Tooley takes Three Way lamb, steer shows; Pollard wins swine

THREE WAY — With more than 60 swine entries making up for reduced numbers in the steers, the Three Way School held its annual junior livestock show Saturday (Jan. 21) at the Vocational Agriculture Building.

Josh Tooley, who had swept the lamb show's top two honors at the Bailey County Junior Livestock Show a week earlier, repeated the feat at Three Way — exhibiting the Grand Champion lamb and steer.

Josh's sister Robin followed his lead with the Reserve Grand Champion lamb and steer.

In the swine show, Scott Pollard had the Grand Champion, while Jonathan Kindle exhibited the Reserve Grand Champion.

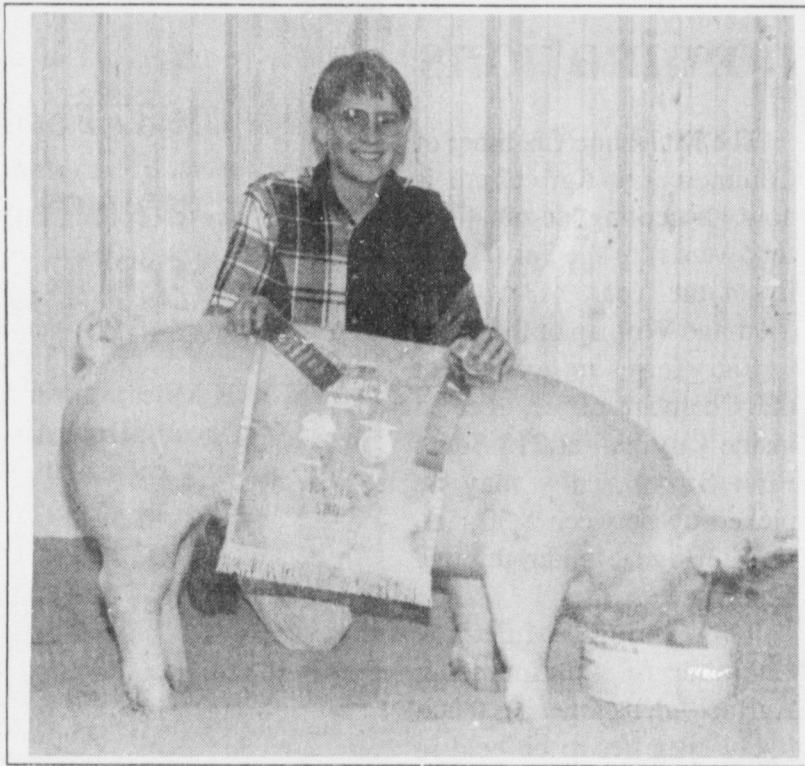

The one-day event was highlighted by the annual Three Way FHA barbecue luncheon, served between the steer and lambs shows in the school auditorium. More than 100 persons enjoyed the meal.

Chad Edwards of Floydada judged the lambs and the steers, while Jimmy Duncan of Casey, NM, judged the swine.

The steer show had just four entries for 1995, due to several families whose calves did not progress as expected and others whose entries took the weekend off before being prepared for major shows later this month and in February.

Josh Tooley's Grand Champion came from the exotic class and at 1108 pounds, was the lightest steer in the show. Robin Tooley's reserve champion exotic was named Reserve Grand Champion.

Also in the grand drive was Meredith Potts, who exhibited

the champion English calf.

Josh Tooley won the showmanship contest, while Potts was the reserve champion.

In the lamb show, Josh Tooley's champion Hampshire was the Grand Champion, while Robin Tooley won the Reserve Grand Champion's banner with her champion Suffolk.

Josh Tooley also had champions in the Finewool and Southdown classes, while Johnathan Bennett had the champion Finewool cross.

