Cub Scout dens 1, 2, 3, and 4 of pack 3 met Friday evening in Central school gymnasium with Curtis Anderson, cubmaster, officiating. The theme of the month was "Railroading."

Den 1 played a baggage car relay game. Lester George told about the recent train ride to Carlsbad. The boys displayed a train made in den meeting.

Cub Scouts from den 1 were Waydean Whaley, Lester George, John Schneider, James Jackson, and Mike Miller who received their would badge.

Mrs. G. P. Miller is den mother. Parents present were Mr. and Mrs. T. C. Whaley, Mr. and Mrs. G. P. Miller, Mrs. Lester George, Mrs. John Schneider, and Mrs. Norris Jackson.

Den 2 met with Mrs. Curtis Anderson, den mother present. They

put on a skit of modern version of "Casey Jones."

Awards were presented to David Anderson, Jerry Johnson, Johnny Anderson, Donald Zeleny, and James and Paul Zeleny.

Parents present were Mr. and Mrs. Ivan Herbert, Mr. and Mrs. Adolph Zeleny, Mr. Paul Zeleny, Mrs. Haley Johnson, and Orval Bratcher.

Den 4 met with Mrs. James Murdock, den mother present.

Awards of Lion badge and one gold and one silver arrow were awarded to Joe Beck and Michael Murdock. Donald Allen received his Bear badge, and Billy Ed Bullock was presented a one-year pin.

Parents present were Mr. and Mrs. Bill Bullock, Mr. and Mrs. Wallace Beck, Mr. and Mrs. Wallace Johnson, and Mrs. S. A. Davis.

### PARK SCHOOL—Return From Magazine Sale Good

At the end of the three-day magazine sale, total sales amount to \$1,593.20. Boys total sales were \$796.05, and the girls \$797.15.

High sales to date are: Mary Yates, \$184; second high, Johnny Dew, \$158.50; and third, Gary Welch, \$153.00. Nineteen pupils have sold more than \$30 worth.

The magazine costs no more than they would if the subscription were sent to the company. If you purchase from the pupils, 30 to 50 per cent of the money goes to the school.

Milk program is still popular with the children, but not as many this week. Miss Grace Carman, first grade, has perfect record for two weeks.

On the March of Dimes the children gave \$125.50, and a contribution of \$5 was made, making total \$130.50.

Miss Eloise Finley's fourth grade has a special class every morning at 8:30 using the wire recorder to improve their reading.

New students are Judy Shumake second grade, moving here from Centre, Ala.; Robert Robinson, third grade, from Carlsbad; and Wanda, fifth grade, and Sandra, first grade from Central school, Sharon and Sue Amos have moved to Roswell.

The green safety flag is flying again after being down for a week.

Refreshments of Cokes, coffee, cake, and fruit salad were served by the hostess.

Those present were Mrs. Guy Smith, Mrs. Roy Tarkington, Miss Lee Crockett, Mrs. Loren Haynes, Mrs. Clarence Sewell, and the hostess, Mrs. Hewett.

### HAGERMAN NEWS BRIEFS—Two Hagerman Boys Chosen To Attend Boys State

By MRS. BYRON OGLESBY

Candidates chosen to attend Boys State in Socorro, and their alternates are as follows: Milton Creek, son of Mrs. Edna Creek, and Milton Brown, son of Mrs. Louise Brown. Candidates; alternates, George Dodson, son of Mr. Ernest Dodson, and Donald Troublefield, son of Mr. and Mrs. V. W. Troublefield.

These boys were selected by the members of Hagerman high school, with the final decision resting with the faculty members.

Alfred Morris of Hagerman completed his Bootcamp Training at San Diego, Calif., Jan. 14, 1955. He passed his required subjects with good grades, and ordered to report to Pensacola, Fla., on Jan. 22 for duty. Alfred spent two days visiting in Hagerman, his home town, with his parents and friends, and also enjoyed a sight-seeing tour of Old New Orleans between plane flights to his destination. He is serving as Storekeeper, on his new assignment.

Mr. and Mrs. Martin Jones of Raton came Saturday for a few days visit with Mr. Jones' sister, Mr. and Mrs. Albert Henry of Hagerman. Henry returned Saturday from having attended the meeting of the All-State music clinic at Albuquerque from Thursday to Saturday.

The clinic consisted of a chorus of 400 voices, a band of about 200 members, and an orchestra of about 190 members. Henry, Hagerman school band and chorus director, reported a most enjoyable time.

Hagerman elementary school began participating in the school milk program sponsored by the local parent teachers' association, Feb. 1. About 200 children out of a possible 360 took advantage of this program. The homogenized milk is furnished by Price's Creameries at 3c per half-pint, or 15c per week, payable in advance.

A series of gospel meetings at the Church of Christ at Argyle and Winchester will begin Sunday, Feb. 6 through Feb. 13. Everyone is urged to come.

