Frizzell Elected Lions Queen

Miss Carolyn Frizzell, popular Silverton High School Junior, was selected from a field of lovelies to reign as the 1960 Lions Club Queen at the Annual Lions Club Ladies' Night.

Carolyn is the daughter of Mr. and Mrs. Milton Frizzell of Silverton. She occupies a special place in the lives of all who know her due to a special charm all her own. She will represent the local Lions in the Queen's Contest at the District Convention later this year.

The highlight of the evening was the selection of the Queen from a bevy of beauties. Six girls were selected from the group, Nell Rackley, Carolyn, Glenda McWilliams, Celene Lanham, Marsha Monroe and Toni Rhode and from the six Carolyn was chosen Queen and Nell Rackley and Glenda McWilliams were runners up.

Lions Club Ladies' Night was off to a "roaring" start Thursday night, March 31, with a near-capacity crowd on hand.

The Eighth Grade Girls' Chorus sang, while the crowd enjoyed the banquet prepared by mothers of the Junior Class.

In keeping with their sponsorship of the local scouting program, Fred Mercer presented the Scout Charter.

Concluding the evening, Gene Morris unexpectedly found himself soloist, while attempting the task of leading songs. Moral is: always bring plenty of songbooks.

Heavy Voting Reported in County School Elections

In Silverton, a large turnout of voters gave Charles Whitfill 135 votes and re-elected J. E. "Doc" Minyard with 100 votes, from a slate of four candidates for the two school trustee positions. Roy S. Brown, incumbent, received 77 votes and William Long received 83. Write-in votes were cast for John Burson (2), Oscar Weeks (1), and Sam Lewis (1).

At Quitaque, Wayne Whittington was elected with 114 votes and Clyde Saul, a write-in candidate, with 96 votes, was elected to fill two school board seats. Jim Mayfield, whose name appeared on the ballot with Whittington, received 71 votes, while another write-in candidate, O. V. Johnson, received 83 votes.

Quitaque's Dual School Election vote was very heavy, with 67 votes cast for the consolidation of the Frederick Douglass (colored) school with the Quitaque (white) Elementary and High School, and 126 votes against the integration.

As a result of the vote not to combine the two schools, arrangements will have to be made for the remodeling and reconditioning of the Frederick Douglass school.

Couple To Observe Golden Anniversary

(Plainview Daily Herald Photo and Engraving)

MR. AND MRS. JOHN W. EWING

A pioneer Briscoe County couple—whose families are tied in with the history of this area—will celebrate their golden wedding anniversary Sunday, April 10. Mr. and Mrs. John W. Ewing of Quitaque will receive friends Sunday afternoon, from two to five p.m. in the Quitaque Methodist Church. "Everyone who hears about it is invited," welcomes Mrs. Ewing, who was Ruby Gregg before their marriage on a Sunday, April 10, 1910.

They were married by the Rev. John Ford in the home of her parents, the W. S. Greggs, at Quitaque.

Only three of the wedding guests are still living—Mrs. G. Tunnell of Tullia, who is expected to be present, W. D. Justice and Miss Jackie May Hanson.

The couple has lived all their married life at Quitaque, except for some years that Mr. Ewing was engaged in work for the civilian air force during World War II.

He helped incorporate the City of Quitaque, was mayor for six years and served for many years on the city council. He helped

Mr. and Mrs. Harry Gaines of Clovis, have been recent visitors in the home of Mrs. T. C. Bomar. Mrs. Gaines will be remembered as Jeniece Harlin, a teacher in the local grade school for several years. She made her home with Mrs. Bomar most of the time she was here.

Mrs. A. L. McMurtry entered St. Anthony's Hospital in Amarillo late Monday and expected to undergo eye surgery there Tuesday morning.

Voting Lags In City Elections

In Silverton forty-three people went to the polls to cast their votes in Tuesday's City Election. Glen Lindsey, with 35 votes, is the new Mayor of the City of Silverton. Write in votes were polled for Rusty Arnold 1, Alvin Redin 4, and Printz Brown 1. Redin, who is retiring from office did not seek re-election to the office.

For Councilman, Gene Morris received 19 votes, J. B. Stafford 32, and Ray Thompson 35 votes, thus re-electing Stafford and Thompson to the City Council.

Shellie Tomlin, Conrad Alexander, and Hugh Nance retain unexpired seats on the Council.

In the Quitaque City Election twenty-four votes were cast. Alton Johnson is re-elected Mayor of the City of Quitaque with 23 votes. He was unopposed in the election and no write-in votes were polled.

For Councilman, Joe Bedwell received 24 votes, W. J. (Pete) Rice 22, and one write-in vote was cast for Leroy Hamilton. Bedwell and Rice are re-elected to the Council to serve with O. R. Stark, Jr., M. L. Roberson and Bert Grundy, who was appointed to fill the vacancy made by the resignation of H. G. Hunter from the City Council recently.

News Office To Close For Press Convention

The Briscoe County News will be closed Friday, April 8, and Saturday, April 9, so that the publishers may attend the 51st Annual Panhandle Press Association Convention to be held at the Herring Hotel in Amarillo. Newspapers for this week and any undelivered job work will be left at City Tailors.

The Convention begins at 7:30 Thursday evening and continues through the Saturday noon Amarillo Globe-News Publishing Co. Luncheon at the Old Tascosa, at which Mason King is annually the Toastmaster.

Other highlights of the Convention are the Annual Kerr Paper Co. Barbecue in the Crystal Ballroom of the Herring Hotel at noon on Friday, the annual dinner in the Ballroom Friday evening and the dance afterward in the Old Tascosa.

Special lectures scheduled are "The World and Ike," Max Harrelson, Chief of Associated Press Correspondents to the United Nations; "Newspaper's Toughest Competition," Roy Appleton, Jr., General manager of Denton Record-Chronicle; "Research is Knocking at Your Door," Joe Bedon, President of Bedon Associates of Dallas; "We've Learned About Newspapering," Panel Discussion, with W. E. Garets, head of Department of Journalism, Texas Tech, moderator; "Women in the Newsroom," Mrs. Mary Alice Cretsingler; "On the Business End," Roy Lemons; "I've Picked Newspapers," Tom Schmidt; "That's What the Man Said," Olin E. Hinkle, professor of Journalism, University of Texas; and "Crossroads Report," D. E. Scott, Wellington.

Mr. and Mrs. Ray C. Bomar spent the week end with relatives in Farmersville and Greenville.

Funeral Service Held For Mrs. Grewe

The funeral of Mrs. C. A. Grewe, 76, a resident of Briscoe County for the past 45 years, was conducted at 2:00 p.m. Monday at the Silverton First Baptist Church.