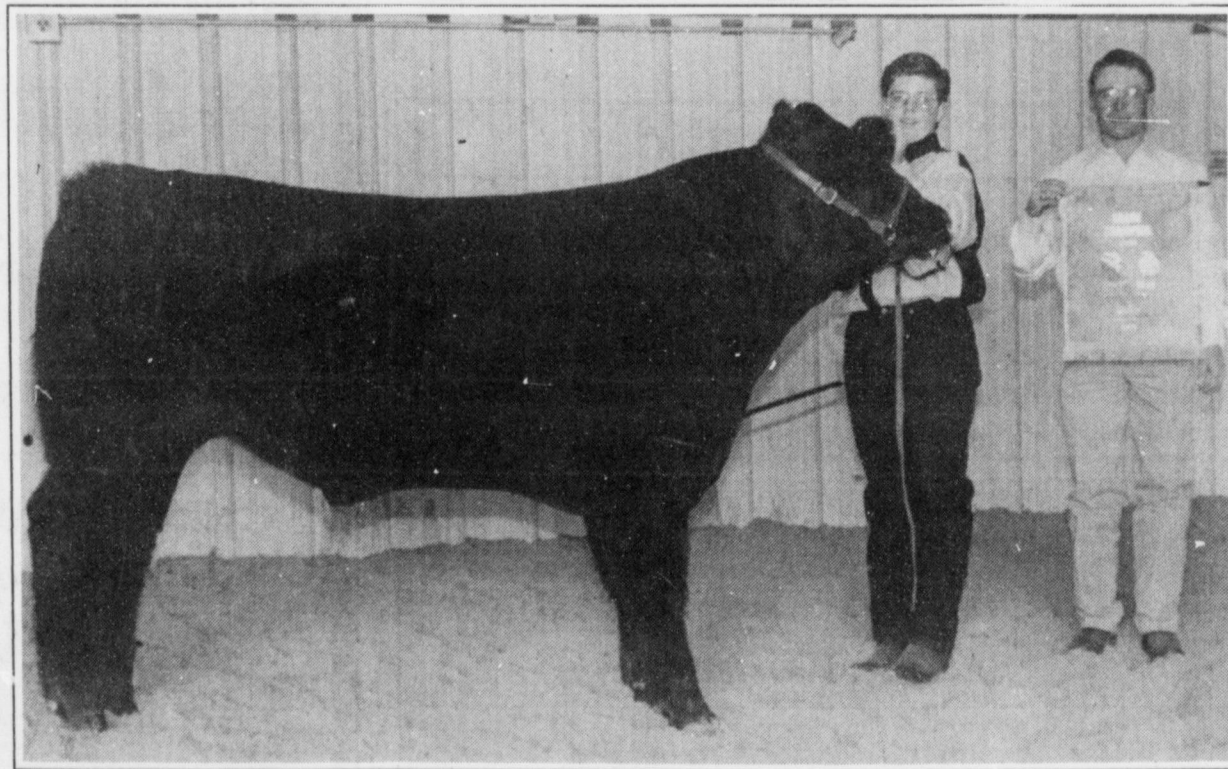

Bennett went on to be named champion showman, while Daniel Reeves was the reserve champion.

The swine show featured 65 entries in eight breeds. Pollard's 206-pound champion Cross was the Grand Champion,

Former MHS band director agrees to plea bargain

A former Muleshoe High School band director accused of indecency with a minor by a former student has accepted a plea bargain which will "defer further proceedings without a adjudication of guilt," but will place him on three years probation.

Carlos Javier Acevedo, 34,

agreed to the plea bargain Friday, Jan. 20 prior to a trial which was scheduled to begin Monday, Jan. 23.

Court reports state that Acevedo waived his right to a trial by jury in writing. He was represented by attorney Jim B. Brown of Amarillo.

In addition to probation, the

plea bargain also orders Acevedo to pay a \$500 fine and court costs and perform 200 hours of community service, all of which must be paid and completed during the first 30 months of his probation.

Acevedo was indicted by a Bailey County grand jury of the 287th District court on June

20 and was arraigned on June 30.