Dr. Pete Trone conducted the morning worship services at the First Methodist Church of Hagerman Sunday, Jan. 30, in the absence of the pastor, the Rev. A. A. McCleskey. Dr. Trone spoke on "Our Sense of Values," and gave a very interesting message.

A fifth Sunday dinner followed

### Emmanuel Baptist Church to Mark Anniversary

Something different will be in Emmanuel Baptist church, Feb. 6 at the 11 a. m. service. The church will be four years old and will observe its first roll call. Every effort is being used to contact every member of the church and the Sunday school.

The church was organized Feb. 4, 1951, with 15 charter members. It has grown in four years to the present membership of 183, with 267 enrolled in Sunday school, and an average attendance since October 1954 of 155 per Sunday.

Each name will be called with special recognition being given to charter members, the youngest member present, and the oldest member present. A brief history of the church will be presented, and interesting highlights of the immediate future of the church.

A luncheon is planned with people bringing their own basket, to be spread.

The highlight of the morning service will be the sermon by Rev. Bill Jenkins, secretary of Baptist student work of the Baptist Convention in New Mexico. Rev. Jenkins is widely known for his outstanding success in youth revivals and denominational leadership.

The Sunday School has set an attendance goal for 231 present. The public is cordially invited.

### Delphian Society Meets Wednesday, Studies Education

Delphian society met Wednesday morning in the Methodist church parlor with leader Mrs. D. M. Schneberg in charge. The topic was "Education—American Style."

Those taking part were Mrs. C. R. Blocker, Mrs. Clyde Guy, Mrs. M. A. Mapes Jr., Mrs. Nelle Booker, and Mrs. C. C. Connor.

Other members present were Mrs. Carl Lewis, Mrs. Leah McDonald, Mrs. Boyd Barnett, Mrs. Thad Cox, Mrs. Glenn Caskey, Mrs. Hollis G. Watson, Mrs. Owen Haynes and Mrs. Landis Feather.

The Boy Scouts will attend the Methodist church in a group Sunday, Feb. 6. A guest speaker from Roswell will be present to conduct the morning services. A film will be shown in the evening.

The new high school building is nearing completion, and it is hoped that it will be ready for occupancy shortly after Feb. 11.

In observance of Youth Week, the various churches of Hagerman are serving breakfast each morning this week at 7 a. m. Monday morning breakfast was served at the Baptist Church with 28 present, Tuesday morning at the Methodist church, with 33 present, Wednesday morning breakfast was served by the Presbyterian church, Thursday by the Nazarene church to be held at the Methodist Church and Friday will be announced at a later date. After breakfast, a devotional is given.

Walter P. Elliott, the Rev. Mebane Ramsay, Jean Elliott, Ray Turner and Marilyn Mayberry went to Hobbs Sunday, Jan. 30 to attend a Presbyterian Youth Rally held at the Presbyterian church there.

Mr. and Mrs. Marvin Erickson of Rapid City, So. Dak., who have been visiting Mrs. Erickson's parents here, Mr. and Mrs. Earl Sartin, left Monday to return to their home. They had spent over two weeks here.

Pecos Valley Junior high conference will meet in Artesia Feb. 9 at 7:30 p. m. to draw up a bracket for the ninth grade basketball tournament to be held in Roswell Feb. 17, 18, 19. Coaches and principals will discuss the spring athletic program. It is expected that the larger schools will participate in both track and baseball. Coach Wilborn will have charge of track and Coach Robinson will have baseball at the local school.

### Mrs. McDorman Is Hostess for Kongenial Klub

Kongenial Kard Klub met Wednesday evening in the home of Mrs. Earle McDorman for an evening of bridge.

Mrs. G. Kelly Stout held high score, Mrs. Mildred Chipman, second high, and Mrs. McDorman, low, and Mrs. Ernest Thompson, the bingo prize.

Refreshments of cherry pie topped with ice cream and coffee were served.

Those present were Mrs. Ernest Thompson, Mrs. W. J. Cluney, Mrs. Mildred Chipman, Mrs. Andy Company, Mrs. Paul Terry, Mrs. G. Kelly Stout, Mrs. McDorman, members, and Mrs. Omer Schnobelen of Marlin, Okla., a guest.

Students estimate that as many as 12½ million of the 41 million immigrants to the United States since the nation was founded subsequently left the country.

### More People Eat With Fingers, Abandon Forks

OAKLAND, Calif.—Better not tell this to Junior, but more people today are eating with their fingers than with forks or spoons or even chopsticks.

Says a lecturer in food technology at Mills College: "When you count up the primitive peoples of the world—especially in India, South America and Africa—you will find that the so-called civilized eaters on our planet are still in the minority."

Carl Rietz, who is a sort of mobile encyclopedia on foods, enjoys surprising his home economics students with information gleaned from his travels and from studies of his favorite subject.

He says most of these girls from comfortable American homes have no idea how relatively recent is the whole development of table ware, cutlery and silver in western civilization. They are even startled to learn that Elizabeth was the first English queen to use a fork, that Shakespeare ate with his hands, and so did the Romans.

