rev. G. H. Woolf, pastor, conducting the graveside services at the Hagerman cemetery.

Mr. Simpson was born July 16, 1862 and had made his home in San Diego, Calif., for the past 35 years.

He is survived by a son, Robert, and a daughter, Mrs. Charity Ernest, both of San Diego, Calif., and a grandson, Douglas King of Los Angeles, all of whom were here to attend the funeral services in addition to Mrs. Robert Simpson and Mrs. Douglas King.

## Hagerman News Briefs

An outing of young members of the Sunday school classes of the First Baptist church of Hagerman and their guests, was enjoyed on Thursday evening.

The group assembled at the Baptist church at 6 p. m. for a hay ride out to Red Bluff on the Felix river where they roasted weiners over a camp fire and made hot dogs which they ate with potato chips and iced pop. There was group singing and much merriment.

The truck was driven by the Rev. Scott New, pastor of the church, and the group was also chaperoned by Mrs. New and Mr. Alex White. There was an exceptionally good turnout, and the outing was greatly enjoyed by all who were present.

Recent guests at the home of Mrs. Gladys Estes of Hagerman included her daughter and son-in-law, Mr. and Mrs. C. L. Reed, and another daughter and grandson, Mrs. Ruby Lee Gasaway and Terry, all of Hobbs.

Home for the Easter holidays were Wanda and Bobby Estes, daughter and son of Mr. and Mrs. Wesley Estes of Hagerman. They stayed from Thursday evening to Monday morning. They are both attending college at Waxahatchee, Texas.

Mrs. Edith West, Mrs. Dub Andrus, and Mrs. L. E. Hinrichsen, all of Hagerman, served as hostesses for registration at Wilmot Hardware Co. in Roswell on Friday. As an advertising scheme and also to help the Garden clubs Wilmot's had a registration book and assigned different days to the various Garden clubs. For each registration, the club serving as hostess, received 10 cents. These three, Mmes. West, Andrus and Hinrichsen, represented the Hagerman Garden club.

Baptist church of Hagerman will have a revival May 29 with the Rev. Bruce Giles of Arth, Texas, officiating and "Texas" Carroll, singing evangelist, conducting that part of the services. Mr. Carroll has worked in this capacity for many years and is well known to Hagerman people. Prayer meetings are being held each night this week in preparation for the revival.

Mrs. Hinrichsen was honored by being elected and installed as a new district officer.

Mrs. Reed Brainard of Artesia, outgoing president, presided over all sessions, and the principal guest speaker was Miss Lydia Gerhart, field representative of WSCS who also installed the newly-elected district officers in a most impressive manner.

Mrs. Hinrichsen was among the guests when Mrs. Lowrey Walker, president of the Pecos group, was hostess for dinner at the very unique cafe known as "The Buffet."

Mrs. Elton Lankford became ill Tuesday, but is somewhat improved at this time. She has low blood pressure.

Mr. and Mrs. Ira Johnson and son, Bobby, from Clovis arrived on Saturday afternoon to spend the week-end with Mrs. Johnson's mother, Mrs. W. E. Bowen, and to visit her brother, and family, Mr. and Mrs. E. S. Bowen, all of Hagerman.

Mar. and Mrs. Virgil Jones have just returned from a three-week vacation. They visited Mrs. Jones' mother and sister in Waco and Fort Worth, and Mr. Jones' family in Houston.

T. D. Carroll of Henderson, Texas, arrived Monday evening. He will be a house-guest for a week at the home of Mr. and Mrs. Vencl Barnett and family of Hagerman, prior to the revival in which he will conduct the singing May 29, at the Baptist church here. Mr. Carroll and Mr. Barnett will go fishing at Conchas dam Wednesday.

Sidney Templeton, son of Mr. and Mrs. Bobby Templeton of Hagerman, is ill. It is believed that he has scarletina.

Viola Sartin, daughter of Mr. and Mrs. Earl Sartin of Hagerman was unable to attend school Monday, due to illness.

Mrs. C. W. Curry, who sustained a hip injury when she fell recently, is improving from that condition, however she contracted a cold Friday which set her back considerably.

Mr. and Mrs. Richard Baxter and four children, Saadra, Norma Jean, Estelle and Floyd of Bishop, Calif., have returned to their home after having spent several days here in Hagerman visiting Mrs. Baxter's sisters and their families, Mr. and Mrs. Clint Gibson and Mr. and Mrs. Ike Boyce.

Rev. Scott New, pastor of First Baptist church of Hagerman, has turned in his resignation. He will continue here, however, until May 2.

Aubrey Howell, son of Mr. and Mrs. Robert Howell of Hagerman, officiated at the evening services at Baptist church at Easter. He is attending Wayland college at Plainview, Texas, this being his first year. Following the speaker, Mrs. Bill Algenegger showed a very appropriate film on the Crucifixion.

Mr. and Mrs. Leonard Privette and their two children, Marian and Gary of El Paso, arrived Saturday evening for a visit with Mrs. Privette's parents, Mr. and Mrs. William Solomon of Hagerman.

Mrs. Howard Templeton left on Tuesday morning for Ruidoso, where she will spend several days doing some painting. Mr. and Mrs. Bob Templeton and children and Mr. Howard Templeton plan to join her this week-end.

### Artesia Chosen To Experiment In DE Course

An experimental program which would broaden the scope of distributive education courses in Artesia Senior high school will be inaugurated next fall.

In making the announcement, W. E. Bennett, Artesia high school DE coordinator, said the experimental program is being launched under auspices of the U. S. office of education.

It calls for conducting the first year of DE in much the same manner as is now done.

Second year of the program would be broadened to follow-up first year work study experience, Bennett said.

The experimental program, one of two to be launched in New Mexico, is under the direction of Bennett, Clyde W. Humphrey, program specialist for the U. S. office of education; and Dr. William B. Runge, University of New Mexico teacher instructor.

First year of the program will be an exploratory year in distributive occupations, much as is now done in Senior high school.

The second year will be aimed at assisting students in deciding on definite careers through intensified work.

Chief emphasis of the experimental program will be development of the second-year course, which is now largely a repetition of the first year.

Carlsbad is the other New Mexico high school chosen for the experimental program.

There are four schools in the Rocky Mountain states chosen for the program.

### Toastmasters Club To Host Area Meeting in June

Artesia Toastmasters club will be host to an area conference of Toastmasters clubs June 6 at Artesia Country club.

Meetings will be held in the afternoon and evening. Pres. Wallace Beck announced at the regular meeting of Artesia Toastmasters Tuesday.

