Water District Tightens Rules On Waste

In a recent meeting of the board of directors of the High Plains Underground Water Conservation District it was decided that a procedure would be adopted to strictly enforce the district's rules against waste of irrigation water.

The district has in the past approached the problems of waste from an educational standpoint, preferring to present facts about the underground water and its efficient use rather than invoking more harsh and drastic methods. However, the willful and habitual waste of water by a minority of

irrigators has become increasingly more serious. With the continued decline of the underground water level in the southern High Plains area coupled with increased public opinion against willful waste, the water district has come to the conclusion that the time has come to supplement education with strict enforcement.

In the future, violators of the district's rules concerning waste will be notified that they have 24 hours in which to correct the situation and stop the waste. This does not mean that the district would want any farmer to stop irrigating, but only to put to a halt continued waste.

The notice will be delivered to the farm operator by a deputy sheriff, constable or by some other official in the county where the waste has been observed.

At the end of the 24-hour period, district personnel will check to see that the irrigation water is under control and is being retained and used on the land where it is produced.

Should the waste continue be-

yond the 24-hour period, legal action will be taken through the courts to stop any further waste.

By far the large majority of area irrigators recognize that their underground water is one of the most precious of all resources, and they care for it as best they can; however a minority continue to promiscuously run water off their land into roadways, creating not only a situation described as waste in the rules of the water district, but also a definite public nuisance and a hazard to human life.

The multitude of reasons why underground water should not be wasted have all been discussed in much detail, and are well known. All who are even remotely interested in conservation can explain why waste is detrimental to continued prosperity in our area. Even the school boy knows that waste is a bad practice. All are aware that water should not be wasted, but rather it should be put to beneficial use.

Put an end to any waste that originates from your land — do it today.

POSTMASTER GEN.

Continued From Page One

route distribution, are also utilized in the program.

The plan required an intricate pattern of interlocking schedules, with connections being made within a matter of minutes at many places. For instance, a letter from Roaring Springs to Levelland travels over six different routes, including one train; it is transferred at five different locations.

Mr. Gray explained that the next day delivery depends on the conscientious attention of postal employees as well as the closely integrated time table which governs the area's postal units and the transportation linking them together.

He said this improvement in letter mail service is the result of intensive study, and he credits the cooperation of dedicated postal employees in the 125 offices involved.

The counties in the area are Armstrong, Bailey, Briscoe, Carson, Castro, Childress, Cochran, Collingsworth, Cottle, Crosby, Dallam, Deaf Smith, Donley, and Floyd.

Also Foard, Gray, Hale, Hall, Hansford, Hardeman, Hartley, Hemphill, Hockley, Hutchinson, Lamb, Lubbock and Moore.

Also Motley, Ochiltree, Oldham, Parmer, Potter, Randall, Roberts, Sherman, Swisher, Terry, Wheeler, Wichita, and Wilbarger.

EASTERN STAR —

Visitors for the evening were Mrs. Dorothy Davis, Deputy Grand Matron, District 2, Section 5 and Mrs. Mayme Somerville from Wellington; Mrs. Bonnie Sue Hill, Mrs. Ollie Meacham and Mrs. Goldie Russell from Turkey and Mrs. Flora McElyea, Quitaque.

Vacation Bible School Being Held In Quitaque

98 attended the Quitaque Baptist Vacation Bible School the first day Monday. This was higher than first day attendance of 88 in 1959 noted pastor Bob Beck, who is acting as principal.

There was more "elbow room" this year, with the moving of primaries to a new house across the street. Mrs. Leon McCracken is superintendent of this department, and her helpers are Mrs. Clyde Saul, Mrs. Billie Wise, Mrs. Buddy Morris, Mrs. N. B. Herrington, Mrs. Eula Morris, Mrs. Novelle Wise, Yvonne Wise, and Mrs. Jack Chandler.

7 Intermediate girls studied with Mrs. J. B. Baird, Mrs. Glenn Ramsey, Mrs. Ober Johnson, Mrs. Ruby Cushenberry, and Mrs. Bob Beck, superintendent.

Junior workers are Mrs. Elmer Berryhill, Mrs. Wendell Farley, Mrs. J. T. Rogers, Jr., Mrs. Odell Johnston, Mrs. Warren Carpenter, Mrs. W. A. Griffin, and Mrs. L. B. Monk, superintendent.

Beginners have Mrs. Clayton Johnson, Mrs. Wayne White, Mrs. Ray Ferguson, and Mrs. Paul Bailey. Nursery 3-year-olds have Mrs. Bob Ham, Mrs. Leroy Scott, and Willie Mae Woods.

By KEEPING QUIET we can sometimes fool people into thinking that we are pretty wise. One of my friends puts it this way: "I would rather keep quiet and have folks think that I am dumb than to speak up and have them know that it is true."

It may be bad manners to talk with your mouth full, but it is awfully boring for someone to talk with his mind empty.

It is said that the children of this day are given most every vitamin in the book except the one called B-Quiet. One good thing about children talking is that they seldom say anything bad about each other.

We all remember the little poem about . . . The wise old owl, that sat in an oak . . . The more he heard the less he spoke . . . And the less he spoke the more he heard . . . Pity that more of us are not like this wise old bird.

Someone else has said that: "Silence is golden." This is surely true when someone is saying something we had rather not hear. It

is not so golden when we are just bursting to talk about our last operation or our grandchildren; past, present, or those to be.

About the worst competition in the talking field are those who talk by the mile and think by the foot . . .

Mr. and Mrs. Doug Sewell of Lubbock spent the week end here

with Mr. and Mrs. Bruce Womack. Mrs. Sewell's daughter, LeAnn

Womack had spent last week here with her grandparents, the Womacks. Mrs. Womack brought LeAnn here from Lubbock on Monday of last week. Ruth Ann Womack spent much of last week at the Womack home visiting her good friend, LeAnn.

To The People of Briscoe County:

May I express my gratitude for the support you gave me in last Saturday, June 4 election. I am very grateful.

Sincerely
 Raymond K. Grewe

The Conditions of Admission Into The Church

The Church of Jesus Christ is the divine institution into which every soul must enter who has any hope of eternal life. Realizing its tremendous importance, we present a scriptural study of the conditions of admission into this sacred body. The word "church" does not appear in the Old Testament scriptures. It is strictly a New Testament institution. Matthew, Mark, Luke and John reveal the great preparatory teaching of Jesus and the fundamentals of His religion, but the word "church" does not appear, except twice in Matthew's gospel. Matthew 16:18 reveals its beginning in the future. Jesus, just before He ascended revealed to the apostles the conditions of His salvation, Mark 16:15-16. But this the apostles were restrained from preaching until they received the infallible power of the Holy Spirit.

