Donald Rhea, Flute Hutsell, and John Francis received high honors in regards to their football

playing this season.

Rhea and Hutsell received positions on the all-district and regional all star teams.  
Francis received honorable mention on both teams.  
The Silverton Owls are very proud of these boys.

### SPORTS NEWS

The boys went to Tulia Friday night and met the mighty Tulia hornets. The hornets seemed to be on a rampage as they really gave the Owls a rough time. In the A string game Rhea made the most points, but none of the boys made too many scores. The B string game was very exciting, but the Hornets again came out victorious. However, after more practice we should have a winning team.

### GIRLS BASKETBALL TEAM PLAY AT HART

The girls basketball team went to Hart over the week end and entered a tournament there. They played the Nazareth girls Friday afternoon at 2 o'clock and lost with a score of 12-18. Friday night at 7 o'clock they met the Olton girls and fought a close battle all the way through. However, in the end, the Owls won 31-30. Saturday night, we again journeyed to Hart to play the finals for consolation. There the Owls were up against the mighty Lockney Longhorns. The Owls had hard luck and finally lost to the Longhorns.

This week end the boys and girls again go to Hedley where they will enter in a tournament. The boys first opponent will be Carey and the girls first opponent will be Shamrock. Both teams have good chances of bringing home some beautiful trophies.

### EDITORIAL

Has it occurred to you that school is more than two thirds over? The past 12 weeks have flown by pretty fast and all of the students are hoping the remaining weeks will fly equally fast. Everyone is glad the first semester is nearly over until they stop to think of all the work left to be completed. The English term themes, as well as the book reports and poetry are still lacking. By the way, these are due before mid-term. After the Christmas holidays, only a short time will remain to finish this work. By the looks of things, we had better get busy and finish up unless we want this first semester of work to be wasted. No hay, it is something to think about so let's buckle down and study and finish the first semester as a great success.

### SILVERTON LIBRARY RECEIVES NEW BOOKS

### JUNIOR FOOTBALL BANQUET

Sixty four students from the seventh and eighth grades, four teachers and Neva Joy Reithmeyer enjoyed the junior football banquet last Thursday night. It was given by the mothers and held in the basement of the Methodist church at 7:30.

The tables were beautifully decorated with candles, flowers, and the place cards.

Songs were sung by Donna Mayfield, Anne Brown and Carroll Welch accompanied by Joy Reithmeyer. Mrs. Redin, Mr. Banks, Mr. Brown and Carlyle Satterfield made very interesting speeches. Freddie Hamilton was toastmaster.

Everyone reported a happy time that night.

The junior high grades wishes to take this means of expressing our thanks and appreciation to the mothers for helping us make our banquet possible and successful.

### THE OWL HEARD...

What is it that the senior girls have that junior girls don't? Junior boys!

It seems like Mary Lou has made up her mind—but has Pat? Melvin has found a new girl. He must have changed from "m" to "v".

Which do you like best Mary Lou, Pontiacs or Frazers?

Seems the Tullia girls have something that the Silverton girls don't have. What about this Dean, Billy Don, Wayne and Pat?

Silverton sure must have been dead Saturday night. Even Mary Tom and Fayrene, and the Tech boys went to Tullia.

Wayne may make a lot of trips to Tullia but he makes quite a few elsewhere too. Doesn't he, Dottie?

Why were Kay, Fred, Sandra, Junis and Flute standing so hopefully on the street corner Sunday afternoon? Could it be that Mary and Don had their car?

The days are getting brighter for Joe Wayne. At least their brighter when "Sunshine" is with him.

Why was Carol in Tullia Friday night other than for the ball game? Could Joyce have anything to do with it?

[Say kids, have you noticed Flute's hair? Are he and Junis Flute's hair? Are he and Junis cut their hair the shortest?]

Who was Bonnie with at B. T. U. Sunday night? Do you know, Theodore?

Mary Lou was with Joe Lee Sunday night. How does that new car ride, Mary Lou?

Why did Gay and Mary have so much fun at Hart? Could it be that they met up with some old friends.

Gay, I didn't think basket ball girls could drink cokes? You had better cut those coke bets, especially when you have to pay off.

Why were the Silverton girls cheering for Hereford and Canyon so much? Could it have been because of Johnny and Harold?

If any one wants to know who McDowal from Happy is, just ask Millie and Joan.

Sandra and Fred and Junis and Flute were together again Sunday. This is getting to be quite a habit.

Why were Mary and Peggy's faces so red just after arriving in Hart Friday? Girls, you had better be sure to open the door to the right dressing room the next time.
