Raye Garrison to State Vogue Pattern Contest

☆☆☆

Raye Garrison models the dress which won first place in the junior division of the Vogue Pattern Contest at the Caprock TFWC District Convention. Points included in the judging were appropriateness of fabric, suitability of garment, construction and fit, choice of accessories, as well as posture and neatness of the contestant. A short fitted jacket matches the sheath dress. (Briscoe County News Photo)

Raye Garrison, daughter of Mr. and Mrs. Don Garrison of Silverton, will represent the March of Time and Century of Progress Federated Study Clubs in the Vogue Pattern Show in San Antonio on May 9. Raye placed first in the Caprock District Convention in Plainview in the junior division of the show.

This victory entitles the Silverton entry an opportunity to

compete in the State Convention at which at National Contestant will be selected. A college scholarship will be awarded the first place winner in the National contest.

Raye used Vogue pattern 5088 to make her ensemble. The dress and jacket are of beige and gold shadow plaid suiting. The sheath dress has set-in sleeves as does the jacket for more versatile wear. The skirt of the dress is fully lined and all seams of the costume are finished with seaming and a zig zag stitch. Her hat, shoes and bag are black patent and her gloves are beige cotton. To complete her costume, Raye chose jet black beads and ear clips.

The accessories give a finished look to the costume and complement the dress and jacket.

Raye is a sophomore in Silverton High School and has had six years in 4-H Club work. This is her second year in home economics.

She is 5' 5 inches tall and has brown hair and brown eyes. She enjoys school and sports, and is active in her church.

Raye and her mother, Mrs. Don Garrison plan to leave for the Sixty-fifth Annual State Convention on May 7, and will return on May 10. Convention headquarters in San Antonio is at the Granada Hotel.

Funeral Services For Nelma Autry Held

Funeral services for Mrs. Tommy Autry, 24, of Silverton, were held at 2:00 p.m. Tuesday in the First Baptist Church of Carlsbad, New Mexico, with the pastor, Rev. Chalon Meadows, officiating.

Nelma Autry was born April 27, 1938, in Carlsbad, the daughter of Mr. and Mrs. W. D. Porter. She was graduated from Carlsbad High School and attended Howard Payne College two years before her marriage to Tommy Autry.

Mr. and Mrs. Autry moved to a farm three miles southeast of Silverton several months ago. She was a member of the First Baptist Church in Silverton.

Survivors are her husband, two sons, Doug and Michael; her parents, Mr. and Mrs. Porter of Carlsbad; two brothers, Glenn and Alfred Porter; and a sister, Miss Alva Porter, all of Carlsbad.

Burial was in the Carlsbad Cemetery.

Parents of Little Leaguers to Meet

All parents of Little Leaguers and parents of boys who are interested in playing Little League baseball this spring are asked to meet at 2:00 p.m. Saturday at the court house in Silverton.

This meeting will be for the purpose of organizing.

ESTABLISHMENT AND MANAGEMENT OF IRRIGATED PASTURE DISCUSSED

In the recent group meeting in the P.C.A. community room, Jack Douglas, Area Agronomy Specialist, spoke on the Establishment and Proper Management of Permanent Pasture Under Irrigation.

He pointed out that there are two types of permanent pastures

from which to choose. The sod-forming type, which includes Bermuda grasses, with Midland and Coastal the more adapted varieties in this area, and the tall-growing grasses, with the native species most suitable including switchgrass, Indiangrass, bluestems and others.

Mr. Douglas pointed out that management plays a big part in determining the production to be expected from irrigated pastures.

The most important factors to be considered are selection of fertile soil, amount of water and fertilizer applied and controlled grazing.

He stated that with good management it would not be uncommon to expect 600 to 800 pounds of beef per acre.

Some of the farmers and ranchers who are presently planning to plant irrigated pastures are W. J. Bryant, Raymond Teeple, Jim Mercer and Bud Vaughan.

Others who are interested in irrigated pastures may contact the Soil Conservation Service office for assistance or other information, according to Charley A. Rodgers of the SCS office in Silverton.

