

## Summer reading program to begin

All boys and girls in grades kindergarten through the fifth grade are invited to join the 1994 Summer Reading Club at Muleshoe Public Library. Registration will begin on Friday, May 27 at 10 a.m. and continue through 6 p.m. Registration will also continue throughout the month of June.

The theme of this year's reading club is "Far away Places, Familiar Faces." The program is being sponsored by the Texas State Library and co-sponsored by the Friends of the Library locally.

Certificates will be given to all participants who qualify by reading 10 books, or having them read to them if they are non-readers or if they have reading problems.

The library invites day care centers and care givers to bring children to the library. A parent or caregiver must accompany children to register.

Wednesdays will be Film and Fun Day throughout the program and some special things are planned.

So kids, get ready to take a trip to Faraway Places right here at your hometown library. The only ticket you will need is your library card.

## Joyner is named principal

Shelia Joyner has been named the new principal at Watson Junior High School in Muleshoe. The Muleshoe Independent School District Board of Trustees on Tuesday night chose Joyner upon the recommendation of superintendent Bill Moore.

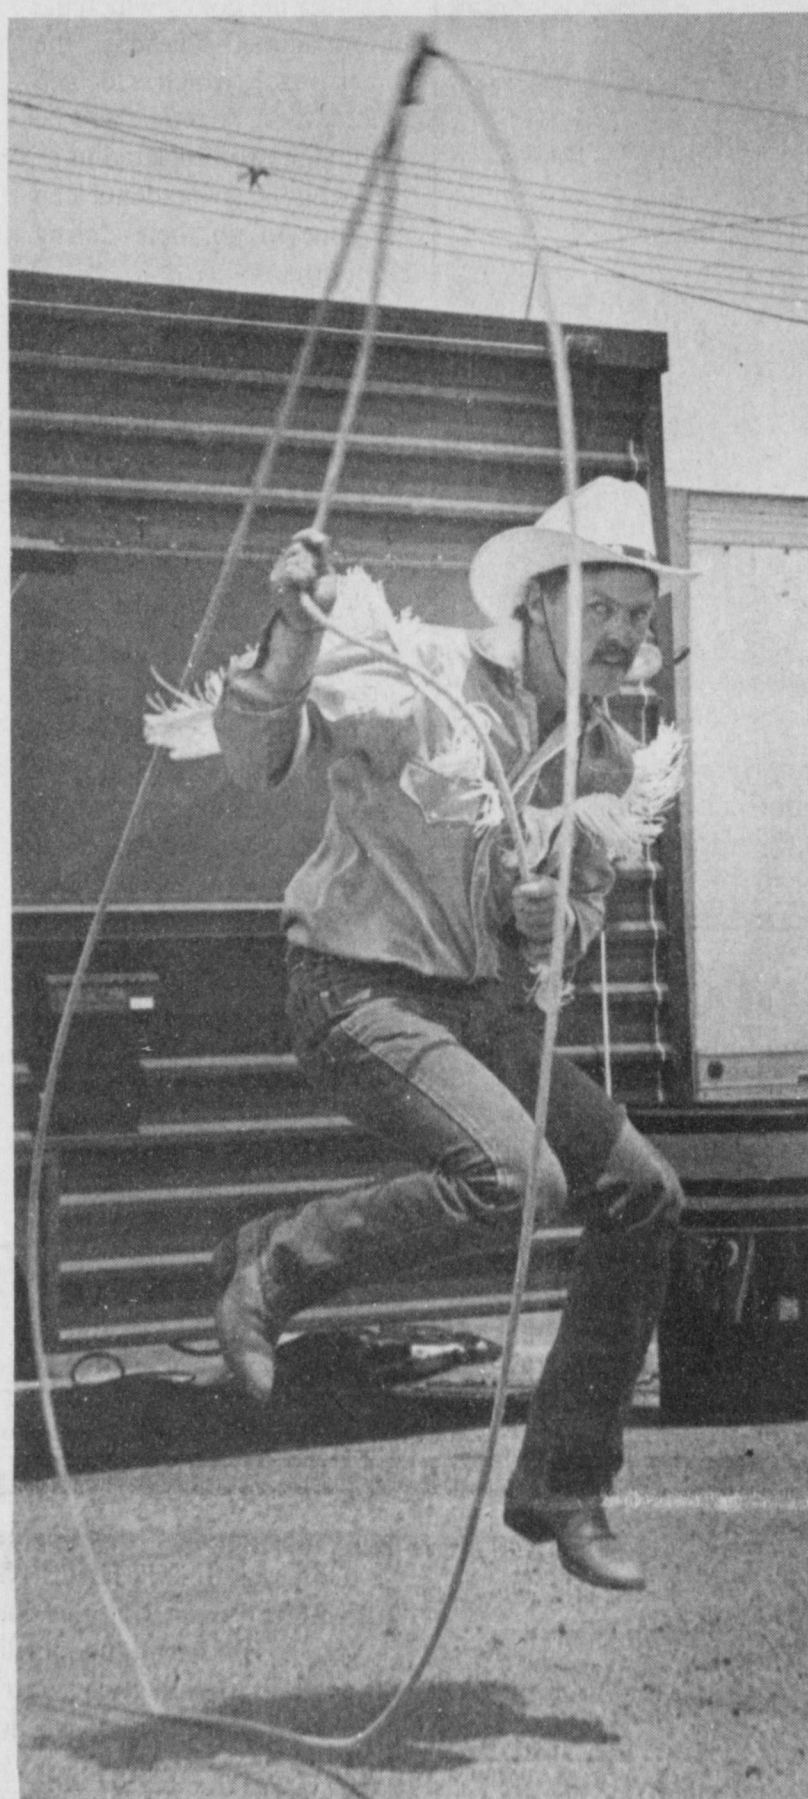

Approximately 47 people applied for this position and three, including Joyner, were interviewed.

