Lyon Hired To Replace Miller As County Attorney

In the regular meeting of the Briscoe County Commissioners' Court held Monday morning, J. W. Lyon, jr., was hired to replace George Miller as County Attorney.

Miller had given the commissioners his resignation effective October 1, 1965, and Lyon's employment as County Attorney is to begin September 20.

Lyon formerly served as County Judge for about 18 years. Miller had been the Briscoe County Attorney since moving to Silverton in May, 1959. He resigned the office to accept a position in Amarillo.

Mrs. Tandy Quisenberry of Plainview and Mrs. Doug Watson of Tullia spent Friday afternoon of last week with Mrs. Jewel Kenady.

Mr. and Mrs. Melvin Heckman of Tullia, and daughter, Gloria, and family, Mr. and Mrs. David McCaley, Mary and Richard of Philadelphia, Pennsylvania, were recent guests of Mr. and Mrs. George Martin and sons and Mrs. Mary Cross.

Mrs. O. R. Stark, Sherri, Scotty and Randy of Quitaque were visitors with Mrs. Watson Douglas Friday evening of last week. The children will be music pupils in Silverton this school term.

Mr. Al Heckman of Amarillo, who formerly lived here, spent a recent week with Mrs. Mary Cross, Mr. and Mrs. George Martin and sons.

Mr. and Mrs. Floyd Woods, Anne and Bill Bryant were in Hereford last week to visit Floyd's cousins, Mr. and Mrs. Carl Sevier, and brought home carrots and cabbage.

Haylake Club Elects Ikie Bingham

Haylake Club met for the first time this fiscal year on September 2, at 3:00 p.m. in the P.C.A. community room with nine members present. Ikie Bingham was elected as president for the ensuing year.

Other officers elected were Elsie Cornett, vice president; Ella Leah Riddell, secretary and treasurer; and Opal Hyatt, reporter.

Two new members, Charlie Baker and Susie Bean, were enrolled.

Those present were Blanche Newman, Mary Rampley, Ruby Brannon, Vaughnell Brannon, Winnie Smith, Ikie Bingham, Elsie Cornett, Ella Leah Riddell and Opal Hyatt. One visitor, Brenda Patton, attended.

Next meeting will be September 25 with Vaughnell Brannon. Meeting was closed with drawing for peanut pals.

Mrs. Bryan Strange spent two nights last week in Claytonville with Mr. and Mrs. Ben Fowler. Mrs. Fowler took her mother to Tullia, where she had new glasses fitted.

Mrs. Den Rogers of Tullia, sister of W. J. Hyatt, has been a patient in Swisher Memorial Hospital for several days.

G. H. Thomas, 78, was honored with a birthday anniversary dinner in the home of Mr. and Mrs. Glenn Smith, Ann and Lynn on Sunday, September 12, along with other relatives who have birthday anniversaries in September. Attending were Mr. and Mrs. G. H. Thomas, Mr. and Mrs. Sonny Thomas and family, Mr. and Mrs. Grover Thomas and family, Mr. and Mrs. John Mercer and children, Mr. and Mrs. Donnie Perkins and children, Mr. and Mrs. M. E. Smith, Mrs. R. L. O. Riddell and Tobe.

Sammie Johnston of Quitaque and Ronnie Hester have enrolled at W.T.S.U. this week.

Owls Take 44-12 Win From Hart Longhorns

The Silverton Owls traveled to Hart Friday evening and took a 44-12 win from the Longhorns. Silverton made 25 first downs as compared with 6 for Hart.

The Owls opened the scoring early in the first quarter when Monty Smith ran into the endzone from about four yards out and kicked the extra points. John Montague scored the second touchdown in the first quarter by running about three yards, and Smith again kicked the extra point. At the end of the first quarter, the Owls led 14-0.

Failing to negotiate but one first down, the Longhorns quickly kicked to the Silverton 26, and nine plays later the Owls sent Lannie Arnold over for the score from about two yards out. Montague passed to William Henriques for the extra points. When Silverton kicked off to Hart, W. A. Hawkins III, tiny speedster, carried all the way for a Longhorn score. No extra points were made, and Silverton led 22-6 at halftime.

Early in the third quarter, Montague ran over another Owl score from five yards out and Smith kicked the conversion. Hart ran the kickoff back to their own 43, completed a pass down to the Silverton 40, and four plays later scored again, making the total 29-12.

