### Plainview 4-H Boys Watch for Outstanding Work

Two Texas 4-H Club boys, Duane Boenig of Converse, Bexar county and Floyd Terrell of Plainview, will receive engraved gold watches as awards for their outstanding demonstrations. J. W. Pitts, state boys club leader of the Texas A. & M. College extension service, has announced. Boenig, a perennial winner at Texas livestock shows and a recognized swine breeder, won the Thomas E. Wilson meat animal contest. In addition to his watch, he is still eligible to receive a trip to the National 4-H congress in Chicago December 1-5 or a 100 college scholarship in seasonal and national contests now being judged. Floyd Terrell, as the state winner of the 4-H home grounds beautification contest sponsored by Mrs. Charles R. Waigreen of Chicago, is also being considered for one of eight national awards consisting of a trip to the 4-H club congress.

Mr. and Mrs. Ernest Dickerson took their son, Dennis Raye, to Amarillo Monday for a check-up at the Northwest Texas hospital.

### Man Has 500 Marriages to His Credit

With 500 marriages to his credit, Ed Brimberry, former army chaplain who is now a graduate ministerial student in Brite College of the Bible, TCU, remembers one day back in Roswell, N. M., when things got a little out of hand.

That day, seven newly commissioned lieutenants and their brides appeared to be married. The strain was not too great on the chaplain, but his wife became hoarse supplying all the singing. With photography as his hobby, Brimberry has pictures of all the couples he has married. He performed two trans-Pacific weddings by radio-telephone.

His authoritative observation, based on his experience in 500 weddings: "The bride glories in it; the groom wants to get it over. So the girl is usually calm, the man very nervous!"

### Resolution Passed To Sponsor "Living Memorial"

Through the roadside council, the Texas Highway department is sponsoring a special program whereby each county will adopt a particular flowering shrub or tree to be planted as a "Living Memorial" to those persons who served in World War II. Each individual has been asked to plant the selected shrub or tree in his yard as well as in all public parks and around public buildings.

The "Living Memorial" program, endorsed by the Governor; Texas Legislature; Federation of Women's Clubs; Texas Garden Clubs, Inc.; Department of Education; Governor's Postwar Committee and American Legion, is a people's program. It gives every citizen an opportunity to show his respect and appreciation for the achievements of the members of the armed forces. By carrying out this program, the entire state will undergo a unified improvement and beautification plan.

## Snow and Cold Weather Visit Here during Week

### Antarctic Cachet Planned By Navy

A distinctive commemorative cachet for letters mailed from the flagship of the Navy's 1947 Antarctic Expedition has been planned by philatelists, Eighth Naval District headquarters announced here today.

The USS Mount Olympus, flagship of Task Force 68 of the U. S. Atlantic Fleet, will be moored near a temporary base to be established under Rear Admiral Richard E. Byrd, USN, in the vicinity of Little America.

Collectors desiring to have covers mailed must forward self-addressed stamped envelopes to the USS Mount Olympus, Staff Secretary, Commander, Task Force 68, in care of the Fleet Post Office, New York, by December 1.

Three cents postage is required and envelopes will be limited to ten per person. A clear space three inches to the left of the address must be allowed for the cachet. Cancelled envelopes will be returned from Little America aboard ship and mailed upon reaching a United States port.

### SWING OF THE SOUTHWEST FARM MARKETS

Cattle led the gradual upward swing of prices for sheep, eggs, peanuts, wheat and barley at southwest markets last week, according to USDA's production and marketing administration. However, cotton took another tumble, turkeys and sorghums dropped sharply and hogs declined. Other products remained about steady.

Last week saw turkeys drop to a level below that of last year at this time as demand continued to drag. Prices ranged from 23 to 25 cents per pound for young toms. Young hens held a stronger position at about 10 cents per pound higher. Demand strengthened for good fat hens at 22 to 25 cents per pound. Fryers moved fairly well at 37 to 40 cents per pound. Also, eggs went up under increased holiday demand for light supplies. Current receipts were quoted from 42 to 45 cents per dozen depending on the market.

Cotton dropped below 30 cents per pound at some markets last week for the first time since the mid-October collapse. However, activity increased and demand was strong.

Moderate offerings of Colorado onions and potatoes moved slowly at dull to slightly weaker prices last week. Also, south Texas citrus and vegetables met with slower demand than the previous week. Tomato prices were off about 50 cents per crate from Monday. Grapefruit prices were lower too but peppers and oranges held about steady. Louisiana and Texas sweet potatoes remained firm.

Southwest peanut harvesting was nearly over last week. Prices received by growers for farmers' stock peanuts ranged from the CCC support schedule to \$15 per ton higher.

OPA raised the maximum prices of milled head rice 70 to 85 cents per hundred pounds recently, which seemed to increase demand and movement.

Wheat and barley gained about a penny a bushel last week, oats and white corn remained about steady, but yellow corn moved downward and sorghums lost about 20 cents a hundred. Feeds continued mostly easy with further declines in shorts and oilseed meals.

Demand for domestic wool was still limited to filling in orders in the process of manufacture. Sales of Texas wools consisted largely of scoured descriptions and some lots of grease wool. Nearly all fall Texas Mohair was sold. Prices were 62 to 63 cents for adult mohair and 72 to 73 cents for yearling hair.

Southwest sheep and lamb

See FARM MARKET—Page 8

Starting Sunday afternoon, in the form of a 42-mile-an-hour gale, citizens of this section witnessed their first taste of old man Winter on Monday of this week when a strong north wind lowered temperatures near the freezing mark.

Temperatures started falling in the early hours of the morning Monday accompanied by strong winds from the North, which brought snow about 1:00 p.m. Flakes fell rather spasmodically for some two hours until the high winds ceased blowing and the sun came out. Moisture, as a result of the snow, measured .04 of an inch, Ray Bomar, operator of the Federal Weather Bureau station, reported.

Temperatures went lowest Monday night when 20 degrees was recorded by Mr. Bomar. This is the lowest figure recorded here to date, it being 5 degrees lower than Amarillo's figure for Monday night.

Tuesday morning all traces of the norther had vanished and temperatures began rising early in the morning. At noon all traces of ice were gone and temperatures were estimated as being in the latter 50's.

### Vets' Hall to be Scene of Dance Friday Night

The Mel-o-dy Queens, an orchestra known throughout the Midwest, will be in Silverton Friday night where they will furnish music for another big dance at the Veteran's Hall, it was reported this week by Garner M. Guest, Commander of the local Veterans of Foreign Wars Post.

The dance, which is sponsored jointly by the American Legion and Veterans of Foreign Wars, is to begin about 8:30 p.m. and continue until 12:30 a.m. and the proceeds from which are to be used in the repairing of the Vets Hall. The same orchestra that will play Friday night, furnished the music for the dance last week and the crowd attending last week liked the music immensely. In view of this, record crowds are expected to be on hand when festivities start Friday night.

### Magnolia Station Gets New Paint Job During Week

The Magnolia Service Station, of which Claude Grimes is the manager, is being repainted this week, it will be noted by their customers and the passers-by. Recently, the company added new pumps to the station and according to Claude, "The place is really getting fixed up pretty."

### SGT. BRICE KOLB BURIED IN SULPHUR SPRINGS CEMETERY

Sgt. Brice Kolb, son of Mrs. P. E. Kolb, was killed in a motorcycle accident November 11 at 4:45, while on active duty in the U. S. Army at Victorville, California.

The body was shipped to Sulphur Springs, Texas, where his mother now lives, and was laid to rest in the Sulphur Springs cemetery November 17.

The Kolbs are former Silverton residents. Brice was a grandson of Mr. and Mrs. J. L. Waters, who are also former Silverton residents.

## Many Students On Schools Honor Roll

Fifty-five students were placed on the honor roll of the Silverton schools last six weeks, Wm. F. Talley, Superintendent of schools, said here this week.