Acts 1 records the ascension of Jesus and the apostles waiting at Jerusalem. Acts 2 records the coming of the Holy Spirit upon the twelve apostles and the beginning of the church. Peter, filled with the Holy Spirit, preached the risen Jesus as Christ and Lord. Believers asked "what shall we do" (Verses 37-38) Peter gives them the answer to their question. Repent and be baptized every one of you in the name of Jesus Christ for the remission of sins, and ye shall receive the gift of the Holy Spirit." The 41st verse, "Then they that gladly received his word were baptized"; Verse 47, "And the Lord added to the church daily those that were being saved" showing that by their faith, repentance and baptism they were saved and by the same process were added to the church.

All the detailed accounts of conversion are recorded in the book of Acts and although the surrounding incidentals are different, the essential items - faith, repentance and baptism - are present in every case. These are the God-given conditions and examples, and the teacher who proposes to guide men into the way of salvation is duty bound to guide them by these models. And the man who believes himself to be a genuine convert to Christ may test his experience by these examples.

The Silverton Church of Christ invites you to the services of the Church.

L. L. Thornton, Minister

Miss Shirley Elms Honored with Shower

The lovely home of Mrs. Guinn Fitzgerald was the scene of a prettily arranged shower on May 28, honoring Miss Shirley Elms, the bride-elect of Mr. Perry Cates, of Amarillo.

Mrs. Fitzgerald greeted the guests and presented them to Shirley and her mother, Mrs. Gilbert Elms.

Mrs. Buck Hardin registered the guests. Other hostesses alternated in showing the gifts. Mrs. Joe Lee Lamar, Mrs. Freddie Hamilton and Miss Helen McLinsey served refreshments of cake and strawberry punch. The refreshment table was laid

with a white lace cloth over orchid. An umbrella of pink shaded a garden of roses to form the centerpiece. Streamers with the names of the couple and the date of their wedding fell from a bow atop the umbrella. The punch and cakes carried out the brides chosen colors of pink and orchid.

Miss Elms received many useful and beautiful gifts with which to begin her housekeeping.

Mr. and Mrs. Joe L. Fowler, Nancy and Robert took their uncle Mr. E. L. Landtroop, to an Ellis family reunion at Turner Falls, Oklahoma, over the week end. A large crowd attended, most of whom were cousins. They came from Alabama, Texas and Oklahoma to attend.

BRIDAL SHOWER HONORS MR. AND MRS. RICE

A shower honoring Mr. and Mrs. Jarrell Rice was held Friday night in the C. A. Hawkins home.

Shirley Gilbert and Jackie Bedwell served punch and cake decorated in pink and green, mints and nuts. The serving table was laid with a white cloth over pink. There was a centerpiece with pastel flowers carrying out the bride's chosen colors.

The buffet was decorated with a beautiful arrangement of baby's breath with small pastel bows.

About 75 guests registered in a lovely white book. At the registration desk were two small cupid and a bouquet of pansies.

Among the gifts on display were two chairs, a lamp, a George Washington bedspread, sheets, towels, pillows, cooking utensils, blankets, a four-piece set of stainless steel, and other very useful items.

Hostesses for the occasion were Mrs. Hattie Lois Carter, Henry Finney, Francis Herrington, Josephine Bedwell, Ruby King, Mabel Wilson, Ineatha Blankenship, Amelia Johnson, Yolana Robinson, Edna Hawkins, Wandell Johnson, Cleo Ham, Billie Wise and Dora Hawkins.

Mrs. W. L. McMinn went home with her daughter and family, Mr. and Mrs. Odie Dorman of Aiken, early last week for a visit with them and with relatives and friends at Lockney before going on to Levelland to visit Mr. and Mrs. Henry McMinn. A little later she plans to go to California for the summer.

A "Prune" Full Of Wrinkles

Congress, having disposed of the Civil Rights problem for this session, now is busy writing the checks we'll have to pay. They've made a great show of pruning President Eisenhower's budget, but there are some wrinkles in the process that the voter should watch for.

For instance, some budget cuts are being made with the tacit understanding that more funds will be provided in supplementary appropriations later. And some items are being cut below requests — but no mention is made of the fact that even the trimmed figure represents more money than was given to the same agency last year.

If Congress can point to a sizeable "savings," some real and some illusory, this will open the door to new spending programs. We've cut back elsewhere, the spenders can say, so we can afford this.

Senator Thruston Morton (R Ky) has reported that the big spenders have introduced bills that would, if enacted, cost us an additional \$325 billion in the next five years.

"Let the tiniest scratch or pimple appear on the national economic body," he remarked, "and in rush the big spenders with their Federal aid Band-aids."

Such a "band-aid" is the proposed \$1 billion bill to subsidize people who buy new homes. Even the lobbies which usually beat drums for housing help have been silent about this one, because there really is no emergency. The veteran's organizations seem to think the solution to such problems is to remove unrealistic interest ceilings on GI loans.

Another "band-aid" is the measure designed to aid "depressed areas," which would cost a quarter of a billion the first year, and heaven knows what thereafter. Many communities and states have shown that there's no need to wait for Federal aid to rescue a depressed area — but once we have Federal aid to rescue them, you can expect that no communities will bother to un-depress themselves thereafter.

There's only one way that the spending spree can be halted before it really gets underway — and that's for the public to make it known to Congress that it would prefer Federal expenses to go down, rather than up. Braces for little Suzie's teeth can be as vital a "need" as a handout or a subsidy.

Mr. and Mrs. Floyd Williams, Martina and Annette spent a few days last week in Lubbock with Mr. and Mrs. R. L. Bigham. The ladies are sisters. While there Mrs. Williams had a check up with her doctor.

Mr. and Mrs. J. E. Oneal and Clela returned home Sunday after a four-day holiday at Las Vegas and Tres Ritos, New Mexico.

