Whittemore Services Here This Afternoon

Funeral services for Mrs. Faye M. Whittemore will be conducted in the Silverton Methodist Church at 2:30 p.m. Thursday, December 5. The Rev. Carl Nunn, pastor, and the Rev. C. R. Hankins, a former pastor of the Silverton Methodist Church, will officiate.

Burial will be in the Silverton Cemetery under the direction of Roberts Funeral Home.

Active pallbearers will be Jack Strange, Norman Strange, Vaughtner Self, T. W. Rutledge, James F. Smith, John Earl Simpson, Hugh Nance, W. Arnold Brown.

Honorary pallbearers will be the directors of First State Bank in Silverton, First State Bank in Tulia and of the North State Bank in Amarillo.

Mrs. Whittemore, 48, died at 7:00 a.m. Tuesday at her home in Tulia.

She was the wife of Perry Whittemore, president of the First State Bank in Tulia and a vice-president of the First State Bank in Silverton. The Whittemore family had moved to Tulia from Silverton about 30 days ago.

Mrs. Whittemore was born on September 10, 1915, the daughter of the late Mr. and Mrs. Walter Allard of Silverton. She was married to Perry Whittemore in April, 1949, at Silverton. She was a member of the Silverton Methodist Church.

Survivors include her husband, of the home; three sons, C. L. Dunn of Tulia; Jim Whittemore, a student at the University of Maryland, and Mark Whittemore, of the home; one daughter, Mary Jon Whittemore, of the home; five brothers, Roy Allard of Brice, Clifford, Elmer and Dean Allard, all of Silverton, and Earl Allard of California; and two sisters, Mrs. Mable Mosley of Amarillo and Mrs. Chester Lee of Chula Vista, California.

Graham Services Today In Canyon

Funeral services for Mrs. Walter Graham, who lived near Happy and was killed in an automobile collision near there Tuesday morning, will be conducted at 10:00 a.m. Thursday, December 5, in the First Baptist Church in Canyon. The Rev. Strauss Atkinson, pastor, will officiate, and burial will be in Dreamland Cemetery there.

Mrs. Graham was born Nettie Mae Abbott on January 1, 1909, in Castro County.

She was married at Plainview June 4, 1929, and since then had made her home at Happy Hereford Ranch south of Buffalo Lake.

Mrs. Graham was a member of the Canyon First Baptist Church and the Eastern Star.

Surviving are her husband; four daughters, Mrs. Bobby Lee Henson of Happy, Mrs. Mable Anne Packard of Orinda, California, Mrs. Betty Jean Osborne of Dallas and Mrs. Billie Chaplowe of Stratford, Connecticut; and seven grandchildren.

McElroy Services To Be Held In Canyon

Funeral services for Mrs. Adelle Money McElroy will be conducted at 2:00 p.m. Thursday in LaGrone Funeral Chapel in Canyon.

Mrs. McElroy, 78, died at 2:00 p.m. Tuesday in Swisher County Hospital in Tulia where she had been a patient since Saturday afternoon.

Burial will be in the Canyon cemetery where her husband, the late Jeff McElroy, is buried.

Mrs. McElroy was born June 20, 1885, in McLennon County. She had been a resident of Happy for many years before moving to Canyon in 1945. She came to Silverton about two months ago to live with her half-sister, Mrs. Florence Fogerson.

She was a member of the Church of Christ.

Survivors include the half-sister, Mrs. Fogerson of Silverton; a step-brother, Howard Stephenson of Happy; five nephews, Ed and Bill Money of Canyon, Charles Money of LaJunta, Colorado, Clarence Long of Austin, and Ware Fogerson of Silverton; two nieces, Mrs. Don Williams of Austin and Hazel Long of Oakland, Califor-

Cotton Quota Polling Places Set

J. M. Norton, a State Soil Conservation Service Water Engineer from Austin, was here recently for a meeting with the Tule Creek Water Program steering committee and interested persons from Briscoe, Castro, and Swisher counties. Pictured with Mr. Norton is Bill Long of Silverton, chairman of the steering committee. Mr. Norton explained that the project appears to be too large to be undertaken by the Soil Conservation Service. After an aerial tour of Tule Creek he told the group that a good damsite is available and advised that they continue to work toward the building of a dam on Tule Creek.

