Local TB Cases Under Recommended Treatment

The Texas Department of Health is announcing an outbreak of tuberculosis in the Muleshoe area. The first case was found in late March 1991, on routine screening of a pre-school child. By following

up on contacts eleven more cases have been identified. Two are in pre-schoolers, eight in school-age children, and two in adults.

All the children and one of the adults have "primary" non-contagious tuberculosis, the type which occurs when the tuberculosis germs enter the body for the first time, causing an infection so mild that it may not cause obvious illness, and which can heal without ever being diagnosed, according to Jo Ann Head with the Texas Department of Health. It may occasionally produce serious consequences, however, especially in infants and young adults, she continued.

One of the adults has the "adult" type tuberculosis that occurs if the body does not defend itself against the primary disease, as when, months or years later, the body's resistance is lowered. The "adult" type can produce serious effects, damaging spots of tissue in the lungs, most frequently, or causing damage to other body parts, Mrs. Head continued. The "adult" type can be contagious.

Tuberculosis is diagnosed by TB skin tests, X-rays, sputum tests, or biopsies, Mrs. Head said.

Uncomplicated "primary" or "adult" tuberculosis is easily treated with medications.

"The cases of tuberculosis in Muleshoe are all under recommended treatment and further testing and follow-up is being done" said Mrs. Head.

The source of the infection has not yet been identified, she added.

Food Box Seeking Help Food/Donations

The Board of Directors of the Bailey County Food Box met Friday, June 14 at 5 p.m. Board members present included: Lucy Mardis, Betty Moore, Betty Griswold and Josie Pedroza.

The monthly report for April and May was discussed. The Food Box served eleven families in April and 26 in May. It was reported that they gave another load of tortillas to 170 families in May.

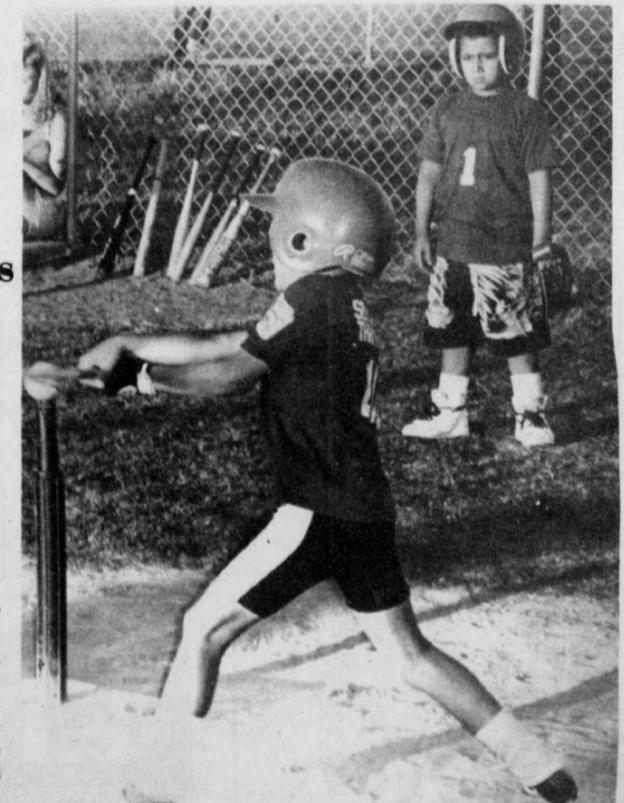

Due to the situation with the cotton crops in the area many of the people who came here to work in the fields are unable to find work at this time.

It was reported that the Food Box has been hit hard in May and June. They are asking the public for help. They need canned goods or cash donations, anything anyone can donate can be dropped off at 804 W Am. Blvd.

The Food Box is operated by volunteers. The next meeting will be August 2.

