To Attend 1965 Citizenship Seminar

It was recently announced that Ruth Ann Minyard, daughter of Mr. and Mrs. J. E. (Doc) Minyard of Silverton, has been chosen to represent the Briscoe County Farm Bureau at the 1965 High School Citizenship Seminar to be held in August at Huntsville. Miss Minyard is a junior student in Silverton High School this year.

At the regular Board of Directors meeting of the county Farm Bureau held at 6:30 a.m. Tuesday, April 6, at Steele's 66 Restaurant, the Citizenship Seminar was discussed. Carver Monroe presided over the meeting and topics discussed included the Farm Bureau's Institute on Wheels. Gerald Beadenbender, District II field representative, explained the program as chartered bus tour to give key farm Bureau leaders (each county Farm Bureau board of directors select two top leaders to send on this study tour) an opportunity to view first hand the programs and operating procedures of outstandingly successful county and state Farm Bureaus in six states.

Directors present for the meeting and breakfast were Rex Holt, Ray Teeple, Arnold Turner, Carver Monroe, Flute Hutsell, service agent, and Gerald Beadenbender were also present.

Rock Show Is Slated May 1-2

Amarillo's Golden Spread Gem and Mineral Society's annual rock show will be held May 1-2 at the P.C.A. Fairgrounds Commercial Exhibits Building.

The whole family will enjoy the unusual and colorful rocks, minerals and gems. There will be very carvings shown by the Hand of California, and three exhibits of rare minerals belonging to Bill Wright of Big Lake. Each exhibitor will have a special exhibit. Rock Hounds and Pebble Pups are cordially invited to view and rap rocks.

To Take Part In Spring Choir Concert

Miss Elizabeth (Becky) Thomas of Silverton is a member of the Hotel Dieu School of Nursing student choir in El Paso, and will appear in the Spring Song concert at 7:30 p.m. April 26. Miss Thomas is the daughter of Mr. and Mrs. Perry Thomas, Jr., of Silverton.

The 18-voice nurse choir, directed by Mrs. Barbara Bergevin, will perform 12 numbers.

Sunday dinner guests of Mr. and Mrs. R. A. Edwards and Tom were Mr. and Mrs. Gary Edwards of Point; Doyleene, Barbara and Larry Huntsman, Harold Mar, Amarillo; Mr. and Mrs. Steve and family, Melrose, New Mexico; Mr. and Mrs. Fred Edwards, Vicki Marler and Mrs. E. Posey, Mr. and Mrs. Miles Skelton and family.

Dr. Langston Chosen As Banquet Speaker

Dr. Dewey F. Langston, Professor of Physical Education at Eastern New Mexico University, Portales, New Mexico, has been selected as the speaker for the annual Silverton High School Athletic Banquet to be held on Friday, April 30, at 8:00 p.m. in the school cafeteria.

Dr. Langston is a graduate of Wink High School, where he was a three-year letterman on an undefeated team, and a two-year letterman in track. During his undergraduate days at Eastern New Mexico University, he lettered in football, boxing and basketball; he was elected Man Most Likely To Succeed; was elected to Who's Who in American Colleges and Universities two years; was vice-president of the student body, president of the Senior class and president of the letter club two years. He received the Bachelor of Arts degree in 1943.

He received his Master of Education degree in Physical Education from Springfield College, Springfield, Massachusetts in 1948, and took his Doctor of Physical Education degree from Indiana University, Bloomington, Indiana in 1952. Dr. Langston did post-doctorate work at Stanford University in 1956.

Dr. Langston has been president for two years of the New Mexico Council on Youth Fitness and is a Life Member of the American Association for Health, Physical Education and Recreation.

Childrens Pictures To Be Made At News Office

The responsibilities of tomorrow's world rest upon the shoulders of today's children. The publisher of this newspaper would like to give you a good look at these future "world builders."

We can do this by publishing pictures of them in the newspaper. The pictures must be of uniform size and quality, so to be included with this group they must be made by our photographer.

An expert childrens photographer with all the necessary equipment for this specialized work will be here Friday, April 23. Pictures will be taken at the Briscoe County News office from 10:00 a.m. until 5:00 p.m.

