

School Enrollment Is Up This Year

The Silverton Public School enrollment is up this year, according to an announcement made Tuesday by Superintendent J. S. Hinds. The total school enrollment at the present is 565 as compared with 552 last year.

There are 155 students in high school here this year as compared with 145 at this time last year.

There were 62 enrolled in the first grade last year and there are 69 first-graders in three sections this year. Mrs. Alton Steele is teaching the third section of the first grade.

R. L. Robbs, who had been employed to teach science courses, has received his call to report for induction into the armed forces, and his classes have been divided between Herb Stephens and Mrs. Jim Mercer, according to Mr. Hinds.

Mrs. James Davis is teaching third grade, and an emergency certificate has been requested from the State so that she can continue with that class.

The teacher shortage is becoming acute all over the country, and with the young men teachers being drafted, it will likely become worse.

Students To Attend Area Colleges

A list of others attending college will be included in next week's edition if the family of the student will notify the News Office so additional names can be added to this list.

Silverton Young Homemakers Receive Area I Award In Tulia Saturday Night

The Silverton Young Homemakers chapter received the Outstanding New Chapter Award at the annual Area I Banquet Saturday night. They were presented an engraved silver tray.

The banquet, held jointly with the Young Farmers, climaxed the Area I Convention held that day for the two organizations.

Wayma Bomar was elected to serve as third vice-president of the Area. Other Area officers elected were LaHonda McAllister, president; Linda Stanton, Nancy Cannon, Linda Boydston, Barbara Henderson, Evelyn Rodgers, Betty Mabry, Donna Tipton and Ruth Dobbs.

Dr. Jerry Dawson, head of the History Department at Wayland Baptist College, delivered the address following the convention theme, "Let Freedom Ring in the Home."

The Silverton chapter conducted the registration for the day and helped with the tea in the afternoon. Mike Settle and Wayma Bomar each received a door prize. Other Silverton members attending were Vaughnell Brannon,

THURSDAY, SEPTEMBER 15, 1966 SILVERTON, (Briscoe County) TEXAS FUTURE HOME OF MACKENZIE RESERVOIR VOLUME 58 NUMBER 37

Report Outlines Plans For Mackenzie Reservoir

Foundation studies of the site of the proposed Mackenzie dam and reservoir made by Mason-Johnston & Associates of Dallas, indicate the site is excellent, members of the water authority board were told at a recent meeting.

The board immediately authorized the engineering firm, Freeze, Nichols & Endress of Fort Worth, to proceed with the preliminary phase of the engineering project.

The proposed dam and reservoir will be located in the western part of Briscoe county approximately six miles upstream from the confluence of Tule Creek with Prairie Dog Town Fork of the Red River, or three-eighths of a mile west of FM Road 284. It will provide municipal water for Silverton, Floydada, Lockney and Tulia.

According to the report presented by Mason-Johnston & Associates, there is no abutment seepage, no leakage through foundation, both right and left abutments are capped by 45 feet of sandstone, redbed underlies the sandstone and is exposed in both abutments and creek channel. Adequate materials for construction of either homogenous or zoned type of embankment are available.

The reservoir would have a capacity of 54,000 acre feet with an actual surface area of 900 acres when full. Maximum depth of the lake would be 148 feet with an average depth of 60 feet. It was pointed out that the average depth of similar reservoirs constructed in the area runs from 17 to 23 feet. The White River reservoir has an average depth of 22 feet.

The lake would have from 20 to 25 miles of shoreline. The dam would be 1275 feet in length with a total length embankment of 2300 feet. Maximum height of the embankment would be 1058 feet and it will require four million cubic yards of earth.

The board adopted a resolution to accept the offer of a maximum of \$76,500 federal loan through the Department of Housing and Urban Development with which to complete the planning and engineering phase of the project. The availability of these funds came as a surprise last month when Senator Ralph Yarborough notified Lon Davis, president of Mackenzie Water Authority, that the funds had been allocated. Funds had not been authorized

early this year; however, the authority had been notified by the Fort Worth office of HUD that reduced appropriations had created a long waiting list and the money would not be available in the foreseeable future.

Senator Yarborough as well as Congressmen Walter Rogers and George Mahon were approached to do what they could to facilitate the funds since the authority is fighting time to beat several deadlines including water permits and the time when some of the cities involved will have to have this water to meet current needs.

