THURSDAY, JANUARY 25, 1962

Silverton (Briscoe County) Texas

VOLUME 54 NUMBER 4

Salvation Army Campaign to Begin

The Salvation Army campaign in Silverton and Briscoe County will get underway February 20, it was announced this week by Glen Lindsey. Our goal for this year has been set at \$750.00.

Jack Strange will be Campaign Chairman.

Other members of the local committee are Judge J. W. Lyon, Vice Chairman, Sheriff Johnnie Lanham, Kenneth Tate and Gene Morris. Lindsey is Chairman, and Strange is Treasurer of the committee.

Many in this community were given assistance by the Salvation

Army during the disaster of 1957. Along with all the work that is done locally, the state committee services that are available through to local committee are the home and hospital for unwed mothers in San Antonio and the boys camp at Midlothian, to which Briscoe County sends two boys each summer. Our county plans to send three or four boys this summer.

In addition to these, is the disaster relief, with which all are familiar. In the Carla disaster, along with all the materials, clothing and canned goods that were distributed, the state Salvation Army has spent more than a million and a half dollars—and IS STILL ON THE SCENE WORKING. Long after newspaper headlines proclaim the needs of the people in the disaster area, with all the glamour and excitement removed from the job, the Salvation Army continues on the scene after others have quit.

Funds are desperately needed by the county and state units of the Salvation Army. County funds are so low that local work has almost come to a standstill. Open your hearts and give when these unpaid volunteers call.

Roy S. Brown In Commissioners Race

Roy S. Brown has authorized the Briscoe County News to announce his candidacy for the office of Commissioner, Briscoe County Precinct No. 4, subject to the action of the Democratic Primary.

In making his announcement, he made the following statements: "I have been a resident of this county for twenty years, and am familiar with the problems and duties of the office.

"I will appreciate the support and influence on my behalf of the voters in this precinct. I will make an effort to contact each voter in Precinct 4 before the primary, but if I fail to see you, please consider this my personal request for your vote."

Farmers Asked To Meet Monday Night

A meeting of farmers will be held at 7:30 p.m. Monday, January 29, in the Briscoe County Courtroom.

The purpose of this meeting will be to discuss the forming of a Co-Op from Tomlin-Fleming Gin. All interested persons are invited to this meeting.

Rainbow Girls To Have Installation Of New Officers

The Order of the Rainbow Girls will have public installation of officers on Sunday afternoon, January 28, at 3:30 o'clock in the Fellowship Hall of the First Baptist Church.

Everyone is invited to come, and a special invitation is extended to the parents of Rainbow Girls, Eastern Stars and Masons, by the incoming Worthy Advisor, LaJuan Curby.

SISTER OF MRS. JEFF SIMPSON BURIED AT TURKEY

Funeral services for Mrs. Cornelia Turner, 89, of Turkey, were held in First Methodist Church there Saturday afternoon. Mrs. Turner and her late husband, Ben H. Turner, were married March 29, and came to Turkey 52 years ago.

She had been a member of the Methodist Church for 75 years.

Survivors include four daughters and three sons, one brother and two sisters, one of whom is Mrs. Jeff Simpson, who lived here many years, but is now a patient in Inez's Rest Home in Clarendon. Mrs. Turner died at her home in Turkey last Thursday evening.

Girls Honored With Skating Party

Sue Lynn Allard and Judy Yancey celebrated their birthdays on Sunday afternoon with a skating party at Plainview. Sue Lynn was celebrating her eighth birthday, and Judy her twelfth.

Mrs. Sybil Martin and Mrs. Betty Yancey were hostesses for the party. Others attending were Tonda Montague, Kay Fleming, Pam Fleming, Dorothy Yancey, Robbie Martin, Dar Lee McPherson, Stevie McPherson, Gay McPherson, Terry Yancey, Nancy Long and Judy Stevenson.

Dearwood Oneal has been a patient in the Tulia hospital for several days. He was taken to Northwest Texas Hospital in Amarillo on Friday for X-ray examination and other tests, and was then returned to the Tulia hospital.

BRISCOE COUNTY ORGANIZED in 1892 And SILVERTON WAS ESTABLISHED as THE COUNTY SEAT WITH THE ORGANIZATION OF THE COUNTY -- 1962 IS THEIR 70th ANNIVERSARY!

SILVERTON SALUTES BRISCOE COUNTY'S SEVENTY YEARS OF PROGRESS and THE FRIENDLY FOLKS WORKING TOGETHER in ITS 887 SQUARE MILES of FERTILE SOIL for GREATER ACHIEVEMENTS.. THANKS to ALL OUR NEIGHBORS!

YOU WILL ENJOY THE ILLUSTRATED HUMAN INTEREST BACKGROUND STORY OF THE FIRMS and FOLKS YOU TRADE WITH in BRISCOE COUNTY PRESENTED in A SERIES EACH WEEK..

IT'S APPRECIATION TIME in BRISCOE COUNTY as WE ROLL OUT THE WELCOME MAT FOR THE MOST IMPORTANT FOLKS in THE WORLD -- OUR NEIGHBORS.. for THEIR SMILES, UNDERSTANDING, PATIENCE, CONSIDERATION and PATRONAGE... THAT BUILDS OUR GREAT NATION... KNOW THEM BETTER in 1962 - THANK YOU!

FOR THE 70th ANNIVERSARY THEME in 1962 WE WILL INTRODUCE YOUR FRIENDLY NEIGHBORS ON THE JOB ROUNDUP -- PRESENTED in CARTOONS of THE FOLKS SERVING YOU IN OUR TRADING AREA

All Around the Town

by Mary Ann Sarchet

March, 1962, will mark the 70th anniversary of Silverton and Briscoe County. In recognition of this fact and of the people who have been instrumental in the development of our county and city, we are now searching for historical material on early days in Briscoe County. It is our hope that we may be able to present short articles of interest in most of the issues of the Briscoe County News during 1962.

This week we are searching for the oldest living man and woman in Briscoe County. "Briscoe Bill", a character originated by artist "Hut" Hutson for use in connection with a series of features he is doing, would also like to discover the names of the man and woman who have lived the longest number of years in Briscoe County. We sincerely need your help in correctly determining who these people are.

Any contributions to our "History" series will be greatly appreciated. Credit will be given all contributors, and the items may be brought in or mailed in any time during the year; however, we are in need of articles at the present time with which to begin the series.

