VOLUME 53 NUMBER 35

SILVERTON VS. MATADOR AT MATADOR

Football Season Opens Friday Night

Thirty-three boys reported for football uniforms on August 14, and a few more are expected to draw uniforms when school opens on September 4. There are 12 freshmen, 6 sophomores, 8 juniors and 7 seniors out for practice.

The Owls are smaller in size but have better speed throughout the team than in the past three years. The guard and tackle positions were hardest hit by graduation. The Owl line will average 155 pounds, while the starting backs will average 156 pounds.

The Owls open the season with Matador Friday night. Coach Whelchel feels that the Owls can win this game if they keep on improving as they have since August 14.

The Owls were picked fourth in the district race, but the coaches feel that the Owls could be the darkhorse and win if the younger boys improve.

Boys that have looked good in practice and scrimmage against Memphis:

CAPTAINS AND COACHES of the Silverton Owls are from left, Robert Whelchel, Robert Rhode, Larry May, Rusty Whitfill, and Willie McAlpin. The Owls meet their first opponent of the season at Matador Friday night at 8:00 p.m. Matador is rated to take first place crown in district 9-B this fall, while the Owls are rated as the fourth team in our district. Follow the Owls Friday night to cheer this young team to victory! (News Photo)

BACKS: Jay Towe, Rusty Whitfill, John Jowell, Larry May, Fred Edwards, Emmett Tomlin, Gregg Towe, Max Garrison and Van Breedlove.

LINEMEN: Fred Stafford, Larry McWilliams, Butch Norris, Robert Rhode, Jim Reid, Ken Thornton, and Dennis Tomlin.

INJURED: Bill Schott, Bobbie Kitchens, Van Breedlove, and Joe Kellum.

SEASON TICKETS FOR HOME GAMES ON SALE

Season football tickets for the five home games of the Silverton Owls are now on sale at Morris Pharmacy. The ticket is good for admission to all five games and costs \$6.00.

This is a savings of 25c and the proceeds of the pre-season ticket sales are kept by our school. Receipts at the gate on the night of the game are divided between the home and visiting teams.

Buy now and keep this money at home. See Gene before our first home game which is with Clarendon on September 8.

THREE ATTEND WORKSHOP IN LUBBOCK

LUBBOCK — The technical revolution in printing and population shifts to suburbs and many small eastern towns are creating new opportunities in community journalism. W. H. Graham told a Texas Tech short course for high school journalists.

The Farwell (Tex.) Publisher spoke Monday (Aug. 14) to more than 150 youngsters in the opening session of a four-day workshop sponsored by the Tech Journalism department and West Texas High School Press Assn.

Graham has pioneered offset printing in West Texas and publishes 27 newspapers in his plant. He owns three of the papers.

Workshop sessions (Aug. 14-17) include newspaper and yearbook editing, editing, and photography. W. E. Garets, Tech Journalism Department head, is in charge of arrangements.

Students attending the workshop from Silverton were David Case, Jerry Garrison, and Carole Garrison.

Mr. and Mrs. Gaston Owens and Mrs. Bud McMinn and Anita Gail Watkins of Amarillo, enjoyed a picnic supper in Quitaque last Friday. The children especially in honor of Eddie's eighth birthday which occurs this week end Anita and Gail would be unable to be present.

MID PLAINS RURAL TELEPHONE CO-OP HOLDS EIGHTH ANNUAL MEETING

The eighth Annual Meeting of the Mid-Plains Rural Telephone Cooperative was held in the Tulia School Cafeteria, Aug. 19. The meeting started with a Frito Pie Supper at 7:00 p. m. followed by the business meeting at 8:00.

President Victor L. Harman reported to the members on the progress made during the ten years since Mid-Plain's charter was granted and this annual meeting. Advancements have been made by the Coop not only in technical fields with the advent of mobile telephones, private line carriers and the like, but many new policies designed to insure fair and equitable treatment to all members have been made, and good wage and salary plans, retirement benefits, and good working environment for employees has been provided.

RAGLAND REUNION

A Ragland family reunion was held Sunday in a Plainview park. A basket picnic lunch was enjoyed at the noon hour. All had a fine time and enjoyed the cool weather. They also noted many others also enjoying the fine picnic weather. Those attending included Mr. and Mrs. Homer Ragland, Sr. and Jack; Mr. and Mrs. L. T. Morrison and son, and Mrs. H. E. Johnson and family of Dimmitt; Mr. and Mrs. Homer Ragland, Jr. and Janice Ann of Lockney; Mrs. J. L. Stapp and children of Clovis, New Mexico; Mr. and Mrs. J. C. Austin and family of Spur; and Mrs. E. W. Yancey and children.

Dr. and Mrs. Neville Muckleroy and family spent the weekend at Ruidosa, New Mexico, with Mr. and Mrs. H. J. "Doc" Blanchard and family of Lubbock and Miss Mildred Thomas of Lockney.

Ronnie Hughes has been visiting relatives at Hedley and Brice recently. He is visiting Irene and W. M. Hughes at Leslie at the present time.