The Chinese, of course, have used chopsticks for many centuries. They were treating the preparation of food as an esthetic art 2000 years before the first Christians, before Europe had written language.

On display at the college is a fascinating collection of eating utensils Rietz has been assembling for 20 years. It dates back to the Stone Age.

### JUNIOR HIGH NEWS—

### Artesian Chosen To Take Part in Anti-Red Film

An Artesia man will take part in a documentary film being made in Australia to thwart Communism.

He is Gerald Seals, son of Mr. and Mrs. A. L. Seals, 414 Chisum. Seals is presently in Indonesia, where he is working with the American embassy as special guard to the ambassador.

Seals recently sent some color slides to his parents showing life on the islands, and a picture of himself with the ambassador and other top ranking officials and diplomats.

According to Mrs. Seals, he will depart for Australia soon where Universal-International movie company will film a documentary show on the workings of Communism.

Mrs. Seals said he took a special training session in Washington before being awarded his position with the embassy. He was graduated from high school in Artesia in 1951, joining the Marines in July of 1952 and going overseas in September. He returned for his course in Washington and since that time has served on the staff of the American embassy in Indonesia.

# Travelers Rally in Thriller Down Milwaukee by 90-80

## Clubs to Meet in Tonight Roswell

Some of their few rallies from the end of the season were the CVE Travelers of Artesia and Allen-Bradley of Roswell in a hustling National Basketball League game last night.

Until the last five minutes of the game, the Travelers were leading by 11 points on a 19-17 lead.

With five minutes to go, the Travelers moved ahead 79-78 on a three-point shot by Heathington.

Allen-Bradley scored only once in the last 5 minutes, adding two to their 76-point total.

Artesia had to come from behind to win a 51-45 halftime deficit to the contest.

Artesia's knowledge of their club's strength at the end of this year—because of it—CVE last night made the opposition play its game. As the Travelers moved ahead, Allen-Bradley fouled. The one-and-one shot by the Travelers ahead.

Travelers, playing one of their best games of the season, showed fire under the basket, collecting 36 rebounds against Allen-Bradley. It was easily the Travelers' top defensive game of the season.

Heathington was top scorer in the evening, hitting 27 points on 11 free throws and 11 field goals.

Grant Wittberger was top scorer for visitors and second high on 10 field goals, six free throws.

PEHANICK showed his strength since joining the Travelers, standing on rebounds and 21 points on seven field goals and seven free throws.

Berger fouled out of the game with five minutes left, leaving Allen-Bradley's greatest threat, Tom Hyland, with four minutes on the clock.

of the Travelers fouled out, leaving the entire team piling up only 23 points for the visiting Milwaukee club.

score was knotted 26-26 at the end of the first 10 minutes, and at the end of the third 10-minute period, so tight was the contest.

## Artesia Stalls Into Second Place in New Mexico Loop

AMOSA, Colo., (AP)—Adams stalled its way into undisputed possession of second place in the New Mexico conference basketball chase with an 86-84 victory over Highlands last night.

Adams had entered the game in a tie for the No. 2 spot. Adams took a small margin with seven minutes remaining after a rugged, see-saw battle, then led out the last three minutes. Craig of Highlands struck 19 points to lead the scoring. Jack Guyman led the win with 27.

## Back Injury Forces Allie Reynolds to Retire

OKLAHOMA CITY, (AP)—Allie Reynolds, 37, says he has pitched his last major league baseball game. The decision to retire after 12 years in the big time comes as a result of a back injury and his doctor's advice.

In eight years with the New York Yankees, the big right-hander established himself as one of baseball's all-time pitching greats. His lifetime record is 184 victories and 104 defeats. Reynolds, always the "money" hurler, won seven World Series games for the Yanks and dropped only two.

In 1953, he suffered a severe back injury when the Yankee bus crashed into an overpass in Philadelphia. He was out of action for six weeks and the injury has been bothersome ever since.

His doctor recently warned him against aggravating the injury and said major surgery might be required if his career continued. That's when Reynolds decided to quit. He announced his retirement last night.

"Some may think you approach something like this with a detached attitude," he commented. "But when you get around to it, the old, close ties are awfully hard to cut. From a standpoint of years I had lots of good pitching left. There's nothing wrong with the arm. I can throw as hard as ever. But you look at it a lot of different ways. I can't risk permanent injury at my age. I never had any intention of keeping on as anything less than a whole ball-player and certainly I'd never do anything to hurt the Yankees' chances."

In Glendale, Calif., Casey Stengel, Yankee manager, didn't know that Reynolds was quitting. "If it's true I can only say that he'll be mighty hard to replace," he said.

In 1951, the Super Chief—so-called because of his blazing fastball and his Indian heritage—hurled two no-hitters, against the Cleveland Indians and the Boston Red Sox.

