## ote For H. A. C. BRUMMETT

Many of us supported the present District Attorney ten years ago when he ran for this office. Also, many of us supported him four years ago when he was elected for his FOURTH term. But we sincerely believe that FOURTEEN YEARS is too long for ONE man to hold such an important office. If the voters were to elect the present District Atorny to a SIXTH term in next Saturday's primary it would give him FOURTEEN YEARS in his office.

It is an age old custom and a fundamental principle of Democracy that TWO ELECTIVE TERMS is all that a citizen is entitled to and all that he should expect. The present District Attorney is asking the voters to give him a SIXTH TERM. After all, the office belongs to the people and no reasonable office holder should have the feeling that it belongs to him.

Judge H. A. C. Brummett is a pioneer West Texas lawyer, able and exceptionally well qualified to fill the office of District Attorney. He pledges to the citizenship of the district that if elected he WILL NOT try to serve as District Attorney and at the same time engage in the private practice of law. Mr. Brummett believes that a faithful and consistent servant of the people should devote his FULL TIME and attention to the duties of the office to which he is elected.

We sincerely believe that a vote for Judge H. A. C. Brummett for District Attorney will be a vote for better law enforcement.