There is no charge to the parents. Parents do not have to be subscribers of this newspaper, and no one is obligated to purchase pictures after they are taken. Those who want to purchase additional prints may do so by arrangement with the studio representative when they select the pose they want to appear in the newspaper.

All children of this area are invited to have their pictures made on Friday, April 23. Appointments may be made by calling 3381.

Agent Cautions Pesticides Users

Some people swear by pesticides, others swear at them. Usually the difference in the two is what they know about pesticides and how they apply them.

Whether or not pesticides harm men, animals, plants, fish and wildlife depends largely upon one person—the user, points out County Agent Leon Grosdidier.

By following a few simple rules of safety when using agricultural chemicals, especially pesticides, trouble can be avoided. Grosdidier offers these suggestions. Follow all label directions and safety precautions. The manufacturer is required by law to properly label his material. The label clearly states what the pesticide is to be used for and how. Also precautions for the applicator's safety when applying the material are listed.

All agricultural chemicals and especially pesticides should be stored under lock and key and in their original containers. If for any reason the original container is not used, then properly label the substitute. Don't guess what is in an unlabeled bag or bottle. It could be a costly one.

Dispose of containers in a safe manner. Burn paper containers but make sure the smoke doesn't drift on you or your house or neighbor's property. If the containers are glass or metal, bury them.

Guard against drifting dusts or sprays. Make sure they do not drift into an area where they will be harmful.

And remember, says Grosdidier when you encounter trouble with pesticides, about the only person you can blame is yourself.

Methodist Revival Continues This Week

The Easter Sunday evening worship service began a week long revival at First Methodist Church in Silverton.

Rev. Roland Moore, Northwest Texas Annual Conference Evangelist, is the visiting preacher.

Everyone is invited to attend the services, Sunday evenings at 6:00 o'clock; weekday nights at 7:30 o'clock, and weekday mornings at 10:00 o'clock.

Mr. and Mrs. Glen Lindsey spent the weekend in Lubbock with his mother, Mrs. Leavie Criswell, and his sister, Mr. and Mrs. Lucky Blocker and children.

Bryce Wayne Huntsman, baby son of Mr. and Mrs. Doyle Huntsman of Amarillo, is seriously ill in Northwest Texas Hospital in Amarillo. Doyle Huntsman is a nephew of Mrs. E. Posey, and formerly lived here.

Langston are Phi Delta Kappa Service Key, Alpha Phi Omega Service Key, Phi Epsilon Kappa Honor Key, Who's Who in the West, Sigma Delta Psi (National Honorary Athletic Fraternity), and Who's Who in American Education.

Tickets for the Silverton Athletic Banquet are on sale for \$1.50 each, and can be purchased from almost any member of the Quarterback Club. The boy and girl athletes of Silverton High School will be honored guests at the banquet, and several awards are to be presented.

Eagle Scout Court Of Honor To Be Sunday

Sixteen members of Silverton Troop 262 of the Boy Scouts of America will receive their Eagle Scout Rank at the Eagle Court of Honor to be held Sunday, April 25, at 3:00 p.m. in the First Methodist Church, 1411 Broadway, in Lubbock.

They are Charles Yater Muckleroy, son of Dr. and Mrs. Neville Muckleroy; Roy L. and Darrell Long, sons of Mr. and Mrs. Bill Long; Gary and Cletus Grady, Jr., sons of Mr. and Mrs. Cletus Grady; Paul Ray McWilliams, son

Education Is Important Phase Of Cancer Crusade

As an important phase of its 1965 educational and fund-raising Crusade against Cancer, the American Cancer Society is distributing a life-saving leaflet.

"We hope the leaflet, entitled 'Answers to Questions About Cancer Which Concern You,' will reach every home in Silverton," said Mrs. Johnny Plunkett in behalf of L. O. A. Junior Study Club, which is organizing the 1965 Crusade. "If read and acted upon, we could save half of those who develop cancer instead of one out of three as we are today."

The leaflet poses four questions and then answers them.

Are we getting anywhere against cancer?