According to court reports, the alleged incident occurred in September of 1993, while Acevedo was working as band director for the Muleshoe Independent School District.

MHS prom, junior/senior banquet to be held at school

A request from parents to move the junior/senior banquet and prom at Muleshoe High School from the Bailey County Coliseum to the Muleshoe High School was approved on Monday night by the Muleshoe Independent School

District Board of Trustees.

The change was primarily requested due to a lack of funds raised by the junior class, who traditionally sponsors prom. Also, they felt holding it in the school cafeteria would ease the decorating process.

The board also approved a request from senior parents to conduct Project Graduation at Six Flags over Texas rather than at the Texas Tech Activity Center, which is subject to their ability to raise funds.

Project Graduation is a

parent-sponsored event following graduation designed for seniors of MHS. It is a drug and alcohol free program.

Also on Monday, the board continued to discuss a policy related to drug and alcohol testing for drivers.

Medical Center in Lubbock, where he is being treated for third-degree burns over five percent of his body.

Samarron was reportedly beaten with an unknown weapon that caused severe head injuries, a dislocated shoulder and a possible broken neck.

Samarron was conscious when deputies arrived and was able to help identify the suspects. Hicks said the suspects were arrested at a private residence in Muleshoe.

Hicks said that no motive for the assault is known yet. The case is scheduled to be presented to a grand jury of the 287th District Court on Monday, Jan. 31. The grand jury will decide whether or not to indict the pair based on evidence presented.

Reports state there apparently was a fight and alcohol was involved.

If convicted on attempted murder charges, the Rincons could face a maximum penalty of 20 years in a state penitentiary and a maximum fine of \$10,000 Hicks said.

Kiwanians hear about CPR program

The Mulshoe Kiwanis Club met for their weekly meeting Friday, Jan. 20 at the Mulshoe Country Club. The president Glen Morris called the meeting to order.

The pledge was led by Joe Flores and the prayer was given by Tom Bowen. The Friendship Coin was passed on from Chuck Smith to Jerry Hutton.

Vice-president Bryan Morris closed the meeting be-

cause the president left.

Kirk is appointed to serve on Selective Service System board

Five Texas residents were recently appointed, in the name of the President, as local board members for the Selective Service System, including Donna M. Kirk of Mulshoe.

Kirk, along with four other individuals, will be joining a select group of dedicated, talented individuals who are donating valuable time in service to both their country and to the young men of their respective counties.

The Selective Service System's local board, although in an inactive status, would be responsible for deciding claims for certain classifications such as conscientious objection, hardship and religious ministry, should a draft be reinsti-

tuted by Congress and the President.

Although there is no plan to draft men into the military service at present, there is a need to develop a readiness in the Selective Service system in case a national emergency necessitates such action.

As members of the local board, these individuals will begin a comprehensive training program to prepare for this possibility.

Initial training consists of approximately 12 hours of instruction over a two-day period focusing on an intensive orientation to the Selective Service System, the major duties and responsibilities of the local board members and the

procedure to be followed by the boards.

In addition to the initial training, they will receive training in changes in the law, regulations, responsibilities and related agency policies and procedures.

The dedication of the board members assures that these young men would receive a fair and effective classification process by able, trained and objective individuals should the need for such a system arise.

Other board members appointed include Johnny Rodgers of Eden, Boyd L. Richie of Graham, Willie R. Jackson of Mason and Lonnie L. Kelley of Baytown.

Have a Nice Day!

The championship game was against the Olton Mustangs. The Mules dominated the game and claimed a 51-12 victory. Dustin Cleavinger led the Mules in the championship game with 13 points followed by Jacoby Jennings with 10. Manuel Campolla and Carlton Lewis scored six points each. Mason Sinclair and Matt McClanahan were good for five points each. Dusty Ramage made four points and B.J. Gonzalez scored two.

If you haven't seen these impressive young men play basketball, it would be worth your time to catch one of their last two games. They play Shallowater at home on Jan. 30 and travel to Littlefield on Feb. 6 for the last game of the season.

