Wildcats Claw Owls

In a pretty monotonous ball game for them last Friday night, the Idalou Wildcats sent the Silvertown Owls down in defeat by a score of 64-30. Up against a better team, the Owls fought back to overcome the 44-6 halftime score. Few first downs were made due to the fact that just about every-time Idalou got their hands on the ball they went all the way for a touchdown. Silvertown was able to make some good long plays, also. The Wildcats were in possession of eleven first downs and Silvertown was close behind with six.

The game was off to a rip-roaring start when Silvertown kicked to Idalou and the Wildcats skipped back up field averaging about six yards to the carry. Billy Swann scored for Idalou from about the twenty, but was unable to make extra points.

Most of the first half the fans were able to get a glimpse of next year's team. Van Breedlove, freshman, made a nice carry for the Owls, who were unable to make up enough yardage for a first down. On the other hand, Idalou took the punt on about their own twenty and raced back through two downs for a touchdown, which was called back due to a clipping penalty against them.

Undaunted they came back with a passing attack which brought them to the Owl thirty and ground gains down to the five, from where they had no trouble at all getting over for their second TD. Again the Wildcats missed the extra points, and the score stood at 12-0.

Silvertown took the Idalou kick for a nine yard gain, which was called back for an offensive holding penalty. Unable to make the needed yardage, Silvertown kicked to Idalou's Joe Wilbanks who was waiting on the fifty and his carry was good for six points.

The dawn of the second quarter found the Owls receiving the Idalou kick, which James Roy Brown took on the Owl five and carried all the way to put Silvertown in the scoring column on the short end, 20-6.

Silvertown again kicked to Idalou but made the mistake of aiming in the direction of Wilbanks, who carried from the Idalou twenty all the way for a touchdown, making the score 28-6.

Silvertown was unable to gain ground and was forced to kick to the Wildcats who were stopped momentarily by a five yard penalty, then sent Carl Meares out for a pass which he made good for a touchdown. Don Snodgrass grabbed another toss in the clear for the extra points, bringing the score to 36-6.

Johnny Jowell, a freshman, received the Idalou kick for a nice carry back. Unable to make the required ten yards, Silvertown punted into the waiting hands of Carl Meares who scampered forty yards for a Wildcat touchdown to make the score 44-6.

The half ended with Idalou having scored twice in the first quarter, four times in the second and Silvertown once in the second quarter. An interesting note is that the Owls did not make a single first down until the third quarter, when Bobby Stafford received a long pass on about the forty-five yard line. But on the next play, Idalou intercepted an Owl pass and ran all the way to make the score 50-6.

Stafford received the Idalou kick and carried to the forty. On the next play, Billy Swann intercepted the Owl pass. The Wildcats fumbled on the next play and Silvertown recovered.

The Owls completed one pass for a short gain, then sent Bobby Stafford out for a pass, which he received on the Idalou thirty-five yard line. This play should have been filmed because Stafford took the ball and charged like a big

Berton Hughes Injured On Monday

Monday at about 9:30 a.m. Berton Hughes, manager of Farmers' "66" Service Station here in Silvertown, was changing the oil in an automobile from which one of the front tires had been removed, when the jack slipped and the car fell. The weight of the car came to rest with most of the weight on the cheek-jaw area. The car had to be raised before he could be removed from underneath. Hughes was conscious, but the cheek and jaw bone area, nose, teeth and lips had been crushed by the car's weight.

He was rushed by Roberts Ambulance to Swisher County Hospital where he was given first aid treatment. Numerous stitches were taken in the upper part of his head. He was then removed by Roberts Ambulance to Northwest Texas Hospital in Amarillo where he underwent surgery later in the day.

Latest reports indicate that he is doing as well as can be expected, but doctors have assured the family that there was no brain damage, and that the injured areas will just require some time to mend.

Mrs. Hughes was accompanied to Tulia by Mrs. Lem Weaver and went along with her husband to Amarillo.

Later Monday, Rev. and Mrs. G. A. Elrod, R. E. Renfro of Vernon, and Mrs. Hubert Hall of Memphis, were among those staying with Mr. and Mrs. Hughes at the hospital. R. E. Renfro is the father of both Mrs. Hughes and Mrs. Hall. Mr. and Mrs. Alvin Redin were also at the hospital for the operation. Hughes has worked for Redin at the station for twenty years.

Election To Give Kent Creek District Taxing Authority

The directors of the Kent Creek Watershed and Improvement District met recently in Quitaque to make further plans about the Watershed. Directors present included Bert Grundy, James Branson, E. J. Hamilton and Glenn Morrison. Others present included George Miller, County Attorney, O. R. Stark, Jr. and Virgil Henson of the Soil Conservation Service.

Plans were made to hold an election within the Watershed for the purpose of giving the District taxing authority. The District will assume maintenance of the structures once they are completed. The District will need to raise one thousand dollars per structure and one thousand dollars per mile of channel improvements for maintenance.

Estimating the number of dams needed from six to eight and the amount of channel improvement needed at four to five miles, the total amount of money needed will probably run from nine to twelve thousand dollars.

The date of the election is set for the second Tuesday in January. The District Directors plan to have at least one meeting prior to the election to discuss the Watershed. They will also contact as many people as possible individually who live in the Watershed and explain the coming election.

Haylake Club Meets In Brooks Home

The Haylake Club met November 5, in the home of Leona Brooks. The afternoon was spent playing games. Refreshments of coffee, cokes, doughnuts and cookies were served to the following members: Mary Lee Watters,

The 1959 Football Queen will be crowned in pre-game ceremonies beginning at 7:45 tomorrow night. Candidates for the honor are Carolyn Frizzell, LaJuan Curby and Nell Rackley.

LAST RITES HELD FOR MRS. FISCH

Mrs. Lydia Belle Fisch, 69, died at 8:45 a.m. on November 10, 1959, in Lockney General Hospital. She had been in poor health for several years, but had been home from the hospital until a week before her death, when she was returned to the Lockney hospital.

She was born June 4, 1890, in Dewey County, Oklahoma. She was married to Frank Fisch at the home of her parents in Dewey County on November 14, 1909, and on December 26, 1909, they moved to Briscoe County, where they had lived for nearly fifty years.

Mrs. Fisch was a member of the Rock Creek Church of Christ. They lived on a farm six miles southeast of Silvertown.

Funeral services were conducted at 2:30 p.m. on November 11, at the Silvertown Church of Christ, with Earl Cantwell, minister of the Rock Creek Church of Christ, officiating, assisted by L. L. Thorn-ton, minister of the Silvertown Church of Christ.

Survivors include her husband, Frank; one son, Berle Fisch; a daughter, Mrs. Bood Meyers; three sisters, Mrs. Alpha Kitchens, of Grand Prairie, Mrs. Zerrell Thomas, of Lamar, Colorado, and Mrs. Jake Spencer, of Amarillo; and four grandchildren.

Pallbearers were Garland Francis, J. L. Self, J. D. McGavock, Jack Jowell, Aubrey Rowell, Lowell Calloway, Jack Sutton, and Robert McPherson. Honorary pallbearers were Alva C. Jasper, Sam Lewis, J. Lee Francis, Edwin Crass, Datis Martin, Lenton Latham and Jack Harris.

Burial was in Silvertown Cemetery with arrangements by Roberts Funeral Home of Silvertown, Texas.

HARVEST WELL UNDERWAY IN AREA

The first killing freeze of area-wide scope came this past week. There had been "spotted" freezes before, with localized killing of vegetation. This one really put the finishing touches to cultivated crops, making them ready for harvest on a grand scale.

The area's first killing freeze came November 5, with temperatures of 18 at Plainview, 25 at Lubbock and 27 at Lamesa, followed by even lower temperatures of 17 at Lubbock and 19 at Lamesa Friday morning. The cold weather followed nearly a week of rain, drizzle, fog and high winds. Forecast for December is moisture 25 per cent above normal and another cold spell around December 18-19 even colder than this one.

The harvest, having been slowed by the adverse weather conditions, has started again, but the pace was slow until this week. Many workers have left some areas and volume stripping is just now getting underway. Gins and classing offices have probably enjoyed the last week as a time to catch up on work, but by this date are most undoubtedly snowed under again.

