## Miss Cauhape and Mr. Casabonne Take Vows

Rev. E. A. Drew read the marriage ceremony for Miss Marie Elizabeth Cauhape, when she became the bride of Mr. George Casabonne, son of Mr. and Mrs. Jack Casabonne of Hagerman at 2 o'clock Sunday afternoon in the home of her parents, Mr. and Mrs. Felix Cauhape of Hope. The wedding was held on Mrs. Cauhape's birthday. Mr. and Mrs. Cauhape were hosts at a reception afterward. Music was furnished by Mrs. Maxwell Johnson and Mrs. Anderson Young.

White, purple and gold chrysanthemums in pottery baskets and tapers in candelabra formed the background for the ceremony. Miss Billy Brantley was maid of honor and wore a gown of blue taffeta sprinkled with sequins, and carried a bouquet of golden chrysanthemums. Mrs. Earl Clady was candle lighter. Johnny Cauhape, cousin of the bride, was best man and Felix Cauhape, Jr., was usher. Miss Madlyn Kincaid presided over the guest book.

The bride, escorted by her father, wore a traditional gown of white satin with sweetheart neckline and a full skirt. Her fingertip veil was attached to a heartshaped lace tiara. She carried a bouquet of white mums. Her "something old" was her head-dress, she having been of the fifth generation to wear it. Her "something borrowed" was a handkerchief belonging to Mrs. Jack Casabonne. The bridegroom's gift was a watch made in Switzerland which was originally his grandmother's.

At the reception, the refreshment table was laid with a white lace cloth, centered by a three-tiered wedding cake, beautifully decorated with wedding bells and topped by a miniature bride and groom. Miss Mary Louise Cauhape served the cake, while Mrs. Earl Clady and Miss Mary Ansell poured. Miss Kincaid caught the bride's bouquet.

Local guests included Mr. and Mrs. Johnny Casabonne and daughter, Linda, Mr. and Mrs. M. D. Brantley, Mr. and Mrs. J. W. Meilard, Mr. and Mrs. Frank Swinford and David, Mrs. Billie M. Ballard, and Mrs. Ernest Landreth.

Out of town guests included Mr. and Mrs. Jim Michelet, Mr. and Mrs. Jim Langenegger and Verna Jeanne, Mr. and Mrs. Roy Chost, Mr. and Mrs. Charles Michelet, Bobby Charles Michelet and his fiancée, Miss Betty Ceville Johnson, Mr. and Mrs. Jack Casabonne, Miss Helen Casabonne, Mr. and Mrs. J. V. Brown and Louis Veddar, Milton and Priscilla, all of Hagerman, N. M., Mrs. J. P. Cauhape and Miss Mary Louise, Mr. and Mrs. Earl Clady and Lou, and Miss Mary Ansell of Roswell, N. M., and Miss Goldie Rouse of Ayrshire, Iowa.

## Uncle Sam Says

There's nothing like a back-log of U. S. Savings Bonds to enable one to stand up and look the world in the eye. And you'll be clutching a handful of them before you know it if you enroll now for the regular purchase of U. S. Savings Bonds. With these bonds you'll lose the uncomfortable feeling that you're not getting ahead. What's good for you is good for your country, so start accumulating those Savings Bonds now. In ten years you get back \$4 for every \$3 you invest today. Sign up for the Payroll Savings Plan where you work, or, if self-employed, for the Bond-a-Month Plan at your bank.

U.S. Treasury Department

## A PROCLAMATION

By the President of the United States

### Thanksgiving Day — 1948

As the traditional day of Thanksgiving approaches, our thoughts incline, as in previous years, to the richness of our blessings. The spiritual endowments of our country are undiminished; we may, as always, walk as free men, unafraid. Our harvests have been bountiful, our production of goods abundant. Our resources have permitted us to aid the needy and helpless of other lands.

We are privileged to participate in international efforts to advance human welfare. We are profoundly grateful for the existence of an international forum where differences among nations may be submitted to world opinion with a view to harmonious adjustment.

We pray this year not only in the spirit of thanksgiving but also as supplicants for wisdom in our approach to the problems confronting this nation. Believing in the dignity of man and his right to live in freedom and peace, we ask divine guidance in helping to safeguard these gifts for ourselves and other peoples of the earth.

Now, therefore, I, Harry S. Truman, President of the United States of America, in consonance with the joint resolution of Congress approved Dec. 26, 1941, designating the fourth Thursday of November in each year as Thanksgiving Day, do hereby proclaim Thursday, Nov. 25, 1948, as a day of national thanksgiving; and I call upon our citizens to observe that day by giving thanks to Almighty God for the bounties which have been bestowed upon our nation and by resolving to render generous assistance to the hungry and homeless in other lands, thus renewing our devotion to the cause of good will among men.

