Badgett's Pharmacy Has Changed Hands

Mr. Frank Morris has purchased the Badgetts Pharmacy and will conduct it in the future.

Mr. Morris has had many years experience, and comes to us highly recommended as a drug man.

I will appreciate it a lot if you will patronize him as you have me, which will enable him to make a better and more helpful citizen.

I surely appreciate the fact that you have traded with us these many years and have helped to make the business a success.

If I could call back 20 years it would be a pleasure to continue the business, but as we have found no way to do this, we will just have to drop out and take it easier, according to doctors orders.

In the years we have operated, we have accumulated a few accounts, that are all due and payable.

Please call at the store, where I will usually wait on you and we will be happy.

If I am absent, Pauline, who usually keeps the books, will be glad to wait on you; if she is not handy, some of the ladies will be pleased to wait on you.

Again thanking you for your patronage and good will, I am yours, Very truly,

C. R. BADGETT

P. S.—Not knowing a better place to live and having our home here, we expect to just live in Silverton, where we know the people and they know us-So we will just be here.
