## Strahlem Declares Relative, Alien Laws Impractical

SANTA FE — State Welfare Director Richard E. Strahlem today has concluded that natives responsibility and alien laws would not be practicable for New Mexico in the immediate future.

Strahlem said he had been studying the laws of several other states and discussed the matter with other public welfare administrators in hope of suggesting possible solutions to the next legislature to the problem of rising welfare spending.

Strahlem and several other department officials left today for Dallas to attend a three-day conference with agriculture department and school lunch officials at which the surplus foods program for this fiscal year will be prepared.

## Wheat Farmers to Vote July 23 On 1955 Quotas

LAS CRUCES — State whether they want marketing wheat farmers decide July 23 on the 1955 wheat crop.

Two-thirds of the eligible wheat farmers must approve the quotas to put them in effect next year, New Mexico A&M officials said today.

The wheat acreage allotment for New Mexico is 446,660 acres in 1955, compared with 502,740 for 1954.

## Gallup Council Passes Cigarette Recreation Tax

GALLUP — The town board last night unanimously approved a penny a pack tax on cigarettes, with revenue diverted to recreational facilities in an effort to curb juvenile delinquency.

First project slated from the new fund is a swimming pool capable, Mayor D. F. Mollica said, of serving a community the size of Santa Fe. Bill Hagberg, Gallup banker, was appointed as custodian of the fund.

## PROLIFIC COW ALLEGAN, Mich. (AP)—A cow on the Charles Erwin farm has had six calves in two years: twins, a single calf, then triplets this year.

## Roping Club Shows Trailer, Signs Bullfighting Clown

Members of Artesia Roping Club are proudly showing a well-built, four-wheel two-horse trailer, constructed by Lare of Lovington, which will be given away in connection with the club-sponsored annual V-J Day Rodeo.

The rodeo is scheduled Aug. 11 through 14. The trailer will be given away Aug. 14, final day of the rodeo.

If the winner doesn't want the trailer, he can get \$500 in cash instead.

In a meeting Monday night the roping club voted to contract one of rodeo's outstanding clowns — Richard Harvey of Fort Worth, perhaps better known as "Podun What."

Members of the club said Harvey is a top bullfighting clown. He made his first appearance here in 1952.

The 1954 rodeo will be produced by Bob Chipman of Artesia, producer for the past two years.

He has just returned to the city from a rodeo production at Showlow, Ariz. He has also produced shows at Lovington and Tularosa, as well as in the Artesia and Cloudcroft areas.

## Stockton Urges Wider Use of State Products

ALBUQUERQUE — Alvin Stockton, Republican candidate for governor, says he wants "wider use of New Mexico products in state purchasing."

In a talk to the New Mexico Manufacturing Assn. last night he said he believes a substantial effect on New Mexico's economy would be felt if state purchasing was directed at "home products."

He also said, "The dropping of the economic development commission was an example of foolish economy, and I think now with our increasing population and the need for more jobs that the re-creation of a similar industrial program is a must."

## Indians Fear Tax If They Register To Cast Votes

ZUNI — Only seven of approximately 1,600 Zuni Indians eligible to vote have registered, tribal officials have told Alvin Stockton, GOP candidate for governor.

Through an interpreter, tribal leaders said many of the Zunis feared they would be taxed if they registered. Stockton replied that he understood other pueblo Indians had registered and voted, and that voting had not changed their tax status.

## Witnesses Testify In Negligent Homicide Trial

AZTEC — State witnesses continued testimony today in the trial of Ace Christmas Jr., charged with negligent homicide in the death last Oct. 31 of Jose Mauricio Maestas.

Latest to be sent to the witness stand by the state was Avencio Lucero, special investigator in the office of Dist. Atty. Bert Prince.

Testifying about skidmarks of Christmas' car in front of the Queen City bar at Cebolla, Lucero said the double yellow stripe extended 572 feet 7 inches and the skid mark of the car measured 88 feet from where the brakes were applied to the spot they body lay.

Christmas has said he had increased speed to pass a truck at the time of the incident. The state claims Christmas crossed the no-passing mark, and argues the passing incident constitutes a key to its case.

## Heisler Murder Appeal Refused

SANTA FE — The state Supreme Court today refused to rehear the appeal from a murder conviction and death sentence of Frederick W. Heisler.

Heisler is under sentence to the electric chair for the hitchhike slaying in 1951 near Tucumcari of John Gunnish, steelworker from Martins Ferry, Ohio.

The Supreme Court's action does not become final for 20 days, after which time a warrant for Heisler's execution will be issued unless further action is taken in his case in the meantime.

## COTTON MAN OUTS

LAS CRUCES — Marshall O. Thompson, extension cotton marketing specialist at New Mexico A&M, resigned his position this week. He will manage the Mesilla long and short staple cooperative gin at Mesilla Park.

WILLIAMS TO RUN TRUTH OR CONSEQUENCES. — Mayor T. B. Williams has been selected as a Democratic candidate for the state Legislature. He replaces George Parish, who withdrew. Williams was selected by the Sierra County Central Committee.