Mrs. M. C. Kitchens and Mrs. E. C. Newman were in Quitaque Saturday afternoon to visit the family of Marvin D. Wise, who was the cousin of Mrs. Kitchens. Mrs. Kitchens was unable to attend the funeral which was Sunday afternoon.

Screwworm Activity Spreading to Area

County Agricultural Agent Clarence Kerns reports that because of extremely favorable weather conditions for screwworm activity, screwworms have spread into Central and West Texas, most of the counties in the Edwards Plateau and about half of the counties in the Trans-Pecos area.

Kerns says that plans are being made to expand the sterile screwworm fly release area to include most of the infested area. The majority of the sterile flies being produced will be released in a barrier zone which will encompass the northern edge of the screwworm infested area.

Kerns encourages all livestock producers to inspect all livestock regularly, to treat all wounds promptly, and to collect ten or more worms from deep in the wound and bring them to his office. He points out that the more screwworms that are killed by chemical treatment, the fewer sterile flies will be required to overwhelm the native flies.

SILVERTON RIDING CLUB TO MEET FRIDAY NIGHT

Silverton Riding Club will meet Friday at 8:00 p.m. in the community room of Plainview Production Credit Association.

All members are urged to be there, according to W. H. Fitzgerald.

JOHNNIE LANHAM, Briscoe County Sheriff, was the winner of a Shetland pony at the Quitaque High School Rodeo held recently in the Stephens Ranch Arena. Said Sheriff Lanham with pride, "Now I can be a member of the Sheriff's Posse."

Mrs. Tommy Autry Dies In Car Accident

Mrs. Tommy Autry, 24, of Silverton was killed and five others were injured in a three-car accident at 5:30 p.m. Saturday, April 28, on the eastern outskirts of Plainview.

Mrs. Autry died at the scene of the accident.

The injured included Tommy Autry, 26, driver of the car, who suffered bruises, lacerations and severe shock; his mother, Mrs. W. E. Autry, also of Silverton, who received bruises and a leg fracture; and Michael Autry, the 11-week-old son of Mr. and Mrs. Tommy Autry, received mouth injuries. Mr. and Mrs. Charles B. Wood

of Cisco received bruises and lacerations.

All were taken to Plainview Hospital and Clinic. Tommy Autry was treated and released. None of the injured were believed to be in serious condition.

A second son of the Autrys, two-year-old Doug, was not injured.

Highway Patrolman Troy Porterfield said Mrs. Tommy Autry was a passenger in the front seat of the car driven by her husband. She was thrown through the windshield.

Her two sons and mother-in-law were riding in the back seat.

Porterfield said the Autry car struck the rear of a car driven by Loyd Dunlay of Lubbock. Passengers in the Dunlay automobile were not injured.

The Dunlay car was apparently stopped to make a left turn when hit. It was knocked into the west-bound lane into a car in which Mr. and Mrs. Woods were riding.

Autry told Porterfield that he had looked down for a second and when he looked up the stopped car was in front of him.

PRECINCT 8 DEMOCRATIC CONVENTION TO MEET

The Precinct 8 Democratic Convention will meet Saturday at 2:00 p.m. in Verlin Towe's office.

FOUR PIANO STUDENTS WIN GOLD EMBLEMS IN AUDITIONS

Four piano pupils from the classes of Mrs. A. E. Gragson, were candidates for membership in the National Fraternity of Student Musicians, sponsored by the National Guild of Piano Teachers, of which Mrs. Gragson is a member.

They were Paula Birdwell, daughter of Mr. and Mrs. E. A. Birdwell, and Barbara Davis, daughter of Mr. and Mrs. James Davis, of Silverton; and Neva Dale Morrison, daughter of Mr. and Mrs. Murray Morrison, and Barbara Chandler, daughter of Mr. and Mrs. O. E. Chandler, of Quitaque.

This group of young pianists played ten selections from memory and their scales to prove their musicianship and to earn their national honors.

The girls rated from excellent to superior.

