In the Clerk's race, Alexander was high man, but lacked 115 votes of having the majority. John Arnold was second high.

John Hamilton, for District Attorney, polled his usual big vote in this county, and edged out his opponent, Ratliff by a margin of 147 votes in the whole district. Ratliff was strong in his home

A. Foy Curry, who opposed Tom Deen retained his office.

The County of course, went big O'Daniel, with Allred second, Statewide, O'Deniel lacked only a very few of having a majority and will oppose Allred in the run-off for Senator August 22.

H. S. Sanders received the largest number of votes for Democratic chairman, and 61 folks took the trouble to write him in for 10c the thankless job.

### THANK YOU, BRISCOE COUNTY FRIENDS,

I would indeed be an ungrateful cur. did I not try in some way to express my appreciation for your vote of confidence in Saturday's election.

Until I can see you personally, I want to take this means of saying very humbly. "I Thank You!" It makes me very happy and proud, yes, and humble too, at the way my friends in Briscoe County showed that they believed in me. I want to especially thank my friends for the page ad they ran in my behalf. That ad is one of my most cherished possessions.

I shall continue to give my office every ounce of my efforts, to try to give you the type of service you are expecting and to which you are entitled.

Yours sincerely,
