Police Probe Furniture Store Theft

Law officers in the city today were investigating a breaking and entering at State Distributors building, Fifth and Main, last night.

Police discovered the back door of the firm open about 12 p. m. and called Owen Hensley, owner. A close investigation disclosed that eight pistols of varying caliber were taken as was a quantity of loose change.

Missing were a .22 caliber Colt target pistol valued at \$85; a .380 caliber automatic pistol of Belgium make; a .44 caliber Smith & Wesson nickel-plated pistol; a .32-20 caliber nickel-plated pistol of Spanish make; a .25 caliber automatic pistol with pearl handles of Astro make; a .32 caliber automatic with bone handle of Spanish make; and a .22 caliber high standard of "Sports King" make, with no handles.

Entrance was gained into a back store room through an air-conditioning vent in the roof. Papers and letters were scattered around one desk and a storage locker was pried open.

The back door of the building was evidently opened on leaving. Police Lt. Raymond Hernandez and Officer Ernest Alamanza investigated the crime.

Cast Chosen for 'All My Sons' Production Here

The Artesia Summer Playhouse has completed casting of the highly dramatic play "All My Sons," by Arthur Miller, author of "Death of a Salesman," and "The Crucible."

"All My Sons," a tremendous success on Broadway a few years ago and made into a movie starring Edward G. Robinson, is to be directed by Al Stevens, director of dramatics at the Artesia high school. It features some of Artesia's finest dramatic talent.

Starring as Kate Keller, the mother of a son missing in action and who is living with a dream is Mrs. Dorothy Blessing. Stevens will take the role of Joe Keller opposite Mrs. Blessing.

The role of Chris Keller, the honest, serious-minded son is to be played by Dave Muhstetter, news editor of KSPV. Providing the romantic interest is Mrs. Barbara Young as Annie Deever, beautiful daughter of a convicted war profiteer.

The next-door neighbors include Dr. Jim Bayliss, portrayed by Cecil Fitcher; Mrs. Sue Bayliss, enacted by Miss Sally Sears; and Mr. and Mrs. Frank Luby, played by Lou Fitz and Miss Kay Erskine.

Portraying the role of the angry and perturbed George Deever, Annie's brother, will be Tommy Bryan. The little boy next door with the cop complex and the eagle eye, is portrayed by Bob Stevens.

The play will be produced on Thursday and Friday, July 29 and 30, in Senior high school auditorium. Curtain time will be 8 p. m. Tickets will be placed on sale with in the next few days.

New Telephone Rates in Effect Today in Artesia

SANTA FE (AP)—New telephone rates went into effect today in 47 New Mexico communities, including Artesia, as state and company officials prepared for their third rate case in two years.

The Mountain States Telephone and Telegraph Co. started charging the new rates after posting \$400,000 bond to guarantee refund of any amount which might eventually be ruled invalid.

The new rates represent an overall reduction from the past year's rate increase of roughly 20 per cent. MST&T General Manager E. C. Phillips and Corporation Commissioner Ingram B. Pickett said.

The SCC has set a hearing for Aug. 9 to cover both the company's latest gross annual increase of \$1,390,000 and its requests for increases through "open end filing."

Under the open end application, the SC is asked to determine revenue requirements of the company and a rate of return, after which the company will peg new rates to those findings.

Phillips has said the company's need for higher rates is most desperate.

Artesia Youth Ties for First In TV Contest

Alvino Baca, son of Al Baca, 603 Chisum, split the winning ticket last night on the Frigidaire Frolics program over KSW-TV.

Baca, who sang on the show his third time, split the ticket for a \$400 Frigidaire appliance with a Carlsbad girl. The two tied for first place on the show which makes its purpose to further the standings of amateurs in the area.

It is sponsored this six months by Guy Tire & Supply Co. of Artesia, Universal Appliance of Roswell and General Appliance of Carlsbad, all Frigidaire dealers.

City Council To Study Bids On Bond Issue

Artesia city council will meet in a special session tonight to study bids on the city's \$130,000 bond issue to finance construction of a two-million gallon reservoir.

Mayor W. H. Yeager said this morning indications points to fairly heavy interest in the bond proposal on the part of bond and investment companies.

The mayor said no other business is on the agenda but the council can act on other matters brought before it which can not wait until the regular meeting next Wednesday night.

The \$130,000 bond issue would pay for cost of building the reservoir two miles west of the city and connecting it to the city's existing water system.

Construction of the reservoir has been described as "phase 1" of a two-phase program for water system improvement by councilmen. The second phase, probably to be financed by revenue bonds, calls for enlarging water mains in low pressure and older areas of the city.

The bonds were authorized in the city general election of April 6 this year.

Council call for bids sets out final payment for the issue will be made in 1969. Payment on principal begins with \$6,000 in 1955 and builds up to \$13,000 in 1967 for the last three years.

Two Atomic Plants Struck By CIO, 4,500 Are Affected

OAK RIDGE, Tenn. (AP)—CIO workers who help produce the nation's entire supply of fissionable uranium-235 for atomic weapons struck today at plants here and in Paducah, Ky.

Ignoring the possibility of a Taft-Hartley law injunction, the CIO chemical workers union posted pickets at 5 a. m., three hours before the appointed hour of the strike. Some 4,500 production and maintenance workers are affected.

Carbide & Carbon Chemicals Co., which operates the plants for the Atomic Energy Commission, ordered in supervisory personnel to keep the plants in production.

Police said construction and (Continued on Page Six)

WOOL FUTURES

NEW YORK (AP)—Wool tops and wool futures moved lower today. Wool futures closed 2 to .7 of a cent lower. Oct. 201.0; Dec. 201.5. Certificated wool spot 158.2n. Wool tops futures closed 5 of a cent to 15 cents lower July 157.5b; Oct. 168.2.

School Board to Study Race Segregation Monday Night

Measures on racial segregation in Artesia public schools will be studied by the board of education when it next meets Monday, Sept. 13, at the Vernon Mills school.

Earlier this year Mills said the board might issue a statement making attendance at Carver school optional for colored students. They would be given the choice of attending either Carver or Roselawn schools.