Dr. and Mrs. Muckleroy will be in Austin September 29 and 30 at a medical meeting.

a rural telephone system. Emphasis was placed on the fact that the real ownership of the telephone Coop is vested in the members. Their assets have grown, through payments on their REA loan, from the original \$50.00 equity payment to \$149.91 for each member of the Coop.

Members were delightfully entertained by Mrs. Guy Watson and Derrell Watson on the piano and accordion following the business meeting.

Feature entertainment was provided by Mr. Ralph Wheeler of Edmonson with a portion of his film made on a recent trip around the world with KGNC's farm and ranch director, "Cotton" John Smith. Mr. Wheeler's photography is excellent, and teamed with his interesting commentary, members were kept on the edges of their chairs.

A quorum of members is 50, and since only 44 registered due to thundershowers which developed just before meeting time, there was no election of directors. Therefore, the present Board will be carried over until the next annual meeting of the members.

The present Board is comprised of Victor L. Harman, President; Bayard Sadler, Vice-President; Roy Stockett, Secretary - Treasurer; Leonard Boehning; Denis Brandt; Earl Cantwell; Bruce Fields; James Harley Gunter, Jr.; H. M. Kinsey; H. D. Lively; Melton McGehee; and Newt Redmon.

Earl Cantwell was Master of Ceremonies for the entire meeting.

ROWELL REUNION

A Rowell family reunion was held at Tule Lake on Saturday and Sunday. More than seventy were present and more than twenty spent Saturday night there. One sister, Mrs. Ola Yost of Munday, and three brothers, Homer Rowell of Tulia, Bud Rowell of Lubbock, Charlie Rowell of Silverton, and one sister-in-law, Mrs. W. A. Rowell of Silverton, attending. A basket picnic lunch on Sunday was one of the highlights of this annual affair. Others present were from Hawaii, Calif., Okla., Amarillo, Munday, Lubbock, Wheeler, Tulia, Lockney, and perhaps other Texas towns.

TURN LOCAL NEWS IN TO NEWS OFFICE NEXT WEEK

Mrs. Carl Crow, reporter of local news in Silverton, will be out of town next week and will not be available to take your news items.

Please call or bring your news directly to the office of the Briscoe County News next week, please.

Broom Sale To Be Held September 14

The Lions Club Caravan for the Blind broom sale will be conducted in Silverton on Thursday, September 14.

Residents are familiar with the kind and quality of merchandise to be offered. A percentage of the proceeds is retained by the local Lions Club, and the balance goes to help the blind. Please say "yes" when the Lions ask to show you this line of brooms, mops, ironing board covers, doormats, etc.

RETURN FROM VACATION IN DENVER

Virginia May and her nephew, Alvin May, returned home early last week after a week's vacation in Denver, Colorado, and a two-day visit in Folsom, New Mexico. They did lots of sightseeing while in Denver visiting Mr. and Mrs. B. T. Wamack and children.

They visited the zoo, Lookout Mountain, Red Rock and the outdoor theatre there. Buffalo Bill's grave, the Sky-deck atop the 26-story First National Bany of Denver were among the many other interesting places they visited.

Alvin also visited the museum. They went to Denver especially to attend commencement exercises at the University of Denver on Friday, August 18th. Mrs. Womaek, the former Frances May, sister of Virginia, was a member of the graduating class.

Virginia and Alvin visited Mr. and Mrs. Bill Burchard and family at Folsom, New Mexico. Mrs. Burchard is the former Erma May.

Mrs. Ellos Rowell and family of Wheeler visited Mrs. W. A. Rowell and other local relatives Saturday morning.

FLY THE FLAG FOR EDUCATION

The stars and stripes of the American Flag are symbols of all that make America great. J. S. Hinds, Superintendent of Schools, has suggested that every citizen and all those who are served by the city, demonstrate their dedication to the principles of personal and individual education of all our youth through the public display of the American Flag on Monday, September 4, as on this day our schools for the new term.

A crusade has been made to have the American Flag flown on all proper occasions in Silverton. And it is fitting that those of us in Silverton should join with those in other Panhandle towns in displaying the flag for the opening of school — an appropriate occasion if ever there was one.

SILVERTON SCHOOLS TO OPEN MONDAY

The 1961-1962 School Year will begin Monday morning, September 4, with a general assembly in the High School Auditorium beginning at 9:00 a. m. Everyone is invited to attend this assembly.

Immediately following the assembly, the grade school and junior high students will register. The high school students will run through a short schedule and meet each class for approximately five minutes.

There will be no lunches served in the cafeteria until Tuesday, September 5.

PIANO RECITAL THIS EVENING

This evening at Sam Brown's closing piano recital of the summer, in which thirty of his students will be presented, Mr. Brown will play the opening from Tschalkowsky's Piano Concerto No. 1 in B flat Minor. Accompanying him at the organ will be Mrs. Maudell Meredith, a cumlaude graduate of Baylor University.

Mrs. Meredith, who holds her Master's Degree in Music, is Professor of Piano at Wayland College. She has been Sam's instructor for the past three years.

The recital will be held in the auditorium of the First Baptist Church at 8:00 p. m. this evening. A cordial invitation is extended to all who wish to attend.