Joyner succeeds Bob Graves, who is retiring after 36 years of service to the district.

Joyner comes to the district from Commerce High School, where she currently serves as counselor.

She has previously served as middle school principal in Van Hort, as middle school counselor in Cedar Hill and as secondary curriculum coordinator in Mineral Wells.

She has a son, Leonard (Leo), who will be in 7th grade next year.

"Wild Bill" Cathey of Dora, NM, jumps through his loop during a performance last Saturday at Joe's Boot Shop. Cathey, a welder by trade, is part of the Billy the Kid pageant at the Caprock Amphitheater, located near San Jon, NM.

Shelia Joyner

Moore said, "The screening committee and I were very impressed with Joyner's concern for middle school students, her enthusiasm and her experience in working with students this age. She has successfully served as the instructional leader and implemented innovative programs in schools very similar to ours."

"We are very excited about her joining our team," Moore said.

Joyner officially begins her new assignment on Aug. 1. She will be visiting the district in June to meet the WJHS faculty and will move to Muleshoe this summer.

## MISD to allow school students to leave campus in two-block radius

The Muleshoe Independent School District Board of Trustees on Tuesday night stopped short of completely closing campuses at DeShazo and Watson Junior High Schools during lunchtime.

In what Superintendent Bill Moore calls a "compromise", the board voted on a policy which will permit students in grades 3-8 at DeShazo and Watson Junior High Schools, to leave the school grounds during lunchtime. However, students will only be permitted to go within a two-block radius from their school campuses and they can only leave if they

have a signed permission slip from their parents.

"We will try this policy and hope it keeps kids from crossing Highway 84 and Highway 214," Moore said. "This policy still gives them flexibility and responsibility during their lunch period."

Moore said though, that if students violate this policy and go further than the two-block radius, they can lose their right to leave campus altogether.

He added, "If we have a lot of problems with this policy and there are a lot of violations, the board may then decide to close these campuses

altogether."

Moore said that the decision by the board Tuesday night was made in spite of anything that has been said or written by anybody regarding the policy.

"We want to be fair to everyone and we think this was a good compromise. It also addresses our safety concerns."

If student leave campus without permission from their parents, they may be subjected to disciplinary action, Moore said.

In a public hearing held about a month ago, several

## MHS has eight All-2-3A picks

Eight Muleshoe Mules have been selected to the All-District 2-3A team, including five to the first team.

The Mules finished the season 18-9 and as the runners-up in District 2-3A under third-year head coach Ted Leps. They qualified for the bi-district playoffs, where they were eliminated by Sanford-Fritch.

Selected by a vote of the district coaches, the team also included seven members of the District 2-3A champion Tulia Hornets.

Mules selected to the first team included junior pitcher Andy Perez; sophomore third baseman John Embry; junior shortstop Jimmy Gauna; junior outfielder Robert

Jaime and senior outfielder Americo Aguirre.

Second-team selections were junior infielder Robert Toscano; junior outfielder Mike Villarreal and senior catcher Jason McClanahan.

All selections were made on stats and performances during district games only.

Perez compiled a 3-1 record in District 2-3A play and was one of only two pitchers selected to the first team. Embry led the Mules at the plate during district play with a .516 batting average, while Jaime was right behind at .515. Aguirre hit .429 in district games, while Gauna hit .379 for the Mules.

McClanahan, who was selected as a second-team designated hitter, compiled a

.407 average during district. Villarreal hit .370 and Toscano hit .286.

Here is the complete team:

## County approves insurance plan

The Bailey County Commissioner's Court on Monday voted to renew health insurance coverage for county employees with HealthSmart, a sister company to Ted L. Parker & Associates of Lubbock. The county has approximately 50 employees.

The county had two plan options to choose from. One of the plans would require the county to adopt a Preferred

Provider Option (PPO) plan. That plan would save the county about \$30,000 a year. However, there would also be an additional \$500 deductible for the employee if they go into a hospital that is not a PPO facility. The Muleshoe Area Medical Center Hospital is not a PPO facility.

The Commissioners, along with County Judge Marilyn Cox want county employees

to be able to use the local hospital, so they voted to waive that particular plan option.

Under the plan the Court did adopt, on Monday, county employees will not have to pay the \$500 deductible in order to use Muleshoe Area Medical Center hospital.

A representative from HealthSmart presented the plans to the court on Monday morning.

## Funds to help drinking water quality

Washington, D.C.--U.S. Representative Larry Combest (R-Texas) announced \$1 million of critically-timed federal funding to reverse the deteriorating quality of the drinking water supply for nearly one-half million Panhandle and South Plains residents.

In 1992, Congress authorized the federal government to provide its promised one-third share of funding for the U.S. Bureau of Reclamation to divert some 30,000 tons of salty brine carried yearly into Lake Meredith by the Canadian River dissolving an underground salt formation.

Last year, Combest joined

other Members of Congress in securing a \$1.4 million installment, approximately half of the \$3 million federal share. Combest has stressed the urgent timing of "funds to the House Appropriations Subcommittee on Energy and Water Development."

