Superior Amusements Over Previous Years Secured for the Fair

The Briscoe County Fair will be held on the south side of the square between the Guest and Northcutt buildings. Permission was received last week from the owners by the secretary of the fair to use the buildings, and they will soon be put in readiness for the exhibition. All community booths will be placed in one house, and all individual exhibits in the other. According to

Plenty of amusements all three days of the fair, October 3, 4, and 5.

Information received from various parts of the county, a large display of canned fruits is expected in the individual booths this year.

The amusement features during the Briscoe County Fair include the All-American Shows, one of the best carnivals to visit this part of the state. Floydada considered making a contract with them for the Floyd County Fair. Another company gave them a little better contract or else

Floydada Business Men in Noon-Stop

Good Will Trippers Took Luncheon Here and Invited Silverton to Their Fair.

Headed by Ed Bishop, secretary of the chamber of commerce, 19 business men of Floydada arrived here shortly before noon last Thursday on a goodwill trip, primarily for the purpose of inviting the people of Briscoe County to the Floyd County Fair which will be held at Floydada Sept. 18 to 21.

The delegation took lunch at Hotel Burton with several members of the Lions club.

The goodwill caravan left at 2:30 o'clock for Quitaque, and was composed of C. R. Houston, C. L. Minor, J. C. Gilliam, O. P. Rutledge, Robert McGuire, Homer Steen, J. M. Willson, J. C. Wester, F. C. Harmon, I. L. Bushing, George A. Lider, J. H. Reagan, W. H. Henderson, H. B. Moore, S. W. Ross, A. J. Folley, M. B. Oates and Ed Bishop.

Romance Abounds In Foreign Film

Now and then a film comes along which insistent advance information has been that it is out of the ordinary in its treatment. Such a photoplay is "Love of Casanova," a cineroman production, made abroad, which will show at the Palace theatre Tuesday and Wednesday.

One of the outstanding features of this picture, which deals with the romantic adventures of one of the most absorbing adventurers of history, Giacomo Casanova, who preferred to call himself The Chevalier de Seingalt, is that it has color sequences achieved by the stencil process and hind-tinted by thousands of women and children in France.

they would have signed up with All-American Shows.

From all accounts, this Carnival will be far ahead of the one that showed here last year. It will be recalled that the show of last year was secured on short notice, the Copper State Shows being unable to make Silverton on account of the Denver railroad being unable to carry the cars. Silverton has never been able to have good carnivals here on account of the lack of railroad transportation in the past.

Some people object to carnivals

(Continued on Page 6)

Army Aviators Were Unexpected Guests Saturday

FIVE FLYERS SOUGHT LANDING FIELD WHEN POOR VISIBILITY AND RAIN-CLOUDS MET THEM AT THE CANYONS.

The work of the Lions club in having the name of Silverton blocked out on the spacious roof of Patton Motor company upon the occasion of the recent visit of the famous Woolaroo plane and Art Goebel, Pacific flyer, bore good fruit Saturday morning

In order to inform the Amarillo airport of the delay of the army squadron and their whereabouts, also to get weather information for the flyers here, the News correspondent for the Amarillo Daily News telegraphed a press letter and received the following telegram:

Amarillo, Texas 1:39 P. M.

FIVE ARMY PLANES ALREADY HERE VISIBILITY GETTING BETTER WEATHER MAN SAYS CONDITION LOCAL SHOULD CLEAR UP ANY TIME DIRECT PLANES BY CANYON CITY TO MISS CANYONS.

The News.

when the county was blanketed with low-hanging clouds and fog and a squadron of U. S. army planes suddenly dashed over the town at a high rate of speed at an altitude of only a few hundred feet.

The squadron passed over at 10:20 in the morning en route to the air derby at Amarillo, and ten minutes later five of the planes just as suddenly reappeared from the north,

Adds Two Teachers To School Staff

Following Opening of School, Board Finds Need for Extra Faculty Force.

Due to increased enrollment, much in excess of the expectancy, two new teachers are being added to the staff of the public school here, stated C. D. Wright, president of the board, following the Monday session in which conditions were reviewed and decision made to augment the faculty.

Mrs. Vera Byers has been secured as an additional grade teacher, and the supplementary instructor in the high school will be employed as soon as a suitable one can be found.

Since the finances of the school have had to be strained to meet the new teaching requirements, the board finds that it is unable to assist in paying for a public speaking instructor, as had been contemplated before the opening of school.

Mrs. Gollihar has been accepted as piano teacher. Mrs. W. M. Gourley will teach violin, and it is understood will assist in the orchestra work.

Lions Group Meeting Here September 27

A consolidated meeting of Group No. 30, comprising a number of Lions clubs in this section of the state, will be held in Silverton on Friday, Sept. 27, for luncheon, according to information received by W. Coffee, Jr., president of the local club, from W. C. Davis of Childress, district deputy governor, who will be in attendance here.

A representative of Lions International will be here for the group session together with scores of representatives from neighboring towns, and a hundred per cent attendance is requested by Mr. Coffee on the part of the Silverton club. Some special arrangement will have to be made for a luncheon to take care of a large number of Lions, he said.

McLean—\$65,000 fire truck installed by Fire Department.

Lee Mosley Sells First Bale Cotton at 20c to Whiteside & Company

The 1929 cotton season was formally opened in Silverton Thursday when Lee Mosley had the first bale of the new crop ginned by the Silverton Gin Company.

