San Juan Pipeline To Northwest May Be Delayed Year

THE ASSOCIATED PRESS decision to challenge the ruling which granted Pacific Northwest Pipeline authority to pipe natural gas from the San Juan basin to the Pacific Northwest may delay work on the project for a year.

But C. R. Williams, president of Pacific Northwest Pipeline Co., said in Fort Worth his company is "not slowing down the least bit" in plans for constructing a pipeline to the Northwest.

He said the firm is going ahead as if the Westcoast Transmission Co. had made no gestures to question the federal power commission's authorization of the contract.

"We think it's such a clear cut decision that we're going on with engineering, financing and contracting," Williams said. He added that he expected no delay from the FPC "on such a clear cut order as they wrote."

"We're betting our money there will be no delay," he said.

Preliminary survey work, Williams emphasized, will begin in September as originally planned.

Westcoast was one of the unsuccessful bidders which appeared before the FPC in an effort to secure the permit.

A Washington source close to the company said that Westcoast first would have to ask the FPC to reconsider its decision. FPC (Continued on Page Six)

Sencks Files Motion for New Trial

EL PASO — Union Leader Sencks yesterday filed an amended motion for a new trial, United States District Judge E. Thomason set a hearing on the motion for next Tuesday.

Sencks was convicted in U.S. District Court last January on charges of filing a false non-communist affidavit while president of the Bayard, N. M., local of International Union of Mine, Mill & Smelter Workers.

He was sentenced to five years in prison. He is now free on bond.

Attorney E. B. Elfers, who filed the amended motion, said Sencks will appear in person at the Tuesday hearing. John T. McTernan, Los Angeles, another defense attorney, will argue the motion.

Judge Thomason overrules the motion, attorneys for Sencks file a formal appeal.

Colorado Site for Academy

By DONALD SANDERS WASHINGTON — The West of the Air, training school for the young men who will man America's air armadas of the future, will be built near Colorado Springs, Colo.

Secretary of the Air Force Tamm announced his selection of the site late yesterday, ending a year of bidding by rival sites.

The site, originally numbered in the hundreds but had been narrowed to three by a special selection board.

The 15,000 acres of rolling prairie which curves up to the wooded foothills of the Rocky Mountain chain dominated by 14,000-foot Pikes Peak will be the site of the Air Force Academy, which Congress has authorized expenditure of 136 million dollars. The eventual cost may be higher.

The academy is not expected to be ready for use before mid-1955. A temporary home will be established at Denver.

Complaints Filed on State School Tax

SANTA FE — State Comptroller Edward M. Hartman said to-day complaints running into the hundreds are coming in as a result of notices his office mailed to school tax payers.

The notices state that records the revenue bureau show the taxpayers failed to submit month reports on how much school tax they owe. They are not necessary, Hartman said, depending on their business report.

Senate Approves Anti-Communist Battle Measure

WASHINGTON — The Senate today approved a resolution to bar the "International Communist Movement" from the Western Hemisphere and specifically from any participation in settling the Guatemalan situation.

Senate passage came on a 69-1 roll call vote. Sen. Lanager (R-ND) cast the one "no" vote.

The resolution, sponsored by Sen. Lyndon Johnson (D-Tex.), the minority leader, with full support of Senate Republicans and the Eisenhower administration, now goes to the House.

It has no binding effect in law. It simply expresses the sense of Congress that "interference in Western Hemisphere affairs by the International Communist Movement" must be prevented. And, it would strengthen the administration's hand in whatever moves it makes to combat Communism in Latin America.

Johnson told the Senate in a brief speech that the resolution is an "unmistakable warning that we are determined to keep Communism out of the Western Hemisphere."

He said the "spirit" of both the Monroe Doctrine and the Caracas Conference last March "is embodied in this resolution."

Buoyant Churchill Arrives in Capital For Conferences

WASHINGTON — Prime Minister Churchill met with President Eisenhower today to see whether they can wipe out in intimate talks any "misunderstanding," as Churchill put it, between the two major powers of the anti-Communist world.

Portentous decisions, particularly on the Far East, hang in the balance on the weekend conferences between the President and his White House guest.

Churchill appeared to be in buoyant spirits on his arrival by plane, and seemingly sought to deprecate the rift between American and British policies. He spoke of the difficulties as "family matters" and suggested that whatever troubles the United States and Britain may have, those in the Communist world are "even greater."

On the American side, there was an absence of any public expression of confidence and hope about the talks such as, more often than not, is contained in welcoming statements on such occasions.

Diplomats here, in fact, hold a great doubt that anything to improve the situation actually can come out of the talks.

Eisenhower greeted Churchill with a warm handshake at the White House steps. The British leader had been escorted there by Vice President Nixon and Secretary of State Dulles who met him and his party at the airport.

Public Invited to Attend Country Club Pro-Am Events

Plans to make the Artesia Country club's annual pro-am event one of the Southwest's biggest received an impetus with an announcement today of entertainment highlights.

The pro-am, scheduled to open July 1, will be topped with entertainment galore Saturday, July 3. The entertainment, as well as the entire pro-am tourney, will be open to the public.

Buffet service will begin at 6 p. m., July 3 to launch the evening. A cocktail hour is planned for 6 to 7 p. m.

