Pioneer Floyd County Stock Farmer Dies

John Buster Stevenson, of Lone Star Community, Floyd County, died at 10 a. m. Wednesday, December 31, 1952, at his home following an extended illness.

He was born November 23, 1882 at Seymour, Texas. He was the son of Robert F. and Mary Stevenson, and one of ten children.

His family moved to Silvertown in 1892 where he attended public school. He married Willie Eunice Merrick in 1906 and after operating the Stevenson Hotel and livery stable two years, moved to Lone Star Community in Floyd County in 1908.

He operated a farming and livestock business there until his death.

He was a member of the Church of Christ and donated the land for which the Lone Star School and Church were built.

He is survived by a son, Charles Albert Stevenson, of Lone Star, and one daughter, Mrs. Ballard E. Clark, of Plainview. Also two brothers, Walter S. Stevenson, of Ojai, California and Turner S. Stevenson, of Canyon, Texas. Two sisters, Mrs. Will Smith, of Silvertown, Texas; Mrs. Kenneth E. Bain, of Floydada, Texas, and a host of friends.

Funeral services were conducted at the Main Street Church of Christ, Lockney, Texas at 2 p. m. Friday, January 2, 1953. His body was interred in the Lockney Cemetery beside his wife who died September 8, 1950.

Mr. and Mrs. Will Smith, Mrs. Annie Stevenson and Gloria June Stevenson, and Mrs. Dean Allard went to Lockney Wednesday after being notified of the death of Mrs. Smith's brother, John Buster Stevenson.

Relatives and friends attending the funeral were: Mr. and Mrs. Hiram Sweeney, Mr. and Mrs. Jack Polley, John Robert Stevenson, Amarillo; Charley Northcutt and Toby Stevenson, Tullia; Mr. and Mrs. Ed McMurry, Vico Park, Texas; Mr. and Mrs. Hugh Braly and boys, Lefores, Texas; W. A. Smith, Memphis, Texas; Mr. and Mrs. T. S. Stevenson, Sr., and T. S. Jr., of Canyon; Mrs. R. C. Green, of Turkey.

Church of Christ Services Held For Mr. J. W. Anderson

Funeral services were held Monday afternoon in the Dimmitt Church of Christ for Mr. J. W. Anderson, 86, two-year resident of Dimmitt.

Mr. Anderson, a retired farmer, died in Plains Memorial Hospital Saturday after a three years' illness.

Survivors are his wife, Mrs. Mary Amy Anderson of Dimmitt; a son, A. J. Anderson of Kim, Colorado; four daughters, Mrs. C. C. Ellis of Hereford; Mrs. Lucille Knighton of Kim, Colorado; Mrs. Elsie Brown of Silvertown; and Mrs. Dorine Erickson of Overton, Nevada; a brother, E. A. Anderson of Milbourne, Arkansas; a sister, Mrs. Z. J. Cyper of El Paso; nine grandchildren, and one great-grandchild.

James William Anderson was born August 12, 1876, at Buck Horn, Arkansas. At the age of 20, he joined the Church of Christ, to which he was faithful in attendance until the failure of his health. He married Mary Ann Trout December 27, 1903, in Nolanville, Texas. To Mr. and Mrs. Anderson were born six children, one of which died in infancy.

Mr. Anderson moved to Dimmitt in 1949 because of bad health, and was a resident of Dimmitt at the time of his death.

Funeral services were officiated by Bro. Linwood E. Bishop, pastor of the Dimmitt Church of Christ. Pallbearers were Garland Wolfe, Ulys Davis, Roy Stafford, Giles Tate, D. C. Taylor, and Tom Draper. Interment was in Dimmitt Memorial Cemetery.

Mr. and Mrs. Edd Thomas spent the holidays at Granbury visiting their daughter and family, Mr. and Mrs. Doyle Smith.

Mr. and Mrs. James Davis and daughters spent Christmas in Paducah with Mrs. Davis' parents.

