further experience aboard a submarine during which he must demonstrate to his commanding officer that he is fully qualified to carry out the duties of his rate.

Allard was a graduate of Silverton High School in May, 1938, winning letters in football, track, and baseball while here.

The Submarine School, the only one of its kind in the Navy, is attended by a picked group of men who must pass special physical, mental and psychological tests.

The school work takes place not only in classrooms and laboratories, but also in numerous training submarines in which students master the actual techniques of operating the powerful fighting craft.

Many students at Submarine School already have seen battle as members of surface ship crews before volunteering for submarine duty.

U. S. NAVAL VESSEL WILL BE NAMED "HOWARD D. CROW"

Mr. and Mrs. Hiram D. Crow of Alvarado, have been notified by the Navy Department that a new vessel of the U. S. Navy will be christened with the name of "Howard D. Crow"...

NOMINATIONS MADE FOR SCHOOL AND CITY ELECTION

Tickets were made up at the Mass Meeting Monday night for the City Election to be held on April 5 and the School Election the first Saturday in April which is the 3rd.

Candidates for City Councilmen are: Fred Lemons, Ben O. King, H. S. Sanders, Bert Douglas, L. K. Gilkeyson, Alvin Redin.

Candidates for the School Trustees are: Joe O'Neal, Chick Northcutt, True Burson, Bud McMinn, Charley Chappell, Arnold Turner.

There you are boys. Get your chips on the board. Looks like a hard fought battle coming up in both elections.

HOWARD - WILLIAMS

Mr. and Mrs. H. P. Howard announce the marriage of their daughter, Diamond, to Cpl. Floyd B. Williams, March 11 at 8:30 P. M., in Bryan, Texas.

Rev. C. W. Lokey read the single ring ceremony in the home of Mr. and Mrs. C. O. Schelander at 708 East 29 Street, where the couple will be at home.

The bride wore a pink fur-trim suit with matching accessories. The couple were attended by Cpl. and Mrs. R. B. Watkins, formerly of Lubbock, and students of Texas Tech. Cpl. and Mrs. John Law, also of Lubbock were present.

The bride was a Junior Arts and Science student in Tech at the time of her marriage.

The bridegroom was a Junior Agriculture student in Tech at the time he volunteered for military training at the Lubbock Army Flying School last year.

GOVERNOR NAMES RICHARD STOVALL ATTORNEY 110TH DISTRICT

Richard F. Stovall, court reporter of the 110th district since 1935 and a member of the bar since 1938, was named district attorney of the 110th Judicial district Saturday by Governor Coke Stevenson, who announced the appointment to fill the vacancy caused by the resignation of John A. Hamilton of Matador, resigned and now serving as a lieutenant (jg) in the U. S. Navy.

Accepting the appointment as an officer in the Navy in December, Hamilton's formal resignation had been in the hands of Governor Stevenson since March

Stovall qualified and began his work at Matador on Saturday. The new district attorney has been a resident of Floyd county for 23 years. He graduated from Floydada High School with the Class of 1927. He studied at the University of Texas, taking a pre-law course and majoring in business administration. He moved to Floyd county from Hill county in 1920.

Stovall is married and his two sons, Franklin and Robert.

TRY OUR WANT ADS

COUNTY USDA WAR BOARDS TO AID DRAFT BOARDS

Texas' 254 county USDA War Boards were handed the job this week of assisting in the selective service classification of agricultural registrants.

County war boards were asked by Secretary of Agriculture Claude R. Wickard, to make requests immediately for the deferment of registrants who are necessary agricultural workers and farm operators not now in Class II-C or II-C and whose deferment has not otherwise been requested.

To be eligible for Class II-C or III-C a registrant must be necessary to an agricultural occupation or agricultural endeavor essential to the Food for Freedom program.

"The young men of Texas who are producing Food for Freedom are serving their country as loyally as though they were in the Armed Forces," B. F. Vance, chairman, Texas USDA War Board, said, and added that "The boys' overalls are their uniforms and it's an honor to wear them."

