State Keeps Holiday Weekend Deaths Below Forecast; City Marks Quiet Fourth

Artesia Makes Long Holiday Safe, Sane

Law officers in the Artesia area had a calm Fourth of July weekend.

Chief of Police Frank Powell expressed his appreciation to area motorists for conforming to rules and regulations in their travel.

While there were no serious traffic accidents or other mishaps reported in the area by city or state police, the weekend was filled with more than usual number of minor troubles.

Police officers were called to the home of Charles Johnson this morning to inspect a porcupine perched on top of a back tire on his car.

Yesterday, Marvin Holley and Wayne Blankenship discovered young Michael Shipley laying on the sidewalk by the city swimming pool unconscious.

Albino Molina, Artesia, was arrested yesterday for reckless driving and not having a driver's license.

Theodore M. Edwards, 45, Lovington, pleaded guilty to a charge of drunken driving.

Three local men, Juan Biazza, Elias Bolencia and Gregorio Acosta, were put under peace bond over the week end.

The 1940 Ford with two juveniles aboard which ran into the house of Henry Goodman, 1503 N. First, completes the weekend picture, with a few speeding tickets added.

Five Lives Are Lost in New Mexico

Water, lightning and traffic combined to take the lives of five in New Mexico over the long Fourth of July weekend.

Two died in traffic accidents, two El Paso young women drowned and a horseman near Tierra Amarilla was struck by lightning.

Traffic accidents claimed the lives of Avelardo Sanchez, 12, of Carlsbad, and Santiago A. Calabaza, about 45, of Santo Domingo.

Sanchez died in a one-car accident near Loving.

Calabaza was killed and two others injured when the pickup in which they were riding swerved to avoid an oncoming car on a hill about 13 miles south of Bernalillo.

An Indian woman was killed in a wreck at 6 a. m. today eight miles east of Bufile on U. S. highway 68 to bring the state's highway death toll to 171 so far—nine less than last year's figure for this date.

The victim was Pauline Sarra-cino, 45. She was thrown from a pickup driven by Jimmy Torivio of McCarty.

Dead by drowning were Lila Carlos, 19, and Emma de la Rosa, 18, of El Paso. They stepped into a hole while wading at Leasburg Dam 18 miles north of Las Cruces.

Juvenile Home Plan Given by Architect

Plans have been submitted to a committee for construction of a fifth judicial district juvenile detention home two miles east and a mile north of Artesia, it was announced today.

The detention home, authorized by the state legislature if districts desire such an installation, will serve the district of Eddy, Chaves, and Lea counties. The three district judges appointed a committee of civic leaders in the three counties to have plans drawn up and build the home.

The committee is composed of Harvey Yates, Artesia, general chairman; E. C. Smith, Carlsbad; T. B. Sudderth, Hobbs; and Walter Haut, Roswell. Neil Watson and Paul W. Scott, both of Artesia, are ex-officio members of the group.

The building, which has an estimated cost of \$440,000, was drawn up by the architectural firm of Brittle-Ginner and Associates of Albuquerque. It will be located on northeast of Artesia, if it is approved by the committee which is scheduled to meet some time in the near future.

Tentative plans are also underway for a project to obtain material, labor, and money for the building which will be of the latest design and set up to hold 20 juveniles at one time. It will include maximum security facilities.

Funds for the building will be raised in the three counties which it will serve. Each county was allotted \$3000 to be used only for administration purposes.

New Mexicans Drive to Capitalize on Squaw Dress Trend, Make State Fashion Center

By SANKY TRIMBLE Associated Press State Editor New Mexicans are shaking themselves out of the legendary spirit into a sparkling fiesta to capitalize on a new trend sweeping the nation.

A meeting in Albuquerque tonight will lay the groundwork for a Market Week tentatively planned for Albuquerque's colorful Old Town the first week in September.

The Market Week, as now planned, will feature blouses and skirts and dresses, shoes and moccasins, jewelry, leather goods—anything that Madam can put on or hang around her arms or neck to portray the Southwestern spirit.

The state tourist bureau, the Albuquerque Chamber of Commerce, and a group of manufacturers, models, shops and manufacturers all over the state.

The association will be run "by and for manufacturers" with an advisory committee composed of designers, publicity experts, models, and marketing specialists.

Helen Echols, New Mexico's representative to the Mrs. America contest this year, is helping out. "We need," she said, "to capitalize on the popularity which this casual, comfortable way of dressing has won throughout the nation. This is a chance to bring to New Mexico industrial dollars in a field that comes naturally."

