Recently, we have used quotations from Barry Goldwater regarding his views on education in this column. Regarding religion Senator Goldwater also has had his statements quoted.

The August 28 issue of Time Magazine quoted Senator Goldwater as saying: "With the kind of life I have, Peggy and I just don't usually get around to it (going to church) . . . With me it is like old Senator Henry Ashurst of Arizona used to say: 'The saddle is my church, and the trees are my cathedral.'"

Dr. William H. Crook, President of San Marcus Baptist Academy, commented: "Our pastors are confronted with the already impossible task of keeping the pews filled. If a man who could conceivably become the President of the United States is for substituting trees for cathedrals, then we are in danger of a continuing and accelerated moral decay . . . I hope and pray that he does not advocate the reduction or abolishment of formal religion as his remarks in Time would indicate."

Mr. Goldwater has made morality a great campaign issue. From the Congressional Record come the following quotations from a speech by Thomas J. Dodd of Connecticut delivered in the United States Senate September 16, 1964.

"Crime and delinquency are indeed among our gravest domestic problems. They reveal a certain sickness in our society. Thousands and thousands of dedicated men and women have devoted their lives to this problem, in law enforcement, in social work, in the academic world, in mental institutions, in civic and fraternal organizations, in parents' groups, in churches, and in other areas.

"Senator Goldwater and Representative Miller have been conspicuously absent from this struggle, and I hope I speak for all who regard this as a grave and tragic problem instead of a campaign issue when I say that we are dismayed that they have now taken up this issue purely as a political propaganda sideshow.

"They have nothing to say about the many complex causes of crime and delinquency, about slums, overcrowded cities, broken homes, poverty, racial discrimination, mental illness, inadequate crime laws, underpaid policemen, license in our mass media, inadequate school and recreational facilities, and others. Not only do they have nothing to say about these causes, but when proposals have been brought forth to deal with these conditions, they have consistently opposed them.

"Senator Goldwater's position is simply that since a Democratic administration is in power in Washington, it is responsible for the crime and violence in our local communities, in the streets of our towns, and in the homes of the American people.

"Heretofore, it has been thought that the first responsibilities for moral training and conduct were in the home, the church, the school, and the community. Suddenly Senator Goldwater has shifted these responsibilities to the Federal Government and to the White House.

" . . . contrary to Senator Goldwater's statement that under the Eisenhower administration the Nation's Capitol was an example of peaceful progress and a lack of crime, the truth is that the crime rate had its most significant leap forward right in the middle of the Eisenhower administration. For instance, in 1958, crime in Washington, D.C., rose 23 percent. I do not cite this fact to lay crime in the District of Columbia at the door of the Eisenhower administration. I cite it to show that any attempt to make partisan use of crime statistics is pure charlatanism of the worst sort.

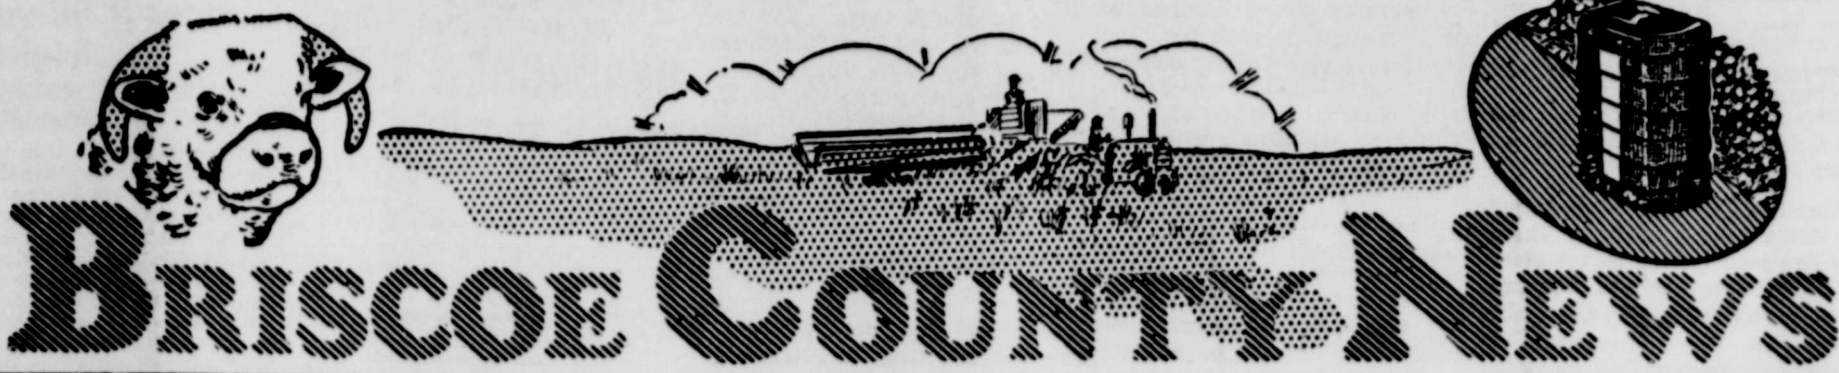

"According to the FBI reports, Washington ranks 13th in crime rate among the larger cities in the country.

"By contrast, Phoenix, Arizona, where the Senator's own influence and that of his ideology should loom largest, is fourth in the Nation.

" . . . the cold statistics do not bear out Senator Goldwater's contention that centers of civil rights disturbances are centers of crime. The three highest centers of crime, ahead of Phoenix, are Las Vegas, Los Angeles and Miami."

Owls Defeat Sudan In District Clash

Max Garrison (31) and John Montague (41) team up to stop the Sudan ballcarrier, Mike Smith (12), as Greg Towe (11) and Johnny McGavock (82) come in to assist. (Briscoe County News Photo)

The Silverton Owls battled the Sudan Hornets here Friday night, and when the dust had cleared the Owls flew out with a 8-0 victory.

The Owls now stand 1-1 in district play.

Max Garrison carried the only touchdown of the evening from one yard out, and Greg Towe carried over for the two extra points.

Towe had set up the touchdown by returning a Sudan quick-kick to the Sudan 13-yard line.

Sudan threatened to score just seconds before the first half ended. As the Owls put up a stout defense the Sudan quarterback dropped back and fired a pass into the arms of Greg Towe in the end zone. He was not able to travel far, and the half ended while the play was in progress.

Late in the third quarter Sudan moved down to the Silverton nine-yard line before the Owls threw up a wall and stopped the forward progress.

Silverton penetrated inside the Sudan ten-yard line in the fourth quarter before being halted by a fumble which Sudan recovered.

The game ended just seconds after Max Garrison intercepted a Sudan pass and carried it to the Sudan 20-yard line. The Owls were on the Sudan 16, knocking on the door again, when the final gun sounded.