Only two grades failed to have students on the roll, one being the First grade and the other the Eleventh.

The following is the list of students by grades, as reported.

**First Grade**

Due to this being the first six weeks of school, no first graders were on the honor roll.

**Second Grade**

Gay Lynn Callaway, Gerald Dee Garvin, Evelyn Jones, La Juan Henderson, Loubell McMurtry, Don Thomas, Gwelyn Paige, Carlye Monroe.

**Third Grade**

Betty Lu Ballard, Karen Copeland, Clayton Dale Elkins, Victor Fogerson, Ina Lou Grabbe, Patricia Jackson, Ronald Dale Kitchens, Linda Beth McDaniel, Ruth Nix, Mike Reid and Jo Ann Rowland.

**Fourth Grade**

Virginia Ellen Garrison, Sidney Wayne Marshall, James May, Leonard Perkins, Tommieleen Miller, Betty Joyce Fitzgerald, Charles Wayne Mayfield, G. W. Chappell, Don Ledbetter and Joni Joan Douglas.

**Fifth Grade**

Faith Smithee and Ann Brown.

**Sixth Grade**

Sam Lusk, Kay Steele, Barbara Nix, Mary Faith McMurtry and Sandra Mallow.

**Eighth Grade**

Vonna Wood, Betty Jo Bingham, Gaylia Bomar, Lanelle Copeland, Pat Northcutt, Donald Bean, Duane Lemons and John Francis.

**Ninth Grade**

Da Juan Strickland, Mona Brock, Joan Clemmer, Marian Arnold, Wanda Garvin and Donald Paige.

**Tenth Grade**

Joye Belle Deavenport, La Rue Gilkeyson and Jett Mason.

**Twelfth Grade**

Modine Yates and Jack Paige.

### Community Singing To Be At M. E. Church Sunday

A community singing will be held Sunday afternoon at 3:00 o'clock in the Methodist church, it was reported to the News this week.

Everyone is extended a cordial invitation to attend the singing and enjoy the fellowship of the occasion.

### Christian Scientist Church to Sponsor Programs Thursday

Thanksgiving Day services are held each year by The Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts, and its branches throughout the world. The order of service includes the reading of a Lesson-Sermon on the topic of "Thanksgiving", and opportunity is afforded for testimonies of gratitude to be expressed appropriate to the occasion. The public is cordially invited to attend these services.

The Golden Text is: "Let the peace of God rule in your hearts, to the which also ye are called in one body; and be ye thankful" (Colossians 3:15).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Let all those that seek thee rejoice and be glad in thee: and let such as love thy salvation say continually, Let God be magnified" (Psalms 70:4).

## PERSONAL ITEMS OF LOCAL INTEREST

Mr. and Mrs. R. E. Douglas of Lubbock were visiting with relatives and friends in Silverton Saturday.

Miss Eunice Cox spent four days in Amarillo recently.

Mesdames Pat Pavlicek and Roy Thomas visited in Bomarton with Pat Pavlicek Sunday.

Mr. and Mrs. W. A. Holt are spending several days in Dallas on business.

Mrs. Odell Wall and daughter, Karen, of Hale spent Wednesday with Mr. and Mrs. Jessie Hill.

Mr. and Mrs. O. C. Maples were Borger visitors Sunday.

Mr. and Mrs. Murry Hefner of Lubbock visited with Mr. and Mrs. C. C. Garrison Sunday afternoon.

Mr. and Mrs. Edd Thomas visited recently with his brother, Warner Thomas, who is ill in the Lubbock hospital.

Mrs. Frances Christopher of Los Angeles, California, arrived last Saturday for an extended visit with relatives and friends in Silverton.

Mr. and Mrs. Johnnie Lanham and daughters left Wednesday for Wynona, Oklahoma, to spend Thanksgiving with her sister, Mrs. T. B. Keele.

Mrs. Steele Sams has returned home after spending several weeks visiting in Plainview.

Mr. and Mrs. Ray C. Bomar visited with Mrs. Dick Bomar at the Plainview hospital Sunday. Mrs. Bomar underwent major surgery Saturday afternoon. She is reported to be doing fine.

Mr. and Mrs. E. L. Gardner were in Plainview Friday on business.

Mrs. Pearl Simpson of Vigo Park spent the weekend in Silverton with relatives and friends.

Clayton Bond of South Plains, who underwent major surgery in the St. Joe hospital at Ft. Worth Friday, is reported to be doing fine.

Mrs. Mary Daniels of Plainview visited her daughter, Mrs. Clarence Anderson, and family recently.

Mr. and Mrs. Arthur McJimsey spent the weekend visiting with Mr. and Mrs. John Crum in Dimmitt.

Mr. and Mrs. Shaf Tipton and son were Sunday guests of Mr. and Mrs. Luther McJimsey.

Mr. and Mrs. Ray C. Bomar were in Lubbock recently to visit with Mrs. Bomar's sister, Mrs. Carl Hawkins, and small daughter, Penny Ray, at the West Texas hospital.

H. M. Kirklund of Bronte was a visitor in the home of Mr. and Mrs. J. W. McCracken recently.

Mrs. J. W. McCracken and Mr. and Mrs. W. G. Byrd are visiting relatives and friends in Bronte and Robert Lee.

Mr. and Mrs. C. P. Cox, Mr. and Mrs. E. H. Cox of Amarillo, Mrs. C. K. Bryan, Ruthie and Rebecca of St. Charles, Missouri, were guests of Eddie and Eunice Cox Tuesday and Wednesday.

Mrs. Clayton Bond and son, Victor, of South Plains, spent Sunday with her parents, Mr. and Mrs. R. M. Haverly.

Mr. and Mrs. Leon Phillips of Shreveport, Louisiana, arrived Friday to visit with Mr. and Mrs. D. T. Northcutt and Mr. and Mrs. Kemp Thompson.

Mrs. Ted Winn and son, Lowell, of Phoenix, Arizona, arrived Thursday to visit with her brother, James Patton, and family.

Mr. and Mrs. Jeff Burson are visiting with their daughter, Mrs. Shelby Haynes. Mr. Haynes and Shirley.

Bob Gray, band director of the Tullia schools was visiting with Mr. and Mrs. W. F. Talley Saturday.

Captain and Mrs. Edward R. Messing of Port Washington, Long Island, N. Y., were Sunday guests of Mr. and Mrs. Perry Thomas and Mrs. D. W. Mayfield.

### Remedy With People . . .

Editor E. T. Leach of the Pittsburg Press, a Scripps-Howard newspaper, says the public "has been kicked around, fought over, punished and persecuted. It has been deprived of essential services and goods. It has been inconvenienced by sudden stoppages of vital facilities. It has lost wages and profits and savings through disputes in which it had no part and against which it had no safeguards.

"The constitutional guarantees of justice, domestic tranquility and general welfare have been made a mockery. Government has surrendered and groveled, trying to appease reckless men who put themselves above laws and elect officials.

"We have had strikes against the public and the government, strikes against employers and strikes against rival unions, strikes against contracts, strikes against official awards, and untold thousands of strikes so obscure and trivial in origin that nobody ever quite knew what they were about . . .

"And what can we, the people, do about it?

"Something, surely, for under our government all strength lies in the people . . .

"The basic solution for our troubles is in the national legislature—a policy of putting public welfare above preferential treatment of any group."