Mr. and Mrs. Dick Franklin visited in the home of her parents, Mr. and Mrs. J. M. Thompson, last week. Jerry Dee and Beth remained over the weekend with their grandparents.

1962 FEED GRAIN PROGRAM OUTLINED FOR WINTER BARLEY GROWERS

Secretary of Agriculture Orville L. Freeman Aug. 9 explained how fall-seeded barley will fit into the 1962 feed program which will be carried out under recently enacted Agricultural Act of 1961.

"While many of the details are not yet completed for the feed grain program which was broadened to include barley for 1962 by the recently enacted Agricultural Act of 1961," Secretary Freeman said, "it is important that winter barley producers have as much essential information as soon as possible and before they plant their barley acreage this fall.

"Including barley in the feed grain program gives us an added opportunity to achieve a needed adjustment between feed grain production and feed needs," Secretary Freeman stated. "The magnificent response of corn and grain sorghum producers to the feed program put into effect within a few short weeks after Jan. 20 for this year's production is resulting in real progress toward a better balance in supplies. We are determined to make further progress toward this end in 1962 to the benefit of taxpayers, consumers, and producers. The new legislation gives barley producers an opportunity to participate in this undertaking."

In general, the operation of the 1962 feed grain program for barley will be similar to the provisions in effect for 1961 corn and grain sorghum production. Payments will be made to producers who divert barley acreage to a conserving use.

Secretary Freeman said that about half of the conservation payments to be earned by diverting barley acreage this fall will be offered to producers when they sign. While the 1962-crop barley support price will not be announced until early next year along with support prices for other feed grains, 1961 county support rates for barley will be used in determining these advance payments. Secretary Freeman also said that the 1962 national average support level for barley will not be less than the 1961 level.

LION'S CLUB TO SPONSOR CARNIVAL

The Lions Club Carnival will be in full swing on the east side of the square in Silverton, September 4 through September 7. Amusement rides will be available for the entertainment of the kiddies, including the kiddie train, kiddie ferris wheel, kiddie cars, kiddie roller coaster, and kiddie boats.

Old-fashioned home-made entertainment will be of interest to the adults, including a penny toss booth, ring toss game, food booth, cake walk, etc. Clubs desiring to have a booth on the square during the carnival may still arrange to do so by contacting the Boss Lion Gene Morris before September 4. Come one, come all to the Lions Carnival!

CLAUDE CROSSING CLUB MEETS IN LONG HOME

The Claude Crossing Club met with Dottie Long on August 24, 1961. Twelve members and four guests were present.

A gadget shower was given for Mrs. Jeanette Martin and a business meeting was held. The club meets next month with Lottie Garrison.

CUB SCOUTS TO MEET

Den IV of the Cub Scouts will meet at Dr. Muckleroy's house this afternoon at 6:00 for a sleep-out.

ACREAGE REDUCTION PROVISIONS

Producers who divert 20 per cent of their barley acreage to conserving uses will receive a payment. The payment will be equal to 50 per cent of their normal production on their diverted acres times the county support price. The legislation authorizes payments to be made in cash or in kind from Commodity Credit Corporation stocks.

ADDITIONAL ACREAGE REDUCTIONS

Acres reductions of up to an additional 20 per cent may be seen in BARLEY PROGRAM — Continued on Page Two

WHITFILL AND ALEXANDER TO RECEIVE DEGREES

The School of Arts and Sciences at Texas Tech College in Lubbock has announced 169 candidates for bachelors degrees. Commencement exercises were held Saturday, August 26, at which time more than 475 men and women received degrees.

Degree candidates from Silverton were Jimmy Scott Whitfill and James Ross Alexander, both mathematics majors.

FIRST LOAD OF MILO was delivered to Silverton Elevators on Thursday, August 24. Pictured are James Davis, who hauled the first load for D. H. and James Davis, and Farris Martin, elevator manager. Moisture content of the first milo was 13.78, the crop averaged 2000 pounds to the acre on the patch which yielded the early grain, and \$1.60 per hundred is the current price being paid for grain. A \$25.00 bonus was paid by Silverton Elevators for the first milo and First State Bank of Silverton presented Mr. Davis with a new hat. (Briscoe County News Photo)

BARLEY PROGRAM —

made at a higher payment. Payment for this additional acreage reduction will be determined at the rate of 60 per cent of normal production and will be in kind. As in the case of the 1961 Feed Grain Program, these are special provisions permitting a producer to divert a minimum of 20 acres. Barley producers who participate in the program will be required to devote the acreage diverted to approved conserving uses. This will be in addition to their normal acreage of cropland devoted to conserving uses.

Price Support Eligibility

Only those barley producers who participate in the program will be eligible for price support next year. Also, they cannot exceed their corn and grain sorghum base acreages to be eligible for barley support. Barley price support to eligible producers will be limited to the normal yield on

their 1962 acreage.

Corn and Grain Sorghum Producers

Corn and grain sorghum producers who intend to plant barley this fall must not plant more than their base acreage of barley if they want to participate in the 1962 feed grain program and be eligible for price support on these two crops.