All the Owls turned in a good game. Each team's defense held the other's offense so well that neither team made a lot of yards rushing. Silverton made eleven first downs as compared with nine for Sudan.

Towe completed passes to John Montague, Rocky Curby, Johnny McGavock and Max Garrison.

Sudan stopped an Owl drive in the second quarter by intercepting a pass. Randy Hughes recovered a Sudan fumble in the third quarter to return the favor.

The Owls travel to Farwell Friday night. Game time is 7:30 p.m. With lots of help and encouragement from the fans, the Owls are hoping to make this conference win number two.

The Steers continue to be rated first in District 3-A and the Lubbock Avalanche Journal has Silverton rated number three. The Owls could perform the same brand of upset over Farwell as they did with Sudan last week.

Mrs. Cornett Hosts Haylake Club Meet

The Haylake Club met October 22 in the P.C.A. community room with Glenna Cornett as hostess.

Cokes and cookies were served to the following members: Ella Leah Riddell, Maude McJimsey, Mary Lee Watters, Ruby Brannon, Mae Rackley, Bessie Vaughan, Blanche Newman, Lillus Ruth McJimsey, Mary Rampley, Vaughnell Brannon, Mildred Brooks and guests, Kim and Mike Cornett.

The afternoon was spent finishing quilt blocks and sewing quilts together. Secret pal gifts were exchanged.

Next meeting will be November 5 at the fire hall with Blanche Newman and Maude McJimsey as hostesses for an all-day meeting. A luncheon will be served at the noon hour, and members are to bring a covered dish and a chair. Quilts will be quilted.

Mr. and Mrs. Mack Gaston and sons of Saint Jo brought her mother, Mrs. C. M. Chappell, home Saturday and spent the weekend here with local relatives. Mrs. Chappell had been visiting in Saint Jo for a month.

The ballot for the November 3 General Election is a long one. Included are three proposed amendments to the state constitution.

Voters should remember when marking their ballots to mark out every name across the sheet except the name of the candidate for whom they wish to vote. When voting the straight ticket, it is only necessary to draw a line through the complete columns of candidates of the other parties. There are only a few candidates listed for the Constitution Party and only one candidate listed for the Independent Party.

If the names of more than one candidate for a particular office are left unmarked, then neither of the candidates receives a vote.

Likewise, if none of the proposed amendments are marked then no vote will be tabulated for or against them. If a voter declines to vote on the amendments but otherwise correctly marks his ballot, then the correctly marked portion will be counted.

A write-in column is provided also. However, if a voter writes in the name of a candidate and does not mark out the names of the others in that race, then no vote will be counted for the candidate whose name is written in.

Call 3381 If You Need A Ride To The Polls

The Briscoe County League of Democratic Women will give you a ride to your voting place Tuesday, November 3, if you will call 3381. If you are unable to climb the stairs to get to your voting place, one of the election officials will bring you a ballot which you can mark in the car. If you are unable to leave your home, an election official will bring a ballot to you if you will request it.

For further information call 3381 in Silverton.

Crew Leader Named for Agriculture Study

W. V. Swinburn of Tulia has been named a crew leader for the 1964 Census of Agriculture. Percy R. Millard, director of the regional office of the U. S. Bureau of the Census at Dallas, announced today. The new crew leader is one of about 1,825 persons throughout the U. S. to receive this appointment.

The new crew leader will supervise a team of census enumerators who will visit all farms and ranches in Briscoe County to collect official census questionnaires from farm operators. Enumeration of all farms in the county will take place in November and early December.

The census will be taken in the following way: Shortly after November 5, the Bureau of the Census, an agency of the U. S. Department of Commerce, will mail census questionnaires to all rural boxholders. Those required to fill out the forms should do so and hold the questionnaires until a census enumerator comes to collect them. At that time, the enumerator will help answer any questions that may have proved troublesome.

The crew leader is a key person in conducting a Census of Agriculture. He recruits and trains the enumerators, schedules their work, reviews the accuracy of completed forms, and conducts difficult interviews.

The Census of Agriculture is taken every five years in years ending in "4" and "9" to gather information on the nation's agricultural resources and production. Such information is vital in making decisions affecting many segments of the U. S. economy. Data gathered include the number and size of farms, acreage and harvest of crops, livestock inventories, and information on farm equipment and improvements and income and some production expenditures.

The information will be published starting in 1965 for counties, states and the nation.

Mrs. Albert Kindricks of Texas City and son, Bob Kindricks of Plainview visited her sister, Mrs. T. M. Marshall, Wednesday afternoon of last week.

GOP Leaders Linked With Billie Sol Estes

In a copyrighted interview published in Sunday's Fort Worth Star Telegram, Billie Sol Estes described how representatives of the Commercial Solvents Corporation rigged agriculture department regulations during the Eisenhower administration to set up his grain storage and cotton allotment transactions.

Apparently disturbed by Senator Barry Goldwater's attempt to blame his dealings on the White House, Estes said that he knew President Johnson only slightly. Estes also said that businessmen who were formerly associated with his operations have strong links with the GOP's 1964 presidential bid.

Jeremiah Milbank, jr., of New York, a director of Commercial Solvents, was described as Goldwater's right-hand man. Currently, Milbank is on the staff of the Republican National Committee, and is engaged in money raising.

One of Ezra Taft Benson's economic advisers, Martin Sorkin, was a consultant for Commercial Solvents. One of his personal and confidential memos to company president Maynard Wheeler told about a secret meeting with Senator Goldwater and Representative William E. Miller, who now make up the GOP Presidential ticket.

Three Goldwater campaign aids were linked with Commercial Solvents Corporation.

support them when they are located in and benefit his own home state.

Goldwater has cried out bitterly against immorality in high places, and not uttered a word in condemnation of his running mate who, as a Congressman, fought for legislation to benefit an organization which had been paying him \$7,500 annually for many years.

And one final thought on the subject of lawlessness. Might it not encourage lawlessness in our land when one of the leading presidential candidates constantly belittles and demeans our Judiciary and Executive branches of government—even to the extent of charging treason?

In our opinion, Mr. Goldwater has made the choice on November 3 an easy one.

ROCK CREEK CLUB MEETS IN BRUTON HOME

Rock Creek Club met at the home of Mrs. Grace Bruton October 20 for an all-day quilting.

Those who attended were Marie Garrison, Ruth West, Margaret Frizzell, Ruby Garvin, Mary Martin, Annie Breedlove, Ruby Watters, Juanita Stephens, Mildred McDaniel, Florene Fitzgerald.

Next meeting will be on November 3 at the home of Mrs. Florene Fitzgerald.

Lunchroom Ladies To Sponsor Dinner Here

The lunchroom ladies will sponsor a dinner at the school cafeteria on Friday, November 6, from 5:30 until 7:30 p.m. Prices will be \$1.00 for adults and 75c for children.