Polling places where Briscoe County farmers may cast ballots in the referendum on marketing quotas for the 1964 upland cotton crop were announced today by

Toys For Tots Needed At City Hall

Toys which can be repaired are needed by the Silverton Fire Department for the annual "Toys For Tots" program.

Any toys which you would like to give away for needy children's Christmas gifts can be left at City Hall. If you call Fred Strange at City Hall he will arrange for them to be picked up.

Louie Kitchens, Chairman, Agricultural Stabilization and Conservation County Committee. The referendum will be held on Tuesday, December 10.

The polling places are located as follows:

- Merle McMurtry home
- Briscoe County Courthouse
- Dempsey Gin
- Quitaque City Hall
- G. W. Selmon home

Polls will be open from 8:00 a.m. until 6:00 p.m.

Chairman Kitchens explained that every effort has been made to inform farmers fully about the allotment-quota program, so that the outcome of the referendum may represent the considered opinion of all the voters Farmers eligible to cast ballots are all

those who engaged in the production of the upland cotton crop in 1963. Approval by at least two-thirds of the growers voting is necessary if the quotas are to go into effect for the 1964 crop.

Issues to be decided in the December 10 referendum are (1) quotas or no quotas, and (2) the level of price support to be available for the 1964 upland cotton crop.

If the vote is favorable, quotas will be in effect for the crop — with penalties on any "excess" cotton produced on a farm, and price support to growers who comply with their farm allotments will be available at a level of from 65 to 90 percent of parity.

If the vote is not favorable, there will be no quotas or penalties applicable to the 1964 upland cotton crop, and price support to cooperators will be at 50 percent of parity, as directed by law.

Growers who have any questions about their eligibility to vote or about any particular part of the cotton program are urged to get in touch with the ASC County Committee.

Cotton Vote Defined By County Chairman

Just what a "yes" or a "no" vote will mean in the December 10 referendum on cotton marketing quotas was explained today by Louie Kitchens, Chairman, County Agricultural Stabilization and Conservation Committee. All farmers who engaged in the produc-

tion of upland cotton in 1963 are eligible to vote in the referendum.

The Chairman said that the basic program choices are:

1. If at least two-thirds of the growers who vote in the referendum approve of quotas, then the quotas will be in effect for the 1964 upland cotton crop, marketing penalties will apply to any "excess" cotton produced on a farm, and price support at a level within the range of 65 to 90 percent of parity will be available to farmers who comply with their farm acreage allotments.
2. On the other hand, if more than one-third of the growers who vote oppose the quotas, then there

will be no quotas and no penalties applicable to the 1964 upland cotton crop, and price support to farmers who comply with their farm acreage allotments will be available at 50 percent of parity, as directed by law.

Allotments are not affected by the outcome of the marketing. They will remain in effect — whether or not quotas are approved — as a means of determining eligibility for the available price support.

Mr. Kitchens pointed out that, while the Secretary of Agriculture is directed by law to proclaim quotas for the next crop when the total cotton supply exceeds normal, it is the growers themselves who decide whether or not quotas shall be used. Previous votes on the subject have been outstandingly favorable. Marketing quotas for the 1963 upland cotton crop were approved by 93.7 percent of the growers voting.

Allotments for individual farms have been made available to growers so that farmers may have the information prior to the December 10 referendum.

Santa Letter Time Is Here Again

An announcement from the North Pole this year indicates that all letters to Santa postmarked on or before December 15 will receive answers. Children are asked to get their Santa letters in the mail early to avoid the last minute rush of mail.

Letters should be addressed to: SANTA North Pole 99701

Return addresses should bear the child's name, address, and Silverton, Texas 79257. All correctly addressed letters using the proper ZIP Codes will be answered, and through a special arrangement with the North Pole, all the letters will be printed in the Christmas issue of the Briscoe County News.