Eight plays later Smith ran two yards for another Owl score, and Montague passed to Randy Cantwell for the conversion points. Hart fumbled away the kickoff and minutes later Lynn Edwards, substituting for Montague, passed to Tim Mattheus for a touchdown, and Smith kicked the extra point, making the score 44-12.

Every boy on the team played during the game, and most of the fourth quarter was played by the Owl second team.

Six players have shared the Owl scoring honors in the two games played this year. Monty Smith has run for two touchdowns and has kicked four extra points, for a total of 16. He missed one field goal attempt and one extra point kick on a very windy evening, and has scored points on all other kicks.

John Montague has carried three touchdowns, making a total of 18

points.

Lannie Arnold has scored one touchdown, for six points; William Henriques and Randy Cantwell each have caught one conversion pass, for two points each; and Tim Mattheus caught a touchdown pass for six points.

Lynn Edwards and John Montague, alternating at quarterback, completed five out of ten passes. Hart completed only three out of eight passes. The Owls were penalized 55 yards, mostly for being offside, and Hart was penalized 15 yards.

Next game is at Turkey Friday night. Fans are planning to have

The late Dr. Joe Fred Lemons

Lemons Services Held Recently

Memorial services were conducted August 30 for Dr. Joe Fred Lemons in the First Methodist Church in Los Alamos, New Mexico, by the Rev. Elmo A. Robinson, minister emeritus of the Unitarian Church of Los Alamos. Burial was in Guaje Pines Cemetery.

Dr. Lemons had been ill for a short while, and doctors attributed his death to a brain cyst. He died at the age of 50 in St. Joseph's Hospital in Albuquerque on August 26.

Dr. Lemons, born in Plainview, was reared in Silverton and was graduated from Silverton High School. His half-century span of life included rich contributions to his community and family as well as his professional activities.

He completed his undergraduate work at Texas Tech and graduate work at the University of Texas, where he received both the MA degree and PhD degree in Physical Chemistry. He moved to Los Alamos in January, 1946, and had headed Group CMF-2 since June of that year. His three children, Linda Gail, 14; Ross Alan, 16; and Eric Kevin, 7, were born in Los Alamos. They, his widow, Lucille, and his mother, Mrs. Fred Lemons are survivors.

Professionally, Dr. Lemons was recognized as an authority on the application of high explosives to weapon development and the chemistry of plutonium compounds. He was a member of the American Chemical Society and the American Association for the Advancement of Science.

As early as 1955, he was appointed by the Los Alamos County Commission to head the New Facilities Committee, which was the forerunner of the studies which determined the feasibility of private construction of homes. An outgrowth of his work was the implementation by the New Mexico Congressional delegation to provide land for the development of Barranca Mesa and Guaje Pines cemetery. It was in this cemetery that he was buried.

Dr. Lemons also made the initial formal contacts with Oak

O.E.S. Hat Party Is Friday, September 17

The annual Fall Hat Party sponsored by the Silverton O. E. S. will be held from 9:00 a.m. until 6:00 p.m. Friday, September 17, in the P. C. A. community room.

A large selection of Fall hats in a variety of colors and styles will be available, and all ladies in this area are invited to come try them on, have a cup of coffee and visit friends and neighbors. All hats are priced at \$3.96.

Road Number Change Approved By State

The Texas Highway Commission recently approved plans for a single state highway number from the Texas-Oklahoma state line to Post, southeast of Lubbock.

Plans call for routing Texas 15 from Spearman west to Stratford. In doing so, the designation of Texas 282 from Spearman to its junction with Farm-to-Market 289

and the designation of 289 from its junction with Texas 282 to Stratford would be cancelled and marked Texas 15.

Also, plans specify that Texas 282 from the Texas-Oklahoma line to Farm-to-Market 289, Texas 15 from Spearman to Claude, Farm-to-Market 284 from Claude to Texas 86 and Farm-to-Market 122 from U. S. 62 north of Ralls to Post will be cancelled and designated as Texas 207.

The commission's action included the condition that Armstrong and Briscoe counties furnish a minimum of 120 feet of right-of-way, clear of obstructions along the present route of Farm-to-Market 284.

A delegation from several Panhandle towns, including Jimmie House, Bill Long and Judge M. G. Moreland of Silverton, made the request for a single state highway number last January, but the approved plans were not totally what the group had requested.

They had asked that the highway from Perryton to Big Spring be made a single numbered highway.