By the President:  
Robert A. Lovett,  
Undersecretary of State.

HARRY S. TRUMAN.

## Yellow Jackets Split Games With Weed

The Hope Yellow Jackets won their "B" game from the Weed Bulldogs, 27-12, but dropped their "A" game to the Bulldogs by the score of 36-26. This was the second game of the season for the Yellow Jackets with the "B" team remaining undefeated, after their first two starts and the "A" team losing their first two games.

The Weed "A" team composed of five experienced boys, averaging 6 feet in height, took our varsity, but were hard pressed by the local five which was handicapped by the lack of height and experience. The Hope varsity showed a considerable amount of improvement from their first appearance with Lake Arthur and after a few more games, they should develop into a smooth working five, being handicapped by the lack of game experience.

Ray Jones, Sophomore guard, led the local "B" team by scoring 12 points with Blaine McGuire scoring 5. W. G. Madron, Kent Terry, and Alvin Melton all scored 6 points apiece to lead the "A" team scoring. Stone led the Weed scoring in the "A" game by scoring 16 points with Akers scoring 13 points for the visitors also.

Next week, the Yellow Jackets will have a busy week. The Hope Yellow Jackets will play Hagerman here Tuesday night, Nov. 30, with two games on the night's program. The first game will be called at 7 p. m. and the main game at 8 p. m. Friday night, Dec. 3, the Yellow Jackets will play Artesia with two games on the night's program. On Saturday night, Dec. 4, the Yellow Jackets will journey to Carrizozo for a game, this trip being their first long trip of the season.

Starting lineups and scoring for both teams:

"B" Game  
Hope—B. McGuire 5 points, R. Jones 12, T. Joy 0, E. Tunnell 4, C. Forrester 4.  
Weed—Kessel 0, Buckner 0, Bell 4, L. Stone 4, J. Havens 4.

"A" Game  
Hope—W. G. Madron 6 points, L. Harrison 4, Alvin Melton 6, K. Terry 6, Jr. Newsom 0, Glenn Harrison 2, T. Harrison 2, C. Forrester 0.  
Weed—Stevenson 0, Stone 16, Akers 13, Calkins 4, Grisak 2, Volz 0, Parker 0, Hessel 0, Havens 0.

Officials for games: Coach Smith, Hagerman; Coach Davis, Artesia.

## Thorough Check of Silo Will Prevent Wastage

Silos will help to assure good use of this year's bumper crop of cornstalks. To prevent waste of the ensiled crop, however, the silo must be in good condition.

Thorough cleaning is the first step, entailing cleaning out the pit and scraping old silage off walls. Walls should be examined for air leaks, using melted paraffin to fill small cracks in mortar joints or between silo staves.

## 1949 Drivers Licenses Go On Sale Dec. 1

The 1949 drivers' licenses go on sale Dec. 1. All applicants must present a 1948 license or else wait until Jan. 1 before they are issued a 1949 license. No license issued to anyone under 14 years of age. All minors must be accompanied by their parents or guardians. All applications must be signed in the presence of the collector. All applications must be acknowledged before a notary public or person qualified to sign legal documents. Please bring the right change with you, don't spring a \$20 bill on the drivers' license collector.

## Water Dues Should Be Paid

With the prospects looking very bright for water in two or three weeks we wish to remind the people of Hope that quite a few have not as yet paid their water dues. And another thing if and when we do get water, how is the mayordomo going to get water through the ditches that are filled with weeds and leaves. It might be a good idea to begin this week and clean your ditch so that time will not be lost in getting the water around to cisterns. The mayordomo is not a magician, he can't make the water run through a ditch that is overgrown with weeds and blown full of leaves. The town of Hope has to pay their share of the government loan whether we get water or not, therefore your attention is called that your dues possibly are not paid. Please give this your immediate attention.

## Private Life of Bossy

In the current craze for dissecting private lives even Bossy is not immune. The inevitable prober comes up with these statistics: Bossy grazes only seven and a half hours daily, regardless of how much feed she gets. She does 60 per cent of her grazing during daylight hours, 40 per cent at night. She spends five hours a day eating at a rate of 50 to 70 bites per minute. She chews her cud seven hours a day and spends 12 hours lying down, at nine different times. While grazing, she travels two and a half miles in the daytime and one and a half at night. She drinks 10 times a day.

Some of the Artesia basketball boys and fans were at the game last Friday night to see what their future opponents might deal them.

## Speeding Through School Zone Must Stop

Last Friday afternoon Sheriff Dwight Lee made a trip to Hope and picked up two motorists from Hobbs that were traveling 50 miles an hour in a 15-mile school zone. They were brought back to Hope and appeared before the Police Judge who fined them \$25.00.

