VOLUME 52 NUMBER 36

All Around the Town

by Mary Ann Sarchet

School days are officially here. Silvertown High School enrolled 127 students last Monday. The elementary (377) and colored (34) enrollment was 411, bringing total school enrollment to 538. This is quite a few more students than were enrolled last year, and we have more teachers than last year. School officials see the need for at least two teachers in every grade and it is certain that at least one will be hired for each grade next year.

We note that the Quitaque schools enrolled 252 when their school opened last week.

We have had our ears open to the "ah's" and "ah's" from the students who are having a hard time readjusting to the routine of school. After hearing some of the first-day assignments in high school, we are confident that our students are in capable hands and we feel that this will be a good school year.

On one matter we must agree with the scholars — "Just where did the summer go?"
Been reading a number of articles with information for college-bound students. So many think that planning for college is a thing to be done as a senior in high school or even after graduation. Actually, it is very important that some of the planning be done year by year as the student progresses through school.

The eighth grade is an important year for a student who aspires to college education. In that year and his parents should embark on a program to assure the student is capable, qualified and prepared financially for four or more years of college.

Here is a timetable which the American School Counselor Association recommends parents follow through the student's junior and senior high school years.
Determine whether the student is scholastic aptitude test scores, applied by the school, and his grades as evaluated by his teachers. Help the student in preparing his freshman year of high school so that science, mathematics and language are included.

Provide a home environment that encourages the student to read good books and adopt good study habits.

Ninth Grade
The student and parents should begin to read college catalogues and learn about the different types of schools.

The student's high school program should be mapped out with the assistance of a high school faculty member. Encourage more reading in the student's leisure time.

Tenth Grade
Continue to read college catalogues and study the sections on entrance requirements. Help the student select some extra-curricular activity and encourage him to develop an interest in it. Suggest that the student seek further guidance from his school.

Eleventh Grade
Visit college campuses, attend college information conferences, talk with admissions counselors, consider the faculty, courses offered, size of classes, size and location of college, tuition and fees. Have the student take aptitude and vocational interest tests recommended by the counselor and the Preliminary Scholastic Aptitude Test.

Twelfth Grade
Apply to those colleges in which the student has interest, and to which he is eligible for admission.

Last week Charles came home with something cute. It's a "Hatch Cactus" from Ledbetter-Rhode Farm and Ranch Center. We planted the tiny cactus seeds a week or two Tuesday, and already they are

Ralph R. Thomas

District Governor Thomas Addresses Local Lions Club

The Silvertown Lions Club welcomed as their guest at their noon meeting on September 1, Ralph R. Thomas, District Governor, District 2-TI, Lions International, which includes 63 clubs and comprises the entire 18th Congressional District. Lion Thomas has been county agricultural agent of Gray County since May 1, 1930, with the exception of 6 years on military leave during World War II and the Korean Conflict until retirement on August 1. He is a key member of the Pampa Lions Club and holds a 29-year perfect attendance record. He is past president of the Pampa Lions Club and has held the office of Zone Chairman and Deputy District Governor. During the Korean Conflict he was awarded a Bronze Star for "Meritorious service in connection with military operations against an enemy" in Korea. He retired last year as Air Reserve Lt. Col. USAF.

District Governor Thomas visited the Silvertown Lions to advise and assist the officers and directors of the club on matters pertaining to the Lions administration and program of humanitarian service.

Witnesses To View Film

The Quitaque congregation of Jehovah's Witnesses are sponsoring a Bible Educational Film entitled, "The Divine Will International Assembly of Jehovah's Witnesses". The film will be shown Thursday Sept. 8 at 7:30 p.m. in the Queen Theatre, Quitaque, Texas.

The film is free and all persons of good will are welcome.

Weldon Irion and his mother, Mrs. Grace Irion, spent the holiday weekend with Mrs. Clyde Lightsey and Spencer Long.

Messrs. and Mmes. Beryl Long and Bill Long and families attended the rodeo at Boys Ranch last Sunday.

growing in their plastic "egg" greenhouse. The seeds, soil and complete instructions come with the kit. We'll just have to wait and see, but if I, minus the green thumb I have never possessed, can grow these cactus plants it will indeed be miraculous. But, it's fun trying.

Have you noticed how cool and inviting the courthouse lawn looks, especially on the days that they are watering. The sprinklers send the water high in the air and it looks so pretty. Mr. Strange has the lawn so green and looking so well-kept. With all the rain the weeds have really thrived, and we know that it has taken many hours of hard work to establish this little spot of beauty in our town.

Farm Labor Committee Holds Meeting

Three Briscoe County citizens, G. W. Lee, Rev. Fidel Guzman, and Charles Sarchet will serve as a County Farm Labor Committee and met with Mr. William Day, Manager of the Plainview Texas Employment Commission office, to review the total seasonal employment needs developed by the TEC.

The Committee was presented with the figures of the TEC that Briscoe County will be short 180 cotton pullers during the peak period of the cotton harvest. This shortage will be met by the importation of Mexican National Bracero workers.

The committee will function under Public Law 78, obtaining facts relevant to the supply of domestic farm workers existing in Briscoe County and the shortage of workers, if any, which must be met by importing Mexican Nationals to harvest the cotton crop. Under Public Law 78, the TEC must supply this information to the Secretary of Labor who must limit the number of Mexican Nationals to be used in this county by granting a "ceiling". The Committee consults with the Local Office Manager to assist him in estimating the number of workers who will be needed, based on current local conditions affecting the cotton crop.

"Ceilings" granted by the Secretary of Labor limiting the importation of Mexican Nationals into this area will be posted in the Post Offices in Silvertown, in the County Agent's Office, and in the County Courthouse.

ENJOY VISIT WITH CHILDREN

Mr. and Mrs. D. G. Shelton, Calvin, Martha and Virginia, had as visitors in their home Sunday, August 28, their sons and families, Mr. and Mrs. Haskell Shelton, Kent and Keith, Mr. and Mrs. Ed Shelton and Mr. Joe M. Shelton, all of Tulia; Mr. and Mrs. Paul Shelton, Randy, Gary and Jimmy, of Amarillo; and nieces and nephews, Alma Jewel Leuty of Plainview; Mr. and Mrs. Royce Shelton of Kerrville; and John David, Gwen and Doug Turner of Silvertown.

Those calling in the evening were their daughter and her husband, Mr. and Mrs. A. L. Johnson of Tulia; Mr. and Mrs. John Turner of Silvertown; and Tom Scarborough of Amarillo.

Matador Takes Owls In Season Opener

Silvertown's Owls fell to the strength of the Matador eleven in last Friday night's season opener by a score of 32-0. Showing a definite spark of possibility, the Owls under the guiding hands of sophomore quarterback, Johnny Jowell, were up against more than they could handle in the experience department. Fumbles in the backfield added to the advantage assumed by the visiting Matadors as the Owls fought gamely throughout the game.

Silvertown received the opening kick at the north end of the field,

taken by Larry West, to the twenty-seven yard line. Jowell handed off to West, who fumbled, setting the Matadors in scoring position. Minutes later the Matadors scampered across the double stripe for six points, repeating the feat for the two extra points.

Matador's kick to Silvertown was taken by Jowell on a very good return to the thirty-eight yard line. Julio Soto carried for three and Jowell picked up two more. Unable to gain enough for a first down Silvertown was forced to punt to the waiting Matadors, who obliged

with a fumble on the twenty-five yard line.