## POSTMASTER DIES

SANTA FE — Daniel Manuel Chavez, 68, postmaster at El Rito for 33 years, has died at an Espanola hospital. He retired last May 30. Chavez is survived by his wife, eight children and 12 grandchildren.

## Ike Urges Farm, Tax Plan Votes

By ED CREAUGH  
WASHINGTON — President Eisenhower nudged Congress today for quick passage of his tax and farm programs.

He said the tax program would help the economy expand and create more jobs and his farm proposals would benefit the entire country and thus prove to be the best kind of politics.

Eisenhower also told a news conference that the House members who killed his health insurance program simply don't understand the facts of life.

The American people lost, he said, when the House rejected the program 238-134.

And, Eisenhower said, he will carry on the fight for such a program as long as he is in office.

**IN THE FIELD OF FOREIGN** affairs, Eisenhower said he expected to announce something shortly, perhaps during the day, on the American-British-French talks in Paris on the Indochina question.

In Paris, a communique from the Foreign Ministers of the three nations announced that Undersecretary of State Walter Bedell Smith will go to Geneva soon to represent the United States at the conference there on the Indochina situation.

Eisenhower said Dulles went to Paris early this week to see, among other things, if United States representation at the Geneva talks would be helpful rather than damaging in reaching an Indochina settlement.

He said Dulles' visit reflects a great concern on the part of this country to keep a united front on fundamental principles with its chief allies, Britain and France.

## The President Also Made Formal Announcement That South Korean President Syngman Rhee's July 26 Visit to the United States Will Be for the Purpose of Making Further Plans for the Attainment of a Unified, Free and Independent Korea.

It was announced in Seoul earlier in the day that Rhee would visit Washington. Eisenhower's statement said he invited the South Korean President some time ago to make a state visit.

On other matters Eisenhower said he thinks the Senate Agricultural committee made a grave error in voting to raise the support price of butter from 75 to 85 cents.

## Winless Artesia Sailor Gets Lucky, Wins New Car

AB/2 Charles M. Baker, son of Mr. and Mrs. Lou Baker of Artesia, never won anything in his life.

Then he bought six \$1 chances on a new car, given away in a Moffett Field, San Jose, Calif. charity effort.

He is now the owner of a 1954 Chevrolet Bel Aire four-door sedan.

## First Santa Note Mailed

An Artesia girl is taking no chances Santa Claus won't have her 1954 Christmas gift in stock.

The first "Dear Santa Claus" letter has been received by the Artesia Advocate.

It's postmarked July 11. It was written Sunday, when records show the temperature was 101.

Even so, foresighted Mary Sue Hornbaker is taking no chances on Santa missing her.

She writes:

"Dear Santa Claus: I want a baton and drum majorette boots and dress and drum majorette hat, all of them silver. Mary Sue Hornbaker. Size 8 dress please, 13 1/2 boots. Little Miss Hornbaker's letter has been forwarded to the North Pole for study by the early gifts department.

## Rosary, Funeral for Pioneer Oilman, William Dooley, Set

Rosary services for William A. Dooley, pioneer Artesia oilman and settler, will be held this evening at 7:30 in Paulin Funeral home chapel.

Funeral services for the 81-year-old man, who died yesterday morning in a Carlsbad hospital, will be held at 9 a. m. Thursday at Our Lady of Grace church.

Rev. Gabriel Eilers will conduct the funeral services. Interment in Woodbine cemetery will follow. Pallbearers will be Harvey Yates, S. P. Yates, John Yates, Martin Yates III, Dr. John J. Clarke, Jr., and Harold Kersey.

Honorary pallbearers will be W. A. "Bill" Dunnam, E. B. Bullock, Walter Cluney, Dr. John J. Clarke, Sr., A. L. Price, and E. A. Hannah.

Mr. Dooley was one of four pioneers who developed the first commercial oil production in Southeastern New Mexico. Earlier he was a pioneer realtor who attracted Easterners to settle in the then desert area around Artesia, foreseeing the fabulous farm and ranch empire that was to come with irrigation development.

He is survived by his widow, the former Florence L. Mauss, and three of four children born to the couple. They are Miss Florence M. Dooley, Mrs. Helen Dooley Perkins, and William Patrick Dooley.

WILLIAM A. DOOLEY

Two grandchildren survive, Terrence Perkins and Patrick Timothy Dooley.

Also surviving are a brother, Andrew Dooley, Michigan, and five sisters. They are Mrs. Elizabeth Sullivan, Carlsbad; Mrs. Agnes Taffee and Mrs. John Hefferan, both of Michigan; and two sisters in Catholic orders, Sister Mary

## Council Schedules Talks on Water, Eleventh Street

Artesia city council will discuss tonight purchase of a machine which would put the city in the low-cost street paving business.

At tonight's regular council session, slated for 7:30 p. m. in City Hall, the council is expected to also engage in a discussion of city water problems and solutions, including further plans to construct a two-million gallon reservoir.

In a special meeting last week the council sold \$130,000 in general obligation bonds to finance construction of the reservoir.

Mayor W. H. Yeager said the council would probably also discuss Eleventh street property lines between Junior and Senior high school.