The parties were hot under the collar about the whole affair and threatened reprisals against the sheriff and the local judge. "The matter will be reported to higher officials" they said after paying the fine. They were informed to go right ahead and report this matter to whomsoever they pleased, if this arrest was reported, it might be the means of having a state patrolman stationed in north Eddy County. Through the co-operation of Sheriff Dwight Lee, speeding through the business streets of Hope and past the Hope school is going to be stopped. This applies to local motorists as well as strangers. If you are caught speeding through the school zone you can expect very little mercy from the Police Judge at Hope.

We hope that by the first of the year, a state patrolman will be assigned to north Eddy county and with the co-operation of the sheriff, we will put a stop to this fast driving.

## School News

### Senior News

We have received our play books and are now learning our parts. The name is "Aaron Slick from Punkin' Land." We don't know yet when we will give it, but we hope before Christmas vacation.

Wilma Jo Young has ventured to Abilene for a few days.

### 7th and 8th Grade News

We are glad to be through with our six weeks tests again. Edward Madron and Robert Woods were absent from school Monday. We are getting our report cards next week.

### 5th and 6th Grade News

We can hardly wait until we get our report cards. We think we have improved some but are anxious to see our grades. Our room mothers gave us a nice Thanksgiving party Tuesday afternoon. We had contests and played games. We enjoyed the nice refreshments too. Our room looks so bright and cheerful since we put up our border of big turkey gobblers and corn shocks. We have memorized a very pretty prayer for Thanksgiving.

### 1st and 2nd Grade News

We wish to thank Mrs. Teague and Mrs. Musgrave for a nice Thanksgiving surprise. Mrs. Teague told us the Thanksgiving story using her flannel board. Afterwards Mrs. Musgrave served refreshments. On Monday, Mrs. Cauhape gave us a big arm of flowers and visited our second grade spelling class. Elma Parker, Patsy Bush and Marie Cogburn made 100 on each spelling lesson and on the 6 weeks test also. Elma, Marie and Wendell Crockett made 100 on the arithmetic test too. Johnny Hidalgo and Floyd Jones are having a race to see who can read the most books. Jeri Lynn is trying to stay ahead in numbers, while Barry Teel works hard on his writing. Bobby Madron and Bill Wilson have shown the greatest improvement in reading and Newell Lipsett in art. We have worked all our jigsaw puzzles so many times we wish we might trade with some one for some different ones. Maybe Santa Claus will bring us some Christmas.

## Quality Cream Boosts Returns to Dairymen

Production of high quality cream will pay dividends to the dairymen.

A few suggestions for assuring top production: Protect separator from rust; rinse with chlorine solution before using; wash with powder immediately after each separation; cool cream immediately; separate milk immediately after straining; cool cream rapidly and thoroughly before mixing with older cream; keep containers covered from the time the milk is strained into cans until it reaches the receiving vat; strain milk in milk room or milk house, not in the barn; cover cans tightly and place in cooler with cold circulating water.

Mrs. Mark Kincaid of Hagerman was visiting friends in Hope Sunday.

## Members of Hope Water Users Working on River

Last Thursday afternoon, there was a meeting of the members of the Hope Water Users Association at the Altman Cafe. The subject under discussion was whether an attempt should be made to clean and straighten out the channel of the Penasco river. After all members had been heard from, it was decided to get the cat and grader from the S.C.S. and start Friday morning to help get the water down the river. Irving Cox was designated the man in charge of the work. Friday, there was a good crew up there and they did some mighty good work. Saturday morning another crew reported for work. Sunday was a day of rest. Monday the work was again started and continued all day Monday and Tuesday. The work that has been done, consisted of ditching around holes where a lot of water is being lost, straightening out the channel and grading a channel thru the sand bars. Tuesday morning, the water was past the lower Y-O crossing, and still coming. One man who is vitally interested in the work, said that he would be willing to bet any amount that the water would be in the Water Users canal by the first of December. All this is very good news and goes to show that if a group of workers or a community work together and believe that something can be accomplished, nine times out of ten, what they are striving for can be accomplished. If you are licked before you start, you can't do a thing. If through the efforts of this group of men the water is brought down so that we can have stock water and water for our cisterns, we will truly have something to be thankful for this year and in 1949 also.

## Hope News

Mr. and Mrs. Roy Lipsett and Newell spent the Thanksgiving vacation in Elk City, Okla., with Mrs. Lipsett's parents, Dr. and Mrs. J. W. Coulson.

Mr. and Mrs. R. L. Hall and daughters of Flagstaff, Ariz., stopped Sunday night at the home of Mrs. Hall's parents, Mr. and Mrs. Joe Young. They were enroute to Celbourne, Texas, where Mr. Hall's mother has just undergone a serious operation. Little Cherry and Judy stayed with their grandparents. Wilma Jo Young accompanied the Halls as far as Abilene, where she visited Miss Betty Fowler, a student at the A.C.C.