Mr. and Mrs. Alva H. Davis planned to move to Amarillo Wednesday. They will reside at 109 Tennessee. Mrs. Davis has requested her Silverton friends to visit her often there.

Local residents attending the funeral of Earl Morrison in Quitaque Monday afternoon were Mr. and Mrs. Farris Martin, Virginia May, Mrs. C. R. Badgett, Mrs. Agnes Bingham, Virgil Henson, Bob Rauch, Cletus Grady and Jon LaBaume. Charlie Rogers and Pat Neal of Tullia also attended. Mrs. Farris Martin sang in the choir and Mr. Grady was a pallbearer.

Joe Huff Is Buried At Stratford

Joe Huff, 79, of Stratford, died in Coon Memorial Hospital at 1:00 a.m. Tuesday, September 7, where he had been a patient since Monday morning.

Funeral services were conducted in the Methodist Church in Stratford at 2:30 p.m. Wednesday, with burial in the local cemetery.

Mr. Huff had been a resident of Stratford for 57 years. He was a retired cowboy and farmer.

Survivors include his wife, of the home; two daughters, Mrs. Doyle Martin of Amarillo and Mrs. Carman Rhode; one grandson and four granddaughters; and four great-grandchildren.

Mr. and Mrs. Rhode, Robert and Sandi attended the funeral.

Ridge and Richland to determine the pattern of disposal.

He was active in the Unitarian Church. He was a member of the first church council when it was organized as the Unitarian Fellowship in 1952. He also served as president of the church for one year, and has been chairman of several church committees as well as having held other church offices.

The family requested memorials to Cal Farley's Boy's Ranch, Box 1890, Amarillo, a favorite charity of Dr. Lemons, in lieu of flowers.

50th Wedding Anniversary To Be Observed Here

An open house honoring Mr. and Mrs. Clifton Guy Harrison on their 50th wedding Anniversary will be held Sunday, September 26, in the home of their son, Herschel, at 403 Briscoe, from 2:00 until 5:00 p.m.

Hosting the celebration will be their son and daughters, Mrs. R. C. Crow of Hamlin, Mrs. Leo Hoffman of Butler, Oklahoma and Mrs. Walter Via of Happy.

Mr. and Mrs. Harrison have 15 grandchildren and 3 great-grandchildren.

Mr. Harrison and the former Ima Fox were married September 27, 1915, in Avery, Texas.

Friends of the couple are invited to attend the open house. No invitations are being mailed locally.

Special Week Proclaimed Here

September 19 through September 25 has been designated by Mayor Jimmie House as Young Homemakers Week in Silverton.

Questions will arise, such as: Young Homemakers? Who are they? Who is eligible for membership? What is the purpose of the organization?

Who They Are
Young Homemakers of Texas is the state association for young women interested in homemaking. The state is divided into ten geographic areas according to those of the Texas Education Agency for the Vocational Homemaking Programs. The organization is sponsored by the agency and a chapter must be sponsored by an employed homemaking teacher.

Membership
Women not enrolled in high school and who are under 36 years of age are eligible to become active members of Young Homemakers.

Purpose
The overall purpose of Young Homemakers is to provide creative opportunities for young women in maintaining effective personal, family and community life.

Historical Society Meets September 23

Briscoe County Historical Society will meet Thursday, September 23 at 7:30 p.m. in the school cafeteria. Mr. Gross, Swisher County chairman, will be the guest speaker.

Mr. and Mrs. Berton Hughes will be hosts.

Riley Ziegler and Raymond McJimsey are pictured with the first bale of new cotton which was ginned at Tomlin-Fleming Gin on Wednesday of last week. The bale weighed 540 pounds and was produced on irrigated cropland by Ziegler. Note the row of 40 sheds

in the background which have been completed during the summer under which trailer-loads of cotton can be protected from the weather while they are waiting to be ginned. There are two rows of 30 sheds also, and in all, 100 trailers can be sheltered.

THE OPEN DOOR

"Behold, I have set before thee an open door . . ." Rev. 3:8
 by Rev. Clyde Cain

Did you know that there are approximately 3,000 church fires in the U. S. annually? And that the estimated losses run into the millions of dollars, (278 million in 1961, the lowest in the three preceding years)? Seven major fires alone cost churches in the U. S. more than \$3,250,000.

I am surprised to know that some things so cold can burn so easily!