Guest of the club was Charles Baker, son of Lou Baker. He is just out of service.

Andy Corbin was introduced as toastmaster by Harvey Yates, acting toastmaster of the evening. Topic questions were varied.

"Stop Russia" was the topic chosen by the first speaker, Keith Dampf. Ralph Lennon acted as Dampf's critic.

Hugh Kiddy spoke on "Education" with Tom Johnson as his critic.

Ott Strock was the third speaker with topic subject, "Visual Expressions." He was criticized by Bob Seigel.

Overall evaluator for the evening was Clarence Key.

President Wallace Beck presided over the meeting.

The sling as used in warfare remained a part of the equipment of the English army until the 15th century.

### SHELLS BOMBARD DIENBIENPHU

THREE DEFENDERS (upper) of Dienbienphu, the "Verdun of Indo-China," duck for cover as a Communist Vietminh shell explodes (left). Lower, a French soldier hurls himself groundward as another shell makes a direct hit. (International)

sumption, the solicitor of the department of agriculture ruled I would have to set the supports for the coming year at 75 per cent.

There has been some complaint that under the President's new farm program, the reduction in dairy supports should have been gradual. Actually the President proposed gradual changes in moving basic commodities from a rigid to flexible support program and from old to modernized parity. There was no such recommendation on dairy products, which were already on a flexible basis.

**THERE IS** considerable difference between the basic commodities and dairy products. The basics are storable and they are subject to production control. Dairy products are perishable. In fact they are the only perishable commodity on which price supports are mandatory. In addition, there is no control of production.

While it would appear that the dairy supports were cut 15 points, the actual reduction is 12 and 9 points. Because of wider marketing margins last year, 90 per cent supports reflected 87 per cent of parity to the farmer on butterfat and only 80 per cent on manufactured milk.

### Public Auction of the B. B. Carter Ranch

Regan County Texas  
Mon., May 3 - 1 P.M.

Located 23 miles north of Big Lake and 23 miles south of Garden City, Texas.

8150 Acres

The entire ranch is fenced in 48-inch woven wire wolf-proof fence with 3 and 4 barbed wire tops. Has six separate pastures and nine water wells, all wells have overhead storage tanks and cement drinking troughs. Three sections have pens and loading corrals. The ranch headquarters are comprised of a four-room house, a six-room house, double garage, four big sheds and two windmills with overhead storage. All of the southwest part of the ranch can be irrigated. There is good water at 220 feet.

There is one producing oil well in the northern part of the ranch with more wells to be drilled or leases expire Sept. 17, with half of mineral rights, less 1/64, seller retaining 1/4 mineral rights, non-participating. 5400 acres have been leased, but leases expire Sept. 17.

There is a county-maintained road from pavement to ranch house. Watch for signs.

### La Huerta Bridge At Carlsbad Due For Rebuilding

Although no one apparently knows how it will be paid for, reconstruction of an ancient Eddy county cause celebre—La Huerta bridge at Carlsbad—is apparently scheduled.

Carlsbad newspapers have reported a state highway department engineer has announced construction plans for the famous one-way bridge are being set up for letting to contract about November.

Estimated cost is \$200,000. The new bridge would have a road 28 feet wide between curbs and sidewalks.

The Carlsbad Current-Argus said the announcement gave no indication of how the project would be financed. Previously various

### Mrs. Dockray Funeral Rite Held April 28

Funeral services for Mrs. J. K. Dockray, a resident of the Pecos Valley all her life, were held Wednesday afternoon in Dexter.

Interment was in the Hagerman cemetery.

Mrs. Dockray died Monday evening in Artesia following an extended illness. She was 33.

Funeral services at Dexter Methodist church were conducted by Rev. C. A. Clark.

Pallbearers were Bill Cox, Claude Vinson, Ira Wilson, Carmie

forces have attempted to have the bridge reconstruction on a three-way cost split among county, city and state agencies.

Dickerson, Luther Kelley and Cliff Pritz.

She is survived by her husband, J. K. Dockray of Dexter and two children, James Phillip and Cheryl Ann, both of Mayhill.

Also surviving are two sisters, Lucille Hart of Los Angeles and Dorothy Noble of Farmington, and two brothers, Robert Monical, now in the Philippines and Phillip Monical, Dexter.

Mrs. Dockray, the former Josephine Mable Monical, was born Sept. 3, 1920, in Dexter. She married J. K. Dockray Feb. 23, 1939, at Dexter.

She was a member of the Methodist church of Loco Hills.

Norway has a greater coastline than the United States. The country has a coastline of 12,000 miles.

### Benson Outlines Own Program To Up Dairy Food Consumption

By EZRA TAFT BENSON  
Secretary of Agriculture

One of agriculture's biggest problems is also one of the easiest to solve.

The solution lies not with government or its officials but with millions of Americans who can and should drink an extra glass or two of milk each week and eat a few additional pieces of butter.

At present the dairy industry is confronted with production and marketing problems that stem from increasing output, declining exports and a reduction in per capita consumption. It is important to see that these troubles are not perpetuated.

The government now has more than 1,320,000,000 pounds of dairy products in storage. These surpluses were acquired by supporting dairy prices at 90 per cent of parity. They are products that should have gone to consumers but instead went into government warehouses.

To make dairying a strong and independent part of our agricultural economy these surpluses must be disposed of and a proper adjustment made between production and consumption. The easiest way to do this is to increase consumption.

Since 1954 the annual per capita consumption of fluid milk and cream has declined 47 pounds. For the same period consumption of butter dropped the equivalent of an additional 45 pounds of milk.

**OUR PEOPLE need to eat more dairy products.** If the full dietary needs of the nation were being met, there would actually be a shortage of these products. Milk is good. It is the most perfect of all foods for children, young people and adults. Milk is cheap. A recent study shows that the nutrients contained in a quart of milk would cost 42 cents if obtained from other sources.

In an effort to encourage the use of dairy products and in compliance with the law, I recently reduced the dairy price support level from 90 to 75 per cent of parity. It is my belief that more realistic prices, coupled with a vigorous educational and promotion program stressing the value of dairy products, will go a long way toward reestablishing the industry on a firm and profitable basis.

I am required by law to fix dairy supports at a point between 75 and 90 per cent of parity that will assure an adequate supply. In view of both the large surpluses and a production rate exceeding con-

**ARTESIA DESERVES A BREAK!**

My aim is to serve ALL of the people of Eddy County, I am obliged to no individuals, political cliques or privileged few.

