WHITE
This has been Flag Week in
verton, and other towns in the
es have also observed the spe-
week. It causes the heart of a
patriotic citizen to swell with
ple when he sees the stars and
stripes fluttering on so many poles
around town.
Lots of people question the ac-
tion in Viet Nam, and ask "Why
are we fighting there?" Some are
skeptical in their comments. Re-
cently an Amarillo soldier wrote
to tell his parents that the
army there feel that they are
over there two kinds of communism
the kind of the Viet Cong and
the kind here at home that is be-
demonstrated at card burnings
and other public displays such
as on the college campus
where students climbed the flag
poles, tore down the American
flag, ripped it to shreds, and raised
the Russian flag.
You know, communism just isn't
a passive sort of thing. It isn't
something that, if ignored, will
disappear. It is a lecherous thing
that will flourish and grow if no
one bothers to halt its spread.
Americans can't afford to wait un-
til it has taken over every inch of
the world and we are backed into
our own little corner to begin to
fight.
If you had cancer in your big
toe and knew that it would spread
through your body, you wouldn't
wait until it reached your
heart to fight. And if you lived in
a forest, you wouldn't wait until
it reached your yard before you
began to fight. Communism is no
different really. We can't wait
until it is on our back doorsteps
then expect to be able to
keep it away with our brooms.
The only regret is that the boys
in Viet Nam don't have the finest
support known to man with
which to fight.
I'm proud that we are flying our
stars to show our support of our
boys in Viet Nam. Our boys so
far from home are protecting my
freedom and yours as well as that
of the Vietnamese, and we certainly
will show them our support!

THE OPEN DOOR

"Behold, I have set before thee an open door . . ." Rev. 3:8
 by Rev. Clyde Cain

I deeply appreciate the way our local people enjoy one another, and how so many enjoy a good laugh. I came across something the other day that I thought was very humorous yet possessed a certain amount of truth, and I want to share it with you.

"It may be that you don't like your minister. Then here is a tested prescription by which you can get rid of him:

1. Look him straight in the eye when he's preaching, and maybe say "amen" occasionally. The man will preach himself to death in a short time.
2. Start paying him whatever he is worth. Having been on starvation wages for years, he'll promptly eat himself to death.
3. Shake hands with him, tell him he's doing a good job. He'll work himself to death.
4. Rededicate your own life to God and ask the minister to give you some church work to do. Very likely he'll keel over with heart failure.
5. If all else fails, this one is certain to succeed—get your congregation to unite in prayer for him. He will soon be so effective that some larger church will take him off your hands."

Mrs. John Schott led the group in prayer, and Mrs. Ronald Dale Kitchens led the group in repeating a Collect for Clubwomen.

Banana punch and sandwich cake were served by the hostesses from a table laid with an ecru

lace cloth. A centerpiece of orange and yellow flowers was used along with Halloween decorations.

Two guests, Mrs. Bobby Stephens and Mrs. Joe Kitchens, and the following members, Mrs. James R. Alexander, Mrs. Don Cornett, Mrs. Bill Durham, Mrs. Harold Edwards, Mrs. Randall Eddleman, Mrs. Leo Fleming, Mrs. Doug Forbes, Mrs. John Fowler, Mrs. James Hawkins, Mrs. Ronald D. Kitchens, Mrs. J. E. Patton, Mrs. Charles Sarchet, Mrs. John Schott, Mrs. Bob Stafford, Mrs. Richard Whitfill and Mrs. Paul Williams, were present.

During the business meeting, a one-year leave of absence was granted to Mrs. Robert Haley Hill.

Flower Show Is November 13 Here

The Jaycee-Ettes are having a Flower Show on Saturday, November 13, in the Whiteside building, starting at 9:30 a.m. and continuing until 5:00 p.m. Pretty flower arrangements are to be displayed and are to be for sale by the members of the club for their money-making project.

Mrs. Paul Hawkins of Turkey is in charge of the show.

The public is invited to attend the show, to shop and to enjoy the free coffee to be served by the members.

Mrs. Hinds Gives Study Program

W.S.C.S. met in fellowship hall of the Methodist Church on November 2 to hear Mrs. John Hinds begin a study program on "Babylon by Choice."