Mr. and Mrs. Jarrell Rice

SANDERS - RICE NUPTIALS ARE SOLEMNIZED IN HEDLEY

A double-ring ceremony read on May 21 in the First Baptist Church in Hedley united in marriage Miss Jean Sanders and Mr. Jarrell Rice of Quitaque. Mr. and Mrs. Sam Sanders of Hedley are parents of the bride and the bridegroom is the son of Mr. and Mrs. Pete Rice of Quitaque.

For a wedding trip to Amarillo, the bride wore a bone-colored silk suit with matching accessories.

A graduate of Hedley High School, the bride attended Clarendon Junior College. The bridegroom is a graduate of Quitaque High School and attended Clarendon Junior College. They will be at home in Quitaque this summer, where he is employed by the Texas Highway Department. In the fall they will enroll in West Texas State College in Canyon.

Mr. and Mrs. Richard Croft of Fort Worth, spent a recent Friday night and Saturday with her aunt and family, Mr. and Mrs. Milton Perry.

Mrs. Helen Lindsey, sister of the bride, was matron-of-honor. She wore a dress of aqua taffeta and carried a colonel bouquet of pink carnations. Bridesmaids were Betty and Tobytha Sanders, also sisters of the bride. They wore white polished cotton dresses with aqua sashes and carried colonial bouquets of pink carnations. Candelighters were Delores and Sammie Sanders, sisters of the bride, who wore yellow polished cotton dresses with white accessories.

Teddy Bedwell of Quitaque was best man and groomsmen were Billy Wiggins and Lester Driver of Lakeview, Felix Johnson and W. E. Hawkins of Quitaque were ushers.

Escorted and given in marriage by her father, the bride wore a floor-length gown of white taffeta styled with a tiered overskirt of net. The lace bodice featured a draped neckline. Her fingertip veil of illusion fell from a tiara of orange blossoms and forget-me-nots and she carried a bouquet of white roses atop a white Bible. A reception was held in Fellowship Hall of the church following the ceremony.

NOTHING BUT THE TRUTH

If a political candidate for a major office would tell nothing but the truth, what kind of results would it bring?

For instance he would say: "I want this job because it pays well for the amount of work required, and it adds tremendously to one's prestige" instead of the usual, "So many of my friends have urged me to run for the office, I feel it a duty to do so."

Would voters recognize innate honesty and give that candidate an overwhelming majority? Or have the voters become so accustomed to the usual poppycock indulged in by candidates, that they would still go along with the one dishing it out?

Your guess is as good as ours. So far as we know, no one has ever tried it. It would be different.

Mr. and Mrs. Jerry Gross and Michael of Seattle, Washington, and Pfc. Pat Gross of Fort Stewart, Georgia, visited the men's sister and family, Mr. and Mrs. Joe L. Fowler, Nancy and Robert, on Monday and Tuesday.

Those attending the funeral of Mrs. Henry Hamilton last week were:

Mr. and Mrs. S. L. McKinzie, Ronnie and Cheryl; Mr. and Mrs. Bob Eudy, Jimmie and Myra Dell; Mr. and Mrs. Chester Hamilton, of Ft. Worth; Glynn and Lynn Hamilton, of Richmond Va.

Mr. and Mrs. Thomas Taylor, Mrs. Buddy Robinson and Sherry, of Fort Worth; Mrs. Earnest Kennedy, Mrs. Almer Pollard, Mrs. Jack Hoosier, Mrs. Buddy Sandale, Mr. and Mrs. Ogden Burris, Ardmore, Okla.; Mr. and Mrs. Valton Oakley, Mr. Tom Oakly, Lytle, Texas; Mr. and Mrs. Bill Brown, San Antonio; Mr. and Mrs. Ernest Brown Oletha and Carol, Phillips, Texas.

Buster Hamilton, Mrs. Evie Ham-

ilton, Amarillo, Texas; Bill Price, Phonex, Ariz.; Mrs. Ethel Lessing, San Antonio; Mr. and Mrs. Lee Ballard, Clara Jane, Kress, Texas; Mr. and Mrs. Bill Ballard, Mr. and Mrs. Melton Ballard, Mrs. Kelse Garrison, Plainview, Texas; Mr. and Mrs. Paul Hamilton, Denton, Texas; Mr. and Mrs. Clint Hicks and family, Lubbock, Texas; Mr. and Mrs. Runt Vardell, Tulla, Tex.

Ammonia produces more cotton per acre

Leading West Texas farmers like FRED POPEJOY use 100 lbs. of Phillips 66 Ammonia on cotton

Fred Popejoy of Hart, who has 800 acres under cultivation, has used Phillips 66 Ammonia successfully on a variety of crops. "With cotton following cotton I put down 50 pounds of ammonia per acre. On cotton following maize I apply 100 pounds of ammonia. This gives me about 1/2 bale per acre increase," he says.

"Maize land receives about 100 pounds of ammonia per acre. Yields have been up to 7000 pounds per acre . . . increases average about 2000 pounds per acre. Wheat is where you see the big difference with ammonia. It just about doubles the yields. I use about 80 pounds of ammonia per acre on wheat land," he reports.

Thousands of Texas farmers are using Phillips 66 Ammonia to help assure top net profits per acre. Actual field reports prove that Phillips 66 Ammonia (1) produces more high grade lint (2) increases maize yields (3) boosts wheat and small grain yields (4) stimulates forage production.

See your local Phillips 66 Ammonia Distributor now. You can depend on better ammonia service.

overlooking the recreational possibilities for ourselves and our children.

Now then, take your feet down off that cloud! There is a chance that this possibility may one day be a reality. It is a fact that surveyors have been and are at this time working in the canyon!

CITY AIRPORT HAS BEEN PROPOSED FOR SILVERTON

An airport has been proposed for the City of Silverton. The landing strip would be located parallel to the railroad tracks on the eastern city limits and would extend from the Silverton-Quitque Highway to the cemetery road. This is an estimated 35,000 foot strip 250 feet wide.

The City of Silverton is said to be willing to pay \$25 per lot to give the right of way for the landing field. It will then be up to those owning or desiring to keep those to purchase additional footage on adjoining property on which to construct hangars.

It has been pointed out that a City Airport would be of value to the town and would be available for use in emergencies and by sprayers not now having adequate

facilities for taking off and landing.

It has also been pointed out that the merchants of Silverton would be asked to contribute some \$1,100 in funds to complete the project.

My opinion, though it really is not worth the paper it is being printed on, is that most of those who own planes have, through the years, made arrangements for the landing and storing of their airplanes. Some of those who own planes have stated that they would not be interested in moving their hangars, and therefore, I would say that they would not get a lot of benefit from the new landing strip.