I don't believe the people of Artesia should continue to be ignored or kicked around in county affairs. I favor necessary roads from Artesia to the oil fields.

My goal is to get to the many roads throughout the county that need attention. Let's have roads built right, built to last—with good, solid foundation, top and solid shoulder.

Work done on our county roads should be done with Eddy County labor, and as a working man myself, I aim to enforce this.

**Hannah to Lead Modern Woodmen Of America Meet**

Ernest A. Hannah, Artesia, state consul of Modern Woodmen of America, will attend the 27th quadrennial state camp convention of the society in Albuquerque, May 5. The local man will call the meeting to order and preside during its deliberations.

Principal business of the 11 delegates attending the state meeting will be the selection of a delegate and alternate to represent the New Mexico state membership of 290 at the society's head camp convention to be held in Chicago, June 1-3, Hannah said.

State officers for the ensuing four-year term will also be named and recommendation will be made for the site of the next quadrennial state camp meeting.

The ethyl chloride acts as a local anesthetic and also solidifies the skin, presenting a hard, workable surface.

By use of different width brushes moving slowly up and down the scarred area, the scars are planed away. While there may be moderate bleeding, this is easily controlled by the use of dry sterile gauze and a daily dressing of sterile petrolatum.

There is complete healing of the operative area in 10 days to two weeks and, generally, one abrasive planing is sufficient. If necessary, the procedure may be repeated in six weeks or at any time later.

Dr. Eller, who has used this procedure in over 200 cases, advocates the use of rotary wire brushes as the most efficient and painless method of removing scars.

It is his opinion that as this work becomes increasingly well known, many men and women suffering from the skin defects will have them corrected resulting in marked improvement in their mental well-being.

**Public Welfare Spending Rises 22 Per Cent**

Public welfare spending has gotten off to a running start in New Mexico this year, up more than 22 per cent in one month.

According to figures just released, the state welfare programs cost almost \$1 1/2 million the first month of this year, \$277,000 above the comparable 1953 figure.

Over 38,000 men, women and

children . . . one out of every 20 persons in the state . . . received welfare assistance during the month, as reported by the Taxpayers Association of New Mexico.

Some 5,600 persons are on the welfare rolls in Bernalillo county (Albuquerque), and over 3,100 in San Miguel county (Las Vegas), analysis of the latest welfare department report shows.

Rio Arriba county ranks third with upwards of 3,000 recipients and Santa Fe county, fourth, with around 2,800.

More than 12,700 aged received state welfare checks averaging almost \$42 or January. Over 22,000 dependent children were covered by assistance payments averaging \$19.50 that month. Welfare aid also was extended to 2,100 disabled persons, 570 needy blind and to 677 other recipients.

The eye changes its focus for near and distant objects by use of a muscle around the lens which alters its shape.

**Rotary Steel Brushes Help Removing Facial Scars**

The medical world has long been plagued with scars, unsightly pigmentation and skin deformities which have a serious effect on the well-being of those so afflicted and frequently result in social difficulties and social ostracism.

After appearing in the curriculum of the New York State College of Medicine, the technique was demonstrated before the Inter-American Medical Association of the Pan American Medical Association.

Dr. Joseph J. Eller of Artesia describes an effective procedure for the removal of such scars by the use of rotary steel brushes.

In many years, dermatologists have removed scars by various methods, such as so-called sandpaper, chemicals, and by electrolysis.

The sandpaper abrasion technique, while the best of the previous methods, has disadvantages such as hospitalization and the use of a general anesthetic.

In the past few years, Dr. Eller has treated numerous types of scars and smallpox and measles scars by means of surgical steel wire brushes revolving at the rate of 12,000 revolutions per minute. The process is painless throughout.

The operative procedure is relatively simple and does not require hospitalization. Prior to the planing procedure, an ice pack is placed over the area to be treated for about 20 minutes. After the skin is cleansed with alcohol and the eyelids covered and the ears and nasal orifices plugged, ethyl chloride is sprayed on the areas to be treated. Simultaneously, a current of air from a blower is directed on the surface to accelerate the evaporation of the ethyl chloride, and the freezing of the skin occurs in from 30 to 60 seconds.

placed over the area to be treated for about 20 minutes. **CLYDE C. McCULLOH**  
Democratic Candidate for  
**Justice of the Supreme Court**  
(FOUR YEAR TERM)

I would like to visit with you and every voter personally, but since I may be unable to see you, I am using this means of presenting myself for your favorable consideration as a Democratic candidate for Justice of the Supreme Court (Four-year term).

Besides wide experience in the private practice of law, I have acquired a broad personal knowledge and understanding of the problems and functions of our schools, municipalities and counties. As an Assistant District Attorney, Attorney for the State Tax Commission, and Attorney General of the State for two terms, I have become familiar with the processes of state government, its agencies, officers and institutions. In construing laws, deciding legal questions and writing legal opinions, I have endeavored to be fair and impartial in the application of sound legal principles.

Your assistance and support of my candidacy will be greatly appreciated.

Sincerely yours,  
**CLYDE C. McCULLOH**

**NOTICE STATE ENGINEER'S OFFICE**  
 Number of Application RA-3176, Roswell, N. M., April 9, 1954.  
 Notice is hereby given that on the 22nd day of March, 1954, in accordance with Chapter 131 of the Session Laws of 1931, Albert L. P. O. Box 196, Lakewood, County of Eddy, State of New Mexico, made application to the State Engineer of New Mexico for a permit to change place of use of 99 acre feet of artesian ground water per annum by abandoning the irrigation of 33 acres of land described as follows:  
 Subdivision SE 1/4, SE 1/4, Section 22, Township 19 S., Range 26 E., Acres 33  
 and commencing the irrigation of 33 acres of land described as follows:  
 Subdivision Pt. E 1/2 NE 1/4 NW 1/4, Section 26, Township 19 S., Range 26 E.,  
 Subdivision Pt. W 1/2 NW 1/4 NE 1/4, Section 26, Township 19 S., Range 26 E., Acres 33.  
 No additional rights over those set forth in Declaration No. RA-3176 are contemplated under this application.  
 Appropriation of water from all sources combined not to exceed a total of 3 acre feet per acre per annum.  
 The 33 acres to be moved from to be dried up to further irrigation from artesian ground water.  
 Any person, firm, association, corporation, the State of New Mexico or the United States of America, deeming that the granting of the above application will be truly detrimental to their rights in the waters of said underground source, may protest in writing the State Engineer's granting approval of said application. The protest shall set forth all protestant's reasons why the application should not be approved and shall be accompanied by supporting affidavits and by proof that a copy of the protest has been served upon the applicant. Said protest and proof of service must be filed with the State Engineer within ten (10) days after the date of the last publication of this notice. Unless protested, the application will be taken up for consideration by the State Engineer on that date, being on or about the 12th day of May, 1954.  
 JOHN R. ERICKSON,  
 State Engineer. 31-31-F-35

### Two Hagerman Boys Receive Rape Terms

Two Hagerman youths received prison sentences this weekend for the rape of a 15-year-old Texas girl.

