J. W. (Jack) Walker, Jr. to Make Race for Texas Legislature

J. W. Walker, Jr., presently studying law at Baylor University, Waco, will make the race for the Texas Legislature in the newly created 89th legislative district. This district is a part of that now served by Judge H. M. LaFont, who is seeking election from the new 30th senatorial district to the Texas Senate. It includes four counties, Briscoe, Hale, Swisher and Floyd.

Walker is 25 years of age, and a native of this area. He attended Plainview schools. From Virginia Military Institute he went into the Marine corps and served until 1945. Upon discharge he enrolled at West Texas State College at any time. He graduated from the University of Texas and is now continuing his studies at Baylor University in the law school. Through several years he was associated variously with his father in the grocery business. While studying at Baylor he is working as a claims adjuster for an insurance company.

He made this formal statement: "After some months of serious deliberation I have decided to offer myself as a candidate for the Texas Legislature as a representative from the 89th legislative district. In so doing I am doing I am fully aware of the serious step I take for it is both a great responsibility and a great honor to ask to represent the citizens of the area where I was born and where I have spent the 25 years of my life. I believe that citizenship with its attendant privileges and responsibilities is a basic obligation and prime factor in the successful operation of our American democracy."

"I believe that before our nation can find statesmen it must produce individuals of character and deep conviction as to principle who are willing to serve in the common ranks to the end that honest government can and will prevail. It is to principle that I dedicate my services in the full belief that every problem, settled in that light will find the proper relationship to basic good government.

"I feel I have an intimate knowledge of the needs and problems of our section of Texas and the practical experience plus the integrity of purpose and character to find the best answers for them. If elected I shall keep my record in the future, as it has been in the past, open to public scrutiny."

A. E. Bellinger, Accompanied by his son, Paul, of Valenzuela, California, left last Friday morning for Rochester, Minnesota, where Mr. Bellinger will enter Mayo's Clinic for a check-up on his health. His daughter-in-law remained in Silvertown and will assist Mrs. Bellinger in the store during Mr. Bellinger's absence.

Proclamation Issued By the Governor Of Texas

Greetings:

History teachers, and many recent examples in various parts of the world have demonstrated with startling clarity, that freedom such as we cherish cannot long exist without popular understanding and appreciation of individual responsibility.

One of the basic institutions upon which we rely for the furtherance of our American ideals is the public school system. Public schools, by enabling every child to gain a liberal education regardless of station in life, promote recognition of the responsibilities of citizenship and constitute a major bulwark against subversive doctrines.

We in Texas are proud of the school system that has been developed in our state. Its success has been due to many factors—the interest of mothers and fathers in their children, the cooperative efforts of state and local officials, and the energy and determination of those public spirited men and women who are devoting their lives to the teaching of our children.

The continued progress of our school system requires increased public understanding of the importance of education and the greatest possible encouragement and support of our teachers. To this end, I, Allan Shivers, Governor of Texas, do hereby designate the period March 2, 3, 1952, as Public Schools Week in Texas, and I urge that during this week every citizen visit a public school and become personally acquainted with the work and activities of our public school system.

In official recognition whereof, I hereby affix my signature this 16th day of January, 1952.

ALLAN SHIVERS,
Governor of Texas.

Mr. and Mrs. Ware Fogerson and children, Mrs. Florence Fogerson, visited Mrs. J. D. McElroy in Canyon Sunday afternoon. Mrs. McElroy who underwent an operation in Amarillo hospital several days ago was able to be moved to her home in Canyon Thursday. Her sister, Mrs. Maude Long is with her.

Mrs. J. E. Jackson, of Plainview, is visiting in the home of her daughter, Mr. and Mrs. C. O. Allard this week.

Mrs. Troy Burson took her mother, Mrs. R. M. Hill to Lubbock Tuesday for a check-up at the hospital.

Mr. and Mrs. Shortie Meyers, of Amarillo, visited in the home of their daughter, Mr. and Mrs. Herbert Brown last week. They also visited Mr. and Mrs. Cow-san.

Public Schools Week Will be Observed March 2 to 8

Silvertown will take its part in the second annual observance of Texas Public Schools Week to be held March 2 to 8, according to M. G. Moreland, Superintendent of Schools.

Public Schools Week was instituted two years ago in order to provide an opportunity for parents and others to visit their schools and acquaint themselves with the work being done. The Governor proclaims the week and both state and local school authorities join in the undertaking. More than 900 citizen committees throughout the state this year are cooperating with their local school officials in the observance.