It boils down to this: this project would serve too few to be undertaken by the merchants when Silverton needs as many things as it does, and I personally would prefer to see a project undertaken that would benefit a majority.

I am happy to see the progress that has been made at the ball park — the men and boys will have a fine place to play ball when the erection of park lights is completed. I am all for the project I have heard mentioned recently in connection with the restoration of the rodeo pens — and I don't really care for rodeos at all, but I firmly believe that if an Old Settler's Reunion could be instituted

to take place every summer at a given time, with all the trimmings, rodeo, parade, barbeque, contests, etc., that it would be good for the town.

All these things enter once again the Chamber of Commerce subject. They are all among the things which could be decided by a chamber. And you may be sure of this: if the majority of the merchants feel that the airport project should be undertaken and want to proceed with it, we will be among the first to work for it. But, I cannot push for it as I have been asked to do because my heart just isn't in it. And I think to succeed with any project your heart must be in it.

YOU DON'T HAVE TO GIVE THE CLOTHES YOU'RE WEARING!

Earthquakes, tidal waves, avalanches and volcanic eruptions have brought extremely serious personal casualties and heavy material damage that will take years to overcome by the friendly, hard-working people of Chile.

Many people in Chile are homeless, injured and poorly clothed. It is now winter in Chile. The disaster area is one of heavy rainfall. Hence, the extent of personal suffering being experienced by Chileans is almost beyond comprehension.

The United States government is doing all it can to assist the government of Chile and in addition, the American Red Cross is doing everything possible to help.

Civic leaders, church groups, and others concerned with relief are serving as members of the Chilean Relief Committee for Silverton. All citizens are urged to support any relief efforts of their own church. Cash contributions are urgently needed and should be addressed to the Red Cross Committee, c/o First State Bank, Silverton, according to Walter Fleming, County Chairman of the Red Cross.

Alvin Clewis, a Neiman-Marcus porter in Dallas, has been helping the Red Cross package clothing for shipment to the Chilean earthquake region. Monday he went out to the clothing depot, changed his clothes and went to work.

A short time later he found that somebody else had packaged his clothes, cap, shirt, belt and pants, and had shipped them off to Chile! We don't suggest that you give the "shirt off your back" but if you can afford to do so, sit down right now and write your check to the Red Cross Society and mail it to the First State Bank in Silverton.

Mr. and Mrs. Joe B. Mercer spent the Memorial Day week end at Las Vegas, New Mexico, as guests of Mr. and Mrs. W. C. Donnell and family. They returned via Clayton, New Mexico, for a visit with her cousins, Mr. and Mrs. Claude Garrett.

Mrs. T. M. Marshall spent last week in Plainview and will be there most of this week with her mother, Mrs. J. W. Smith, who is recuperating from a recent serious illness. Alice pent the week end at home and was busy canning home-grown cherries on Monday.

Jerry Taylor, of Del Rio and Margie Autry, students at Hardin-Simmons in Abilene, and Mr. and Mrs. Tommy Autry and Doug of Brownwood, were week end guests of Mr. and Mrs. W. E. Autry, Sr.

More and more people are enjoying the fine sport and the great fun of fishing in Texas . . . and savoring their delicious catches at their dinner tables.

Texas' gulf coast is a fabulous "dream come true" for anglers. Many return home with ice chests full of such tasty salt water fish as speckled trout, red snapper, flounder and many, many others.

The big ones are there too! Fact of the matter is the world's record catch in a giant sea bass was made in Galveston Bay. It weighed a mighty 551 pounds.

Everyone, young and old, has read about "Old Rip." He has traveled as a dignitary all over the USA and even visited Pres. Calvin Coolidge in the White House. (Which, incidentally, is pretty good for a little old "Horned Toad.")

What made Old Rip famous? This little horned frog slept for 31 years in a dehydrated state in a little tin box in the cornerstone of the courthouse in Eastland, his plush casket and hear his fabulous story again.

In the days of the old west, you

Mr. and Mrs. Tommy Autry are students at Howard Payne College. Other Sunday dinner guests in the Autry home were Mrs. T. L. Autry and Lavonia, Mr. P. A. Autry, Harold and Gary and Mr. and Mrs. Royce Vaughn and children of Plainview. Mrs. T. L. Autry is the mother of W. E. Autry and the late P. A. Autry.

Mrs. Richard Quillen has been a patient in Northwest Texas Hospital in Amarillo recently.

Mr. and Mrs. Dee Garvin were recent Sunday visitors with her sister and family, Mr. and Mrs. Jim Carter, in Canyon. The Carter and their daughters formerly lived here. Three of the daughters were also guests in their parents' home. They were Mrs. Paul Davidson and daughters, of Arlington; Mr. and Mrs. Carlos Thornton and son, of Lubbock; and Mr. and Mrs. W. M. Woodall and sons of Amarillo.

Mr. and Mrs. Garvin Long of Maple, have announced the engagement and approaching marriage of their daughter, Lillian Lorena Long, to Carl Ray Miller, son of Mr. and Mrs. Earl Miller of Canyon. Mr. and Mrs. Long and family formerly lived here and their daughter grew up in this community. She is a great niece of Mrs. Clyde Lightsey and of the Messrs. Eugene and Spencer Long.

Mrs. J. E. Vaughan returned home Monday after a visit with relatives in Hollis, Oklahoma. On Friday night of last week she attended a miscellaneous bridal shower in honor of her niece, Mrs. Jack Coffin, nee Carline Vaughan, the daughter of Mrs. Carl Vaughan and the late Mr. Vaughan. S/Sgt. and Mrs. Coffin were married recently and will live in Dayton, Ohio, where he is stationed at the Air Force Base there.

ger in the Judge's table saying, "Here's the law!"

Judge Willie is reported to have laid his pistol calmly on the table with this retort: "Here's the Constitution which overrules the law."

Visitors in the W. D. Peugh home over the Memorial Day week end included Mr. and Mrs. M. H. Peugh and Mrs. W. M. Peugh, of

Portales, and Barry Lynn and Mary Smith of Odessa.

Oliver Savage, who has been a patient in a Plainview hospital for sometime, is reported to be improving rapidly.

Mrs. Marie Bishop is spending an extended visit with her daughters and son in Fontana, California.