The Owls recovered and executed a fake handoff from West to Soto which fooled the crowd, but not the Matadors. Silvertown fumbled, and again Matador recovered deep in Silvertown territory.

This time the Owls smeared every effort made by the Matadors, with Joe Anderson making key stops. After an incomplete pass, Matador was forced to kick back to Silvertown.

Jowell made a nice carry and picked up several yards, but on

the next play the Owl fumble was recovered by Matador. The Matadors greedily picked up yardage on a long run to about the Silvertown ten yard line, stopped by Soto and Estes. Seconds later, the Matadors scampered over for the second tally of the game, made good the run for extra points, and left the score at 16-0.

Again Jowell took the punt for a good return. He and West carried once each and on the next play the Owls received a penalty. A pass fell short and Silvertown

See Matadors Take Owls Page Two

Mrs. Bud House and Mrs. Jake Lacy pause for a chat as they make the final arrangements for the Grand Opening of Vivian's in Silvertown.

VIVIAN'S TO HOLD GRAND OPENING FRIDAY AND SATURDAY

VIVIAN'S of Silvertown will hold its grand opening on Friday and Saturday, September 9 and 10. Mrs. Jake Lacy, who has owned and operated Vivian's Shop in Turkey for the past two and a half years, is now opening a shop in Silvertown. Stocked with all new fall merchandise, Vivian's is located just north of the park in the building which was formerly the home of Mr. and Mrs. Jim Mercer. The house has been completely redone inside, and if you haven't already visited there you will be pleasantly surprised at this attractive addition to Silvertown.

Vivian Lacy purchased Norma's Dresses, Flowers and Gifts and Douglas Flowers and Gifts in Turkey over two years ago and com-

combined them into one shop. She has a very nice shop there, and is working to make her shop in Silvertown just as complete, with the exception of the flowers which she does not plan to handle here.

Her husband, Jake Lacy, is well known here, having been associated with Simpson Chevrolet in Silvertown for eight years. He commutes daily from Turkey. Jake is an old-timer in Turkey, having been born there, and Vivian has made Turkey her home since their marriage. They have three sons, Conroy, a senior in Turkey High School, and twins, Donald and Ronald, who are juniors at West Texas State College in Canyon.

Vivian's in Silvertown will be operated by Mrs. Buddy House assist-

Five Hundred Attend Quitaque's H-Coming

Homecoming was held in Quitaque on September 3. Some five hundred persons attended, and it was estimated that about three hundred of them came from out-of-town. Mrs. Cleota (Rogers) Burns, of Norwalk, California, traveled the farthest to attend the

VICTIM OF FREAK ACCIDENT

Scott Bolton was the victim of a freak accident last Saturday. He can't recall exactly what happened, but he was riding a horse when the accident occurred. He supposes the horse threw him, and when he regained consciousness he walked to the Roy Hunter home. No one was home, so he lay down and rested until they returned home.

He was taken to the doctor, and it was found that he has three broken ribs. Other than that, he seems to be recovering nicely.

PAINTINGS BY LOCAL ARTISTS TO HANG IN EXHIBIT

Paintings by Mrs. Louise Vaughan and Mrs. Daisy Burson will hang with the work of other Golden Spread students of Louis Neugebauer in an exhibit at the Hall of Fine Arts in the Panhandle-Plains Historical Museum at Canyon.

The oil paintings represent artists from Amarillo, Canyon, Happy, Tulia, Plainview, Hereford and Silvertown. The exhibit will remain on display at the museum, open to the public at no charge, until September 30.

ed by Mrs. Beth Joiner. Among the lines that will be carried are the famous names of Ike and Betty Clark, Herman Marcus, Gay Gibson, Marissa, Joni Lyn of California, White Stag and Catalina sportswear, Mojud and Hanes hose, Form Fit and Maja Bras, Silf Skin and Form Fit Girdles, Felix Hats, Prince Matchabelli perfumes and toiletries, Black Watch toiletries for men, and Lena Trower cosmetics.

Door prizes will be given to four lucky persons who register at Vivian's on Friday and Saturday. All are invited to go by to see the new shop.

James Allen Bradley Laid To Rest

Funeral services for James Allen Bradley, 65, a resident of Hale Center for the past five years, were conducted at 2:30 p.m. September 2, 1960, in the Silvertown First Baptist Church with the Rev. G. A. Elrod, pastor, officiating.

Mr. Bradley was born March 14, 1895, at Collin County, Texas. He departed this life August 31, 1960, in the Methodist Hospital in Lubbock, following a two-year illness.

Mr. Bradley had made a profession of faith in early manhood. He moved to Silvertown and Briscoe County in 1949, where he was engaged as cemetery sexton of the local cemetery. He moved to Floydada in 1951 and to Hale Center in 1955, where he had made his home since that time.

Survivors include his wife, Chloe Bradley, of the home; three daughters, Mrs. Ethel Bradley of Pittsburg, California, Mrs. Lula Shackelford of Hale Center, and Mrs. Janie Smith of Floydada; three sons, Buck, Walter and Bobby, all of Hale Center; one brother, Joe Bradley of Texola, Oklahoma; two sisters, Mrs. Pearl Hayes of Quail, and Mrs. Josie Stover of Mineral Wells; sixteen grandchildren and two great-grandchildren.

Pallbearers were Billy J. Toler, George Seaney, Johnny Miller, Bob McDaniel, E. C. Carter and Ed Carter. Interment was in Silvertown Cemetery with arrangements under the direction of Roberts Funeral Home of Silvertown.

DeKALB SORGHUM SHOW TO BE FEATURE AT TRI-STATE FAIR

The "World's Greatest Sorghum Show" sponsored by DeKalb Agricultural Association will again be one of the big attractions at the Tri-State Fair in Amarillo September 19-25.

Last year, DeKalb had 6,000 heads of sorghum on display at Amarillo in their first national show venture, but this year they hope to reach a figure of 7,500 heads. Ten sorghum states will be represented in the show.

The competition is on a ten head basis, with special classes for heavy heads, open heads, special baskets, etc. Last year's top winners were both from Texas, but the show offers blue ribbons and cash

awards for all states and all DeKalb varieties. Judging takes place on September 18th. Judges will be Cecil Ayers of Texas Tech and Dave Sander of Oklahoma State, two of the best known crop judges in this country.

In conjunction with the DeKalb National Sorghum Show, KGNC Radio is again sponsoring a competition in the design of decorative arrangements using sorghum grains as the central theme.

All farmers growing DeKalb Sorghum are eligible to enter this show. Entries from the Silvertown area are needed. Check with your DeKalb Dealer for information and rules of the Sorghum show.

Alva Jasper of Silvertown showed the ten heaviest heads at the DeKalb National Sorghum Show in 1959. His variety was F-43 and the heads averaged 12 ounces each. Jasper is shown above with Bill Burrow of Tulia, DeKalb District Manager.

SPIRIT! WHAT SPIRIT!

by Jerry Williamson
Last Friday night, during the first game of this football season, our team seemed to have the required spirit and pep. But not so with the dear and glorious Silvertown spectators.

A game isn't won by cheers, that's true. But cheers are essential vitamins that must be fed to the players by their relatives, friends, and classmates on the bleachers. After you have the brawn, the driving fury, and the pouring sweat all assembled, you need one more little thing added to spark all the rest into action — a catalyst to start the necessary reactions working toward final victory. This catalyst, this vitamin, this all-important ingredient is cheers, cheers, and more cheers.