The first articles to be used beginning this week were written by Clyde Thomas for the Briscoe County News in 1925. There are a number of these which are devoted to stories about the lives of some of Silverton's earliest settlers. Any items which you have or may recall during the series will be appreciated either in article form or simply as "Letters to the Editor," if you wish.

We are really depending on the children of Silverton's pioneer families to add to our information on this subject. Articles on the founding and history of the churches are among the material which we need.

Witnesses To Have Circuit Assembly

The Quitaque Congregation of Jehovah's Witnesses has been informed by their directive agency, Watchtower Bible and Tract Society, that their next circuit assembly will be held in Lubbock on January 26-28.

The local presiding minister, V. D. Tiffin said, "The teaching program outlined for this 18-congregation meet from Texas and New Mexico will be built around the theme 'Assist One Another to Do God's Will.'"

The purpose of the Texas-New Mexico meet is to analyze the teaching activity of the circuit and lay plans to expand at the circuit and national levels.

Tiffin said, "The analysis report six months ago at the Wichita Falls assembly showed 665 active workers ministering and teaching the good news of Christ's kingdom in Texas Circuit No. 9, and our goal is a five per cent increase for each succeeding semi-annual circuit assembly."

"We are not merely concerned with the number of workers needed in the 185 lands where Jehovah's Witnesses carry on their work," Tiffin said, "but also with the quality of the ministry; after all, skilled workmen require advanced training. So the Christian workers need the assistance of 'One Another to Do God's Will,' and the Lubbock assembly is designed to meet this need."

Mr. and Mrs. H. W. (Dooly) Moore of Lawton, Oklahoma, visited Mr. and Mrs. P. L. Brown Saturday afternoon. Mrs. Moore, the former Anna Lee Perry, and Dooly grew up here.

INTERNAL REVENUE CHECKING OWNERS OF HEAVY VEHICLES

District Director Ellis Campbell, Jr., of the Dallas Internal Revenue District announced a district-wide campaign by the Internal Revenue Service to make sure that owners of heavy trucks and busses have filed Federal Highway Use Tax returns covering the use of such equipment on the public highways.

Director Campbell said that the Internal Revenue Service has gone to great lengths to obtain voluntary compliance with the Highway Use Tax filing requirements before resorting to enforcement measures. Various informational and publicity programs have been undertaken to acquaint owners of trucks and busses with the filing requirements so that they can avoid liability for penalties and interest, in addition to the tax, for failure to file or for late filing.

This campaign will utilize various available leads to those who failed to file Highway Use Tax re-

turns and is designed to assure that all owners of trucks and busses, whose use on the highway is subject to the tax, pay their fair share of the tax. Director Campbell said that the Highway Use Tax became effective July 1, 1956, and that the revenue derived goes back to the states in the form of Federal contributions to help pay the costs of the Interstate Highway System now under construction.

Truck and bus owners were urged to contact their nearest Internal Revenue Office for information on the Highway Use Tax filing requirements and to ask for Internal Revenue pamphlet, Publication No. 349, Revised, which contains information on the types and weights of vehicles whose use on the highways is taxable as well as the due dates for returns and the rate of tax. Highway Use Tax returns, Form 2290 can be obtained at these offices.

The District Director said that another phase of the campaign calls for an audit of Highway Tax returns to assure that taxpayers are correctly reporting their use tax liabilities. This audit will be aimed at seeing that all taxable trucks and busses are reported in the returns and that they are reported in the correct taxable categories.

Director Campbell emphasized that returns covering highway use of vehicles at any time during July, 1961, were due August 31, 1961, and that returns covering the first use during December 1961, will be due January 31, 1962.

Booklet on Fallout Protection Available At Local Post Office

Postmaster Grady Martin has announced that he has a new supply of the booklet, "Fallout Protection; What To Know and Do About Nuclear Attack," on hand now. He will be glad to give copies of this booklet to any interested person who would like it.

The booklet is issued by the Department of Defense and the Office of Civil Defense.

Silverton Youths Escape Injuries In Accident

Four Silverton boys escaped serious injury Saturday when the automobile in which they were riding went out of control and overturned twice southeast of Edmondson.

The car, which overturned twice, was a 1962 Valiant belonging to Rusty Whitfill.

Passengers in the car were Jerry Don Brannon, Bobby Durham, and Jerry Lynn Baird.

Jack Jowell was brought to his home after being a patient in Lockney General Hospital for almost three weeks on Tuesday of this week.

Rev. Carlos McLeod, Rev. Fidel Guzman, Carman G. Rhode and Dolen Rackley attended a Texas Evangelistic Conference in Dallas from Monday through Wednesday.

Soil Testing Gives Answer to Fertility

You can't look at a soil and tell about its ability to supply nutrients for top crop production.

Selection of the proper fertilizer depends upon a knowledge of the nutrient needs of the crop and nutrient-supplying power of the soil on which the crop is to be grown.

Determining the nutrient needs of your crops is comparable in many ways to diagnosing of human illness. The medical doctor observes the patient, obtains all information possible by questions, and then makes certain tests.

Similarly, you as an alert farmer can test your soil to determine its ability to feed your plants a balanced diet. A soil test will save you money by showing you how to put the "right" amount of the "right" plant nutrients on the "right" field.

The question that every farmer should ask himself is: Do I know the fertility status of the fields on my farm? If not, "Don't guess—Soil test!"

Mr. and Mrs. Joe Oneal visited his brother, D. Oneal, in Swisher County Hospital in Tulia, on Monday.

Dearwood Oneal has been a patient in the Tulia hospital for several days. He was taken to Northwest Texas Hospital in Amarillo on Friday for X-ray examination and other tests, and was then returned to the Tulia hospital.

Mrs. A. E. Gragson of Quitaque visited Mrs. C. R. Badgett Monday.

SOIL CONSERVATION DISTRICT NEWS

Proper Range Use

Drought itself will seldom kill many of the range plants or severely damage a well-managed range. But heavy grazing during a drought will almost certainly kill many of the best range plants. It may greatly reduce the grazing capacity of the range for several years after the drought ends.

Heavy grazing during the wet years may cause serious damage to a range if a severe drought follows—grass plants that have been grazed too heavily during the good years will not have the vitality needed to withstand a long drought and many of them will die. Your range conservation program should provide for moderate grazing during normal years, and it should provide for reduced grazing during drought years.