What model do you need? WE'VE GOT IT IN A BIG 4-PLOW MF 65

Whatever crops you grow, there's a Massey-Ferguson 65 waiting for you. You can choose yours in Standard, High Arch, or in Dual or Single Wheel Tricycle models. Come in today . . . Quitaque Seniors Report on Trip

At midnight, Friday, May 20, the senior class of Quitaque High School set out with great anticipation upon their senior trip. Only 2½ hours after graduating, we boarded a chartered Continental Trailways bus, and after traveling all night without any sleep, arrived at the Shamrock Hilton Hotel in Houston. We arrived there around dinner time and after refreshing a bit, went downstairs and ate a rather expensive dinner. Some retired to a brief nap while others hurried about to make good use of the large swimming pool downstairs.

After an evening of varied entertainment, it was time to see the real Houston. After a good ride, we arrived in the heart of town. There we ate supper, window shopped, took in a show and went sleepily back to the hotel which was a good distance from downtown. It was soon concluded that once again no one was going to be allowed a god night's sleep.

After rising the next morning, feeling like the rest of the millionaires, we ordered breakfast in our rooms. We also paid like the millionaires. Soon it was time to check out and bid farewell to Houston. After viewing the industrial part of Houston we soon arrived at the San Jacinto Monument. There we explored the museum and took a quick ride to the top, and drove over to the battleship, Texas. Once again we curiously explored the contents of the big ship. We then boarded the bus and headed for Galveston. It was soon found that a few were trying to take a quick nap, but with a few hearty shakes, all were enjoying the ride. After crossing the bridge that spans the gap between the mainland and the island, we finally arrived at the Jack Tarr Hotel which was located on the southeast corner right across the highway from the beach.

We had barely stepped down from the bus, when all thoughts of dinner were abandoned and everyone changed and headed for the beach. Several rented surf mats, but everybody got a running start at the water. After an enjoyable evening, we had a late dinner and early supper at a restaurant projecting out over the beach. Our first delight in a fish supper was soon realized. Immediately we turned our attention to the famous Pleasure Pier, situated further down the beach.

So it went for three delightful days at Galveston, but too soon it was time to leave. We then packed our many souvenirs and newly acquired Bermuda shorts and started for Austin.

We arrived at the Terrace Motor Hotel in Austin at 2:00 p.m. Wednesday. After a hurried dip in the pool, we headed for town. There we visited the University of Texas, the university tower, and last but not least, the Texas State

Hi-Plains Hi-Lights

NEWS from the High Plains Research Foundation

Dr. T. C. Longnecker, director of the High Plains Research Foundation announced that the Foundation is increasing its cotton research 34% over previous years. Dr. Longnecker stated that the Foundation has 20 more acres of plot research with cotton this year than in 1959. This accelerated program in cotton research is a result of a cooperative research agreement that has been worked out between the High Plains Research Foundation and the Texas Agriculture Experiment Substation No. 8 at Lubbock and College Station.

This cooperative arrangement in research will enable the Foundation to better serve the High Plains area. Personnel from the Agricultural Research Service of the U. S. Department of Agriculture, the Texas Agricultural Experiment Station, and the Foundation are cooperating as research teams in conducting the joint research projects.

On commenting about the scope of the increased program of cotton research, Dr. Longnecker stated that the following cooperative projects are being conducted at the Foundation this year:

- (1) Regional cotton variety test;
- (2) date of planting experiment with cotton;
- (3) a climatology study involving different varieties moisture levels, dates of planting, fertilizer levels, and varieties;
- (4) an in the furrow fungicide experiment;
- (5) a cotton harvesting study involving different varieties and various methods of harvesting;
- (6) planting equipment test using different types of planting equipment; and
- (7) a cotton irrigation experiment consisting of a detailed evaluation of different varieties fertilizer treatments, and irrigation methods on the yield and quality of cotton.

Dr. Longnecker emphasized that the cooperative research program is just one phase of the Foundation's over-all research program. Once again we ate a delayed dinner which consisted of a \$2.35 sizzling sirloin steak.

That night, our entertainment was made up of miniature golf, bowling and for some, a movie. Then everyone retired for a few hours' sleep. Early the next morning we were packed and after a breakfast at the Picadilly, we were on our way. We stopped in Abilene for dinner and brief shopping and drove the final miles home.

Much to our surprise, Quitaque was the same as we had left it and no one seemed to mind our absence. Aside from a drastically reduced store of energy, everyone seemed to really enjoy the trip. Many of the ex-students will be leaving for summer school and work in various places.

OSCAR WEAKS, president of the Irrigation Baseball League, is shown holding the championship trophy that will be presented to the Irrigation League Champion at the conclusion of the league schedule the last of August. Teams vying for the trophy are Tulia, Silvertown, Nazareth, Springlake, Amherst, and Umbarger. The trophy has been on display at Heard & Jones Drug in Tulia. (Tulia Herald Photo and Engraving.)

with cotton. In this regard, the Foundation is conducting additional cotton research involving different varieties, fertilizer treatments, irrigation methods, and cultural practices.

Mr. and Mrs. George Terry and Marcia came Friday for a visit with her parents, Mr. and Mrs. A. P. Dickenson. Mr. and Mrs. Gene Dickenson, Bill and Mark came on Sunday and returned to their home in Dallas on Monday. Mr. and Mrs. Klee Dickenson, James and Jack, from Blue Springs, Missouri, are expected in the Dickenson home today.

Mr. and Mrs. Nute Duncan and Mrs. Lula Vaughan of Tulia and Messrs. Ed Vaughan and Eural Vughan were Sunday dinner guests of Mr. and Mrs. E. J. Duncan recently.

Mr. and Mrs. Clarence Williams and Kay, of Dimmitt, were weekend guests of his brother and fam-

ily, Mr. and Mrs. Floyd Williams, Martina and Annette.

Theresa and Irene Vardell of Slaton, spent a week recently with Mr. and Mrs. R. E. Sweek and Jerry and Rhonda.

Former residents, Mr. and Mrs. A. M. Kendrick of Wellington and their son and family, Mr. and Mrs. Coy Kendrick and baby of Amarillo, visited Mr. and Mrs. J. J. Vardell, parents of Mrs. A. M. Kendrick, on Monday.

Mr. and Mrs. Morris G. Moreland and Flynt, of Amarillo, were weekend guests of Mr. and Mrs. M. G. Moreland recently.