But don't mistake true cheers for

the familiar yells of "Get that kid off the field!" and the like. This isn't cheering the team. This is rubbing its face in the dirt and openly voicing your unwanted opinions to the other spectators, to the coaches, and worst of all, to the players themselves. If you must yell, don't make it a criticism or a complaint you utter — make it a "COME ON BIG RED!" type yell.

At the next game I hope everyone isn't as morbid as an undertaker as they were last Friday night. I hope they can get a little more spirit into their feeble bones and really get behind their team all the way instead of standing in front of them — holding them back — saying, "Hold on there! You're not doing this right! Now if I were coaching . . ."

MATADORS TAKE OWLS —

Continued from Page One

forced to punt.

Matador took the ball and on the first play from scrimmage made fifteen yards. The next play was a repeater, and the ball rested on about Silvertown's twenty-five. Estes, Anderson, Mercer, Soto, West and Breedlove, playing very well on defense, held the Matadors to almost no gain for three downs and on the fourth down a first and ten was gained by inches. Four downs went by with the Owls remaining firm and the ball went over to Silvertown, whose back was against the goal line. Very shortly they were forced to punt out of this crucial position.

At halftime, the spectators were entertained by the Matador all girl drum and bugle corps, the Torreadors. They put on a very good show, which was enjoyed in perfect ballgame weather by a large number of fans.

Returning for the second half of play, Silvertown kicked to Matador, who returned to about the thirty yard line. Soto and West were in on nice stops, but the Matadors continued to drive. Freddie Minyard and Mercer made good stops for the Owls, but the Matador eleven refused to be halted until the next down when they were assessed an offensive holding penalty of fifteen yards. The Matadors made ten yards on the next play, stopped by Estes, Mercer and West.

4010

possessed sixteen first downs, attempted ten passes, completed three, had one intercepted and had six fall short. The Owls attempted one pass, which was short.

Unofficially, it looks like each team was penalized thirty-five yards for being offside, for clipping and for holding.

The Owls are a very young team, experience-wise. Many of them were playing in their first game. Jowell, the quarterback, is a sophomore; Julio Soto, who played a good game, is a sophomore, who did not play last year. Van Breedlove, another sophomore, played a good ballgame. Silvertown's team is composed of six big seniors; four juniors; nine sophomores; and eight freshmen.

Robert Rhode, a junior, is getting over a bout with an anti-toxin and is expected to be playing regularly soon.

Our personal opinion of the game: think they deserve more credit than they were given by some of the spectators. This was the quietest and most passive crowd of adults ever seen at a football game. For an inexperienced team up against a team like Matador, we think they did well.

Matador could have beaten us much worse, in fact they were picked to beat Silvertown by a greater margin. Any team which is guilty of fumbles will come out on the short end of the score. But a young team in the first game of the season fumbles easily. We hope the Owls can overcome this.

ORCHIDS to Mike Mercer for a job well done. Mike drew the chore of playing opposite Matador's big 236-pounder, and did his job very well. Better luck next week, Mike.

Let's all go to Clarendon Friday night to SUPPORT our team, not in the least to bear with them. We're expecting a big improvement in the team as the weeks go by.

Jehovah's Witnesses Report On Assembly

Jehovah's Witnesses' three-day assembly in Altus was climaxed Sunday when R. L. Anderson, district supervisor, spoke on the subject, "Finding Peace in This Troubled World."

V. D. Tiffin, presiding minister of the Quitaque Congregation said this assembly stressed the theme, "Seek Peace and Pursue It."

In speaking to the 563 persons assembled in the City Auditorium, Anderson declared that, "The Lord's prayer points to the sure remedy for this troubled world, God's Kingdom."

He added, "the kingdom government through its 'Prince of Peace,' Christ Jesus, is invested with power to end man's wars and worries forever and bring world-wide peace to mankind."

Anderson, in speaking to the 19-congregation assembly, said, "Peace is now attainable for you, first by seeking peace with God and then you will have peace with your fellow man."

R. H. Smith, circuit supervisor of the Oklahoma-Texas-New Mexico meet, said the purpose of the assembly was to analyze the 19 reporting congregations, determine the existing weaknesses and lay plans for expanding the work at circuit and national levels.

Hi-Plains Hi-Lights

NEWS from the High Plains Research Foundation

Mr. Lawrence Hodges, Director of Engineering, Agricultural Division, J. I. Case Company of Racine, Wisconsin, will be the speaker at the evening program of the Fourth Annual Field Day of the High Plains Research Foundation, Halfway, Texas, Wednesday, September 14, Harold Hinn, chairman of the Board of Trustees, announced. This program concluding the day's events will follow the barbecue which is being furnished by the S. E. Cone and Grady Goodpasture Elevator Companies of Lubbock and Brownfield.

Tours of the Foundation on tractor drawn trailers will be dispatched by Ollie Liner, Hale County Agent and H. Dent, Jr., secretary of the Hale Center Chamber of Commerce. Guides from the Soil Conservation Service, Extension Service, or commercial businesses will accompany each trailer and explain the projects enroute. A number of stops will be made on the tour where the research underway will be explained by scientists from the High Plains Research Foundation, Texas Experiment Station No. 8, and Texas Tech.

Exhibits of agricultural machinery will be available for the 2,000 expected visitors. The latest in agricultural equipment being displayed by company representatives will include irrigation and aviation equipment. R. L. Burgess, Hale Center, is chairman of the host committee.

Members of civic and farm organizations have volunteered their assistance in the management of the afternoon programs. Car parking volunteers are headed by H. O. Pinkerton and barbecue servers are headed by Bob Pinkerton, both of Halfway. Visitors will be greeted by Chamber of Commerce and Civic Club members from surrounding communities headed by Charles Young, manager of the Plainview Chamber of Commerce. Hosts for the day will be members of the Board of Trustees with Graddy Tunnell, secretary-treasurer of the Foundation as Chairman.

Mr. and Mrs. Don Mercer and Mrs. Glenna Heald and Debbie Phillips, visited Mr. and Mrs. H. C. Mercer, grandparents of Don and Glenna, over the weekend.

Mr. and Mrs. Dwain Henderson who married recently, have bought and moved into the home of the late Mrs. W. A. London, on Sixth and Braidfoot streets.

Messrs. H. Roy Brown, Lee Deavenport and Roy Lynn Deavenport attended the rodeo at Boys Ranch Monday.

Mrs. J. H. May and Mr. and Mrs. Nuke May, Barbara and Monte visited Mr. and Mrs. Bill Burchard and family in Folsom, New Mexico, last Saturday.

Mr. and Mrs. Milton Dudley, Connie and Margaret Minyard returned home early last week after a five day vacation. They went

as far as Denver, Colorado, where they visited Mr. and Mrs. Jack Sanderson and family; Mr. and Mrs. Harold Stoltenburg and children of Cheyenne, Wyoming, visiting the Dudleys in Denver in the Sanderson home. Mr. Dudley is the uncle of Mr. Sanderson and Mrs. Stoltenburg. They especially enjoyed the museum in Denver and the zoo in Colorado Springs. They visited several other points of interest enroute.

Mrs. Paul Hamilton of Denton and Mrs. Bill Middleton of Amarillo, visited Mrs. C. R. Badgett and Mrs. King on Saturday. The out-town ladies had attended the homecoming in Quitaque.

How Often The Lord's Supper?

There have been many contentions among religious people concerning the observance of the Lord's Supper. Probably no phase of the subject furnishes greater disagreement than that of HOW OFTEN it should be observed.