Flower Cottage Opening Saturday

Robert and Ava McJimsey have announced the formal opening of the Flower Cottage, 107 Tenth Street, Silverton, will be from 9:00 a.m. until 7:00 p.m. Saturday, December 7.

The opening will be highlighted by a Christmas Wonderland of decorations, gifts and toys. Door prizes will be given.

Mr. and Mrs. John Francis, Lori, Lesa and Dave spent Thanksgiving in Amarillo with her parents, Mr. and Mrs. Alvie Davis.

SILVERTON, TEXAS

"MIRROR OF THE PLAINS"

Agnes Bingham hosted the Silverton Owl football team, cheerleaders, coaches and wives, school principal and wife, and the local newspaper family at a supper at the City Cafe Monday, November 25. A menu of fried steak, mashed potatoes, green beans, corn, salad, tea, cake and ice cream was served. Tables were decorated with a Thanksgiving motif. Mrs. Bingham is pictured serving Max Garrison, William Welch, Monty Smith and Wayne Nance.

Seventh Grade Presents Play

On Wednesday, November 27, Mr. Jarrett's seventh grade presented the play, "No Time for Skirts," for the high school.

winter penetrated the environs of Owl gym. The Owls made a cool 13 out of 70 attempts from the floor as Kress pulled away. The loss was summed up at the free throw line as the Owls had a single attempt to fall out of 15 tries.

Greg Towe headed up the dismal showing with eight counters. Gary Hunt followed with seven. Encouragement was seen even in defeat, however, as many Owl limbs and hobbles are disappearing.

Both teams are in the Kress Tournament this weekend.

Senior Scoops

by Raye Garrison

The Senior class met November 22 and 26 for the purpose of measuring for caps and gowns. The class had previously selected blue gowns for the boys and white for the girls.

The play was the story of a family with a teacher problem. An unwanted English teacher was about to move in with the family. The children in the family didn't want her and neither did their father. So the children dreamed up a plan to get rid of the teacher. The plan back-fired, but the play ended on a happy note when they discovered that the teacher was a "regular guy" after all.

Good Looks Aren't Everything -

by Mary Monroe

Have you heard the saying "pretty is as pretty does" or that "beauty is only skin deep"? If so, have you stopped to think what it really means?

A pretty face or a handsome face is not the only important factor in being considered pretty or handsome. It goes much deeper than that.

Actions are very important. If a person uses foul language, tells inappropriate jokes, thinks he is better than anyone else, etc., his actions detract from his looks.

Personality is also an important factor. If a person has a smile on his face for everyone, it doesn't really matter if he is good-looking or not. People are always glad to see someone like this coming.

Manners also help appearance. If someone is polite to everyone he is well thought of, which makes him attractive to others. If he says "yes sir" or "no sir", "yes mam" or "no mam," "thank-you," and "please," his attractiveness is

added to still more.

Many of us have met someone for the first time and thought he was very attractive. Then as we got to know him better, his actions, personality and manners made him less and less attractive.

One must possess good actions, personality and manners before he or she can be considered truly handsome or beautiful.

\$100 Scholarship To Be Given Next Spring

The March of Time Study Club has announced that it will present a \$100 scholarship to the graduating senior who holds the highest four-year average in mathematics.

The award is being given for the fourth consecutive year. Two years the scholarship has been presented in science and one year in English prior to this time.

WHAT S.H.S. THINKS

Do Sports Receive Too Much Emphasis Here!

This week several students and teachers were asked their opinions regarding sports in our school. The question asked was, "Do sports receive too much emphasis here at school?"

O. C. Rampley—No, I think sports are in their proper place here. We feel that the student is here to get an education. Sports play an important part in this because of the citizenship training and self-discipline involved.

Coach Robert Whelchel—No, I feel that sports don't receive enough emphasis. If an athlete fails three subjects or breaks training, he gives up his eligibility for six weeks. Our athletes devote at least an hour and a half daily to sports, plus being class officers, club officers, and belonging to different outside organizations, and they still maintain some of the best grades in school. They learn how to use their spare time by being a part of our sports program. I feel like a boy or girl learns many phases of life by being a part of sports.