The bale was auctioned at five o'clock in the afternoon, and T. R. Whiteside, of Whiteside & Company, was successful bidder at 20 cents a pound who paid several cents above

Will Enforce All City Traffic Laws

Council and Marshal Will Cooperate in Straightening Out Traffic Violations in Silverton.

Observance of the parking and other traffic laws on the part of the people and its enforcement on the part of the city administration were the subjects under discussion by the city council Tuesday night.

It was the sense of the meeting that all thoughtful citizens desired a strictness in the regulation of haphazard traffic movements in Silverton and would gladly cooperate by a ready observance of the safety rules, and the council went on record to bring order out of chaos among motor vehicles on the streets henceforth.

Enforcement of the parking and traffic regulations will be in the hands of the city marshal, W. Allard, who will be cooperated with closely by the city council, in keeping the traffic lanes cleared, preventing double parking and wrong turns, and bringing greater protection to pedestrians and motorists on the main business streets of the city where dangerous practices have prevailed and congested conditions impeded legitimate traffic.

The citizenship is asked to cooperate in these measures by observance and though justice will be tempered with mercy, if it is found necessary to apply a few fines, the municipal court will function to the end of upholding the marshal's street patrol work.

Morgan & Fisher Dissolve Firm

Dissolution of the partnership of Morgan & Fisher, real estate and insurance agents, is announced this week by D. M. Morgan and J. S. Fisher. In dissolving the former relationship, the insurance business is retained by Mr. Fisher, who will continue to maintain the office in the Nunn building in connection with real estate.

City's New Rolls Show Increase of \$168,000 Over 1928 Renditions

Taxable valuations in the city of Silverton were \$713,000 on the first of January, according to figures just compiled by J. E. Minyard, city secretary. Following completion of assessments and renditions by property owners, notices have been mailed out that the board of equalization will sit for hearing Sept. 17. Property owners, whose valuations have been raised above their renditions, will have the opportunity of appearing before the board on that day, protesting the raise and presenting ar-

gument why such a levy should not be made.

The new rolls show an increase of \$168,000 over that of the preceding year. Taxes being collected this year were levied upon a valuation of \$545,000. Taxes due next January first are upon the new basis of \$713,000, in which the sewer system which is now under construction will be taken into consideration.

Under the high valuations which are found to exist as of last January, and in view of the inevitable large increase which will be assessed for the coming year, it is thought little raise in the tax levy will be necessary to take care of the interest and sinking funds on the warrants issued for sewer financing. According to Mayor T. M. Nichols, the same water system force will be able to operate the city sewer system, and the customer charge from the very first will bring in a neat monthly income toward retiring the warrants.

Light Docket In Dist. Court Here Next Week

GRAND JURY WILL BE EMPANELLED MONDAY BY JUDGE KENNETH BAIN; PETIT JURY DRAWN FOR SECOND WEEK.

The docket files of both criminal and civil cases, which are rather light for a fall term, are ready for the opening of district court here next Monday, states R. E. Douglas, district clerk. Judge Kenneth Bain will empanel the grand jury Monday, which as an inquiring body will begin investigations of law violations immediately after organization.

The petit jury will not be called until Tuesday, when cases demanding juries for adjudication will be called and selections made from those summoned for the first week of court.

Petit Jury Second Week.

The following names have been drawn as petit jurymen for the second week, called for Monday week, Sept. 23:

W. V. Chandler, W. P. Hawkins, S. E. Rush, H. P. Ledbetter, S. A. Neil, J. R. Myers, A. L. Trout, J. N. Cantwell, Orlin Starks, J. R. Foust, Wm. Donnell, H. R. Brown, T. J. Crass, Jack Seales, Henry Edens, E. L. Gardener, H. R. Braley, Rewel Wood, T. J. Reeves, Gabe Garrison, Lee White, John Vaughan, J. F. Wise, S. B. Gilkeyson, T. R. Whiteside, W. H. McIntyre, Earl Simpson, W. O. Formby, Louis Grabbe, R. G. Alexander, J. C. Rhoderick, Curtis King Morgan Wright, T. G. Wise, Dewey Beavers, J. S. Watson.

RECENT BIRTHS

Barbara Ann Turner, an eight-pound daughter to Mr. and Mrs. Amos Turner of Silverton.

James Weldon Tipps, a nine-pound son to Mr. and Mrs. James M. Tipps of near South Plains.

Plenty of Rain In Briscoe County

The welcomed rains began falling Saturday morning and continued intermittently throughout the day, Sunday, and Sunday night.

A large wheat acreage is being predicted for next year in view of the wet season coming at this time.

Public Speaking Will Be Taught

Announcement of Classes in Expression by Mrs. Clyde Wright, B. I.

An item of much interest is the announcement that classes in public speaking, expression, or dramatics will be conducted in Silverton by Mrs. Clyde Wright, a valuable adjunct to the town's educational atmosphere.

Mrs. Wright is a graduate of Neff College of Oratory, Philadelphia, holding the degree of Bachelor of Interpretation. She has studied under some of America's noted Masters of public speaking, some of whom are Daniel H. Batchelor, Ella Harris of Chicago, Marie Stevens of Italy and France, and David Warfield, the master of them all.

The community is to be congratulated in having the privilege of receiving instruction in this art. The systems taught will be the Emerson, Leland Power, and Mollyneaux, according to Mrs. Wright. Silverton is becoming educationally-minded, and the public school curriculum will be well supplemented by the students, and adults as well, having the rare opportunity of improving themselves in interpretative expression through the methods which Mrs. Wright is so well-equipped to direct.