The menu will include baked ham, green beans, candied sweet potatoes, congealed salad, rolls, coffee, tea and chocolate cake.

Proceeds will be applied on the purchase of the new ice maker which has been installed in the cafeteria.

W.S.C.S. Has Annual Self Denial Program

The W.S.C.S. of the Methodist Church met in Fellowship Hall on Tuesday, October 23. Mrs. Hugh Nance was leader of the program, "A Call To Prayer and Self Denial."

Mrs. Bill Edwards played the prelude and Mrs. Clifton Stodghill led the singing. Mrs. Larry Jarrett read the scripture.

Mrs. Gordon Alexander spoke on "Remodeling and Repairing the Mission Homes in the United States." Mrs. Lois Posey spoke on "Pensions for Workers in Christian Service."

Mrs. Hugh Nance was hostess and a salad luncheon was served to Mmes. Gordon Alexander, Jennie Fisher, J. S. Hinds, Larry Jarrett, Bill Long, Farris Martin, G. Mayfield, Clifton Stodghill, Gene Morris, Carl Nunn, S. E. Pennington, M. G. Moreland, Johnny Plunkett, George Seaney, Lois Posey and Frank Kendall.

Bids Being Taken For Temporary Route

A copy of the advertisement for bids for a temporary star route between Quitaque and Silverton is posted in the local Post Office.

Persons interested in submitting bids for carrying the mail between these two towns should contact Postmaster Grady Martin at the Silverton Post Office.

Carnival To Be Held On Football Field

The annual Halloween Carnival will be held on the football field beginning at 6:00 p.m. Saturday, October 31.

The coronation ceremony will begin at 9:00 p.m.

Mr. and Mrs. P. H. McKenney and Peggy Phillips visited Mrs. L. V. Woody, a niece of Mrs. McKenney, at Swisher County Hospital Monday afternoon.

Hospital Application Rejected Sunday

Dr. Neville Muckleroy received word from Austin Monday that Briscoe County's application for Hill-Burton funds for the purpose of building a hospital here had been rejected.

The doctor was told that the application was rejected on the basis of the water supply. Silverton does not have state approved water and a special hospital water supply had been drawn into the hospital blueprint.

Further information regarding reasons for rejection of the Briscoe County application are expected in a letter from the Public Health Service.

Several friends of Dr. Muckleroy have suggested a card shower for the doctor. He celebrated his birthday anniversary Wednesday. Needless to say, the rejection of the hospital monies has been depressing for the doctor who travels 26 miles to call on his hospital patients. The card shower would be a way of cheering him up and letting him know that the town continues behind him in his work here.

Blackhawks To Meet Sanders Sisters

The Blackhawks will meet the Sanders Sisters of Hedley in a basketball game at 7:30 o'clock today (Thursday) in the Quitaque School Gym.

Mrs. LaWanda Baird and Mrs. Jimmie Nell Ford are playing with the Blackhawks.

The first grade of Quitaque is sponsoring the game to raise money for their Halloween candidates and the admission will be 15c and 25c.

DEN FOUR MEETS THURSDAY AFTERNOONS

Den Four, Cub Scouts, meets Thursday afternoons after school at the Scout Hut. All the Scouts in the Den who want to go Trick or Treating in a group are to meet at 6:30 p.m. in front of the Scout Hut on October 31. It will be chaperoned.

Scouting Includes Boys Of All Ages

The Boy Scouts of America use the term "whole Scout family" to denote its three programs—Cub Scouting, Boy Scouting and Exploring, each designed to meet the needs of boys in different age groups.

All three are conducted by the Scout units in Silverton which on November 10th launches its independent Scout campaign to maintain and strengthen its work in this area.

Cub Scouting, a program of challenging skills and group activities for boys from eight to eleven years old is different from the younger boy program anywhere else in the world as it is home-and-neighborhood centered and includes between meeting activities.

Cub Scouting stimulates a boy's

interest so that when he outgrows his Cub Pack he joins a Boy Scout troop at eleven.

Locally 21 boys are Cub Scouts in three Cub Scout Dens. There are five men serving as volunteer leaders and two women who are Den Mothers, with three assistants.

The Cub Scout program is a year-round program of activities to enable parents to help their sons through one of the most vital periods of life.

The Cub Scout learns to become self-reliant and helpful to others. He works with interesting things—handicraft, collections, games, stunts, nature, and hobbies with his parents who work with him on his various achievements. Thus home life is built more solidly and family teamwork is enriched.

Cub Scouts get together in their weekly den meetings under the supervision of their Den Mother and Den Chief. This Cub Scout den is a small neighborhood group of boys who like to be together. They

Mr. and Mrs. R. L. Bigham and Rickey of Lubbock attended Sunday morning church services at the First Baptist Church here and were dinner guests of her mother, Mrs. H. P. Howard. Mr. and Mrs. Floyd Williams, Martina and Annette were also dinner guests of Mrs. Howard.

Funeral services for Jeff Roberts of Lubbock were held there Friday afternoon. Survivors include his wife, the former Minnie Carr, a daughter, a son and three brothers. Mr. and Mrs. Roberts are former Silverton residents. Among those attending from here were Johnnie Lanham, who was a pallbearer, Mrs. Albert Mallow Esdell Hutsell and Mr. and Mrs. R. C. Hutsell.

Joe H. Smith and Vinson Smith attended the funeral of James Teague, 65, in Floydada last Friday. Survivors include one sister, Mrs. C. H. Andrews of Aiken, and Mrs. Joe H. Smith is a maternal aunt.

G. A. Allen of Fort Worth arrived Tuesday of last week for a visit with his sister, Mr. and Mrs. L. C. Yates.

Mrs. John D. Martin and son, Johnie Shane, came home from Swisher County Hospital last Friday. They are spending a few days at the home of her parents, Mr. and Mrs. Glen McWilliams. Mrs. Glenda Rae Couch of Amarillo visited Mrs. Martin Tuesday of last week at the hospital. Mrs. Johnny Cagle, Mrs. Billy McWilliams and Bobby McWilliams, Quitaque, and Mrs. Arnold Johnson, Flomot, visited Mrs. Martin here Friday.

Mr. and Mrs. Fred Mercer attended the funeral of Mrs. Susan McCarty, 85, in Graham Saturday afternoon. Survivors include four sons, two of Borger and two of Graham, including J. V. McCarty, a brother-in-law of Fred Mercer.

Mrs. Will Smithee and Mrs. Jim Clemmer visited Mr. and Mrs. Gordon Montague and Jee in Plainview on Wednesday of last week. They returned via Floydada for a visit with Mrs. Smithee's twin sister, Mrs. Kenneth Bain, who has recently spent several days in a Lubbock hospital.