SIGNED WITH INTENT TO PLAY--Heidi Bohler has signed with intent to play basketball for Western Oklahoma State College and received a full grant. A 1991 graduate of Muleshoe High School, Miss Bohler plans to major in Science. She is the daughter of Mr. and Mrs. Jim Bohler of Muleshoe. (Guest Photo)

T-BALL IN ACTION--Gabe Flores, hindcatcher for the Purple Team, sponsored by Valley Grain, looks on as a player from the Maroon Team, sponsored by Thriftway, tries for a good hit. The Maroon Team won the game Monday afternoon in make-up time. Their previous game was rained out. (Journal Photo)

ANNA, BRITTANY LYNN AND TOMMY SEXTON

Sextons Honored With Shower

A baby shower for Anna and baby girl Brittany Sexton was given June 14 between 6:30 and 8:00 at 213 W. 14. Guests were greeted by Rosemary DePalma and Jan Davis.

Registering the guests for the occasion was Carlene Stroud. Servers were Rosemary DePalma and Jan Davis.

A white lace tablecloth was used on a table that held a blue and pink rattle and a picture of Brittany.

White cake, punch and mints were served.

The honoree's corsage was of flowers made of pink baby socks.

Hostess gift for the shower was a stroller.

Special guests at the shower was the baby's father Tommy Sexton. Other guests were Elizabeth De Palma and Mary Sexton.

Rosemary DePalma, Jan Davis, Laveen James, Billy Downing, Carlene Stroud, Tina Obenhaus, Helen Redwine, Ellawese Norman, Opal Moten and Rose Sain served as hostesses for the occasion.

Shower was held in the home of Mr. and Mrs. Stacey Davis, 213 W. 14th in Muleshoe.

Praise gets cooperation quicker than fault finding.

Rebekah Lodge

By Reporter Pat Langfitt

Ruby Garner and Joyeline Costen brought the ingredients for a good supper Tuesday night. Thanks, girls. After our refreshments and socializing, Ruby Green called the Lodge to order. Fern Davis gave the opening prayer. June Green took roll of 17 members and read minutes of the last meeting.

Correspondence from the Rebekah Assembly was read. Among our correspondence was a letter from our President Ora Little regarding her visit to our District. This meeting will be in Friona July 17.

Plainview Rally-Grand Master Rufus "Hank" Henry and President Ora Little will be in Plainview for a rally on July 20. We would love to have a bus load attend from Muleshoe. Make plans, Oddfellows and Rebekahs.

The meeting on July 2 will be held at the Yellow Dining Hall in the Muleshoe Nursing Home. Members will take a dish and eat about 7 p.m.

Also, this is a reminder of the State Secretary, Clerk and Scribes Meeting to be held in San Angelo on August 10 and 11. Please attend these meetings if possible. Remember Crispin Green is the President this year and really needs our support. Please bring door prizes and bingo prizes (wrapped if possible) to the Lodge Hall for this August meeting.

We need all the prizes we can get to take.

Patsy Chance, Lodge Deputy gave the instructions on entering Lodge. Our three newest members all showed how it was done correctly. Thanks to Mickey, Mary Ann and Doris.

Nolan Ryan pitches 7th no-hitter.

REGINALD A. JARAMILLO

Jaramillo Makes Superintendent's List

Reginald A. Jaramillo, a freshman student at New Mexico Military Institute, was named to the Superintendent's List for academic achievement during the second semester of 1990-91 school year.

Jaramillo is the son of Antonio and Alma Jaramillo of Hobbs. His grandparents are Mr. and Mrs. H.J. Leal and Mrs. Lucy Martinez of Muleshoe.

To be eligible for the Superintendent's List at NMMI, a student must have a minimum grade point average of 3.5 on a 4.0 scale and an "A" in deportment.

During the recent NMMI awards ceremony, Jaramillo was also honored for making a perfect 4.0 GPA for the fall semester and received the Col. H.P. Saunders Medal for the most outstanding achievement in academics, leadership and military performance in the freshman class, the Col. Eben R. Wyles Award for the best new high school cadet of the year in his troop, and the Department of Army Superior Cadet Award to the most outstanding cadet in the freshmen ROTC class.

