## Flanders Denounces McCarthy 'Fifth Amendment Senator'

### Bid Accepted On Highway 83 Paving

A low bid of \$327,000 to blacktop 6.3 miles of highway 83 west of Mayhill in Lincoln national forest has been recommended for acceptance.

Dist. Engineer W. J. Keller of the U. S. bureau of public roads said today Lowdermilk Bros. of Espanola were low bidders on the project.

Keller has recommended the bid be accepted.

Completion of the project will leave less than nine miles of unpaved road on highway 83 through the forest.

The paving has been sought by Artesia, Alamogordo, and Sacramento mountain leaders.

When completed, it will provide a shortcut to White Sands national monument, junction of U. S. 80 and 85 at Las Cruces, El Paso, and Juarez from Eastern New Mexico.

Completion of the road is also expected to spur the mountain economy, hindered by damage to trucks and tourists' autos from the rugged, unpaved road.

It is expected Artesia Chamber of Commerce officials, who have been instrumental in working for the road, will seek paving the remaining unpaved stretch during the next fiscal year.

### Hope Will Seek Consolidation

Consolidation of the Hope schools with district 14 of Chaves county will be the object of a trip to be taken by a group of Hope people to the regular meeting of the state education board Monday.

The group, composed of Mrs. Ethel Altman, Mrs. Anderson Young, C. R. Barley, and George Casabonne, was extended an invitation to attend the meeting by state school superintendent Tom Wiley. They will leave Sunday for Santa Fe.

The Hope delegation has been promoting the consolidation for several months. They have been trying to keep their schools from being absorbed by the Artesia system.

Petitions signed by 41 residents of the western community and the mountain area west of it called for consolidation of the former Hope school district with the Chaves district.

The Artesia school board has passed a motion saying it has no objection to Hope seeking the consolidation.

Hope's school system was consolidated with Artesia public school in 1953 during the consolidation of Eddy county schools.

The state board of education at that time recommended an elementary school be maintained in Hope, and that the area's high school students be brought the 26 miles into Artesia.

The Hope consolidation with Artesia school is scheduled to go in effect this fall, and Artesia school officials have prepared for the event.

### Arizona City Devastated By Cloudburst

GLOBE, Ariz., (AP)—Striking with lightning fury, a cloudburst cut a wide swath of devastation through homes today, wrecked business buildings and twisted paving.

The storm hit the hardest at a six-block section of downtown Globe. Damage was estimated at nearly two million dollars.

It was the worst weather blow suffered here since 1904.

Fifty buildings, most of them in the south end of the main street on U. S. highway 69-70, were destroyed by raging waters rushing down from Sixshooter canyon south of town. Homes and businesses a mile away were flooded.

National Guard units were rushed into the area. A state of emergency was declared by Mayor Louis Rames, and Gov. Howard Pyle promised to "put the full resources of the state at your command."

All during the night highway patrolmen, sheriff's deputies, civil defense workers and police worked to clear debris from the main streets and prevent looting of smashed open stores. But police said "lots of looting was done—and we couldn't help it."

The rampaging flood pulled down a mile of power lines and several power poles and washed out two gas mains.

Three trailer houses were re-located.

### Artesia's Second Polio Case of Year Is Reported

Artesia's second polio case within a week has been reported.

The victim is 12 year old Cortney Gwynne, son of Mr. and Mrs. Don Gwynne, 1206 Runyan.

He was taken sick yesterday. Following laboratory analyses by local physicians, he was sent to Southwestern General hospital, El Paso.

His case was diagnosed as bulbo spinal poliomyelitis. Paralysis has not yet set in yesterday.

Last Saturday Robert Denton, 7, was hospitalized at St. Mary's hospital, Roswell, with what was described as non-paralytic polio.

## School Opening Just Around Corner, Registration Slated

Don't look now, but the opening of Artesia schools is just around the corner.

George P. White, director of instruction, today said all schools in the Artesia district will open their doors at 9 a. m. Monday, Aug. 30.

Enrollment for new students will start Monday, Aug. 16, and continue through Aug. 27.

White said new students are those who were not in school in Artesia last year and did not enroll in the pre-school clinic.

Registration at all schools will be held from 9 a. m. to 4 p. m. Monday through Friday during the Aug. 16-27 registration period.

White urged parents of new students to bring birth certificates and report cards when registering their children.

New students should be registered at the school they will attend. The school districts are as follows:

Central school—everything north of Bullock to Chisum street and everything east of Ninth between the above streets, including the Continental camp.

Hermosa school—Area south of Bullock, Garst, and Sherman streets. All children, including those who plan to attend the Atoka school from this area will go to Hermosa.

Park school—Everything west of Ninth street between Bullock and Chisum, west of Eighth between Chisum and Lolita, and west of Tenth north of Lolita.

Roselawn—All students from Carver school, everything north of Chisum to Lolita east of Eighth street and east of Tenth street north of Lolita.

The highway is the boundary on the east for Roselawn children, with the exception of those living north of the Continental camp in the morningside addition.

White urged that parents with any question over boundaries feel free to call any school principal or the school administrative office.

He also issued a comment of thanks to parents of children who will be bussed to Atoka, due to lack of room at Hermosa until an addition now under construction is completed.