Yes, gains in diagnosis and treatment have made it possible for over a million Americans to be alive today, cured of cancer. Physicians could cure about half of all cancer patients, if people came for examination in time. With present medical knowledge, uterine cancer could be practically eliminated. Many more people could be cured of cancer of the colon and rectum and other major cancer killers. Noteworthy progress is being made in research supported by the government and by the American Cancer Society.

What signs of symptoms may mean cancer?

These are Cancer's Seven Danger Signals: 1. Unusual bleeding or discharge. 2. A lump or thickening in the breast or elsewhere. 3. A sore that does not heal. 4. Change in bowel or bladder habits. 5. Hoarseness or cough. 6. Indigestion or difficulty in swallowing. 7. Change in a wart or mole.

If a signal lasts longer than two weeks, consult a physician. Cancer starts and may spread without pain. A danger signal may seem unimportant, but do not delay.

What protection is there against cancer?

The best protection is to have a complete physical examination each year and to act promptly on Cancer's Seven Danger Signals. Against lung cancer? Don't smoke

God and Country Awards Presented

Eleven Boy Scouts received "God and Country" awards here Easter Sunday morning and attended services at First Methodist Church in recognition of Christian growth and service.

Receiving the award were Randy Pennington, Cletus Grady, Jr., Gary Grady, Paul Ray McWilliams, Charles Yater Muckleroy, John Montague, Mike Long, Roy Len Long, Darrell Long, Johnny Roy Weaver and Donald Dee West.

The Scoutmaster is Cletus Grady, Sr., and the requirements for the God and Country Award were fulfilled under the direction of Rev. Carl Nunn, pastor of First Methodist Church.

Mr. and Mrs. P. L. Brown visited her mother, Mrs. J. W. Anderson, in Hereford Sunday afternoon.

Circus Coming To Town April 26

The Fairyland circus will appear in Silverton on Monday, April 26, under the auspices of Eta Chi chapter of Epsilon Sigma Alpha International.

Two performances will be held on the baseball field at 4:00 and at 8:00 p.m. Student tickets are 75c each.

The Fairyland circus this year presents its performance in a European style tent, and every seat is promised to be a good one. No extra charge is made for any seat.

The Fairyland Circus does not

lay any pretentious claims to being the largest circus in the world, but they do maintain that they have spared neither time nor expense to make it the very best possible.

Among the twenty big displays will be found such outstanding circus celebrities as The Rawls (Disneyland) Kids, The Miller Military Ponies, the largest and the smallest performing elephants in the world, Miss Louis and her canine pets, The Ricardos, wild animal subjugators, a battalion of funny clowns, monkeys galore, Cutie, the pony with the human brain, Bostocks educated chimpanzees, Basara and her beautiful aerial ballet. These and others go to make the Fairyland circus the finest family show on the road. There will be two full and complete performances at 4:00 and 8:00 p.m. on April 26. The colorful midway and menagerie will open one hour prior to circus time.

Annual Meeting Of Co-op Gin Planned

The third annual meeting of Briscoe Cooperative Gin, Inc. will be held Saturday, April 24, 1965, at 6:00 p.m. in the school cafeteria. There will be supper and entertainment for all attending.

A comedy show will be especially for the children. The Auditor's Report will be heard, and one Director will be elected.

A sketch will be given by Ethel Mabry and Larry Karrh of Hale County. Reports will be heard from Oil Mill, Compress and Marketing Association representatives.

Jaycee-Ettes Have Regular Meeting

The Silverton Jaycee-Ettes met Monday, April 12, 1965, with seven members and two new members present. Mrs. Johnny King and Mrs. Loyd Messer were welcomed as new members.

Mrs. Jack Vines, vice-president, presided in the absence of the president. The devotional was given by Mrs. Dyrle Maples and the Creed was led by Mrs. Vines.

A party was planned for Friday, April 23, in the P.C.A. community room to honor the Outstanding Jaycee-Ette, who will be named that night.

Refreshments were served by the hostess, Mrs. Maples.

The next meeting will be April 26 at 7:30 p.m. in the Jaycee building. Jack Mayfield will give the program on Parliamentary Procedure.