It is the work of the citizen groups to develop public interest in the local school programs in order that the fullest possible attendance on the part of the public may be registered.

On Friday, March 7 the high school will begin a back to school program for parents of high school pupils.

At 2:00 p. m. on above date all parents are being asked to go through the schedule of their boy or girl as it is done each day by the pupils except the periods will be shorter. During each period the regular teacher will conduct the class. Pupils will assist the parents in locating their classes.

You will be a welcome visitor any day during the week and may we urge you to be here on Friday, March 7.

Expect 500 Women For Homegrounds Improvement Course

Texas State College for Women is preparing to welcome between 400 and 500 women to the second Work Shop on Home Grounds Improvement March 13-14, Denton, Texas, reports Sadie Hatfield, homestead improvement specialist with the Texas Agricultural Extension Service. A year ago home demonstration club women and others met there for the first two day event.

Homestead improvement problems will be the highlight of the program co-sponsored by the Extension Service and the College.

Miss Hatfield says method demonstrations will be used in the work shops and "talk" will be held to a minimum. The women will be divided into groups to attend the various work shops.

Miss Mary Lou Bellinger, who is attending W. T. S. C., at Canyon, spent the week end at home.

Mr. and Mrs. E. A. Bellinger, Mr. and Mrs. Paul Bellinger, of Valenzuela, California, Mr. and Mrs. Keith Tiffin, were dinner guests of Mr. and Mrs. Clyde Wright Wednesday night.

Mr. and Mrs. Clyde Wright visited friends in Matador Sunday.

Mr. and Mrs. J. D. McGavock and boys, of Amarillo, visited in the home of Mr. and Mrs. Leo Comer Sunday evening.

Mr. and Mrs. Clyde Wright were business visitors in Lubbock Thursday.

J. W. Lyon, Jr. Asks Re-election As County Judge

TO THE PEOPLE OF BRISCOE COUNTY:

In announcing my candidacy for re-election to the office of County Judge and Ex-Officio County Superintendent of Briscoe County, I do so with full realization of the duties of the office and the responsibilities connected therewith. I sincerely feel that the experience gained while serving you in the past will enable me to serve you even better in the future.

To each and every one of you, I wish to take this opportunity to express my sincere appreciation for the fine help and splendid cooperation which you have given to me while serving as your County Judge, as the success of any County Official depends largely upon the help and cooperation of the people of the county in which he serves. A continuation of this fine spirit of cooperation and support is earnestly solicited.

Sincerely,
J. W. LYON, JR.

Examination of Palsied Children will be Monday, March 17

A clinic for the examination of cerebral palsied children will be held Monday, March 17, at the Cerebral Palsy Treatment Center, 3502 Avenue N, Lubbock.

Orthopedic specialists from Midland, Plainview, and Lubbock, a neuropsychiatrist, pediatrician, eye specialist, and a dentist will be present to examine children.

Cerebral palsy is sometimes referred to as spastic paralysis or birth injury and may be evidenced by the child's inability to sit alone, stand alone, walk or hold objects at the age these things are accomplished by the average child. Research has shown that treatment is most effective if started within the first few months of the child's life although children respond to treatment begun at a much later age.

Parents planning to bring children to the clinic are requested to register the children at the Center prior to the date of the clinic. Information regarding the clinic may be obtained by writing Miss Elinor Guza, director, or calling Lubbock 5-6541.

19 4-H Club Members Will Enter Livestock In The Show

4-H club boys and girls are grooming their livestock for the Briscoe County Fat Stock Show next Friday, February 29. Leo White, Briscoe County Agent, reports that almost half of the livestock in the show is owned by 4-H Club members. Most of the youngsters are feeding beef steers under dry lot conditions. Ronald Welch, Gaylyn Calloway and Judy Burson will enter steers in the Milk Fed Class.

Those entering steers in the dry lot class will be: Joe Brannon, Robert Halley Hill, C. L. Dunn, John Schott, Tom Thompson, Bobby Crass, James Albert Jacobs, Leah Dare Kellum, Bill Stephens, Donnie Stephens, Carlye Monroe, Don Cornett, Randall Hamilton, Verlon Hamilton and Willie Gragson. Carlye Monroe is the only member feeding two steers. Most of the steers are Herefords, however, 4-H club members are feeding steers of three breeds. Five of the calves are Aberdeen Angus and one is a beef type Shorthorn.