### Charges Solon Brings Senate In Disrepute

WASHINGTON, (AP)—Sen. Flanders (R-Vt.), denouncing Sen. McCarthy (R-Wis.) as one who "can scarcely avoid being called a Fifth Amendment senator," asked the Senate today to censure McCarthy for conduct that "tends to bring the Senate into disrepute."

Flanders presented in a prepared address what he termed a "bill of particulars" accusing McCarthy of contemptuous refusal to answer questions raised by a Senate rules subcommittee in 1950 concerning McCarthy's integrity.

"If he (McCarthy) continues to refuse answering," Flanders said, "he finds himself in the same category as the Fifth Amendment Communists. He is quite evidently occupying the same ground and can scarcely avoid being called a Fifth Amendment senator."

"This first item of the bill of particulars affects the Senate's honor and is therefore pertinent to the censure resolution."

Flanders said other items in his "bill of particulars" are that:

1. "The Senate's honor and, in addition, the nation's honor have been compromised by the senator's irresponsible staff."

2. "The senator has a habitual contempt for people which included, Flanders said, the use of abusive language to Brig. Gen. Ralph W. Zwicker, a decorated war hero, "that no one with any human decency would have used."

Flanders said the row which provoked the recent televised McCarthy-Army hearings might never have occurred "if the secretary of the Army Robert T. Stevens had not tried to appease the senator."

"I think one may say with some assurance," Flanders continued, "that there are three who cannot be appeased. They are, or have been, Hitler, the Kremlin, and the senator."

Flanders said the loss of McCarthy's efforts from the field of Red hunting, if it happens, "will be no loss at all to the anti-Communist campaign."

"The senator's contributions have been minor and comparatively unimportant," he declared.

Flanders said the Senate must hold McCarthy responsible for what he termed irresponsible conduct by Roy M. Cohn, former chief counsel to the Senate investigations subcommittee, and G. David Schine, a non-salaried consultant, on a trip to Europe last year to investigate the U. S. information program.

### Paulins to Take Extended Vacation Manager Named

Mr. and Mrs. Wayne Paulin and children left Thursday on an extended vacation with destination unannounced.

Calvin Terpening will be manager of Paulin Funeral Home during the Paulin's absence. Terpening, his wife, and son will occupy the Paulin's residence.

Terpening is a local man. He worked for Mr. Paulin from 1947 to May 1950 and then went to Mason Funeral Home at Hagerman for two years. He was at Green Funeral Chapel at Hobbs for one year.

He is the son of Mrs. Hester Terpening, and brother of Bill Terpening, both of Artesia.

### Mystery Farm Is Identified as I. P. Johnson's

Sharp eyed Artesia Advocate readers have identified Thursday's mystery farm as the I. P. Johnson farm, Cottonwood.

First to identify the farm was A. D. Shaw, who telephoned at 3:40 p. m. yesterday the first identification of the farm. His identity was confirmed by Bill Johnson, son of the farm's owner.

Shaw will receive a one-year subscription to the Artesia Advocate as his prize. Johnson will be presented the original glossy aerial photo of his farm.

Second to correctly identify the farm was deputy sheriff John Buck, who entered his guess in the name of the Artesia Police department. Third was Gilbert Kreamer.

Other correct guessers in order of guesses received were Bill Johnson, Mrs. Don Menefee of Lake Arthur, Mrs. Robert McCaw, Bill Rogers, Mrs. W. M. Ross, Allene Amos, Carl Everett, Mrs. Royal Butts, C. H. Berry, Miss Peggy Hanna, F. O. Ashton, Mrs. Norman Prude, and Martha Dampf.

### Shriners Kick-Off Kids' Ticket Sale for Circus

If Artesia Shriner's annual Shrine circus is as successful as their ticket-sale kick-off dinner last night there's nothing to worry about.

Nearly 200 Shriners, Masons, their families and guests attended a barbecue supper at the W. T. "Doc" Haldeman home east of Artesia to kick off ticket sales.

Members were given children's tickets to be sold to Artesia merchants, who make possible free admission for all children in the Artesia trade territory to the Shrine circus.

Deadline for the ticket sale was set at this Saturday.

The circus is scheduled Aug. 9 and 10 at Artesia Municipal park. Four performances—daily matinee and evening performances—are scheduled. Children will be admitted with free merchants' tickets to the matinee.

Admission will be charged children attending the evening performances.

Meanwhile, reserved tickets are on sale today and Saturday at Southwestern Public Service Co. for holders of box seats at Municipal auditorium.

### Complete Christmas Program Held by Methodist Women

Reception room in Fellowship Hall of First Methodist church was the setting for a Christmas-in-July party Thursday morning.

The lace covered serving table had a centerpiece of Christmas greens, pine cones, red and silver glass balls, and was lighted by two tall green candles.

The worship center was a small linen covered table with an open Bible, a white figurine of a woman with her head bowed in prayer, and a ciret of gold leaves at her feet. This was lighted by a candleabra holding three red sandles.

The fireplace was in the Christmas tradition with stockings hanging from the mantle. A lighted Christmas tree and a lighted church decorated the mantle.

Mrs. Maurice Hall played a prelude of Christmas music Mrs. Owen Haynes, program chairman, opened the program with a short talk on "The Spirit of Christmas," Mrs. Keith Dampf led the group in

singing, "There's a Song in the Air."