Dist. Judge George T. Harris at Roswell sentenced Charles Ray Gibson, 19, of Hagerman to a penitentiary term of 20 to 25 years for his part in the rape.

Gibson has a previous record of offenses and jailing in Springer Industrial school for boys.

Carl E. Nelson, also 19 and of Hagerman, was sentenced to a 3-to-5 year penitentiary term for his part in the rape.

The incident occurred March 14 near Lake Arthur when Gibson and Nelson took the young Texas girl from her husband, then drove her off and raped her.

Gibson pleaded guilty to the charges.

Nelson was tried in district court. The jury returned a verdict of guilty but recommended clemency.

### Hagerman News

Mrs. Tommy Bledsoe spent Wednesday and Friday to be with her mother Mrs. Ben Williams of Roswell, who is ill. She is up now and feeling better. Mr. and Mrs. B. F. Williams an dtwo sons stopped by Sunday to visit the Bledsoe family here, en route to their home in Carlsbad—they had been in Roswell on business and visiting B. F. is Mrs. Bledsoe's brother.

Those from Hagerman who attended the Vacation Bible School Institute at Carlsbad Tuesday, April 27, were Mrs. Jack Menoud, Mrs. L. E. Hinrichsen, Mrs. Bob Coons, Mrs. Robert Utterback, Mrs. Spurgeon Wiggins and Mrs. Raval Cumpsten. Rev. G. H. Woolf, pastor of First Methodist church of Hagerman, will also go to attend a minister's meeting.

Mr. and Mrs. E. A. Paddock of Albuquerque and former long time residents of Hagerman, will be observing their golden wedding anniversary May 3. Mr. Paddock has been quite ill with uremic poisoning but has been dismissed from the hospital and is now at his home under the care of a nurse.

Mr. and Mrs. Paddock made their home northwest of town when they lived in Hagerman, and now make their home at 921 Carlisle boulevard, N.E., Albuquerque.

Mr. and Mrs. W. E. Utterback left Tuesday and returned Wednesday evening from Albuquerque where they attended the funeral of Mr. Thompson. While there they visited their son's family, Mrs. Tom Utterback and children. Tom was in Springfield, Ariz.

### Hagerman Delegates Report Highly Successful PTA Meet

Returning Saturday afternoon from the state Parent Teachers Assn. convention held in Tucumcari, April 22-24, were Mrs. Louise Brown, newly-installed president of the local unit; Mrs. Clyde, vice-president; Mrs. W. E. Knoy, treasurer; Mrs. Byron Oglesby, program chairman; and Mrs. Wilson Hart, membership chairman and Junior past president.

Mrs. Eugene Culbertson, secretary, was unable to attend.

These officers and delegates returned to Hagerman much inspired and full of enthusiasm, and will give their report at the next PTA meeting which will be a picnic supper honoring the teachers. It will be held May 10 in the school gymnasium.

Among the highlights of the convention were talks given by Dr. John S. Carroll, national representative in PTA and chairman of the committee on rural service. He is head of the department of education at Texas Technological college in Lubbock.

Very interesting and instructive was the panel discussion on the teacher shortage in New Mexico, with Dr. C. B. Wivel, professor of education of NMU, acting as moderator. He handled the discussion in a very able and fast-moving manner, and the audience participated. Dr. Wivel will be in Hagerman to be the guest speaker at the commencement exercises to be held at the Hagerman school auditorium Tuesday evening, May 18.

The address, "Freedom to Teach," was delivered by Dr. Lewis Albee, superintendent of schools at Los Alamos. His speech dealt with Communism and was presented in a very apt manner. Dr. Albee is a Yale graduate, and has done work at the Pentagon in Washington.

The two breakfasts, the chuck wagon supper, the luncheon and the banquet were all very well-planned and exceptionally good food was served. Among the program par-

ticipants were junior and senior high school bands, the mixed choir of the high school with 45 voices, the double sextette, the Mexican Hat dance sextette, the singing of "The Lord's Prayer" at the candle-light service at the banquet and the entire audience singing "O Fair New Mexico" and "May the Good Lord Bless and Keep You."

Of special interest to the local unit was the display of the Hagerman PTA scrapbook which gained many favorable comments. We were especially proud of our new president, Mrs. Louise Brown, who participated in the march of presidents with their piggy banks, known as the "Painted Pig Parade."

Presiding over the state convention was Mrs. Aaron E. Margulis, state president, Santa Fe. Mrs. Margulis, affectionately known as "Betsy" to her friends, conducted the meetings with ease and ability.

### Pilot Uninjured As Airplane Crashes, Burns

Jim Dorris, pilot of Hazel Flying Service, was uninjured Saturday when his crop dusting plane crashed on the H. H. Mills farm at Lake Arthur.

Dorris was pulled from the plane by Willard Needham and Thomas Crook. Reports indicated the plane had begun to burn.

The airplane was heavily damaged.

Needham witnessed the crash and rushed to the scene at once. He took Dorris to Artesia General hospital.

### Artesia Baptist Men Attend Valley Meeting

A Pecos Valley Baptist Brotherhood rally held in Carlsbad Tuesday evening was well-attended by Artesia men.

Attending were Cecil Waldrep, president of the Artesia brotherhood, D. D. Archer, Fred Cole, L. W. Brummett, J. E. Mitchell, and Ladson Worley, music director for the First Baptist church of Artesia.

The Bronx zoo is the largest zoo in the United States.

Our sun is a great round mass with a diameter of 865,000 miles.

The average American has about three colds each year.

### DIENBIENPHU FROM THE AIR

HERE IS AN AERIAL view of Dienbienphu, where Indo-China's biggest battle is underway. Photo shows planes on the airstrip. The fortress is surrounded by Vietminh Communists, with heaviest attacks coming from positions in background. High terrain favors Red artillery. (International)

### Lake Arthur Juniors, Seniors To Present Annual Joint Play

Lake Arthur juniors and seniors will present their annual joint play at 8 this evening in Lake Arthur high school auditorium.