Corn, grain sorghum, and spring-planted barley producers will be given an opportunity to participate in the 1962 feed grain program next spring. Details of the program as they apply to these producers will also be announced later.

In making their decision to participate in the program, barley producers should consider the savings in plantings, cultivating, harvesting, and other costs that would be required on their diverted acres. In addition, producers will have an assurance of income from the acres diverted under the program no matter what

HERES HOW THE SALES TAX BITES YOU

You'll pay a state sales tax on everything from hamburgers and chili to pajamas and toys Sept. 1. If the tax gives you a headache, you'll also pay a sales tax on the bottle of aspirin you buy.

After eight months of wrangling, the legislature passed a bill which levies a sales tax on most of the items you buy.

The bill, which will raise an estimated \$354 millions during the next two years, contains a statement that it provides for a "limited" sales tax.

But as far as most Texans are concerned, its a general sales tax they'll be paying.

The Bill exempts groceries, prescription drugs and "outer garments" which cost less than \$10. Other exemptions are designed to benefit special groups, such as farmers, railroads, ship owners and airplane purchasers.

You will pay 2 per cent tax on purchases of 24 cents or more. But, since the tax goes up a penny at a time, you won't have to bother with tokens.

You will pay a penny tax on purchases of 24 to 74 cents, a two-cent tax on purchases of 75 cents

to \$1.24, a three-cent tax on purchases of \$1.25 to \$1.74, etc. Although food purchased in a grocery for home consumption is exempt, the bill taxes restaurant food costing 24 cents or more.

It specifically exempts beer, wine, and other alcoholic beverages from the tax—unless they're ordered with a meal. Then they would be taxed.

The bill specifies "outer garments" which cost less than \$10 shall not be taxed. This would cover such items as shirts and trousers. Although the bill is vague on this point, it would probably also exempt coats and sweaters selling for less than \$10.

The Bill states that such items as belts and ties shall be taxed along with pajamas, lingerie, negligees and night gowns. It doesn't say whether socks are considered "outer garments" and the state comptroller will have to decide whether merchants should collect the tax on them.

The Bill stated at one point that clothing could not qualify for the exemption unless made of cotton. But the legislature removed this restriction.

Other items exempt from the tax include:

1. Oil, natural gas, sulphur, motor vehicles, cigarets, cement and other items already taxed.
2. Cattle, animal feed, seed, plants, insecticides, fertilizer, and farm machinery.
3. Ships of at least 50-ton displacement.
4. Aircraft.
5. Supplies purchased by ships at Gulf Coast ports.
6. Drilling equipment sold for use outside Texas.
7. Locomotives and other railroad rolling stock.
8. Gas and electricity used for industrial, manufacturing, mining, agricultural, and irrigation purposes.

SOIL CONSERVATION DISTRICT NEWS

OUR SOIL ★ OUR STRENGTH

Some of the latest participants in the Great Plains Conservation Program include Jim Mayfield of Quitaque, Saul brothers of Quitaque, and the Barrel Ranch east of Silverton.

Mayfield plans terracing, two diversion terraces, brush control, and possibly some stream bank

stabilization on Kent Creek later. His terraces and diversions are key practices in that they help not only Mr. Mayfield but also J. P. White and Cecil Price below.

In the past, large amounts of water has come from Mayfield's land, across fields, and down a road to Kent Creek. The result was a great deal of damage. White and Price can now construct a safe waterway down the road side to take the water to Kent Creek.

Saul brothers plan ponds and wells for livestock water, brush control and other practices to improve their ranch.

The Barrel Ranch plans a large number of ponds, wells, and spring development for livestock water. They also plan extensive brush control and some cross fencing to get better grazing distribution.

We might point out that there is still ample funds available at this time for those interested and who can qualify under the Great Plains Program.

Today's beef cattle are hardy individuals and they can take care of themselves in most situations. The one big exception is the mat of getting enough of the right kind of food. If it's not in the pasture, the cattle must simply do without. This is where the cattleman comes in—it is his job to see that his cattle receive all of the nutrients they need to realize their potential as money makers.

As U. D. Thompson, extension animal husbandman, points out, however, the cattleman cannot solve all of his problems by simply running out and buying all of the minerals and vitamins available. Before he buys any, he must make a decision as to which minerals are needed. This choice is complicated by the many different types and forms available. Single minerals, mixtures, minerals fortified with vitamins and minerals high in protein are available in any feed store. What should the cattleman buy?

Here are the current findings from Texas A & M. First of all, cattle should have access to common salt year round. Salt contains sodium and chlorine and aids in digestion, points out Thompson. The form or color makes little difference to the cow, but both forms should be protected from

the rain to prevent waste. Salt is usually cheaper when purchased by itself rather than mixed.

The major mineral problem in Texas is the lack of phosphorus. Phosphorus deficiency reduces the calf crop, and those that are born weigh less at weaning time. When green grazing is available, so is phosphorus, but when the grass browns up the phosphorus is gone. The same is true of protein and vitamin A. Thompson says the most practical way to supply phosphorus is to keep bone meal out the year round in a weather protected trough. The animals will eat as much as they need.

