

Redistricting for schools to take effect

By Helena Rodriguez

When Bailey County voters take to the polls on Tuesday, May 7 for the School Trustee Election, redistricting changes will take effect.

The May 7 election will be the first school election under modified voting districts. The voting districts for the Muleshoe Independent School District were approved by the Justice Department on May 17, 1993.

School districts are required to modify voting districts as needed after a census is taken every 10 years, to reflect changes in the districts.

The last census was done in 1990 and it took several years for the school to revise and get the new districts approved.

After the reorganization, there are now two districts in Muleshoe in which Hispanics are the majority of the population.

According to Bill Moore, superintendent for Muleshoe Schools, there was only one district which was predominantly Hispanic prior to the recent redistricting changes.

Moore said that the additional Hispanic district was made based on recommendations from a committee of citizens who studied the redistricting needs.

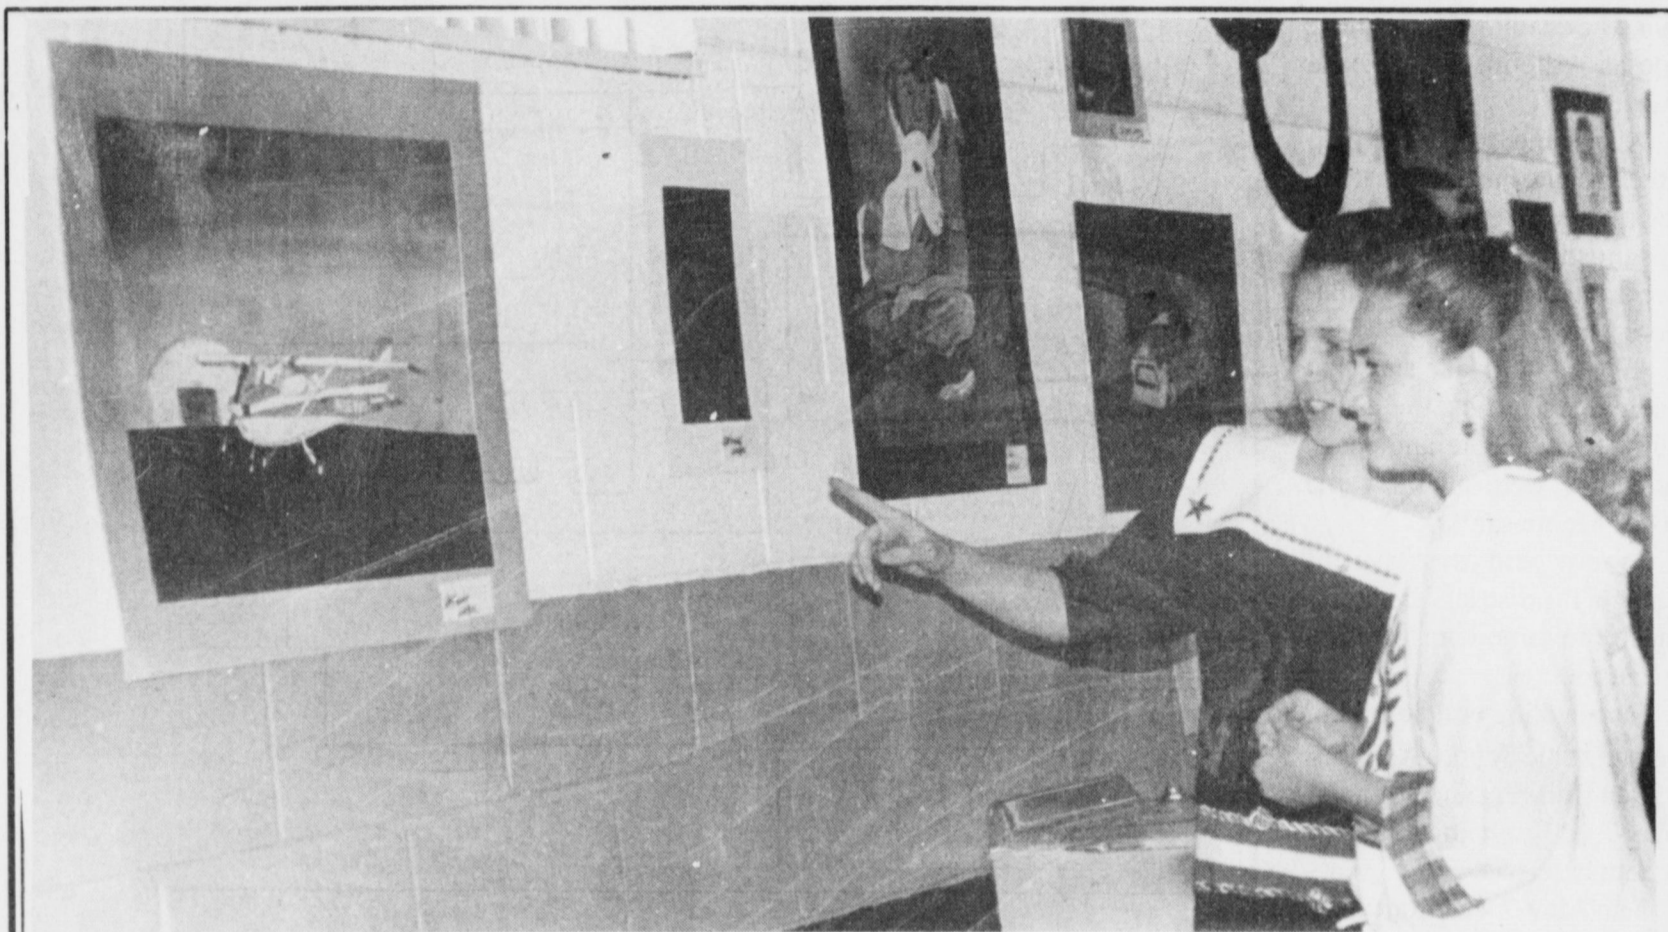

"Because the population of the city (Muleshoe) is one-third Hispanic, the committee recommended that at least two districts be majority Hispanic," Moore said.

There are five school voting districts in Muleshoe. The two districts which are majority Hispanic are District #3, which is located in east Muleshoe and District #2, located in west Muleshoe. District #2 is the district that was recently modified to make it majority Hispanic.

The Muleshoe School District is organized under a 5-2 plan. Under the plan, there are five voting districts and two at-large.

In the school's voting guidelines, a person can run for a school board seat that is open in any district. However, people can only vote for seats