Mrs. Robert Ledbetter was hostess and served refreshments to Mmes. Jennie Fisher, Bill Edwards, G. Mayfield, Gordon Alexander, Gene Morris, George Seaney, Johnny Plunkett, Jim Wofford, James Davis and Hugh Nance.

Historical Society Members Attend Meeting and Tours

Briscoe County was represented at the state-wide meeting of the Texas Historical Foundation by the county chairman, Mrs. C. O. Alford and committeeman C. O. Alford. Other committee members who attended were Mrs. C. L. McWilliams, Mr. and Mrs. Gordon Alexander and Mr. and Mrs. A. L. Redin.

The Briscoe County delegates attended the meeting at their own expense, and reported that the meeting and tours were well worth the expense. A budget of \$148,000 was approved for next year. Briscoe County's quota is \$300.00, and committee members are hoping that Briscoe County will be honored next year as a "quota buster" county.

In general sessions, speakers reported the benefits of publicizing historical, scenic and other places of interest. They also explained how to start, what to look for, and how to do it. W. W. Holm of Odesa spoke on "Tales and Trails of the Permian Basin and Trans-Pecos Area."

There were section meetings on Writing County History, Writing Brochures, Preservation of Historic Buildings, Establishment and Operation of Museums and Naming and Marking Natural Features. New legislation offers some wonderful possibilities for counties that are interested.

One of the highlights of the trip was a visit to the J. C. Hunter Ranch in the almost-inaccessible McKittrick Canyon which is in north Culberson County. The canyon is a veritable paradise of color at this time of year. Texas Madrone, Big Tooth Maples, Pine, Oak and many other varieties of trees and vegetation provide color in all shades of green, yellow,

Mrs. Morckel To Be Guest Speaker Here

brown, orange and red. The more than one hundred visitors agreed they had never visited a more scenic spot.

The programs Saturday night and Sunday morning at Fort Davis and other parts of the Scobee Countain area were informative and inspirational. The old fort at Fort Davis, which was used to defend settlers from the Indians from 1867 to 1876, is being restored to its original condition. It is surrounded on three sides by steep mountains. Practically all the old adobe buildings are still standing, but look as if they might fall at any minute.

The program which the Historical Foundation is stressing has been designated as RAMPS: Recordation, Appreciation, Marking, Preservation, Surveys.

Royalty Presented At Coronation

Ginger Martin and Larry Comer, freshman candidates, were presented as the high school Halloween Carnival queen and king at the coronation last Saturday night. Cathy Jones and Max Weaver, eighth grade candidates, were presented as princess and prince of the grade school.

The theme "Black Magic" was carried out in orange and black. Behind the throne was a huge

orange crepe paper pumpkin. Along the sides and ends of the gym were streamers of black and orange, and the path was laid with black paper and outlined with orange twisted streamers. At the end of the paths were pumpkins, ghosts, moons, skeletons, witches and cats. Between the paths were bundles of feed and pumpkins.

John Montague was master of ceremonies for the coronation. Jimmy Burson played the processional, and Mrs. LaRue Garvin accompanied Paula Turner, who sang "Climb Every Mountain."

Attendants for Ginger and Larry were Mary Schott and Cliff Walker, seniors; Kathy Hughes and Buddy Comer, juniors; Pam Thompson and Tim Mattheus, sophomores.

Attendants for Cathy and Max were Annette Williams and Lane Garvin, seventh; Sharon Jarrett and Ronny Vaughan, sixth; Ramona Martin and Ricky Hester, fifth; Martha Henson and Ty Wayne McMurry, fourth; Sue Monk and Mikel Griffin, third; Doris Cantwell and David Lewis, second; and Debbie Verden and Jeffery Jones, first.

Joe Self, president of the high school Student Council, escorting Margaret Minyard, crowned Ginger Martin and presented the scepter to Larry Comer. Crown and scepter bearers were Lee Ann McMurry and Bill Reid.

Bill Strange, president of the junior high Student Council, escorting Evelyn Wood, crowned Cathy Jones and presented Max Weaver with the scepter. Crown and scepter bearers were Tammie Hamilton and Timmy Nunn.

Carnival Results Are Released

The profits from the Halloween Carnival totaled approximately \$270.00. Not all of the classes have reported.