Mr. and Mrs. David Miller and Iwana of Canyon, Mr. and Mrs. Louie Strange and Dwain of Kress and Mr. and Mrs. Robert Haley Hill, Greg and Michael were guests of Mr. and Mrs. Carver Monroe Sunday.

Becky Thomas has recently been a patient in an El Paso hospital for ten days. She was confined to her school of nursing dormitory for a week after leaving the hospital, and was allowed to come home for Easter on April 13. Mrs. Perry Thomas was with her daughter in El Paso during the time Becky was suffering from a fungus-type infection of her eyes, and brought her home. Becky flew back to El Paso Sunday, and planned to go back on duty at the hospital Tuesday morning.

Mrs. E. C. Newman and Mrs. H. Blackburn were in Plainview last Thursday.

Dogs, Cats To Be Vaccinated Friday

Dr. Theford of Floydada will be here April 23 from 1:00 until 5:00 p.m. at the Fire Hall to vaccinate dogs and cats.

All citizens who own dogs or cats are urged to have them vaccinated against rabies.

Beginning May 1, all dogs without a rabies tag will be picked up.

Plant Diseases Are Discussed

Ornamental plants have many diseases. Symptoms may appear on the foliage, stems, fruit or roots of a plant. Because the organisms responsible are very small, diagnosis may be difficult, explains County Agent Grosdidier.

In fact, he added, the causal organisms can be seen only with the aid of a microscope. Since most home owners usually do not have a microscope available, symptoms must be relied upon for identification of the disease.

Grosdidier added that he has available at his office, publications which could help make the identification job much easier. He listed MP-512, "Identifying Plant Diseases," as one of the most valuable bit added he also has other material which home owners should find very useful.

After studying the plant disease material, home owners who have trouble identifying disease symptoms are advised to give the county agent a call or visit. If he has not had experience with the disease, he may suggest sending a specimen to the Plant Disease Laboratory at Texas A & M University for identification.

The county agent said he would be happy to supply information on how to select, package and ship the material.

He noted that most controls for ornamental diseases are preventative in nature as opposed to curative. He listed an early diagnosis as being most helpful in a disease control program.

THE OPEN DOOR

"Behold, I have set before thee an open door . . ." Rev. 3:8

by Rev. Clyde Cain

It is a wonderful privilege to have the opportunity of writing a weekly column for our local newspaper. I do hope that these brief articles will benefit each reader as I seek to make them informative and inspirational.

Violent death is commonplace in our society, yet we are always somewhat shocked by its revelation. Yet the widespread violent death of time, the stuff life is made of, goes virtually unnoticed. The old man sitting day after day in the park feeding the pigeons, the college sophomore journeying to an ocean resort to kill hours which could be used in building a solid foundation for the future, the family that is consistently robbing itself of stronger unity and family fellowship by killing countless hours in front of the television set, are but vivid illustrations of how much of our time is used.

Time does not have to be frantically invested while rushing from activity to activity. Time is to be used, not worn out! Time is to be filled, but not stuffed.

With the added time most of our society has for its discretionary use, the danger of wasting time must be guarded against. Abundance of any kind breeds waste. All time should be used as carefully as possible. Ephesians 5:15-16 cautions, "Therefore be careful

Mr. and Mrs. George Long, Nancy and Nicky and Mr. and Mrs. Verlin B. Towe spent the Easter holidays down state. Mrs. Long attended an O.E.S. School in Waco Saturday. Others in the party spent the day at Six Flags Over Texas.

Mr. and Mrs. Earl Simpson spent Sunday in Amarillo with his sister, Mrs. Ollie Ford.

Mrs. E. H. McGavock recently underwent surgery in Swisher County Hospital. She returned to the hospital Wednesday evening of last week and was still there early this week, but was considerably improved.

how you walk, not as unwise men, but as wise, making the most of your time, because the days are evil."

Regardless of quantity, time need never be "killed." It may instead be "filled" and used as God intended, to provide the abundant life.

Mr. and Mrs. Roy Morris spent the weekend in Childress with their daughter, Mr. and Mrs. John G. Whitfield and James Roy. Mrs. Viola Whitfield, mother of John Whitfield, is now visiting another son. Mr. and Mrs. Keith Whitfield and family at Dover, Delaware.