Miss Goldie Rouse of Ayrshire, Iowa, was a house guest of the M. D. Brantleys over the week end. Miss Rouse has a fellowship and works with young people's organizations. She mentioned knowing Miss Madie Watson and said very nice things about her.

Mr. W. H. Young, Milton Young, Mrs. Gainer Young and Mrs. Elmer Frasier all of Spur, Texas, J. A. Blair of Dickens City, Texas and Mrs. B. A. Ray of Corpus Christi, Texas, were here this week visiting their uncle and brother, Mr. T. E. Young.

At the Extension Club last week, Mrs. M. D. Brantley was elected president, Mrs. J. C. Ward, vice-president and Mrs. Bobby Barley, secretary-treasurer.

## Several Sheep Ailments Are Caused by Worms

Several ailments of sheep, including "nodular disease," "stomach worm disease" and "black scours," are caused by worms. Main attack by successful sheep men, therefore, is directed against development or reproduction of the offending worms. While most of the eggs and young worms of these parasites are destroyed in winter, sheep must be treated to prevent entry of worms into the intestinal tract.

## Soil Fumigation Needed In Sugar Beet Culture

Joint tests in Utah by sugar interests and USDA "showed that soil fumigation for beets which follow beets made the difference between big yields and no yield at all." The sugar beet nematode builds up so fast in one growing season where fertile soil has grown a big crop of beets that the field is a death-bed for sugar beets the next year without soil fumigation, it was indicated in the tests.

# Changing WORLD

**KATHLEEN NORRIS**

## Care of the Aged

Bell Syndicate.—WNU Features.  
By KATHLEEN NORRIS

FRANCES CARSON of Seattle writes me a variation of an age-old problem. This is a part of her letter.

"Seven years ago, when my husband's mother died, we moved into the old family home with his father, saving ourselves a high rent and giving our three children welcome space and a garden to play in. Frank's father was then 60. He never had been a good husband or a good father.

Everything about the house was run down and there were many bills—over \$2,000 in all. Old Mr. Carson had had a slight stroke. When he had done anything at all, he had been a chemist and used the entire third floor of four rooms and bath as his laboratory.

"For more than five years I took care of the house, my father-in-law, three boys and finally a baby girl. Frank and I cleared up bills by plenty of sacrifice and hard work.

"All this time, Gramp, as the children call him, was irritable and trying burden. His breakfast had to be carried upstairs to him and he wanted his dinner at four, believing in eating only two meals a day. He was very ugly with the children and they avoided his company. That laboratory upstairs was a constant menace.

### Has Second Stroke.

"A year ago Gramp had a second slight stroke. Giving him the impression that it was merely for observation, we got him into a home. We have left him there. Twice he has taken taxis and come home and twice Frank and Billy, one of the

"... after all, he is old . . ."

other brothers, have taken him back. It has made us sick with compunction and worry, but we have been firm.

"Meanwhile," Frances' letter goes on, "I have put the top floor in spick-and-span order and rented it furnished for a sum that wonderfully helps out our crowded budget. If Gramp came back, there would be no other place to put him, I'd lose my rent and have to let him once more reduce the top floor to confusion and disorder.

"But meanwhile, also, our friends have taken it upon themselves to plead Gramp's case. After all, he is partially disabled. After all, he is old. Can't we, they argue, put up with a little extra work and inconvenience for the sake of an old man who was once rich and prominent? Even our minister has spoken gently and gravely to both Frank and me.

"These good friends, of course, can't see the daily weariness and strain of it," Frances concludes her letter. "Mine are fine boys, but constant criticism and nagging upset their nerves, as they do mine.

### Sons Had to Work.

"Incidentally, not one of the sons finished high school, for they all had to work in their middle teens. Their father often was absent from home for long periods. They feel no resentment, they want him to be comfortable. But they don't want him around. Does this sound utterly wrong and heartless?"

Your father-in-law is reaping what he has sown. He is physically cared for, well fed and comfortable. Your own household goes on more smoothly and happily without that additional burden. With four children, a garden, tenants, meals and housework, you have plenty to do. Rise above the maddening interference of your friends, to whom Gramp evidently is making an appeal. If you can get your doctor to say that Gramp is far better off where he is, keeping to meal hours and controlled by the routine of an institution, by all means do so—it will give you a usable weapon.

But whether you get that or not, assume a firm attitude, saying to everyone with mild sympathetic amusement that poor Gramp would not be happy anyway and is really an institution case now. Let it go at that.

## REAL CAMPAIGN HEROES

The real standouts for real courage, strength of purpose and endurance in the presidential campaign were not Thomas E. Dewey or Harry S. Truman.

