Motor Vehicle License Plates Now On Sale!

The law requires that all vehicle registrations be in the county of residence. If you purchase your car outside of Briscoe County you may return home by leaving the dealers tags on your automobile and purchase your plates at your convenience within ten days.

Bring Your Certificate of Title and License **Receipt From Last Year**

Before we can register your car it will be necessary for us to have your Certificate of Title and your license receipt from last year. Be sure to bring them with you when you come to register your car or truck.

Out of state car owners are advised that it will be necessary to have your motor number checked by an officer of the law before you can register your car for the first time in this state.

Owners of trailers of over 4,000 pounds who have not secured a serial number must do so before the trailer can be registered. Application forms are available at the office.