EXTRA EXTRA EXTRA Facts That You Should Know

Since Briscoe County Derives practically all of its income from AGRICULTURE, here are some Facts:

- Barry Goldwater has never voted for a single farm bill. From 1953 through 1963 he voted 16 times against the farmer, and has NEVER voted FOR the farmer.
- Barry Goldwater voted against disability benefits for disabled persons, 50 years and older, in 1956.
- Goldwater voted against boosting Social Security by 10% in 1958.
- AGAINST providing old age benefits in 1960.
- AGAINST loaning \$35 Million Dollars to the REA fund so the farmer and other rural people could continue to have electricity.
- That George Bush and Bob Price, the Republican nominees for Senator and Representative have sworn to continue Goldwater's policies.
- That RALPH YARBOROUGH in the Senate and WALTER ROGERS in the House have two of the best records known for helping Farmers, Laborers, Small Business, Veterans and Retired People.
- THAT PRESIDENT JOHNSON HAS ASKED THAT RALPH YARBOROUGH AND WALTER ROGERS BE KEPT ON HIS TEAM.

Instead of standing and listening, why don't you get up and put some Nitromite in your land? Let it go to work and release the plant food you have tied up in turned under stalks. Any good farmer (and some politicians) know that you can apply Nitromite early. It won't leach out when you get winter moisture. Even hot air can't touch it. All the nitrogen you plow down now, plus all the nutrients it has released, will be waiting to feed your crop at planting time. And I promise you gentlemen. **Entomologist Urges
Cotton Field Clean-up**

Cotton farmers in the Boll Weevil Control Zone should get their cotton stalks shredded and turned under as soon as possible after harvest. Even after the cotton has been harvested, weevils will continue to obtain diapause as long as a few squares and green bolls remain in the field to furnish food, cautions Don Rummel, Area Extension Entomologist.

Fields must be sprayed in the diapause control program as long as there is sufficient growth to furnish food for weevils. By destroying the stalks immediately after harvest, the weevils food supply is cut off. This will reduce the number of weevils able to obtain diapause. Also, this will reduce the number of acres requiring treatment for the remainder of the spray program.

Farmers who are starting to desiccate or defoliate cotton should consider adding a good boll weevil control chemical to the mix, con-

**"I HAVE VOTED IN FAVOR

ACT SINCE ENTERING
THE SENATE"**

... BARRY GOLDWATER

"I pledge, as I have pledged before, my unqualified support of the Social Security System. On this, my record is clear. I have voted in favor of every Social Security Act since entering the Senate. I voted for the acts of 1964, 1955, 1956, 1958 and 1961. In fact, I had the opportunity of presiding over the United States Senate on the day the bill was approved bringing farmers under Social Security for the first time. And that change had my active support.

"I want to see every participant receive all the benefits the system provides. And I want to see these benefits paid in dollars with real purchasing power."

RALPH NAFZGER

REPUBLICAN CANDIDATE FOR
STATE REPRESENTATIVE OF
OF HE 89TH DISTRICT

Hale, Floyd, Briscoe and Swisher

Ralph Nafzger believes in:

1. Constitutional government and the free enterprise system. Federal government should refrain from competing with private enterprise. Government should be the servant of the people and not their master. It should protect its citizens from all enemies from within as well as without.
2. Opposing federal aid of any kind except where absolutely necessary as in a disaster. The federal government has no money to give but yours, the tax-payers' money. To give so called "Federal" money is like giving yourself a transfusion by taking blood from one arm and injecting it into your other arm spilling half on the way. Then, with controls, you lose your freedom.
3. The right to work law. It is immoral to have to pay to work. The needy should be helped, on the local and state levels, but only after strict investigation, then help only those who really need help and those who, if they are able to work, do not refuse to work.
4. States Rights. The people in the great state of Texas can run their business better than those who would rule from Washington. There should be no federal aid to education. Local people can best see and take care of their own needs—besides, federal aid brings federal control.
5. A balanced budget. Ralph Nafzger believes in progress on a sound basis and in economizing where possible on expenditures. Ralph Nafzger believes in spending state money as he would his own.
6. Stricter law enforcement. Law enforcement officers should have more authority, and they should be paid an adequate salary so that we could continue to demand officers of high moral character.
7. Opposing parimutuel betting and the sale of liquor by the drink. If the citizens of this district show that they want these issues to become law, then he will vote for a referendum to let the people of Texas speak.
8. Good education. Much money must be spent for education, but this is a local and state responsibility, not a federal responsibility. Remember with federal aid comes federal control.

Ralph Nafzger is a Goldwater Republican, a conservative, who believes our constitution is not outmoded and believes in the constitutional principles which, under the blessings of God, made this nation of ours the most prosperous and strongest in the world.

In the statements above I have told you the principles I believe in and what I stand for. Now for you to be well-informed I ask you what principles does my opponent believe in and which candidate does he support? You know all about "Box 13" the Billy Sol Estes, Bobby Baker and Walter Jenkins cases, the wheat program, beef and oil imports, and the far-left extremists ADA group.

Ralph Nafzger says, "Mother and Dad, vote your heart and not your pocket-book on November 3 so that on November 4 you can look at yourself in the mirror and at your bright-eyed youngsters across your table and say, 'I voted for you and for a free America.'"

**Monroe, Williams
 Are Voting Delegates**

Carver Monroe and Floyd Williams have been elected as the

voting delegates to The Texas Farm Bureau Federation State Convention to be held in Houston November 8-10. They will present to the State Resolutions Committee, the recommendations concerning National and State policies recently adopted by the Briscoe County Farm Bureau at the county convention by a majority vote of the members.

These policies adopted at "grass roots" level, with each member given an opportunity to participate in policy development, are important to Farm Bureau as a free, independent, non-governmental, non-partisan, organization of farm and ranch families united for the purpose of achieving collectively that which they cannot secure individually.

The recommendations will be presented to the State Resolutions Committee, then: (a) if the recommendations concerning state policies are adopted at the State Farm Bureau meeting, they will become policy concerning the involved State issues; (b) if the recommendations concerning National issues are passed at the state meeting, they will become recommendations to the Resolutions Committee of the American Farm Bureau Federation; (c) if they are adopted by the official voting delegates of the member State Farm Bureaus, at the annual meeting of American Farm Bureau Federation, they will become Farm Bureau Policy on the involved National issues.

Following are the recommendations voted by the members of the Briscoe County Farm Bureau at the annual convention held earlier this month.

State Resolutions

Redistricting: We are against redistricting the U. S. Congress, The Texas Senate, and The Texas House of Representatives to comply with the U. S. Supreme Court ruling of June 15, 1964.

Taxation: We are against increased taxation to supply additional revenue to pay for increased education cost and to support other

Notice To Bidders

Sealed proposals for paving and curb and gutter of approximately four blocks of City Streets will be received by the City of Silverton, Texas, at the office of the City Secretary, City Hall, Silverton, Texas, until 2:00 p.m. November 9, 1964, and then publicly opened and read.

