## Your Money Buys More

You can't win this war with flag-waving, with slogans or with cheers.

It takes planes, tanks, guns, bombs, shells, ships . . . and these don't grow on trees.

Your money will buy the stuff to beat the Japs...but it takes more than just a little ...it takes every dime and dollar you can rake and scrape and spare.

When you buy a soda, or a stick of gum or a pack of cigarettes...spend another dime for Democracy...and add another War Stamp to your collection.

A dime is needed out of every dollar everybody earns.

Lets Keep Our Half Of "The Bargain"

# Keep Briscoe County Over The Top

## OUR HALF OF THE BARGAIN

America needs Men . . . Materials . · . Money! And the money must come from you! Every man, woman and child must buy stamps and bonds if we are to keep our half of the bargain with the boys.

Briscoe County is doing her part and more with men! Briscoe County boys have flocked to the colors until more than 4% of our population is in uniform.

Are the rest of us in Briscoe County doing our share? Look at the Bond Meter on the right and see where we stand. Our quota for 1942 is very light for our county — \$126,800.

Let's go OVER THE TOP! Let's not have our boys from Briscoe County say that we didn't keep our half of the bargain!