FINE ARTS NIGHT TO SHINE—Amy Marricle and Robin Cowart admire a piece of artwork at the "Fine Arts Night to Shine" event held Monday night at Muleshoe High School. It included an evening of music by the high school concert band, intermediate band (7th and 8th grades) and high school jazz band. A play was also presented and an art show was exhibited in the high school cafeteria.

Mules host Floydada Saturday in 2-3A opener

SLATON—The Muleshoe Mules split a doubleheader here Tuesday in their final non-district action of the season.

After dropping the first game 5-1 to the Indians, the Mules pounded out 14 hits enroute to a 12-8 victory in the nightcap.

Muleshoe stands 11-5 overall heading into Saturday's Dis-

trict 2-3A opener against Floydada. The Mules will host

the Whirlwinds in a single game beginning at noon at Mule Park.

In the opener against Slaton, MHS starter Robert Toscano gave up just three hits and did not walk a batter over the five innings. But errors proved

the Mules' downfall. Slaton scored five unearned runs for a 5-1 victory.

In the nightcap, the Mule bats came alive and with some efficiency. After being frustrated with missed scoring opportunities earlier in the season, the Mules left just three men on base over the course of the 12-8 win.

Jimmy Gauna got the win, giving up six hits, walking four and striking out five.

"We're playing poorly in the field right now, especially in the outfield," said MHS coach Ted Leps. "We were able to win the second game against Slaton because we outscored them. But we've got to have more consistency in district play."

Country Jam '94 slated for Saturday

If you haven't already made plans to attend Country Jam '94 this weekend, then make room for one of the most exciting music happenings in the area before it's too late.

Featuring the hot new country band from Bakersfield, California the "Smokin' Armadillos", the jam will begin at 8 p.m. Friday night at the Bailey County Civic Center in Muleshoe.

This hot new band's hit single, "My Girlfriend Might" put them to #4 on the charts, and started them on their way to a fantastic adventure of country music.