Small "Lungs" Collect Dimes In January Drive

The distribution of March of Dimes coin containers to department stores, shops, drugstores and other strategic spots throughout Briscoe County began yesterday, Hugh Nance, director of the campaign announced today.

Mr. Nance said this was the largest number of the miniature "iron lungs" ever distributed in this area—a fitting response," he added, "to the unparalleled demands made by last year's epidemic upon the financial resources of the National Foundation for Infantile Paralysis."

The little "respirators" are mounted on illustrated cardboard supports featuring the picture of the 1953 March of Dimes poster children and the campaign slogan "You Can Help, Too!"

Symbolize Service "Today," said the director, "these little iron lungs symbolize the March of Dimes more accurately than ever before because this year there are many more patients in real respirators. During the 1952 epidemic, which was the worst in history, the National Foundation met more than 2,175 emergency requests for respirators. This was not only an all-time record for any single year, but surpassed the number supplied in the previous three years combined.

"Respiratory polio requires the most expensive form of patient care and this treatment must be maintained sometimes for many months and even years."

R. M. HAVERTY ILL AT HOME

R. M. Haverty was carried to the Plainview hospital on December 21, where it was determined that he was suffering from a blood clot of the heart. On December 31, he was brought home by ambulance. He is resting quietly in bed for sometime. He is reported to be doing as well as can be expected.

Miss Anna Lee Anderson and Mrs. T. L. Anderson took Mrs. Emma Waller to Kress Friday, after Waller spent the holidays with the Andersons.

Mr. and Mrs. Roy Montague are the proud owners of a new television set. They gave a television party during the holidays and report that the reception was better the night than at any time since.

Local Dealer Announces John Deere Day Date, Jan. 14

Coffee Implement Company, local John Deere dealer, has announced January 14 at the date for this year's John Deere Day Program. Free to farmers and their families, the program will be held at the Palace Theatre and is scheduled to begin at 2:30 p.m.

School Children Show Omitted One of the John Deere Day features has been to entertain the school children with a show at 9:30 a. m. the morning of the show. Due to the fact that high school is having their mid term examinations the morning show that has previously been shown to children will be omitted, J. W. Brannon, Jr., stated.

The feature picture, "Paradise for Buster," is a comedy and stars Buster Keaton, popular clown of stage and screen. Other films included on the program are "Tom Gordon Goes Modern," the story of the new John Deere Models "50" and "60" Tractors, "Costly Bargains," a picture showing how the quality of John Deere parts is maintained, "Oddities in Farming," consisting of scenes of rare farming practices, and "What's New for 1953," unveiling the complete lineup of John Deere equipment for the coming year.

FREE LUNCH SERVED AT NOON

J. W. Brannon, Jr., said they will serve a good lunch at the noon hour. They had not decided just what the menu would be, but probably similar to the ones served before on John Deere Days. Coffee Implement Company extends an invitation to the farmers and their families to attend.

Mrs. Dan Montague has been sick with the flu but is some better.