Mrs. Ben Lesley—Here at Silverton High we have a well-rounded program including a strong academic course and co-curricular activities as well as participation in Interscholastic League sports. It is fortunate that we have the activity period during our school day so that any student may participate in activities other than, and in addition to, those connected with sports. Therefore, it seems to me that athletics are not over-emphasized in our school. Too, I find that in most cases the athletes in my classes make the superior grades.

Randy Hughes—I don't think

DR. ROY McCLUNG ADDRESSES STUDENT COUNCIL MEETING

by Mrs. A. L. Redin

Jealeta Eddleman, Elaine Boyles, Masako Nakabe and Mrs. Alvin Redin were representatives of the Silverton High School Student Council to a meeting of the South Plains Association of Student Councils at Dimmitt High School last Saturday. The main address was given by Dr. Roy McClung, President of Wayland College.

Dr. McClung had prepared a speech entitled, "Youth, the Foundation of the Future." In view of the assassination of President John F. Kennedy the preceding day, he changed his plans and delivered an extemporaneous address which seemed to be an audible

expression of all our thoughts—an expression far more explicit and meaningful than we could have given. The crowd of about 200 high school students and sponsors sat as if transfixed. You could have heard a pin drop.

The Resolutions Committee drew up a message of condolence and regret to be sent to Mrs. John F. Kennedy and family from the schools represented by the S.P.A.S.C.

WHEREAS, On the 22nd day of November, in the year of our Lord 1963, the President of the United States met his death at the hands of an assassin in Dallas, Texas,

BE IT RESOLVED, That this meeting of the South Plains Association of Student Councils rise for a period of silent meditation in honor of our martyred President and in respect to his memory, and, be it further

RESOLVED, That the secretary of this association be instructed to send letters of condolence and sympathy to the family of the late President, and,

BE IT HIGHLY ESOLVED, That we shall all return to our homes with the purpose in our hearts to establish brotherly love where there is hate, to bring hope where there is despair, and to "ask not what our country can do for us but what we can do for our country," in order that we may build a country in which such a terrible event as we have witnessed can never again take place.

Study Made Of Ill-Fated Presidents

O. C. Rampley spends quite a lot of time studying presidents while working with his government class and has come up with the following interesting and almost frightening information.

Since 1840 every President of the United States of America elected in an "0" year has died in office. With our four-year terms of office, election occurs on an "0" year every 20 years.

William H. Harrison was elected in 1840 and died in 1841; Abraham Lincoln was elected in 1860 and died in 1865; James A. Garfield was elected in 1880, and died in 1881.

William McKinley was elected in 1900 and died in 1901; Warren G. Harding was elected in 1920 and died in 1923; Franklin D. Roosevelt, elected in 1940, died in 1945.

John F. Kennedy completed the series. Elected in 1960, he died in 1963.

This accounts for every President who has died in office except Zachry Taylor, who was elected in 1848 and died in 1850.

Lester Grabbe's Essay To Be Published

Lester Grabbe, a senior in Silverton High School, has received a certificate of acceptance from the National Essay Association.

The certificate stated that an essay which he had submitted had been accepted for publication in the Annual Essay Anthology.

that sports receive too much emphasis here at school. The number of sports we have are adequate for the size of our school. Even though we all like to participate in sports, we, the students and the school, shouldn't let them come before the scholastic part of the school.

Riley Harris—This is a hard question to answer. Sometimes I think there is, and then other times I think there isn't. If there wasn't anything to do except study it would get awfully boring around here, and besides, you get a lot more out of sports than is realized.

Owls Sweep and Split

by Coach Ben Lesley

The Silverton Owls and Owl-ettes started the 1963-1964 basketball season on a victorious note with twin wins over the Clarendon Bronchos. The Owl-ettes prevailed 41-33 as Martha Mills and Sharon Weaver led the way with 16 and 14 points respectively. Dianne Davis and Pat Cagle headed up the defense.