Blanche Newman, Viola Boyles, Mary Rampley, LaVerne Tiffin, Eudean Crow, Ruby Brannon, Ikie Bingham, Bessie Vaughan, Ella Leah Riddell, Peggy Garvin, and guests, Joyce McCutchen and Mrs. J. W. McCracken.

Study Club Meets In Francis Home

The Century of Progress Study Club met at the home of Mrs. Garland Francis on Wednesday, October 28. The theme for the day's program was "Passport to Communism - Via Majority Vote." Fourteen members answered roll call by giving a reason we should all vote. Mrs. John Gill gave an interesting discussion on "What is Communism?" Mrs. Carl D. Omar gave an enlightening report on the "Progression of Communism in our Democracy." The entire group joined in an open discussion concerning communism.

Mrs. John Gill, co-hostess, served refreshments.

ATTENDED FUNERAL OF SIM BROWN

Mrs. W. T. Davis and daughter, Mrs. Verne Bearden, former Silvertown residents, and Mrs. J. L. Self attended the funeral of Sim Brown at Gatesville Sunday afternoon and burial at Indian Gap. Mr. Brown, 82, brother of Mrs. Davis and U. D. Brown, had been a barber at Indian Gap for 50 years before going to Gatesville about a year ago on account of illness.

Mesdames Davis, Bearden and Self returned via Henrietta where they attended the funeral of J. C. Brister, of Fort Worth, Monday afternoon. Mr. Brister, about 40 years old, died in Boston, Massachusetts, while undergoing heart surgery; he was a nephew to Mrs. U. D. Brown. are parents of Mrs. Self.

MRS. AUTRY IS RECUPERATING FROM SURGERY

Mrs. W. E. Autry, Sr. underwent surgery at the Plainview hospital on Tuesday and was thought to be recuperating satisfactorily. Mrs. Autry was taken to the Lockney hospital on Tuesday of last week and was transferred to Plainview on Friday.

OBSERVE BIRTHDAYS WITH FAMILY GATHERING

Mrs. Wylie Bomar, Sr. was very happy to have all her children and grandchildren as Sunday dinner guests. Those who have birthdays in November were honor guests.

Those present were Mr. and Mrs. Roy Bomar and daughters and Mr. and Mrs. Noble Lyde and daughters of Lubbock; Mr. and Mrs. Wylie Bomar, Jr. and family and Mr. and Mrs. Leo Comer and family.

Those having birthdays in November are Mrs. Roy Bomar, Wylie Bomar, Jr., Mrs. Lyde, Mrs. Camer, Robert and Laquetta Bomar, Mr. and Mrs. Bill Shives of Tulia, came in the afternoon. Mrs. Shives, the former Teresa Bomar, grew up here and is a sister to the late Wylie Bomar, Sr.

BINGHAM IN OKLAHOMA HOSPITAL

Harvey (Bill) Bingham, 62, who has lived here for many years, was found unconscious in his room at Boyce City, Oklahoma, on Sunday.

It is thought that he suffered a brain hemorrhage and has developed pneumonia since being taken to the hospital. He had not regained consciousness late Tuesday according to reports. Mr. and Mrs. Curtis Bingham of Kress, and Mr. and Mrs. Ben Bingham were in Boyce City with the men's brother early this week.

MRS. ALLARD IS IN TULIA HOSPITAL

Mrs. W. Allard fell at church in Albuquerque, New Mexico, on Sunday, breaking her pelvis bone. She was brought by Roberts Ambulance to the Tulia hospital Tuesday evening and is thought to be doing very well.

Mrs. Allard had gone home with her granddaughter, Mrs. Charles Schmidt on Thursday of last week and had planned to go from Albuquerque to California for a visit with relatives there.

C. O. Allard and Mrs. Perry Whittemore accompanied the ambulance to bring their mother to Tulia, and they report that she stood the trip well.

Last Thursday Wayne McMurry and several of his friends flew to Dodge City in a Bellanca plane on a pheasant hunting trip.

Gereon Zimmerman, senior editor and Mr. Bob Sandberg, photographers have been on the Wayland College campus since Tuesday gathering material for a feature article which is being done by Look Magazine on the Hutcherson Flying Queens. Friday they went along with the Queens who were flown to Juarez for two games by Claude Hutcherson, Moss Foster, J. G. Davis and coach Harley Redin.

Mrs. Mozelle Trotter of Wellman spent the week end in the home of Rev. and Mrs. Frank Story. Mrs. Trotter is Mrs. Story's mother.

TEXAS WILL HAVE NEARLY HALF OF 1960 COTTON ACREAGE

Secretary of Agriculture Ezra Taft Benson has proclaimed a national marketing quota of 13-133.00 bales (standard bales) of 500 pounds gross weight and a national acreage allotment of 16 million acres for the 1960 upland cotton crop.

Texas' share will be 6,761,512 with an additional 55,965 acres for the national reserve. The Secretary also announced his determination that alternate-choice (B)—farm allotments for the 1960 upland cotton crop will be 40 percent larger than the "regular" Choice (A) allotments for the same farms.

An acreage allotment of 22,243 acres will be in effect for the extra long staple cotton grown in Texas in 1960. The national marketing quota will be 66,590 bales with a 64,776 acre allotment.

December 15 was set as the date for a growers' referendum on marketing quotas both upland and extra long staple cotton. At least two-thirds of the farmers voting in the referendum must approve the quotas if they are to remain in effect.

If the quotas are approved, Choice (A) will include "regular" farm allotments with price support at not less than 75 percent of parity available to growers who comply with their regular allotments. Choice (B) includes 40-percent-larger farm allotments and price support to growers who comply with their Choice (B) allotments at 15 percent of parity less than under Choice (A). Individual farm allotments under both Choice (A) and Choice (B) will be made available to producers prior to the referendum.

Benson added that if marketing quotas are not approved for the upland cotton crop, only the "regular" Choice (A) allotment program will be in effect and price support will be available to producers at 50 percent of parity, as provided by law. If quotas are turned down by extra long staple producers, support to eligible growers will drop to 50 percent of parity.

ALL AROUND THE TOWN

Continued from Page 1

State—can lay off between eight hundred and nine hundred thousand workers over a period of time and proceed normally in the world of economics.

Encouragement for the Owls—boys, after last week's game we KNOW you can beat Hale Center. Please don't let us down.

It has been a practice of ours to scream long and loudly at the penalties received by our team on the field of combat; however, this week we make an exception to that rule. We were not particularly proud of the yards stepped off in penalties against the Owls last week, but we did not exactly agree with everything as it was called. We do not intend to be poor sports and say it caused us to lose the game, because it would not be true to suggest such a thing. It is our feeling that if the officials intended to be so strict in their calling of the game, they should have called our opponent

for the same offenses.

We couldn't help feeling a little more kindly toward Idalou than is usually felt toward the opponent, because Olin Reddell, their coach, coached at Tulia while we were in high school, and Wandie Hutson also a coach played at Tulia during those years. We like to see a coach who will send in his other team when he gets a three or four touchdown margin, and equally detest one who delights in running the score up as high as possible. Reddell sent in substitutes when they were about three touchdowns ahead, but quickly sent the starters back when Silverton scored. The Owls battled their "A" string toe to toe through the second half and really did a fine job of it. The only trouble with Idalou was that they didn't seem to have any boy playing in the backfield who wasn't pretty top notch. And we are told they will only graduate three of them.

Wonder if Bobby Stafford could feel how hard all of us were pulling for him on his touchdown run.

The man moved mountains began by carrying away small stones.

Once there lived in a village in Old England a boy who was considered stupid. Men found delight in offering him the choice between a three-penny bit and a penny. The lad always chose the penny.

One day a stranger asked the boy if he chose the penny because it was large piece. The boy replied, "Naw, not that. If I took the three-penny bit, they'd quit offering it."

Those who always want the biggest for themselves usually end up by getting nothing.