The NAACP drive will be concentrated in Artesia, Carlsbad, Roswell, Clovis and Las Cruces, according to Hobart LaGrone, state president.

However, it was learned in Carlsbad this morning there has been no segregation in Carlsbad schools the past two years.

LaGrone said he has sent for legal petition forms which will be distributed to parents in the five school districts. The parents will petition their boards to end segregation by September.

Two Potash Unions Hold Out on Wage Offer, Deadline Nears

Charge Studied As Wreck Victim Dies

State Police will confer with Dist. Atty. Pat Hanagan of Roswell on possible charges in connection with the death of Mrs. Laurel Feller, 60, of Detroit, Mich., as the result of a two-car collision June 18 1½ miles south of Hagerman.

Mrs. Feller died yesterday noon in Artesia general hospital of injuries received in the accident. Attending physicians said a blood clot from internal injuries received in the accident is believed to be cause of her death.

Mrs. Feller died only an hour after five other injured Detroit residents riding in the same car with her, had been discharged and were enroute to Clovis to board a

train home to Detroit, leaving her to further convalesce here.

State Patrolman Glen Painter of Hagerman said he would converse with Hanagan later today when the district attorney returns to Roswell.

Patrolman Painter said details of the accident are still unknown. "We only know that two cars collided," he said.

The accident involved cars occupied by the six Detroit residents and one driven by W. E. Taylor of Carlsbad, also hospitalized as a result of the wreck.

Mrs. Feller was born Aug. 11, 1889 in Atlanta, Ga., the daughter of Mr. and Mrs. William Johnson. She operated a boarding house in Detroit. A list of survivors could not be obtained here.

Her body will be sent by train from Artesia tonight to Detroit for burial.

Mrs. Feller suffered broken ribs, a broken left wrist, and internal injuries in the accident, physicians said.

Others in the car hospitalized with her were Mr. and Mrs. Al Murray, Mrs. Marjorie Ray, Miss Fisher Donaldson, and Ernest Maxey.

Kerr Is Forced Into Run-Off Race With Turner

OKLAHOMA CITY (AP)—Sen. Robert S. Kerr (D-Okla.) today was forced into a runoff election against former Gov. Roy J. Turner in Oklahoma's bitter primary election for the U.S. Senate despite a lead that held solid throughout counting of nearly all the ballots.

State Sen. Raymond Gary, Madill and William O. Coe, Oklahoma City attorney, landed in the July 27 runoff for the Democratic governor's race, leaving the other candidates far behind. Gary held a small lead throughout tabulations in yesterday's primary.

Mrs. Willie E. Murray, wife of Gov. Johnston Murray, trailed far out of the picture in seventh place among the field of 16 candidates. Murray is barred from a second consecutive term by the state constitution.

Kerr's lead mounted to about 20,000 votes but the combined tallies of Turner and seven other candidates kept him below 50 per cent of the total.

Returns from 2420 of the state's 3155 precincts gave Kerr 176,463 votes and Turner 156,994.

Mrs. Supina to Begin Second Year in Jail

CARLSBAD (AP)—Mrs. Francis Supina, 51-year-old divorcee, today started her second year in a Carlsbad jail, still determined not to pay a \$1,000 fine she says she doesn't owe.

"I'm not going to pay because I don't think that I owe them anything," she said from her 20-by-15 foot jail cell.

She is serving an indefinite sentence for contempt of court imposed during July 6, 1953, when she refused to pay a \$1,000 fine imposed (Continued on Page Six)

train home to Detroit, leaving her to further convalesce here.

State Patrolman Glen Painter of Hagerman said he would converse with Hanagan later today when the district attorney returns to Roswell.

Patrolman Painter said details of the accident are still unknown. "We only know that two cars collided," he said.

The accident involved cars occupied by the six Detroit residents and one driven by W. E. Taylor of Carlsbad, also hospitalized as a result of the wreck.

Mrs. Feller was born Aug. 11, 1889 in Atlanta, Ga., the daughter of Mr. and Mrs. William Johnson. She operated a boarding house in Detroit. A list of survivors could not be obtained here.

Her body will be sent by train from Artesia tonight to Detroit for burial.

Mrs. Feller suffered broken ribs, a broken left wrist, and internal injuries in the accident, physicians said.

Others in the car hospitalized with her were Mr. and Mrs. Al Murray, Mrs. Marjorie Ray, Miss Fisher Donaldson, and Ernest Maxey.

Four Die as Jet Crashes in Busy Kansas City Area

KANSAS CITY, Kan. (AP)—An Air Force jet plane crashed today just outside the downtown district and an unofficial report said four persons were killed, including the pilot.

Two persons were also taken to Province hospital suffering burns and shock. They were King H. Simmons, 47, and his mother, whose name and age were not immediately available. Searching parties were probing the debris of homes in the crash area for other bodies.

The plane, one of five in the air at the time, made a banking turn, struck a tree and then sheared off the top of a two-story concrete block and frame house at 850 Nebraska. It then plowed into a house across the street.

Weather

ARTESIA: Occasional afternoon or evening thundershowers. Otherwise generally fair today, tonight and tomorrow with little change in temperature. Low tonight 67, high Thursday 96. Low last night 67, high yesterday 97.

NEW MEXICO: Mostly fair today, tonight and Thursday. A few isolated afternoon or evening thundershowers. Little change in temperature. High today 85-95 in northwest to 100 elsewhere. Low tonight 40s in northern mountains, 55-65 in northwest to 60-70 elsewhere.

School Board to Study Race Segregation Monday Night

Colored elementary students are now housed in Carver school, near Roselawn school.

Earlier this year Mills said the board might issue a statement making attendance at Carver school optional for colored students. They would be given the choice of attending either Carver or Roselawn schools.

The NAACP drive will be concentrated in Artesia, Carlsbad, Roswell, Clovis and Las Cruces, according to Hobart LaGrone, state president.

However, it was learned in Carlsbad this morning there has been no segregation in Carlsbad schools the past two years.

