## Simms, Stockton Promise Honesty, Good 'Attitudes'

By THE ASSOCIATED PRESS  
Alvin Stockton, Republican candidate for governor, said today that the "attitude which the public official brings to the job determines the level of government." And his opponent, Democrat Jim Simms, has said that officials "responsible to me will perform their jobs efficiently and honestly or they won't stay in office." Stockton declared there is an over-emphasis on talk of the need for more laws in New Mexico. He said that while some new laws are necessary in a growing state to meet new problems, more emphasis should be on the administration of state government. He said that public officials interested in serving the state can do a far better job towards that end. (Continued on Page Six)

### Safety Council To Discuss Jail For Speeders

The Eddy County Safety Council in a special meeting at Carlsbad tonight will discuss a proposal that speeding violators be given one to five-hour jail sentences rather than fines. Invited to the special meeting, which will be conducted by G. E. Kaiser of Artesia, co-chairman, are county police judges, justices of the peace, and representatives of the Lea County Safety Council. The short jail sentences were proposed in a recent council meeting at Artesia to replace fines, which council members have said are not effective in reducing speed, among the chief causes of fatal auto accidents.

### NEW MEXICO: Partly cloudy today, tonight, and Tuesday. Few widely scattered afternoon and evening thundershowers mostly west portion. High today 85-95 northwest, 95-100 southeast. Low tonight 45-55 northern mountains, 55-65 northwest, 60-70 east and southwest.

## Peace Declared In Road Dispute

Peace over Eddy county's road hassle has been informally declared. Following a weekend decision which gives money for both of two disputed county road projects, one backed by Artesia, the other by Carlsbad, Paul W. Scott, Artesia Chamber of Commerce manager, said an emergency board meeting scheduled this afternoon has been cancelled. The county commission and Eddy county land use committee this weekend agreed to a program which provides \$40,000 for use in construction of the Jal-Loving road and \$20,000 reserved for right-of-way purchase for an urban project on highway 285 through Artesia. The right-of-way fund is undesignated, but county Commissioner F. Ray Zumwalt of Artesia said there are no other projects for which a sum is needed. Scott this morning commended the commission and the land use committee for their decision. "We are satisfied with the decision of the commission and the committee," Scott said in his daily press conference. "We are glad it worked out so Carlsbad will eventually get its road, and Otis will have theirs. It looks like a fair and equitable solution." Scott indicated a state highway department survey team is expected in Artesia in the near future to

map out the urban project and right-of-way requirements. Zumwalt Saturday noon released a resolution by the commission and the land use committee: Whereas the undersigned board of county commissioners and the chairman of the land use planning group of Eddy county have been advised by the New Mexico state highway department concerning the provisions of Senate Bill No. 92 (chapter 179 of the session laws of 1953), and Whereas the New Mexico state highway department has requested the said board of county commissioners and the land use planning committee to indicate their desire and to authorize the debenture fund surplus to be expended in accordance with the county's land use plan, Therefore, be it resolved that the portion of debenture fund surplus allocated to Eddy county for road construction be expanded as follows: 1—That that portion of the Jal road that lies in Eddy county as now stands be placed on the secondary road system. 2—That a portion of the fund not to exceed \$40,000 be spent for oil and gravel for the Jal road. 3—That a portion of the fund not to exceed \$10,000 be spent for oil and gravel for the Otis road. ### WOOL MARKET QUIET

DALLAS — Southwest wool and mohair markets remained seasonally quiet this week, the Agricultural Marketing Service says. Consumption of apparel wools is running far behind a year ago. Latest reports is for May, showing a consumption of 5,690,000 pounds compared with 7,849,000 pounds a year ago.

### ACCUSED MAN DIES

ROSWELL — Frank Kopian, 61, charged with the abortion murder of his stepdaughter, died at his home Saturday night. His mother said it apparently was a heart attack. Kopian was free on bond and awaiting preliminary hearings.

## Peoples State Expansion Is Scheduled

Expansion of Peoples State bank was announced this morning by L. W. Brummett, executive vice president. The expansion will be made possible through a move by Artesia Beauty Shop from the bank building to a new building being constructed on Quay. Brummett said the bank's bookkeeping department will be moved to the location now occupied by the beauty shop, providing more room in the main office for additional customer accommodations. Artesia Beauty shop is to be located in a new building at 313 W. Quay, being constructed for Earl Darst by Knorr Construction Co. The new building, which is to be completed during the latter part of August, is 25 by 43 feet, of concrete block construction. The permit filed for the building sets estimated cost of construction at \$6,000. It will have a concrete floor, and built-up roof. Brummett said the bank's plans call for addition of another teller's window in the future. The expansion, the official said, is made necessary by the bank's continued growth. It was founded in Artesia in 1948.