The Rev. Andrew Ezequidine, pastor of the Tullia Christ Lutheran Church of which Mrs. Grewe was longtime member, was the officiant at the rites.

Mrs. Grewe died at 3:15 afternoon at her home eight miles southwest of Silverton. She had been in poor health several years but her death was unexpected.

She was Fredia Emily Dietrich before her marriage August 14, 1914, at Alvin, Texas, to C. A. Grewe. She was born January 6, 1884, at Galveston.

In 1951 Mrs. Grewe and her husband moved to Briscoe County and established a ranch southwest of Silverton to become one of the pioneer families of this section of the Plains. She was a member of Christ Lutheran Church of Tullia at her death.

Survivors are the husband, one son, Raymond Grewe, Silverton; one daughter, Mrs. Arnold Panter, Kingsbury; three sisters, Mrs. Elma Hunter, Enid, Okla.; Mrs. Hilda Herring, Alvin, and Mrs. Edna Cox, Houston.

Three brothers, Fred Dietrich, Verona, N. D.; Alvin Dietrich, Plainview; and Alfred Dietrich, Houston; and one grandchild. Two children preceded her in death in infancy.

Pallbearers were: R.L.O. "Rags" Riddell, Glen Smith, Wayne "Bud" Vaughan, J. C. Fowler, Grover Thomas, Lynn Welch.

Interment was in the Silverton Cemetery with arrangements by Roberts Funeral Home of Silverton, Texas.

Mr. and Mrs. Lee Deavenport spent Monday and Tuesday in Tucumcari. His sisters, Mrs. Maggie Wallace, of Tucumcari, and Mrs. Maude Marshall, of San Pedro, California, returned home with the Deavenports for a visit in their home and with Mr. and Mrs. Carl Kitchens and other relatives. Mrs. Kitchens is also a sister to Mr. Deavenport.

Martin Appointed Acting Postmaster

Grady Martin, a long time resident of Silverton, assumed duties of the Acting Postmaster for the U. S. Post Office here last Friday, April 1.

Charles Cowart, who had been Acting Postmaster since the death some time ago of the former Postmaster, Clay Fowler, tendered his resignation effective April 1.

Grady Martin is one of a field of eight local persons who took the examination for Postmaster a year ago, but as yet no official appointment has been made.

John Montague, New ASC Manager

The News invites the citizens of Silverton and Briscoe County to become acquainted with a very likeable young man, John H. Montague, who is the new County Office Manager of Briscoe County Agricultural and Stabilization Commission.

Mr. Montague's home town is San Marcos, Texas, where he attended school and was graduated from S.W.T.S.C. there. He is married, has a wife and two daughters, aged six and three. His oldest daughter will enroll in Silverton Elementary school in the first grade next year.

The family is living in the Story home about a mile East of Silverton.

According to Mr. Montague, they are very happy to be residing in Silverton and Briscoe County. He encourages all to take advantage of the services offered by the ASC, and he will be glad to lend assistance whenever it is needed.

We join the other residents in welcoming this family into our community as we know they will be a valuable addition.

Messrs. Everett Crume of Providence, Horace Hunter, of Quitaque, and Shellie Tomlin drove to Dallas on Sunday. Messrs. K. M. Fleming and G. W. Lee flew to Dallas Sunday afternoon. The men are attending the Ginners' Convention being held there this week.

Last Rites For Ira Bean

Ira Bean, 63, of Silverton, was pronounced dead on arrival at 7:00 a.m. Sunday, April 3, at Plainview Hospital and Clinic where he was taken after suffering a heart attack in the home of his daughter, where he had been visiting.

Funeral services were conducted at 2:00 p.m. Tuesday in the First Baptist Church of Silverton with the Rev. G. A. Elrod, pastor, officiating.

Mr. Bean, a farmer and rancher, had been ill for about a month.

He was born January 5, 1887, in Cooke County, Texas, and had lived in Silverton since 1922, when he moved there from Collinsville. He was a member of the Silverton Baptist Church.

Survivors include two daughters, Mrs. Esker L. Smith of Amarillo and Mrs. Charles L. Francis of Plainview; four sons, John and Martin Bean of Silverton, Joe Bean of Tullia, and Carl Bean of Amarillo; four brothers, Ralph and Roy, both of California, Jim of Lajunto, Colo., and will of Collinsville; a sister, Mrs. Eva Steed of Richmond, Calif., and nine grandchildren.

Pallbearers were: James Henderson, D. Oneal, Leo Comer, Don Brown, W. R. Hardin, Albert Malow.

Burial was in Silverton Cemetery beside the grave of his wife, Julia, who died January 27, 1948.

Arrangements were by Roberts Funeral Home of Silverton, Texas.

Little League Meeting and Election Of Officers Held

The Little League, its sponsors and other interested persons, met at 2:00 p.m. Saturday at the Court-house. Election of officers and enrollment of players was the business conducted. Approximately 35 boys were enrolled in the Little League; the Pony League organization was delayed due to the absence from town of a number of the boys of this age group.

Elected were: President, Jack

Toni Rhode To Receive Degree

Toni Rhode, Silverton High School Senior, has earned the distinction of being the first Silverton student ever to earn the State Degree of the Future Homemakers of America. The daughter of Mr. and Mrs. Carman Rhode of Silverton, Toni will attend the State Convention in Austin the latter part of April to receive this, the highest degree of achievement in FHA work. See story in THE OWL'S HOOT.

Bridal Shower Honors Miss Diane Fogerson

The home of Mrs. Lee Deavenport was the scene for a very pretty miscellaneous bridal shower, Saturday, April 2, from three to five p. m., honoring Miss Hope Diane Fogerson, bride-elect of Mr. Teddy Jack Mayfield. Mrs. Deavenport greeted the guests and presented them to the honoree, Diane, her mother, Mrs. Ware Fogerson; the mother of the groom, Mrs. Alvie Mayfield; Mrs. Florence Fogerson and Mrs. R. A. Day, grandmothers of the bride-elect; and Mrs. Bob Dickerson, grandmother of the groom-to-be.

Mrs. Don Burson presided at the guest registry. Paula Reid, Mrs. Bill Baird, Mrs. Leo Fleming and Mrs. Donald Bean served refreshments. Various hostesses alternated in showing the many beautiful and useful gifts and other hospitalities of the home. The bride's chosen colors of pink and green were used in the refreshments an dtable decoration. The table was laid with a white cutwork cloth centered with a ship embarked on the sea of matrimony trimmed with pink carnations and green foliage. Pink napkins with "Diane and Jack" printed in green were used. Crystal and silver appointments were used in serving the green punch and white cake squares decorated with a pink flower and green leaf.