NM Ag Expo to be held

PORTALES—Farmers and ranchers of all generations will find something unique this year at the New Mexico Ag Expo in Portales on February 28-March 2. The fastest growing trade show in the Southwest will

feature everything from an antique tractor show and auction to the latest information and products in the agricultural industry.

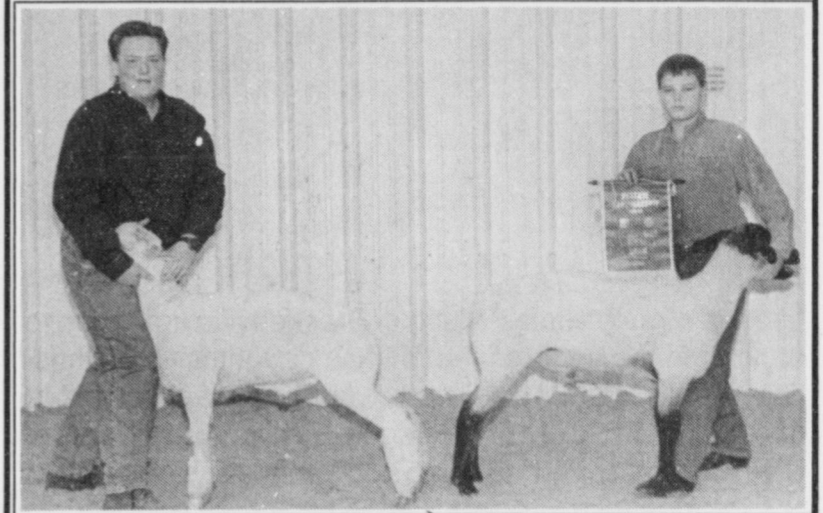

For the second year, the Ag Expo will feature an antique tractor show and auction. An added attraction this year will include the first annual antique tractor pull.

While the antique tractors

are interesting to view, today's farmers and ranchers probably enjoy the convenience of modern equipment.

A variety of homestead exemptions could lower your property taxes!

A homestead exemption lowers the property taxes on your home by lowering its taxable value. If your home is valued at \$50,000 and you receive a \$5,000 homestead exemption, your home will be taxed as if it were worth \$45,000.

Who qualifies for an exemption?

Anyone who owned a home on January 1st (and used it as their primary residence on that date) is entitled to a \$5,000 homestead exemption to lower their school taxes this year... and it doesn't matter if your home is a house, condominium or mobile home. (Counties, cities and special taxing districts may also offer homestead exemptions.)

Are other exemptions available?

If you're disabled -- or if you're 65 years old or older -- you are entitled to an additional \$10,000 school tax exemption on your home. And if you qualify for the over-65 exemption, you're also entitled to a permanent, locked-in "ceiling" on the school property taxes on your home. (The ceiling does not apply to county or city property taxes, and those entities may offer other exemptions.)

Do I have to apply each year?

No. If you had a homestead exemption on your home in 1994 you won't need to reapply for 1995 unless your chief appraiser requires it. However, if you haven't received an exemption on your present home -- or if you've moved to a new home -- you'll need to file for an exemption for 1995, and if you turned 65 or became disabled during 1994, you need to file for the additional exemption.

When and where should I file?

File applications by April 30 at your appraisal district office. If you need more time, contact us at:

Mules fall to Friona Chieftains in district first round

By Terri Bohler

The Mule's final game in the first round of district play was against the Friona Chieftains last Friday night. They traveled to Friona to take on the evenly matched Chieftains. Both teams held a 1-3 record going into the game. However, the Mules were defeated, 58-52, and went home with a 1-4 record for district play.

The current standings for District 2-3A in the boys division according to Randy Adair, Athletic Director for the Muleshoe schools, are as follows: Shallowater, 1st; Dimmitt, 2nd; Littlefield, 3rd; Friona, 4th; Muleshoe, 5th; Floydada, 6th.