They were Mrs. Dewey, Mrs. Truman and Margaret Truman. What the women folks of a presidential candidate had to endure amounted to "heroism beyond the call of duty," and there should be a medal for it. Nobody got knocked around on the altars of patriotism more than these girls.

There was the great burden of having to smile, to laugh, to seem unruffled and happy when everybody knows that no woman gets a kick out of rattling around railroad yards day after day and night after night and to what purpose? To hear their OWN husbands talk!

How things went to pot around the house! How the dust accumulated! How the dirt piled up behind the doors! And the mixup over the laundry! The milk that wasn't stopped! The things that happened to Fido!

Mrs. Truman, Margaret and Mrs. Dewey "seen their duty and they done it." They seemed pleased, calm and cooperative. No photo showed a frown on their faces, which is more than could be said for their husbands. They conveyed the idea, "How wonderful that fate has cast me in this glorious role!" But what they really were thinking was, "If this cockeyed ordeal goes on one more hour I'll scream," and, "If the old man drags me onto another platform I'll come out against him myself!"

Their thoughts if recorded might have run like this:

"Another terrible day of it! . . . How long does this sort of thing go on? . . . Suppose a man does get to be President of the United States, what does his wife get? . . . Indigestion! Circles under her eyes! A loathing for railroad trains and cracked hotel mirrors!

"From log cabin to White House! . . . That's what a man likes to dream of. . . . But the trip the wife has to make! . . . From home comforts and regular meals to switch-yard blues, screwball cooking and hurriedly applied mascara! . . . I want to confess something. . . . Everytime I heard my old man begin a speech with 'I am very happy to be here tonight,' I could have hit him with a chair! . . . That isn't what he told me after we got back on the train!

"If I don't see another motorcycle policeman in 10 years it will be wonderful! . . . I developed a phobia against train schedules, ice-water coolers, porters, conductors, auto cavalcades and the rattle of manuscripts. . . . And that husband of mine left out the one campaign promise I wanted. . . . A pledge to get a law against cold toast, awful coffee and defective Pullman plumbing!

"Thank heaven it's over. . . . Now I can get into a house-wraper, disconnect the door bell, yawn when I wish, and call up the neighbors and ask how all the radio soap operas came out in my absence.

### Yoo Hoo, Eric!

"Moments of suspense as a beautiful girl stares into his bestial eyes! . . . Moments of excitement as a killer realizes the enormity of his crime! 'You're everything that is bad but I never loved a man like this before,' she says. Don't miss 'Kiss the Blood Off My Hands.'—From the announcement of a new movie.

Where do people get the idea that juvenile delinquency is in any way aided by the movies?

Joe Stalin now comes out with a statement that the rest of the world is desperately trying to bring on another global war but that he will oppose it to his last doubletalk.

Joe says that the trouble is that other nations BREAK THEIR AGREEMENTS! Take it from there, Vishinsky!

We liked the reply a sweepstakes winner says his wife made when he woke up early and told his wife he had just dreamed his horse had finished second. "Aw go back to sleep and dream him in first," she replied.

**DANCES AGAIN . . .** Patricia "Satira" Schmidt has resumed her dancing career at a night club in Kentucky after spending 18 months in a Havana prison for the shooting of John Lester Mee. The headdress is for an oriental number.

**PASSING ACE . . .** Stan Heath of Nevada, the nation's leading forward passer, is finishing his last season of collegiate football. He'll be in the market for a pro football contract at the end of the year.

**GOOD MEDICINE . . .** Walthor Reuther, president of the United Automobile Workers union, grins happily from his hospital bed as he scans messages which poured in as a result of the Truman victory.

**INDICTED . . .** Rep. J. Parnell Thomas, who has been indicted by a federal grand jury on charges of conspiracy to defraud the government, as he appeared with his wife on election day.

**NEW COMET . . .** Here's a photograph of that new comet which appeared a few weeks ago and was described by astronomers as "the most beautiful of this generation." This picture was made at Mt. Palomar, Calif. An exposure time of five minutes was used which accounts for the white marks throughout the picture. They're stars. The comet was visible in most parts of the United States.

**CRACK SHOTS . . .** G. Wayne Moore (kneeling) of Washington, Pa., was the 1946-47 national rifle champion. But this year 20-year-old Arthur Cook (prone) of Washington, D. C., proved too much for him. Moore is shown congratulating his youthful successor at a rifle range near Quantico, Va., where the finals were held. The competition was sponsored by the National Rifle association.

**NARROW ESCAPE . . .** This has been a bad fall for brush and forest fires. Scant minutes ahead of the roaring flames, 2,000 residents of Silverado Canyon and Modjeska Canyon, Calif., fled to safety as a 50-mile wind whipped the Orange county forest fire into fury as shown here. Three hundred marines from a base at El Toro were called to help fight the fire.