Buffet service will continue until time for the Artesia-Carlsbad baseball game to start. It will be resumed for an hour following the game.

Dancing to the music of Myrtle Morris and her orchestra of Carlsbad begins at 9:30 p. m.

Admission to the buffet and dance will be \$2.25 a person.

Members of the entertainment committee are Mrs. C. E. Currier, Jim Farmer, Jim Lund, S. M. Laughlin, Tom Boyd, Leroy Cranford and A. C. Sadler.

The committee stressed that non-members as well as Country club members are urged to attend all functions connected with the pro-am event.

It is expected a number of Carlsbad people coming to Artesia for the NuMexer-Potasher game will join in the Country club festivities.

Deputies Probe Theft of Feed From Local Store

Sheriff's department officials today are checking into the disappearance of a considerable amount of feed from the E. B. Bullock and Sons feed store, 107 S. First.

According to sources, feed has been disappearing from the store for some time and efforts to discover the cause have been doubled as of late.

Motor Port Is Sold By Higgins To R. H. McAshan

Sale of the Motor Port service station to R. H. McAshan has been announced by W. H. Higgins, operator of the business for the past eight years.

The sale became effective this week.

Higgins said he has no definite plans for the future, but will stay in Artesia. Higgins purchased the business five years ago after operating it for three years for former owners.

Kuykendall Held On Assault Charge In South Dakota

SIoux FALLS, S. D. — Joseph E. Kuykendall, recently freed in Omaha on a charge of slaying his wealthy wife, was held on assault charges today.

Police said Kuykendall and two companions were charged with striking Earl Rea, Sioux Falls, after Rea complained that the three nearly collided with his car outside the county fairgrounds here.

Kuykendall, a horse trainer, is here with a number of horsemen for a pari-mutuel season. His case was passed until tomorrow to allow him to obtain bail. One of the others charged, Carl Powell, Sunnyside, Wash., pleaded guilty Tuesday. He received a 30-day jail sentence and was ordered to pay a \$100 fine.

Keith Chamley, Sioux Falls, pleaded innocent and was ordered to stand trial.

Vaughan Trial Expected to Go to Jury

LORDSBURG — The trial of Marvin Vaughan, accused slayer of hitchhiker Amos Burgess, is expected to go to the jury today after final rebuttal witnesses and pleas to the jury are made.

Conflicting testimony by expert witnesses for both the prosecution and the state yesterday ended final cross-examination by both sides in the desert slaying Feb. 13.

A psychiatrist called by defense attorney Robert W. Tunnell said that after he had administered truth serum to a Vaughan, the defendant's memory seemed to improve. Vaughan earlier had said he could recall only scattered incidents on the day he is accused of slaying Burgess and sexually attacking the dead man's wife.

Dr. J. Edward Stern said the drug served to relax the mind and aid recall.

But a witness called by the state, Dr. Arland D. Cooper, El Paso physician and psychiatrist, said the truth serum's end effect was similar to intoxication.

In his opinion, Dr. Cooper said, Vaughan did remember everything connected with the slaying of Burgess. He added that, if the person to whom the drug was given is like talking, he would do so.

Otherwise, no drug or medicine known to science could induce him to reveal anything against his will, Dr. Cooper said.

Vaughan himself took the stand in his defense yesterday and contradicted the story told by Mrs. Burgess.

Vaughan and his wife, who is expected to be tried as an accomplice in the killing, had picked up the hitchhiker Burgess couple in Arizona. Vaughan testified the Burgess had quarreled constantly about money matters.

He said he remembered nothing of the killing but did remember struggling with Mrs. Burgess for possession of a gun. The latter point arose when he was asked to explain why he was struggling with Mrs. Burgess, as state witnesses testified, if he did not remember killing Burgess.

The accused slayer, from White Sulphur Springs, W. Va., said Mrs. Burgess became angry at the Vaughan's dog for chewing a suitcase and took Vaughan's weapon to kill the animal. Vaughan said he was trying to get the gun back when witnesses saw the struggle.

Fourteen Are Charged for Tax Scandals

WASHINGTON — Fourteen persons, including three New York lawyers, were named today in an indictment accusing them of plotting to corrupt internal revenue bureau officials and impede tax scandal investigations.

Atty. Gen. Brownell announced the return of the indictment by a federal grand jury in New York. Four persons were named as defendants, the others as co-conspirators.

Those named as co-conspirators included Daniel A. Bolich, former No. 2 man in the old internal revenue bureau, and Henry W. "The Dutchman" Grunwald, long a mystery man around Washington.

The eight-count indictment named as defendants:

Samuel Schopiek and Irving Davis, partners in the New York law firm of Schopiek and Davis; Max Halperin, an attorney said to have been associated with the law firm from time to time; and Milton Hoffman, not an attorney but said to have occupied space with the law firm.

Only the first count of the indictment which alleges conspiracy included the names of the 10 alleged co-conspirators.

Billy Graham Is Taken to Hospital

DUESSELDORF, Germany — American evangelist Billy Graham was admitted to a hospital here today after waking up "feeling awful" but returned to his hotel room after an examination.

A German doctor said the results of the examination would not be known until an X-ray of Graham's chest and abdomen is developed.