Proper grazing of a range involves many things, whether it be a wet year or a drought year. You are not necessarily practicing good range conservation just because you limit the number of grazing animals to the normal carrying capacity of the range. You should graze each tract of land according to the kind, number and condition of forage plants on it at that particular time.

Grazing at the right time is important. Some ranges should be grazed in the spring, others may be grazed during the summer or winter. All ranges need an occasional rest if they are to reseed themselves and stay in a healthy condition. You should keep the livestock distributed more or less evenly over the various ranges if you expect to get the most forage with the least damage to the land. A good system of rotation grazing will usually help you to accomplish these ends.

Other factors that will help in obtaining grazing distribution are location of watering places, salt licks and feeding places. But the most important thing in proper grazing is to adjust the number of animals grazed to the capacity of the range at all times.

This means that you should be prepared to reduce the number of animals grazed on any range that you find is being overgrazed. You must be ready to reduce the number on all your ranges when a severe drought comes. Your Soil Conservation Service office will be glad to assist any farmer or rancher in preparing his grazing schedule.

SOUND CREDIT

Is the foundation on which the successful agricultural operation must be built . . . The use of credit becomes increasingly important in providing needed capital for the expanding farming and ranching operation.

The Plainview Production Credit Association offers many advantages as the agricultural credit center for its eight-county area of the Texas Panhandle.

SPECIALIZED

- Personnel experienced in all phases of agricultural credit
- Deals only in agricultural credit
- Intimate knowledge of needs and requirements of its borrowers

DEPENDABLE

- Nation's largest organization of its type
- Unlimited loan funds available from the nation's money market, through the Intermediate Credit Bank at Houston as discount agency
- Funds not affected by local and area conditions
- Owned and operated by stockholder-borrowers, able to make most any size of loan

The Plainview Production Credit Association can make loans for practically any type or size of agricultural operation and for almost any purpose.

- Operating loan
- Capital Improvements
- Pay off existing indebtedness
- Land Purchases

Visit the office nearest you to see how the Plainview Production Credit Association can provide complete agricultural credit services.

Study Club Views U.N. and Race for Space

The Century of Progress Study Club met for their regular business meeting on January 10, 1962, at the home of Mrs. John Gill. Thirteen members answered roll call with names of delegates to the United Nations. The business meeting was conducted by Mrs. Gene Morris, club chairman.

was presented by Mrs. L. D. Griffin. Mrs. Gene Morris gave the first part on the program which was "Fifty Facts about the U. N." Mrs. Jim Mercer presented a part entitled, "Is Our Race to Outer Space Logical?" At the conclusion of the meeting, individual pies and coffee were served to the members. The co-hostess was Mrs. Neville Muckle-roy.

Mrs. Amerson is Hostess for W.S.G.

The Wesleyan Service Guild of the Silvertown Methodist Church had their regular January meeting in fellowship hall of the church on January 17. Mrs. Willie McAlpin was program leader and Mrs. Twila Amerson was hostess for the group.

chairman of the group. Members present were Mrs. Edith Lee, Mrs. June Cole, Mrs. Josie Anderson, Mrs. Gracelyn Snell, Mrs. Ruth Fisher, Mrs. Jeanette Martin, Mrs. Pauline Turner, Mrs. Hinds, Mrs. McAlpin and Mrs. Cole.

Mrs. Snell Honored With Shower

Members of the Wesleyan Service Guild of the Silvertown Methodist Church were hostesses Monday evening for a pink and blue shower honoring Mrs. Dale Snell. The community room of Plainview Production Credit Association was the scene of the shower.

Surprise Coffee Given For Mrs. W. N. Weast

Mrs. W. N. Weast was surprised with a coffee Monday morning honoring her on her birthday.

spent the last three months in Montgomery, Alabama, with another sister, Mrs. W. A. Sedgwick, who formerly lived here. Mr. and Mrs. Deene Donnell, of Canyon, brought his aunt, Mrs. Meeker, to Silvertown. Mrs. Sedgwick is thought to be doing fine and likes her new home.

Members attending this meeting were Mrs. Pat Northcutt, Mrs. E. A. Birdwell, Mrs. Jim Mercer, Mrs. O. C. Rampley, Mrs. Carl Dean Bomar, Mrs. Gene Morris, Mrs. L. D. Griffin, Mrs. George Long, Mrs. Edwin Dickerson, Mrs. James Davis, Mrs. Wayne McMurtry, Mrs. Wayne Vaughan and Mrs. John Gill.

The business session was conducted by Mrs. Frances Hinds, at the News Office, the above club news was omitted from the last edition. In addition, the advance notice of the Century of Progress Study Club meeting held yesterday was unintentionally omitted. Our apologies to their good and faithful club reporter, Anne McMurtry.

January is Wesleyan Service Guild month. W.S.G. members will sit in a group in the Sunday morning services at the Methodist Church and will be recognized on January 28.

Elaine Boyles and Judy Bingham registered the guests and handed out announcements of the new 1962 model Snell to be released in February. The students of Mr. Snell's eighth grade class were special guests.

Several games were played after which refreshments were served from a table laid with a linen cloth decorated with a pink and blue stork from which blue satin ribbons extended to pink and blue nosegays on each corner of the table. On the ribbons were embossed the names "Dale" and "Grace Lynn" and in the center was a pink question mark with a pair of blue booties on one side and a pair of pink booties on the other.

Mrs. W. H. Tennon was taken by ambulance to St. Anthony's Hospital in Amarillo on Sunday. Mr. and Mrs. Eugene Long made the trip with Mrs. Tennon; Mr. Tennon is staying in Amarillo with his wife, who had been ill several days before going to the hospital.

Rev. and Mrs. Marvin Fisher visited D. Oneal in the Tulia Hospital on Thursday of last week.

BRISCOE COUNTY NEWS PRESENTS—

Glimpses of Briscoe County History Since 1892

By Clyde Thomas

Written for the June 12, 1925, edition of the Briscoe County News. This is the first in a series of articles about early days in Silverton and Briscoe County, and about the people who first settled here.

First Officers

Briscoe County, Texas, was organized on March 15th, 1892, and on that day Silverton was named the County Seat and preparations were made for the election of officers for the county. The first officers were:

County Judge—J. N. Stalbird, who now resides in Briscoe County, and who holds the same office at this time.

County Treasurer—R. I. Hanna, who now resides in the state of Kansas.

Sheriff and Tax Collector—Miner Crawford, who still lives here.