Reynolds came up to the majors with Cleveland late in 1942 and stayed with them through 1946. The Yanks landed him in a deal for Joe Gordon and he broke into a New York uniform in 1947 with 19 wins. He never dropped below the 13-win mark. Last year, when

he was mostly in the bullpen, he won 13 and lost 4.

## Dukes Purchase Hard-Hitter From Western League

ALBUQUERQUE, (AP)—The Albuquerque Dukes today announced the purchase of hard-hitting Joe Unfried from Wenatchee, Wash., of the now-defunct class A Western-International league.

Unfried was the No. 2 hitter in the league, striking a good 349 average. Included in his 110 hits were 14 homers.

He was mostly in the bullpen, he won 13 and lost 4.

## GAYLE TALBOT'S SPORTS ROUNDUP—

### For First Time Frick Gets Bad Press After Talk Before Annual Sportswriters' Banquet

By GAYLE TALBOT  
NEW YORK — For the first time we can recall since he took office, Commissioner Ford Frick received a bad local press for the speech he delivered at the annual banquet of the New York chapter of the Baseball Writers' Assn. here Sunday night.

His listeners got the impression that he believed there was some sort of devious underground plot afoot to discredit the great summer sport and spread the thought that it is in danger of falling apart.

He denied vehemently that the game is ailing and announced that a special week has been set aside in March to make the country baseball conscious, something like National Apple Week.

Critics of the commissioner's address pleaded ignorance, first, of any plot to undermine the public's confidence in the game. The thought, also, that in painting a glowing picture of baseball's past present, and future he left out something about the current pre-

carious condition of the minor leagues, including triple-A.

Finally, the somewhat affronted scribes suggested that anyone who tries to celebrate baseball week next month in this climate might get himself frozen to home plate. It could be that, the prior commissioner, A. B. "Happy" Chandler, had the right idea when he stuck to his simple and unassailable platform of loving baseball.

## Two of State's Schools Break Off Relations

GRANTS — Grants high school and Our Lady of Sorrows of Bernalillo have suspended athletic relations with each other following a fight Tuesday night during a basketball game between the two schools.

The action was taken by both schools last night, officials of each citing the other with poor sportsmanship. Grants won the disputed game 65-39.

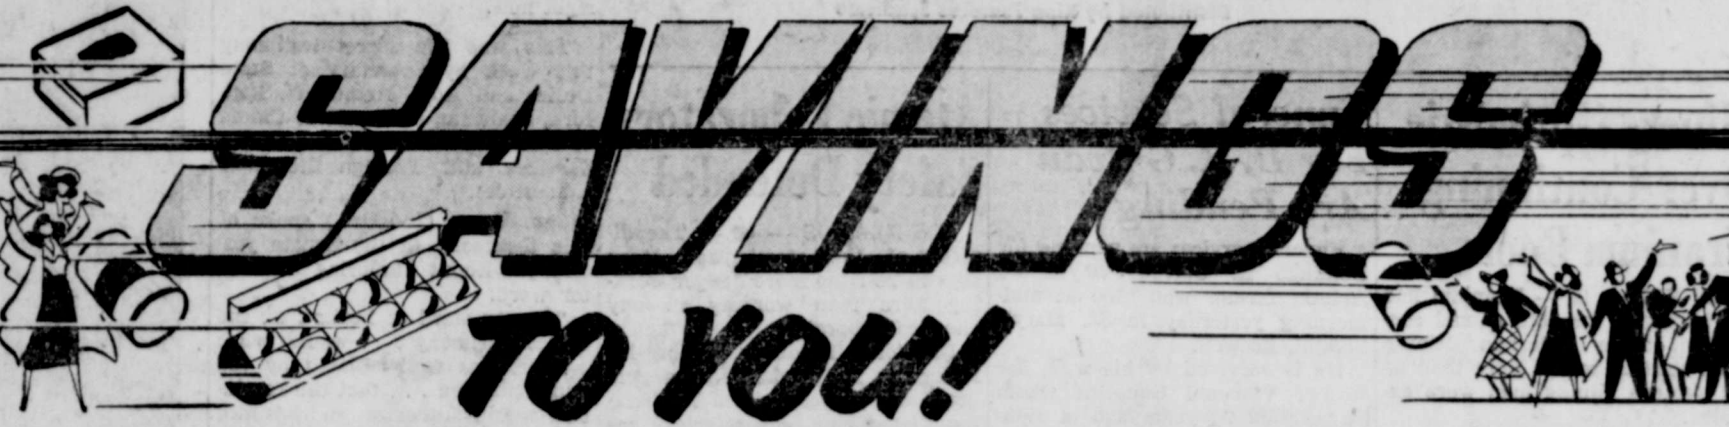

JACKIE ROBINSON'S disclosures are that he makes a practice of riding Milwaukee's Ed Mathews because the Braves' slugger "gets hot under the collar" and loses his effectiveness at the plate has caused Milwaukee writers to rush to their score books.

Last season, they found, Mathews belted Brooklyn pitchers for 18 hits, including four doubles and eight home runs, and knocked in 18 runs.

