

## County approves small tax increase; Adopts new budget

By Helena Rodriguez

The Bailey County Commissioner's Court on Monday voted to increase general fund and farm to market flood control tax rates for the 1995 fiscal year by three percent over the effective tax rate. The increase is less than 3 percent higher than last year's rate.

General fund taxes, which were .3391 per \$100 valuation will be increased to .347 for the new year. Farm to market flood control tax rates were .733 last year and will be .748 for the upcoming year.

The total rate for both taxes this coming year will be .4218, compared to .4124 last year.

County Commissioner Bennie Claunch was the only member to vote against the tax increase. He said that part of the increase in tax rates was made to facilitate the cost of raises for county employees and elected officials.

After weeks of discussion, the Commissioner's Court formally adopted the budget for the 1995 fiscal year on Monday, which includes the raises.

However County Judge Marilyn Cox said, "Taxes were raised because of inflation. The services we offer costs more

and we have to keep up with inflation."

She said the tax increase was also partly due to federal mandates which are not funded. This is when the government orders counties and other entities to do something or change a procedure, which costs the entities money, but are not funded. Since they are mandates, the various government entities must come up with their own funds in order to comply.

"Mandates are one of the big things that are really hitting us in every area," Cox said.

Cox added that the increase in taxes is minimal. She said the hike will result in an increase of a little more than \$9 in annual taxes for every \$100,000 of property.

Claunch also said, "I do not agree with the raises because all offices were not given a raise. If we are going to give raises, everyone should get a raise."

The County did not give pay raises to new employees and to two elected officials, County Clerk Barbara McCamish and County Attor-

## MISD enrollment in Pre-K exceeding capacity

Muleshoe Schools Superintendent Bill Moore reported to the Board of Trustees Monday night that enrollment in the Pre-Kindergarten grade is high. The program is currently three students over the limit.

Moore said however, that schools generally see a decline in enrollment in mid-October. But if the enrollment in Pre-

Kindergarten does not go down as expected, Moore said the school district will then have to ask the state for a waiver.

In other business Monday night, the board viewed a video and heard a report from Moore concerning the Practical Parent Education Program which will start soon.

Moore said, "The goal of

this program is to improve communication with parents."

Several teachers and volunteers have undergone training in order to conduct the program, which originated in Plano.

The program, which will run for four weeks, begins next Tuesday. Sessions will be conducted in Spanish as well.

It will be held at Dillman Elementary School in the fall and at DeShazo Elementary School in the spring. The program will be available for parents with children from birth to age 18 years old.

## Mules seeking to return to winning track at Lubbock Cooper

After a disappointing loss to Denver City last week, the Muleshoe High School football team takes to the road Friday night to face Lubbock Cooper with a chance to move to 2-1.

The Mules (1-1) face a Pirate team that is 0-2, but lost to two very tough teams in Post and Shallowater.

"They're 0-2, but when you lose to teams like Post and Shallowater, you can't really say that you're a bad team,"

MHS head coach Randy Adair said. "They've been picked to contend for runner-up in their district (3-3A).

The Pirates lost 31-0 last weekend to Shallowater, a team picked to contend for the District 2-3A title (Muleshoe's district).

"Cooper has really improved over last year," Adair said.

The Pirates have a big, strong team that play a physical brand of football, accord-

ing to Adair.

Cooper returns 15 lettermen, with six offensive and five defensive starters from last season's 4-5 team.

"They have a running back with some speed and they have some other tools, but they just haven't put it together yet," Adair said of the Pirates.

Offensively, Cooper will line up in multiple sets, but their main weapon is the counter trey. They will also

run some option and some power inside and outside, according to Adair.

The Pirates passing attack consists of the bootleg off the counter fake.

"They haven't been super effective throwing the ball yet this season, but it doesn't mean they aren't capable of throwing," Adair said.

The Mules, on the other hand, plan on opening the game with their potent passing attack, and using it to set

up the run.

"We're going to come out throwing the ball," Adair said. "We're still kind of struggling running the ball, but the past two games, our passing game has opened things up for the run."

The Pirate defense is big, but might be vulnerable to the pass.

"Defensively, they're physical. They're the type of kids that if they get a hold of you, they'll squeeze you, but they

don't look like they have a lot of team speed, especially in their secondary," Adair said.

Those qualities might not be to promising for the Pirates, considering the Muleshoe offense has picked apart their two previous opponents through the air.

Spearheading the Muleshoe air show has been the connection of senior quarterback Jimmy Gauna and junior

## Construction of world's largest muleshoe underway

Kermit Price, a Boy Scout who is currently pursuing an Eagle Scout Badge, has began work to set a world record.

Kermit wants to erect the world's largest muleshoe in front of the Heritage Complex and work has begun.

With the help of Robert Orozco and Santiago Gonzales, a 22 feet by 16 feet wide steel muleshoe is being constructed at Pivot Products.

Construction is expected to be completed in a couple of weeks.

Kermit said there is still a lot of bolting that needs to be done.

To help raise money for the project, Kermit has been sell-

ing miniature muleshoes. The muleshoes will have the name of the person who purchased it engraved on it.