County and District Clerk—T. L. Anderson, who still lives in Briscoe County, and who holds the same office at this time.

County Surveyor—Nat G. Waller, who died some 18 years ago at Lockney.

County Attorney—W. D. Fisher, who is now a prominent lawyer in Canadian, Texas.

County Tax Assessor—Oscar Reeves, who died several years ago at Plainview.

All of the first officers elected were single men at that time with the exception of Mr. Waller. The only ones of the first officers who are now deceased are Mr. Reeves and Mr. Waller.

Mr. Anderson and Mr. Crawford are the only two first officers who still reside in Briscoe County. Mr. Anderson, who was elected the

first County and District Clerk, still holds that office, and Mr. Crawford, who was elected Sheriff and Tax Collector, recently served another term in that office.

First Courthouse

The first building used as a courthouse in Briscoe County was a little room south of the square, which had been built for a real estate office. It was a 14x16 feet in size. The courthouse was later moved from this building to another room on the west side of the square. This building was 12x20 feet. It was used as a courthouse until January 1, 1893, when the county officers moved into the old wooden courthouse, which served as a home for the official department of Briscoe County until torn down and replaced by the new brick building in the fall of 1922.

First Grand Jury

The first grand jury in Briscoe County convened in the spring of 1892. It consisted of the following men:

M. E. Hopson, who was visiting in Silverton not long ago.

A. P. Donnell, one of the most progressive old settlers and who still lives in Silverton and is doing his bit toward the progress of Briscoe County.

J. N. Randolph; A. C. Bomar, deceased, father of Jim Bomar, one of Silverton's present businessmen; J. B. Porter, who still resides in Briscoe County and who is one of the county's most progressive stock farmers; S. H. Smith; Wm. Chambers; J. F. Reeves; J. R. Wright; E. P. Turner, who still resides in Briscoe County. Mr.

Turner was foreman of the first grand jury that convened in Briscoe County; H. P. Gardner; G. W. Brown, father of Q. E. Brown of this place, and who now resides in Swisher County, between here and Tulla.

The first Jury Commission was composed of Henry Hughes, D. H. Sweeney and L. C. Fisher.

The first bailiff was J. B. Bryant; Riding bailiffs were Ed Crawford and Vernon Wilkerson.

The first District Court held in Briscoe County was in the little office building on the west side of the square. The presiding judge was H. H. Lawler and the District Attorney was D. B. Hill.

—To be continued Next Week—

Prepared by American Foundation for Animal Health

Sometime this winter many farmers are going to be faced with sudden and serious losses in their hog lots as the result of buying replacement swine.

The losses will be caused by swine dysentery, now one of the most difficult diseases we have to deal with. It is often brought onto a farm by replacement stock purchased from an infected herd. The resulting losses can be extremely heavy. Swine dysentery can affect 100 per cent of the herd. If the pigs aren't treated, death losses can run from 25 to 50 per cent.

Scouring is generally the first sign of an outbreak. However, scouring is also a symptom of

This is time of year to watch for swine dysentery losses. These often run from 25 to 50 per cent.

several other serious swine diseases. So, the first thing to do when scouring appears is to have a veterinarian make a diagnosis. Then, when the exact disease is determined, proper treatment can be set up to deal with it.

There are several other peculiar signs sometimes associated with swine dysentery. In some cases the owner will find a dead pig in the lot, without any previous warning of any kind. Also, dysentery pigs often show dehydration and loss of weight. Sunken flanks may be noted. And despite scouring and loss of weight the sick pigs will often continue to eat well.

Fortunately, swine dysentery can now be treated effectively, provided treatment is started early and pursued thoroughly. However, the disease sometimes tries to stage a comeback after treatment is stopped. For this reason the veterinarian may recommend a follow-up treatment for a time, to make sure the outbreak is kept under control.

Because dysentery can be brought onto the farm by infected replacement stock, it is a good idea to isolate all newly-purchased animals for a period of weeks before allowing them to join the home herd. This is common sense in dealing with any disease, but especially so with swine dysentery.

Rev. Carlos McLeod, pastor of the First Baptist Church here, conducted burial services for a friend in Crosbyton Sunday afternoon.

Quilique News

Mr. and Mrs. D. C. Lewis, Jr. and Vicki of Amarillo, spent the weekend with her parents, Mr. and Mrs. R. L. Patrick.

Mr. and Mrs. J. C. Fulton and Mrs. Beverly Evans of Fort Worth came Thursday to visit their son and brother, Mr. and Mrs. John Fulton and boys. They all went to Memphis Sunday and spent the day with Mrs. John Fulton's parents, Mr. and Mrs. Carl Clayton.

Mrs. Louise Seay of Silverton visited Wednesday with Mrs. Sallie Seay.

Mr. and Mrs. Ed Whitehorn and boys of Hereford visited Sunday evening with her sister, Mr. and Mrs. James May.

Mary Ellen McCracken visited Mr. and Mrs. Scott Bolton from Wednesday until Thursday afternoon.

Mrs. Will Lyon, Mrs. Johnnie Van Meter and Mrs. S. C. Brown visited Mrs. A. F. Van Meter, Sr. Friday afternoon in Lockney General Hospital.

Bill Helms attended a state ASC meeting in Lubbock Monday.

Mr. and Mrs. Pete Rice left Saturday for market in Dallas.

Mr. and Mrs. Charles Gowin visited Monday afternoon with Mrs. Lizzie Pyron at Flomot.

Those attending a District 2T-1 Lions Conference in Borger recently were Mr. and Mrs. Jake Merrell, Mr. and Mrs. Buster Chadwick, Mr. and Mrs. O. R. Stark, Jr., Mr. and Mrs. Jimmie Davidson, Mr. Marion Roberson, Garrett Morrison, Misses Judy Calvin and Jimmie Dale Mayfield.

WHO'S NEW

Mr. and Mrs. Ardell Joiner of Borger, are parents of a baby boy, Mitchell Thomas, born in a Clarendon hospital on December 29, 1961, weight 7½ pounds. Mrs. Joiner and the baby have been staying in the home of his grandparents, Mr. and Mrs. Beth Joiner in Clarendon, since the young man's arrival. The maternal grandparents live in Japan.

Mr. and Mrs. Gene Loftin of Cedar Hill, are parents of a baby girl, Linda Sue, born in Peoples Hospital in Floydada on January 16, 1962. She arrived at 8:17 a.m., weighing 6 pounds and 9 ounces. Gene and Darlene have one other child, Betty Jean.