The city's right-of-way on Eleventh street was surveyed this week by City Engineer W. D. Fowler in (Continued on Page Three)

## Artesia Man Is Held After Car Disappears Here

Abel Brijalba, Artesia, was being held for investigation today by sheriff's deputies in connection with the disappearance of a car belonging to Juanita McBeth, also of Artesia.

The McBeth car has been missing since sometime last night. Brijalba allegedly forced the McBeth woman from the car and drove it around southeastern New Mexico. He was picked up this morning but denies he knows where the vehicle is.

The woman was fined \$20 for being drunk after she ran into a car belonging to Joe Navarette Monday afternoon.

## Penasco Basin Meetings Slated

Questions on Penasco basin water matters will be answered in meetings scheduled to be held every Thursday in the Sandy Harris cafe at Mayhill.

Howard E. Loble, representative of the state engineer's office at Roswell, will be in the cafe from 11 a. m. to noon every Thursday to confer on water rights, appropriations, and other matters.

## HUB CAPS STOLEN

Ralph Juarez, 702 State, reported to city police this morning that two hub caps off his 1953 Dodge were taken from the car some time last night.

Consilium, a member of Sisters of Mary of Michigan, and Sister Mary Paphael, a member of Little Sisters of the Poor in Pennsylvania.

Mr. Dooley was born March 24, 1873, in Bowne, Kint county, Mich., the son of Patrick and Margaret McCarthy Dooley. He married the former Miss Florence Mauss Sept. 27, 1904.

The couple moved in 1905 to then undeveloped New Mexico, where Mr. Dooley was destined to play a pioneering role in the state's development.

The Dooleys settled on Cottonwood river, and he built Cottonwood dam, which still stands, as the first small irrigation dam to be constructed in Southeastern New Mexico.

He became an early real estate man, doing a great deal of the "immigrant" work that played a part in the development of the Artesia area. It involved attracting Easterners to come to the area.

With three other oilmen he developed the first commercial oil production in Southeastern New Mexico in the still-producing Artesia pool east of the city.

It was in 1924 that Mr. Dooley, Tom Flynn, Van Welch, and Mar-

## Threatening Group of Men Meet at Jail

SEMINOLE, Texas — A group of men were reported this noon to be ominously gathering near the jail where Bill Hughes, charged with the kidnap-rape of the five-month-old daughter of a Hobbs couple, is being held.

HOBBS — The five-month-old daughter of a Japanese war bride and a former GI was kidnapped and sexually attacked early today.

Little Jackie Jo Davis, daughter of Mr. and Mrs. Jack Davis, who live just across the Texas line from here, was abducted from her home by a dinner guest, who police identified as Bill Hughes, 34, of Seminole, Texas.

The strapping Hughes, 6 foot, 2 inches and 195 pounds, was held in Seminole following his arrest near the car in which officers said he abandoned the baby.

Gaines county (Texas) Atty. Bill Curry said he had charged Hughes with rape in a complaint filed in the court of Justice of the Peace R. P. Kelly.

Jackie Jo, a tiny brunette infant, received lacerations on the lower abdomen which had to be sutured, a Seminole physician said. He described her condition as "good."

CURRY SAID Hughes was a dinner guest in the Davis home last night and had baked a chicken for them.

Mrs. Davis, 26, left him in the tiny two-room cabin in which Jackie Jo was sleeping while she went to the nearby Club Biorrice just across the state line in New Mexico where her husband is a bartender. The Davis cabin is only 20 or 30 feet inside the Texas line.

When she returned the child and Davis were gone, but the Davis' other child, a son, Johnnie, was still asleep and apparently unharmed.

The baby was abducted between 12:30 and 1 a. m. (MST), Mrs. Davis said. The absence was reported to Hobbs city police at 2:04 a. m.

MR. AND MRS. Davis were married in Japan, where their son was born. Davis left her there for a time while he became established in the United States. He returned his family to this country just 2 year ago yesterday.

Hughes is divorced and has three children, two daughters, aged 12, and a son 5, who live in Baytown, Texas.

Deputy Sheriff Fort said when he asked Hughes, who is employed by a company which erects tanks, where he lived, Hughes replied: "Anywhere."

Fort said Hughes told him he was released from the Texas state penitentiary last March.

Mrs. Davis said in Seminole she had been told a knife was apparently used to mutilate the little girl.

DEPUTY SHERIFF J. C. Fort of Lea county said Davis himself found Hughes with his daughter in the car, seized her from him, and rushed her to the Seminole hospital. There he notified Texas officers who contacted police in Hobbs.

Seminole police went to the (Continued on Page 3)

## Light Showers In Mountains Seen for State

By THE ASSOCIATED PRESS  
Light showers are expected in mountain areas of New Mexico again today and tonight, a continuation of thunderstorm activity which has marked the state weather picture since the first of July.

Most of the fall yesterday was in the western section, with Zuni being the only station to report measurable moisture, a total of 63 inch.

Temperatures yesterday remained relatively unchanged but crawled over the century mark. Tucumcari was highest in the state with 101 degrees daytime and 72 at night. Las Vegas had the day's low maximum reading of 88 while Gallup was low overnight with 52 degrees.