LaGrone said he has sent for legal petition forms which will be distributed to parents in the five school districts. The parents will petition their boards to end segregation by September.

District 50, Mine Mill Give No Word

CARLSBAD (AP)—Two Carlsbad potash basin unions remained out of the fold today as the deadline neared for accepting a company offer of a retroactive wage increase of four cents an hour.

There was no word from the International Union of Mine, Mill and Smelter Workers or from District 50, United Mine Workers, on whether company offers had been rejected or accepted.

Mine-Mill held a membership meeting yesterday to discuss the new contract terms, but union officials were "out of the office" and the decision of the membership remained unknown today.

The companies have set a deadline of midnight tonight for acceptance of the offer with a retroactive feature to June 1. All other unions in the potash basin either have signed their contracts or agreed to the terms.

Erickson Believes San Juan Projects Set for Passage

SANTA FE (AP)—State Engineer John R. Erickson says New Mexico's San Juan projects stand a fair chance of passage in this session of Congress.

He feels that the key to the whole development, Navajo Dam, will be included if Congress gets around to passing on the Upper Colorado storage bill.

But the bill has a long way to go, he adds, and "any combination of things could happen to it."

"I'm confident that if the Senate ever gets the bill out it will have at least Navajo Dam in it and there is a pretty good chance of getting recognition for the other New Mexico projects," Erickson said.

He testified last week before the irrigation subcommittee of the Senate Committee on Interior and Insular Affairs.

Erickson reiterated the state's position that it insists all projects to use San Juan river water be considered at the same time.

State Commission Formally Protests Rail Rate Hike

SANTA FE (AP)—The state corporation commission has filed an answer to an interstate commerce commission examiner recommendation that would raise the intrastate freight rates of railroads operating in New Mexico.

State Corporation Commissioner Ingram Pickett said the SCC will petition the ICC for a hearing. C. C. Boatright, tax expert for the SCC, will go to Washington to arrange for a hearing.

The formal answer to the ICC merely reiterated the SCC's stand against the increase recommended by Examiner John A. Russell, Pickett said. He said it would bring the intrastate rates to the level of interstate rates.

New Mexico turned down the increase request at a hearing last February. The railroads testified then the increase would be about \$70,000 yearly. The recommendation by the examiner, if followed, would raise annual revenue about \$50,000.

INVESTIGATE BREAK-IN
Police today are investigating a break-in at the Torres Grocery south of Artesia. Dave Torres, owner and operator, reported the illegal entry this morning about 5 a. m. So far as has been determined, nothing was taken.

COTTON FUTURES
NEW YORK (AP)—Cotton futures closed 5 to 40 cents a bale higher. July 33.72; Oct. 33.97; Dec. 34.11; March 34.25-26; May 34.33; July 33.87; Oct. 33.07; Dec. 33.10. Middling spot 35.20 off 5.

JACK FROST and two members of his expedition trip "line" one of the aluminum boats down especially rocky San Juan rapids. The low water level this year exposed many more rocks and caused more of this than usual.

Frost Expedition Finds Rivers Lower, Populous

THE FROST FAMILY, exclusive of Mrs. Frost, poses for a portrait along the rocky shores of the San Juan. John A. "Jack" Frost, in the middle, and Elaine, on the left, and Frank E. "Young Jack" on the right. All three have made the trip from Mexican Hat to Lee's Ferry many times.

Hospital Wins 'A' Inspection Rating

CAB Recommends Air Service For Alamogordo

WASHINGTON (AP)—A hint of the size of secret military operations in the Alamogordo-Holloman Air Force Base area of New Mexico was given in a Civil Aeronautics board decision yesterday.

The CAB decided to permit Continental Air Lines to serve the area over objection by one of its members for a one-year experimental period. The air line will serve the base on flights between Albuquerque and El Paso.

CAB Examiner Curtis C. Henderson had found that air service was not required for the public in the area. But the final decision was made after the report by Henderson that it "considered the need for air service at Holloman as one of the most important that it has ever urged upon the board."

The CAB decision said that the service is required in relation to the "vital guided missile experimental projects" at nearby White Sands Proving Ground and that contractors are working at White Sands, including 35 engaged in experimental projects related to guided missile development.

The government will spend between \$6 and 7 million dollars at White Sands this year, it added. Henderson also recommended continued service by Continental Las Cruces, where he said the government was increasing. But the board said that continued operation would cost the government between \$22,000 and \$53,000 a year. The board said this would be a great cost "in relation to small volume of traffic that would be benefited."

Crude Production Drops in Week

TULSA, Okla. (AP)—Domestic crude oil and condensate production for the week ended July 3 averaged 6,378,975 barrels daily, down 81,075 barrels from the preceding week, the Oil and Gas Journal reported today.

Twelve states showed declines, including New Mexico, down 1,075 barrels daily to 205,875.

Schoonmaker Dies In Albuquerque

Word has been received here that William Raymond Schoonmaker, 61, of Albuquerque, formerly of Artesia, died Saturday at his home in Albuquerque.

Mr. Schoonmaker was well-known in Artesia. While living here he was employed by the Black Silver and Bryson Tank Co., which is now the Maloney Tank Co.

Burial was Tuesday morning at Immaculate Conception church with burial in Mount Calvary cemetery.

Mr. Schoonmaker is survived by his wife, Bonnie, and a son, Raymond James, both of Albuquerque.

MR. AND MRS. EVERETT O'BANNON, JR.

Miss Nancy Ann Smith Becomes Bride in Double Ring Ceremony of Everett Dean O'Bannon, Jr.

In a June wedding at Stanford Memorial church at Palo Alto, Calif., Miss Nancy Ann Smith became the bride of Everett Dean O'Bannon, Jr. in a double-ring ceremony performed by Rev. R. M. Minto, university chaplain.

The bride is the daughter of Mrs. Smith of Burlingame and the bridegroom is the son of Mr. and Mrs. Everett Dean O'Bannon, Sr., Lake Arthur.

The bridal gown was of white nylon tulle with yoke of Swiss embroidery, short sleeves on a which fell into a short rounded train.