The muleshoes will then be inlaid along the walk at the Heritage Depot, similar to stars at the Hollywood Walk of Fame.

Kermit has sold 200 muleshoes and still has 200 more he needs to sell.

People intested in purchasing a muleshoe should contact Kermit.

A date has not been set yet for the muleshoe to be erected.

For more information contact Kermit at 272-5134 or at 272-5536.

## Field claims top football contest prize

Long-time contestant Terry Field of 1709 West Ave. H, Muleshoe, won the second Muleshoe Journal/Bailey County Merchants football contest for 1994.

Field finished Week 2 with a 13-3 mark to stand alone at the top and claim the \$10 first prize.

The battle for second and third went to the tie-breaker, with Alma Orozco of Rt. 2, Box 165, Muleshoe; Francisco Torres of 814 W. 2nd, Muleshoe and Keith Hicks of Rt. 3, Box 805, Muleshoe, all ending the week with 12-4 records.

On the first tie-breaker, Torres correctly picked Dallas to defeat Houston, but pre-

ney Paul Crosnoe.

The Court elected not to give a raise to the county clerk because she lost her bid for reelection in the March primaries and will be leaving office in December. The Court felt new employees in that office should not be given raises because it wouldn't be fair to employees who had been there longer.

The Court also did not give a raise to Crosnoe, who was appointed to replace former County Attorney Luther Thompson several months ago. Crosnoe has filed to seek election to this office in November.

However, Claunch also said, "I do not agree with giving myself a raise and having to raise taxes to pay for it." He said that while raises were not the only reason taxes were raised, it did have something to do with it.

County Commissioner Butch Vandiver said he was just against the idea of giving himself a raise.

County employees received a raise last year. Elected officials have not received a raise in

three years. Also on Monday, the Court approved an amendment to the personnel policy aimed at reducing compensatory time for county employees.

The new policy states that, "In lieu of payment for any overtime hours, employees will receive statutory compensatory time at the rate of 1-1/2 times each hour actually worked over the statutory maximum for the work period."

The policy further states that, "Any statutory compensatory time accrued in one month is required to be taken in the following month. If statutory compensatory time is not taken in the following month, due to uncontrollable circumstances, the department head of the employee involved will be required to report to the Commissioner's Court the reason for failure to comply with this requirement."

County Judge Marilyn Cox said that she met with the sheriff and said that he felt the department can try to keep compensatory time down with this new policy.

## Red Cross in need of help

The American Red Cross and the citizens of America have a long relationship of helping each other.

Currently the American Red Cross, South Plains Regional Chapter, is in need of assistance. The South Plains Regional Chapter needs volunteers.

Due to the growing community needs the Red Cross needs volunteers in all it's areas of operation. The primary areas that need volunteer support are in Disaster Services

and Health and Safety Services. There are numerous ways that people can assist the Red Cross, help the community of Lubbock, and its surrounding communities. Don't let time restraints or your unfamiliarity of Red Cross programs stop you from volunteering.

The Red Cross can train you in all areas, and the Red Cross can work around your schedule. People interested in helping please call the South Plains

Regional Chapter at (806) 765-8534.

Gauna has thrown for 371 yards on 20-41 passing, with four touchdowns and five interceptions. He has also rushed for 97 yards and three touchdowns.

"Our passing game is pretty simple, but it's not one dimensional," Adair said.

"People know that we're going to throw the ball to Daniel, but if they double cover him, we have plenty of other receivers to get the ball to."

Seniors Rashad Kirvev (four receptions, 68 yards) and Edward Rodriguez (four receptions, 61 yards, one touchdown) have also been prime targets for Gauna early in the season.

Kickoff time is set for 7 p.m. at Cooper's home field.

dicted the Mules and Denver City to play to a tie and was eliminated. Both Orozco and Hicks picked the Cowboys and Denver City to win.

To break the tie for second, the tie-breaker went to points, where Orozco came out the winner. Her guesses in the Dallas-Houston and Denver City-Muleshoe games were a total

of 24 points from the actual scores and earned her the \$7.50 check

Hicks ended up third with a 35-point total differential and won \$5.

There were 48 entries for the contest, with many contestants finishing below the .500 mark in a week laden with upsets.

### IMPORTANT NOTICE OF PROPOSED SETTLEMENT OF CLASS ACTION AND FAIRNESS HEARING

IN THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF ALABAMA SOUTHERN DIVISION

Russell Price, et al vs. Ciba-Geigy Corporation

NO. 94-0647-CB-S

## U.S. WORKERS WITH ON-THE-JOB EXPOSURE TO GALECRON®

and Their Spouses, Children, Other Relatives and Legal Representatives:

GALECRON® WAS A COMMERCIAL AGRICULTURAL PESTICIDE WHICH WAS MARKETED IN THE U.S. BY CIBA-GEIGY CORPORATION. IT WAS NOT MARKETED FOR RESIDENTIAL OR HOME GARDENING USE.