Joe Edd Helms, a 4-H club boy from the Gasoline community and exhibitor of the grand champion barrow in last year's show, will be exhibiting two Chester White barrows in next Friday's competition.

FFA members from Silvertown and Quitaque will exhibit beef calves, pigs, lambs and beef heifers. The heifers will compete in the open class where adults will exhibit. The 1952g show will have a class of bulls open to adults.

White said, about eighty head of livestock will be entered in the show next Friday and the competition will be keen. Most of the livestock are in good show condition and ready to go on to area shows. Some of the animals will move directly from the county show to Amarillo Fat Stock Show which opens the following Monday. Others will be kept for the Lubbock show which opens March 17.

FOURTH GRADE NEWS

We are having six week tests. The mothers entertained our room with a Valentine party. Each child had decorated a Valentine box.

Because some of us haven't learned the proper use of a pocket knife a rule had to be passed forbidding any of us to bring knives to school.

The class is working hard to achieve the goals set up for this semester work.

Only twelve weeks remain in this school year. We plan to make good use of them.

By Fourth grade.

SIXTH GRADE NEWS

The sixth grade had a Valentine party Thursday. Soda pop and pop corn balls were served. Each person exchanged a box of candy instead of giving Valentines. A few games were played. Everyone had a lot of fun. Mrs. Autry, Mrs. Garrison, Mrs. Stephens and Mrs. McCutchen helped with the party.

FAT STOCK SHOW

The Silverton F. F. A. chapter plans to have the following animals in the Briscoe County Junior Fat Stock Show which will be held on Friday, February 29 from 11 o'clock till about four o'clock:

Eleven fat barrows, six fat lambs and eleven fat steers.

Also, some of the boys are planning to bring some breeding animals to enter in the breeding classes, which are open to any beef animal under three years of age.

All parents are invited and requested to be at the show.

All grade school students from the eighth grade down will have to have their parents to get them out of school. The buses will run at 12:30. So parents letting their children go to the show will have to provide transportation home for their children.
Jack Graham.

Grain Sorghum By-Product Feeds May Become Important

Grain sorghum by-product feeds—sorghum gluten feed and sorghum gluten meal—may become important in the rations of livestock grown in Texas. These feeds have been available for only three years.

Grain sorghum made up about 30 per cent of the total grain grown in Texas from 1941 to 1950. In 1950 it made up nearly 50 per cent of the total grain produced in the state.

One reason for the increasing importance of grain sorghum in Texas is its expanding industrial use. The grain now is being processed in a manner similar to corn.

Sorghum gluten feed and sorghum gluten meal are by-products obtained when sorghum grain is processed for starch, sugar and oil. These feeds are offered for sale as "milo gluten feed" and "milo gluten meal."

The Texas Agricultural Experiment Station conducted a

series of feeding trials from 1947 through 1951 to determine the value of these by-products. Beef cattle, dairy cattle, poultry, sheep and swine were fed in the tests.

"Grain Sorghum By-products Feeds for Farm Animals," B-743, a new bulletin released by the Experiment Station, discusses the feeding value of sorghum gluten feed and sorghum gluten meal.

This bulletin is available from the Publications Office, College Station, Texas.

OLD-FASHIONED LIVING **MODERN LIVING**

MODERN LIVING IS ELECTRIC LIVING!
Scrub-a-dub-dub, work in the tub... that was the old way of clothes washing with the steaming kettles of hot water on the old kitchen wood stove. Water in the tub was either too hot or too cold, cleansing of the really dirty garments meant backbreaking scrubbing on the old corrugated scrub board and usually the kitchen floor got its share of messy, slopped-over yellow soap suds. Today, thanks to electric service, and modern electric appliances, wash day is almost completely automatic. Your clothes are washed automatically with correct water temperatures and modern improved soaps or detergents replace the old scrub board.

NEW Texas Almanac at the News office.

During the 1950-51 fiscal year, the Feed Control Service estimates that 3,853,596 tons of commercial feeds were tagged in Texas. Facts on this important service are contained in the 4th annual report of the Feed Control Service.

The Texas Home Economics Association and Texas Nutrition Council will meet in Austin on March -8 at the Stephen F. Austin Hotel.

A complete forage program should be a must with every Texas livestock producer. It should include provisions for permanent and supplemental pastures as well as for crops that can be stored either as hay or silage.