Miss Sarah Cline's third grade is planning to sell candy in the next few weeks. The profits from this project will be applied to buying records and an electric pencil sharpener needed by the class. Miss Cline has expressed the hope that people will help the class by buying the candy.

School Daze

Why doesn't all the Ag clan work like Howard and Jimmy B. on the pig pens?

Joyce what was it that Coach Nutt called you in P.E.?

What is this about Kathy S. and Jerry P. being brother and sister?

Judy, what happened to all your school spirit when you got the Turkey boyfriend?

Why is it that Miss Self gets so upset when the announcement is made for dedications or top tunes? Could it be that she thinks the class needs every bit of teaching possible?

We hear Mr. Hinds went rabbit hunting last Wednesday—in his air conditioner.

Why was Ginger so happy the other day at noon?

It is true Richard McCutchen doesn't have a figure? That's what it said in Kathy Self's Slam Book.

The basketball girls have really been on their toes this week—could be that the coach has been picking his team.

Some boys are sent to the office—however, Howard has an escort, Mr. Francis.

Mike Long is bothered because people keep letting the air out of his tire. Don't worry Mike, they are probably just trying to find out if it is Goodyear or Firestone.

A couple of girls told Mrs. Martinez that they had to go home shortly after eight Thursday and couldn't stay longer for play practice. Wonder what would happen if parents and sponsors every compared notes.

People are wondering why Juanah had such a good time after the bonfire. Is sitting in the floorboard really that entertaining?

HAPPINESS IS . . .

. . . peppy pep rallies on Friday.

. . . no homework on the weekend.

. . . an easy basketball workout on Monday

. . . not more than 2 windsprints after workout.

. . . wearing hose all day without getting a runner.

. . . having a successful bonfire on Thursday night.

. . . winning a football game.

. . . finding the coaches in a good mood.

. . . after-game dances, when every one dances.

. . . having time to eat supper between football practice and Jr. play practice.

. . . getting your history questions before Friday.

. . . getting a letter from your boyfriend every day.

. . . someone getting a new car besides a Sophomore.

. . . hearing the coach say "on the line" on Monday.

HELP! HELP!

Last Friday Mrs. Baker's fifth grade students canvassed the entire school and community selling candy as had been the class policy for the past years to earn money for classroom equipment.

They were either super-salesmen or people really recognized a bargain when they saw it. At any rate, 144 cans of delicious candy were sold for 50c per can and everyone was happy—including Mrs. Baker—until she started to mail the check for payment of the candy and discovered that it should have been sold for \$1.00 per can.

Not only did they fail to make a profit, but they did not collect enough from the proceeds to pay for the cost of the candy. If you bought candy from one of the fifth graders, won't you please send an extra 50c to the class in order that they may pay their bill and at least break even on the business venture.

EDITORIAL

By Paula Turner

Probably everyone in high school belongs to at least one club. Several belong to every club they are eligible to become a member of.

There are many advantages in belonging to these clubs.

Four of these clubs—the F.F.A., F.H.A., F.B.L.A., and F.T.A. help prepare students for future vocations. They train students and help them develop their skills.

F.H.A. and F.F.A. are two of the programs that were brought out of the Attorney General's Youth Conference on Crime in Austin this summer. These programs give young people something to do and help them develop their skills. When they have a skill they can use to hold down jobs, they are less likely to resort to crime.

These clubs give leadership training. Each club officers who acquire valuable experience in carrying out their duties. It also gives training to many of the

members. Speeches are made, committees make plans, and many students work toward degrees.

A student must work to be in the National Honor Society. His grade average must be kept up to ninety, and his moral standards must be kept high. Many students work harder just to get in this organization. Once they are there, they must work to keep their averages up.

The "S" Club and the Pep Squad also have an important place. They help promote the school spirit. They are very important in all our athletic events.

All of these organizations sponsor various activities during the year and give the students a chance to have some good, clean fun.

These activities are as much a part of our education as the subjects we take.

Golden and "cracklin' crisp" outside and juicy tender inside, succulent fried chicken has secured its place among the most beloved of American dishes. For generations mothers have daughters' culinary "doweries."