Grandparents are Mr. and Mrs. Lark Miller, Silverton, and Mr. and Mrs. R. L. Loftin, Hatfield, Arkansas. Mrs. Loftin and the children are spending several days with her parents, Mr. and Mrs. Miller, Edith, Jerry, Steve, Jay and Judy.

San Andreas, California, have adopted a baby son, Martin Andrew, who weighed 7 pounds, born there on January 17, 1962. Rev. and Mrs. Norris have no other children.

Mrs. Mart Norris is the baby's paternal grandmother.

Mrs. Bob Dickerson has been a patient in the Tulla hospital since Friday of last week.

Mr. and Mrs. J. M. Thompson transacted business in Plainview early last week.

Rev. and Mrs. Elvin Norris of

WEDNESDAY

Evening 7:00 p.m. (Watch space below for special announcement)

BRO. ALVA JOHNSON of Turkey, Texas

will be in a weekend meeting with the

Rock Creek Church of Christ

Beginning Wednesday evening January 31, Through Sunday, February 4 7:00 p.m. each evening (except Sunday)

A cordial welcome is extended to all.

Fertilizer Must Be Used Correctly

Fertilizer is the key which can give the power of your soil. It is investment in greater profits and a more abundant living from the soil.

However, fertilizer is not a "magic" and it must be used properly or it can be wasted. This is the reason why farmers in Briscoe County are being urged to take a "test-work" out of fertilization by having soil tests made on their individual farms.

Just as the turbine and generator convert the once wasted power of falling water into useful electricity, so can the proper use of fertilizer combine with the forces of water, air, and sunlight to produce greater crop yields.

The same amount of rain, air and sunlight falls on a low-yielding field as on a nearby field of fertile soil with high-yielding crops. The difference is the fertility of the two fields.

Many fields in Briscoe County are losing profits because of low fertility soils. To overcome this problem, farmers are urged to take soil samples to determine the kind and amount of fertilizer to use for greater crop production at lower unit cost.

Mrs. Virgil W. Baldwin and Dan spent the weekend in Amarillo with Mr. and Mrs. Jack D. Baldwin and Debra.

Riddell Hutsell visited his parents, Mr. and Mrs. R. C. Hutsell, from Saturday until Monday morning. Riddell has been in Oklahoma City for a few weeks and has gone to San Antonio on business before returning to his home in Miami Beach, Florida.

Sam Brown, a student at Baylor University, Waco, came home on Thursday of last week to visit his parents, Mr. and Mrs. Roy S. Brown, and other relatives, between semesters.

Mr. and Mrs. Walter Bean and

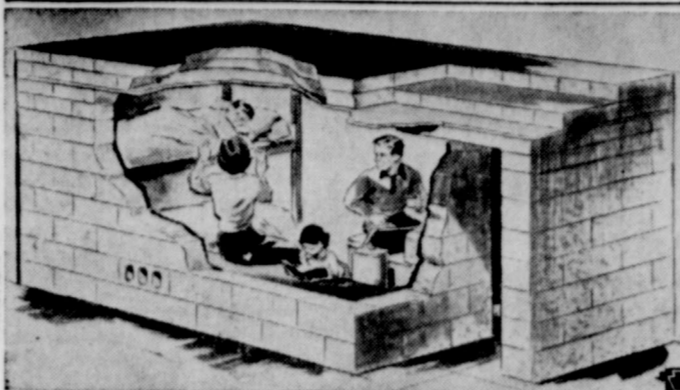

Mr. and Mrs. Raymond McJimsey were in Dallas from Wednesday through Saturday. They attended Sunday morning church services in Vernon and were guests of Mr. and Mrs. Nelson Hilyard for breakfast and lunch. The ladies are former school friends.

Messrs. Joe H. Smith, Sr and Vinson Smith, Silverton and J. B. Smith of Lubbock, visited Mrs. Joe H. Smith in Lubbock Sunday and found her improving and anxious to come home. She will stay at Sloan's Convalescent Home for a while longer.

Mr. and Mrs. R. G. Alexander were in San Angelo on Friday to visit their son and family, Mr. and Mrs. Conrad Alexander, Marcia and Shane. Conrad has been ill and a patient in the hospital, but was better and at home.

Mrs. W. Allard has been ill at her home here. She was feeling a little better early this week.

BUILD AN INEXPENSIVE SHELTER

Families anxious to build a fallout shelter but stopped by the expense or amount of room required by commercially built shelters can build their own adequate shelters, according to Popular Mechanics Magazine. The magazine has published plans in its December issue for four simple, quick and inexpensive build-it-yourself shelters.

The shelter shown above can be set up by one person from a "store-away" position in about two hours. Another can be built for about \$30.

The construction details for three of the Popular Mechanics shelters have been prepared by the Office of Civil Defense and the other by a nuclear engineer. This is the first time any of them have been published.

Simplest shelter of all is the \$30 one which requires 100 sandbags, 10,000 pounds (four yards) dry sand, and a lumber frame base, constructed as shown in the magazine. This shelter has been designed only on the basis of cheapness.

For those who see an advantage in prefabricating a shelter which can be stored away and set up later in a very short time, Popular Mechanics presents plans for a concrete block shelter costing about \$97, requiring 2 man hours to rebuild, and calling for about 33 man hours in the original prefabrication. Wood framed top is hinged to fold against a basement wall.

Construction details for an under-the-patio shelter and a basic sit-down shelter are also given in the December Popular Mechanics.

A booklet detailing fundamental information about safeguarding you and your family from atomic blasts as well as fallout shelter construction plans is available. Send 25¢ to this newspaper, c/o Service Bureau, 200 East Ontario, Chicago 11, Ill. Ask for the Shelter Booklet.

Wendel (Sonny) Thomas has been a patient in Northwest Texas Hospital in Amarillo since Wednesday of last week. He has been seriously ill and friends and relatives who have been there visiting and helping care for him have been his parents, Mr. and Mrs. G. H. Thomas, and Mr. and Mrs. Glenn Jones, Mr. and Mrs. Manley Woods.

Silverton Mrs. Odell Johnston of Quitaque visited him Sunday afternoon.

Mrs. Oscar Weaks was taken to Northwest Texas Hospital in Amarillo after having been a patient in

a Tulsa hospital for a week. She expects to undergo major surgery on Thursday. Mr. Weaks is in Amarillo with his wife. Their sons, Gary and Victor, are staying in the home of their maternal aunt, Mrs. A. T. Brooks and family, while their parents are away.