## Weather

### H. G. Ellises Mark 50th Wedding Anniversary Sunday Afternoon With Open House Affair

Mr. and Mrs. H. G. Ellis, 1102 W. Main, celebrated their golden wedding anniversary with a reception at their home Sunday afternoon and evening.

Mary Eleanor Smith Ellis, born Nov. 20, 1884 at Pleasant county, W. Va., and Henry Guy Ellis, born Aug. 22, 1879, at Pleasant county, W. Va., were married July 6, 1904 at St. Mary's, W. Va.

To them were born three daughters, Evelyn Ellis Auld of Durham, N. C., who has two daughters and two sons, unable to be present; Gladys Ellis Babcock of Arcadia, Calif. and two daughters, one of whom Brenda was present with her mother and Barbara Ellis Sullivan of Houston, Texas and three daughters, Sheryl, Linda and Elaine, all present.

Mr. Ellis worked for the American Oil Development Co. in West Virginia when they were married. They lived at Sistrerville, W. Va., until December 1919, when they moved to Bartlesville, Okla., where he worked for Wiser Oil Co.

He was employed by the Buffalo Oil Co. in 1938 and transferred by that company in June 1939 to Wichita Falls, Texas and again transferred to Artesia in June 1944. At present he holds the position of vice president in charge of production for Buffalo Oil Co.

The table was decorated with a white Madiera cloth with candelabra and white candles, with flowers of gold carnations, pink and orchid asters, gold streamers anchored with orange blossoms. Platters, plates and punch bowl were of crystal.

The buffet was decorated with gold carnations. Other flowers throughout the home were gold chrysanthemums, gold roses, gold daisies and gilt plumes, gifts of friends.

On the desk, with their two gold guest books were the original wedding certificate and wedding invitation. The desk was decorated with red roses.

The gifts were displayed on a table covered with a gold lace cloth. In the living room, was one

of the first pieces of furniture the couple purchased. It was a round center table on which was a picture album given Mrs. Ellis by Mr. Ellis before their marriage. It also bore early pictures of the family and of the minister who performed the wedding service.

The back yard and terrace was decorated by flood lights, tables, umbrellas and chairs, plus the natural beauty of the yard.

In the receiving line were Mr. and Mrs. Ellis, their daughters, Gladys and Barbara, who wore gold carnation corsages and granddaughters, Brenda, who also had a gold carnation corsage.

Mrs. Ellis wore an aqua lace and linen dress with a delicate purple orchid corsage.

Assisting in serving were members of the Sunshine class of the Methodist church and close friends. All ladies assisting were presented gold carnation corsages. Refreshments of fruit punch, gold cookies, gold mints, white fruit fingers and salted nuts were served.

The choir of the Methodist church came after church services in the evening and surprised the couple with old fashioned hymns favorites of the couple. This was followed by a prayer offered by Rev. E. A. Drew.

The couple was further surprised by numerous long distance phone calls and wires from friends and family.

Approximately 150 friends attended throughout the afternoon and evening to wish the couple their happiness.

The right side doorhandle of the Hughes car was bloodstained, authorities said, and crime laboratory experts were en route to Seminole from Austin for further examination.

FBI agents were investigating the crime and said if there was any way to show that Hughes had crossed the state line they would "jump in the case with both feet."

Mr. Dooley was also active in the Artesia oilfield boom. He later was a partner with a pioneer oilman, the late Martin Yates, Jr. They were buying and selling oil leases long before there was any commercial oil here.

Mr. Dooley was one of the originators of the New Mexico Oil and Gas Assn. which has been operating for 50 years.

State police records had been posted to show her death as accidental.

Insistent hammering by Deputy Sheriff Joe Pierce and his 22-year-old son, Kenny Joe Pierce, broke Roberts' story apart. The oil worker was being returned from Austin, Texas, where he voluntarily underwent lie detector questioning.

In his confession, Roberts said his wife hit him first and he struck her "I don't know how many times," then choked her "until she

passed out."

Then, he said, he drove on about 50 feet, then drove back and found her unconscious on the road. He took her to Lea General hospital where she died shortly after.

Roberts first told officers his wife fell from the truck. Later he changed his story and said he was drunk, opened the door and jumped out.

The deputy and his son said a polygraph test showed a slight negative reaction to questions about what happened in Roberts' pickup truck and on the route and his wife followed on the side.

# Herron Converted to Hurler as NuMexers Grab Twin Win to Spoil Bronco Streak

SPRING — The Big Broncos came off their five-game losing streak and did a somersault as the Artesia NuMexers grabbed a twin win here Tuesday night, 5-4 and 5-0. The twin successes increased the lead in the Longhorn to 1 1/2 games over second-place NuMexers.

NuMexers had to go all out to open the game. Herron converted to hurler and pitched behind the effective hurler, reformed outfielder, Bob in the morningcap. Herron permitted three hits, all of the scratch variety, and only two runners as far as base.

relief hurling by Bart Di-ven arrived on the scene in the sixth inning with Big Spring on first and third, enabled NuMexers to squeeze through the inning.

Smart drove in what proved to be the winning run when he led a triple in the sixth and Dean board.

Godell hit a solo home run in the opener. Harley Watts blasted a two-run homer in the second.