'Like Apples of Gold'

by Glenna Wilson

Yesterday was Veterans Day. The eleventh of November. Or was our day too busy. With no time to remember? Shall we not pause today And sincerely, humbly give— Our thanks for those who died That in freedom, we might live? Now an apple of gold from God's pictures of Silver: "Greater love hath no man than this, that a man lay down his life for his friends." John 15:13

Mr. and Mrs. Lee Deavenport home. Chester Strickland entertained about twenty-five members of his class and a number of parents of the pupils with a party at his home three miles north of town.

Thinking Back

TWENTY YEARS AGO... Mildred Bean and Esker Lee Smith are married in Borger. . . The March of Time Study Club to hear Mrs. Jim Wilson of Floydada. Mr. and Mrs. Berry Harris were complimented with a shower given Tuesday night at the Francis school house. . . The Harmony Club met with Mrs. R. D. Wheelock and Mrs. Dick Cowart was welcomed as a new member. . . From Snooping Sally: Was it really Bob Brooks and Lucile Kirk holding hands in the gym Saturday evening? . . . Is O. C. really a woman hater or is he just resting? Is Durene Strickland really in love with a man in uniform? . . . Do Rex Douglas and Guinn Williamson really go courting on a bicycle? . . . Mr. and Mrs. H. Roy Brown transacted business in Plainview and Floydada this week. Mrs. O. C. Allard, Miss Charlsie Allard, Mrs. Nordica Graham and Miss Willie Wilson were visitor in Lockney on Monday. Mr. and Mrs. R. E. Brookshier transacted business in Amarillo on Wednesday.

THIRTY YEARS AGO... A hunting party left Silverton Tuesday morning for the mountains of Old Mexico to be gone ten days. They are Troy Burson, Bud Alexander, and Walter Lee Bain. . . The Sunshine Club met in the home of Mrs. John Lee Francis last Thursday. Mr. and Mrs. Alvin Redin and son, Harley, attended the play at the Silverton auditorium Monday night. Mrs. U. D. Brown and little daughter, Avanel, visited Mrs. Redin Sunday afternoon. Miss Rheua Alexander who is in school at Canyon and Miss Helen Murphy, Amarillo, came home Saturday to be with home folks over the week end. Miss Elizabeth Carolyn and Geraldine Schott, the three daughters of Mr. and Mrs. W. E. Schott, braved the mud and rain to come home this week end. All three are attending school in Lubbock. Mr. and Mrs. True Burson have a little daughter in their home born Wednesday, Nov. 13. Mr. and Mrs. C. M. Chappell and children were Sunday afternoon callers in the Jake Clines

BRIDAL SHOWER HONORS MISS JOYCE THOMAS

The home of Mrs. Walter Brannon was the scene for a pretty miscellaneous bridal shower honoring Miss Joyce Thomas, bride-elect of John Mercer, on Saturday, November 7, from 3:00 to 4:30 p.m. Mrs. Brannon greeted the guests and presented them to the honor guest, Miss Thomas, her mother, Mrs. B. A. Thomas, and Mrs. Frank Mercer, mother of the groom-to-be. Miss Becky Mallow presided at the bride's book and registered approximately fifty guests. Misses Carolyn Garrison and Barbara Fish displayed the gifts. Misses Lou Brannon and LaJuan Curby alternated with Misses Jane Brooks and Joy Ann McCutchen in serving the refreshments.

The bride's chosen colors of blue and white were carried out in the table decorations and refreshments. The table was laid with a blue net cloth over white while blue satin streamers embellished with "Joyce" and "John" directed attention to the lovely arrangement of white crystal chandeliers on a mirror edged with ruffles of blue net. White cake squares with the couple's names in blue icing, fruit punch, nuts and mints were served with crystal and silver appointments. Several ladies assisted with the other hospitalities of the home.

Out of town guests included Mrs. N. C. McCain, Mrs. Larnee McCain and Sheryl, Mrs. C. D. George and Carol, and Mrs. Roy Vaughn, of Tulia; Mrs. Riley Joe Ziegler of Vigo Park; Mrs. Odell Johnson of Quitaque; and Mrs. Walter Arnold of Post.

Mesdames Bernie May and D. Oneal were in Amarillo on Saturday.

Mr. and Mrs. P. L. Brown and grandsons, Steve and Trent Brown, spent Sunday in Hereford with Mrs. J. W. Anderson and Mr. and Mrs. Bill Ellis. Mrs. Anderson is the mother Mesdames Brown and Ellis.

Mr. and Mrs. Shelley Tomlin returned home on Monday after a visit with his brother and family, Mr. and Mrs. Glen Tomlin, in Stockton, California, since Thursday of last week.

left Monday for a visit with their daughter and family, Mr. and Mrs. Charles Kelley and children, in Wewoka, Oklahoma.

Mrs. S. C. Grantham spent Monday in Tulia with her mother, Mrs. I. L. Nall, Sr.

Mr. and Mrs. Walter Fleming spent the week end in Byers with relatives. They returned home Mrs. Josie Byers who had spent last week here with relatives. She is the mother of Messrs. Walter Fleming and K. M. Fleming.

Linda Rogers of Tulia, spent last week with her uncle and family, Mr. and Mrs. W. J. Hyatt, Sr.

Mr. and Mrs. B. L. Stephens went to Estes Park, Colorado, over

the week end to return home to daughter, Mrs. Robert Isbell, and Christi, who had been here a couple of weeks. Enroute they stopped in Boyce City, Oklahoma, for breakfast and saw Mr. and Mrs. Ben Bingham of Silverton and Mr. and Mrs. Curtis Bingham of Kress, who were there with men's brother, Harvey (Bill) Bingham, a patient in the Boyce City hospital. Mr. Stephens went to hospital to see Bill, who had regained consciousness.

Bill T. Womack of Denver, Colorado, spent Thursday of last week here with his mother-in-law, J. H. May, and other relatives.

Mrs. R. C. Green of Tulsa spent Thursday with her parents, Mr. and Mrs. Will Smith.

Mr. and Mrs. Wyatt Heisler of Wayside, spent Saturday evening Mr. and Mrs. Joe H. Smith.

Mr. and Mrs. J. C. Fuller of Plainview spent Sunday with Mrs. Fuller's brother, Joe H. Smith, and Mrs. Smith.

GARDEN CLUB MEETS WITH MRS. E. POSEY

On September 15, the Silverton Garden Club met with Mrs. E. Posey as hostess. There were thirteen members. Mrs. Virgil Crow and Mrs. Clarence Gaitther, guests, present for this meeting.

The subject of a general discussion by the club was "Dahlias." Discussed was the correct method for planting, as well as the culture and when and how to care for the bulbs.

The club's next regular meeting will be held in the home of Mrs. Gabe Garrison at 3:00 p.m. on October 20. The topic for discussion at that time will be "chrysanthemums."

Childhood was not as pleasant as it seems.

A good loafer is an artist at his profession.

Wildcats Claw Owls

All Around the Town

by Mary Ann Sarchet

High on our list of funnies this week is the boo-boo by George Zimmerman at Lions Club last week. Zimmerman, the District Governor, was guest speaker for the evening. Mrs. Zimmerman accompanied him here from Hereford and engaged in conversation with guests with whom she had been acquainted for some time, when she spotted her and thinking she was Lion Sweetheart Jackie Greer, decided to introduce her to the District Governor. Lion Zimmerman declares that this was the first time in a long while that he had been introduced to George Zimmerman, and added that he was glad to know that all the old members are pretty much alike.

We'll blame this incident on Mrs. Greer, who played hockey with that meeting.

We received a change-of-address notice from California last week addressed to: Briscoe County News, Silvertown, Texas (the second largest state in the union.) That may be so, but that makes California the third largest, you know.

The fall days are fading into winter, and we are beginning to think of old Santa. We'd like to encourage all the "kiddies" to be writing their letters to Santa, from those who have to be written for those who may not care to do it their years. We want to hear from all of you. The letters will be used on a special page in a few weeks. Write Santa, Box 255, Silvertown, and we'll forward all letters to the North Pole.

Santa will be a comparative baby this year, at least to what he would have been without the steel strike. The word from industry sources is that widespread production cutbacks and unemployment will dampen Christmas. Not only will Santa's toy sack be lighter, for many children, but some goods will not be available in numbers which had been expected.