Off that, they figure that if big Ed could arrange for someone to fluster him in each of the six other rival cities of the league his problems would be solved.

Although the term "infantry" seems to come from a Latin word meaning "infant," no one is sure how it came to mean "soldier."

## Eisenhower's Dramatic Move For Formosa Impresses U.S.

By JAMES MARLOW  
Associated Press News Analyst

WASHINGTON — There may be some psychological effect on the American people if not on the Red Chinese—from President Eisenhower's dramatic efforts to get congressional approval for defending Formosa.

But as far as Eisenhower's precise intentions go, they are no clearer—either to the Communists or the American people—than before he sent a message to Congress Monday asking for a blessing on anything he did to save Formosa.

His message, and Congress' approval, may make the Communists feel he means business. And no doubt the American people will be a little better prepared mentally for a war with Red China if it comes.

But possibly the Reds look on it all as a bluff, an attempt by Eisenhower to save face by talking boldly at the very moment he apparently was getting ready to let them capture the Tachen Islands from Chiang Kai-shek.

IF THE RED Chinese consider it a bluff, and call it by banging away at some more islands, the United States will finally have to put up or shut up.

There is a missing link which when someday revealed in full will tell a little more about Eisenhower's thinking and intentions right now.

This was the secret testimony this week by Secretary of State Dulles and Adm. Arthur W. Radford, chairman of the Joint Chiefs of Staff, before the Senate Armed Services and Foreign Relations committees.

Sen. Morse (Ind-Ore.) spoke of this testimony in the Senate yesterday without disclosing its word for word.

"On my word of honor . . . the secret testimony . . . would prove . . . it was contemplated by the administration . . . that the resolution would authorize in advance the right of the President to order a strike again the mainland before any act of war had been committed against the United States."

MORSE MEANT THAT, as he saw it, the president was asking Congress beforehand for approval to bomb Red Chinese troop concentrations on the China mainland if he thought they were getting ready to attack Formosa and that was the way to stop them.

The Chinese Communists may be skeptical about Eisenhower's earnestness in asking congressional approval for defending Formosa since he had previously, and em-

phatically, said Formosa would be defended.

He didn't say what other islands, besides Formosa and the nearby Pescadores, would be defended. Chiang's Nationalists hold a number of smaller islands near the China coast.

The fact that Eisenhower has had three opportunities this week to be clearer, but wasn't, makes it certain he deliberately chose not to. The idea, obviously, is to keep the Reds guessing. He left vague in his message to Congress what other islands would be defended.

Dulles and Radford urged Congress not to be more specific in the resolution. And in a special White House statement yesterday there was no specific mention of islands to be defended.

## First Town Hall Program Monday

ARTESIA WILL HAVE the first in what is hoped will be a town hall series when Tom Popejoy, president of University of New Mexico, speaks here next Monday evening.

Pres. Popejoy will discuss the university's apparently controversial policy on the relationship between academics and athletics at the university. Because of the timeliness of his topic—"Intercollegiate Athletics Supplement Education"—a large audience of Artesians and out-of-towners is expected for the program.

The sponsoring Parent-Teacher Assn. city council hopes that such a series of town hall programs will become at least a twice-yearly event, if this first one is well-received.

Such a series, including single or several speakers in a forum, would be a stimulating development of Artesia civic life, an excellent opportunity to develop and express public opinion.

America is only now beginning to re-develop the town halls and public forums which served the nation's founders and pioneers so well, not only to develop and express opinion, but indeed, in many instances to govern by direct expression of the peoples' will.

We have little doubt next Monday's initial town hall program will be well-received and well-attended. We hope city council of PTA will be encouraged to expand and continue so excellent an idea.

## Staggering Loss By Accidents

WE LEARNED yesterday from the National Safety Council accidents again took an enormous toll in American lives during 1954.

Accidents killed 91,000 people in this country last year, injured another 92 million.

The motor vehicle again was the largest single killer, claiming 31,000 lives.

A staggering 19,800 were killed in falls. Another 6,500 died from burns, 6,600 drowned, and 2,300 died by firearms accidentally discharged.

The National Safety Council, while reporting this terrific toll of carelessness, tension, the unforeseen, also pointed to a downward trend in traffic deaths.

For the first time since World War II we had a year marked by a continuous downward trend in traffic deaths. In every month except November, the council said, there were fewer deaths than in the corresponding month in 1953. And that despite heavier travel than ever.

The nation should be encouraged by such progress. At the same time, the year end report of accidental deaths by other means demonstrates that accidents occur not only on the road, but in the home and elsewhere. Our efforts to continue cutting motor vehicle accidents must continue. So must efforts to reduce accidental death by other causes.

## Miners Optimistic Over Continuing Uranium Boom

DENVER — Uranium had top billing at the 58th annual convention of the Colorado Mining Assn. starting today. More than 2,000 western mining men were expected.

The uranium boom, centered on the Colorado Plateau but spreading rapidly to other parts of the West, was the chief reason for optimism among the miners.