## Double Tragedy in Fire, Polio Hits Denton Family

Double misfortune struck the Charles Dentons of Artesia this weekend. The Denton's 7 year old son has been sent to a specialist for examination after a local physician said the child had symptoms of polio. In a fire Saturday afternoon a lumber mill owned by the Denton's and T. L. Archer, Mrs. Denton's father, burned. Robert Denton, 7, is in St. Mary's hospital, Roswell, with polio. He is reported "a little better today."

Saturday's fire at Valley Lumber Co. No. 1 mill at Weed was declared a total loss by relatives contacted Monday. The loss is only partially covered by insurance. The loss is expected to run into "hundreds of thousands of dollars," friends said. The Dentons could not be reached for further details.

## Mercury Climbs In State After Thunderstorms

By THE ASSOCIATED PRESS  
New Mexico temperatures rose markedly over the weekend on the heels of what may be the end of the thunderstorm season. Showers — which had gone to heavy portions late last week — just about ended over the weekend, with only two stations reporting measurable amounts of moisture. Gallup reported .40 inch Sunday while Glenwood had .02. The mercury Sunday went to a top of 103 at Hobbs while Roswell had 102 degrees for second high. The marks ranged down to a daytime maximum of 85 at Gallup. Overnight temperatures were mostly in the 60s and 70s. Albuquerque recorded a high of 94 Sunday, a hike of four degrees over the reading for the previous day. The district weather bureau in Albuquerque said there are indications the day-to-day shower season, which started the first of the month, might now be over. Very little, if any, thunderstorm and shower activity was forecast for today or tomorrow, at least, and weather observers said the dry period might extend longer.