The Rock Creek Church of Christ congregation held a picnic dinner on the church grounds Sunday and an egg hunt was a highlight of the afternoon for the children. Earl Cantwell held morning services at the church, and Leo Copeland and Wendell Voto of Amarillo Church of Christ Training School, conducted the evening services.

Mrs. Obra Watson visited Mrs. G. Mayfield in the Plainview Hospital, and A. L. McMurtry, Tony Allison, Mrs. E. H. McGavock and Mrs. Clifton Stodghill in Swisher County Hospital Saturday afternoon.

Mrs. Verne Bearden and Mrs. Nona Davis Worley of Lubbock spent Thursday night with Mrs. Worley's brother, U. D. Brown. They were dinner guests of Mr. and Mrs. J. L. Self Friday. Mrs. Bearden had recently broken her ankle, but is recuperating satisfactorily.

Mrs. Loyd May and Alvin and Virginia May were in Quitaque Thursday afternoon to visit Janet Bailey, who was injured the previous Sunday evening in an accident near the Midway Drive In. She was a patient in the Matador Hospital after the accident, but had returned home.

Stanley Fogerson, a student at Lubbock Christian College, Lois and June Henderson of the Lubbock Christian Home, spent the Easter vacation here with Mrs. Florence Fogerson and Mr. and Mrs. Ware Fogerson.

Mr. and Mrs. Wayne McCloud of Dundee and Mr. and Mrs. Charles Sharp and children of Tulia were recent visitors of their uncle and aunt, Mr. and Mrs. Floyd Woods. Mrs. Sharp, nee Mary Dell McCloud, and Wayne grew up here.

Laqueta Bomar, a winner in the milk division of the 4-H Favorite Foods Show, entered the District show in Lubbock April 3, and won a red ribbon. She was on television that afternoon. The show was held in the home economics building on the Texas Tech campus.

Mrs. Clifton Stodghill entered Swisher County Hospital Thursday and underwent major surgery there Friday morning.

Mrs. G. Mayfield underwent surgery in the Plainview Hospital on Wednesday of last week.

HOUSEHOLD HINTS

PINE CLEANER
INFORMATION
CENTER

How's your housekeeping IQ? Gallup interviewers took a survey recently of women across the country to find the answers to these questions:

- Q.1. Do you think a household cleaner should also act as a disinfectant, as a deodorant, or both?
- Q.2. Have you, yourself, changed from a non-pine oil type of general household cleaner or disinfectant to a pine oil brand within the last year or two, or not?
- Q.3. In buying a general household cleaner or disinfectant, how important to you is it that it contains pine oil?
- Q.4. Why do you feel that way?
- Q.5. Do you use disinfectants in your home, or not?
- Q.6. For what purpose do you use them? Are there any other uses you have found for a disinfectant?

Now how do your answers match up with those of the women in the survey? Here's what they had to say:

- A.1. Three out of four women today think that a household cleaner should also act both as a disinfectant and as a deodorant. In addition, about one woman in six thinks a household cleaner should also act as a disinfectant.
- A.2. One out of every ten women say they have changed from non-pine oil type of general household cleaner or disinfectant to a pine oil brand within the last year or two.
- A.3. One out of seven women say that it is "very important" to them that it contains pine oil.
- A.4. Pine oil gives a cleaner than clean smell, it improves the cleaning power of a cleaner, it kills germs, it makes a cleaner a disinfectant also, and "I like pine oil."
- A.5. 83% use disinfectants in their homes.
- A.6. The principal purpose for which a disinfectant is used in the home is to clean the bathroom; the next most widely-mentioned use is to kill germs.

Mr. and Mrs. Lyndon Dunn, Joe Lynn, Donnie and Lee Anna spent the holiday vacation with Mr. and Mrs. Leon Ward, parents of Mrs. Dunn, at Smithville, Oklahoma.

How healthy is your business?

You take the pulse of your business...constantly...expertly. Are you just as careful about yourself? About your employees? Do you know that cancer strikes one in four Americans today? That over half can be saved if the warnings are heeded in time and treatment begun promptly? Today's executive knows that sound health is smart business. He never misses his annual health checkup, and reminds his employees to have theirs. To keep them alerted to life-saving facts about cancer, he has an American Cancer Society public education program in his plant. Do you? For information about this free program, call your local Unit of the American Cancer Society. Fight cancer with a checkup—and a check. Send it to CANCER, c/o Postmaster.