The engineering firm has 180 days to complete its work which includes determining the cost of the project, now estimated at \$5 million. The firm has been asked

to expedite its work. A representative of the firm said aerial mapping of the entire watershed will be completed as soon as the foliage dies. As soon as the engineering is completed, the four cities will set machinery in motion to accept bids and to call bond elections. Should any of the cities fail to approve the bonds, they would immediately be dropped from the project and the water rights assigned to those approving.

The HUD loan will be repaid, without interest, at the time contract is signed for construction of the project.

Best estimate is that construction could begin in a year if no unforeseen delays occur.

Members of the authority present at the meeting were chairman

Lon Davis, Jr., S. W. Ross, O. C. Bailey, John Ziegler, Tom Moore, Charles Whitfill and Milton Dudley. Jim Tom Nichols was absent. Members of the Tulia city council were also present to hear the engineering reports.

Methodist Announce Plans For Revival

A four-day revival will begin at First Methodist Church in Silverton on September 18. The revival will have as its theme, "Back to Church With Christ." According to the pastor, Rev. Wilbur Gaede, the point of the theme is that many have gotten out of the practice of Sunday School study and divine worship during the summer months. "So we all need to be revived in the one thing we hold most dear—our freedom of Christian belief and practice," he said.

There will be two services daily, Sunday, September 18, services will be at 11:00 a.m. with the pastor preaching, and evening services will be at 6:00 o'clock with Rev. Elton Wyatt of Petersburg preaching.

Rev. Wyatt will preach for the other six services also. From Monday through Wednesday the morning services will be at 7:00 a.m. and night services at 7:30. A nursery will be provided at each of the services.

After the three week-day morning services, a light breakfast consisting of coffee, fruit juice, toast and jelly will be served in Fellowship Hall.

Many will remember Rev. Wyatt because he led a revival here several years ago. He is well known for preaching in revivals all over the conference. His messages will be Biblical based and Christ-centered and will reach directly into the heart.

Rev. Gaede added, "This is your invitation to the 'Back to Church' revival and to attend every service with a prayer in your heart that God will speak to you and your heart will be truly warmed

with the love of Jesus Christ." Music will be directed by Mrs. Bill Edwards and the choir.

Tim Mattheus (22), Buddy Comer (62) and Randy Hughes (74) are shown making a part of the defense which held the Longstop on Hart's ballcarrier, Bob Crick, during Friday night's grid action. These Owls were horns to only one score.

Owls Down Hart Longhorns Here 14-8

The Owls opened the 1966 football season by taking a win from the Hart Longhorns in a home game before a crowd of fans who were huddled under blankets in the unseasonably cool weather.

The first two quarters of the game were scoreless though the first half ended with Silverton on the Hart 2-yard line, and the Owls

broke the ice early in the third quarter. Silverton had kicked off to Hart but the Silverton defense was too much for the Longhorns, and they were able to gain only five yards. Their quick kick was taken at about the Hart 45. The Owls completed a pass to William Henriques and he ran down to the Hart 30. Silverton made another first down on running plays, and Cletus Grady, Jr. ran the last 15 yards for the Owl score with 7:40 remaining on the score clock. The sun for extra points failed, and the home team led 6-0.

Hart's touchdown was set up by a pass play which carried down to the Silverton 15-yard line. Hart lost ground on the first two tries

and received a five-yard penalty. On the next play, W. A. Hawkins grabbed a pass which gave the Longhorns a first down at the Silverton 5, and George Bennett snared passes for the touchdown and extra points.

A series of mistakes followed, with Silverton fumbling away the Hart kick off and a bad center causing the Hart kicker to miss getting off a quick kick.

Silverton's winning touchdown came with less than 50 seconds remaining on the clock, as John Montague ran into the end zone for the Owls. Tim Mattheus carried the extra points, and Silverton put the game on ice.

Silverton made 12 first downs, while Hart made 7. Silverton lost the ball five times via the fumble route while Hart lost three fumbles. The Longhorns were plagued with bad passes from center.

The Owls are looking forward to hosting the Turkey Turks Friday night. The Turks won their first game of the season, defeating the Happy Cowboys.

Mrs. Thompson Buried Sunday

Mrs. C. A. (Ida) Thompson, 91, a resident of Brown County since 1976, died at 8:05 p.m. Thursday in a local hospital following a long illness.

Services were conducted Sunday at a Baptist Church there.

Mrs. Thompson, an active member of the Baptist Church most of her life, was born November 19, 1874, in Philadelphia, Mississippi. She was the widow of the late Charles Anderson Thompson, who died March 6, 1961.