Lazbuddie Teachers Choose Citizens Of The Year

Lazbuddie junior high and high school teachers chose the outstanding "Citizens of the Year, 1990-91," and the announcement was made during the end of the year awards assembly. They are: Rachelle Rice and Tim Smith, junior high, and Jana Vise and Stacey Barber, high school.

Rachelle is the daughter of Doug and Linda Rice. She will be a freshman at Lazbuddie next fall. She is an honor student and has been enrolled in the gifted and talented program through elementary and junior high. She is a two-time winner in the Amarillo Globe News Parmer County spelling bee. She represented Parmer County at the regional spelling bee this year and placed 8th. As a seventh-grader, Rachelle was named to participate in the Duke University Talent Identification Program. She was asked to take the SAT college entrance exam for TIP, with the result that her scores qualified her to receive top state honors. TIP recognizes seventh-graders who score in the 97th percentile or above on standardized academic tests. Of these nation-wide top three percent of seventh grade students, only a few, like Rachelle, receive added state and national recognition because of outstanding SAT scores. Each year, Rachelle has participated in academic U.I.L. events for her school and has won top places every year in various events. In addition to academics, she is active in school sports in basketball and track.

Tim is the son of Tim and Debbie Smith. He is an honor student and will be a freshman next school year. He was a new student to Lazbuddie ISD this year. He was very active in sports, participating in football, basketball and track. Tim represented the school in academic U.I.L. events, winning top places. He is an outstanding student, and Lazbuddie's teachers look forward to his high

school academic and athletic contributions.

Jana is the daughter of Dale and Nellie Vise. She graduated as salutatorian of her class. She was an honor student, active in basketball, tennis and academic U.I.L. events. She was named AAUW Girl of the Month, Girls State representative, FFA Plow-girl, and was a twirler for the Longhorn marching band. She was active in the Student Council, the National Honor Society, and Future Homemakers of America. During her high school years, she won many academic awards. In sports, she received the 1990-91 Spirit Award and the Pride, Hustle, and Desire award. She plans to attend McMurry University.

Stacey is the son of Jerry and LaReta Barber. He will be a senior at Lazbuddie next fall. He is an honor student, active in athletics and academics. He is a member of the National Honor Society and is a Student Council representative. He represents the school in academic U.I.L. events each year and has won top honors in a variety of contests. He participated in the U.I.L. one-act play, earning All-Star Cast recognition. Lazbuddie's teachers and administration have given Stacey a number of leadership roles, including broadcasting the morning announcements to the student body. He is an outstanding student who makes significant contributions to his class and school each year.

These outstanding "Citizens of the Year" were selected because of their special qualities of leadership, responsibility, academic endeavors, and contribution to their school. Lazbuddie's administration, teachers and all school personnel congratulate them on their exemplary performance.

Rodeo...

Cont. From Page 1

Contestants will meet Monday, June 17 at the Wolverine Drive-In for a coke party. Entries will be judged on riding skills and poise. Young ladies, ages five to eleven can compete for Little Miss Cowgirl and the contestants for the Rodeo Queen will be young ladies between the age of 12 and 19. Anyone wishing to compete should call Connie Lewis at 257-2048, work, or home or Susan Templeton at 965-2462.

There will be a little girls' barrel race, stick horse race and wild cow milking nightly.

Admission to the rodeo is \$5 for adults and \$3 for children 12 and under. A barbecue will be served free with the price of a rodeo ticket on Saturday night and that evening the Earth Lions will give a CD player to some lucky individual. With every one dollar donation to the Lions Club you will receive a chance to win the CD player.

Terry Walls Rodeo Company will provide the stock for this year's buckin' cowboy bustin' rodeo.