Paul wrote, "For as often as ye eat this bread and drink this cup, ye do show the Lord's death till he come" (I Cor. 11:26). From this we learn that Christians are to eat and drink the Lord's Supper more than once since Paul said "as often" indicating more than one time. But the questions are: When should this be done and how often? Some thinking that the time is unimportant partake of the supper only on special occasions as for example on Easter or the first day of the year. Others have been known to partake once every quarter and still others once a month.

The question a Christian should ask is "What does the Bible teach?" The Christian first searches for a commandment and when no commandment is found he continues to search what the will of the Lord is. Perhaps he may find some example of early Christians and the time they partook of the supper.

After searching he locates Acts 20:7 which says, "And upon the first day of the week when the disciples came together to break bread, Paul preached unto them, ready to depart on the morrow; and continued his speech until midnight." From this he learns that early Christians met to partake of the Lord's Supper UPON THE FIRST DAY OF THE WEEK, and the apostle Paul was present when they met for this purpose.

With a keen desire to obey the Lord in this observance therefore each first day of the week he gathers with the Christians to partake of the supper knowing that such a practice is in accordance with New Testament example. He is truly worshipping as did the early Christians in the observance of the Lord's Supper.

We invite you to attend the services of the Silvertown Church of Christ.

News From Quitaque

"the Queen of the Valley"

reported by Mrs. Charles Gowin

Mr. and Mrs. Arthur Gregg of Amarillo and their daughter, Mrs. Bill Lindemann of Plainview, visited Saturday with Mr. and Mrs. Buddy Morris.

Mr. and Mrs. Homer Gregg of Plainview, were in Quitaque Tuesday and Wednesday cleaning and repairing their house. She visited with Mrs. Buddy Morris and Mr. and Mrs. John Ewing while here. Mr. and Mrs. Gaston Owens have rented her house.

Mr. and Mrs. T. J. Reeves of Edmondson spent the weekend with their daughter, Mr. and Mrs. James (Bud) Bailey and family.

Mr. and Mrs. Leslie Burns and family of Norwalk, California, who have been visiting her parents, Mr. and Mrs. John Rogers, and other relatives for two weeks, left Sunday for home.

Mr. and Mrs. Marion Wilson of Pampa were down Friday evening and Saturday, visiting their parents, Mr. and Mrs. Otis Wilson and Mr. and Mrs. Charles Gowin. They also attended the homecoming.

Mr. and Mrs. Roy Monk and girls of Midland came Sunday to visit their parents, Mr. and Mrs. Ike Reed and Mr. and Mrs. A. C. Monk and other relatives.

Tad Persons of Dallas came Friday night to visit his parents, Mr. and Mrs. J. T. Persons. He returned home on Monday and his mother accompanied him to Fort Worth where she is visiting her daughter, Mr. and Mrs. George Kaither, and girls a few days.

Mr. and Mrs. J. T. Rogers visited her sister, Mrs. Eldon Maples, in the Tulla hospital recently. They also visited Mrs. Leola Kimbell, who has been very ill in the Plainview hospital.

Mr. and Mrs. Howard Harvey and Patricia of Amarillo, spent the weekend with his parents, Mr. and Mrs. Wes Harvey. They also came to attend the homecoming. They report that his brother, Ralph, is still unable to work since being injured in a fall several weeks ago.

Mr. and Mrs. Clint Hicks and family of Lubbock spent the weekend with the sister, Mr. and Mrs. Leroy Hamilton, and attended the homecoming.

Mrs. Joe Woodruff went to Amarillo Thursday to join her sister, Mr. and Mrs. John Hedrick, for a trip to Nashville, Arkansas. They planned to be gone about ten days.

Mr. and Mrs. J. P. White left last week on Monday for Brenan, Georgia, to be at the bedside of his father, who is seriously ill.

Mr. and Mrs. Gordon Hewett, Mort and Ricky of Corpus Christi, returned home Sunday after spending a few days with her parents, Mr. and Mrs. Hughie Waterman, and sister, Mr. and Mrs. Wayne White and family.

Mr. and Mrs. Murry Morrison, and Mr. and Mrs. John King visited Sunday afternoon with Mrs. Leola Kimbell in the hospital at Plainview. They also visited Mr.

and Mrs. Lawrence Bedwell and family.

Mrs. W. E. Morrison and Misses Ina and Una Bradshaw visited Saturday with their brother and family, Mr. and Mrs. H. T. Bradshaw, at South Plains.

Mr. and Mrs. Odell Setliff of Turkey were dinner guests Sunday of Mr. and Mrs. Dick Hooks. He filled the pulpit for both services at the Church of Christ.

Mr. and Mrs. Everett Womack and family of Amarillo, visited on Saturday with her parents, Mr. and Mrs. G. H. Wagnon.

Mrs. Guy Mullins of Amarillo visited Saturday with Mrs. A. F. Van Meter, Sr., and attended the homecoming.

Mr. and Mrs. Billy Frank Rhoderick and family of Lubbock visited Thursday with his aunt, Mr. and Mrs. Will Lyon, and with his sister, Mr. and Mrs. Clayton Johnson and family.

Mr. and Mrs. Lee Smith and family and Mrs. Viola Hodges and children of Amarillo spent the weekend with their parents, Mr. and Mrs. Harve Foster. Mr. and Mrs. Jimmie Fred Foster and baby of Memphis visited his parents on Sunday.

Mr. and Mrs. Jimmy Rhoderick of Silverton, Mr. and Mrs. J. C. Rhoderick and boys of Plainview, Mr. and Mrs. Lynn Rhoderick and baby of Aiken, Mrs. Clayton Johnson and girls, all visited Saturday with Mr. and Mrs. Will Lyon.

Mr. and Mrs. Richard Kidwell and son of Amarillo visited Monday night with Mr. and Mrs. Charles Gowin. They also did some dove hunting.

Mr. and Mrs. Park Bolton of Lockney visited Sunday with Mrs. A. F. Van Meter, Sr.

Mrs. C. C. Walker of Clovis, New Mexico, came Friday and is visiting with Mr. and Mrs. Wallace Johnson, and relatives at Turkey.

Mr. and Mrs. Solon Owens of Turkey visited with A. F. Van Meter, Sr. on Monday. They had been over to Clarendon to visit her mother, Mrs. E. P. Rumph, who is in the rest home there. She reports that she is much improved.

Mr. and Mrs. Roy Smith and

Mrs. Bud House and Mrs. Jake Lacy examine the new fall line of children's clothing carried by Vivian's in Silverton. A child's dress will be among the door prizes awarded to four lucky persons who attend the Grand Opening on Friday and Saturday.

DeWayne spent Sunday in Lubbock as her brother and sisters and their families met at Mackenzie Park for a family get-together.

Mr. and Mrs. Barney Bogan and family of Denton, Mr. and Mrs. S. T. Bogan and family of Big Spring, and Mrs. H. G. Gardiner spent the weekend with Mr. and Mrs. Sid Bogan and attended the homecoming.

Mr. and Mrs. Paul Hamilton of Denton spent the weekend with his mother, Mrs. J. N. Hamilton, other relatives and friends.

Mr. and Mrs. Roy Beryess and Sue Ann of Snyder, were visiting with friends here Saturday. They also attended homecoming.

New John Deere Equipment Previewed in Dallas

A new boost to agriculture and industry was shown for the first time last week as Deere and Company displayed its new line of tractors to 4,500 dealers and guests assembled in Dallas for the special one-day event.

The decision to build an entirely new kind of tractor — new from the ground up — was based on simple economic facts. Farms are getting fewer and larger in size. As a result of this, the need for more usable tractor power will be a "must" in the next 10 years. More power will be needed in industry, too.

