All Around the Town

by Mary Ann Sarchet

Ample moisture, warm days and lack of insects are factors which have led the Texas Employment Commission's Wheat Harvest Contest office to rank the 1960 Plains fall grain crop prospects among the best in history.

"Good to excellent" is the rating received for 2,845,565 acres of small grains planted in 33 Plains counties. Wheat dominates the crop, with a total of 2,583,565 acres, followed by 161,150 acres of barley, 73,800 acres in oats and 290 in rye.

The Briscoe County prospects are good for an average or above average yield. Adequate moisture has been present, and rapid growth in process. Another rain received this month or early in May at the latest, will probably be the determining factor. Already many of the irrigation farmers are water-seeded acreages in our home county include 51,861 acres wheat, 1,500 acres barley.

All Around the Town

The lesson in newspaper work is constantly "Be brief!" If that order is given picturesquely, so much the better, and it will not be gotten.

A certain beginner in journalism picked up in a southern town that seemed to him a "big story." He hurried to the telegraph office and queried the editor of his newspaper: "Column story on -- Shall I?"

The answer arrived promptly: "Six hundred words."

This to the enthusiastic correspondent was depressing. "Can't be less than twelve hundred," he wired back.

Then came this reply: "Story of creation of the world told in hundred. Try it."

All Around the Town

While at the Panhandle Press convention in Amarillo this past week end, we enjoyed several interesting speakers, one of whom was E. Scott of Wellington, who is scheduled to speak to the Century Progress Study Club this afternoon. The ladies have extended an invitation to all who are interested to attend this meeting. After hearing him, we suggest that you will have a most enjoyable afternoon if you do attend.

To whet your appetite—among other points in his talk to the Panhandle publishers, he listed several topics for editorials. He favors the abolition of all taxes, including income tax. And this is his story for raising the necessary revenue for financing the governmental operations.

Why should the President, Vice President and other officials be chosen from a small group of citizens, when a system could be devised to give everyone an equal chance to hold the office. It could run like a raffle, with tickets sold for the various positions in government. It should, he said, be worth at least a thousand dollars a chance to be President. And should be worth at least \$800 a chance to be Vice President. Maybe \$750 would be the price to have your name in the drawing for a Supreme Court Justice, while it should be worth at least \$500 for the chance to serve in the Senate. \$100 could be the price for a ticket for Representative, and about 50c for a chance to be Secretary of Agriculture.

And, he suggested, it is possible that some of those holding winning tickets on raffle day would be just qualified and competent as to holding the particular jobs at election time.

Another suggestion Mr. Scott made to offer was that we should have a substantial reduction in the cost of living. A good way to do this, he suggests, is to devise a system of stars, medals, bars, and awards, such as the armed forces do, to designate each person as

QUITAQUE SENIORS TO SPONSOR RODEO

The Quitaque Seniors of 1960 are sponsoring a high school rodeo April 16-17. It will fall on Easter Weekend. This rodeo will be held at the Morris Stephens' Ranch. Signs along the Silverton-Quitaque highway will show the way to the ranch.

The events include bull riding, bareback bronc riding, roping and barrel racing. The winners of each event will receive a belt buckle valued at \$50 each. Second place winners will receive spurs valued at \$25 and third place winners will receive gift certificates.

There will be a greased pig race for children seven years of age or under.

The rodeo gets underway at 2:00 p.m. both Saturday and Sunday. The admission will be \$1.00 for adults, 75c for high school students, and 50c for grade school students.

Entries are still open for contestants. Please disregard the date of April 1st as a deadline for entries.

There will be plenty of rip-roaring excitement and cold refreshments and eats at the concession stand.

COME ONE, COME ALL, we'll have a grand time.

A dance will be held at the Quitaque Legion Hall Saturday night, April 16.

Don't forget April 16-17 at 2:00 p.m. each day, in Quitaque!

Salvation Army Reports Successful Local Campaign

The Salvation Army has reported a very successful local campaign in the City of Silverton with \$439.14 being contributed.

Salvation Army work is a never-ending source of help to those who are in need of help. Their job continues the year around and our volunteer committee stands ready to help anyone who is really in need of assistance.

Funds raised in the Salvation Army drive stay at home and in Texas to help local people. Approximately 10c on each dollar is all that is taken to meet National expenses.

Glen Lindsey is Chairman of the Salvation Army Board in Silverton; Judge J. W. Lyon, Jr., is Vice Chairman; Jack Strange is Treasurer; and those on the committee are Sheriff Johnny Lanham, Kenneth Tate and Gene Morris. Gene also served as the Campaign Chairman this year.