Almeria Inc. Holds Shareholds Meeting

Almeria Inc. held their third annual shareholders meeting on Saturday, June 8. The board of directors of the Corporation was reclassified and now numbers six persons. The subsequent board meeting, in addition to telephone participation, was attended by the three resident Directors, Walter E. Schmidt, who was re-elected Chairman of the Board; Richard W. Clikeman, who was renamed Senior Director, by Almeria's most recent executive addition to the post of treasurer and chief financial officer, Ross C. Gwinner, and Seymour N. Rottenberg. Rottenberg, who lives in Silver Spring, Maryland, director, was a guest of the Corporation over the weekend. Rottenberg, an executive with the U.S. Professional Development Institute, and a trained meteorologist, has held positions with a major computer manufacturer, a government agency, consulting firms, and a satellite communications company. Among titles he has held are Scientist, System Designer, System design Engineer, Computer Scientist, DP Consultant and Advisory Engineer. He has also worked on the Space Telescope, and the Space Shuttle flight simulator. Rottenberg, a recent investor in Almeria Inc., is the owner of a 20-acre micro-jet irrigated Valencia orange grove in Florida, and owns a financial interest in a great semi-cultivated ginseng growing operation in Virginia.

David D. Plant, president of Flexiplant U.S.A. Inc., Almeria's Director since May 22, inventor and head of the company which will manufacture Almeria's greenhouses, planned to be out of the country and was unable to attend. Plant is a native of Queensland, Australia and was a very successful, major grower in Australia in climate conditions similar to those in Muleshoe for over twenty years. There are over twenty Flexiplant greenhouses now in operation in

Stacy Knowlton Recieves Jennyslipper Scholarship

Several items were discussed at the Jennyslipper meeting Tuesday at noon. The second reading of the proposed changes in the Jennyslipper by-laws was read by Donna Kirk, secretary.

Mrs. Kirk also introduced Stacy Knowlton, this year's scholarship winner, and her mother, Mrs. Gary Knowlton.

The possibility of selling pictures of mules, in conjunction with Mule Days, was discussed with no decision being made.

This year's Jennyslipper float for the parade will be designed for the veterans to ride on. All veterans are urged to ride on the float and receive the recognition they deserve. The veterans will be parade "Marshals" in the big Patriotic Parade. "It will be appreciated if all organizations in the parade will dress in full uniform and all citizens wear their appropriate red-white-blue" said Nelda Merriott.

The Veterans' monument will be dedicated in a special ceremony following the parade, at the Monument site, south of the court house.

Nelda Merriott, Darla Rhodes and Donita Cooper put on a short skit about the Muleplex Production play scheduled in conjunction with the other July 4th activities.

Mrs. Merriott told the group that Gale Brickman of New York is traveling back to Muleshoe to spend her vacation. She was in Muleshoe last year, while Lee Horsley was here, and decided Muleshoe was a good place to return and visit, Mrs. Merriott continued.

Ann Camp, librarian at Muleshoe Area Library, reported on the summer reading program. Wednesday morning a total of 83 boys and girls met at the library. "We will continue the reading program until July 12, so there is still time for the children to sign up for the program" Mrs. Camp added.

Wet Weather Blight Appearing In Area

Much of the damage to cotton plants appearing in area fields in the wake of recent storms is from Ascochyta blight, says a plant pathologist with the Texas Agricultural Extension Service. Growers need to examine their stands carefully before deciding to replant, he cautioned.

"Most of the problem right now isn't seedling disease, except on the youngest plants,"

said Dr. Harold Kaufman, the extension specialist. "Some of the fields which are blackened probably were desiccated by the dust storms and blowing soil early this month."

But he said fields which he has examined show that Ascochyta, or wet weather blight, is a common culprit. Ascochyta blight is a fungus which produces sticky spores. The spores don't spread unless rain splashes them to other plants.

"It will be worse in fields where cotton was planted before," the pathologist said. "It starts from trash on the ground from previous cotton crops." Rotation and deep plowing will help next year, but not this year, he said.

Effects of the wind and soil damage can vary widely from field to field in close proximity, Kaufman said. Fields with rows planted north to south appear to have less wind damage, he said. "Fields that had protection from forage sorghum, wheat stubble

or other windbreaks look good," except for blight problems, he noted.

The pathologist urged growers to look very closely at their plants when making decisions about replanting. "If the plant has a green terminal it should come around as our weather warms up and dries out," he said.