The play, "One in a Million," is a three-act farce.

In the cast are: —Harold Evans as Archibald Carter, a young, would-be playwright.

—Elario Guerrero, as Carter's valet, Hubert.

—Jim Jenkins as Sam Perry, Carter's friend and distant cousin.

—Donald Nelson as Temple Carter, Archibald Carter's uncle.

—Becky Kluting as Goldie Jenkins, a lady "no better than she need be."

—Pauline Robinson as Wilma Maitland, an obliging young lady.

—Wanda Shirley as Mrs. Ken Jenkins, Goldie's mother.

—Dorothy Reynolds as Miss Le-mira Perry, Sam Perry's aunt.

The play is under the direction of Gene Sooter, who is also junior-senior class sponsor.

### Six Artesians at ENMU Join Leadership Meet

Six Artesia students at Eastern New Mexico university are among 60 students, faculty members, and administrators to attend a four-day leaders' retreat.

The event began yesterday at Ruidoso.

Artesians taking part are Gary Blair and Hunt Zumwalt, student

council; Patsy Cobble, dormitory representative; Joy Williams, Joe Starr, student publications, and John L. Green, 1954-55 student officers.

The retreat is designed to give students an opportunity to work with university officials on plans to improve the university.

Delegates in the past have made hundreds of recommendations affecting student activities, curriculum, and other phases of campus life.

Over 70 per cent of the recommendations have been put into practice.

### BETTER. CLEANER GASOLINE!

PHILLIPS 66

Flite-Fuel

FOR YOUR CAR

Only in Phillips 66 Flite-Fuel do you get the added super aviation fuel component, Di-isopropyl (pronounced di-iso-pro-pull). This special clean burning power component is a Phillips exclusive—developed originally for highest powered military aircraft.

Phillips Petroleum Company was the first to make Di-isopropyl and HF Alkylate, so valuable to smooth motor performance that, until recently, their use was restricted by the U. S. Government to high performance aviation gasoline. Now authorities have removed restrictions and these powerful components can be blended into Phillips 66 Flite-Fuel.

New Phillips 66 Flite-Fuel provides increased power, higher anti-knock, greater fuel economy, and freedom from cold stalling.

In addition, Phillips 66 Flite-Fuel gives you the clean burning qualities that result from use of natural and aviation gas components. No anti-fouling additives are needed to insure maximum power and efficiency when you drive with Flite-Fuel.

Only Phillips 66 Flite-Fuel contains added Di-isopropyl. Get it at stations where you see the orange and black Phillips 66 Shield.

## Vote for Archer as District Judge Tuesday

TUESDAY, MAY 4, is primary election day. The voters in Eddy county on this date will elect the nominees for the Democratic and Republican parties. The voters will also participate in nominating candidates for district and state offices of their own party.

But regardless of how many pleas are sounded there are always enough votes at home on election day to nominate or to elect any candidate.

D. D. Archer, local attorney, is a candidate for the Democratic nomination for the judgeship of division one of the fifth judicial district.

During the past weeks he has been contacting voters in this district asking their support for that nomination.

Archer is not only an outstanding attorney versed in the law and qualified to serve as judge but he is an outstanding citizen and civic worker. Archer is a member of the Artesia Lions club and a past district governor of Lions International of New Mexico; is a life member and past chancellor commander of the Knights of Pythias; life member of the Dramatic Order of Knights of Khorassan, member of the First Baptist church of Artesia, and chairman of its board of trustees, a 32nd degree Mason, and a civic worker.

He has had 22 years experience as a lawyer, having been admitted to the bar in Oklahoma and in New Mexico. He has had wide experience in trials in both civil and criminal cases, in state and federal courts and in the United States Tenth Circuit Court of Appeals.

Most of the campaigning, which has been conducted on a high plane, is now over. The question of whether he will be nominated and then elected to the judgeship now rests with the voters in the Democratic party.

He has offered himself for the place, he is qualified and would be an able judge, he has done his campaigning but his success in this race will rest with those who urged his campaign and who should be helping him in this race.

Just bear in mind that he will need your vote to win the nomination. Being for him is fine but only your vote will help nominate him.

Make your plans now to go to the polls and vote for him Tuesday.

## They Face Problems

ALTHOUGH THERE has been considerable criticism of our failure as a nation to develop and carry out a good reserve program it also appears that troubles are being encountered in the securing of enlistments in our armed forces.

You don't need to take our word for that—talk to the boys who are assigned the job of securing young men to enter the various branches of the service.

You will hear the same stories we hear from the boys who have been in service as

## THIS LAND OF ENCHANTMENT—

# All of New Mexico Seen as Potential Uranium Field—Only Problem Is to Find Its Location

ALL OF NEW Mexico is a potential uranium field—the only problem now is to find the mineral under the earth.

That's the conclusion of the atomic energy commission (AEC).

Where uranium outcrops close to the surface it already has brought prosperity to parts of New Mexico, the AEC notes.

Uranium prospecting has been done largely on the Colorado plateau of Northern New Mexico. There minerals are exposed by cliffs and valleys.

But in flat Eastern New Mexico it may be buried hundreds of feet below the level planes.

H. D. Wolf, chief of the Albuquerque procurement office of the AEC, reports AEC planes have recorded "anomalies" in Southeastern New Mexico. He terms the area "a very possible uranium producer."

That has been borne out by discovery of uranium in Rocky Arroyo by two prospectors.

The AEC itself does not prospect. It scours New Mexico for

well as those who are considering entering the various branches of the service.

Unfortunately those hearing these complaints can pass them on but they definitely cannot do anything about them.

If we have failed to develop our reserve units to the point where they should be then we have failed for two reasons—we have not provided the funds needed and we have not provided the proper inducements and leadership.

We have officers holding commissions in the reserve units and being urged to attend drills and yet not being paid. If the other members of the reserve were not paid then they would be willing to report for drill or for their regular drill nights but they are not going to do this and not be paid when others are paid.

They are not paid, so we are told, because funds are not available.

We better correct that condition.

As for entering the other branches of the service—there are plenty of arguments against it. America hasn't as yet accepted the Korean war. They didn't like the way it was declared; they did not feel a president had the authority to send troops into that situation; they did not like having our boys fighting and dying and yet not being permitted to win the war; they did not like America furnishing the most troops and footing the bill for what was supposed to be a United Nations program.