NEW ENGINES

One of the most important new developments in the new tractor line is the John Deere-designed and built four- and six-cylinder variable-speed engines in gasoline, diesel and LP-gas types. Traditionally, tractor engines have had to be operated at full throttle for efficiency. The new variable-speed engines perform efficiently at any speed in the operating range.

The new engines, combined with multi-speed transmissions on most models, make it possible to choose the exact combination of speed and power designed for any farming operation or soil condition. The tractor may be operated in a higher gear at lower throttle for economy on light loads, or in a lower gear with higher engine speed for more power on heavy tillage operations.

A new Syncro-Range constant-mesh transmission is provided on all, but the smallest series of tractors. The transmission, which is controlled by a dash-mounted lever, shifts collars rather than gears which remain in constant mesh.

Within any of the four gear ranges, the transmission can also be shifted on the go with minimum effort. The transmission can also be shifted, between forward and reverse without stopping tractor travel, providing the same advantages as built-in direction reverser, thus saving time on loading and similar jobs.

NEW HYDRAULIC SYSTEM
Deere's new hydraulic system is a major feature of the new line. In the new tractors the transmission and differential case has become a common reservoir of oil for hydraulics, power steering and for the first time—power brakes! This provides ample capacity for all the functions of equipment control, steering, and brakes. It also reduces the number of places where oil must be checked and changed and limits the different types of oil which are needed to two instead of the usual five or six.

RADIATOR MOVED
In the completely new design of the tractors, even the radiator and grille have lost their conventional place at the front of the tractor in the two larger power sizes. They have been located in the center of the tractor and the fuel tank, which has been tradi-

tionally located atop the engine, has been placed in the nose of the tractor. This permits larger fuel tanks, prevents evaporation of gas due to engine heat and improves cold-weather starting — all without interfering with excellent view of the work.

GIANT AIRLIFT

Nearly 5,000 of the 6,000 people attending "Deere Day in Dallas" were airlifted into Dallas within a 24-hour period Monday. This airlift in which 16 U.S. and Canadian airlines participated, is believed to be the largest commercial lift ever attempted. The airlift operated in reverse Wednesday, returning the 5,000 Deere dealers, sales personnel and other guests to their homes.

Mr. and Mrs. O'Neal Watson, of Amarillo, Mr. and Mrs. Sid Richards and Mr. and Mrs. Obra Watson and Joe Bob were dinner guests of their parents Mr. and Mrs. J. S. Watson on Monday.

Mrs. T. C. Bomar and Mr. and Mrs. Lee D. Bomar were in Clovis on Sunday to attend a family reunion of the descendant of the late Mr. and Mrs. Emmett Bomar. Five sons and five daughters and their families gathered for a day together; one son, who is in the army, was unable to attend. Emmett Bomar was a brother to Lee D. Bomar and the late T. C. Bomar; several of the Emmett Bomar children were born before their parents moved to New Mex.

Mrs. T. J. Hodges went to the Tulla Hospital Sunday morning for treatment; she had not been feeling well for several days. It was thought that she would come home Wednesday as she was feeling better Sunday night. Jewel Hodges, of Lubbock, stayed at the hospital with her mother Sunday night and Monday; Mrs. Arnold Turner planned to spend Monday night with her mother, Mrs. Hodges.

A group of local folks attended the Houston Oilers VS the Dallas Texans football game in the Cotton Bowl in Dallas last Saturday. The proceeds from this game were given to support the Wadley Research Institute, which does research into blood diseases. Local folks attending the game were Messrs. and

Mmes. Perry Whitmore, D. T. Northeutt, True Burson, Dee McWilliams, Arnold W. Brown, Ware Fogerson, Shellie Tomlin, Lenton Lanham and Norman Strange.

Mr. and Mrs. Shellie Tomlin and Glyn Tomlin have recently made a trip to Stockton, California, to move Mrs. Glynn Tomlin and their four sons and household goods to Silverton. Glynn has been working here and at Byers for sometime. They had been unable to locate a house in which to live until early this week.

Pete Dennis of Idalou, spent the weekend here with his mother, Mrs. Virginia Dennis. They visited Mr. and Mrs. Fred Buck, Roger and Randy in Amarillo Sunday.

Mrs. E. A. Bellinger and Mr. and Mrs. Billy Wayne Garvin and Dara returned home on Tuesday of last week after a visit with Mr. and Mrs. W. A. Holt in Red River, New Mexico. They brought home Scott Garvin, who had spent several days there with his grandparents, Mr. and Mrs. Holt.

Mr. and Mrs. Rex Long, Kit and Mike of Alanreed, spent Friday and Saturday with Mr. and Mrs. Dick Bomar, Mr. and Mrs. Freeman Tate and Jackie Carol were dinner guests in the Bomar home Saturday. Mrs. Ola Long and Mr. and Mrs. Bud Long also visited the relatives in the Bomar home Friday evening.

Mr. and Mrs. George Seaney visited Mr. and Mrs. Cecil Seaney at Masterson Sunday afternoon.

Mr. and Mrs. W. H. Fitzgerald and Shirley have recently spent a week with Merle Montague, of Fort Collin, Colorado, with his sawmill up near the Wyoming line. They returned via Trinidad and brought Mrs. Ed Slaughter here for a visit with her brother, Bill Bryant, and sisters, Mrs. Dan Montague, Ann and Nelle Bryant. Mrs. Fitzgerald is a sister of Merle Montague.

WEST TEXANS SAY OF P-A-G

MAN... that's sorghum!

The way P. A. G. Sorghums look in the field makes everybody who sees them exclaim "Man, That's Sorghum!"

P. A. G. has earned the confidence which farmers have in this sorghum. Each exclusive variety is researched, tested, and proved before it is offered for sale. Then when you plant P. A. G. you can be confident that not only will it look good in the field, but it will provide top yields. Careful quality control through triple isolation on seed production pays off in your field when you plant P. A. G. Sorghums. Hundreds of tests have proved it.

Now is the time to book your P. A. G. seed.

WHO'S NEW

Mr. and Mrs. John Mercer are the parents of a baby son born in the Tulia hospital Monday evening. He has been named James Carroll. The youngster weighed in at five pounds and one ounce. Mr. and Mrs. Frank Mercer and Mr. and Mrs. B. A. Thomas are the grandparents. Great-grandparents are Mr. and Mrs. G. T. Thomas, Mr. and Mrs. J. A. Ziegler, Mrs. W. A. Rowell and Mr. and Mrs. H. C. Mercer.

Mr. and Mrs. Jerry Clayton of Tulia, are the parents of a baby son, Bruce, born Monday afternoon in the Tulia hospital. Grandparents are Mr. and Mrs. Jord Hollingsworth of Silverton, and Mr. and Mrs. Monte Clayton, Tulia.

Virgil W. Baldwin underwent surgery in the Tulia hospital on Monday.

Sylvia Cruz was a patient in the Tulia hospital early this week.

J. G. Peek of Fence Lake, New Mexico; his son and wife, Mr. and Mrs. Joe A. Peek, of Garden Grove, California; and daughter, Mrs. Sue Mullens of Albuquerque, New Mexico, were overnight guests of Mrs. J. S. Fisher Monday night. They were enroute to Dallas to visit Mr. and Mrs. H. B. Peek. Mrs. Fisher is a sister to Messrs. J. G. Peek and H. B. Peek.

Mr. and Mrs. Johnnie Ted Bingham and family of Amarillo, spent the weekend here and in Quitaque with relatives. They visited his mother, Mrs. J. F. Bingham, Jerry and Stevie.