The preacher's condition was not considered serious. There was an unconfirmed report that he was suffering from a gall bladder condition.

Jerry Beaven, Graham's secretary, said earlier that "Billy woke up awfully sick. We called a doctor. The doctor looked him over and recommended that he be sent to a hospital immediately for a complete checkup."

Albuquerque Man Charged In Action

WASHINGTON — The housing and home finance agency announced today that Andrew Frost of Albuquerque, assistant state director of the federal housing administration for New Mexico, has been suspended pending disposition of "serious irregularities."

The announcement by administrator Albert W. Cole gave no details of the allegations against Cole and against another suspended FHA employe, James E. Hicks of Washington, director of FHA's region 2.

Frost, reached at his home in Albuquerque this morning, declined comment on the suspension. Asked if he would have a statement later he said, "Possibly. First I want to find out what the allegation is."

Cole said he based his request to FHA for the suspensions on information furnished by William F. McKenna, deputy administrator in charge of the current investigation into FHA operations.

That inquiry began with allegations that a) builders had reaped multi-million dollar windfall profits through oversize loans for construction of apartment projects in a program now closed, and b) home owners were being bilked in operations under the current program for FHA-guaranteed loans on home improvement jobs.

Hicks, 61 years old and a native of Greenway, Ark., joined FHA in 1935 as office manager at Little Rock, Ark. The following year he was transferred to the national office in Washington and has been there ever since. From 1944 to 1950 he was director of personnel.

Reached by telephone at his home here, Hicks said he knew nothing about the matter beyond the announcement of his suspension and would have nothing to say until he has learned more.

Frost is 43 and a native of Huron, S. D. He started with FHA in 1934 as a messenger and held various posts before he became assistant state director for New Mexico in 1950.

Thundershowers Are Predicted For Southern NM

By THE ASSOCIATED PRESS An increase in thundershower activity for the southern part of New Mexico is forecast for late today and tonight, possibly spreading over the entire state late Saturday and Sunday.

Most of the higher terrain in the state—and the southwest corner—received the storms yesterday. But the clouds and thunder brought only traces of rain at Columbus and Glenwood and no measurable moisture elsewhere.

Farmington, for the third consecutive day, was the hottest spot in the state. It had 101 degrees yesterday to match the previous day's readings on the heels of a record-shattering 103 degrees Tuesday.

That, however, was the only mark 100 or better in the state. Las Vegas was coolest spot yesterday with a high of 84 degrees. Tying for the hottest overnight (Continued on Page Six)

Chavez to Study Request He Take Murder Re-Trial

ALBUQUERQUE — Lt. Gov. Tibo Chavez, earlier reported as having agreed to defend Allen White in his murder re-trial, has said further discussions will be necessary before he makes a final decision.

Chavez and an associate plan further talks with White, 53-year-old Santa Fe mining engineer, who was convicted April, 1953, of the murder of his attractive French-Chinese wife. The state Supreme Court recently allowed White a re-trial for the full term of district court.

Wimbledon To See U.S., Aussie Clash

By TOM OCHILTREE

WIMBLEDON, England — The first important American-Australian singles clash of the Wimbledon tennis tournament comes up today and for those seated close enough it should sound almost like a debate.

Gil Shea of Los Angeles, with a sunburned face and close cropped blond hair, goes against Rex Hartwig, ranked fourth from Down Under.

Shea is listed 19th in the U. S. Lawn Tennis Assn. rankings and enters this match as the underdog.

When he nets a key point or sends drives flying beyond the choice grades 15.50-20.25.

Sheep 400; not enough offered for adequate test of prices.

baseline, Shea occasionally will mutter a few words to himself. He is monosyllabic compared with Hartwig. The Aussie keeps shouting to himself "careful now. Don't do that. Watch for a lob. I'll have to stop over-hitting."

Today's program gives the four big guns of the tournament—Tom Trabert of Cincinnati, Vic Seixas of Philadelphia, and Lew Hoad and Ken Rosewall of Australia, the day off in the men's singles division.

Trabert and Seixas take off in the men's doubles and Tom Pickard in the doubles. Hoad and Rosewall go against the Swedish pair of Lennart Bergelin and Sven Davidson.

Unseeded Phillippe Washer of Belgium produced the first big surprise when he eliminated Art Larsen, San Leandro, Calif., 10-12, 7-6, 2-9, 9-7 yesterday.

Blessing Guest Speaker Before Artesia Rotary

F. F. Blessing was guest speaker at Rotary club meeting held Tuesday. He spoke on the principles of flying.

Blessing taught aerodynamics and aero engineering in the Air Force for three years.

In his address, Blessing explained the principles that causes a plane to fly. He also illustrated, by a series of practical experiments, the mechanics of the jet and of the ram jet engines.

Announcement was made that the playground equipment furnished by Rotary club is being installed at Artesia Municipal park. Work will be finished today.

Last fall, the Rotary club chose as one of its projects the installation of playground equipment at the park. To raise funds for this the club gave a magic show. The city then matched the funds raised and a 14-foot slide and a monkey bar were purchased.

Guest at the meeting was Stanley Gallup, guest of Bill Maxwell.