We don't believe they are in any mood or ready today for the state department to declare war or to get our troops into a war in the Far East. We are not sure their hearts would be in this even as much as it was in the Korean deal.

The American people are tired of a state department which is taking over the duty of Congress in determining whether we go to war or declare war. They are tired of a state department which determines whether we do or we don't win a war; they are tired of a state department, which has and is still seeking to buy friends. You don't buy friends.

They also are weary of a state department which has taken over the duties of the department of commerce and a good many other jobs assigned to other secretaries of the cabinet.

The American people are weary and tired of promises being made regarding opportunities and education made to boys to get them into service and only a very small percentage of those boys having the armed service to keep faith and to keep their promises.

Yes, the recruiting officers, the sergeants, the privates, the captains, the majors and others have learned that too many times the promises they have made have not been kept. They realize that they have no authority to correct wrongs and those who can seemingly do not care.

We have destroyed by our failure to keep faith a confidence once existing regarding the various branches of the armed services.

And we are going to continue to face the problems we have faced and are facing in bringing our armed forces units to full strength and keeping there until we clean out certain practices, situations, and conditions we have permitted to exist and that still exist.

## Business Is Good

WE NOTICED two stories near one another on page one of Tuesday's paper which seem to indicate business is pretty good in Artesia.

One story covered Mountain States Telephone & Telegraph Co. beginning construction on its new building to house a dial telephone system.

That will involve three quarters of a million dollars before MST&T is through making the conversion from a manual system to dial.

The other story covers the deposits of our two banks. While the general trend across the country is to lower bank deposits those in Artesia have maintained last year's level.

In recent weeks we have also had stories on construction of four new store buildings.

All of which indicates that there are a great many people of responsibility betting on Artesia's future with sizeable chunks of cash.

## THE STATE OF NEW MEXICO

# Field—Only Problem Is to Find Its Location

signs of uranium as indicated by delicate electronic machines. When radioactive areas are found they're posted for all to see.

Then private initiative is left to find and develop the uranium. The AEC is the only market.

A TASTE for wine got a Carlsbad man into trouble the other night.

He had just been released from the state penitentiary on parole. Presumably thirsty, he went to a drive-in liquor store, where he ordered a pint of wine.

When it was delivered on the counter, the would-be buyer swung at the clerk with a pipe. He missed. He grabbed three bottles and fled. He was later arrested by city and county officers.

COURT WORDING in handling juvenile cases could be changed to the advantage of enlightened juvenile treatment, says the Hobbs News-Sun.

It suggests that instead of docketing juvenile cases "The State of New Mexico versus John Doe, a juvenile," the state docket

## NEW MEXICO EDITORS ARE SAYING—

# Zumwalt Receives Endorsement from Paper In Bid for County Commission Second Term

### DESERVES SECOND TERM

F. Ray Zumwalt of Artesia is seeking re-nomination for Eddy County commissioner of district two in the May 4 primary election.

We believe voters of Eddy county would be wise to select Zumwalt for his second term on the commission. We know nothing against his opponent, but we do know a number of things in favor of Zumwalt.

Zumwalt has given the northern part of Eddy county good representation on the county governing body during the past two years, but at the same time he has not viewed county problems from a narrow geographical standpoint, but has been a good commissioner for the entire county.

Working quietly in his own way, Zumwalt has helped to bring about better relations between the north and south parts of the county, which have improved greatly in the past two years.

Zumwalt has also proved to be sympathetic toward the problem of the La Huerta bridge, a two or three-part situation involving the city of Carlsbad, the county and the state. The solution for this vexatious problem demands an understanding county commission.

We believe F. Ray Zumwalt is a man with the background and qualities to make a good county commissioner, and believe also that the voters of Eddy county should give him the job for the next two years. —Carlsbad Current-Argus.

### A LITTLE EDUCATION MIGHT HELP

Having been directly concerned with building a home in recent months, we have been very disheartened to find so many of the necessary materials were purchased out of town. It is common conversation among owners of new homes to state that "You'll have to go to El Paso to get it."

Honestly we find it hard to believe. We can't conceive of a town the size of Alamogordo not having for sale the many things which have been suggested to us. It is merely an automatic reaction, we feel, to purchase out of town which sends shoppers scurrying to El Paso for their selection.

Some of the items mentioned to us were light fixtures, wall paper, paints, door chimes, bath fixtures—and the list goes on and on. Some of these are very definitely available here. We've seen them displayed in local stores. The matter of price and selection could be possible question, but the feature of local service would be a great selling point to us besides the fact that our allegiance belongs to local merchants.

It might be well to point out that when such materials are available here people should be told about it. A little advertising could go a long way toward slowing the volume of out-of-town shopping. —Alamogordo News.

### NEED WATER INDEPENDENCE

A passing thought, as these dry days continue, is that we ought to be able to figure out a way to make a living without so much dependence upon rainfall and water.

### AND WE RECALL SOME INFORMATION

in that Life magazine article recently about the fauna of the American desert. It seems that the key to animal and bird life on the desert is the kangaroo mouse, which has the happy faculty of being able to extract enough moisture from dry seeds to do him, with no need for a drink during his lifetime.

The other animals of the desert get their life sustaining moisture by eating these mice—or each other. Another desert denizen that can do without water is the chuckawalla—a creature that can't be recommended for his looks, but then he's not in the selling business anyhow.

It strikes us that while we are waiting for that rain, we might explore the possibility of raising kangaroo mice and chuckawallas—and possibly some varieties of cactus.

We also might investigate the familiar blue weed—a crop that seems to grow here regardless of anything.

If we could just figure out what these animals, and plants are good for, and someone to buy them, we would be in business despite the drought.

It also is beginning to look as if this county is destined to become famous for its one-well oil fields. We are like a baseball team down on its luck, and can't bunt our hits to produce a run. —Portales Daily News.

### CROOKS AND GIMMICKS IN EVERY BUSINESS

We read recently that on the west coast home builders are finding themselves in embarrassing positions after building a new home, moving in and thinking everything was taken care of correctly.

Disappointment there stems from the fact that suppliers of

building materials are attaching liens on the property for non-payment of material bills. The home owner hired a contractor to do his work, secured a loan, placed the down payment in proper order and then accepted finished product.

Reason for the attachment was the fact that the contractors are finding that they can fail to pay the material bills and that the home owner becomes liable for that bill, even though he didn't contract directly with the supplier for it. The supplier attaches his material and the deed for the property is in the name of the home owner, not the contractor, and he thereby becomes owner and possessor of the material for which payment has not been made.