**Ain't It So**

A bachelor is a man who wouldn't take "yes" for an answer.

Many a woman manages to tide over a lot of spare time at bridge.

The radio today is the mouth organ of the people.

A dark corner is the place where young men get bright ideas.

Lucky is the bride who marries the best man at her wedding.

One tree will make a million matches. One match will burn a million trees.

**Italian Riviera Is Cheaper Than French**

If you are confused on the "Riviera" shores of the Mediterranean, as between Italian and French, this may help: The French Riviera begins at Marseilles and runs past the resort cities and towns of Cannes, Nice, Cap d'Antibe and Juan Les Pins to Monte Carlo. There begins the Italian Riviera, much less expensive than its French neighbor.

If you—like millions of others—are pondering the Christmas present problem, a local dealer has a handy answer. He will have Christmas gift cartons of cool, mild Camel cigarettes and pound tins of flavorful Prince Albert Smoking Tobacco. Both these items come festively dressed for the holiday season and make ideal gifts for your smoking friends. The Camel carton contains 200 mild, flavorful Camels, while the Prince Albert container is chock-full of mellow smoking joy that has made Prince Albert the country's largest-selling tobacco. Both gifts require a minimum of fuss, due to the unique space provided for your personal Christmas greetings. (Adv.)

**Tells the World "No More Laxatives!"**

"I was so constipated I had to take laxatives all the time. That's over now—I'll tell the world KELLOGG'S ALL-BRAN every day really keeps me straight."—Mrs. Laura H. McNew, Poplar Bluff, Mo.

If your diet lacks bulk for normal elimination, this delicious cereal will supply it. Eat an ounce every day in milk—and drink plenty of water. If not satisfied after 10 days, send empty carton to Kellogg Co., Battle Creek, Mich., and get DOUBLE YOUR MONEY BACK.

**Check that Cough from a cold Before It Gets Worse —and get well quicker with the NEW FOLEY'S**

The NEW FOLEY'S HONEY & TAR contains one of the most important cough treatment developments in years, one that ACTUALLY HELPS SPEED RECOVERY. Also soothes throat, checks coughing. Also delicious, non-narcotic, does not upset digestion. But most important, NEW FOLEY'S helps you get well quicker from cough due to cold. At your druggist.

**CHANGE of LIFE?**

Are you going through the functional 'middle age' period peculiar to women (35 to 52 yrs.)? Does this make you suffer from hot flashes, feel so nervous, highstrung, tired? Then do try Lydia E. Pinkham's Vegetable Compound to relieve such symptoms. Pinkham's Compound also has what doctors call a stomachic tonic effect!

LYDIA E. PINKHAM'S VEGETABLE COMPOUND

**Kidneys Must Work Well—**

**For You To Feel Well**  
24 hours every day, 7 days every week, never stopping, the kidneys filter waste matter from the blood. If more people were aware of how the kidneys must constantly remove surplus fluid, excess acids and other waste matter that cannot stay in the blood without injury to health, there would be better understanding of why the whole system is upset when kidneys fail to function properly.  
Burning, scanty or too frequent urination sometimes warns that something is wrong. You may suffer nagging backache, headaches, dizziness, rheumatic pains, getting up at night, swelling.  
Why not try Doan's Pills? You will be using a medicine recommended the country over. Doan's stimulate the function of the kidneys and help them to flush out poisonous waste from the blood. They contain nothing harmful. Get Doan's today. Use with confidence. At all drug stores.

**DOAN'S PILLS**

**THE BIBLE SPEAKS**  
International Union Sundry School Lessons  
By DR. KENNETH J. FOREMAN

SCRIPTURE: Isaiah 5:1-7; Matthew 13:31-33, 44-46; Luke 10:25-37; 15:3-32.  
DEVOTIONAL READING: Matthew 13:10-16, 51-52.

**God's Story-Teller**

Lesson for November 28, 1948

"TRUTH in a tale," it is said, "will enter in at lowly doors." The greatest truth of the entire Bible does not come to us in the shape of an essay but of a story—the story of Jesus.

"The gospel did not appear on the editorial page but on the news pages." Many people can understand essays; millions more can understand a story. Jesus himself, when he gave the world his message, used stories to do it. We are told that he never made a talk to the people without using a parable. The parables of the Bible are simple stories, often no more than a sentence long.

They are all alike in this: Whatever the story may be, there is more in it than meets the eye. Parables were not a form of entertainment; they were a way of teaching.

**No Cause Is Lost**  
SOMETIMES the teller of a parable would explain what he meant, as Isaiah does with his little song of the vineyard. Sometimes, and most often in Jesus' case, the meaning is so plain that only a very stupid person could miss it.