The funding now awaits action by the full Appropriations Committee before it is scheduled for a vote on the House floor.

"We are facing a critical phase in this carefully-balanced package of funding," said Combest. "State and local agencies together are contributing \$6 million, and the fed-

eral government must submit its share or jeopardize the entire project. Unless Congress provides \$900,000 to \$1 million of its promised share soon, the two-thirds funding from state and local sources will be lost if all work is not started before August of 1995."

Over the past six years, Congressman Combest and a succession of the area's representatives and senators have worked to forge the federal partnership because the underground information runs across the Texas-New Mexico state lines.

## Around Muleshoe

### Summer lunch program to begin

The Muleshoe Independent School District will sponsor a summer lunch program beginning May 31. It will run through July 29.

Under the program, free lunches will be served to children through age 18. There will be no fees or registration required. Lunches will be served at DeShazo Elementary School. For more information call 272-4360.

### Basketball camps to get underway

Girl's basketball camps will be held from May 30 to June 3 for girls in grades 3-6. A camp for girls in grades 6-9 will be held from June 6-10. Both camps will be held from 8 a.m. to noon.

People can register at 7:45 a.m. on the first days of the camps. A fee will be charged. For more information contact Jacinda Langen at 272-4818.

# KENW auction planned

PORTALES—Viewers and bidders will have an opportunity to bid on more than \$125,000 worth of vacations, merchandise, gift certificates, art and celebrity items during the 1994 Tele-Auction. The auction has been slated for June 5-11.

The tele-auction provides more than 30 hours of exposure for businesses and individuals who have donated to the event.

In the previous 17 years, KENW-TV has offered between \$80,000 and \$95,000 worth of items. This year marks a new all-time record. Much of this credit for this increase goes to the efforts of local auction coordinators. The auction is scheduled for Sunday, June 5, beginning at 1 p.m. on KENW-TV.

# Baseball clinic set for June

Muleshoe head baseball coach Ted Leps will conduct a baseball camp for players ages 8-13 June 6-10 at the Muleshoe High School baseball field.

Fundamentals of throwing fielding and hitting will be stresses and players of all skill levels are urged to attend. The camp is geared toward drills and activities that will help each player improve individual skills, while still having fun.

Ages 8-10 will workout each day from 8:30-10:30 a.m., followed by ages 11-13 from 10:30 a.m.- 12:30 p.m. Cost will be \$25 per person.

For more information, call coach Leps at 272-5633 or 272-4783, or call coach Steve Hatfield, 272-4758.

The board on Tuesday night also accepted a resignation from Frank Maldonado, assistant principal at Muleshoe High School.

The board also voted to hire Pamela Mitchell, who will be a teacher at Dillman Elementary School.

**ONE WAY TO SETTLE THIS**—During the days of the legendary Billy the Kid, it was not common to settle a matter in a civil manner, not for these western characters anyway. Several cast members from the Caprock Theatre in San Jon, N.M. staged an old-fashioned western shoot out in Muleshoe on Saturday at Joe's Boot Shop.

# City reminds residents of ordinance

City Ordinance 65A states that it shall be unlawful for any person, firm, or corporation who shall own or occupy any lot in the City of Muleshoe, Texas to allow weeds, rubbish, brush, or any other unsightly, objectionable or unsanitary matter to accumulate or grow on said lot.

It is again the time of year when, after the occasional rain showers, the weeds on vacant lots are becoming a problem in

our city. The City of Muleshoe would like to encourage people to have these lots mowed and cleaned to prevent health hazards from occurring.

Della Snell, Code Enforcement Officer, has contacted several individuals who have the equipment and are available to do this kind of work. A list of the people is available at the Muleshoe Police Department or at City Hall.

If anyone has property that

needs attention, it is their responsibility to attend to this immediate problem. Failure to comply with this City Ordinance may result in the issuance of a citation and fine.

There are also a number of junk or abandoned vehicles in the City. Ordinance 122A states that it shall be unlawful for vehicles to be abandoned in the City limits. Citations are being issued.

people said there was a need for safety of the children. The only people who opposed the original policy recommendation to close campuses altogether at DeShazo and Watson Junior High were Bob and Susan Copeland, owners of the Snack Shack.

Under the policy which the board adopted Tuesday, the Snack Shack, which is located at 224 West Ave. H, will be within the two-block radius of the schools so students can continue to go there during lunchtime.

The Snack Shack is located in the school zone.

In other business Tuesday, the board approved a contract

with Region\ XVII Educational Service Center for instructional media and voted to continue participation in the Texas Purchasing Consortium, which is an interlocal cooperation agreement with other Texas school districts for purchasing food and supplies for its school breakfast and lunch programs. This will allow MISD to purchase food and supplies at the best possible purchase price.

Theboard also voted to nominate Bill Moore for Superintendent of the Year in Texas. Moore has been superintendent for MISD for three years.

# Water

Continued from page 1

Locally, the project has been sponsored by the regional cities of the Canadian River Municipal; Water Authority. The Bureau of Reclamation will drill wells to intercept the brine before it reaches the river and then dispose of the brine before it reaches the river and then dispose of the brine by deep-well injection.

In 1988, legislation for creating the Lake Meredith Salinity Control Project was introduced in Congress by former Congressman Beau Boulter of

Amarillo and Senator Lloyd Bentsen, then alternately co-sponsored by Congressman Combest and Congressman Bill Sarpalius.