Nothing can be done now except to wait for new growth to indicate how many plants are still alive and capable of going on, he said.

"I know growers like to see six to eight plants per foot, but that many aren't required to produce a good crop," Kaufman said.

He noted that Dr. James Supak, Extension Service cotton agronomist, says that as long as a grower has two plants with green terminals per foot of row, even though the plants were defoliated by wind or blight, the grower can still make a good crop.

Mules Win North Half Pennant

The high riding Muleshoe Mules have cinched the north half district championship, winning 5 games while losing 1. They will enter a district tournament February 15 which will be played by the Number 1 and Number 2 teams of each half to determine the district championship.

It is the best basketball team to represent Muleshoe High in many years. Last week the boys put on a ball handling, ball passing exhibition, which placed

them on top of Littlefield's Wildcats by an 86 to 41 score.

Let Down At Levelland

But the boys were not themselves Tuesday night, and lost to Levelland high school's five, 49 to 35, exactly the scores by which the Mules had downed Levelland in a game played here early in the season. Those who saw the game said the boys were enjoying a night off, however, Coach T.J. Bailey probably didn't enjoy it. They had won the championship of the north half of their district

and simply were suffering from a let down, in the opinion of some fans.

But Ed Nickels was on the beam at Levelland, scoring 19 of the team's 35 points. Gerald Byrd had a nice 12 point score for the night.

It has been a grueling pace that the A boys have set since the beginning of the season. They have played 22 games, won 17 and lost only 5. Theirs is one of the outstanding records of this section.

In conference play they lost only to Levelland. All their other four losses were in tournament play, against Abernathy, Spade and Bovina. But the boys have hung up a scoring record that will stand for quite a while for Muleshoe basketballers to shoot at. They have rung up 1,118 points in these 22 games, averaging no less than 50.8 points to the game.

In conference games, the boys have the following total points each: Gerald Byrd 63; John D. Whipple, 70; Ed Nickels, 85; Glenn Harlan 52; Bill Gaede 42; Jim Gaede 13.

The district championship is determined in a tourney between the four top teams, two from the north half of district 4-AA and two from the south half. While it is known when the tourney will start, it is not known where the games will be played.

Jerry Parsley Council Prexy

After the noise had died down and the fireworks were over, Jerry Parsley emerged from the heated race as the new student council president of Muleshoe high school for the year 1950-51.

Johnny Whipple, his opposition, gave him a run for his money, though with the final

vote being 147 to 106.

Earl Jennings came out for the vice residency race, beating Robert Waggoner by a vote of 157 to 95.

In the more feminine part of the race Mona Smith was bested by Pat English 142 to 111.

Eugene Buhrman won the last race of the day as he became parliamentarian, winning over Bob King 11 to 82.

All voting was done at a poll set up in the study hall, with the heaviest vote coming during the second period. Results were tabulated each period.

As none of the races were particularly close, it shows the majority of the students are behind the new student council officers for 1950-51 and, therefore, they should have smooth sailing. Right here we want to commend the student council for a most successful job done in its first year of existence!

We congratulate all you new officers and wish you the best of luck

Honor Students

Mary Jo White is to be valedictorian of the year's senior class, and Arlyn Kriegel will be the salutatorian.

Marquita Splawn was third ranking student in her class.

Mary Jo compiled the highest average.

Arlyn was second high, participating in basketball and football.

Congratulations to the three of you. You have achieved a good scholastic record and are to be commended for it.

Goss, Cummings

Scholarships

Two of Muleshoe high school's senior football players received four year scholarships to McMurry College in Abilene last weekend. These two boys, Bobby Goss and Joe Cummings went down together and tried out last Friday and Saturday. Bobby tried out as guard and Joe as fullback.

Both Bobby Goss and Joe Cummings have had four years football in high school. Bobby played tackle and fullback. He was also captain two years. He has made All District and All Regional for two years. Joe has played the fullback position since being in high school with the exception of a few times this year as quarterback.

Chapter Girl

Leatrice Ann Martin was elected the Chapter Girl for the F.H.A. last month.