Surviving are four daughters, Mrs. Glynn McClatchy and Mrs. Lola Jackson of Brownwood, Mrs. Charlie Rowell of Silverton and Mrs. Cleo James of Albuquerque, New Mexico; three sons, Hugh of Stockton, California, Vassar of Ruidosa, New Mexico, and Jim of Albuquerque; 23 grandchildren, 46 great-grandchildren and five great-great-grandchildren.

Surviving are a son, two sisters, four brothers and four grandchildren.

Miss Billie Haynes of California has been a visitor with Mrs. Mary Daniel at Tulia and Mrs. C. E. Anderson.

Norman Strange took Mr. and Mrs. Bill Durham and Trevor to Dallas Tuesday afternoon. Trevor had an appointment with a specialist Wednesday afternoon.

Church District Workshop Planned

There will be a district workshop at the First Methodist Church in Plainview, September 25-29, for church school workers and laymen.

Mattie Sue Howell of Plainview will be dean of the Christian Workers School, which will run from 2:30 to 4:30 on Sunday, September 25, and from 7:00 to 9:00 p.m. Monday through Thursday.

Six courses of interest will be offered at the school. They are "Working With Younger Children," taught by Mrs. Virgil Patterson of Merkel; "Working With Elementary Boys and Girls," taught by Mrs. Clyde Grant of Abilene; "Helping Children Grow In The Christian Faith," teacher not yet selected; "The Ministry of the Church to Youth," taught by Rev. Henry Salley of Throckmorton; "Adults Learning In A Changing World," taught by Rev. Harold Perdue of Wheeler; and "Christ-

GIRL CAROUSEL RIDERS GALLOP SIDESADDLE IN 1966 STATE FAIR

A brilliantly costumed group of fashionable young ladies from Mexico's leading ranch families will present a unique demonstration of riding skill — sidesaddle — during the 1966 State Fair of Texas Horse Show Oct. 8-16 in the Livestock Coliseum. The Girl Carousel Riders of Mexico will present exciting formations at a full gallop, riding sidesaddle on horses lavishly caparisoned.

HOME NOTES

Teenagers are always hungry, but what's good for them that they like? A recent study by the U. S. Department of Agriculture has good news for mothers of teenagers. The study revealed that 30 percent of boys and girls between the ages of 13 and 19 would like to have chicken served more often. The National Broiler Council reports that chicken is generous in protein; in fact, a minimum portion of three ounces of broiled chicken without bone supplies 23 grams of protein—an amount no other meat exceeds and few equal. And mothers know that protein is something to grow on. As long as chicken is around, they can be assured their youngsters will be eating what's good for them—besides what they like!

Many impressions children have about foods are established during the elementary school years. Such impressions can develop into strong likes and dislikes that may mean a child will avoid the most nutritious foods.

It is important for parents to encourage positive attitudes toward foods and good eating habits.

Research shows that the diets of many school children lack the essential nutrients—calcium, ascorbic acid, and vitamin A. This deficiency can become more serious as the child grows older because he tends to eat less of the food he needs.

To correct or avoid this nutritional deficiency, parents should provide adequate amounts of milk, citrus fruits, and dark green or deep yellow or orange vegetables in each day's meal pattern.

Parents reinforce good eating habits by setting a good example. Children hardly see the importance of eating a good meal when adults don't. Since breakfast is the most important meal of the day, the family should eat one-fourth to one-third of the daily

Pretty Pimientos Aid Party Fare

Looking for a pretty and tasty cheese roll to serve at parties? You will like this one, which features pimientos and two kinds of cheese: Cheddar or American and cream cheese. It can be made the day before, refrigerated; then whisked out at serving time.

Two or three rolls can be made from the quantities given here, so for variety, coat the rolls in different things—one in chopped parsley, another in chopped nuts, or seasoned crumbs, or sprinkle one heavily with paprika.

Pimiento Cheese Roll

- 4 cups (1 lb.) grated sharp cheese*
- 1/2 lb. (8 oz.) cream cheese
- 1 jar or can (7 oz.) pimientos, chopped and drained
- 1 teaspoon dry mustard
- 1 teaspoon grated onion
- Dash cayenne pepper
- Sherry, brandy or heavy cream

Thoroughly combine all ingredients, adding only enough liquid (sherry, brandy or heavy cream) to make mixture smooth and slightly creamy—not thin. Chill mixture until firm enough to shape or roll into 2 or 3 rolls, each about 2" in diameter. Wrap in wax paper and refrigerate until very firm, overnight if possible.