On October 30, 1992, the measure was approved when President George Bush signed into law a combined legislative package of Western states' water projects, ending years of delay caused by an unrelated, controversial bill regulating water usage on California farmland.

## SPS to help in summer with KidCare program

Southwestern Public Service Company is reminding children that the employees driving SPS trucks can find help for them if they are lost or feel threatened or in danger while outside playing this summer.

SPS's KidCare program was initiated five years ago with the cooperation of the International Brotherhood of Electrical Workers Local #602. The program formalized and publicized a service that has always been available. "Our employees have always helped people who have needed help," said Mike McDearmon, SPS Muleshoe Manager. "KidCare simply lets the community clearly know that a marked SPS truck is a place where children can go to get help."

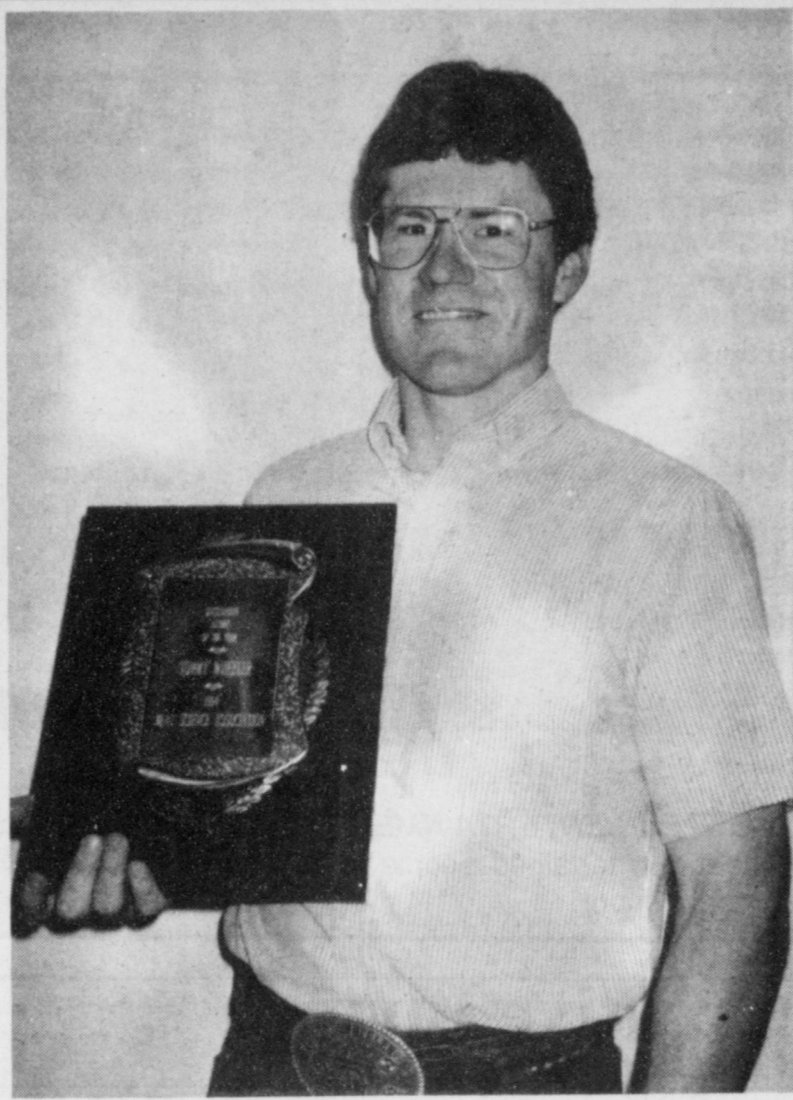

## Wheeler receives award

Dr. Tommy Wheeler received the Outstanding Alumni of the Year Award from the Meat Science Department of Texas Tech University at a banquet on Saturday, May 7.

Wheeler, a research scientist for the government at Meat's Animal Research Center in Hastings, Neb., received his undergraduate and master's degrees from Tech and his doctorate degree from Texas A & M University.

He is the son of George and Peggy Wheeler, formerly of Muleshoe, and currently of Crossroads, N.M. He is the grandson of Johnny and Clara Wheeler of Lovington, N.M.

Tommy played football, basketball and baseball for Muleshoe and graduated in 1980.

**ALUMNI AWARD RECIPIENT** - Dr. Tommy Wheeler was recently awarded the Outstanding Alumni Award at Texas Tech University.

## Senior citizens holds monthly meeting

The Senior Citizens met at the depot May 23rd for a regular covered dish luncheon. Invocation was by Alton Epting. Pledge to the flag led by Wanda Kittrell.

Twenty-eight were present, including three visitors, Carolyn Whitley, Roger Williams and Louise Williams. All enjoyed a delicious meal.

Buster then turned the pro-

gram over to Margaret Collins. She introduced Roger Williams, who spoke to us about the project his son, Corey Williams, who was absent; he was taking his final exam.

Corey has been a boy Scout

10 years; and is ready to receive his highest rank in scouting; he chose a community project to preserve a piece of history. Preserving it in a time Capsule. That will be buried for 50 years. There is much more work to be done

The President asked for the minutes, they were read and approved. The birthday son was sung for Jewell Perry and Leola Stroud.

A motion and second we give \$25.00 to help Corey Williams.

A report was given on their trip to the Heritage Farms at Shallowater. They had an enjoyable trip.

A few of our old favorites were sung led by Buster and J.C. with Odessa and Velma Gwyn at the piano.