A duet, "O Holy Night," was sung by Mrs. Keith Dampf and Mrs. Wallace Johnson. Mrs. Howard Miller gave a short report on an article, "The Keeper of the Inn," then told an original story, "A Christmas Paradise." The scripture was read by Mrs. Owen Haynes. The group sang "Silent Night, Holy Night," to close the program.

A Horn O'Plenty trimmed with a bow of red ribbon and red Christmas balls was the recepticle for the offering. At counting time it yielded \$99.41.

Cranberry punch, Christmas cookies and mints were served from the refreshment table to 50 members of the Woman's Society of Christian Service and to 14 guests. Mrs. H. L. McAlester and Mrs. H. L. Green presided at the punch bowl.

### Eighteen New Mexico Girls Attend Homemakers Meeting

Eighteen New Mexico girls met in Albuquerque to attend the Pacific Regional Future Homemakers of America meeting held on the campus of Utah State Agricultural College at Logan, Utah, July 20-23.

Among these 18 were two local girls, Bobbie Freeman, state FHA president, and Marion Simmons.

The delegates traveled in cars to Logan with five FHA advisors including Miss Catherine Dicks, state FHA advisor.

The girls left Albuquerque the morning of July 18 and arrived in Logan, July 19. While enroute to Logan, they stopped in Salt Lake City, and took a tour of the famous temple square.

The theme of the meeting was "Are You A Leader for Better Homes." Three hundred and six girls represented the 11 states in the Pacific region, and Alaska, and Hawaii.

The highlights of the convention were the speeches given by Dr. John Keltner and Mrs. Verna Hitchcock, consultants. Dr. Keltner and Mrs. Hitchcock included in their talks the responsibilities of individual families and clubs to their communities. Their talks were thoroughly studied by the girls in group discussions.

A New Mexico girl, Joy Griffin from Floyd, received one of the highest honors of the organization by being elected to the office of vice president of the Pacific region. Joy will represent 11 states at the national executive meeting and will preside over the next regional meeting.

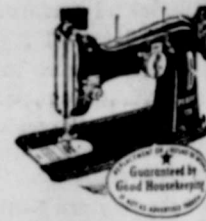

Bertha Silva of Anthony was selected to serve as a national committee member and will work "Teen Times," a magazine for the members.

## It's the Hit that's writing New History

TAKE a look, if you please, at the tear and the styling that are changing historic sales standings.

Take a look at the beauty and the buy called Buick—the car that is forging ahead to new sales heights in the 1954 market.

Take a look at the new best seller that has moved into the "Big Three" of the nation's top sales leaders—into that very exclusive circle that for two decades has held only the so-called "low-price three."

For today, as national sales figures for the first five months reveal, Buick is outselling all other cars in America except two of these "low-price three." And each new

month firms Buick's new position.

It takes solid worth to bring this about—a lot more automobile per dollar in Buick than in other cars.

But it also takes the glamorous new tomorrow styling that is Buick today. It takes the highest V8 horse-powers, Series for Series, in all Buick history. It takes the room and comfort and ride and handling that are Buick's proud tradition.

And it takes a range of cars to satisfy a wide range of people—with prices that most people can well afford. So you find the low-priced SPECIAL, the high-powered CENTURY, the extra-spacious SUPER, and the custom-built

ROADMASTER—the four big reasons for Buick's tremendous sales success.

Come in for a demonstration and you'll see what we mean.

With the years-away styling of this glamor car, you'll be way ahead at resale time. And right now you're money ahead with the big trade-in allowance our volume sales can bring you. Drop in this week.

**men wanted!**

**G**OD give us men! Strong men, rugged men, men with ideals lofty as our mountains. Men with clean hearts and dedicated souls! God give us men who dare to PRAY—in the office, in the home, in the church. Give us wise men who draw daily from the MOST HIGH. "It is not by MIGHT nor by POWER, but by MY SPIRIT," saith the Lord.

# Complete Christmas Program Held by Methodist Women

Reception room in Fellowship Hall of First Methodist church was the setting for a Christmas-in-July party Thursday morning.

The lace covered serving table had a centerpiece of Christmas greens, pine cones, red and silver glass balls, and was lighted by two tall green candles.

The worship center was a small linen covered table with an open Bible, a white figurine of a woman with her head bowed in prayer, and a circlet of gold leaves at her feet. This was lighted by a candelabra holding three red candles.

The fireplace was in the Christmas tradition with stockings hanging from the mantle. A lighted Christmas tree and a lighted church decorated the mantle.

Mrs. Maurice Hall played a prelude of Christmas music. Mrs. Owen Haynes, program chairman, opened the program with a short talk on "The Spirit of Christmas." Mrs. Keith Dampf led the group in

singing, "There's a Song in the Air."

A duet, "O Holy Night," was sung by Mrs. Keith Dampf and Mrs. Wallace Johnson. Mrs. Howard Miller gave a short report on an article, "The Keeper of the Inn," then told an original story, "A Christmas Paradise." The scripture was read by Mrs. Owen Haynes. The group sang "Silent Night, Holy Night," to close the program.

A Horn O'Plenty trimmed with a bow of red ribbon and red Christmas balls was the receptacle for the offering. At counting time it yielded \$99.41.

Cranberry punch, Christmas cookies and mints were served from the refreshment table to 50 members of the Woman's Society of Christian Service and to 14 guests. Mrs. H. L. McAlester and Mrs. H. L. Green presided at the punch bowl.