Annually, the Salvation Army sends two deserving boys to summer camp. The camp is located near Fort Worth, and in addition to providing transportation for the boys to and from camp, the Salvation Army provides the personal necessities the boys are not able to buy for the trip. This year the camp begins on June 19, and the names of the boys to attend this year will be announced later when they are chosen by the committee.

The Salvation Army Committee takes this opportunity to thank all those who donated to this worthy cause and helped make the drive a successful one. Any others who were missed and would like to contribute may do so by sending their check to the Treasurer, Jack Strange.

Roland McKay Dies in Crash of The "Blue Angels"

Jay Roland McKay, 20, of Pensacola Florida, the son of Mr. and Mrs. Jay McKay of Amarillo; grandson of Mr. and Mrs. C. A. McKay of Coleman and Mr. and Mrs. T. E. Boyles of Quitaque was killed April 10, in the crash of a jet plane seconds after ending a refueling stop in Colorado Springs.

The plane was a part of an exhibition flying team, the "Blue Angels."

Mrs. Dud Watters, aunt of Jay McKay, Mr. Watters and Sandra visited in Amarillo Monday and Tuesday. Funeral services are still pending.

Notice to Last Year's Little League's

Glen Lindsey reports that it has been brought to his attention that a number of Little League team members of last year have not yet turned in their playing uniforms. These uniforms should have been turned in to City Tailors last fall.

Glen donates a lot of his time helping the Little League and will help the Pony League, so don't cause him to chase all over town collecting these uniforms. Turn them in —not tomorrow, but TODAY, to Kenneth Sharp at City Tailors.

Mrs. Bailey Henderson, of Lockney, underwent surgery in a Lubbock hospital on Saturday; the Henderson family formerly lived here.

Berton Hughes was in Tulia on Monday to visit his dentist.

FARMERS UNION TO SEE PICTURES OF HAWAII

The local Farmers Union group will meet Monday night at 8:00 p.m. in the basement of the Methodist Church in Silverton. Wade Steele will show the pictures he made in Hawaii on his KGNC tour.

All are invited to attend this meeting.

Come! Let Us Pray.

May the glorious dawn of Easter morn
And all that is impart,
Bring hope anew to everyone
And love to troubled hearts!
May the glory of our risen Lord,
Shine so the world may find
True brotherhood, with prayer and faith,
For peace to all mankind!
May the beauty of this glad springtime
Bring a radiant joy and cheer —
And Easter's story told again,
Bring our Saviour very near!

Baker Castor Oil Company to Hold Meeting

Several farmers in Briscoe County have expressed the desire to learn more about raising and marketing castor beans in the Silverton area. Due to these requests, a meeting will be held Tuesday, April 19, in the County Court Room at 8:00 p.m. to discuss castor bean planting and to contract the acreage necessary for having a delivery point.

Tenants should discuss this matter with their landlord before the meeting. The usual rent is one-fourth.

If enough 1960 castor bean acreage is contracted with Baker Castor Oil Company, Tomlin & Fleming Gin will set up a delivery point in Silverton for forwarding to Baker Castor Oil Company.

This is an important meeting for you and our community. Come, and bring your neighbor with you.

LAST RITES HELD FOR W. D. VENCIL, Sr.

W. D. Vencil, Sr., 81, died in a hospital in Phoenix, Arizona, on April 7. Funeral services were held at his former home, Peacock, Texas, on Sunday, at 2:00 p.m.

Survivors include a son, W. D. Vencil, Jr., of Jayton; two daughters, Mrs. C. F. Cook, of Hamlin, and Mrs. Virginia Dennis of Silverton.

Mr. and Mrs. Johnny Lanham, Mrs. E. Posey, Mr. and Mrs. R. A. Edwards, Mrs. Elmer May, and Mrs. Joda Buckley accompanied Mrs. Dennis to Peacock for her father's funeral.

Mrs. Grier Lackey and Rolyn, of Floydada, spent last week with Mr. and Mrs. Walter Brannon, Linda and Lou. Mrs. Lackey is the former Pat Brannon.

Seventy-two Cotton Farmers Choose "B"

reports that about 6.4 per cent of the nation's farms have elected to grow cotton this year under the "Choice B" plan allowing plantings 40 per cent above federal allotments.

This compares with about 7.2 per cent making a similar choice last year.