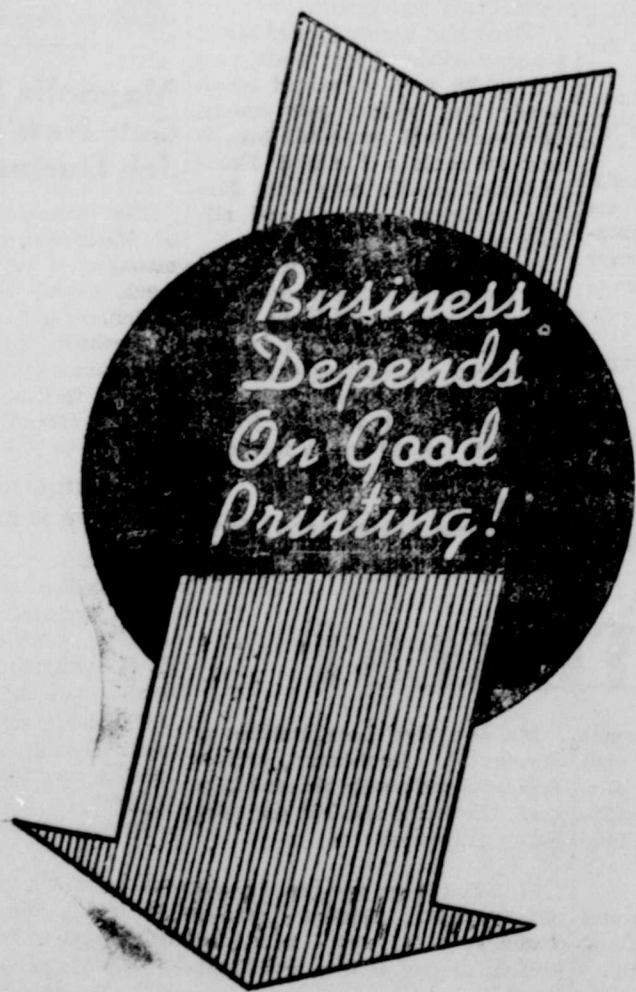

### Responsive To Our Needs . . .

Government ownership is often urged as the remedy for all our real or imagined economic ills. But, in practice, socialized industry seems to have a habit of falling far short of the rosy dreams held out by its starry-eyed advocates. A good example of that can be found along the Oregon Coast where some years ago a People's Utility District (PUD) took over the facilities of the private utility that had long served the area.

Since this PUD came in, the principal change has been an almost unbelievable decline in the standards of electric service. Complete stoppages are frequent. Stringent rules cover the use of electricity and the hook-up of appliances. This is quite a change from the old days when the private utility automatically provided all the juice desired when and where wanted, under strict public regulation from which the PUD was exempted.

As a result, communities which joined the PUD believing they would get plenty of power for practically nothing are now looking at it with jaundiced eye. The city council of one of the larger towns in the region recently passed unanimously a resolution to get out of the PUD and set up a municipal plant. Another of the larger towns has long been restive and is looking for a way out. And in the meantime, the consumer gets a kind of power service that would immediately bring the toughest possible crackdown from public service commissions if it were provided by a regulated, private company.

What this all adds up to is that socialism produces nothing of itself—except, as a rule, political bungling, red tape, and waste. Only private enterprise is responsive to the needs and desires of the people. That goes for power service—and it goes for all other kinds of business as well.

### How to Use the Less Tender Cuts of Venison

Whether or not Briscoe county has a few lucky deer hunters remains to be seen, however, Edith Lawrence, specialist in food preparation for the Texas A. and M. college extension service, has offered the wives of successful deer hunters valuable information in the using of less tender cuts of venison. For those who are troubled as to the usage of the less tender cuts, Edith suggests venison sausage with its variety of uses as a solution.

The shoulder, neck and lower portion of the ribs when boned make good sausage, says Miss Lawrence. Here are the directions:

Grind the meat, using three parts deer meat to one part of fresh pork fat. If a drier sausage is preferred, use four parts deer meat and one part of pork fat. Season with one and one-third cups of salt and three-fourths of a cup of black pepper to 50 pounds of meat. About three-eighths of a cup of sage may be added to the seasoning mixture, according to taste. (Three-eighths of a cup equals one-fourth of a cup plus two tablespoons.)

If the sausage is to be kept for some time, stuff it in a casing of muslin bag, Miss Lawrence suggests. She adds that the sausage may be smoked, depending on

family preferences.

Ground venison may be used as any other ground meat . . . In meat loaf, with spaghetti or in chili, for instance. Sometimes even the choice cuts from an old animal prove difficult to cook tender, and in this event they should be ground. In addition to adding seasoning, add some fat, too, the specialist advises, for venison usually contains insufficient fat. That is sometimes a reason it remains tough after long cooking.

Deer season east of the Pecos River is from November 16 to December 31. West of the Pecos is November 19 to November 24.

Mrs. W. T. Davis was taken to the Plainview hospital Saturday, where she will receive medical treatment.

Lee Deavenport was a business visitor in Amarillo Thursday of last week.

Mrs. C. L. Cowart of Ralls, a former Silverton resident, celebrated her 71st birthday Sunday. Mr. and Mrs. Charles Cowart and children attended the celebration.

Mr. and Mrs. John Mallett of Amarillo visited with her parents, Mr. and Mrs. F. S. Wanser, Sunday.

Andrew Edwards of Lubbock was a weekend guest of his daughter, Juanita Edwards.

### A New Twist to Make Apple Pies Even Better

While the luscious fall apples are plentiful, the traditional favorite of American desserts, Apple Pie, is likely to be on the menu frequently. Perhaps "you think that "just plain apple pie" is a dish you can't improve upon; but here's a new wrinkle that produces a pie even better than most apple pies! The change is a slight one, merely the addition of a little bran to the pastry for the pie crust. Why not try it once, and see if it doesn't make a hit with the man of the family?

#### Apple Pie with Bran Crust

2 cups sifted flour  
1 1/4 teaspoons salt  
1/4 cup shredded bran  
2-3 cup lard  
3 to 6 tablespoons cold water

Sift flour with salt. Roll bran and combine with flour. Cut lard into mixture until crumbs are coarse and granular. Add water, a small amount at a time, mixing quickly and evenly through flour mixture until dough just holds in a ball.

Divide dough into two parts. Roll one-half on lightly floured cloth or board, to 1/8-inch thickness. Line pie pan, allowing 1/2 inch to hang over edge. Fill with apple mixture. Roll remaining pastry, making several gashes to allow escape of steam, and place over filling. Allow top crust to overlap lower crust 1/2 inch. Moisten lower edge to seal, and fold top crust under the lower. Crimp edges. Bake in hot oven (425 degrees F.) for 35 minutes or until apples are done.

#### Filling

5 cups sliced apples

2 tablespoons butter or margarine

Combine all ingredients except butter. Fill pastry-lined pie pan and dot with butter.

A mining city in the Ural Mountains area has been named Molotov in honor of the Soviet Foreign Minister.

Billiards, in a variety of games, is played today by an estimated 10,000,000 people.

Francisco, Jr., of Houston, chairman of the Texas chapter Sister Kenny Infantile Paralysis foundation

Chairman Francisco has announced the Texas quota as \$150,000. These funds will be used in training technicians, and building up a fund which will be used in establishing a Kenny clinic in Texas where the Kenny method of treating polio, the most successful yet known, will be available to all victims.

The picture, "Sister Kenny", in which Rosalind Russell plays the role of the famous Australian Nurse, will be shown in more than fifty Texas towns during the first week in December.

### Dept. of Internal Revenue Seems to Be Doing Good

Federal internal revenue collections in Texas totaled \$58,469,523 in October, showing a decrease of 5.5 per cent from October 1945, the University of Texas Bureau of Business Research reports.

For the first four months of the present fiscal year collections amounted to \$289,479,282, a decline of 5 per cent compared with the same period last year.

Mr. and Mrs. Bob Anderson of Tulia were Tuesday guests of Herman Ely.

According to painstaking estimate by the Dutch astronomer Kapteyn, there are about 40 billion stars in the single galaxy system of which the earth is a part.