The band features members ranging in age from 17-24, who sport a collage of music from the ever popular old classic country, with just a tinge of youthful rock added to it.

The band will be accompanied by special guests Tom Mann & the Ace of Hearts Band, the Cox Brothers Band, and Casey Hays.

Tickets may be purchased at Joe's Boot Shop in Muleshoe, or KKYC Radio in Clovis.

For more information, contact Bryan Daniels at (505) 762-8200.

Rotary Club to host car show this year

It's time to polish those wheels and shine the fenders.

The Muleshoe Rotary Club will host their first car show on Saturday, April 30 at the Bailey County Coliseum. The car show was previously hosted by the Muleshoe Lion's Club.

The car show will begin at 10 a.m. and finish at 7 p.m. on that date.

In the car show, all special interest cars, trucks and motorcycles may be entered in competitions.

Money raised from the car show will be used to fund local

projects sponsored by the Muleshoe Rotary Club around the county, according to Lonnie Adrian, a member of the Muleshoe Rotary Club.

"The Rotary Club gives out scholarships every year, we help send kids to camp and do other things," Adrian said.

There will be 44 indoor spots and 45 outdoor spots in a fenced area connected to the Coliseum building.

Admission is \$3 for adults and \$1.50 for children ages 7-12.

Bruns to be featured on area TV show

Jeremy S. Bruns of Muleshoe will be featured on the television show "Texas Country Reporter" on Saturday, April 9. The show airs weekly at 6:30 p.m. on KCBD, Channel 11 of Lubbock.

On the show, Bruns will be featured playing a pipe organ. He will complete a degree in organ performance from Texas Tech University in Lubbock in May. His recital will be Saturday, May 7 at 7 p.m. in Hemmle Recital Hall, located in the School of Music at Texas Tech.

Bruns is the son of Jenda and Jerry Bruns of Muleshoe.

Social Security rep to be in Muleshoe

A representative from the Lubbock Social Security Office will be at the Bailey County Courthouse in Muleshoe on Tuesday, April 12 from 9:15 to 10:45 a.m.

People needing information about Social Security, Medicare or Supplemental Security Income may visit with this representative at this time.

In addition, the Lubbock office is open Monday through Friday from 9 a.m. to 4 p.m. at the Regency Plaza Building, 1611 10th Street, Suite 100.

MULESHOE HIGH SCHOOL STUDENTS TO COMPETE—Students at Muleshoe High School who will compete in the Special Olympics in Lubbock this weekend are (Left) Richard Melville (coach), Jared Harp, Joey Flores and Felipe Toscano.

Students headed to Special Olympics

Three athletes from the Muleshoe Independent School District will participate in track and field events in the Area 17 Special Olympics Spring Games. The event will begin Thursday at Coronado High School in Lubbock and run through Saturday.

Muleshoe students who will participate are Joey Flores, Felipe Toscano and Jared Harp. They are being coached by Richard Melville.

This year, more than 350 athletes from Lubbock and the surrounding areas will participate in the Area 17 Spring

Games April 7-9.

The competition will include equestrian and track and field. The equestrian competition will be Thursday at 6 p.m. at the Livestock Pavilion at the Panhandle South Plains Fairgrounds.

The official opening ceremony of the Spring Games will be Friday at 7 p.m. at Monterey High School track. Following the ceremony will be a dance for athletes, coaches and their families.

The track and field competition will be held at Coronado High School track on Saturday

at 9:30 a.m.

The athletes have been training for several months and have participated in local mini-meets to prepare for the area games.

Area 17 serves Lubbock County and 19 surrounding communities, including more than 800 athletes in the South Plains area.

Sports competition includes track and field, bowling, gymnastics, basketball, equestrian and aquatics.

in the district they live in.

During the May 7 election, seats for Districts #1 and #4 will be open. So far, only incumbents Arnold Price, District #1, and Curtis Shelburne, District #4, have signed up to run. The deadline for people to file as write-in candidates is April 7.