About one hundred guests attended and several sent gifts who were unable to attend. Out-of-town guests included Mrs. Bob Lindsey of Dimmitt; Paula Reid, Mary Jane West, Mrs. Orlee Baker and Mrs. Clyde Spear, Amarillo; Mrs. Gordon Montague and Mrs. Carroll C. Garrison, Plainview; Mrs. Brooks Jones and Mrs. Herman King, Lockney; Mrs. R. A. Day, Mrs. George Birchfield and Mrs. E. A. build the lovely city park, unusual for a town so small, was instrumental in securing the first paving for the town, and actively interested in all civic improvements.

Mr. Ewing owned and operated a hardware store for many years—starting in 1909, and recalls that he had \$7 in the cash drawer when the store opened for business.

Mrs. Ewing's parents, the W. S. Greggs, came to Briscoe County in 1890, before the county was organized. The organization meeting and first election was held in the half dugout home of the Greggs, on Cottonwood Creek, in 1892.

Mrs. Gregg is a charter member of the first church organized in the county, in 1903.

They have many vivid memories of the early days, before there was other travel than horseback or wagon, to Quanah twice a year to do their trading. They recall the early day picnics that lasted several days and friends came from miles to attend.

They went to Plainview to the late Dr. J. H. Wayland when they were ill. Dr. Wayland was the beloved "family doctor" for the wide area, and succeeding him was Dr. E. O. Nichols, Sr., whom the Ewings claim as a close friend.

John Ewing and Dr. Nichols were boyhood friends at Lockney, where Mr. Ewing lived before he moved to Quitaque in 1909. His recollections of the organization of Floyd County in 1890, brought to mind Tom Braidfoot and Jim McClain, other old-timers.

The Ewings had no children but are expecting the nieces and nephews whom they helped rear and educate to be present with their families. One nephew, Dr. Maurice Ewing, famed physicist and geologist, is now director of Lamont Geological Observatory at Columbia University, New York.

Two nieces are Mrs. Gale Wilson, Longview, formerly Annabelle Gregg and Mrs. H. O. Smith, San Antonio, nee Charlene Gregg, are expected to be present with their families. Also planning to attend are Mrs. Ewing's brothers, Fulton, of Silverton; Arthur of Amarillo; Lee of Lovington, N. M. and Homer of Plainview, with their families, and sisters, Mrs. Bessie Fryer and Miss Lizzie Gregg of Lovington. Mr. Ewing is the only child living of a family of eight.

They extend a cordial invitation to friends near and far to be with them Sunday afternoon, April 10, in Quitaque.

Fred Montgomery of Cordell, Oklahoma, came for his wife on Saturday. She had spent the week here with her sister and husband, Mr. and Mrs. E. D. Wilmeth. Mrs. Wilmeth was able to return to her duties as teacher in the grade school here on Monday, and has gotten along fine in spite of her broken hip. She reports tiring easily, but otherwise seems to be doing fine.

Rev. G. A. Elrod conducted a funeral for Alford W. White, 55, in Lockney Monday afternoon. He had been a farmer in the Lockney area for several years. He is survived by his mother, Mrs. Allie Brotherton, of Lockney, five brothers and two sisters. Burial was in Lockney Cemetery.

Mr. and Mrs. Elmer Gilkeyson of Dallas, spent Saturday and the night here with Mr. and Mrs. S. R. Turner, parents of Mrs. Gilkeyson, and other relatives. Elmer and Evelyn always leave at an early hour Sunday morning when they visit here in order to be able to attend Sunday School and Church services at their home church in Dallas.

Mrs. O'Neal Watson of Amarillo, planned to come Tuesday to spend a few days with her parents, Mr. and Mrs. S. R. Turner; she also expected to visit Mr. Watson's parents, Mr. and Mrs. J. S. Watson.

Mrs. Paul Cagle underwent emergency surgery in the Tulia hospital Thursday morning of last week. Randy, Rhonda and Becky Cagle are spending a visit with relatives in Denver City while their mother is in the hospital. An aunt came for them on Saturday. Mr. and Mrs. Bill Watters cared for them until she came. Mr. and Mrs. Cagle recently moved here recently.

Mrs. T. C. Bomar spent Sunday in Canyon with her sister, Mrs. Kitty Lawler.

County Land Judging Contest to be Held

The Seventh Annual Briscoe County Land Judging Contest will be held at Quitaque the 7th of April. This contest determines the County Championship. Entered in this year's contest will be teams from Quitaque FFA Chapter, Silverton FFA Chapter and the Briscoe County 4-H Club.

Contest Superintendent Robert Ledbetter says that he expects some 50 boys to take part in the contest. It is understood that some of the teams have been preparing for some time.

The Caprock Soil Conservation District, which includes Briscoe County, sponsors the contest each year. They furnish banners to the winning teams and ribbons to the 10 high individuals.

Helping with the contest this year will be a group of local leaders from Quitaque and Silverton, including Virgil Henson and Don Leath, contest sites and official judges; O. R. Stark, Jr., scorecard grader; Clyde Saul, group leader; Glynn Morrison, pick up man; and Elmer Berryhill, Jack Mayfield and Ledbetter, drivers.

The contest will begin at 1:00 p.m. in front of the Quitaque High School. A conservation film will be shown in the Agriculture room of the school while the scorers and tabulators are finishing their work.

A Salad Dinner was served to Ora Alexander, Janie Garrison, Artie Northcutt, Zelma Lee Mayfield, Jessie Mae Watson, Donaleta Garrison, Kate Turner, Lottie Garrison, Joyce McCutchen, Ruby Lee Eddleman and a guest, Mrs. Lena Northcutt of Amarillo.

Joe H. Smith, Jr. and son, Van, of Hereford and Mr. and Mrs. Bob Smith, Mr. and Mrs. Ham Smith of Floydada visited Mr. and Mrs. Joe H. Smith over the week end.

QUITAQUE SENIORS TO SPONSOR RODEO

Quitaque Seniors of 1960 are sponsoring a high school rodeo on April 16-17. It will fall on Easter Sunday. This rodeo will be held at Morris Stephens' Ranch. Along the Silverton-Quitaque highway will show the way to the rodeo.

Events include bull riding, bronc riding, roping and racing. The winners of each event will receive a belt buckle at \$50 each. Second place will receive spurs valued at \$25 and third place winners will receive gift certificates. A greased pig race for children seven years of age or over will be held at the Quitaque Legion Hall Saturday night, April 16.