4-H CLUBS SHOW YOUTH WAYS TO BECOME LEADERS

In 4-H there is a leadership program that last year attracted a record enrollment: 206,000 boys and girls.

These young people are the citizens of tomorrow, and hundreds have already assumed leadership roles in school, church and community, observes Miss Emmie Nelson, a field representative of the National 4-H Service Committee. The next steps will lead to leadership in their chosen careers, she predicts.

At the present time nearly 140,000 junior leaders are working with volunteer adult leaders in 4-H Clubs throughout the nation.

"Leadership consists of numerous components, and is a term not easily defined," explains Miss Nelson, a former assistant state 4-H Club leader, and who in recent years has conducted leadership workshops in many states.

"Becoming a leader is largely up to you," she observes. "You must be ready to assume responsibilities and be a self-starter. Success in small undertakings will prepare you for larger responsibilities."

Among the ingredients for

leadership, she notes, are enthusiasm, friendliness, tact, patience and a sense of humor. "Be adaptable," she says. "Be ready for a fishing trip or a formal dance; be able to preside at a meeting or help a younger 4-H'er correct his mistakes."

At the end of this 4-H Club year, county, state and national award winners will be named by the Extension Service. The awards will again be

provided by The Sears-Roebuck Foundation, sponsor of this particular program for the last five years. Altogether, Sears has supported some phase of 4-H work for more than four decades.

Twelve junior leaders will claim \$500 scholarships, 50 will receive all-expense paid trips to the National 4-H Club Congress at Chicago, and an estimated 10,000 will earn leadership medals.

Seniors of the Week

JEANNE DAVIS

Jeanne Davis has brown hair, gray eyes, and stands 5'3" tall. She was born October 13, 1946, and enjoys passing the time by doing something interesting. Jeanne enjoys eating most vegetables but prefers salads. She plans to attend Texas Tech this fall.

Jeanne has been a member of both the Pep Squad and the Future Homemakers of America since her freshman year. In F.H.A. she holds the Junior Degree of achievement and is, at present, song leader for this organization. Serving as vice president of the Pep Squad last year prepared her to accept the responsibilities of the office of president this year.

Jeanne has held membership in the Future Business Leaders of America and the Future Teachers of America chapters since her sophomore year. She was parliamentarian of F.T.A. last year and is vice president this year.

Her freshman year, Jeanne was a member of the Choral Club. Her junior year she was student director of the one-act contest play and a reporter on the OWL'S HOOT staff. She began playing basketball her sophomore year and finished her third year of participation at the close of this season.

Jeanne was a candidate for Most Beautiful her freshman year. She was elected Wittiest Girl by her fellow students last year. This year she was selected to reign as Halloween Queen of Silverton High School.

PEGGY PHILLIPS

Peggy Phillips, one of the seniors of the week, has brown hair, blue eyes and stands 5'1" tall. She enjoys eating Mexican food and her favorite pastime is listening to records. She was born January 16, 1947, and plans to be married this summer.

Peggy was a member of the Choral Club her freshman year. Her junior year she was a class representative on the yearbook staff, the editors of the OWLET. This year she has become a member of the local Future Teachers of America chapter.

Peggy has supported the football teams by her active membership in the Pep Squad for four years. At the end of school this year, she will have completed four years in the Future Homemakers of America. She holds the Junior Degree of achievement in F.H.A., having successfully completed the requirements for this degree her freshman year.

She joined the Future Business Leaders of America her sophomore year and has continued her membership. She was a member of the group from Silverton which attended the district meeting on the W.T.S.U. campus last November.

Outside of school activities, Peggy has taken an active part in the Rainbow for Girls. She is, at the present, Worthy Advisor of the local Assembly. Her freshman year she sang with a Baptist group known as the Silvertones, under the direction of Paul West, who was Music and Youth Director of the local First Baptist Church.

Pedestrian: A husband who didn't think the family needed two cars.