Why can't we see the spiritual fires sweep through our churches? When the Lord sent His Spirit to minister to our needs I'm confident that He also expected His church to continue with a warm spirit. A warm church, exercising a true Christian spirit seems to be one of the challenges of Christendom. It certainly is an open door to a great opportunity.

Martina Williams and Sue Latham left for Lubbock Sunday. Both are students at Texas Tech.

Mr. and Mrs. Albert Mallow returned last Thursday after a vacation in Arkansas, Missouri, Nebraska, Kansas and Iowa.

Build Your Own Workbench

SHURE-SET SETS FASTENERS TO CONCRETE FLOOR AND WALL.

A well-designed workbench is the basic requirement of any home workshop. And few things are as satisfying or as practical as building your own — it's not as difficult as you might think with planning and the proper tools.

Make your bench rugged, and most important, functional. Length and width depend on needs and available working space; 30 x 60 inches is a good size for most small workshops. To reduce stooping, the bench top should be just as high as the top of your hip bone—about 40 inches if you're of average height.

First thing—have the following pieces cut to size:
 four legs, 2 x 4 x 39
 two horizontal braces, 2 x 4 x 28
 bench top, 30 x 60 x 1 inches (oak or maple)
 two 3/4" plywood sides, 28 x 29
 back, also of 3/4" plywood, 49 1/2 x 29
 top bracing strip, 3/4 x 1 1/2 x 49 1/2
 assorted pieces of 3/4" plywood for doors and shelves
 Construction begins with the frame—where the strength is. Brace each pair of legs at the bottom with a horizontal 2 x 4

cross member, use clamps to align and hold the legs and braces in place while drilling. Before bolting, glue all joints. Result: two solid square "u" supports.

Attach the plywood back to the 2 x 4's—flush with the top—with glue and nails or screws. Then attach the unit directly to the concrete floor and wall to add considerable strength to the bench and eliminate any possible wobbles. This task is quite simple when you use a fastening tool called Shure-Set. This versatile tool will drive steel fasteners through the two 2 x 4 inch horizontal braces into the concrete floor—and through the rear legs into the concrete wall—with the ease of forcing nails through wood. Available at hardware counters, the Shure-Set tool concentrates tremendous force on the fasteners and eliminates drilling—not to mention the cost of togglebolts, shields and plugs necessary with ordinary installation techniques.

Diagonal bracing is achieved by attaching the plywood sides flush with the top of the legs, with glue and nails or screws. Now place the top bracing strip across the front gap between the two "u" supports and screw in place. The simple and strong butt joint can be used in all cases.

The bench top should overhang the lower framework by 2 inches in front and 6 inches at the ends, to let you clamp work to the bench and to provide space for a vise. A pair of 3/4" plywood doors with deep shelves—which swing out to make their contents easily accessible—are fastened with continuous hinges for strength.

Century of Progress Club Has Coffee

The Century of Progress Study Club held its opening coffee in the home of Mrs. Norman Strange on Wednesday, September 8. "Happiness Is Coffee and Conversation" was the program theme, with the quotation for the day being "A good beginning makes a good ending."

Mrs. George Long, devotional chairman, presented "Happiness Defined." Mrs. Jack Strange, Federation Counselor, reminded club members that the week of September 5 was Labor Day observance and the week of September 12 was the observance of Constitution Week.

The president's address entitled "I Confess" was given by Mrs. O. C. Rampley. Mrs. Wayne McMurtry, yearbook chairman, presented the members with the new yearbooks. Mrs. L. D. Griffin reviewed the club's by-laws.

The serving table was covered with a white cloth imported from Hong Kong and was centered with an arrangement of bronze mums with the Charlie Brown character from "Peanuts" looking down on the 1965-66 yearbook. By special permission of the cartoonist, Charles Schulz, the club's course of study this year is "Happiness Is..." and several cartoon drawings are used throughout the book.

Coffee, rolls, fruit and conversation were served to Mmes. E. A. Birdwell, Carl D. Bomar, James Davis, John Gill, L. D. Griffin, Leon Grosdidier, George Long, Jim Mercer, Joe Montague, Gene Morris, Pat Northcutt, O. C. Rampley, Jack Strange and Wayne Vaughan by Mmes. Norman Strange, Wayne McMurtry and Flunoy Hutsell.