Mr. and Mrs. Paul Stanford and daughters of Lubbock, spent the weekend here with relatives. They were guests of her parents, Mr. and Mrs. D. H. Davis.

Mrs. Olos Chitty came home from the Plainview hospital on Wednesday of last week, after undergoing surgery there several days earlier. Her mother, Mrs. Eddith Morgan of Kress, stayed with them several days after she came home from the hospital. Mrs. Chitty is now staying at the home of their daughter and family, Mr. and Mrs. J. E. Grabbe, Donna and Pat.

Gary Lee Weeks, Mr. and Mrs. Eddie Wesley and family of Post and Mr. and Mrs. Lonnie Wesley and family of Amarillo, spent last week fishing at Eagle Nest and Conchas Dam, New Mexico.

METHODIST NEWS NOTES

Gene Morris, George Seaney and Rev. Frank Story attended a District meeting of the Texas Methodist Stewardship Movement at Plainview First Methodist Church Friday evening. Plans are being formulated for a statewide Stewardship Revival.

The MYF is now enjoying a volleyball court which was a part of their Youth Activities Days project. The MYF is to be congratulated for their in YAD.

Reception Honors Couple on 40th Anniversary

Mr. and Mrs. R. A. Stark, Sr., formerly of Kress, observed their 40th wedding anniversary recently with a reception at their home in Tulia.

With them for the occasion were their children, Mrs. Elmo Anglin and her children, Dennis, Kevan, and Mr. and Mrs. Burl Anglin, of Salt Lake City, Utah; Mr. and Mrs. Alva Jasper, Vicki and Micki of Silverton; and Mr. and Mrs. R. A. Stark, Jr., Donna and Clay of Amarillo. All of their grandchildren were present except one, who telephoned her congratulations.

Refreshments were served to the many friends who called, from an attractive table laid with a white drawwork cloth and crystal appointments. The centerpiece was a bouquet of white gladioli. The three-tiered cake was topped with a miniature 1920 model Ford with "Just Married" inscribed on it — a replica of the honeymoon car.

Mr. and Mrs. Norvell Breedlove and sons of Lubbock; Mr. and Mrs. Fate Breedlove and sons of Corpus Christi; and Mr. and Mrs. Carroll Fox and daughter of Midland, are visiting their parents, Mr. and Mrs. M. F. Breedlove, Guy and Van. The entire group attended a family reunion in Wellington on Sunday. The Norvell Breedlove family is also visiting her parents, Mr. and Mrs. W. H. Fitzgerald and Shirley, while here.

Mr. and Mrs. Carl Tidwell, Patti and Lee Ann of Tulia, and Mrs. Snooks Baird attended a three-day assembly of Jehovah's Witnesses in Altus, Oklahoma. They were there from Friday through Sunday.

Mr. and Mrs. George Krupala and Mary of Anson, were Sunday dinner guests of Mr. and Mrs. Robert Ledbetter and children. The Krupala family formerly lived here. He is associated with the SCS at Anson, as he was here.

HUNT-LEDBETTER VOWS EXCHANGED IN DOUBLE RING CEREMONY

Mr. and Mrs. Ronald Ledbetter

Miss Frankie Lou Hunt, daughter of Mr. and Mrs. Frank Hunt, became the bride of Mr. Ronald M. Ledbetter, son of Mr. and Mrs. Paul Ledbetter, all of Silverton, in a pretty double ring ceremony on September 1, 1960. The First Baptist Church in Silverton was the scene of the marriage, which was officiated by the Rev. G. A. Elrod, pastor.

Traditional wedding music was furnished by Sam Brown at the organ.

Candles were lighted by Kay Gerdes of Tulia, cousin of the bride, and Gary Hunt, brother of the bride. Miss Gerdes wore a dress of blue cotton satin, trimmed with lace. The dress was fashioned with bateau neckline in front and v-neckline in back, with bouffant skirt.

Miss Toni Rhode was maid of honor. She wore a street length dress of blue silk organza over blue taffeta with an embroidered organza bodice, scalloped neckline and bouffant skirt. She wore a small hat of blue flowers, pearls and tulle and carried a bouquet of carnations.

Best man was Dwain Henderson, and Bob Stafford and Robert Rhode were ushers.

Escorted and given in marriage by her father, the bride was beautiful in a white gown of French lace and net over taffeta. Her bod-

ice and scalloped neckline were embroidered with seed pearls. Her long fitted sleeves ended in points over her hands, and her bouffant skirt was fashioned with a short scalloped tier of lace over floor length skirt of net and taffeta. Her veil of tulle fell from a lace heart-shaped crown. The bridal bouquet was a white Bible topped with white carnations.

Vows were exchanged under an archway decorated with cysanthemums, bows and greenery. Twin candelabra stood on either side of the archway.

A reception was held immediately following the ceremony in the educational annex of the church. Guests were registered by Mrs. W. L. Couch.

Miss Marsha Monroe served the tiered wedding cake from the table laid with a white cloth. Miss Joann Turner served the punch.

For traveling the bride chose a black suit with black and white accessories. After a short wedding trip, the couple is at home in Silverton, where he is employed by Fogerson Lumber and Supply Co.

The bride is a 1960 graduate of Silverton High School. The groom is a 1958 graduate of Silverton High School and a junior ministerial student at Wayland Baptist College in Plainview.

W.S.C.S. MEETS IN HOME OF MRS. M. G. MORELAND

The W.S.C.S. of the First Methodist Church met in the home of Mrs. M. G. Moreland Tuesday morning. Mrs. George Seaney, Chairman, presided.

Mrs. Moreland gave out the yearbooks. "The World in Our Midst" is the theme for the year.

The lesson was presented by Mmes. Joe Fowler, E. Posey, Rupert Hughes, Frank Story and Gene Morris.

Mrs. Rupert Hughes and Mrs. Bill Ling are new members. Others present included Mmes. G. Mayfield, R. G. Alexander, Frank Kindall and R. M. Hill.

Mr. and Mrs. W. H. Fitzgerald and Shirley and Mr. and Mrs. Guinn Fitzgerald and children attended a Fitzgerald family reunion in Lubbock recently. Two brothers and six sisters were present, along with their descendants. One was unable to attend.

Helen McJimsey, who works for the S.C.S. in Lubbock, spent the holiday week end here with her mother, Mrs. W. A. McJimsey, other relatives and friends.

Player Appreciation Program To Be Held In Plainview

Plainview Chamber of Commerce will honor the Irrigation League players with a Player Appreciation Program at 2:00 p.m. in the Ballroom of the Hilton Hotel in Plainview next Sunday.

At this program all the trophies and awards will be presented to the teams and players. All players, managers, coaches and their families are invited.

Mr. and Mrs. E. O. Barrett spent last week with their son and family, Mr. and Mrs. Bob Barrett and children in New Orleans, Louisiana, where Bob attends Tulane University.

Mr. and Mrs. Jack Horvack of Lubbock, spent Wednesday night of last week with Mrs. Lois Smith. The Horvacks are associated with the Church of Christ Children's Home in Lubbock.

2/Lt. and Mrs. Bud Schofield and Janna of Walters, Oklahoma, spent the weekend with her parents, Mr. and Mrs. I. McJimsey and George, and other local relatives.

Mr. and Mrs. Eldon Ledbetter of Amarillo, and their son, Gene Ledbetter, an English teacher in Dallas High School, visited H. P. Ledbetter, Sr. and Mr. and Mrs. Irving McJimsey and George and other local relatives on Sunday. The Eldon Ledbetter family formerly lived here.