U.S. WORKERS WITH ON-THE-JOB EXPOSURE TO GALECRON® MAY BE ELIGIBLE FOR FREE MEDICAL MONITORING AND/OR CASH PAYMENTS UNDER A PROPOSED LEGAL SETTLEMENT.

You may belong to a class of people covered by a proposed settlement of a legal action ("Settlement"), and you may be entitled to receive the benefits of the Settlement. This Notice tells you who is covered by the Settlement, and describes the litigation, the benefits of the proposed Settlement, and your legal rights. All Settlement Class members who do not timely exclude themselves from the lawsuit will be bound by the Settlement if it is approved.

PLEASE READ THIS NOTICE CAREFULLY - IT MAY AFFECT YOUR LEGAL RIGHTS - FOR MORE INFORMATION CALL 1-800-565-3126

By Order of the United States District Court for the Southern District of Alabama, a class action has been conditionally certified for settlement purposes on behalf of Settlement Class Members (as defined below) who may now or later have claims against Ciba-Geigy Corporation arising out of work-related exposure to Galecron®. On January 30, 1995, a fairness hearing will be held at the Courthouse, United States District Court, Southern District of Alabama, 113 St. Joseph St., Mobile, Alabama, 36602, at 9:00 a.m. Central Time, so the Court can determine if the class action should be finally certified and if the Settlement summarized in the Notice should be approved as fair, reasonable and adequate. This hearing may be continued without further notice.

#### I. DEFINITION OF CLASS

Under the Settlement, Galecron® is defined as chlordimeform or any chlordimeform-containing product, either manufactured, formulated, packaged, distributed or sold by or on behalf of Ciba-Geigy Corporation or related parties, regardless of the trade name of the product; or any metabolite of Galecron®, including the substance known as 4-COT or 5-CAT.

The Settlement Class is defined as:

(1) All persons who fall into one of the following categories, and who reside in the United States as of the date of filing of the Class Action Complaint, who have been exposed in the United States to Galecron® ("Exposed Persons")

a. **Plant Workers:** An individual (whether or not employed by Ciba-Geigy Corporation) who in the course of his or her employment at Ciba-Geigy Corporation's St. Gabriel, Louisiana or McIntosh, Alabama sites, was exposed to Galecron®, including, without limitation, individuals who worked in manufacturing, formulating or packaging Galecron® or in the waste disposal of Galecron®, or worked in the construction, demolition or maintenance of any facilities used for the foregoing activities at such St. Gabriel, Louisiana or McIntosh, Alabama sites; or

b. **Formulators:** An individual (whether or not employed by Ciba-Geigy Corporation) who in the course of his or her employment was exposed to Galecron® while at a plant or site which was involved in mixing, blending, packaging, handling or otherwise formulating pesticides which contained, in whole or in part, Galecron®, or

c. **Applicators:** An individual (whether or not employed by Ciba-Geigy Corporation) who in the course of his or her employment, was exposed to Galecron® while involved in the application of pesticides which contained, in whole or in part, Galecron®, including, without limitation, aerial and land applicators, flagmen, mixers, blenders, loaders and other individuals who handled such pesticide prior to or during the application process; and

d. **Other Covered Workers:** An individual (whether or not employed by Ciba-Geigy Corporation) who in the course of his or her employment was exposed to Galecron® at the Clean Land, Air, Water Corporation or Environmental Purification Advancement, Inc. disposal sites located near Bayou Sorrel, Louisiana; at Empak, Inc. in Deer Park, Texas; or in a testing or research laboratory, whether or not owned by Ciba-Geigy Corporation; or

(2) The spouses, parents, children or other relatives of the Exposed Persons described above.

(Collectively "Settlement Class Members"). Note: If you are an Exposed Person, you are a Settlement Class Member whether or not you have been diagnosed with an illness. Spouses, parents, children or other relatives are Settlement Class Members but the claims they are settling are limited to those arising from an Exposed Person's exposure.

#### Relevant Dates

Galecron® was registered for use from 1968-1989. Some Exposed Persons may have been exposed before or after those dates.

#### II. IMPORTANT MEDICAL NOTICE To Plant Workers, Formulators, Applicators and Other Covered Workers (as defined above):

You may have an increased risk of developing bladder cancer if you had on-the-job exposure to Galecron®. Workers exposed to Galecron® should participate in a medical monitoring program because early detection of bladder cancer can result in more effective treatment. As part of the Settlement, Ciba-Geigy has agreed to establish a medical monitoring program for the detection of bladder cancer for those individuals who do not exclude themselves from the lawsuit. Within six months, this program should be available free of charge to all Exposed Persons who do not exclude themselves from the lawsuit.

If you had on-the-job exposure to Galecron®, it is recommended that you or your doctor call 1-800-565-3126 to learn how you can obtain further medical information or enroll in the medical monitoring program.

#### III. BRIEF SUMMARY OF LITIGATION

On February 8, 1994, a class action lawsuit was filed against defendant, Ciba-Geigy Corporation ("Ciba-Geigy"), in Alabama State Court, which lawsuit was later removed to the United States District Court for the Southern District of Alabama. The Complaint, as amended, alleges that the Settlement Class as defined above is entitled to damages for medical monitoring and other compensation as a result of Exposed Persons' exposure to Galecron®.