Bidders must submit a bond of 5% of the total amount of the bid as a guarantee that the bidder will enter into the contract under the conditions set forth within 10 days after notice of award of contract. After award of contract, contractor will be required to post a 100% performance bond which will be for performance of contract with a one year guarantee against faulty material and workmanship. The attention of bidders is called to the special provisions concerning minimum wage rates and hours of employment included in House Bill No. 115 of the Forty-fourth Legislature of the State of Texas. Compliance with the above wage and hour bill is required.

The City reserves the right to reject any or all bids, to waive informalities and to accept the bid deemed to be the most advantageous to the City. All bids received after the above closing hour will be returned unopened.

Plans, specifications, and contract documents may be inspected or obtained at the office of the City Secretary, Silverton, Texas, or at the office of Hasie & Green & Associates, 3901 Ave. H, Lubbock, Texas, upon a deposit of \$10.00. This deposit will be refunded to each actual bonafide bidder upon return of documents.

LEGAL NOTICE

Notice is hereby given to the real and true owners, whether hereinafter named or correctly named or not, of property abutting upon Loretta Street, within the limits herein defined, in the City of Silverton, Texas, and all persons owning or claiming any such abutting property, or any interest therein, and to all others claiming or interested in any of said property, or in any of the proceedings, contracts and matters herein mentioned, that:

The City Council of the City of Silverton, Texas, by duly enacted Ordinances, has determined the necessity for, and ordered the permanent improvement of, the following described streets within the following limits, in the City of Silverton, Texas, to-wit:

Unit No. 1 Loretta Street
 All of Loretta Street that lies between the prolongations of the North and South Boundary Lines which abut said street of a certain tract of land out of the Braidfoot Reservation in the Original Town of Silverton, Briscoe County, Texas, described in Warranty Deed to J. B. Porter, dated April 7, 1909, recorded in Volume 4, page 325, Deed Records, Briscoe County, Texas.

Unit No. 2 Loretta Street
 All of the West One-half (W 1/2) of Loretta Street that lies between the prolongations of the North and South Boundary Lines which abut said street of a certain tract of land out of the Braidfoot Reservation in the Original Town of Silverton, Briscoe County, Texas, described in Warranty Deed to James O. Crow, dated September 12, 1963, recorded in Volume 64, page 176, Deed Records of Briscoe County, Texas, and all of the East One-half (E 1/2) of Loretta Street that lies between the prolongations of the North and South boundary lines which abut said street of a certain tract of land out of the Braidfoot Reservation in the Original Town of Silverton, Briscoe County, Texas, and being the South 74.26 feet of that property conveyed to James O. Crow in Warranty Deed dated May 1, 1961, recorded in the Deed Records in Volume 61, page 136, Briscoe County, Texas.

Unit No. 3 Loretta Street
 All of the West One-half of Loretta Street that lies between the prolongations of the North and South Boundary Lines which abut said street of Lot 2, in Block 26, in the Original Town of Silverton, Briscoe County, Texas.

By said Ordinances, the City Council of the City of Silverton, Texas, has ordered said streets, within the limits indicated, to be improved by excavating, grading and paving the same by the installation of drainage facilities and by constructing curbs and gutters, where adequate curbs and gutters are not now in place, together with other drains, incidentals and appurtenances thereto; said paving to consist of a one (1) inch asphalt pavement upon a six (6) inch sub-base of the materials, type and width as provided for in the plans and specifications therefor prepared by the City Engineer and heretofore approved and adopted by said City Council, all of said improvements to be done and constructed in the manner and of the materials as provided for in said plans and specifications and the Contracts covering the construction of said improvements, which said plans and specifications and Contracts are hereby expressly referred to for a more detailed description of said improvements, and are on file in the office of the City Engineer of the City of Silverton, Texas.

That said City Council has caused the City Engineer to prepare and file the hereinafter set out estimates of the costs of such improvements and has heretofore by duly enacted Ordinances determined the necessity of levying assessments for a portion of the costs of the construction of said improvements against the property abutting upon said street within the limits above defined, and the real and true owners thereof, and did adopt and determine the hereinafter set out proposed apportionment of the costs of said improvements between said City and the said abutting property, and the real and true owners thereof will be in accordance with the FRONT-FOOT RULE or PLAN and did further adopt the following proposed rates and estimates of said costs in reference to and for said streets within the limits above defined and indicated in the following schedule by the Unit Number of said streets, to-wit:

Unit and Street	Amount per front foot for curb and gutter assessed against abutting property and owners.	Amount per front foot for paving assessed against abutting property and owners.	Total amount per front foot for all improvements assessed against abutting property and owners.	Total cost to be assessed against property and owners.	Total cost to be paid by City.	Total cost of all improvements.
1-Loretta	\$1.50	\$1.98	\$3.48	\$1,740.00	\$110.00	\$1,850.00

3-Loretta	1.50	1.98	3.48	174.00	11.00	185.00

A hearing will be given and held by and before the City Council of the City of Silverton, Texas, on the 9th day of November, 1964, at 7:30 P. M. o'clock in the City Council Chamber of the City Hall of the City of Silverton, Texas, to the real and true owners, whether named or correctly named herein or not, of all property abutting upon said street within the limits above defined, and to all persons owning or claiming any such abutting property, or interest therein, and to all others owning, claiming or interested in said abutting property or any of the proceedings, contracts or matters and things herein mentioned or incident to said improvements or contract herein described.

At said time and place all such persons, firms, corporations and estates, and their agents and attorneys, shall have the right to appear and to be heard and offer testimony as to the said assessments, and to the amount thereof, proposed to be assessed against said abutting property, and the real and true owners thereof, the lien and charge of personal liability to secure payment of said assessments, the special benefits to accrue to each such abutting property and the owner or owners thereof by virtue of said improvements, and said proposed assessments, and concerning any other matter or thing as to which hearing is a constitutional prerequisite to the validity of said assessments, proceedings and improvements and on which they are entitled to hearing under the Constitution and laws of the State of Texas and the proceedings of said City Council of the City of Silverton, Texas.