Midland's 8-7 WIN on Ninth Inning Single Put NuMexers Two and Half Games Behind

Midland — Left fielder Riney's bases-loaded single came out in the last of the series sweep over Artesia and their eighth straight victory before 1,100 here last night. Last night's loss threw Artesia games behind Roswell, which also brought Midland within one game of first place. The Stryka, victim of a late inning uprising by the Indians the night, was tagged with his tenth victory with a one-run relief stint. Briner put Midland out in solo home in the second while Bart DiMaggio seized lead for Artesia with a two-run hit in the third. From there on away swayed to and fro with Midland coming from behind to win in the last of the eighth on Riney's single and winning in the

Potashers Clobber San Angelo 13-1 Behind Fornall Pitching

CARLSBAD — Don Fornall's nifty six-hit pitching job brought him his ninth victory of the season tonight and gave the Carlsbad Potashers a 13-1 decision over the hapless San Angelo Colts. The loss was the 13th suffered by the Colts in their last 14 games. The losing pitcher was Herb Sather, who took his eighth setback of the campaign. Fornall's teammates backed him with an 18-hit attack which included a home run, a triple, and four doubles. They started the scoring in the first inning when Raul Dieppa walked, stole second, took third when second baseman Manny Tames let the throw from the catcher get away from him, and

Dream Deal of Winter Is Summer Nightmare As Liddle Plasters Milwaukee in 2-1 Win

MAJOR LEAGUE ROUNDUPS — By BEN PHLEGAR AP Sports Writer The "dream" deal of the winter is proving nothing but a summer nightmare to the Milwaukee Braves. By now the Braves' officials reach for the aspirin bottle automatically whenever they are forced to remember how much they gave for so little. Johnny Antonelli, Don Liddle, Ebba St. Claire, Billy Klaus and cash were parcelled off to the New York Giants for Bobby Thomson and Sam Calderone. This was supposed to be the trade that could take the pennant away from Brooklyn. It may succeed—but for the Giants instead of Milwaukee as freely predicted. It's difficult to believe now that many experts hailed this as an even swap. The experts, of course, didn't know Thomson was going to break his ankle in spring training. But even with Thomson in

shape it is questionable that the deal would have seemed as good on the diamond as it did on paper. For the Giants Antonelli has won nine games, Liddle has won two. St. Claire is catching at Minneapolis where Klaus is playing second base and hitting over .300. For Milwaukee, Thomson has been hurt since March 13. He will be out another month at least. Calderone lost the second string catcher's job to rookie Charley White and has played just one full game and parts of nine others. In 14 times at bat he has 5 hits for a .357 average. Moreover Antonelli has beaten the Braves three times in three tries. Liddle pushed them into fourth place yesterday with a sparkling 4-hit 2-1 victory. Liddle's masterful performance kept the Giants one game ahead of the Dodgers who beat Cincinnati 9-6. St. Louis trimmed Pittsburgh 5-1 and Philadelphia shaded Chicago 3-2 in 11 innings. Cleveland saw its American league lead shrink to two games over the Chicago White Sox. The Indians lost to Philadelphia 5-1. Chicago defeated Washington 5-2. Third place New York moved with in four games of the leaders with a 11-2 waltz at Detroit. Boston and Baltimore weren't scheduled.

Roswell Captures Odessa Series With 14-9 Victory

ROSWELL — A balanced hitting attack and good relief pitching by Ramon Laza and Gene Nalley enabled Roswell to sweep its series with Odessa in a 14-9 game here tonight. The Rocket victory plus Artesia's loss at Midland vaulted Roswell into a 2 1/2 game league lead. The Rocket attack was highlighted by Joe Bauman, slaming his 32nd and 33rd home runs of the year. Roswell soared back in its half and dispose of Oiler starter Leroy Molden before a batter was retired. All told the Rockets scored six times on four hits, four walks and a hit batter. Sawyer drove in two of the runs on an apparent triple to center but was then called out for failing to touch second. A flaming 15-minute rhabarb highlighted the frame when base umpire Paul Kelly reversed umpire in chief Maurice Proulx on an interference play down the first base line. Order was finally restored without anyone being tossed out. The Rockets picked up three more runs in the fourth on Bauman's one-on-one homer. Odessa trailed 11-4 going into the eighth but quickly got back into the game with five runs, chasing Sawyer in the process. A one-on homer by Earl Caldwell and a two-on blast by Jim Pace were the big blows. Batson singled after Pace's rap and Laza relieved. He walked Carroll Holstrum but Bob Bauer was out on a sensational backhanded stop by Weldon Day behind second base. Laza retired the first two Oilers in the ninth but hit Paul Weeks and reliever Hank Gonzalez singled. Nalley came on and got Jamie Falls to force Gonzalez at second. Roswell had picked up three unearned runs in the eighth to take a 14-9 lead. Day continued his heavy hitting with three doubles and a single. Odessa 600 001 050—9 12 5. Roswell 300 301 13x—14 16 1. Molden, Feller (1), Gonzalez (2), and DiPriamo; Sawyer, Laza (8), Nalley (9), and Bell.