## Two American Carrier Planes Shoot Down Attacking Red Craft

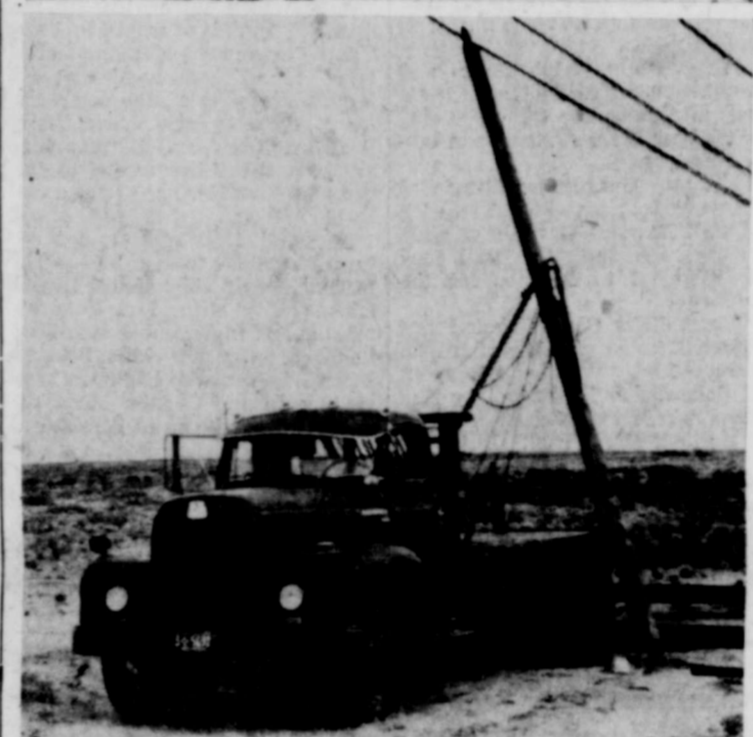

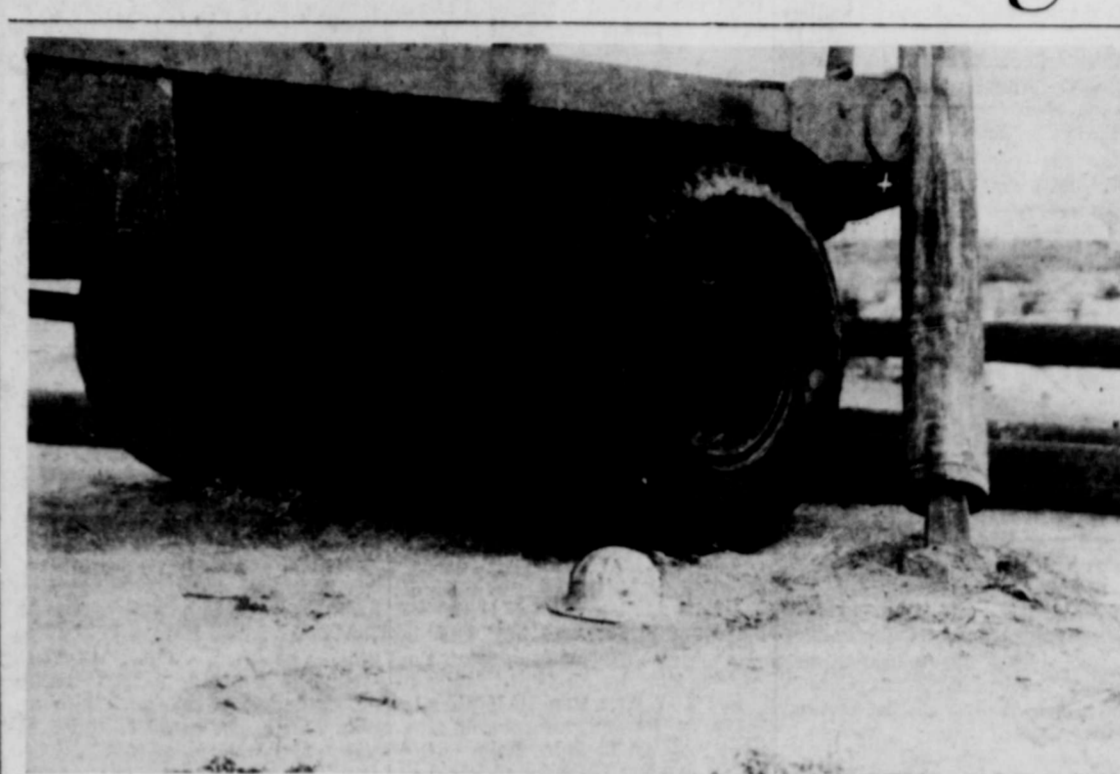

PHOTO ABOVE shows scene after Cecil Mitchell of Artesia, 46-year-old oil-field worker, was severely burned by a 7,200-volt electrical shock Thursday at Loco Hills. Mitchell's hat lies near wheel, his glasses in foreground. He was shocked when he picked up bailer at right.

PHOTO at left shows how bailer hit 7,200-volt REA line. Mitchell got out of truck to position bailer to drop it to ground, didn't see top was touching wires. Force of jolt knocked him against truck, injuring his face. (Photos, Paul Frost)

## U. S. Diplomats Denounce Red 'Brutality'

WASHINGTON — Two U. S. carrier planes shot down two Red Chinese fighters which jumped them as they were searching over the weekend for survivors of the British airliner downed by the Communists on Friday. The state department announced the incident today with a denunciation of "Chinese Communist brutality" in attempting to interfere with a humanitarian rescue. In a quick follow-up, Adm. Felix Stump, commander-in-chief of the Pacific fleet, told a news conference U. S. fliers are under instructions to be "quick on the trigger" if a hostile pass is made at them. Stump said the policy is this: "If any U. S. plane is attacked or approached with obvious hostile intent, it will fire back. In other words, you don't have to wait and get your head blown off to shoot back." In Congress, there were prompt expressions of support for the action of the U. S. airman. Arm. Stump identified the carriers which were sent to the rescue areas as the Philippine Sea and Hornet, and described them as part of a task force engaged in "fair weather training" in the Pacific. He would not give details as to the type of Chinese and American planes which took part in the incident. Reporters were advised that they could expect a more detailed statement later from Secretary of Defense Wilson. Stump said that orders to fight back if attacked have been traditional throughout U. S. history "in peace or in war." The admiral said the American planes were "well without the territorial limits" of Red China when the attack took place. There was some discussion over whether these limits were three or 12 miles off shore. (Continued on Page Six)

## Sweeping Juvenile Law Reforms Urged

SANTA FE, (AP) — Warning that two of every 100 major offenses are committed by juveniles, the New Mexico commission on youth has released a partial report on juvenile delinquency and made recommendations to Gov. Erwin L. Mechem. The report recommended modification of juvenile court practices to guarantee youths under 18 all the protection of the juvenile courts.

Six other sweeping recommendations were made to the governor. Mechem approved the partial report by Dist. Judge Robert E. Fox, commission chairman and James E. Sterner, executive secretary. Other recommendations included letting the juvenile court "have original jurisdiction over all children alleged to be delinquents," and that complaints against alleged delinquents be made under "oath by responsible persons," over 21 years of age. "This report shows that peace officers must be included in any study of the problem of juvenile delinquency," Fox and Sterner said in a letter to the governor. "By law they determine in the first instance more often than any one else that a juvenile has violated the law. As prudent persons, the peace officers are in a position to seek the services of the courts."

Mr. Jacobs was a guest this weekend in the home of Mr. and Mrs. Russell Rogers at Atoka.