Spratts Entertain 350 Friends From Artesia In Celebration of 25th Wedding Anniversary

Mr. and Mrs. I. L. "Jack" Spratt celebrated their 25th wedding anniversary at an open house on Monday, June 28.

One hundred fifty friends from Artesia and vicinity called at the Spratt home, 702 W. Quay between 6:30 and 8 p. m.

In the receiving line were Mr. and Mrs. Spratt, Mrs. Sally P. Turner, mother of Mrs. Spratt, who also was married on June 28 to the late F. P. Turner in 1890; Mrs. I. H. Spratt of Hereford, Texas, mother of Mr. Spratt; Mr. and Mrs. Carl Spratt of Lubbock, Texas, brother and sister-in-law of Mr. Spratt; and Dr. J. P. Turner of Carrizozo, brother of Mrs. Spratt.

Mrs. Spratt chose for the occasion a black and white printed dress with a white hybrid orchid, a gift of Mr. Spratt.

Refreshments were served from a beautifully appointed tea table. The white Madiera outwork tea cloth was centered with a tiered white wedding cake, topped with a miniature bride and groom, embellished with silver. A garland of fresh white roses circled the base of the cake. White tapers accented with silver, in low silver candle holders flanked the cake. Punch, sherbet, petit-fours decorated with a silver "25" were served to the guests.

Arrangements of shasta daisies, the bride's chosen flowers for her wedding 25 years ago, were used throughout the reception rooms. Friends of Mr. and Mrs. Spratt, assisting at the tea table were Mrs. J. P. Turner of Carrizozo, sister-in-law of Mrs. Spratt, Mrs. Landis B. Feather, Mrs. Howard Whitson, and Mrs. Edward Kinney.

On display with the anniversary gifts was the wedding dress and hat worn by Mrs. Spratt in 1929. The wedding dress, styled in the high fashion of 1929, embodied the long straight waist of beige silk lace and the short knee length skirt with puffed chignon petals, worn over a duchess satin slip of matching shade.

Twin Win Shoves Artesia Game Ahead in Loop Lead

ROSWELL — (AP) — Artesia's red NuMexers belted Roswell in a one-game lead in the Longhorn league over the Rockets.

Pitcher Wayne Goodell doubled the runs that meant the nightcap, 5-2, after Artesia had taken opener 10-6.

The second tilt saw the teams tied at 2-2 going into the sixth and Artesia did all its damage with one out.

The twin win, despite a disastrous loss to Carlsbad the night before, put the NuMexers a game ahead of Roswell for the Longhorn league lead.

The two teams met again tonight in Roswell. An Artesia win would give Artesia a two-game lead in the top spot. A loss would leave the two teams again for the lead.

Ases on balls to Mickey Diaz and Floyd Economides, plus a double by Manager Jimmy Adair and Goodell hit, paid off in the second game. Goodell slammed a double to right center to break the tie and then Reuben Smartt tied it with a single to center.

The Roswell sixth and seventh innings the Rockets managed to put runner on base each time, but it was as Goodell was in control.

The NuMexers belted 19 hits in winning the first game with Charlie Watts, Reuben Smartt, and Paul Dobkowski leading the way.

Watts batted in four runs and Smartt two.

Ken Foster was the winner, after relieving Gil Johnson at the start of the fifth inning. Roswell's Tom Sawyer was the loser as the NuMexers rapped him for four runs on five hits in the fifth inning and were never behind.

Artesia clinched the game in the fifth on another quartet of hits.

Mickey Diaz, Artesia center-fielder, pitched to the Rockets' Tom Sawyer three times, getting him on fly balls twice and walking him once.

Dee Wilson's two run single in the fifth was the best Roswell hit.

NuMexers Seek to Buy Pitching Staff Support

THE ARTESIA NuMexers have been and are attempting to secure a new pitcher to bolster what has become the club's greatest weakness.

Efforts to work through Dallas have been unsuccessful—the parent club needs everything it has on its pitching staff, something which Artesia fans understand.

Mr. Jimmy Adair reportedly has been seeking a new pitcher, but thus far has run into a stone wall.

Fans were treated to an exhibition of the staff's weakness in numbers in Sunday night's Carlsbad-Artesia game, which Artesia lost miserably 14-4, because of lack of pitching staff. Seeking to save pitchers for the next night's Roswell-Artesia doubleheader at Roswell, the NuMexers were forced to use outfielder Bob Herron and first baseman Johnnie Goodell after Ken Foster was overpowered in the fifth.

IT IS interesting to note that the Artesia club's attendance of around 30,000 with slightly over half of the season gone is far ahead of last year's and without the fancy promotions staged in 1953.