We all think Leatrice deserves this because she is our secretary which she is doing a very good job.

Leatrice has done everything possible to help F.H.A. She has taken part in everything we have done and she has been very willing to do anything that has to be done.

She is not only a very good F.H.A. member, but is good at anything she starts to do.

We are proud that Leatrice was elected for she has done as much if not more than any of us to better the cause of our F.H.A.

Mules Track Team Downs Floydada,

Muleshoe track and field team defeated Floydada high school's thinly clad athletes in a dual meet held there last Saturday, 59 points to 45. Coach Willard Hedges' charges scored high in virtually everything they entered.

This week the boys bore down in preparation for the regional Interscholastic League track and field meet to be held at Tech College in Lubbock this week end. Thirteen squad members are eligible to compete, and Muleshoe fans are expecting to hear that some at least will go to the big state meet in Austin.

Points were made by the Mules in the Floydada Meet as follows:

100-Yard Dash--Bobby Seid, 1st.

220-Yard Dash--Don Moore, 2nd.

Low and High Hurdles--Don Moore, 2nd.

440-Yard Sprint--Kenneth Hicks, 1st, 54.6 sec.; Jimmy Holt, 4th.

Broad Jump--Roald Johnson, 1st, 18 ft. 10 1/2 in.

880-Yard Run--Kenneth Hicks 1st; Gerald Elders, 2nd.

Mile Run--Roald Johnson, 1st, 4 min. 58 sec.; Bob King, 2nd.

Pole Vault--Sammy Donaldson, 1st.

Shot Put--Bobby Seid, 1st; Dwayne Burkhead, 2nd.

Discus--Dwayne Burkhead.

2nd. 440-Yard Relay -- Muleshoe 2nd: Don Moore, Sammy Donaldson, Bobby Seid, and Kenneth Hicks.

Mile Relay--Muleshoe 1st: Roald Johnson, Jimmy Holt, Bobby Seid, and Kenneth Hicks.

Outstanding Boy and Girl

Miss Mary Jo White and R.E. Bryant, were chosen as the most outstanding boy and girl of M.H.S. They were chosen by a direct vote of the high school faculty.

Mary Jo is the Editor of this years annual, President of the Thespians, President of F.H.A. Secretary of Teen Town and a member of the Pep Squad and The Spanish Club.

R.E. is a Student Council representative, Business manager of the Stinger, Football letterman, and member of Teen Town and The Spanish Club.

Both are top students.

Muleshoe Teams

Defeat Bovina

Muleshoe's Mules chalked up a 58-51 victory over Bovina here Monday night, coming from behind in the last quarter to win. In a game just before the boys' game, the Muleshoe girls defeated Bovina's girls 63 to 34.

Glenn Harlin paced the Mules attack with 21 points, helping to spearhead the last ditch victory. Bovina held a 21 to 9 lead after the first eight minutes of play and held a 28 to 19 lead at the half. Muleshoe cut the margin to 41 to 38 as the third period ended.

Jo Addine Wagon pitched in 36 points for the Muleshoe girls, while Rita Peeler had 17 points for muleshoe.

Billie Joe Morrison

Lone Star Farmer

Billy Joe Morrison, Muleshoe FFA boy, son of Mr. and Mrs. D.L. Morrison, Monday night was honored by being named a Lone Star Farmer, highest honor the state Future Farmer organization awards.

Edward White, Voc. Ag. instructor, and Mr. and Mrs. Morrison accompanied Billy Joe to Hereford for the awards banquet when 63 boys in this area received the degree. Billy Joe was the only boy to make the degree this year in the Muleshoe school.

Billy Joe is associated with his father and brother in breeding Chester White hogs. They also have Hampshires and Billy Joe has one of the heifers of the merchants' Jersey cattle program started several years ago.

47 Seniors Of Class Of 1951 To Receive Diplomas

This is the second graduating class to receive diplomas in the beautiful new auditorium. The '50 graduating class moved into the new school only a few weeks before the term ended. The 1951 seniors have the distinction of being the first graduating class to attend a full year in the new school.