Don't forget April 16-17 at 2:00 p.m. each day, in Quitaque!

A New Season Bursts Forth

Warm balmy days . . . signs of green grass and peeping flowers mean spring is here. It's a delightful time of year . . . a welcome change after the long dreary days of winter. Appetites, too, are ready for a change!

Surprise your family with a new season treat . . . CHICKEN PINWHEELS. They'll love the tender rolls of biscuit dough filled with chicken and sauced with smooth, golden canned chicken gravy.

Here's a perfect menu for a perfect time of year!

CHICKEN PINWHEELS

1 Tablespoon minced onion
1 small clove garlic, minced
1 Tablespoon butter or margarine
1 can (10 3/4 ounces) chicken gravy
1 cup finely chopped cooked chicken
Dash salt
Dash pepper
1 cup packaged biscuit mix
1/2 cup milk
2 Tablespoons minced parsley

In skillet, lightly brown onion and garlic in butter; remove from heat and stir in 2 tablespoons gravy, chicken, and seasonings. In bowl, blend biscuit mix, milk, and parsley to form a soft dough; roll out on a lightly floured board to form a rectangle about 1/2-inch thick. Spread chicken mixture on dough; roll as for a jelly roll; cut into 6 slices. Place slices, cut side down, on a lightly greased cookie sheet. Bake in a very hot oven (450°F.) about 12 minutes or until lightly browned. Meanwhile, in saucepan, heat remaining gravy; serve over pinwheels. Makes 3 generous servings. FHS

late husband. She has lost none of her technique in cornering anything with pants on from eight to eighty.

No, we're just fooling. This never appeared in Indiana or anywhere else besides in The Tulia Herald, even though it does sound slightly Ernest Joinerish.

But did you ever consider what would happen if your hometown newspaper printed all the truth about local citizens? It wouldn't sound much like what the preachers read at their funerals. Can you anticipate the number of libel suits that would be filed if the paper printed nothing more than the naked truth, ugly though it might be?

So the next time you are tempted to ask the editor why this and that bit of scandal didn't make the paper, ask yourself the question, "Would I like to have him print all the news about me and my family also?"

Anyone who has ever lived near the Mason-Dixon border knows what real honest-to-goodness sour milk biscuits taste like. How many times have you heard that "they

just don't make good biscuits anymore."

NOT SO MANY generations ago, walking was fun. Kids walked to school, walked home, walked to

church, and probably took a three-mile hike in the afternoon and thought nothing of it.

Some of these days somebody will come along and say that tele-

Editorially Speaking

Recently the editor of a paper in Indiana grew tired of being called a liar, so he lowered the boom on his community, announcing that he would tell all the truth in the columns of his paper thereafter. The next issue contained the following items:

John Bonnin, the laziest merchant in town, made a trip to Bellville Monday. Everybody knows he will come back with a "liquidated" suit case and pretty well "liquidated" himself.

John Cope, our hardware merchant, is doing a poor business. His store is dirty and dusty; how can he expect to do anything?

The Rev. Sty preached Sunday night on "Charity." The sermon was punk, showed little if any preparation, and he was careful not to offend any of his paying members. Fortunately the few victims who attended were able to snore through it all.

Dave Conkey croaked at his home Tuesday. The doctor gave it as a heart attack. Whiskey killed him.

Married—Miss Sylvia Brown and James Pollis last Saturday night at the parsonage of Rev. Gordon. The bride is one of those spineless females who doesn't know any more about housework than an oyster and never wiggled a dishrag more than three times in her sweet life. The Lord knows she's no beauty and has a gait like a duck. The groom is an up-to-date loafer; he has been living with the old folks at home all his life and is not worth gun powder enough to blow him up. The entire community sympathizes with their lack of brains in pulling off the matrimonial stunt, but it's them for it—and the rest of us should worry. Parents should feel grateful that these two freaks were mutually attracted, for by this only one family is ruined. However, the prospects are that they will have a hard life.

Died—Abraham Cattrom, age 56 years, six months and 13 days. Deceased was a mild-mannered pirate with a mouth full of tobacco. He came to this town in the night with another man's wife and joined the church. You could hear him pray for six blocks and see him spit for four. He owes several dollars on subscriptions for this paper before we cut him off, besides meat and grocery bills all over town. He died singing "Jesus Paid It All," and we think he was right—he never paid for anything. Mrs. Twitterbrites is back in town completely recovered from her "grief" over the passing of her

This week we are celebrating National Future Homemakers of America Week. Several of the articles this week are written by FHA'ers about FHA.

Often we are asked, "What is FHA?" Perhaps the question can best be answered by reading our FHA Creed.

We are the Future Homemakers of America

We face the future with warm courage

And high hope.

For we have the clear consciousness of seeking

Old and precious values.

For we are the builders of homes, Homes for America's future,

Homes where living will be the expression of everything

That is good and fair,

Homes where truth and love and security and faith

Will be realities, not dreams.

We are the Future Homemakers of America.

We face the future with warm courage

And high hope.

FHA has meant much to my personal life. It has made me more interested in my future home and family. It has given me the desire to work out problems that might arise in the home. I want the kind of home that we talk about in our creed, "a home where truth and love and security and faith will be realities, not dreams."

FHA PROGRAM OF WORK

by Becky Mallow

Plans were made last week by committee members Doris Estes, Carolyn Garrison, LaQuetta Chitty, and Becky Mallow, for the plans of the FHA Chapter during National FHA Week. A different event was planned for each day of the week. These plans are as follows: Monday: Serve teachers coffee and doughnuts before school. Hostesses were sophomores.

Tuesday: "Clean Up Day" Poem by Becky over inter-com system

Wednesday: Assembly Program

Thursday: Silver Tea at 5:00

Friday: Assembly for summary of achievements and to sell teachers as slaves. Friday night is family night.

Our thanks to Ann Wingo, Sandra Mercer, Edith Miller and Barbara Fisch for the work they put out on our posters.

Teachers Enjoy Coffee In H. E. Room

by Becky Mallow

A "Before School Extra" was given to the teachers of the Silverton faculty on Monday, April 4, at 8:00 a.m. They were served doughnuts and coffee by the sophomore girls.

The dough was made Sunday afternoon by Carolyn Garrison, Ann Wingo, and Sandra Mercer in the Home Economics Room.

Bright and early — 7:00 a.m., at 8:00 a.m. — on Monday morning LaQuetta Chitty, Lou Brannon, Carolyn Garrison, Ann Wingo, and Becky Mallow, were at the school house rising dough and getting ready to fry. The table was neatly set by Lou Brannon and LaQuetta Chitty.