Mr. and Mrs. Johnnie Bingham and Rhonda, of Amarillo, spent the weekend here with Mrs. Fay Bingham and Steve. Mr. and Mrs. Jerry Bingham were Sunday guests in the home of his mother, Mrs. Bingham.

E. L. Landtroop was brought home from Lockney General Hospital Sunday morning after having been a patient there most of last week. Mr. and Mrs. Joe Fowler, with whom he makes his home, reported that he showed some improvement early this week.

Mr. and Mrs. D. T. Northcutt, Mrs. Pat Northcutt and Mrs. William Strange, attended the Fat Stock Show in Amarillo Monday. Mr. Northcutt attended the Panhandle Livestock Association Meetings and the Panhandle Hereford Breeders Show. The ladies attended the luncheon and style show at the Amarillo Club given for guests of the Panhandle Livestock Association.

Mrs. Gladys Langston of Portland, Oregon, has been here visiting her sister and family, Mr. and Mrs. J. H. Wesley, and other kin since before Christmas. She is now staying with Mrs. W. Allard.

Winners Announced In Child Contest

Winners were named recently in the child photograph contest which is sponsored locally by Winston Lucas Studio of Irving, Texas.

First place winner was Steve Maples, son of Mr. and Mrs. Dyrle Maples.

Second place winner was Claude Earl Jarrett, son of Mr. and Mrs. Claude Jarrett.

Third place winner was Stacy McAlpin, daughter of Mr. and Mrs. W. V. McAlpin.

All the children are pictures on this page. First row: Kimberly Fleming, daughter of Mr. and Mrs. Don Fleming; Kirk Durham, son of Mr. and Mrs. Bill Durham; Todd McJimsey, son of Mr. and Mrs. Raymond McJimsey;

Second row: Janet, Jackie Dale and Jimmie, children of Mr. and Mrs. James Overman; third row: John and Barbara, children of Mr. and Mrs. Robert Ledbetter; Ruby Jo Jarrett, daughter of Mr. and Mrs. Claude Jarrett; fourth row: Claude Earl Jarrett, son of Mr. and Mrs. Claude Jarrett (second place winner); Rhonda Glen, daughter of Mr. and Mrs. Warner B. Grabbe; Danny French, son of Mrs. Billie French;

Fifth row: Stacy McAlpin, daughter of Mr. and Mrs. Willie McAlpin (third place); Kevin, son of Mr. and Mrs. Bob Weatherly; Mike, son of Mr. and Mrs. W. H. Martin.

Sixth row: Dwanna, daughter of Mrs. Billie French; Douglas, son of Mr. and Mrs. Harvey McJimsey; Johnny Roy, son of Mr. and Mrs. Shafe Weaver; seventh row: Alen, and Toney Gene, sons of Mr. and Mrs. Clifton Hamilton; Butch, son of Mr. and Mrs. Fred Brannon.

Eighth row: Norma, daughter of Mr. and Mrs. B. G. Toler; Rita Sue and David Lee, children of Mr. and Mrs. Clifton Hamilton; ninth row: first child not identified by Lucas Studio; Derrell, Jr., son of Mr. and Mrs. Derrell Crump; Annette, daughter of Mr. and Mrs. J. E. Minyard; tenth row: Scott and Dara, children of Mr. and Mrs. Billy W. Garvin; Rieta, the daughter of Mr. and Mrs. Kenneth Garvin;

Eleventh row: Janna Beth daughter of Mr. and Mrs. H. G. Boyles; daughter of Mr. and Mrs. Warner Grabbe; Carmen, daughter of Mr. and Mrs. James Butcher; twelfth row: Dianna Castro, daughter of Mr. and Mrs. Justo Castro; Steve, son of Mr. and Mrs. Dyrle Maples (first place); Donald Eric, son of Mr. and Mrs. Donald Ray Turner;

Thirteenth row: Ken, son of Mr. and Mrs. Charles Sarchet; Robin, daughter of Mr. and Mrs. Lonnie Drewry; Kena, daughter of Mrs. Estelle Rucker;

Fourteenth row: Christi and Susan, daughters of Mr. and Mrs. Pat Northcutt.

The youngest baby photographed was Carmen Butcher, who was six weeks old.

A family dinner was held in the home of Mrs. Claudia B. Welch and family near Parnell Sunday honoring Mr. Welch, whose birthday it was. Those enjoying the bountiful dinner of turkey and all the trimmings were Mrs. M. L. Welch and Ronald, Mr. and Mrs. Lynn Welch and sons, Mr. and Mrs. Bill Long and family and Mr. and Mrs. Carroll Welch and Donna.

Mr. and Mrs. Carroll Welch were in Dallas early this week for a checkup with Donna's doctor.

Mrs. John Vaughan spent the weekend and a few days early this week in Lockney with Mr. and Mrs. Bailey Henderson. Mrs. Henderson took her mother, Mrs. Vaughan, for a checkup with her doctor Tuesday.

Mrs. Eddith Morgan of Kress is spending this week with her sister and husband, Mr. and Mrs. Fulton Gregg.

Mr. and Mrs. B. J. Boling and daughters were recent weekend visitors with Mr. and Mrs. Jimmy Dale Boling and Rickey in Amarillo.

Mrs. Lula Bellinger and Mrs. Pat L. Northcutt, Christi and Susan, were in Amarillo Monday.

Mrs. Fred Lemons has recently returned from a holiday visit with her son and family, Dr. and Mrs. Joe Lemons, Ross, Gail and Eric, in Los Alamos, New Mexico.

Mrs. W. A. McJimsey has been in Lubbock for several days with her daughter and family, Mr. and Mrs. Bill Strickland and children. Mr. Strickland had been quite ill and has undergone surgery recently.

NOW... LIVELINESS AND LUXURY IN A FULL LINE OF LOW-PRICED CARS CHEVY II

Eleven new-size models make One-Stop Shopping easier than ever at your Chevrolet dealer's

Nothing fair to middling about the spacious and spunky new lineup of low-priced cars from Chevrolet! From the looks of these nifty top-of-the-line Novas (unmistakably new), you'd never guess they're so easy to own. Even some bigger cars wonder how we got so much full-size family room into such a parkable package—and such hustle out of a 6 that sips gas so sparingly. Your dealer will point out more reasons why luxury and a low price have never been more beautifully blended!