Her waist-length illusion veil cascaded from a crown of tiny pearl hearts. She carried butterfly orchids encircled with stephanotis and bouvardia.

Joan Smith, sister of the bride, as maid of honor was gowned in a white lace over pink satin with

pink satin slippers.

Jeanette Chalfant, the bride's cousin, Kathie Rogers and Vivian May, the latter two Stanford classmates of the bride, were a bridesmaid trio. Their gowns were of white lace over a soft aquamarine satin with matching slippers.

All four attendants carried sprays of purple delphinium and pink roses.

Bruce Caskey, Artesia, was best man. John Amier and John Hunt, classmates of the bridegroom at Stanford, ushered the guests to their pews, along with John Chalfant.

The ceremony was followed by a reception at the Knoll on the Stanford campus. The bride's mother joined the receiving line wearing a slate blue two-piece silk dress with white hat.

Mrs. O'Bannon chose for her son's wedding a navy blue lace

gown with pink accessories.

For the wedding trip to Vancouver, Canada, via the Redwood highway, the bride changed to a suit of navy silk with white hat and orchid corsage.

The couple plan to reside in Los Altos while the bridegroom continues his studies in music and engineering at Stanford. He also attended Notre Dame and was a graduate of Artesia high school with the class of 1950.

Out-of-town guests were Mr. and Mrs. Everett O'Bannon, Sr., Lake Arthur, Mr. and Mrs. Glenn Caskey, Artesia, and Miss Clarice Douglas, Kermit, Texas.

Students estimate that Americans spend an average 10 per cent of their incomes for the operation of automobiles.

Clarks Attend Pioneer Methodist Holiday Meeting

Hobbs Pioneer Methodist club met at the Methodist Assembly grounds at Sacramento over the weekend of the Fourth.

This club is composed of pioneer members of the First Methodist church of Hobbs, and was organized by Rev. and Mrs. C. A. Clark seven years ago.

Rev. Clark was pastor of this church for seven years before coming to Artesia.

Nearly 40 members attended this year's reunion. D. H. Starling, of Denver City, Texas, is the president, Randall Thompson, of Hobbs, vice president; Mrs. Joe D. Arnold, Hobbs, treasurer, and Dr. C. A. Clark, Artesia, secretary.

Rainbow Picnic Day Is Changed To Next Sunday

Order of Rainbow for Girls will hold a picnic and hay ride at 2 p. m. Sunday. The picnic was originally scheduled for Thursday evening.

The group will meet at Masonic Temple and then drive to Carlsbad to the beach. Each will bring their own lunch and money to purchase cold drinks. Transportation will be furnished.

All Rainbow Girls and their dates are invited.

Social Calendar

- Wednesday, June 7—**
Group 4 of Christian Women's Fellowship of the First Christian church, meeting in the home of Mrs. Hollace Grissom, 401 South Ninth street with Mrs. Homer Bolland, leader, 7:30 p. m.
- Thursday, July 8—**
Christian Women's Fellowship of the First Christian church groups meets at 2:30 p. m. as follows:
Group 1, meeting in the home of Mrs. John Lanning with Mrs. E. C. Jackson leader.

Miss Bobby Beth Ballard Is Bride of Hagerman Youth, Wesley Alton Menefee, in Church Rite

Tall floor baskets of white gladioluses interspersed with greenery and flanked on each side by two seven-point candelabra, formed the background for the ceremony, when Miss Bobby Beth Ballard, only daughter of Mr. and Mrs. Robert Hollis Ballard of Whites City, N. M., became the bride of Wesley Alton Menefee, son of Mr. and Mrs. Howard R. Menefee of Hagerman.

The impressive double-ring ceremony was performed Sunday, June 27 at 3 p. m. in the First Baptist church of Hagerman, with the Rev. Marvin Menefee, pastor of the First Methodist church of O'Donnell, Texas, uncle of the groom, officiating.

Mrs. Beverly Henry, pianist, played a medley of bridal music, and the traditional "Bridal Chorus" from Lohengrin as the procession-al, and Mendelssohn's "Wedding March" for the recessional. Mrs. Henry also accompanied Mrs. Ramon Welborne, violinist, as she played "I Walk With Thee" and "Through the Years" preceding the ceremony, and "The Lord's Prayer" by Malotte, at the close of the ceremony.

Entering on the arm of her father, the bride wore a gown of white lace, made ballerina length, and designed with a molded bodice and a matching bolero. Her fingertip veil of illusion was bordered in Chintilly lace, and attached to a crown of seed pearls.

Her bouquet was of white carnations and stephanotis, caught up with white satin streamers, and arranged on a white Bible. Her only ornament was a very old bracelet belonging to her paternal grandmother, Mrs. Ethel Ballard. She further carried out the tradition by her complete ensemble which was new, a blue garter, and a pale green organly handkerchief with gold metallic embroidery.

borrowed from her maternal grandmother, Mrs. Haven. She wore a new coin in her slipper for good luck.

Lois Rae Evans served as maid of honor. She wore a pale green net dress, and her corsage was of yellow carnations.

Little Miss Patsy Sue Ballard, daughter of Mr. and Mrs. Fletcher Ballard, and cousin of the bride, served as flower girl. In a floor-length frock of yellow net over yellow taffeta, she carried a basket of yellow rose petals, which she threw in the pathway of the bride.

The candle-lighters were the sisters of the groom. Miss Sharla Rae Menefee wore a yellow taffeta formal with matching net over-skirt, and Miss Linda Kay Menefee wore an identical frock in a pale green shade. Each wore a corsage of yellow carnations.

Truman Menefee served his brother as best man.

Ushers were Lanoy Ballard, uncle of the bride, and Lynn Menefee, uncle of the groom.

Mrs. Ballard chose for her daughter's wedding, a dress of rose lace, made with slim skirt and matching nylon trim at the V-neckline. She wore a natural straw hat with matching accessories, and a shoulder bouquet of pink carnations.

Mrs. Menefee, mother of the groom, was attired in a pink lace dress, charming in its simplicity, with which she wore a small hat of beige feathers and matching accessories. Her jewelry was pink beaded earrings and necklace with rhinestones. She also wore a shoulder bouquet of pink carnations.