What some people do not realize is the fact that even though the steel mills are re-opening, some who have been unemployed will remain unemployed through the rest of the year — as a result of the strike. It will take time, and many plants, and some of them are automobile plants, to get the steel stocks to build back again.

It is reported that steel companies' sales losses are running into the billions of dollars. This is a huge figure, and is certain to affect the economy.

Another part of the picture is the tremendous loss the strike has already caused in tax losses to the government. When people do not make money they do not pay taxes, and many will get a rebate on last year's taxes. In addition to that the cost of unemployment compensation has gone up tremendously since the steel strike began, and has continued to go up.

Thus the government loses in industry taxes, individual taxes and through unemployment compensation. Since the budget will not be balanced this year the government will doubtless have to borrow money and pay interest which would not have been necessary otherwise.

For many reasons, then, Santa Claus will be carrying a lighter sack this year than usual. The children will get their presents, and people will celebrate Christmas, but it will not be what it could have been.

No country — not even the United States —

Continued on Next Page

In a pretty monotonous ball game for them last Friday night, the Idalou Wildcats sent the Silvertown Owls down in defeat by a score of 64-30. Up against a better team, the Owls fought back to overcome the 44-6 halftime score. Few first downs were made due to the fact that just about every time Idalou got their hands on the ball they went all the way for a touchdown. Silvertown was able to make some good long plays, also. The Wildcats were in possession of eleven first downs and Silvertown was close behind with six.

The game was off to a rip-roaring start when Silvertown kicked to Idalou and the Wildcats skipped back up field averaging about six yards to the carry. Billy Swann scored for Idalou from about the twenty, but was unable to make extra points.

Most of the first half the fans were able to get a glimpse of next year's team. Van Breedlove, freshman, made a nice carry for the Owls, who were unable to make up enough yardage for a first down. On the other hand, Idalou took the punt on about their own twenty and raced back through two downs for a touchdown, which was called back due to a clipping penalty against them.

Undaunted they came back with a passing attack which brought them to the Owl thirty and ground gains down to the five, from where they had no trouble at all getting over for their second TD. A gain the Wildcats missed the extra points, and the score stood at 12-0.

Silvertown took the Idalou kick for a nine yard gain, which was called back for an offensive holding penalty. Unable to make the needed yardage, Silvertown kicked to Idalou's Joe Wilbanks who was waiting on the fifty and his carry was good for six points.

The dawn of the second quarter found the Owls receiving the Idalou kick, which James Roy Brown took on the Owl five and carried all the way to put Silvertown in the scoring column on the short end, 20-6.

Silvertown again kicked to Idalou but made the mistake of aiming in the direction of Wilbanks, who carried from the Idalou twenty all the way for a touchdown, making the score 28-6.

Silvertown was unable to gain ground and was forced to kick to the Wildcats who were stopped momentarily by a five yard penalty, then sent Carl Mears out for a pass which he made good for a touchdown. Don Snodgrass grabbed another toss in the clear for the extra points, bringing the score to 36-6.

Johnny Jowell, a freshman, received the Idalou kick for a nice carry back. Unable to make the required ten yards, Silvertown punted into the waiting hands of Carl Mears who scampered forty yards for a Wildcat touchdown to make the score 44-6.

The half ended with Idalou having scored twice in the first quarter, four times in the second and Silvertown once in the second quarter. An interesting note is that the Owls did not make a single first down until the third quarter, when Bobby Stafford received a long pass on about the forty-five yard line. But on the next play, Idalou intercepted an Owl pass and ran all the way to make the score 50-6.

Stafford received the Idalou kick and carried to the forty. On the next play, Billy Swann intercepted the Owl pass. The Wildcats fumbled on the next play and Silvertown recovered.

The Owls completed one pass for a short gain, then sent Bobby Stafford out for a pass, which he received on the Idalou thirty-five yard line. This play should have been filmed because Stafford took the ball and charged like a big

Berton Hughes Injured On Monday

Monday at about 9:30 a.m. Berton Hughes, manager of Farmers' "66" Service Station here in Silvertown, was changing the oil in an automobile from which one of the front tires had been removed, when the jack slipped and the car fell. The weight of the car came to rest with most of the weight on the cheek-jaw area. The car had to be raised before he could be removed from underneath. Hughes was conscious, but the cheek and jaw bone area, nose, teeth and lips had been crushed by the car's weight.

He was rushed by Roberts Ambulance to Swisher County Hospital where he was given first aid treatment. Numerous stitches were taken in the upper part of his head. He was then removed by Roberts Ambulance to Northwest Texas Hospital in Amarillo where he underwent surgery later in the day.

Latest reports indicate that he is doing as well as can be expected, but doctors have assured the family that there was no brain damage, and that the injured areas will just require some time to mend.

Mrs. Hughes was accompanied to Tullia by Mrs. Lem Weaver and went along with her husband to Amarillo.

Later Monday, Rev. and Mrs. G. A. Elrod, R. E. Renfro of Vernon, and Mrs. Hubert Hall of Memphis were among those staying with Mr. and Mrs. Hughes at the hospital. R. E. Renfro is the father of both Mrs. Hughes and Mrs. Hall. Mr. and Mrs. Alvin Redin were also at the hospital for the operation. Hughes has worked for Redin at the station for twenty years.

Election To Give Kent Creek District Taxing Authority

The directors of the Kent Creek Watershed and Improvement District met recently in Quitaque to make further plans about the Watershed. Directors present included Bert Grundy, James Branson, E. J. Hamilton and Glenn Morrison. Others present included George Miller, County Attorney, O. R. Stark, Jr. and Virgil Henson of the Soil Conservation Service.

Plans were made to hold an election within the Watershed for the purpose of giving the District taxing authority. The District will assume maintenance of the structures once they are completed. The District will need to raise one thousand dollars per structure and one thousand dollars per mile of channel improvements for maintenance.

Estimating the number of dams needed from six to eight and the amount of channel improvement needed at four to five miles, the total amount of money needed will probably run from nine to twelve thousand dollars.

The date of the election is set for the second Tuesday in January. The District Directors plan to have at least one meeting prior to the election to discuss the Watershed. They will also contact as many people as possible individually who live in the Watershed and explain the coming election.

Celebrate Fortieth Anniversary

Mr. and Mrs. J. M. Thompson celebrated their fortieth wedding anniversary last Sunday, by having their two daughters and families home for a visit.

Mr. and Mrs. G. D. Schmidt and Gene of Lamesa and Mr. and Mrs. Dick Franklin, Jerry Dee and Beth O'Donnell all enjoyed a turkey dinner at the noon meal, and making pictures through out the day.

Haylake Club Meets In Brooks Home

The Haylake Club met November 5, in the home of Leona Brooks. The afternoon was spent playing games. Refreshments of coffee, cokes, doughnuts and cookies were served to the following members: Mary Lee Watters,

The 1959 Football Queen will be crowned in pre-game ceremonies beginning at 7:45 tomorrow night. Candidates for the honor are Carolyn Frizzell, LaJuan Curby and Nell Rackley.

The Queen will be chosen by the vote of the football players.

LAST RITES HELD FOR MRS. FISCH

Mrs. Lydia Belle Fisch, 69, died at 8:45 a.m. on November 11, 1959, in Lockney General Hospital. She had been in poor health for several years, but had been home from the hospital until a week before her death, when she was returned to the Lockney hospital.

She was born June 4, 1890, in Dewey County, Oklahoma. She was married to Frank Fisch at the home of her parents in Dewey County on November 14, 1909, and on December 26, 1909, they moved to Briscoe County, where they had lived for nearly fifty years.

Mrs. Fisch was a member of the Rock Creek Church of Christ. They lived on a farm six miles southeast of Silvertown.

Funeral services were conducted at 2:30 p.m. on November 11, at the Silvertown Church of Christ, with Earl Cantwell, minister of the Rock Creek Church of Christ, officiating, assisted by L. L. Thornton, minister of the Silvertown Church of Christ.

Survivors include her husband, Frank; one son, Berle Fisch; a daughter, Mrs. Bood Meyers; three sisters, Mrs. Alpha Kitchens, of Grand Prairie, Mrs. Zerrell Thomas, of Lamar, Colorado, and Mrs. Jake Spencer, of Amarillo; and four grandchildren.