CVE Clobbers Duval 26-2 in Five Frames

CVE softballers Thursday night continued to overcome all opposition in the Carlsbad recreation league by completely trouncing Duval, 26-2. Coors pitched the first four innings, allowing only one hit, a punt. The game was called in the fifth due to the fifth inning 10-run lead. Jack Hess hit a four-bagger for the local aggregation. The team will journey back to Carlsbad tonight to take on Holloman Air Force Base from Alamogordo in an exhibition game. Sunday the CVE team will meet Walker Air Force baseball All-Star team at the Artesia high school park. The electricians, managed by Don Heathington, are still tied in league play with IMCC. Both sport a 9-1 record.

Semi-Finals Get Started in Women's Tourney

GREENSBORO, N. C. — Semi-finals in the Women's National College Golf Tournament got underway here today after its first major upset yesterday. Miss Nancy Reed of Peabody college, Nashville, Tenn., defeated medalist Marlene Gesell of the University of Minnesota 6 and 5, and today faced Miss Virginia Denney of Northwestern. A near upset victim was Miss Barbara McIntire of Toledo University, who qualified with par 77 and was one of the pre-tourney favorites. She downed Barbara Little of Northwestern 1-up on the 21st hole.

Sweetwater Is Pounded 20-11 by Broncs

Sweetwater — Sweetwater suffered its eighth loss in a here Thursday night in an end of a series of high scoring games. Big Spring won it, 20-11, as Broncs belted out 20 hits to the Oilers' 11. Lankford, fresh out of Del high school, came into town and the game to take his first home league loss. Lankford singled by Sweetwater only on Friday. The victory went to the veteran Rainey of the Broncs, coming to the hill in the second as relief Frank Naren. Sweetwater used four hurlers to check the Broncs, who hit the two-game series here. Both teams had a seven-run inning with Big Spring using its big ace to sew up the game in the Julio de la Torre, Bronc baseman, got a two-run homer to feature the inning. Sweetwater batsmen pounded four triples and a home run in second to take a 7-6 lead over Spring with Ken Cleyde hitting the fence with nobody on base. Later got a two-run blast for Spudders in the sixth. Julio de la Torre continued his raving rampage, getting four for two, doubles and a homer. Martin drove in the most for Big Spring—six. Guys Trounce Bankers; Elks, NuMex Tie

Guy Chevrolet trounced the First National Bankers 23-8 yesterday and NuMex and the Elks battled to a 11-11 stalemate before light faded in Little League competition. For the Chevrolet, Steve Davis pitched and Gill caught, Huerta and Patterson were batterymates for the Bankers. The Elks' Mullen and Donaghe, and NuMex's Buynax and Thompson opposed each other in a contest that will be played off tomorrow. Russell plays Clem and Clem, and Williams meets CVE in regularly scheduled play this afternoon. Chances on the TV set will be available from any little leaguer until July 4. It will be given away that evening at NuMEX park.

Clovis Back In WT-NM Driver's Seat

By THE ASSOCIATED PRESS Clovis was back in firm control of the West Texas-New Mexico baseball league today after whipping Lubbock Thursday night 6-3 while Pampa, who had trailed by one game, fell before Albuquerque 6-4. The loss pulled the Oilers another marker behind Clovis. Meanwhile, in two slugsfests, Amarillo and Abilene split a doubleheader, Amarillo winning the first 17-2 and Abilene taking the second 13-10. Plainview had no trouble knocking off seventh place Borger 16-2 at Plainview. At Clovis, the cellar-dwelling Hubers made a vain attempt to come back in the late stages, scoring two runs in the seventh and one in the eighth. But the fine pitching of Ernie Sadler held back the rally and Clovis coasted on the six runs it had earned in the first four innings. Chuck Simmons suffered the loss. Pampa pincer Jonas Gaines ran smack into Tom Jordan in Albuquerque in a heavy third inning which supplied a lead that carried Albuquerque to victory. Jordan, batting with a fractured wrist, hit a home run with two men on to break Pampa's back. The Dukes added two more in the fourth and one in the eighth. The win went to Grover Blacksher. At Amarillo, 13 home runs were hit in the first game of the doubleheader. Both games were slugfests with Amarillo scoring 17 runs on 16 hits in the first only to watch a listless Abilene awaken in the second game and come back with a spread of 13 runs on 14 hits. Len Ruyle won the opener and Andy Alonso took the second game. Plainview unleashed a 20-hit at range and unused to the arena. Included in the four-day event from July 2-5 is a \$600 purse, expected to attract riders from all over the state. The Cloudercroft Roping club is sponsoring the event.

Merrins Presses Medalist in NCAA Golf Tournament

By MAX B. SKELTON HOUSTON — Eddie Merrins of LSU was pressing medalist Don Albert of Purdue as the gallery favorite today as six well-known collegiate players and two newcomers met in the quarter-finals of the 57th NCAA Golf Tournament. The two survivors of today's double round meet tomorrow in a 36-hole championship match. Merrins, the 1952 runnerup who yesterday paired this morning against Floyd Addington, a quarter-finalist last year and the medalist on the Southern Methodist squad that won the national team title Tuesday. Fourteen-year-old Dickey Canon, San Angelo, Texas, last year's tourney runner-up, defeated Ralph Petty, former tourney champion, 3 and 2. Harry Golden, El Paso, downed defending tourney champ Billy Walker, Hobbs, 5-4. Bennie Hinton, El Paso, shot a 60, one over the course record, to beat John Parker of Alamogordo, 8-7. Shorty Hornbuckle, Albuquerque, tripped Johnny Ritter, Cloudercroft, 3-2. El Paso medalist Tom Love beat Pug Gabriel, El Paso, 4 and 3. J. P. Walker, Brownfield, Texas, defeated Bob Palm, El Paso, one up on the 20th hole. Henry Boyd, El Paso, beat P. D. Baldwin, El Paso, 2 and 1.