The teachers had been contacted by Becky Mallow and began arriving soon after 8:00 a.m.

This was one of the Silverton Chapter's plans for participation in the National FHA week.

We hope the teachers enjoyed the event as much as we enjoyed serving them.

Future Homemakers Of America Leaders Of Tomorrow

When I entered high school as a bewildered Freshman in the fall of 1957, high school seemed very big and monstrous to me. I almost wished I were back in the eighth grade where I thought I had been as on top of the world. But here I was, a stranger in new, exciting places.

Future Homemakers of America was one club I joined that year, not because I particularly enjoyed it, but because every other Freshman had. I had to memorize the Creed, Purposes and Song of the Future Homemakers of America. These words were in my mind, but not in my heart, for I had not as yet learned what it meant to be a Future Homemaker. Soon I found what it meant to set goals, reasons, plans for achievement, and progress toward these goals.

It seemed that that was all I had time for. Then . . . I was elected President and began working toward the State Degree of Achievement. Suddenly it came to me that Future Homemakers of America will be the Leaders of Tomorrow. What I amount to right here in Silverton High, will be about the

Teaser. The answer will appear in next week's paper.

JUDGE'S HANDSHAKES

There are nine Supreme Court Justices. If each were to shake hands with all the others, how many handshakes would take place?

ENGLISH Department News

by Mrs. Redin

After reading the Amarillo Daily News last Friday, each Junior was asked to write his reaction to one article. This article was written by Dale Francis.

Statistics in the article stated that the age group having the greatest percentage of accidents is the group from 15 to 24. Each succeeding ten year age group has a decreasing percentage of the accidents until the age of 65 is reached. The over 65 age group has an average of one accident per driver; those from 15 to 25 have an average of 1 1/2 accidents per driver.

DRIVERS UNDER 25

I feel that it is a disgrace that American teenagers have more accidents than any other age group. Scientific studies show that the teenager is capable of being the best driver for various reasons: the teenager's reactions are much quicker than the older person's; the teenager's eyesight is better; the teenager can endure more without becoming tired; and countless other reasons have been given. The only reason the teenager isn't the best driver is because he doesn't want to be and doesn't try to be! Too much of the time when teenagers get under the wheel, they feel that the world is "at their fingertips." They forget about the other driver and drive as though they were the only person on the road. Another reason too many teenagers aren't better drivers is that for too many of them this is a new experience. They want to see just how fast they can make that bump, if they have time to pass the car in front of them, etc. Yes, teenagers have the ability to be the best drivers. The retarding factor is that they don't want to be badly enough.

As we observe National FHA Week, Future Homemakers across the nation are marching toward new horizons which will make our homes, schools, and communities a better place in which to live. Together we are about to enter the Golden Gateway to the Future. Our gateway is supported by the eight major purposes of our organization. It hinges are the activities and projects sponsored by your chapter and mine. These hinges are fastened to the gateway by enthusiasm, willingness to work, genuine interest in home and family life, initiative, cooperation, high moral values, desire for new friends, and interest in FHA and homemaking activities.

Our national program of work becomes the stepping stones that lead FHA'ers through the Golden Gateway to the Future. We know this, but are there in our community are asking, "What is FHA what does it stand for?"

Owls Take Second In Meet

by Raymond Adams

The Silverton Owls squad took second place in their own four-way meet which was held here on Wednesday, March 23, 1960. Other teams taking part in the meet were Matador who won first place with 166 points, Turkey got fourth with 51 points, and Happy finished third with 79 points.

In scoring 110 points the Owls won only three first places, four seconds, three thirds, four fourths, three fifths, and three sixth places. Matador won a total of eight first places.

Some of the Owls had pulled and sore muscles and could go only part effort. Joe Anderson, who received a knee injury in the Intra-mural basketball tournament did not participate.

Bob Crass won first place in both the 120 yard high hurdles and the 180 yard low hurdles. The Owls also took first place in the pole vault. Some of the first year boys turned in good performances and improved performances from the last meet.

The track team was scheduled to make the Panhandle Relays on March 25-26, but rain and a wet track cancelled the meet until the Amarillo Relays this Friday next year. The team went to the Amarillo Relays last Friday and Saturday. The District meet will be held on April 7 and 8 at Hale Center.

same as what I'll amount to in ten years from now. I have come to realize that Future Homemakers mean what they say when they repeat, "We face the future with warm courage and high hope." Grade School News

FIRST GRADE Mrs. Trout

On the last two days of March, every pupil was in school. There are thirty youngsters attending in this room at present.

We have to work hard each day to have enough time to practice on our Easter program.

There are many smiles in our room lately because of the good grades in number work. The pupils are so glad they have learned how to subtract as well as add.

— SGS — FIRST GRADE Mrs. Elms

We have had five absent today. It is reported that some are absent because of the chicken pox.

Sara Abraham has a new baby brother.

We enjoyed the health play presented by the fourth grade. They also enjoyed the songs by the grade girls.

— SGS — SECOND GRADE Mrs. Bomar

We are looking forward to beginning cursive writing next week. We are finishing the part of our writing book in which we do manuscript writing this week. Some graders think this is a big step forward, and it is really.

We enjoyed the good assembly program today. After this we are not going to say we don't like anything that's good to eat.

— SGS — THIRD GRADE Miss Taylor

Our girl and boy of the week are Lee Ann Tidwell and Kenny Snow.

Lee Ann was our Halloween Queen this year. She is the most est one in our class so we call her "Pee Wee." However, her name doesn't have much bearing on her grades. They are near the top of the list.

Kenny Snow was our Halloween King. His grades are high. He has made the honor roll and missed it again by the side of his teeth the other time. "I wasn't for that ole art!" Kenny one of our boys who doesn't seem to like wire. He had to have stitches in his leg not so long ago because he was trying to jump wire and missed.

This is such beautiful weather that it seems to bring out the voice of song. Our class has been bitten by the bug and we are having music class. Everyone seems to enjoy it.

— SGS — FOURTH GRADE Mrs. Alexander

We had a play, and are glad to be through with it.

We have had perfect attendance this week. We were glad to get outside this week.