Following such hearing, assessments will be levied against each and every parcel of property abutting upon said street, within the limits above defined, and the real and true owners thereof, for that portion of the costs of said improvements determined by said City Council to be payable by such abutting properties, and the real and true owners be payable by such abutting properties, and the real and true owners thereof, and said assessments shall be and constitute a first and prior lien upon said abutting property, from the date said improvements were ordered by said City Council and shall be a personal liability and charge against the real and true owners thereof, as of said date, whether such property be described or correctly described, or such real and true owners be named, or correctly named, in such proceedings or not, and no error or mistake or discrepancy in the names of such owner or owners or in describing said property in this notice or in any of said proceedings with reference to said improvements, shall invalidate any assessment or certificate issued in evidence thereof, but nevertheless each parcel of property abutting upon said streets, and the real and true owner or owners thereof, shall be charged with, and be liable for, said assessment which shall be valid whether or not such owner or owners be named or correctly named, or such property be described or correctly described, all as provided for under the Acts of the 40th Legislature of the State of Texas, First Called Session, Chapter 106, known and shown as Article 1105-b, Vernon's Annotated Civil Statutes of Texas, as amended, under which said improvements, proceedings and assessments are being constructed, performed and levied.

Of all said matters and things, all owning or claiming any such abutting property or any interest therein, as well as all others in any-wise interested or affected by the things and matters herein mentioned, will take notice.

Done by order of the City Council of the City of Silverton, Texas, this 12th day of October, 1964.

Halloween Carnival Is Saturday Night

The annual Halloween Carnival will be held Saturday night in the bus barn located on the baseball field. The carnival starts at 6:30 p.m. followed by the Queen's Coronation.

Everyone is urged to attend, as the carnival is one of the major money-making projects of each class.

Travis: It says here that if we study hard, don't drink, smoke or run around with girls, we'll live longer. Is that true?

Mr. Rampley: We won't know for sure until someone tries it.

Girls Participate In Powder Puff Football

On Tuesday night, October 20, the Student Council sponsored a Powder Puff football game, the proceeds of which went into the American Field Service fund.

Those on the Red Team were Judy Stephens, Nancy Nance, Venita Teeple, Margaret Minyard, Jane Self, Ian Lanham, Kay Strasse, Elizabeth Davis, Roy Ann Bomar, Joni Self, Vicki Marler, Ricki Bingham, Melody Emmett and Joyce Neashitt. Tommy Thornburg was coach of the Red Team, and cheerleaders for the Red Team were Dwight Rampley, Johnny McGavock, Buddy Comer and George Masey.

Playing for the White Team were Mary Schott, Jan Hutsell, Ruth Ann Minyard, Joyce Brooks, Connie Dudley, Rita Brown, Sharon Martin, Nancy Long, Debbie Dickerson, Pam Marler, Mary Lane Whitfill, Paula Turner, Tina Weaver and Sue Neeley. Coach for this team was Bill Hines. Ike Bruton, Howard Tomlin, William Welch, and Gene Smith were the cheerleaders for the White Team.

Jerry Patton and Bob Stafford were referees for the game, and Bill Verden announced it.

The final score was 30-22 in favor of the Red Team.

Lynn and Orlin, two inmates of an asylum, were talking together. "I've made up my mind," blurted out Lynn, with a look of decision on his face. "Tomorrow I order my legions to invade England. History will never say that Julius Caesar faltered in pursuing the Britannic Campaigns."

"England, eh?" mused Orlin thoughtfully. "Well, Caesar, if I were you—and, incidentally, I am ..."

Heard In The Halls Of S.H.S.

The Powder Puff Football Game proved to be rather exciting. Is it true that Sharon and Kay almost got in a fight at the game or was it just a misunderstanding? Wonder if the coach is considering any girl for the boys' football team?

How come Ike was in a hurry to go home before the game? Ike, didn't you like being a cheerleader?

Why does Verden seem to have certain nicknames for some people like "Sugar Lump" or "High Pockets"? Ask Linda Mercer.

Someone asked: Why doesn't Verden keep his nose in his own business?

Is it true that M. S. really wants to go with G. G.?

Who went home the other day and sat down and the seat of his pants fell out? How about that, Cliff? The acid in the chemistry room is strong!

"Ruth Ann, will you ever run in the gym again before a football game without warning them that you are approaching?"

Seems as though there was a certain little girl named Kay who was pretty lonesome last week. It's a good thing there aren't stock shows every week.

It would have been less expensive for Vicki Marler to take the material that she cut out in Home-making last year to finish than to start on new. By the way, Vicki, it's still in Room 23—pattern and all—if you ever decide to finish it.

To insure the education of teenagers, parents need to pull a few wires: television, telephone and ignition.

Greg Towe Talks To Student Body

On Wednesday, October 21, Ruth Ann Minyard, as Student Council vice-president, presided over the assembly in the absence of Max Garrison. She turned the program over to Greg Towe who spoke to the students and faculty on his trip to Boys' State.

Greg and other boys from the 18th District left by bus from Amarillo at the end of the last school year. Their destination was the University of Texas campus in Austin where Boys' State is held. The trip was sponsored by the American Legion and the activity is devoted to learning more about how the government was formed and set up. The 718 boys attending Boys' State received training by actually participating in governmental processes.

Each morning the boys rose at 5:30 o'clock, did calisthenics, ate breakfast and attended meetings. In the afternoons recreation was provided, followed by night meetings. The boys usually retired about 10:30 p.m.

The group was divided into two political parties, the Longhorns and the Pioneers. Greg, a member of the Longhorn Party, reported that his party was fortunate in having the second leading speaker in their nation in his group. Each party selected candidates for precinct, county and state offices. There were parties and rallies held for the gubernatorial candidates at which both candidates made speeches. The boys created a campaigning atmosphere.

Robert W. Calvert, Supreme Court Justice; Waggoner Carr, Attorney General; and Byron Tunnell, Speaker of the House, addressed the group.

Conferences were held outside the Capitol after which the boys toured the Capitol building. Before leaving Boys' State, a boy was chosen from the group to represent Texas at the National Boys' State.

Mrs. Redin: And what parable do you like best?

Jerry: The one about the multitude that loafs and fishes.

F.T.A. NEWS

On Monday, October 19, Sigma Eta Sigma F.T.A. chapter had a regular meeting. The members voted to have a booth at the Halloween Carnival, and Kathy Peugh, Janice Lewis, Ann Smith, Chyrel Cowart and Gale Whitfill were appointed to choose a booth that would bring in a small profit. The proceeds from the booth will go into the scholarship fund.

Mimeographed copies of the point system were given to each member present. Points will be accepted from the beginning of this school term and will be turned in to Miss Zobia Self, sponsor. The senior having the most points at the end of the year will receive the scholarship given by the F.T.A. Club of Silverton.

Following the business, Principal O. C. Rampley spoke to the group on "The Teaching Profession." He stressed the importance of choosing a profession in which you will be happy. He brought out the following good points about teaching:

1. You teach for only nine months of the year.
2. Teaching is an interesting profession in that no two days are ever alike.
3. A teacher has the opportunity of working with children, the world's most important product.

He closed by telling some of the amusing situations with students that he has encountered in his years of teaching.