No trace mineral deficiencies are known to exist at this time in Texas. Only small amounts of sulfur, copper, and cobalt are re-

cognized as essential, and it is felt these are in the feeds which cattle consume.

If you think you may be having mineral problems, drop in to see your county agent. He has a bulletin, B-174, "Minerals For Beef Cattle," which contains latest information on beef cattle mineral need. Ask him for a copy.

Miss Jaunice Rowell and Mr. Sam Lee of Guymon, Oklahoma, were married there last week. Mrs. Lee is the daughter of Mr. and Mrs. Lowell Rowell of Guymon and the granddaughter of Mrs. W. A. Rowell. The couple is at home in Guymon, where both are employed.

Mrs. Grady Wimberly is spending this week in San Angelo with her daughter and family, Mr. and Mrs. Harold Sefeldt and children.

Mr. and Mrs. Melvin Watkins of Amarillo came from a Saturday afternoon enroute home from a trip to San Diego, Calif., and returned home their children, Anita and Gall, who had been visiting their grandparents, the Bud McMinns, for several days.

Mr. and Mrs. R. T. O'Brien of Wichita Falls came Saturday for a few days visit with their daughter and family, Mr. and Mrs. Shelley Tomlin, and other local relatives and friends.

Mrs. C. C. Primm of Lubbock visited Mr. and Mrs. H. C. Mercer and Mrs. J. H. Hardie of Houston and other local relatives from Thursday through Sunday. The ladies are sisters.

WHO'S NEW

Mr. and Mrs. Donald Ray Turner are the parents of a baby son, Donald Eric, born in the Lockney General Hospital Friday, August 18, 1961. He weighed 6 pounds, 6 1/2 ounces. This is the first child for the Turners. Grandparents are Mr. and Mrs. Ed Jones of Roswell, New Mexico, and Mr. and Mrs. John Turner.

Mr. and Mrs. C. F. (Doodle) Zachry, Jr., of Quanah, are parents of a baby girl, Lori Ann, born there Thursday, August 24, 1961, at 4 p. m. She weighed 10 pounds, 2 3/4 ounces. The Zachrys have one other child, Kenneth, who was born when they lived here. Grandparents are Mr. and Mrs. K. M. Fleming of Quanah and Mr. and Mrs. C. F. Zachry, Sr., of Henrietta. Great-grandparents are Mrs. Josie Fleming of Byers; Mr. and Mrs. H. C. Zachry of Henrietta; and Mrs. Stewart of Ringgold.

Mr. and Mrs. Deleath Peugh are parents of a baby boy, Mark Allen, born in the Lockney Hospital on Thursday, August 24, 1961. He weighed 6 pounds, 4 ounces. The Peughs have one other son, David Wayne.

Grandparents are Mr. and Mrs. D. M. Woodward of Amarillo, and Mr. and Mrs. W. D. Peugh.

Mr. and Mrs. Riley Joe Ziegler are parents of a baby girl, Karen Denise, born in Swisher County Hospital at Tulia on Monday, August 29, at 3:30 a. m. She weighed 7 pounds, 8 ounces. The Zieglers have two sons, Riley Dean and Brad.

Grandparents are Mr. and Mrs. J. A. Ziegler and Mr. and Mrs. O. L. Butcher.

Mr. and Mrs. George Seaney and Mrs. H. P. Rampley went to a Robison-Shearer reunion in Plainview last Saturday night.

TURNER-MARTIN VOWS EXCHANGED IN PRETTY HOME CEREMONY

A fan-shaped arrangement of white mums and greenery flanked by candelabra entwined with mums and fern, formed the background for the wedding ceremony of Miss Jeanette Turner to Mr. William E. Martin on Friday, August 18, at 7:00 p. m. in the home of the bride's parents, Mr. and Mrs. Arnold Turner.

Only members of the immediate families and a few close friends were present. The Rev. Marvin Fisher, pastor of the First Methodist Church in Silverton, officiated at the double ring ceremony. Mrs. Bill Edwards presented the nuptial music and the traditional wedding march. She also accompanied Mrs. Shafe Weaver who sang "The Lord's Prayer" as the couple knelt at the conclusion of the ceremony.

Given in marriage by her father, the bride wore a two-piece sheath

dress of beige satin brocade with a small belt of satin. She carried a white Bible topped with white carnations with satin streamers.

Joann Turner, sister of the bride, was her only attendant, and Jaye Turner, brother of the bride, was best man.

Immediately following the ceremony a reception was held in the home. Mrs. Frank Odom, sister of the bride, and Mrs. Jaye Turner, sister-in-law of the bride, assisted with the reception.

Sharon Martin, sister of the groom, registered the guests.

The bride is a graduate of West Texas State College and has taught in Pampa Elementary Schools for three years. The groom is a graduate of Silverton High School and has served two years in the armed forces.

They will make their home in Silverton where the bride will teach in the Elementary Schools, and the groom will continue his farming interests.

MONTAGUE REUNION

A Montague family reunion was held at Horse Shoe Lodge in Beulah, Colorado, on Saturday and Sunday, August 26 and 27. Eighty-four were present.