# Women Golfers To Enter Bid For Tourney

# Eighteen New Mexico Girls Attend Homemakers Meeting

Eighteen New Mexico girls met in Albuquerque to attend the Pacific regional Future Homemakers of America meeting held on the campus of Utah State Agricultural College at Logan, Utah, July 20-23.

Among these 18 were two local girls, Bobbie Freeman, state FHA president, and Marion Simmons.

The delegates traveled in cars to Logan with five FHA advisors including Miss Catherine Dicks, state FHA advisor.

The girls left Albuquerque the morning of July 18 and arrived in Logan, July 19. While enroute to Logan, they stopped in Salt Lake City, and took a tour of the famous temple square.

The theme of the meeting was "Are You A Leader for Better Homes." Three hundred and six girls represented the 11 states in the Pacific region, and Alaska, and Hawaii.

The highlights of the convention were the speeches given by Dr. John Keltner and Mrs. Verna Hitchcock, consultants. Dr. Keltner and Mrs. Hitchcock included in their talks the responsibilities of individual families and clubs to their communities. Their ideas were thoroughly studied by the girls in group discussions.

A New Mexico girl, Joy Griffin from Floyd, received one of the highest honors of the organization by being elected to the office of vice president of the Pacific region. Joy will represent 11 states at the national executive convention meeting and will preside over the next regional meeting.

Bertha Silva of Anthony was selected to serve as a national committee member and will work on "Teen Times," a magazine for teen members.

# It's the Hit that's writing New History

TAKE a look, if you please, at the tear and the styling that are changing historic sales standings.

Take a look at the beauty and the buy called Buick — the car that is forging ahead to new sales heights in the 1954 market.

Take a look at the new best seller that has moved into the "Big Three" of the nation's top sales leaders — into that very exclusive circle that for two decades has held only the so-called "low-price three."

For today, as national sales figures for the first five months reveal, Buick is outselling all other cars in America except two of these "low-price three." And each new

month firms Buick's new position.

It takes solid worth to bring this about — a lot more automobile per dollar in Buick than in other cars.

But it also takes the glamorous new tomorrow styling that is Buick today. It takes the highest V8 horsepower, Series for Series, in all Buick history. It takes the room and comfort and ride and handling that are Buick's proud tradition.

And it takes a range of cars to satisfy a wide range of people — with prices that most people can well afford. So you find the low-priced SPECIAL, the high-powered CENTURY, the extra-spacious SUPER, and the custom-built

ROADMASTER — the four big reasons for Buick's tremendous sales success.

Come in for a demonstration and you'll see what we mean.

With the years-away styling of this glamor car, you'll be way ahead at resale time. And right now you're money ahead with the big trade-in allowance our volume sales can bring you. Drop in this week.

# NuMexer Lead Shaved With 6-4 Loss to Odessa, Roswell Win

ODESSA. (AP)—Righthander Ray Mink scattered 13 Artesia hits here tonight as he pitched Odessa to a 6-4 win over the league leaders.

Mink struck out five, walked only one, and left 10 enemy runners stranded.

The Oilers scored once in each of the first four innings and then counted twice in the fifth to wrap up the victory before a crowd of 541.

Gilbert Johnson was the loser, allowing three runs and three hits before being relieved by Jose Gallardo in the third.

Odessa centerfielder Chuck Steele hit a solo homer in the second.

The same clubs wind up their two-game series here Friday night.

The loss and Roswell's win over Sweetwater cut league-leading Artesia's lead to 5 1/2 games.

Odessa scored in all first five innings. Artesia was able to get over only singles in the first and ninth, and a pair in the sixth.

The NuMexers outhit the Oilers 13-9, but were unable to bring batters around. Artesia left 10 on base, Odessa 6.

After tonight's game at Odessa the NuMexers got to San Angelo for games Saturday and Sunday night. Odessa will be Artesia's guest Monday and Tuesday.

## Roswell Nips Sweetwater For 8-2 Win

ROSWELL. (AP)—Lefty Tom Sawyer tossed his twelfth victory of the season here tonight, stripping Sweetwater on a neat seven hit, nine strike-out job.

The Rockets handed him a fast 7-1 lead after three innings and the wiry southpaw coasted on in.

In the second frame Roswell scored enough runs to win, plating five runners. Frank Salfran's triple was the big blow and Ossie Alvarez's clean swipe of home was the "running" high spot.

Chico Recio drove in both Spudder tallies, the initial one coming in the first on a line single and the final on a solo homer in the eighth.

Starter Don Stevens was around until the third, when ex-Rocket Pedro Moreno took over. Moreno was touched for just one run in his relief stint.

## Big Spring Clubs 20 Hits, Piles Up 13-4 Win on Colts

SAN ANGELO. (AP)—The Big Spring Broncos clubbed out 20 hits and a 13-4 win over the San Angelo Colts with every member of the team getting at least one hit.

It was an easy win for the visitors, the Steeds getting to Audie Malone for nine runs in the first four innings, as Aramis Arencibia limited the Colts to 10 hits.

Bob Hobbs got the first hit and run for the Colts with a second inning home run, but the visitors got circuit clouts from Bob Martin and Jim Zapp.

Bob Martin had a busy night, driving in four runs with his homer and two singles. Brother Floyd hit a three-run double and Julio de la Torre brought in two runs with four singles.