When ready to serve, unwrap and roll in minced parsley, or finely chopped nuts, or in seasoned crumbs; or sprinkle with paprika. Serve on tray with crackers and knife for slicing and spreading. Enough for 2 or 3 dozen people.

*Use a natural American or Cheddar for best flavor.

Mrs. Randall Eddleman, program chairman for the L. O. A. Junior Study Club, presented the new yearbooks to the club Tuesday afternoon at 3:45 p.m. in the P. C. A. community room. She told the members that the committee composed of herself, Mrs. James Ross Alexander and Mrs. J. E. Patton, had prepared the programs using the course of study, "Texas Heritage—Old and New." Mrs. Eddleman also led the members in repeating the Junior Pledge which, she said, would be used occasionally throughout the year.

The Collect for Clubwoman was led by Mrs. Alexander. Mrs. Ronald Dale Kitchens, chairman, presided over the business meeting and conducted the business session. Mrs. J. E. Patton dismissed the meeting with a prayer. Refreshments were served from

a table laid with a lace cloth over green by members of the program committee. Green punch, grapes, melon and cantaloupe balls and a frozen dessert were served. The centerpiece was an arrangement of carnations and bluebonnets surrounding a map of Texas on which were placed products of the state.

Attending were Mrs. Alexander, Mrs. Don Cornett, Mrs. Harold Edwards, Mrs. Eddleman, Mrs. Leo Fleming, Mrs. Doug Forbes, Mrs. John Fowler, Mrs. Robert Haley Hill, Mrs. Larry Jarrett, Mrs. Kitchens, Mrs. Patton, Mrs. Charles Sarchet, Mrs. John Schott, and Mrs. Richard Whitfill.

By Mary Whitman

Our web-footed friends and others are given their due in a big book a child would enjoy.

He can learn about the cormorant, an obedient bird trained to catch fish for a master. There is the stalwart stormy petrel, only six inches long, never touching land from October to June. In these pages he meets the pelican, a bird able to float like a cork. And there are many more.

As he pores over pictures and chapters a child will learn about the many subdivisions of mammals, birds, reptiles, fishes and invertebrates of all sorts.

The World of Animals, part of the World Library series of Whitman Publishing Company of Racine, Wis., acquaints a young reader with the wild life of the world and with the wild and domestic animals he can find in his own country.

If you are building a library for a child, a set of reference books can be valuable in his work and play. Relatives may want to join on the add-a-book plan, giving a book each birthday. A colorful array of volumes is to be found at local variety stores, bookstores, department stores and even drug-store racks.

The world of change and challenge will engross a child as he studies. The many changes of animal life before man arrived and since are colorfully illustrated.

Odd facts and figures about the diversity of life will please a young reader. He learns that the kangaroo is an inch long when born, but the blue whale is twenty-five feet. He learns of long life spans — 150 years for a tortoise. And he can marvel at the speed with which animals travel, with the cheetah clocking 84 miles an hour and the gazelle 60.

The animals of his region will get more of his attention as he notes and compares.

"Learn to use your eyes," the book suggests. The child who reads soon learns to do just that.

ber of the San Angelo Chamber of Commerce. The new industrial development manager attended Howard Payne College and graduated from the University of Texas. In addition, he has taken a number of post-graduate courses in area and industrial development.

"As far as electrical power is concerned, and its role in industrial development, each of the communities that we serve starts off equal with any other. Because of our interconnected generation and transmission system, we can meet the electrical needs of any industries that are likely to locate in this area at any point in the area. What we hope to do now, with the addition of Milner to our staff and with the seminar and other activities that we are planning, is to provide for each community some additional manpower, informed manpower, to help it in its industrial development program," Pearson said.

Attending the seminar from Silvertown will be Kenneth Tate, local manager.

FAIR WEATHER AHEAD! AND FUN FOR YOUNG AT FFA CHILDREN'S BARNYARD

All the animals will be there—and so will the youngsters who like to get a close-up look at all types of animals and their youngsters. Time and place will be the 1966 State Fair of Texas, Oct. 8-23 in Dallas, at the Future Farmers of America Children's Barnyard, located in the big red tent adjacent to the Livestock Coliseum.

He is now working toward his Masters degree.

Owls Win Over Hart Longhorns

from Coach Thornburg
 The Silvertown Owls played host to the Hart Longhorns last Friday night and came out with a 14-8 victory. This was the first game of the 1966 season and it was a sweet victory for the Owls since it was the first victory in some time.