A reception was held immediately following the ceremony at the home of Mr. and Mrs. Howard Menefee, north of Hagerman. The guests were received by the bride and groom and their parents.

Guests were registered in the

white leather-bound bride's book by friends of the young couple, who alternated during the afternoon.

The bride's table was covered in an exquisite hand-made cut-work cloth of ecru imported linen, and centered with a beautiful arrangement of white gladioluses and greenery. The white decorated three-tiered wedding cake was topped with a miniature bride and groom and cut in traditional manner by the bride and groom.

Punch was poured from a crystal punch bowl, and served with the cake and assorted nuts and mints. Assisting with the serving and pouring were Mrs. Beverly Henry, and the Misses Wanda Pilly, Doris Bartlett, Geneva Ackerman, Helen Ruth Curry, Wanda Lee Estes, Sabra Jane Kelly, Gwendolyn Hammons and Gloria Menoud. Further assisting were Mrs. Dacus Parker and Mrs. Ramon Welborne.

Miss Wanda Estes, Miss Phyllis Jumper and Miss Gloria Menoud played appropriate background music during the afternoon. All who assisted at the reception wore corsages of a single white gladiolus.

The bride and groom left following the reception for an undisclosed honeymoon trip. For going away, the bride chose to wear a chic linen suit of cinnamon color, with which she wore white accessories. She pinned a white carnation corsage from her bridal bouquet, at her shoulder.

The bride moved to Hagerman with her parents, entering school here in the second grade, and graduating with the class of 1953. She was a member of the First Baptist church, and very active in school and church activities. She has been employed since graduation, as a secretary and bookkeeper at White's City, N. M., where she moved with her parents.

The groom, a member of a very

prominent Hagerman family, born and reared here, was a popular member of the graduating class of 1953. He has been attending college at New Mexico State at Las Cruces, since graduation will resume his studies in September. He is a member of the Methodist church of Hagerman.

Upon their return they will move to Las Cruces.

Out-of-town relatives and friends included Mr. and Mrs. Preston Ballard, Mr. and Mrs. Fletcher Ballard, Mr. and Mrs. Buck Ballard, Mr. Lanoy Ballard, Mrs. Ethel Ballard, Mr. and Mrs. Don Menefee, Mr. and Mrs. Glenn Menefee, Mr. and Mrs. Dale, the Rev. and Mrs. Marvin Menefee and daughter, Frieda; Mr. Lynn Menefee, and Mrs. J. P. Menefee; Mrs. Mrs. Clayton Menefee and daughter, Sarah; the Rev. and Mrs. Curry; Mr. and Mrs. Ray Langford; Mr. and Mrs. Joyce; Mr. and Mrs. Elmer Lankford; Mr. and Mrs. Everett Lankford; Mr. and Mrs. Nancy and John; college friends of the groom included Bill Stegman, Bill Schneeman, Harry Bryant, Greely Myers; and also Mr. Mrs. Ben D'Alesio, and Miss Ellen Deter.

Some 200 called during the noon.

Personal Mentions

The following were guests of Dr. and Mrs. C. A. Clark of 708 S. Eighth Monday: Mrs. Charles T. Stone and Mrs. Charles and Karen, of Artesia; Mr. and Mrs. M. L. B. Bauman; Mr. and Mrs. Randall Thomas; Mrs. Walt Linam and son, John; of Hobbs; and Mr. and Mrs. Bradshaw of Stamford, Texas.

Col. and Mrs. T. K. Thomas of the San Antonio Air Field, guests in the home of Dr. and Mrs. C. A. Clark the past week. They also attended the Methodist Pioneer Reunion at Sacramento, July 4-5.

Roswell Whips Artesia 14-9, Tie for First; Diaz Is Suspended

Soft Ball Against Bauman Gets Vacation Ruling for Hurler

ROSWELL (AP)—Roswell spotted Artesia a 6.0 first inning lead and went on to whip the NuMexers 14-9 and move back into a first place tie in the league, although Mr. Roswell holds a three-percent lead margin.

Giants Hold Edge on Brooks Going in Current Set, Shellack Dodgers 5-2 in First Meeting

By ED CORRIGAN AP Sports Writer

One series, any major league manager will tell you, does not make a season, so why get so excited about the current set between the New York Giants and the Brooklyn Dodgers?

But going into tonight's second game of the three-game series, the Giants were 4 1/2 games in front of the Brooks and if they go on to sweep the series, Walter Alston and his team will be up against a mighty tough problem in their quest for a third straight pennant.

Giardello Risks Middleweight Title in Bout

PHILADELPHIA (AP)—Joey Giardello risks his almost certain middleweight title shot in a 10-round scrap at the arena here tonight with "upsetter" Billy Kilgore of Miami, Fla.

Ex-Farmer Takes Lead in British Open Golf Meet

SOUTHPORT, England. (AP)—Sam King, once a farmer, equalled the competitive record for the Royal Birkdale Course today with a 69 which took the early lead in the British Open Golf championship's first round. Par is 73.

Stance, Grip Vital to Golf Improvement

By GENE SARAZEN
1922 and 1932 U. S. Open Champion
(Written for AP Newsfeatures)
Before you can improve your golf game you must have the proper grip and stance. The mastering of these two fundamentals is the basis of the entire game.

Burnett Thinks Texas League Can Survive Invasion by Majors

DALLAS (AP)—Spurred by the assertion that Dallas can get a major league franchise by prompt action, Dallas civic groups have scheduled meetings to decide if they'll throw their weight behind a syndicate that is dangling the millions necessary to bring big league baseball to Texas.

Major League Baseball

By HAROLD V. RATLIFF
DALLAS (AP)—Spurred by the assertion that Dallas can get a major league franchise by prompt action, Dallas civic groups have scheduled meetings to decide if they'll throw their weight behind a syndicate that is dangling the millions necessary to bring big league baseball to Texas.

Major league baseball is coming to Texas," he said. "It's a matter of whether we beat Houston to it, or not. We've got the first draw on them, I think."