Highlighting reports on the uranium industry will be speeches tomorrow night by Adm. Lewis L. Straus, chairman of the Atomic Energy Commission, and Floyd B. Odium, president of Atlas Corp. of New York.

Miners' spirits also were boosted by yesterday's announcement that Union Oil Co. of California will spend five million dollars for an oil shale pilot plant at Rifle, Colo. Tonight's entire session will be devoted to oil shale, including an address by Navy Capt. A. S. Miller on national security aspects.

In addition to the talks by Strauss and Odium, uranium discussions will deal with new deposits in Colorado, Wyoming, the Black Hills of South Dakota, and Arizona and New Mexico.

## Funeral Services For D. R. Galvan Are Pending

Funeral services are pending for Domingo R. Galvan, 49-year-old Artesia farmer who died at mid-morning yesterday in St. Mary's hospital, Roswell.

He is survived by his wife, the former Vincenta Gonzales whom he married 23 years ago at Honda, Texas; three sons, George, Fort Hood, Texas and Henry and Pete, Artesia; a sister, Miss Maggie Galvan, Artesia, and one grandchild. His father also survives.

Paulin Funeral Home is in charge of arrangements.

## Atomic Laboratory Safety Defended

LOS ALAMOS — The director of the atomic laboratory says there is no more danger working here than working in any chemical laboratory.

Dr. Norris Bradbury, making his statement last night after a congressional witness said in Washington that atomic laboratories are "having casualties," stressed, however, that proper precautions must be taken by the workers.

Dr. Ralph W. Chaney of the University of California told the House armed services committee that "fatal irradiation" as the result of nuclear research and atomic weapons development is taking the lives of some workers.

"Chaney knows nothing about Los Alamos at all," Bradbury said.

SANTA FE — The Legislature has a bill to allow counties to build wind-erosion breaks on private property, and then send the tab to the owner. The bill is supported by the New Mexico Farm and Livestock Bureau and other agricultural organizations.

## Farmers' Income Up in State

By THE ASSOCIATED PRESS  
New Mexico farmers were getting more for their products than the national average last month but they weren't getting as much as they were the year before.

The Department of Agriculture has released its price index survey, showing overall prices down three per cent from last year but higher by the same amount—three per cent—than the U.S. average.

Prices for January, however, were higher in both New Mexico and the nation than in December. Higher prices were received in New Mexico for wheat, grain sorghums, potatoes, hay, apples, cattle, sheep and lambs. Prices were down for beans, cottonseed, hogs, milk, eggs and wool.

## Board of Finance Asked to Leave Budgets Uncut

SANTA FE — The Board of Educational Finance has asked that proposed budgets for Highlands university and the University of New Mexico be left untouched.

The appeal was made to the House Appropriations committee Wednesday. Dr. John Dale Russell, executive secretary of the educational board, argued that increases in enrollments at the two schools have created the effect of a budget cut.

The proposed budget for UNM is \$2,560,000 for the next fiscal year and for Highlands \$664,245.

against registration of firearms causing quite a bit of controversy throughout the state. The group was the second GPA unit to make such a move, but was followed immediately by the Carlsbad chapter and other GPA units in the state.

According to a poll of the members of the North Eddy group, they will still stand on their previous resolution to oppose registration. Aside from the letter, committee reports will also be made at the meeting and discussion for membership drives.

## LEGAL NOTICES

**NOTICE**  
STATE ENGINEER'S OFFICE  
Number of Application RA-1380, Roswell, N. M., January 17, 1955. Notice is hereby given that on the 14th day of January, 1955, in accordance with Chapter 131 of the Session Laws of 1931, Joe Nunn, of Artesia, County of Eddy, State of New Mexico, made corrective application to the State Engineer of New Mexico for a permit to change location of shallow well and place of use of 18.51 acre feet of shallow ground water per annum by abandoning the use of Well No. RA-1380 located at a point in the SW 1/4 SW 1/4 SE 1/4 of

Section 1, Township 17 South, Range 25 East, N.M.P.M. for the irrigation of 6.17 acres of land described as follows:  
Subdivision Pt. SW 1/4 SE 1/4, Section 1, Township 17 South, Range 25 East, Acres 2.92  
Subdivision Pt. SW 1/4 SE 1/4 SE 1/4, Section 1, Township 17 South, Range 25 East, Acres 3.35 and commencing the use of a shallow well located at a point in the NW 1/4 SW 1/4 NW 1/4 SE 1/4 of Section 1, Township 17 South, Range 25 East, N.M.P.M., where well was actually drilled for the irrigation of 6.17 acres of land, where actually located, described as follows:  
Subdivision 3/4 NW 1/4 SE 1/4, Section 1, Township 17 South, Range 25 East, Acres 1.38  
Subdivision 3/4 NE 1/4 SE 1/4, Section 1, Township 17 South, Range 25 East, Acres 4.37  
Subdivision N 1/2 SE 1/4, Section 1, Township 17 South, Range 25 East, Acres .42  
No additional rights over those set forth in Certificate and License No. RA-1380 are contemplated under this application. Appropriation of water from all sources combined not to exceed a total of three acre feet per acre per annum. Old well to be plugged. The 6.17 acres to be moved from to be drier up to further irrigation from shallow ground water.