## Heart Association elects new officers, gives awards

The Bailey County American Heart Association met Tuesday, May 17 in the parlor of First Methodist Church. New officers, directors and a delegate to the state annual meeting were elected.

Carolyn Kennedy, senior regional director reported Bailey County raised \$2,700 to help fight heart disease. Three Way School, under the direction of Saul Gillen, raised \$291 with the Jump Rope for Heart Event.

Officers for the past year were: Glenda Powell, treasurer; Susan Wedel, secretary; Liz Tipps, development; Sue Holt, program and Virginia Bowers,

communication.

The program chairman, Sue Holt, planned and conducted Heartfest, Schoolsite and Heart Month activities which were very productive.

Tenured awards were given to the following volunteers: Laura Seales, 20 years; Don Seales, 20 years; JoAnn Head, 15 years; Hugh Young, 15 years.

Members present were Carolyn Kennedy, Elizabeth Watson, Glenda Powell, Susan Wedel, Dick Pylant, Laine Meek and Laura Meek.

The theme of AHA for the new year, 1994-95, is "Build More in 1994-95."

## Former Muleshoe resident named school principal

Former Muleshoe resident Gary Wrinkle was recently named principal at Friendswood High School in Friendswood. Previous to this, he was serving as an assistant principal at Alvin High School.

Wrinkle is the son of Roy and Johanna Wrinkle of Muleshoe and is a 1976 graduate of Muleshoe High School.

Wrinkle has seven years of teaching experience and four years of administrative experience. He earned his bachelor's degree in physical education from Texas Tech University in Lubbock in 1982.

He then received his

master's in education administration degree from the University of Houston-Clear Lake. He is currently in the process of completing his Ph.D. in educational administration at UH.

Prior to going to Alvin in 1993, Wrinkle served as an assistant principal at Galveston's Ball High School. His duties there included the supervision of the sciences, business and ROTC departments.

He also chaired a multi-disciplinary management team for working with at-risk youth and edited and wrote the faculty and student/parent handbooks.

# Training on pest management set

Plainview--Training of scouts who survey crops to assess pest infestations in integrated pest management (IPM) programs across the area will be held June 2 at the Ollie Liner Agricultural Center on South U.S. Hwy. 85 (Business 87).

The workshop is open to summer scouts of private consultants and aerial applicators as well as farmers who scout their own fields. It is conducted by the Texas Agricultural Extension Service. Training begins at 8:30 a.m. and ends at 4:30 p.m.

It has been accredited by the Texas Department of Agriculture for five continuing education units (CEUs) toward recertification requirements for private, commercial, and non-commercial pesticide applicators.

This year's workshop will provide instruction on scouting cotton and grains, identification of plant disease and nutrient deficiency symptoms, use of herbicides and safe handling of pesticides, said Dr. Pat Morrison, Extension Service entomologist at Lubbock.

IPM is a coordinated approach to management decisions based on pest infestation levels and economic thresholds. The goal of IPM is to effectively control weeds, insects and diseases and maximize net profit while creating minimal harm to the crop or environment.

Scouts examine fields in a systematic pattern at regular intervals each week. Producer treatments for pests are based

on economic threat to the crop, presence of beneficial insects, which are enemies of the pests, and proper timing of pesticide applications for maximum returns with the lowest chemical input.

Extension Service specialists or pest management agents, are:

CEU training and instruction, Greg Cronholm, Hale-Swisher pest management agent, Plainview. Principles of IPM and sampling, Tommy Doederlein, Dawson-Lynn pest management agent, Lamesa. Cotton growth and development, Dr. Kater Hake, agronomist and cotton specialist, Lubbock.

Thrips, fleahoppers and aphids, David Kistrout, Crosby-Floyd pest management agent, Crosbyton. Bollworms, loopers and armyworms, Dr. Jim Leser, Extension Entomologist, Lubbock. Beneficials, Andy Williams, Castro-Lamb pest management agent, Dimmitt.

Major diseases and symptoms, Dr. Harold Kaufman, plant pathologist, Lubbock. Plant nutrient deficiency symptoms, Dr. Michael Hickey, soil chemist, Lubbock. Herbicide injury and common weeds, Dr. Peter Dotray, weed scientist, Lubbock. Corn and sorghum growth and development, Dr. Brent Bean, agronomist, Amarillo.

Sorghum pests, Greg Cronholm. Corn pests, Brant Baugh, Bailey-Parmer Pest Management Agent, Farwell. Pesticide safety, David Kistrout.

**WESTERN ENTERTAINMENT**— Cast members from the "Billy the Kid Play" at Caprock Theatre entertained people in Muleshoe on Saturday with a western shootout and entertainment.

# Holiday travelers play it safe

Major Lamar Beckworth with the Department of Public Safety says, "In Texas, Memorial Day weekend signals the start of the summertime season for vacation travel". There will be increased dangers to motorists because so many people are anxious to "get away from it all".

Each of us should remember that due to heavier traffic, the potential of having a traffic accident on any given holiday weekend is greater than a regular weekend; therefore people should adjust driving habits for the extra crowded highways this Memorial Day weekend.

All available troopers will be out with emphasis on intoxicated drivers, speeders and other serious violations. Major Beckworth suggests that motorists use preventive measures such as being rested and alert, allow safety space with other traffic, using headlights day and night to see and be seen and taking advantage of safety belts.

Major Beckworth also advised if people consume alcoholic drinks to have a designated nondrinking driver if you must travel. Preventive measures include a pre-trip check of the vehicle and driver. Vehicles should be checked for defective or worn belts, hoses, cooling systems, fluid levels and proper tire air pressure and treadwear.