Pallbearers were Garland Francis, J. L. Self, J. D. McGavock, Jack Jowell, Aubrey Rowell, Lowell Calloway, Jack Sutton, and Robert McPherson. Honorary pallbearers were Alva C. Jasper, Sam Lewis, J. Lee Francis, Edwin Crass, Datis Martin, Lenton Latham and Jack Harris.

Burial was in Silvertown Cemetery with arrangements by Roberts Funeral Home of Silvertown, Texas.

HARVEST WELL UNDERWAY IN AREA

The first killing freeze of area-wide scope came this past week. There had been "spotted" freezes before, with localized killing of vegetation. This one really put the finishing touches to cultivated crops, making them ready for harvest on a grand scale.

The area's first killing freeze came November 5, with temperatures of 18 at Plainview, 25 at Lubbock and 27 at Lamesa, followed by even lower temperatures of 17 at Lubbock and 19 at Lamesa Friday morning. The cold weather followed nearly a week of rain, drizzle, fog and high winds. Forecast for December is moisture 25 per cent above normal and another cold spell around December 18-19 even colder than this one.

The harvest, having been slowed by the adverse weather conditions, has started again, but the pace was slow until this week. Many workers have left some areas and volume stripping is just now getting underway. Gins and classing offices have probably enjoyed the last week as a time to catch up on work, but by this date are most undoubtedly snowed under again.

Blanche Newman, Viola Boyles, Mary Rampley, LaVerne Tiffin, Eudean Crow, Ruby Brannon, Ikie Bingham, Bossie Vaughan, Ella Leah Riddell, Peggy Garvin, and guests, Joyce McCutchen and Mrs. J. W. McCracken.

The next meeting will be a covered dish luncheon on November 19, at Ruby Brannon's home.

Study Club Meets In Francis Home

The Century of Progress Study Club met at the home of Mrs. Garland Francis on Wednesday, October 28. The theme for the day's program was "Passport to Communism — Via Majority Vote." Fourteen members answered roll call by giving a reason we should all vote. Mrs. John Gill gave an interesting discussion on "What is Communism?" Mrs. Carl D. Omar gave an enlightening report on the "Progression of Communism in our Democracy." The entire group joined in an open discussion concerning communism.

Mrs. John Gill, co-hostess, served refreshments.

ATTENDED FUNERAL OF SIM BROWN

Mrs. W. T. Davis and daughter, Mrs. Verne Bearden, former Silvertown residents, and Mrs. J. L. Self attended the funeral of Sim Brown at Gatesville Sunday afternoon and burial at Indian Gap. Mr. Brown, 82, brother of Mrs. Davis and U. D. Brown, had been a barber at Indian Gap for 50 years before going to Gatesville about a year ago on account of illness.

Mrs. Mesdames Davis, Bearden and Self returned via Henrietta where they attended the funeral of J. C. Brister, of Fort Worth, Monday afternoon. Mr. Brister, about 40 years old, died in Boston, Massachusetts, while undergoing heart surgery; he was a nephew to Mrs. U. D. Brown, are parents of Mrs. Self.

MRS. AUTRY IS RECUPERATING FROM SURGERY

Mrs. W. E. Autry, Sr. underwent surgery at the Plainview hospital on Tuesday and was thought to be recuperating satisfactorily. Mrs. Autry was taken to the Lockney hospital on Tuesday of last week and was transferred to Plainview on Friday.

OBSERVE BIRTHDAYS WITH FAMILY GATHERING

Mrs. Wylie Bomar, Sr. was very happy to have all her children and grandchildren as Sunday dinner guests. Those who have birthdays in November were honor guests.

Those present were Mr. and Mrs. Roy Bomar and daughters and Mr. and Mrs. Noble Lyde and daughters of Lubbock; Mr. and Mrs. Wylie Bomar, Jr. and family and Mr. and Mrs. Leo Comer and family.

Those having birthdays in November are Mrs. Roy Bomar, Wylie Bomar, Jr., Mrs. Lyde, Mrs. Comer, Robert and Laquetta Bomar. Mr. and Mrs. Bill Shives of Tullia, came in the afternoon. Mrs. Shives, the former Teresa Bomar, grew up here and is a sister to the late Wylie Bomar, Sr.

BINGHAM IN OKLAHOMA HOSPITAL

Harvey (Bill) Bingham, 62, who has lived here for many years, was found unconscious in his room at Boyce City, Oklahoma, on Sunday.

It is thought that he suffered a brain hemorrhage and has developed pneumonia since being taken to the hospital. He had not regained consciousness late Tuesday according to reports. Mr. and Mrs. Curtis Bingham of Kress, and Mr. and Mrs. Ben Bingham were in Boyce City with the men's brother early this week.

MRS. ALLARD IS IN TULLIA HOSPITAL

Mrs. W. Allard fell at church in Albuquerque, New Mexico, on Sunday, breaking her pelvis bone. She was brought by Roberts Ambulance to the Tullia hospital Tuesday evening and is thought to be doing very well.

Mrs. Allard had gone home with her granddaughter, Mrs. Charles Schmidt on Thursday of last week and had planned to go from Albuquerque to California for a visit with relatives there.

C. O. Allard and Mrs. Perry Whittemore accompanied the ambulance to bring their mother to Tullia, and they report that she stood the trip well.

Last Thursday Wayne McMurry and several of his friends flew to Dodge City in a Bellanca plane on a pheasant hunting trip.

Gereon Zimmerman, senior editor and Mr. Bob Sandberg, photographers have been on the Wayland College campus since Tuesday gathering material for a feature article which is being done by Look Magazine on the Hutcherson Flying Queens. Friday they went along with the Queens who were flown to Juarez for two games by Claude Hutcherson, Moss Foster, J. G. Davis and coach Harley Redin.

Mrs. Mozelle Trotter of Wellman spent the week end in the home of Rev. and Mrs. Frank U. D. Brown. Mrs. Trotter is Mrs. Story's mother.

TEXAS WILL HAVE NEARLY HALF OF 1960 COTTON ACREAGE

Secretary of Agriculture Ezra Taft Benson has proclaimed a national marketing quota of 13-133,000 bales (standard bales of 500 pounds gross weight) and a national acreage allotment of 16 million acres for the 1960 upland cotton crop.

Texas' share will be 6,761,512 with an additional 55,965 acres for the national reserve. The Secretary also announced his determination that alternate-Choice (B) — farm allotments for the 1960 upland cotton crop will be 40 percent larger than the "regular" Choice (A) allotments for the same farms.

An acreage allotment of 22,243 acres will be in effect for the extra long staple cotton grown in Texas in 1960. The national marketing quota will be 66,590 bales with a 64,776 acre allotment.

December 15 was set as the date for a growers' referendum on marketing quotas both upland and extra long staple cotton. At least two-thirds of the farmers voting in the referendum must approve the quotas if they are to remain in effect.

If the quotas are approved, Choice (A) will include "regular" farm allotments with price support at not less than 75 percent of parity available to growers who comply with their regular allotments. Choice (B) includes 40-percent-larger farm allotments and price support to growers who comply with their Choice (B) allotments at 15 percent of parity less than under Choice (A). Individual farm allotments under both Choice (A) and Choice (B) will be made available to producers prior to the referendum.

Benson added that if marketing quotas are not approved for the upland cotton crop, only the "regular" Choice (A) allotment program will be in effect and price support will be available to co-producers at 50 percent of parity, as provided by law. If quotas are turned down by extra long staple producers, support to eligible growers will drop to 50 percent of parity.

ALL AROUND THE TOWN

Continued from Page 1

State—can lay off between eight hundred and nine hundred thousands workers over a period of time and proceed normally in the world of economics.

Encouragement for the Owls—boys, after last week's game we KNOW you can beat H&L Center. Please don't let us down.

It has been a practice of ours to scream long and loudly at the penalties received by our team on the field of combat; however, this week we make an exception to that rule. We were not particularly proud of the yards stepped off in penalties against the Owls last week, but we did not exactly agree with everything as it was called. We do not intend to be poor sports and say it caused us to lose the game, because it would not be true to suggest such a thing. It is our feeling that if the officials intended to be so strict in their calling of the game, they should have called our opponent

for the same offenses.