SOMETIMES it seems like walking a tight rope—trying to have a reasonable amount of fun out of life and still put by a little for a rainy day.  
If you're tired of this constant Balancing Act... tired of the effort and worry that goes with it, take a breather for a minute and listen to this:  
The best way to eliminate all your cares and anxieties about money is to save.  
The best way to save painlessly is through your Payroll Savings Plan.  
There's no safer, wiser, easier way to build that backlog of security which makes life really worth living—and—just as our War Bonds did—the Savings Bonds you get through Payroll Savings pay you handsomely: \$4 for every \$3 in ten short years.  
When your country asked for your money you bought War Bonds and plenty of them. When you ask yourself where your money goes—be able to answer, "Into the best investment in the world—U. S. Savings Bonds!"

personal use. The sale will last three days—but the supply will go fast, according to Harold S. Gish, chief of the Veterans division of WAA, who states applications for typewriters have flooded the Fort Worth WAA for the past few days.

Uncle Sam is fixing to tuck another large amount of jeeps, sedans, pickups and carryalls in the Christmas stockings of numerous West Texas veterans. WAA will conduct a sale of vehicles at Sheppard Field, Wichita Falls, Friday, December 6th. Only certified veterans are eligible to purchase. Inspection at several locations in West Texas where the vehicles are located can be made daily, except Saturday and Sunday, from November 29 through December 5th. A portion of the vehicles are offered at fixed prices—the remainder to go to the highest bidder.

A military device for scrambling enemy radio messages will soon make an appearance on farmer's henhouses. The device is the Ferracourt clock, a key-wound mechanism operating electrical contacts. A wholesaler recently bought up these surplus clocks from WAA, and they will be sold to farmers for use in chicken houses. The clock will turn on the lights several hours before dawn and keep lights burning long after the sun goes down. The object being to keep winter egg production on a par with that of summer. Thus, an invention the army used to scramble communications will help provide eggs for Americans to scramble.

December 2 through December 20, WAA announced. Thousands of farmers will find the solution to their storage problem caused by shortages of protective covering for their stocks of grain and feed. Fort Worth WAA still has \$511,174 worth of pyramidal tents, tent shelter halves, and tent flys to be sold in lot quantities to priority groups and commercial trade channels. Interested parties should contact WAA, T & P Bldg., Fort Worth.

In keeping with the nationally announced "master plan" of WAA to accomplish the maximum of disposals in meeting established target dates and liquidating October 1 inventories not later than January 1st, WAA instituted a new working schedule calling for 5 1/2 days effective immediately.

**Veterans' News**

More than 13,000 veterans training in Texas, Louisiana and Mississippi are currently suspended from Veterans administration subsistence rolls for failure to report their earnings.

Subsistence checks ordinarily mailed to these veterans the first of every month will be held up until the required report is submitted to the proper VA regional office, VA officials said.

Both veterans in training and educational status must report their earnings from productive labor for the months of August, September and October.

Forms have been mailed to all veterans on the suspended list, but if these have been misplaced, the report on earnings can be made in a letter over the veteran's signature.

Under legislation passed last summer, veterans' payments and earnings are limited to a total of \$175 monthly for those without dependents and to \$200 monthly for those with dependents. In the event those figures are exceeded, the subsistence allowances must be reduced accordingly.

VA officials believe most of the reductions will be made in allowances to veterans taking on-the-job training. It is believed that only a few veterans in educational status will be affected.

The Veterans Administration has obtained an additional 1,600,000 books from the United States Armed Forces Institute to add to the 600,000 other surplus books still available to schools and colleges for their veteran-students. VA announced this week.

The USAFI list contains 196 different titles and includes standard cloth-bound texts, paper-bound volumes and self-teaching texts. Mathematics, literature, foreign languages, science, history

and business are among the many subjects included.

Library of Congress is distributing the books. VA pays the library for its handling and pays the school for handling costs for books distributed. Only veteran students can obtain the surplus volumes.

The library of Congress cannot send books direct to veterans. VA requests that veterans inquire only through school officials, or, in the case of job trainees, through VA training officers.

**Rotenone Proves to Be Best Treatment For Cattle Grubs**

Rotenone is proving to be a sure-fire treatment for cattle grubs in West Texas.

With 10 pounds of rotenone-sulphur dust, F. J. Jenkins, Edwards county ranchman, got rid of practically all the grubs on 55 head of beef cattle that were badly infested last fall. Edwards county agricultural agent A. A. Storey, Jr., reports that Jenkins' grub treatment was done at a cost of only \$7.50. Running the cattle through a chute, he brushed the rotenone-sulphur dust into the loins and backs of the animals with a wire brush. Prior to the treatment, which was given last fall, every animal in the herd of 55 had from forty to fifty grubs. A recent check-up by Jenkins and the county agent showed only nine of the animals carrying grubs, and these were only slightly infested.

Jenkins is convinced, says Storey, that Texas ranchmen can eventually rid their cattle of grubs and heel flies by giving regular rotenone treatments each fall.

The first hospital in what is now the United States was founded in 1612 at Henricopolis in the Colony of Virginia. It was known as "Mount Malady, a guest house for sick people."

**If you have a boy, take up his hobby NOW!**

Parent-Teacher Associations, psychologists and child guidance clinics agree on one thing. If a boy takes up a hobby, and his father follows in his son's footsteps, both will profit from their experiences. Each will find himself more anxious to please the other and a life-long partnership of confidence, trust and love will follow.

Most fathers are busy men; but no father can be too busy to neglect the most important single thing in his life—the building of a fellowship with his sons and daughters. If your youngster has a hobby—building a ship, engine, auto or airplane models; collecting stamps; raising pigeons; or anything else, ask him to teach you what he learns. You'll never have to worry about juvenile delinquency if you make a hobby out of your boy's hobby.

### North Ward Club Meets in Home of Mrs. Herbert Brown

The North Ward Club met with Mrs. Herbert Brown in her home Wednesday, November 20. Each member brought a covered dish for the noon meal. Eight members, Mesdames Bill Edwards, Floyd Wood, M. M. Edwards, George Neatherlin, Shorty Hartman, Arthur Arnold, Winston Hamilton and the hostess, were present. There was one visitor, Mrs. Pete Chitty. The next meeting will be with Mrs. M. M. Edwards December 4.

### Two Are Honored With Birthday Dinner

Mrs. W. G. Byrd entertained with a birthday dinner at her home Sunday honoring her husband and her daughter, Mrs. J. W. McCracken. Those present were Mr. and Mrs. R. B. Byrd and two daughters, Vendell and Vesta, of Way-side; Mr. and Mrs. J. W. Byrd of Happy; Lorena Boston and Mrs. Swihort of Happy; Mr. and Mrs. Wayne McCutchen and two daughters Waynell and Joy Ann, of Silverton; J. W. McCracken; the honorees and the hostess.

### Mrs. Willie Wood Honored with Shower

High lighting recent social affairs was a tea and miscellaneous shower last Saturday afternoon in the home of Mrs. George Seaney honoring Mrs. Willie Wood. Mrs. Seaney was assisted by Mesdames Arthur Arnold, Clyde Lightsey, Winston Hamilton, Milton Dudley and Gabe Garrison. Guests were greeted by Mrs. Lightsey and presented to the honoree, Mrs. Claude Grimes, Mrs. Floyd Wood, Mrs. Gene Long and Mrs. John McCloud. Red roses were used for decorations throughout the reception rooms. Crystal and silver appointments were used on the attractive serving table, which was laid with a lace cloth and centered with lighted tapers. Mrs. Winston Hamilton presided at the silver service and Mrs. Pascal Garrison served individual cakes. Mrs. Darwin Long presided at the bride's book, in which 50 guests registered.

Mr. and Mrs. John Huber of Crane are visiting in the home of her sister, Mrs. Ralph Garvin, and family. Mrs. Earl Simpson, who has been in the Plainview hospital, returned home the first of this week and is reported to be doing fine.