Church services were held out of doors under the tall pines at 6:30 a. m. Sunday morning with Earl Cantwell doing the preaching.

Those attending from Texas were Mr. and Mrs. Cantwell, Mr. and Mrs. Elton Cantwell and family, Mr. and Mrs. Datis Martin and family, Mr. and Mrs. W. H. Fitzgerald, Mr. and Mrs. Joe Montague and family, Mr. and Mrs. Roy Montague and family, Mr. and Mrs. James Henderson and daughter, Mr. and Mrs. Marvin Montague and family, Mr. and Mrs. Vinson Smith and family, Mr. and Mrs. Printz Brown, r. and Mrs. Clinton Brown, Miss Anna Lee Anderson, all of Silverton;

Lalla Brown, Mr. and Mrs. Aubrey Montague, Mrs. Gertie Moore, Mr. and Mrs. Paul Holmes, Amarillo; Mrs. Barbara Collier, Pampa; Mr. and Mrs. W. C. Taylor, San Antonio.

The three-tiered anniversary cake was baked and decorated by one of the granddaughters. A ladder of roses from the base of the gold and white cake led to the upright numerals "50" atop the cake. A heart locket, a gift of Gabe to Susie on their wedding day, containing their pictures at that date, lay at the base of the numerals.

The serving table was laid with a cutwork cloth over gold, centered with an arrangement of golden mums and a miniature buggy and team, a replica of those used by Gabe and Susie in their days of courtship.

Silver and crystal appointments were used in serving golden fruit punch, white mints, and white cake squares decorated with "50" and flowers in gold. The napkins were embossed "Susie and Gabe, 1911-1961" in gold.

Mr. and Mrs. Garrison received many beautiful and useful gifts.

Guests included a nephew of Mrs. Garrison and his family, Mr. and Mrs. Thurman Vinson and children of Flomot. Mr. Garrison's relatives included two brothers and their wives, Mr. and Mrs. Char-

les C. Garrison of Plainview and Mr. and Mrs. Walter Garrison of Floydada; three sisters, Mrs. F. S. Bourland and Mr. and Mrs. Ernest Fisher of Flomot, and Mr. and Mrs. Richard Seay of Matador; two sisters-in-law, Mrs. Bertha Garrison of Matador and Mrs. Ina Garrison of Fort Sumner, New Mexico.

Other relatives and friends attending were from Altus, Oklahoma; Grady, New Mexico; Lovington, New Mexico; Lubbock, Kress, Hale Center, Wichita Falls, Matador, Plainview, White Flat, Flomot, Amarillo, Quitaque, Odessa, Adrian, Hereford and Canyon.

Visitors with Mr. and Mrs. George Seaney last week were her brother and family, Mr. and Mrs. D. C. Adcox, and Mr. and Mrs. Elbert Shearer.

Mr. and Mrs. F. O. Pratt and daughter and Mrs. Martha Sue Brown of Bastrop, Louisiana, came Sunday for a few days visit with Mr. and Mrs. Walter Fleming and other local relatives. Mrs. Pratt is a sister to Mr. Fleming.

Mrs. Bill T. Womack

SISTER OF LOCAL FAMILY GETS DEGREE

Mrs. Bill T. Womack, the former Frances J. May, of Silverton, Tex., has received her Bachelor of Arts in Chemistry and Secondary Education from the University of Denver, a Methodist University at Denver, Colorado. The commencement exercises were held at 10:00 a. m., Friday, August 18, at the University Hall Quadrangle.

A total of 473 students were awarded degrees, which included 206 bachelor's, 239 master's, and 28 doctoral candidates.

Mrs. Womack is a member of the following sororities and societies: the Iota Sigma Pi—a National Chemistry Sorority; the Alpha Sigma Chi—a National Honorary Chemistry Sorority; Alpha Society; the American Chemical Society; the Future Teachers of America Association; and the National Secondary Science Teachers Association.

During the 1961 school year Mrs. Womack was voted one of the six outstanding Women awards at DU, receiving the Alpha Sigma Chi award for outstanding attainment in scholarship, leadership, service to a particular organization, and the highest grade

Mr. and Mrs. Joe Collins and family of Odessa visited his uncle and aunt, Mr. and Mrs. Joe H. Smith Tuesday.

Mmes. Milton Perry, Clyde Lightsey, E. C. Newman and M. C. Kitchens were in Plainview on Tuesday of last week.

Mrs. Carl Lewis and children of Lubbock spent several days recently with her mother, Mrs. T. M. Marshall.

Toni Rhode met a group of Hardin-Simmons University students in Olton on Thursday of last week as they were enroute to Glorietta for College Student Week at Glorietta Baptist Camp.

point average in analytical chemistry.

Mrs. Womack also received a Ford Foundation Educational Grant during the 1961 school year.

The following attended the graduation ceremonies: the immediate family—Bill Womack, Bill, Jr., Donna Gail, and Jimminat Dennis Womack. Miss Virginia May, a sister, of Silverton; Alvin May, nephew, son of Mr. and Mrs. Lloyd May of Silverton; Bobby B. Womack of Denver, Colo., and Don Fowler of Denver.