— SGS — FIFTH GRADE Mrs. Rhoads

Six of the Fifth Graders went to Petersburg on Thursday to compete in the Picture Memory test of the Interscholastic League. They came home with the orange blue ribbon for first place. The winning score for us was 99. The second place score for the bytown was 90, and the third place score for Petersburg was 84.

had only one error, giving us perfect papers and a grade of 99 on the sixth one. Our thanks to the Fourth Grade for Terry Lee who was our alternate; She did fine job and kept the Fifth Grade working to keep places on the team. Much credit is due to Weaver, who was our star coach in the final days of practice. Our team members were Mrs. Alexander, Connie Dudley, Edith Hughes, Sharon Martin, Mary Minyard, and Kay Strange.

— SGS — SIXTH GRADE Mrs. Turner

Jackie Durham and Paula Turner will represent the fifth and sixth grades in the Interscholastic League Spelling and Punctuation contest at Petersburg Thursday evening.

Several students entered the contest and their scores were close that it took several tests to determine the winners. Others remaining in the contest until the final test were Abie Holt, Edith Fisch, Orlin Grabbe, and Wanda Rampley.

— SGS — EIGHTH GRADE Mr. Wilmetth

Not very many of the students have been absent this week. Riley Harris spent almost all day in the hospital.

Raye Nell Garrison placed fourth at Petersburg last Thursday night in the Interscholastic League Declaration. The Interscholastic League Ready Writing contest at Petersburg went to Petersburg Thursday evening. We also, but I don't know who won.

Most of the Eighth grade sang in assembly Thursday afternoon. They sang at the Lions Club Thursday night.

The Eighth grade won Wednesday at Petersburg.

TONI RHODE TO RECEIVE STATE DEGREE AT STATE F. H. A. MEETING IN AUSTIN

by Doris Estes

On Wednesday morning, March 30, Toni Rhode received some very good news. She was notified that her hard worked for-and certainly earned-State Degree had been approved by the State Degree Committee and that she would be able to attend the State FHA meeting in Austin, Texas, to receive this most coveted and highest degree of achievement in FHA work. This is the first time any member of the Silverton Chapter has received this award.

Toni has lived in Silverton for four and a half years. During this time she has probably contributed more to her home, school community, and state than almost any girl who has attended Silverton High school. To receive a State Degree one must set up goals, write their life story, their philosophy of life, and a description of their community. They must have at least a B average in homemaking and English. They must have participated in school, FHA, and in the community activities.

Toni had little trouble in fulfilling these requirements. She has worked diligently in the Student Council, having served as Treasurer here and as District Recording Secretary. She has been a cheerleader two years; she is editor of the school newspaper, THE OWL'S HOOT. She has shown her writing ability by winning first place with her essay on "Why I Am Glad That I Am An American," sponsored by the Century of Progress Study Club. Her paper won second place in the entire district.

She will graduate this year with a scholastic rating being in the top three of her class. She plans to major in speech and elementary education at college and wants to become a teacher. We feel that she possesses the qualities to become a successful one.

We are certainly going to miss you next year, Toni, but we know Shelton, Virginia Shelton, and Shella Jarnigan. LaQuetta Chitty will receive a Chapter Degree at this time also.

All of these girls are very proud of their achievements and hope other girls may be encouraged to receive degrees also.

that you have to go away to college in order to contribute in other ways to your home, community, and state. The students of Silverton High wish you good luck in your future. We know you will find it.

F.H.A. Assembly Program

by Doris Estes

Wednesday, April 6, the F.H.A. members gave an assembly program so that others in the community might become more acquainted with F.H.A. and its purposes. Nell Rackley, Historian, gave a talk on "F.H.A.—Golden Gateway to the Future." Toni Rhode, Treasurer, narrated, "Progress Through the Heart of F.H.A."

All the other F.H.A. officers assisted her by holding one of the purposes. These officers are Doris Estes, President; LaGuan Thompson, Vice President; Linda Brannon, Secretary; Frankie Hunt, Pianist; LaQuetta Chitty, Song Leader; Carolyn Frizzell, Reporter; Celene Lanham, Parliamentarian; and Nell Rackley, Historian. We then enjoyed talent by Mary Jane Jacobs, Jane Brooks, Edith and Carla Miller, Nora LaRock, Linda Brannon, Sue McJimsey, Wanda Sue McDaniel and Carolyn Williams.

Doris Estes brought the devotional by reading "The Prayer Room" while F.H.A. members hummed the tune of the F.H.A. Prayer Song. The program was closed by the members repeating the creed.

Jimmie Nell Reynolds underwent surgery on her knee last Friday, April 1, in St. Mary's Hospital in Lubbock. According to her mother, Mrs. Marvin Reynolds, Jimmie Nell will be able to get out of bed when she is able to lift her leg while lying in bed. So far she has not accomplished this, and the date of her release from the hospital is still unknown.

Mrs. D. T. Northcutt was called to Tarrington, Wyoming, last week because of the illness of her daughter, Mrs. Dave Kellam. Mrs. Northcutt flew there on Friday and reported by phone Saturday evening that Jean was improving.

ATHLETIC TEAMS QUALIFY IN FOUR EVENTS SEMI-FINALS OF AMARILLO RELAYS

by Coach Adams

The Owl track squad participated in the Amarillo Relays this past Saturday and Sunday. There were 84 schools running in the Division I, Division was composed of AA, A and B schools. Silverton tracksters qualified in four running events to gain places in the semi-finals. Bob qualified in both the High Hurdles and the Low Hurdles. Roy Brown gained a place in the 100 yard dash semi-finals. Jerry Patton made the semi-finals in the 220 yard dash.

Preliminaries in all events were run off Friday afternoon and the semi-finals were held on Saturday morning. There were some 84 schools running in the Division I, which was composed of AA, A and B schools. Silverton tracksters qualified in four running events to gain places in the semi-finals. Bob qualified in both the High Hurdles and the Low Hurdles. Roy Brown gained a place in the 100 yard dash semi-finals. Jerry Patton made the semi-finals in the 220 yard dash.

Preliminaries in all the events were run off Friday afternoon and the semi-finals were held Saturday morning in a high and wind. The boys that took part in the semi-finals were defeated. The boys that were in the preliminaries were Rusty Whitfill, Junior, Larry May, Bobby Kitch, Kenny Thornton, Joe Ander, Dewey Estes, Jerry Brannon, Art Rhode, Butch Norris, Jim and Jimmy Smith.

The boys turned in much better in the stiffer competition they have been previously. This was the meet we were needing to get ready for the District meet.

Coach Adams states that he is proud of all the boys who took part in the meet and of the times they turned in. Some of the best boys in the state were in the meet and many records were broken.

The next meet will be the District meet this Thursday and Friday at Hale Center. All boys who qualify in the District meet will go to the Regional meet at Lubbock on April 22-23.