From border to border, coast to coast, regional tastes dictate the way of frying chicken. But no matter where you live, the gravy you pour over must be chicken-y good and satin-smooth. More and more smart cooks are reaching for the can of chicken gravy to sauce their fried chicken with ease. They know they can depend on canned chicken gravy to be rich, flavorful, and lump-free every single time. Next time you serve fried chicken, enhance its flavorful goodness with one of these gravy variations.

Flag Week Continues Through Saturday

The Silverton Junior Chamber of Commerce (Jaycees) has always stepped forward in the defense of freedom because they believe op-

pression and wars against free men anywhere constitute a threat to the life and liberty of free men everywhere. The nation is now engaged in the defense of freedom in Viet Nam where the God-given rights of free men are threatened by Communist subversion and aggression. The Silverton Jaycees are young

men who believe:
1. That to protect our own rights, we must always fight for the rights of others, especially when they ask for our help because no man can be completely free as long as another man is enslaved.
2. That to achieve total victory over Communist aggression it is

sometimes necessary to use force as well as diplomatic resources.
3. That responsible action in Viet Nam using military force, diplomacy and all other public and private resource to protect these principles is for the ultimate benefit of all freedom-loving people.

In a resolution adopted by the Silverton Jaycees on October 25, attested by Leon E. Grosdidier, local president, and John R. Fowler, secretary, the chapter stated "we are proud to inform the citizens of Silverton that the attitude of young men is a positive one for freedom of all peoples everywhere."

An official proclamation by Jimmie House, mayor of Silverton, on October 25, made the following statement:

WHEREAS, it is especially fitting at this time that each of us, as citizens of this great Nation, recognize the forces that impair our support for freedom.

WHEREAS, within the past few weeks we have seen incredible actions taken by young demonstrators in our country, marching against freedom and protesting the efforts of the U. S. Government to stop the spread of Communism in Viet Nam.

WHEREAS, it is our inherent duty and responsibility to take positive action to uphold our beliefs and convictions in preserving freedom and respect of individuality of all men throughout the World.

NOW, THEREFORE, I, Jimmie House, Mayor of the City of Silverton, Briscoe County, Texas, do hereby proclaim October 31 through November 7, 1965, as **FLAGS FOR FREEDOM WEEK** and call upon all citizens and business establishments to recognize this special week by displaying the American Flag.

Mr. and Mrs. Emmett Cochran of Tulia and Mrs. Johnnie Roberts of Amarillo were recent overnight guests of their brother, Mr. and Mrs. P. H. McKenney.

Two major divisions of competition will be open again this year for entries by high school students and amateur artists. High school students (freshman through seniors) will compete for first, second and third places. Entry blanks and information concerning the District and State contests are available from Mrs. Dee McWilliams.

QUEEN VICTORIA a biography by Elizabeth Longford Elizabeth Longford, the countess of Longford, is a woman of numerous interests and achievements. After getting her degree at Oxford, she lectured in English Economics and Politics for the Workers' Educational Association. She has twice stood for Parliament for the Labour Party, and has done a great deal of work for civic groups, both public and private. She and her husband, the Earl of Longford, live in London. They have eight children.

This brilliantly informed and perceptive narrative shows the young Queen tormented by an unhappy childhood, enraptured by a love match, tantalized by a brief marriage, driven by the shock of the Prince Consort's death into a long retirement. Then, impelled by an iron sense of duty, the secluded widow emerges at last—to rule her vast Empire as a mother and her large, high-spirited family

TO THE PEOPLE OF SILVERTOWN:

I wish to take this opportunity to express my appreciation and thanks to you people for the support and assistance you have given my family and me for the past five and a half years.

Nancy, the girls, and I are moving from Floydada. We hope this will be a beneficial step for us. I have accepted a position at Oklahoma State University as an instructor in the small animal clinic at the school of Veterinary Medicine there.

I have turned my practice over to Dr. Ron Loose, who has moved to Floydada, and is now in active practice. I am certain that you will show him the same courtesy and support you have given me.

Sincerely, T. R. Thedford, D.V.M.

as a Queen.

Queen Victoria is apt to be dismissed in the twentieth century as an idol. Elizabeth Longford's full frank portrait, rendered with affection and respect, reveals a fascinating and complicated person—a woman of diminutive stature and superabundant temperament.
