He is pastor of the to reach by the end of March First Baptist Church at Merkel, there is still much work to be done.

Here is a message from Jake in regards to the campaign:

"In the first place I want to take this means to thank all who have volunteered their services in helping to gather Red Cross money, and also to thank those who have already made their contribution.

In the second place there are no ifs, nor ands, nor buts about it-this county is going over the top. We are already way over the top in the number of men we have in service, and I am willing to go to any lengths short of stealing, to show these boys that we are trying to back them up here at home. There's more to it folks than just making a donation to a good cause. The way I look at it, if those kids of ours can go out there and offer their lives, we can back them up with a little of the things the Red Cross can do for them. I was surprised that we weren't over the top a week ago. I realize that there are some of you who haven't been asked. Getting down to the facts, "Should you have to be asked?" Isn't it your business?"

Roy tells me that he is mailing the Briscoe County News to over 100 men in service. Well, when this campaign is over, I'm going to have him print the names of all who contributed and the

VALUABLE!!

The wool shortage means it's up to you to make clothes give longer "mileage" You can do that and still look well dressed if you follow these suggestions:

1. Alternate your suits. Don't wear the same one several days in a row.

2. Brush your suit lightly after wearing and hang it up immediately.

Before Calling the Serviceman He's mighty busy doing war-vital work!

First, if an appliance fails to work ... see if it's connected. You'll be amazed how often a disconnected extension cord is the only trouble.

If only one light is out, replace the bulb. If several lights go out, check the fuses. Replacing a burned out fuse may be all that's necessary . . . and you can change a fuse as well as the serviceman. You'll save yourself inconvenience and delay, too!

That on or about the day and year aforesaid, the above named

P.S. Don't forget to bring your clothes on a hanger, if you wish them returned on a hanger.

LET'S MAKE THE BEST **OF POINT RATIONING...**

We want to thank our customers very much for the grand way they have accepted the ration program. Very little complaining-lots of joking-and you folks are taking it like true Americans. There are none of us that exactly like it but when we think of the boys out there in North Africa and the Pacific-then our sacrifices aren't sacrifices at allseems like to us they are kinda special privileges.

Come in. We've lots of unrationed articles and the stuff that is, is plainly marked by points. It's easy to buy here.

Have you made your contribution to the Red Cross War Fund? That's a swell way to help the boys in service.

Cowart Grocery

If ALL your lights are out . . . all your fuses are okay . . . and your neighbors' lights are out, too ... then call the serviceman.

... and for more light with no more electricity here's another tip ..., clean light fixtures increase light 20 to 40 percent!

What Time Is It?

It's Time To **Buy Your '43 License Tabs**

The new 1943 License Tabs must be on all cars by midnight of April 1st, 1943, or owners will be subject to a fine and must pay a penalty for not buying their plates on time.

The new plates are simply little tabs that clamp on your old tags, so please take care of your old license plates. This is a move to conserve material.

Highway officers are instructed to arrest those who have not properly equipped their cars or trucks with the renewal tags.

License tags are now on sale and may be placed on your cars immediately. You may obtain them at the office of N. R. Honea. License tags must be bought in the county where you live.

New drivers must secure and carry a drivers license. They may be secured through examinations which are given by State Highway Patrolmen.

And while I'm thinking of it, don't forget to contribute liberally to the Red Cross War Fund Campaign.