Mr. and Mrs. Obe Thurman, of Houston visited Mr. and Mrs. P. D. Thurman and Mr. and Mrs. J. E. Wheelock recently. The Thurmans took a trip to Burson Lakes Sunday afternoon and also called on Mr. and Mrs. C. M. Chappell.

Mr. and Mrs. Eugene Long returned home Friday after a week's visit with Mrs. T. W. Ziegler at Jacksboro. Mrs. Long says they caught one nice fish while there.

Mr. and Mrs. Chester Strickland and Kay of Denton, visited relatives here from Sunday until Tuesday. They were guests of her parents, Mr. and Mrs. Will Smithee. Other Sunday guests in the Smithee home were Mr. and Mrs. R. C. Green, Keith and Cozette, Turkey; Mr. and Mrs. Gordon Montague and Jene of Plainview; and Mr. and Mrs. Willie Amel Smithee and children of Memphis.

Guests of Mr. and Mrs. Hugh Nance, Wayne, Nancy and Juanah recently were her brothers and their families, Mr. and Mrs. Alton Strickland and children of Lubbock; Mr. and Mrs. Chester Strickland and Kay of Denton; and J. D. Strickland and children of Lubbock.

Mrs. Alva Trout, who teaches in the local school, returned to Brinkman, Oklahoma, with her husband recently.

Mr. and Mrs. D. T. Northcutt enjoyed a nice week end with friends and relatives. They visited Mr. and Mrs. A. R. Northcutt at Senca, New Mexico; Mr. and Mrs. Buck Britt at Clayton; and Mr. and Mrs. Dick Lowrey at Middlewater. The Northcutts and the Britts made a trip to Hawaii together in 1959.

Mrs. Lula Bellinger and Mrs. Pat Northcutt and daughters, left for Lake Charles, Louisiana on

Monday, where they will spend several days with Capt. and Mrs. Elsworth Bellinger and family, who are there visiting relatives. They have recently returned from a three-year stay in Greenland. Capt. Bellinger is a brother of Mrs. Northcutt and the son of Mrs. Bellinger. He expects to be stationed at Indianapolis, Indiana.

Gordon Alexander was a patient in Northwest Texas Hospital at Amarillo from Wednesday through Friday of last week. After examinations and tests it was decided that he would take treatment rather than undergo surgery as he had planned earlier. He is going to Tulia each day for shots and expected to go to Amarillo on Tuesday.

Donnell Alexander of Wichita Falls, spent the week end here with his parents, Mr. and Mrs. Gordon Alexander, other relatives and friends.

Mr. and Mrs. J. I. Merrill of Hale Center were here on Wednesday of last week. They formerly lived at Quitaque and were being birth certificates for their children who were born in Briscoe County.

Why Look Beyond America's 1st Choice Car for the things you want

This is the Kingswood 4-Door 9-Passenger Station Wagon

CHEVROLET
For Economical Transportation

With wagons like this one in the lineup, it's no wonder Chevrolet is the most popular car in the whole U. S. All five Chevy wagons, 6- and 9-passenger models, are widest where wagons should be wide—with comfortable seating space that becomes up to 90-cu. ft. of cargo area by a simple adjustment. All five feature all the things that are making Chevrolet first choice, too: FULL COIL SUSPENSION cushioning all four wheels... an ECONOMY TURBO-FIRE V8 that gets up to 10% more miles to the gallon on regular gas... or that well-known saver, the HI-THRIFT 6... the shift-free smoothness of TURBOGLIDE... a wider front seat and more entrance height in Chevy's ROOMIER BODY BY FISHER than you'll find in any other car of the leading low-priced 3. Now's the best time to stop by and let your dealer list all the reasons why YOU CAN'T BUY ANY CAR FOR LESS UNLESS IT'S A LOT LESS CAR! *Optional at extra cost.

News From

Quitaque

"the Queen of the Valley"

reported by Mrs. Charles Gowin

Mrs. Bob Morris, Sherry and Earl Morrison had supper Wednesday evening with Mr. and Mrs. Will Lyon.

Mrs. A. F. Van Meter, Sr. and Mr. and Mrs. Otis Wilson visited last week with Mr. and Mrs. Johnnie Van Meter at El Paso and Mr. and Mrs. Clem Woods at Cloude Croft, New Mexico.

Mrs. Geneva Curtis and Pam, and Mrs. Otis Wilson left Saturday morning for California to visit her children. She received word that her daughter, Mrs. J. R. Butler, is ill.

Mrs. Geneva Curtis and Pam left Saturday for California to spend a few weeks.

Mrs. Ike Reed visited Wednesday with Mrs. Charles Gowin and her grandsons, James and Douglas.

Mr. and Mrs. Jimmie Owens of Tulia visited his grandmother, Mrs. E. P. Rumph Sunday afternoon.

Mr. and Mrs. W. C. Roberson of Wellington spent the week end with his daughter, Minnie Mae, and son, Mr. and Mrs. Marion Roberson.

Mrs. Floyd Bodkin of Madill, Oklahoma, is spending a few days in the home of her sister, Mr. and Mrs. Clarence Barrett. Others visiting in the home Sunday were their father, Mr. J. G. Gowin, Mr. Archie Tarter, David and Joe, Mr. and Mrs. Charles Gowin, James and Douglas.

Mr. and Mrs. J. T. Persons drove to Childress Sunday evening to meet their daughter, Mrs. George Kaither, Jenny, Susan and Peggy, of Fort Worth.

Barry Harvey of Amarillo, the grandson of Mr. and Mrs. Wes Harvey is visiting for several days.

Mr. and Mrs. Buddy Morris went to Hereford Sunday to visit their son, Mr. and Mrs. Corky Morris. Their granddaughter, Cecilia Ann, returned home with them to spend a week and to attend Vacation Bible School.

Mr. and Mrs. J. T. Witcher of Roswell, their daughter, Mrs. Olien Bolham of Buena Vista, Colorado, spent the week end visiting his mother, Mrs. Tafitha Witcher, and sisters, Mrs. Ray Persons and Mrs. Buddie Morris.

Mr. and Mrs. Mort Hawkins spent Sunday in Amarillo visiting Mr. and Mrs. Glen Yarborough and boys.

Bill Edgar of Wichita Falls spent the week end with his parents, Mr. and Mrs. I. J. Edgar.