From coast to coast more than 60,000 piano pupils participated in the annual piano-playing event in 600 cities across the country. Each entrant who made the grade

was certified, given a bronze or gold embossed pin, a year's membership in the National Fraternity of Student Musicians and Piano Hobbists of the World.

Local students participated in the auditions held in the First Methodist Church in Tulia. Lois Oliver, of Austin, Texas, was the contest judge.

RECITALS PLANNED

Mrs. Gragson, who teaches piano at Silverton, Quitaque and Flo-mot, has announced that her students will be presented in recital at 7:30 p.m. May 15, in the First Baptist Church in Silverton. About 22 will participate.

The recital will begin at 7:30 p.m.

On May 8, about 26 Quitaque students will be presented in recital in the school auditorium in Quitaque.

Friends and relatives of the piano students are invited to attend either or both recitals, according to Mrs. Gragson.

Republican Primary Will Be In Joe Mercer Home

The Republican Primary will be conducted for Briscoe County Saturday, May 5th, in the home of Joe Mercer, County Republican Chairman, in Silverton.

No candidates for county offices have placed their names on the Republican Primary ballot, and local contests will be voted by write-in.

Advertising Policy Is Explained

A word of explanation is due those who requested paid advertising on the front page of the Briscoe County News this week. It is a policy of this newspaper to accept for publication on page one ONLY the first political announcement made by each candidate.

If candidates and readers will leaf through the pages of the hometown newspaper today, you will realize that if all the political advertising appeared on page one, there would be no room for news and there would be a possibility that not enough room would permit all to appear on the page.

In fairness to all, we could not place the message of one candidate on page one and not the message of his opponent.

Each newspaper sets its policy and style. The Briscoe County News promises no special position to anyone; however, requests for positions on all pages except the first are given consideration.

Silverton Jets Take Friona 15-9

The Silverton Jets, semi-pro Irrigation League baseball team, defeated Friona at Friona last Sunday afternoon with a rousing 15 to 9 score.

The winning pitcher was Cope. The team travels to Muleshoe May 6 for a second game.

The first home game will be on May 13, with Springlake.

WEARING THE gold emblems they earned last week are Paula Birdwell, Neva Dale Morrison, Barbara Davis and Barbara Chandler. The girls, shown with their

piano teacher, Mrs. A. E. Gragson, received national honors in auditions conducted in Tulia, Friday, April 27. (Briscoe County News Photo)

JOHN C. WHITE

TEXAS COMMISSIONER of AGRICULTURE

EXPERIENCED
QUALIFIED
DEMOCRAT

John C. White will keep Texas FIRST!

(Ph. Post. Adv.)

To The Voters: Of Precinct 4:

Thanks to each and every voter for the encouragement and support in my behalf during my candidacy for Briscoe County Commissioner.

I have sincerely enjoyed visiting with the people of Precinct No. 4 during the past weeks.

Let me take this opportunity to urge each qualified voter to go to the polls Saturday, May 5, to cast your vote.

M. T. (Bud) McMinn

it difficult to be objective. Proctor has not spent the money his opponents have spent and he may not win—but we will feel we voted for the best man."

For Congressman-at-Large, Woodrow Wilson Bean of El Paso County, Manley Head of Travis County, Warren G. Moore of Smith County, Joe Pool of Dallas County, Charles H. Stevenson, jr., of Nueces County, Russell T. Van Keuren of Harris County and Phil Willis of Kaufman County, are candidates.

We don't know about the men in this race but we can't go along with Judge Bean's private revolution against income taxes. It sounds un-American to us, even though the sky-rocketing income taxes are discouraging.

For Associate Justice of the Supreme Court, place 1, Meade F. Griffin of Hale County and Jesse Owens of Potter County are the candidates. We, and a good many others in this county, are supporting Meade Griffin, former District Attorney for Briscoe County.

For Associate Justice, place 3, the candidates are Zollie Steakley of Travis County and Willard G. Street of Lamb County.

Otis Dunagan of Smith County and W. A. Morrison of Milam County are in the race for judge of the Court of Criminal Appeals.