In Briscoe County the percentage is greater with 72 cotton farmers going the "B" route and 433 choosing "Choice A" for a percentage of 14.2 for "B".

Last year 56 County farmers chose the "B" type plan, according to John Montague, manager of the Agricultural Stabilization and Conservation office in Silverton.

Under the Choice B plan, growers get price support at 60 per cent of parity. Under the alternative plan —Choice A — growers abide by their original allotments and are eligible for supports at 75 per cent of parity.

Study Club To Assist Cancer Crusade

The March of Time Study Club will assist the local Cancer Crusade committee Friday evening. They plan to make a house to house canvass of the city.

Please have your donations ready for these ladies when they arrive.

QUITAQUE FFA TEAM WINS BRISCOE COUNTY LAND JUDGING CONTEST

The annual Briscoe County Land Judging Contest, sponsored each year by the Cap Rock Soil Conservation District, was won by the Quitaque FFA team. Coached by Elmer Berryhill, the Quitaque team placed seven members in the top ten scorers. Bobby Saul of the Quitaque FFA was the high point individual with a score of 363 out of a possible 450 perfect score.

The Briscoe County 4-H Club, coached by County Agent Robert Ledbetter, placed second and the Silverton FFA team, coached by Jack Mayfield, took third place in the contest.

The other high scoring individuals in the order of finishing were Second, Jimmy Saul, Briscoe County 4-H; Third, Lee McDonald, Quitaque FFA; Fourth, Duane Smith, Quitaque FFA; Fifth, Lynn McDonald, Quitaque FFA; Sixth, Joe Ithens, Silverton FFA; Seventh, Robert Phelps, Quitaque FFA; Eighth, Van Breedlove, Silverton FFA; Ninth, Sammy Johnson, Quitaque FFA; and Tenth, Dellis Monk, Quitaque FFA.

Some sixty boys entered this year's contest, held on the Bill Helms farm southeast of Quitaque. The purpose of this annual contest is to familiarize the boys with the different soil conditions found in the county, their limitations, methods of treatment, adapted crops and conservation needs.

Glynn Morrison, a member of the Board of Supervisors of the Cap Rock SCD presented team awards and ribbons to the high ten individual scorers.

Free Polio Vaccinations to be Given Here

A series of free polio vaccinations is being sponsored for the Silverton area by the Century of Progress Study Club. Dr. Pat Williams of Lockney, will administer the injections. The first will be given April 19, between the hours of 2:00 and 5:00 p.m.