At the same time, he appealed to all Texas farmers and ranchers to plan for maximum war production this year, despite the shortages with which they are confronted.

Basis for recommending deferment of farm workers will be data taken from the 1943 farm plan sheets, which are being signed throughout the state, and from the farm manpower inventory, a part of the production plan sheet.

Although county USDA War Boards will make recommendations, the final decision for classification of an agricultural registrant will be made by the local selective service boards.

Mrs. Ireland Duty and son James Ray left Wednesday for their home in St. Louis. She has been visiting in the home of her father, Chas. K. Herndon for several weeks.

Meat Rationing In Effect Monday

LAST RITES TUESDAY FOR MRS. CROSS McDANIEL

Mrs. Cross McDaniel of Tullia, was buried in the Silverton Cemetery Tuesday afternoon, March 23, following funeral services at the Silverton Church of Christ at 3:30 o'clock. Rev. H. L. Stewart of the Tullia Church of Christ officiated.

Mrs. McDaniel, 52, died suddenly Monday morning, March 22, just six days after her father, J. N. Pitts, passed away.

Survivors are her husband; three children, all of whom live near Silverton; three grandchildren; two sisters, Mrs. John Crow, Tullia; and Mrs. Mont Young, of Stephenville, Texas; two brothers, H. S. Pitts, Fair, Texas; and H. D. Pitts of Tullia. Her mother preceded her in death in 1932.

Willie Bennetta Pitts was born September 20, 1890 near Crawford in McClennan County, Texas. She moved with her parents to Hamilton County, December 19, 1895, and from there to Briscoe County on August 31, 1906.

She was married to Cross McDaniel on September 24, 1911. To this union three children were born, Ashel, Ruby and Billie.

Mr. and Mrs. McDaniel moved to Swisher County in February of 1939, where she lived until her death Monday. She united with the Church of Christ, 23 years ago at Rock Creek.

The Briscoe County News joins hundreds of other friends in extending sympathy to the bereaved family.

CARD OF THANKS

We wish to thank our many friends for their kindness and help during the illness and death of our wife, mother and sister, and for the expressions of sympathy and floral offerings. Your friendly help has made our sorrow easier to bear, and we are very, very grateful. Cross McDaniel and children, and brothers and sisters and families.

FUNERAL SERVICES FOR J. N. PITTS, PIONEER FARMER

Funeral services were held here in the First Baptist Church on Thursday afternoon, March 18th, for J. N. Pitts, a long time resident of Briscoe County, Mr. Pitts passed away March 16 at Tullia where he had made his home for the past four years.

Joseph Newton Pitts was born February 22, 1857 and passed away at the age of 86 years and 22 days.

He moved to Briscoe County August 31, 1906 and made his home here until 1939 when he moved to Tullia. He was married to Miss Missouri Dowis and she preceded him in death in 1932.

He became a member of the Baptist Church early in life and remained a faithful member until his death. He was well known in Silverton and has always called this his home.

At the time of his death he was survived by all of his children, Mrs. Alice Crow, Tullia; Mrs. Mont Young, Stephenville; Mr. H. S. Pitts, Fair, Texas; Mr. H. D. Pitts, Tullia; and Mrs. Cross McDaniel, Tullia. Mrs. McDaniel became ill the day after her father's funeral and followed him in death Monday of this week.

He is also survived by seventeen grandchildren, nineteen great grandchildren and two great-great grandchildren as well as several other relatives and a host of friends.

EASTERNERS GET ONLY 6 GALLONS GAS MONTH

Autoists in 17 Eastern states now will get only 6 gallons of gasoline a month. The new order does not apply to Texas, Oklahoma and other areas.

Point values that consumers will pay beginning next Monday morning, March 29, for meats, cheeses, fats and oils, and canned fish under the newest and largest wartime food rationing program were released to the Briscoe County News Wednesday from the Office of Price Administration.

Examination of the "official" table of consumer point values which every seller of the newly rationed foods will be required to display in his store, discloses that meats-fats rations are relatively more liberal than the rations of processed foods.