Ben Ramsey of San Augustine and Keith Wheatley of Jones County are running for Railroad Commissioner. It is time for Ben Ramsey to retire from the world of politics, along with Wilson and Daniel.

For Commissioner of Agriculture are Evetts Haley, jr., of Randall County and John C. White of Wichita County. White is our sel-

ection, having served well in that position.

Most of the other races are uncontested.

Sometime ago, a reader requested that we write about the candidates telling the "truth" about each. The truth is relatively hard to find—most of what we know about each candidate is what he wishes us to know or what his friends or enemies tell as the truth and all these accounts vary greatly, sometimes.

Our opinions must be based on this information and on their records in public life. In our opinion we have made good choices, but we can only be sure of those whom we know.

We urge each qualified voter to raise his voice at the polls next Saturday. Because of the interest in local races, we believe a large percentage of Briscoe's voters will go to "have their say the American

To The People Of Briscoe County:

I want to say thanks for your past support, and to the voters of Precinct No. 4, a very special thanks for your past vote and support.

I hope I have conducted the affairs of the county and precinct in such a manner to merit your continued vote and support in the Primary Saturday.

Thanks,
O. M. (Milton) Dudley

Believing in this freedom of choice as the only way, we add that if anyone is unable to secure a ride to his voting place we will arrange it for him. Call 3381, the office of the Briscoe County News, and we will see that you have transportation to your voting place.

'End of the Rainbow' Party Honors Seniors

An "End of the Rainbow" party in the home of Mr. and Mrs. Clifford Allard honored members of the 1962 graduating class of Silvertown High School on Monday evening of this week. Mr. and Mrs. Berton Hughes and Mr. and Mrs. Allard were hosts.

Guests were greeted by Mrs. Allard. Mrs. Hughes presented each with a lapel pin which was a tiny white diploma tied with blue ribbon, denoting the class colors, which read "Seniors 1962." Mr. Hughes also greeted the students on their arrival.

The seniors were taken on a tour of the Allard home which included a stop in the bedroom where they received rainbow dinner mints and were welcomed to the party by Mr. Allard.

After this they were returned to the living room where a game of "Password" was played. After the conclusion of the game, they were escorted to the "End of the Rainbow," where they discovered the pot of gold contained personal gifts for each.

The dining room was decorated with a large rainbow which covered the entire wall. Beneath the rainbow was a bouquet of roses, the class flower. Blue raindrops and "Seniors 62" fell from the rainbow on a white background.

Tables were covered with cloths in rainbow hues and each table had a white or blue candle. "Congratulations" napkins and place cards decorated with blue birds and tiny white flowers marked each guest's place.

A salad dinner consisting of ham garnished with olives, jello pineapple salad, cherry fruit salad, apple salad, potato salad, tossed green salad, bread and butter pickles, iced tea, and banana nut cake topped with ice cream was served.

While the group ate by candlelight, a spotlight reflecting the colors of the rainbow radiated in an arch over the rainbow.

"Over the Rainbow," "Raindrops," and other dinner selections were played during the meal.

Randy Hughes was a guest of the graduating class.

Mrs. Wayne Rice of Providence announces the marriage of her daughter, Miss Carrie Sue Jones, to Mr. Wayne Rice, son of Mr. and Mrs. Print Rice of Floydada. Father of the bride is Doc Jones of Amarillo.

Wedding vows were exchanged Monday evening, April 16, in the C 6 C's Chapel at Port Hueneme, California.

Care With Power Lawn Tools Stressed

The job of keeping lawns neatly trimmed and mowed will become more time consuming with the advent of warm weather. Power tools for doing the jobs are readily available and power mowers are regular equipment around most homes. These mowers, improperly used, can run up the cost of lawn mowing, cautions the Texas Farm and Ranch Safety Council, by being accident hazards.

The rotary type mower can become a lethal machine, warns the Council, if it is used to mow lawns or weeds where rocks, bones, pieces of wire, nails or other debris can be found. The cutting blade can be broken by striking a hard object and hurled through the air. Wire can be cut into short pieces and hurled at bullet speed. Be sure, advises the Council, that the

area being mowed is free of such objects and that the mower is constructed so as to prevent being hurled toward the operator.