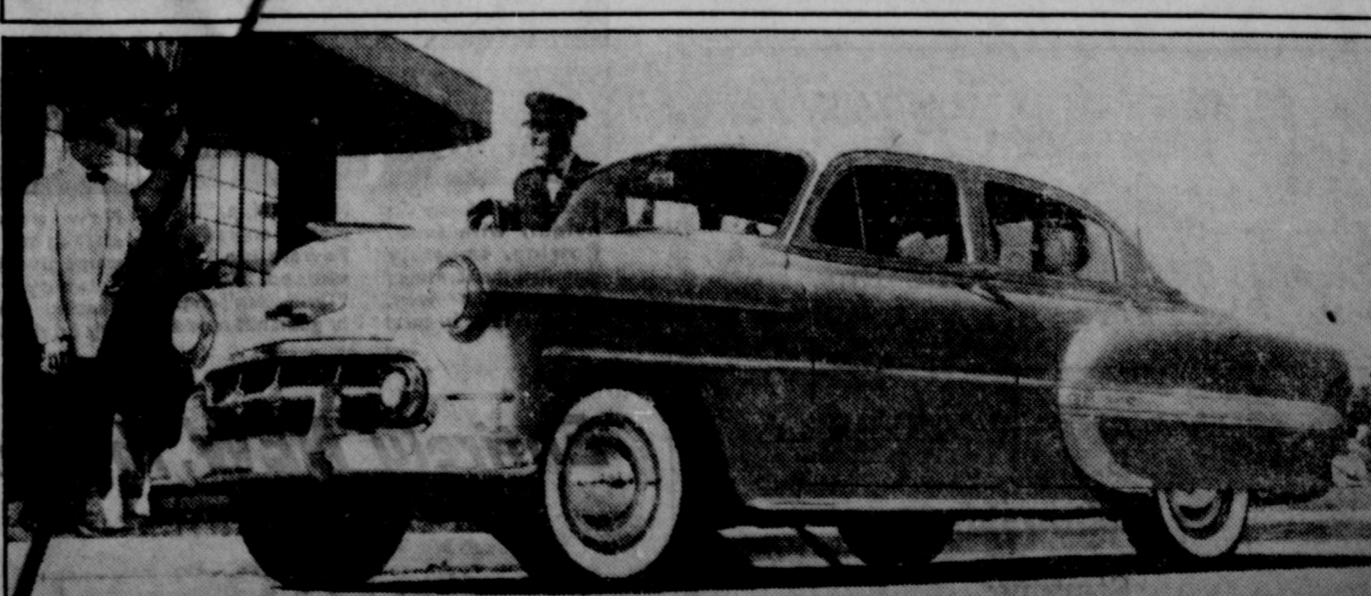

Mr. and Mrs. W. L. Messimer and son, of Higgins, former residents here came through Sunday night enroute to Flomot where her father, Mr. Kirkland, had passed away. Burial was at 2 p. m. Monday in Flomot.

Mr. and Mrs. Perry Whittemore and son were recent visitors with Mr. Whittemore's parents at Forney.

Miss Gloria June Stevenson, a student nurse at Memorial Hospital, Lubbock, who has been visiting her mother, Mrs. Annie Stevenson, returned to Lubbock Sunday. While Gloria was home she and her mother and grandmother, Mrs. Bragg visited relatives in Happy for a few days.

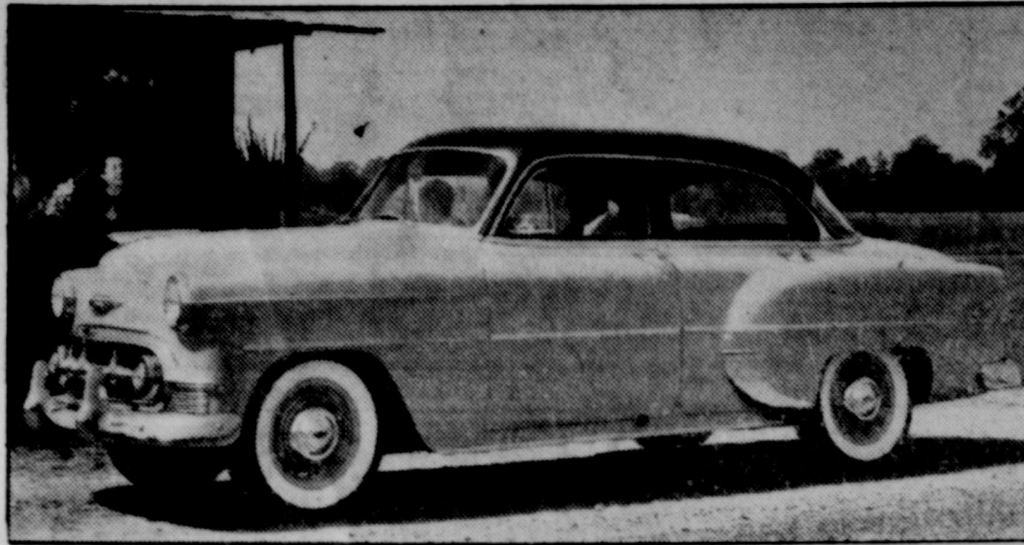

Mrs. Van Martin, of Flomot, was in Silvertown Monday visiting her son, Mr. and Mrs. Ferris Martin and daughter, Mrs. Aubrey Baird.