## Midland Nips Sweetwater 11-10 Despite Spudder Rally

SWEETWATER, (AP)—Midland's Frank Pickens picked up his 14th victory of the season here Tuesday night as he tossed a 12-hit game to nip Sweetwater, 11-10.

The victory came despite a determined Sweetwater rally in the ninth that saw them pull to within one run of the Indians. But hard-hitting Ken Cluley was stranded on third as the last three batters went down in order before Pickens.

Cluley had done yeoman work for Sweetwater in batting in six runs with a three-run homer in the fifth and a three-run double in the ninth.

Ollie Ortiz evened up his won and lost record for the year at 7-7 in taking the defeat. Midland jumped on Ortiz, who went all the way, for 19 hits, seven of them for extra bases.

It was Sweetwater's fifth straight defeat and the 13th straight loss for the Spudders at home. They have not won a game in the local park since June 16.

Midland deadlocked at 6-6 with the Spudders, took an 8-6 lead in the eighth frame as Charles Terrasi singled, Jones tripled, and Pickens belted a sacrifice fly.

Then in the ninth Midland got its insurance when part of the same combination came up. Only this time Tom Barton started it with a one-bagger, Terrasi tripled, Jones doubled, and Pickens singled.

In Sweetwater's part of the ninth, Cecil Hickerson got on by error, Ortiz singled, Chico Recio walked, and Wingate singled to score one run. With the bases loaded, Cluley uncorked a double to drive in three more runs. He stole third on the next pitch but stayed there as the next three men went out on easy groundouts and popups.

## Rockets Blast Out Six Runs In Ninth, Sink Carlsbad 10-5

CARLSBAD — The Roswell Rockets blasted out six runs in the ninth inning to defeat the Carlsbad Potashers here Tuesday night 10-5. The win snapped a four game winning streak roled up by the Carlsbad nine on a road trip that ended Monday night in Sweetwater.

Big Joe Bauman hit his 43rd homer of the year in the Rocket big inning with one man aboard, driving in what proved to be the winning marker. In all the Roswell nine sent 10 men to the plate in the ninth.

Hank Williams, veteran Carlsbad hurler who was seeking his 10th win of the season, was instead charged with his fifth loss. Jose Gallardo, who took over the pitching chore from Gene Nalley in the eighth inning, received credit for the win.

The Rockets hit Williams freely throughout the game, knocking a total of 16 base blows off the right hander, but Williams whiffed 10 Rockets and gave up only three free passes.

Roswell tallied once in the fourth on a triple steal with the bases loaded and two out. Ossie Alvarez started for the plate as Williams went into his windup and slid across the rubber. At the same time Dee Wilson dashed for third and Dixon Bell for second.

## Artesia Legion Juniors Down Roswell 6-3, Cerny Pitches

Artesia's American Legion Junior baseball team evened up its won-lost record at two-two last night in trouncing Roswell 6-3 behind the four-hit pitching of Bob Cerny.

Cerny was never in trouble until he grew tired after one-third of the seventh inning and was relieved by Ratliff, who moved over from shortstop and closed out the game for the local nine.

Though the Artesia team got only four hits off England, the Roswell hurler, they hustled their six runs home and still left 11 men on. G. C. "Red" Goodwin, manager of the Legion team said the players looked better than they have so far this year despite the fact that three squad members are on vacation and only 10 made the trip.

The win puts the Artesia Legion nine close on the lead of the Roswell delegation which has a 3-2 record, beating Artesia twice and Alamogordo once. The Alamogordo team holds a 1-2 count after beating Roswell once and dropping games to them and to Artesia. They meet Artesia in the local aggregation's next game July 18 at Alamogordo.

the third on a double by Elias Osorio and a single by Ike Jackson. A single, a walk, and a Texas league double coupled with a Potasher error accounted for the Rockets' two tallies in the seventh. Then a pair of back-to-back doubles in the eighth by Wilson and Bell sent one run over the plate.

In the bottom of the eighth, the Potashers who had tallied once in the sixth, pushed over three runs on a double by Goldie Gholson and singles by Duke Henderson and Art Herring. The Potashers led 5-7 going into the final frame.

Weldon Day opened the Rocket ninth by flying out but Duane White got his second double of the night and tallied on Stubby Greer's single. Then Big Joe popped one over the right field wall to Stacey Greer ahead of him. Pat Stacey grounded out but Alvarez doubled on and scored on Wilson's triple. Don Fornall replaced Williams and Bell greeted him with a double, scoring Wilson. Gallardo singled, scoring Bell and Day fled out to end the inning.

Gallardo set the Potashers down one-two-three in the bottom half of the ninth. Roswell 000 100 216—10 18 2 Carlsbad 000 101 030—5 10 1 Nalley, Gallardo (7), and Bell; Williams, D. Fornall (9) and Herring. HR—Bauman (9th with one on).

## Gruelling Double Round Scheduled In Dallas Tourney

DALLAS, (AP)—The gruelling double round that separates the men from the boys starts today in the National Public Links golf tournament without an outstanding favorite but a lot of eyes cocked on young Hal McCommas, Larry Robertson, Jimmy Wilbert and Rodney Funseth.