## Captured Runaways Get Hair Cuts, Tickets Home

ALBUQUERQUE — Two run-away boys were in their Okla. City homes today — after getting a haircut. Their parents said that is the thing they needed most. The boys, Jerry Edward Wiggs and Gar Gravelle, each 16, were sporting a three-months growth of hair when they were picked up Friday by Bernalillo county sheriff officers in Albuquerque. They were brought back to Oklahoma City yesterday by Jerry's parents, Mr. and Mrs. Wallace Wiggs. Gar's father, Kenneth Gravelle, couldn't make the trip to Albuquerque. He is recuperating from two cerebral hemorrhages, which struck him after Gar left. The boys had struck out on their own June 4. They left a note saying they had a job on a ranch, took a car belonging to Jerry's father and started west. After spending a day in Juarez, Mexico, they drifted up to Las Cruces, and finally got a job on the ranch of U. S. Sen. Clinton Anderson (D-N.M.), south of Albuquerque. "We sure liked ranching," the boys said. "Maybe we'll try it again some time." Deputy Sheriff Sgt. Fred Gallegos picked up the two boys Friday while they were at a drive-in cafe getting a hamburger and a malt. After a routine check because the boys did not have the papers for the car, their identity was learned and the FBI notified their parents. "I sure am happy to have them back," Mrs. Wiggs said. "We didn't know where they went. We were real worried."

# NuMexers Hold 5 1/2 Game First Place Lead After Roswell Loss

## Surprise Pledged Fans, League's \$\$\$ Unhealthy

STEVE LANNING, president of Artesia Baseball club, is getting a reaction to his announcement that there'll be "a big surprise" during the first week of August.

The chief and immediate guess is that "Tugerson's coming" shakes his head non-committally, giving neither yes nor no.

That's more, it's hard to find one that has an informed guess as to the great mystery. Two weeks of suspense, yet.

THE FINANCIAL statement of Longhorn league, circulated in annual league meeting at Odessa Thursday preceding the Star game, shows the league is too healthy financially.

Artesia is the only club that doesn't owe the league something. The league's assets aren't exactly. The first item is an amount of \$721.76. Sweetwater's totals \$2,650, and accounts receivable amount to \$1,970.

The league has liabilities of \$3,225. They include an accounts payable item of \$3,204.72. The surplus account shows \$1,377.

Since Sept. 30, 1953, the league received \$16,583, spent \$15,811 and socked \$1,417.33 in surplus.

The league got its cash from 36 in tax accounts, \$8,400 in annual assessments, \$117.05 from Stern Union \$320 in fines, and in statistical sales.

Expense items are \$3,490 umpire salaries, \$5,476.11 for travel, \$1,507 for executive travel, \$906.56 for telephone, \$702 for telegraph, \$702 for telegraph, and \$354.45 for umpire expenses.

The report shows that Odessa missed paying its last two assessments, \$350 and \$100 respectively. Big Spring still has paid \$5000 in the second year and \$100 in the fourth.

Big Spring owes the league \$15 for the games of June 25, 26 and assessments (\$600). Head \$334.07 for exhibition league games, and Odessa \$71 for the league's cut on 22 games and assessments.

An Angelo owes the league on 44 admissions. Sweetwater is divvy up for 4,567 admissions.

The key accounts payable is to J. A. James, the league president, for \$2,015.68, the bulk of \$3,204.74 accounts payable.

An Angelo, Midland, Roswell, Spring, Odessa, and Carlsbad, owed small sums for the score account.

WE WOULD glean from the financial report that Odessa is not in good shape financially. San Angelo will not have an easy time paying off the league's cut on 14,000-plus admissions.

One expects the league to have an easy time in collecting the balance from Sweetwater.

MEANWHILE, THE great debate over scroll vs. jackets for the Star players continues. Can a ballplayer put his scrolls and his girl (or wife) when she is chilly? (Most ballplayers think last of putting a jacket or sweater under a cold, but this is beside the point.) Bill Keys, KSVP sportscaster, is especially bitter in observing change.

The scroll was decided on by the Pres. James, declared by J. A. James could write his name on it.

**FW, Auxiliary Late Barbecue Family Picnic**

Veterans of Foreign Wars post 45 and Auxiliary will hold a family picnic at 6:30 p. m. Thursday, July 29 at Artesia Municipal park. Barbecue will be furnished by the post, and each member will bring their own silverware, also a quart or salad.

Rhode Island, 37 by 48 miles, has coast line 400 miles long.