Floral Club Will Have Fair Booth

The Floral Club of Silverton is planning an attractive booth at the fair. They hope to secure the support of all the ladies of the county in making the booth highly attractive. The club asks that any one anywhere in Briscoe county having flowers send them or bring them to help make the display a real success.

In connection with this, the question has been raised why there is not a Briscoe county floral club.

Select Gems From M. Jones' Address

"All true progress is spiritual; material and mechanical progress are only evidences of this spiritual advancement," said Congressman Marvin Jones here Thursday last week, referring to the magnificent structure of brick and stone and mortar which he was dedicating as Silverton's new school plant to the use for which it was intended.

"Caesar dreamed, Homer wrote, and Virgil sang of power. Caesar said force is power; Croesus said money is power; but Webster says knowledge is power," continued the speaker in eloquent diction in his ap-

peal to the hundreds of school girls and boys present to grasp the significance of what their parents had provided them in the way of the high school building and why such sacrifices of increased taxes paid for it were being made.

The dedicatory speech was pitched on a high plane, yet within a realm of the young folks and directed principally for their benefit. The subject of the address was education, and Mr. Jones developed his theme by answering the question, "What is Education?"

"Education," he said, "is the train-

ing of the mind and character or heart to fit into the structure of the American nation; to find a place and fill it to the best ability. It is the equipping of the mind to think, to inquire, to dream constructively, to be democratic, and to have faith.

"The center of government is the small community; and no government can be democratic unless its communities have intelligent citizenship. The public school system is responsible for that education and trained intelligence. Knowledge will robe you in the purple of authority and crown you with the scepter of a

sovereign king."

Program for Dedication.

C. D. Wright, president of the school board, presided at the program, introducing the distinguished guest and speaker. Other numbers were: Invocation—Rev. Marvin Brotherton. Proverbs 3: 1-18—Rev. P. B. Henderlite. Violin Solo—Evelyn Kolb. Closing Prayer—Rev. Henderlite. Announcements and introduction of teachers—Chas. R. E. Weaver, supt.

Watson's School of Correspondence

J. E. WATSON, PRESIDENT

JUDGE YOUR BUSINESS COLLEGE BY THE SUCCESS OF ITS GRADUATES

It is a well known fact that 95 per cent of all real office positions in Plainview are being held by P. B. C. students. Plainview business men employ our students almost exclusively. Over 100 Plainview firms employ 162 of our students to-day. WATSON trained students are seldom out of employment. THERE'S A REASON. Correct training counts most in the Business world. We have the largest daily and yearly attendance, most modern home; more graduates holding positions on the Plains than any other school of its kind.

Our THOROUGH training and our FREE EMPLOYMENT SERVICE has established a NATIONAL reputation for the school. P. B. C. students are employed in each state in the Union. You will find P. B. C. students holding business positions in many large cities like New York, Chicago, Denver, Los Angeles, Washington, D. C. (Civil Service), Dallas, Ft. Worth, Houston, Waco, Cleveland, Bowling Green, San Antonio, Kansas City, Portland, Oklahoma City, Jackson, Phoenix, and scores of others throughout the United States.

THE CALL to higher salaried POSITIONS comes to a man or woman only after he or she has fitted himself or herself to make good. Success in life comes to the man or woman who has prepared to take advantage of the opportunity when it comes.

THOROUGH TRAINING means success, while inferior training and cheap courses mean failure. Mr. Business Man is interested in how thoroughly you are trained, rather than how cheaply.

Our classes are made up of boys and girls, men and women from the best homes of Plainview, and the Plains country. We teach the courses that are recommended and taught by 97 per cent of the best schools and colleges throughout the United States. COMPETENT INSTRUCTORS in each Department.

The Business Men have placed their STAMP OF APPROVAL on Plainview Business College by employing our students almost exclusively. Our DIPLOMA is sufficient recommendation to get you a good office or business position.

REFERENCES: First National Bank, and over 100 business men in Plainview who employ our students.

FALL TERMS: begins September 2-9. Day and Evening school—Home Study Courses. Arrange for your course early. Address J. E. Watson, President, Box 532, Plainview, Texas.

FINNEY OF THE FORCE

By F. O. Alexander

Remarks From the Kitchen

MINUTES OF W. M. S. ZONE MEETING

The Silvertown Orchestra played the opening piece. The meeting was called to order by the president, Mrs. Jake Griffith of Lockney. Mrs. D. D. Shipley of Floydada was elected secretary.

The opening song was No. 67, "Cokesbury", after which Rev. W. H. Strong of Lockney led in prayer. Sweet Hour of Prayer was sung followed by the devotional given by Mrs. Geo. T. Palmer of Floydada. Delegates attending the session were from Floydada, Lockney, Flomot, White Flat and Silvertown. Lockney excelled in best attendance.

Rev. and Mrs. Butterfield were introduced and gladly welcomed. They have been faithful workers in God's service many years. Mrs. Butterfield is a life member of the Woman's Missionary Society.

The discussion of the "Prayer League" was taken up. Floydada, Lockney and Silvertown report not very active on account of sickness or out of town during summer. Mrs. Mrs. Tilson stated her Society was faithful with the nine o'clock service getting good out of the same.

Mrs. H. M. Porterfield, District secretary, Plainview District of Floydada, Texas suggested that all members continue in this work not forgetting the hour. She also stated that Mrs. Kembro of Lubbock admonishes more reverence in our churches especially on entering and would be glad to resume the beautiful custom of kneeling in prayer on entering our sanctuaries.