Furthermore, the Council suggests a few additional rules of safety which, if followed, could prevent many accidents involving lawn mowers or other power tools.

"Never," they warn, "try to make adjustments to a mower with the engine running. It's just good business to remove the wire from the sparkplug before attempting to repair or adjust the cutting blade or remove accumulations of grass or weeds from under the mower."

Children should not be allowed to operate a mower nor should a person who is barefooted or wearing open toed shoes. The engine should be cool when refueling is done and if an electric mower is used be sure the extension cord is in perfect shape or you may be in for a shock, warns the Council.

It's a good idea, say the Councilmen, to once again read the operator's manual which came with the mower or other tools before taking them out for another season. The folks who made the equipment are concerned about the user's safety and have made recommendations to insure a long and useful life for the machine and operator, concludes the Safety group.

Wendell M. Sullivan, Chaplain, USN, read the vows.

The bridegroom is stationed at Port Hueneme, aboard the USS Norton Sound. The bride is residing in Oxnard, California.

Mrs. Rice is the niece of Mrs. Cleo Bingham and Glenn Jones, and is the granddaughter of Mrs. Fleeter Boydston, all of Silvertown.

New From P. A. G.

P-A-G 34 . . . A Sorghum-Sudangrass Hybrid with rapid recovery after grazing or mechanical harvest — allowing continuous grazing or several cuttings of hay, silage, or green chop. Its red seed looks like grain sorghum. Plant it for top grazing potential.

P-A-G 35 . . . Another Sorghum-Sudangrass Hybrid. Similar to P-A-G 34 but with a sweet stalk and very juicy stemmed. This variety's red seed looks like Grain Sorghum. Plant it for high quality grazing.

P-A-G 1 . . . A semi-sweet, medium maturity forage Hybrid widely adapted to a variety of soil types. Non-grain producing unless blended with a pollinator — it produces exceptionally high tonnage in a shorter period of time than most standard varieties.

TO THE PEOPLE OF BRISCOE COUNTY:

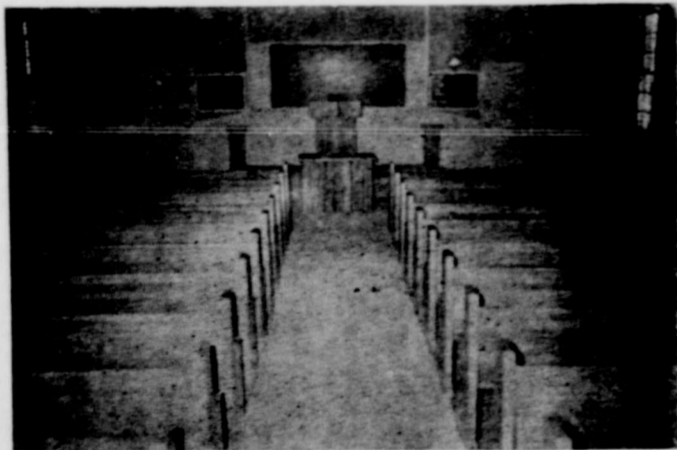

Just a reminder that Saturday, May 5th, is election day, and as you know I am a candidate for re-election to the office of County Judge.

During the time it has been my privilege to serve as your County Judge I have continually tried to work with and for all of the people of Briscoe County, at all times endeavoring to the best of my ability to conduct the affairs and duties of the office in a fair, economical and businesslike manner. It is my sincere hope that I have performed the duties of the office in such a manner as to merit your trust and confidence, and justify your continued support.

To each of you, I wish to express my sincere appreciation for the fine help and splendid cooperation given to me while serving as your County Judge, and a continuation of this same fine spirit of cooperation and support is earnestly solicited. I assure you that your vote and influence in the election Saturday, May 5th will be sincerely appreciated.