After two were out in the first, Floyd walked and scored on Bob's first hit of the night. Floyd doubled with the sacks loaded in

the second and raced home on a single by de la Torre to give the slender right hander a 6-0 lead.

Zapp homered in the third and two infield singles, a sacrifice fly, and a single by Bob Martin hit two more in the fourth. Martin hit his two-run blast in the sixth and the visitors got two more in the eighth on a walk, an error, and singles by Pete Simone and Arencibia.

Jerry Fenneman singled in runs for the Colts in the fourth and sixth innings with Russ Agne plating Hillis Layne, who had opened the ninth with a double.

Norman Rousselet will hurl for the Colts Friday with Al Hill going for the Steeds.

## Midland Pitching Handcuffs Potashers for 3-0 Victory

CARLSBAD. (AP)—Romarico Soto and Julio Ramos combined their pitching talents to handcuff the Carlsbad Potashers and stick them with a 3-0 loss here tonight as the Midland Indians won a close ball game.

It was the third loss in the last four games for the crippled Potashers.

Soto, the starter, went seven and two-thirds innings and got credit for the victory—his ninth against four losses—before needing help from Ramos.

Errors helped the Tribe to notch their first two wins. With one out in the fifth inning and Paul Ortosky on second and Chuck Terrasi on first, Soto sent a runner back to Carlsbad pitcher Dario Jimenez threw wildly to third base on an attempted force play, and Ortosky scooted home with the first tally of the game.

Ben Jones opened the eighth for Midland with a double and went to third on an infield out. Bud Hull drew an intentional walk to set up a double play, but when he tried to steal second he apparently was trapped in a run-down until shortstop Raul Dieppa threw the ball past first baseman Elias Osorio. Jones scored on the play.

The Indians got their final run on back-to-back doubles by Ortosky and Terrasi in the ninth.

The Potashers, limited to a stingy four hits by Soto and Ramos, threatened only twice. In the

## Charles Is Only Ex-Champ to Get Third Chance

NEW YORK. (AP)—Ezzard Charles may never go down as the greatest heavyweight champion, but he will have his own little niche in the history of the ring.

The little Cincinnati Negro will be the first ex-champion ever to get three cracks at winning back his title. He lost the crown to Jersey Joe Walcott, dropped a return decision to Jersey Joe, then lost another decision to Rocky Marciano.

Now he's going to get a second crack at Marciano, here on either Sept. 15 or Sept. 21.

## CVE Bombards Sidewinders 12-2 In Minor-Major

Tommy Feezel held his own teammates in check yesterday with a two-hitter as CVE bombarded the Sidewinders handing everything the bigger CVE crew sent his way.

He got seven putouts, four of them unassisted.

Last play in the minor league for season comes today as the minor champion Sidewinders meet their old rivals, Sluggers, in a final battle of the season. The game will be played at Morris Field at 5 p. m.

## Golf Unknown Is Leader in KC Open Tourney

KANSAS CITY. (AP)—Youthful Mike Krak, virtually unknown on the professional golf circuit, held a one-stroke lead today going into the second round of the \$20,000 Kansas City Open Tournament.

Krak of Louisville, Ky., had a hole-in-one to his credit—the first of his career. He shot an 8-under-par 65.

Just a stroke off pace with 86s were Ed Oliver, of Lemont, Ill., Earl Stewart, Jr., Dallas, and Fred Hawkins El Paso, Texas.

## Mango, Iceberg Favored in Race

CHICAGO. (AP)—Fourteen thoroughbreds of the 3-year-old and up class, headed by Sir Mango and Iceberg II, are primed for tomorrow's \$100,000-added Arlington Handicap.

This is the world's richest grass course race, and if all 14 start the purse will total \$159,000 with \$102,050 going to the winner.

Sir Mango is favored at 5-2. Iceberg II is rated at 3-1.

Sadi II and Turgenoff are listed as a probable entry with Iceberg II.

## Move to Save A's Reported As Failing

PHILADELPHIA. (AP)—A movement in Philadelphia to "save" the "A's" seems to be failing as much as the financially damaged American league team.

Business and industry leaders of the city, at any rate, have taken a cold shoulder to a drive by the Athletics in Philadelphia.

And paying fans aren't flocking to Connie Mack Stadium in support of the team.

TURNED TO MILITARY ALBUQUERQUE. (AP)—Four men charged with the \$100,000 "adoption-kidnap" of a 7-year-old Albuquerque girl have been over to military authorities. They are Dale E. Lutz, 25, L. W. Winer, 36, Cisco Ramirez, 20, Charles C. Clarke, 22, all of Zano Base. Danner and his wife wanted to adopt the child.

## High School Grid Meeting Scheduled Monday Night

High school boys interested in varsity and "B" team football for the 1954 season are being urged by Head Coach Reese Smith to report to a meeting Monday night, Aug. 2. It will be held at 7:30 p.m. in the Boys Gym at Senior high school.

Boys who will be sophomores, juniors, or seniors, are asked to attend, as well as parents. Boys new to the community are especially urged to report.

Slated for discussion is insurance for football players and plans for the coming season. Coach Walter Bynum will be in charge in Smith's absence.

Football uniforms will be issued from 9 to 10 a.m., Aug. 17, and practice will begin Aug. 18.