Mrs. Porterfield would like each vice-president to look after this part of the spiritual devotion of the society. The young ladies orchestra of Silvertown gave a very pleasing number which was greatly appreciated. Carr's Chapel delegates were prevented attending on account of the rain.

The exceeding importance of the increase of dues and pledges as the basis of the maintenance of regular work was given by Mrs. W. W. Porter of Floydada, Texas. Mrs. Porter handled this topic in an excellent manner, admonishing members to be faithful so that no part would fall away, giving and praying that God's work may live and increase.

Pledges from the following towns were Silvertown 23 members, \$1.00 per member; Floydada, \$125.00; Lockney, \$29.00. Mesdames Porterfield and West and Rev. Marvin Brotherton, of Silvertown, gave short but interesting talks on the leper cure, and expenses of the same.

The president wished to know if there was no avenue open to render some service to mankind in some kindly deed. Mrs. Jno. L. West, Floydada, Texas suggested we save razor blades for these colonies of lepers in Cuba and La., who use them as knives and other ways. Mrs. West was appointed to see after this so save the razor blades and send them to her.

The next topic, "How to Help New Societies" was discussed by several ladies. The Porterfield Society reports 23 on roll but desires better attendance.

The following pastors and laymen introduced were: Rev. Stevens, Lockney, Rev. W. H. Strong, Lockney, Rev. Marvin Brotherton, Silvertown, Rev. Butterfield, J. H. Hampton, and Jake Griffith. Several of the visitors made short talks which were enjoyed by all. We were glad to have several visitors from Turkey, also Mrs. Matie Robinson from Electra with us. Miss King helped out in the program too with her sweet voice, giving several numbers.

Afternoon Session.

The orchestra gave a beautiful selection "March On" for the opening of the afternoon session followed by the song O Zion Haste by congregation. Rev. Stevens of Lockney led in prayer. The devotional was led by Mrs. W. H. Strong, a sweet

comforting message, full of spiritual strength and power.

A beautiful solo, greatly appreciated, rendered by Miss King, showing a sweet voice of wonderful pathos.

We dispensed with business for a moment to introduce several visitors, whom we are glad to have with us. Miss Bassett of Amarillo, Miss Hockett of Greenville, young Mr. Geo. Palmer of Floydada, also the charming little ladies, our pages.

Mrs. Martin of Lockney gave a talk on "The Voice" our official magazine, which delighted the audience.

Mrs. Jno. L. West was on for the Conference History and gave, in her usual bright way, a splendid talk on this subject.

We paused here for a moment, and were entertained by little Miss Griffith, who gave us several quaint and pleasing readings. "The Model Missionary" by Mrs. Robt. A. Sone of Floydada was a striking paper given in a most fluent manner, disclosing many clear cut ideas on which we may well ponder. It was voted on and carried to have Mrs. Sone's address given to the press also that the minutes should appear in local papers and Christian Advocate. Miss King sang by request, "I Am Praying for You", which was greatly appreciated. "The Kingdom is Coming" was sung after which the orchestra played "When You and I Were Young, Maggie."

Short address on "How to do our full Part by Our Children" were given by Mesdames Palmer, Pickens and Martin. The place of the next zone meeting was not decided on at this time.

A rising vote of thanks was extended to Silvertown for her royal entertainment and unsurpassed dinner. Mrs. R. M. Hill, in a sweet and modest way, responded, and stated Silvertown was glad to have us meet with them.

Rev. W. H. Strong, led the closing prayer, invoking God's tender mercies to follow us to our many different homes.

(SIGNED)
Mrs. D. D. Sheffy, Secretary.
Mrs. Jake Griffith, President.

A MODEL MISSIONARY SOCIETY

(An address delivered by Mrs. Robt. A. Sone, of Floydada at the Northwest Texas Conference Zone Meeting No. 4 at Silvertown, Texas, August 29).

Published by Vote of the Conference.

I've often wondered why this subject was given to our new little society, for we are only five months old, and as for being a model society, we are simply everything that one isn't. Perhaps it was to raise our

eyes to the goal before us. Then too, it is unfortunate that this speech should fall to my lot, for I have been a Missionary Society member only three months, and the organization is so complex, so tremendous, and my knowledge of it so meagre that I probably would not recognize a Model Society if I saw one. But I do have a few ideas worthy to be emulated, and I shall state them briefly.

In any kind of endeavor the leaders shoulder a tremendous responsibility. The president is like the captain of a ship who sits at the helm and directs the whole courses of the vessel. The important offices in the society should be given only to the women who stand out as the strongest personalities having the highest intelligence together with the best background of christian character. That is the first stepping-stone toward becoming a Model Missionary Society.

But even the best of leaders fail if their followers refuse to be led into green pastures. Too often we find a society where the officers are the only members who are doing anything to advance the work of the kingdom. Each individual must feel a personal responsibility toward making the society what it should be. It is well for each member to ask herself "If every member were no better member than I, what kind of a Society would ours be?"

There are certain characteristics of a Model Society in evidence, and chief among them is that it must be growing. Educators tell us that remaining at a standstill in growth is an impossibility. We are either advancing or retreating, either growing or deteriorating. And this is equally true of a Missionary Society.

A Model Society grows in numbers. As long as there are women in the church who are not members of the

Missionary Society, there is your field of labor—a field white unto harvest. Sometimes there are women outside the church who can be interested in missionary work and thus may be led into the church.