Matthew arranges several of Jesus' parables in pairs; one of these is the twin story of the mustard seed and the yeast in the meal (Matt. 13:31-33). Both mean the same thing, and both are so obvious that Jesus did not think it necessary to explain them.

The Kingdom of Heaven—the ideal world, the world as God intends it to be—is a living thing, a growing thing, something at first small, almost invisible. But it will grow: you cannot stop it.

So the ideal world, the Kingdom of Heaven, (Jesus hints) is not an artificial thing, it cannot be constructed by blueprints. It has to follow the course of living things.

**Pearl of Great Price**  
SOMETIMES two or three of Jesus' parables are like a musical theme with variations. The twin stories of the pearl worth more than the jeweler's whole collection, and of the treasure hidden in the field, are very much alike, yet just a little different in meaning.

Both tell us that the Kingdom of God is more valuable than anything else on earth; indeed, it includes everything else of value.

Once a Chinese gentleman became dissatisfied with his inherited Confucianism, and set out to find a better religion. For years he shopped around, never finding what he needed. He left Christianity to the last, for in his section of China only coolies and peasants were Christians. But when he began to make friends with some real Christians, he was overjoyed. This was what he had been looking for. This was the pearl of great price.

On the other hand, a drunken sailor, certainly not looking for religion, wandered one night into a Salvation Army meeting. They could do nothing with him, but before they dragged him off to the lodging-house one of them slipped a bit of paper into his pocket. The next morning, cold sober, wondering where he was, he put his hand into that pocket and pulled the paper out. On it were penciled three words: God loves you. It hit him right between the eyes; and he became a Christian. That was the "treasure hid in the field."

**How Far Will Love Go?**  
JESUS' contemporaries told parables too, but they have all been forgotten. Jesus' parables are incomparable, unforgettable, immortal. If Jesus had been known for nothing else, he would have been remembered for the four stories of the Good Samaritan, the Lost Sheep, the Lost Coin, the Lost Son.

**Cut Millwork Costs**

One of the Middle West's largest lumber dealers, seeking means of reducing home construction costs, has announced a program designed to save 20 per cent of the cost of millwork in a new house.

The program entails standardization of sizes and patterns of doors, windows, kitchen cabinets, fireplaces, trim storm sash, screens and combination doors.

An official of the company explained that on such items as entrance frames and mantels the cost can be reduced as much as 30 per cent when the units are mass produced.

Our home town means a lot to every one of us. So let's make it the best town on earth!

From where I sit... by Joe Marsh

**One Great American Trait**

I always think it does a newspaper editor good to get out from behind his desk and see how folks in other parts of America look, and think, and act.

And that's what I've been doing these past weeks, touring the country from Michigan to Texas, California to Maine. It's a mighty encouraging experience. Not only because of the different points of view you run into—but because of the tolerance which reconciles those different points of view.

I mean the tolerance of a Penn-

sylvania farmer for the habits of his city cousin; the tolerance of folks who vote one way towards those who vote another; the tolerance of those who prefer spring water towards those who enjoy a moderate beverage like beer.

From where I sit, it's that great American trait of tolerance—respect for individual tastes and liberties—that makes this country strong. Let's never lose it!

involving falling on steps and stair and from vehicles. Men and boys were victims of twice as many injuries from falls as were women and girls.

Of the total number of farm accidents, 56 per cent were connected with farm work and 8 per cent with housework. The age period from 25 to 45 was disclosed as the most dangerous.

**Farmer Falls Hardest**

Life on the farm is far more hazardous for the farmer and his sons than it is for his wife and his daughters.

In fact, a survey covering 15,000 farms the country over, made by the department of agriculture, reveals that about four times as many accidents happened to men and boys between the ages of 14 and 65 as were suffered by farm women and girls. Of the youngsters under 14 injured, nearly 65 per cent were boys.

More farm people were injured by falls than any other type of accident, with the majority of mishaps

**Fertilizer Is Valuable For Succeeding Crops**

Farmers who think fertilizer costs should be charged off in one year are overlooking carry-over assets that pay long-term dividends in bigger crop yields, according to Middle West Soil Improvement committee.

A good feed of fertilizer gives the soil a backlog of plant nutrients that benefit succeeding crops. Well-fertilized legume-grass crops in any good soil building program leave behind them important carry-over values. Legume-grass mixtures fed with plenty of phosphate and potash will add to the soil's organic matter and build soil structure. They will improve tilth, drainage and ventilation.

Because of these carry-over benefits, agronomists recommend a minimum of three years for charging off the cost of fertilizer applications.

# HOUSEHOLD MEMOS... by Lynn Chambers

Soup Makes an Easy Supper!  
(See Recipes Below.)