## Midland Still Winless in New Park, Colts Win 6-3

MIDLAND, (AP)—San Angelo bombarded lefthander Ralph Atkinson for five runs on four hits, including two homers, in the one third of an inning he pitched and Audie Malone experienced little difficulty holding Midland over the rest of the route for a 6-3 win here Sunday night.

San Angelo wrapped it up in a hurry. Lead-off batter Erwin Symanyk got a lift when centerfielder Tom Barton dropped his fly pop-up. Gonsalves fanned by but Paul Weeks lined a single past second baseman Terrasi. Hobbs, who has a habit of making life miserable for the Indians, rifled a homer over left field wall. Dub Graves singled to left and Hillis Layne cleared the right field wall.

After Jerry Fineman was walked, Harold Hacker was rushed in and allowed only one run—Symanyk's lead-off homer in the second—the rest of the way.

Joe Riney accounted for two Midland runs in the fourth with a homer over the right field barrier with Scooter Hughes, who had singled, on base.

The defeat was the seventh straight for the hapless Indians and they are still looking for their first victory in their new home.

## Shreveport Licks Dallas Twice, Ups First Place Lead

By The Associated Press

About this time last year Shreveport went into a baseball tailspin. It fell from first place to fifth and didn't get into the Texas league playoffs which the Sports won the year before.

Shreveport leads the race today but shows no signs of cracking.

The Sports had lost their two previous games Sunday but were the only club able to win a doubleheader. Shreveport whipped Dallas 2-1 and 8-5 and increased its lead over San Antonio to 3 1/2 games.

San Antonio split with third place Oklahoma City and fourth place Houston divided with Tulsa, so Shreveport gained all the way around.

Shreveport's double triumph made it a sad night for Les Fleming, the new Dallas manager. Fleming was making his home debut after taking over from L. D. Meyer, resigned.

San Antonio beat Oklahoma City 4-3 in the first game with John Janacek's relief pitching featuring for the Missions. He took over in the sixth and didn't allow a hit the rest of the way. Oklahoma City trimmed the Missions in the second 7-0, pushing three runs across in each of the fifth and seventh.

## Fleming Replaces Meyer as Dallas Eagles' Manager

DALLAS (AP)—Dutch Meyer resigned today as manager of the Dallas Eagles of the Texas league and was succeeded by Les Fleming.

Meyer, midway through his fourth season at the helm of the Eagles, resigned after a conference with Dick Burnett, Dallas oilman and sportsman who owns the Eagles.

It was apparently an amicable, joint agreement.

Burnett said Meyer will continue to work for him drawing the same salary as a baseball scout "and maybe in my oil business, too."

It was believed the move was made to get the Eagles back on the winning track. After winning the pennant and Dixie Series last year, the Dallas club is now in last place, despite some hefty talent purchases.

Fleming will be making his second try at managing in the Texas league this year. He started as manager of the Beaumont Exporters but was deposited in Mid-June and succeeded by Mickey Livingston.

## Sharp Pitching Gives Amarillo, Dukes Wins

By The Associated Press

Sharp pitching by Amarillo's Eddie Locke and three double plays by Albuquerque's infield featured Sunday action in the West Texas-New Mexico league.

Locke hurled Amarillo to an 8-3 victory over Plainview.

The Albuquerque twin killings saved a 5-0 shutout for Bud Bauerhofer over Lubbock.

League-leading Clovis beat second-place Pampa 7-3 in the other game to open up a 2-game lead in the league chase.

Albuquerque took a 4-0 lead in the first against Lubbock but from then until the eighth when the other run scored, it was a tight pitching duel.

Clovis got only nine hits off Joe Velasquez, but five were for extra bases.

Oilers added two insurance runs in the sixth on Jimmy Dan Pace's triple, Batson's single, and a double by Earl Caldwell, Jr.

Odessa is at Sweetwater again Monday night.

## Homers Make Difference As Pots Down Big Spring 11-10

BIG SPRING, (AP)—Carlsbad and Big Spring pulled the Alphonse and Gaston act here Sunday afternoon but the invading Potashers made far better use of the long ball to topple the Brones, 11-10.

The play of both clubs obviously was affected by a boiling sun. The Miners used four hurlers, the Brones three.

Seven of the Carlsbad runs came as a direct result of home runs. Raul Dieppa and Oliver Hardy hit back-to-back round trippers in the first inning.

Art Herring clubbed a three-run four-master in the sixth and Hardy got another, a two-run round-tripper, in the seventh.

Bob Weaver, second Carlsbad hurler to see action, was ordered out of the game in the ninth for

## MAJOR LEAGUE ROUNDUP—

### Cleveland Indians Fail to Sweep New York Series, But Fans Begin Talking Pennant

By JOE REICHLER  
AP Sports Writer

The Cleveland Indians failed to sweep the Yankee series in New York yesterday but they have gained a new-found respect all over the American league.