See the new Chevy II, new Chevrolet and new Corvair at your local authorized Chevrolet dealer's

A Stone Unturned

By Jerry Williamson

Republicans and Democrats hear ardent supporters of Democratic Party say, "Get out of the Republicans, and we can do something worthwhile." Then they read in the Amarillo and other papers that the Democrats, not the Republicans, are the main cause of all our problems.

Although we do believe in supporting at least some political party, we don't believe that either the Republicans or the Democrats should be booted out of existence.

We feel that each party serves a "tail twister" to the other. When the Republicans are in office, we hear a tremendous upsurge from the Democratic camp about the mistakes and unworthiness of all Republicans. And likewise, when the Democrats hold power in government, the Republicans rake them over the coals.

We see all this wrangling between parties as a service to the payers. As long as there is a group present to call out all errors and mistakes, the party in power is going to watch its step. Surely not even the most die-hard wool Democrat or Republican can wish for the total elimination of the other party when he realizes how stagnant his own group would become without that constant "stirring around" of the other party.

Remember: troubled water never stagnates.

We feel that there isn't enough political awareness in the majority of high school students. A young man or woman should look at both parties (or even a totally different one), and get behind what he agrees with and believe—and OSH!

It will be but three or four years before many of us will be voting. We need to be deciding now what we want for our country. Let's look at each party and investigate what each stands for, what each wants, and pick one to support.

Begin to decide now—vote later.

H. A. SELECTS SWEETHEART

In a meeting during Activity Period, Friday, January 19, the Silverton F. H. A. selected Freddie Edwards as F. H. A. Sweetheart for this year.

They also discussed the Sweetheart Banquet. A motion was made and passed that they invite the F. H. A. boys with the same policy that was used last year.

The homemaking girls also went to thank Mrs. Peugh for the spotwells she gave to the department. They are greatly appreciated.

HAVE YOU EVER NOTICED

the don't-bother-me-I'm-studying attitude of students before semester tests, and the don't-bother-me-graduating attitude of teachers after the tests?

the variety of ways in which a carton of milk is drunk in the lunchroom?

the lingering of girls in the lunchroom when there is a sizable amount of snow on the ground?

the eraser marks high on the walls and on the ceiling?

the ink mark on Shirley's sweater where she ran into Mrs. Lacy?

the stars in the eyes of grade school pupils when a high school student walks into their room?

the outrageous number of failures for the semester?

how easy it is to remember the details of a news story, and how hard it is to forget details in a history lesson?

the seniors congregating in little huddles in the hall discussing their Senior trip?

The Roving Reporter

Junior High Student Council News

By Nena McDaniel

The Junior High Student Council had a meeting Thursday, January 18. They decided who would say the prayer, pledge, and give the scripture at the assembly to be presented by Mrs. Hinds' third grade on January 19. They also discussed various other things during the meeting.

LETTERMEN AND "B" TEAM RECEIVE FOOTBALL JACKETS

Thursday, January 18, 27 Silverton football players received the annual award of football jackets. Coaches Whelchel and McAlpine presented red and gray coats to 18 lettermen and red award jackets to 8 "B" team boys who did not letter.

Lettermen receiving coats were: Rhoert Rhode, Larry May, Kenny Thornton, Bobby Kitchens, all Seniors; Bill Schott Jim Reid, Van Breedlove, Louie Strange, Johnnie Jewell, Fred Edwards, Butch Norris Jay Towe, Juniors; Emmett Tomlin, Dennis Tomlin, Dick Reid, Sophomores; Freddie Stafford, Larry McWilliams and Max Garrison, Freshmen.

"B" team awards went to: Gar-

ner Garrison, Dwight Rampley, Greg Towe, Rocky Curby, Wayne Nance Jim Smith, Orville Turner, and Robert Bomar. Stanley Fogerson manager, also received a jacket.

Coach Whelchel expressed his appreciation for the team and for their hard work and cooperation during the past season. In closing he said of the team, "They love the game of football; they love to get out there and compete and achieve something."

Robert Rhode, co-captain of the Owls, presented coaches Whelchel and McAlpine with gifts from the entire team and thanked them for their leadership and guidance.

LAST WEEK the Sports Department of Silverton High presented football jackets to the football team. Pictured above are the four Senior members of the team: Robert Rhode, Co-captain, Larry May, Co-captain, Bobby Kitchens, and Kenny Thornton. This year the

TWIRP WEEK ON THE WAY

Twirp Week, the annual Student Council free-for-all, will be observed at S. H. S. in the very near future although no definite date has yet been set. LaQuetta Chitty, Student Council Secretary, commented that Twirp Week would be a good time for the girls to shop around and maybe purchase a few bargains.

The Student Council also has announced plans for a faculty play to be presented immediately following basketball season.

FHA BAKE SALE SATURDAY

The F. H. A. will have a bake sale this Saturday, January 27, at Nance's and Stafford's Food Stores. The proceeds from the sale will be used to finance the Sweetheart Banquet.

Mr. Hinds, Rampley Attend Meeting

Mr. J. S. Hinds, Superintendent, and Mr. O. C. Rampley, High School Principal, attended an important administrative meeting which was held at Clarendon, Texas, Wednesday, January 17.

Mr. Hinds and Mr. Rampley were present at a meeting of the Panhandle School Leaders' Association. "The topic for discussion," Mr. Hinds said, "was 'Principles and Standards for Accrediting Elementary Schools.'"

S.H.S. SPORTS

FROSH WHIP TULIA 45-36

The Silverton Freshmen basketball team victoriously returned from Tulia Thursday night after defeating the Tulia Freshmen 45-36.

The Silverton crew seemed to dominate the game all the way even though the half time score was 18-17 with the Hornets leading. The fighting Freshmen Owls came back in the third quarter with a fresh attack and hurriedly made 20 points causing this quarter to end with a 37-26 score.

The game ended with 36 points for Tulia and 47 points for Silverton which are credited to individual players as follows:

Stafford	21
Curby	9
McWilliams	5
Tomlin	4
Garrison	4
Towe	2

Idalou Wildcats Pluck Owlettes

The "lucky charm" said good by to the Silverton Owlettes Friday night as they were defeated by the Idalou Wildcats 67-42.

The first quarter was an exciting 8 minutes and it ended with a tied score of 13-13. By half-time the Wildcats had jumped ahead and the score read 36-25.