Although growing in numbers is vitally important, spiritual growth is even more to be desired. Members must become more prayerful, must live on a higher spiritual plane year by year or one of the objects of the Missionary Society has failed. If a spiritual growth is achieved, all other phases of the work will grow accordingly. The Prayer League thrives in a Model Society.

A Model Society keeps up its finances. Pledges and dues are paid promptly and cheerfully. Members should acquire the habit of paying more and more each year. This will greatly increase the interest, for we all know that "where your treasure is, there your heart is also". Reports also must be sent in promptly. To do this requires diligence and a cooperation that our society, in its infancy, has not yet learned.

A Model Society keeps well informed in all phases of missionary work—whether home or foreign. Its members keep abreast of the times by subscribing to and reading the "Missionary Voice," by attending and taking active part in the Mission Study and Bible classes with all progressive movements—whether district or world-wide in scope.

The most important characteristic

of the Model Society is its unselfish desire to help others. Its members are the first to seek out and help the needy—at home or in heathen lands, the first to administer to suffering, to bind up wounds—either physical or spiritual, and ever present help in time of trouble, the pastor's right hand man, and the burden-bearer of the church. And the best proof of being a Model Society lies in the way the Society meets these many challenges to service, for "By their fruits shall ye know them."

A Model Society will attain the Honor Roll every year. In fact, I could have said that in the beginning and my speech would have been done, for everything that I have said, and more too, is contained within the requirements of a Standard Society. May the Honor Societies represented here strive to retain that worthy accomplishment, and may those of us who represent societies not on the Honor Roll go home with the determination to make ours worthy to be called a Model Missionary Society.

FARM
FORUM—

NOTIFY SECRETARY ONE WEEK BEFORE FAIR IF YOU INTEND TO HAVE STOCK IN DAIRY SHOW

All are anxious to have a good number of dairy cattle on hand during the Fair. As has been stated already, there will be only one day for dairy cattle exhibits. Friday, Oct. 4, will be designated as Dairy Day. Bring in your stock in the morning by 9:30 and carry them home at 5 p. m. the same day if you like. A good unloading place will be provided and stalls out in the open will be built.

"Kindly inform me at least one week before the Fair if you are expecting to show any dairy cattle, and the number," states W. M. Gourley,

secretary of the Fair. "We should have 100 head on display. We must know just how many stalls to build, so that you may be ready, and how many entry tags to have printed. We have set aside considerable prize money for these exhibits and you should feel it your duty to bring in the stock. Help out the dairy interest by doing this. Entry tags will be furnished you before the Fair, if you will write or call on me for them."

Prof. Frank R. Phillips will do all the dairy cattle judging. Prof. Geo. P. Grout has been asked to attend and should he come, he will be asked to help out in this work, too.

Fair Catalog Will Be Out Sept. 15

All advertisements, the rules, regulations and premium list have been completed for the Briscoe County Fair catalogue, and it is now in the hands of the printer. They have agreed to rush them out by the 15th of September.

Most every business firm in Silverton took an ad and business men in the following towns out of the county helped in a financial way: Amarillo, Plainview, Floydada, Tulia, South Plains, Sterley and Lockney. Several ads were secured in Quitaque also. The catalogue has the same number of pages as last year. The revenue will go a long way toward taking care of the expenses of the Fair and paying off an indebtedness of \$157.00 from last year. A few business men who did not take space preferred to help by cash donations. A complete list of all who gave financial support to the Fair will be published at a latter date.

Raymond Patton At Chevrolet Meet

Raymond Patton, manager of the Patton Motor company, Chevrolet dealer of Silverton, attended the big Chevrolet meeting in Amarillo Wednesday of last week and reports it a tremendous gathering and an event of much importance. About 500 dealers and salesman from over a wide district were present at the zone meeting and participated in the sumptuous banquet at the Herring hotel Wednesday noon.

A giant parade of motor cars was staged, with streets blocked and roped off from traffic interference, and the cars in the parade were mostly those owned by the dealers and salesmen. At the banquet Mayor Ernest Thompson of Amarillo addressed the visitors, turning the city over to them, according to Mr. Patton, promising them executive relief if any conflicts arose with the city police force.

Rabie Infected Cat Bites Child

The little two-year old daughter of Mr. and Mrs. Herman Seeds was bitten by a cat late last Friday afternoon. The cat was badly infected with rabies, according to an analysis of the laboratory to which the cat's head was sent immediately.

Anti-rabie serum was ordered and the little girl will be given 21 doses to prevent development of rabies. People should be very careful about stray cats and dogs, says Dr. O. T. Bundy, local physician, also those belonging to the home as rabies may develop in any of the animals at any time.

Wilson Clayton Is Severely Injured

Wilson Clayton, 13-year old son of Mr. and Mrs. John Clayton of the North Route, who sustained a painful injury last Thursday evening to his leg from a disk, was reported Wednesday to be doing nicely.

While at work Wilson's leg came in contact with the disk, resulting in an ugly cut. He was rushed at once to the office of Dr. Bundy, who found a severe wound, requiring ten stitches to close.

Wilson says he does not mind the pain as much as he dislikes losing his school work. He will probably be out of school for three months, according to Dr. Bundy.

Silverton Men to Be At Federal Court

T. M. Nichols, mayor and manager of Willson & Son Lumber company, as grand jurymen, and D. M. Morgan, of the real estate firm of Morgan & Fisher, as petit jurymen, have been summoned to serve federal court which meets in Amarillo next Monday. The federal court docket is lighter than usual and no cases of magnitude scheduled.