Ciba-Geigy has filed an Answer denying all essential allegations of the Complaint, and asserting affirmative legal defenses. The Court has decided that the case can proceed as a class action for purposes of settlement only. This does not mean that the Class Representatives would have been successful had the case gone to trial. The Court has made no such determination, and the proposed Settlement is not to be construed as an expression of any opinion by the Court as to the merits of any of the claims asserted against Ciba-Geigy.

#### IV. PROPOSED SETTLEMENT

A Settlement has been entered into between the Class Representatives, Class Counsel and Ciba-Geigy, which will resolve all past, present and future claims against Ciba-Geigy arising out of Exposed Persons' exposure to Galecron®. The Settlement provides for the establishment by Ciba-Geigy of two funds to provide medical benefits and compensation to Exposed Persons or their legal representatives.

(1) **The Medical Monitoring and Treatment Fund ("The MMT Fund").** If the Settlement is approved, Ciba-Geigy will make an initial deposit of \$5,000,000 into the MMT Fund, and will thereafter make additional deposits on an as-needed basis. There is no limit to the amount of money Ciba-Geigy can be required to contribute over the life of this Fund.

The MMT Fund will pay for a medical monitoring program designed to detect at an early stage the form of bladder cancer alleged to be associated with Galecron®: specifically, primary urothelial carcinoma of the urinary collecting system, i.e., renal pelvis, ureter, bladder and urethra. The MMT Fund also will pay for all medically necessary treatment not paid for by Medicare or Medicaid if the Exposed Person has been or in the future is diagnosed with such bladder cancer.

The MMT Fund will pay for medical monitoring to Exposed Persons for a period of 20 years, and will pay for medical treatment until one full year passes with no claims for treatment being filed but in no event less than 20 years. Ciba-Geigy will have no obligation to continue the medical monitoring and treatment program if the Settlement is not approved. Only Exposed Persons, i.e., eligible Plant Workers, Formulators, Applicators and Other Covered Workers, as defined in this Notice, will be entitled to medical monitoring and treatment.

(2) **The Disease Compensation and Administration Fund ("The DCA Fund").** If the Settlement is approved, Ciba-Geigy will also make an initial deposit of \$30,000,000 into the DCA Fund. In addition to medical treatment paid for by the MMT Fund, the DCA Fund will make cash payments of up to \$410,000, as set forth in more detail below, on behalf of an Exposed Person who, after exposure to Galecron®, has developed or in the future develops the form of bladder cancer alleged to be associated with Galecron®: specifically, primary urothelial carcinoma of the urinary collecting system, i.e., renal pelvis, ureter, bladder and urethra. Cash payments will vary depending upon the Exposed Person's age, smoking status and participation in the health screening program. For Exposed Persons who are non-smokers and participants in the health screening program, the cash payments will be as follows: (a) \$10,000 in the event of treatment involving an invasive procedure (this is a one-time payment regardless of the number of procedures); (b) up to \$150,000 in the event of a radical cystectomy (bladder removal) with diversion of the urinary tract, which amount will decrease with a person's age to a minimum of \$10,000 if the Exposed Person is 85 years or older; and (c) up to \$250,000 in the event an Exposed Person's death is found to be caused by bladder cancer, which amount will decrease with age to a minimum of \$17,500 if the Exposed Person may collect separately for (a), (b) and (c) above, so that the maximum payment to an Exposed Person is \$410,000. The cash payments described above will be reduced by 12.5% if the Exposed Person had smoked in the five years prior to diagnosis. A separate 12.5% reduction will be made if he or she had failed to participate in the health screening program in each of the three years prior to diagnosis (or in each year that the program was available, if less than three years). The DCA Fund also will pay \$1,000 to any Exposed Person who was diagnosed with hemorrhagic cystitis within three months following exposure (this is a one-time payment regardless of the number of manifestations). In addition, the DCA Fund will pay for administrative costs, and class counsel's attorneys' fees, costs and expenses as determined by the Court. All cash payments from the DCA Fund are paid only on account of a compensable claim of an Exposed Person, i.e., an eligible Plant Worker, Formulator, Applicator or Other Covered Worker, as defined in this Notice. Cash payments to a spouse, parent, child or other relative will only be made if they are the legal representative of an Exposed Person.

The benefits of the DCA Fund will continue as long as the MMT Fund continues, or until the DCA Fund is exhausted as set forth below. Ciba-Geigy has agreed to pay up to a maximum of \$45,000,000 for the benefits afforded by that Fund. If the DCA Fund is exhausted, Ciba-Geigy may continue paying for compensable claims. If Ciba-Geigy does not continue to pay, Settlement Class Members will be able to opt-out of the DCA Fund and will retain their right to pursue any legal claims they may have, except for claims for medical monitoring, medical treatment, fear of illness or cancer, or increased risk of illness or cancer, because medical monitoring and treatment will continue to be available.