Silverton is going to the District meet with three-deep in all events and we are in hopes of qualifying several boys to the Regional meet.

Dr. Owen To Speak to Quitaque Baptists

Dr. A. Hope Owen, president of Wayland Baptist College, Plainview, will be guest speaker at First Baptist Church of Quitaque morning and evening worship services on Sunday, April 10, 1960.

Since becoming president of Wayland in 1953, Dr. Owen has seen a "Five Year Program of Progress" completed with many goals being exceeded and has projected "Bold Venture: Design for a Decade," which calls for increased enrollment, increased salaries for teachers, a building program of more than \$3 million, and an increase in capital endowment.

During the past summer, Dr. Owen was one of 16 college presidents invited to take part in an Intellectual Life Conference in Miami, Fla., sponsored by the American Association of Colleges of which Wayland has been made a member. Since Dr. Owen became president, Wayland has also been fully accredited as a four year liberal arts college by the Southern Association of Colleges and of the Association of Texas Colleges.

In addition, Wayland is approved by the Texas Education Agency for teacher certification, with more than half of the class of 1959 qualifying for teaching certificates. Wayland is also approved by Veterans Administration.

Dr. Owen, a West Texan by background and experience, set as a goal for Wayland Baptist College "a liberal arts college second to none" in the Great Plains area. In 1958-59 Wayland drew students from 12 foreign countries and 25 states but the majority came from a 150 mile radius of Wayland campus.

New Chemical Pellets Control Water Weeds

A revolutionary new herbicide that controls water weeds, and makes possible the treatment of lakefront property on an individual basis has been developed by the Chemical Insecticide Corporation. Called Chem Pels 2, 4-D, the new herbicide carries the active ingredient directly to the root areas of unsightly water weeds, controlling both submerged and emergent broadleaved aquatic vegetation.

Least affected by dilution, the new Chem Pels 2, 4-D are a boon to owners of lake frontage plagued by smelly and unsightly water weeds that decrease value of property, create mosquito breeding areas, and make water recreation impossible. The pellets, specially hardened, retain shape and form for long periods under water, with a subsequent long period of toxicant release and prolonged residual effects. Lake front owners can thus treat their own individual property regardless of what their adjoining neighbors do, eliminating the need for combined efforts that are frequently hampered by a few reluctant property owners.

The low-cost pellets are applied easily by hand, are non-toxic to man and animals, and provide residual control up to two years. For further information about this amazing new product, write Chemical Insecticide Corporation, 30 Whitman Ave., Metuchen, N. J.

The Falcon Ranchero is America's lowest priced pickup truck with turn indicators and oil filter as standard equipment.

The strength of faith—a parental bequest no money can give

Something so priceless you give it away

Art Linkletter, famous TV personality, tells this story about faith. A little boy, busy with crayon and sketchbook, was asked what he was drawing. "Just a picture of God," said the boy casually. "Nobody knows how He looks," said Linkletter. "They will," replied the boy, "when I get through." What he lacked in ability, that boy made up in faith. The faith of children, once firmly founded, is a lasting faith. This is why it's vitally important

that parents start early to give their children a faith to live by. Only you can do this job as well as it must be done. No other provision you make for your family will ever take its place. Worship together this week, every week, at your church or synagogue for a happier, more satisfying life all year long. Perhaps you don't know what God "looks" like now . . . but you will . . . when you get through.

Colorful Dessert Surprise

By Betty Barclay

APPETITES quicken when there's a delicious dessert in the offing and especially when it's a handsome pie. This peachy coconut pie, with its tender coconut shell and delightfully different fruit filling made with black raspberry-flavored gelatin, is sure to be enjoyed by the whole family. Make it tonight for a surprise treat.

Peach and Black Raspberry Pie 1 package black raspberry-flavored gelatin; 1 cup hot water; 1 cup canned peach juice; 1 1/2 cups drained canned sliced peaches; 1 baked 9-inch Coconut Crust; sweetened whipped cream.

Dissolve gelatin in hot water. Add peach juice. Chill until slightly thickened. Fold in peaches. Pour into Coconut Crust. Chill until firm. Garnish with sweetened whipped cream. Makes 6 to 8 servings.

Coconut Crust: Spread 2 tablespoons soft butter evenly on bottom and sides of 9-inch pie pan. Sprinkle 1 1/2 cups flaked coconut in pan, pressing evenly into the butter. Bake in slow oven (300° F.) 15 to 20 minutes, or until golden brown. Cool.

Grass Seeding Off To Good Start

From observations over the District last week, it appears that grass seedings are off to a good start. Both E. J. Hamilton and R. L. Brunson of Quitaque seeded large acreages of a mixture of sideoats grama, switch grass and bluestem mixture under the Great Plains Program. These grasses were seeded in a dead litter cover about three weeks ago. In checking last week, it was noted that the seed has already sprouted and is on its way up.

Also seeding grasses this past week were Will Currie and Tom Barbee, also of Quitaque. Currie seeded some corrossian blue stem, a new grass for this country, that appears to have a lot of promise. Currie's is a small planting, but we should be able to tell what the grass will do in this country from his planting. Mr. D. M. Cogdell on the high plains north west of Silverton, seeded a mixture of blue grass and buffalo in a dead litter cover. His seeding also has a fine chance for success.

All the people mentioned seeded the grass to be left as permanent cover for grazing. There are thousands of acres in this District now in cultivation that are better suited to growing grass. Those interested in grass seeding should contact the S.C.S. for assistance in planning kinds of grasses, seeding rates, etc.

Mr. and Mrs. Albert King of Lockney, visited Mr. and Mrs. Ware Fogerson Monday afternoon.

Jim Whiteley was dismissed from the Big Spring VA Hospital on Friday of last week following a long illness. Mrs. Penn of Lubbock and Mrs. Orin Stark of Quitaque, his sisters, are staying with Jim at his home in Lubbock for a few days.

Rex Long, of Alanreed, is a patient in the Clarendon Hospital undergoing examination. Mrs. Long and their sons are staying with his grandmother, Mrs. Ola Long in Clarendon. Mr. and Mrs. Bud Long and Mr. and Mrs. Dick

Mrs. Loudermilk Injured In Fall

Mrs. Claude Loudermilk, who has been working on the evening shift at the Silverton Cafe, suffered sprained ankle in an accident at the cafe Sunday. Mrs. Loudermilk had been sitting at a table and when she arose to leave, her foot had "gone to sleep" and failed her when she placed her weight on it.

She was rushed to the hospital by Roberts Funeral Home, where doctors pronounced it a sprain and was returned to Silverton in the home of her daughter the next evening.