We couldn't help feeling a little more kindly toward Idalou than is usually felt toward the opponent, because Olin Reddell, their coach, coached at Tullia while we were in high school, and Wandie Hutson also a coach played at Tullia during those years. We like to see a coach who will send in his other team when he gets a three or four touchdown margin, and equally detest one who delights in running the score up as high as possible. Reddell sent in substitutes when they were about three touchdowns ahead, but quickly sent the starters back when Silverton scored. The Owls battled their "A" string toe to toe through the second half and really did a fine job of it. The only trouble with Idalou was that they didn't seem to have any boy playing in the backfield who wasn't pretty top notch. And we are told they will only graduate three of them.

Wonder if Bobby Stafford could feel how hard all of us were pulling for him on his touchdown run.

The man moved mountains began by carrying away small stones.

Once there lived in a village in Old England a boy who was considered stupid. Men found delight in offering him the choice between a three-penny bit and a penny.

The lad always chose the penny. One day a stranger asked the boy if he chose the penny because it was large piece. The boy replied, "Naw, not that. If I took the three-penny bit, they'd quit offering it."

Those who always want the biggest for themselves usually end up by getting nothing.

'Like Apples of Gold'

by Glenna Wilson

Yesterday was Veterans Day. The eleventh of November. Or was our day too busy With no time to remember? Shall we not pause today And sincerely, humbly give— Our thanks for those who died That in freedom, we might live?

Now an apple of gold from God's pictures of Silver:

"Greater love hath no man than this, that a man lay down his life for his friends." John 15:13

Thinking Back

TWENTY YEARS AGO... Mildred Bean and Esker Lee Smith are married in Borger. The March of Time Study Club to hear Mrs. Jim Wilson of Floydada. Mr. and Mrs. Berry Harris were complimented with a shower given Tuesday night at the Francis school house. The Harmony Club met with Mrs. R. D. Wheelock and Mrs. Dick Cowart was welcomed as a new member. From Snooping Sally: Was it really Bob Brooks and Lucile Kirk holding hands in the gym Saturday evening? Is O. C. really a woman hater or is he just resting? Is Durene Strickland really in love with a man in uniform? Do Rex Douglas and Guinn Williamson really go courting on a bicycle? Mr. and Mrs. H. Roy Brown transacted business in Plainview and Floydada this week. Mrs. O. C. Allard, Miss Charlsie Allard, Mrs. Nordica Graham and Miss Willie Wilson were visitors in Lockney on Monday. Mr. and Mrs. R. E. Brookshier transacted business in Amarillo on Wednesday.

THIRTY YEARS AGO... A hunting party left Silverton Tuesday morning for the mountains of Old Mexico to be gone ten days. They are Troy Burson, Bud Alexander, and Walter Lee Bain. The Sunshine Club met in the home of Mrs. John Lee Francis last Thursday. Mr. and Mrs. Alvin Redin and son, Harley, attended the play at the Silverton auditorium Monday night. Mrs. U. D. Brown and little daughter, Avanel, visited Mrs. Redin Sunday afternoon. Miss Rheua Alexander who is in school at Canyon and Miss Helen Murphy, Amarillo, came home Saturday to be with home folks over the week end. Miss Elizabeth Carolyn and Geraldine Schott, the three daughters of Mr. and Mrs. W. E. Schott, braved the mud and rain to come home this week end. All three are attending school in Lubbock. Mr. and Mrs. True Burson have a little daughter in their home born Wednesday, Nov. 13. Mr. and Mrs. C. M. Chappell and children were Sunday afternoon callers in the Jake Clines

BRIDAL SHOWER HONORS MISS JOYCE THOMAS

The home of Mrs. Walter Brannon was the scene for a pretty miscellaneous bridal shower honoring Miss Joyce Thomas, bride-elect of John Mercer, on Saturday, November 7, from 3:00 to 4:30 p.m. Mrs. Brannon greeted the guests and presented them to the honor guest, Miss Thomas, her mother, Mrs. B. A. Thomas, and Mrs. Frank Mercer, mother of the groom-to-be.

Miss Becky Mallow presided at the bride's book and registered approximately fifty guests. Misses Carolyn Garrison and Barbara Fisch displayed the gifts. Misses Lou Brannon and Lajuan Curby alternated with Misses Jane Brooks and Joy Ann McCutchen in serving the refreshments.

The bride's chosen colors of blue and white were carried out in the table decorations and refreshments. The table was laid with a blue net cloth over white while blue satin streamers embossed with "Joyce" and "John" directed attention to the lovely arrangement of white crystal chandeliers on a mirror edged with ruffles of blue net. White cake squares with the couple's names in blue icing, fruit punch, nuts and mints were served with crystal and silver appointments. Several ladies assisted with the other hospitalities of the home.

Out of town guests included Mrs. N. C. McCain, Mrs. Larnee McCain and Sheryl, Mrs. C. D. George and Carol, and Mrs. Roy Vaughn, of Tullia; Mrs. Riley Joe Ziegler of Vigo Park; Mrs. Odell Johnson of Quitaque; and Mrs. Walter Arnold of Post.

Mesdames Bernie May and D. Oneal were in Amarillo on Saturday.

Mr. and Mrs. P. L. Brown and grandsons, Steve and Trent Brown, spent Sunday in Hereford with Mrs. J. W. Anderson and Mr. and Mrs. Bill Ellis. Mrs. Anderson is the mother Mesdames Brown and Ellis.

Mr. and Mrs. Shelley Tomlin returned home on Monday after a visit with his brother and family, Mr. and Mrs. Glen Tomlin, in Stockton, California, since Thursday of last week.

Mr. and Mrs. Lee Deavenport home. Chester Strickland entertained about twenty-five members of his class and a number of parents of the pupils with a party at his home three miles north of town.

left Monday for a visit with their daughter and family, Mr. and Mrs. Charles Kelley and children, in Wewoka, Oklahoma.

Mrs. S. C. Grantham spent Monday in Tullia with her mother, Mrs. I. L. Nall, Sr.

Mr. and Mrs. Walter Fleming spent the week end in Byers with relatives. They returned home Mrs. Josie Byers who had spent last week here with relatives. She is the mother of Messrs. Walter Fleming and K. M. Fleming.

Linda Rogers of Tullia, spent last week with her uncle and family, Mr. and Mrs. W. J. Hyatt, Sr.

Mr. and Mrs. B. L. Stephens went to Estes Park, Colorado, over

the week end to return home to daughter, Mrs. Robert Isbell, and Christi, who had been here a couple of weeks. Enroute they stopped in Boyce City, Oklahoma, for breakfast and saw Mr. and Mrs. Ben Bingham of Silverton and Mr. and Mrs. Curtis Bingham of Kress, who were there with men's brother, Harvey (Bill) Bingham, a patient in the Boyce City hospital. Mr. Stephens went to hospital to see Bill, who had regained consciousness.

Bill T. Womack of Denver, Colorado, spent Thursday of last week here with his mother-in-law, J. H. May, and other relatives.

Mrs. R. C. Green of Tullia spent Thursday with her parents, Mr. and Mrs. Will Smith.

Office News

An Accreditation team composed of Mr. P. E. Hutchinson, Director of Finance, Texas Education Agency, and Mr. Walter Labay, Area Vocational Agriculture Supervisor, were here all day Wednesday. This team was sent out by the Texas Education Agency to make an evaluation of our schools to determine if we were meeting the standards for Accreditation.

The following things were checked:
1. Minutes of the meetings of the board of trustees.
2. Policy statements of the board of trustees.
3. Policy statements of the superintendent.
4. Teacher personnel files.
5. Pupil personnel files.
6. Current high school schedules.
7. Library budget and invoices.
8. A copy of the self-evaluation report.