(3) **Other Conditions.** The Stipulation of Settlement presently provides for medical monitoring, treatment and compensation payments for certain medical conditions set forth in this Notice. In the event, however, that a Court approved Epidemiology Panel determines to a reasonable medical certainty that any other medical condition is caused by Galecron® exposure, that condition will be deemed a compensable claim, and will be eligible for medical monitoring (if feasible); medical treatment; and cash payments. The cash payments will not exceed the maximum amounts payable for the covered medical conditions set forth above.

(4) **Administrator.** A nationally recognized entity or entities with substantial investment and medical claims administration experience will be appointed by the Court to administer the Settlement. The Administrator will determine whether a Settlement Class Member is eligible for benefits under the settlement. Any disputes concerning a Settlement Class Member's entitlement to benefits will be resolved by a Medical Advisory Panel or by a single arbitrator, depending upon the issue in dispute. The decision of the Medical Advisory Panel or arbitrator each have the effect of an arbitration decision and shall be binding upon all parties, including the Settlement Class Member.

(5) **Release.** Settlement Class Members who do not exclude themselves from the Class release all past, present and future claims: (i) relating to the covered medical conditions listed above; and (ii) relating to an Exposed Person's exposure to Galecron®, including all claims alleging that any other cancers, personal injuries or risks are caused by exposure to Galecron®. This means that claims that Galecron® exposure caused any condition other than those medical conditions listed above will be released, but will receive no compensation or treatment, unless the Court approved Epidemiology Panel finds that such other condition is caused by Galecron® exposure. The release is effective as against Ciba-Geigy and certain additional releases as defined in the Stipulation of Settlement, including Ciba-Geigy, Ltd., the parent of Ciba-Geigy.

If you believe you are a member of the Settlement Class, and have any questions regarding any of the benefits set forth above, you are urged to call 1-800-565-3126 for further information.

**V. CLASS REPRESENTATIVES AND CLASS COUNSEL**

The Court has designated the following Settlement Class Members, Russell W. Price, Leslie E. Hoven, Grady W. Brown, Jennie Ropp Brown, Jack Harley Woodward, Alta Woodward, Joe H. Bowman and Martha Annie Bowman, as class representatives to represent all Settlement Class Members. The Court has also designated as Class Counsel the following individuals: Timothy E. Eble; J. Cecil Gardner; Joseph J. McKernan; S.C. Middlebrooks III; Charles W. Patrick, Jr.; and Patrick W. Pendley.

The Class Representatives and Class Counsel believe that the proposed Settlement is fair, reasonable and adequate. Class Representatives and Class Counsel have entered into the proposed Settlement after weighing the substantial benefits against the probabilities of success or failure, and the long delays that would be likely if the case proceeded to trial.

There has been no agreement between the parties regarding attorneys' fees. At the fairness hearing, Class Counsel will request the Court to award attorneys' fees and reimbursement of costs and expenses, to be paid from the DCA Fund. Class counsel will request a percentage fee award not to exceed 20% of the benefit conferred on the class, half of which will be requested to be paid over a 4-year period while legal work continues.

**VI. RIGHTS AND OPTIONS OF SETTLEMENT CLASS MEMBERS**

If you are a Settlement Class Member, you have the following options:

(1) **You may do nothing and remain a Settlement Class Member.** If you choose to take no action, your interests as a member of the Settlement Class will be represented by the Class Representatives and Class Counsel, at no cost to you individually. You will be bound by any judgment or final disposition of the litigation, and may participate in the benefits available as a member of the Settlement Class. It is important, however, to fill out the REQUEST FOR INFORMATION FORM in order to learn how to receive benefits.

(2) **You may remain a Settlement Class Member and either represent yourself or hire your own attorney to represent you at your own cost.** You or your attorney must file an Entry of Appearance with the Clerk of the Court and send a copy to Class Counsel and Ciba-Geigy, at the addresses set forth below. Such Entry of Appearance must be filed by December 16, 1994.

(3) **You may remain a Settlement Class Member and object to the Settlement.** Any Settlement Class Member who does not elect exclusion from the Settlement Class and who objects to the proposed Settlement must mail such objections and any supporting papers to the Clerk of Court, at the address set forth below, on or before December 16, 1994. If the person filing the objection intends to appear personally at the January 30,

1995 Fairness Hearing described above, he or she must file with the Clerk, on or before December 16, 1994, a Notice of Intent to Appear. Any Settlement Class Member who does not file objections in the time and manner described above is forever foreclosed from raising any objection to such matters. Any Settlement Class Member whose objection is overruled will still be bound by any judgment or final disposition of the litigation. Copies of all objections and Notices of Intent to Appear that are mailed to the Clerk of Court must also be mailed to Class Counsel and to counsel for Ciba-Geigy at the following addresses:

Class Counsel  
Galecron Class Action  
P. O. Box 974  
Charleston, SC 29402

Counsel for Ciba-Geigy  
Henry B. Alsbrook, Jr.  
Adams and Reese  
4500 One Shell Square  
New Orleans, LA 70139

(4) **If you choose to remain a Settlement Class Member (under Options 1, 2 or 3 above), you may receive the benefits afforded by this Settlement within six months of the Court's Order directing this Notice.** Ciba-Geigy has agreed to make all benefits afforded by this Settlement available to Settlement Class Members on an interim basis prior to final Court approval of the Settlement. The appropriate Proof of Claim forms will be required (see Section VII below), and an appropriate release will be required for any cash payments made. During this interim claims procedure, class counsel's fees and expenses will be paid upon approval of the Court and ultimately deducted from the DCA Fund initial deposit.