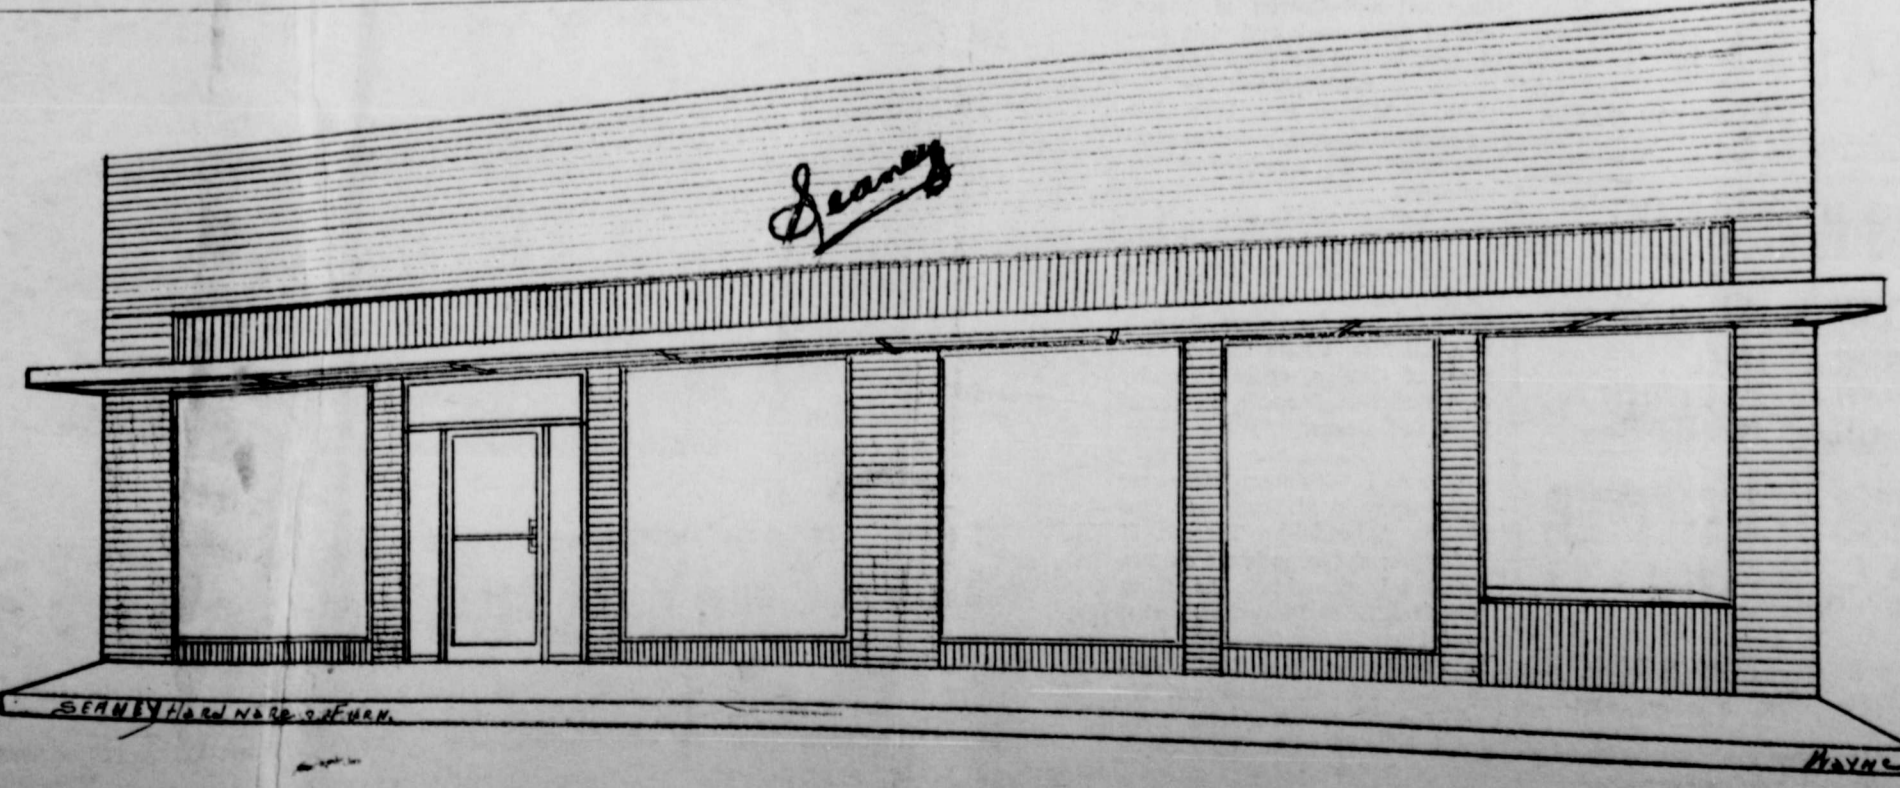

There is no age limit, but minors must be accompanied by a parent. The injections will be given in the Federated Clubs Room in the basement of the Courthouse.

NEW ARRIVAL

Mr. and Mrs. E. W. Yancy are parents of a baby girl, Marsha Jeanette, born Friday, April 8, in a Lockney Hospital. She weighed 8 lbs. and 9 oz. Helping their parents enjoy the new baby sister are three other daughters, Carolyn, Linda, and Dorothy.

Mr. and Mrs. Homer Ragland, Sr. of Floydada, and Mr. and Mrs. W.W. Yancy of Lubbock, are the grandparents.

Rev. and Mrs. Cecil Vaughan, of Haskell, visited his mother, Mrs. John Vaughan, and other local relatives from Wednesday through Friday of last week. They formerly lived here, and he was pastor of the Assembly of God Church.

According to his position, how rich and how important he is. In this way, just by a glance at him you could determine if he was a big shot, a little shot, or just a pop-gun. And think of the money it would save! A person wouldn't have to spend all this money on houses, boats, cars, clothes, etc. trying to prove it to everyone.

Also, if every person would just change his name to Smith it would simplify things for newspaper people, eliminate errors in spelling names, and do away with trying to keep up with the Joneses.