Back home today after a successful road trip, the league-leading Indians found the home town fans talking pennant for the first time this season.

The Indians arrived in New York Friday with a thin half-game edge over the Yankees and left Sunday night a game and a half ahead. That was not exactly winning.

The Yankees nipped the Indians 4-3 in 11 innings yesterday but the Tribe's satisfaction over victories Friday and Saturday was not dimmed.

In the National league, the New York Giants' lead was whittled down to four games yesterday as the second-place Brooklyn Dodgers defeated St. Louis 2-1 while the Milwaukee Braves were walloping the Giants 7-5 for a sweep of the three-game series. The Dodgers meet New York at Ebbets Field tonight.

Chicago's surprising Cubs downed Philadelphia twice, 6-1 and 2-1. Pittsburgh and Cincinnati divided a doubleheader, the Pirates winning the opener 4-2 and the Redlegs taking the nightcap 3-2.

Chicago's third-place White Sox climbed to within six games of the pace-setting Indians in the American, sweeping a twin-bill from Boston 5-2 and 4-2. Jack Harshman, rookie Chicago lefthander, struck out 16 Red Sox batters—two short of Bob Feller's major league record—in the opener.

Washington protected its fourth-place hold by beating the Detroit Tigers 11-3. Frank Spec Shea won his first game of the season. Philadelphia's Athletics buried the Baltimore Orioles deeper in the cellar with 9-4 and 6-4 victories.

Cleveland enjoyed a 3-1 lead over the Yankees until the seventh. Mike Garcia, seeking his 13th victory, was chased in that inning when the Yankees tied the score on pinch hitter Eddie Robinson's double with the bases loaded. Rookies Bob Grim of N. Y. and Ray Narleski of Cleveland battled on even terms from the eighth until the 11th, when the Yankees filled the bases on walks to Mickey Mantle and Gene Woodling and an infield single by Irv Noren. Andy Carey hit past a drawn-in infield to break up the game.

### NuMexers' Two Spuder Wins Up Lead to Loop's Biggest

Artesia's NuMexers twice defeated Sweetwater this weekend to shove their lead to 6 1/2 games over second-place Roswell before meeting the Rockets Sunday night.

Last night's loss cut the NuMexer advantage back to 5 1/2 games, but an Associated Press check of official league records shows the 5 1/2 game margin in first place is the largest held by any club in the league so far this season.

Friday Artesia won over Sweetwater 8-5 in 10 innings, Saturday night 9-4.

In Saturday's game Floyd Economides collected four hits, including a two-run homer, to lead Artesia to a 9-4 Longhorn league win over Sweetwater.

Economides four-master was one of four circuit bouts of the night as Ken Cluley and Bill Looney connected for the Spudders and Dean Smith connected for Artesia.

Charlie Tuttle led the Sweetwater attack with two doubles.

Friday night Frank Gallardo's sacrifice fly scored Economides with the winning run as Artesia defeated the Spudders 8-5 in 10 innings.

### Youngster Wins Western Amateur Golfing Tourney

SEATTLE (AP)—A wavy-haired youngster from Portland, Ore.—21-year-old Bruce Cudd—is the Western Amateur golf champion today because he shrugged off his setbacks and outlasted his opponents.

Cudd, a senior at Portland university, trounced shy but stubborn Phil Getchell of Medford, Ore., one up in 37 holes yesterday to win the crown. He is the first Northwesterner to capture the Western since Marvin Bud Ward of Spokane grabbed it for the third time in 1947.

### Campanella Accepted as UNM Enrollee

ALBUQUERQUE (Special)—An all-state class AA football guard from Artesia has indicated he will enroll at the university of New Mexico next fall.

Louie Campanella, 173-pound Bulldog star, has applied to and been accepted by the UNM office of Admissions, according to J. C. MacGregor, registrar.

Campanella was considered one of the finest high school linemen in New Mexico in 1953 and was a near-unanimous choice to the all-state team.

Selected as a member of the South squad for the annual North-South all-star football game at Albuquerque in August, Campanella is one of six all-star selections who have so far made plans to enroll at the university in September.

He will join other former Bulldog stars A. L. Terpening, Bobby Morgan, Jim Briscoe, Jimmie Jerez and Bill Brown on the UNM grid roster.

### Mud Slows Horses, Not Betting at Ruidoso Downs

RUIDOSO, (AP)—A muddy track slowed the horses but not the betting at Ruidoso Downs yesterday. The total pari-mutuel handled was \$118,610.