Eisenhower Program Suffers Set-Back

PRESIDENT EISENHOWER'S farm program suffered a stiff set-back yesterday as the Senate agriculture committee vetoed his program calling for flexible price supports.

We note that Senator Clinton P. Anderson of New Mexico was one of those with the courage to vote against the committee move that could injure the administration farm program.

It is tragic that such an important program which would save the taxpayer-consumers of this country billions of dollars annually should be made the political football it has become.

The committee's chairman, Sen. Aiken (R-Vt.) predicted yesterday following the 8-7 vote that when the bill for flexible price supports goes on the floor the decision will be reversed.

We have been proud that predominantly Democratic Artesia and North Eddy county has favored the program proposed by the president. Time and again we have heard Democrats suggest "it's going to be up to us to help get that farm program through for Eisenhower."

Now moving toward the floor, the administration plan is indeed in need of help from those who believe that a program of rigid price supports is not the ultimate answer to the nation's farm problems, and that now's as good a time as any to find an acceptable solution.

Business, Industry Aids Growth

AS THE CHART at the top of this editorial page indicates, the addition of industry and business to a community means tremendous increase in economic activity.

People such as we have in Artesia who are dedicated to civic growth and prosperity know that growth is a never ending cycle, and that nothing succeeds like success.

The chart, prepared by the National Association of Manufacturers, points out that a factory employing 150 people would generate enough business in the average New Mexico community to support between 1,000 and 1,500 people.

Residents earning their living as a result of the factory would need 300 homes, and about 320 automobiles, the report says. Families gaining a livelihood because of the factory would have enough children for an 18-room school. The people would support 33 stores and would allow 23 professional people to live and serve in the community.

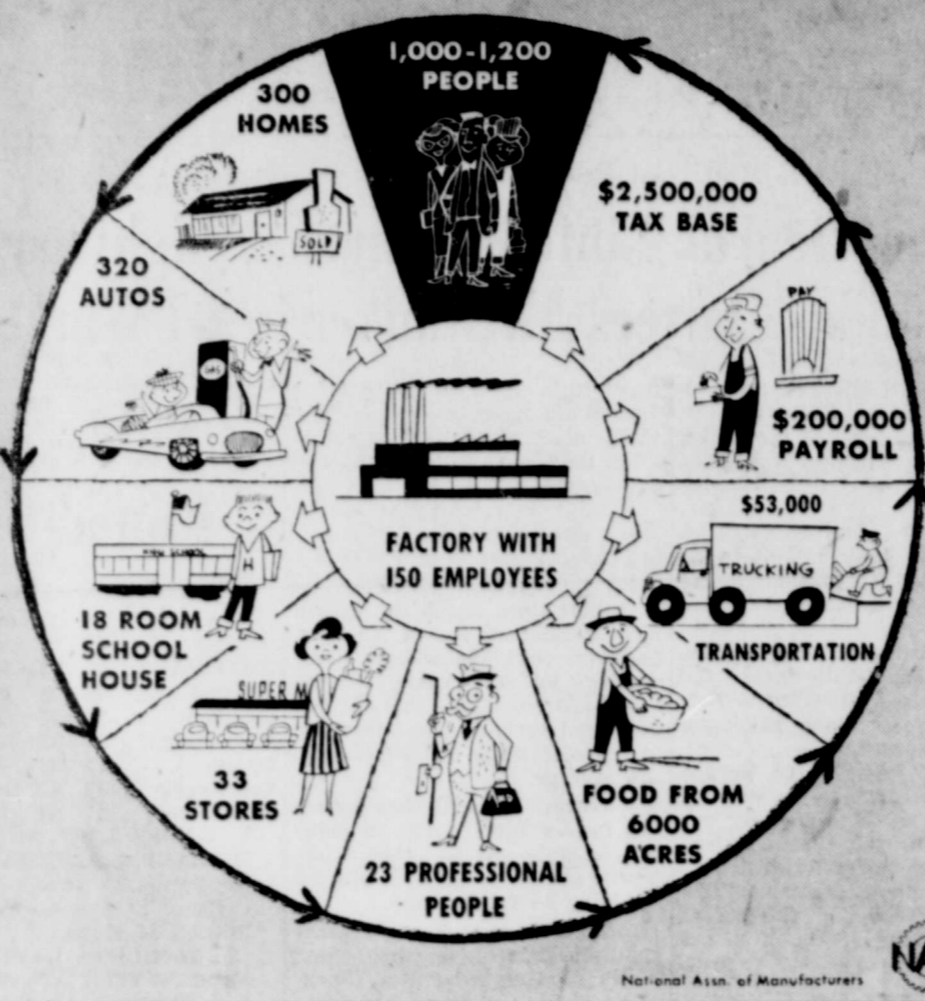

Such a factory in a typical New Mexico community would pay approximately \$3,000 to local transportation facilities to move the goods produced, would lay down a revolving payroll of some \$200,000, and establish a tax base of approximately \$2,500,000.