(5) **You may request exclusion from the Settlement Class.** If you elect to be excluded from the Settlement Class, you will not be bound by any judgment, disposition, or settlement of the class action, but you also will not be able to participate in the Settlement. You will retain and be free to pursue any claims you may have. If you wish to exclude yourself from the Settlement Class, you must mail a request for exclusion to the following:

Clerk of Court  
United States District Court  
For the Southern District of Alabama  
113 St. Joseph Street  
Mobile, Alabama 36602

Your exclusion request must set forth your full name and current address. Your written request for exclusion must be post-marked no later than December 16, 1994.

#### VII. PROOF OF CLAIM PROCEDURE

In order for an Exposed Person to receive medical monitoring, he or she will be required to submit proof of certain employment-related exposure to Galecron®. In order to receive medical treatment or the disease compensation outlined above, a Settlement Class Member will also be required to have been diagnosed, subsequent to exposure, with one of the covered medical conditions listed above. A Proof of Claim to participate in medical monitoring may be submitted at any time during the duration of the program. A Proof of Claim for a covered medical condition must be submitted within one year of diagnosis (or, if the condition has already been diagnosed, within one year after approval of the Settlement).

The Proof of Claim is designed so that you may complete it yourself. Class Counsel is available to answer questions you may have about claims procedures, without charge to you. If you desire legal assistance, you are free to retain an attorney of your choice.

To obtain a Proof of Claim Form for medical monitoring, medical treatment or disease compensation, please call 1-800-565-3126 or fill out the REQUEST FOR INFORMATION FORM below and mail it to Class Counsel at P.O. Box 974, Charleston, SC 29402. No benefits will be available to any member of the Settlement Class unless he or she submits the necessary Proof of Claim Form.

### W.G. "Dub" Harlan

MULESHOE - Services for W.G. "Dub" Harlan, 71, will be today, Thursday, September 15 at 2 p.m. in the First Baptist Church with the Rev. Stacy Conner officiating.

Private burial services will follow in the Muleshoe Memorial Park under the direction of the Ellis Funeral Home of Muleshoe.

Harlan died Tuesday, September 13 in the Muleshoe Area Medical Center. He was born November 3, 1922 in Frederick, Okla. He married Dorothy Ray Jones, March 10, 1946 in Clovis, N.M.

Mr. Harlan had been a resident of Muleshoe all his life. He served on the Lazbuddie School Board from 1960 to 1971. He was a veteran of World War II, serving in the U.S. Army Air Corps. He was a member of the First Baptist Church where he was a Deacon and Sunday School Teacher.

Survivors include his wife, Dorothy; one son, Sam Harlan of Muleshoe, two daughters,

Connie Kenmore of Muleshoe and Lee Ann Spray of Lubbock; and seven grandchildren.

The family suggest memorials to the First Baptist Church building Fund or the Opportunity Plan in lieu of flowers.

### Frank Snyder

MULESHOE - Funeral services for Frank Snyder, 92, of Tucumcari, N.M., were held on Tuesday at Ellis Funeral Home Chapel. Lynn Trapp of the Church of Christ, a minister in Dallas, officiated. Burial was held at Muleshoe Cemetery with Oddfellows Service.

Snyder died Saturday, Sept. 10, 1994 at IOOF Nursing Home in Ennis.

He was born Dec. 3, 1901 in Salem, Neb. He married Allie Beatrice Chitwood on Dec. 13, 1924 in Muleshoe. She died Sept. 6, 1985.

Frank had been a resident of Tucumcari, N.M., eight years, moving there from Muleshoe, where he had been a resident since 1907. His family was one of the first families in Bailey County.

He was a member of the Muleshoe Oddfellows Lodge for 49 years and was a charter member of the Muleshoe Rebekah Lodge. He was a farmer.

A son preceded him in death, Carroll Lee Snyder, and three grandchildren as well. He was a Methodist.

He is survived by a son Charles Snyder of Tucumcari, N.M.; a daughter Joy Morgan of Tucumcari, N.M.; six grandchildren; 16 great-grandchildren and two great-great-grandchildren.

Funeral services were under the direction of Ellis Fu-

neral Home-Muleshoe.

### Gilberto Muniz

SUDAN - A funeral mass for Gilberto Muniz, 82, of Sudan, were held on Wednesday at St. Mary Catholic Church in Sudan. Father Clarence Huber officiated. A rosary was said on Tuesday at Ellis Funeral Home. Burial was held at Sudan Cemetery.

Muniz died Monday, Sept. 12, 1994 at Lamb Health Care Center.