Mr. and Mrs. L. L. Thornton, Lynn, Dwight and Wayne Rampley were in Lubbock Monday night where they attended a rally at Lubbock Christian College. There was a barbeque in the evening.

Ardell Joiner of Borger, was holiday visitor with his parents Mr. and Mrs. Beth Joiner.

FARRIS MARTIN, Manager

Marjorie Autry, a junior student at Hardin-Simmons University in Abilene, is spending her between-semester vacation with her parents, Mr. and Mrs. W. E. Autry, and Mrs. Tommy Autry and Doug Brownwood, are also visitors at the W. E. Autry home. The en-

tire group were Sunday guests of Mr. Autry's mother, Mrs. T. L. Autry, and other relatives in Plainview on Sunday.

Mr. and Mrs. Dean McWilliams were weekend guests of their parents, Mr. and Mrs. Glenn McWilliams and family and Mr. and Mrs. Alton Steele and son, and other relatives.

Mr. and Mrs. Bruce Womack visited in Big Spring, Comaha and Lamesa over the weekend. They attended the Golden Wedding Ann-

iversary of her sister and husband, Mr. and Mrs. W. E. Brown, at Patricia, near Lamesa, from 2:00 to 5:00 p.m. Sunday. They have lived at Patricia many years. A large crowd attended the celebration and they received many nice gifts, giving evidence of the high esteem in which they are held by their friends and neighbors.

Mr. and Mrs. Henry McWatters went to their home Monday after having spent a couple of weeks with their friends, Mr. and Mrs. Eugene Long. Mrs. McWatters is

recuperating from a recent serious illness.

Mr. and Mrs. D. Lowe, of Erick, Oklahoma, visited from Friday through Sunday with Mr. and Mrs. Eugene Long. The men are cousins. Mrs. Mandy Lowry of Erick, Oklahoma, and Mr. and Mrs. R. E. Stephens spent Sunday in the Long home.

A Stephens family reunion was held recently at Lake Altus, Oklahoma. Local folks attending for four days were Mr. and Mrs. W. A. Stephens, Mr. and Mrs. R. E. Stephens, Mr. and Mrs. Herbert Stephens and family, Mr. and Mrs. Rex Holt and family and Mr. and Mrs. Elbert Stephens and Jerry. There were not as many relatives in attendance from other places as usual. Mrs. Mandy Lowrey of Erick, Oklahoma, returned home with her sister, Mrs. R. E. Stephens, for a visit.

Mrs. Phronie Penn Martin, Mrs. Elizabeth Kisack and Mrs. Alice Treese, of Phoenix, Arizona, visited local friends one day last week. They were overnight guests of Mrs. W. Allard. Mrs. Martin and Mrs. Allard were close neighbors many years ago when Mrs. Martin lived here. The ladies attended a family reunion in Dallas. They visited friends in Quitaque and spent considerable time in the local cemetery while here.

Vicki Molyneux, who has been visiting her grandparents, Mr. and Mrs. Beth Joiner, and other relatives in this area, recently returned to her home in Columbia. Her aunt, Mrs. Bill Braly and Toni Lynn of Pampa, flew with her to North Carolina and spent a week. Mr. Braly met his wife and baby in Dallas on their return trip last Sunday.

Sunday dinner guests of Mr. and Mrs. Bud McMinn were Mr. and Mrs. Elma Seaney, of Morton; Eural Vaughan and Mr. and Mrs. Ewing Vaughan and Ronald; Mrs. Mandy Lowry, of Erick, Oklahoma; Mr. and R. E. Stephens and Mr. and Mrs. Paul Ledbetter called in the afternoon.

Mmes. Una Burson, W. E. Schott, Sr. and R. M. Hill were Sunday dinner guests of Mr. and Mrs. Troy Burson.

Walter Rogers Writes

JOHN J. PERSHING

The Congress on June 1 approved a joint resolution calling for the celebration of John J. Pershing Centennial Day, the 100th anniversary of the great World War I General's birth. A Presidential proclamation has established September 13, as the day to honor this distinguished war hero.

As the man who led the United States into freedom's first worldwide military conflict with the forces of totalitarianism and dictatorship, General Pershing was leader of the two million man force which helped bring victory for the Allied cause. He holds honors from 15 different foreign nations, and during a 66-year military career he became one of America's greatest advocates of democracy all over the world.

The example which General Pershing set is perhaps more instructive today than it was a generation ago. Once again the free world seeks men of his determination and dedication to principle, and once again the free world seeks leadership sufficiently dynamic to overcome all the forces of evil which run rampant.

General Pershing was born in the state of Missouri just after the guns at Fort Sumpter announced the beginning of Civil War. He graduated from the United States Military Academy in 1886 and was assigned to three different Army posts in New Mexico where he participated in campaigns a-

gainst the Sioux Indians until the early 1890's.

Then returned to West Point for a brief tour as Assistant Instructor of Tactics and in 1898 General Pershing began a long series of military assignments which took him to many of the spots which are troublesome even today: Cuba, Japan, and Eastern Europe. Altogether, he saw duty in virtually every corner of the globe.

But his greatest hour came with the American Expeditionary Force which began to sail for France in 1917 to "make the world safe for democracy." President Wilson told him to "keep always in mind 'the underlying idea' that his forces in France 'are a separate and distinct component of the combined forces, the identity of which must be preserved.'" The remark made by him upon landing in France has become famous. "Lafayette, we are here," was uttered in greatful remembrance of the French Commander's valiant service to the struggling American colonists in the Revolutionary war.

Throughout the long and difficult months of warfare in France General Pershing worked with the chief commander, French Marshall Foch, and when the victory was won over the Kaiser's generals in the famous railway car in Com-

piegne, the American soldiers and their commander had as much a part of the victory as any other.

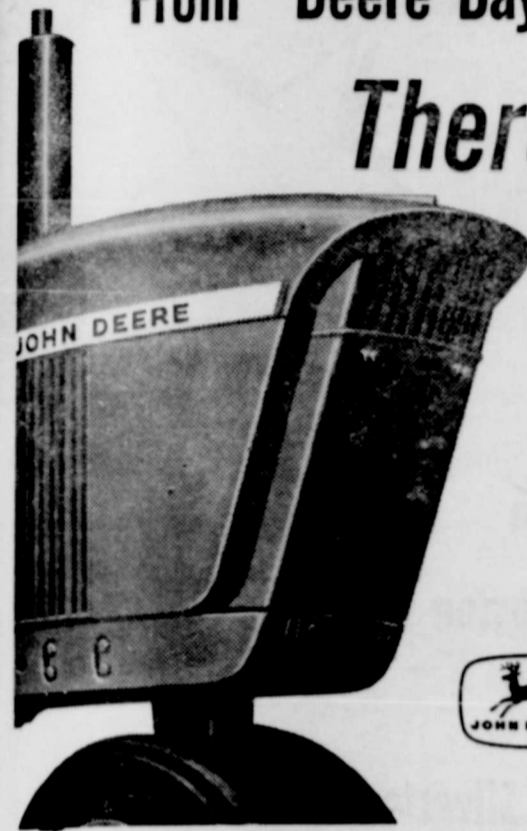

A grateful nation showered him with honor after honor. Universities from Oxford in England to Arizona in the United States awarded him degrees. The Congress passed a resolution thanking him "for his highly distinguished services as commander-in-chief . . . and . . . for . . . devotion and heroic valor throughout the war."