Mrs. Ambrose Turner of Rowell, N. M., visited with Mr. and Mrs. Jeff Simpson and other relatives recently. Mr. and Mrs. J. W. Brannon, Jr., of Meadow were Silverton visitors Saturday and Sunday. Subscription out? Subscribe now!

### Couple Celebrate 64th Wedding Anniversary

Mr. and Mrs. M. C. Potter celebrated their 64th wedding anniversary last Sunday, November 24, with a Thanksgiving turkey dinner for the following children: Mr. and Mrs. Bert Hawkins of Quitaque, Mr. and Mrs. S. F. Conner of Floydada, Mr. and Mrs. N. R. Honea of Silverton, Mr. and Mrs. M. M. Potter of Wichita, Kansas, Mr. and Mrs. O. B. Hefner of Crosbyton. Grandchildren present were Mr. and Mrs. Fred Craig of Quitaque, Mr. and Mrs. Potter Craig of Las Vegas, New Mexico, Mr. and Mrs. Joe Hefner of Lubbock, Mr. and Mrs. O. B. Haught of Lubbock, Mr. and Mrs. Jeff Sautler of Phillips, Johnnie Bell Potter of Wichita, Kansas; great grandchildren present were Troy Mask, Rochelle and Preston Craig, Tommie Craig, W. E. Hawkins and Gay Haught. Mrs. Emma Frieze of Silverton was also a guest at the dinner.

Mrs. R. E. Sweek and children spent Sunday and Monday in Plainview with Mrs. Norman Loftes. Mr. and Mrs. M. J. O'Neal had as Sunday guests Mr. and Mrs. D. L. McMeilen and son, Tom Dick, of Vigo Park.

Mr. and Mrs. Mac McKenney of Amarillo are visiting with relatives and friends here this week. Office Supplies at the News.

### Mrs. J. A. Zeigler Honored With Birthday Dinner

A number of persons entertained with a surprise covered dish luncheon honoring Mrs. J. A. Zeigler's birthday Sunday. The group gathered at her home south of Silverton. Mrs. Zeigler received many nice gifts. Those present were Mr. and Mrs. Dave Zeigler, Mr. and Mrs. Eck Zeigler and daughters, Mr. and Mrs. C. L. Whitehead, Mr. and Mrs. Dickey George and son of Tulia, Mr. and Mrs. Lawrence McCain and Mr. and Mrs. Barney Stephens.

### Miss Tennison Is Bride of Clyde Mercer

The First Baptist church was the scene, at noon Sunday, November 17, for the marriage of Frances Tennison, daughter of Mr. and Mrs. W. H. Tennison of Silverton, to Clyde Mercer, son of Mr. and Mrs. H. C. Mercer of Silverton.

Rev. G. A. Elrod, pastor, read the double ring service. Arrangements of white chrysanthemums, backed by fern and flanked by candelabra with lighted white tapers, formed the setting for the ceremony.

Miss June Wimberly, pianist, and Miss Carlyn Wimberly, violinist, of Canyon, played "Were God I Were a Tender Apple Blossom", while Miss Jimmie Wise of Canyon lighted the candles. Miss June Wimberly accompanied Miss Gean Mercer, niece of the groom, who sang "Because" by D'Hardelot and "I Love Thee" by Greig. The traditional wedding marches were played for the processional and recessional and "Claire de Lune" by Debussy formed a soft musical accompaniment for the exchange of vows.

Attending her sister as matron of honor, Mrs. Troy Denson wore an oxford grey suit with black accessories and a corsage of white gardenias.

Freddie Garrison attended the groom as best man. Given in marriage by her father, the bride was attired in a winter-white wool suit. Her hat and blouse were of sky blue and cherry cokes accessories complimented her costume. She carried a white Bible topped with an orchid and white satin streamers. The mothers of the bride and groom chose white gardenias as their corsages.

Mrs. Mercer was graduated from Silverton high school in 1945 and Mr. Mercer was graduated from the same school in 1943. The couple left for an extended trip immediately following the ceremony. They will make their home in Silverton.

Mr. and Mrs. Buster Wilson and boys spent the afternoon with Mr. and Mrs. Hugh Stodghill Sunday.

Milker Ad No. 1677

**SAVE TIME**  
with a  
**McCormick-Deering**  
Milker

America's 310,000 milking machine owners last year reported savings in time of 2 1/2 hours a day—more than enough to plow, plant, cultivate and pick mechanically 100 acres of corn.—Bureau of Agricultural Economics, U.S. D.A.

The saving in time reported above is one of the key reasons why America's milk production is holding its own so well in spite of farm help shortages. If you are the fortunate owner of a McCormick-Deering Milker, we urge you to take the best possible care of it. When new parts are needed, insist on getting Genuine IHC Parts. Make our store your IHC Parts headquarters. If you need a new milker, ask us about the availability of new machines.

### Everybody's Birthday Party at E. Church

The Methodist church last evening brought a full attendance to a merry social sponsored by the Women's Society of Christian Service.

Small tables, decorated with color and themes appropriate to the month of the year, were entered with a large birth-cake. The sponsor of each read the fortunes and gave

### Indian Party Given For Juniors Of Baptist Church

An Indian party for the Juniors of the First Baptist church was given Monday evening, November 25.

The assembly hall was decorated with bundles of feed and pumpkins. A wigwam, made of Indian blankets, was built in one corner, and in front of this wigwam was an artificial camp fire.

The Juniors arrived at 6 o'clock wearing feathers that had been mailed to them as invitations. The following games were played: Big Chief's Hunt, Snatch Feathers, Brave's Relay and Swapping Wigwams.

Refreshments consisted of popcorn which was eaten around the campfire, cake and hot chocolate.

### Study Club Has Meet in The Red Cross Room

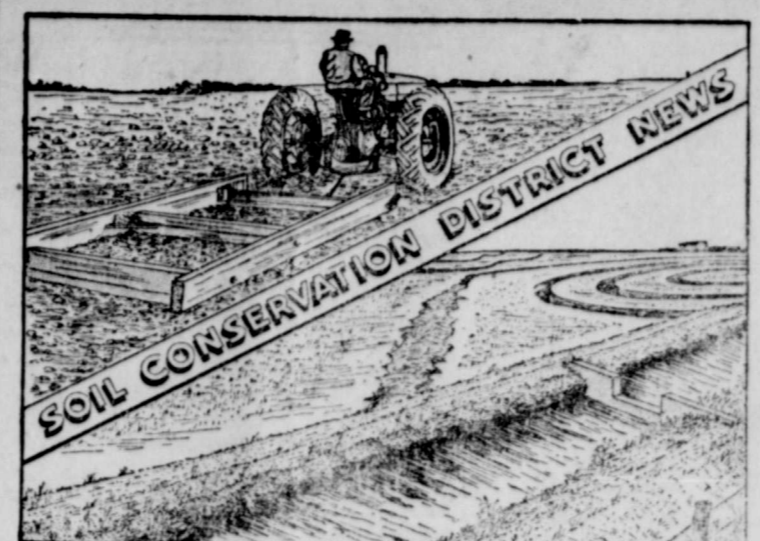

"Canada" was the program theme at the Wednesday afternoon meeting of the Woman's 1925 Study Club in the Red Cross room with Mrs. Roy Coffee as hostess.

Mrs. Grady Wimberly called the meeting to order. Mrs. T. R. Whiteside and Mrs. Virgil Ballard were appointed to arrange for the "Guest Day" meeting of the club, which will be in December.

Mrs. Roy Coffee introduced those on program; they were Mrs. Virgil Ballard, Mrs. O. T. Bundy, Mrs. W. Coffee, Jr., and Mrs. T. C. Bomar.

Mr. and Mrs. Hugh Nance and son, Loyd Wayne, visited with his parents, Mr. and Mrs. J. B. Nance, in the Lone Star community Sunday.