Prepare to Go Ballot

THERE WILL be a lot of pleas sounded in the next three to four months urging the public to go to the polls and vote in the November election.

In most instances these pleas will be sounded by the candidates who seek election. They will be urging the voters to go to the polls and ballot for them.

We are vitally interested in all qualified to ballot to be registered so they can vote and then to visit the polls. Our interest is not that they vote for one candidate but rather that they make their own decision and help elect the best qualified candidates to public office.

After all, the officials elected to public office and serving us were put there by the people—the people who went to the polls and voted for them or those who stayed at home and refused to go ballot.

We do not escape the responsibility for those we have in public office by merely stating we didn't go vote. When we failed to go vote we helped to put them into office.

The wise politician does a little figuring not on the basis of the number of qualified voters but on the number of voters who take the trouble to go to the polls. He perhaps knows he could not be elected if the voters would go cast their ballots. But he knows that a good per cent of them will never go near the polls and so all he has to do is to get sufficient votes to beat those who will go to the polls and vote against him.

Some day we are going to learn that we can bring about better government because we have elected better officials. And we also are going to learn that we can do something about it because there is always enough votes at home on any election day to cause any candidate to lose or to help any candidate to win.

There is plenty of time now for every citizen not registered to do just that. There is plenty of time now to make plans to go to the polls and ballot on election day.

It is more than a duty—it is a privilege. Our ballot box has never meant all that it can mean because we as citizens have not taken the trouble to go to the polling place to express our opinion. This is the only place where our opinion really counts.

Let's set a new record for votes cast in the November election—we can if you go and vote.

Should Help Business

A STEP TAKEN by the federal government recently is expected to accomplish a good many things that will aid business. This was the reduction of the bank reserve requirements by the reserve banks.

This means, it was pointed out, that banks will have to maintain less money in reserve banks and as a result will have more money to loan.

This should result, authorities point out, in lower interest on business loans; lower interest on home mortgages; lower cost to state and local governments on borrowings and bond issues.

All of this is expected to prove a stimulant to business. This should result in more money being available for housing as well as business house and it should encourage public projects since that cities and counties will have a lower interest rate.

It is expected that the effect of this action will show up in the weeks and the months ahead.

The action was taken to help increase and step up business, not because it was felt that we were headed for a recession but rather to give a boost to business. Most authorities now emphasize that we have hit bottom and that we are climbing back up and that this will help provide more work and more jobs.

There is no question but what it can and will help our community of we plan any more public projects. It is definitely known that the money to be used will cost less.

Artesia needs a good many things and will be more than glad to work out these projects if ways for providing funds to do this work and to pay for it can be found.

There is no question but what more school plants are going to be needed and these will have to be provided to take care of our growth and our increased enrollment.

How many other of the projects we can carry out and take advantage of savings on the interest rate remains to be seen. Most cities today need more ways to finance their improvements and unfortunately the lower rate of interest isn't going to provide them with all of the help they need at this time.

But certainly the action of the reserve banks should prove a stimulant to business and to providing more employment in a good many fields of work and endeavor.

HAGERMAN NEWS BRIEFS—

Mrs. Williamson Hostess To Delightful Card Party

Mrs. Bobby Templeton was hostess to a canasta party recently. At the close of the afternoon refreshments of tuna fish salad, open-face sandwiches, potato chips, olives and pickles were served to Mrs. Richard Harshy, Mrs. Joe Ford, Mrs. Mickey McGuire, Mrs. Jack Nail, Mrs. Lindell Andrews, Mrs. Bobby Templeton, Mrs. Elmer Dean Sons, Mrs. Lloyd McCullough and Mrs. Ray Gibson and Mrs. Bonnie D'Allesio, both of Roswell.

Mr. and Mrs. Bob Templeton and children, Sidney and Susan, spent a week-end recently in Las Cruces visiting Mrs. Templeton's parents, Dr. and Mrs. S. C. Carver and Linda. Sidney and Susan returned for a week's visit. While they will go to El Paso to have some dental work done on

Sidney's teeth. Mr. and Mrs. Templeton will go after them this week-end.

Work is now being done in preparation for the building of a large addition to the Hagerman school. The old building is fast being torn down. This addition will involve approximately \$140,000 and will be quite an asset to the town and community of Hagerman.

Another building project under way is the near completion of the Hagerman Church of Christ. It is being built of cinder brick, about one mile south of Hagerman.

Doris Ellen Deter, daughter of Dr. and Mrs. Russell Deter of El Paso, arrived Friday to spend a few days at the home of Mr. and Mrs. Ramon Welborne and daughters, Cindy and Lynn. Dr. Deter is

Coffee Talk

Additions Spark Talk On Housing Needs

REPORTS HOUSE building is to begin in several additions brought into the city recently has brought mixed reaction and speculation in the city over the coffee cups.

The additions are the CharAnn, Barnett, and Campbell subdivisions.

The Campbell addition was brought in by contractor Homer A. Campbell in 1953. It provides for more than 260 building lots. Campbell has no immediate plans for widespread construction.

The CharAnn addition, brought in this year by Charles Denton, is north of the present Vaswood addition. It, too, is a large subdivision. The Artesia Estates subdivision on the south edge of the city has a big chunk of lots but plans for it, too, are indefinite. It is expected homes in this addition, however, will be more costly than the others.

The Barnett addition bounded by Hermosa, Thirteenth, Twentieth, and Centre, will also have more than 200 lots. It was brought in by Boyd Barnett.

The devote covers the Artesia market for homes have the city's housing needs being thoroughly met, or is there still more room for housing.

Here we note the recent Cham-

Mrs. Welborne's brother.

The young daughter of M. M. Calvin Blevins was bitten by a rattlesnake while playing in a hay field, and has been in a serious condition the past few days.