### Smith Seeks T-Formation Pointers at Coach Clinic

By ED BOYKIN

REESE SMITH, Artesia football coach, dropped into the sweat shop yesterday for one reason or another and we got him off in a corner to ask about his trip to the coaches' clinic and all-star game set for a couple of weeks from now.

He and his family left today for a visit in Colorado before getting to Albuquerque Aug. 8. Said he wasn't sure just what was going to happen in the Duke City.

Only thing he did declare for certain, and this with a gleam in his eye, was that Ed Price, Texas University coach who is head man on the south football delegation, uses a split-T formation on his Southwest Conference opponents.

The split-T is the one used by the Artesia pigskin mentor and he evidently hopes to pick up some valuable pointers from Price.

The Artesia coach, by the way, is Price's assistant along with Maurice Moulder of Gadsden High School of Anthony. Those three have the task of forming the south all-star squad into a winning combination in one week's time, no enviable assignment.

Smith said the entire coaching staff in Artesia is making the trip to the coaching clinic. The group includes assistant football coach Jack Barron, basketball professor Verlon Davis, assistant basketball and football coach Walt Bynum, and junior high mentors Bud Wilborn and Francis Robinson.

Besides that bunch of representatives, Artesia also has Larry Beadle, a fullback; Louis Campanella, a guard; and Roy Johnson, a tackle; on the rebel all-star roster of 25 players.

The all-star clashes—basketball the night of Aug. 13, football the evening of Aug. 14—will wind up the clinic for this summer. Both games are promised thrillers and would be worth the time and effort to make the trip to Albuquerque to witness.

Asked about a rating on this year's Artesia football team, Smith said he didn't want to commit himself after what happened last week end. A prominent Artesian asked about the probable outlook and when the professor of pigskin science and tactics told him of an expected "world beater," it is reported the curious fan fell over backwards in his chair.

We couldn't divine whether Smith was serious or not in his description, so, with all the patience we can muster, we'll join the crowd and wait for fall to see for ourselves.

Smith did wish to remind all those high school boys interested of the meeting set for Aug. 2 at 7:30 in the high school gym.

Coach Bynum will be in charge of the meeting which will be held for the purpose of getting an idea of the number of boys (and maybe their size, individually that is)

### THE WHOPPINGEST fish story we've ever heard came up at Kiwanis yesterday.

Seems this local fisherman headed for a Sacramento lake early in the winter to get in some off-season angling.

He located a pond on a stream running into the lake and discovered the bottom of said pond "black" with 11 and 12-inch specimens. Naturally he dropped a line in right away. But—not even a wiggle. Said the fish wouldn't even run away, much less chase a fly.

So, after appropriate thought, he cut a short pole, attached about eight feet of line and a big bass hook on the end and ploped it into the water. He guided it down, under, and jerked it up into the gills of one of the fish and had his full limit inside of 10 minutes, using what may not be the most approved method but, under the circumstances, the most effective.

## Close Little League Races In Turmoil

Guy Chevrolet plays CVE in the American league and NuMex plays Russell in the National league in Little League competition today.

The games could determine what teams will enter the playoffs yet to be scheduled due to the close race in both leagues. Clem Applin is leading the chase in the National, loop and CVE is heading the list of American league teams.

The second place teams in each league are having a close fight to be decided. In the National loop the Elks are 1 1/2 games ahead of Russell. However, if Russell wins over NuMex this afternoon, that will put them only one game out and may force a playoff there.

In the American circuit, Guy Chevrolet is a lone game in front of the First National Bankers and the outcome of today's contest will probably spell the difference.

However, Guy still has two games to make up or complete due to weather conditions.

When the two teams in each loop are determined, the playoff will be Shaughnessy with the first in one loop playing the second in the other for the best two out of three games. Winners will meet in the finals.

## Progress Gets In Way

IT MAY SOUND strange to say that oftentimes progress in a community gets in the way. Yet that frequently happens. Progress gets in the way of those perfectly happy and satisfied with things as they are. They don't want to see any improvements, any changes, any progress. So when the move comes along it gets in their way. They don't like it and they don't want it.

Years ago someone said we never stand still. This applies to communities, to institutions, to organizations, clubs, groups, and even to individuals. We are told we either move forward or we move backward. There is no such thing as standing still.

Progress comes along and endeavors to take us along with it. We are not always willing to go. We can delay progress; we can make it more difficult to acquire progress; and yet—we seldom stop it. It comes along in time after the obstacles have been overcome and when it removes from its path those things that must be moved.

All of us will say we want progress. But saying that and actually wanting progress is something else. Chances are we say this because we feel it may be for the best, good for business, or may just be the wise thing to do.

Frequently progress may cost us something old-fashioned of value. Something that has proven its worth, something that has been good for us, but there is usually enough good to justify moving along with the program.

There are those who refuse to go along with progress even though it is a good thing. And sometimes it catches up with us and carries us along with it. In other cases we remain behind and lose out because we have been unwilling to accept progressive action, programs, and plans.

We have seen a great deal of progress here. Some of this has meant a great deal to us as citizens and to our community. But we still need more advancement, more improvement and more progress.

Perhaps if some of us did not take the attitude that progress is getting in our way it could move along a little faster and that our accomplishments would be far greater. Does progress get in your way?