Report From Burson Lakes

Fishing has been very good for this time of the year at Burson Lake, especially last Tuesday, Wednesday and Thursday for Crappie and Bass. They were being taken on Minnows. A few of the reports on catches were:

Jeff Jeffers took 17 Crappie in a short time, the string weighed 28 pounds. Tony Rusk, Jim Fletcher, W. C. and J. J. Fitzpatrick all of Amarillo reported catching some nice Crappie as well as Brim and Blue Gill.

Mr. and Mrs. Gene Locke reported a nice catch of Crappie up to near two pounds. Many over the week reported nice catches of Brim and some Bass and Channel Cat and a few Crappie.

Lure and Fly fishing should improve daily and very soon top water lures will be the best way for Bass.

As we all know it has been a long hard winter and rather late spring but now as you look out and see the OLD HILLS putting on their Easter dress with the grass and trees getting green, the wild flowers blooming, birds nesting in the trees, we can sure appreciate this opportunity to get out for fishing, a Picnic, camping and swimming.

Ewing Vaughan came home from the Tulia hospital on Friday of last week after having undergone minor leg surgery there on Wednesday.

Mrs. Geraldine Kerr, of Denton, spent last week here with her mother Mrs. F. C. Gatewood. On Friday Mrs. Gatewood, Mrs. Kerr and Mrs. Jack D. Baldwin brought Mr. Gatewood home from the V.A. Hospital in Amarillo. He is thought to be recovering satisfactorily from a broken leg.

On Saturday Mr. and Mrs. L. G. Gatewood and Gracie, of Anson, arrived for a week end visit with his brother and the other relatives Mrs. H. E. Robinson and Joy Elizabeth, of Mission, have been visiting in the Gatewood home for some time; she is the daughter of Mrs. Gatewood.

Mr. and Mrs. Judd Donnell, Karen and Stevie, of Las Vegas, New Mexico, spent Sunday and Monday here with Mrs. Cora Donnell. Mr. and Mrs. Deene Donnell and sons, of Canyon, spent Monday with Mrs. Cora Donnell, mother of Judd and Deene.

Mrs. A. L. McMurtry underwent eye surgery in St. Anthony's hospital in Amarillo on Tuesday of last week; she came home on Sunday and is thought to be doing fine. Mrs. Erma Piercy, of Turkey is staying with her for a few days. Mr. McMurtry, Mrs. L. D. Griffin, Mrs. Carl D. Bomar and Mr. and Mrs. Wayne McMurtry were at the hospital with Mrs. McMur-

LAND JUDGING TEAM PLACES THIRD IN DISTRICT CONTEST

A Briscoe County 4-H Land Judging team from Quitaque was third at the District Contest held in Plainview Saturday. This team is composed of Jimmy Saul, Lynn and Lee McDonald and Phil Barefield and just missed the coveted trip to the State Contest and 4-H Roundup in June.

Jimmy Saul was the fourth high individual in the Contest and was presented a cup from the Plainview Chamber of Commerce who sponsors the contest.

Land Judging is one of the many parts of the 4-H Club work carried on in Briscoe County. In this contest work, members learn the

qualities of the soil and its best suited work in agricultural production. Since its beginning, land evaluation has been one of the popular subject matters for programs. Quitaque has produced its share of winners in County, District and State competition.

Mrs. Dow Nix, of Plainview, spent a few days last week here with her brother, L. D. Griffin, and Mikel while Mrs. Griffin was in Amarillo.

Albert Dickenson, Jr., of Blue Springs, Missouri, came on Tuesday of this week for a visit with

his parents, Mr. and Mrs. A. Dickenson.

Mrs. H. C. Mercer has been patient in the Tulia Hospital since Sunday morning; she is reported to be improving from a virus infection.

Mr. and Mrs. Bryan Jones of Cetera, came Friday afternoon to spend a few days with her parents. Mr. and Mrs. A. A. Dunnigan Monday was Mrs. Dunnigan's birthday.

Mr. and Mrs. C. R. Badgett Tuesday and Wednesday of this week and Monday of this week in Plainview where he is undergoing tests and x-ray examinations. He are to go back Friday for repeat

EASTER

Now if Christ be preached that he rose from the dead, how say some among you that there is no resurrection of the dead? For if the dead rise not, then is not Christ raised: And if Christ be not raised, your faith is vain; ye are yet in your sins. I Cor. 15:12, 16, 17.

"Come one, come all; step right up," declared Mr. Atheist Smart. "Harken to the voice of the wise, and learn of things un-known to ordinary man. I will tell you of ANOTHER, besides this Christ you worship; that also came forth from the dead. If you doubt my superlative wisdom, then explain to me the account of Lazarus, from your BOOK of knowledge; who lay in the tomb for days, and yet, came forth to live again."