Bomar have been staying in Clarendon some of the time since Rex has been there. They reported Tuesday that he will probably be alright in a few days.

News From Other Newspapers

NEW NEWSPAPER BEGINS PUBLICATION ON ST. PAT'S DAY AT WHITE DEER

Newest addition to the roster of Panhandle newspapers is the White Deer News, which took its bow with Volume One, Number 1 on Thursday, March 17.

Editor of the new newspaper is M. B. Cavanaugh, one-time publisher of the White Deer Review. Editor Cavanaugh sold the Review during the oil boom days of the twenties, and the newspaper suspended publication finally during World War II. Since that time White Deer has been without a newspaper.

Editor Cavanaugh has been in "partial retirement" for the past year since selling the Briscoe County News last April 1. The initial issue of the News... a five column tabloid... contained twelve ad-fat pages. Editor Cavanaugh announced that the newspaper would be published every Thursday morning, and said the first two issues would be mailed to all boxholders, but after that date only paid subscribers will receive the newspaper.

The White Deer Junior Chamber of Commerce is handling subscription sales.

Scott and son, of Childress; Mrs. Bill Allen and Opal Cooper of Cooper; Miss Paula Reid, of Amarillo; Jerry Dee McWilliams, of West Texas State College; and Mr. and Mrs. J. L. Webb of Silverton.

H. E. Fowler, 83, has been a patient in Northwest Texas Hospital since Thursday of last week undergoing examination and tests. Mrs. Fowler has been with him and expects to be able to bring him home in a few days.

lisher, W. H. "Sonny" Graham published a four-page "Extra" on Wednesday, March 10, when the Texico Wolverines bounced into the New Mexico State Basketball Tournament.

The entire issue was sponsored by the Helton Oil Company of Texico-Farwell, and featured pictures of all members of the team and the coaches, and feature stories about the basketball team and the tournament, in which Texico's Wolverines were playing for the first time in 20 years.

ANNIVERSARIES

Several newspapers have had birthdays since the beginning of the year. The Floyd County Hesperian turned 66 on January 21st. The Hesperian's next-town neighbor, The Matador Tribune, turned Volume 66 on St. Patrick's Day.

The Briscoe County News recorded Volume 52 in January. And the Crosbyton Review also began its 52d year in January. The Groom News began its 36th year with the March 3 issue. The Donley County Leader at Clarendon celebrated its 30th anniversary on March 7. The Muleshoe Journal was 38 years old at the turn of the year; and the Booker News turned Volume 35 on February 18. Youngest of the birthday newspapers is the Hale Center American, which just turned 8 years old.

It goes without saying that the newspaper is a serious contribution to the American way of life. But, on the lighter side, it also provides many inadvertent belly laughs, especially in the classified advertisements. As an example, here are some of the recent slips that passed in the type in various sections of the country:

New York—Man wanted in dynamite factory. Must be willing to travel.
Illinois—Two unfurnished rooms. For Adults only.
Nevada—To buy: used privy (four seater) in good condition. Suitable for conversion into residence for bachelor.
Missouri—Housetrailer, 15 foot, sleeps two. Perfect for bachelor.
Utah—For sale, hay, toiled, \$1.30

Idaho—Lost, wardrobe suitcase containing urgently needed baby and ladies' clothing.
South Carolina—Wanted, woman to cook and do general horse-work.
California—1950 Mercury, \$2195. Convertible coupe. Radio, heater, overdrive.
Vermont—All wool blankets, ideal for ski lodges and vamps.
North Carolina—1941 Dodge weapons carrier truck, with wench in extra nice condition.
Georgia—One crypt, sell cheap, leaving town.
Washington—Two young working ladies desire apartment on bus.
New York—Waitresses for extra work, good pay, bust be neat and clean.
Utah—Wanted, furnished apartment for veteran attending college and wife.
Pennsylvania—Brassier operators wanted due to expansion.
Kansas—Have an immediate opening for a first-class stenographer, preferably one with some previous business experience.

Abram dwelled in the land of Canaan, and Lot dwelled in the cities of the plain, and pitched his tent toward Sodom. Gen. 13:12.

Lot chose the plain of Jorlon, and pitched his tent toward Sodom. His pace with the wicked of that city, who had no fear nor respect to even an angel, drug his name so low that, on the night of that dark and fiery destruction, he had no testimony to his own kin. As he tried to warn them I can hear their reply, "Go home, dad, and sober up."

Enroute to escape, it is no wonder Mrs. Lot looked, and then TURNED back. Wouldn't you, if your own were burning?

Leaving his wife a pillar of salt, he struggles on clinging to a jug of wine. It's consumption brought him disgrace to his own daughters. A man who gave his family the finest, schooled them in the highest society, and yet, along that checkered trail lies the charred bodies beneath the lava of Sodom, and a statue of bitter salt.

What has he done to lose all and come to a bitter end? It is because he has done something? Or, because he did NOTHING?

Strange enough, that today, 1960, the very land Lot chose remains barren and desolate, yet, midst the land left to Abram, flies the flag of God's chosen nation.

Abram gave me a choice, And as I looked around, I chose the broad, rolling plain That belonged to Abraham. I spent my life in Sodom Midst the higher classes.

What I did not lose or squander, God reduced to ashes. Down in the valley I look up Through the tears mine eye grows dim.

As Abram stands on noble ground, I'd love to stand with him. From fifty to forty, forty to thirty; thirty to twenty, twenty to ten, in your catalog of the righteous would there be ten men?

A boy who was a little forgetful was recognized next. One time he locked a little baby calf in the granary and forgot about it. He and his Dad looked all over the pasture for the calf, and when they came back they found it in the granary. This person has been a member of our church since 1926. He usually walks over a mile to church. This person is Marion Ramsey, one of our faithful members. This was only a part of the fun of "It Could Be You," an audience campaign in its last week at Quitaque Baptist Church.

Mrs. Dewey Beavers, who has been seriously ill in the Tulia Hospital for some time is thought to be improving slowly, so relatives report.

Lou Brannon spent the week end with Carol Ann Grundy in Lamesa.

"Do you know someone who disliked school so much his parents had to whip him to make him go?" asked O. R. Stark, Jr. of the people in Training Union last Sunday night at the Baptist Church in Quitaque. "Someone who lived in the country and wanted a pair of roller skates more than anything in the world?" Other clues revealed this boy to be J. T. Rogers, Jr., now Sunday School Superintendent of the church. He and Johnnie met during a revival in the church basement. They have two lovely daughters, Beverly and Rhonda.