The weekly allotment of 18 points per person, represented by red stamps in War Ration Book No. 2, compares with an average weekly allotment of 12 points per person under the canned goods program. On a "per pound" basis the point values of individual items under the meats-fats program are sharply lower.

Almost all popular meat cuts have point values of eight points a pound and less. Butter is assigned a value of eight points a pound and a similar value is given to all of the rationed cheeses. All canned fish is valued at seven points a pound.

OPA officials emphasized, that while the first point values under the new program have been set with the most careful regard to supply and consumer preferences it is not possible to gauge these and other factors in advance with absolute accuracy. Adjustments will be made whenever they are indicated to be necessary by actual operations under the program.

The official Consumer Point Table is being published for your convenience this week at the bottom of this page. It is suggested that you cut it out and have it for ready reference in your kitchen. The table is printed for you with the compliments of the B. and G. Grocery.

Only one cut of beef—boneless sirloin steak—has a point value above eight. For this cut the point value is nine points per pound.

Other items priced at nine points per pound are boneless ham ready-to-eat ham (bone in) either whole or half; and hard dry sausage, such as hard salami, hard cervelat and pepperoni.

Five items on the official consumer chart have a value of 10 points per pound. These are boneless pork loins, fresh and cured only; pork tenderloin, ready-to-eat boneless ham, whole or half; ready-to-eat picnics or shoulder, boneless; and whole or half hams or picnics packed in tin or glass containers.

Two items—ready-to-eat boneless ham slices and Canadian bacon—command values of 11 cents per pound, while dried beef, either loose or packaged, at 12 points a pound is the most expensive item on the entire list in terms of points.

The definition of "hamburger" on the point table sets a precedent, in that it marks the first time that the federal government has undertaken to give specifications that retailers selling to consumers are required to follow for this popular type of ground beef. By reason of this definition no ready-ground meat may be sold for more than five points a pound.

Ground round steak, ground chuck, ground rump, or ground sirloin, for example, cannot be prepared and point "priced" in advance by a retailer after rationing begins. In other words, a housewife will buy any of these meats in whole form, paying the correct number of points and then will have them ground to order. This restriction applies similarly to ground veal and lamb, which are defined in the same manner as is beef hamburger.

As announced previously, retailers will begin to collect red stamps from customers beginning March 29, but do not surrender points for their wholesale purchases (Continued to back page)

OFFICIAL TABLE OF CONSUMER POINT VALUES FOR MEAT, FATS, FISH, AND CHEESE No. 1—Effective March 29, 1943

Table with columns for COMMODITY, Points per lb., and sub-categories like BEEF, LAMB-MUTTON, PORK, BACON, MEATS, FATS AND OILS, CHEESES.

Presented to you with the compliments of the B. and G. Grocery and Market.

Briscoe County News
"Official City and County News"

ORLIN STARK came up yesterday and was looking into my banty chicken business. He found out from last week's paper they are producers and now he walks in and says that they are his. He said he gave the original stock to Watson Douglas and that Watt gave them to Coffee. And he is taking steps to get them back.

WHAT I CAN'T see is how he is going to figure the interest on them.

I KINDA WISH that he would foreclose on them—cause I have even been dreaming about them. I dreamed the other night that I was boiling some water for my rationed supper and I heard a noise out the back door. I ran and opened the door and there comes two little banty hens flying in with another one after him with a pitchfork under his wing. And their little faces—one looked just exactly like Joe Mercer and the other like Bill Hardin; and the one with the pitchfork looked like Jake Honea. And I thought that I jerked the lid off the pot of unrationed soup and Bill Banty and Joe Banty jumped right in and began to boil and I thought that Joe Banty began to cackle out the directions for making chicken and dumplings and that I poured in the right amount of flour and salt and that everything was just exactly right. When I woke up I could still taste chicken and dumplings—and that's the truth—I never told it.

I JUST READ that over and I believe that I shall crank Old Betty up and go to press before

my mind becomes a quart of water.

