## of Main Street and the World Department of Commerce Reports Personal Incomes at $\$ 251$ Billion

ELIZABETH II-At first glance it would not seem important to the duties of Queen of Great Britain and the British Commonwealth of Na-
tions. But it is important and may have a great bearing on the future of many people in the cross-road towns of this country. It is around thi
young woman-Elizabeth II-the British people will rally in their yhance fight against bankruptcy and breakup.
cher
ching In the last 15 years the empire has been breaking up like a ship drift
ing in stormy seas. As recently as 1936 the empire was able to pay its way in international commerce.
Today, however, Britain is the debtor of the world. And a com-
plete break-down of British econ-
omy would be felt in the cross ooads of America.
Britain's present Britain's present situation is almost entirely due to World War
II. To win that struggle she sacri-
ficed most of the money she had saved at the peak of her power
when she directly ruled 450 million hen she directly ruled 450 million
people. She spent many of he overseas investments to pay for In addition, the war altered the
balance of power in the world, making the United States and Rus-
sia the sia the dominent powers. Here an ally by history, treaty and QUEEN Elizabeth iI important figure in the balance of power between the United States and Russia. She is the figure around which the British people will rally. Whether
she succeeds or fails is of vital importance to this country economically she succeeds or
and politically.
CONTROLS_The fight is on. It began when President Truman and extend the Defense Production Act for another two years-until the middue of 1954.
Again the P
Again the President slashed out at the Capehart, Herlong, and Butler
Hope amendments which he unsuccessfully attempted to have appeale last session. He also swung a haymaker at congress generally by declar ling "most people"" already are having trouble paying present prices and prices, but instead to finding ways of moving prices downward. The President's strong language caused many of the legislators to
believe the chief executive was making 1952 campaign material. Controls elieve the chief executive was making 1952 campaign material. Controls
and inflation are touchy subjects they know from experience. They also know they must take some kind of action that will impress the people in the home towns, but how they will get around the pressure groups,

PERSONAL INCOME-The Department of Commerce reports tota above 1950. The department said that by the end of 1951 total individual
incomes had advanced to an annual rate of 257 billion, compared with 238 Ellion at the end of 1950 .
Excet
Except for a steady increase in farm income and in governmen become stabilized over the past six months.
The department reprted the biggest
The department reported the biggest increase was in government
payrolls. They jumped by 33 per cent to an annual total of 29 billion.
Farm incomes increased almost 25 per cent to a total arm incomes increased almost 25 per cent to a total of 17 billion. Highe was also slightly increased production.
In private industry, payrolls increased from $1231 / 2$ billion in 1950 to
140 billion. Increased employment and higher wage rates were credited 140 billion. Increased employment and higher wage rates were credited VETERAN TRAINING-Since enactment of the original GI bill,
$71 / 2$ million veterans in the United States have taken advantage of its ducational and vocational training provision, a house committee study provisions-by far the most widely used and most expensive benefit-
have cost the taxpayers $\$ 12,347,162,546$ as of July, 1951. 70. Educational institutions received $\$ 3,276,046,930$ in payment $\$ 8,645,203$, tuition. Other payments for books and supplies (including tools for veterans in trade schools) came to $\$ 425,911,946$.
orted "graft and waste plagued the to veterans, the committee re ported "graft and waste plagued the program" and an excessive num-
ber of VA employees took bribes, gifts, unusual loans, gratuities, servUnder the new bill just introduced in congress payments of all educa Under the new bill just introduced in congress payments of all educa
tional benefits will be made in a lump sum directly to the veteran. Single
men would get $\$ 110$ a month. Married veterans would receive $\$ 150$.
FOREIGN AID-Fearing congress may severely cut foreign aid funds, the United States has warned European leaders to agree quickly
on plans for a European defense force, including German troops, if they ant to increase their possibility of getting economic assistance hat congress may become stubborn over foreign aid funds if they can not show real progress in Eur
man troops in the defense plan
The greatest difficulty appears to get French Foreign Minister
Schuman and West German Chancellor Adenauer to stop their bitter Schuman and West German Chancellor Adenauer to stop their bitte eud which threatens the whole defense project. There are two main
points for their disagreement: (1) France is afraid of a resurgence points for their disagreement: (1) France is afraid of a resurgence
aggresive German nationalism once the Germans begin to rearm; (2)

Lack of Deep-Rooted Legumes Cuts Yields Legumes Give Organic Matter to Worn Fields
"Corning" some soils year after
year without restocking the organic matter via deep-rooted legumes in the rotation, will cut yields to the vanishing point even if you a
tilizer and install drain tiles. Ohio soils specialists demon-
trated that in tests at the Paulding experiment farm. The results of the tests are shown in the accom-
panying photographs taken on adpanying photo
joining fields.
 tile-drained. The top field was con-
tinuously in corn. The lower field had a rotation of corn, small grains and two years of alfalfa.
Year after year ad robbed the top field of its or ganic matter. The soil became
packed down and stuffy. It was so

tight that water could not get down
below the surface. The middle rows of corn were drowned out by pond-
ed rain. In other rows the roots couldn't get sufficient nutrients,
oxygen and moisture to feed the The lewer field ears. The lower field shows a healthy,
vigorous growth. Over the period of the tests yields averaged 30 bushels
more than in the other field. The more than in the other field. The
deep-probing taprots of the alfalfa
kept the soil open to air and water. he mineralized organic matter left soil tilth and furnished plant food
for the corn and small grains. The for the corn and small grains. The
organic matter improved the soil's organic matter improved the sain
drainage and water holding capacity. More moisture was sto
the use of the corn crop.

Proper Farm Belt Care Gives Longer Service
Proper care of the flat belts that
drive threshers, ensilage cutters, uzz-saws and other farm machinery will result in years more serv.
ice and prevent breakdowns and
costly repairs. costly repairs.
Here are a few suggestions for
prolonging the life of farm belts: y splash guard.
2. Use vulcanized splices to repair
beits. Metal fasteners tear the fabbelts. Metal fasteners tear the fabric, expose belt ends to moisture.
3. Remove oil or grease accu-
get 4. Store belts in a dark, cool and dry place when not using them. Keep pulleys clean.
6. Keep belt tension belt tension properly ad7. Specify the manufacturer's machinery part number