The offense was hindered a great deal of the time because of fumbles. The defense kept the Owls in the ballgame. There was a number of boys who played good defense.

Total yards made from scrimmage: Silvertown 280; Hart 166.

The Owls fumbled seven times and recovered two, while Hart fumbled six times and recovered three.

The Owls scored with 25 seconds left in the game. Although behind, the Owls never did give up and came back to win.

Although the Owls made a lot of mistakes, we are proud of them and they will be working hard to correct their mistakes in preparing for Turkey here next Friday at 8:00 p.m.

I would like to thank each one of you for your support of the Owls. Will be showing the film of the game each Monday night at the weekly Quarterback Club. You are invited to attend and watch the film.

The Little Owls will travel to Claude September 15 to play the Claude Junior High. Game time is 7:00 p.m.

DO YOU LIKE FRIED CHICKEN

If you like fried chicken, come tomorrow night, September 16, to the Junior Class Chicken Supper from 5:00 until 7:00 o'clock in the Silvertown School Cafeteria.

Proceeds go towards the Junior-Senior Banquet.

SCHOOL SCOOPS

Tina Weaver was mistaken for a gorilla yesterday by a zoo keeper. The zoo keeper, Mrs. McAnimal, apologized when she realized her mistake. She locked Miss Weaver up in a cage before she knew what it really was. Charges by Miss Weaver are pending. Jimmy Burson was chased by a pack of coyotes last night. Burson was at his place calling coyotes, when a pack of female coyotes chased him into his pickup. Burson has decided to give up coyote calling.

Coach Jerry Nutt announced yesterday that Leland Wood has been elected All-American football player. Wood has been practicing football for a month. He will receive his award in nine years. Zobie Self saved Coach Tommy Thornburg's life last Tuesday. Thornburg was swimming in a bar-ditch when a cramp overcame him. Miss Self just happened to be coming along when she saw him. She quickly jumped in and dragged him to shore. When interviewed, she said, "Well, I just couldn't let my lo-v-ah, ah, fellow-being drown."

A valuable refrigerator was stolen from the elementary building last Wednesday. The only clues were scrapes on the sidewalk and trails of blood. An on-the-spot witness said he heard screams of pain from the general vicinity at the time of the theft. Anyone knowing the whereabouts of the refrigerator is asked to contact Mr. Hinds.

Miss Self has offered an award of \$1,000,000 to the person or persons who bring in the heads of Mike Long and Gary Crow for unlawful sayings in School Scoops.

The Freshman girls were surprised by an invasion of upper-class girls early Thursday morning. By 7:30 a.m. all the unsuspecting Freshman girls had been somewhat rudely awakened by mobs of Sophomore, Junior and Senior girls.

The upperclassmen then ushered these bedraggled, bare-faced straggle-haired and berobed "Fish" to a breakfast in the school cafeteria. This event will serve as the Freshman Initiation for the F. H. A. chapter.

Devotional Period Held On Lawn

A devotional was held Friday morning, September 9, 1966, on the lawn in front of S.H.S. for all high school students and teachers.

The flag was raised by John Montague, Gary Whitfill and Roy Dale Wood. A scripture was read by Jane Self and prayer was led by Buddy Comer.

The Student Council has decided to have a devotional every Wednesday at 8:30 a.m.

CONDENSED TOMATO SOUP MAKES FOR ROSY EATING

Stuffed Cabbage Rolls make good, stick-to-the-ribs eating for your loved ones, and preparing the dish is creatively satisfying for you. Fill partially cooked cabbage leaves with a garlicky filling of ground lamb and cooked rice; spark the filling with a bit of rosemary, too.

Then pour on a can of condensed tomato soup to make the rosy-bright sauce for the cabbage rolls. Its tempting color and sparkling flavor makes for m-m-m-good eating! Using condensed soup also cuts out tedious sauce-making preparation steps.

Use tomato soup, America's Number One Favorite, in ever-so-many recipes to give rich, sun-ripened tomato flavor to your family's best-liked dishes.