In action at Friona, the Mules engaged in a closely called game by the officials. In the first period the teams traded baskets and fouls. Each

team collected four fouls. By the end of the first period the Mules only trailed by three, 14-11.

Second period play saw the ball turned over by both teams. The Mule showed an all out team effort, but had trouble getting the ball to go through the hoop. The Mules added 17 points to their score while the Chieftains stretched their lead by scoring 20 points.

Edward Rodriguez, Daniel Garbarino and Josh Slayden, who is back in action after an ankle injury, all went to the line during the second period to make some important free-throws that kept the Mules in the game. The half-time score read, 34-28, in favor of the Chieftains.

The Mules shut the Chieftains down in the third period, only allowing a six-point gain for their opponent. The Mules

added 15 points to their own score and grabbed a three-point lead to make the score 43-40 as they headed into the fourth quarter.

In the fourth period of play the Chieftains pulled away again, taking a six-point advantage to claim the win with a 58-52 score.

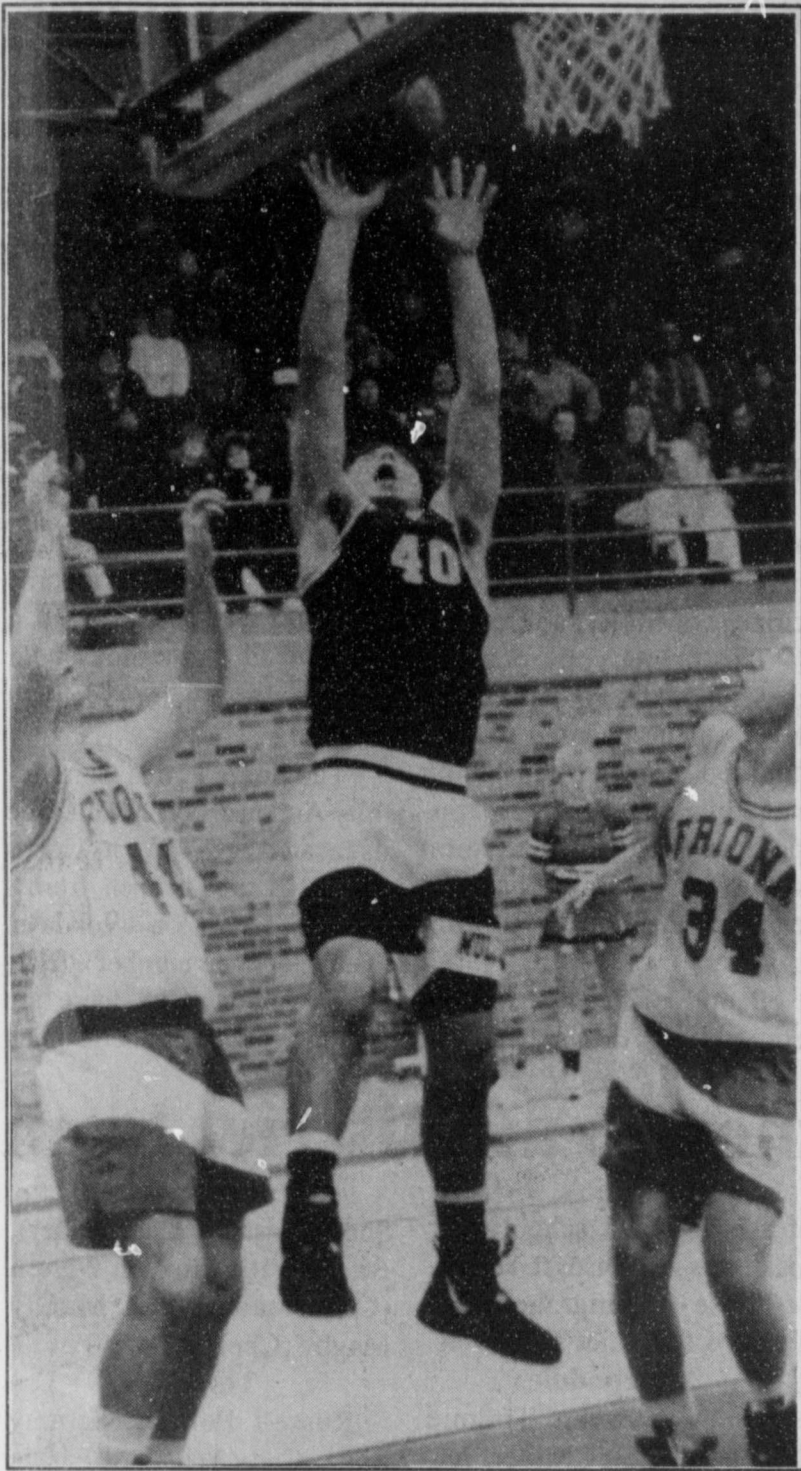

Daniel Garbarino led the team with 17 points to his credit. Edward Rodriguez and

Edward Olivas each made 11 and Josh Slayden contributed six.

The Mules opened the second half of district play in Shallowater on Tuesday. Scores were not available at press time.

Friday, Jan. 31, the Muleshoe High School teams will host Floydada beginning

**Great Performances
“The Music of Kurt Weill:
September Songs”**

Teresa Stratas, Elvis Costello, and Lou Reed celebrate the composer of "Mack the Knife," "September Song," and "Speak Low" in "The Music of Kurt Weill: September Songs," a 90-minute Great Performances presentation.

Set by director Larry Weinstein in an abandoned turn-of-the-century warehouse, the lavish special aptly reflects the main themes of the classically trained, socially conscious German-born composer who fled the Nazis and became one of Broadway's most creative talents. Weill is highly acclaimed for the lyrical magic he brought to such theatre gems as *One Touch of Venus*, *Lady in the Dark*, and *Knickerbocker Holiday*.