## Creative Living

with Sheryl Borden

Information on seafood and breakfast treats will be the featured topics on "Creative Living" on Tuesday, May 31st at 12:00 and Saturday, June 4th at 2 p.m. (All times are Mountain.) "Creative Living" airs on public broadcasting station, KENW-TV, from Eastern New Mexico University in Portales, N.M.

Marilyn Rose, Bureau of Seafood in Jacksonville, Fla., will present ideas and suggestions for ways to economize when cooking with seafood.

Another guest, Marilyn Wilkinson, will share some "wake-me-up" breakfast reci-

pes. Wilkinson represents the United Dairy Industry in Rosemont, Ill.

On Tuesday, May 31st at 9:30 p.m. and on Thursday, June 2nd at 12:00 "Creative Living" will discuss motivational management, demonstrate recipes for quick and easy meals and feature projects made from plastic.

Nancy McLon, Vice president of Health Care with White Swan, Inc., will discuss the dynamics of motivational management and creative leadership skills. She's from Oklahoma City, Okla.

Another guest, Barbara Rose, will demonstrate some quick

and easy meal ideas featuring ripe olives. Rose represents the California Olive Industry in Fresno, Calif.

Also, Susan Brown will show some clever ways to recycle all those plastic items around the house. Brown is an artist who has turned her talents toward saving the environment.

She's from Tucson, Ariz.

"Creative Living" is produced and hosted by Sheryl Borden. The show is carried on more than 100 PBS stations in the United States, Canada, Guam and Puerto Rico and is distributed by Pacific Mountain Network, Denver, Colo.

## 1994 National Memorial Day Concert

The 1994 National Memorial Day Concert offers a stirring salute to the 50th anniversary of the Normandy invasion and the heroic women who served in the Vietnam War. The 90-minute broadcast event airs live from the West Lawn of the U.S. Capitol. Hosted by renowned actor Ossie Davis, the program features the U.S. Army Chorus, the Army Herald Trumpets, the Air Force Honor Guard and Band, the Joint Armed Service Color Guard, and the National Symphony Orchestra conducted by Erich Kunzel.

Other performers for the concert include Metropolitan Opera singer Harolyn Blackwell, actress Dana Delany, and singer Maureen McGovern.

**1994 National Memorial Day Concert** airs Sunday, May 29th at 6:30 p.m. on KENW-TV.

Great Performances

### "Suddenly Last Summer"

Maggie Smith, Natasha Richardson, and Rob Lowe star in Tennessee Williams' haunting "Suddenly Last Summer" on **Great Performances**. Smith was Emmy-nominated for her chilling portrayal of Mrs. Venable in the 1993 production. A mesmerizing reflection of how mankind preys on and devours its own, "Suddenly Last Summer" is set in the jungle-like atmosphere of the New Orleans home of the wealthy Mrs. Venable. She has summoned a young psychiatrist (Rob Lowe) to determine whether her niece, Catharine (Natasha Richardson), is sane. Catharine, it seems, has been spreading unrepeatable "lies" about her trip abroad the previous summer with Mrs. Venable's son Sebastian, who died mysteriously in Cabeza de Lobo, Spain. Mrs. Venable wants a lobotomy performed on Catharine to remove the terrible stories from her brain.

The surprising revelation of how Sebastian met his death provides the drama's shocking conclusion. Who is insane, and who is not? The viewer must decide.

**Great Performances "Suddenly Last Summer"** will air Monday, May 30th at 7:00 p.m. on KENW-TV.

### I'D RATHER BE A COWBOY

Tuesday, 31st, 1:30 p.m.

This program tells the story of the small western rancher who struggles to maintain a life style he loves. A unique aspect of American culture is revealed through a cattle drive that took 1,000 steers, a chuck wagon, a bed wagon, and a buggy for food and supplies through 60 miles of sagebrush. Throughout the program ranchers talk about the difficulties they face staying in business due to corporate buy-outs, high interest rates and labor costs, and the low price of beef.

## Work at a cattle farm

Clair hired out to Bob punchin' cows. Clair soon realized it was more like working at a wild game park than a cattle farm. Two square miles of rollin' western Minnesota pasture. Bob never knew how many cows he had. "It doesn't matter if you count'em in the Fall," he'd say, "It's what comes back in the Spring that counts!"

It would be fair to say that the cattle were never handled much. They were 'rangy', as they call it up there. Bob and Clair cowboied a bobtail load of cull cows together for a trip

to the auction yard in Sioux Falls.

The ol' snub nose International chugged the sixty or so miles with no problem. Being clever with machinery, Bob had rigged a long rope from the cab to the tailgate. It allowed him to back up to a loading chute and open or close the gate from the front.

Unfortunately, in downtown Sioux Falls, the cows became hyperactive and tangled in the rope. They managed to raise the tailgate enough so that three cows parachuted out the back.

The boys could feel, rather than see the load lighten. They pulled over and were able to catch two of the stunned beasts. But the third had landed on her feet and escaped! "Don't worry," said Bob, "She'll turn up."

They left word about this missing cow at the sale barn and returned home.

Next day, back at the farm, the phone rang. "Are you Bob?... This is the Sioux Falls Police Department... We have your cow... we need the name of your insurance agent..."

Forty-eight thousand in damages...

"Well, we found her last night. She was wild as a peach orchard boar! We surrounded her with four patrol cars. Our plan was to euthanize her but nobody could get a clear shot as she careened around inside our makeshift car corral. She destroyed the sides of four cars.