We will be given a full report of the findings some time in the near future. This report will be sent to us from Austin after the above team makes its report to the Division of School Accreditation.
We were pleased with the visit of Mr. Hutchinson and Mr. Labay and of course we hope that they were not greatly displeased with what they found here in our schools.
One of the first grade boys expressed the feelings of some. When Mr. Hutchinson and Mr. Moreland entered his room, he looked up and said, "Uh-oh."
We appreciate the visitors and hope they come to see us again some time.

said, "If you are still unhappy you may change to a private school."
Mary first began to make some interest in school when she saw a very cute boy getting on the bus one morning. She wondered why she had never seen him before. When she got to school, she learned that his name was Tom Snow and that he was new at school. Tom had a wonderful personality and made friends quickly and easily.
As the Christmas drew near, everyone began making plans for the Christmas dance. Mary again felt very much left out of things. She didn't know anyone who would want to ask her to dance.
One afternoon two weeks before the dance, Tom sat with her on the bus. He asked Mary if she would go to the dance with him. Mary was astonished. Why would he want to go with her? She ran home to ask her mother if she might go.
In all the excitement of planning a new dress and helping with the Christmas dance, Mary's shyness began to vanish. At last she was having fun with the people she had once thought were very unfriendly.

THE OUTSIDER

Mary Ann did not want to move from her former environment. She felt Washington High was an unfriendly school because she never gave herself a chance to think otherwise. She never took part in social activities. Mary Ann was afraid if she made friends, she might like her new school; she had made up her mind not to like it, and she succeeded. She was invited to all the class parties and socials. She acted like a snob. She was soon known as the "outsider." Later other people moved to town. Mary Ann learned from them. At the end of the school year, Mary Ann was voted the popular girl of the junior class.

Warner Reid, formerly of Silverton, has been attending to business at his ranch in Trinidad, Colorado, and was flown home from there Thursday by Miller Flying Service.

Class News

Sophomore
by Joy Morrison

Monday night, November 2, 1959 the Sophomore Class sponsored two basketball games. The first game was between the Wayland Freshmen and the Silverton High School team. The Wayland Freshmen won. The second game was between the Wayland "A" team and the Wayland Freshmen. The "A" team won over the Freshmen. We want to express our appreciation to everyone that attended the games, and also to both teams and their coaches for participating.

— SHS — HOMEMAKING II CLASS

The Homemaking II class is still working on the project "making curtains for the Homemaking room." In order to raise money for this project they take orders for homemade pies, cakes, cookies, candy, cup cakes, etc. They prepare them during the class period as soon as the order has been turned in. Please help by turning your order in to Sandra Mercer, Carolyn Garrison, or Edith Miller.

— SHS — F. H. A. NEWS

by Carolyn Frizzell
One of the highlights of the F. H. A. Chapter is to elect its F. H. A. Sweetheart. This year the girls elected Jerry Don Brannon for the 1959-1960 F. H. A. Sweetheart. Congratulations, Jerry.

The F. H. A. Chapter met last Friday in the film room to see "The Three Kinds of Degrees". They are Junior, Chapter and State Degrees. This film showed many of the Freshman what they are working for during their high school years and the things they will achieve.
This year the F. H. A. Chapter has decided not to sell pecans as they have done in the past. The margin of profit is so small that they do not feel it is a worth while project.

The chapter is going to order F. H. A. jackets for all who want them. They are red with the F. H. A. symbol on the right side. See Mrs. Miller if you plan to buy a jacket.

— SHS — F. F. A. NEWS

by Joe Anderson
On Thursday, November 5, 1959 the Silverton F. F. A. Chapter met. Votes for the chapter Sweetheart were counted and the winner was announced. The new Silverton F. F. A. Sweetheart is Carolyn Frizzell. The district banquet and Sweetheart contest will be held in Floydada on November 23. Our Sweetheart will represent us there.
The Freshman Greenhand Initiation was set for November 13 and a committee was appointed to plan and carry out the initiation.

Homemaker's

Scrapbook
Mrs. Buster Miller

To keep white gloves and hankies clean and sweet-smelling, place them in a plastic bag into which you have dropped a small envelope of your favorite sachet.
A safe way to wash your nylon stockings in the washing machine is to place them in a pillowcase.
For handy use when sewing, keep a small roll of transparent tape in your sewing basket to patch patterns, hold hems temporarily, etc.

Brown sugar in the package dries and hardens quickly. Remove it from the package and pack it into a jar with a tightly-fitting cover. After using some sugar from the jar, reseal it immediately.

HOW TO MAKE "HONEST" COFFEE ACCORDING TO THE PAN-AMERICAN BUREAU.

1. The most important rule of coffee brewing deals with measuring. Best results are obtained by using for each serving, one standard coffee measure of coffee (of its equivalent, 2 level measuring tablespoons) to each 3/4 measuring cup (6 ounces) of water. These measurements are the same for all types of coffee makers.
2. Start with a thoroughly clean coffee maker. Rinse the coffee maker with hot water before using.
3. Fresh coffee is best. Buy coffee in the size of can or package which will be used within a week after opening.
4. Fresh water is important, too. For best results start with freshly drawn water.
5. For best results, use the full capacity of your coffee maker. For lesser quantities, use a smaller coffee maker. Never, in any case, brew less than three-quarters of the coffee maker's capacity.
6. Consistent timing is important. After you find the exact timing to obtain the results desired with your coffee maker, stick to it in order to get uniform results.
7. Coffee should never be boiled. When coffee is boiled an undesirable flavor change takes place.
8. Serve coffee as soon as possible after brewing. Freshly brewed coffee always tastes best. If it is necessary to let the brewed coffee stand before serving, hold it at serving temperature by placing the pot in a pan of hot water or over a very low heat on an asbestos pad.

— SHS — RECIPE FOR THE WEEK

Ice Cream — One gallon Electric or hand freezer 6 eggs well beaten
One cup sugar and one tablespoon flour
1/2 cup white syrup
Dash salt
2 cup cream
May substitute 2 cups evaporated milk
One tablespoon vanilla
Add milk until can is 2/3 full. Beat eggs till thick and creamy. Combine sugar flour add to the eggs. Add syrup dash salt, vanilla and cream. Beat well. Pour into freezer can and add milk until can is 2/3 full. Assemble freezer and add ice and salt. Freeze one part salt to 6 parts ice.
or according to the directions on your freezer.

Grade School News

FIRST GRADE
Mrs. Elms

"May I have some more tickets to sell?" was the popular question asked last week. Then the next morning rushing footsteps and beaming faces revealed that the tickets had been exchanged for dollars.
We thank you very much for being so generous —thus enabling our room to win.
Mr. Hoyet Welch was the lucky winner of our doll and wardrobe. We would like to list some of the main articles added to our room through Hallow'en Carnival money. They are:

A large chest of drawers, a big folding table, a record player, a few records, an electric clock, wall chart, color chart, a large ruled word chart, phonetic wheel, alphabet manuscript letters, manuscript writing paper, and ten dollars was paid on our Primary Manuscript typewriter.
With the money we have now, we wish to buy a used piano for our room, some more records, indoor games, and work books for the less fortunate.
Johnny was eating his candy apple sucker and one of his teeth came out. Elvira: "Look Mrs. Elms, one of Johnny's teeth fell off."

— SHS — FIRST GRADE

Mrs. Trout
We have recently lost three pupils but have also gained one. Hence, there are thirty-one children attending at present.
Our Hallow'en contributions were thirty dollars and nineteen cents. We are very thankful for this help and are looking forward to purchasing a record player in the near future.
Then our next task will be finding and collecting good appropriate records that will help with our class work, singing and dramatics.

— SHS — SECOND GRADE

Miss Anderson
Everybody had fun at the Hallow'en Carnival. After the Carnival several of us got to go "trick or treating."
We have had more children out of school this week than at any other time since school started. Some have chicken pox, but the reason for the others may be colds or just too much Hallow'en.
Those that have been absent are Yolanda Garza, Richard Stephens, Gloria Sarmiento, Johnny Chandler, David DeLeon, Louis Abraham, and Nancy Sue Sandifer.

— SHS — THIRD GRADE

Mrs. Wilmeth
Here it is news time again and no news ready. Seems like every other day our school editor's representative calls on us for news. This time we were caught without a scratch. Please don't pitch this in the wastebasket and we promise to do better next time.
We were well pleased with our part of the Hallow'en Carnival. We got \$23.15 for our queen who was the most beautiful one in the parade and had the most handsome escort, we thought. We had a good time, so what more could we ask? We remind ourselves everyday that we cannot go through life winning or excelling in everything. We plan to buy library books with our queen money.
We are beginning our rhythm band. This is a highlight in our music program we have looked forward to this whole year. We are sorry about the noise involved in this ordeal, fellow teachers, but truly, we'll cooperate —we'll close our door too.