Among other names drawn for service are R. J. Stallings for the grand jury and S. B. Barnes for petit jury, both of Tulia.

Bursons Have Family Reunion

Mr. and Mrs. Jonathan Burson enjoyed a family reunion the past few days. Mr. and Mrs. Leslie Turner with their little daughters, Joy and Ann, came in Thursday from their home in Connecticut just outside the city of New York. Mr. and Mrs. Carrol Gunter of Dimmitt came over the same day. Mr. Gunter returning Thursday night while his wife remained for a longer visit with the family. Mr. and Mrs. Turner and the Bursons went on Colorado for a short trip on Monday. The visitors will stop in Silverton for a few days enroute from Colorado to their Eastern home. Mr. Turner is an artist of national renown. Mrs. Turner was formerly Miss Bethel Burson. Mrs. Gunter was, (and is, still) to Silverton friends, "Miss Anna."

Floral Club at Home of Mrs. Miner Crawford

Mrs. Miner Crawford, president of the Floral Club entertained the club members at her home on Friday, Sept. 6.

The subject for the day was Fall Planting; and a number of interesting talks and suggestions were made. Mrs. C. L. Dickerson led.

The club voted to have a flower booth at the fair with Mrs. John Guest chairman. Mrs. Jim Tunnell and Mrs. Van Meter were appointed as a committee from Quitaque, other communities will be appointed for each community and it is hoped that a fine display will be obtained for the fair.

Everyone was eager to hear Mrs. G. Patton's description of her successful Lily pond, of how the cement pool was made, and of planting the bulbs and their preservation through the winter. Mrs. C. L. Dickerson told of the fall-planting plan for phlox, petunias, sweet peas and other annuals and biennials. Mrs. Morgan suggested ways to care for the roots of biennials. Mrs. Anderson emphasized the importance of covering the roots of verbenas with their own foliage for early spring blooming, and Mrs. Fogerson recommended pansies as hardy biennials, saying they will bloom thru the snow if roots are well protected.

Mrs. Crawford assisted by Mrs. Daniel served delicious chicken sandwiches, lemonade and cake to the following members: Mesdames Anderson, Burson, Campbell, Dickerson, Daniel, Fogerson, Guest, Haynes, Morgan, Patton, Simpson, Williamson and Wright. Mrs. Burton of Quitaque was a very welcome visitor.

The October meeting will be at the home of Mrs. Campbell with Mrs. Wright leader.

Camp Fire Girl Activities

The Camp Fire Girls met with Mrs. Clyde Wright Tuesday for a business session. Committees were appointed for the fall work. And the group decided to have an exhibit at the Fair, also a Coney Island (hot dog) booth.

HATTED AND GLOVED IN WHITE IS A PRESENT WHIM OF THE MODE

Back to the long-since neglected theme of gloves swings fashion's pendulum. At every turn there's evidence that the mode is turning most enthusiastically gloveward.

To be gloved though sleeveless has been the chief aim of woman during the summer months and the idea holds good as long as balmy days permit. Just now it's a white felt hat, a pair of white pull-on gloves and an absence of sleeves which achieves a touch of chic such as makes the whole style-world akin. The picture herewith tells the story better than words. This young devotee of the mode is wearing a charming frock of blue crepe de chine with an attractive design in white on the wide belt. This dress is backless.

Emphasis is especially placed upon the importance of gloves as a smart accessory to the fall costume. The longer glove is "coming in"—most often pull-on types, either with or without a one-button fastening at the underwrist.

In the shorter gloves much attention is given to novelty for the flaring cuff. That is the tailored themes are offset with cunning bows and various decorative devices.

Both kid and fabric types will abound. In fact, a woman may be as economical or as extravagant as her pocketbook warrants in the matter of gloves, for the program as outlined for the coming months runs the gamut from the thoroughly practical inexpensive utility glove to magnificent specimens elaborated with embroidery, hand-painting on the cuffs, and all sorts of unique embellishments.

Quite an exclusive novelty, and of course available only to the fortunate rich is the mosquetaire glove of exquisite gold leather. While this is not an item to appeal to the practical majority, it serves as an object lesson as to the extremes to which glove fashions are trending.

Like everything else in fashion's realm, gloves have yielded to the ensemble vogue in that glove and purse or handbag sets are the newest thing. Envelope types of purses are in the majority with the glove ornamentation repeated on the flap of the bag. That is, if the cuff is stitched, braided or embroidered, then the purse, which is made of the same kid as the glove repeats the motif.

Hon. Marvin Jones Dinner Guest in C. D. Wright Home

To compliment their house guest, Hon. Marvin Jones, on Wednesday evening, Sept. 4, Mr. and Mrs. Clyde Wright had as dinner guests four near-neighbors, who are prominent townsmen.

Mayor T. M. Nichols, County Judge O. R. Tipps, W. Coffee, Jr., President of Lions Club and Fred Lemons, Secretary of School Board, with Mr. Jones and Mr. Wright, were seated for the five course dinner. The bowls of nasturtiums, the candles, and other appointments carried out a rich color scheme of crimson, green and gold. During the evening, Mrs. Robert Devlin and Mr. Ned Baird gave several splendid musical numbers.

Seniors Hold First Meeting

The Seniors held their first class meeting Tuesday. The purpose of the meeting was to elect officers for the year and select class colors.

J. D. Strickland was elected president; Powell Miller, vice-president; Sudie Lee Foust, secretary-treasurer; and Faden Lee, reporter.