Frances attended Texas Technological College in Lubbock during the 1948 and 1949 school years. The degree received at the University of Denver was a continuation of the school work taken at Texas Tech. Since 1949 Frances has been a housewife and mother of three children: Bill, Jr., age 11; Donna, age 7; and Jimminat, age 6. Frances has lived in Andrews, Texas; Baird, Texas; Houston, Texas; Coatzacoalcos, and Veracruz, Mexico; and Denver, Colo.

The present family plans are to move to Casper, Wyoming, where Mr. Womack is employed as a Geological Engineer for Clark Oil and Refining Corporation, of Milwaukee, Wisconsin.

Early History Of The Methodist Church

The first Methodist preacher to appear on the scene was W. B. Ford from Floyd or Hale County. The first sermon that I remember him preaching was preached in the Fisher-Hanna store. He came once a month when he could get there until the Fall of 1892 when Ed R. Wallace was appointed to the Silverton Charge.

Ed. R. Wallace lived in Floyd County. He came once each month until the Fall of 1894 when the Church bought a house from W. B. Campbell and Mr. Wallace moved into Silverton. He preached only once each month at Silverton and made other places the other three Sundays. Mr. Wallace and Mr. L. Anderson feel pretty sure that the Church was organized in the spring of 1894.

The following families were either charter members of the Church or became members soon thereafter: T. L. Anderson, L. C. and W. D. Fisher, I. R. Hanna, G. W. Burrows, T. F. Farmer, W. A. Rodgers, and P. L. Crawford family.

One other pastor of this church during the 1890's was a Mr. Bahlman.

A house belonging to Mrs. Mary Jane Frieze was sold to the Methodist folks during the summer or early Fall for a parsonage. Ed. R. Wallace was the first resident pastor for the Methodist Church and he was sent there November 1894.

The first court house was finished around Christmas 1892 and the Sunday Schools and preaching was there.

W. B. Ford Methodist Preacher, was the first man to preach there in the Fall of 1891.

(Taken from Briscoe County History compiled by Dr. Charles E. Donnell.)

Mrs. Jerry Dee McWilliams

Reid - McWilliams Vows Exchanged In Pretty Double Ring Ceremony

In a pretty afternoon ceremony on Saturday, August 26, Miss Apaula Reid, daughter of Mrs. Paul Reid of Silverton and the late Mr. Reid, became the bride of Mr. Jerry Dee McWilliams, son of Mr. and Mrs. Dee McWilliams, also of Silverton. The Rev. James P. Patterson, pastor of the Cotton

Center Methodist Church, officiated the double ring ceremony held in the First Baptist Church in Silverton.

Wedding vows were exchanged before an archway formed with candelabra holding blue tapers and decorated with palms. Baskets of white mums flanked the setting. The candles were lighted by Misses Rita Brown and Peggy Phillips, cousin of the bride, both of Silverton. The girls were attired in dresses of blue cotton satin fashioned with rounded necklines and short sleeves with full skirts. They wore matching wrist corsages of Frenched carnations.

Bridesmaids were cousins of the bride, Misses Patsy Johnson of Tulia and Myrna Sue Bingham of Amarillo. They wore dresses of ivory cotton satin, styled with scoop necklines, fitted bodices and bouffant skirts. They carried matching bouquets of Frenched carnations.

Attending her sister as maid of honor was Miss Lawanda Reid of Silverton. She wore a street-length dress of blue cotton satin styled with a round neckline and short sleeves, designed with a criss-crossed cummerbund at the waist and full skirt. She wore a brief hat of white satin with a short bluish veil. She carried a bouquet of Frenched carnations.

Flower girl was little Miss Tana Webb of Canyon, cousin of the groom. She wore a dress of ivory cotton satin styled similarly to the dresses worn by the candelighters, bridesmaids, and maid of honor. The ring bearer was Paul Ray McWilliams of Silverton, brother of the groom. The wedding rings of the bride's mother and father were carried on a white satin and lace pillow.

Best man was James Roy Brown and serving as ushers were Larry McWilliams, brother of the groom, and Greg Towe, all of Silverton. Groomsman were Richard Jarnagin and Mike Baird of Silverton.

Traditional wedding music was played by Mrs. L. B. Garvin, Jr. at the organ and Sam Brown at the piano. Mrs. Garvin accompanied Mr. Brown as he sang "If I Could Tell You," "O Promise Me" and "A Wedding Prayer."

Escorted to the altar and given in marriage by her uncle Mr. P. H. McKinney, the bride wore a full-length formal gown of white lace and bridal net designed with fitted bodice with scalloped lace boat neckline and long sleeves ending in petal points over her hands. Her bouffant lace skirt was gathered into large scallops over a skirt of bridal net. Her ballerina-length veil of illusion fell from a pillbox of matching lace accented with seed pearls. The bridal bouquet was a cascade of white Frenched mums and babies breath centered with a white orchid carried atop a white Bible.

The bride wore a single strand of white pearls, a wedding gift from the groom.

A reception was held immediately following the ceremony in the fellowship hall of the church. Assisting with the reception were Mrs. Dyrle Maples, Mrs. J. E. Pat-

ton, Jr., Mrs. Bill Baird and Mrs. Becky Mallow.