In addition, points out the NAM, the people supported by the factory would buy the produce of some 6,000 acres, thus involving the farmers in the area around the town.

The study was released, NAM says to demonstrate New Mexico towns have it within their power to make their local economy strong and stable.

"Many firms concerned with decentralization and the benefits of being a 'hometown' company are locating in smaller communities," reports the NAM. "Such companies provide likely prospects for alert communities which are eager for sound development and healthy growth."

WHAT INDUSTRY CAN MEAN TO A COMMUNITY

Middlecoff More Concerned Over System Than Score

WETHERSFIELD, Conn. — While many of the nation's top golf pros were buzzing today about a spectacular round posted by Dr. Cary Middlecoff, the Tennessee dentist appeared more excited about getting support for his plan to pick the golf player of the year.

Middlecoff shot a 6-under par 65 yesterday to pace the opening round of the four-day, 72-hole \$15,000 Insurance City Open. He posted the 6,561-yard Wethersfield Country club course for 31-34-35, which included six birdies, and missed eight others, three of them when the ball rimmed the cup and bounced out.

Had any one of those missed birdies stayed in, he would have equaled the course record of 64, registered last year by Jim Turnesa, Briarcliff, N. Y., who opened with 69 yesterday. Nearest to Middlecoff, however, are Earle Stewart, lanky Texan, and Leo Biagiotti, Sandusky, Ohio, with 68s.

Defending champ Bob Toski, Livingston, N. J., carded a 70, along with 15 others, including Gene Litter, Palm Springs, Calif., runner-up in last week's National Open. Eighteen hole rounds are scheduled today, tomorrow and Sunday.

Middlecoff, shaking of congratulations, said his plan was designed to reward the foremost competitors for sustained excellence in all competition under all conditions.

He has devised a yardstick for measuring quality that, he claims, would be at least as accurate as baseball's batting averages or earned run tables. The fact that he is PGA tournament chairman gives it authority.

"The winner," said the tall dentist, "would be the golf player of the year; not the golfer of the year."

Phoenix Captures Twin Win Over El Paso in A-T

By THE ASSOCIATED PRESS
The repercussions were hot and heavy today in the Arizona-Texas league although there wasn't any noticeable shuffling in the standings.

Phoenix widened its lead over Mexico to three full games with a twin win over El Paso, 10-9 and 18-9.

In the first game outfielder Bill Heut digestedly threw the ball over the wall, thinking the run that had scored from third represented the winning tally.

Rain dampened Arizona forest fires but didn't quench Mexico's thirst for another win in an attempt to do something about Phoenix's steadily-growing lead.

In the other A-T activity last night Tucson smothered Nogales, 8-2, as Tony Morales, Don Jordan and Hogan hit back-to-back homers in the sixth, and Cananea tipped Juarez, 4-2.

Legion Is Urged To Continue Fight Against Commys

HOBBS (AP)—Communism cannot be defeated with bayonets alone; "we must capture the minds of not only our own people but of all races of men," Alvin M. Owsley of Dallas told the state American Legion convention here today.

Owsley, a past national commander, said the most important mission of the Legion is to carry on the fight against Communism. Another prime aim of the organization, he added, is to continue its efforts in behalf of veterans in hospitals.

Owsley congratulated the New Mexico Legion on its support of Seaborn Collins of Las Cruces for next national commander. He said Collins would have the full support of Texas Legionnaires.

Gov. Edwin L. Mechem spoke briefly at the convention opening this morning. An anti-subversive clinic on Americanism was scheduled this afternoon, a barbecue dinner tonight.

Clouderoft Wreck Kills Baby; Youth Dies at Espanola

By THE ASSOCIATED PRESS
Separate accidents produced two more deaths Thursday, raising the state traffic toll to 165 compared with 179 a year ago.

Eight-months old Christopher Rivera of Clouderoft died in an Alamogordo hospital an hour after an accident five miles east of there in which a car driven by his father was involved.

The baby's mother, Mrs. Viola Rivera, 27, his sister, Cecilia, 8, and his grandmother, Mrs. Sarita Rivera, received injuries after the car in which they were riding failed to make a curve on a wet road way, struck an embankment and swerved back across the highway, hitting a guard rail. The father, George Rivera, 26, was uninjured.

An Alcalde youth, Phil Oliver Salazar, 18, died when the car in which he was riding hit a bridge 9 and one-half miles north of Espanola, on Highway 64. His brother, Seferino Salazar Jr., driver of the car, is in an Espanola hospital.

Lost Albuquerque Boy Is Found

SANTA FE (AP)—Searchers today found an eight-year-old Albuquerque boy safe and sound after he had been lost overnight while on a fishing trip to Lagunitas Lakes in Rio Arriba county.

There were no details in the forest service message cancelling the lost boy report given to State Police earlier. Men who had been sent to the scene to help were recalled immediately.

The boy whose first name was not given in the first reports to the State Police, was the son of L. A. Gillilan of Albuquerque.