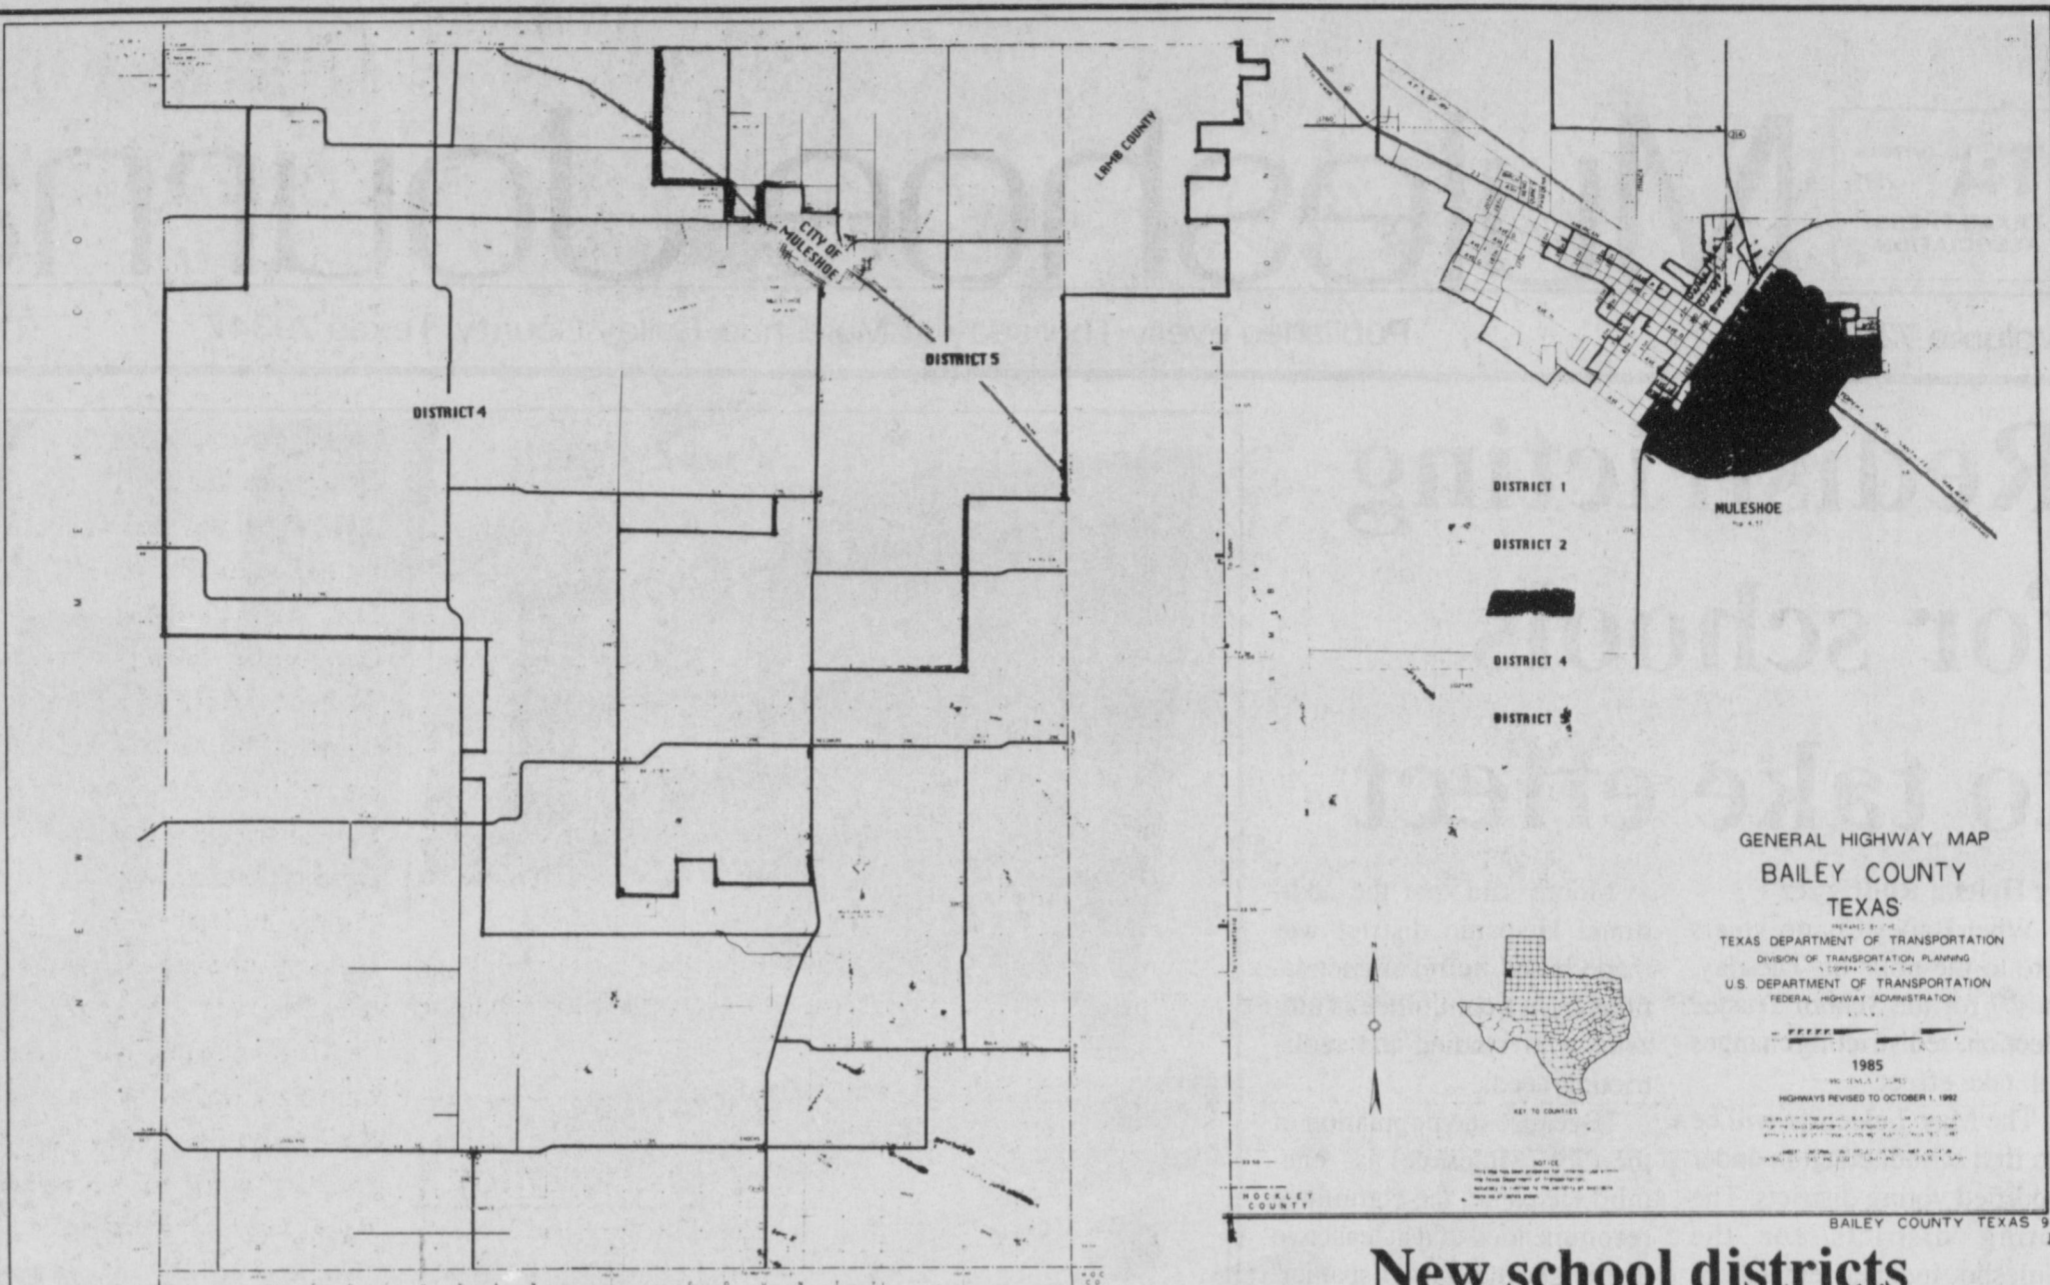

According to Moore, another major adjustment that had to be made in redistricting was re-adjusting voting districts according to overall population changes.

"We had to make sure that each district has the same number of people and make sure they were all the same size," Moore said.