Four-Door Sedan in New Chevrolet Bel Air Series

The Bel Air four-door sedan is one of four body types with which Chevrolet pioneers a completely new series of passenger cars for 1953. Richness in exterior and interior appointments gives the series a distinction never previously achieved in the Chevrolet market. Increased performance, comfort and convenience are common to the Bel Airs and the "One-Fifty" and "Two-Ten" series.

Increased Performance in New Chevrolets

The low, sweeping lines of the 1953 Chevrolets are exemplified by this four-door sedan in the "Two-Ten" series, which this year offers increased performance, comfort and convenience in addition to a complete re-design. Apparent in

this view are the enlarged front and rear vision, new fender and hood contours and a fresh grille treatment that enhance the rugged beauty of the cars. Four-door sedans are also available in the "One-Fifty" and the new Bel Air series.

significant advances than ever incorporated in a model in the low-price field, the widely discussed new Chevrolets make their first public appearance at dealer showrooms tomorrow (Jan. 9.)

For the 1953 market bodies have been completely re-designed. All cars have increased power, with special emphasis on a new power train that includes a new engine and improved automatic transmission. In performance, in economy, in driving and riding qualities, exterior and interior appointments, the latest Chevrolet models contribute importantly to automotive progress.

Features of the new cars range throughout the bodies and chassis. Of major interest:

1—The entirely new series, to be known as the Bel Air and credited with being the most luxurious models in Chevrolet history. To be produced as two- and four-door sedans, a convertible and sport coupe, the Bel Airs are included in the choice of 1 Fisher body types. Other passenger car series are designated as the "Two-Ten" and "One-Fifty."

2—A new 115-horsepower "Blue Flame" engine and a refined Powerglide automatic transmission re-engineered for greater operating economy and faster pickup. The so-called "standard" engine also moves up to 108 horsepower, a gain of 17.4 per cent over 1952.

3—Two Chevrolet "firsts" in the low-price automotive bracket are registered in optional equipment available on all cars. Pow-

er steering, which reduces manual effort yet maintains traditional steering safety, makes its debut. The second innovation is the Autronic Eye, an electronic mechanism that automatically lowers headlamp beams for passing.

4—Roomier and stronger bodies with greatly expanded visibility. All have curved, one-piece windshields from which the center divider has been eliminated. Other body construction highspots include front swingout door hinges to provide easier entrance; fold-away front seat backs in two-doors; and wrap-around rear windows.

5—Operating advances cover the automatic choke on all cars, softer, smoother brake action, easier steering, even more reliable starting in damp weather, static-free ignition, softer front and rear springs for improved ride, and higher capacity generator.

6—Unusual developments in the station wagon field. Three station wagons, one known as the Townsman (eight-passenger in the "Two-Ten" series) and two as the Handyman (six-passenger in the "Two-Ten" and "One-Fifty" series). The latter contain three-passenger rear seats that can be folded into the floor.

7—An array of convenience items including key-turn starting, crank-type front door ventipane controls and almost one-fourth more luggage space. Trunk lid openings have been enlarged and deepened. The sill is now at virtually trunk floor level as an aid to luggage loading.

8—A lavish choice of colors marked by brilliant greens and blues are offered and 10 two-tone combinations. Two-tone interiors with the selection of exterior colors in many of the

In appearance the new Chevrolets combine the smooth flow of the streamline with utilitarian design. Over-all, the cars are lower, but with an increase in headroom and legroom. The top of the bodies has been broadened to provide additional width while hood and trunk lines are more pronounced. Fender shapes both front and rear, make the cars appear longer although over-all they are actually two inches shorter than last year largely due to a repositioning of the bumper. The new length is a concession to parking ease with the more om-

compact bumper design reducing the "overhang" from axles. Wheelbase remains the same.

CARD OF THANKS