DONNA STEPHENS

Donna Stephens, blonde haired, green-eyed senior of the week, was born June 3, 1947. She is 4'11" tall, and enjoys eating fish and dating. She plans to attend Texas Tech.

Donna has been a member of the Future Homemakers of America chapter all four of her high school years. She obtained her Junior Degree in this organization her freshman year.

She was a member of the Pep Squad her freshman and sophomore years, and was elected cheerleader both her junior and senior years.

She has been an active member of the Future Business Leaders of America since her junior year. This year she is reporter of the Future Teachers of America chapter which she joined her sophomore year.

Donna was a member of the Choral Club her freshman year and was a reporter on the OWL'S HOOT staff her junior year. The four years Donna has been in high school she has played basketball.

This year she was a nominee for Wittiest in the student elections.

SUSAN LANEY

Susan Laney was born March 22, 1947, and has brown hair and blue eyes. She is 5'5" tall, and her favorite food is southern fried chicken. She enjoys listening to records. Upon completion of high school, Susan plans to attend West Texas State University.

Susan has been active in several of the school's clubs during her high school years. Her freshman year, she was a member of the Choral Club. She joined the Pep Squad and the Future Homemakers of America chapter that same year. In F.H.A. she received her Junior Degree her freshman year and attended the Area Meeting both her sophomore and junior years.

She joined the Future Business Leaders of America her sophomore year, and in November of last year she attended the district F.B.L.A. meeting which was held on the campus of West Texas State University. During her junior year Susan became a member of the Future Teachers of America.

Seniors Honored At Breakfast

The seniors were guests of honor at a breakfast given by the First Methodist Church on Wednesday, April 16. The meal was prepared by the ladies of the church and was served in Fellowship Hall.

Other guests at the breakfast were Principal and Mrs. O. C. Rampley, Superintendent and Mrs. J. S. Hinds, Rev. and Mrs. Carl Nunn and Rev. Paul Hudson of Kress.

The invocation was given by Mr. Hinds, after which Mrs. Nunn welcomed those present. Musical arrangements were played by Paula Turner.

Rev. Hudson, pastor of the Kress Methodist Church, spoke to the seniors on the importance of an education. He presented the ideas that an education is a passport to dignity, freedom and adventure.

Senior Kid Day Planned Friday

Kid Day is an annual activity in which only the seniors participate. This year Kid Day will be Friday, April 23, and on this day all the seniors will dress as kids and will bring their stuffed toys and all-day suckers. They will present an assembly program of rhymes, songs and other contrivances. After this they will eat lunch with the first grade pupils.

After lunch, the seniors will go by bus to Burson Lakes. Miss Zobia Self, class sponsor, and another adult will chaperone the group. A weiner roast has been planned in the afternoon. The group will leave Burson Lakes for the return trip to Silverton at 5:30 p.m.

CHARLIE PAYNE

Charlie Payne is teaching the last eight weeks of school for Bill Hines, who resigned recently to accept a position with Plainview Production Credit Association in Floydada.

The holder of a Master of Education degree, Payne attended West Texas State University, Eastern New Mexico and Western New Mexico. He taught five years at Nara Visa and three years in Logan while living in New Mexico. During his last year of teaching at Logan he was chosen Coach of the Year.

He is presently a feed lot operator in the Haylake community. Mr. Payne and his wife, Norma, who teaches fourth grade here, have two daughters.

Komments

From Kathy

The Constitution states that all individuals are created equal. This means that everyone is born with the same opportunities in life. We have the same chances to make our lives something of value.

This does not mean, however, that we should all have exactly the same things. We must earn what we get out of life. The world does not owe us anything. We cannot sit back and do nothing but yet expect to have everything our neighbors have. We usually get out of life only that which we put into it.

In order to obtain the most out of life we must be educated. An education is of the most importance for without it we could never expect to obtain the finer things of life. We can dream of only those things which we know about. The dream is the first step to reality, for if a dream is strong enough we will work and do all possible to make it a reality. All the great men of the world had dreams. They made their dreams come true and thus seized their opportunities in life. We can learn a wonderful lesson from these men.