McCommas, the Southern Methodist sophomore, and Funseth, the long hitter from Spokane, lead the youth movement. Among the mature are Wilbert, 32-year-old from San Francisco, and Robertson, 38-year-old real estate man from Minneapolis.

And not the least bit overlooked are T. Moultrie McKeivin of Charleston, S. C., and Louis Burtner of Oklahoma City. They were the men who knocked out the former champions in the field yesterday.

McKeivin went 19 holes to eliminate Andy Szewdko of Sharpburg, Pa., the 1939 champion, and Burtner traveled the same distance in ousting Stan Bielat of Yonkers, N. Y., who took the title in 1950.

With the fall of Szewdko and Bielat, McCommas, last of the high finishers in 1953, moved up in the ratings. The 19-year-old light-

## Jackson Bout With Valdes To Answer Title Shot Bid

NEW YORK, (AP)—If Hurricane Tommy Jackson ever is going to take a title shot at heavyweight champ Rocky Marciano, tonight should tell the story.

The Hurricane, a restless 22-year Negro from New York, boxes Nino Valdes, the Cuban giant, in an important 10-round heavyweight bout at Madison Square Garden.

Valdes, a 6 feet 3 and 207 pounds, is ranked No. 2 among Marciano's contenders, right behind Ezzard Charles although he beat Charles last year at Miami. Despite the high ranking, Jackson, the No. 5 boy, is favored.

Marciano is expected to give Charles a rematch in September. If anything goes wrong with that match, tonight's winner would be ready to step in. A 1955 bout would be another possibility.

The Hurricane stirs up the fans more than any other new heavyweight has done in years. Either you think he is sensational or you think he can't fight a lick. The raves that followed his victories over Rex Layne, Clarence Henry and Dan Bucceroni turned to jeers when he was defeated by "Spoiler" Jimmy Slade April 26. He regained some lost ground May 28 by stopping Charley Norkus in the Garden.

His record is 17-2-1 for 20 starts and Valdes' 30-8-2 for 40 pro bouts. The 29-year-old Cuban has won eight in a row, forcing the veteran Karel Sys to call quits in his last bout at Brussels May 22. He lost ground, however, in his last New York appearance, a lackluster decision over James J. Parker.

## Dallas Is Edged In Ninth Inning, By Oklahoma City

By The Associated Press Shreveport had a little less running room in front of the pack in the Texas league race Wednesday. The Sports beat Beaumont 8-7 Tuesday night, but second-place San Antonio took two from Houston 9-6 and 6-4 and gained half a game.

Oklahoma City edged Dallas 3-2 on a ninth-inning single and Fort Worth crushed Tulsa 13-5. Beaumont got 11 hits and Shreveport only seven but the Sports got the hits when they counted. J. W. Jones and Ed Barr hit home runs for Shreveport.

## Grantland Rice, Dean of U.S. Sports Writers, Dies at 73

Highest state severance tax rate, 2 1/2 percent, must be paid on all potash, oil and gas produced in New Mexico. The comparable tax on uranium is only 1-8 of 1 percent.

Known as the dean of America's sports writers, "Granny" was stricken in his office yesterday while at work on his syndicated column "The Sportlight." He died in Roosevelt hospital.

Rice originated the phrase "The Four Horsemen of Notre Dame," which grew into legend after the Army-Notre Dame football game of 1924. It referred to the Notre Dame backfield of Elmer Layden, Harry Stralder, Jim Crowley and Don Miller.

He saw Ty Cobb and Babe Ruth begin their careers as rookies and later said he considered them the best ball players of the thousands he watched.

Rice started his career in 1901 with the Nashville News and later worked for Forester Magazine, the Atlanta Journal, the Cleveland News, the Nashville Tennessean, the New York Evening Mail, the New York Tribune and the Bell Syndicate.

He is survived by his widow, Katherine, whom he married in 1906, and a daughter, Mrs. Fred Butler of Venice, Calif. Rice was born in Murfreesboro, Tenn., Nov. 1, 1880. Funeral arrangements have not been completed.

The Bottomless Lakes State Park near Roswell, N. M., contains pools as deep as 500 feet.

## Rosen's Pride, Sore Finger, Big Bat All Mile Up to Pace Americans' All-Star Win

By JOE REICHLER EVELAND, (AP)—A slowly flexing finger, a thing called pride, and a big booming bat all led a prominent part in the American league's return to the circle. The finger, pride, and all belonged to one individual—Carl Rosen of the Cleveland Indians.

the first inning because he felt he "might hurt the team." "Yes, I went to Casey before the game with the idea that I be taken out of the lineup," admitted Rosen in a clubhouse interview after the game. "I didn't sleep a wink all night worrying whether I'd be a detriment to the team.

"But pride got the better of me. Instead of begging off altogether, I suggested to Stengel that I give it one try because I felt I owed it to the fans who voted me on the team to bat at least once.

"Casey and I discussed three alternatives—play three innings, don't play at all or hit once and all 3. Left—Artesia 4, Big Spring 3, SAC—Boyd, BB—off Herron 3, Rainey 1, SO—by Herron 6, Rainey 4, U—Ryan and Tongate. T—1.32, A—813.