Mr. and Mrs. Mac Gaston of Grand Prairie, Mr. and Mrs. Paul Reid and children, Mr. and Mrs. Paul Ledbetter and children and Mr. and Mrs. Bud McMinn and daughter, Favree, were Sunday guests in the home of Mr. and Mrs. C. M. Chappell.

SUPERVISORS FOR CAP ROCK DISTRICT—Earl I. Cartwell, Chairman, Louie Kitchens, Obra Watson, Pierce White and Bray Cook.

The Board of Supervisors of the Cap Rock Soil Conservation District passed a resolution, in one of their regular meetings early last year, that Conservation work be done in Conservation Groups of from ten to twenty farmer seach to make the most efficient use of personnel assisting the District and to get a better coordinated Soil and Water Conservation practice adapted on the land. To date several Conservation Groups have been organized and a large amount of Conservation Practices applied. In the Quitaque area the following Conservation Groups have been organized: Scheid Conservation Group, southwest of Quitaque, GGasoline Conservation Group and County Line Conservation Group. According to Mr. Pierce White, the local supervisor from this sub-division, there is room for three or four more Conservation Groups and he is ready to call a meeting or organization as soon as sufficient interest is made known to him by land owners and operators.

Alvin Redin, a cooperater with the Cap Rock Soil Conservation District, who operates a farm in the Crass Conservation Group, seeded five acres of Austrian Winter Peas on his farm.

Merle McMurry, a cooperater in the San Jacinto Conservation District, stated that he held all the moisture where it fell on wheat land by seeding on the contour. The guide lines were established by technicians assisting the Supervisors of the Cap Rock Soil Conservation District.

The Board of Supervisors of the Cap Rock Soil Conservation District voted to purchase a grass seeding attachment, at their last regular meeting. The grass seeder will be available for the use of cooperaters in making seedings of small grass seed such as Weeping Love Grass, Sand Love Grass and other similar small seed that are difficult to plant with standard seeding equipment.

Alvin Redin, a cooperater with the Cap Rock Soil Conservation District, is constructing an elevated irrigation ditch across a low area on his farm this week. The ditch will enable Mr. Redin to irrigate approximately ten acres of additional land on his farm. Engineering survey work is being done

sent to the Mexican Orphans' home. It was also voted to entertain their husbands with a chili supper in the home of Mr. and Mrs. Gabe Garrison on Thursday night, December 12th, at 6:30.

Others present were Mesdames Marvin Thompson, A. H. Chappell, R. R. Pennington, Dee Garrison, and A. P. Dickenson.

Ice cream was served to the group.

Mr. and Mrs. M. K. Pyron of Tyler, who have been visiting with their daughter, Mrs. K. N. Tiffin, and family returned to their home Sunday.

### T. E. L. Class Has Regular Monthly Meeting Thursday

The First Baptist T. E. L. class held its monthly social and business meeting Thursday afternoon at 2:30 in the home of Mrs. W. A. McJimsey.

Mrs. Grady Wimberly conducted the business session and had charge of the program. The group sang "O How I Love Jesus". Mrs. C. M. Chappell led in prayer. "God's mercies must move us to please God" was the theme for the devotional given by Mesdames Grady Wimberly, Shelby Haynes, R. E. Stephens, W. M. Lawrence, Edd Brown, Gabe Garrison, C. O. Allard and Ray C. Bomar.

Mrs. Haynes read the minutes of the previous meeting and Mrs. J. E. Wheelock gave the treasurer's report.

The class voted to make rag dolls and clothing for them to be

While editor of the Eastland county seat daily, I narrowly escaped being killed while helping in the pursuit of the Santa Claus bank robbers.

Not long after that, I wrote of the emergence of Old Rip from the Eastland courthouse cornerstone.

Now, for the first time, the full accounts of the most spectacular crime in the history of the Southwest and of the horned frog, who will be a legend centuries from now, have been written. They are in a new book, "Cowtown Columnist", of which the author is one Boyce House.

The volume contains the cream of eight years "columning" for this and many other papers and five years' broadcasting about Texas history, adventure, romance and legend.

There are first-hand stories which were obtained from J. E. Cooper, long-time editor of the Williamson County Sun, who knew the famous gun-fighters, John Wesley Hardin and Ben Thompson, personally. In the book, Tom Bendy of Eastland tells about the time he disarmed Hardin, who was credited with killing 40 men; and Sterling Price Buster tells about his friend, Bob Olinger, the last man that Billy the Kid killed.

I was lucky enough to discover an unpublished poem by O. Henry, too, and it is included.

Did you know that the first man in the history of the world to fly was a Texan?

And that the last battle of the Civil War was fought in Texas, weeks after Lee's surrender?

That Old Spanish Fort actually was an Indian fort and the scene of a big battle when Spain ruled Texas?

And that Texas used to have camels?

Approved Uniform International SUNDAY SCHOOL LESSON

A LETTER ON CHRISTIAN LIVING

LESSON TEXT—Acts 19:23-30. Ephesians 6:13-18.

MEMORY SELECTION—Finally, my brethren, be strong in the Lord, and in the power of his might—Ephesians 6:10.

The war is never over for the Christian. He is called to a ceaseless strife against the world, the flesh and the devil which know no armistice or peace conference so long as he lives or the Lord tarryeth.

Paul, who had now set out on his third missionary journey, was this time permitted of the Holy Spirit to witness and minister in Asia.

For three months he spoke in the synagogue, as was his custom, but when his ministry resulted in many converts others "hardened themselves in opposition. So he withdrew (a bit of strategy in this spiritual warfare) to neutral ground in the "school of one Tyrannus," where he could teach and reason with them daily.

Paul knew by experience that this could not go on, for he had learned as we should learn to

I. Expect Opposition - It Will Come (Acts 19:23-30).

The comfortable and contented Christians of our day who just want to be let alone to carry on their worship are certainly not related to the real Christians of Paul's type.

The enemies of our souls are often content to let us go on in comparative peace as long as we do not bother him unduly, but once we put up the banner of a holy life and service in God's army, he begins a terrific counterattack. Paul had felt it already in the hardening of listeners' hearts (v. 8).

1. Selfish Opposition (vv. 23-27). One way to bring a violent reaction against spiritual truth is to let it interfere with business. Demetrius and his fellow silversmiths professed to be concerned about the threatened destruction of the heathen worship of Diana.

Many of the enemies of the gospel in our time are fighting against God's Word because they are in a business which is condemned by it.

2. Senseless Tumult (vv. 28-30). Knowing that their opposition was without true foundation, they inspired and agitated a wild demonstration.

Shouting a slogan which had no real meaning, they lent their voices to the tumultuous agitation against God. Finally, one sensible man, fearing the punishment of city officials, quieted them (Acts 19:35-41).

The Ephesians were just like many in our day who fear man more than God. But, may we ask, if you fear the judgment of men, how think you to escape the judgment of God? After all, it is God and His Word who oppose, unconverted friend. Do you think He will hold you guiltless?

Paul was not afraid (v. 30), for he had also learned that the servant of the Lord can

II. Count on God—He Will Deliver (Eph. 6:13-18).

Writing to the church in this very city where the Lord opened "a great door and effectual" for Paul (I Cor. 16:9), he admonishes them and us to make full use of the provision which God has made for victorious warfare.

There is a complete armor, and a mighty weapon, the sword of the Spirit, but none will do us the slightest good unless we put it on and go into battle. If we think we can do without the breastplate of righteousness (and some Christians and church workers seem to think they can), or neglect to carry and use the shield of faith, we can only expect defeat. We fight great spiritual enemies (see vv. 11, 12 of this chapter) and we need the best in both offensive and defensive equipment.

The girdle of truth binds up the warrior and eliminates the hindrances to rapid movement. The breastplate is righteousness, not his own but Christ's, but it must be appropriated and used.