Mr. Jimmy Adair commented shortly after his arrival here "the best promotion is a winning ball club" when the Advocate queried his philosophy in that line.

The last season left Artesians—especially the merchants who footed the bill—exhausted through the expense and the constant pressure to build lagging attendance.

Artesia's winning club this year has been responsible for an increase in attendance of more than 60 per cent—completely without benefit of those fancy (and tiring and expensive)—promotions.

WHY DID Scott Robnett jump the Artesia ball club last Thursday night?

The first reason advanced from most club representatives is Robnett's sore arm, which kept him continually benched, and which of course, discouraged him.

More informally it is said that Robnett did not like the club, did not like Artesia, did not like the fans—he was generally unhappy.

A WORD on how the Advocate's regular and extensive statistics on the NuMexer ball club are compiled and checked for accuracy.

Batting averages and slugging records are prepared after every home game by John Lippis, the Advocate's faithful guardian of the scorebook. The averages are taken from a professionally prepared book of tables which tell batting averages at a glance for any combination of at bats and hits.

In away games, the averages are prepared in the Advocate office using box scores sent by wire by the host town's Associated Press member over the AP's highly successful Longhorn league wire.

Use of the prepared tables eliminates errors in figuring.

To eliminate errors in transmission, misreading, and other trouble spots, the averages are checked weekly against those issued by the league's official statistician, William Weiss of San Mateo, Calif., corrected and brought up to date.

Pitcher's Marital Status Is Only Change in WT-NM

By THE ASSOCIATED PRESS West Texas-New Mexico league teams wrestled through eight big holiday games last night, but the only thing changed was the marital status of Amarillo hurler Eddie Locke.

He got married between games. All the teams split their twin bills.

League-leading Clovis took the first game of its doubleheader from Borger 8-3 on the Gassers' home field.

The second Gasser-Pioneer contest went extra innings, but Borger manager Tommy Warren led off in the ninth with a homer to clinch the nightcap 7-6.

Bridegroom Locke served up the Dukes as a pre-wedding feast, pitching the Amarillo Gold Sox to an 8-7 victory.

George Socha, who was tabbed with the first game loss, came back in the second game to lead the Dukes to a 5-3 decision.

Andy Alonso pitched four-hit ball for Abilene to take the first game in the doubleheader with Pampa 4-1.

Jim Lemons sparked the Pampa second game win 5-2.

Lubbock put up a fight in losing its first contest to Plainview 8-1.

Lubbock found the range in the first inning of the nightcap to score two runs while Plainview's Ponies could gallop across only one. The final score was 2-1 for the Hubbers.

NuMexers Hold Slim Lead on Longhorn Loop Team Batting

Artesia's NuMexers continue to lead the Longhorn league in team batting, although closely chased by Roswell and Carlsbad according to latest statistics from William J. Weiss, San Mateo, Calif., official league statistician.

Through games of June 28, except for Artesia at Odessa 3-2, 27-28, the NuMexers had a 3-2-3 point lead over Roswell, and Carlsbad. Artesia rated .312, compared to .312 for the second place clubs.

Midland was far down the line with 293 spring 290, Odessa 286, San Angelo, 284, and Sweetwater 274.

The NuMexers earned the average with 766 hits in 2,435 times at bat.

Artesia is second in team fielding, 8 points behind Roswell's Spring and Midland have 925, Carlsbad 930, San Angelo, 929, Odessa .924, and Sweetwater .919.

ARTESIA BATTERS were close behind league leaders in some batting departments. First baseman John Goodell and third sacker Charlie Watts made the top 10 batters of the loop rating ninth and tenth respectively.

Other Sucker Schemes

THERE ARE OTHER sucker schemes worked on the public here besides selling various kinds of advertising and promotion schemes. There are always those seeking to sell some kind and type of stock either via the mail or in person.

Your Chamber of Commerce seeks to warn you about these various schemes. They seek to keep you advised and to halt these practices but despite this frequently someone gets "hooked" on one of these deals.

Despite all the warnings issued and that time should have proven there is no way to get rich overnight, we seemingly still have those who are hopeful. They will put up their life's earnings when some smooth-tongued talker comes along without consulting someone to advise them and, they lose their money.

For years various kinds of oil schemes have been worked by the promoters. The legitimate oil man has encountered many such instances. Those outside our nation have sought to peddle oil stock in Canada, and other countries. Unfortunately there have been those who "fell" for these schemes.

Now considerable concern is being voiced about the mining stock that will be offered. It is a well-known fact there will be many peddling stock in uranium mines. They will tell all kinds of stories and tales. They will have people believing they can double and triple their money many times and they can get rich overnight.