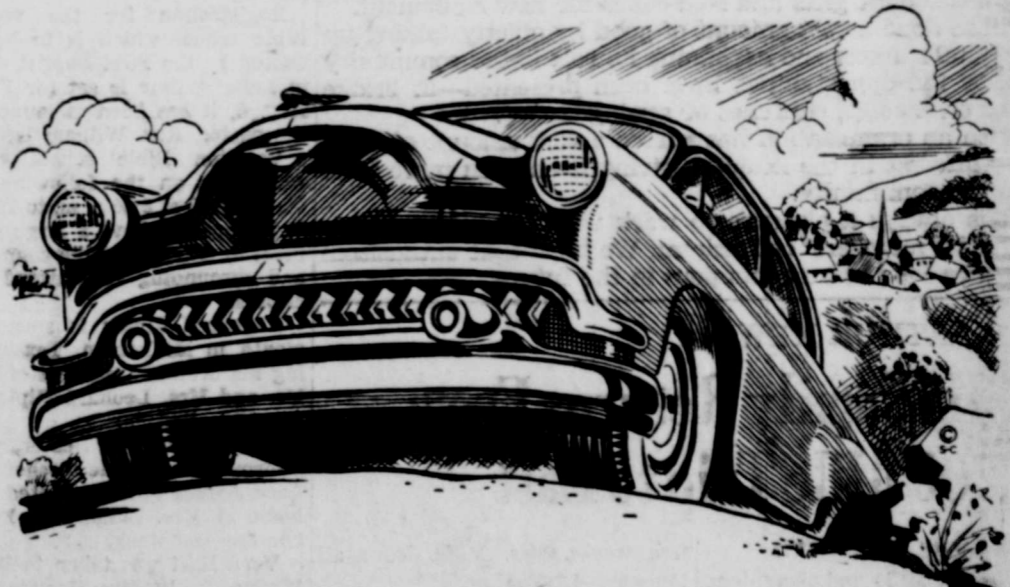

Hookahy, owned by F. Turner Jr. of Midland, Tex., won the featured 11th race, seen by some 4,150 fans. The Texas horse race the six-furlong distance in 1:17.2.

### Estimated 5,000 Pay \$154,960 at La Mesa Windows

RATON, (AP)—An estimated 5,000 fans poured \$154,960 through the pari-mutuel windows at La Mesa park yesterday, the second highest total of the season.

Tortoise captured the featured 11th race, running the mile and 70 yards in 1:44.4. Tortoise, owned by F. and L. Tortoise, and C. Yocum of Trinidad, Colo., closed fast in the stretch to beat Mr. Jean by a length.

Hereditry Is Seen Chief U.S. Factor

AP Newsfeatures AMERICAN WAYS OF LIFE By George R. Stewart - Doubleday.

A year ago Stewart was a Fulbright lecturer telling the Greeks what America and Americans are. He has expanded his lectures into this book telling Americans themselves.

The intriguing topic is discussed under a dozen headings—land, colonists, language, food, drink, clothing, shelter, sex, the arts and so on.

His conclusion is that while environment had its effects, heredity played the more important role. A sampling of his many interesting facts is too diversified to prove anything except their readability—

that we were at our dullest in the first quarter of the last century, that we've been stupid about clothes, that staid New England had more influence on our sex life than the rollicking frontier.

Yet I wonder whether Stewart has made the most of his absorb-

With Advance Preparation, Moving Day Job Is Easier

BY VIVIAN BROWN AP Newsfeature Writer MOVING DAY is a backbreaking chore. As a matter of fact long before the big day the lady of the house is quite at her wit's end organizing the multitude of loose ends to move to a new home.

Many women prefer to do the entire job themselves. But most moving companies offer the services of the moving man to help with the packing as well as the moving. If you give him a floor plan of the new home, he'll even set the furniture down where you want it.

If you can't afford to turn the entire job over to a professional mover, your moving man will tell you how to organize your efforts and belongings.

THERE ARE things which may be done long in advance. Plan to leave all yellowed magazines and letters. Clean out attic, cupboards and closets. Wash stored clothes, blankets, draperies and other extras that might be dusty.

Small rugs, slippers, window dressings may be laundered a week or so before moving and put on hangers ready to move to the new home.

Rugs too big for the washer may be scrubbed clean on the floor with soapsuds and stiff brush. When dry, they may be

### State Patrolman Is One of Three Injured in Wreck

ALBUQUERQUE, (AP)—State Police Officer Melvin McGuire was reported in "satisfactory" condition today at Bataan hospital following a traffic accident in which he and three others were injured.

Less seriously injured when two state cars were rammed by a Portales produce truck, were Mrs. Bud Rice, wife of the Budville justice of the peace, and two State Highway Department employees, Cruz P. Montano, 63, of San Rafael, and Nabor Gonzales, 54, of Cubero.