The soldier must be well shod for the long rough journeys and to give him a good foothold in the day of battle. Peace in the heart provides such a firm vantage point in the fight for God.

Faith is the quickly moved shield, catching all the fiery darts. Here again it is not my faith or yours alone, but our faith in God, putting him between us and our enemies.

The sword of the Spirit, which is the Word of God, is our all-powerful weapon. Let us not neglect to use it. We are so prone to talk about the Bible, to defend it, to argue for its truths. Talking about a sword does not make it effective. Let's really use it.

Prayer is always to be counted on and it is both a defensive and offensive weapon. It keeps us in touch with the Captain of the Lord's hosts. We call for help, get orders and transmit news of victory through prayer.

OIL-PLATES Your Engine!

ACTUALLY a soap bubble is an extremely sheer net of molecules (held together by a strange attractive force) enclosing a sphere of air. And by pioneering in fields of molecular forces, Conoco scientists bring out new and better oils. For instance, by molecular attraction, a special ingredient in Conoco Nth motor oil is bonded to working surfaces of your engine. Unlike the soap bubble which vanishes when pricked, Conoco Nth oil's ingredient holds on—is OIL-PLATED to cylinder walls and other parts. OIL-PLATING stays up where it belongs... doesn't all drain down to the

crankcase, even overnight... gives you these benefits: added protection when your engine starts up added protection from corrosive action added protection from wear that leads to fouling sludge and carbon added smooth, silent miles That's why to OIL-PLATE now... at Your Conoco Mileage Merchant's. Look for the red triangle. Continental Oil Co. CONOCO Nth MOTOR OIL

Adequate Wiring means 1 ENOUGH CIRCUITS 2 LARGE ENOUGH WIRE 3 ENOUGH OUTLETS AND SWITCHES. Illustration of a man pointing to a diagram of wiring.

WE'VE BEEN TO SCHOOL

BETTER LIGHT FOR BETTER SIGHT

Several of your Public Service employees have recently completed special courses in lighting engineering conducted by some of the country's foremost illuminating engineers. Right now they're busy passing on what they learned to other Southwestern Public Service employees who could not attend the school. We want you to enjoy better lighting in your homes and stores. These folks are ready now to tell you how to receive the most benefit from your electric lighting and whatever they recommend will lead to better lighting... and better living electrically for you and your family. Call on one of these lighting specialists now at your nearest Public Service office. This is another no-extra-charge service.

SOUTHWESTERN PUBLIC SERVICE COMPANY 22 YEARS OF GOOD CITIZENSHIP AND PUBLIC SERVICE

Within the last 70 years high school attendance in the United States has increased 80 times over.

During its three weeks of nesting life the crow eats about 10 ounces of food daily, or a total of 13½ pounds.

More than 100,000 patent applications are reported awaiting action by the U. S. Patent Office.

New laminated plastic fish poles, unaffected by mildew or salt water, are lighter than wood and are said to have four times the strength of steel.

Q. What is the difference between compensation and pension?

A. Compensation is a term used to describe monetary benefits payable for service-connected death or disability under laws administered by Veterans administration. The term "pension" is used to describe nonservice-connected monetary benefits.

Q. Is a widower of a World War II veteran eligible to receive compensation or pension?

A. No; the term "widow" does not include a widower with reference to payment of compensation or pension based on the death of a World War II veteran. However, a widower is eligible to receive unpaid disability compensation or pension which accrued prior to the death of a woman who had served in the armed forces in World War II.

Q. How do I go about filing a claim for pension on the death of a veteran who was my sole support?

A. You should file your claim for pension with the Veterans administration on its Form 535.

Q. Will various monetary benefits received by veterans under the G. I. Bill be deducted from future bonus?

A. No, that portion of the servicemen's readjustment act (GI Bill) which formerly provided that any benefits received under the act would be deducted from any future bonus authorized, has been repealed.

Q. Is it possible for a veteran to complete his elementary school

under the servicemen's readjustment act?

A. Yes.

Q. I am receiving retirement pay and wish to take up training under the servicemen's readjustment act (GI Bill). Is it possible for me to receive subsistence allowance while receiving retirement pay?

A. Yes.

Q. Are large, numerous "milk veins" on the udder and abdomen an indication of how much milk a cow will produce?

A. Probably not, according to the U. S. Department of Agriculture. There is no evidence to support the time-honored theory. External milk veins assist in carrying blood away from the udder. Moreover, the internal veins are apparently large enough to return all the blood from the udder.

Q. What can I do to prevent feather picking among my turkey poults?

A. One of the major causes of feather picking is that turkey poults have a tendency to clean their beaks on the feathers of other birds, which results in particles of wet feed sticking to the feathers. Other birds pick at these feed particles, sooner or later causing injury. At the Ralston Purina Company's Research Farm this has been eliminated by stringing a piece of wire across the top of the feeder grills or just over the feeder at a convenient height so the poults while eating, can grab the wire in their beaks and clean them over the trough. This also helps prevent feed wastage, because the birds clean their beaks above the trough and the feed falls back into the feeder.

Q. What is the average weight of fleece from a range ewe? How many fleeces are packed in each bag of wool at shearing time?

A. The average weight of fleece from a single ewe varies between 7 and 10 pounds. Weights also vary between flocks, localities, and regions, influenced by breeding as well as environmental factors. When packed fleeces are arranged in symmetrical layers in the sacks and are compressed by tramping. Each bag contains from 27 to 35 fleeces, depending on size.

Q. Do pigs which have plenty of Vitamin D need minerals?

A. Pigs that are well supplied with Vitamin D do best on small amounts of minerals, and they require more minerals if they are low on Vitamin D, the sunshine vitamin.

**Lady Nearly Choked While Lying in Bed—Due to Stomach Gas**

One lady said a few days ago that she used to be afraid to go to bed at night. She was swollen with stomach gas, which always got worse when she went to bed, and the gas would rise up in her throat after she lay down and would nearly choke her. She couldn't lie flat. Had to prop herself up on pillows. Recently this lady got INNER-AID and now says gas is gone, stomach feels fine, bowels are regular and she can go to bed and sleep soundly.

INNER-AID contains 12 Great Herbs; they cleanse bowels, clear gas from stomach, act on sluggish liver and kidneys. Miserable people soon feel different all over. So don't go on suffering! Get INNER-AID. Sold by all drug stores here in Briscoe County. (adv)

### Spellman Declares Russia Seeks to Rule the World

New York—Francis Cardinal Spellman today sounded a solemn warning to the American people that Soviet Russia is bent on world domination and declared that only the bat-blind can fail to be aware of the Communist invasion of the United States.

"Every Communist is a potential enemy of the United States and only the bat-blind can fail to be aware of the Communist invasion of our country," Cardinal Spellman declares in an article "Do We Want Soviet Peace?" which he wrote for the November issue of Cosmopolitan magazine.

Decrying the "arrogant attitudes and belligerent acts" that are "signs and symbols of a Soviet Peace," Cardinal Spellman warns

against appeasement of Russia which would enchain America and other Democratic nations of the world.

"Today like a chilling mist there hangs over the Democratic nations the menace of a 'Pax Sovietica' which, if we submit to it, will commit our children to serfdom in a world itself enchained," the Cardinal declares.

"Soviet Russia is building an empire which covers nearly ten million square miles—one-sixth of the land surface of the earth—which surpasses even the Nazi totalitarian conquests and ambitions," he continues.

"And if, by appeasement, we condone a Soviet peace, we not only embolden the aggressor, but we weaken America and sacrifice nations too small, too frail to defend themselves, nations whose sacred trusteeships we pledged ourselves to protect."

Cardinal Spellman likens the present attempts of Soviet Russia to impose a Soviet peace on the world to the "Pax Tatarica" imposed after the Mongol hordes of Ghengis Khan overran Europe.