Don't forget that Monday you start counting your meat points. The most interesting one on the list is hog ears for only one point a pound. Come over to dinner sometime—you bring the hog ears.

BULLY BEEFING BALONEY BALLYHOOD BRAVELY BY BULL-HEADED BOTTLENECK
(That's me)

"The Red Cross still needs your money—and is still expecting it!" Thus spoke Jake Honea, chairman of the War Campaign Fund, Wednesday in reviewing the progress of the campaign.

The campaign has a week to run and the wind-up will be on next Wednesday when all volunteer workers and chairmen are expected to make their final reports. The meeting will be held at the County Court Room at 8:30 o'clock and should take only a short time, if the reports and finances are ready.

They were listed a couple of weeks ago, but we are again giving the names of the volunteer workers by communities. If you have not been contacted for your contribution, it is an oversight. All workers are asked this week, to make a special effort to see that not one person in Briscoe County is missed. BUT, on the other hand every person in Briscoe County is asked to make a very, very special effort to make your contribution by next Wednesday night—through your community's volunteer worker, through a personal visit to Jake Honea's office, or through the mail.

The volunteer workers by communities are as follows:
SW Silvertown, Mrs. M. C. Tull
SE Silvertown, Mrs. Troy Bursen
NE Silvertown, Mrs. Jake Honea
NW Silvertown, Mrs. W. M. McCracken

Courthouse, Nora Mae Thompson
San Jacinto, Mrs. H. T. Gill
Antelope Flat, Mrs. Roy Allard
Miss Emma Bullock
Francis, Mrs. Carl Wimberly
Rock Creek, Mrs. Bob McDaniel
Wallace, Mrs. Ruth Watley
Haylake, Mrs. H. B. McClendon
Lakeview, Mrs. W. W. Douglas
NW of Silvertown, Mrs. Edd Thomas, Mrs. D. T. Northcutt

Kent, W. V. Chandler
Gasoline, W. E. Helms
General Chairman for Quitaque,

Mrs. R. B. Persons
It's going to take the help of every man, woman and child to really put the county OVER the top—Let's do it the right way!

Legislative Grapevine
By Grady Hazelwood

Perhaps the most important legislative matters this week took shape in the Senate. House Bill No. 159 to reallocate money already in the Old Age Pension fund passed the Senate by a vote of 23 to 3. The purpose of this bill was to restore pension cuts and avoid future cuts.

Of great interest and public concern was the Senate Labor Committee's long drawn out public hearing on four labor bills which were voted out favorably by the committee on a viva voce vote. The hearing lasted until midnight. All bills were controversial and at times the hearing was marked with heated discussions.

House Bill No. 100, commonly referred to as the Manford Bill, has been given much newspaper publicity because it was the first labor bill introduced. It is by far the most controversial. Labor contends that the measure serves no purpose and that it is an unwarranted and punitive measure directed at legitimate labor unions that have been operating with public approval in Texas for more than fifty years. Newspaper accounts have referred to the Manford Bill as one that regulates labor unions, and for some reason left the public with the impression that it prohibits labor racketeering. The public may be surprised to learn however, that the Manford Bill does not attempt to stop strikes for higher wages or work cessations and stoppages which slow down production; that it does not attempt to prohibit job selling, closed shops, unwarranted picketing; that it will not prevent labor elections which upon a majority vote, compel all other workers to join the union against their consent; that it does not specifically

limit or place a fixed ceiling on the amount of initiation dues, fees or assessments that may be charged for union membership. Labor says that all the bill does is to surround them with a lot of red tape and other useless regulations such as business itself is so much complaining about.

Senator Ben Ramsey is the author of two bills, one of which is similar to the Manford Bill and the other specifically prohibits unlawful picketing and strikes. Another bill makes a criminal offense of job selling and for any labor union to charge higher fees and dues than were charged in the three pre-war years.