Americans had scored again in the fourth. Rosen was not through yet, finger and all. After Yogi Berra had singled in the last of the fifth, the 29-year-old converted first baseman walloped a second home run, even longer than the first. This 400-foot drive tied the score at 7-7. Rosen got his third hit in the sixth, a hot single off the third baseman's chest which didn't figure in the run that put the Americans ahead 8-7 in that inning.

## Only 65 Per Cent Voted

SOME 35 PER CENT of the voters in New Mexico—those of voting age and residents—voted in the last general election held in New Mexico in 1952. The fact is that the number not voting was slightly over the 35 per cent since only 64.5 per cent of those eligible to vote did so.

In other words a good many public officials were elected by the 35 per cent of the voters who remained at home on election day.

Those who failed to vote felt there was no use or they wouldn't take the time or they failed to register and so couldn't vote.

But the fact has been stressed many times and will continue to be stressed that the voter, who stays at home, helps elect poor public officials. Our ballot sometimes counts just as much when we fail to go vote as if we had gone to the polls and cast the ballot on election day.

There will be a general election in November. At this time we will elect state officials, some district officials, some county officials, and two congressmen, and one United States senator.

The chances are that there will be no more ballots cast this November than we cast in 1952—may be the per cent will be less.

We in America fail, refuse, or neglect to exercise the right of franchise while in many countries of this old world of ours people are fighting and dying for the right to cast a vote. They want the opportunity. We have it and refuse to use it.

Those who have failed to register so they can vote in the approaching election can do so any time 30 days prior to that election day. You can be sure regardless of how many times the individual is reminded to go register there will be those who fail to qualify so they can vote.

You also can be sure that regardless of how many times people are urged to take a part in their government; have a voice in those named as public officials; and to express their opinion where it really counts—in the ballot box—there will be those who fail to vote.

We may refuse to go vote but we can't refuse to accept the responsibility which is ours for failing to go and cast a vote. There are always enough votes at home on election day to change the outcome of any election.

SIRE OF youngest set of twins is big bull in front of Mr. and Mrs. Swift. Sire of other two sets died last year. Both bulls in this picture are grandson of Larry Domino 50th. (All Photos by Artesia Advocate)

THIRD SET of Hereford calves, posed by Mrs. Elzie Swift, came in June this year.

## After 12 Twinless Years, Swift Farm Hits Jackpot

The Elize Swifts of Cottonwood never had twin calves in their herd until this year. Now their stock is making up for it in a hurry. The Swifts have not one, not two, but three sets of Hereford twins. The first set arrived Sept. 21, 1953. The second came Jan. 12 this year, and the third June 2. Elzie Swift smiles "it's the first time in 12 years we've had twins in our herd. Now look at us!" All three sets of twins have papers that stack a mile high testifying to their ancestry. They're all from the famed Larry Domino strain. The first set born back last September included a heifer and a bull calf. Both sets born this year had two heifers. Sire of the last set was the big bull shown in the picture above. The sire of the other two sets died last summer. The bulls are grandsons of Larry Domino the 50th, a name respected wherever Hereford men gather.

## Coffee Talk Mitchells Refute Rumor They're Leaving Town

WE CALLED Joe Mitchell the other day to check on a report he's going to up and leave Artesia for Clovis, taking with him one of the best tackles Artesia high school ever had.

Nothing could be further from the truth, says Joe. "Matter of fact, he says, 'I couldn't get away from here even if I wanted to.'"

Thus the Mitchells will be around when football season comes this way in the fall.

REPORTS THE Artesia National Guard unit is to receive one of those Skysweeper anti-aircraft gun units is discounted locally as a lot of nice but wishful thinking. And even if one was to be assigned to Artesia, local Guardsmen aren't sure they'd want the fool thing.

The Skysweeper is a super-duper outfit which follows an attacking airplane with radar, shooting it down when it gets on the target. But its mechanism is so complex, the Guardsmen say, especially for a mobile outfit, that it might be more of a pain than a joy to the local unit.

ONE LOCAL housing contractor is looking for FHA down-payment requirements to come down in the near future as a result of current Congressional discussions. FHA deals are apparently available locally where prospective home owners pay 5 per cent down on the first \$7,000 and 35 per cent on each thousand dollars thereafter.

In the works, reportedly, is a bill which calls for a 5 per cent down-payment on the first \$9,000 and 25 per cent thereafter.

If that becomes law, local building activity as well as the nation's is expected to pick up rapidly. The matter of down-payments in the past has been more critical an item to most prospective home owners than the total cost of the house.

BRYCE HOWARD, he of the late hours at radio station KSVP, reportedly is leaving the station at the end of this month, according to friends. The Howards will move to Oregon.

ONE OF THE biggest assets the Artesia Advocate has in its Associated Press Service is the direct connection with all other members in New Mexico. Advocate "punches" an

average of two local stories the other day to check on a report he's going to up and leave Artesia for Clovis, taking with him one of the best tackles Artesia high school ever had.

Lowly Lubbock Licks Amarillo In WT-NM Upset

By THE ASSOCIATED PRESS The lowly Lubbock Hubbers rose up and smote the Amarillo Gold Sox Tuesday night...

Chunky Jack Isenhart limited the losers to three hits, fanned 13 and walked three for the victory...