The wise individual is not going to talk to or deal with any of these smooth tongue operators. If they are going to buy stock they are going to deal with only those they know and they can trust.

Others are going to be wise enough to consult their banker or some businessman before they invest their funds in one of these fine sounding schemes that is going to make them rich overnight. And if they do this they are not going to lose their money.

But there will be others that will accept the stories told them and they will be convinced they can get rich and they will put up their hard-earned money and never hear anything more about the scheme.

More money is taken in sucker and confidence schemes in this nation every year than is stolen by bandits, robbers—even including those who seek to loot the banks. Play it safe—investigate before you invest.

Seeks to Help State

SENATOR DENNIS CHAVEZ is co-author of an amendment to the appropriation bill before the U. S. Senate to require that low bids be accepted if submitted by responsible firms. This appropriation bill is for the department of defense.

Senator Chavez contends that the department has been channeling some 90 per cent of its business into the New England states and that as a result of it accepting the bid it wants to accept instead of the low bid firms in other states receive little or no consideration.

He emphasized the fact that New Mexico is one of the states which is being discriminated against by this attitude. He pointed out that a Las Vegas, N. M., firm which employed some 420 women recently lost a contract for the making of parachutes even though it was the low bidder.

The chances are there are a good many other states which are entitled to certain business they have never been able to secure because they do not have those in a political position to secure this business for them.

We can appreciate fully that at times maybe the low bid is not the best bid but we have seen little use in making or requesting bids if the low bid is not to be accepted. Certainly the call for bids can stipulate everything that needs to be stipulated to require the firm making the bid to meet the requirements.

But even after this is done and the firm is the low bidder and does not get the contract it is high time that the representatives of the people—the congressmen—ask a few questions. As we have pointed out before it is Congress which appropriates the funds for the operation of the departments of government including the department of defense.

Some of the cases in the past clearly indicate there has been needless and unnecessary buying; there have been instances apparently when business was given to some firm merely to give them business when the merchandise was not needed and would not be used. And we see no reason why if bids are to be requested that the department should not follow through and give the business to the low bidder.

It will be interesting to note and see whether Congress follows and approves this amendment or whether they will be more interested in permitting the same old practices to continue.

Midland Indians Use Homers To Break San Angelo Streak

SAN ANGELO — The Midland Indians used the home run ball to snap the San Angelo winning streak at six games here tonight as Romo Soto limited the Colts to five hits for a 6-1 win after the Colts had won the opener 7-5.

Scoring single runs in every inning but the fifth, the Indians were never threatened, getting to Bob Vruck for eight hits, including three home runs and a triple.

Bob Hobbs led the Colts to their first game win, belting a grand slam home run in the third inning and a two-run smash in the seventh with one on and one out. The last blow was off Soto, who relieved starter and loser Harold Hacker in the eighth after Dub Graves had been sacrificed to him.

and took the lead in the seventh inning when he hit for two frames and rallied for

three runs off winner Russ Agne to tie it up 5-5 in the fifth.

The Indians used a walk and a triple by Pat Waters for their first score in the initial outing and a double by Joe Riney and Chuck Terrasi's single another tally in the second.

Jerry Fineman and Graves singled to open the third for the Colts and Art Cicchetti walked to load the bases and set the stage for the big blast by Hobbs.

The Colts added another in the fourth when Bob Gonsalves singled, Agne walked, Gonsalves being picked off just before Fineman singled. Graves hit one down the first base line and Waters, thinking the ball was foul, shoved it foul. The umpires called it a fair ball and Agne scored all the way from second.

In the fifth, Agne walked Jerry Keith and Hacker, Jones beat out

Coffee Talk

Unobtrusive, Unmarked Auto Used By Police

MANY PEOPLE have already noticed it, but to some it may be news: The Artesia police department is using an unmarked car in its work.

It's a popular make with an inconspicuous paint job—a rather appealing green. It does have a whip radio antenna, but then so do a lot of other cars around the city, especially those used in the oil fields and by the utilities.

The car was purchased because of an increase in the police department's work, and because Chief of Police Frank Powell for a year has used his personal car without any charge whatsoever to the city for gasoline or any other expense.

THIS COLUMN was dropped in deference to getting real news set in type when the Artesia Advocate became a daily newspaper. With the addition of new machinery, a production bottleneck at the newspaper has been solved.

The result will be the ability of the Advocate to produce even

an infield hit to score Keith and after Hughes fanned, Bud Hull flied out for one tally and Waters singled in another. He was thrown out trying to go to second after a play was made at home.