## Mrs. Bill Albright Given Stork Shower by Friends

Mrs. Bill Albright, the former Polly Cumpsten, was honored Friday evening at the home of Mrs. Jack Langenegger with a stork shower. Mrs. Robert West, Mrs. Jim Langenegger, and Mrs. Bob Templeton served as co-hostesses.

Appropriate games and contests were held after which the honoree opened her many lovely gifts.

At the close of the afternoon refreshments of strawberry shortcake, coffee and cakes were served to those present. Favors of pipe-cleaner "babies" were placed on each plate with nut cups being in the form of miniature pastel paper diapers. Pastel colors were used throughout the color scheme.

Those present were Mrs. Garner Mason, Mrs. Bob Utterback, Mrs. Dub Hardin, Mrs. Homer Mayberry, Mrs. Max Wiggins, Mrs. Jack Higgins, Mrs. Leonard George, Mrs. Jessie Keeth, Mrs. Richard Lang, Mrs. Raynal Cumpsten, Mrs. Bob Cumpsten, Mrs. Ed Smith, Mrs. Roy Chast, Mrs. J. W. Langenegger, Mrs. Lloyd Harshey, Jr., Mrs. Bobby Michelet, Mrs. Jack Nail and the hostesses Mesdames Jim Langenegger, West, Templeton and Jack Langenegger.

Members of Order of Rainbow for Girls met Monday at the Masonic Hall when Wanda Lee Estes, grand instructor, paid her official visit and held a school of instruction.

Following the school, the group

was joined by the Roswell Rainbow Assembly at the home of Royce Lankford, Rainbow Dad of the local assembly, where a picnic supper featuring a fried chicken menu was served in the back yard.

The two groups then went to Masonic Hall here for a formal initiation of Judy Taylor. The work was carried out in a very impressive ceremony. Wanda Lee Estes was presented an engraved sterling silver bon-bon dish from the Hagerman assembly.

Refreshments of punch and ice cream was served at the close of the evening to some 70 members, guests, Masons and Eastern Stars.

Attending from Roswell were Ruth Owens, grand associate worthy advisor; Melinda Marshall, grand representative to Arkansas; Marilyn Shaw, worthy advisor of the Roswell assembly and about 20 of her members; and Mrs. John L. Taylor, mother advisor of the Roswell assembly.

R. A. Welborne left Wednesday for a business trip to Santa Fe, where he will stay at the De Vargas hotel. Mr. Dalton, state supervisor of vocational agriculture, has requested that he be present at a luncheon and afternoon meeting of the Future Farmers of America in Albuquerque Aug. 2. Charles Lathrop, agriculture teacher in the Hagerman school, will also be present for the meeting which is the FFA annual convention Aug. 1-2-3.

## Artery Banks Now Aid Patients with Aneurysm

By HERMAN N. BUNDESEN, M.D.

HOSPITALS, like automobile agencies, have now developed spare parts departments. Thirty years ago, the idea that parts of one human body could be replaced by parts from another human body was held to be highly unlikely.

We now have many types of banks in hospitals to help repair the human body. There are bone banks, blood banks, eye banks, skin grafting banks and cartilage banks.

**Artery Bank**

Today, we have a new type of bank known as an artery bank. Portions of blood vessels can usually be stored for a considerable length of time under proper refrigeration.

A fairly common disease found in many people is known as an aneurysm of the aorta. This is a weakening of the wall of the aorta, or large artery, that flows out of the heart. Most often this occurs as this large blood vessel

reaches the abdomen. The vessel swells like a large balloon. It can rupture, due to the weakened wall, instantaneously killing the patient.

**On a Powder Keg**

The patient with an aneurysm is like one sitting on a powder keg that may explode at any moment. It is here that an artificial graft becomes important. The diseased portion of the artery can be clamped and tied off, and the artery replaced. Drugs to prevent clotting often must be used to keep the blood from clotting in this new graft while the surgery is being performed. This type of operation may be lifesaving.

**QUESTION AND ANSWER**

Mr. T.: I have gout. Is it true that drinking of alcoholic beverages may cause a gout attack?

Answer: Yes, it is true. Many people may have a gout attack following drinking bouts.

## Kiwanians Hear Prize-Winning 4-H Talent Team

Members of the Artesia's Kiwanis club yesterday heard a skit performed by district 4-H junior talent contest winners.

Three Cottonwood boys, Bill Gray, Donald Thippen and Freddy Crawford, presented their take-off on several popular songs that won them the contests championship the first of this week.

The three were guests at the club's regular meeting. They were accompanied by their mothers, Mrs. Fritz Crawford, Mrs. James Thippen, and Mrs. Orval Gray, and a visiting friend, Mickey Wardlaw.

The Kiwanis club voted to sponsor rodeo queen candidate Verna Pounds in her campaign for the honor.

Don Heathington reported that a tentative softball game between CVE and a Lovington team wouldn't be possible due to play-offs in that area. The game, set for Aug. 6, will be played with some other team to be announced at a later date.