Indians 44-29

Big Ed Nickels hit 8 out of 8 free gratis shots and set 6 field goals for a total of 20 points, to lead his teammates to victory over the Morton Indian five here last Friday night in a conference game 44 to 29.

Both teams had a hard time getting their range in the opening minutes of the ball game, but after they found their range, they hit consistently with the teams swapping the lead several times, but the Yellow-jackets finally managed to pull out in front by half-time 21 to 16.

In the second and third quarters the Muleshoe boys had complete control of the game and rolled up 44 points all total to the visitors 29.

Hill was high point man for the Morton five with 10-points to his credit.

B-Team Wins

The B-team won the opening game from the Morton B-team by a score of 25 to 12.

G. Harlin led the Yellowjackets with a total of 9-points while Burns was topman for the indians with a total of 4-points.

This was Muleshoe's third conference victory of the season. They have lost only one conference game so far, which was to the strong Sudan Hornets.

Drowning Major Problem For Rural Children

Drowning has been a No. 1 killer of children on Texas farms and ranches for the past five years.

"Twenty-three deaths, or 30 percent of all child fatalities on farms during this period, were

Billie Idle Graveside Services Held

Graveside services for Billie Margaret Idle, 73, of Snyder was conducted at 10 a.m. Saturday, June 15 in Hillside Memorial Gardens with the Rev. Don Taylor, pastor of the First Baptist Church, officiating.

Burial was under the direction of Bell-Cypert-Scale Funeral Home. Ms. Idle died at 4:05 a.m. Friday in Cogdell Memorial Hospital following a lengthy illness.

Born in Burleson, she was a housewife and a Baptist.

Survivors include two sisters, Valta Hataway and Othell Hataway, both of Snyder; and a brother, Bill Lindley of Muleshoe.

Hollis Pryor

Local Man's

Brother Dies

Funeral services for Hollis Pryor, 71, of Amherst were held at 2:30 p.m. Tuesday, June 18 in the First Baptist Church with the Rev. Larry Sanders, pastor, officiating, assisted by the Rev. Glenn Wilson, formerly of Amherst.

Burial was in Littlefield Memorial Park under the direction of Hammons Funeral Home. Mrs. Pryor died at 5:57 p.m. Saturday in Methodist Hospital after a brief illness.

Born in Anarene, she moved to Amherst 41 years ago. She married Lloyd Pryor on Jan. 12, 1943, in Clovis, N.M. She was a retired vice president of First National Bank, where she had been employed 31 years. She taught Sunday school and was a member of the First Baptist Church for 40 years.

Survivors include her husband; a son, Gary of Arlington; two sisters, Estelle Drake of Littlefield and Rosemary Seymour of Sudan; two brothers, Joe Camp of Clovis, N.M. and Bernis Camp of Muleshoe; and two grandsons.

from drowning," said Thomas D. Valco, an agricultural safety engineer with the Texas Agricultural Extension Service.

Accidents involving tractors were the second leading cause with 19 deaths or 24 percent of the five-year total, Valco added. Nine deaths, or just over 11 percent, involved animal-related accidents, the third major cause.

"Nationally," Valco said, "an

Are You Having A Heart Attack?

A heart attack can strike anyone at anytime. The pain of a heart attack varies for each victim-it can be intense for one person yet milder for another. A heart attack is often misinterpreted as "indigestion."

Heart attack victims have a better chance of survival if they recognize early warning signals of a heart attack and seek medical attention immediately. The warning signals of a heart attack are:

- * Uncomfortable pressure, fullness, squeezing or pain in the center of the chest for more than two minutes.

- * Pain may spread to the shoulders, neck or arms

- * Severe pain, dizziness, fainting, sweating, nausea or shortness of breath may also

average of 300 farm children under age 16 die every year from accidents, and at least 5,000 other children are injured while operating or playing near farm equipment or water."