Any person, firm, association, corporation, the State of New Mexico or the United States of America, deeming that the granting of the above application will be truly detrimental to their rights in the waters of said underground source, may protest in writing the State Engineer's granting approval of said application. The protest shall set forth all protestant's reasons why the application should not be approved and shall be accompanied by supporting affidavits and by proof that a copy of the protest has been served upon the applicant. Said protest and proof of service must be filed with the State Engineer within ten (10) days after the date of the last publication of this notice. Unless protested, the application will be taken up for consideration by the State Engineer on or about the 16th day of February, 1955.

JOHN R. ERICKSON,  
State Engineer.

## This Specialist Charges \$50 for Changing Tires

By GEORGE W. HOCKETT  
AP NEWSFEATURE  
LOUISVILLE, Ky. - Monroe Bey is a specialist at changing tires at \$50 a piece.

That's a lot of money but the tires he changes are big ones. They weigh approximately 1200 pounds, are a little more than six feet across, and cost from \$1200 to \$1600 each. Most of them are used on earth-moving equipment, big machines which will tote about 45,000 pounds of dirt. Quite a few of these vehicles are being used in Kentucky now, and that's why Bey's employers, a supply firm, decided to enter the tire-changing field. The company invested \$8000 in a truck equipped with a hoist and other labor saving tools, then sat back to wait for business. It wasn't long in coming because the big tires blow out or go flat with about as much regularity as those on an automobile. Bey and his co-worker, John Mueller, usually spend from three to six hours changing a tire. Some come off fairly easy. Others don't. That accounts for the time variation and time is important since the contractors figure they lose about \$60 every hour that an earth moving machine is idle. In 2 1/2 years as a super-tire mechanic, Bey has discovered one good thing about his job. Not many tires are stolen.

NEW ORLEANS—Flat Side (\$19.40) took the B'Nai B'Rith purse at the Fair Grounds.

## Lack of Wind Slows Yachts in Race to Nassau

MIAMI, Fla.—The 21 sleek sailing yachts, whose race from Miami to Nassau was slowed down to a sedate cruise by too little wind, neared the finish line at the entrance to Nassau Harbor today.

The Big Valiant, an 80-foot yawl owned by William Carl of Corpus Christi, Tex., was reported leading the pack but closely pressed by the Ticonderoga, a 73-foot ketch owned by John Hertz, Jr., and raced out of Miami.

The Hoot Mon, 39-foot yawl owned by three men and raced from Miami, was fourth. Hoot Mon, defending champion in the Southern Ocean Racing Conference, is one of the prime favorites to win the 184-mile race.

The Valiant, as scratch boat,

was played under professional rules.

What Hank Iba's Oklahoma Aggies did to St. Louis Billikens at Gallagher Hall in Stillwater, Okla., was old. The Aggies won. And Eddie Hickey, bossman of the Bills was blue. He hasn't won at Stillwater since 1943.

Coach Sax Elliott sent his Los Angeles State lads against the taller Utes with a boost in their boots. Glenn Abney, for instance, showed up with six-inch soles that nudged him above the seven-foot mark.

But Utah, ranked fifth in this week's Associated Press poll, rose to the occasion and whacked the Diablos 77-38 for their 15th success in 17 games.

Boston college upset Tufts 63-54 in the pro go at Boston. Both teams got a little rattled in the first half trying to avoid the 24-second violation (the pros have to take a shot within that time limit after gaining possession), but they calmed down in the second 20 minutes.

Only clear-cut decision after the experiment: Garden officials said the game, paired with a St. Anselm-Bridgeport game played under orthodox college rules, made it the fastest college double-header ever played in the Arena. St. Anselm's whipped Bridgeport 81-58.

Only two other ranked teams were at work, and both won easily against lesser competition. LaSalle No. 3, rocked Georgetown 85-58 with All America Tom Gola hitting 12 of 17 field goal shots for a 34-point total. Duquesne, No. 4, ran over Westminster (Pa.) 70-56.

## TCU Rewriting Southwest Loop Cage Records

By THE ASSOCIATED PRESS

Texas Christian and its brilliant sophomore center, Dick O'Neal, looked like a good bet Thursday to have the Southwest conference basketball records pretty well rewritten when the season ends March 1.

Wednesday night they put four new free throw records into the conference book with their 92.62 victory over sagging Texas A&M.

The triumph strengthened TCU's hold on first place, running the Frog standing to 5-1 in conference play, ahead of SMU's 4-2 mark.

Thursday night's play won't change things much. Texas, wallowing in last place with 14 straight losses, plays host to Texas Tech at Austin in a non-conference game.