Notice is hereby given that on the 19th day of July, 1954, in accordance with Chapter 131 of the Session Laws of 1931, Paul Terry of 410 West Washington, Artesia, County of Eddy, State of New Mexico, made corrective application to the State Engineer of New Mexico for a permit to change location of shallow well and place of use of 90 acre feet of shallow ground water per annum by abandoning the use of Well No. RA 1333-B located at a point in the SE 1/4 NE 1/4 of Section 15, Township 18 South, Range 26 East, N. M. P. M., for the irrigation of 30 acres of land described as follows: Subdivision NE 1/4 NE 1/4, Section 15, Township 18 S., Range 26 E., Acres 10.50

Subdivision SE 1/4 NE 1/4, Section 15, Township 18 S., Range 26 E., Acres 11.50

Subdivision W 1/2 NE 1/4, Section 14, Township 18 S., Range 26 E., Acres 8.00

and drilling a new shallow well 13 inches in diameter and approximately 230 feet in depth, located at a point in the SW 1/4 NW 1/4 of Section 15, Township 18 South, Range 26 East, N.M.P.M., for the purpose of continuing rights for the irrigation of 30 acres of land described as follows:

Subdivision W. 30 acres of S 1/3 NW 1/4, Section 15, Township 18 S., Range 26 E., Acres 30.

No additional rights over those set forth in License No. RA-1333 are contemplated under this application.

Appropriation of water from all sources combined not to exceed a total of 3 acre feet per acre per annum.

The 30 acres to be moved from to be dried up to further irrigation from shallow ground water.

Any person, firm, association, corporation, the State of New Mexico or the United States of America, deeming that the granting of the above application will be truly detrimental to their rights in the waters of said underground source, may protest in writing the State Engineer's granting approval of said application. The protest shall set forth all protestant's reasons why the application should not be approved and shall be accompanied by supporting affidavit and by proof that a copy of the protest has been served upon the applicant. Said protest and proof of service must be filed with the State Engineer within ten (10) days after the date of the last pub-

Stale Pool Water Turned To Watering Golf Course

By GLENN COLLARD NOTE: Due to absence from scene of activity, Stanley Sutton has prevailed on substitute writers to furnish activity notes: The first of these guests is Glenn Collard.

The absence of subtle Sutton's sarcasm should be a blessing to all, especially when it is easy to call attention to the fact that the club publicity is obviously much better when he is gone.

Sutton is to be congratulated, however. He does write a good column when he writes it and the club should be proud of his efforts. But why he continues to write golf, a game he knows so little about, is hard to understand. The only match he ever won was from a man in a wheel chair and that by forfeit. After losing the first three holes, he refused to push the wheel chair further as per agreement and it was impossible for the poor guy to continue with one arm in a cast.

The manner in which he tears turf is quite a problem to the greens committee. He has been

offered several jobs by cotton farmers; one stating that he figured he could replace 500 geese by working just one hour a day. It has been suggested that he cover swimming pool activities instead of golf as he learned to swim retrieving golf balls from the reservoir.

On second thought it seems we have no need of another swimming pool man because Floyd Springer, after he finished his highly successful invitational tournament,

took right out after the swimming pool drainage system. Until now we have not been able to utilize the stale water from the swimming pool properly in our irrigation system. Springer has been slaving for the past three weeks on the matter and in the next few days the system will be arranged so the used water will be pumped back tributary to the greens and fair-into the watering system and discarded.

### Seven Mandatory License Suspension Charges Listed

SANTA FE, (AP)—The state driver's license division today listed seven driving violation charges which, upon conviction, call for mandatory revocation of driver's licenses.

R. G. Wheeler, administrator for the division, said the division was releasing the circular because New Mexicans in general are not familiar with the stringent laws on mandatory revocation.

Wheeler said conviction on charges of manslaughter resulting from the operation of a motor vehicle and drunken driving, or driving under the influence of drugs called for mandatory revocation.

Other charges listed were perjury to secure a license, commission of a felony where a motor vehicle is used, conviction or forfeiture of bail on three charges of reckless driving within any 12-month period, leaving scene of accident where there is death or personal injury or damage to property and driving while license is under revocation.

### Change in Name Of A&M College Asked by Alums

LAS CRUCES — A recommendation to change the name of New Mexico A & M college to New Mexico State university will be submitted to the school's board of regents it was announced today.

The action stemmed from a meeting last night of the alumni and ex-students advisory council. Reasons given for the recommendation included: Aid in recruiting students to the school by emphasizing that A&M is not just an agricultural institution.

The council cited the fact that several other states have followed the procedure.

### Charges Filed Against Nine Following Raid

LAS VEGAS — Dist. Atty. Jose Armijo said today he has filed gambling charges against nine men arrested in a Wednesday night raid by State Police on a Wagon Mound bar.

Armijo said the men were playing either craps or barbut, a Greek dice game, when the bar was raided by State Police Capt. A. P. Winston of Springer and State Policeman Bennie Trujillo of Raton and Simon Dotchinoff.

A large number of dice were confiscated, Armijo said. The bar was owned by Felipe Lopez, who was charged with owning gambling equipment in addition to the gambling charge. The other eight charged were Juan Lujan, Pablo Romero, Pedro Garcia, Antonio Vigil, Alferdo Martinez, Maragarito Dominguez, Jose Cruz and Joe Verquer.

### Stockton Asks Plans to Recruit For Government

SILVER CITY, (AP)—A state-sponsored program to recruit college students to work in state government is advocated by Alvin Stockton, Republican candidate for governor.

The Colfax county rancher said the legislature should consider setting up scholarships for college seniors who plan to enter state governmental work.

Under the plan, students who accepted aid would agree to work for the state after graduation. Stockton said he believes the state