Governor Coke Stevenson continues to get up at five o'clock in the morning and is in his office at six, long before anyone else is in the Capitol. Incidentally, he is doing one thing that no other Governor of Texas has done in many years. He is reading and studying carefully every bill passed by the legislature for the purpose of discovering legal defects that would render the bills invalid. He has so far discovered some twenty-five or thirty such bills and because of this extra work, has saved the tax payers a great deal of money by avoiding useless law suits testing the validity of statutes.

"FOR MERCY'S SAKE"
By Mrs. M. C. Tull

Wartime requests for Red Cross aid to servicemen, ex-servicemen and their families in Briscoe County has more than doubled in the past two months.

The majority of requests are for assistance with communication between servicemen in combat zones, in military hospitals and their families. Other requests are for financial assistance needed to tide servicemen's families over an emergency or to meet living expenses during the waiting period before pay allotments come through. There are many requests coming through the Chapter for information needed by commanding officers in deciding questions of furloughs.

Miss Wickey of the Home Service Division of the Red Cross was here the first of the week and found this Chapter far above the

average in the handling of such cases.

Mrs. Roy McMurtry is donating a quilt she has pieced, to the Red Cross. It is to be quilted at the Red Cross Rooms a week from Thursday, April 1. We will be glad to have as many ladies as can, come and quilt that day.

The Advanced First Aid class plans to get under way the first Friday night in April—April 2nd. All those who have had Standard First Aid should take the advanced course. The classes will be two hours long for five classes, making the ten-hour advanced course.

The War Fund Drive is coming along fine. However, there are still plenty of people, especially in the rural communities, that have not been contacted. Please see your representative, if he hasn't seen you.

Several people have told me that no one has been to see them and they have their money ready and are a little hurt that they haven't been asked for it. You leaders please make an extra effort this week to see everyone. Next Wednesday is the last day of the campaign. We will go over the top—but, don't let it be said that you didn't do your part.

BAPTIST REVIVAL MAKING EXCELLENT PROGRESS

The Rev. Levi W. Price is conducting a revival meeting in the Calvary Baptist Church. The meeting began March 19 and will continue through Sunday night, March 28.

The local pastor, Arvil Richardson, states that they are having excellent singing, preaching, a good spirit and fair attendance. He welcomes all to the services.

Rev. Price, who is pastor of the First Baptist Church, Merkel, Texas announces the following subjects:

Friday night, "God and Man".
Saturday morning, "The Bible".
Saturday night, "He Lingered".
Sunday morning, "The Unrepentant Face God's Wrath" and Sunday night, "The Judgment".
Services are conducted each morning at 10:30, prayer services each evening at 8:15; and the evening worship at 8:45.

Sunday morning services will be as follows:
Sunday School 10:30 A.M.
Morning Worship 11:30 A.M.

Training Union 7:30 P.M.
Evening Worship 8:30 P.M.

CARD OF THANKS

We wish to express our sincere appreciation to everyone for their kindness and words of sympathy and for the beautiful floral offerings.

Mrs. Alice Crow and children
Mr. and Mrs. Cross McDaniel, and children,
Mr. and Mrs. H. D. Pitts and children,
Mr. and Mrs. H. S. Pitts and children,
Mr. and Mrs. Mont Young and children.

SUPPLIES AVAILABLE

Plenty of metal closures and rubber jar rings will be available for American housewives who are doing an increased amount of canning this year. The War Production Board has removed the quota restrictions on the manufacture of certain types of metal lids used to seal the jars. Prohibition of the use of zinc is continued.

Mr. and Mrs. W. E. Schott, are the proud parents of a baby boy born Sunday at the Tull Hospital. They have named him David Persons.

OPEN ON SUNDAY

We have arranged our weekly working hours so that we can remain open on Sunday for the convenience of our customers at the Conoco Service Station.

Drive in for CONOCO SERVICE!

C. OFFIELD CONOCO STATION and Junk Iron & Metal Co.

POINT RATIONING

Consider these "points" when you're hungry

1. Good food, well prepared.
2. Good food, quickly served.
3. Pleasant surroundings.
4. Reasonable prices.
5. This is where your friends eat.