Broke windows, tail lights, side mirrors and spotlights. Dented, bashed, banged and fouled doors and fenders. Ripped off door handles, chrome and antennae till it looked like a smash

up on the highway! Then she jumps out over the top demolishing the flashing light array, two yard fences and a permanent Nativity scene!

"Four blocks away we surrounded her again and finally dispatched her humanely. There will be some additional liability to repair the bullet holes in the side panels and at least three new tires.

"We called the rendering truck."

The next day Bob got another call from the Sioux Falls Police. "I already talked to you

yesterday," he explained, "You have my insurance agent."

"We realize that but this is Internal Affairs."

It turns out that four of the officers had taken the cow over the state line to be butchered. Internal Affairs was calling to see if Bob wanted to press charges!

Bob didn't, but between Internal Affairs, his insurance agent and his conscience, they reached a compromise. It included, I'm told, one complimentary parking ticket and a GET OUT OF JAIL FREE card from Sioux Falls' finest.

## Legal Matters

By Dan Morales, Texas Attorney General

To curb the rise in juvenile crime, many cities have considered adopting curfews. However, the constitutionality of these ordinances has been the subject of much debate and litigation.

Critics contend that curfews unfairly discriminate against minors, violating their rights to freedom of movement and association. Critics also express concern that curfews may be enforced in a discriminatory manner by police. Supporters, however, say that in the interests of protecting citizens, including minors — juveniles

should not be allowed to roam freely at night.

A Dallas curfew enacted in 1991 survived a constitutional challenge by persuading the court that it promotes an important goal (crime prevention) without unduly infringing on the rights of juveniles. Undoubtedly, other communities will be looking closely at the language of the Dallas ordinance.

The Dallas City Council ordinance barred individuals under 17 from public places or establishments from 11 p.m. to 6 a.m. on week nights, and

from 12 a.m. to 6 a.m. on weekends. Two weeks after the ordinance was passed, four parents filed suit, claiming that the curfew was unconstitutional. The city of Dallas agreed not to enforce the curfew until the district court made a ruling.

In August 1992, the court ruled that the ordinance was activities are not exempted from coverage under the ordinance.

While the curfew ordinance would restrict some late-night activities of juveniles, when balanced with the compelling interest of preventing juvenile

crime, the impositions against the rights of the juvenile and the privacy of the parents were minimal.

The bottom line: the Dallas curfew is constitutional.

If a community decides to pass a curfew ordinance, it is imperative that its police department initiates sound training. A curfew must not be used to restrict the movement of a particular class of juvenile, and it may not target juveniles of a particular neighborhood.

## Gleason named USAA national award winner

Casey Gleason, who attends Evans Junior High School in Lubbock, was recently nominated for this national award by Ernestine Cantu, a Spanish teacher at the school.

Gleason is the daughter of Bobbie and Debbie Gleason and granddaughter of T.L. and Nancy Gleason of Lazbuddie and Oland and Frances Burrows of Lubbock.

The academy selects USAA winners upon the ex-

clusive recommendation of teachers, coaches, counselors or other school sponsors and upon the standards of selection set forth by the academy.

The criteria for selection are a student's academic performance, interest and aptitude, leadership qualities, responsibility, enthusiasm, motivation to learn and improve, citizenship, attitude and cooperative spirit, dependability and recommendation from a teacher or director.

## Dinner to honor Laney

PLAINVIEW — A "Thanks to Pete Laney" Dinner will be held for the Texas House Speaker on Tuesday, June 7 at 6 p.m. at the Ollie Liner Center in Plainview.

Several hundred people from throughout the state are expected to attend, including Lt. Governor Bob Bullock and many members of the House of Representatives. Suggested attire is western or casual.

West Texas musician Travis Thornton will entertain. Former State Representative Ralph Wayne from the 85th district will serve as master of ceremonies.

The meal will start at 6 p.m. and the program will start at 7:30 p.m.

### Public Notice

On March 23, 1994, GTE and Contel ("The Companies") filed applications with the Public Utility Commission of Texas ("PUC") to restructure the Companies' Switched Transport rate category and reduce the Carrier Common Line (CCL) charge of its Switched Access Service. The tariff sheets in GTE and Contel's applications, if approved, will bring the Companies' state access tariffs into structural parity with their interstate tariffs for the Local Transport rate category, which became effective on December 30, 1993.

GTE and Contel propose to implement the new tariffs on a revenue neutral basis. The Local Transport category of GTE and Contel's Switched Access Service is primarily for interexchange carriers.

Persons who wish to intervene should file a motion for intervention with the PUC by June 17, 1994 with reference to Docket No. 12866 (GTE) and/or 12865 (Contel). Requests for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757, or call the Public Utility Commission Public Information Office at (512) 458-0223 or (512) 458-0227 or (512) 458-0221 teletypewriter for the deaf.

#### Quitaque chili cook-off planned

QUITAQUE — The Quitaque Chamber of Commerce will hold its first annual Trail Winds Chili Cook-Off

on June 4 as part of Quitaque's second annual National Trail Days Celebration. It will be held in downtown Quitaque.

Categories for the cookoff include sanctioned competitors, media and amateur. Chili cooks can also compete in the showmanship category. Pre-registration is underway.

A registration fee will be charged. For more information contact Jenifer Pigg at 1-800-687-1329 or Sassy Reynolds at 455-1115 or 455-1200.