Mr. and Mrs. H. W. Cross of Paducah spent Thursday night with Mr. and Mrs. Norville Hamilton.

Mr. and Mrs. Keltz Garrison of Plainview spent Sunday afternoon with her mother, Mrs. Clara Hamilton.

Mrs. Bill Woods, Billie Jean and Earl Lee left Monday morning for Denton, where Billie Jean will enroll in T.W.U. for the summer.

Mr. and Mrs. Cecil Seaney of Masterson visited her parents, Mr. and Mrs. A. C. Barrett, on Tuesday. They came to return Susie and Jimmy home.

Mrs. Clovis Hill and girls of Amarillo visited her parents, the A. C. Barretts, only to find that Mrs. Barrett had gone to Plainview on business.

Mr. and Mrs. Duncan Chandler and twins of Turkey and Mr. and Mrs. Rudie Powers of Lubbock spent Sunday with their parents, Mr. and Mrs. Gene Chandler.

Mr. and Mrs. Bud McKay and family of Amarillo, spent the week end with her mother, Mrs. Joe Woodruff.

Mr. and Mrs. Travis Morrison and family spent Sunday with her parents, Mr. and Mrs. E. G. Johnson of Estelline.

Mrs. W. E. Morrison, who had been visiting her children at Plainview, returned home last Tuesday.

Miss Clemma Jacobs, formerly of Plainview, has moved into the Morrison Apartment.

Mrs. W. E. Morrison spent Sunday in the home of Mr. and Mrs. Murry Morrison and family.

Mrs. Anna Smith of Rogers, Arkansas, a sister-in-law of Mr. W. A. Smith, came by Sunday and visited awhile. She was enroute to Friona to attend a reunion.

Mrs. Johnnie Cagle and Rhonda visited her sister, Mrs. Glenn Williams on Sunday.

Mrs. Edna Slankewietz of Wellcotha, Oklahoma, a daughter of A. B. Ramsey, Sr., and Mrs. Barbara Willis and children of Abilene, a granddaughter of Mr. Ramsey, visited several days last week with Mr. and Mrs. A. B. Ramsey, Sr.

Mrs. John Whitten and Mrs. Miles Anderson of Tulia, and Mrs. Roy Mayfield were in Carnegie, Oklahoma recently to attend the funeral of Mrs. George Hancock, 71. Mmes. Whitten and Mayfield are sisters to Mrs. Hancock and Mrs. Anderson is their niece.

Mr. and Mrs. Joe Wayne Brooks, Mark and Kelly moved here last week for the summer. Mr. Brooks will be athletic coach at Hereford High School and they have been living in Hereford while he had his team in spring training for the fall games.

Roy Mayfield has recently spent ten days transacting business in Pineville, Missouri, where he has farming interests.

Rotary Lawn Mower Can Be Lethal Weapon

Did you know that a rotary lawn power mower blade travels at speeds up to 150 miles per hour and is capable of throwing sticks, bone or other object at comparable speeds? Imagine what would happen if you were hit by one of these fast-flying objects.

Power lawn mowers are now in the majority both in towns and among farm people. Along with their increased use has been a closely related increase in accidents involving both operator and bystanders.

Most of the accidents have been due to carelessness or lack of knowledge on the part of the individual.

The Briscoe County Agent offers these suggestions on how to operate your rotary power lawn mower safely and efficiently.

Always disconnect spark plug wire before working on the blade.

A clean sharp blade does a better cutting job and requires less power.

Never operate mower with safety shields removed.

Make sure all rocks and debris are removed from the area before close mowing.

Do not refill the gasoline tank when the engine is hot or running.

Run mower as slow as possible to do good work.

Keep children and pets away from mowers.

Always be certain of sure footing when mowing on steep slopes.

Never leave engine running when mower is unattended.

Make sure mower is steady and under control before starting engine.

Always be aware of the hazards involved when you are using a power mower. Don't get caught napping.

Never operate mower with safety shields removed.

Make sure all rocks and debris are removed from the area before close mowing.

Do not refill the gasoline tank when the engine is hot or running.

Run mower as slow as possible to do good work.

Keep children and pets away from mowers.

Always be certain of sure footing when mowing on steep slopes.

Never leave engine running when mower is unattended.

Make sure mower is steady and under control before starting engine.

Always be aware of the hazards involved when you are using a power mower. Don't get caught napping.

SOIL CONSERVATION DISTRICT NEWS

OUR SOIL ★ OUR STRENGTH

Recent rains have given a big boost to crop prospects and range grasses in this area. We have noticed several fields of sudan and sorghum alnum where the plants are large enough to graze. This reminds us that the use of supplemental pastures is a fine conservation practice. Native ranges and pastures can be rested while livestock are grazing supplemental pastures.

E. A. Birdwell, Tom Barbee, Bert Hawkins, and Theo Geisler have started using supplemental pastures in their grazing program. Practically all of the Hawkins and Geisler's croplands are planted to sudan or sorghum alnum each year. The carrying capacity of sudan for instance is very high during the summer where moisture is available. One animal unit can be grazed on from two to three acres. Birdwell, Barbee, Hawkins and Geisler use the sudan and sorghum alnum not only to get flush gains during the summer but to allow their native grasses to make vigorous growth and a seed crop. The above kind of program cannot help but bring about steady improvement in range conditions. It will also mean more money because of the increased weights of the calves.

Of course, another advantage of using grazing crops of sudan and sorghum alnum is that manure is scattered over the land and a high residue crop is on the land each year. The soil will remain in a high state of fertility and condition.

Mr. and Mrs. A. A. James spent the holiday week end in Floydada with her daughter and family, Mr. and Mrs. Eddie King and Rex.

Mrs. Lela Wilkinson and Margaret, of Matador, visited Mr. and Mrs. C. O. Allard Saturday and Monday as they were enroute to and from Pampa.

Mmes. Addie McLeroy and Kitty Lawler of Canyon visited here recently. Mrs. McLeroy visited her sister, Mrs. Florence Fogerson, and Mrs. Lawler was a guest of her sister, Mr. T. C. Bomar.

Mr. and Mrs. William Dickerson of Canyon, and Mr. and Mrs. Kemp Thompson of Tulia, visited graves of relatives here recently. They called in the home of Mr. and Mrs. J. C. Hill.

Paradise is not a locality - it's a state of mind.