Well Sir: More than one have come back to life through the power of Jesus Christ. But, ONLY He ever came forth from the dead

to live again OF HIS OWN POWER. Jno. 10:30.

A child can wade the shallow streams, but if you intend to tread the deep waters - look straight at Jesus, the Christ.

Easter, kinda like Christmas, Maybe we over-do. Too much primp - too much fuss, Over me and you.

Of course, I cannot see Any resemblance between Our risen Lord and a rabbit, Or an egg painted green.

However, some attend Church just once a year, So guess if it weren't for Easter, The preacher they'd never hear.

So, guess there's some good In MOST every thing. But may Easter remind us only, Of our risen King.

Before I step on a toe Guess I'd better see If I can't look and find, Something wrong with me.

Blessed be the God and Father of our Lord Jesus Christ, which according to his abundant mercy hath begotten us again unto a lively hope BY THE RESURRECTION of Jesus Christ from the dead. I Pet. 1:3

CONSERVATION IMPROVEMENT NOW UNDERWAY IN BRISCOE COUNTY

Conservation improvements now under construction on the E. A. Birdwell Ranch, four miles west of Quitaque, will provide protection to eight separate farms and ranches in that community. This project, being carried out with assistance from the Great Plains Conservation Program, will safely divert and control run off water that has progressively damaged several hundred acres of good cropland.

This will be one of the most extensive conservation engineering projects undertaken in this District. The plans call for about 6,500 feet of graded diversion terraces, 55,000 feet of level partially closed field terraces and a large erosion control dam with a draw down tube set to maintain an emergency flood storage capacity. The Erosion Control Dam is located on a site that will not only provide a protected outlet for the diversion terraces, but will halt an active twelve foot deep gully that is working across productive rangeland.

Technical assistance, along with government cost-sharing, is available through the local office of the Soil Conservation Service to meet the conservation needs of all local farmers and ranchers.

Owl Thinclads Qualify For Regional Meet

The Silverton Owls took fourth place in the District 4-A track meet Thursday at Hale Center. The team scored a total of 70½ points to gain fourth place. The Ralls rabbits collected 140 points to win the first place honors for the fourth straight year.

Qualifying for the Region I meet at Lubbock on April 22 and 23 are James Roy Brown who repeated in this year as first place winner in the broad jump, took second in the 100 yard dash, and was the anchor man on the 440 yard relay team. The sprint relay team finished in second place with a time of 46.4. The Owl Relay team was beaten two-tenths of a second for first place by Cross Creek who ran a 46.3 for first place.

Also qualifying for the regional meet were the members of the sprint relay team, Rusty Whitfill, Jerry Patton, and Bob Cross. Jerry Patton made the regional meet in the 220 yard dash.

Last season the Owls qualified only one boy for the regional meet. This season they have qualified three boys in four events. The events are the Sprint Relay, the 220 yard dash, and the broad jump.

Members of the team who contended in scoring points for the Owls are as follows: Bob Cross: 3rd in the 120 yard hurdles, and 5th in the 180 yard hurdles.

Pat Norris: 4th in the mile run. Smith: 3rd in the discus, and 4th in the 12 lb. shot.

Anderson: 5th and 6th in the Pole Vault. Kenney Thornton: Tied for 5th in the Pole Vault. Relay Team: Bob Stafford, Larry May, Robert Rhode, Joe Anderson: 5th place.

The boys who qualified for the regional meet will be working hard for the next two weeks and competing for the State Meet in Austin on May 6th and 7th.

Each Adams would like to express his appreciation to all the members of the 1960 track team for their hard work and partici-

pation in track this season. He feels that they had a good season and with more participation the Owls should have a good year in 1961.

In Regional Tennis Tournament

James Starkey of Quitaque will be in the Regional Tennis Tournament to be held in Lubbock this week. In the District Tournament held at Lakeview, he won first, while the doubles team of Tommy Baird and Sammy Johnson also represented Quitaque well while winning second place.

Mrs. Luke Thompson is reported to be doing fine early this week. Mr. Thompson thinks she will be able to come home the latter part of this week. She underwent surgery in St. Anthony's hospital in Amarillo last week.

Mr. and Mrs. John C. Wimberly and boys of Lubbock visited his mother, Mrs. Winnie Wimberly, over the week end.