Red, white, & blue chip investment

You won't get rich overnight buying U. S. Savings Bonds. But for the long run, they make an excellent investment.

You get a guaranteed rate of interest—3 3/4% when held to maturity—so there's no ups and downs to worry about.

You also get certain tax advantages since Savings Bonds aren't subject to state or local income taxes and the federal tax can be deferred until the Bonds are cashed.

But probably most important is that Bonds pay off in more than dollars. When you get your Bond investment back you know it has helped Uncle Sam strengthen the cause of freedom (your cause) all around this troubled world of ours.

Buy U. S. Savings Bonds and own a share of America. It's a good outfit to do business with.

Quick facts about Series E Savings Bonds

- ✓ You get back \$4 for every \$3 at maturity
- ✓ You can get your money when you need it
- ✓ Your Bonds are replaced free if lost, destroyed or stolen
- ✓ You can buy Bonds where you bank, or on the Payroll Savings Plan where you work

MILO PLANTING TIME IS NEAR.

It appears that many of you intend to use pre-emergence Weed Control Chemicals on your crop this year. Due to the nature of these chemicals, it is necessary that they be applied after planting, but before the crop comes up.

This means that the majority of the fields will need to be sprayed at about the same time. This time element could be a real problem.

Let us make an appointment with you now, to do the best job at the right time.

Zing into spring! Chevrolet Impala

Chevrolet Impala Super Sport Coupe—one of two bucket-seated beauties for '65.

People who buy other big expensive-looking cars get one thing you won't (big expensive-looking payments)

It looks like a big car. And is—by almost any standard you want to apply.

Width? Nobody builds a car as much as one inch wider. *Length?* It grew three inches this year. *Roominess?* Every closed model's got three inches more shoulder room, front and rear, and more leg and foot room up front too. *Luxury?* Nice little touches like the look of mellow walnut across the Impala's instrument panel. And big touches. Like the fineness of the same Body by Fisher workmanship that makes some of America's most expensive cars look so expensive. *How about the ride?* Chevrolet engineers took the Jet-smooth one and smoothed it out even more this year. Also made it more stable by widening the wheel stance. *Price?* That's where Chevrolets fall way short of the other big expensive-looking cars. But we wouldn't have it any other way. Would you?

One last question: How soon can you make a good spring buy on a Chevrolet? One last answer: Just as soon as you can get down to your Chevrolet dealer's.

Shrinks Hemorrhoids Without Surgery Stops Itch - Relieves Pain For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids and to relieve pain - without surgery. In case after case, while gently relieving pain, actual reduction (shrinkage) took place. Most amazing of all - results were so thorough that sufferers made astonishing statements like "Piles have ceased to be a problem!" The secret is a new healing substance (Bio-Dyne®) - discovery of a world-famous research institute. This substance is now available in suppository or ointment form called Preparation H®. At all drug counters.

Old Buildings at Fort Richardson by E. M. Schiwetz

FORT RICHARDSON

... a long time between paydays!

Across the western face of Texas, the brooding ruins of forts... here and there a restored barracks or hospital bring back a bloody page in history. A history that tells of marauding redskins thundering southward from Indian Territory, killing in their wake, pushing on to the Mexican border. A history that tells too of the hard and lonely life of the U.S. Army troopers who manned these strategic forts.

Fort Richardson, near Jacksboro, was one of the more important of these outposts. Here Kiowa Chieftains Satanta and Big Tree were incarcerated before their trial for a bloody massacre. But life in all frontier posts was much the same... best expressed by the soldiers themselves, "a long time between paydays."

BUT IT ISN'T SO FAR BETWEEN PAYDAYS NOW... with U. S. Savings Bonds!

Today, there can also be a long time between paydays for those who have not established the thrift habit. But through the U.S. Savings Bonds program you can take care of this situation quickly and effectively.

For example, with as little as 63¢ a day you can buy an \$18.75 Savings Bond every month. Keep this up for 40 months and you'll own a stack of Bonds worth \$1,000, at maturity, which cost you only \$750 in easy installments.

Buy U.S. Savings Bonds every payday automatically through the payroll savings plan.

Keep Freedom in Your Future with U. S. SAVINGS BONDS