"Peace came then too—a brutal peace based on the complete captivity of the vanquished," he declares. "And today, seven centuries later, a mighty dread of the re-birth of 'Pax Tatarica' assails me, a fear that through an identical insane, pagan pattern of despotism, destruction and death, a 'Pax Sovietica' is being imposed upon Europe, with the goal of the dictators, One World—Theirs."

While Russia sabotages a just peace with the intention of creating chaos to spread Communism, the United States is failing to guard our own nation against the wedge of American Communism, designed to divide and destroy the United States, Cardinal Spellman charges.

"Our ally in war has not remained our ally for peace and today Soviet Russia stands charged with being the saboteur of a just peace, her aim—world communism," Cardinal Spellman declares. "We Americans talk of these great and grave dangers menacing the world, while we neglect to guard our own nation against the threat, the terrible tragedy, that we may fail to remain fundamentally these United States."

"The wedge dividing us is American Communism, and Soviet imperialism is its puppeteer. Either Americanism or communism may predominate, but never can they become reconciled."

**MILLINERY MAGIC**—Pretty Ruby Lawton displays her millinery magic by fashioning her own hat for the big football game. Her simple formula can be duplicated in a few minutes. Here's how: Attach hat elastic to each end of a grosgrain ribbon (one inch wide and twelve inches long). Then take another grosgrain ribbon five inches wide and eighteen inches long and fold into bow. Take four large mums and seven baby mums from waxed paper and arrange in interesting fashion and attach to bow with corsage pins. Then fasten entire arrangement onto the one-inch ribbon and slip over head To insure maximum beauty and freshness keep mums in waxed paper until last minute.

### Legion Auxiliary To Meet Next Tuesday Night

The American Legion Auxiliary will meet Tuesday night, December 3, at 7:00 o'clock in the Veterans Hall.

Mrs. Wayne Crawford will preside and Mrs. Ware Fogerson will have charge of the program. Roll call is to be answered with "A thought for the day".

Mrs. O. T. Bundy will give a book review on "Glass Menagerie".

The Auxiliary invites everyone who is eligible to become a member of the unit. This includes the wife, daughter, sister or mother of a Legionnaire.

All members are urged to be present and bring an eligible candidate for membership.

Mr. and Mrs. Pascal Garrison and daughter, Carolyn, spent Sunday in Kress with Mr. and Mrs. Leroy Saul.

Jack Strange and Fred Brannon were dinner guests of Mr. and Mrs. Roy Mac Walker Monday evening.

Mr. and Mrs. A. P. Dickenson were Amarillo visitors Monday.

Diggers of worms for fish bait along the Atlantic coast often average earnings of \$1,600 a season.

Johnnie Lanham was a business visitor in Abilene Tuesday.

### FARM MARKET

Markets reported steady to firm prices for top quality stock but slightly lower prices for common and medium grades. San Antonio quoted medium and good lambs with No. 1 and 2 pelts at \$16.50 to \$17 per hundred and common and medium ewes \$6.75 to \$7.23. Fort Worth moved good and choice fat lambs at \$20 to \$21 and medium and good ewes \$7.25 to \$8.25. Good and choice lambs brought \$22 to \$23 at Denver and \$21.50 to \$22.50 at Oklahoma City.

Hog trading was slow last week with most markets registering losses of 25 to 50 cents per hundred pounds for slaughter grades. San Antonio reported about the only gains. Friday's prices for top butchers were \$25 per hundred at San Antonio, Ft. Worth and Oklahoma City; \$24 to \$24.25 at Wichita and \$24 to \$24.50 at Denver.

Steady to stronger prices and moderately active trading ruled southwest cattle markets last week. However, some easiness showed up on lower grade beef cows and calves. San Antonio sold common and medium grass steers at \$11 to \$12 per hundred pounds and common and medium cows \$9.75 to \$13. Common and medium steers and yearlings brought \$12 to \$15 at Houston and \$12 to \$18 at Ft. Worth. At Oklahoma City good beef cows reached \$17 and medium and good beef steers and yearlings sold at \$15 to \$22. Common and medium cows realized \$10.50 to \$13.50 at Wichita and \$11 to \$14 at Denver where a few loads of good fed steers sold at \$20 to \$23.50 per hundred.

### Plainview to Have Special Santa Claus Celebration Soon

Plainview, Nov. 27—Santa Claus will come to Plainview, Texas, Thursday, December 5, and will participate in a gala array of activities designed to entertain both old and young expected to attend throughout the day's events from within a radius of 50 to 100 miles around the city. This special Santa Claus Day is being sponsored by the merchants of Plainview, through the Plainview Chamber of Commerce. According to W. E. Hines, President of the organization, merchants of Plainview have provided a budget of between \$3,000 to \$4,000 to provide all necessary expenses for this event. Alton Hall, Chairman of the Retail Trades Committee, is general chairman of the Santa Claus Day steering committee.

Cooperating with the Plainview Chamber of Commerce is the Plainview Junior Chamber of

Commerce, Ralph Krebbs, President, which active organization will carry a tentative one-hour car good-will caravan into more than twenty communities surrounding Plainview, Monday, Tuesday and Wednesday, December 2, 3 and 4, participating which caravan will distribute circulars and placards, and provide small favors among people visited along the route.

Included in the program for the day, and in the order of succession are a special parade of the show windows in the city, specially decorated by the merchants of the city. The Plainview high school band is scheduled to begin its march along the route at 9 o'clock in the morning. Merchants are expected to have their windows as the main congregation passes in front of stores.

More than 4,500 feet of Christmas lighting will be strung along the main streets of Plainview and will add color to the Christmas season in the city from the middle of December 5 until after Christmas Day. Schools and churches of the city are also expected to decorate with special Christmas scenes and lighting effects.

At 10:30 in the morning a picture show is scheduled to begin at the theaters for all ages and local children.

Santa Claus is officially scheduled to arrive at the downtown Plainview street by helicopter or light airplane and will immediately place on a specially decorated Santa Claus float, stop to will lead the Santa Claus parade scheduled to begin at 11 p.m. It is expected that 2,400 Plainview public school students will participate in the parade, along with approximately eight to ten school bands, including the Plainview high school band, who have been invited to enter the parade from Littlefield, Muleshoe, Spearhead, Oilton, Amherst and

### TB Christmas Seals Are to Be Placed On Sale Soon

Governor Coke Stevenson yesterday issued a proclamation officially designating the period from November 25 to December 25 as "Christmas Seal Month" and urged all Texans to support the Texas Tuberculosis Association and its affiliated county associations by "buying and using Christmas Seals during this month."

The annual Christmas Seal sale will open Monday and continue until Christmas.

In issuing the proclamation, Governor Stevenson pointed out that tuberculosis is the greatest disease cause of death among Texans between 15 and 35 years of age, and that because of its communicable nature, tuberculosis is our greatest public health problem.

The proclamation follows: WHEREAS, tuberculosis is a leading cause of death in our State and takes the lives of more young people, in the productive years from 15 to 35, than any other disease, and

WHEREAS, tuberculosis is spread from person to person and therefore must be recognized as a major public health problem, and

WHEREAS, a well-planned program for the control of tuberculosis is being conducted in Texas by the Texas Tuberculosis Association, and its affiliated county associations, and

WHEREAS, the work of these associations is supported by the sale of Christmas Seals,

NOW, THEREFORE, I, Coke Stevenson, Governor of Texas, do officially designate the period from November 25 to December 25 as Christmas Seal Month and do urge the people of Texas to be generous in their support of the Texas Tuberculosis Association and its affiliated county associations by buying and using Christmas Seals during this month.

IN TESTIMONY WHEREOF I have hereunto signed my name officially and caused the Seal of State to be affixed hereto at Austin, this the nineteenth day of November, A. D., 1946

Signed: Coke R. Stevenson  
Governor of Texas