### Menu Short-Cuts

THERE'S shopping, cleaning, baking, decorating, wrapping Christmas presents and a hundred other things to do these days before Christmas. Where does one find time to plan and make meals?

Now is an excellent time to put menu short-cuts into operation. Plan to serve soups often, not as a first course, but as a main dish. Serve those casseroles, too, that whip together in no time and bake in half an hour or so without any watching or further attention.

Have foods that are hearty, and make certain there's enough for seconds or thirds because the family will be hungry now that appetites have been sharpened by cold weather.

HERE ARE some excellent soups which can easily take the place of a main dish at dinner.

#### Navy Bean Soup (Serves 6)

- 1 1/2 cups dried pea beans
- 2 quarts cold water
- Lamb bones
- 2 tablespoons salt
- 1 clove of garlic, peeled
- 8 to 10 peppercorns
- 1 bay leaf
- 4 sprigs parsley
- 1/2 cup minced onion
- 1/4 teaspoon pepper
- 1/4 teaspoon marjoram
- 2 cups canned tomatoes

Pick over beans, then wash and soak in cold water overnight. Drain; measure liquid from beans and add enough to make two quarts. Add to beans with lamb bones and salt. Tie next six ingredients in a cloth bag and add to water and bones. Cover, bring to a boil, then simmer for four hours until beans are tender. Remove bones and spice bag, then strain soup. Mash beans. Add any pieces of meat which cling to bones and the tomatoes. Reheat and serve hot.

SOUPS take long to cook, but, of course, need little watching, and thus they are such time-savers to have for meals. Here's another delicious, hearty soup:

#### Oxtail Soup (Serves 12)

- 1 1/2 pounds lean beef
- 2 oxtails, split
- 5 quarts cold water
- 1 tablespoon salt
- 1 large onion, diced
- 1/4 cup celery root, diced
- 1 tablespoon chopped parsley
- 2 tablespoons fat
- 2 tablespoons flour
- 3 carrots, diced

Cut oxtail into small pieces and fry lightly in fat. Cube the beef and add with oxtail to water and salt. Place in large kettle, cover and let cook slowly for about four hours. Add vegetables and cook for one hour longer, or until stock is reduced by half. Strain. Heat fat in skillet, add flour and brown slowly. Add one cup of the soup and then stir into remaining stock.

### LYNN CHAMBERS' MENU

- \*Corn Chowder
- Toasted Muffins
- Butter Jelly
- Grapefruit-Pineapple Salad
- Beverage
- \*Fig Pudding
- Cream

\*Recipe given

#### \*Corn Chowder (Serves 6)

- 4 cups diced potatoes
  - 2 cups boiling water
  - 1 2" square fat salt pork
  - 1 large onion, sliced
  - 1 No. 2 can kernel corn
  - 1 quart milk
  - 2 teaspoons salt
  - 1/2 teaspoon pepper
- Cut salt pork into cubes and brown in a large saucepan. Add onion and cook until tender. Add diced potatoes and water; cover and cook until potatoes are tender. Add corn, milk and seasonings. Heat and serve garnished with a sprinkling of paprika.

Leftover meats are put to good use in these casseroles which will make easy work for you on these busy days before the holidays.

#### Noodles Neapolitan (Serves 6)

- 1/2 pound noodles, cooked
- 2 1/2 cups sliced chicken or ham
- 1 cup milk or cream
- 2 eggs
- 1 cup buttered bread or cracker crumbs

After noodles are cooked in boiling, salted water, rinse and drain them. Into a well-greased dish, place layers of noodles, then meat and repeat until all are used. Beat eggs, add milk, and pour over noodles and meat. Top with crumbs. Bake in a moderate (350-degree) oven for 25-30 minutes or until browned on top.

THE FRUIT puddings mentioned earlier need take no longer to make than the main dishes for the meal. Both of these recipes for desserts are nourishing and will be well received.

#### \*Fig Pudding (Serves 6)

- 2 eggs, beaten
- 1 cup sugar
- 3 tablespoons flour
- 1 teaspoon baking powder
- 1 cup walnuts, chopped
- 1 cup figs, chopped

Beat eggs until light, then add sugar, sifted flour and remaining ingredients. Stir well and bake in a buttered casserole dish in a slow (325-degree) oven for 25 minutes.

#### Apricot Whip (Serves 6)

- 1/2 pound dried apricots
- 1/2 cup sugar
- Whites of 5 eggs
- 1/2 teaspoon lemon juice

Pick over and wash fruit. Cook in water, just enough to cover, until soft. Remove stones and put through strainer. Add sugar and cook five minutes. Beat egg whites until stiff and fold in fruit. Heap lightly in a buttered baking dish and bake in a slow (325-degree) oven 35 minutes. Serve with custard sauce or cream.