— SHS — FOURTH GRADE

Mrs. Childress
Not much news this week. We have been busy as usual. We have begun to count the days until Thanksgiving.
We regret that Nancy Jo Foruler has been absent on account of illness.
We have been coloring pictures for our room which we have enjoyed.

— SHS — FIFTH GRADE

Mrs. Rhode
We are now reading TREASURE ISLAND by Robert Louis Stevenson. Most of the boys envy Jim Hawkins in his search for Captain Flint's buried pirate loot, but the girls are satisfied with just reading about it.
We have two baseball teams in our room; so far our sportscast reads: the cover knocked off one ball; two boys hit in eye with batted balls; rhubarbs for one was 24 to 23; it was a real pitchers' duel.
We have two new pupils, Lucia Guerrero and Reymundo Guerrero who moved here from Pannee, Texas, and are now living on the Homer Sissney place.

— SHS — SIXTH GRADE

Mrs. Turner
The Sixth Grade now has 38 members. Velma Garcia moved away last week.
Mary Welch and David Green have been absent two days this week.

— SHS — SEVENTH GRADE

Miss Slavik
This week Ricki Rowell brought several items from Japan and Hawaii to show the class. Interest seemed to center on our new state, Hawaii.
Our class this week made the change from Texas history to Texas Government and also the change from themes to pronouns.

— SHS — EIGHTH GRADE

Mr. Wilmeth
Raymond Lee Steele has been absent this week.
We have been writing several summaries in history this week. The Eighth Grade made \$100.00 on the Hallow'en Carnival. The Eighth Grade was beaten by Mrs. Elms' First Grade which had \$106.
Mr. Verden was late for science class today. Mr. Wilmeth said maybe he broke his leg. Some of them were glad. Others didn't say anything.
The Eighth Grade would like to thank everyone who bought any of our Lanolin. We do have a good product —and a few bottles left.

BAPTISM IS IMMERSION

The New Testament teaches that sinners must learn of God and obey him. In obeying, each one must believe in Christ, repent of his sins and confess faith. Having done these things he is ready to be baptized to "wash away" his sins (Acts 22:16).

What is baptism? It is immerse on. Anything other than immersion lacks Bible authority. Anything other than immersion is a substitute. Substitutes for immersion are questioned by many on the ground that the Lord does not permit men to substitute for His express commands.

Baptism meant immersion in Christ's day. This was its definition then. Furthermore, all who obeyed the gospel in New Testament times were immersed. Many years passed before we read of anyone attempting to substitute for this command of God.

If someone offered you one of three thousand dollar bills but told you that the last two might be counterfeit and were questioned by many but that the first bill was genuine and unquestioned anywhere, which would you insist on getting?

How much more valuable is one's soul.

The Silverton Church of Christ extends to you a cordial invitation to attend all the services of the church.

Have you read the essay on laughter by Gelett Burgess? He is a humorist and an author. One of his well known books is "The Purple Cow." His essay goes:

"The old professor that I went to hear began his speech by commanding everybody in the audience, 'Laugh. Laugh out loud. Louder! Louder!' One after another began to laugh, and it was not long until the building was in an uproar. I had not felt at all like laughing when I went in. Some people can laugh at their troubles, but I had never been very good at it. But I laughed with the rest and went away feeling better.

Next day I saw a picture of a contest winner. She was laughing all over. I pinned the picture to my wall, and every time I looked at it, I smiled. Then I began to cut out every laughing picture I could find. I finally filled a book with genuine ha-ha-ha pictures.

One day while visiting at the hospital, I showed the book to a worried-looking nurse. She roared. The nurse showed it to a patient, and he smiled for the first time in months. From bed to bed the book passed and from ward to ward. Doctors testified that the laugh cure produced marked improvement. Since then I have made many laugh scrapbooks and have given them to discouraged or ailing friends. There have always been happy results.

Laughter is a real medicine. Perhaps it contains optimistic vitamins. It gives like oxygen. It restores failing morale. I have proved for myself the 'Cleansing Power of laughter'."

The Plainview District of the Methodist Church was host to thirteen staff members of McMurry College for an "Appreciation Visit." Dr. S. B. Thompson, Dean of Men and History Professor spoke in the local Methodist Church Sunday evening.

day setter in south Terry County and was a very close friend of the Story family.

Mr. and Mrs. Roy Mayfield spent the weekend at Fort Collins, Colorado, with their son and family, Mr. and Mrs. Charles Wayne Mayfield. They were accompanied on the trip by a daughter and her family, Mr. and Mrs. Joe Wayne Brooks, Mark and Kelly.

The MYF Sub-District which includes Silverton met Monday evening at the St. John's Methodist Church in Plainview. Rev. Story and several others attended. The theme of the meeting was "Christian Outreach."

Mrs. Dan Montague spent Sunday night with her daughter and family, Mr. and Mrs. W. H. Fitzgerald.

Mrs. Robert Herald and Debra of Wichita Falls, visited Mrs. Herald's grandparents, Mr. and Mrs. H. C. Mercer, and other relatives here last week. Mrs. Herald is the former Glenna Mercer.

Mr. and Mrs. O. A. Strange of Panhandle, were week end guests of his sister and family, Mr. and Mrs. Edwin Crass, and other relatives.

A MESSAGE TO:

**Farmers
Ginners
Businessmen**

Across the vast cotton-white fields of the Texas High Plains farmers are busy gathering the 1959 cotton crop — which may be the second largest crop yet produced on the High Plains.

The work of THE PLAINS COTTON GROWERS, INC. is continuous day-in, day-out, year-in, year-out. That's why it is vital that as many gins as possible on the Plains cooperate with the PCG in collecting farmers' dues.

Some ginners this year are having difficulty because of the low price of cottonseed. It is regrettable that this hardship is with us, but regardless, it cannot be permitted to interrupt the work of the PCG. A look at the list on the right shows just a few of the many accomplishments of the PCG. Farmers and ginners alike can easily see the value PCG now means to the Plains cotton industry.

Producers should check their ginners and if at all possible, help him work out some method whereby he can continue his support of the PCG. A united front of all segments of the Plains cotton industry is what the PCG should stand for. With your help this is possible.

Here Are a few of the things 16c a bale dues to the Plains Cotton Growers, Inc. does:

Research (1) Established a Cotton Research center at the Pilot Spinning Plant at Texas Tech for fiber and spinning research on Plains cotton. \$70,000 at work. (2) PCG-USDA cooperation on cotton breeding at the Lubbock Experiment Station. \$10,000 at work. (3) Cooperating on a fertilizer research program. Lubbock Experiment Station program, \$5,000 at work. High Plains Field Station, Halfway, \$7,000 at work. Spur Experiment Station, \$2,500 at work. (4) Cotton Quality Statistics. PCG office staff keeps area micronaire, Pressley, grade and staple statistics which are mailed to textile mills and cotton brokers throughout the U. S. and foreign countries. (5) Paid for humidification equipment at Lamesa, Brownfield and Lubbock cotton classing offices, \$55,000 at work.

Service (1) Starting in 1959 farmers had up to a 28% increase in acreage over 1958 as a result of PCG legislative work. (2) A separate higher loan rate for light spotted cotton is in effect beginning this year, about \$18 a bale above spotted cotton. (3) Representation in all legislative matters pertaining to cotton. (4) Representation in Bracero Labor program. (5) Provide technical service to textile mills on the use of Plains cotton. (6) Cotton acreage allotment vigilance. (7) Marketing loan limitations vigilance. (8) Conduct Quality education program.

Promotion (1) Conduct advertising programs on High Plains cotton on national basis. (2) Provide radio, newspaper and direct mail informational service. (3) Conduct tours to textile mills and encourage cotton buyers and mill people to visit the High Plains. (4) Print a bi-monthly publication and keep members informed. (5) Keep contacts with other agricultural organizations and the cotton trade. (6) Distribute quality and publicity information about High Plains cotton.