The Wisconsin Center for Health Statistics reported that 100 fatalities occur per 100,000 urban children, he said. All of these fatality statistics, unless the site of the accident was on a farm.

"Drowning often is a silent killer, Valco said. "Within seconds, a toddler may drown in a few inches of water. The parent may not hear a cry for help or even a splash. Death comes so quickly."

Closer adult supervision and early teaching of water safety could prevent many drowning deaths, he said.

Four of the 1990 deaths occurred when toddlers fell or stepped into deep water, Valco said.

"Often, young children play near the water's edge and lose their balance," said Stephanie Frerich, Extension Service graduate assistant in farm safety.

"Others wade in what they think is shallow water, only to fall into swift currents or drop into deep holes. Usually, no skilled swimmer is near to help."

Too often, a parent underestimates a child's curiosity and overestimates his or her judgment, Valco explained. "A child may acknowledge a warning of caution, but this does not mean that the risk or hazard is understood," he said. "The child's short attention span plus the association of water as a play area generally make most warnings ineffective."

To prevent drownings, Valco said, all ponds and tanks should be fenced and posted to keep young swimmers out.

In addition, he said, parents

should:

- *Never Allow children to play near water without constant supervision. Within seconds, a child can run to the water's edge and be in trouble.

- *Teach children as early as possible how to swim or at least stay afloat until rescued. But even if a child has had swimming lessons, don't consider the youngster to be "water safe."

- *Caretakers should learn how to perform CPR (cardiopulmonary) on infants and young children. Contact the local chapter of the American Red Cross or American Heart Association for class schedules and registration details.

- *Know and post by the telephone all numbers to call for emergency medical service.

The family of Vera Inman would like to express their appreciation for the kind expressions of sympathy during the death of their mother. Especially to the staff of Ellis Funeral Home and the LaZabudie First Baptist Church. Thank you for the phone calls, flowers, food, and visits.

God Bless You,

PUBLIC NOTICE

BRIEF EXPLANATORY STATEMENTS
OF PROPOSED
CONSTITUTIONAL AMENDMENTS
SPECIAL ELECTION
AUGUST-10, 1991

PROPOSITION NO. 1 ON THE BALLOT

Senate Joint Resolution 42 proposes a constitutional amendment that would authorize the newly created county education districts to hold elections to exempt from ad valorem taxation a percentage of the market value of the residence homestead of a married or unmarried adult. The percentage exempted could not exceed 20% of such market value, and the amount exempted could not be less than \$5,000. The amendment would also authorize county education districts to hold elections to exempt from ad valorem taxation not less than \$3,000 of the market value of the residence homestead of a disabled person or a person sixty-five years of age or older. Finally, the amendment would authorize elections in county education districts for the taxation of certain tangible personal property exempted from ad valorem taxation by the legislature.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to allow the voters of a county education district to adopt certain exemptions from the district's ad valorem taxation for residence homesteads and to provide for the taxation of certain tangible personal property."

PROPOSITION NO. 2 ON THE BALLOT

Senate Joint Resolution 5 proposes a constitutional amendment that would allow the legislature to pass general laws authorizing Texas Higher Education Coordinating Board or its successor to issue and sell up to \$300 million of general obligation bonds to finance educational loans to students. The maximum net effective interest rate to be borne by the bonds would be set by law. The amendment would also authorize the legislature to provide for the investment of bond proceeds and to establish an interest and sinking fund to pay the bonds and provide for the investment of such fund. Bonds authorized under this amendment would be paid from the first money coming into the treasury in each fiscal year that is not otherwise appropriated by the constitution, less any amount in an interest and sinking fund established at the end of the preceding year that is pledged to the payment of the bonds or interest.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment providing for the issuance of general obligation bonds to provide educational loans to students."

Estos son los informes explicatorios sobre las enmiendas propuestas a la constitución que aparecerán en la boleta el 10 de agosto de 1991. Si usted no ha recibido una copia de los informes en español, podrá obtener una gratis por llama al 1/800/252/8683 o por escribir al Secretario de Estado, P.O. Box 120650, Austin, Texas 78711.