High School Students To Vote Tuesday

On November 3, the government class will conduct an election, giving each high school student the opportunity of voicing his opinion by voting for the presidential candidate of his choice. The votes will be counted and the results will be posted. The results will be compared with the voting results in Briscoe County to see if the students agree with the opinion of the qualified electors.

The 4-H clothing group met Monday, October 5, at the P.C.A. building. It was the first meeting in a series of five. We will meet the first Monday of each month. Annual goals and things to be taught for 1964 were discussed. Five girls demonstrated bad habits and told how to improve them. We answered roll call with something about ourselves we would like to improve.

We enjoyed apples provided by Mrs. Don Garrison, for refreshments.

Present for grooming demonstrations given by Mrs. Leon Grosdier were Sharon Jarrett, Terry Jones, Rhonda Drewry, Roy Garrison, Pat Jarrett, Cathy Jones, Juannah Nance, Cynthia Sutton, Janet Montague, Paula Montague, Lois Stephens, Barbara Davis, Carol Ann Montague, Carron Montague, Kathy Self, and Lottie Garrison, leader.

☆☆☆

The Briscoe County 4-H Council met October 12 in the P.C.A. community room. The annual 4-H Banquet to be held in November was discussed and the following committees were appointed: Program—Camellia Comer, Garner Garrison, John Montague, Monty Smith; Food—Dianne Davis, Joe Bob Watson; Decoration—Max Garrison, Joni Self; Tickets—Dwight Rampley, Buddy Comer; Cafeteria—Wayne Nance.

Silverton Elevators and Ray Thompson Implement Co. were selected as honorary members of the 4-H Club.

Student Council News

The S.H.S. Student Council is very grateful to everyone who helped with the Powder Puff football game—the players, officials and fans. Those to whom a special vote of thanks goes are Coaches Tom Thornburg and Bill Hines, Bill Verden, Lyndon Dunn, Jerry Patton, Bob Stafford, Principal O. C. Rampley and Superintendent J. S. Hinds.

The Student Council wishes to thank the Zeta Lambda Chapter of ESA International for their generous contribution to the Foreign Student fund. The money will be used to pay for Johan's senior pictures.

F.B.L.A. Variety Show To Be Held

The F.B.L.A. Chapter is now searching for talent for the 1964-65 Variety Show to be held November 10 at the high school auditorium.

If you are interested in participating please contact O. C. Rampley or an F.B.L.A. member.

As usual, proceeds will be used to purchase a new machine for the business department.

THE STATUE OF FREEDOM

Selected

Who is that woman who for 101 years has been standing in quiet dignity atop the dome of the Capitol of the United States dressed in a flowing robe, whose right hand rests upon the hilt of a sheathed sword and whose left hand holds a wreath and grasps a shield? Who is that bronze beauty who stands 19½ feet tall and who watches the sun come up over the East each morning? Who is that woman on whose head is a helmet encircled with stars and surmounted by a crest composed of an eagle's head and a bold arrangement of feathers, suggested by the costume of our Indian tribes?

She is the Statue of Freedom. This lovely lady symbolizes the freedom that all Americans hold so dear.

The Statue of Freedom's sculptor, Thomas Crawford, was born in New York in 1814 but he designed the statue's plaster model in Rome, where he died in 1857 before the model was shipped to the United States.

On April 19, 1858, the model was placed aboard the bark, Emily Taylor. The bark, however, sprung a leak and put into Gibraltar for repairs. After the repairs were completed, the voyage was resumed. Stormy weather and bad leaks caused the bark to have put into Bermuda. There the vessel was declared unseaworthy and the cargo which had been landed and stored was finally sent on to its destination. Part of the statuary was put aboard the bark, G. W. Horton, and it arrived in New York in December of 1858. The rest later arrived in pieces and it was shipped from New York to the District of Columbia aboard the schooner, Statesman—the final portions arriving late in 1859.

The model was reassembled at the Clark Mills foundry in Bladensburg, Maryland, not far from Washington, where it was then to be cast in bronze, but in May of 1861, the work was stopped because of the Civil War and because the Government had no money to spend except on self-defense.

F.B.L.A. NEWS

by Ruth Ann Minyard

At the regular meeting on October 22, Judy Miller, Sheila Maples and Melody Emmett were accepted as new members.

Several committees were appointed for the Variety Show. They are: Publicity—Typing II class; Entertainment—Typing I class; Set-up stage and tables—Bookkeeping class; Refreshments—Shorthand class; Cashiers—Bookkeeping class.

Every member is to bring two pies or two dollars for the pie auction to be held after the show.

Finally, however, in 1862, the Statue was completed and was placed on a temporary pedestal on the grounds east of the Capitol so that the public could have an opportunity to examine it before it was raised to its destined position.

Because of its tremendous weight (14,985 pounds), it was raised to the dome of the Capitol in five pieces. It was finally firmly secured to the structure on December 2, 1863. The hoisting and adjusting of the last piece was the occasion of a special order of the War Department which provided that at the moment at which a flag was displayed from the Statue, a national salute of thirty-five guns should be fired from a field battery on Capitol Hill, the last gun from this salute to be answered by a similar salute from the 12 forts which at that time constituted a line of fortifications surrounding the city of Washington.

The original plaster model from which the bronze statue was cast is now on exhibition in the old building of the National Museum in Washington, D. C.

Mr. Crawford designed the Statue to represent Freedom triumphant in Peace and War. The stars around the edge of her helmet indicate her heavenly origin and endless existence. The medallion on her bodice which holds the drapery of her gown bears the letters "U.S." and the sheathed sword in her hand shows that she is ready to fight for freedom whenever required. May she always look down upon a free and peaceful America.

Comments From Kathy

by Kathy Peugh

Next week the people of the United States will make a very important decision which will affect the whole world. We will elect the man who will guide the destinies of the United States and perhaps much of the world. Such an important decision should be given much thought and consideration. The qualities of both candidates should be studied and analyzed. In order to do this one must read articles and speeches given by each. One should not, however, believe everything which is read. The voter should form his own opinion instead of accepting that

of someone else.

The voter should take into consideration the type of man he wants for President. The President of the United States should be a man who is above reproach in all phases of public and private life. He should be a man of integrity, of good personal character, a man who is considerate of the people around him, devoted to his family, and a man of vision who is conscious of his duty, not only to the people who elect him to the highest office in the land, but to the rest of the world as well. He should be a man who can talk with men who come from all parts of the world and yet remain true to his own ideals and principles.

Maybe these characteristics are too much to expect to find in one man, but we can look for them in each candidate. Our votes should be cast for the man who comes nearest our own ideals. Remember many people judge the people of the United States by our President because of the fact that we do elect him.

There Must Be A Reason

Seldom in the history of the nation has a presidential candidate earned the widespread editorial support that President Lyndon B. Johnson has received from responsible newspapers and magazines—Democratic, Republican and Independent.