Members of the third junior Sunday school class of the First Methodist church of Hagerman who attended services at the Jewish Synagogue in Roswell recently on Friday were Teresa Oglesby, Sharla Rae Menefee, Betty Watford, Viola Sartin, Pat Johnson, Cindy Welborne, Kay Hampton, Bobby Marshall, Orville Grady, Freeman Lawrence Ridgely and Milton Wrinkler. They were accompanied by Mrs. Spurgeon Wiggins and Mrs. Elwood Watford, and Rev. and Mrs. A. A. McClesley. They reported a very inspiring and interesting service, and afterward refreshments of cookies and Cokes were served.

Col. Lawrence Rowden, 39, youngest brother of Mrs. Spurgeon Wiggins of Hagerman, died of a heart attack June 26 at an Air Force base in San Antonio, Texas, of which he was commander. He was married and his wife and one son, age 6, survive him. Military services were conducted in San Antonio Wednesday and services and burial was held in Clovis, home of his parents, Friday, Mr. and Mrs. Spurgeon Wiggins left Sunday at 3 o'clock a. m. for Clovis.

Mrs. Eulalia Gregory has returned from a three-day visit in Altus with her brother, Bill Merchant, a patient at the Veterans hospital there.

panion construction project on Ward and Centre, though involving only 10 homes or so, was bought up before the houses were completed.

American Builders homes were well received.

Because of a shortage in FHA money in Artesia which has made for higher downpayments that many families can afford, some see a big market for low downpayment homes.

Artesia has yet to taste a large project in which houses in the \$10,000 class, more or less, are offered for the low downpayments given elsewhere—from \$300 to \$500.

Many families, fogging away at the cost of living, can't afford \$1,400 or \$1,500 for downpayments on \$10,000 houses. Many are faced with also buying furniture.

As elsewhere in many cities across the U. S., the success of such more housing programs, now that the need has partially been met, will hinge on the availability of FHA money to local contractors and developers.

MRS. LEO (Florence) Hicks has joined the heretofore all-Male Advocate backshop as a regular operator on the Advocate's new Intertype typesetting machine.

To win a passport into such a male territory, a woman has to be good—as in many other fields, just as good if not better than a man to win the respect of her conferees.

Florence has proved to be a top-flight operator—she sets type quickly, and remarkably "clean." Her ability has already won her the respect—and appreciation of the backshop.

THE AMATEUR steak cook in our office, who loves to fiddle around over his backyard fireplace, claims the city made just one slip in its otherwise remarkable Artesia Municipal Park development.

The fire box of the fireplaces are so deep, consequently moving the fire far below whatever's being cooked, that a big fire is required to effectively cook whatever delicacies are being prepared in the open.

We haven't noticed that deterring anyway from using the fireplaces.

Eastern Stars, Rainbows Honor Mrs. David Saikin

About 25 members of Order of Eastern Star and Rainbow for Girls met Tuesday evening at the home of Mr. and Mrs. Leo Hicks to honor Mrs. David Saikin, mother advisor of Order of Rainbow for Girls, with a handkerchief shower. Mrs. Saikin resigned as mother advisor as she is moving to Abilene, Texas, to make her home. Refreshments of cake, ice cream and lemonade were served.

Bunch Family Leaves City on Long Vacation

Dr. and Mrs. C. P. Bunch and children, Mildred, George, Charlotte and Winkie, left Tuesday on a vacation trip.

They will attend national conference of Methodist Men at Purdue university, Lafayette, Ind., for two days. Then will go to Saluda, N. C., where Dr. Bunch will attend a pediatric graduate course.

The family will also attend the Bunch family reunion at Statesville, N. C., and then drive up the east coast to visit Mrs. Bunch's relatives in Massachusetts. They plan to return Aug. 14.

Livestock Markets

Clovis livestock unavailable.

FORT WORTH — Catle 5,800; steady; good and choice slaughter steers and yearlings 18.00-22.00; fat cows 9.00-13.00; good and choice slaughter calves 15.00-18.00; stocker steer calves 13.00-18.00; yearlings 7.50 down.

Hogs 500; steady to 25 higher; choice 190-240 lb. 25.00.

Sheep 2,200; lambs 50-100 higher; good and choice spring lambs 18.50-20.00; good slaughter yearlings 12.00; slaughter ewes 4.00-5.00; good feeder lambs 15.00.

Hogs 1,800; active; barrows and gilts 230 lbs. down steady to 25 higher; choice 170-240 lb. weights 24.00-75; sows fully steady; most sales 15.00-20.00.

Sheep 2,000; slaughter spring lambs steady to 25 higher; other classes mostly steady; good to prime mostly good and choice

Expedition—

(Continued from page one.)

new place. He said it is one of the best and the most picturesque on the river and he had been passing it for 20 years.

Figures show the comparison between water running in the river two years ago and this year's supply indicate 21,000 second-foot two years ago and only about 2,000 second-foot this year. Even in the mighty Colorado the supply is down—127,000 second-foot two years ago and 10,000 second-foot this year. Frost said the drop is due mainly to lack of snow during the winter in the Colorado Rockies.

On the second trip the Frost expedition made through the Canyon country, Frost's daughter, Elaine, a recent graduate of Denver university; her guest, Lois Ross, a senior at DU; and two geologists from Carter Oil Co.'s Durango office, Dean Sharp and J. D. Langston, made up the party with Frost.

The trips must have something to offer because all of the Frost family has made it at least once.

According to Jack Frost, you can't beat it for plain old get-away-from-it-all relaxation and enjoyment. And he ought to know—he and his aluminum and marine-ply-wood boats have been doing it for quite awhile.

Atomic Plants—

(Continued from Page One)

other workers passed through the picket lines without incident.

The chemical process for production is so complex officials have said it might take a year to get the plants in operation again once stopped.

President Eisenhower issued an order yesterday for a fact-finding board to investigate the wage dispute. But union officials said they would ignore the President's action.

At a news conference, the President said a strike at the Oak Ridge, Tenn. and Paducah, Ky., atomic plants would be a serious thing and would put the United States in a most embarrassing and difficult position.

Mrs. Supina—

(Continued from page one.)

by Judge George Harris of Roswell.

Mrs. Supina had rented a garage apartment in the rear of her \$25,000 home in violation of a city real estate covenant. Neighbors protested and an injunction was issued forbidding her to keep it rented. She refused and the fine was levied.