The Tomlin twins, Dennis and Emmett, provided the push with 13 and 11 points as the Owls conquered the Bronchos by a 44-34 margin. Seeing action were Gregg Towe, Max Garrison, Rocky Curry, Gary Hunt and Larry McWilliams.

A pre-Thanksgiving double-header against the Kress Kangaroos resulted in a split for the local forces. The Owl-ettes came to the front with a 41-40 win; the Owls caught the short end by a 38-27 disadvantage.

Tena Williams pushed in nine points in the final stanza to provide the edge in the Owl-ette win. She was also high individual for the game with 19 markers. The Owl-ette guards provided the victory by allowing the Kress forwards only 20 shots from the field. Jealeta Eddleman and Margaret Minyard led the way on defense.

The Owls fluttered, stumbled, and fell before the Kress Kangaroos as the first icy blasts of

Apple-Jowell Vows Exchanged in Canyon

Mr. and Mrs. William E. Jowell are at home in Canyon following their marriage November 27 in the College Chapel at West Texas State University.

The double-ring ceremony was performed by Earl Cantwell, minister of the Church of Christ, Silverton.

Attending the couple were Patty Dunnihoo and John Jewell. Wedding music was played by Mrs. Pat Patton.

The bride is the former Bonita Dunnihoo Apple, daughter of Mr. and Mrs. D. W. Dunnihoo of Perryton. She is a graduate of Perryton High School and is a student at West Texas State University.

The bridegroom is the son of Mrs. John E. Jowell of Silverton. He is a graduate of Silverton High School. He spent nine years in the U. S. Navy and will graduate from West Texas State University at mid-term.

Sweek-Perkins Vows Exchanged Here

Earl I. Cantwell, minister of the Rock Creek Church of Christ, read the single ring service uniting in marriage Miss Jerry Sue Sweek and Floyd Perkins in the home of the bride's parents, Mr. and Mrs. R. E. Sweek. Vows were exchanged at 8:00 p.m. Friday, November 22.

Mr. and Mrs. Donald Perkins attended the couple.

After a reception in the Sweek home the couple left for their home at 305 B Mississippi in Amarillo.

Both the bride and bridegroom attended Silverton Schools. He is employed by an Amarillo plate glass company.

Guests at the wedding included Mr. and Mrs. Tom F. Perkins, parents of the bridegroom; Kathy Perkins, Mrs. Ott Perkins, Jerry and Jimmy, Ann Smith, Guy Breedlove, Sheryl May, Mr. and Mrs. Pete Hale and children, and Rhonda Sweek.

Book Reviewed By Mrs. Troy Burson

"Life In The Saddle" by Frank Collinson was reviewed by Mrs. Troy Burson, Texas Heritage Chairman, for the Texas Day program of the March of Time Study Club. Members met in the P.C.A. community room at 3:00 p.m. November 21, 1963, with Mrs. Marvin Montague presiding during the business session.

Mrs. H. A. Cagle was welcomed as a new member. The club voted to give the \$100 scholarship to the graduating senior with the highest four-year average in math.

Gifts will be sent by the members to the State Hospital at Wichita Falls at Christmas. Fruit cakes are being sold again this year. "Life In The Saddle" is the story of Frank Collinson's life as a cowboy. He was born in England and came to Texas as a young man. His daughter, Mrs. Allen Jefferies, lives at Clarendon, and a son, Ralph Collinson, lives in Amarillo.

Frank Collinson lived to be 88 years of age. Mrs. Burson reviewed the events in his life in such a way that her listeners were made to feel that they knew the man. He was a true cowboy who endured all the hardships of the early day cowboys and pioneers. The thought for the day was, "A Brand is not a brand of cigarettes or coffee, nor does it mean a brand new hat. In Texas it is the heraldry of the range and ranch—the owner's insignia burnt upon the bovine's behind."