Stuffed Cabbage Rolls

- 8 large cabbage leaves
- 1 pound ground lamb
- 3/4 cup chopped onion
- 1 small clove garlic, minced
- 1 cup cooked rice
- 1 teaspoon salt
- 1/4 teaspoon pepper
- 1 egg, slightly beaten
- 1 can (10 1/2 ounces) condensed tomato soup
- 1/4 teaspoon rosemary, crushed

Cook cabbage leaves in boiling salted water a few minutes to soften; drain. In skillet, cook lamb, onion, and garlic until meat is browned and onion is tender. Add rice, salt, pepper, and egg. Divide meat mixture among cabbage leaves; roll and secure with toothpicks or string. Place cabbage rolls in skillet; pour soup over and sprinkle with rosemary. Cover; cook over low heat about 40 minutes. Stir now and then, spooning sauce over rolls. Makes 4 servings.

Shrinks Hemorrhoids Without Surgery

Stops Itch—Relieves Pain

For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids and to relieve pain—without surgery. In case after case, while gently relieving pain, actual reduction (shrinkage) took place. Most amazing of all—results were so thorough that sufferers made astonishing statements like "Piles have ceased to be a problem!" The secret is a new healing substance (Bio-Dyne®)—discovery of a world-famous research institute. This substance is now available in suppository or ointment form called Preparation H®. At all drug counters.

CANNED MUSHROOM GRAVY-SAUCE DISH

Summer is always fun . . . everyone busy, in a relaxed way, and the attitude toward eating a casual one. But ask any homemaker responsible for producing summer's spontaneous, eat-on-the-run meals and she'll tell you: It's refreshing to get into fall and, once again, back to the regularity of hearty, sit-down suppers that the entire family enjoys together.

For you, it's fun to try new and exotic dishes again for your newly appreciative family. Why not start your new-recipes file with Far East Lamb Curry—a luscious combination of fork-tender lamb and curry-dashed canned mushroom gravy. The rich, perfectly smooth gravy, ready to use right from the can, is full of sliced mushrooms. Serve the curry over rice and accompany with traditional condiments of chopped peanuts and chutney. Add a crisp salad and a fruit dessert.

Far East Curried Lamb

- 1 1/2 pounds boneless lamb, trimmed and cubed
- 1/2 cup chopped onion
- 1/4 cup chopped celery
- 1 medium clove garlic, minced
- 2 tablespoons butter or margarine
- 1 can (10 1/2 ounces) mushroom gravy
- 1/4 cup water
- 1 tablespoon tomato paste
- 2 to 3 teaspoons curry powder
- Dash salt and pepper
- Cooked rice
- Chutney and chopped peanuts

In large skillet or heavy saucepan, brown lamb and cook onion, celery, and garlic in butter. Stir in gravy, water, tomato paste, curry powder, salt, and pepper. Cover; cook over low heat about 1 hour or until meat is tender; stir now and then. Serve over rice with chutney and peanuts. Makes 4 servings.

How to save for a rainy day and help your country now

Sometime, you may have an emergency which will affect the future of your family. It's kind of comforting to have a fund standing by to help you meet that emergency.

Your country also has emergencies to meet in the day to day job of keeping peace and standing up for freedom.

You can help meet both needs with U. S. Savings Bonds.

Your fellow Americans are already holding \$47 billion in Savings Bonds—for rainy days, and sunny days, too. Why not join them? And see if you don't feel pretty good about it.

Buy Bonds on the Payroll Savings Plan where you work. Or at any bank. No charge for the service.

Floyd came Saturday and he and his family spent the weekend with his parents, Mr. and Mrs. Bud Perkins, and Kathy Faye. Other Sunday dinner guests in the Bud Perkins home were Mr. and Mrs. Tommy Perkins and Shane of Tulsa; Mr. and Mrs. Donald Perkins, Faye Lynn and Roy Don.

CARDS OF THANKS
We want to say thank you to the friends and neighbors who were so thoughtful while we were at the hospital and since we have been home. The cards, flowers, phone calls, visits and every kindness extended to us.
Mr. and Mrs. Dee Garvin

Words cannot express my appreciation for all the cards, letters, flowers, visits, food and prayers while I was in the hospital and since I have been home. Your kindness and thoughtfulness have meant so much to me.
May God bless each of you.
Mrs. C. G. Harrison

Thanks, dear friends, for the various expressions of sympathy concerning the death of our brother-in-law.
We shall long remember your kindness.
May God forever bless and keep you.
Mr. and Mrs. Luke Thompson

Mr. and Mrs. Bud McMinn visited Mr. and Mrs. Melvin Watkins in Amarillo last Thursday. Travis McMinn and Dwayne Henderson visited them Sunday afternoon. Mr. Watkins has undergone surgery recently and has had complications, requiring him to be in the hospital several times, but is at home and doing better now.