Mr. and Mrs. James Ross Alexander, students at Texas Tech, are spending this week, their Easter vacation, here with their parents, Mr. and Mrs. Lem Weaver, Tina and Max. On Sunday the entire group visited in the home of Mr. and Mrs. Doug Coleman, Cindy and Doug, Jr., near Dozier. Mr. and Mrs. Wood Coleman, of Dozier, were also guests in their son's home. Mr. Weaver and Mr. and Mrs. Coleman have all recently celebrated birthdays, so Mrs. Coleman honored them all with a birthday dinner. Mrs. Doug Coleman, the former Valetta Weaver, is a daughter of Mr. and Mrs. Lem Weaver.

Mr. and Mrs. George Seaney attended the Home Show in Lubbock on Friday of last week.

Mr. D. T. Northcutt has returned home from Torrington, Wyo-

4-H Girls
Complete Lessons

A group of 4-H girls who call themselves "The Baker's Dozen" have completed a series of ten lessons on the study of Foods and Nutrition. Completion of these lessons fulfill the requirement of classwork for the 4-H Foods Project.

Mr. and Mrs. Joe Tiffin and children and Red Tiffin visited Sunday evening with Mr. and Mrs. O. V. Hodges.

Mr. and Mrs. Lee Driver visited in Lubbock Sunday with their daughter and family, Mr. and Mrs. Lee Pharr, and attended Palm Sunday services at the First Christian Church. Their two granddaughters had part in the service.

George Tipps of Denver, Colo., is spending this week in the home of his aunt, Mr. and Mrs. Norvel Hamilton.

Billie Farley and Mrs. Babe Chandler and girls spent the week end with the Glen Farleys of Odessa.

These girls have met classes during March and April, in the Home-making Department, on Tuesdays and Thursdays after school.

Foods prepared by the group include Easy-Do-Chocolate Fudge, Peanut Butter Cookies, Milk Drinks, Sandwiches, Drop Biscuits, Orangeade, Apple-Celery Salad, Frozen Vegetables, Peach Delight, and Quick Puddings. Classes were taught the step-by-step demonstration method, with each girl preparing the dishes.

Instruction and practice was also received in kitchen safety, cleaning up after food preparation, table setting, table courtesies, simple cooking terms, simple meal planning, and record keeping. The girls also learned to use the ranges, refrigerator, and other kitchen equipment.

The Texas Food Standard was used as the basis for nutrition instruction. Each girl checked her daily diet for a week, and is trying to improve her food habits, because she now realizes that "Food Does Make a Difference," and that people with good food habits eat many different kinds of food each day. She has learned also that to Go, Grow, keep Growing and Going, one must get the right food

in proper amounts daily.

Each dish prepared in class was classified according to the Texas Food Standard, scored as to appearance and taste, how to be served, what foods to serve with it, and how to fit it into the menu for a day's plan of food. Supplementary material as bulletins, recipes furnished by the Extension Service were given with each group of foods.

Camellia Comer, Diane Davis, and Ruth Ann Minyard gave "Teach Me How" demonstrations to the class.

Doris Estes, Co-Chairman of the 4-H Council, presented completion certificates to the following girls: Marcia Alexander, Sharon Martin, Joni Faye Self, Kay Strange, and Tina Weaver of the fifth grade; Maria Castello, Ruth Ann Minyard and Paula Carol Turner, of the sixth grade; and Camellia Comer and Diane Davis, of the seventh grade. Latressa Cox, seventh grade, was also a member of the class, but due to illness has not yet completed her class work.

The class was taught by Mrs. Jessie Mae Watson, Adult Foods Subject Matter Leader, in cooperation with County Agent Robert Ledbetter and the Extension Service.

Shown with their certificates of completion are Maria Castello, Tina Weaver, Paula Carol Turner, Ruth Ann Minyard, Camellia Comer, Diane Davis, Mrs. Jessie Mae Watson, Adult Leader, Joni Faye Self, Marcia Alexander, Sharon Martin, and Kay Strange.

Briscoe County Girls Earn State Degrees

Seven girls of Tulia High School have received letters from the Area I State Homemaking Degree Board stating the approval of their State Homemaking Degrees.