Last-place Lubbock scored an unearned run in the first and made it stand until the top of the seventh...

In the seventh, Isenhart salted away his victory with a triple. Seventh-place Borger also turned the trick...

U.S. Contenders Begin Long Pull To Davis Cup

PORT OF SPAIN, Trinidad - The United States begins the annual long climb to the challenge round of the Davis Cup today when it meets the British West Indies...

That the Americans will win and go on to the semi-final of the American zone is taken for granted. The United States Lawn Tennis Assn. assigned its second-line players to the task of whipping the local team...

Hamilton Richardson of Baton Rouge, La., has been given the first singles test against Geoff Ingelfield, while Straight Clark of Pasadena, Calif., will meet Ralph Legall. The other member of the American team is Hal Burrows of Charlottesville, Va.

Tomorrow the doubles match will be held and Burrows might get into action. The final two singles are slated for Friday.

Zernial Is Due For Discharge From Hospital

PHILADELPHIA - Slugging outfielder Gus Zernial of the Philadelphia Athletics, who suffered a fractured collarbone in a game against the Boston Red-Sox last Sunday, was scheduled for release today from Presbyterian hospital.

Doctors have indicated he will be lost to the A's for the rest of the season but the slugger said he hopes to join the team the last six weeks of the campaign.

HALL ALL-STAR CHOICE CHICAGO - Ken Hall, 220-pound end on North Texas State college's football team, has been named to the College All-Star squad that meets the professional champion Detroit Lions in a charity game here on Aug. 13.

Match Play Set Today in Senior Tri-State Meet

AMARILLO - Match play was to begin today in the 20th annual Tri-State Senior golf tournament here, with a record 254 entries from six states on hand.

Yesterday J. R. Brown of Amarillo took medalist honors in the qualifying round with a sizzling under-par 67 over Amarillo Country club course.

It was the first year Brown was eligible. He has just turned 50, the minimum age for the tournament. Entries came from California, Colorado, and Kansas as well as the three states included in the tournament title, Texas, Oklahoma and New Mexico.

Iceberg Cooled As Dallas Golf Course Heat 104

DALLAS - It was 104 degrees and hot enough to melt an iceberg on Cedar Crest Golf course here yesterday.

Roy Iceberg of Pontiac, Mich., was defeated 3 and 2 in the National Public Links Golf Tournament by Ted King of Washington, D. C.

Then, for the benefit of photographers, King cooled Iceberg off by dumping a pail of water on the Pontiac man's head.

Conwell Named General Manager Of Odessa Club

TEMPLE - Bob Conwell, who resigned as general manager of the Temple club in the Big State league in an economy move, has become general manager of the Odessa club of the Longhorn league. He reported for duty at Odessa Monday.

Conwell succeeds Jack Knight, who resigned at Odessa a week ago.

Elks Capture NuMexers 20-4, Bankers Beat Guy

Little League play Tuesday saw First National Bank beat Guy Chevrolet 18-11 and the Elks beat NuMex 20-4.

No games are scheduled today. Tomorrow Clem tangles with NuMex and Guy meets Williams Furniture.

OMAHA - The cab driver snorted with disgust at a message heard over his two-way radio. "That's the third time today our operator has had to tell a driver where those apartments are."

"What's wrong with that?" asked his passenger. "They're right across the street from our office," replied the cabbie.

Woman's First Love Gains New Glamor in Fashions

By DOROTHY ROE NEW YORK - The American woman's first love, the suit, gains new glamor as presented by that old master tailor Ben Zuckerman in a trend-setting collection for fall.

The longer wrist-length semi-fitted suit, in high-color tweed, with matching satin lining, veskit, revers or Ascot, is the star of the collection. It is shown in vivid ceramic blue, ruby red, jade green, and purple, as well as in the less sensational vicuña and steel gray tones. The flat round collar is a signature this season.

The semi-fitted, carefully shaped silhouette emerges at its best in this collection in both coats and suits. There is an ease and smoothness to the line that denotes perfect fit and room to breathe.

Next to the long-jacket suit in importance is the suit with tapered loose jacket that gently tapers the hips. Many of the dressier suits are collarless in white mink or dark sable, while a number of fur scarfs are shown with coats. Dressmaker touches such as jeweled buttons and pins add a feminine touch to many of the suits.

The "Blouson" suit is starred by Harry Frechtel, who shows it in many fabrics and versions, along with the wide-colored corseted midriff suit and the costume consisting of seven-eighths coat and coordinated dress.

Open, stand-away collars, flat and wide, give a new look to many of the suits. Some are horseshoe-shaped, others square or portrait in line.

Herbert Sondheim places his bets on "palomino" beige and "burnt sugar" brown as favorite colors for everything from suits to evening gowns. He also spotlights a new rustic slub weave of a blend of Daeron, worsted and silk in a group of outfits perfect for travel or office wear.

An outstanding collection of today that designed by Patricia for Miss America, featuring glamor cocktail and evening gowns and suits with low, round collars starting sometimes halfway to the shoulders. Important is the "double putenia" tiered silhouette for after-5 dresses.

Per pupil cost of public school education has been more than doubled in New Mexico within the past ten years.