Moore said that overall though, the districts are pretty much the same configuration as before.

Early voting will be held in person at the School Administration Building and voting on May 7 will be held at the high school cafeteria.

The May 7 election is not expected to be effected much by the new districts since candidates so far are running unopposed. However, Moore said that if people have questions about which district they live in, they can contact the School Administration Office.

Archeologist Awareness Week proclaimed

Texas Governor Ann Richards has declared the week of April 9-16 as "Texas Archeology Awareness Week."

The Archeology Awareness Week Committee of Texas sponsors this effort. Members of the committee include members of the Texas Archeology Society, Texas Historical Commission, and Council of Texas Archeologists.

This week-long observance is intended to promote public awareness and involvement in the protection of Texas' archeological heritage.

In this effort, the Panhandle-Plains Historical Museum in Canyon, the Carson County Square House Museum in Panhandle and the Panhandle Tourism and Marketing Council is sponsoring a day-long bus trip to Caprock Can-

yons State Park on Saturday, April 16. Reservations are required.

Included in the programming is a talk by archeologist Billy Harrison on the Lake Theo Folsom Culture site, highlights of the Comanchero Campsite by Eddie Guffee, Director of the Museum of Llano Estacado in Plainview, and a bus tour of the points of geological interest by geologist Wayne Lambert.

To guarantee a seat, registration fees must be received no later than 5 p.m. on Wednesday, April 13.

Fees may be sent to the Panhandle-Plains Historical Museum, P.O. Box 276, Panhandle, Texas, 79068. For information call 656-2244 or 537-3524.

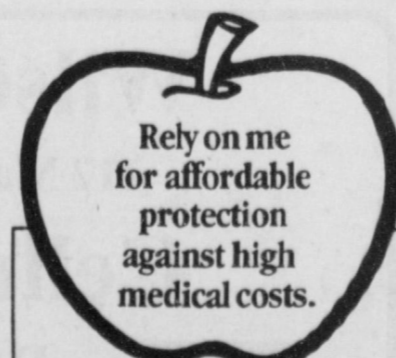

The PPHM is the oldest and

largest state museum in Texas. It was established in 1933 and houses more than 3.5 million artifacts.

The Carson County Square Museum is one of the finest small museums in the state. It has been accredited three times by the American Association of Museums and is nationally recognized and internationally known.

The Panhandle Tourism and Marketing Council is a regional organization dedicated to promoting historical and heritage tourism.

Donkeyball takes the court in Lazbuddie

Liniment in large doses will be the call for some hearty local residents when "Bob" Crosby brings his real live donkeys to town for a Donkey Basketball Show.

The event will be sponsored by the Lazbuddie Senior Class and will be held at the Lazbuddie New Gym on Thursday, April 14 starting at 8 p.m. The Lazbuddie teachers will meet the Lazbuddie Fire Department in the first game followed by a game pitting the Lazbuddie Senior Class against Lazbuddie Athletic Boosters.

All four teams have been training extensively for this Monumental event. Team coaches want to be ready physically and mentally.

Winners of the two games will meet head on in an eight minute championship bout immediately following the

second game. Each of the first rounds will consist of two eight-minute halves with a 15 minute intermission between the games.

The Crosby Donkey Ball Co. from Chippewa Falls, Wis. will be providing the beast of burden.

Adding to the fun are rules accompanying the game, such as not holding the ball for more than 15 seconds, no out-of-bounds, time-outs for emergency only, the wearing of padding and football helmets, and the fact that each player is responsible for his own Donkey while it is on the floor and a broom and shovel will be handy at all times.

Tickets can be purchased from sponsoring members. High School students and adults will be \$5, \$6 at the door; and grade school students will be \$3, \$4 at the door.

Muleshoe All Stars travel to Levelland

The Muleshoe Little Dribblers Junior All-Star Team travelled to Levelland April 1-2 to play in an Invitational Tournament.

On Friday evening, Muleshoe came out on top of the Levelland, III team. Muleshoe returned on Saturday morning to play the Levelland IV team.

Levelland IV came out on top 47 to 38. Muleshoe had to then play three games throughout the day to make it to the championship game to be played late last Saturday night.

Muleshoe defeated Shallowwater 34 to 29 early in the afternoon. Later in the evening, Muleshoe came up against Springlake-Earth with Muleshoe on top 70 to 27.