The Degree honors will be presented to the girls at the State FHA Meeting in Austin on April 27-28. Girls receiving their State Degrees are seniors Janice Rector, Carolyn Hale, Ellen Burnett and Jeanette Bice, and juniors Penny Rogers, Sue Campbell and Nancy

Pyeatt. Two of the Tulia High School girls, Ellen Burnett and Jeanette Bice reside in the northwest corner of Briscoe County, and have lived within the county all their lives. They both attended the San Jacinto School in Briscoe County, Ellen to the eighth grade and Jeanette to the Seventh Grade. Ellen is the 17-year-old daughter of Mr. and Mr. Chester Burnett. She travels 32 miles to school each day and 32 miles home, and if you tabulate the number of miles she travels in a year, you would probably find that she had traveled more than enough miles to go around the world. Ellen was President of her FHA Chapter last year. She is very active in the Union Church at Vigo Park, where she has served as secretary-treasurer.

Mrs. Burnett is the Chapter FHA Mother, and plans to accompany the girls to Austin to receive their Degrees.

Ellen is an excellent seamstress and proved her skill by winning first place in her division of the White & Kirk Sewing Contest held in Amarillo recently. Her dress was fashioned of bone and white and featured a fitted bodice, slightly full skirt and standaway collar.

Jeanette is the 18-year-old daughter of Mr. and Mrs. Woodrow Bice. She lives 26 miles from school, and like Ellen travels many, many miles to and from school. In spite of the distance involved, she is sporting a perfect attendance record this year. Jeanette was Vice President of her FHA Chapter last year. She, too, takes an active part in the church at Vigo Park, serving now as pianist and as secretary-treasurer.

Jeanette is well versed in the homemaking skills and she too, turns out a beautifully finished garment when sewing.

Requirements for the State Degree include holding the junior and chapter degrees, having at least two years of homemaking and having been an active member of the local FHA Chapter for at least two years. For the acceptance of the Degree, the girls had to follow various forms and complete certain requirements set up by the State Board.

This is the largest number of girls ever to receive degrees in

Reception Honors Miss Fogerson

Mrs. Fred Mercer honored Miss Diane Fogerson, bride-elect of Jack Mayfield, with a reception in her home from four to six o'clock Saturday afternoon.

Mrs. Mercer greeted the guests and presented them to Diane, her mother, Mrs. Ware Fogerson, Mrs. Alvie Mayfield, mother of the prospective bridegroom, and to Mrs. Florence Fogerson, paternal grandmother of Diane.

Ann Wingo and Toni Rhode served refreshments. The bride's chosen colors, pink and green, were carried out in refreshments and table decorations. The table was laid with a white cutwork cloth and candles and flowers were used as decorations. Pink sandwiches, green punch and candies were served with crystal appointments.

Thirty-seven guests were registered.

Mrs. J. F. Bingham and Stevie spent the week end in Ft. Sumner, New Mexico, with her brother and family, Mr. and Mrs. Homer Welch and Ola Fay.

Methodist News

The local Methodist Church will observe Good Friday with a service at the church at 7:30 p.m. There will be singing, testimonies, a short review of Good Friday activities, and partaking of the Sacrament of the Lord's Supper.

Rev. Frank Story, Mrs. Hugh Nance and Mrs. Gene Morris accompanied eight of our MYF group to a Spiritual Life Retreat and District meeting at the Methodist Camp Ground Friday and Saturday, April 8 and 9. This was the first attempt to have an occasion of this nature, but, from the reports of all who attended, this will likely be a yearly affair for some time to come.

Rev. James Patterson is the District Director of Youth Work for this district and lead in planning the program. Rev. Clifford Trotter, pastor of the Methodist Church at Dumas, was the guest preacher for the occasion.

The local MYF group met in regular session at the Church Sunday, April 10, and elected officers for the new year which begins the first of June. The following were elected:

- Wayne Nance, President
- Brenda Martin, Vice President
- Diane Davis, Secretary-Treasurer
- Freddy Stafford, Faith Chairman
- Sharon Weaver, Christian Outreach Chairman
- Rita Brown, Christian Citizenship Chairman
- Gary Hunt, Christian Witness Chairman
- Chyrel Cowart, Fellowship Chairman

The hour for meeting was changed from 6:30 to 6:00 p.m. the same year at Tulia High School.

Mmes. Robert McJimsey, J. L. Self, Jim Mercer, J. N. Jennings, and L. L. Thornton attended a teacher's training class at the Central Church of Christ in Tulia on Tuesday. The entire Bible Class of the local Church of Christ planned to attend the training class

on Wednesday.

Mr. and Mrs. Gaston Owens and Eddie, of Wichita Falls, spent the week end with relatives here and in Quitaque; they were overnight guests of her father, Ed Vaughan.