Building of a home is a rare privilege to many people and it usually takes everything the family can manage to save over a period of years to get the construction started. Then to find that they are forced to pay for materials twice is very disheartening, to say the least.

We have no reason to believe that such gimmicks are being worked in our area, but it is well that we profit from the mistakes of others and make certain that inspections are made and materials are paid for before final payments are delivered to the men who drive the nails.—Alamogordo News.

### THE CULTIVATION OF CINNAMON

was commenced by the Dutch. The best is grown in Ceylon.

## COFFEE TALK—

# Firing Flare Would Add Excitement, Color to New City Administration

CITY OFFICIALS should at least have shot up a flare to add excitement to the take-over of city affairs by a "new" administration Wednesday night.

The only exciting thing, as it was, was a bright orange and black check shirt worn by Mayor-Elect Bill Yeager as the result of his sole "election promise."

In a democracy the take-over of government at any level from Washington, D. C., to Hope, N. M., is a relatively quiet affair. It's in marked contrast to the shooting following, say, Malenkov's succession to Stalin, or that of the highly publicized Latin-American coups.

Retiring mayor J. L. Briscoe thanked everyone—councilmen and official family—for their cooperation, then suggested a couple things he'd like to see carried out.

Yeager explained that the bright orange and black check tie was the result of his campaign promises to bank personnel, that if they would campaign for him, he would in turn campaign for shorter hours and longer vacations for bank personnel.

(Lest any ponderous-minded reader be misled, this was all in fun of course; Yeager was unopposed.)

In return for his promises and election by a landslide, Yeager received the tie from First National bank employees, to be worn when he took office.

Councilmen signed a piece of paper promising to uphold the laws of New Mexico and the City of Artesia, and promising not to seek the violent overthrow of either.

The only new look on the council is that of Clarence Keys, who succeeds E. E. Gillespie. Keys filed in Gillespie's place, and was unopposed.

THE DALLAS Times tells this on Dick Burnett, daddy of the Artesia NuMexers and owner of the Dallas Eagles.

During that distasteful Shreveport baseball season recently, we didn't do so good down at Burnett Field. The Shreveport fans who got up here had a pretty good time. One of them who had a beer or two, got pretty loud about Dallas twowaits, powder-puff hitters, etc.

Two or three people around him got up and found other seats, and Dick Burnett drifted down that way to listen.

The man was sitting in an upper box. Burnett was leaning on the rail directly over him. He

## FROM YOUR CONGRESSMAN

# Foreign Policy Is Facing Acid Test in Crucible at Geneva

By JOHN J. DEMPSEY  
Congressman from New Mexico

American foreign policy is facing its acid test in the crucible of the Geneva conference. It is apparent to virtually all of us in Washington, as it must be to the people of our nation, that far more than the fate of Korea, Indo-China and other Far East nations, is hanging in the balance in the Swiss capital.

Preliminary sparring by the conferees has not given us any clear perspective. No one yet is able to venture a sound prediction of what will happen. We do know, however, that we are destined to learn just how effective the program for unity among the free nations—which we have spearheaded and financed for the most part—has been up to now. We can only hope that there is real mutuality in our mutual security program.

The psychological impact of the Geneva conference will be not as spectacular as the H-bomb but it may be even more far-reaching. If our allies, the free nations of the world, stand firmly together the Communist policy of "divide and conquer" will go on the rocks. Incentive will be given the Communist satellites to break through the Iron Curtain. Far East nations will know they will not be engulfed by the Kremlin's Red tide of aggression.

Out of Geneva will come, regardless of the result, a guide for the president and the congress to follow in our future international relations. We will know, with a greater degree of certainty than ever before, whether the thousands of American lives sacrificed in Korea and the billions of American dollars scattered throughout the free world, have been in vain.

LEGISLATION HAS been introduced in the senate by Sen. Clinton P. Anderson and by me in the house, which will restore authority to the farm credit administration to make government loans to farmers and ranchers who are threatened with loss of their property through foreclosure of existing private loans.

This provides for the same type of loans that were authorized by the emergency farm mortgage act of 1933 which kept thousands of farmers and ranchers from losing their property during the drought and depression

found the man was loud but wasn't saying anything to raise a fuss about.

"I wonder," yelled the man suddenly, "where that fathead Burnett is."

"Burnett lowered a large index finger on top of the fan's head. "Here I am," he announced. "Quiet, as they say, reigned."

THE GILCRAFTER reports Doc Anklam used to say:

Time is said to be the great healer. It may be that, but it certainly is no beauty specialist. Friendship, business, democracy, and hash have a common dependency on man's faith in his fellow men.

Between her husband and the furnace, shiftless Ti Tolliver's wife has a hard time. While she's watching one, the other goes out.

Politicians are getting so high priced they have to be rented instead of bought.

I see where for every man 63 years of age there are seven women. But by that time it's too late.

A committee is a group of men who waste hours and keep minutes.

SO FAR WE'VE seen envoies notes in the Portales and Alamogordo newspapers concerning Artesia's way of supporting the Chamber of Commerce with a budget that allows some effective action.

Both newspapers suggest their communities get closer to Artesia's \$20,000-plus. Portales is now spending around \$13,000, Alamogordo less than \$10,000.

AFTER SEEING Tuesday's front page with a picture of the architect's drawing for the telephone building, a lady is reported to have asked, "How come they get a picture of a building that isn't built?"

The excellent reproduction of the copy was due to some dandy copy work at Gables' studio where the large, colored drawing was reduced to a print in black and white for the Advocate's electronic engraver.

REPUBLICAN LEADERS reportedly are incensed over the conviction of many in the flood Tuesday's primary election is Democratic primary only.

Republicans, of course, vote Tuesday, too, the key contest being that between Holm Burson of Socorro and Alvin Stockton of Raton for the GOP nod as candidate for governor.

emergencies in the mid-thirties. This form of federal assistance supplements the existing loan program of the farmers home administration which provides the loan can be made for current operating and living costs if holders of mortgages and other secured loans will make standing agreements during the term of the federal loan.

In many areas of the drought wind erosion areas, like those in New Mexico, the banks and other loaning agencies have frayed their legal limit and are finding it necessary to require payment in installments. Continuation of the drought has created an even greater credit emergency which local financing cannot possibly meet.

The legislation just introduced provides that the loan authority would expire June 30, 1956. The old law was terminated July 1, 1947. We are seeking to have the legislation enacted at an early date as the situation is critical. The former program was carried out without cost to the taxpayers and this one can be administered in the same way.

