We've been having song leader committee meetings with Barbara pavis, Carron Montague and Kathy Self. Also the game planning committee met and those participating were Joni Self, Roy Dale Garrison, Nancy Reid and Jim Davis. Carol Ann Montague and Pat Jarrett planned a demonstration on "Leading Games." Mrs. Gordon Lowery, one of our newest and a very active adult 4-H leader, had the committee for planning games such as volleyball, washers, and horseshoes meet with her last week.

All these groups were getting ready for the County 4-H Picnic which was a big success and lots of fun for all of us Tuesday afternoon, July 26, in the Boy Scout Camp area.

Everyone was pleased to have Dwight Rampley, Gerald Smith and Dianne Davis, former 4-H members, who are here this sumner, as guests at the picnic.

Another enjoyable program was ne given by Mrs. Doyle Stephens on flower arrangements for the Southwestern Home Demonstration Club which met with Mrs. Alva C. Jasper. After Mrs. Stephens' presentation, the club members had the opportunity to make arrangements and practice the forms she had taught, with her

Shrinks Hemorrhoids Without Surgery Stops Itch-Relieves Pain

For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids and to relieve pain — without surgery. In case after case, while gently relieving pain, actual reduction (shrinkage) took place. Most amazing of all — results were so thorough that sufferers made astonishing statements like "Piles have ceased to be a problem!" The secret is a new healing substance (Bio-Dyne®)—discovery of a world-famous research institute. This substance is now available in suppository or ointment form called Preparation H®. YOU DRAW DIVIDENDS

from every business enterprise in the community where you live

If some good neighbor with a popcorn stand was giving you part of his profits every day ...

... you would probably give him ALL of your popcorn business ... you might even try to influence other neighbors to take up popcorn . . . and to buy it at home.

Actually, you DO share in the profits of EVERY business in your home community, because a BIG PART of the gross margin on every local business transaction goes toward the support of things that benefit YOU and everyone else who lives here.

Such as schools, churches, roads and streets, fire and police protection, jobs for more people so that we can keep among us MORE good teachers and preachers and doctors and other skilled folks. And so we can have more stores that are better stocked for our convenience and for our EMERGENCY needs.

Because we don't get these benefits in cash, we sometimes forget that ALL home business is really OUR BUSINESS. And some of us even forget . . . and trade somewhere else . . . when OUR OWN PAYCHECK depends on keeping this community prosperous.