AGGIE BRIEFS
Cotton Crop Insurance Sales Climbing

Reports from the State AAA Office indicate that more than 16,000 Texas farmers have already signed applications for 1943 Cotton Crop Insurance.

Offered for the second consecutive year, cotton insurance protects either 50 or 75 percent of a farm's average yield, goes into effect when the crop is planted, and protects the cotton until it is weighed in at the gin.

Premiums may be paid by signing a commodity note which calls for payment either in cotton or the cash equivalent, in deductions from loss payments or from the first AAA payment.

One of the new features of this year's program, according to Donald Cothran, state crop insurance supervisor, is a new clause which offers protection against losses "due to inability to secure machinery, labor, insecticides or fertilizer because of war conditions".

Also added to the 1943 program is the reduced premium plan, under which premiums will be reduced as much as 50 percent when the amount paid into the Corporation over a continuous period of years equals or exceeds the amount required to pay one total loss.

We urge cotton producers to consider the advantages of an insurance contract that protects against loss on all unavoidable hazards.

Don't forget—the closing date for accepting cotton crop insurance applications is April 15, 1943.

MODIFICATIONS OF SHOE RATION ORDER

Three modifications of Shoe Ration Order 17 have been authorized by OPA. They are:

1. An additional ration for "safety" shoes, used for health protection in special work, may be acquired from the local board by any person who has spent his Ration Stamp 17, even though a member of his family has an unspent stamp.

2. Sandals which can be sold ration-free have been redefined to include all sandals with an open back and a heel height of 1 1/2 inches or less, regardless of the material used in the upper.

3. Certain shoes with soles made principally of rope, wood, or other non-strategic materials may be sold ration-free, regardless of the material used in the upper.

Emmit Daniel and wife of Tulia took Sunday night supper with their father and mother, Mr. and Mrs. J. E. Daniel.

chases until April 11. The purpose of this "point holiday" is to enable storekeepers to build up a point "working capital".

IMPORTANT
The regional OPA office in Dallas has announced that farmers who do not have refrigeration facilities may sell their butter to regular consumer customers this week without violation of the freeze order on butter and other edible fats.

The consumer will not be required to give up ration stamps when buying butter from farmers selling under these conditions this week, the OPA said.

HOWARD D. CROW

Continued from front page

stroyer Escort Vessel in honor of your son, the late Ensign Howard Daniel Crow, U. S. Naval Reserves.

"The U. S. S. S. Howard D. Crow is scheduled to be launched

at the plant of the Brown Shipbuilding Company at Houston, on April 19, 1943.

"The Department would appreciate suggestions from you regarding a sponsor for this vessel when she is launched. The sponsor of Shipbuilding, U. S. N. at the plant of the Brown Shipbuilding Company will arrange with the sponsor all details connected with the launching."

Ensign Crow was a graduate of Alvarado High School and was in the service but a brief time after completing his preliminary training at naval colleges in the United States before entering active duty with the U. S. Naval forces. He visited with the Bulletin on the morning of the day that he left Alvarado for his assignment with the U. S. Navy.—Alvarado Bulletin. . . . Ensign Crow was a nephew of Carl and Stanton Crow of Silverton.

Russell Smylie of Quitaque was a Silverton visitor Monday.

SCOUTS REORGANIZE FOR COMING YEAR

O. K. Reynolds, scout field executive from the South Plains Council was here the first of the week and Monday held the reorganization meeting for the local Scout Troop. The Scouts will be sponsored during the coming year by the group of business men who formerly made up the Silverton Lions Club.

Scoutmaster for the coming year is Paul Reid; Assistant Scoutmaster is Dee McWilliams. Silverton scouts who have re-registered are:

- Clovis Hill, Senior Patrol Leader
- Paul H. Webb
- George W. Rampley
- Joe Lynn Allard
- Jerry Simpson
- Milton Clemmer
- E. J. Webb
- Donald Weast
- Sammie Malone
- Roy Sample
- Bernice McCarty
- Earl Sample
- Jack Shaffer

Plans are under way for starting a Cub Pack—for the boys between 9 and 12. D. O. Bomar will have charge of this group.