Then came the dramatic seventh. The game was won when Hobbs hit the first pitch by Soto down the left field foul line for the win.

In the second it was much different. Jones singled, went to second on a passed ball, scoring on Hughes only hit of contest. Briner led off the second with his homer and Hull got his first in the third inning.

Midland scored in the fourth on a single by Tom Barton, a pair of punts, and a single by Jones. In the sixth, Terrasi singled, went to second on a sacrifice, and was squeezed home by Jones. Hull closed out the scoring with a homer to open the seventh.

The Colts lone tally was a second-inning homer by Hillis Layne who also doubled to lead the Colts at the plate. Bob Vruck was the fifth straight Colt hurler to go the distance but was the lone loser of the quintet.

has covered the Pacific and Far East, including Korea and Indochina to name a few.

It's Leif's prediction that Bangkok in Thailand will move into the news to replace the Hanoi dateline from Indochina.

Thailand is seen by many newsmen who know the situation as the next potential Asian hot spot in cold wars which have a way of becoming hot almost overnight.

ERICKSON JOINED several Advocate staffers in a picnic at municipal park last night. Enjoying steak prepared over one of the park's fireplaces, he commented Albuquerque had nothing which quite compared with the facilities offered here.

More and more through the summer months the park is a popular picnicking place for Artesians. Every night quite a few families can be found enjoying its coolness and such facilities as running water, the fireplaces, modern rest rooms, and even play equipment for the kiddoes, donated by Rotary club.

If you haven't packed a picnic to enjoy at one of the park's well-constructed picnic tables of native stone, plan on doing it soon. It's a good refresher for the tired and/or bored as a trip out of town, and a whole lot safer and cheaper.

CVE Softballers To Face Mines Wednesday Night

CVE softballers Wednesday night go south again to take on U. S. Mines in a regularly scheduled contest in the Carlsbad recreation league. Indications are that H. L. Coor, electrician ace, will probably go on the mound for the Artesia team. The game is scheduled for 8:45 p. m.

The CVE team is leading the league with a 13-1 record. Their one loss came at the hands of DMCC whom they have since defeated twice.

Three Meetings To Precede Loop All-Star Game

ROSWELL — Longhorn League Pres. Harry James announced three meetings will take place at the East-West All Star game in Carlsbad July 22.

James said he will meet with all eight loop umpires at 11 a. m. with managers and umpires at 2 p. m. and at 3 he will conduct a closed league meeting of club presidents

and directors.

The president named Jerry Brown, sports editor of the Carlsbad Current-Argus, as official scorer for the game.

CHICAGO — Casey Stengle of the New York Yankees, who will manage the American league team in the annual All-Star game at Cleveland July 13, named eight pitchers for the battle today.

Only one, Whitey Ford of his own Yankees, is a left-hander.

The others are Mike Garcia and Bob Lemon of Cleveland; Bob Keegan and Virgil Trucks of the Chicago White Sox; Bob Porterfield of Washington; Allie Reynolds of New York; and Bob Turley of Baltimore.

The eight American league starters, announced Sunday night, are Al Rosen, Cleveland, first base; Bobby Alvin, Cleveland, second base; Ray Boone, Detroit, third base; Chico Carrasquel, Chicago, shortstop; Oretes Minofo, Chicago, left field; Mickey Mantle, New York, center field; Hank Bauer, New York, right field; and Yogi Berra, New York, catcher.

Legion Juniors Drop 10-4 Loss To Roswell Nine

Costly errors proved the downfall of the Artesia American Legion junior baseball team Saturday evening as they dropped a 10-4 decision to the Roswell nine.

The game, played as a preliminary to the NuMex-Carlsbad battle, was tied 4-4 when the expensive bobbles hit the local aggregation, allowing Roswell to bring home six unearned runs.

Bob Cerny started on the mound for C. C. "Red" Goodwin's junior baseballers and was relieved in the fourth by Ronald Price. Harry Price was behind the plate for the Artesians.

The next game scheduled is another meet with the Roswell Legion team the 13th.

Seventeen Artesia Baptist Youths Attending Camp

Seventeen Artesia boys and girls are attending Baptist Inlow Youth Camp in the Manzana Mountains, 65 miles south of Albuquerque, this week. They left Artesia Thursday morning and will return July 8.

This summer camp is conducted each year in series beginning with 9-year-old boys and girls and continuing with the age group through the young people.

The next group to attend will be 11-year-old boys and girls. The church bus will take 11-year-olds to the camp Thursday morning, July 8, and bring this group back.