Hospital attendants said the extent of the state policeman's injuries were not fully determined, but he was not considered in serious condition.

State Police Officer Ray Freeman said a semi-trailer truck owned by Albert J. Mize of Portales ploughed into a roadblock consisting of the State Police car, containing McGuire and Mrs. Rice, and the highway department truck with the two other men inside.

The truck driver, Claude L. Shaw, 32, of Lovington was not injured. He was charged with reckless driving.

The roadblock, four miles east of Budville on U. S. 86, was to warn motorists of waters from a flash flood partially blocking the highway.

### Two-Run Homer is Winning Blow for Minor Sidewinders

Rickey Ford poled a two-run homer with one away in the last inning Friday to break a 9-9 deadlock between the Sidewinders and Sluggers of the Little League minors. Sidewinders won 11-9.

Ernie Hegwer, in his first relief role of the season, won his first title and chalked up the Sidewinder's third in the second round of play.

Barney Mays, Sluggers fireman, gave up the game winning four-master after hitting the Sluggers into the 9-8 lead in their half of the last inning with a grand slam homerun.

The win gave the Sidewinders a sure tie for the second round championship. Both teams meet each other twice this week. The Sluggers will bow out of the race if they drop just one of their two games.

Sluggers 3 1 0 5—9 6 4  
Sidewinders 1 4 3 3—11 7 3  
Batteries: Sluggers—Villa, Mays, and Mays, Villa Loser Mays (1-1).  
Sidewinders—George, Hegwer, and Deezel. Winner Hegwer (1-0).

### Proving Ground Gets New CO To Replace Eddy

WHITE SANDS PROVING GROUND — Brig. Gen. W. L. Bell, Jr. today assumed command of White Sands proving ground. He succeeds Brig. Gen. George G. Eddy, who will retire after 38 years in the Army.

Bell relieves Col. Homer D. Thomas as post commander.

Col. Thomas, who has acted as post commander since June 15, will resume his duties as executive officer.

Gen. Bell, 50, long a prominent figure in ordnance activities, comes to White Sands from Picatinny Arsenal at Dover, N. J., where he was commanding officer from July 1953 and commanding general since early in 1954 when he attained his present rank.

In 1942 and 1943 he served in the office of chief of ordnance as

### State's Traffic Toll Is Hiked By Tourist Death

SOCORRO — New Mexico's grim toll of traffic dead raised one more notch yesterday morning with the death of a Massachusetts woman.

The count now stands at 189 for the year, compared with 201 at this time last year.

State Police identified the dead woman as Mary Bramante, about 35, of Fitchburg, Mass. She was killed and five others injured when the car in which they were riding overturned 2 1/2 miles west of Socorro Sunday.

Miss Bramante, who was driving, apparently fell asleep at the wheel, police said. The car left the road, hit a shoulder, recrossed U.S. Highway 60 and overturned, throwing the driver from the car.

She was pronounced dead on arrival at a Socorro hospital.

The injured were listed as Teresa Roy, 22, Teresa Legere, 23, Louise Richards, 22, Loraine Melverson and Doris Blouin, all of Fitchburg, Mass.

"I will exert every ounce of leadership at my command to help enact that program."

### El Paso Woman New Champion At Cloudercroft

CLOUDCROFT, (AP)—Mrs. C. D. Lee of El Paso is the new champion of the Cloudercroft Woman's Invitational golf tourney.

She took the title yesterday by topping Mrs. W. A. Evaridge of Odessa 1 up in the final match. The two finalists see-sawed the lead between them for the first 14 holes, but Mrs. Lee grabbed an edge and went ahead to stay on the 15th.

Audria Palmer of Las Cruces won the title in the first flight with a 6 and 5 decision over Rubye Warren of Anthony. In the first flight consolation, Mrs. W. C. Gilmore won by default from Mrs. Bula Skinner of Austin.

### Committee

The committee and commissioners also issued an open letter, which reads as follows:  
The county commissioners, at the request of the state highway department, have given the Eddy county portion of the debenture fund surplus deep consideration and we hope the distribution of funds will be satisfactory with the state highway department and the people of Eddy county.

Stump commented, that "the three-mile limit is very well recognized although some claim different territorial limits."

However, he did not say just how far off shore the U. S. planes were flying at the time of the attack.

Stump, whose headquarters are at Pearl Harbor, disclosed that there are four U. S. carriers in the Southeast Asia area.

Asked whether he thought this force was "strong enough to take care of itself" under any eventuality, the admiral said "I think so."

In response to another question as to whether he thought the Communists would be more careful about plane incidents in the future, Stump said:

"I would hope so but I don't know how much trouble they want."