THE NATIONAL DEBT March 31 was \$269,756,502.26 according to the U. S. treasury statement, nearly 6 billions more than it was on March 31, 1953.

During the five years between 1949 and 1953, the North Atlantic Treaty Organization reported just made shows the NATO spent \$206,039,000,000, of which the United States contributed \$148,000,000. That means we provided 80 percent of the NATO funds, in addition to economic and other defense aid to our European allies. In other words about two-thirds of our national debt can be charged to our assistance to those allies.

Will they remember that when the chips are down at Geneva?

WOULD PRIME Minister Nehru prevent our planes from flying over India if they were carrying some of the millions of money and relief supplies we are sending his people instead of to war-ravaged Indo-China?

In the face of Nehru's mandate Foreign Aid Administrator Stassen told a news conference he will continue to support a request for \$104,000,000 in United States aid to India for next year. Stassen may find Congress hard to convince.

**New Cotton Pest Guide Released By A&M College**

The 1954 guide for control of cotton insects has just been released by the agricultural extension service of New Mexico A & M college.

This guide contains pointers on early-season and late-season control, stalk destruction, and farm cleanup.

R. C. Dobson, extension entomologist who prepared the guide, says insect control is one of the important steps in a well-balanced production program leading to lower operating costs, better cotton, and higher profits.

Experiments have shown that chemicals are the only means practical and effective in reducing insect infestations on cotton once they are present. The entomologist says the efficient use of poisons for insect control involves four important things—application of the right pesticide, at the right time, in the right way, and in the right amount.

Early season control insures

**What makes cancer MAN'S CRUELEST ENEMY?**

SOME DISEASES kill us mercifully. NOT CANCER. Yet, if nothing is done, 23 million living Americans are destined to die of cancer . . . 230,000 of them this year.

SOME DISEASES reveal their beginnings by pain or fever or shock. Not cancer. It starts silently, secretly, and too often spreads rapidly.

AND SOME DISEASES spare us our young people. Not cancer! It strikes men, women, children, old and young. If nothing is done, one American in five will be stricken with cancer.

SOMETHING CAN BE DONE. You can strike back with a generous gift to the American Cancer Society. Your money is urgently needed—for research, for education, for clinics and facilities. Please make it a really BIG gift!

early fruiting and early maturity in those areas where aphids, trips, fleahoppers, and lygus bugs, alone or in combination, cause damage every year. Whether or not an

early-season control program is followed, a late-season control program should be strictly followed when insect infestations require it, Dobson states.

The entomologist urges cotton producers to be on the alert for insects when cotton has reached sufficient growth to attract them and to be prepared to dust or spray when infestation counts warrant the application of the insecticides.

The 1954 cotton insect control guide contains recommendations on treatment—dusts and sprays—for both early and late season control. It also contains information on how to make infestation counts.

Cotton producers may procure a copy of the guide, Extension Cir-

**State 4-H Club To Participate In Four Programs**

New Mexico 4-H Club office has accepted four national 4-H awards programs for participation of members in 1954, the national committee on boys and girls club work has announced. The programs are garden, clothing achievement, poultry, and tractor maintenance. In the

ular No. 227, from the county extension agent's office or by writing to the Department of Information, New Mexico A&M College, P. O. Box 757, State College, N. M.

last three, the awards have been changed.

In the 4-H clothing program, four (formerly one) gold-filled medals of honor will be provided for winners in qualifying counties by the awards donor, Coats & Clark, Inc. As in the past, the state winner will receive an all-expense trip to the national 4-H Club congress in Chicago. Also, 12 state winners selected for national awards will each receive a \$300 college scholarship.

Instead of five sterling silver medal awards to county winners in the 4-H poultry program, four gold-filled medals will be provided this year by the tractor and implement division, Ford Motor Co. Awards of an all-expense trip to the national 4-H Club congress in Chicago for state winners, and \$300 college scholarships to 10 national winners remain unchanged.

In the 4-H tractor maintenance program, the Stanolind Oil & Co. will provide four gold-filled medals as county awards. The state winner will receive an all-expense trip to the national 4-H Club congress, as heretofore. The national awards, however, have been increased from eight to 12 \$300 college scholarships.

Awards in the 4-H garden program, which are provided by All-Chalmers, remain the same as last year—four gold-filled medals of honor, an all-expense trip to the national 4-H Club congress, eight \$300 college scholarships, county, state, and national winners, respectively. All these national 4-H programs are supervised by the cooperative extension service.

VOTE FOR  
**D. D. ARCHER**  
 FOR  
**DISTRICT JUDGE**  
 FIFTH JUDICIAL DISTRICT  
 Division One

**"D. D. ARCHER — THE Man"**

D. D. Archer, Attorney of Artesia, has announced his candidacy (subject to the Democratic Primary) to the office of Judge of Division 1 of the Fifth Judicial District of the State of New Mexico.

Mr. Archer has had twenty-two years experience as a lawyer, having been admitted to the Bar in Oklahoma and in New Mexico. He has had wide experience in trials in both civil and criminal cases, in State and Federal Courts and in the United States 10th Circuit Court of Appeals.

Mr. Archer is Past District Governor of the Lions International of New Mexico, Life Member and Past Chancellor Commander of the Knights of Pythias, Life Member of the Dramatic Order of Knights of Khorassan, Member of the First Baptist Church of Artesia and Chairman of its Board of Trustees, a 32nd Degree Mason and an active civic worker. He was born in Ardmore, Oklahoma, receiving his education in Oklahoma and in Tennessee. He received his Bachelor of Law and Bachelor of Oratory degrees at Cumberland University in Lebanon, Tennessee. At present, he resides at 810 West Bullock in Artesia with his

wife, Charlotte Archer, and their two children, David, age 11, and Anita Kay, age 6.

Mr. Archer has an inherent sense of good legal manners which insure his judicial manners when elevated to the bench. He has an impartiality of judgment and balance of temper seldom seen among his profession.

Mr. Archer is known to be a veteran lawyer of character, courage and learning . . . his extensive legal training for the past 22 years has brought him into close contact and made him familiar with the laws of New Mexico which will be the subject matter of cases in the District Court.

When elected our next judge . . . the people may rest assured he will treat every one appearing in his court with respect . . . that he will render fair and impartial decision to all . . . that he will devote to that job all the time and attention required by it . . . and that his court will be open at all times.

Mr. Archer states that "If elected to this office, I will regard it as a matter of great responsibility and duty."