After the war, General Pershing continued to serve the nation. He took charge of many commissions, and was President Roosevelt's representative to the 1937 coronation of King George VI. He died on July 15, 1948 in special quarters where he had lived some years in the Walter Reed Hospital. His body lay in state at the Capitol for 24 hours and was finally laid to rest in the Arlington National Cemetery.

The legacy handed to all of us by General Pershing is a great one, and as the nation honors him next month we will do well to recall and attempt to duplicate his loyalty and support of the nation. The General's 100th birthday on September 13 will be still another demonstration that the need for his characteristics does not fade with the years.

"WHERE YOUR DOLLARS HAVE MORE CENTS"

Good habits have to be cultivated, but bad habits will grow volunteer. It seems that we can so easily drift into a bad habit. Our very nature seems to lure us into the trap before we realize it.

If we want to grow wheat or corn we have to prepare the ground, plant good seed, and then fight back the weeds and grass which seem to come up naturally. To have a good disposition, or to be a kind and friendly person, we have to cultivate these traits and develop them into a natural habit. To be grouchy, or to be a selfish person, all we have to do is to quit trying and nature will do the rest.

Habits of a physical nature follow the same pattern. When we were a small boy it seemed so natural that we slip around behind the barn and smoke a few puffs. It seemed almost impossible to us then that we could ever grow up without first learning to smoke. In a few years we had developed a habit that was to become hurtful to our health not to mention a bad habit to break.

Drinking is often the same story. Many of the folks at the party drink, and for fear of being unpopular there are those who are influenced to begin drinking socially. In a short time it has become a bad habit and later perhaps a sickness that will ruin their life.

Good habits, such as going to church, have to be cultivated, while on the other hand staying at home seems to come to us made to order. God will help us to cultivate good habits. The Devil will try to keep us from winning in our efforts to break bad habits.

Double Protection
You can immunize against BOTH **BLACKLEG AND MALIGNANT EDEMA** with but ONE shot of the combination **FRANKLIN CCS BACTERIN**. Year after year more stockmen vaccinate more calves with this FRANKLIN product than with any other brand.

New Research Publication on Wheat Production in Texas

Wheat, the third ranking cash crop in Texas, has come a long way since the days of the oxen and the soddy. The first wheat production in Texas was centered around Sherman in 1833. Through the years, the production areas have shifted so that now the leading area is the Panhandle, with about 64 percent of the total acreage. Next in importance is the Rolling Plains area with approximately 24 percent of the acreage.

New varieties, irrigation, better insect controls and improved cultivation methods have all served to increase production from a few thousand bushels in 1833, to present production level of several million bushels annually.

All Texas wheat is fall sown, and approximately 98 percent of it is in the hard red winter class. The remaining production consists of a small amount of soft red winter grown in North Central Texas and a small amount of durum, which is grown on the Edwards Plateau. Most of the wheat is used for the manufacture of flour for either commercial or family use.

The Texas Agricultural Experiment Station has recently published a bulletin on "Wheat Production in Texas." In this publication all aspects of Texas wheat production are discussed and illustrated. This bulletin, B-948, may be obtained from the Agricultural Information Office, College Station, Texas.

Other dinner guests on Sunday in the Myers home were Frank Fisch and Mr. and Mrs. Berle Fisch, Linda and Barbara. In the afternoon Mr. and Mrs. Bill Overcash and Mr. and Mrs. Hix, of Amarillo, came to visit Mr. and Mrs. Wolfe. Overcash is a sister to Mr. Wolfe.

Mmes. Fred Mercer, W. E. Schott, Jr., Marvin Montague, George Long and Jack Strange were in Amarillo on Wednesday of last week where they attended a coffee in the Federated Club rooms honoring Lady Bird (Mrs. Lyndon B.) Johnson from Johnson City, and Washington, D. C., as well as a sister-in-law of Senator John Kennedy, Democratic nominee for the presidency. Mrs. Troy Burson, who was listed as one of the out of town hostesses, was unable to attend the function.

Mrs. Alvin Redin returned home on Wednesday of last week after having spent a week in Houston with her sister, Miss Ann Joiner, who is recovering satisfactorily from a recently broken hip. On Sunday, while in Houston, Mrs. Redin fell and broke her left arm just above the wrist. She went to Plainview on Friday for checkup with a local doctor and hoped to be able to meet classes at the local high school where she is Math teacher.

Word was received here late Sunday of the death of Portor Cox, 75 of Ucalpa, California, in a Los Angeles hospital. Burial was in Los Angeles on Tuesday. Mrs. Cox is a sister to L. E. Paige, Sr. Survivors include the wife, a son and a daughter, two step-daughters and a step son. Mr. and Mrs. Cox have visited here several times. Local relatives were unable to attend the funeral.

Mr. and Mrs. Joe B. Harris, Don and David, have recently moved to Andrews, Texas, where Mr. Harris will direct the S.C.S. work; he has been associated with the S. C. S. work here for a couple of years.

Beginning Salary For Teachers Requested

A beginning salary \$4,000 for Texas public school teachers will be requested at the next session of the Legislature, a spokesman for the Texas State Teachers Association announced today.

This and other TSTA proposals are in line with recommendations made two years ago by the 254 county Hale-Aiken committees, and costs have risen since then, TSTA President Mary Alexander of Palestine said.

Mrs. Alexander made these points:—The Gilmer - Aiken Minimum Foundation School Program has not been changed since 1949, except for two modest teacher pay raises, and cost factors then are unrealistic now.

—State increases in Texas teacher salary in the last ten years are the lowest in the nation.

In one proposed bill, TSTA will ask the Texas Legislature to strengthen the three basic parts of the Gilmer-Aiken program — teacher pay, transportation and maintenance and operation — as follows:—Provide an annual salary of \$4,014 for a beginning teacher with a bachelor's degree (now \$3,204) and \$4,239 for an M.A. degree (now \$3,429).

—Annual salary increments of \$108 per year (now \$54) with ten increments for bachelor's degree teachers and 17 for the master's degree.

—Add \$380 per school bus to help pay increased transportation costs for school children.

—Increase to \$500 per teacher the allowance for maintenance and operation of school plant and program (now \$350—\$400).

Larger cities, and other areas with rapidly expanding population, would especially benefit from another TSTA proposal, to allot State aid for teaching personnel on the basis of the current year's attendance instead of last year's. This would save local taxpayers at least \$8 million the first year, Mrs. Alexander noted.

Other legislative requests by TSTA call for: five days sick leave annually for teachers, cumulative to 30 days; additional special service teachers and principals; and regional film and audio-visual libraries.

Total cost of these proposals to strengthen the school program is estimated at \$100 million annually, of which the State would pay approximately \$80 million and local districts \$20 million.

"Texas schools are as good as they are largely because local districts have steadily increased their financial support and dedicated teachers continue to perform efficiently at a personal sacrifice in income," the TSTA president declared.

"If children are to receive a good education," she added, "good teachers must instruct them and teaching supplies and materials must be available for their use."

Mr. and Mrs. O'Neal Watson, of Amarillo, and Mr. and Mrs. Elmer Gilkeyson, of Dallas, were week end guests of the ladies' parents, Mr. and Mrs. S. R. Turner, and other local relatives. Mr. and Mrs. Orville Turner, Paula and Orville Baker were also Sunday dinner guests. James Watson and Judy Evans, of Amarillo, Mr. and Mrs. Jaye Turner and Mr. and Mrs. Arnold Turner and Joann called in the afternoon.