New Mexico's total share of the 1954 federal tax burden is estimated at \$223 millions, or more than \$300 per capita. The later figure is about the same as those of Maine and Vermont, but larger than the per capita federal tax burdens in 11 other states in the union, according to the Taxpayers Assn. of New Mexico.

HOSTAGES IN PRISON UPRISING

First Hurricane Of Season Kills One in Mexico

BROWNSVILLE, Texas (AP)—Hurricane Alice, small and sudden, and the first of the season, blew out of the Gulf onto a small Mexican fishing village south of Brownsville today. One man was killed.

It lost force quickly. Winds up to 62 miles an hour hit Brownsville and rain fell steadily.

At Matamoros, Mexico, across the Rio Grande from Brownsville, Salvador Villareal, about 55, was killed when he was hit by a falling electric wire. He was a Matamoros businessman.

Reports of minor property damage here and at Matamoros began to flow in.

A shrimp boat with three men aboard was reported in distress in the heavy seas between Port Isabel, the Gulf port of Brownsville,

and Corpus Christi.

A Navy reconnaissance plane reported several fishing boats on the beach 15 to 20 miles south of here on the Mexican coast.

The center of the storm was reported at 11 a. m. over the village of Santa Teresa, which is 70 miles south of Brownsville.

HOLLYWOOD CHILDREN: NORTH HOLLYWOOD, Calif.—Carol Koplin, 4, sometimes gets a colored fruit drink as a reward for good behavior, with the understanding that it's a cocktail to be enjoyed with Mom and Dad.

When she appeared on her parents' television show to sing a song, they told her if she sang well she'd get a cocktail right after the program.

Carol sang well and as Dad told the audience that Hollywood youngsters were really no different than any others Carol yelled for all to hear, "Daddy, I want my cocktail."

Police Continue Murder Probe

SANTA FE (AP)—Police investigators continued their efforts today to loosen a chink in "the stone wall" mystery slaying of

Andy P. Adeitsakis, 70-year-old liquor store clerk.

Chief A. B. Martinez, Sr., and his officers apparently had no good clues to the identity of "the person or persons unknown" who shot a bullet into the clerk's head late Wednesday night and took \$90 and a quantity of beer from the store, far out on the Albuquerque highway.

Traffic Magistrate John L. Carney agreed to postpone the case for a month.

Like blotters, some people absorb "most everything"—and get it just backwards.

would then have 30 days in which to act on the request for a rehearing. Should the commission deny a rehearing, Westcoast would then appeal to the third Circuit Court of Appeals. Pacific's permit might or might not then be suspended by injunction.

If, however, FPC grants a rehearing, Pacific's permit would probably be suspended pending outcome of the rehearing. For how long is anyone's guess.

And while the decision of Westcoast to appeal the FPC ruling is not an injunction of such against Pacific Northwest, Canadian oil men said they believe the Texas firm will be unable to obtain capital until the appeal is ruled upon.

Four Succeed In Running Arkansas Rapids

CANON CITY, Colo. (AP)—Four members of a seven-man team succeeded yesterday in running the turbulent rapids of the Arkansas river through the Royal Gorge.

Two of the river runners were doused when their light boats cap-

sized but emerged from the white water unhurt. The seventh member, Volney Perry of Salida, Colo., took his kayak from the water without finishing the grueling 12-mile course.

The average adult in New Mexico has had some 3 years of formal schooling, which is exactly the present national average, says the National Education Assn.

--- AND A GOOD TIP FOR YOU

WHEN it comes to sales, every car maker aspires to be up at the top of his price class.

Which is only natural. Popularity like that means success.

We know, because for years Buick has held such an envied position—the unquestioned sales leader in its class. And with good reasons in styling, room, power, value.

But today, folks like you have pushed Buick success even beyond such bounds.

Today, the top sales standings of a full generation have been changed.

Today, latest sales figures for the

first four months of 1954 reveal this phenomenal fact:

In total national volume, regardless of price class, Buick is outselling all cars in America except two of the so-called "low-price three."

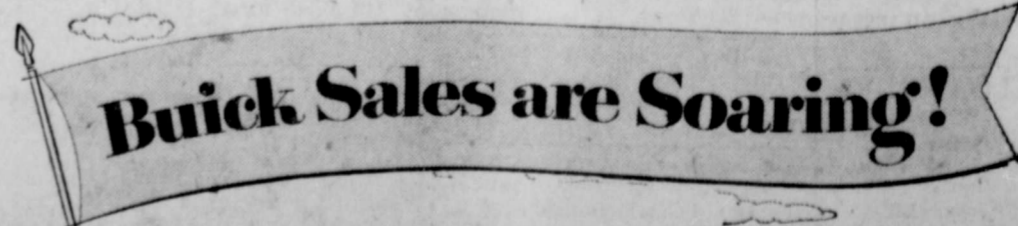

That's a tip too good to pass up.

That's the tip-off that Buick must have the hottest styling of the times and the sweetest performance of the year.

More important, that's the tip-off that Buick prices are well within the reach of more and more people—and that such prices buy a lot more automobile per dollar.

So why not look into the tomorrow-styled Buick that puts you so far ahead today?

Come in, or phone us this week for a demonstration. Then you can judge for yourself that Buick really is the beautiful buy—by far.