If any of you boys between 9 and 12 want to join the Cub Pack see Mr. Bomar now.

SCHOOL SCRAP DRIVE IS GOING STRONG HERE

Definite progress is being made in the drive to gather scrap by the students of the local high and grade schools here. While for the most part, the results have come mostly through the efforts of grade school students, some rumors have come from various high school classes that the older (and more cunning) students were just biding their time in order to come in at the last with scrap in such amounts as to completely eclipse anything done by the students from the grades. This may be just a rumor and nothing more, but it still persists.

One of the reasons why better success has not been attained is the matter of transportation. The members of the Senior class have worked out a plan whereby, if those who have scrap will collect it at their home and notify the

school of its location and amount, the boys will arrange to pick it up by means of tractors and trailers within the very near future.

The following are the leaders in the campaign:
Don Bomar, 4th grade, 1585 lbs.
Robert Isbell, 8th grade, 1450 lbs.
Beth Joiner, 5th grade, 845 lbs.
Ray Tiner, 6-B, 715 lbs.
Sam Gordon Lusk, 2nd grade, 330 lbs.
Mary E. Wilborn, 7th grade, 300 lbs.
Jack Davis, 6-B, 300 lbs.
Teddy Jack Mayfield, 1st grade, 208 lbs.
Billy Wayne Garvin, 3rd grade, 140 lbs.

Successful Bonds Campaign

The students have also been taking part in the United States Treasury's campaign for buying bonds and stamps with the purpose of enough sales to purchase an Army jeep which costs \$900. Mr. McCarty, superintendent reports that to date students have already bought over \$1200 worth of bonds and stamps and so are now working on their second jeep. They have raised their goal now to three jeeps during the campaign, which is scheduled to close April 16.

THE STATE OF TEXAS

To:
Lewis J. Seale, Mary Seale, Grace Seale, Susan E. Seale, D. W. Seale, Nancy Seale, Minnie Hawthorne, Eliza Kempner, and if married, their respective husbands; if deceased, then their unknown heirs and all legal representatives of defendants; and A. M. Burden, and all unknown owners and claimants of the land and premises herein described and all of their unknown heirs, and all unknown claimants and legal representatives, Defendants, GREETING:

You are hereby commanded to appear before the Honorable District Court of Briscoe County at the County Court House thereof, in Silverton, Texas, at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 3rd day of May, A. D. 1943, then and there to answer Plaintiff's Petition filed in said Court on the 27th day of February, A. D. 1943, in this cause, numbered 1205 on the docket of said court and styled
May L. Russell, et al, Plaintiffs,
vs.
William Seale, et al, Defendants

A brief statement of the nature of this suit is as follows, to-wit: Suit is trespass to try title to remove cloud from title to said land and for damages, filed February 27, 1943, suit No. 1205 in the District Court of Briscoe County, Texas by Mary L. Russell joined by her husband, J. N. Russell, plaintiffs in said suit, complaining of William Seale, Ruth Seale, Lewis J. Seale, Mary Seale, Grace Seale, Susan E. Seale, D. W. Seale, Nancy Seale, Minnie Hawthorne, Eliza Kempner, Otis Tidwell, Elsie Cornett and husband Omer Cornett, Fay Dean Bingham, and husband J. Freeland Bingham, J. W. Tidwell, A. M. Burden, Federal Farm Mortgage Corporation, Land Bank Commissioner, and if married, of the husbands of the above-named females, and if deceased of their unknown heirs; and of all legal representatives of the above named defendants and of all unknown owners and claimants of said land and premises: Said petition alleging that on the 1st day of December A. D. 1942 plaintiffs

were lawfully seized and possessed of the following described land and premises lying and being situated in the County of Briscoe and State of Texas: The North 150 acres of the Northeast one-fourth (1/4) of Section No. 21, in Block B-1, certificate No. 1-733, issued to B. S. & F. grantees, Abstract No. 65, described by metes and bounds as follows:

Beginning at the Northeast corner of said Section 21, for the NE corner of this tract;

Thence west 950.4 varas to a point in the North line of said Section No. 21, for the NW corner of this tract;

Thence south 891.3 varas to a point for the Southwest corner of this tract;

Thence East 950.4 varas to a point in the East line of said Section No. 21 for the SE corner of this tract;

Thence North 891.3 varas to the place of beginning, containing 150 acres of land.