Mr. and Mrs. B. A. Thomas and Tony of Tullia were hosts to an ice cream party in their home Thursday night, honoring Seaman Allen Thomas. Guests included Miss Carole Baughman, Lockney; Mr. and Mrs. Bobby Phillips and family, Mr. and Mrs. Roy Vaughn and family, Tullia; Mr. and Mrs. J. A. Ziegler, Mr. and Mrs. Riley Ziegler and family, Mr. and Mrs. John Mercer and family, Silvertown; Mr. and Mrs. Jimmy Pointer and son, Mrs. Odell Johnston and son, Quitaque.

The study club's current party chairman is Mrs. Leo Fleming.

Young Homemakers Hear Mrs. Teeple

The Young Homemakers held their regular meeting in the living room of the home economics department on September 9, 1965. Mrs. Raymond Teeple gave a demonstration on "How to Make Draperies." At the present time there are no draperies in the living room, and Mrs. Teeple used the large window to show how to measure and figure for material for draperies. The home ec. department is planning to put draperies in the living room, and the dem-

onstration was helpful for that purpose as well as to the Young Homemakers who are planning to make draperies. Mrs. Jeanette Malone, former home ec. teacher, was selected for honorary membership in the Silvertown Young Homemakers chapter. Mrs. Malone was advisor for the group last year and worked to help organize the chapter. Mrs. Sue Purcell, present home ec. teacher, is the new advisor. Maebelle Francis and Wayma Bomar were hostesses for the meeting. Refreshments were served to thirteen guests.

Mrs. O. C. Rampley, president, and Mrs. Wayne McMurtry, program chairman, look over the Century of Progress Study Club's new yearbook at the opening coffee held in the home of Mrs. Norman Strange. Peanuts cartoon characters were used to illustrate some of the program pages and Charlie Brown was used in the centerpiece on the refreshment table. —Briscoe County News Photo

L.O.A. Study Club Enjoys Brunch

Area I Y. H. Meeting Held In Hereford

The Area I Young Homemakers' annual convention was held Saturday, September 11, 1965, in Hereford. The House of Delegates met at 10:00 a.m. for the purpose of selecting new Area I officers. Pat Fitzgerald and Joni Mayfield attended this meeting as voting delegates from the local chapter.

Wayma Bomar and Vaughnell Brannon attended the afternoon session and banquet that night. The banquet was combined with Area I members of the Young Farmers.

They reported that the convention was entertaining as well as educational. It is hoped that the local chapter will be able to achieve many good works in the coming year after seeing the works of other chapters at the convention.

Star-spangled savings plan

Most of us think about the future in terms of paying off the mortgage, educating the children, providing a retirement income.

But with the world the way it is today, it's almost impossible to make plans for your own future without considering the future of your country, too.

When you buy U. S. Savings Bonds, your money takes on both jobs. It grows to build your financial strength.

At the same time, it helps Uncle Sam watch over our peace and security.

Why not give your savings dollars this double assignment? You'll be joining millions of American families who are investing in their country's future — and you'll probably feel pretty good about it.

It's easy to buy Savings Bonds on the Payroll Plan where you work. A \$50 Bond costs \$37.50, a \$25 Bond \$18.75, and you can buy them in installments for only a few dollars a pay day. Or buy them outright at any bank. No charge for the service.

Buy Series E Bonds for growth, Series H for current income.

- Some nice things about Series E Bonds
- You get 3 1/2% more money when they mature
- You can defer the tax on accumulated interest until the Bonds are cashed
- You can get your money when you need it
- Your Bonds are replaced free if lost, destroyed, or stolen

Keep freedom in your future with U.S. SAVINGS BONDS

Why English Is Required

by Tim Martinez

"I don't see why English is required." The English teacher often hears this statement from his students. There must be some good reasons for having to take English each year. What could they be?

Red, white, & blue chip investment

You won't get rich overnight buying U. S. Savings Bonds. But for the long run, they make an excellent investment.

You get a guaranteed rate of interest—3 3/4% when held to maturity—so there's no ups and downs to worry about.

You also get certain tax advantages since Savings Bonds aren't subject to state or local income taxes and the federal tax can be deferred until the Bonds are cashed.

But probably most important is that Bonds pay off in more than dollars. When you get your Bond investment back you know it has helped Uncle Sam strengthen the cause of freedom (your cause) all around this troubled world of ours.

Buy U. S. Savings Bonds and own a share of America. It's a good outfit to do business with.

Quick facts about Series E Savings Bonds

- ✓ You get back \$4 for every \$3 at maturity
- ✓ You can get your money when you need it
- ✓ Your Bonds are replaced free if lost, destroyed or stolen