Apparently quite happy in jail, she says she intends to stay "until justice is done." She had no other comment.

spring slaughter lambs 21.00-23.00; cull to good short slaughter ewes 4.00-5.00; medium and good feeding lambs 14.00-15.00.

In 1940, U. S. women with less than 5 year's schooling who were 45 to 49 years old had an average of 4.33 children, indicating they were almost doubling themselves in the population while college graduates had only 1.23 children, providing little more than half their numbers in the new generation.

Cause of Nervousness Discussed By Local Doctor

Subluxated (misaligned) vertebrae in the spinal column pinching the spinal cord and spinal nerves are often the CAUSE of nervousness. This irritation to the nerves, plus the fact that some of the vital nerve supply to certain tissues of the body is cut off, will produce an abnormal condition and result in nervousness.

This misalignment in the spine may be due to falls, jolts, strains, accidents, fatigue, etc. The Chiropractor is trained to locate and remove the nerve pressure, thereby removing the CAUSE of the nervous condition.

It is not right to say "everything possible has been done" unless Chiropractic is included.

For further information about Chiropractic you are invited to consult Dr. Kathryn Behnke Rains, Palmer Graduate Chiropractor, 408 W. Richardson, phone 861. Office hours daily except Saturday afternoon. —Adv.

Pilot Kills Youth Ordering Airline Plane to Mexico

LEVELAND — Five minutes before takeoff time, 53 passengers buckled themselves into an American Airlines DC6 as it was being prepared to leave the blocks at Cleveland Hopkins Airport.

Then a 280-pound, 15-year-old boy in a leather jacket and denim trousers lumbered up the loading ramp and into the cockpit. Waving a broken revolver, he ordered Capt. William F. Bonnell to "fly to Mexico or be shot."

The pilot dug into his flight bag and whipped out his revolver. He fired twice. The 15-year-old boy died an hour later at a hospital with bullet wounds in his hip and chest.

U. S. production of aircraft reached a peak of \$18,555,000 in 1948.

HAGERMAN NEWS BRIEFS—

James Lankford Enters ROTC Camp in Kentucky

James E. Lankford, son of Mr. and Mrs. Royce Lankford of Hagerman, has entered ROTC summer camp at Fort Knox, Ky., with a class of about 90 students from NMMI from Roswell. The whole camp enrollment numbers about 542 students. He will receive his commission upon graduation, and his tentative plans are to enter TCU. James is an honor student at NMMI, having an average of 92.
Faithful Workers class of the First Baptist church of Hagerman met Monday evening, with Mrs. R. O. Sparks as hostess.
The class song, "To the Works," was sung, and Mrs. Joe Luce, president, gave the devotional. Mrs. L. H. Shockey led the prayer, after which a business meeting was conducted. Plans were discussed for organizing another class.
At the close of the afternoon, refreshments of sandwiches, cookies and punch were served to the following members: Mrs. T. J. Shipman, Mrs. Nora Wright, Mrs. L. H. Shockey, Mrs. W. R. Goodwin, Mrs. Elton Lankford, Mrs. J. C. Hyman, Mrs. Joe Luce, Mrs. William Solomon and the hostess, Mrs. Sparks.
Mr. Alvie Taylor of Hagerman conducted both the morning and evening services at the First Baptist church of Hagerman on Sunday. The Rev. Bruce Giles of Earth, Texas, has accepted the pastorate and moved into the newly decorated parsonage Monday. Bill Langenecker furnished a truck, and Roy Hammons and William Solomon assisted in moving the preacher and his family to their new location here.
The condition of Clint Nail of Hagerman, who has been hospitalized at the Veteran's hospital in Albuquerque for about two weeks was reported as unimproved. Upon receiving word that he was worse, Mrs. Nail returned to Albuquerque Tuesday to be with him.

ETTA KETT

Truettfield, and Mr. and Mrs. Richard Harshey.
Visiting at the home of Mr. and Mrs. Barney Green and Pamela of Hagerman are her sister, Mrs. H. B. Williams and daughter, Lynelle of Albuquerque, who are visiting relatives in Artesia, also. They plan to return home this week-end.
Dr. and Mrs. A. B. Oliver of Rio de Janeiro, Brazil, spent the day Thursday at the home of Mr. and Mrs. R. A. Welborne of Hagerman, en route to Waco, Texas, where they will spend a year's leave from their duties as missionaries in Brazil. Mrs. Welborne and Mrs. Oliver are sisters.
Mrs. Bobby Templeton joined her parents, Dr. and Mrs. S. C. Carver and Linda of Las Cruces at the Templeton cabin in Ruidoso. Sidney and Susan Templeton had spent a week in Las Cruces with their grandparents, and will return home Saturday with their mother.

LOOK BEFORE YOU LEAVE

America is building churches and other religious structures at the rate of 500 million dollars worth a year says the National Geographic Society.

IT'S HOME FREEZING TIME---FOLKS!

Let Your Reddy Kilowatt Dealers Help You Solve Your Winter Food Problem!

Mrs. O. S. Waggoner
OF ROSWELL, NEW MEXICO, SAYS--

"MY HOME FREEZER GIVES ME

Convenience Plus!"

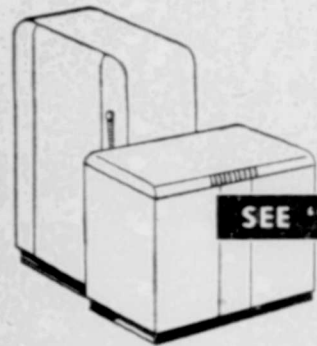

"Right at my fingertips, I have extra food for unexpected guests, an after school snack for my two boys and their friends, or an out-of-season food that can be served when it tastes best, and costs the least.

"I cook electrically, too, and the freezer and the electric range are perfect companions. I bake ahead, and freeze

cakes or pies for use whenever I need them. I know they'll taste just as good, after they have been in the freezer, as they do the minute they came out of my electric range.

"Convenience puts the pleasure in electric living, and my freezer does its share--and then some."