After full day of basketball, Muleshoe had the opportunity to play the Levelland IV team again in the championship game. Levelland came out on top 53 to 45.

Muleshoe entered this tournament to prepare for the Regional Tournament, which will be held in Dalhart April 7-9.

MULESHOE MINOR ALL-STARS - Muleshoe Minor All-Stars will participate in a Little Dribblers Tournament in Dalhart Friday and Saturday. The first game is Friday at 4:45 p.m. Pictured are: (Back, left) Mack Norman (coach), Michael "Deon" Norman, Tucker Crawford, Brennan Broyles, Phillip Field, Lincoln Riley, D.J. Dominguez and James Atwood, coach. (Front, left) Kyle Atwood, Michael Johnson, A.J. Buhrman, Craig Denney, Andy Dominguez and Roddy Spradling.

MULESHOE MAJOR ALL-STARS - Members of the Muleshoe Major All-Stars will travel to Dalhart this weekend to participate in the Little Dribblers Regional Tournament. The tournament will be Friday and Saturday, with the first game Friday at 7:15 p.m. Pictured are: (Back, left) Ryan Hodge, Jason Crawford, Brett Clements, Kyle Hahn, James Barrett, Joseph Chavez (coach) and Jeffrey Bruns. Art show to begin April 11 in Muleshoe

The Muleshoe Art Association will hold their 1994 Art Show April 11-19 at the Community Room at Muleshoe State Bank.

The public may view the show Tuesday, April 12 in the afternoon. The works of winners will be displayed through April 19 at the bank.

Entries will be taken Monday, April 11 from 9 a.m. to 3 p.m. All members of the Association may enter. Non-members may join the art association and pay entry fees.

Each artist should bring easels to display their paintings. There is no limit on the entries, but entries must be original and done without supervision.

Paintings should not have been shown previously in Muleshoe art competition shows and the Association requests no wet paint.

The show will be judged Tuesday, April 12. At 2 p.m. on April 12, judges will give a critique of the winners and awards will be presented.

Paints must be wired for hanging. A card should also be attached to the back, stating the artist's name, address, media and price.

Entries not available for purchase awards must be labeled. Entries not for sale should also be designated.

Categories are in oil, pastel and watercolor. Prizes for these categories are 1st place, \$50; 2nd place, \$30 and 3rd place, \$20 in each category.

Prizes to be awarded are: Best of show, \$100; Muleshoe State Bank Purchase Award, \$300; First Bank Awards, \$25; gift certificates, \$25 and Bobo Public Opinion Award, \$25.

Those paintings not winning should be picked up before 5 p.m. on April 12. The works of winners can be picked up before 3 p.m. on April 19.

Dues and entry fees for non-members of the Association are: \$15 for dues; a \$5 entry fee and \$5 per painting.

Dr. Spock has a cow over milk...

By Baxter Black

Remember that headline last year? The good Dr. Spock recommended no milk after age two. He listed a spate of side effects from foot amputations to deafness.

Pediatricians, nutritionists, mothers, nurses, Popes, the President and God came down on him like a twenty-eight ton block of Longhorn cheese! They smashed him so flat he disappeared like lightning leaves the sky! We never heard from him again.

Now rising from the bog is that frothing lunatic Jeremy "The Clown" Rifkin. He has chosen to throw mud at BST (bovine somatotropin), Monsanto's new milk stimulating product for dairy cows.

We are lucky to have such a flake as him as our antagonist. He has a believability rating somewhere between a tenured congressman and Tonya Harding's ex-husband.

This spring several widely diverse but small special interest groups have joined Jeremy's Anti-Cause against the use of BST in cows. But let me make a prediction; BST use in dairy cows will not be an issue six months from now. It will be as dead as Tonya Harding's career.

From a dairyman's point of view BST will work on some dairies and not on others. Those who use it will see an increase

in production.

Within the dairy industry there is an underground feeling among some that the country does not need more milk. BST will only create a surplus and thus a decline in milk prices. That logic was also applied to beef implants, hog genetics, chicken nutrition, hybrid corn, malathion, and, probably higher education.