The second half was fatal for the Owlettes. They couldn't seem to cut down any of that lead that kept mounting. The final buzzer found the score to be 67-42.

This defeat put the Owlettes 1-1 in district play. They hope to change Idalou's hope's of District Championship when they travel to Idalou and meet them on their home court.

OWLS MISS 2ND TRY BY 2

The red and white failed in their second attempt to seize a conference game victory Friday night. This was also the second time the Owls have lost by a very narrow margin as they were outscored by Idalou 46-44.

The Idalou bunch was ahead in each quarter except the third in which the score was tied 35-35. The tying of the score in this quarter by the Owls was the highlight of the ballgame since the second half was begun with the home team behind 21-28.

Silverton's score of 44 points is divided by individual scoring below with Thornton and Stafford making well over a majority of the points with 13 each.

Thornton	13
Stafford	13
Rhode	9
Peugh	7
Towe	2

FRESHMEN NEWS

By Robert Bomar

This semester the Freshmen boys are going to have driver's education instead of Texas history, whereas the girls are taking Texas history instead of driver's ed. We are also going to have English grammar instead of literature.

The football jackets have come in and the football boys are wearing them all around school.

This semester the bus routes change also.

Rev. Fisher Speaks To Student Body

"We must aspire to be what Jesus would have us be" was the central theme of Rev. M. E. Fisher's talk that he delivered to the high school student body on Wednesday, January 17.

He pointed out that in the changing world that we live in we can not lose sight of our final goal—eternal life with God. He pointed out that everyone should have a purpose for their life. They should decide what they want to do and then do it to the best of their ability.

Rev. Fisher ended with these famous lines from "To A Water-fowl":

"There is a power whose care Teaches thy way along that pathless coast,— The desert and illimitable air— Lone wandering, but not lost."

Robert Rhode, President of the Student Council, thanked Rev. Fisher for speaking to the students and expressed his appreciation to all Silverton pastors for their cooperation with the student council.

FOURTH GRADE NEWS

Mrs. Martin
By Kay Fleming

In science we are studying about hand lens. In arithmetic we are studying about subtracting and adding dollars and cents. In English we are studying about giving book reports.

FIFTH GRADE NEWS

Mrs. Baker
By Crockett Grabbe

Donald was absent 2½ days and we are glad to have him back.

We made book reports Wednesday in English class.

In geography we are studying about The Lake States. We are going to give a report on the Great Lakes Friday.

In health we are studying about the ear and sense of hearing.

We got our report cards Wednesday. Some liked them but some didn't.

LUNCHROOM MENU

- Thursday, January 25
Turkey pot pie, tossed green salad, peaches, cake, bread, butter, and milk.
- Friday, January 26
Hot dogs with chili, pork and beans, potato chips, ice cream and milk.
- Monday, January 29
Spagetti and hamburger meat, green beans, sliced tomatoes, honey, apple butter, rolls, butter, and milk.
- Tuesday, January 30
Pinto beans, vienna sausage, sauerkraut, bread, butter, and milk.
- Wednesday, January 31
Pizza pie, buttered corn, lettuce and tomato salad, apple sauce cake, bread, butter, and milk.

A Good Try

A little boy said to his friend on the school bus: "I woke up with chills and fever, headache, sore throat, earache, backache, and upset stomach — but it didn't work."

CALENDAR OF EVENTS

Thursday, January 25 — FBLA meeting during Activity Period
Friday, January 26 — Conference Basketball games with Crosbyton in local gym
Monday, January 29 — Student Council during Activity Period
Tuesday, January 30 — Class Meetings during Activity Period

FFA PLANS CHAPTER FARMER INITIATION FOR FEBRUARY

The F. F. A. met Friday, January 12, during activity period and decided to have the Chapter Farmer's Initiation February 1. Kenneth Peugh, F. F. A. President, appointed a committee of Van Breedlove, Johnny Jewell, and Stanley Fogerson to initiate the Chapter Farmers.

Talks With Teachers

As a new regular feature the OWL'S HOOT will present "Talks With Teachers," an informative question and answer session in which we ask their opinion on varied topics.

This week THE OWL'S HOOT interviewed Mrs. Alvin Redin, long time English and math teacher of Silverton High School.

Q. When you were in high school, did you always plan to enter college or did you decide after graduation?

A. I planned all my life to go to college.

Q. Did you enter college with the intention of becoming a public school teacher?

A. I was already teaching when I entered college. I had intended to be a teacher all my life.

Q. What caused you to pick the teaching profession as your life's work?

A. I don't really know. I loved my first grade teacher very much; that probably influenced me.

Q. What do you think are the most attractive aspects of teaching that might draw more young people into the profession?

A. I get worried because not more young people want to teach. We need young teachers in the profession very badly, but about the only thing to encourage them to become teachers is a desire to help others. I don't think about helping the pupils; I just get enjoyment and fun out of doing it.

Q. Do you think that low teacher salary is responsible for discouraging many from teaching?

A. I do. I know many of my ex-students who have had no college work who make a much higher salary than I do. Naturally, everyone likes to make money.

Q. What do you suggest as a remedy for the low-salary problem?

A. The public must wake up to the importance of teaching as a profession.

Q. What encouragement would you offer to a high school student who wishes to become a teacher?

A. Teaching offers you the opportunity to continue to learn. A real teacher or a real student derives much pleasure from learning. It is very stimulating to come up against actual problems that have to be solved. Association with people whose intelligence you admire is pleasant. You find that unusual spark of intelligence in a pupil where you least expect it many times, and that's a most thrilling thing.

THIRD GRADE NEWS

Mrs. Hinds

Lynette Martin, Darrell Muckleroy, Bobby Boyles, and Dan Baldwin made the honor roll this time. We are proud of them.

Robert Willis is back after several days of illness.

We really enjoyed putting on our assembly program. Most of our mothers came and we had a nice surprise party afterwards. We plan to put our program on again for High School assembly next morning. Nancy Hinds played for us.

We have reviewed briefly the lives of two great Americans born this week—Benjamin Franklin, January 17, and Robert E. Lee, January 19. We want to learn what they did for America. Maybe we too can learn to be great Americans.

FROM THE NURSE'S OFFICE

Did You Know?

The functions of blood are to convey food and oxygen to the tissues, to convey waste products and carbon dioxide from the tissues, to provide fluid to the tissues, to aid excretion of waste substances, to equalize body temperature and to carry internal secretions.