Refreshments were served by the hostesses, Mrs. Clarence Anderson and Mrs. J. V. Self, to Miss Anna Lee Anderson, Mrs. Clarence Anderson, Mrs. Tony Burson, Mrs. Troy Burson, Mrs. True Burson, Mrs. T. T. Crass, Mrs. Rex Dickerson, Mrs. J. W. Lyon, jr., Mrs. Alvie Mayfield, Mrs. Fred Mercer, Mrs. Marvin Montague, Mrs. D. T. Northcutt, Mrs. Alvin Redin, Mrs. W. E. Schott, jr., Mrs. Ben Whitfill and Mrs. H. A. Cagle.

Mrs. Bailey Hill spent the Thanksgiving holidays with Dr. and Mrs. J. H. Hamblen in Abilene.

CARD OF THANKS
We wish to take this opportunity to express our sincere thanks to our friends and neighbors for their many acts of kindness during our recent sorrow after the death of Crystela Saucedo on November 27 in Fritch, Texas. The food, flowers, cards and other thoughtful gestures meant so very much to us and we shall forever be grateful to all of you and to the employees of H. B. Zachry Co. May God bless you.
Mr. and Mrs. Jose G. Saucedo and family, Fritch, Texas
Mr. and Mrs. Marcos Saucedo and family, Silverton, Texas

CARD OF THANKS
We wish to express our sincere thanks for all the many deeds of kindness shown us at the loss of our baby. Thanks for the food, floral offerings and contributions.
Mr. and Mrs. Thomas Dog Taking Gun and family

CARD OF THANKS
We are grateful for the prayers, cards and other courtesies extended to us during Linda's stay in the hospital.
And it was good to be remembered by our friends in our bereavement at the loss of my father.
Mrs. Clifton Guice and family

Mrs. Clyde Hopson of Winslow, Arizona, arrived early last week for a visit with local relatives, Mr. and Mrs. Wade Welch, Mrs. M. L. Welch, Mr. and Mrs. Onar Cornett and Mrs. Fay Bingham.

Mr. and Mrs. Jack Dempsey, owners and operators of Dempsey Gin, spent most of last week at their home in Lubbock. Mr. Dempsey was ill while there but was able to return to their home at the gin Friday evening and is improving. While in Lubbock Mr. and Mrs. Dempsey had visitors from California and New Mexico.

NOTICE OF HEARING TO APPROPRIATE PUBLIC WATERS OF THE STATE OF TEXAS

No. 2299
Notice is hereby given to whom concerned that the application of GERALD SMITH
the post office address of whom is P. O. Box 285, Quitaque, Texas, was received on the 6th day of November, 1963, in the office of the Texas Water Commission. Applicant seeks a permit to appropriate 100 acre-feet of water annually for the irrigation of 100 acres of land from an existing 132 acre-foot reservoir on Cottonwood Creek, tributary of Los Linguas Creek, Quitaque Creek, North Fork Pease River, and the Pease River, Red River Basin, in Briscoe County, Texas, all being more fully described in said application.

Midpoint of the dam is approximately 180 feet in a northeasterly direction from the southwest corner of Section 8, Block 3, T & P RR Company Survey, Abstract Nos. 1079 and 1444, in Briscoe County, Texas. The structure is located approximately four (4) miles west of Quitaque, Texas.

Said application was accepted for filing pursuant to Article 7500a by the Texas Water Commission on the 26th day of November, 1963, as Application No. 2299, and a hearing thereon will be held by the Texas Water Commission, in the office of the Commission at Austin, Texas, on Monday, January 6, 1964, beginning at ten o'clock a.m., at which time and place all parties interested may appear and be heard. Those opposing the granting of said application should file written protests with the Commission and the applicant at least five days prior to hearing date, giving their reasons therefor and such other information as is required by Commission Rule 305.2. Such hearing will be continued from time to time, and from place to place, if necessary, until such determination has been made relative to said application as the said Texas Water Commission may deem right, equitable and proper.

Given under and by virtue of an order of the Texas Water Commission, at the office of the said Commission at Austin, Texas, this the 26th day of November, 1963.
Joe D. Carter, Chairman
Texas Water Commission
Attest:
Audrey Strandtman, Secretary (SEAL)