Outside the industry the EEOC (European Economic Community) is against it for trade political reasons. Jeremy, The Clown, and his dwindling band of wailers are against biotechnology. Others fighting it are a smattering of fund so-

liciting groups who are against any use of animals in agriculture.

But their protestations will fade into the whining of losers. The public has grown weary of the lunatics with their in-your-face attitude and their hand in your pocket. Scare tactics only work when you can scare somebody. The average housewife looks at these flapping, hysterical gadflies and says "Get a Life!"

The U.S.D.A., which has no axe to grind, officially states, in so many words, that they have tested it extensively and proven that milk from cows given BST is no different than

the milk you've raised your family on.

I suspect that simple but gold-plated endorsement will be good enough for the family

milk buyer. She doesn't need one more nonsensical Chicken Little scare from the Twilight Zone to worry about. Supermarkets will follow.

MISD Chapter 1 Spring Program scheduled

The Mulshoe Independent School District will be hosting parents from surrounding communities and also the "home folks" at the Annual Chapter 1 Spring Program for Parents on Tuesday, April 12 at 7 p.m. in the Mulshoe High School Auditorium. The program is planned and six new Chapter 1 Advisory Council members will be elected for a two year term.

Benny Bitro from Lubbock will talk about what can be done to make the educational process more successful by forming a partnership between the students, their parents and the schools. His speech will be

in Spanish. Six new Chapter 1 Parent Advisory Council members will be elected at the meeting to serve for 1994-96. This Council serves as an advisory link between the Chapter 1 parents of the community and the schools to plan and implement the best educational opportunities possible for all students.

The people on the ballot are volunteering their time and they need support.

Baby-sitting and activities for children will be provided. Refreshments will be served and door prizes will be awarded.

Host families sought for exchange students

Foreign high school students will begin arriving soon into the Muleshoe area for academic semester and year homestays. The sponsoring organization is in need of a few more local host families.

The students are between the ages of 15-18 and are English-speaking. They have their own spending money, carry accident and health insurance and are anxious to share their cultural experiences with their new American families.

Pacific Intercultural Exchange (PIE) currently has programs to match almost every family's needs, ranging in length from a semester to a full academic year, where the students attend local high schools.

PIE area representatives match stu-

dents with host families by finding common interests and lifestyles through an informal in-home meeting.

Prospective host families are able to review student applications and select the perfect match.

As there are no typical host families, PIE can fit a student into just about any situation - whether it be a single parent, a childless couple, a retired couple or a large family.

Families who host for PIE are also eligible to claim a \$50 a month charitable contribution deduction on their itemized tax returns for each month they host a sponsored student.

For the upcoming program, PIE has students from Spain, Germany, Poland, Russia, Finland, Argentina, Brazil, Columbia, Paraguay, Australia, New Zealand, Croatia and many other coun-

tries.

PIE has also been invited to participate in a special government-funded program to bring scholarship students from the newly independent states of the former Soviet Union to the United States.

PIE is a non-profit educational organization that has sponsored more than 18,000 students from 23 countries since its founding in 1975.

Muleshoe area families interested in learning more about student exchange or arranging for a meeting with a community representative may call PIE toll free at 1-800-631-1818.

The agency also has travel/study program opportunities available for American high school students, as well as possibilities for community volunteers to assist and work with area host families, students and schools.

West Texas A & M to host ballet expo

Ballet companies from the University of Oklahoma and the University of Texas-El Paso will be joining West Texas A&M University's dance company in the first University Ballet Expo. WTAMU is hosting the event April 8-10.

Dancers will attend classes, seminars, and informal per-

formances during the weekend. The classes will focus on classical ballet, while the seminars will relate to the art of ballet.

The informal performances will present new works in the repertoires of the participating companies. A gallery will be set up for the participating

dancers to display their other works in the arts, such as paintings, sculptures and poetry.

The main attraction of the showcase is the gala performances on Saturday, April 9 at 8 p.m. in Mary Moody Northern Recital Hall on the WTAMU campus. The gala will be free and open to the public.

Representatives from the universities began planning the showcase in September. The event is different from others because it utilizes classical ballet technique as the central focus.

Since ballet is the most accepted technique utilized in professional auditions for theatre and dance companies, the new showcase was designed to increase opportunities for students majoring in dance at institutions of higher education to perform in that area.