He was born July 12, 1912 in Tabasco. He married Guadalupe Munguia on April 9, 1930 in Edinburg.

Gilberto had been a resident of Sudan since 1958, moving there from Amherst. He was a farmer and a Catholic.

Grandsons will be pallbearers.

He is survived by his wife Guadalupe Muniz of Sudan; three sons, Santiago Muniz of Tyler, Casmiro Muniz of Farwell and Gilberto Muniz Jr. of Sudan; six daughters, Santos Muniz of Muleshoe, Guadalupe Soto of Bellingham, Wash., Juana Macias of Seminole, Margarita Muniz of Sudan, Concha Gonzales of Houston, and Sanjuana Macias of Seminole; two brothers, Juan Muniz of McAllen and Marcos Muniz of Lopesville; a sister, Francisca Almanza of Raymondville; 67 grandchildren; 81 great-grandchildren and five great-great-grandchildren.

Funeral services were under the direction of Ellis Funeral Home-Sudan.

### Winona Parthine Spears

MULESHOE - Funeral

services for Winona Parthine Spears, 76 of Muleshoe, were held on Wednesday, Sept. 14 at Trinity Baptist Church with the Rev. Dale Berry, pastor and Rev. Reydon Standord, pastor of Muleshoe Christian

Center officiating. Burial was held at Anton Cemetery.

Spears died Tuesday, Sept. 13, 1994 at Muleshoe Area HealthCare Center.

She was born Feb. 5, 1918 in Arapado, Okla. She married John N. Spears on Oct. 21, 1934 in Levelland. He died Sept. 29, 1959.

Mrs. Spears had been a resident of Muleshoe since 1960, moving here from Anton. She was a homemaker and member of Trinity Baptist Church. A son, Robert Lee, preceded her in death in 1947.

She is survived by three sons, Junior Lee Wright of Canyon, Buddy Spears of Levelland and Curtis Glen Spears of Lubbock; two

daughters, Johnnie Parker of Muleshoe and Mary K. Armstrong of Odessa; 21 grandchildren and 17 great-grandchildren.

### NOTICE OF REQUEST FOR CHANGE IN LINE EXTENSION TARIFF

Bailey County Electric Cooperative Association (the "Cooperative") intends to change the provisions of the line extension tariff. The changes may result in an increase or a decrease in the charge for a particular line extension. The changes are applicable to all customers served by the Cooperative and are expected to increase the Cooperative's revenues by a small amount. Implementation of the changes is subject to approval by the Public Utility Commission of Texas.

Persons who wish to intervene or comment on the changes should notify the Public Utility Commission of Texas as soon as possible. The intervention deadline is October 7, 1994.

A request to intervene or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Austin, Texas 78757. Further information may also be obtained by calling the Commission's Consumer Affairs Office at (512) 458-0256 or (512) 458-0221 for text telephone. Please refer to Docket

**Creative Living**

With Sheryl Borden

Information on selecting, carving, and cooking pumpkins, and the annual collection of Festive Foods recipes will be the featured topics on "Creative Living" on Tuesday, September 20th at noon and Saturday, September 24th at 2 p.m. (All times are Mountain.) "Creative Living" airs on public broadcasting station, KENW-TV, from Eastern New Mexico University in Portales, N.M.  
 Charlotte Hill, NM Extension Home Economist, will share everything you needed to know about pumpkins-- and more. Hill is from Roswell, N.M.  
 Another guest, Connie Moyers, Marketing Home Economist for Southwestern Public Service, Clovis, N.M., will present the company's 29th

edition of Festive Foods.  
 During September, "Creative Living" will not be seen on Tuesday evening. On Thursday September 22nd at 12:00 "Creative Living" will demonstrate food gifts, skin care products and show new innovations in sewing facings.  
 Rowena Fullinwider, owner of Rowena's in Norfolk, VA will show how to make wonderful food gifts to give -- or to enjoy yourself.  
 Another guest, Maria Flynn, health and beauty expert for Nivea, will talk about the ingredients in skin care products of the 90's. Flynn is from

New York City.  
 Phyllis Eifler, Sewing Innovations, Denver, CO. will demonstrate ways to eliminate bulk from traditional facings and also show Alternatives to facings.  
 "Creative Living" is produced and hosted by Sheryl Borden. The show is carried on more than 100 PBS stations in the United States, Canada, Guam and Puerto Rico and is distributed by Pacific Mountain Network, Denver, Colo.  
 Viewers can request copies of materials offered on the show by sending one 29 cent stamp for each handout requested. Send the stamps, along with your name, address and booklets requested to: "Creative Living" Requests, % KENW-TV, 52 Broadcast center, Portales, N.M. 88130.

# Minding Your Own Business

By Don Taylor

A few years ago, I read a book in which the author claimed that he had learned everything he needed to know in kindergarten. Since I missed out on kindergarten, I started to wonder just how I learned the things I know. As I pondered the question, I realized that a lot of what I know I learned from somebody else.

My formal education started with the first-grade. However, by the time I entered school, I'd already learned a few of the basics. I had help with how to tie my shoes, the A,B,Cs and counting to 100.