Trent Brown, son of Mr. and Mrs. Don Brown, broke both bones in his left arm Monday afternoon. The arm was placed in a cast in a Lockney Hospital and he was taken back Tuesday for a checkup.

Mr. and Mrs. Doodle Zachry and son of Quanah, came Friday of last week for a visit with her parents, Mr. and Mrs. K. M. Fleming.

Mrs. George Seaney, Mrs. Hugh Nance and Mr. and Mrs. Farris Martin attended the funeral of Mrs. Effie Raines, sister of Mrs. Bill Edwards, in Clovis recently.

Cleburne.

Mr. and Mrs. Alton Johnson returned Sunday from Austin, after having spent the weekend there in order to attend the University of Texas Graduation exercises. Their son, John Lynn, was commissioned Saturday morning as a 2nd Lt. in the U. S. Army. Later in the day he graduated with a B. A. degree in government. John Lynn plans to enter Law School at the University after completion of a six-month tour of active duty in the Quartermaster Corps.

Mr. and Mrs. D. T. Northcutt, Mr. and Mrs. Perry Whittemore, Mr. and Mrs. William Strange, Mr. and Mrs. Pat Northcutt and Sam Dunn attended the 55th Annual Bankers' Convention held in Amarillo last week.

Mrs. Kenneth Tate, Gaila and Terry and Mrs. Doyce Smalley, of Floydada, visited Mr. and Mrs. Earl Smalley and other relatives in Garland from Tuesday of last week through Monday.

Friends learned Monday that Miss Emma Force, who with her brother, P. B. Force, has recently moved to Cleburne, would undergo surgery there on Tuesday. Mail to her can be addressed c/o Cleburne Hospital or to P. B. Force, Route 2.

SAYS MR. FRANK BARTLETT, 1010 2nd Street ABERNATHY TEXAS

"Our family has time for games after dinner while our dishes are washed electrically," say Mr and Mrs. Frank Bartlett.

Both Mr. and Mrs. Bartlett are school teachers, and before the children arrived, Mr. Bartlett helped by taking care of the dishes. When Mrs. Bartlett returned to her teaching duties, Mr. Bartlett decided to let Reddy do the dishes.

The Bartletts bought a portable because they like the convenience of loading dishes at the table. When they built their new home, they kept the portable, designing space to accommodate it.

WATCH AND WIN!

You can WATCH AND WIN at your Reddy Kilowatt dealer store. Just ask for a demonstration of an electric range, electric clothes dryer, electric dishwasher or electric home freezer (or, all four) then register for each demonstration you receive. There are three appliances yet to be given away.

Mr. and Mrs. Norman Kendrick and family of Amarillo, were Sunday visitors with his grandparents, Mr. and Mrs. J. J. Vardell.

Mr. and Mrs. J. P. Cogdill of Erick, Oklahoma, spent the week end here with their daughter and family, Mr. and Mrs. W. Arnold Brown and family. They came to attend the graduation of their grandson, James R. oy Brown.

Mr. and Mrs. Joe Huff of Stratford, were overnight guests of their daughter and family, Mr. and Mrs. Carman Rhode recently. Other guests in the Rhode home included Mr. and Mrs. Raymond Farrol, of Amarillo, and Rev. and Mrs. Howard Scott and Beth of Hereford. All came for the graduation exercises, for which Rev. Scott was the principal speaker.

Mr. and Mrs. Frank McClure of South Plains attended the graduation exercises of the local high school. They are friends of Larry Wallace, a member of the graduating class.

Mr. and Mrs. Clarence Guffee and children of Floydada and Mrs. Alfred Spalding and Sarah of Hedley, attended the graduation exercises of the local high school. They are relatives of Bobby Stafford, who was graduated with the class of sixty.

Mr. and Mrs. Jack Stafford and Freddie visited her parents, Mr. and Mrs. D. B. Leach, at Hedley on Memorial Day.

Kathy and Ronnie Hughes are spending part of their summer vacation with relatives. Kathy is visiting her grandmother, Mrs. H. Moreman, at Hedley. Ronnie is staying with his uncle and aunt, W. M. and Irene Hughes at Lakeview.

Mr. and Mrs. H. Roy Brown were among those from Silverton who attended the Old Settler's Reunion in Floydada on Saturday. In the evening a Brown family reunion and

picnic supper was held at the country club. Relatives were there from Houston, Dallas, Clovis, and several nearby points.

Mr. and Mrs. Verlin Towe, Greg and Jay, spent Memorial Day in Kress with her sister and family, Mr. and Mrs. M. H. Jarnagin.

Mrs. Snooks Baird and Mrs. Carl Tidwell were in Terrell over the week end where they attended the funeral of James Beavers, 71. Mr. Beavers, the brother-in-law of Mrs. Baird, died of a heart attack Saturday.

Messrs. and Mmes. John Earl Simpson, Norman Strange, Dee McWilliams and Bud House and family spent the week end recently in Raton. Mr. and Mrs. G. W. Lee and Mr. and Mrs. W. E. Schott flew there on Sunday.

Mrs. R. C. Hutsell underwent major surgery in the Plainview Clinic and Foundation on Friday of last week. Mr. Hutsell said she seemed pretty sick Monday afternoon, but the doctors said she was doing fine. They did not know

when she would be able to come home.

Mr. and Mrs. Deene Donnell and children of Canyon were dinner and supper guests of his mother, Mrs. Cora Donnell on Friday of last week. They visited Mr. and Mrs. Virgil Crow, Gary and Phyllis during the afternoon

Mr. and Mrs. Cleo Adams and LaDonna and her parents, Rev. and Mrs. H. G. Barrett of Quitaque, left last week for a visit with relatives in California. Rev. and Mrs. Barrett expect to locate in Roswell after their visit. Mr. and Mrs. Adams planned to spend some time in Washington before returning here.

Mr. and Mrs. George Long, Nicky and Nancy, spent the week end in Albuquerque, guests of Mr. and Mrs. Fred Logan, Susie and Randy, former Silverton residents.

Mr. and Mrs. Verlin Towe, Greg and Jay were week end guests of Mr. Towe's sister and family, Mr. and Mrs. D. A. Covington and sons, in Albuquerque. Dan Covington returned home with the Towses for a visit.

Mr. and Mrs. Bill Ellis of Hereford and Mrs. P. L. Brown attended the funeral of Mrs. Mae Hix in Wellington Monday afternoon.