Plaintiffs claim above described land in fee simple title. That on or about the day and year aforesaid, the above named defendants unlawfully entered upon said premises and ejected plaintiffs therefrom and unlawfully withheld from them the possession thereof, to plaintiffs' damage in the sum of three thousand dollars.

Plaintiffs plead the Statute of Limitations and claim that they and their grantors through whom they claim title have had peaceable possession under title from the State of Texas, of the lands described in their petition for more than three years, before filing their petition in this suit.

Plaintiffs claim that they and those under whom they claim title have held the same under deeds duly recorded and have held peaceable, adverse possession of said lands for more than five years before filing this petition.

Plaintiffs would show unto the court that they have a good and perfect title to said lands and premises as above described by metes and bounds and they have held the same in peaceable, continuous possession, cultivating, using and enjoying the same for a period of more than ten years before the filing of this petition herein and this, plaintiffs are ready to verify.

Plaintiffs say that they have a good and perfect title to said land and that they and those under whom they claim have held peaceable, adverse possession of said land for a period of twenty-five years prior to the filing of this suit under deeds duly recorded in the deed records of Briscoe County, Texas.

Together-

WE'LL GET YOUR FARM WORK DONE!

War makes your farm equipment almost priceless. With help hard to get and new equipment scarce, you have to rely on your tractor and tools to get the big job done. And you can rely on us to put your tractor and tools in A-1 shape and keep them that way. This is work we know how to do because farm equipment is our business.

Our shop is loaded with work. It's going to get worse. But we'll take care of your repairs on the dates you set if you'll give us advance notice.

We're set up now to schedule your service work. We'll do it RIGHT with factory standard methods and genuine IHC parts. Stop in and say when!

Your McCormick-Deering dealer . . .

Tull Implement Co.
Silverton Telephone 36

Wherefore plaintiffs pray the court that defendant be cited to appear and answer this petition, and that plaintiffs have judgment for the title and possession of the above described land and premises for removal of all clouds from title for writ of restitution, for rents, damages, for costs of suit, for general and special relief as is more fully shown by Plaintiff's Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs. Issued and given under my hand and the Seal of said Court, at the office in Silverton, Texas, this 17th day of March, A. D. 1943.
Attest:
(SEAL) J. E. ARNOLD, Clerk
District Court, Briscoe County, Texas

What Time Is It?

It's Time To Buy Your '43 License Tabs

The new 1943 License Tabs must be on all cars by midnight of April 1st, 1943, or owners will be subject to a fine and must pay a penalty for not buying their plates on time.

The new plates are simply little tabs that clamp on your old tags, so please take care of your old license plates. This is a move to conserve material.

Highway officers are instructed to arrest those who have not properly equipped their cars or trucks with the renewal tags.

License tags are now on sale and may be placed on your cars immediately. You may obtain them at the office of N. R. Honea. License tags must be bought in the county where you live.

New drivers must secure and carry a drivers license. They may be secured through examinations which are given by State Highway Patrolmen.

And while I'm thinking of it, don't forget to contribute liberally to the Red Cross War Fund Campaign.

JAKE HONEA

Let's Not Call It Food RATIONING . . . But . . . "FOOD SHARING"

Of course none of us wanted this food rationing business; we have nobody but a couple of birds, by the name of Adolph and Hirohito to blame for it. But it's here and we are all going to make the best of it. Let's not call it rationing . . . let's call it sharing our food with our fighting boys and our Allies.

Some foods are frozen this week but we still have plenty we can sell you. Let us help you with your grocery buying.

Cowart Grocery