Purple and gold were selected as class colors.

LOCALS

Friends of Walter (Bill) Cowart are glad to welcome the young man home again after his year's absence, during which time he has been studying in Northwestern University, working toward his Master's degree, and at the same time has been employed by the National Theatre Supply company. Mr. Cowart is the son of Mr. and Mrs. P. E. C. Cowart, and is an estimable young man.

Prof. Weaver, teacher of vocational agriculture of Dimmitt, visited with W. M. Gourley here last Thursday. While here Prof. Weaver called at the News' office to inquire into the cooperative methods of the newspaper with the agriculture work in the Silverton school.

Hear what few have heard—what the coach says to his football team between haves, and what players say in a huddle on the field—in "College Love."

Mr. and Mrs. Ralph Arnold and baby of Davis, Okla., are spending the week with Mr. Arnold's mother, Mrs. M. C. Arnold.

Guy Whitacre has accepted a position in the furniture department of Bomar & Brown, where he will be glad to meet his many friends.

Mrs. O. T. Bundy and children were guests in the Ralph Buell home at Quitaque Thursday evening. Mrs. Buell served a lovely dinner in compliment to the visitors.

Mrs. W. A. Tucker of Walters, Okla., was the guest of her daughter, Mrs. L. L. McAnaw, last week.

He took the disgrace of another—for his college.

Mrs. P. B. Henderlite was delightfully surprised last Thursday with a visit from her young brother, Pitts Newton, who is home from a short interlude from extensive travels in foreign lands. Having visited Antwerp, London, Brussels, Rotterdam and other places of note in Europe, he will soon sail to Southern countries for further study of peoples and conditions abroad.

When Cupid called the signals on the gridiron of love—it meant he won the game and the girl.

S. A. Covington, general superintendent of the Ft. Worth & Denver, who lives in Wichita Falls and J. W. Mode, Denver Division superintendent of Amarillo were thru Silverton on a tour of inspection last Friday.

Mrs. Burton of Quitaque spent Friday and Saturday visiting in the Jno. Burson home and with other friends here.

Miss Auzta Parker of Higgins, who formerly taught English in the high school here is spending a few days in the home of Mrs. Jeff Gunter before going to college.

Miss Eloise Morgan left Wednesday to resume her work as teacher of violin and piano in the Quitaque schools, where she gave great satisfaction with her system of "progressive series" in music last year. Miss Margaret Morgan began her duties Wednesday as instructor in music and public speaking and play directing in the Flomot school.

Mrs. E. H. Piner and her daughter, Miss Eula Piner, returned to their home in Denton last Thursday, after a week's visit in the home of Mr. and Mrs. John Bain, Sr. Mrs. Piner is Mrs. Bain's mother.

Of interest to her many Silverton friends is the favorable report from Mrs. Ed Crawford, who has been in the Plainview Sanitarium under treatment since last Wednesday.

Mr. and Mrs. Jeff Gunter and family have had as guests the past several days, Mrs. Gunter's mother, sister and brother of Shamrock. They are Mrs. Bryan, Miss Oleta Bryan and Kay Bryan. Miss Oleta is entering Wayland College as a Senior.

Congressman Marvin Jones was an honored guest in the C. D. Wright home last Wednesday and Thursday. The Congressman and Judge Wright were former college friends. Hon. Jones came over to give the dedicatory address for the formal opening of the new high school Thursday morning.

W. C. Smith returned Saturday from a trip to Detroit, Mich., Knoxville, Tenn. and Little Rock, Ark., and expects to spend the winter here with his children.

Mrs. A. D. Allard and little daughter of Plainview came over last week for a few days with her parents, Mr. and Mrs. T. J. Hodges.

I. A. Stephens and Archie Castleberry motored to Lubbock Sunday.

Rex Dickerson returned last Sunday to attend school here after having stayed in Dimmitt in the employ of the Gunter Drug for a year and a half.

A minute to play—a touchdown to win—and he knew the signal when someone yelled "Hey Boob!"

Miss Helen Murphy left last Sunday to enter a business college in Amarillo.

Mrs. Bud Alexander and children left Tuesday of last week for an extended visit with relatives in Turkey.

Miss Faye Allard is on a trip in New Mexico.

Mr. and Mrs. Marvin Wood of Bovina are visiting Mrs. Wood's mother, Mrs. J. V. Pharr and other relatives.

Miss Mavis Strickland has returned from visiting relatives in New Mexico.

Miss Cleora Turner, who has been bookkeeping in Tulla the past year, is home with her parents, Mr. and Mrs. S. E. Turner.

Mr. and Mrs. Raymond Patton and Mr. and Mrs. W. W. McClister motored to Amarillo for the air derby.

Mr. and Mrs. Buell Hill are the proud parents of a three pound baby boy born last Wednesday morning. The baby is doing fine, also the mother.

Mr. and Mrs. Champ Blackwell, Mrs. Snapka, Mr. and Mrs. John Bain, Jr. and their son, John Ed spent the day in Amarillo shopping last Wednesday.

Mr. and Mrs. Bruce Burleson and Mrs. Walter Lee Bain went to Amarillo last Thursday. Mrs. Bain remained until Monday with her parents, Mr. and Mrs. Sales Coffey and family.

Mrs. Fred Connor and children and Miss Myrtle Connor of Tulia visited in the John Bain home this last week end.

Mrs. Lin Christopher, Mrs. N. R. Hosen, Mrs. M. C. Potter and Mrs. Davis were visitors in the Irvin Allen home last Monday.