The Case Against Race Track Gambling

The sad fact of gambling can be told in four words of Damon Runyon, "horse players die broke." A two-dollar bet is murder. Gambling . . . two dollar . . . ten dollars . . . a hundred to recoup . . . is a cause of broken marriages, neglected children, poverty and sometimes suicide.

Ask a bank examiner. Ask a divorce court judge. Ask a probation officer. Ask your retail credit association. Ask the relief people. The easy money boys won't give you the answer.

Small wonder that the three D's of gambling have been described as Debt, Degradation and Death.

You won't succumb to the fever, nor will we. But frankly we don't want our kids to be exposed to such characters as Hot Horse Herbie, Harry the Horse, Bookie Bob and John the Boss.

We don't want our kids to grow up around a race track.

Do you?

Texas on May 5 will vote their opinion "for" or "against" legalized gambling. The primary ballots of both parties will carry the question. We who are against legalized gambling urge every thoughtful man and woman to vote "against."

Not one valid argument can be advanced on gambling's behalf. The total experience of mankind argues eloquently against it.

Is gambling economically justified?

Virgil W. Peterson, director of the Chicago Crime Commission, testifies "Gambling drains the salaries, savings and investments of a community into a business enterprise that serves no human need. Those who benefit from gambling profits are almost without exception members of the underworld who invariably control the gambling business."

Gambling is the biggest single cause of such crimes as embezzlement and invariably brings in its wake a mounting stack of unpaid bills, skipped installment payments, repossessed automobiles and furniture, and lapsed insurance policies.

Since some people gamble anyway, shouldn't we make it legal in order to police it?

The Chairman of the United States Senate Investigating Committee says no. "No plan for legalized gambling that was presented to us seemed to carry any guarantee of success."

Isn't race track gambling a good source of tax revenue?

Senator Alexander Wiley of Wisconsin says, "The idea that legalized gambling will be a revenue-raiser is an illusion. Every dollar raised from such sources means five dollars spent in higher police costs, higher court costs, higher penitentiary costs and higher relief costs."

But after all, isn't pari-mutuel gambling pretty harmless? So a guy loses two dollars.

This is the same, tired, fallacious combination of words mouthed by every gambling profiteer from Al Capone to Benny Binion.

Vote Against Race Track Gambling!

Valedictorian Of Class Announced

Robert Hughes, son of Mr. and Mrs. Berton Hughes of Silverton, Texas, is the valedictorian of the 1962 Silverton High School Senior Class, as announced by O. C. Ramsey, Principal.

The salutatorian cannot be announced at the time because of the extreme closeness of the next two highest averages. The salutatorian will be announced as soon as it is definite.

Robert Hughes heads his class with a high school average which, at mid-term of this year, was 96.64. For the four years that Robert has been in high school, he has been on the honor roll every six weeks.

This year Robert has served as Co-Editor of the school paper, *The Owl's Hoot*, reporter for his class, a member of the FBLA, and President of the Zenith Chapter of the National Honor Society.

Robert plans to enter the University of Texas this fall.

Attend Dallas FHA Meet

The Silverton FHA girls attending the FHA State Meeting in Dallas last week were LaQuetta Chitty, Rita Brown, Carolyn Garrison, and Becky Mallow.

The girls were accompanied to the meeting by Mrs. Paschal Garrison, Mrs. Albert Mallow, and Mrs. Jess E. Whittington. Mrs. Garrison and Mrs. Mallow are chapter mothers, and Mrs. Whittington is the chapter advisor.

The group returned from the meeting which was held in the State Fair Music Hall in Dallas, Saturday night. The state-wide meeting was held April 27 and 28. LaQuetta and Carolyn received their State Deacons in a very impressive ceremony entitled "Like a Rose Our Values Grow." Rita and Becky were delegates from the Silverton chapter.

Dr. James A. Jauncey, pastor of the First Christian Church in El Paso and a native of Australia, gave the keynote address, "Values Point the Way for FHA." He pointed out that "to develop the most powerful personality possible is the way to be the best wife and mother."

In becoming a powerful personality, Dr. Jauncey suggests: "... expressing the emotions within you to the utmost; finding contact with God and having a sense of loyalty and patriotism for your country."