I also learned some things on my own. For example: The flame on a match is hot, don't touch an electric fence and running barefoot has some disadvantages.

**The roots of education** - The experts tell us that education begins early and at home. Psychologists inform us that we learn most of what we'll ever know by age 6. If that is true, I received much of my early education on the farm four miles southwest of Galt, Mo.

My father died when I was three years old. There I was, a fat, poor, white, farm boy with only my widowed mother to raise and teach me. Today of course, I'd be known as a horizontally challenged, finan-

cially disadvantaged, non-color, agri-American from a dysfunctional single-parent family. You never stop learning.

### Early lessons

□ From my mother I learned the importance of love and honesty. The love she showed by example was unselfish and sacrificial. From her personal integrity I learned there is no right way to do a wrong thing.

□ From my first dog, Buster, I learned about loyalty. For 18 years Buster was a faithful, willing-to-do anything, willing-to-go-anywhere friend. I never heard him growl a harsh bark. He appreciated any small service rendered and was always grateful for any food item I shared with him.

□ From my older brother, Jerrold, I notice that he ranks right after my dog) I learned that might is not always right. However, that knowledge won't keep your nose from bleeding. I also learned that hard work, practiced diligently, will carry you above the circumstances of poverty.

□ From Arnold Rosenboom, my junior boys Sunday School teacher and later business partner, I learned that when God is first priority

in your life everything else

works out fine. He also taught me that we are in control of our own attitudes. When the going got pretty tough in his personal life, he never lost his good attitude and sunny disposition.

□ From Sue, my bride of 24 years, I'm learning about abiding love and trust. I'm also learning that for any partnership to work each partner must build the other up. In marriage it simply means staying focused on the positive. There is enough good in the worst of us to keep love in full bloom if we focus on it.

□ From my uncle, Robert Wetter, I've learned the value of consistent living. Uncle "Ribs", as we've always called him, was the first to take me on a roller coaster and to a professional baseball game. Those are memorable thrills, but what I remember most is his example of solid, dependable, Christian living. He has always been a man you could count on.

□ From my daughter, Christi, I'm learning the joy and pride of fatherhood and I'm learning the art of parenting. I've still got a lot to learn.

Next week I'll show some lessons learned in school and in business. Don't miss "A lot of what I know..." Part two.

## Farm Bureau convention

(Left)

The Bailey County Farm Bureau held their annual convention last Saturday. Ric Peterson received a reimbursement check from Donald Puckett, Farm Bureau Board of Directors President. The Farm Bureau paid for Ric to attend Fire School in July.

## BASEBALL

It is played everywhere — in parks and playgrounds and prison yards, in back alleys and farmers' fields, by small children and old men, raw amateurs, and millionaire professionals. African-Americans played it. Immigrants played it. Women played it.

For more than 200 years, while they conquered a continent, warred with one another and with enemies abroad, struggled over labor and civil rights and the meaning of freedom, Americans have played baseball.

Ken Burns, acclaimed producer and filmmaker of *The Civil War*, now brings his sweeping epic style to television again in *Baseball*. Divided into nine "innings," this miniseries (considered by Burns to be the sequel to *The Civil War*) takes viewers on an unforgettable journey through America's history — from the middle of the 19th century to the present.

### Baseball's

Inning-by-Inning Lineup  
Game Time: 8:00 p.m.

**Inning 1: 1840's-1900.** "Our Game" looks at the origins of baseball and the game's little known 19th century history. (Sunday, September 18th)

**Inning 2: 1900-1910.** "Something Like a War" introduces some of the sport's most celebrated and complicated personalities, including Christy Mathewson and Ty Cobb. (Monday, September 19th)

**Inning 3: 1910-1920.** "The Faith of 50 Million People" examines the

century's second decade, which was dominated by the 1919 Black Sox Scandal. (Tuesday, September 20th)

**Inning 4: 1920-1930.** "A National Heirloom" was sportswriter Jimmy Cannon's phrase describing Babe Ruth, whose phenomenal performance thrilled the nation throughout the 1920s. (Wednesday, September 21st)

**Inning 5: 1930-1940.** "Shadow Ball" presents the exuberant story of the parallel world of the Negro Leagues which thrived in the shadow of the Major Leagues during the Great Depression. (Thursday, September 22nd)

**Inning 6: 1940-1950.** "The National Pastime" includes Joe DiMaggio's celebrated hitting streak, the awe-inspiring performance of Ted Williams, and what Burns describes as "baseball's finest moment," the thrilling debut of Jackie Robinson. (Sunday, September 25th)

**Inning 7: 1950-1960.** "The Capital of Baseball" takes viewers through the 1950s, when New York City had three successful baseball teams and dominated the game throughout the decade. (Monday, September 26th)

**Inning 8: 1960-1970.** "A Whole New Ballgame" takes place during the turbulent 1960s, which caused many to question the game's relevance. (Tuesday, September 27th)

**Inning 9: 1970-The Present.** "Home" looks at the game today, the establishment of the free agent system, and the rise in player compensation. (Wednesday, September 28th)