Mr. and Mrs. A. P. Donnell and Mr. and Mrs. Gordon Alexander visited in Canyon at Dr. Chas. Donnell's home last Thursday.

Mr. and Mrs. R. E. Douglas and children spent Sunday in Canyon, with Mr. Douglas' sister, Miss Katherine Douglas, who had been ill. Miss Douglas is now greatly improved in health.

Mr. and Mrs. R. M. Hill with Miss Mildred and Gwendolyn Cloyd went to Amarillo last Wednesday where Miss Mildred entered school.

Archie Castleberry bought a large new stock of goods for his store the first of this week.

Mr. and Mrs. Homer Mize of Earth, Texas were guests in the Will Smith home over the week end.

Dr. T. A. Moore is moving to Muleshoe this week to establish an office there. Mr. and Mrs. Dooley Moore went to Muleshoe Tuesday morning to help him get settled.

Littlefield—West Texas Gas Company laying pipes in streets here for natural gas.

San Angelo—Building permits issued so far this year exceeded \$1,500,000.

Wheeler—"Wheeler News Review" of Wheeler and "Mobeetic News" of Mobeetic changed hands.

New Organization Elects Silverton Man

The Panhandle Agricultural Education Association was organized last week at the consolidated institute at Canyon, and W. M. Gourley, vocational agriculture teacher of Silverton high school, was honored with the presidency. L. V. Young of Abernathy was elected vice-president, and Geo. P. Gout of Panhandle secretary.

There are four other such organizations in different parts of Texas. The first meeting of the new association will be held in Amarillo Sept. 28, the last day of the Tri-State Fair. Many important objectives will be set up at the session. County agricultural agents, railroad agents, and other agricultural workers will become members of this new organization of the panhandle.

Superior Amusements--

and shows coming to Silverton, but as a matter of fact they do come here throughout the year, and most any kind, too, sets up here. During the County Fair, when every event of this kind from the State Fair on down have carnivals there shouldn't be any special reason why they should not be allowed.

The Fair management secured the approval of the Mayor of the town and Sheriff of the county, before any contract was signed for this com-

pany to show here. The local citizens will no doubt consider these shows far ahead of many that have been here already during the year.

If there is a Fair of any consequence held anywhere in the State, that does not have amusement features, its location is unknown. The show is a financial aid to the Fair. Where a town is unable to finance a Fair, it becomes necessary to secure financial aid from other sources. The All-American Shows will help finance this Fair.

Army Aviators---

scurrying like wild geese that had been excited by gun-fire, and came to ground in land formation on the sloping terrain of Jno. Burson just below his home southeast of the city.

The squadron, composed of five Curtiss Hawks, was in charge of Lt. John S. Griffith, who had left Kelly field, San Antonio, at 7:15 a. m. A rain-storm was brewing from the north, and the flyers had been at a low altitude for better visibility. When they came to the canyons in the north part of the county they met the dark clouds and a heavy fog hovered over the gorges, presenting a fearful picture to the aviators who were unfamiliar with their narrow width. The three Curtiss Falcons, heavier machines which were in the lead, continued their journey, but Lt. Griffith, thinking first of the safety of his companions, signaled a reverse and they rushed back toward Silverton. Two planes narrowly averted a collision in the fog.

Seeing the air-sign, Griffith felt assured that Silverton had a good landing field, and he selected the home of Mr. Burson as the site of the airport. Motorists brought the unexpected guests into town, escaping a soaking rain, where they remained for luncheon and until a weather report was received from the Amarillo Daily News, stating that better visibility was predicted at any time and requesting that the planes be directed by Canyon City to avoid the canyons; also, giving the information that the other army planes had arrived in Amarillo safely. At four o'clock sharp Lt. Griffith led his squadron into the air, taking a line toward Canyon where the skies had temporarily cleared. In less than an hour's time Silverton's army guests for the day had arrived at their destination in Amarillo.

Do Your Fall Marketing Here

Our stocks are complete and seasonable chosen with care and selected to fit the needs of this section. Below we are listing a number of items that you are wanting and will be buying soon. Look them over and buy where you can select from the shelves, using your faculties of discrimination.

Our Chain Store Buying Power Enables Us to Sell at the Lowest Prices

- Children's Unions**
Age 4 to 16, Long and short sleeve, Button Tape—
59c
- Ladies' Unions**
Long and short sleeve, good weight—
98c
- BOYS' UNIONS**
Age 4 to 16, Good weight, Silk Trimmed—
75c
- MEN'S FINE COTTON RIBBED UNIONS**
14 Pound—**\$1.00**
16 Pound—**\$1.25**
- MEN'S Shirt & Drawers**
Heavy Weight—
75c
Suit—**\$1.50**
- OVERCOATS**
At From—
\$9.95 to \$27.50
BOYS—At From—
\$4.95 to \$12.50
- STETSON HATS**
\$8.50 to \$16.00
- Beautiful Plaid Part Wool **BLANKETS**
\$3.95
- LADIES HATS**
\$1.95 to \$4.95
- Quilt Cotton**
Bleached Long Staple—
2 lbs. — 75c
2 1-2 lbs. — 85c
3 lbs. — 95c
- 15 Yard QUILT SCRAPS**
Bundles At—
50c
I. L. Brown **MUSLIN**
8 1-3c, 10c, 12 1-2c
- Heavy 3 Lb. Cotton **BLANKETS**
66 x 80
\$1.95