Dr. Jauncey said that we need a religious faith to achieve—to draw out the powers we have within us, and that we would always be unhappy without this religious faith.

He urged the girls to have faith in the future of freedom. "The power of Communism is on the wane. It is not dead, but freedom is on the winning side. To win you have to have confidence in God, yourself, and freedom."

During the Friday morning session, honorary memberships in FHA were awarded to thirty-three men and women including Dr. Jauncey.

Friday afternoon, Rita Chaps of Brownsville, State President of the FHA, addressed the group on "What Right with FHA," assisted by state officers.

Student Council News

The Student Council reports that the recent volleyball tournament was a great success due to the cooperation of players, fans, and students.

The Student Council wants to express its gratitude to every person who attended and to every person who played. We especially appreciate everyone who sponsored a team and who after winning returned the prize money to the Student Council.

Due to the cooperation, the S. C. cleared a little over \$100.00. This money will be used to send S. C. officers to a summer workshop.

THIRD GRADE NEWS

Mrs. Amerson

Our Easter Party was one of the best this year. We sang songs of the season. We had an Easter egg hunt. Jesse Parras found the most eggs.

found the prize egg. Becky Stephens got the first prize of a rabbit doll. Patsy Davis got second prize, a plastic egg with more eggs inside. Thresa Tate got a basket for third prize. Thanks to the ladies who served refreshments, Mrs. Virgil Crow, Mrs. Don Burson, Mrs. Jesse Grimland, Mrs. A. W. Self, Mrs. Edd Edwards, Mrs. Melvin Hester, Mrs. Joe Davis and Mrs. Jeff Davis.

The third grade wishes to thank Janell McDaniel for bringing the large world map to school. We used it early in the year when we began the study of oceans and continents. We used it for the "American in Orbit" lesson. We have enjoyed the colorful picture of the world and have learned many places.

Roger Cowan took care of the horned toads during the Easter holidays and brought them back safely to school. We have red ants to feed them.

We are making bird books of colorful birds and original stories of what we know about them.

In phonics, we learn syllables, prefixes, suffixes, and root words. We have learned many ways to attack each word in order to pronounce it. Knowing all the words speeds up our silent reading.

WELL, WHAT HAVE WE HERE!

by bubbles

We hear that ROBERT RHODE ought to read *How to Improve Your Memory* before his next trip to Plainville. But then, maybe he enjoys waking up farmers at 1:30 in the morning to get gas. It pays, I think, not to get so carried away with your date that you forget to check your gas supply.

Ah! Spring has certainly sprung! You should just see all those mooning couples lounging on each other's arms in the hall. My, my, MY!

Cases in point: BRENDA MARTIN and DENNIS TOMLIN, PAT CAGLE and MIKE RIDGLEY, BUTCH NORRIS and JERRY SWEET, RAY MATTHEUS and SANDI HOUSE, BILL SCHOTT and SHARON WEAVER, DEANNA RITCHIE and JIM REID, TONY ALLISON and CAMELLIA COMER.

And others—
And may we say that ANN WINGO and LARRY MAY certainly are —
Yes.

VAN BREEDLOVE and JIM REID have started wearing identical shirts... BECKY MALLOW said something about how she would like to marry one of the TOMLIN boys—I'm not sure which one she was referring to, and I think there was a questionable motive involved... LARRY ELMS has been hearing unfavorable talk from BOBBY DURHAM about that cute thing at Floydada... JERRY WILLIAMSON agrees that ROBERT should read *How to Improve Your Memory*.

If the school is ever blown sky high, we'll know who is responsible. MR. WHITFILL'S third period chemistry class has been experimenting with something that makes an explosion much like the sound of a gun discharging.

MR. VERDEN'S physics class was out to prove that they could make an old rusty motor run. They won. Well, partially at least. With the help of the Master Mechanics, TRUMAN LOYD and RICHARD WHITFILL, the experiment proved a genuine success. I have heard, however, that Rusty took up "sponge carving" as a side interest.