Many of these publications are indorsing a Democratic presidential candidate for the first time. One, the Atlantic Monthly, has never before in its long and respected history given its editorial blessing to any presidential contender.

THERE MUST BE AND THERE IS A REASON FOR THESE INDORSEMENTS

The owners and publishers of these newspapers and magazines are conservative businessmen, deeply concerned with maintaining and strengthening the very freedom which makes it possible for them to exist and flourish.

Mrs. Jack Mayfield is enrolled for the "Vocabulary Building" course at West Texas State University.

Miss Zobie Self is working on the thesis for her Masters Degree at West Texas State University.

Jack Mayfield is working on his Pre-Vet requirements at Clarendon Junior College.

Glen Grosdidier is taking the Guidance Course for his Masters Degree.

Pep Rally Held On School Lawn

The pep rally for the Silverton-Sudan football game was held last Friday on the lawn in front of the high school building. It began with a skit by Jeanne Davis and Monty Smith.

Coach Bill Hines told the group that the football boys had been having good workouts and that they were ready to prove to the Hornets that the Owls could win. Coach Tommy Thornburg urged everyone to come to the game and back the Owls.

Following speeches by Greg Towe and Howard Tomlin, the pep rally closed with more yells.

After the pep rally, the members of the pep squad were given Owl booster stickers to sell. If anyone would like one of these stickers, they may buy them from a pep squad member. They are 25c each.

VOTE FOR THE TEXAN WHO LEADS THE FREE WORLD!

For the past eleven months, for the first time in our history, a native son has led our nation and the free world. And every Texan can take pride that President Johnson has met the awesome burdens of the office with courage, wisdom and restraint.

THE ISSUE TUESDAY IS SIMPLE: WHO CAN BEST LEAD OUR NATION IN A TIME OF CHALLENGE AND PERIL?

To which man do you feel most comfortable entrusting the security and well being of yourself and your children for the next four years—

A man who wants to turn back the clock of achievement... a man who has worked consistently against progressive measures in the Senate... a man virtually untested in a time of crisis?

Or a man who has dedicated his entire life to public service... who has demonstrated, under five administrations, progressive leadership in working for a better way of life for all Americans. A man who has proved his courage under fire... has demonstrated his unwavering strength to meet any aggressor with firmness, yet restraint?

PRESIDENT JOHNSON HAS PROVIDED RESPONSIBLE LEADERSHIP FOR MORE THAN A QUARTER OF A CENTURY

For almost three decades, President Johnson has been a pillar of strength for Texas and the nation. As Congressman, as Senator, as Majority Leader, as Vice President, and now as Chief Executive, he has written a proud record of progress.

ONLY TEXAN PRESIDENT LYNDON JOHNSON OFFERS THE EXPERIENCE, THE PATIENCE, THE WISDOM, AND THE STABILITY NEEDED BY THE NATION AND THE FREE WORLD IN THESE CRITICAL TIMES!

Mrs. J. J. Vardell has been a patient in the Lockney Hospital since Tuesday of last week.

D. H. Davis returned home last Thursday from Lockney Hospital where he had been a patient for more than a week. Mrs. Paul Stanford of Amarillo spent Friday night here with her parents, Mr. and Mrs. Davis.

Mr. and Mrs. Edwin Crass have recently been in Dallas to visit their daughter and family, and to see their new granddaughter. Mr. Crass returned home early last week, but Mrs. Crass remained with Mr. and Mrs. Bruce Rhea, David and Lisabeth Ann.

Bill, Anne and Nelle Bryant have been recent visitors with their brother, Dennis Bryant, at Roswell, New Mexico.

Mr. and Mrs. J. D. Nance were Sunday visitors with her sister and family, Mr. and Mrs. Sam Lusk, Gary and David, at Tulia.

Mrs. Dean Lowe Fitzgerald of Deming, New Mexico, Mrs. Vera Porter Hancock of Deming and Mrs. Bertha Fogerson Gerdes of Tulia spent a long weekend here with Mr. and Mrs. A. L. McMurtry, Mr. and Mrs. J. C. Rhoderick and Mr. and Mrs. R. G. Alexander.

Mr. and Mrs. Fred Lemons of Los Alamos, New Mexico, brought Mrs. Fred Lemons home and visited here several days before returning to her home last Thursday.

Mr. and Mrs. R. E. Brookshier transacted business in Amarillo Monday.

Robbie and Kerrie Whitaker, national poster children for Muscular Dystrophy Associations of America, bring flowers to the grave of their great and good friend, the late President Kennedy, who personally welcomed them to the White House in the summer of 1963. The youngsters, whose home is in Cincinnati, Ohio, have been chosen to spearhead the March for Muscular Dystrophy for a second year. They were in Washington at the invitation of Mrs. Lyndon B. Johnson, MDA's honorary chairman.

Perfect Partner for Steak

Rice Council Photo

Families in the rice producing states (Arkansas, Louisiana, Mississippi, and Texas) like big, thick, juicy steaks just as much as families in other parts of the country. But what they like to eat with their steak may differ from the steak accompaniments served elsewhere.

As you may have guessed, rice is a frequent partner for steak in the southern states which produce most of the rice used in this country. For example, Mushroom-Almond Rice, a favorite recipe from the files of a Texas homemaker, is often served with steak, and with roast beef, too. It is a savory mixture of rice cooked in beef bouillon with onion then mixed with sauteed almonds and mushrooms, and it takes lots less time to prepare than it does to broil a thick beef steak.

Indeed, families of the men who produce rice in this country like to eat rice in every conceivable way and rice is kept on hand at all times, uncooked and cooked — the latter stored in their refrigerators and home freezers. They know how easy it is to cook rice and how simple it is to reheat refrigerated and frozen rice. The magic 1-2-1 method of cooking rice, originated in the rice belt, is as follows: Combine 1 cup regular milled white rice, 2 cups water, and 1 teaspoon salt in a saucepan. Heat to boiling, stir once, cover, lower heat. Simmer 14 minutes. Do not peek. To reheat cooked rice, add 2 tablespoons liquid to each cup and cook, covered, for 4 to 5 minutes.

- Mushroom Almond Rice**
- | | |
|-----------------------------------|------------------------------------|
| 1 cup chopped onions | 1/4 teaspoon pepper |
| 4 tablespoons butter or margarine | 1/2 cup sliced almonds |
| 1 cup uncooked rice | 1 can (4 1/2 oz.) sliced mushrooms |
| 2 cups beef bouillon | |
- Cook onions in 2 tablespoons butter until tender. Add rice and continue cooking until golden. Add bouillon and pepper. Stir well. Heat to boiling. Cover pan, reduce heat and simmer 15 minutes or until liquid is absorbed. Saute almonds and mushrooms in remaining butter. When rice is tender, add almonds and mushrooms and toss lightly. Makes 6 servings.