## Students assist elderly through PAL

Students in the Peer Assistance in Leadership (PAL) class at Muleshoe High School this semester participated in a program to help the elderly. They received a list from the Meals on Wheels program in an effort to help people.

They also visited with representatives from Muleshoe Association to Serve the Hungry (MASH). MASH provided the students with money to spend on a senior companion they visited with.

"This was a chance for the students to provide companionship to the elderly," said

Alice Liles, a MHS teacher who sponsored the project. "It provided a means for the kids to visit."

Liles said that students in the PAL program are required to do a community project, and this is what they chose. Students this year also participated in a Toys for Tots project.

After receiving funds from MASH, the PAL program had \$66 left over. They then donated this money to Meals on Wheels to use in any way they see fit.

MASH originally gave students \$200 to buy a gift for

their senior companion, about \$10 to each student participant.

Liles said the program also helped kids to help other kids. They also worked with students from Dillman and DeShazo Elementary Schools.

Students in PAL attended a state convention in Austin in February, where more than 2,000 students participated from throughout the state.

"The students were basically there to share ideas and receive further training," Liles said.

TO ALL INTERESTED PERSONS AND PARTIES:

You are hereby notified that VALLEY GRAIN PRODUCTS/ADM MILLING CO. has applied for renewal of Texas Natural Resource Conservation Commission (TNRCC) Air Quality Permit No. 5735 to continue the operation of a Grain Elevator in Muleshoe, Bailey County, Texas. The location of the facility is 1 1/4 miles east of Muleshoe on U.S. Highway 84. This facility will emit the following air contaminants: Particulate matter, nitrogen oxides, sulfur dioxide, carbon monoxide, and volatile organic compounds.

A copy of all materials in the public file is available for inspection and reproduction at the TNRCC Lubbock Regional Office, Air Program, at 4630 50th Street, Suite 600, Lubbock, Texas 79414-3509, telephone (806) 796-3494. The facility's compliance file, if any exists, is available for public review in the regional office of the TNRCC. Inquiries about the permit application and any information concerning any technical aspect of this application can be obtained by writing Kyle R. Hagen, TNRCC Office of Air Quality New Source Review Program, P.O. Box 13087, Austin, Texas 78711-3087 or the TNRCC Lubbock Regional Office.

You may submit written comments concerning the permit renewal to the Office of Air Quality, New Source Review Program in Austin. All written comments received within 15 days after the second publication of this notice shall be considered by the Executive Director in determining whether to renew the permit. All written comments will be made available for public inspection at the TNRCC Central Office in Austin. This notice is to be published on Sunday May 22 and Thursday May 26. Any person who may be affected by emissions of air contaminants from this facility may request the Commission to hold an informal public meeting and/or contested

case hearing on the permit renewal pursuant to Section 382.056(d) of the Texas Health and Safety Code. The Commission is not required to hold a contested case hearing if the basis of a request is determined to be unreasonable. All requests for a contested case hearing must be received in writing within the 15-day comment period regardless of whether an informal public meeting has been held or scheduled on this matter. If you wish to request a public hearing, you must submit your request and daytime phone number, (2) the permit number or other recognizable reference to this application; (3) the statement "I/We request a public hearing"; (4) a brief description of how you, or the persons you represent, would be adversely affected by the granting of the application; (5) a description of the location of your property relative to the applicant's operations; and (6) your proposed adjustment to the application/permit which would satisfy your concerns and cause you to withdraw your request for hearing. Requests for a public hearing should be submitted in writing to Bill Ehret, Assistant Chief Hearings Examiner, Texas Natural Resource Conservation Commission, P.O. Box 13087, Austin, Texas 78711-3087, Telephone (512) 305-9087.

## Local youth to perform with Methodist choir

Spirit Wind '94', the Northwest Texas United Methodist Annual Conference Choir will be performing in the First United Methodist Church in Muleshoe on Friday June 17, at 7 p.m.

The choir is a select group of United Methodist Senior High youth from all over the Panhandle and West Texas area. They have been selected from more than 160 youth who auditioned in Lubbock, Amarillo, Abilene, and Midland in January of this year and represent communities and churches of all sizes.

Muleshoe youth in this years choir are: Fara Black, Emily Bomer, Jeanne Cox, Twyla Gear, Julie Gilleland

and Gage Tosh.

The music for this year's concert includes, the works of Richard Farrant, Hans Leo Hassler, G.F. Handel, Franz Joseph Haydn, Ralph Vaughn Williams, as well as music from contemporary composers and arrangers such as Allen Pote, Craig Courtney, Warren Martin, Lloyd Larson and others.

One of the highlights of this year's concert is Nicholas White's setting of O For a Thousand Tongues to Sing, commissioned and written for the 1994 choir. White is the Director of Choral Activities at McMurray University and is becoming one of the leading composers of Church music in the '90's.

Spirit Wind for the 13th year is under the direction of Bert W. Bostic, Minister of Program/Music for the St. Luke's United Methodist Church in Midland. During the 13 years of leadership given by Bostic the choir has grown from 21 members to over 130.

Jon Johnson, Chairperson of the Fine Arts Department at South Plains college will be

co-directing the group for the sixth season. The choir is accompanied by Debby Vester, the Music Assistant/Organist for St. Luke's United Methodist Church.

This year's tour will include performance in Brownfield, Sweetwater, Rotan, Aspermont, Wellington, Lubbock, Amarillo, Dumas, Borger, Perryton, Muleshoe, and Midland.