O'Neal, gangling, 6-foot-7 TCU pivotman, broke his own conference mark with 40 charity tosses in 61 attempts.

A&M's 30 free throws in 41 tries were good for two more conference records as the combined totals of 102 attempts and 70 successful throws erased old standards for the 7-team circuit.

## Phoenix Tourney Draws 153 Golfers In Bad Weather

PHOENIX, Ariz.—A bulky field of 153 golfers fire the opening round today in the \$15,000 Phoenix open tournament with the weather as big a factor as any of them.

A couple of days ago with warm, sunny skies, the golfers burned up the Arizona Country club course. Then yesterday a chill wind blew out the fires and the hottest round was John Barnum's 3-under-par 67 in the pro-amateur preliminary.

More wind was forecast today. The temperatures in the mid 50s also bothered Ed Furgol, who won this event and the United States Open in 1954 despite a crippled left arm.

Furgol has been nursing ailments in his right arm this winter but said before going on the course that it felt better. He admitted after a 72 that the arm still was giving him trouble.

### 51 MILLIONS LENT

BERKELEY, Calif.—Farmer cooperatives in California, Arizona, Nevada and Utah borrowed more than \$51,300,000 last year from the Berkeley Bank of Cooperatives, President L. A. Crawford said yesterday.

### ASKS 40 MILLIONS

DENVER—State spending of 40 million dollars in the next fiscal year was recommended to the Legislature yesterday by Gov. Ed Johnson. Johnson, a Democrat, told the Republican-controlled assembly this total—five millions greater than for the current year—could be spent and a 20 per cent reduction in state income tax still retained.

must concede time to every other craft and gives up 8 hours, 39 minutes and 30 seconds to the Hoot Mon.

The actual order of finish among the yachts means little, because of the time allowances.

This race, which began Tuesday at noon, has been one of the slowest in the history of the event.

LAST TWO minutes of CVE Traveler-Allen Bradley game last night saw reverse "freeze," giving Travelers much-needed rest on floor. Behind 10 points, Allen-Bradley froze ball, apparently as protest over officiating which expelled two Milwaukee players on personal fouls. ## Altitude Forces Santee Into Hit-Run Try in 1,500 Meter

NEW YORK — Wes Santee wants to make a "hit and run" affair of his 1,500-meter race in the Pan-American Games at Mexico City next month.

"If I'm chosen for the American team—and I'll be shocked if I'm not—I'll ask to be allowed to fly down the night before the trials and again the night before the main race and then get right out again," the Kansas miler said.

"Because of the altitude—it's around 7,500 feet above sea level, I think—I wouldn't want to do any preliminary training there."

## State Basketball District Tourney Schedule Is Set

ALBUQUERQUE, (AP)—Executive Secretary U. G. Montgomery of the New Mexico High School Activities Assn. today announced the sites and dates of 10 of the 12 district basketball tournaments.

The class B tourneys, eight of them, will be played Feb. 24-25, while the four class A tourneys will be run off March 4-5. Regional tourneys for the class B teams also will be played March 4-5. No definite sites have been determined for them.

Here is the lineup on the class A district events: District 1 at Gallup, district 2 at Las Vegas, district 3 at Alamogordo, district 4 at Roswell.

The class B district tourney sites are: 1 at Springer, 2 at Espanola, 3 at Albuquerque, 6 at Portales, 7 at Tucumanari and 8 at Artee.

Montgomery said no definite sites have been decided on for the class B Districts 4 and 5, though they may be at Roswell and Silver City.

Both state tourneys, to be held March 10-12, will be played in Albuquerque.

America's premier miler, whose time of 3:42.8 was certified this week as the world record for the 1,500 meters, is in New York to continue his assault on the indoor mile mark. He set the record with 4:03.8 last Saturday in Boston and will try to lower it in the Millrose Games Saturday at Madison Square Garden.

"Olympic officials have asked me about the prospect of doubling up in Mexico," he said. "I told them no. I said I would run only in the 1,500 meters."

Santee, who has done a 4:00.6 mile outdoors and predicts he'll lower the present mark of 3:58 held by John Landy, said in order to make his best showing at Mexico City he wanted to arrange a schedule so he'd be there just for the day of the race.

"The games start March 12 and the 1,500-meter trials are Thursday, Feb. 17. I plan to run in Milwaukee March 12, fly to someplace in Texas on Sunday and stay there until Wednesday night when I'll go to Mexico City."

"Then after the trials I'd like to go someplace like Acapulco, which is sea level and about an hour away and wait until the final race Saturday."

### REVEREND ROBBED

SAN ANTONIO, (AP)—The Rev. Rufus Stewart of Alice, here to attend an Episcopal church meeting, reported yesterday that his clerical robes, prayer book and other religious items were stolen from his car.

### CRIME DOESN'T PAY

FITCHBURG, Mass.—A masked gunman held up the Saxon Theatre last night and wound up with a loss. Police said he robbed the cashier of petty cash only and in fleeing police, dropped the loot, his gun, his gabardine coat and hat.