In collaboration with playwright Bertolt Brecht, he created some of the major artistic works of this century. In *The Threepenny Opera*, *Happy End*, and *The Rise and Fall of the City of Mahagony*, they introduced a completely new vein of musical theatre.

Great Performances "The Music of Kurt Weill: September Songs" will be broadcast Wednesday, January 25th at 10:00 p.m. on KENW-TV.

Topping the scoring was Clint Black with 12 points. Jesse Reyes followed with seven points including a three. Bryce Ronek put the ball up for five and Bret Clements, Jeff Bruns, Jeremy Tosh, and Carlos Gonzalez added four points each. John McClanahan ripped the net with a three-pointer to finish out the totals for the Mules.

In the last game of the tournament against Olton, the Mules came from trailing by two at half-time to add 25 points to their total in the third. The addition gave them a one point lead, 42-41, going into the fourth quarter. Fourth period play was dominated by the Mules as they ripped the net for 39 points while holding the Hornets to a 24 point addition. Leading the Mules with points was Bret Clements with 15. Jeff Bruns and Clint Black each contributed four. Jesse Reyes and John McClanahan each ripped the net with single three-pointers to add three each to the game total. Judd Gloyer also was good for three, and Mitch Mason, Ryan Hodge, and Carlos Gonzalez each added two. B.J. Copeland hit one from the line for a one-point total.

During the Friona match,

(Jan. 23) Muleshoe 47, Floydada 33

Monday night basketball action found the seventh grade boys at home hosting the Floydada Whirlwinds. They claimed the victory, 47-33, to make their season record 10-3.

Leading the scoring tally for the Mules was Clint Black with 10 points, including two treys. Carlos Gonzalez added six points to the total and Mitch Mason contributed six, including one three-pointer. These young men seem to have a record going on the number of treys that rip the net during a game. This game totaled four three-pointers.

Look for the seventh graders in action at home on Jan. 30 with Shallowater and traveling to Littlefield for their last game on Feb. 6.