A reception dinner on August 25 at the Silverton Cafe was hosted by Mr. and Mrs. Dee McWilliams for the members of the wedding party.

The bride and groom are both graduates of Silverton High School. Mrs. McWilliams attended Amarillo Junior College and is employed by Southwestern Bell Telephone Company. Mr. McWilliams attended West Texas State College in Canyon, and is a pharmacy student at Southwestern State College at Weatherford, Oklahoma.

For traveling the bride chose a two-piece suit of moss green silk with beige accessories and the orchid from her bridal bouquet. After September 1, 1961, the couple will be at home in Weatherford, where the groom will continue his schooling.

Mrs. C. R. Badgett returned home Sunday evening after a visit with relatives and friends in Amarillo.

Mr. and Mrs. Rex Voyles, Don, and Vicki Jo of Bryan visited his mother, Mrs. Lorene Voyles and grandmother, Mrs. W. A. Rowell, from Wednesday until Friday of last week.

Mr. and Mrs. Leldon Gilkeyson near future.

and daughters of Roswell, New Mexico, have recently visited his parents, Mr. and Mrs. Lewis Gilkeyson and J. S., and his brother and family, Mr. and Mrs. J. T. Gilkeyson and Travis.

Mr. and Mrs. Chester Strickland of Denton were Sunday visitors with her parents, Mr. and Mrs. Will Smithee. Both Mr. and Mrs. Strickland grew up here. They had brought their daughter, Kay Nelle, to Lubbock, where she is a sophomore student at Texas Tech College.

Mrs. R. C. Green and Cozette of Turkey and Mr. and Mrs. Will Smithee visited Mr. and Mrs. Gordon Montague and Jene in Plainview on Tuesday.

Mrs. Roy McCravery of Memphis Mrs. H. S. Crow and Mrs. Carl Crow visited Mr. and Mrs. J. K. Bean Sunday afternoon. The ladies were former neighbors near Alvarado.

Mr. and Mrs. Kenneth Davis and Diane of Odessa visited Mr. and Mrs. Sam Hunt and Mr. and Mrs. E. C. Newman Saturday. Kenneth, nephew to Mrs. Hunt, grew up here and expects to move with his family to Washington in the

Rely on your PHARMACIST

Things to Remember

1. Have your doctor give your child a thorough physical examination and prescribe corrective measures for any defects. (If glasses are needed let your child get used to them before the opening of school.)
2. Have your child immunized against diseases. Check with your physician about smallpox, diphtheria, tetanus, and polio.
3. Have the dentist check your child's teeth. Consult with him about care of baby teeth.
4. Talk with your child about the importance of washing his hands before eating and after going to the toilet. Show him simple health habits, such as covering his mouth and nose when he sneezes and coughs.
5. Provide proper rest. Set an earlier bedtime for the first few months of school. Your child needs at least eight hours of sleep every night.
6. Be sure that your child knows his name, address, and telephone number. An identification card is useful for the first week.
7. Talk about safety rules if he walks to school. If your child rides a bus or is in a car pool, teach him to be courteous and reasonably quiet.
8. Teach your child how to tie his shoelaces, manage his clothing, button his coat, put on his galoshes, assume responsibility for his personal belongings.
9. Discuss with the teacher anything that will help you understand your child.
10. Encourage your child to talk with you about his school experiences.

Speeders -- Drinkers Beware!

Captain J. W. Blackwell, Highway Patrol Commander in this area, today announced that traffic law violators will be severely dealt with during the Labor Day weekend.

Captain Blackwell said, "The regular Highway Patrol service will be augmented with Patrolmen from the License and Weight and Motor Vehicle Inspection services. All days off and holiday leaves have been canceled for this period enabling a concentrated effort by the Patrolmen to be watchful for violations that contribute to accidents."

Operation Motorcade, from 12:01 a. m. Saturday, September 2, through 11:59 p. m. Monday, Sept. 4, 1961, will be in effect. "During this 72 hour period an all out effort will be made by our enforcement personnel to hold the official traffic death prediction of 30 persons to a minimum. All available radar units will be in operation, with instructions being given to our Patrolmen to be particularly watchful for the speeder and the drinking driver," Blackwell stated.

Captain Blackwell advised all motorists to take plenty of time rest, and use defensive driving practices, regardless of the length of your trip. Do not forget that fatigue is a resulting factor from long trips without proper rest and contributes to accidents. A tired driver may wake up "dead tired," Blackwell cautioned.

Mrs. Bill Middleton of Amarillo visited Mrs. C. R. Badgett Thursday. Mrs. Badgett returned home with Mrs. Middleton for a visit with her and with Mr. and Mrs. Ray Savage, Ricky and Randy.

Mr. and Mrs. Earl May of Suda visited their cousins, Messrs. and Mmes. Elmer, Loyd and Nuke May last Sunday.

Mrs. Rupert Hughes and Kathy went to Brice on Tuesday of last week to visit Mr. and Mrs. Jack Moreman and family and to return home Susan Moreman who had been here visiting her aunt and family since the previous Thursday.
